

## Troublemakers 1471

### Chapter 1471: wedding 49

"Lan Lan, remember to come here and open the door to pick me up on time at seven o'clock tomorrow night." Shen Mei took Lan Lan to the Xiaoximen and opened the lock for her several times. After she became proficient, she gave serious instructions.

"Okay, I understand, Mommy." Lan Lan agreed obediently.

Shen Mei kissed her and left.

As soon as she went out, she saw a taxi parked on the street. She immediately walked over and opened the door and got in. Lan Feiyun was sitting in the car.

Soon, the car started.

"Mom, that Liang Ruqi is just a loser. It's better not to find her." After returning home, Shen Mei sat down on the sofa. The good things she had done tonight were ruined, and she was full of sighs.

"Don't worry, tonight is just the first step. Let's explore the way first." Lan Feiyun was not so angry. In her opinion, if Shen Mei could go in and out smoothly tonight, it meant that they had won.

"Humph, I wanted to spend the wedding night with Li Zhenting." At this time, Shen Mei was made uncomfortable by the fire all over her body, and her anger could not go away.

"Meimei, tomorrow night is fine too." Lan Feiyun patted her hand, "Anyway, he slept like a pig tonight and couldn't do anything."

"That's right." Shen Mei thought of Shen Ning sleeping with a living dead tonight and couldn't do anything. The resentment in her heart finally subsided a little, and a smile appeared on her face. She hurriedly took out the crown and put it under the light. Looking carefully, "Mom, do you think how much this crown is worth?"

Lan Feiyun looked up and her eyes immediately lit up.

"It's not bad. I came out with such an expensive piece of jewelry on my first day. It's such a sense of accomplishment." She carefully looked at the diamonds inlaid on it, with a smile on her face. "The diamond is big, it should be very big." valuable."

"Of course, this is the treasured jewelry of the Li family. When I lived in the Li family before, I couldn't wear it." Shen Mei took the crown in her hand, weighed it and stroked it, and there was a dark light of jealousy in her eyes.

Xiaoxiao can wear such expensive jewelry, but Lanlan has nothing. Why?

"By the way, Mom, show me the video of Shen Ning and Li Zhenting's wedding today. I want to see what Shen Ning is wearing?" Shen Ning suddenly thought that Xiaoxiao could wear such precious jewelry. Isn't Shen Ning even more excited? Her heart skipped a beat and she immediately shouted to Lan Feiyun.

Lan Feiyun hurriedly called up the video, and the mother and daughter looked at it carefully under the light.

My God, Shen Ning's body is really jewel-like. They are all made of ancestral sapphire jewelry, a complete set, and the whole body is sparkling with gold.

She didn't notice this at first, but now at first glance, the entire eye circles were red again.

Li's Castle.

At some point, Shen Ning was awakened by a tingling sensation and opened his eyes.

The man, who was all hot, was lying on her body, and her nightgown had been taken off...

"Shanshan." She ran her fingers through the man's hair, held his head, and moaned softly.

"Ning Ning, I'm sorry, I fell asleep last night. Fortunately, it's not bright yet, so it's too late." He kissed her lips affectionately and apologized repeatedly.

This is their wedding night, and he has already asked her to stay in the vacant room twice. This time, he must not do it... Moreover, he has to make up for the supplies from the previous two times.

Just as Shen Ning opened her mouth to speak, the man's hot lips quickly kissed her red lips, and the fierce and passionate kiss swept over her...bringing her into a colorful cloud.

After a night's rest, both of them were in good energy, and their passion descended like a violent storm, stirring up a room full of romance.

#### **Chapter 1472: wedding 50**

A red sun slowly rose from the sky, and the dawn illuminated the entire castle.

Coco got up and kicked Ding Ding, who was sleeping next to him, with his short legs.

"What are you doing?" Ding Ding was kicked awake, and when he got up, his face was still full of sleep.

"Today is Mommy's first day home, let's go say hello to Mommy." Keke smiled, he wanted to see Mommy.

"Okay." Ding Ding also wanted to see Mommy and immediately agreed.

So the two little guys climbed out of bed and walked outside with their short legs.

"Coco, Ding Ding, where are you going?" As soon as they walked into the corridor, they were spotted by Aunt Dong coming towards them, and she immediately asked with a smile.

The two little guys replied: "Let's go say hello to mommy."

"Yeah, that won't work." Aunt Dong immediately stopped them after hearing this.

"Why not?" Coco and Xiaoxiao were curious.

"Yesterday was your mom and dad's wedding night. It's their time. It's not good for you to disturb them so early. It will disturb their sleep." Aunt Dong smiled and held the two of them one by one. The little guy walked downstairs with his little hands.

"But Ding Ding and I are both up, how come mom and dad can sleep in?" Ke Ke expressed his confusion. He felt that Grandma Dong was lying to him.

Hearing this, Aunt Dong pursed her lips and smiled: "Keke, this is a matter for adults. You will know it when you grow up."

At this time, Ding Ding seemed to understand very well. He rolled his eyes at Keke and said, "Keke, Daddy and Mummy were so tired last night, so of course they had to sleep in. You are really ignorant and don't feel sorry for Daddy and Mummy at all."

"Okay." After being scolded by Ding Ding, Coco could only scratch her head and stop thinking about it.

But Li Jiaojiao woke up, sat in a daze for a long time, and beat her head.

I drank too much last night and was unseemly drunk.

It's no wonder that we are still drunk, but the real problems are still before us.

The wedding between Li Zhenting and Shen Ning is about to end. Her red envelope was stolen and she didn't get a cent. Even the little crown was missing. What a good thing!

"Jiaojiao, are you okay?" Zhang Xiaoxian was worried about her and came over to see her after getting up.

"Xiaoxian, I'm in trouble." As soon as she saw Zhang Xiaoxian, Li Jiaojiao turned into a bitter face and hugged her and started sobbing. Zhang Xiaoxian smiled: "Isn't it just that the red envelope was stolen? It's okay. I can just ask Mr. Li to get some more."

"It's not just this." Li Jiaojiao wiped her tears with a tissue.

"What else?" Zhang Xiaoxian had surprise on her face.

"The little crown is missing. It's an heirloom of the Li family. Even if I sell it, I can't afford to pay that much."

After finishing speaking, she told everything about yesterday. Zhang Xiaoxian's head hurt from listening to it.

"Then let's go look for it quickly. Logically speaking, those who can come in and attend the wedding banquet are of relatively high quality, and they shouldn't take other people's things."

"It's hard to say. Think about it, my little red envelope has been stolen, let alone such a precious crown."

"Then let's look for it again."

After the two of them finished speaking, they looked outside.

But after searching around and still finding nothing, Li Jiaojiao could only confess the matter to Li Zhenting.

In the wedding room, after several battles, Shen Ning was sweating profusely. Li Zhenting, a \*\*\*\* who must have too much energy, tormented her until she was staggering.

She stood up holding her waist, and was about to go to the shower room. Suddenly, a pair of strong hands behind her lifted her up. Her body flew into the air, and she was so scared that she hugged the man's neck with her hands.

"Let's go take a shower together." Li Zhenting smiled with a smile on his face, kissed her lips, and walked towards the bathroom with her in his arms.

An hour later, they walked out holding hands and laughing.

There was a knock on the door outside.

"Who?" Li Zhenting frowned. He was really ignorant. He wondered if it was their first night of marriage.

"Cousin, it's me." Li Jiaojiao's voice sounded outside the door. She had knocked on the door three times before she heard Li Zhenting's voice.

"What's the matter?" Li Zhenting opened the door.

Li Jiaojiao was standing at the door.

#### **Chapter 1473: wedding 51**

"Cousin, I want to tell you that Xiaoxiao... really can't be found." She said incoherently.

"What?" Li Zhenting and Shen Ning were both startled. Shen Ning immediately ran over and asked, "Where did Xiaoxiao go? How could he not find it?"

"No, no, I made a mistake. It's not that Xiaoxiao is missing. It's that the crown on Xiaoxiao's head is missing. I really can't find it. I spent the whole night looking for it." Li Jiaojiao hurriedly He patted his mouth and corrected it bitterly.

Shen Ning breathed a sigh of relief.

Li Zhenting looked serious: "Where did she lose the crown on her head? Weren't you following her?"

"She should have been thrown in the dressing room. I can't keep my eyes on her all the time." Li Jiaojiao said she felt aggrieved.

"Didn't I also match you with two Baobao?"

"They are men who are not allowed to go into the dressing room."

Li Zhenting stared at her with a gloomy face for a while, then turned and entered the bedroom.

"Cousin, you can't blame me alone." Li Jiaojiao shouted aggrievedly.

Shen Ning comforted her: "Jiaojiao, don't worry, maybe you can find it later. There are so many people now, so it might be lost somewhere. Let the security guards look for it later."

"Cousin, you have to say something nice to me. My red envelope was stolen last night, and now I've lost my crown. I really can't afford to pay for it." Li Jiaojiao held Shen Ning's hand and begged.

"Don't worry, you can go have breakfast first and leave this place to me." Shen Ning patted her hand and smiled.

"Thank you, cousin." Li Jiaojiao felt relieved after hearing Shen Ning's words.

Li Zhenting frowned, took out his cell phone and called Leng Xue, asking him to lead people to find the crown. Then he followed Shen Ning downstairs for breakfast.

After breakfast, there is a family memorial service.

Li Zhenting and Shen Ning have to take their children to visit the ancestral hall to worship the Li family ancestors. The procedures are complicated, and large-scale celebrations must be held in the ancestral hall.

Since all the children had to attend, Li Jiaojiao did not see Lan Lan at this time. Lan Lan is also Li Zhenting's daughter, and the descendants of the Li family must also attend.

She searched around downstairs, but still couldn't find it! Anxious!

Suddenly I remembered, this guy hasn't gotten up yet, has he? !

She hurriedly ran upstairs. Sure enough

Xiao Li was knocking on Lan Lan's bedroom door.

"Lanlan, Lanlan." Li Jiaojiao stood outside the door and shouted loudly.

After a long time, Lan Lan opened the door from the inside. The little guy's hair was disheveled and his eyes were sleepy.

"Lan Lan, get up quickly and go have breakfast. It's too late. You and your dad will go to participate in ancestor worship activities later." Li Jiaojiao picked her up, put her on the bed, and immediately combed her hair.

"Lan Lan, why is there so much garbage? Didn't you eat very much last night? Why did you bring so much food?" As soon as Xiao Li came in, he saw a lot of garbage in the room, and it was everywhere on the desk and floor. Crab, shrimp shells, some meat bones, and many pastries were not finished yet, which was very strange.

Lan Lan sat with her eyes half-closed and her head lowered, while Li Jiaojiao combed her hair.

She was still angry about getting up.

Li Jiaojiao also saw it, with surprise on her face.

“Lanlan, did you eat all of those?” She couldn’t help but ask as she looked at the intact crab and shrimp shells and the cleanly chewed bones.

Lan Lan, a foodie, can actually eat so well and eat so decently, she hasn’t discovered it yet!

Lan Lan was too lazy to pay attention to them.

Xiao Li started to tidy up the bedroom, but Li Jiaojiao didn't take it to heart. After all, she was in a hurry.

After a while, they finished cleaning up the room and took Lan Lan down for breakfast.

After breakfast.

Shen Ning and Li Zhenting first visited Mr. Li and Mrs. Li, and then accompanied them to hold activities in the ancestral hall. Today, Shen Ning will officially become a member of the Li family and enter the Li family tree.

Rich families have more rules!

Most of the day passed after all the busy work.

In the afternoon, many famous celebrities were invited to the Lishi Castle Conference Center to support the event. The hall was full of guests and very lively.

Li Zhenting and Shen Ning personally escorted the exhausted Mr. Li and the old lady back to the Li family's old house.

## **Chapter 1474: wedding 52**

Night is coming quietly again.

In the evening, a large-scale charity event is being held at the Lishi Castle Conference Center.

Li Zhenting decided to donate 100 buses and a batch of materials to children in impoverished mountainous areas, and also planned to set up a charity foundation with a small name.

Many celebrities in society were invited to the entire dinner! Very solemn.

Like a little star, Xiaoxiao stood in the middle of the stage of the conference center and delivered a speech, and was warmly welcomed by everyone.

Lan Lan sat below, looking at Xiao Xiao who was like a star, and her little chest bulged with anger.

At this moment, her phone and watch rang.

She picked it up and saw that it was Shen Mei calling.

No, it's 7 o'clock now and Mommy is coming!

She immediately stood up and quietly walked outside.

“Lan Lan, you did a great job today.” After a while, Lan Lan skillfully opened the back door. Shen Mei was so happy that she rewarded her with a big kiss.

Ke Lanlan pursed her lips and looked unhappy.

"Lan Lan, what's wrong with you?" Shen Mei led her towards the inside and asked as she walked.

"Mommy, I hate Xiaoxiao so much."

"What's wrong? Did she bully you?" A cold light flashed in Shen Mei's eyes.

"No, daddy actually set up a charity foundation for her. She is so famous tonight. Everyone likes her and loves her. No one likes me." Lan Lan said sadly, and she started to cry after speaking. , The little shoulders twitched.

"Lan Lan, don't cry. Isn't mommy here? Don't worry, mommy will avenge you." Shen Mei quickly picked her up, wiped her tears, and comforted her.

Lan Lan was a little happy.

Mother and daughter held hands and walked openly towards Lanlan's bedroom.

The living room was dark.

Everyone went there to attend a charity dinner.

After Shen Mei came in, she went around the kitchen first, took a lot of delicious food, and brought it to Lan Lan's bedroom.

Then she sat down and wolfed down the food.

After all, it is food flown in by air. It is different from the food bought at the wet market. It is fresh and delicious.

Shen Mei ate with gusto.

However, the more she ate, the more unpleasant she felt. When she lived in Li's Castle, she enjoyed spicy food and had servants cook whatever she wanted. But now, she could only eat it secretly.

She took out her mobile phone and dialed Lan Feiyun's number. "Mom, can you deal with Shen Ning today?"

Lan Feiyun replied there: "Meimei, please stay in Lanlan's room first, Liang Ruqi hasn't answered me yet."

"Tell her that if she can't get it done today, she won't cooperate in the future." Shen Mei hung up the phone angrily.

Lan Feiyun held the phone tightly.

At half past ten in the evening.

Charity gala ended successfully.

"Shanshan, thank you." Shen Ning and Li Zhenting walked up arm in arm.

"You're welcome. Xiaoxiao is my daughter. This is what I should do. Besides, I have always been ashamed of her before, so it's time to make it up to her." Li Zhenting said affectionately.

Shen Mei pricked up her ears. Outside the door, all the intimate conversations between Li Zhenting and Shen Mei fell into her ears, and her eyes shone with a cold light.

At this time, the mobile phone placed on the table vibrated.

She immediately turned on her phone.

A WeChat message was sent, from Lan Feiyun.

"Meimei, Shen Ning has already drank that glass of wine tonight, and she will fall asleep in half an hour. Next, you can figure it out yourself. Mom wishes you a happy wedding."

"Okay, I understand." Shen Mei replied and walked in the room.

"Lan Lan, you go and find your Aunt Shen Ning later. Just say that you have something to tell her and trick her into coming here." Soon, she stood in front of Lan Lan and confessed in a low voice.

Lan Lan looked at her in confusion: "Mommy, didn't she notice you when she came over?"

"It's okay, she'll fall asleep soon."

"Let her sleep here with me?" Lan Lan looked at her bed and pouted.

"Yes, this way I can be close to your daddy on her behalf. As long as your daddy likes me, he will not like her anymore, so your daddy will be nice to you, do you understand?" Shen Mei explained.

"But I want to sleep with mommy." Lan Lan still didn't want to.

"Lan Lan, mommy can sleep with you tomorrow. If you are not willing to help, mommy will never be able to accompany you again." Shen Mei threatened and coaxed.

In the end, Lan Lan had no choice but to agree.

Another twenty minutes passed.

Shen Mei pushed Lan Lan out of the door, and she got into Lan Lan's closet.

### **Chapter 1475: wedding 53**

Lanlan had no choice but to walk towards Li Zhenting and Shen Ning's wedding room.

"What are you going to do?" But as soon as she walked to the wedding room, Xiaoxiao walked out of Coco and Ding Ding's room. He saw her and immediately asked warily.

Daddy and Mommy finally managed to go to bed early tonight, and she didn't want Lan Lan to disturb them.

"It's none of your business." Lan Lan glared at her angrily.

"Of course it's none of my business. You can't disturb my parents now. Today is their wedding day and it belongs to them. Grandma Dong said we can't disturb them. You are not a three-year-old child anymore. Why are you so ignorant?" Xiaoxiao argued hard and stopped in front of her.

"Get out of the way." Lan Lan was so angry that she stamped her foot.

"Don't get out of the way unless you leave here." Xiaoxiao also opened his arms, looking determined not to let her disturb him.

Lan Lan rushed up and pushed her away.

But Xiaoxiao was in good physical condition and had endured hardships, so Lanlan was no match for her. With a push from her backhand, Lanlan was pushed to the ground.

"Wow." Lan Lan burst into tears.

"Shy, shy." The little index finger scratched her face, mocking her for being useless.

Lanlan got up and tried to hit her again, but Xiaoxiao's body was flexible and Lanlan couldn't hit her at all. Instead, Xiaoxiao pushed her to the ground again.

Lan Lan opened her voice and cried loudly.

Coco and Ding Ding also ran out when they heard the crying.

At that time, Shen Ning was sitting on the bed and was drowsy. She didn't know what was going on. Ever since she came back from the charity dinner, she had been in poor spirits and just wanted to doze off. Especially after sitting on the bed, her eyelids were always fighting and she was distracted. There was no concentration, and the quarrels outside could not be heard.

Li Zhenting went to the bathroom to take a shower. The water was flowing loudly, so naturally he couldn't hear the crying outside.

Shen Mei faintly heard crying outside. She stuck her head out and listened for a while. It seemed to be Lan Lan's cry. She didn't know what was going on outside and felt very uneasy. "Young lady, go back to bed quickly and don't disturb mommy and daddy." Ke Ke saw Lan Lan rolling on the ground with disgust on her face.

Ting Ding said impatiently: "You are acting like a monster every day. What are you going to do? Don't you know it's mommy and daddy's wedding night? It's really annoying."

"It's none of your business that I'm looking for daddy. Why do you want to stop me?" Lan Lan shouted at them angrily.

"Daddy is not just yours, of course it's none of our business, so tell me what you have to do with daddy?" Xiaoxiao crossed his arms across his chest and looked down at her.

It seems that Aunt Dong has played a big role in the children's education. They all know that these days are the wedding nights of Daddy and Mommy, and they cannot disturb them. Therefore, they are all very self-disciplined, and they resist not making any demands at night. Mommy sleeps with them and

doesn't bother them even in broad daylight. She tries to let daddy and mommy stay together as much as possible, and she also spontaneously protects them.

Lan Lan naturally heard Grandma Dong's teachings, but she had no choice but to come to see her daddy because of Shen Mei's instigation.

"I won't tell you." Lan Lan yelled viciously.

"If you don't tell us, you are here to cause trouble. Go back." Coco, Ding Ding and Xiao Xiao shouted at the same time.

"Not at all."

"Then I won't let you in." Coco, Ding Ding and Xiao Xiao lined up in a row.

Now Lan Lan can't fly in even if she rubs her wings. She can't even do it, let alone Coco and Ding Ding to help.

But she couldn't go back. Mommy would blame her if she couldn't complete the task, so she could only stare at them bitterly and confront them.

When Li Jiaojiao heard the noise and rushed over, she saw four little guys quarreling in front of Li Zhenting and Shen Ning's wedding room, and she felt dizzy for a moment.

None of these bear children really made her worry about her. They were so late. They still quarreled here in Daddy Mummy. Specifying that she wanted to go in and sleep with Daddy Mummy.

#### **Chapter 1476: wedding 54**

"Didn't I tell you that? These days are your daddy and mommy's wedding day, and you can't sleep with your daddy and mommy." Li Jiaojiao didn't know whether to laugh or cry, so she walked over and asked with a sullen face.

"Aunt Jiaojiao, it's not us who want to sleep with daddy and mommy, but Lanlan. She has to come to daddy so late and is not obedient at all." Xiaoxiao immediately pointed at Lanlan and complained.

Upon hearing this, Li Jiaojiao looked at Lanlan and asked, "Lanlan, why are you looking for daddy so late?"

Lanlan lowered her head and said nothing.

Li Jiaojiao said to Keke, Dingding and Xiaoxiao: "You three go back to bed first. Leave Lanlan to me and I will do her ideological work."

"Okay." When the three little guys saw Li Jiaojiao coming, they knew that Lan Lan couldn't disturb their father, so they agreed and went back to sleep.

"Let's go, Lan Lan. I'll take you back to your room to sleep. Tell me what you have to say." As soon as the three little guys left, Li Jiaojiao picked up Lan Lan, who was still lying on the ground, and held her in her arms. She walked towards her bedroom.

Lan Lan was anxious. Mommy was still in her bedroom. It would be troublesome if Li Jiaojiao saw her. She would never see her mommy again. She burst into tears and shouted: "Jiaojiao" Auntie, I just want to talk to daddy, not you."

"No, I have to say it tomorrow. It's too late now." Li Jiaojiao said with a straight face.

Lanlan burst into tears.

Shen Mei put her head around and heard Lan Lan's cry and footsteps. Soon, the door was pushed open. She immediately put her head back into the closet and closed the closet door.

Damn it, Li Jiaojiao, for ruining her good fortune again.

"Lan Lan, it's so late and you still want to go find your daddy. Didn't you see that they are already asleep?" Li Jiaojiao brought hot water and helped Lan Lan wash her hands and face while taking off her clothes. He said patiently, "Tell aunt if you have anything to do."

"I'm fine." Lan Lan came in and saw that her mother had not been found. She felt relieved and didn't want to look for her father anymore. She just said, "I want to go to bed."

"You are so good." Seeing that she stopped making trouble, Li Jiaojiao smiled and kissed her, "Children must be good, and adults will like them."

"Then I'll fall asleep soon." Lan Lan shrank into the quilt and closed her eyes tightly. Li Jiaojiao smiled, raised her eyes and saw several plates of food on the desk, and couldn't help but frowned. This snack foodie had obviously eaten so much in the evening and brought so much food. He could finish it all. What?

She breathed a sigh of relief, checked Lan Lan's quilt, turned off the light in the room, and walked outside.

When I was leaving the house, I looked at the uneaten food and thought that if I left it in the bedroom like this, it would attract mosquitoes, and the smell would be unpleasant after it falls out.

I had no choice but to come over and tidy up, pick up the uneaten food, pour it into a garbage bag, and carry it out.

"Damn Li Jiaojiao."

Shen Mei hid in the closet and watched helplessly as those delicacies were thrown away by Li Jiaojiao. She was so angry that her stomach ached, but there was nothing she could do!

After making sure that Li Jiaojiao was gone, she got out of the closet, walked to the bed and saw that Lan Lan was already fast asleep.

She sat on the bed, feeling uncomfortable all over.

The two nights have been messed up, and now my whole body is on fire. Li Zhenting's strong body flashes in my mind, and my throat is dry, making me feel even more uncomfortable.

But when Li Zhenting came out of the bathroom, he saw Shen Ning already lying on the bed. He smiled slightly and was about to ask her to take a shower when he suddenly heard voices in the corridor outside, which sounded like children's voices. , he wiped his head with a towel and opened the door.

It was empty outside the door, there was no one left.

It seems that the children were here just now to come find them. Seeing that they didn't open the door, they should go back to sleep.

Since Aunt Dong and Li Jiaojiao are taking care of them, he doesn't care so much anymore. Now, he mainly takes care of Shen Ning.

## **Chapter 1477: wedding 55**

"Ning Ning, Ning Ning, get up and take a shower!" Li Zhenting walked to the bed and called Shen Ning softly.

But even after shouting several times, there was no response.

He bent down and lowered his head, and saw that Shen Ning was already fast asleep. He couldn't help but be startled. This \*\*\*\* woman was so fast asleep. Tonight was still their wedding night.

Looking at her sleeping deeply, I felt inexplicably uneasy, so I quickly put my finger on her nose.

Fine, breathing evenly.

It's just that she hasn't changed the clothes on her body yet. She has sweated a lot today.

He bent down and picked up Shen Ning and walked towards the bathroom.

...

Zhu Qixiong originally planned to go home after the charity dinner, but Zhang Xiaoxian was pulled by Li Jiaojiao to stay. He suddenly was reluctant to go back and planned to stay with Zhang Xiaoxian for one more night and send her back tomorrow.

His guest room is on the second floor, and Zhang Xiaoxian lives on the first floor.

After sending Zhang Xiaoxian back to the guest room, he stood at the door and did not leave.

The night light was bright, casting a soft color on the man's strong and clear face. His tall and strong body stood towards the door, which inexplicably made her heart beat like a mountain weighing on top of her.

Zhang Xiaoxian did not dare to look into his eyes.

"Xiao Xian, thank you for these three days." Zhu Qixiong leaned against the door frame, his lips curved into a half-smile.

"You're welcome. As long as it makes Sister Ningning happy, I can do anything." Zhang Xiaoxian replied in a low voice.

After being his girlfriend for three days, she had a sudden feeling.

Zhu Qixiong smiled, looked at Zhang Xiaoxian, and suddenly said: "Actually, you are quite cute."

When I was in Yuhe Village, Yuan County, I saw that she was clear about love and hate, and acted cheerfully. I thought she was very rigid, but I didn't expect that she also had such a feminine side. She was indeed quite cute.

"What? Me? Cute?" Zhang Xiaoxian raised her eyes, widened her eyes, pursed her lips, and pointed at herself, looking in disbelief.

At this age, no one has ever praised her for being cute.

"Yes, it's you, super cute." Zhu Qixiong took a few steps forward, lowered his head, and sprayed hot air on her face. Zhang Xiaoxian's face suddenly turned as red as an apple, and her heart jumped to her throat.

The man's dark eyes were dark, his facial features were extremely handsome, and his whole body had a noble, romantic and unruly aura.

She suddenly felt her breathing becoming labored, staring at his rose-colored lips, unable to speak, and stepped back.

Sudden

A big hand stretched out to wrap around her slender waist, pulling her closer, and the man's lips slowly approached her red lips.

Her eyes widened in shock and she stood blankly.

The man's lips were getting closer and closer, and his hot breath had touched her lips.

"Ah." She woke up suddenly, screamed, pushed him away violently, turned back and closed the door, leaning against the door panel, breathing heavily. Put your hand on your chest.

What the \*\*\*\* is she doing?

It must stop here!

It really scared the baby to death.

Zhu Qixiong is the eldest young master of the Zhu family, and she is just a rural girl whose parents are both sick...

This is definitely not something she can think about!

Zhang Xiaoxian quickly sorted out her emotions and forced herself to calm down.

Outside the door, Zhu Qixiong stood against the wall for a while, with the corners of his lips slightly raised, his hands put into his trouser pockets, and left...

In the hall.

Shen Mei took advantage of the darkness to sneak out of Lan Lan's bedroom and came to the hall on the first floor.

It was impossible for her and Li Zhenting to do anything tonight. After all, Shen Ning was sleeping next to him. At this time, it was impossible for her to get close to him.

But she was unwilling to leave like this. She remembered that Li Zhenting had put a lot of expensive white and red wine in the wine cabinet downstairs. She was going to take a few bottles away and come back tomorrow night.

Unexpectedly, as soon as I arrived in the hall, I saw a tall man walking in. The man had his hands in his trouser pockets, and his figure was handsome and noble.

Her heart was moved, and she hid in haste, and looked out to see.

Hey, isn't this Zhu Qixiong!

No wonder he's so handsome!

#### **Chapter 1478: wedding 56**

Shen Mei's mind immediately flashed back to the night she had close contact with Zhu Qixiong some time ago. Instantly, her throat became tight and her whole body felt hot.

Originally, she had been looking forward to having \*\*\*\* with Li Zhenting for the past two nights, but she couldn't succeed. It was just that she was in trouble. When she saw Zhu Qixiong, she immediately felt like a wolf seeing a sheep, and her bones went soft.

She watched Zhu Qixiong walking upstairs and immediately followed him quietly.

Great, he also lives on the second floor, but on the left side.

She stayed in the corridor and watched Zhu Qixiong enter, and immediately followed him. After seeing the room number clearly, she slipped back to Lan Lan's bedroom and went to the bathroom to take a shower.

Zhu Qixiong has never been able to resist Shen Ning. If she dresses up and appears in front of him as Shen Ning, he will definitely be ecstatic.

Then, after she enjoys it, she can take some photos to blackmail Shen Ning.

What made her most regretful was that the last time they were in that guest room, even though she took off his clothes and tried her best, Zhu Qixiong, who had taken too many medications, never completed \*\*\*\* with her, which made her I have always regretted it.

Tonight, God simply gave her a good opportunity, and she couldn't miss it!

After Zhu Qixiong returned to the guest room, he took off his suit and went to take a shower. Zhang Xiaoxian's coquettish and shy face flashed in his mind, a slight smile appeared on the corners of his lips, and a boiling power suddenly rose up in his body. A strength that he had never felt before, like a new life.

For the first time, he felt that life was very beautiful, and even the air was sweet.

After a while, he finished taking a shower and came to the bedside. He was about to lie down and send a message to Zhang Xiaoxian.

Suddenly, the doorbell rang.

He sat up immediately.

Who else will come so late? It can't be Zhang Xiaoxian!

"Who is it?" he asked.

"Qixiong, it's me." Sure enough, a woman's voice came from the door.

He was stunned for a moment, but he didn't recognize who it was.

But Zhang Xiaoxian was the only one with him in the past few days. She must have come to find him. He was delighted and immediately opened the door.

At the door of the room, a delicate and beautiful woman was standing at the door, smiling at him.

"Ning Ning, it's you?" Soon, he screamed in surprise.

"It's me, what's wrong? Master Zhu, don't you welcome me?" Shen Mei pursed her lips slightly and asked weakly.

"No, no, how could it be?" Zhu Qixiong immediately denied with a smile.

"Then why don't you let me in?" Shen Mei glanced at him coquettishly, signaling for him to let her in.

"Okay, come in." Zhu Qixiong suddenly became at a loss.

Shen Mei pushed him away with her pointed index finger and walked in swaggeringly.

"Ning Ning, why haven't you rested so late? Where is Mr. Li?" Today was the second night of her wedding to Li Zhenting. How could she still have time to come to him? He asked with a smile.

"No rush, he has something to do and has gone out." She replied casually, standing in front of him, looking at him lovingly with her eyes.

Zhu Qixiong was stunned.

Shen Ning, what do you mean by this? When she saw him in the past, even if he wanted to get closer, she would always keep an appropriate distance from him. It was not as close as now.

Besides, it was her wedding night to Li Zhenting! She actually came to her like this, not avoiding suspicion at all!

What's the meaning?

"Ning Ning, what do you want from me?" he asked with great effort, taking several steps back involuntarily.

"Master Zhu, look at what you said, can't I come to you?" Shen Mei looked at the man's white skin and strong physique, and her mouth had long been drooling. Now she couldn't even pretend anymore. She touched his chest with her hand and said delicately, "Didn't you like me very much before? Why are you pretending?"

Zhu Qixiong was stunned, completely stunned!

Are you going crazy?

When did Shen Ning become so frivolous? She and Li Zhenting were newly married!

#### **Chapter 1479: wedding 57**

"Ning Ning, it's not like that. It's already very late now. If you have nothing to do, then go back first. Mr. Li is still looking for you. And being seen in the middle of the night will not be good for your reputation because last time Your mother-in-law has a problem with you now, so you have to behave well in front of her in the future." Zhu Qixiong explained with difficulty and took her hand away.

Shen Mei looked at Zhu Qixiong's completely unmoved look, and her mind became clearer.

"Ah, Mr. Zhu, I'm sorry, I forgot what happened. I'm sorry to bother you." She thought again and began to apologize, "I have lost my memory now. I can't remember some things, and I don't know myself." doing what."

That's it!

Zhu Qixiong breathed a sigh of relief.

Let's talk about why she is so weird. It turns out that it is because she has lost her memory.

Now I can explain it clearly!

It turns out that it is quite pitiful that a person would become like this after losing his memory.

He felt a surge of pity in his heart.

"Ning Ning, let me take you back. Mr. Li must be looking for you everywhere." He said softly, with tenderness and pity in his eyes.

"Thank you." Shen Mei looked at him infatuatedly, then suddenly picked up the water glass on the table and handed it to him and said, "Qixiong, drink some water. I see that the corners of your lips are very dry."

"No, I'll drink it later." He smiled and said softly, "Let's go, I'll take you back first."

"No, I will go back later. I just want to see you. Drink the water first. I want to talk to you for a while." She insisted and handed the water glass to him.

Zhu Qixiong drank some wine, and his throat was indeed dry. He took a sip immediately. After all, it was his own water glass, so he didn't think much about it.

"Master Zhu, can you chat with me all day? I feel so depressed." Shen Mei looked at him pitifully after drinking the water. "What's wrong with you?" Zhu Qixiong was surprised, "Did Li Zhenting bully you?"

How can a bride say that she is depressed, and judging from the situation in the past two days, her face is full of happiness, but it does not seem like she has any dissatisfaction, and marrying Li Zhenting is her own choice, so how can she start talking about being depressed? coming?

"Hey, to tell you the truth, Zhen Ting is not as majestic as you, nor as gentle and considerate as you. I really regret it. I should have chosen you in the first place." Shen Mei lowered her head shyly, while talking. She winked at him.

Zhu Qixiong instantly felt that he had entered a two-dimensional space, as if he had seen a supernatural event.

"Qi Xiong, don't have any worries. I will not tell Zhen Ting what happened between us. Haven't you always liked me? I am willing to give myself to you tonight and will not tell anyone." Shen Mei stepped forward, held Zhu Qixiong's face with her fingers, gently caressed his skin, then went down his neck... and kept teasing and stroking.

After being stunned for a short time, Zhu Qixiong concluded that Shen Ning was acting like this only because of amnesia. He grabbed her hand and said, "Ning Ning, you are wrong. We are just friends. We can't be like this. You love me." This person is Li Zhenting, today is your wedding night, you should go to him, not come to me, he will be very anxious if he can't see you, go quickly, I will take you there."

His strong arms grabbed her hands and was about to send her away.

Unexpectedly, after taking a few steps, my whole body suddenly became weak, my arms became weak, and I fell down on the bed.

Shen Mei raised her eyebrows, a successful smile appeared on her lips, and took advantage of the situation to sit in his arms and cling to him.

"Qixiong, what's wrong with you? I know you've always liked me, it doesn't matter, I'll give it to you, don't be shy, we will be very happy." She leaned into his arms, coquettishly She held his chin with one hand and kissed him with her red lips. The other hand took out her mobile phone and took pictures of their ambiguous photos.

Zhu Qixiong wanted to push her away, but his whole body was weak and he was sweating from anxiety.

**Chapter 1480: wedding 58**

"Qixiong, you don't know, I have always liked you. You are so manly. I love you to death. Let's have a good night." Shen Mei giggled and put her phone aside to record the photo. Come, then stand up, hug Zhu Qixiong's neck, kiss his lips, unbutton his nightgown, and take off all his nightgown in a moment.

Today she lowered the dosage of the medicine, it was just right!

Zhu Qixiong is not only awake, but also responsive. It is simply wonderful!

She was so excited that she pushed Zhu Qixiong down on the bed, put his hands on her body, and then started to take off her clothes one by one in front of him, until finally her entire body was naked.

Then she pounced on Zhu Qixiong, like a hungry wolf pounces on a lamb.

Zhu Qixiong's eyes widened and he was incredibly surprised.

Looking at the face that was exactly the same as Shen Ning's, he was sure that this woman was Shen Ning, but he didn't know that she would turn out like this.

He wanted to shout loudly, but he was worried that if the Li family came over and saw Shen Ning like this, she would be finished in the Li family from now on.

But if she didn't shout, she would definitely fall asleep tonight. He would never make this mistake again.

If this continues, Shen Ning will definitely be destroyed.

He must never let something like this happen!

At this time, Shen Mei kept lighting fire on him with her fingers and kissed him crazily.

Be awake, you must be awake!

Zhu Qixiong kept shouting in his heart with his eyes widened.

Suddenly

Using all his strength, he turned over and pushed Shen Ning down on the bed.

"Ah." Shen Mei was pushed down and was about to turn over when Zhu Qixiong's strong body pressed down on her.

soon.

She was pinned down by Zhu Qixiong and could not move.

The man was tall and heavy, and Shen Mei was just a woman after all. She was unable to do anything for a moment and screamed anxiously under him.

"Ning Ning, don't scream. Nothing can happen between us. Be sensible and I will send you out immediately." He blushed and said feebly, "I am very sad that you have become like this. I can Let me tell you, I liked you before, but I liked you as you were before, not as you are now. Moreover, I liked you and never thought of possessing you unless you were willing to marry me. But now everything is gone.

It's impossible, I ask you not to think too much, let alone take any extraordinary actions, this is for your own good, believe me, I am doing it for your own good."

"Zhu Qixiong, let me go, my hand hurts from the pressure." Shen Mei shouted loudly.

"I can let you go, but you have to get dressed and leave." "I just want to give myself to you. I'm not afraid of a woman, so what are you afraid of as a man?" Shen Mei said in confusion.

"Because this is related to your reputation and your future happiness, please believe me."

Shen Mei pursed her lips and said nothing, but she raised her head to kiss him again due to unbearable passion.

But Li Zhenting turned his head to avoid it.

She was unwilling to give in and kissed his arms and shoulders.

But no matter how she took the initiative, he bit his tongue and endured it.

In the end, Shen Mei's neck was so numb that she couldn't lift it up.

The limp Zhu Zhixiong became even more lifeless, weighing her down and making it hard for her to breathe.

After realizing that she couldn't succeed tonight, she had no choice but to give in.

"Zhu Qixiong, please let me go, I agree."

"Can you promise to get dressed and leave immediately?"

"I promise."

"Okay, I let you go. If you didn't leave, then I'm sorry, I will catch you and send you outside so that all the Li family can come and see how you are. Ning Ning, don't force me. I."

Shen Mei was so frightened that she broke into a cold sweat.

If she doesn't leave and is sent outside like this by Zhu Qixiong, then her plan will never be implemented.

"Okay, I will definitely go." She promised.

Zhu Qixiong saw that she really agreed and rolled off her body.

Shen Mei turned over and got up, and wanted to trouble Zhu Qixiong, but when she saw the cold light shining in his eyes, as if he wanted to eat her, she was so frightened that she put on her clothes and left in a hurry.
