

## Troublemakers 1451

### Chapter 1451: wedding 29

"Yes, she is Shen Ning's mother-in-law." Zhu Qixiong replied.

"So temperamental, so elegant." Zhang Xiaoxian admired, "Everywhere in the newspapers it is said that she has a very good relationship with Sister Ningning, and she loves her daughter-in-law very much. She is indeed a kind-hearted person, like most wealthy families. The mother-in-law and daughter-in-law have trouble dealing with their hair problems, and it is difficult to get along with her, but she seems to be very kind, and in this regard, Sister Ningning is quite happy."

Zhu Qixiong was thoughtful and silent.

The reason why he asked Zhang Xiaoxian to be his girlfriend today was actually to dispel Li Wanqing's doubts. Li Wanqing was indeed very good to Shen Ning in the past, but that time, she came to him to ask about what happened in those photos, and learned that they After the relationship, she actually encouraged him to pursue Shen Ning, even though her son was still deeply in love with Shen Ning.

Obviously, she cares about Shen Ning's innocence, which is not good for Shen Ning.

He was worried that she would embarrass Shen Ning in the future.

Therefore, he came here specifically to ask Zhang Xiaoxian to be his girlfriend, just to tell her that apart from that misunderstanding, he and Shen Ning would never have anything else. They were over long ago, and he hoped that she could treat Shen Ning well.

At this time, the receptionist took them into the lounge and gave them the room number of the guest room.

After finishing all this, Zhu Qixiong took Zhang Xiaoxian for a walk in the Li family castle.

"Xiaoxian, Mr. Zhu." Not long after, they met Li Jiaojiao who was playing with four little ones. Li Jiaojiao had a good rapport with Zhang Xiaoxian when they were in Yuhe Village, Yuan County. When they saw her, they Greeted immediately and cheerfully.

"Miss Cousin." Zhang Xiaoxian was also very happy to see an acquaintance, and they immediately became friendly.

"What a cute little guy." Zhang Xiaoxian immediately praised the four cute little guys happily.

She was friendly and enthusiastic. The four little guys liked her very much, and soon they started playing together.

In this way, Zhu Qixiong and Zhang Xiaoxian have been playing with Li Jiaojiao.

In the afternoon, Li Jiaojiao kept sneezing because she caught a cold after being pushed into the swimming pool by Ji Qingshan in the morning.

She was very sleepy and wanted to sleep, so she gave the four little ones to Zhang Xiaoxian to look after, while she went in to rest.

Zhu Qixiong has friends to socialize with from time to time, but he always goes back to Zhang Xiaoxian as soon as possible to help her take care of the four little ones.

"Ah Xiong." After a while, while Zhang Xiaoxian and Zhu Qixiong were talking together, a gentle woman's voice rang out.

Zhang Xiaoxian looked up and saw a beautiful girl, dressed very decently and gorgeously, already coming to them. The girl called Zhu Qixiong's nickname, but her eyes fell on her, looking up and down, a little coldly.

"Miss Wu." Zhu Qixiong turned his head and saw that it was Wu Xueying. He said hello lightly.

"Axiong, I have something to tell you." Wu Xueying reached out to take Zhu Qixiong's arm.

Zhu Qixiong immediately stood up and avoided it, saying, "Miss Wu, if you have anything to say, just say it here. There are no outsiders here."

Wu Xueying looked at him with sadness in her eyes.

"Axiong, my father said that Zhu's Group is having difficulty opening its business now. He is willing to give you part of his resources and can also get some sponsorship." She whispered.

"Thank you, no need. The Zhu Group is indeed in a bit of difficulty now, but everything will pass eventually." Zhu Qixiong immediately declined politely, then smiled, pulled Zhang Xiaoxian next to him, hugged her into his arms, and said sweetly :

"By the way, Miss Wu, let me introduce you, this is Zhang Xiaoxian, my girlfriend."

"Your girlfriend?" Wu Xueying's face turned deathly gray, and there were tears in her eyes when she looked at him.

It turned out that he had never cared about anything she had done for him.

"Ah Xiong, where am I not good enough?" she asked sadly.

This woman named Zhang Xiaoxian is dressed in street clothes and looks like a poor country bumpkin at first glance. She is the eldest daughter of a famous family. She comes from a noble family and has countless dowries. She can even help the Zhu Group come back to life and restore its glory.

But he would rather abandon her than choose a pauper, a woman who will be of no help to his career. Why on earth is this!

She really couldn't figure it out.

"Miss Wu, it's not that you're not good enough, it's that I'm not good enough for you." Zhu Qixiong felt a little ashamed.

In fact, he was not that disgusted with Wu Xueying. What he was disgusted with was that Xu Xiangzhi used her to force a marriage. This marriage seemed to him dirty and unbearable, and Wu Xueying's image in his mind also dropped by n. dimensions.

Wu Xueying left angrily.

I wish Qixiong and Zhang Xiaoxian will continue to play with the children!

### **Chapter 1452: wedding 30**

Have had dinner.

Li Wanqing is here.

"Hello, grandma." The four little guys rushed to greet her.

"Hello, my little grandson and granddaughters." Li Wanqing responded with a smile, kissed them one by one, and then looked at Zhu Qixiong with majestic and cold eyes.

"Hello, Auntie, let me introduce to you, this is my girlfriend Zhang Xiaoxian." Zhu Qixiong's eyebrows were light, and he first pulled Zhang Xiaoxian over and hugged him, and introduced him calmly.

girlfriend?

Li Wanqing's eyes moved and she looked at Zhang Xiaoxian.

Pure, beautiful, and looks quite reliable.

"Hello, Miss Zhang." Zhu Qixiong's introduction was indeed in line with Li Wanqing's wishes, and she immediately greeted Zhang Xiaoxian with a smile.

"Hello, Mrs. Li." Zhang Xiaoxian was flattered and immediately replied politely.

"I'm sorry, Miss Zhang, I have a few words to say to your boyfriend, is that okay?" Li Wanqing asked with a smile.

"Yes, yes." Zhang Xiaoxian was a little incoherent. Facing such a noble and elegant rich lady, she was really at a loss.

"Mr. Zhu, please." Li Wanqing made a "please" gesture towards Zhu Qixiong.

Zhu Qixiong stroked Zhang Xiaoxian's head with his big hand and said affectionately:

"Xiao Xian, take care of the children here first. I'll come over after I talk to Mrs. Li."

After saying that, he lowered his head and kissed her affectionately on the face.

When the man's body temperature and soft lips kissed the woman's little face, Zhang Xiaoxian felt as if she had been shocked by an electric shock. She was stunned, and then her whole face turned red, reaching the back of her ears and neck. Li Wanqing glanced at Zhang Xiaoxian with a smile.

Yes, this girl is quite innocent. This time, Zhu Qixiong's vision has made substantial progress!

It seems that they are indeed boyfriend and girlfriend!

Zhang Xiaoxian's performance made Li Wanqing completely believe that Zhu Qixiong had really found true love.

"Master Zhu, first of all, congratulations on finding a good girlfriend." The two of them walked aside, and Li Wanqing immediately congratulated her.

Originally, she was going to warn Zhu Qixiong today to keep him away from her daughter-in-law Shen Ning. After all, Shen Ning is now married to his son, and she doesn't want her son to wear this cuckold.

But she didn't expect that Zhu Qixiong would come up with this trick, which actually made her feel relieved.

"Mrs. Li, do you really think she is very good?" Zhu Qixiong asked thoughtfully, with a proud expression on his face.

"Of course, these days, there are very few such innocent girls. You have to cherish her. Moreover, this girl is stable and honest at first glance. She can endure hardships and will definitely be a good wife in the future." Li Wanqing said sternly.

"Okay, thank you Mrs. Li for the tip, I understand." Zhu Qixiong smiled.

"Yes." Li Wanqing nodded and sighed: "Young Master Zhu, you should also know the reason why I came to you. Zhen Ting is now in love with Shen Ning. He insists on marrying her. I am a mother. There is nothing I can do about it. Now that they are married, I hope they can have a good outcome and be in love until they grow old. After all, they have experienced too much and it is not easy to get to where they are today."

"Yes, Mrs. Li, you should be very glad that Shen Ning lost her memory. After she lost her memory, she only left her first love with your son. Therefore, she is very happy to marry your son. This is your son's blessing and yours. blessing, so I hope you can cherish her, love her, and protect her in the future." Zhu Qixiong immediately replied.

If Shen Ning had not lost her memory, she might not be willing to remarry Li Zhenting, but she has lost her memory. Maybe this is fate.

"So, we all understand that you will never have any interaction with Shen Ning in the future. I hope you will never mention the things that happened in the past and those photos again. This matter has passed like this. Can you do it?" Li Wanqing looked at Zhu Qixiong seriously and asked.

"Of course I can." Zhu Qixiong nodded cooperatively, "Originally I didn't plan to find a girlfriend, but I found one soon. You also know the reason."

"Okay, I understand, you can stay here w

**Chapter 1453: wedding 31**

The next day.

Li Zhenting and Shen Ning are about to officially hold their wedding ceremony.

It was only five o'clock in the morning and he got up.

I'm so excited! I'm so excited!

Obviously I went to bed very late last night, but I woke up so early!

He suddenly found that he was like a young boy. When he thought about getting married, he felt extremely excited.

And clearly.

He and Shen Ning have been married twice!

Today, he had to lead the wedding team to pick up the bride and welcome Shen Ning from Li's old house to Li's castle.

Shen Ning has not been here since last night. According to traditional customs, she has to stay at her parents' house.

Although this natal family is not her natal family in the true sense, the old man and the old lady love her enough to allow her to stay there with peace of mind until she marries their grandson.

Perhaps it was because Shen Ning was not around. He was not used to sleeping without her at night, so his sleep was not very good.

But tonight, Shen Ning took it, and they were about to start their wedding night. Thinking of this, the corners of his lips raised slightly, and he immediately hummed a song and went to wash up.

"Daddy, can I go with you to pick up mommy?" Li Zhenting finished breakfast and was about to take the wedding team to the Li family's old house when he saw Xiaoxiao standing in front, looking at him eagerly.

Li Zhenting was stunned for a moment, smiled, bent down, and said affectionately: "Xiaoxiao, you, Keke, and Ding Ding are going to be flower girls at the wedding ceremony in the conference center at noon. The flower girls have to make up, so you can't come with us. Go, you have to put on makeup, and we will be back after we pick up your mommy, and you will be able to see your mommy soon."

"But I'm not worried." The little guy's \*\*\*\* eyes suddenly shone brightly, as if they were wet with water.

Li Zhenting was stunned.

"Daddy is going to pick up your mommy, why don't you feel relieved?" "Daddy, last night I dreamed that mommy died." Xiaoxiao suddenly curled her lips and her eyes were red.

Obviously, she was still immersed in a dream and had not woken up.

Li Zhenting's heart skipped a beat.

"Xiaoxiao, what are you talking about? Today is your mommy and I's happy day, and you would say such depressing words." He suddenly darkened his face and spoke displeased.

On such a happy day, a little girl actually said such unlucky words, which really made him angry, and he felt a strong uneasy feeling in his heart.

"Daddy, I'm sorry, I just had a dream." Xiaoxiao saw that her daddy was angry and tears flowed down.

"Xiao Xiao." Li Zhenting realized that his attitude was not good, so he quickly hugged her into his arms, kissed her forehead, and said softly, "I'm sorry, Daddy shouldn't have said that to you just now. It was just a dream." , the dream is fake, don't worry about it, don't worry, as long as daddy is here, your mommy's safety will be guaranteed, and now daddy is leading the wedding team to pick up your mommy, and there are Xixi and Beibei over there. I want to take it over, it will be inconvenient if you follow me, do you understand?"

"Yeah, I understand." Xiao Xiao nodded sensibly, but her whole body was shaking. The dream last night was really terrible...

"Xiao Xiao." After Li Jiaojiao finished washing, she didn't see Xiao Xiao coming all the way.

Li Zhenting picked up Xiaoxiao and told her:

"Jiaojiao, take care of the children, don't let them run around, and pay attention to safety."

"Okay, don't worry, I will do it." Li Jiaojiao raised her lips and smiled, took Xiaoxiao from his hand, hugged it with one hand, and stretched out both hands towards him, laughing: "Cousin, what a day! It's a great day and it's so early in the morning, so I should show some signs of it."

Li Zhenting and Mo Tong glanced at her, and suddenly took out a big red envelope from his pocket without hesitation.

"Say something nice and give it if you're happy." Li Zhenting raised the red envelope.

Originally, he didn't want to deal with his money-obsessed cousin, but what Xiao Xiaoxiao said just now was really unlucky. He needed a good mood and someone to seek luck, and Li Jiaojiao's move was just right.

Li Jiaojiao's eyes lit up when she looked at the red envelope. It was so big and thick, it must be a lot of money!

## **Chapter 1454: wedding 32**

"I wish my cousins and cousins will have wings from now on, and their marriage will be joined today. The harps and the singing mandarin ducks live together, and they will be tied together forever. They will be together day and night, and the gods will envy your good partners! I wish you: Happy wedding, love. Sweet, happy marriage." Li Jiaojiao seemed to have memorized it in advance, saying a lot of words at once, and they were connected seamlessly.

Li Zhenting had to admire this girl's spirit in asking for red envelopes.

This is obviously prepared.

However, these auspicious words had good meaning and he was very happy.

"Here." He readily gave the red envelope to Li Jiaojiao.

"Thank you, cousin." Li Jiaojiao took the red envelope and put it to her lips and kissed it, smiling happily.

At this time, the brothers who were going to pick up the bride came over.

Li Zhenting followed them, but when the car drove out of the gate, he still felt a little uneasy, so he called the security captain and asked them to strengthen the guard to ensure that the entire wedding was safe.

After doing this, he left with peace of mind.

The security captain immediately strengthened the security measures. No strangers who have not received the invitation letter are allowed to come in, and the highest level prevention system is activated to ensure that the entire wedding proceeds in an orderly manner.

The old house of the Li family.

Shen Ning also got up early in the morning.

As soon as I got up, a steward ran up to me and said that someone was looking for me.

Shen Ning was surprised.

Who would come to look for her so early in the morning?

She asked and was told that she was an old lady in her fifties or sixties.

Who could it be?

Shen Ning was a little confused for a moment.

Originally, she didn't want to see him, but after careful consideration, she asked the security guard to let her in.

"Ning Ning." Aunt Dong learned all about Shen Ning from Zhang Xiaoxian. She heard that she was getting married today. She didn't sleep all night last night and took a taxi early in the morning. Shen Ning no longer has a natal family. She is her natal family. How could she not come to such an important day?

"Who are you?" Hearing this seemingly familiar voice, Shen Ning looked at Aunt Dong's kind eyes and caring look on her face, but couldn't remember who she was, so she just asked in confusion.

"Ning Ning, I'm Aunt Dong." Seeing Shen Ning's strange look at her, Aunt Dong's heart was as sharp as a knife.

So many things happened during this period, but she didn't know it. No one told her that Shen Ning had lost his memory now, so he naturally forgot about her.

How painful it must be to think of her being pushed down from such a high cliff.

It's true that a motherless child has no one to care for!

Her eyes were moist.

Now it was her third marriage to Li Zhenting. She really didn't know whether it was good or bad, but she was just a nanny beside her mother, Shao Meiqi. She was soft-spoken and could not make any changes. She could only accompany her and be by her side. Only by guarding her and watching her get married can I feel at ease.

"Aunt Dong, Aunt Dong." Shen Ning muttered in a low voice, but had no memory at all, and shook her head helplessly.

"Ning Ning, it doesn't matter. You will remember me in the future. I am the person close to your mother. Please believe me. I have always been the most caring and protective person for you." Aunt Dong was afraid of irritating her, so she simply said He said, "I've been looking for you during this period. I came here several times, but the security guard at the gate wouldn't let me in. There was nothing I could do. Your phone couldn't get through. I didn't know you were there." The Gucci perfume company also went there, but Marley told me that you are fine now, so I felt relieved."

Aunt Dong was chattering, holding her hand and looking up and down to see that she was okay. Although she was excited, she was also very happy.

"Aunt Dong, please stay." Although Shen Ning had no impression of Aunt Dong, the old man was kind and caring for her, which made her feel like she had found a relative. She felt very cordial for a moment. I couldn't bear to let Aunt Dong go.

"Well, Ning Ning, I'm just here to see you get married." Aunt Dong nodded.

"Thank you, Aunt Dong." Shen Ning hugged her, patted her back gently, and comforted her, "Don't worry, I'm fine."

"Okay, okay." Aunt Dong said okay over and over again.

### **Chapter 1455: wedding 33**

Just after breakfast, the makeup team arrived.

They began to put makeup on Shen Ning and wear a wedding dress.

Aunt Dong took turns picking up Xixi and Beibei.

"Xixi, Beibei, do you still know Grandma Dong?" she teased them affectionately.

After not seeing each other for a while, the two little guys have become more and more beautiful and pink.

The two little guys seemed to have a telepathic connection, talking baby talk to her.

Aunt Dong's heart melted.

After teasing the children for a while, footsteps came from the corridor outside.

Li Zhenting strode in.

"Mr. Li." Aunt Dong saw him and greeted him politely.

"Aunt Dong, you are here." Li Zhenting respected Aunt Dong not only because she was Shen Ning's natal family, but also because Aunt Dong had helped him. When Shen Ning refused to forgive him in Yuhe Village, Yuan County, he persistently squatting in the yard, he developed a high fever that night. If Aunt Dong hadn't let him in secretly in the middle of the night, he didn't know what would have happened. Moreover, for the sake of his sincerity, Aunt Dong helped Shen Ning. He said many good things and he kept them in mind.

"Mr. Li, congratulations." Aunt Dong was a little cold.

No matter what, Shen Ning didn't end up in any good situation following Li Zhenting. A good living person has now lost his memory. As a man, he is irresponsible.

"Aunt Dong, originally I wanted to pick you up, but because Shen Ning has lost her memory... I'm afraid she won't recognize you." Seeing that Aunt Dong was in a low mood, he thought it was because he didn't notify her, and quickly explained with.

Aunt Dong said calmly: "That's no need. I'm just a servant and not qualified to be here. However, I have long regarded Shen Ning as my daughter. I still want to see her off when she gets married."

"Aunt Dong, no, you are her relative." Li Zhenting was very ashamed.

Aunt Dong felt sour. In fact, he didn't tell her that they were getting married. She could understand. After all, Shen Ning had forgotten everything. But such a major thing happened to Shen Ning and she was so seriously injured, but he didn't tell her. She was with ideas.

But he is the superior CEO Li, and she is just a servant. She is not qualified to say anything.

"Mr. Li, I hope that you and Ning Ning can be in love till the end of their lives and be happy, and I will be happy." She warned seriously.

"Don't worry, I will definitely do it." Li Zhenting quickly assured.

"Young Master Li, come and see your wife's beauty." At this time, Shen Ning had already put on her makeup and wedding dress. The makeup artists walked in surrounded by her, and a buddy next to her was cheering.

Li Zhenting turned around.

Shen Ning's bright and stunning face lit up the entire bedroom, and she was dressed in white gauze like a holy fairy descending to the mortal world.

"Ning Ning, you are so beautiful." Aunt Dong was the first to praise her.

"Thank you, Aunt Dong." Shen Ning smiled slightly.

"Ning Ning, you are so beautiful." Li Zhenting came up to meet her, held her hands, and couldn't help but be happy.

Shen Ning lowered her head shyly.

"Kiss one, kiss one." The guys next to me were making noises again.

Li Zhenting lowered his head and kissed Shen Ning's lips without hesitation.

Shen Ning raised his hand to push him and said angrily: "There are people here, don't do this."

Li Zhenting hugged her: "What are you afraid of? We are husband and wife."

"Haha, you're still shy, Mr. Li, your wife is as beautiful as a peach blossom, why don't you welcome her home as soon as possible." The buddy next to her shouted loudly.

"Okay, let's go." Li Zhenting smiled proudly, put his arm around Shen Ning's waist, held up her skirt, and led her outside.

#### **Chapter 1456: wedding 34**

Today Mr. Li wore his favorite national uniform, and Mrs. Li also wore a dark red festive suit.

The old couple held hands and got into the car, accompanied by Li Zhenting and Shen Ning.

Li Jichun knew that this should be his last trip away from home, so he held his wife's hand tightly.

With a huge salute, the convoy to welcome the bride started.

Li Zhenting held Shen Ning's hand tightly and sat in the RV.

Beside them, Tehu and Aunt Dong were taking the children.

At this moment, Shen Ning was very happy and joyful. She was immersed in the beautiful wedding and forgot everything.

Li's Castle.

Coco, Ding Ding and Xiao Xiao are putting on makeup in the dressing room, very happy.

Lan Lan sat aside, her eyes full of envy and jealousy.

Originally, she was going to be a flower girl, but Li Jiaojiao said that she didn't need so many children, and she was not Shen Ning's biological child. It was a bit unethical to appear at Shen Ning's wedding, so she let it go.

"Hmph, it's so ugly." Lan Lan looked at Xiao Xiao wearing a beautiful wreath with disdain, snorted coldly, and walked out.

Li Jiaojiao is currently concentrating on dressing up the three little ones and has no time to care about her.

Full of loneliness and jealousy, she walked out alone.

Not long after I left, the phone in my hand rang.

She saw it was Shen Mei calling and quickly picked it up.

"Mommy."

"Lanlan, what are you doing now?"

"Mommy, I have nothing to do. I'm just walking outside."

"No one cares about you?" Shen Mei asked with a cold face. "No, they are all around Coco, Ding Ding and Xiao Xiao, putting makeup on them. No one pays attention to me. I am so pitiful." Lan Lan complained pitifully.

"Is it lively? How many guests are here?" Shen Mei's eyebrows were full of jealous anger.

She once dreamed that Li Zhenting could marry her like this, but his heart was still taken away by Shen Ning.

"It's very lively. There are many guests here, all dressed up beautifully." Lan Lan's eyes were filled with tears of grievance.

"What's this? Mummy will give you something better when the time comes. Don't be angry. Mummy has something important to tell you now. Is there anyone else around you?" Shen Mei comforted Lan Lan and asked in a low voice.

"There is no one else." Lan Lan looked around. Some of the guests were playing around on their own, and no one noticed her.

"Well, be good, go to a corner where no one is around, and then I'll tell you." Shen Mei ordered.

"Okay." Lan Lan looked at it and walked under a grape trellis. "There is no one here. Mommy, if you have anything to say, please tell me."

There will be a lot of fresh pastries coming later. Although she feels aggrieved, she cannot resist delicious food.

"In this way, Lan Lan, mommy will go to Li's Castle to see you today, but your daddy won't let mommy in, and mommy doesn't want others to know. When you arrive at 7:00 pm, quietly Go and open the small door on the west side, so that mommy can go in through the small door." Shen Mei ordered in a low voice.

Ke Lanlan was a little confused: "Mommy, which one is Ximen?"

"That's the one. That's where you and Ding Ding went out to play hide-and-seek once." Shen Mei reminded.

Lan Lan thought for a while and then replied: "Mommy, I know, but I don't have the key."

"The key is in the utility room behind the kitchen. There is one tied with a red rope. Go look for it. If you find it, tell me. Mommy can see you today. Mommy will sleep with you tonight. ." Shen Mei was tempting over there.

"That's great." Lan Lan was very happy to see her mommy and immediately cheered.

Then she hung up the phone and went to the kitchen and opened the utility room.

Sure enough, there was a key hanging there, tied with a red rope.

She immediately brought a small chair, climbed up and took it down

### **Chapter 1457: wedding 35**

"Lan Lan, where have you been?" Li Jiaojiao put on makeup for Coco, Ding Ding and Xiao Xiao. After dressing up, Lan Lan disappeared. She hurriedly went out to look for her, but couldn't find her after looking around.

She must take care of the four little ones today, otherwise, the one million will be gone!

She worked hard for Grandpa Mao, and she was both a father and a mother.

Fortunately, after looking around again, I saw Lan Lan walking over.

Seeing her, Lanlan's eyes dodged and she said nothing, because her mother had warned her long ago that she couldn't tell anyone what she asked her to do, otherwise, she would never see her mother again in this life. For Of course she wouldn't tell Li Jiaojiao if she could see her mommy.

"What on earth are you doing? Look, this skirt is wrinkled and stained with white dust." Li Jiaojiao lowered her eyes and saw that not only was there white dust on Lan Lan's beautiful skirt, but it was also wrinkled in the front, as if it was stained with white dust. It felt like it was rubbing against the wall, and he couldn't help but frown.

"I didn't do anything. I was hungry just now. I went to the kitchen and saw something delicious, so I climbed up and got something to eat." Lan Lan stuffed the cake in her hand into her mouth.

Li Jiaojiao put her hand on her forehead. Even though she is so fat, she still thinks about eating all day long. She is really a snack.

Of course, Lan Lan has always been a foodie, she is convinced of this.

At the moment, she took Lan Lan to the dressing room to wash her hands, put on light makeup, and tidied up her beautiful dress.

"Lan Lan, after the wedding starts, I will take Coco, Ding Ding and Xiao Xiao to be the flower girls for your Aunt Shen Ning. You can eat pastries in the reception room. There will be many fresh pastries sent there. You If you like to eat, eat more. Don't run around, you know?" Li Jiaojiao warned Lan Lan.

"Okay, I understand." Lan Lan nodded.

"Aunt Jiaojiao, Daddy has already picked up our mommy." At this time, Ke Ke, Ding Ding and Xiao Xiao ran in excitedly.

As soon as the little guy finished speaking, a cannon salute began outside. The fire was soaring into the sky, and the lions and drums were deafening.

Lanlan immediately covered her ears and her eyes fell on Xiaoxiao.

Today, Xiaoxiao is wearing a white gauze skirt, white gloves on her hands, and a crown on her head, like a beautiful little fairy.

Lan Lan's eyes were full of jealousy and unwillingness.

Obviously Xiaoxiao is a little bastard, but now she is well-fed, well-dressed, her daddy loves her, and everyone is surrounding her.

As for her, no one likes her, no one loves her, it's so sad!

"Yes, the wedding convoy is back. Your mommy is back." Li Jiaojiao's eyes lit up. Li Zhenting's wedding team was back, and there was a round of red envelopes given out when they entered. This is the key.

"Great, Mommy is here." Coco, Ding Ding and Xiao Xiao cheered, "Let's go to meet Daddy and Mommy."

"Okay, let's go." Li Jiaojiao first pulled the four of them together, bent down and taught them how to say auspicious words to ask for red envelopes from the elders, and finally gave serious instructions, "You must work hard to follow. If your father wants red envelopes, the more he wants, the better. Your great-grandparents will also give you red envelopes. Whoever wants more will be rewarded by me."

"Okay." Keke and Xiaoxiao just wanted to see their mother look beautiful in her wedding dress as soon as possible, so they agreed with smiles.

Ding Ding curled his lips and secretly cursed Li Jiaojiao for being a money addict who only knew how to use them to make money!

Lanlan is the best at flattering others, so of course she agreed.

Li Jiaojiao walked towards the gate of the villa with her four little ones.

Wait a minute, when Li Zhenting brings Shen Ning in, there will be a threshold. Li Zhenting must give enough red envelopes to bring the bride in.

## **Chapter 1458: wedding 36**

At the gate of Li's Castle, rows of luxury cars filed in!

The Rolls-Royce luxury car in the middle was parked in the middle of the boulevard amid a crowd of vehicles.

All media reporters and cameras gathered here.

After a while, Lengxue got out of the car and opened the door.

With a burst of cheers, Li Zhenting got out of the car first, then turned around and extended his hand to Shen Ning inside in a gentlemanly manner.

Shen Ning handed his hand to him.

He held her hand tightly and helped her out of the car.

"So beautiful." Everyone started cheering, and all kinds of flashlights flashed.

Li Zhenting held Shen Ning's hand and walked down the path of the villa.

Because there were so many people taking pictures and the wedding dress was dragging on the floor, Shen Ning walked very slowly.

Li Zhenting simply bent down and picked her up, walking towards the gate.

The crowd cheered and focused their spotlight on them.

Other vehicles on the road then drove in.

Mr. Li, Mrs. Li, Xixi and Beibei all drove in through the back door.

"Hurry, your daddy and mommy are here." Li Jiaojiao kept staring here. When she saw Li Zhenting coming with Shen Ning in his arms, she blocked the door with some young men and women and blocked the four. The little guy stood in the front, so that it would not be easy for them to force their way in. After all, there were four children standing at the gate, looking to see who dared to hurt the young masters and ladies of the Li family.

"If the bride and groom want to get in smoothly, they must get red envelopes, big red envelopes." Li Jiaojiao shouted, waving her hands.

"Daddy, Mommy." Coco, Ding Ding and Xiao Xiao were also shouting excitedly.

"Shanshan, let me down first." Shen Ning loosened his grip on Li Zhenting's neck and struggled to get down.

At this time Lengxue came over carrying a large bag of red envelopes.

Li Zhenting took it from his hand and started handing out red envelopes.

"I wish Mr. Li a happy wedding and a happy marriage for a hundred years."

"I wish Mr. Li and Mrs. Li a happy marriage, the husband sings and the wife follows, and they are in harmony with each other."

"I wish Mr. Li and Mrs. Li a happy marriage and love for each other forever." "I wish Mr. Li and Mrs. Li a happy marriage for a hundred years, and may they be in love forever. They are a perfect couple and grow old together."

...

Along with blessings, Li Zhenting generously handed out red envelopes without hesitation. Especially the four little guys received the most red envelopes from their father, and Li Jiaojiao gained even more.

Just when Li Jiaojiao was getting excited about grabbing the red envelope, she suddenly heard a very disdainful and mocking snort coming from the side.

As soon as she raised her eyes, she met a pair of bright, sarcastic eyes, and she couldn't help but be stunned.

Ji Qingshan glanced at her coolly, with a sneer on his lips, and looked at Shen Ning.

Today, his main task is to ensure that Shen Ning is not irritated and can complete the wedding in a stable mood.

So, as soon as Shen Ning got out of the car, he followed her, paying attention to her all the time. fine.

Her face was rosy and full of happiness.

He felt relieved and thought to himself.

Perhaps Li Zhenting is right. His insistence on marrying her and taking care of her may be more conducive to her recovery.

However, when he was observing Shen Ning carefully, a voice pierced his ears.

That was the sound of Li Jiaojiao grabbing red envelopes.

Has this \*\*\*\* girl not seen money in a hundred years? Why not do it for that little red envelope? He really has never seen a woman who loves money as much as her life. Fortunately, she comes from a wealthy family in the Li family.

He gave her a cold look and turned away.

"What are you looking at? He's screaming like a beast." Li Jiaojiao was already very angry with him. When she saw his face full of contempt and disdain, she felt angry and shouted, "If you can, get married to him." Everyone, look at it, look at your stingy look, you must be robbed of nothing, don't worry, if a person like you gets married, I promise not to steal a cent, and if you do, you will get bad luck."

"You..." Ji Qingshan had no intention of conflicting with her, but there were many people here who were still clamoring for red envelopes. Her harsh voice fell into his ears, which made him very angry. She felt a chill and stared back at him.

Li Jiaojiao was certainly not afraid of him. Her eyes when she looked at him were like hiding a knife, with a cold light.

Ji Qingshan actually felt a chill.

"Qingshan, get out of the way, the bride and groom are about to enter the bridal chamber." At this time, Chen Qianqian reminded from the side.

Ji Qingshan was startled and took several steps back.

The door has been opened.

Li Zhenting picked up Shen Ning and walked towards the living room. Photographers, media reporters and reporters followed him all the way, followed by a bunch of people. When he backed away, he was already far away.

When he looked in the direction of Li Jiaojiao again, there was no sign of her anywhere.

Thinking about it, she must have taken the four little babies to go to them to ask for red envelopes.

He shook his head.

"Qingshan, are you okay?" Chen Qianqian looked at Ji Qingshan. His face turned dark, and he seemed to be... a little distracted. Her eyes dimmed and she asked with concern.

"It's okay." Ji Qingshan came back to his senses and smiled.

"Qingshan, Shen Ning looks very good and healthy, and he should be fine." Chen Qianqian said with relief.

"Yes, she is better than I thought. I hope she can be happier from now on."

"Don't worry, she will definitely be happy. Li Zhenting loves her very much now. He holds it in his mouth for fear of melting, and holds it in his hand for fear of falling. She cannot be unhappy."

"Yes, Li Zhenting is sincere this time, but some things are hard to say. After all, once you enter a rich family, it is as deep as the sea." Ji Qingshan is really not that optimistic. The water in the Li family is deep. Take Lan Lan as an example. She will be a thorn stuck in Shen Ning's heart forever. If she doesn't pull it out, it will hurt. If she pulls it out, she will be bleeding.

"Qingshan, I didn't expect you to be considerate of your friends. It would be great if I had someone who cares about me like you. But it's a pity that my life is not that good." Chen Qianqian smiled bitterly.

"If you are willing, I really want to be the person who cares about you, but I'm afraid you don't need to." Ji Qingshan joked with a smile.

"Really?" Chen Qianqian was surprised, "Can you care about me like you care about Shen Ning?"

"Of course." Ji Qingshan promised, "If you encounter difficulties, you can come to me at any time, and I will do my best to help you."

"Is that just like this? Can't you always stay by my side like those who protect Shen Ning?" Chen Qianqian's heart suddenly felt empty. Did Ji Qingshan mean to treat her like Shen Ning, just friends taking care of each other? , but what she expected was not such a feeling, and he should understand.

"I hope I can too." Ji Qingshan stopped and smiled, his words were ambiguous.

Chen Qianqian's excitement just felt like she had hit rock bottom. She didn't know what Ji Qingshan meant and whether he understood her intentions, but she felt that she didn't get a fierce and enthusiastic response. This seemed to be different from what she expected. .

"Aunt Jiaojiao, here are the red envelopes for you." Just as she was about to speak, Li Jiaojiao had already walked out with four little guys. They came to a remote place. Lan Lan gave all the red envelopes in her hand to Li Jiaojiao. Jiaojiao hands.

The part of handing out red envelopes during the wedding ceremony has passed. Li Jiaojiao's bags are all stuffed. It is not ruled out that there will be a part of giving out red envelopes next, but there is no way. Her bags are already full, and there are four The little guys are all full of red envelopes. If we don't take them out to deal with them, we will only lose more than we gain.

"How good." Li Jiaojiao took the red envelope from Lan Lan and put it on the ground. She raised her head and said to Coco, Ding Ding and Xiao Xiao, "You three, put it down quickly."

The three little guys were of course easy to deceive. They quickly put all the red envelopes in their hands on the ground.

In an instant, the ground was filled with red envelopes.

#### **Chapter 1460: wedding 38**

"You guys squat down quickly and help take out all the money from these red envelopes." Li Jiaojiao immediately squatted down, poured out all the red envelopes in her bag, and began to open the red envelopes.

As long as she takes out all the red envelopes and folds them into piles, her bag can still hold so many red envelopes, and there will still be opportunities to get red envelopes, especially at the wedding scene in the evening. I would miss such a good opportunity. After all, I will be going to the United States soon. When the time comes, I will be able to switch to a U.S. dollar, which will not be too exciting.

The four little guys all started to help her open the red envelope clumsily.

As expected, each red envelope contains hundreds of dollars, and she is going to make a small fortune.

At the time when she was very excited and sweating profusely.

Suddenly someone shouted loudly over there: "The old man and the old lady are giving out golden melon seeds to people over there, go quickly."

Li Jiaojiao's eyes widened when she heard this. She thought, how could she miss such a good opportunity?

"Lan Lan, keep these red envelopes here for now, and we'll come as soon as we go." Li Jiaojiao stuffed the removed money into her bag, pulled Coco, Ding Ding and Xiao Xiao towards the other side.

Because Lan Lan was not favored, she often got no cocoa, Ding Ding and Xiao Xiaoduo, so she sent her to guard the red envelopes here. No one came here anyway.

But when they walked over and took a look, the old man and the old lady were resting in a guest room. It was very quiet and there were no golden melon seeds at all.

She had no choice but to run back with the three little guys.

But when I came back and took a look, I was dumbfounded. Lan Lan was gone, and the pile of red envelopes on the ground were also gone.

"Lanlan, Lanlan." She shouted immediately.

She has been busy all morning with the red envelopes, but except for the ones she opened and put into the bag, the rest are gone. How can that be done?

I called several times, but no one answered.

She thought for a moment and walked towards the refreshment area in the reception room.

Sure enough

As soon as he entered, he saw Lan Lan's fat body hanging on the tea table, her little chubby hands stuffing sweets into her mouth, and she was getting carried away with eating.

"Lan Lan." Li Jiaojiao rushed over.

"Ah." Lan Lan was startled, her hand loosened, and she fell down, falling to the floor. Her fat \*\*\*\* was sore from the fall, and she curled her lips, "Auntie, what's wrong?"

"Lan Lan." Seeing the pain in her fall, Li Jiaojiao hurriedly helped her up, rubbed her and asked, "Where are those red envelopes?"

"It's still there."

Li Jiaojiao put her hands on her forehead and complained: "Where are they? Now none of them are gone. Don't you know who took them?"

"I don't know. I was hungry and came here to eat. There was no one around when I came."

"Oh my God." Li Jiaojiao's eyesight went dark and she almost fainted. She had been busy working together for a long time, and now only the ones that had been opened in a day or two were left. How could she survive?

Over here, in the reception room.

"Qingshan, you brought Li Jiaojiao's red envelope. Will she get angry later?" Chen Qianqian looked at the pile of red envelopes on the sofa. There must be at least fifty or sixty thousand here.

Ji Qingshan sneered: "She is greedy and greedy. She was the loudest all morning. She was so noisy. She also used four children to make money. She is a money addict. She must be taught a lesson."

Chen Qianqian thought about it, Li Jiaojiao's voice was indeed quite loud throughout the morning, and she worked hard to grab red envelopes, but everyone's voice was loud, so maybe she was the loudest. Is Ji Qingshan allergic to her voice?

“Security, security.” Li Jiaojiao rushed out with Lan Lan, calling for security.

The red envelope she had been busy with all morning has disappeared. It must be at least 60,000 to 70,000 yuan. It cannot just disappear inexplicably. It must be checked!
