

## Troublemakers 1491

### Chapter 1491: wedding 69

Li's Group.

Li Zhenting was correcting documents on his penis. Suddenly, his secretary called and said that Mrs. Li was here.

He was stunned, what is mom doing here?

It's not about Shen Ning again!

He frowned and put down the mouse.

At this time, Li Wanqing had opened the door and walked in with a smile on her face.

"Mom, why are you here?" He had to stand up to greet her.

"There's something I want to talk to you about." Li Wanqing walked to the sofa and sat down.

The secretary brought tea.

Mother and son sat facing each other.

"Mom, do you still want to talk to me about Shen Ning?" Li Zhenting had a displeased look on his face, a little impatient.

"Yes, it is indeed about her. This matter must be discussed." Li Wanqing affirmed.

"Mom, I..." Li Zhenting looked very impatient when he heard this.

"Son, I know you feel sorry for Shen Ning, but if mom doesn't tell you about this matter, I'm worried that I won't be able to control it in the future, so be mentally prepared."

Li Zhenting's eyes became sharp and cold.

"Son, do you still remember what happened between Shen Ning and Zhu Qixiong? Those photos."

Li Zhenting's eyelids twitched suddenly.

He seemed to have known what Li Wanqing was going to say for a long time, and his expression became even colder.

"Son, do you think Mom doesn't want to treat Shen Ning well? I care about her more than you, but some things are always unexpected."

"Mom, what do you mean?" Li Zhenting asked coldly.

Li Wanqing took out her mobile phone and sent a set of pictures to Li Zhenting's WeChat. "Son, take a look, this is the latest scandal I have received about Shen Ning and Zhu Qixiong."

Li Zhenting immediately picked up his phone and started looking at it. After a while, a cold light shone in his sharp eyes.

"Mom, when did this happen?"

"I don't know, I didn't say the specific date, I just said it was the latest."

Recently?

Li Zhenting sneered: "Mom, I've been with Shen Ning every day recently. When did she do such a thing? I know best whether she has anything, and I don't need these messy photos to prove anything!"

If in the past, before Shen Ning forgave him, perhaps out of revenge, she might have done something like that with Zhu Qixiong, but now, she loves him with all her heart and is with him every day. These photos are simply ridiculous. Miu!

"That's why I feel weird, so I came to you specifically for this matter." Li Wanqing said.

Li Zhenting's eyes flashed and he suddenly asked:

"Mom, these photos were sent to you by Liang Ruqi, right?"

"Yes."

"Do you believe her?"

"I started to believe it, but now I don't believe it, so I decided to tell you."

Li Zhenting pondered.

"Zhen Ting, this woman Liang Ruqi is full of malice towards Shen Ning. We don't have to believe what she sends us, but I just can't figure it out. The woman above is obviously Shen Ning herself. These photos are definitely not P It's not made up, it does exist. I've asked someone to authenticate it, so you can understand my mother's mood." Li Wanqing sighed and said.

"Mom, don't worry, I will find out more about it, but I believe in Shen Ning."

"Yes." Li Wanqing nodded, "Zhen Ting, I believe it is one thing, but the facts must be clarified, because this is by no means a trivial matter. If such photos can appear in the hands of someone with ulterior motives, she will use these photos to Blackmailing us can even destroy you and the Li Group, so this matter must be resolved as soon as possible."

"I know." Li Zhenting replied dully.

Li Wanqing left after giving some more instructions.

Li Zhenting immediately called Lengxue over.

**Chapter 1492: wedding 70**

"Lengxue, you have been sending people to keep an eye on Liang Ruqi these days, right?" Li Zhenting asked.

"Yes, Mr. Li, there are people watching every day."

"Did she do anything unusual?"

"No, she has been very contented during this period and has not done anything extraordinary. However, she has been thinking of ways to bail Rao Yajing out, so she is busy with this matter."

Li Zhenting narrowed his eagle eyes.

"Okay, I understand. You continue to keep an eye on her. If she behaves at all abnormally, report it to me immediately."

"I know." Lengxue turned around and walked out.

Li Zhenting put his hand on his forehead, his head aching, and then turned on his phone to look at the pictures Li Wanqing sent him.

The woman in the picture is exactly the same as Shen Ning, with bold and skillful movements.

When did Shen Ning become like this?

impossible!

She was shy and reserved when she was with him, and would never be so wild!

If not, where did these photos come from?

He stood up and walked outside.

As soon as Zhu Qixiong got out of the car, a Rolls-Royce stopped in front of him.

When he saw it, his face changed color.

The car door opened and Li Zhenting got out.

"Zhu Qixiong, you actually want to run away?" Zhu Qixiong saw him and was about to leave. Li Zhenting stepped forward and stopped him with a stern look on his face.

"Mr. Li, what do you want from me?" Zhu Qixiong seemed to know the reason why Li Zhenting came to him, and his whole face was filled with fear.

Li Zhenting stared at his face, his eyes getting colder and colder.

"Don't you know? Don't you have any idea?" He said sharply.

"I don't know." Zhu Qixiong decided to test his words first. He still didn't want anyone to know about the disgraceful things that night, especially Li Zhenting, which was related to Shen Ning's happiness.

"Hmph, it seems you stopped crying after seeing the coffin." Li Zhenting took out his mobile phone and sent him a few pictures, "Take a good look at it yourself." Zhu Qixiong opened it and took only one look, his face turned pale.

"Zhu Qixiong, you once promised me that you would never associate with Shen Ning again. What's going on? Do you think I can't do anything to you?" Li Zhenting grabbed the clothes on his chest and gritted his teeth.

"Mr. Li, please calm down and listen to me first." Zhu Qixiong asked, holding his hand.

"If you have anything to say, say it quickly." Li Zhenting pushed him away, his anger was like a murderous knife, and he wanted to cut him into pieces.

"Mr. Li, nothing happened that night, except that Ning Ning came to see me. I always refused, and we didn't do anything."

"So it's true? Are those photos real?"

"That's true. The photo was just a part stolen. It can't be believed." Zhu Qixiong admitted with a grimace.

Li Zhenting's fingers clenched into fists: "What day did this happen?"

"On the night of your wedding, I slept in the guest room on the second floor. Shen Ning came to see me that night."

Li Zhenting took a few steps back, swayed, and almost fainted.

He thought about it. He had indeed drunk too much on his wedding night. As soon as he got back, he lay on the bed and fell asleep. Unexpectedly, Shen Ning went to find Zhu Qixiong. Isn't this an insult to him?

For a moment, he couldn't bear the blow, and his whole person fell into despair.

"Mr. Li, don't worry about this. Shen Ning only did this because she lost her memory and had hallucinations. We didn't do anything that night. She left soon after."

"Is it caused by amnesia?" Li Zhenting's eyes were scarlet.

"Yes, Shen Ning said that she forgot everything and somehow walked into my guest room and did those things to me. She didn't mean it. You must tolerate her and treat her well. She is pitiful enough." Zhu Qixiong looked at the terrifying Li Zhenting's face and immediately explained for Shen Ning.

Even though he felt it didn't make sense, he sincerely hoped that Shen Ning could be happy.

Li Zhenting was stunned. The anger in his eyes gradually faded away, and his whole body wilted like an eggplant beaten by frost.

Yes, she lost her memory. Maybe there was some error in her memory that led to her abnormal behavior!

## **Chapter 1493: wedding 71**

"In that case, who took these photos?" After a long time, Li Zhenting asked with a sullen face.

"She took the photo herself." Zhu Qixiong was very frustrated.

"Why didn't you stop it?"

"I drank medicine and couldn't move."

"Then how did these photos get into Liang Ruqi's hands?" Li Zhenting was very confused.

Zhu Qixiong asked in surprise: "Does Liang Ruqi know about this?"

"Yes, not only did she know about it, she also sent the photo to my mother."

"Oh my god." Zhu Qixiong had a headache and was secretly worried about Shen Ning.

Wouldn't this cost her her life?

"Li Zhenting, let me tell you, Shen Ning and I have never done anything. She just came to me after losing her memory and hallucinating. She doesn't even know what she is doing. If you feel sorry for her and blame her for this, I will definitely not let you go." Zhu Qixiong grabbed the clothes on Li Zhenting's chest and threatened him viciously.

Li Zhenting pushed him away fiercely: "You know what's going on, otherwise, I will make the Zhu Group disappear forever."

He turned around and got into the car, and the car drove out.

Fortunately, Zhu Qixiong kept the bottom line, otherwise, he really didn't know how to face Shen Ning!

It seems that before Shen Ning's memory is restored, he must send someone to follow her to prevent such a thing from happening again!

only

How did Liang Ruqi have those photos? It seemed that this woman had been secretly watching them. This vicious woman wanted to let Shen Ning fall into hell.

That day was their wedding night. Liang Ruqi did come to attend their wedding banquet. It can be explained that those photos were taken.

Li Zhenting breathed a sigh of relief and drove directly back to Li's Castle.

Shen Ning is busy in the kitchen. She wants to cook lunch for Li Wanqing herself to show her filial piety.

Li Zhenting stood at the door of the kitchen, watching Shen Ning carefully making delicious food, very focused, and couldn't help but feel dizzy for a moment. His woman is so beautiful, but she cannot be related to the woman in the photo. There is only one reason: she has lost her memory, and she doesn't even know what she is doing.

"Shanshan, why are you back?" After a while, Shen Ning felt someone looking at her from behind and turned her head. Sure enough, Li Zhenting was standing at the door of the kitchen looking at her. She was surprised and ran towards him.

"Ning Ning." Li Zhenting stretched out his arms and hugged her.

A feeling of intoxication rose from the bottom of his heart. Li Zhenting hugged her and kissed her, as if she had become a part of his body and could never be separated.

He took a breath, glad that he was not deceived by the illusion of those photos and could still have their love.

"Shanshan, are you okay when you come back?" Shen Ning leaned in his arms for a while, then raised her head and asked with a smile.

"Ning Ning, I miss you and want to come back to see you and the children." Li Zhenting said affectionately.

"Xixi and Beibei are asleep. I made soup. You can have lunch at home when you come back." Shen Ning's face was blushing shyly, and her heart was sweet. How could she not be happy if her husband missed her so much? .

"Okay." Li Zhenting put his arm around Shen Ning's waist and walked to the dining table. "Ning Ning, lend me your cell phone. I'll make a call. I forgot to bring my cell phone back."

"Okay." Shen Ning immediately took out his cell phone, unlocked it, and handed it to Li Zhenting without any grudge.

"I'm going to make a call outside." Li Zhenting picked up the phone and walked outside.

It was very strange that no matter how he checked Shen Ning's mobile phone, he could not find the photos she had taken. It seemed that after she woke up, she felt embarrassed and deleted those photos.

He had no choice but to walk in with his cell phone.

Li Wanqing happened to come over and saw her son suddenly returning home. She understood in her heart, but she didn't tell him anything. The family had dinner.

## **Chapter 1494: wedding 72**

"Mom, I have found out the facts. Shen Ning did go to Zhu Qixiong that night because of hallucinations due to memory loss, but Zhu Qixiong was awake and he rejected her. They did nothing that night." Li Zhenting called Li Wanqing Go to the study and speak solemnly.

"That's it." Li Wanqing breathed a sigh of relief.

So, Li Zhenting told the whole story according to Zhu Qixiong's words, and finally said: "Mom, we should give Shen Ning more care and let her recover her memory as soon as possible. Otherwise, she will not be able to control herself. Next, I still have to Invite Ji Qingshan to see her, I believe that as long as we work together, she will get better."

"Yeah." Li Wanqing agreed with her son's opinion, "It's just that Liang Ruqi, if she sends those photos out, it will be detrimental to you and the Li Group."

"Don't worry, I have my own way, she won't be able to let it out." Li Zhenting's eyes flashed coldly and he immediately replied.

"That's good, I also hope everything is safe." Li Wanqing felt relieved when her son said this, and the matter was finally over.

Shen family.

"Meimei, please stay at home during this period and don't go to Li's Castle again." In the bedroom, Shen Mei was dressing up and preparing to sneak into Li's Castle tonight, when Lan Feiyun came over and stopped her.

"Mom, why?"

"Let me tell you, Liang Ruqi somehow found out about your seduction of Zhu Qixiong that night, and took a lot of photos. She sent them directly to Li Wanqing. Now Li Zhenting is investigating the matter thoroughly. Don't show your face. Everything hasn't started yet, we haven't caught anything, and once we are discovered, it will be over." Lan Feiyun said solemnly.

"Let me go, this dead old woman is following us, it's so sinister." Shen Mei was so angry that she went crazy.

"Yes, Liang Ruqi, this \*\*\*\* old woman, is cunning enough. Otherwise, she would not be able to gain a foothold in a wealthy family. Look, Shen Ning married into the Li family and was played around. She has now lost her memory and has given birth to several children. I have endured all kinds of hardships, and let me tell you, people in wealthy families are not bad, they will only get worse, so let's stay out of the limelight for the time being."

"Okay, that's all." Shen Mei was discouraged.

Lan Feiyun also had nothing to do with Liang Ruqi.

Until now, she felt that Liang Ruqi was scarier than she imagined.

Next, because Shen Mei did not sneak into Li's castle, nor did she instigate Lan Lan to deal with Shen Ning. Li Wanqing corrected her attitude towards Shen Ning, and the whole family became harmonious and lived a peaceful life.

Li Zhenting and Shen Ning were newly married, and the couple had a very good relationship. Not only did that incident not separate them, but it made Li Zhenting cherish Shen Ning even more.

In order to restore Shen Ning's memory as soon as possible, Li Zhenting asked Ji Qingshan to come over and see Shen Ning twice a week.

This afternoon, Shen Ning was having fun with Xixi and Beibei. Suddenly, the door opened.

A girl broke in.

"Cousin sister-in-law." Li Jiaojiao smiled.

"Jiaojiao, it's you." Shen Ning was surprised to see it was Li Jiaojiao.

"Cousin, I miss you so much, come here to see you and the babies." Li Jiaojiao patted her rainbow fart.

"Thank you, we miss you too."

"Really?" Li Jiaojiao was pleasantly surprised. She had always been disliked in the Li family, but she didn't expect that anyone would miss her.

"Others don't know if it's true, but I really miss you." Shen Ning touched her cheek and smiled.

"I knew my cousin-in-law was the best to me." Li Jiaojiao hugged her and kissed her, and then asked in a low voice: "Cousin-in-law, did you find the crown last time?"

"It's all lost, can I still find it?" Shen Ning shook his head.

"That's really strange. Who stole it?" Li Jiaojiao gritted her teeth.

### **Chapter 1495: wedding 73**

"Forget it, just throw it away. Shanshan said let's forget it and don't want to make the matter a big deal." Shen Ning replied.

Li Jiaojiao was heartbroken when she heard this. It would have been nice to give her this crown, but it was such a pity that it was lost like this.

"Cousin, cousin, you are so generous and sensible." She thought about it, but she still gave Shen Ning a thumbs up.

Shen Ning smiled and didn't care.

"Cousin, if it's settled like this, then should my reward also be settled?" Suddenly, Li Jiaojiao smiled and asked.

"Remuneration? What compensation?" Shen Ning was puzzled.

"Ahem, cough." Li Jiaojiao cleared her voice, "That's what my cousin said last time. During your wedding reception, he asked me to help her take care of the four children, and then gave me one million as a reward. ."

"That's right, then I don't know, he never told me." Shen Ning understood and smiled, "You can ask him later, he will go home for dinner tonight."

"Cousin, I can't help it. I'm really short of money now. Otherwise, I wouldn't come here to ask for it. You must say something nice in front of my cousin. I'm going to study in the United States next month. I really can't. Money." Li Jiaojiao acted coquettishly towards Shen Ning.

Shen Ning was so cute that she laughed.

"Cousin, Xixi woke up, I'll hold her." At this time, the little guy stretched out his little hands and pouted, about to cry. Li Jiaojiao immediately showed her attentiveness, bent down and picked up the little guy to tease her.

Shen Ning went to make milk powder immediately.

Not long after, Li Wanqing came up with a steaming bowl of sweet vinegar, pig's feet and \*\*\*\* soup.

"Aunt."

"Hey, Jiaojiao, when did you come?" Li Wanqing was surprised to see Li Jiaojiao and asked immediately.

"We just arrived, Xixi is so cute." Li Jiaojiao hugged Xixi directly to Li Wanqing.

Li Wan smiled brightly with green eyebrows.

"Ning Ning, drink the sweet and vinegar pig's trotter soup quickly. Remove the dampness and coldness. It's best for women after giving birth." She put the soup on the bar and ordered Shen Ning affectionately. She has always regretted that when Shen Ning gave birth to Xixi and Beibei, she didn't make her sweet wine with pig's feet and \*\*\*\* because she didn't know. Once she heard that she felt uncomfortable, she thought it was because she didn't sit well during the confinement period, so she thought Make up for it.

"Mom, I've gained several pounds. If I drink any more, I'll turn into a pig, and the mountains will dislike me." Shen Ning looked at the steaming pig's feet and ginger, and felt like crying.

That day, she said she was a little damp and cold, so Li Wanqing spent a whole morning cooking a big pot of pig's trotters and \*\*\*\* with Sister Wang, and forced her to eat it every day.

She was so angry now that she felt hot coming out of her nostrils, and she didn't want to eat just looking at it.

"He dares." When Li Wanqing heard this, she immediately said seriously, "You can eat with confidence. If he dares to think you are fat, see how I deal with him."

"Thank you, Mom, Shanshan will definitely not do it. I was just joking." Shen Ning felt warm in her heart. Li Wanqing was really kind to her during this period, thinking of her everywhere.

"Hey, tsk tsk, you guys really have a deep love between mother-in-law and daughter-in-law." Li Jiaojiao said sourly beside her.

"No one will think you are mute if you don't speak." Li Wanqing glared at her.

Shen Ning behaves well every day now, and nothing bad happens anymore. Li Wanqing is convinced that Shen Ning is hallucinating due to amnesia, and she is relieved.

"Auntie, can't you give me some such delicious food? My cousin is tired of eating it." Li Jiaojiao puffed her cheeks and acted coquettishly at Li Wanqing.

"Don't worry, there's still a lot down there. I'll ask Sister Wang to scoop a bowl for you to eat later." Li Wanqing was quite kind to her niece.

"Thank you, aunt." Li Jiaojiao hugged Li Wanqing's neck and smiled playfully.

The three of them had a conversation, and Li Wanqing told Shen Ning to finish the bowl of sweet vinegar pork trotters and \*\*\*\* before going down.

"Jiaojiao, please do me a favor. Help me eat it quickly. I really can't eat it anymore." As soon as Li Wanqing left, Shen Ning held Li Jiaojiao back and forced her to help him eat the bowl of sweet vinegar. I ate the pig's feet and ginger.

Li Jiaojiao was of course very happy to help, and she also satiated her greed.

As soon as she finished eating, Li Zhenting went home.

#### **Chapter 1496: wedding 74**

"Cousin, please have tea." Li Jiaojiao immediately greeted him respectfully with a cup of fine tea in both hands, looking very polite.

As a modern rich lady who is very good at enjoying life, she goes above and beyond when making tea. Just smelling it is very fragrant and refreshing.

This is Li Zhenting's favorite tea.

Li Zhenting took the teacup and glanced at her: "To be courteous for no reason is to be either an adulterer or a thief."

"What, cousin, how can you say that to me?" Li Jiaojiao pursed her lips in displeasure.

"When did you ever do anything good?" Li Zhenting took a sip of tea and sat down on the tea table.

"Cousin, drink more." Li Jiaojiao didn't wait for him to finish drinking and immediately filled it up, laughing.

At this time.

Four little guys also gathered around.

Li Zhenting picked them up one by one and kissed them.

"Where is Ning Ning?" Li Zhenting put down the children and looked around.

"My cousin is busy in the kitchen, making delicious food for you." Li Jiaojiao smiled mysteriously.

Li Zhenting immediately stood up and walked towards the kitchen.

"Hey, cousin, I have something to ask you." Li Jiaojiao quickly stopped him.

"What's the matter?" Li Zhenting looked at her coolly and asked.

"Cousin, that's it, my reward should be given to me, right?" She stretched out her hand towards him.

"What kind of reward?" Li Zhenting asked, frowning.

"Cousin, don't you remember? Last time, three days after you and your cousin got married, you said that as long as I helped you take care of four little ones, you would give me one million." Li Jiaojiao shook Li Zhenting's arm as a reminder.

"Oh, that." Li Zhenting seemed to have just remembered. He stood up straight, looked at her, and asked, "You also know that you have to take care of these four little guys, but have you taken care of them?"

"I, why didn't I bring it with me? Aren't they fine now? Are you trying to keep your word?" Li Jiaojiao rolled her eyes and screamed in grievance. "Please, do you think you've brought it with you? The little crown was lost, but you didn't care about the children and drank with Ji Qingshan that day, and got drunk. It's good that I didn't ask you to compensate for the crown, but you still dared to come to me. Do you want payment?" Li Zhenting had a cold face.

"Cousin, I have the conscience of heaven and earth. I have tried my best, but you can't blame me entirely for losing the crown. All the protections in the Li family are useless, so what use can I, a weak woman, do? Moreover, all the red envelopes I received that day were also stolen. It was stolen. I worked hard for three days and three nights in vain, and in the end I caught nothing." Li Jiaojiao shouted unconvinced.

"The fact is that if you had taken good care of Xiaoxiao that day, her crown would not have been lost. It was all your fault anyway, and the reward is gone." Li Zhenting refused with a cold face, turned around and left.

"Cousin, you are such a villain." Li Jiaojiao jumped behind, "You asked me to take four of you. I'm not just taking the little one. Can I keep an eye on her at all times? And you also have two. Baobiao, why don't you find them responsible? Now you are putting all the responsibilities on me, which is not fair and aboveboard. This is called bullying me."

But Li Zhenting was too lazy to pay attention to her and walked directly to Shen Ning.

"Cousin, if you don't give me the reward, I won't leave." Li Jiaojiao angrily chased her and sat on the dining table, "Even if you eat, you have to give me the reward."

"Ning Ning, thank you for your hard work." Li Zhenting walked to Shen Ning, hugged her from behind, and kissed her face.

Sister Wang and Aunt Dong pretended not to notice it. Anyway, they were already used to it.

"Tsk, tsks." Li Jiaojiao bit her lip, "It's really disgusting."

Shen Ning blushed, pushed Li Zhenting away, and whispered: "Stop teasing Jiaojiao all the time, she will cry later."

"I'm not afraid." Li Zhenting put his arm around her waist again and whispered, "She spends money randomly as soon as she has money. I'll give it to her later and use it as living expenses when she goes to study in the United States."

Shen Ning finally understood what Li Zhenting was thinking and pursed her lips and smiled.

"Oh, what a hard life it is." Li Jiaojiao sighed while sitting at the dining table when she couldn't get the money.

At this time, the doorbell rang.

Soon, Butler Luo ran over and said, "Master, Professor Ji Qingshan is here."

What? Li Jiaojiao raised her head in shock.

What a coincidence that he came just after she came!

## **Chapter 1497: wedding 75**

"Professor Ji, please sit down quickly." Li Zhenting immediately greeted him.

Ji Qingshan was carrying a bag, dressed in casual clothes, and still wearing a peaked cap on his head.

"Mr. Li, I got a new medicine. Come here and give it to Shen Ning to try." They sat down on the sofa, Li Zhenting started making tea, and Ji Qingshan took out a new medicine from his bag and handed it to Li Zhenting.

"Thank you, you are so thoughtful." Li Zhenting was very grateful.

Although Ji Qingshan didn't treat him well, he was still very concerned about Shen Ning's illness.

"A doctor is like a parent. I always treat patients like this, let alone Shen Ning." Ji Qingshan said calmly.

"Professor Ji, please drink tea." Li Zhenting personally brought the brewed tea to Ji Qingshan's hand, "Just stay here tonight. Anyway, tomorrow is the day when you will diagnose Shen Ning."

"Well, I came here in advance tonight to observe her condition. Is she okay these days?" Ji Qingshan took a sip of tea and asked in detail.

He already knew that Shen Ning ran to Zhu Qixiong because of hallucinations on their wedding night, and he was very confused about this.

He believed that Shen Ning's condition was beyond his knowledge of medical skills. Out of his love for medicine, he accepted Li Zhenting's invitation and agreed to continue to treat Shen Ning, hoping to clarify the matter.

"Fortunately, it's normal." Li Zhenting told him the situation of the past few days.

Ji Qingshan pondered and nodded.

"Hey, Ji Mingshou, what a coincidence, we haven't seen each other for a long time." At this time, Li Jiaojiao came over and sat down next to Ji Qingshan, their bodies close to each other.

Ji Qingshan immediately felt like fish bones all over his body and moved his body.

Li Jiaojiao turned to look at his head and smiled: "Professor Ji, why are you still wearing a hat at home?"

Ji Qingshan's eyes turned cold, and he suddenly tilted his head and whispered: "Do you like me that much? I haven't come yet, but you came over in advance to wait for me."

..."

Li Jiaojiao hesitated. "I'm telling you, stay away from me in the future, I'm not interested in women like you." Ji Qingshan's cold and cool voice sounded again.

"I..." Li Jiaojiao was about to speak.

Ji Qingshan smiled coldly, stood up and walked towards the kitchen, his whole body filled with a cold aura that kept strangers away.

"Bah, you must be sick, crazy." Li Jiaojiao sighed.

She was obviously the one who came first, so how could she come here intentionally to wait for him? Just a coincidence!

He really thought that his steamed buns were needed by everyone!

He doesn't like women like her, and she still looks down on him!

Now, she no longer has the previous impulse towards cold meat like Ji Qingshan!

Shen family.

"Mom, Lan Lan just called and said that Li Zhenting will send her to study in the United States next month." Shen Mei hung up the phone and hurried into the living room.

Lan Feiyun was stunned.

"Did Lanlan tell you?"

"Yes, Lan Lan said that no one in the Li family likes her now, and her father doesn't like her anymore, so he wants to send her away. She said that she didn't want to go to the United States alone, and she was crying sadly." Shen Mei Very angry.

"Hey, men are really animals that think about problems with their lower bodies. Needless to say, this must have been Shen Ning's idea. The wind blew it from the pillow. After all, Lanlan has done a lot of bad things to her, and she can't tolerate it." Lan Lan. Feiyun sneered.

"Mom, I don't care anymore. I'm going to break into the Li family now. If this continues, Lan Lan will really be sent to the United States to study. Then we won't even have a support person in the Li family's castle. , it's even harder to accomplish, we can't be timid anymore, besides, that thing has been going on for so long, it should be fine." Shen Mei made up her mind and didn't want to wait any longer.

If Lan Lan is really sent to the United States, then she will not be able to see her daughter!

She wants to stop this.

Lan Feiyun nodded thoughtfully.

**Chapter 1498: wedding 76**

night.

Li Zhenting was working in the study room when suddenly the phone rang.

He picked it up.

"Mr. Li, the latest news is that the United States has notified us that our Li Group has been included in the blacklist of sanctions, and many overseas orders will be affected." The voice of the market manager was urgent and sharp.

Li Zhenting narrowed his eyes.

All this seems to have been expected by him. After all, the United States has been gearing up for a long time.

"I understand, don't worry. We will have a morning meeting tomorrow morning to discuss countermeasures. You can go home and have a good rest." He said calmly, with no emotion in his tone.

"Okay, Mr. Li." The marketing manager felt more at ease and hung up the phone.

Li Zhenting put down the phone and clenched his fingers into fists, his eagle eyes bursting with cold light.

It seems that the successive launches of mobile phones have made the United States feel threatened, and they can't wait to take action!

very good!

Then let the storm come more violently.

"Zhen Ting, it's getting late, go to bed early." At this time, Shen Ning walked in with a cup of sleeping tea and spoke softly.

"Okay, Ning Ning, thank you." Li Zhenting took the tea, drank it, and stroked his forehead.

"Shanshan, what's the matter?" Shen Ning saw that his eyebrows were furrowed and he was not as relaxed as usual, as if he had a lot of things on his mind, so he immediately asked with concern.

"There are some things, but you don't have to worry. I can take care of your husband." Li Zhenting put his big hand on Shen Ning's waist, lifted her onto his lap, and smiled.

"Don't worry too much." Shen Ning warned distressedly.

"Okay, wife, don't worry, I won't do it." Li Zhenting smiled and rubbed his lips against her ear: "Let's take a shower and go to bed. I want you."

Shen Ning blushed and punched him lightly: "Be serious, Professor Ji and Jiaojiao are still here."

"What are you afraid of? We are husband and wife, and what couple doesn't love each other." Li Zhenting picked her up and walked towards the bedroom. He sent her directly to the shower room, pressed her limp body against the wall, and opened it with his backhand. Shower switch.

The warm water was poured directly on their heads.

Li Zhenting lowered his head and kissed Shen Ning's lips, then took off her clothes...

Shen Ning's body trembled slightly, her hands went around and hugged his neck. The two kissed passionately.

...

One night, they fought fiercely from the bathroom to the sofa and then to the bed, and did not fall asleep until almost dawn.

But early in the morning, Shen Ning woke up.

As if there was a connection between his mind, Li Zhenting also opened his eyes.

Shen Ning was about to get out of bed and make breakfast.

"Ning Ning, don't make breakfast, I'm too tired." Li Zhenting sat her down on the bed and didn't allow her to get up.

"I think you and the children can eat better." Shen Ning explained.

"There are servants at home, and they can do well. If they can't do well, why do we keep them?" Li Zhenting looked serious, "I have already given orders to Butler Luo. From now on, they will cook. You don't need to interfere. Occasionally, you If you want to cook for the children, you can do it, but you can't do it often. Our young mistress of the Li family must learn to enjoy life and don't need to be so tired."

"Okay." Two happy blushes appeared on Shen Ning's face.

"Ning Ning, I have something to tell you. I may need to go on a business trip for a while in the near future." Li Zhenting put her in his arms and said softly.

"About when?" Shen Ning looked up in surprise.

Li Zhenting kissed her forehead: "It could be today, it could be tomorrow, or the day after tomorrow."

Shen Ning's heart sank. Something happened!

"Zhen Ting, can you tell me what happened?" Her eyes were bright, but the anxiety inside was clearly visible.

"It's not a big deal, it's just business. You just need to take care of your children at home. You don't need to worry about these things."

He kissed her forehead again:

"You can sleep a little longer, I'm leaving."

"Shanshan, where are you having breakfast?" She grabbed his clothes and reluctantly left him.

"Don't worry, there will be some in the company."

Li Zhenting smiled and strode away.

Shen Ning watched his back disappear before her eyes, feeling as if he was lost in the bottom of her heart! It seemed as if the soul had left with him.

#### **Chapter 1499: wedding 77**

In the afternoon, Shen Ning and Butler Luo picked up the children.

Coco, Ding Ding and Xiao Xiao gather around to play games.

Lanlan sat alone and played with her mobile phone.

"Coco, Ding Ding, Xiao Xiao, Lan Lan is your sister. You should love her and call her when playing games. But you can't isolate her and make her feel lonely. Do you understand?" Shen Ning Educating the children nearby.

After all, Coco, Ding Ding and Xiao Xiao have three people playing together, and Lan Lan is indeed the loneliest in this family. The child is still young, so it is easy for him to have ideas.

She doesn't want to see this situation!

"Mommy, she always cheats when playing games. She can't lose, and she's not strong enough. I really can't play with her. Moreover, she often bullies Xiaoxiao and treats Xiaoxiao badly. Xiaoxiao doesn't like her either." Coco looked helpless.

"Hmph, I don't want to play with you. It's annoying to look at you." Lan Lan glanced at Coco and raised her head proudly.

"See, that's just how good she is." Tintin shrugged, "There's nothing we can do about her."

Shen Ning looked at their incompatible looks and shook his head.

There is no way, Lan Lan is too difficult to get along with, maybe she will change when she is older and more sensible.

She went to take Xixi and Beibei.

Lan Lan was sitting on the sofa playing with her mobile phone boredly, hearing cocoa and little laughter in her ears from time to time. She felt very uncomfortable and would glare at them from time to time.

After a while, her phone and watch rang.

When she saw it, it was mommy calling.

Immediately stood up and walked outside.

"Mommy."

"Lan Lan, who is around you?"

"No one, I'm out."

"You're so good. Remember, every time mommy calls you from now on, don't let anyone else be around you. If anyone is, hang up the phone. Do you understand?" "Okay, I understand, mommy, I miss you." "

"Lan Lan, Mommy misses you too. Don't worry, I will come to see you in the next few days." Shen Mei suddenly lowered her voice and said: "Lan Lan, Mommy wants to tell you something now. From now on, whenever you find that your Aunt Shen Ning has gone out or she is not at home, tell me immediately."

"why?"

"Only in this way can Mommy come to see you dressed as herself, and you can also see Mommy, understand?"

"Oh, okay." Lan Lan didn't understand anything, so she had to agree.

"Then Mommy is waiting for news from you."

"okay."

At this time, Shen Ning, who was holding Beibei, didn't see Lan Lan in the living room. She was a little anxious. She didn't know where the little girl would go, so she hurriedly looked for it. When she came out, she saw Lan Lan talking outside with her phone and watch. Then he immediately asked:

"Lanlan, what are you doing outside? It's so cold, come in and talk."

Lan Lan was startled, put her watch behind her, and looked at her warily.

Shen Ning smiled: "Are you on the phone?"

Lan Lan stared at her and didn't answer.

Shen Ning said kindly: "Just make the call at home, it will be cold outside."

But I felt funny in my heart. How old is this little girl? She actually has a secret, and she doesn't want others to hear it when she calls her.

"Let's go, it's time to eat, come in quickly." Shen Ning took her arm and brought her in.

"Lanlan, are you talking to your classmates?"

"Huh." Lan Lan snorted coldly. She wouldn't tell her. If she did, she wouldn't be able to see her mother.

"I won't tell you."

"Okay, Auntie won't ask anymore." Shen Ning smiled, because during this period, Lan Lan was quite obedient, so she would think of saying a few words to her, even if she didn't want to tell her, of course she would not ask further questions.

**Chapter 1500: wedding 78**

"Shen Ning, why hasn't Zhenting come home today? Is he not at home for dinner?" When it was almost time to eat dinner, Li Wanqing had not seen Li Zhenting come back, so she couldn't help but ask.

Shen Ning remembered what Li Zhenting said when he went out early in the morning, and shook his head: "I don't know yet. I didn't answer his phone call."

Li Wanqing said: "Then let's eat first. He probably didn't eat at home. The children are hungry. Eat early and let them rest. He, a grown man, cannot be hungry."

"good."

Shen Ning and Li Wanqing took the children to have dinner.

Halfway through dinner, Shen Ning's WeChat message rang.

She picked it up and saw that it was a WeChat message from Li Zhenting.

"Mom, Zhenting is on a business trip and it may take half a month before he can come home." Shen Ning looked at the WeChat message and said to Li Wanqing.

"It's been so long. Why does it take so long?"

"I don't know. He didn't say anything. He just asked me to take care of the children and not to worry about him."

"Well, okay, there are a lot of things in the company. He was always busy like this before, and he spends more time with you during this time, so he must have delayed some things."

Shen Ning smiled and nodded.

The children were very disappointed when they heard that their father would not be able to go home for half a month, especially Xiaoxiao.

She didn't have a father when she was very young, and now she is finally able to be with him, but he suddenly became so busy that he couldn't be seen for half a month.

"Mommy, why is Daddy so busy? Doesn't he miss us after not coming home for so long?" She said she didn't understand.

Shen Ning smiled: "There are a lot of things in Daddy's company. He is the president, and there are tens of thousands of employees who have to eat, and he has a lot of responsibilities. So, in the future, you all need to know something and study hard. Be obedient and stop pestering your daddy all the time, do you understand?"

"Yes, I understand." Xiaoxiao nodded sensibly.

Lan Lan took a few bites of food and then walked upstairs. As soon as she ran into her bedroom, she locked the door.

She took out her mobile phone and dialed Shen Mei's number.

"Mommy, let me tell you, Daddy is on a business trip and won't be home until half a month."

Shen Mei was startled. What's all this? She was still waiting to make love with Li Zhenting, but he went on a business trip right away!

It will take half a month!

"How did you know?"

"Daddy just sent a message to Aunt Shen Ning."

"Okay, you're so good, I know." Shen Mei smiled, said some caring words to Lan Lan, and then hung up the phone.

"What's wrong?" Lan Feiyun asked from the side.

"Li Zhenting is on a business trip and won't be back for half a month." Shen Mei said with a dark face.

Lan Feiyun smiled: "It's just a business trip. Maybe things will be easier to handle if he's not here."

"Why?" Shen Mei looked at her puzzled.

"Li Zhenting is so shrewd. If you show up next to him, I'm worried that he will find you soon. Now that he's not here, it's good for us to get some money to spend first." Lan Feiyun smiled weirdly.

"Mom, how do I get money?"

"Isn't this difficult to handle? You are exactly the same as Shen Ning now. Li Zhenting dotes on her so much. Whatever you want is what Shen Ning wants. You can spend it as you please."

Shen Mei blinked and suddenly smiled.

"Okay, I'll go see Lan Lan tomorrow night."

"Meimei, how much money do you think we need to have in the future to live a free and happy life?"

Lan Feiyun leaned back on the sofa, lit a cigarette, took a puff and spit it out, and the smoke enveloped her face. , gloomy and unpredictable.

"Well, it must be a lot." Shen Mei tilted her head and thought, suddenly laughing, "Mom, just having money is not enough. Think about it, inflation is very strong now, and the money will be spent soon. We are Don't we still need to get some real estate and shops?"

"That's right." Lan Feiyun exhaled smoke, "We not only want to make enough money for ourselves, but also want to make Lanlan a good life in the future. Come, take a look. I have printed out the specific plan. Come out, take a good look, if it's not right, we two will try again."

"Okay." Shen Mei took it and looked at it carefully.

I'm sorry, I have to go to the hospital for surgery tomorrow. This year has been very miserable. There will be less updates next time. I'm crying!
