

## Troublemakers 1502

### Chapter 1502: Conspiracy Stand 2

After a while, Shen Mei returned to the room, picked up the quilt and pillow that had fallen to the floor, and lay on the bed, with her eyes slightly closed until the WeChat sound on her phone rang.

She picked it up and took a look.

It was from Lan Feiyun.

"Meimei, how's it going? Did you find any jewelry, gold or anything like that?"

She was stunned and immediately sat up, suddenly sober.

Today, she came in with a mission. She wanted to lurk in Li Zhenting and Shen Ning's wedding room to find a jewelry necklace. This was a big deal. How could she be so confused.

She immediately got up and began to search around the room.

"Ning Ning, are you in there?" Li Wanqing came up to pack things. When passing by Shen Ning and Li Zhenting's bedroom, she heard the sound of rummaging inside from time to time. The movement was not small, and she was a little confused. She couldn't help but stop and asked inside.

Shen Mei paused for a moment, her heart skipping a beat in fear.

Stopped immediately.

But after a while, he saw his own face in the mirror that was exactly the same as Shen Ning's, and the panic in his heart quickly calmed down.

What are you afraid of? She is now Shen Ning, the upright and well-educated daughter-in-law of the Li family.

"Mom, it's me, I'm inside."

"Oh, you're back." Li Wanqing's voice was friendly.

"Yes, Mom, I'm a little tired and want to take a rest first."

"Okay, you should have a good rest." Li Wanqing originally wanted to go in and say a few words to Shen Ning, but after hearing what she said, she had no choice but to leave after a few words.

Shen Mei heard the footsteps disappearing and sneered.

Shen Ning is really loved in this family. After being framed and framed by Liang Ruqi, Li Wanqing can still treat her so well. I can only say that she is so lucky!

She took out one of Shen Ning's brand-name bags from the closet, and then started looking for gold jewelry.

As the most favored woman of Li Zhenting, it is impossible not to have rare jewelry.

Sure enough

Not long after, she found a lot of jewelry.

She put all the jewelry into her bag and restored everything in the room as much as possible.

Then she sat on the bed.

Now all we need to do is wait until no one is upstairs, sneak into Lan Lan's room first, and then swagger out while there are few people around. "Cousin sister-in-law, cousin sister-in-law." But after a while, Li Jiaojiao's voice sounded outside.

Shen Mei was very angry when she heard this.

This \*\*\*\* Li Jiaojiao is still haunted, and she came looking for her at this time.

She doesn't want to pay attention to her.

This girl has a good relationship with Shen Ning, and it is especially easy to smell different smells. She can't be discovered yet.

So she held her breath and did not answer her.

"It's strange, didn't Sister Wang say that her cousin-in-law is back? Why is there no one answering?" Li Jiaojiao muttered to herself and then knocked on the door.

But there was still no reply.

It seems that my cousin-in-law is not in there anymore!

She walked toward the guest room over there boredly.

After a while, the door of a guest room was opened.

A peaked cap is placed on the bar counter.

Looking at the hat, Li Jiaojiao thought of the feeling of touching Ji Qingshan's bald head that night, and couldn't help laughing.

only

Soon, she stopped laughing.

I saw Ji Qingshan walking out of the bathroom, with his upper body naked and his lower body only covered with a bath towel, with strong abdominal muscles.

She opened her mouth wide and her eyes fell on him.

Damn it, wasn't this man gone a long time ago? Why are you still here?

"Hey, why did you come into my room without knocking?" Ji Qingshan looked up and saw Li Jiaojiao standing in his room, eyes wide open, staring at his body with salivation. Immediately shouted angrily.

Out of instinct, he turned around and went to the bathroom to get dressed, but as soon as he reached the bathroom door, for some reason, he turned around again and walked towards Li Jiaojiao in a fierce manner.

“Hey, you, what are you going to do?” Li Jiaojiao saw the man coming straight towards her. She was frightened, took several steps back, and asked stammeringly.

"What do you think I want to do?" The man smiled coldly, "Don't you like me and want to sleep with me? Then I will satisfy you today."
