

## Troublemakers 1441

### Chapter 1441: wedding 19

"Mommy, I don't want to write a reflection or have to stand for a long time. I'm hungry and want to eat. When can you come see me?" Lan Lan started crying again over there.

Shen Mei's fingers clenched into fists.

"Lan Lan, don't cry yet. Wait a minute. Mommy will be by your side soon. I will definitely teach those \*\*\*\* kids a lesson then. Don't worry, I will vent your anger on your behalf." She said on the phone Li comforted Lan Lan.

Ke Lanlan was unwilling to give in and was still crying over there.

Shen Mei's face was gloomy and she was in a bad mood.

She could only keep comforting Lan Lan and hung up the phone after giving her many promises.

Lan Feiyun walked in just after hanging up the phone.

"Mom, tomorrow is the wedding of Shen Ning and Li Zhenting. They are holding it for three days and three nights. I don't care. I want to go to Li's castle." Shen Mei said to Lan Feiyun with a dark face.

Lan Feiyun glanced at her and said, "Did Lan Lan call you again and say that she was bullied?"

"Yes, she was slapped by Coco today, and now she has to stand and write a reflection. She is crying so hard. If I don't go over, she will be bullied to death." After all, she is her own daughter, Shen Mei is still Very distressed.

Lan Feiyun said calmly: "I've been here for so long. Isn't Lanlan doing well? How could she be bullied to death? Do you have to go now? Isn't it just a few days away?"

"But Mom, I really can't understand that \*\*\*\* Shen Ning. How could she marry Li Zhenting and become Mrs. Li, becoming the most noble and richest woman in the entire imperial capital? Moreover, the children she gave birth to are all bullying Lan Lan, I can't just ignore it." Shen Mei was very excited and insisted on going to Li's Castle.

"Now is not the time, let's wait a few more days." Lan Feiyun stopped him.

"No, Mom, we can't wait any longer. I have thought about it. I will go in on the night of their wedding. Their official wedding will be the day after tomorrow. Li Zhenting will definitely drink a lot of wine by then. After drinking, he will not be so clear-headed. I will take this opportunity to replace Shen Ning and consummate the marriage with him. As long as he and I become a real couple, everything will be settled." Shen Mei insisted on what she had seen, she was very determined and confident.

Lan Feiyun's eyes suddenly lit up, and her furrowed eyebrows relaxed.

That's right, Shen Mei's move is very good!

If she could replace Shen Ning and consummate Li Zhenting's marriage on the night of their wedding, then even if Shen Mei was recognized by Li Zhenting later, she would not have to worry about anything. Even if he would not marry Shen Mei, but with this relationship, Spending some money is more effective than any other method.

How could she not reach this point?

Just as her joy was rising, Shen Mei said again:

"Mom, it just so happens that these few days are my ovulation period. As long as Li Zhenting touches me, I believe I can get pregnant. In that case, I will have a chance to give birth to Li Zhenting's child. As long as the child is Li Zhenting's, I really don't have to worry about anything. , any problem can be solved, and even if we don't become Mrs. Li, we can still maintain our prosperity and wealth in this life."

"Daughter, you have really enlightened and become smarter. I didn't even think of this, but you did. It seems that it's time for you to become prosperous." Lan Feiyun beamed with joy and hugged Shen Mei kissed her hard and said, "My good daughter, I finally waited until you became a talented person. As long as you can still be so eye-catching in the future, then I will be able to live a stable life in the future."

"Mom, don't worry, as long as I have food, you will be indispensable, so we won't be afraid of Liang Ruqi's threats." Shen Mei was praised by Lan Feiyun, and felt sweet in her heart.

"Well, okay, come, let's discuss the countermeasures." Lan Feiyun pulled Shen Mei to sit down on the sofa, and the two discussed in a low voice.

After a while, Shen Mei stood up triumphantly, with a sinister cold light in her eyes.

Shen Ning, you bitch, how dare you bully my daughter and your little bitches, I won't let them have an easy time!

## **Chapter 1442: wedding 20**

At dinner time, both Li Wanqing and Li Jinchang came back.

After all, my son is getting married, and they, as parents, have to come back to help support him.

"Where's Lanlan?" During dinner, Li Wanqing asked immediately when she saw that Dudu was missing Lanlan.

Li Zhenting then remembered Lan Lan and looked at Xiao Li who was standing aside.

"Master, Lanlan didn't write any reflections and is still angry."

Li Zhenting's eyebrows wrinkled, and there was an annoyed look on his face.

"Zhen Ting, what mistake did the child make? She still had to write a reflection and didn't even give her dinner." Li Wanqing asked with a serious look on her face.

After all, Lan Lan is also her granddaughter, so she treats her equally and cares about her very much.

"Mom, Lan Lan is getting more and more outrageous now, and her personality is getting weirder and weirder. If you don't care about her, she will be in trouble." "How troublesome it is, how serious it can be, for a little girl who is only five or six years old. The words coming out of your mouth make her look like a murderer." Li Wanqing was very dissatisfied.

Li Zhenting had no choice but to say to Xiao Li: "Xiao Li, please bring Lan Lan over for dinner."

"Okay." Xiao Li agreed and walked towards the study.

After a while, she came over and said, "Master, Lan Lan has fallen asleep on the floor of the study."

Li Wanqing's face darkened when she heard this: "It's autumn, how can you let your child fall asleep on the floor? The cold is to the bones, and it aches this and that when you get old. Aren't you abusing your child?"

She glared at Li Zhenting dissatisfiedly, stood up and went to the study.

In the study, Lan Lan was lying on the floor sleeping soundly.

Li Wanqing used to feel sad when she saw her child like this. People said that men are ruthless and forget about their old love when they have a new love. They even disliked the children of the old love.

Li Zhenting clearly doesn't like Lan Lan.

In fact, she didn't like Lan Lan before, and that was because of Shen Mei. But Lan Lan is her granddaughter after all, only five or six years old. How can a grandmother dislike her own granddaughter? "Lanlan, Lanlan." Xiao Li had already squatted down and picked up Lanlan and put her on the sofa. She walked up and shook her arm gently, trying to wake her up for dinner.

Ke Lanlan couldn't wake up at all, the little guy was very sleepy.

"What should we do? We have to skip dinner. This will be bad for our stomach. Zhen Ting is really confused. How serious is it to argue with a child?" Li Wanqing was very upset when she saw Lan Lan sleeping so hard that she couldn't even eat dinner. Feeling distressed.

So, she asked Xiao Li the whole story and sighed in her heart.

It is true that if there is a stepmother, there will be a stepfather!

Now the entire Li family is surrounding Shen Ning. Only Lan Lan's father does not love his mother. The little guy will naturally feel wronged and scold her a few times. He has to stand and write a reflection for her.

Her face looked very ugly.

At this time, Shen Ning came over.

Since she knew that Li Wanqing was the one who registered Li's Castle under her name, she already knew that Li Wanqing was very good to her before she lost her memory. Therefore, she also wanted to be filial to her and maintain a good relationship with her mother-in-law and daughter-in-law. .

Just now, she had seen that Li Wanqing was unhappy because of Lan Lan, so she put down her job and followed him.

"Auntie, don't worry, I will come down and heat food for Lanlan when she wakes up." She comforted her softly.

"But what's the use? Don't we all have dinner at six or seven o'clock? If we wait until that late to eat, it's not good for the stomach. Or, if she sleeps until tomorrow morning, wouldn't she have to eat all night long? I can't have dinner." Li Wanqing looked very unhappy and her tone was serious.

Shen Ning wrung his fingers for a moment, feeling at a loss.

"Isn't it just a child who said a few words? How big a sin can it be? To treat her like this, Zhen Ting is so confused." She continued unyielding, and there was something in her words.

Anyone with a discerning eye can hear that she was obviously scolding her son, but actually she was blaming Shen Ning!

Shen Ning felt bitter in her heart.

#### **Chapter 1443: wedding 21**

"Mom, Lan Lan must be educated. It's getting worse and worse now." At this moment, Li Zhenting came over, glanced at Lan Lan who was sleeping, and said lightly, "I'll fall asleep when I fall asleep. One meal. What will happen if she doesn't eat? If she doesn't correct her shortcomings, the consequences in the future will be as simple as not eating a meal."

"Zhen Ting, are you cursing Lanlan? Didn't she just say a few words that you don't like to hear? What are the consequences?" Li Wenqing was really angry, "Now the entire Li family is trying to get married for you. She is a little girl who has no one to care about and no one loves her. If she feels wronged, what's the matter with just saying a few words?"

"Mom, if you don't know something, don't get involved in it. I know it well." Li Zhenting became impatient.

"What do you think you have in mind? Now you are more concerned about Coco, Ding Ding and Xiao Xiao than Lan Lan. She is a child, so she will compare and she will be sad after comparing."

"Mom, take a look for yourself, Xiao Xiaoduo is sensible and kind-hearted. When did Coco and Ding Ding ever do something as messy as Lan Lan? I know my own child well, so you don't have to worry about it." Li Zhenting's tone was a bit awkward. cold.

He will not be happy if his mother or father interferes in his family affairs.

"Ning Ning, let's go, let's go upstairs to see the new house." Li Zhenting saw Shen Ning's face turning pale and felt distressed, so he took her arm and left.

Shen Ning looked at Li Wanqing, whose face turned black with anger, and listened to the quarrel between mother and son, feeling uncomfortable and relieved at the same time.

The sad thing is that they are all arguing because of her. Fortunately, Li Zhenting is very protective of his children. Moreover, he loves his children very much and has a good impression of them.

"Shanshan, wait a moment."

Shen Ning suddenly broke free from Li Zhenting's arm, turned around, and walked towards Lan Lan.

She wanted to carry Lan Lan to the bedroom upstairs in person, and wanted to tell Li Wanqing with her actions that she would not leave Lan Lan alone as a five or six-year-old girl. When she woke up, she would go downstairs to warm her up. The food will not let her go hungry.

Here, Li Wanqing just stared at Li Zhenting with an unhappy expression because she was dissatisfied with Li Zhenting's perfunctory and cold attitude towards her.

Li Zhenting stood leaning against the door frame, looking calm and calm.

Shen Ning knelt down in front of Lan Lan and was about to reach out to pick her up.

Sudden

Lanlan opened her eyes.

The little girl's eyes were clear and she didn't look sleepy at all. She didn't look like she had just woken up. Only when she saw Shen Ning, her eyes shone with resentment and calculation, and there was even a trace of a proud smile.

Shen Ning was stunned, and her outstretched hand froze in mid-air.

After a while.

She turned around and walked out.

As soon as Shen Ning left, Xiao Li felt a little strange and went to see Lan Lan.

Lanlan had closed her eyes long ago.

"Ning Ning." Li Zhenting saw Shen Ning leaving and immediately followed him.

In the gorgeous new house, everything is decorated according to Shen Ning's requirements.

But Shen Ning stood in the wedding room and felt cold all over.

She didn't care about the hatred of a little girl, nor was she afraid that Lan Lan would hurt her. But the stepmother's pain had already come before the marriage had even begun, and it was so painful.

She lowered her head and tears flowed out again.

"Ning Ning, why are you crying again?" Li Zhenting put his arms around her waist and pulled her into his arms, asking distressedly.

Shen Ning buried her face in his chest, but couldn't stop her tears.

Li Zhenting was silent and suddenly hugged her tightly.

"Ning Ning, don't worry, I won't let you suffer even a little bit, please believe me." He whispered, kissing her face gently.

## **Chapter 1444: wedding 22**

"Shanshan, I believe you. You should go wash up and rest first. There will be guests at home tomorrow, and you will be very busy and tired." Shen Ning pushed Li Zhenting away and walked outside.

"Ning Ning, don't leave, let's go take a shower together." Li Zhenting followed and whispered in her ear, his tone warm and intimate.

But at this moment, Shen Ning was so noisy inside that she was in no mood to pay attention to him.

"Shanshan, please ask the driver to take me back to my old house."

"Why?"

"Because our wedding is about to start tomorrow, when have you ever seen the bride staying at the groom's house before she got married?" Shen Ning asked.

"Oh, I forgot about this." Li Zhenting patted his head and smiled, "Then let's go back to my grandparents' place together."

"What did you do in the past?"

"I miss Xixi and Beibei, and I also want to visit my grandparents and make arrangements for tomorrow." He replied casually.

"But there are guests coming early tomorrow morning. Do you want to come back early in the morning?"

"Of course." Li Zhenting answered simply. In fact, he didn't want to be separated from Shen Ning for a while.

"That's so hard." Shen Ning complained.

"As long as I'm with you, no matter how hard it is, it's worth it." His mouth felt like it was coated with honey.

Shen Ning said this, but it was very helpful in her heart.

After all, which woman doesn't want the man she loves to be with her all day long?

The two of them went downstairs and walked outside intimately.

Back at the Li family's old house, Xixi and Beibei were crying and fussing.

Shen Ning and Li Zhenting are both busy with weddings these days. The two little guys have been left out and are in a mood.

Seeing the children, Shen Ning's heart felt warm, and she hurriedly ran to comfort the children. The family affection made her forget everything, even Lan Lan, and she was immersed in the joy of their family's upcoming reunion.

Liang Ruqi stood in the darkness upstairs of her home, holding a telescope.

She could see every move Li Zhenting made as he and Shen Ning walked hand in hand from the car and entered the old man's villa intimately.

Looking at the sweet love between their husband and wife, and thinking that his daughter-in-law is still in prison, and that his son and grandson lose their temper at home every day because of the lack of a wife and mother, I can't help but feel angry.

She put down the telescope and called Lan Feiyun.

The next day.

Li's Castle began to receive guests one after another.

Li Jiaojiao received a call from Li Zhenting early in the morning, asking her to be responsible for the daily life of the four children these days, ensuring their safety and taking good care of them.

Moreover, at tomorrow's wedding, Keke, Dingding and Xiaoxiao will have to be the flower girls for them.

Li Zhenting has already said that as long as she completes this task and ensures that the children make no mistakes, he will give her a reward of one million yuan.

Li Jiaojiao's eyes lit up and she immediately agreed. However, she asked that two bodyguards be sent to follow her.

Li Zhenting thought about the crowd and the clutter, and was worried about the safety of the children, so he agreed.

Li Jiaojiao has been itching since she escaped from Li's Castle yesterday morning. She has always wanted to go back to Li's house, but she was afraid of Ji Qingshan's revenge, so she didn't dare to come.

Now, with two Baobiao following her, she was not afraid of anything and drove straight towards Li's Castle.

In the Li family castle, many guests have started to arrive early in the morning. Of course, the most frequent guests are the immediate family members of the Li family.

## **Chapter 1445: wedding 23**

Li Jiaojiao had just stopped the car when suddenly, a door next to the car opened.

A woman, wearing a tight purple top and a lavender skirt, with a slender waist, walked out of the car carrying a small Hermès bag and wearing high heels.

The woman wears wavy hair, fashionable and sexy.

Li Jiaojiao's chest suddenly froze.

Isn't this Chen Qianqian!

She looks more mature and elegant than before.

A feeling of sourness and jealousy suddenly welled up in my heart. For a moment, I sat without getting out of the car and watched her walk inside.

At the gate, a man strode out to greet him.

Li Jiaojiao took a look and saw that it was indeed Ji Qingshan.

He came out to meet her.

She stared at Ji Qingshan's head.

He was wearing a peaked cap and looked cheerful, as if he was not much affected.

Obviously, after she shaved off half of his hair, he should have cut his entire head bald. Otherwise, he would not have to wear a hat, and there is not a single hair under the hat, only white skin. .

"Hmph, you scumbag and bitch, I wish I had shaved your eyebrows earlier." Li Jiaojiao didn't dare to get out of the car, stared at the backs of the doggy couple and punched the steering wheel.

"Qingshan, why are you wearing a hat?" Chen Qianqian was a little surprised when she saw Ji Qingshan wearing a peaked cap, because it was so inconsistent with his elegant image.

Ji Qingshan coughed lightly and smiled: "I want to have a taste of being a monk."

"You have a bald head?" Chen Qianqian was surprised.

"Yes." Ji Qingshan did not hide anything and took off the hat in front of her. His round head was completely shaved, and the handsome Western-style hair style was no longer visible.

Chen Qianqian wanted to laugh but held it back.

"Not to mention, with your thin skin and tender flesh, you are much prettier than the actor who played Tang Monk on TV." She couldn't help but admire her.

"You really think it looks good?" "Of course, it's just a little sudden."

Ji Qingshan laughed, and the two of them found a bar in the reception area and sat down.

Li Jiaojiao then got out of the car and followed in.

Keke, Ding Ding and Xiao Xiao were not seen in the living room. She had a task to attend to, so she went upstairs.

Coco and Ding Ding were playing on the computer in the bedroom. The two little guys had nimble fingers and the programs on the computer screen were constantly changing. Li Jiaojiao couldn't understand it, so she shouted when she came in:

"Coco, Ding Ding, Xiao Xiao, you three, listen up. I will take care of you for the next three days. You must obey my instructions and not run around. You have to be a flower girl for your dad and mom tomorrow. You put on makeup and change clothes, do you understand?"

"Who wants to listen to your command?" Ding Ding glanced at her disdainfully.

"If you don't believe what your dad said, you can call and ask your dad. He even paired us with a baby boy." Li Jiaojiao looked serious.

Ding Ding squinted his eyes: "You are so kind, you probably want our red envelope, right?"

Daddy and Mommy will also get red envelopes when they get married. Ding Ding can see through Li Jiaojiao's thoughts.

Li Jiaojiao chuckled and said, "Your father said that your red envelopes must be handed over to me for safekeeping, lest you lose them."

Coco's little \*\*\*\* twisted and said, "Why don't I believe what Aunt Jiaojiao said?"

"I don't believe it either." Xiaoxiao also echoed.

"I believe it." At this time, the door opened, Lan Lan walked in, ran to Li Jiaojiao and said flatteringly: "Aunt Jiaojiao, I will give you all my red envelopes."

"Lanlan is so good." Li Jiaojiao was happy.

"Money addict." Ding Ding clicked his tongue.

"Don't say that to my aunt. Anyway, you have to hand over all your red envelopes. Otherwise, I will file a lawsuit."

"Tch." The three little guys shrugged in unison.

## **Chapter 1446: wedding 24**

"Aunt Jiaojiao, should I be nice to you?" Lan Lan showed her kindness to Li Jiaojiao with a smile.

"Well, aunt will be kind to you." Li Jiaojiao smiled and pinched Lan Lan's little face.

"Children, all stand up now and come with me to have breakfast. In these three days, you will depend on me for three meals a day. If you want to live more comfortably and eat better, just give me the red envelope." "Li Jiaojiao shouted the command.

Coco, Dingding and Xiaoxiao each looked at each other, and when they were expressing their dissatisfaction, there was a knock on the door.

Two strong men Bao Biao walked in.

"Cousin, we are here to obey your orders."

"Okay, these three little guys disobeyed orders and refused to go down for breakfast. You guys carry them down and confiscate their computers." Li Jiaojiao immediately pointed at Coco, Ding Ding and Xiao Xiao.

"Okay." The two Baobiao immediately walked towards Coco and Ding Ding.

"Auntie, don't confiscate our computers. We'll go down for breakfast right away and give you all the red envelopes." Coco surrendered immediately.

"It should have been like this a long time ago." Li Jiaojiao smiled proudly and said, "Hurry up, I have other things to do after breakfast."

"Okay." The three little guys ran over immediately.

Li Jiaojiao led them downstairs.

Downstairs.

Breakfast is served in the buffet area.

When Li Jiaojiao led the children over, she immediately saw Ji Qingshan and Chen Qianqian sitting in the reception area. They were chatting and laughing happily, and they were very comfortable.

In an instant, Li Jiaojiao felt jealousy rising straight to her head.

Originally, she shaved half of Ji Qingshan's head just to see him make a fool of himself. Unexpectedly, he turned out to be extremely happy and complacent, which was inconsistent with her expectations. Moreover, the intimacy between him and Chen Qianqian made her uncomfortable.

"Aunt Jiaojiao, that lover of yours is getting together with that aunt again. Oh, how pitiful." Ke Ke is a mean person. What happened in the Shaw Villa last time already made it clear that Li Jiaojiao likes Ji Qingshan. , but Ji Qingshan didn't like her, so he joked next to her.

Li Jiaojiao hit his little head and warned: "Keke, stop talking nonsense, what do you, a little kid, know?" "Rude." Keke pouted.

As soon as Li Jiaojiao appeared in the reception hall with her four children, she immediately attracted everyone's attention.

Just because these four little guys are so well-behaved, delicate, and attractive!

"Keke, Ding Ding and Zhen Ting are just like the same mold, they are so handsome."

"Yes, she is so beautiful when she is small."

"Lan Lan is also very cute and chubby."

Everyone was talking in a low voice, and all of them shouted to them with smiles: "Keke, Ding Ding, Xiao Xiao, Lan Lan."

The four little guys have long been accustomed to such scenes. They raised their little hands to greet them: "Hello, aunts and uncles."

"That's so cute." Everyone laughed.

Ji Qingshan's eyes quickly glanced this way, and he saw Li Jiaojiao at a glance. His eyes narrowed, and a terrifying chill suddenly burst out, but it was fleeting.

He continued to chat with Chen Qianqian, and the two of them laughed happily from time to time.

Li Jiaojiao's ears twitched, feeling particularly harsh when she heard the laughter.

but

She will never be as impulsive as she was the last few times, and she is even indifferent.

She has already thought about it. Ji Qingshan, a scumbag, is really not worthy of her enthusiasm. They can just do whatever they like.

After breakfast, Li Jiaojiao took a few little ones to play in the garden, with two Baobiao following behind, looking very majestic.

Who would have known that Li Jiaojiao and Ji Qingshan would bump into each other while walking on the path next to the swimming pool.

Li Jiaojiao was stunned when she looked at Ji Qingshan and Chen Qianqian walking towards them.

When she came here, she didn't see this couple. How could she meet them by chance? What a bad luck!

## **Chapter 1447: wedding 25**

Li Jiaojiao glanced at the peaked cap on Ji Qingshan's head, feeling happy in her heart. She finally got rid of this screaming beast, which made her feel bad.

Now even if he wants to get her back, he can't do anything to her with two guards around her. In a few days, she will go to the United States, and she has no plans to meet Ji Qingshan in the future. .

She raised her head and without even looking at Chen Qianqian who was beside Ji Qingshan, she walked directly past them and walked forward.

But just as he passed them, suddenly, a force hit him from his side.

Before she could react, her body tilted and she fell into the swimming pool next to her.

"Ah." With a "dong" sound, Li Jiaojiao fell into the swimming pool.

The four little guys were stunned. This must have happened too suddenly.

"Hurry, someone has fallen into the water, go down and save them." Ji Qingshan immediately shouted to Bao Biao who was standing next to him.

Everyone over there is looking this way!

The two Baobiao didn't expect such a thing to happen suddenly. They reacted immediately after being stunned for a while. One of them jumped down and helped Li Jiaojiao up.

Fortunately the water is not very deep!

But it was already late autumn, and it was really cold when the water flooded my body.

Li Jiaojiao drank several sips of water when she fell without warning.

"Miss Cousin, are you okay? I'll pull you up." Bao Biao jumped onto the shore first and stretched out his hand towards Li Jiaojiao.

Li Jiaojiao wiped her face with her hands and stretched out her hands.

Bao Biao pulled her ashore. A gust of wind blew, and Li Jiaojiao shivered.

"Hey, Li Jiaojiao, why did you suddenly jump into the swimming pool?" At this time, Ji Qingshan took a few steps closer and asked hypocritically.

Li Jiaojiao stared at Ji Qingshan, her eyes filled with anger.

Just now, it was clear that she was pushed into the water with a strong force. When she passed by Ji Qingshan, it was he who reached out and pushed her out of the swimming pool. He was still here pretending to be a good person and deliberately asking questions to disgust her. This man was really insidious!

"Ah, I regret not shaving your eyebrows and digging out your eyes." Li Jiaojiao spat at Ji Qingshan and cursed angrily.

Ji Qingshan was well prepared, dodged, and whispered in her ear: "If you are in the first year of junior high school, don't blame others for being in the fifteenth year. If you don't have good intentions, don't expect others to be kind."

"Son of a bitch, I'm going to sue you." Li Jiaojiao gritted her teeth.

"Sue? Why? Just because you jumped into the water yourself? It's really ridiculous."

"Obviously it was you who pushed it."

"Who said it was me who pushed it? Where's the evidence?"

"You...shameless!"

Ji Qingshan saw that she was shivering from the cold, her lips were trembling, and she looked angry and angry. He laughed and walked away with Chen Qianqian.

At this point, Li Jiaojiao finally knew why she met him here by chance. It seemed that he had been secretly observing her, waiting for an opportunity to take revenge.

This \*\*\*\* of a man must die a good death!

She cursed and immediately told the guards to take care of the children, and she quickly ran back to the bedroom to change clothes.

"Hey, what a bad fate." Keke stood beside him, arms folded across his chest, shaking his head and sighing.

"Brother, what does bad fate mean?" Xiaoxiao asked puzzledly.

Coco blinked her eyes and said, "I don't know either, but I often heard grandma mention it before. Now that Aunt Jiaojiao and Uncle Ji don't deal with each other, she has to suffer a lot."

"Oh." Xiaoxiao nodded.

Over there, Chen Qianqian looked thoughtful.

"Qingshan, you are not willing to cut your bald head, right?" She asked with a smile after she and Ji Qingshan walked to the rest area.

#### **Chapter 1448: wedding 26**

Ji Qingshan's eyes flashed with coldness.

"I can't help it, I met a madman." He said coolly.

Chen Qianqian's eyes flashed with a dark light and she asked, "Do you really think she is crazy?"

"Otherwise, how could any girl be so crazy, willful, unreasonable and unreasonable?" Ji Qingshan sneered.

Chen Qianqian smiled: "Don't you think she loves you too much?"

"Love?" Ji Qingshan chuckled, "Does she understand love? Don't laugh to death, she's just a girl who doesn't know the heights of the world."

"Perhaps you'll understand?" Chen Qianqian glanced at Li Jiaojiao, who had already changed her clothes and came out. The curvature of her lips was somewhat unpredictable.

As soon as Li Jiaojiao came out, her eyes looked at Ji Qingshan here.

As a woman, how can she not understand the thoughts of girls!

"Qian Qian, don't mention this ghost girl again. I get a headache when I see her now. If it weren't for Shen Ning's sake, I would never agree to stay here." Ji Qingshan glanced coldly at Li Jiaojiao, who was walking in front with her four children, had a wry smile on her face.

"By the way, Qingshan, I have a question for you. Why are you so nice to Shen Ning? Is it because you love her?" Chen Qianqian suddenly became very nervous. "I hope you won't be angry. I just asked casually. ."

This has always been the strangest thing about her. Ji Qingshan's care and love for Shen Ning has gone beyond the ordinary relationship between men and women. This is very rare in her opinion, and she has never been able to figure out the reason.

Ji Qingshan was silent for a moment and replied: "Shen Ning's grandmother entrusted her to me. I promised her that I would take care of her all my life. Moreover, her grandmother Jun Meizhen once saved my life. For me, Said it was repaying the favor."

Of course, there is another point. In the process of getting along with Shen Ning, he was really moved by this fearless and brave girl. For a while, if Shen Ning was willing to accept him, he wanted to take care of her for the rest of his life, but Unfortunately, the man Shen Ning loves will always be Li Zhenting, and there is no place for him. He can only settle for the next best thing.

Because of this, he disdained and looked down upon Li Zhenting. Even his current prejudice against Li Jiaojiao is related to this. Who knows that Li Jiaojiao is Li Zhenting's cousin.

He felt that Li Jiaojiao would definitely be like Li Zhenting, arrogant and ignorant of love, let alone responsibility, and would not be a good spouse at all!

"Oh, I understand." Chen Qianqian nodded, relieved.

If Ji Qingshan was so kind to her because he was infatuated with Shen Ning, there would be nothing she could do about it, but for now, it seems that he is just out of repayment, so it would be much easier to handle. As for the crazy Li Jiaojiao, she really didn't take her seriously.

Zhang Xiaoxian learned from the newspaper that Shen Ning and Li Zhenting were getting married.

During this period, she didn't know how Shen Ning was doing. The last time they contacted her was because of Zhu Qixiong, and they had no contact after that.

At first, she was working two jobs and was very busy. Later, when she got better, she took the initiative to call Shen Ning to ask about her situation. However, Shen Ning's phone was turned off. After being unable to get through several times in a row, she no longer had the courage. The fight continued.

After all, she is just a girl from the countryside. Her parents are still in the hospital. She is poor and has no connections. She even relies on Shen Ning to support her parents' medical expenses. She feels that she should be a burden, and Shen Ning no longer wants to see her. She did.

Therefore, she worked harder to try to afford her parents' medical expenses.

But Shen Ning had helped her. Today was her wedding day to Li Zhenting. No matter what, she should give them a gift.

This is what she wants.

Therefore, she arrived at the gate of Li's Castle early in the morning.

**Chapter 1449: wedding 27**

"Xiao Xian."

Zhang Xiaoxian stood at the gate looking at the majestic and luxurious Li's Castle gate, feeling timid in her heart. The security guard just told her that she needed an invitation letter to enter, but she had never received any invitation letter at all. Therefore, she was Unable to get in, just when she was about to turn around and leave, a luxury car drove over, the door opened, and a man called her nickname.

Zhang Xiaoxian was a little surprised. No one in the imperial capital knew her at all, let alone a man who drove a luxury car.

She turned around.

The handsome and free-spirited man was sitting in the cab and smiling at her.

"Master Zhu." Zhang Xiaoxian was a little surprised when she saw Zhu Qixiong.

"Silly girl, come here." Zhu Qixiong waved to her.

Zhang Xiaoxian walked over uneasily and forced a smile.

"Master Zhu, are you here to attend the wedding of Sister Ning and Mr. Li?"

"Yes, you too?"

"I didn't receive the invitation letter." Zhang Xiaoxian lowered her head. Zhu Qixiong had received it, but she hadn't, and Shen Ning didn't even tell her. It was obvious that she was not qualified. After all, she was just a country girl.

"It's okay, come up, I'll take you in." Zhu Qixiong smiled.

"This is not good. Will uninvited people lose their face if they come in?" Zhang Xiaoxian was uneasy.

"Then why did you come here?"

"I just want to express my feelings, I have no other ideas."

"That's it, just follow me in and don't worry about anything else. Maybe I'll ask you for help." Zhu Qixiong smiled and reassured her.

"Can you please help me?" Zhang Xiaoxian was surprised and thought he was making a joke on her, but he just wanted her to get in the car.

"Yes, get in the car quickly, don't stop others." Someone behind her was honking the horn, and he urged her. Zhang Xiaoxian had no choice but to open the door and get in the car.

"Xiao Xian, don't blame Shen Ning for not inviting you to their wedding banquet, because she lost her memory after being injured." In the parking lot, Zhu Qixiong parked the car, his face full of solemnity.

"Lost your memory?" Zhang Xiaoxian screamed, grabbed Zhu Qixiong's arm and said, "Master Zhu, tell me quickly, what happened to Sister Ningning?"

"Hey." Zhu Qixiong sighed and told what happened.

"No wonder I heard that two members of the Li family were taken to the police station some time ago. It turned out to be because of this incident. Oh my God, my poor Sister Ning, why are you so miserable?" Zhang Xiaoxian shed tears after hearing this.

"So, this time, she must be happy." What happened between him and Shen Ning that night flashed through Zhu Qixiong's mind, and he felt extremely guilty and lowered his head.

"Yes, Sister Ningning must be happy this time. Mr. Li will never let her down again." Zhang Xiaoxian wiped her tears.

"Xiao Xian, you can be my girlfriend for these three days." Suddenly, Zhu Qixiong said.

"What? Girlfriend?" Zhang Xiaoxian thought she heard wrongly and looked at him in surprise.

"Yes." Zhu Qixiong nodded affirmatively, and after thinking for a moment, he said: "Because Ning Ning and I are close, Li Zhenting has always been very suspicious of me. If I have a girlfriend, he will be relieved. , this way you will treat Shen Ning wholeheartedly, can you understand what I mean?"

He told everything, but he hid only what happened between him and Shen Ning that night and the photos, because he really couldn't tell him!

Zhang Xiaoxian was stunned and suddenly realized.

"Okay, I promise you." She agreed immediately.

If there is suspicion in a love, it will be detrimental to both parties no matter what. She really doesn't want to see Shen Ning in pain anymore.

"Okay, thank you, I can pay you."

"No need." Zhang Xiaoxian replied very loyally, "We are all doing this for Sister Ningning's good. As long as she is good, I will be willing to bear it even if I am misunderstood or abused."

"Xiao Xian, you are so kind." Zhu Qixiong looked at her. The little woman's eyes were bright and her face was open and honest. The corners of his lips were slightly raised and he praised sincerely.

## **Chapter 1450: wedding 28**

"Where is it? Sister Ningning has helped me so much. Even if I am asked to die for her, I should do it." Zhang Xiaoxian immediately shook her head, suddenly full of doubts on her face, "That's not right, Mr. Zhu, aren't you engaged? Are you your fiancée? Why do you still need me to pretend to be your girlfriend?"

She thought of the news about Zhu Qixiong's engagement to the gambling king's daughter Wu Xueying some time ago, and became even more puzzled.

Zhu Qixiong smiled: "Do you really believe that I am engaged? My stepmother plotted against me for the return gift money from the Wu family. She drugged me and forced me to get engaged to Wu Xueying. In fact, it was not mine. My original intention was that I didn't know anything that day."

"Oh." Zhang Xiaoxian suddenly realized.

"Let's go." Zhu Qixiong got out of the car and opened the door for Zhang Xiaoxian.

Zhang Xiaoxian got out of the car and looked at the cheap clothes on her body, feeling a little embarrassed: "Young Master Zhu, I've seen a lot, so don't blame me if you lose face."

Zhu Qixiong smiled: "A graduate student from Qingguang University is completely worthy of me. I am the only one who is not worthy of you."

"It's not as pretentious as you said. Besides." Zhang Xiaoxian smiled shyly, "I have never been in a serious relationship, and my experience is limited. It may make you look bad. I have to declare this in advance."

There was indeed a male classmate who chased her when she was in college, but it was just a sign of affection and no excessive behavior. Moreover, she, who was born in the countryside, had never seen such a big scene, so she couldn't confirm herself. Are you up to this mission?

"It doesn't matter. I hope that no one will dare to underestimate the girlfriend you choose. We just have to be ourselves and there is no need to care about other people's opinions." Zhu Qixiong said calmly, looking at Zhang Xiaoxian with bright eyes.

"Okay, let's go." Zhang Xiaoxian finally ran out of ideas and walked forward.

"Wait a minute." Zhu Qixiong strode up and gave her his arm.

"What's wrong?" Zhang Xiaoxian looked at him puzzled.

"Look at other people." Zhu Qixiong pointed at the couple passing by. The woman always held her hand in the man's elbow.

She blushed suddenly.

"What? You regretted it?" Zhu Qixiong looked at her, a little nervous.

"I..." Shen Ning faltered. "It's just holding arms, just for show, don't be too nervous." Zhu Qixiong comforted her.

"Okay." Zhang Xiaoxian quickly felt relieved and put her hand into his arm.

Zhu Qixiong immediately held her arm tightly.

The two of them walked inside.

To put it aside, the man is tall and handsome, and the woman is slim and slender. When they walk together, they look good together.

Zhang Xiaoxian often walks and works, and her body is light and airy. For the first time, Zhu Qixiong felt like he was running with a fairy on his arm. This feeling was something he had never experienced before.

For a moment, he really thought Zhang Xiaoxian was his girlfriend.

As soon as they walked to the gate, they met Li Wanqing who was accompanying a lady.

The moment Li Wanqing saw Zhu Qixiong, the original smile on her face stiffened and her face turned dark.

Why is he here?

What else is he doing at this time? Could it be that she was deliberately embarrassing her son?

Although the photos of Zhu Qixiong and Shen Ning have not been leaked, Zhen Ting has seen them. Who wouldn't be upset by this!

"Hello, Madam Li." Zhu Qixiong greeted her calmly, as if nothing had happened.

"I wish you well, young master." Out of politeness, Li Wanqing had to smile in return.

"Go and do your work, we'll go in first." After saying hello, Zhu Qixiong took Zhang Xiaoxian's hand and left.

"Is this Mr. Li's mother?" Zhang Xiaoxian was amazed when she saw Li Wanqing. She was indeed a wealthy lady. Her temperament was nothing to say. Her facial features were delicate and beautiful. She must have been a great beauty when she was young.
