

Troublemakers 151

Chapter 151 You will be punished

"Impossible, why?" Shen Ning shouted angrily.

Now that Gu Qi has just started, she still owes the bank 30 million yuan. How can she give them the money? Don't the employees get paid?

"Shen Ning." Shen Mei shouted arrogantly, "Gu Qi was originally given to me by my father, but you snatched it by illegal means, now you have to give us all the money you earned."

Shen Ning looked at the two vampires, her anger made her lose her mind gradually, she clenched her fists tightly, and put one hand into her pocket, where there was a fruit knife.

This was prepared before she came.

"Shen Ning, I didn't ask you to come here today to discuss with you, but to ask you to sign. If you are willing to sign, then I will have someone bring Coco over to Zhen Ting immediately, so that I have another son. , just as a birthday present for me." Shen Mei grinned, took out her tablet and called up a video.

Shen Ning only glanced at it, then retracted the hand that had been stretched in, trembling with anger.

I saw several men standing at the entrance of Lantian Kindergarten!

Obviously, they are going to grab cocoa.

"Shen Mei, if Li Zhenting knew that Ding Ding and Ke Ke were born to me, do you think he would still want you?" She asked coldly.

"Haha." Shen Mei burst out laughing suddenly, obviously, she had thought about this question a long time ago.

"Shen Ning, Zhenting will announce our wedding date tonight. Our marriage is a foregone conclusion. Besides, I not only gave birth to Ding Ding but also Lan Lan. Didn't you see that he loves Lan Lan very much? It's impossible for him I will be willing to give up Lanlan, and even if I **** Keke back, who said that Keke must be born by you? Keke and Ding Ding look exactly the same, and it looks like it is my child. Six years ago, in the delivery room, Li Zhenting accompanied him I saw Ding Ding's birth with my own eyes. If I let him see Coco, he would only think that Coco was also born by me. Do you have any hope of getting Ke Ke's custody?"

"Shen Ning, the Li family will not let their descendants go home, you might as well cooperate with us." Lan Feiyun also echoed beside him.

Every word they said hit Shen Ning's heart in pain, causing her chest to suffocate, she opened her mouth, and had to breathe heavily to maintain her life, her fingers twisted into a ball.

"You, you will be punished." She gritted her teeth and cursed bitterly.

Lan Feiyun tore off her elegant coat, and asked fiercely: "Shen Ning, do you want to sign or not? If you don't sign, today will be the right time to bring Coco home. Children and money, you can figure it out."

She deliberately turned the video up, facing Shen Ning.

Shen Ning saw that the bell rang for the end of get out of class, and the children all ran to the playground to play, among them were Ke Ke and Xiao Xiao, who ran towards the gate holding hands.

"Show me, as soon as Ke Ke comes over, you will immediately bring him back to Li's Castle." Lan Feiyun instructed the man inside.

Several men immediately surrounded the gate.

"No." Shen Ning saw that Ke Ke and Xiao Xiao were almost walking to the gate, but Ke Ke was her lifeblood. If she lost him, what would it mean for her to live, and she felt cunning at the moment, and said sharply, "Okay , I sign."

She tremblingly picked up the pen and signed her name, but they forced her to press her fingerprints again.

At this point, the mother and daughter of Lan Feiyun showed a triumphant and comfortable smile on their faces, and Lan Feiyun happily went out to meet the guests with the contract.

very nice!

It turned out that Gu Qi was losing money, and their mother and daughter had to take care of it.

It's good now, Shen Ning has taken care of them for them, and all the money they earn belongs to them.

"Stop." Just as Shen Ning turned to leave, Shen Mei stopped her.

Shen Ning stopped in his tracks.

Chapter 152 That girl is not Shen Mei

"Shen Ning, today is my birthday, you have to serve me, you can put on this set of nanny clothes, and you can listen to my errands at any time." Shen Mei took out a set of maid clothes and threw them in front of her, and ordered .

Shen Ning opened his eyes wide: "Shen Mei, I'm not Li's nanny, but Tintin's tutor."

"Hey, you are also worthy of being Ding Ding's tutor, but you are not worthy of being a nanny. Do you think that because you are Ding Ding's biological mother, you want to maintain a good image in front of the child, win over the child, and rely on the child to attract Zhen Ting's attention? , tell you, there is no door, from now on, you are just a nanny, stay away from Tintin, otherwise, I will let you not even get cocoa." Shen Mei spoke disdainfully, and ordered viciously:

"Hurry up and put on the nanny clothes, work hard, and make me unhappy, and you won't even have a child in minutes."

Shen Ning's fists were clenched and rattled.

But after a while, she gritted her teeth and turned around to put on the nanny uniform.

Shen Mei smiled triumphantly, and walked out haughtily.

President's Office of Li's Group.

Li Zhenting was working, and walked in with cold blood.

"Mr. Li, the photo you asked me to check has been found."

Li Zhenting froze for a moment, his eyes were sharp, and for a while, he didn't lift his head, just looking at the tip of the pen.

"Speak." After a while, he said lightly.

"President Li." After hesitating coldly, he said, "The girl in that photo is not Shen Mei."

After speaking, he handed over a file bag with both hands.

After being silent for a while, Li Zhenting slowly took over and asked, "What about her?"

"She is dead." Leng-Blood looked dignified.

"Okay, I see." He waved his hand, "Go out first."

Looked at him coldly and solemnly, sighed slightly, and backed out.

President Li is really an infatuated man. For so many years, he has been guarding the white moonlight in his heart, and no woman will accept it, including his ex-wife Shen Ning!

But now it turns out that the current Shen Mei is not his white moonlight, and I don't know when he will be able to get out of this strange circle of love.

After leaving in cold blood, Li Zhenting slowly took out the document and read it for a while, then put it in the drawer.

He reached out and picked up a cigar on the table, lit it and took a puff, without any emotion or sadness in his eyes.

Actually.

Six years ago, after Shen Ning's accident, he had already sensed that Shen Mei was not the girl in his mind!

He admitted the wrong person!

But by then it was too late!

He had already slept with Shen Mei, and then Shen Mei gave birth to a pair of children for him!

Out of responsibility and morality, he must marry Shen Mei!

Let Leng Xue investigate, he just wants to prove something!

He stood up and walked to the window to look at the blue sky and white clouds outside, his tall and majestic back was lonely and lonely.

Her name is Xiaofeng, and Xiaofeng comes from her screen name: the person who listens to the wind.

He chose the word Feng from it, and affectionately called her Xiaofeng.

Xiaofeng Bingxue is smart, kind-hearted, and has a delicate heart, which is beyond the reach of ordinary girls.

She is too beautiful and perfect, the mortal world is not suitable for her.

But she left him alone in the world, what a cruel fate!

He looked at the white cloud in the sky for a long time, imagining her sweet face, but it was a pity, because his eyes were injured too badly. At one point, he thought that he would lose his light forever and had no chance to see her.

But the fact is

His eyes healed, but he never had a chance to look at her again.

He stared at

Sudden

The cloud in the sky turned into a woman's face. Gradually, the face became clearer and clearer, and he widened his eyes.

It turned out to be a familiar face.

And that face is very similar to Shen Ning.

He was startled.

Then the phone rang.

He picked it up.

Chapter 153 Do you think I will believe it?

"Zhen Ting, today is my birthday, when will you come back? The guests are all here." Shen Mei held the phone, coquettishly, "You promised to accompany me today."

"Okay, I'll be right back." He replied after a moment of silence, hung up the phone, turned around, picked up his briefcase and walked outside.

Xiaofeng, you are gone, I will never have love again in this life, for the sake of my children, I have to marry another woman, sorry!

But in this life, you will always be my true love! Lover in the bottom of my heart!

Li's Castle.

As soon as Li Zhenting returned to Yunhu Villa, he saw that the house was decorated like a palace, and there were many reporters outside the door, so he couldn't help frowning.

It was just an ordinary birthday, yet Shen Mei made such a big splash, even his grandparents and Li Wanqing's birthdays had never been so high-profile.

His face darkened.

Just walked upstairs and was about to go back to the bedroom and change into casual clothes first, but bumped into a woman who opened the door and came out head-on.

"I'm sorry, I'm sorry." The woman seemed taken aback and apologized immediately.

Li Zhenting frowned, raised his eyes, and froze.

It turned out to be Shen Ning!

How could she come to Li's Castle at this time, and walk out of his room wearing a nanny uniform? What is she doing!

Shen Ning didn't expect to bump into Li Zhenting, his face was astonished, and then he was as cold as ice, and walked around him.

"Stop, what are you doing here?" He asked in a deep voice.

"I'll clean up Ding Ding's room and change the quilt cover for Ding Ding." Shen Ning said indifferently.

"Clean up the room?" There was a sneer on the corner of Li Zhenting's lips, "Didn't you come here at seven o'clock in the evening, and came so early to clean up Tintin's room? Do you think I will believe it?"

"If you don't believe me, then ask your beloved woman, Shen Mei." Shen Ning felt heartbroken when she thought of her current situation. All the culprits were caused by this scumbag. She didn't need to explain anything to him. After saying this, he left indifferently.

Looking at her cold back, Li Zhenting was inexplicably agitated.

What kind of attitude is this woman!

It seems that he didn't offend her yesterday, but he has such a bad attitude!

He walked into the bedroom, sure enough, the quilt cover had been changed, Tintin sweated a lot last night, she was still very careful!

Shen Ning went downstairs. She went to Li Zhenting's bedroom just now because Ding Ding always had nightmares at night. She remembered that when she was a child, whenever she had nightmares, Shao Meiqi would always take off her pants and put them under her pillow. She was holding a knife. Of course, she couldn't press the knife. She just pressed a small fruit knife. It is said that the knife is for suppressing evil.

My mother once said that I can only ask for the pants of my biological mother, and I can't be seen by others, so she came up quietly.

Although it is a superstition, whether it is useful or not, she is unwilling to see the child in such pain at night, so she decides to give it a try.

"Shen Ning." As soon as she got down, Shen Mei called out to her, "Many guests came outside, you give each guest a cup of lemon tea."

"Okay." This was obviously using her as a babysitter, wanting to embarrass her and be ridiculed, but she still agreed.

"Ningning." She carried a tray full of lemon tea and walked towards the guest area outside, serving a cup to every guest. The guests were talking and laughing happily, but no one noticed her. She was relieved and was thinking of slipping away. While leaving, suddenly, a man's voice stopped her.

Chapter 154 No hitting

"Brother, you have to be careful. If you have anything to do, give a password, and don't be recognized by others." Seeing that Tintin and Tintin are wearing exactly the same suit, the very handsome Keke told him worriedly.

Ke Ke puts one hand in his trouser pocket, wearing a brand-name suit, looking imposing, energetic, stylish, and extremely handsome.

"Don't worry, Ding Ding and I have been training for half a day, we will never make a mistake." Ke Ke walked in front of Ding Ding and patted him on the shoulder: "Brother, we two have a good understanding, don't forget the password."

Ding Ding scratched his head: "I won't forget it, but don't forget, from 7:00 to 9:00 in the evening is my time to spend with Mommy, you have to change it with me."

"Definitely." Ke Ke took Xiao Xiao's hand, "Then Xiao Xiao and I will go in first."

"Go, I know this place well, I'll just take a small path and get in touch if there is anything to do." Ding Ding waved to Ke Ke and Xiao Xiao.

Coco and Xiaoxiao walked in hand in hand.

"It's so beautiful and noble." Xiaoxiao praised the palace-like villa while walking, and she seemed a little silly.

"Cough, Xiao Xiao, pay attention to our image, don't let people feel that we have never seen the world, this will be confusing, when we were in the United States, Mommy often took us to visit outside the White House, don't forget your mission. "

Ke Ke reminded Xiao Xiao while walking, first of all, they need to find Mommy and make sure that Mommy is safe.

Xiao Xiao heard the words, put away her envious eyes, and nodded seriously.

Under a remote tree.

"Shen Ning, why are you ashamed of yourself here?" Shen Deshun looked at Shen Ning who was wearing a nanny uniform with stern eyes, and reprimanded, "Today is your sister's birthday, what are you doing here? Are you still wondering Li Zhenting? Want to remarry him?"

Shen Ning looked at this father who had seen him for half a hundred years and hadn't seen him for many years, feeling really sad.

"Dad, in your eyes, am I only worthy of doing these low-level things? She is also your daughter, and you only have Shen Mei in your eyes. Why don't you think about what will happen to me? You want to know, then Why don't you ask your good daughter and that cheap mistress."

"You, you unworthy girl." Hearing that Shen Ning was so disrespectful to Lan Feiyun, Shen Deshun got angry from his heart and shouted in a low voice, "Your Aunt Feiyun was still thinking about you at home a few days ago and said she would pick you up You came back to live, and even moved out of Shuiyunju on your own initiative, you really don't know what to do."

Actively move out?

Shen Ning was about to burst into tears when she heard it, and had to admit that Lan Feiyun's green tea skills were good, but she didn't intend to explain anything in front of this man, men all over the world have one thing in common, that is, when they face green tea, they don't know what to do. No resistance, they are what they say.

"Dad, I just want to ask you, were you there the day my mother jumped off the building?" Shen Ning asked with bloodshot eyes.

Shen Deshun's face darkened: "You are really vicious. Today is your sister's birthday and the day when he and Zhenting announced their marriage. Is it auspicious that you are asking about your mother's death here?"

"What about my mother, did she deserve to die? How did she die back then? Are you worthy of her? The Shen Group was founded by my mother for you, but after the company made money, you abandoned your mother. All these years, you Doesn't your conscience hurt?" Shen Ning was emotional and cried out in tears!

"You beast." Shen Deshun became furious and raised his palm to hit Shen Ning.

I don't know since when, he has become more and more displeased with this daughter, even to the point where he doesn't want to see her at all, and this has almost become a knot in his heart.

"You are not allowed to hit people." At this moment, a childish voice spoke loudly.

Shen Deshun was taken aback for a moment, then raised his eyes, and saw Ding Ding walking swaggeringly in a small suit, followed by several Baobiao, looking at him fiercely.

Chapter 155 is extremely insulting

He immediately withdrew his palm and looked at Ding Ding with a smile: "Ding Ding, I am your grandfather, come quickly, let me come and give you a hug."

Looking at his flattering smile, Ke Ke felt disgusted.

"I don't care who you are. If you hit someone, it's because you are wrong. I forbid you to hit someone. You have to apologize to this beautiful and gentle little aunt." .

Shen Deshun's old face couldn't hold on for a while.

As for Ding Ding, although she was born to her daughter, he is the young master of the Li family and has a noble status. The company survived the crisis.

For a moment, he stood very awkwardly.

"If you don't apologize, I'll invite you out. Violent old men are not welcome here." Coco chased him unceremoniously.

Shen Deshun was dumbfounded. He didn't expect that this fart kid would actually play a big role.

At this time

Two Baobiao have already started threatening him.

He didn't expect to be kicked out by a five-year-old kid at such a young age. It's really shameful!

"Apologize quickly, or go out." Ke Ke urged unrelentingly.

Shen Deshun gritted his teeth, and could only force a smile on his face: "Ningning, let's leave this matter as it is. Dad is sorry to your mother, and I am sorry to you."

Seeing the once tall father humbly submitting to the authority of his son, Shen Ning felt both sad and relieved.

This apology, he should have said it long ago!

It's just that she didn't expect her son to fight for her.

"Auntie, let's go, let's go over there." Seeing that he apologized, Ke Ke stopped pestering her, and walked aside while holding Mommy's hand.

"Ding Ding, thank you for venting your anger for Mommy." Shen Ning was held by his son, feeling warm in his heart, that sense of happiness

It's so beautiful, I feel that all the grievances I have suffered are worth it.

But at this moment.

"Shen Ning." A woman's yin and yang voice came.

Shen Ning looked up, Shen Mei was walking over, with a gloomy glint in her eyes, and the smile on her face froze.

"Tonight, Zhen Ting and I will announce our wedding date. There will be a ceremony at that time. You have to stand by the side, bend over and half bow, hold the tray, and hand me the red silk on the tray." Shen Mei raised her toes. Angrily ordered to her.

She has to let everyone know that Shen Ning's ex-wife is like a dog in the water, and she is no longer worthy of Li Zhenting!

Shen Ning's face changed color upon hearing this, and his fingers tightened.

"Ding Ding, don't go, follow me tonight." Shen Mei's eyes looked at Ding Ding again, and there was a ruthless look in her eyes.

After a while, Shen Mei didn't hear Shen Ning's answer, so she immediately asked her:

"What's the matter with you, is your mouth dumb?"

"Okay." Shen Ning pursed his lips, and agreed in a low voice.

Ke Ke was stunned by the side. This ugly witch treated Mommy like this. Moreover, she ordered Mommy to serve her and Daddy when they announced their marriage ceremony. Even a five-year-old child like him could see the insult. Extremely strong, why would she treat his mommy like this!

What made him even more surprised was that after not seeing him for a few days, Mommy had no spine, and would even agree to such a request!

When did Mommy become so cowardly!

Coco was furious.

"I'm not with you." He gave Shen Mei an angry look, and dragged Shen Ning away.

I'm so **** off, I'm so **** off baby!

The little guy blushed, and really wanted to take Mommy home, and stop staying in this bullying dog place.

Chapter 156 Coco goes crazy

"Meimei, isn't Ding Ding your son? How could he be with Shen Ning? He didn't stay with you, but stayed with Shen Ning. How did you become a mother?" Shen Deshun saw all this clearly Li, his face is getting darker and darker.

Today, he was forced by his five-year-old grandson to apologize to his daughter, but he didn't even want to mention it, embarrassing!

Now the little grandson actually doesn't pay attention to the mother Shen Mei, which is not bad!

"I..." Shen Mei and Lan Feiyun looked at each other. Shen Deshun never knew that Ding Ding was Shen Ningsheng. Lan Feiyun winked at her, and Shen Mei said bitterly, "Dad, You don't know, Shen Ning has been unwilling to be abandoned by Zhen Ting. Now that he came back, he deliberately approached Ding Ding and became his psychological tutor. Ding Ding had been confused by her for a long time. Her purpose was to remarry Zhen Ting and stop me Marry Zhen Ting, but Zhen Ting doesn't love her at all, and even hates seeing her."

"This beast is really a disgrace. It's retribution for a woman to stay in a man's house and ruin her sister's good deeds. How could I have such a daughter?" Shen Deshun's face turned blue, his eyes flickered With all his eyes peeled, he wished he could rush over and beat Shen Ning to death.

Lan Feiyun and Shen Mei looked at each other and smiled, the corners of their lips were full of triumphant smiles.

VIP area.

Li Zhenting was dressed in gray casual clothes, Bai Zhe's skin was as delicate as white porcelain, with a straight nose bridge, rose-colored lips, and his inherent arrogance and indifference made him shine like a dazzling star in the crowd.

After having a few drinks with some good buddies, he walked this way.

Ke Ke put one hand into his trouser pocket, walked with a few Baobiao, and met Li Zhenting head-on, without even looking at him.

Li Zhenting was taken aback!

This kid! Smell! He didn't even look at his father, what kind of virtue!

"Ding Ding." He called out.

"Huh." Unexpectedly, Keke snorted coldly, turned his head, pointed half of his **** at him, and ignored him.

This daddy is too scumbag, Mommy was hurt so badly, he is useless at all, and he still wants to marry that ugly witch!

he is very angry!

Li Zhenting frowned.

This kid is so rude!

"Ding Ding." His displeased voice rose, and his face was serious.

"Daddy."

"Where are you going kid?"

"Go wherever you want." Ke Ke said straight away with a straight face.

Li Zhenting was very upset, this brat, and he didn't offend him, why did he give him a face.

"What happened to you? Who bullied you?" He asked in a deep voice.

"You bullied Auntie." Coco turned around suddenly, looked at him and asked repeatedly: "Daddy, why did you make my teacher wear a nanny uniform? You use her as a nanny. She is my teacher, not yours." Servant, did you consider her thoughts and my face when you did this?"

The little guy is so smart.

Pfft, Li Zhenting almost laughed out loud, but couldn't laugh or cry for a while, this little guy even lost face!

But he was very annoyed.

When did he let Shen Ning wear a nanny uniform? He is still surprised!

"Ask her, she wore it herself." He replied seriously.

"That's not true. I asked Uncle Rob, the housekeeper, and he said that Mommy forced her to wear it, made her do all kinds of chores, just to humiliate her, and asked her to bow and serve the plates for you when you announced your wedding date. Why did you do this? Why did you treat her like this? She is a gentle, kind and good aunt. If she hadn't sent me off that night... I would have been stupid when I went to the hospital. She took care of me so caringly, but what about Mommy? I haven't done it before, I just want to embarrass her, I hate you, I don't want to see you again, I don't want to stay in this house anymore, I don't want to be your son." Ke Ke suddenly went into a rage and yelled at Li Zhenting.

Chapter 157 Was hated by his son

Shen Ning was just called by a servant to clean up the garbage on the floor, and when he was sweeping restlessly, Ke Ke was stunned when he heard Li Zhenting's loud roar.

She really didn't expect Ding Ding to be so angry and so angry, and ran over quickly, holding his hand in a panic to comfort him.

Li Zhenting was startled for a moment, then looked at Shen Ning with a gloomy cold light in his eyes.

"If you don't buy auntie a nice dress, I'll take her to buy it now. In the future, I will dress up auntie beautifully and find her a good husband." Coco's eyes were red, and she dragged Shen Ning away. .

"Stop." Li Zhenting grabbed Ke Ke, this kid didn't understand anything but only knew how to deal cards, which really gave him a headache.

"Don't worry about it." Ke Ke's stubbornness rose, and she squeezed Li Zhenting's wrist, but when she couldn't, she spat at him.

Li Zhenting was **** off by Ke Ke's behavior of such a rogue, and his whole body exuded a terrifying chill.

This time even Shen Ning was frightened.

She really never thought that Ding Ding would have such a big reputation.

In my memory, Ke Ke has such a big name. I remember one time, he was bullied by a black kid, and he beat the black boy so hard that his teeth fell out. Later, she made an apology and lost a lot of money. This matter is settled.

"Ding Ding, go with Auntie first." She bent down and picked up Ding Ding and walked inside.

"Daddy, I hate you." Even though she was held in Shen Ning's arms, Ke Ke still pursed her mouth and yelled at Li Zhenting with red eyes.

Li Zhenting is sure that he is going to faint!

He was somehow hated by his son!

Shen Ning... he clenched his teeth!

Shen Ning brought Ding Ding into the game room, sat with him, comforted him, and did not come out until his mood stabilized.

"Shen Ning." Unexpectedly, as soon as she came out, a strong arm grabbed her arm and pulled her against the wall. Li Zhenting's eyes were filled with anger, "Did you do it on purpose?"

"What is it on purpose?" Shen Ning was taken aback, staring at him and asking.

"You deliberately wore a nanny uniform to make yourself pitiful, so as to irritate Ding Ding and make him hate me, right?" Li Zhenting's eyes exuded a dangerous breath, and his handsome face was full of anger.

Shen Ning was startled, pushed his chest violently, and said angrily: "Your cerebellum has shrunk, I deliberately wore a nanny uniform to stimulate Ding Ding, I only did that when I was sick."

"Why did Ding Ding suddenly behave like this?" Li Zhenting asked coldly.

It's hard to be hated by your son!

"Are you an idiot? What did Ding Ding say, why don't you believe the child's words." Shen Ning rolled his eyes at him. In fact, she was a little surprised that Ding Ding's emotions would become so out of control tonight.

Children's words? Li Zhenting narrowed his eyes and stood in a daze.

Shen Ning pushed him away and left.

"Follow me." But Li Zhenting quickly grabbed her arm again, and grabbed her and walked upstairs.

"Bastard, let me go, my arm hurts." Shen Ning was dragged away by him, shouting angrily.

Li Zhenting did not speak, but dragged her to the door of a cloakroom, opened the door, and said:

"Go in and pick out a dress to put on immediately. If you irritate Tintin again, I'll take care of you."

Ding Ding's emotional loss tonight was largely caused by her. If she dangled around in a nanny uniform again, Ding Ding would think that she was being bullied, and worried that the child would cause an old illness. He didn't want his son to have a relapse.

Shen Ning was pushed in by him.

Neuropathy!

She rubbed her arms and cursed, and glanced at the oversized clothing room, it was still the same, it was the same when she was here six years ago.

In fact, she would rather wear nanny clothes than these expensive dresses, but she is also worried that it will stimulate Ding Ding's emotions. After all, which child would like to see Mommy being underestimated.

Chapter 158 Being taken advantage of

Shen Ning picked out a plain and elegant dress, put it on, and walked out.

who knows

As soon as he opened the door, he saw that **** Li Zhenting standing outside the door.

"This one doesn't work, like a village woman, and another one." He ordered domineeringly.

Shen Ningxiu frowned: "I'm just an ordinary tutor."

"Do you want Ding Ding to come and settle accounts with me again?" The man's eyes were cold.

All right!

Shen Ning went back again, this time he picked a waistcoat, which was more expensive and elegant.

"It's too old, let's change another one." Unexpectedly, Li Zhenting still couldn't get affirmation, he only took one look and then denied it.

Shen Ning stared at him: "I can't pick any good ones."

Sure enough, she is a woman who has never seen the world, and she can't even pick clothes!

Li Zhenting shook his head and walked in.

Soon, he selected a black evening dress with strapless high forks and handed it to her.

Looking at the black evening dress, Shen Ning was moved in her heart. In fact, she had already taken a fancy to this suit, but she didn't want to wear it because she was afraid of attracting people's attention. If Li Zhenting didn't give it to her, she would not dare to wear it.

"hurry up."

"Then you go out."

Looking at her vigilant look, Li Zhenting had a wicked smirk on his lips: "If you want me to help, just say so, and I'll stand outside the door."

The ghost wants your help!

Shen Ning snorted coldly with disdain, and locked the door behind him.

After a while, she put on her gown and stood in front of the mirror, a little dazed.

Is this still her?

Even she couldn't believe that the beauty in the mirror was herself.

The woman in the mirror has seaweed-like black hair falling down her chest, scissor-cut V-neck, skin like snow, the full gap on her chest looming, like a blooming white lotus under the faint light, her fair and charming legs are blooming in the dark night Silent temptation.

There was a slight blush on her face, and she stood there afraid to go out.

"Turn around." Suddenly a man's voice sounded from behind.

She was startled and turned her head away, only to see that guy Li Zhenting came in at some point.

"How did you get in?" Her face changed color.

Obviously remember, she locked the door behind her back.

A hint of amazement flashed across Li Zhenting's eyes, and the evil eyes fell from her chest to her feet, and finally stayed on her chest, with an inexplicable fever in her lower abdomen and dry throat.

He swallowed his saliva and smiled wickedly: "Of course he pushed the door in."

"Li Zhenting, who let you in, don't you know that I'm changing clothes inside?" Shen Ning gritted his teeth, his face covered with icicles.

Thinking of the possibility of being peeped at by him all over, I couldn't help blushing, anxious and angry.

This scum actually has the bad habit of voyeurism, why didn't she know it before!

There was a sneer in Li Zhenting's eyes, and he said casually: "Change clothes as soon as you change them, so that no one cares to look at you. You dare not go out after changing your clothes. If I don't come in, do you want to wait outside for you until the sky?" black?"

"You..." He had taken advantage of him, but he had an expression of indifference and taking it for granted, which drove her crazy.

But she really didn't dare to go out, and this thought was guessed by him, and she became even more manic.

"Li Zhenting, this is called trespassing." She blushed with anger, "You broke into the women's space without my permission. This is a rogue act, and I will sue you."

Li Zhenting snorted coldly: "Shen Ning, please, I'm in my own home, open the door of my own home, I don't break the law, you came to my home, you sent it voluntarily, it's none of my business."

Chapter 159 This man actually holds her hand?

"Li Zhenting, can you be any more rascal?" Hearing his tone, Shen Ning confirmed that he had already seen him all, feeling ashamed and angry. Although they had had skin-to-skin contact before, it was different...she Gritting his teeth, he stretched out his fist and hit him.

Li Zhenting stretched out his hand to easily clamp her fist, and suddenly put his arm around her slender waist, pushed her against the desk, and raised her chin with one hand.

"Shen Ning, don't pretend to me. You came to Li's Castle and approached Tintin just to get close to me? Don't think that I don't know your thoughts. I'm flattering you today. Why are you pretending?" He lowered his head Come, with sarcasm in his eyes, he stared at Shen Ning deathly.

God, you bastard! It's so arrogant, too conceited, too self-righteous!

What was he thinking, did he really think that all the women in the world wanted to climb into his bed?

Shen Ning laughed angrily, and struggled to reach out to grab his face, but the man reacted extremely sensitively, grabbed her right hand and put it back to her waist, her left and right hands were all caught by his powerful palm up.

She struggled, and the man's body pressed against her tightly.

She couldn't move, staring at him angrily.

The man smiled evilly, staring at the woman's delicate and plump lips, then suddenly lowered his head and licked her sweet lips.

A tingling feeling like an electric shock immediately hit the whole body from the lips.

Shen Ning trembled unconsciously.

Li Zhenting smiled lowly: "Your body is quite honest!"

Shen Ning was furious, staring at him as if he wanted to kill someone.

However, Li Zhenting smiled wickedly, and suddenly lowered his head, his rosy lips covered her red lips fiercely... Shen Ning's widened eyes were full of unexpected surprise, just as he was about to cry out, the man playfully tilted her lips away. teeth...

Time seems to be frozen.

Shen Ning's brain went blank, and she didn't even have the ability to think. She never thought of this kind of situation, and even forgot to resist for a while.

In the hallway.

Shen Mei, who was looking to follow, looked at the man and woman who were kissing inside, her face was ashen, and her canthus glared.

Shen Ning, you bitch, how dare you seduce my man!

I will never spare you!

She stomped her feet in hatred, with tears in her eyes, turned and ran outside.

"Li Zhenting, you bastard, how dare you bully me." When Shen Ning came to her senses, she pushed him away with all her strength, and raised her hand to hit him hard in the face.

The corners of Li Zhenting's lips curled into a beautiful arc, he held her palm, and smiled sinisterly: "Can you blame me? You didn't close the door yourself, and you didn't come out after so long. Why don't I go in and look for you? What if something happens to you inside?" Then can I take this responsibility?"

She didn't close the door?

Shen Ning was stunned when he heard that, remembering that the door must have been closed twice at the first time, but later on the number of times increased, and she was urged by Li Zhenting, and she also went back the last time, but it was possible that she did not lock the door in a hurry superior.

This time, she wanted to die. Isn't this just for this pervert.

For a while, she almost bit her tongue and killed herself.

"Look at you petty, with your thin figure, I'm not interested in showing it to you." Li Zhenting didn't want to tease her anymore, "When I opened the door, you were already dressed."

After speaking, he took her hand and walked outside.

Shen Ning was dumbfounded for a moment, this man would actually hold her hand?

This is a dream.

She bit her tongue hard, yo, it hurts!

She took a breath, stepped on her high heels, and fell forward.

A strong and powerful hand quickly supported her, and he simply took her arm and walked out.

When Shen Ning walked outside in a trance, he saw that everyone in the audience was looking at them.

Chapter 160 I Really Hate Daddy

Shen Ning gave the embankment alms and woke up, he wanted to find a crack in the ground to get in.

At this moment, Li Zhenting held her arm.

What is she doing?

A reporter raised a flashlight.

She tried hard to pull out her hand to leave the man, but he held her hand tightly and whispered in her ear: "You want my son to misunderstand me for abusing you again?"

She was startled, only to hear Li Zhenting ask Butler Luo: "Uncle Luo, where's Ding Ding?"

Uncle Luo immediately said: "The young master is still sulking upstairs."

"Call him down quickly." Li Zhenting squeezed Shen Ning's hand tightly and ordered.

Butler Luo agreed and left.

At this point, Shen Ning understood what he meant. He wanted to dress her up decently for his son to see.

She sneered in her heart, and calmed down. However, being held by him like this was really inappropriate in the eyes of so many upper-class people, and it was easy to be misunderstood.

"Hey, who is this woman that Young Master Li is holding? Isn't this Shen Mei, does she have another new love?"

"This woman is really beautiful and has a good temperament. She and Li Shao are really a natural match."

"Yeah, she is indeed very lucky, not to mention, she and Li Shao are also very husband and wife."

"This woman seems to be very similar to Young Master Li's ex-wife." Although Shen Ning was hidden in the snow before, there are also a few people who have seen Shen Ning.

...

Everyone's eyes fell on Shen Ning, who was held by Li Zhenting, and they discussed quietly.

Lan Feiyun, Shen Mei's eyeballs almost popped out.

They never dreamed that Li Zhenting would dress up Shen Ning so beautifully and elegantly, and even walk out holding her arm, treating her as tenderly and considerately as his own wife.

The gentle smile on the corner of his lips really drove Shen Mei to the point of going crazy.

All her plans were disrupted by this sudden scene, and her plan to humiliate her also failed. She would never let her bow and kneel to hand over the red silk tonight.

This woman is really smart!

The growing hatred made her beyond recognition.

But said that after Ke Ke was brought to the game room by Shen Ning, she quickly slipped into Ding Ding's bedroom.

Ding Ding is playing games inside, leading a group of generals to roam the rivers and lakes in all directions.

"I'm so **** off, I'm so **** off." Ke Ke came in and sat down on the sofa with red eyes.

"Coco, what's wrong with you?"

"Ding Ding, why don't you care about Mommy being bullied like this." Coco was emotional, "That ugly witch bullies Mommy like this, and Daddy doesn't care. I really hate Daddy."

Ding Ding stopped the game when he heard the words, and sighed: "Brother, I can't control it. I can only try to make Daddy lose more money to Mommy. I really don't know what to do about the rest."

Coco stood up with his hands on his waist.

Hmph, Daddy is such a scumbag!

Only he can help Mommy in this matter, but he has been dazzled by that ugly witch.

At this time, the door suddenly opened, and Xiao Xiao slipped in.

"Brother, Ding Ding, it's really scary."

"What's wrong?" Ke Ke and Ding Ding looked at Xiao Xiao.

Xiaoxiao's face was full of anger: "That ugly witch wants to torture Mommy and make Mommy look ugly, and that old witch wants to eat Mommy alive. Hey, my poor mommy, life is too hard. We must Help her, don't let her be bullied."

"Yes, we have to find a way to help, but how can we help?" Ding Ding was full of embarrassment.

"How about this, let's go to grandma and ask grandma to help Mommy." Xiaoxiao suddenly thought of Li Wanqing.
