

Troublemakers 161

Chapter 161 Daddy is doing well this time

"What's wrong?" Ke Ke and Ding Ding both looked at Xiao Xiao.

Xiaoxiao's face was full of anger: "That ugly witch wants to torture Mommy and make Mommy look ugly, and that old witch wants to eat Mommy alive, hey, my poor Mommy, it's too hard, we must Help her, don't let her be bullied."

"Yes, we have to find a way to help, but how can we help?" Ding Ding was full of embarrassment.

"How about this, let's go to grandma and ask grandma to help Mommy." Xiaoxiao suddenly thought of Li Wanqing.

"Well, this method is good, but why does grandma want to help Mommy? Mommy is not her relative, and she doesn't know that we were all born by Mommy." Ke Ke was still smart, and immediately thought of the key to the problem .

"But grandma doesn't like ugly witches at all. A friend's enemy is a friend." Xiaoxiao may have been frightened by the dangerous situation Mommy is in, and even her intelligence has improved a lot.

"Well, this method is fine." Now Ke Ke and Ding Ding nodded at the same time, expressing their willingness to give it a try.

"By the way, there is another strange phenomenon. When did our mommy become so cowardly? That ugly witch would do whatever she asked her to do. Why didn't she resist?"

Ke Ke saw with his own eyes that Mummy served tea and poured water, swept the floor and wiped the table, and was being ordered around by Shen Mei. His heart ached so badly, but he couldn't figure it out, Mummy has always been very assertive, how could she be directed by bad guys now? It's on.

Xiao Xiao also felt something was wrong.

"That's right, Mummy wouldn't listen to that ugly witch." Ding Ding thought that Mummy would ignore Shen Mei these days and wouldn't listen to her at all, and felt very suspicious at this moment.

"No matter what, we must stop Daddy from marrying that ugly witch. Today they are announcing their wedding day, so we must also stop it. We must take Daddy back." Coco made up his mind.

The three little ones nodded emphatically.

Then there was a knock on the door:

"Master Ding Ding."

When Ding Ding heard it, he immediately 'shh', ran to the cabinet, opened the door and got in.

After seeing Ding Ding hide, Ke Ke went up and opened the door.

"Grandpa Luo, what can you do?" Coco asked politely.

"Master Ding Ding is so polite today." Butler Luo was very happy, smiling, "Go down quickly, your father is looking for you."

Ke Ke held the little one's hand, and the two little ones followed Butler Luo away.

Downstairs, Daddy was standing there holding a woman's hand affectionately.

Coco and Xiaoxiao's eyes lit up.

Isn't that woman their mother!

Mommy is so beautifully dressed, prettier than every woman here.

"Daddy." Ke Ke stepped forward in surprise and called "Daddy".

"Boy, I handed over your teacher to you, so be happy now." Li Zhenting handed Shen Ning's hand to Ke Ke, rubbed his son's round head, and a gentle smile appeared on the corners of his lips.

"Happy." Coco cheered, "Thank you Daddy, Daddy did a good job this time, I am very satisfied, but keep going."

Uh, keep going?

Li Zhenting's face was covered with black lines.

At this moment, Shen Ning, who was standing on one side, suddenly turned pale.

She saw Xiao Xiao who was standing next to Ding Ding at a glance.

God, what's going on here?

How did Xiao Xiao come here?

"Auntie, you are so beautiful." Xiao Xiao immediately stepped forward and threw herself into Shen Ning's arms, with a soft and cute voice, "Can I say a few words to you?"

"Of course." Shen Ning hurriedly grabbed Xiao Xiao and walked aside.

"Xiao Xiao, why did you come here?"

Chapter 162 He doesn't love Mommy at all

"Mommy, Ding Ding has brought me to play in Li's Castle a long time ago. I told you last time that the grandma of my classmate's family is so kind and kind. I'm talking about Ding Ding's grandma." Xiao Xiao Whispering in Shen Ning's ear, "Don't worry, no one here knows that I belong to your daughter."

Shen Ning suddenly realized that it turned out that Xiaoxiao said several times that she went to play at a classmate's house, and it was Ding Ding who brought her to play in Li's Castle.

No wonder, several times, I seemed to see Li Zhenting's back in Zhengsheng's apartment, and it seemed that he was sending Xiao Xiao back.

"Then be careful, don't run around." Shen Ning regained his composure, and had no choice but to warn.

Xiao Xiao is also the blood of the Li family, if she can come here to play and not be recognized, that's okay!

"Don't worry, Mummy, I will." Xiaoxiao put her arms around Shen Ning's neck and whispered in her ear, "Mummy, you have to be careful, that ugly witch and the old witch both want to harm you."

Shen Ning had a sore nose, smiled, and touched her little head: "I know, so, you have to pretend that you don't know Mommy, understand?"

After finishing speaking, she took a small hand and walked over, and said softly to Ding Ding, "Ding Ding, your classmate is here, you have to entertain her well and protect her well."

Coco immediately held her little hand: "Don't worry, I will."

Shen Ning smiled slightly.

"Xiao Xiao, you are welcome to come and play." Li Zhenting also smiled at Xiao Xiao at this time, expressing his welcome.

But the little black eyes looked at him coldly, obviously indifferent and unfamiliar.

Li Zhenting was a little helpless, this little girl seemed to have a strong hostility towards him, and he didn't know what was going on! He really didn't offend her!

However, he won't care about a little girl.

"Daddy." At this time, Lan Lan, who was dressed like a little princess over there, opened her arms and ran towards Li Zhenting, shouting excitedly as she ran.

Li Zhenting smiled, it's better to be his daughter, so clinging to himself!

"Lan Lan." A gentle smile appeared on the corners of his lips, he bent down and reached out to hug her.

Lan Lan immediately hugged Li Zhenting's neck and made a signature move, kissing her face and shouting loudly: "Daddy, I like you."

Li Zhenting was amused and laughed, and lifted her up high.

Lan Lan giggled happily.

Little and big eyes stared at them all the time, with sadness and loss in their eyes.

She also wanted to have a daddy since she was a child, and she also wanted to be held high in his arms like Lan Lan.

But she never knew what her father looked like, and now she finally found it, but her father wants to marry another woman and become the father of another daughter, and he is indifferent and unfamiliar to her, and doesn't like her mother at all. .

Today she used mind reading skills to read Daddy's heart. He doesn't love Mommy at all. He has a woman he loves in his heart.

Li Zhenting held Lan Lan in his arms and turned her around twice before putting her down.

Lan Lan smiled happily and looked at Xiao Xiao arrogantly, as if to say, you don't have a daddy, you are a wild child.

Xiaoxiao lowered her head, very sad.

"Xiao Xiao, let's go, I'll take you to play." Coco felt the same way, saw Xiao Xiao's sadness, and immediately took her hand and walked outside.

"Ding Ding, I'm going too." Lan Lan wanted to play with Ding Ding, so she followed.

Coco said with a cold face, "No, you can't follow us, we have other things to do."

"Ding Ding, what can you do? I am your sister, why do you always treat others well but not me?" Lan Lan asked unconvinced.

"Because you are too pretentious, just like that ugly woman." Ke Ke replied mercilessly, holding the little hands, the two little ones ran away in a hurry.

Lan Lan stood there with her mouth pursed and tears in her eyes.

Chapter 163 She has to find a way to make Daddy fall in love with Mommy!

"Grandma." Li Wanqing was looking at embroidery in the study, when Ke Ke and Xiao Xiao ran in, her voice was cute and sweet.

"Hey, Ding Ding, Xiaoxiao is here." Li Wanqing took off her eyes and looked at Xiaoxiao with a smile: "I haven't seen you for a long time, and I've grown taller again."

"Grandma, I miss you so much." Xiaoxiao smiled, her Nuoyin was so soft and sweet, she ran up and beat her legs with her fists, and Keke also followed her to squeeze her shoulders, the two little ones were so busy Excited.

"So good." Li Wanqing was so happy that she couldn't close her mouth from ear to ear, "Grandchildren, what do you want to eat, tell grandma."

"Grandma, we don't want to eat anything." Ke Ke shook her head, looking at Li Wanqing with her small face, "We want to ask you one thing, okay?"

Li Wanqing was taken aback for a moment, the two little guys were big boys, so it turned out that they were so attentive because they had something to ask her for.

"Tell me and see if grandma can help you."

"Grandma, I don't want to see Daddy announce the date of his marriage with Mommy today. I want to cancel this project. I don't want Daddy to marry Mommy." Coco spoke unwillingly with her face raised.

Li Wanqing was taken aback, this little guy asked this question again, what is going on? My son doesn't like daddy and mommy together!

Shen Mei's mother is too useless, she's such a failure.

"Ding Ding, this is your father's decision. Your father is already so old, and grandma can't change it." She sighed and stroked his head, "Why don't you want your father and mother to be together?" ?"

Xiaoxiao suddenly said: "Daddy doesn't like Mommy Ding Ding, and Mommy Ding Ding doesn't love Daddy either."

Li Wanqing was taken aback, and said: "Xiao Xiao, you can't talk nonsense, you live happily with your father and mother, but if Ding Ding's father and mother are not married, they can't be together. The situation between him and you Different, kids can't guess about grown-ups, understand? That's not right."

Xiaoxiao's eyes were red when she heard this, and she lowered her head: "Grandma, I am the same as Ding Ding, even worse than him. I only have Mommy, and I have never seen Daddy. Don't love me either."

Li Wanqing was stunned, and immediately picked up Xiaoxiao: "I'm sorry, Xiaoxiao, grandma doesn't know you are in this situation, so she shouldn't blame you, child, if you need grandma's help, you can tell grandma."

"Thank you grandma." The little girl snuggled into Li Wanqing's arms heavily, and sighed.

I'm afraid it's useless to say it, Daddy really doesn't like her Mommy! I don't know if their efforts are of any use, but no matter what, I can't let Daddy marry that vicious ugly woman. She must find a way to make Daddy fall in love with Mommy!

Li Wanqing looked at the cheers of young men and women downstairs outside the window, and shook her head.

Shen Mei held this banquet for her birthday at home. She disapproved very much. There were young people downstairs. She thought it was noisy, so she hid upstairs to watch embroidery.

Although the Li family is the richest man, they have always advocated frugality and low-key. For Shen Mei, a high-profile woman who only knows how to enjoy herself, she can't even take care of her children. She really doesn't like it.

But she couldn't help her son's liking, and Shen Mei also gave birth to a pair of children for the Li family, so she could only turn a blind eye.

Downstairs.

Shen Ning was making coffee for a guest when his cell phone rang.

She saw that it was Uncle Marley calling, and immediately picked it up.

At present, Marley doesn't know that Shen Ning has been forced to sign the contract by Lan Feiyun's mother and daughter. Shen Ning dare not say it at all. If he finds out, he will definitely die of anger.

"Shen Ning, who asked you to call?" Before Shen Ning finished talking on the phone, Shen Mei walked over aggressively and reprimanded her harshly.

Shen Ning had no choice but to hang up the phone and walked towards the coffee bottle.

Chapter 164 Now Mommy has become a bear

"Shen Ning, who asked you to wear this dress? Do you deserve it? You used Tintin to make trouble in front of Zhen Ting and make a show of it. Do you think you can remarry Zhen Ting by doing this? You know that Zhen Ting is not I love you, and you are still close to Tintin, what on earth do you want to do?" A picture of Li Zhenting holding Shen Ning's hand flashed in Shen Mei's mind, and the anger burst out.

Shen Ning bowed his head while making coffee, but did not speak.

"Shen Ning, I warn you, stay away from Ding Ding, stay away from Zhen Ting, you'd better find a way to leave here immediately, otherwise, I will make Ke Ke disappear." Shen Mei grabbed Shen Ning's arm hard When she said the last sentence, she followed Shen Ning's ear and gritted her teeth.

Shen Ning cried out in pain.

"Stop." Just then, there was a stern voice.

Shen Mei's face changed color, and she immediately let go of her hand, holding Shen Ning's arm with a smile on her face: "Sister, I was just kidding with you, don't worry about it."

She immediately turned around and smiled: "Auntie, do you have coffee?"

Li Wanqing had a serious face, and said in a serious voice: "Shen Mei, Shen Ning is my ex-daughter-in-law and my grandson's psychological tutor. She is not only qualified to wear any clothes, but also qualified to live here. She has lived here for two years. For many years, we have worked hard to take care of our family. There is hard work without credit. This villa was originally intended to be given to her by our two elders, and will be given to her in the future, so it is no problem for her to live in her own place."

Shen Mei's eyes widened, her face turned pale.

This villa is going to be given to Shen Ning?

What about her, what else?

You must know that in the imperial capital, Yunhuju is a single-family seaside villa with such a geographical location, and the decoration is so luxurious. Everywhere here is "expensive", and it is the most valuable one in Li's Castle. , the house price is impossible to estimate, and it is actually going to be given to Shen Ning.

This made Shen Mei's heart, liver and lungs feel distressed!

She also plans to hold a big wedding here!

"Shen Ning, take Ding Ding here with peace of mind. Don't worry about it. Sooner or later, this place will be yours. Ding Ding likes you, which is your blessing. In today's society, the atmosphere is getting lower and lower. It's hard for a wife to stay at home and keep discipline. Without the love of her husband, the mistress is arrogant and domineering, but you have to believe that you will pay off in the end, and we will not treat you badly." Li Wanqing patted the back of her hand.

Not to mention Shen Mei, even Shen Ning couldn't react for a while.

Li Wanqing actually wants to give this place to her, she is not dreaming.

Although Li Wanqing treated her fairly well, it wasn't so good.

"Auntie, thank you for your kindness. I am willing to take care of my penis. It is fine if I get paid, and nothing else is necessary." She smiled.

"You, you must listen to me for everything." Li Wanqing walked away with a smile, and did not wait for Shen Ning to speak again.

Shen Mei was beaten up by the man with the gun and the stick, she was so angry that her face turned pale, and she ran out angrily.

"Yeah, grandma is so powerful and domineering, she made the ugly witch's face turn white." Ke Ke and Xiao Xiao clapped their hands and cheered, smiling like chrysanthemums.

"Grandma is really a hero I admire, and now Mummy has become a bear." Coco was very dissatisfied with Mummy's performance.

Mommy was taught by the ugly witch, why didn't she know how to resist, why should she be scolded by her!

Ke Ke really can't figure out what's wrong with Mommy!

After a while, the sound of fireworks sounded outside, and it seemed that it was time to celebrate Shen Mei's birthday.

Shen Ning picked up the coffee machine and walked towards the service area.

Coco and Xiaoxiao followed suit.

In the VIP area, the fireworks are bright and lively.

The red carpet stretches all the way to the beach.

Shen Mei stood beside Li Zhenting in a noble and gorgeous dress, with a coquettish smile all over her face, like a blooming peony, extremely dazzling.

Everyone is setting off fireworks and playing around.

Chapter 165 We want to expose her

Li Zhenting played with Shen Mei for a while, but felt bored, and walked towards a white chair by the beach.

A particularly delicate and elegant young man in a red suit with an exploding chicken coop head walked towards him with a twisted water snake waist.

"Cousin, is that the ex-cousin-in-law?" Li Zhijun's eyes kept falling on Shen Ning who was standing over there, his peach blossom eyes sparkled and he was smiling.

Li Zhenting glanced at Shen Ning lightly, then looked at Li Zhijun: "Where is Huixian, why don't you bring her here?"

"Well, we're already divorced." Li Zhijun's eyes still fell directly on Shen Ning's curvaceous Ana's figure, and he swallowed, "The ex-sister-in-law is so beautiful, cousin, she's not your woman anyway. , I'll try it."

He twisted the waist of the water snake and walked towards Shen Ning.

Li Zhenting's eyes turned cold, and the corners of his lips were pursed with cold air.

"Ning Ning, it really is you." Li Zhijun's peachy eyes moved directly in front of Shen Ning, his eyes narrowed.

Shen Ning was taken aback, and when he saw that it was Li Zhijun, he smiled: "Zhijun, hello, where is Huixian."

"Ning Ning, you are getting more and more beautiful." Li Zhijun's eyes pierced her body back and forth, and he didn't have the heart to answer her words at all.

Shen Ning shook his head. This little cousin has always been unreliable. He heard that he was going through a divorce a few years ago, so he doesn't know what's going on now.

After talking to him a few words, she walked to the side, but Li Zhijun was like a brown candy, he followed her wherever she went.

"Xiaoxiao, that ugly witch is going to play the piano later." Under the tree, Coco and Xiaoxiao gathered their heads together and were counting.

"Hmph, she must not play as well as Mommy, she just wants to show off." Xiaoxiao said disdainfully.

"That's right, she doesn't know how to play at all, so she prepared a set of pianos outside, but let Mommy sit inside and play, she's just pretending." Coco was very angry.

Just now, Ke Ke had found out the news from Butler Luo, and was so angry that she didn't even eat the delicious snacks.

"Oh my god, it's too hateful, no, we have to expose her so that she can't pretend, and then let Mommy play it for everyone to let them know how good Mommy is." Xiaoxiao hated her teeth itching.

"Well, so, let's find a way to let everyone see the true face of that ugly witch." Coco's eyes were full of anger.

It turned out that Li Zhenting liked to listen to a difficult piano piece, Moonlight, and Shen Mei practiced for a long time to cater to him, but she couldn't learn it. She knew that Shen Ning was proficient in this piece and played it very well, so she wanted to let Shen Ning today Wan played a song behind the stage, while she sat in front of the stage and made a show, making Li Zhenting think it was her who played it.

I just didn't expect that when Housekeeper Luo found out about this matter, he felt sorry for Shen Ning. It happened that Ke Ke went to him, so he told Ke Ke about it.

He thought that young master Ding Ding would definitely tell the young master when he knew about it. Children, he will not lie, so that the young master can believe it. In this way, it is tantamount to expressing his anger for Shen Ning.

"Guests, please bring some good wine. I will play a piece of 'Moonlight' for everyone to help you enjoy yourself. I wish you all a good time." Soon, Shen Mei picked up the wireless microphone, and her sweet voice wafted in the night wind .

"Okay, okay." Everyone raised their red wine and shouted against the wind.

Shen Mei smiled, bowed deeply, and walked towards the piano.

Her ten fingers landed on the pure white piano, and the notes just poured out, like the sound of nature, winding and twisting.

Everyone fell silent and forgot to drink the fine wine they were holding.

Li Zhenting moved his ears and sat up straight with surprise on his face.

This piece is Xiaofeng's favorite. When he was hospitalized, she played it to him many times, which made him see the light in the dark.

There was a look of emotion on his face.

While everyone was fascinated by listening, suddenly, a small figure ran towards Shen Mei.

Chapter 166 It depends on her mood

"Mum, I have something nice for you, come with me." Coco ran up and said to Shen Mei sweetly in a milky voice with a smile on her face.

Shen Mei was pretending to be playing, and from time to time, she gave Li Zhenting a charming look. She could see tenderness slowly surging in the man's black pupils, and she couldn't help it. He would announce their wedding date in a while, and the other side had already come. For many reporters, it will be difficult for him to repent.

But unexpectedly, Ding Ding ran over at this time.

She immediately smiled at Ding Ding, and winked at him, motioning him to leave and not to disturb her.

But Ding Ding blinked his big eyes as if he couldn't understand, instead he went up and took her hand, and said sweetly: "Mum, I prepared a birthday present for you, come quickly, come with me."

After speaking, it doesn't matter whether she agrees or not, just drag her hand and leave.

Although Ke Ke is only five years old, he has practiced Yiquan and has great strength.

As soon as he exerted force, Shen Mei's arm was dragged away from the piano by him, and she was wearing slender high-heeled shoes. When she left the seat, she tilted her foot and fell to the ground.

Everyone was dumbfounded.

I was thinking that the piano would stop.

Then something strange happened.

The beautiful piano sound not only did not stop, but became more impassioned, like a song like weeping.

After staying for a while, everyone understood.

It turned out that Shen Mei was faking the bomb.

But the piano music was so good that everyone forgot to expose Shen Mei.

Li Zhenting stood up obsessively.

Xiaofeng, it's you, it must be you!

He got emotional and ran backstage.

Shen Ning was playing ecstatically, and some beautiful pictures appeared in her mind little by little. Suddenly, her head hurt so badly!

Just as Li Zhenting ran to the backstage following the sound of the piano, the sound of the piano stopped abruptly.

Shen Ning put his head in his hands and closed his eyes in pain.

"It's you? Why are you here?" Li Zhenting walked into the backstage and saw Shen Ning sitting on the chair in front of the piano with his head in his hands, with a painful face, he couldn't help asking in surprise.

Shen Ning's eyes went black for a while, and stars shone brightly. After a while, he stood up and ran outside.

Li Zhenting looked at the piano stand, and when he saw the loudspeaker, his face was as dark as the sea, and he turned and walked outside.

"Hey, why did the piano sound stop?"

"It's so nice, who is playing the piano?"

"It must be the master, let her continue playing."

...

Everyone recovered from their intoxication and started talking about it.

"I know who it is." At this moment, Coco showed a charming smile and shouted loudly.

"Hey, young master Ding Ding, who is it?" Everyone looked at the cute and playful little guy and asked with a smile.

"It's my psychology teacher, Ms. Shen Ning." Coco picked up the microphone with a very sweet voice, and replied loudly, "She is beautiful and gentle, kind-hearted, versatile, and wonderful."

"Really, can you please ask her to continue playing it?" Everyone was cute by Ke Ke, and asked in unison with smiles.

Ke Ke raised her immature face and replied arrogantly: "It depends on her mood. After all, ordinary people can't hear such a difficult piece of music. If you want to hear it, you have to go to the theater, and you have to listen to it." Gotta make an appointment."

"It turns out that Young Master Ding Ding's psychology teacher is so powerful, so can you go coax her and let her continue playing for us." Everyone teased him again.

Ke Ke is very serious: "A gentleman can do whatever he wants, and I can't force others to do what's difficult for him."

"Haha." Everyone was amused by Ke Ke, "Master Ding Ding is so cute."

At this moment, Li Zhenting walked over through the crowd, his face was ugly, and his body was full of gloomy and unpredictable coldness. The air pressure suddenly rose, and everyone stopped laughing.

Chapter 167 is really despicable!

"Zhen Ting." Shen Mei stood up tremblingly with her feet supported, and Li Hua looked at him with rain on her face, with a coquettish and flattering expression on her face.

But Li Zhenting didn't even look at her. He took the wireless microphone from the side, and his magnetic voice was deep and solemn, with a unique majesty and domineering: "Ladies and gentlemen, today's banquet is over, thank you for coming."

Is this the end?

Shen Mei's face was pale.

The climax of her birthday party is yet to come.

Originally, she wanted to move Li Zhenting into a tender and affectionate network after playing this piece, and then naturally announce their wedding date to the outside world. She invited many reporters to be present for this purpose.

but did not expect

Ding Ding suddenly appeared and ruined everything.

"Zhenting." She looked at Li Zhenting with tears in her eyes.

But Li Zhenting just took Ding Ding's little hand and walked outside.

Shen Mei looked at Ding Ding's back, pierced her palm with her fingers, and a sinister cold light shone in her eyes.

This little guy has repeatedly sabotaged her good deeds, which is too hateful. If it weren't for him today, she should be the happiest woman in the world now.

Her whole face is blue.

Here, Shen Ning ran under the grape arbor in the garden and sat with his head in his hands for a long time before waking up.

When she just played the piano, she had hallucinations and a severe headache.

She doesn't know why!

But she is very sad, very painful!

After sitting there for a while, she walked outside.

"Hurry up, I can't wait, I'm going to die." As soon as he walked to a dark corner by the swimming pool, Shen Ning suddenly heard the sound of a young man panting.

"Hey, what's the rush, I'm not in the mood yet." Soon, the coquettish voice of a woman came over.

Shen Ning was shocked. At this moment, there are still men and women having fun here. It's amazing.

And this woman's voice is very familiar, who could it be?

She paused.

At this time, the man suddenly gasped and asked again: "Little fairy, when will you transfer that villa to my name so that we can get married."

"What's the hurry, that dead old man Shao Wenbo is wary of me now, and is always on guard against me, just wait a little longer, little boy." The woman gasped and said, "I won't leave until I empty out Shao's." Cheng, let's have fun in time."

Shen Ning was so shocked that his face turned pale.

It turned out to be that **** Wu Lili.

It's okay for her to have an affair with Xiaobailian behind her second uncle's back, but she even wants to conspire with Shao's family property, how despicable!

She got hot-headed for a while, rushed over and shouted: "Wu Lili, you really did all kinds of bad things, and you actually did good things here. See if I don't tell uncle."

"Ah." The men and women who were having **** screamed in fright, and each sat up, looking for clothes in a panic.

Shen Ning picked up his phone and took a picture.

"Bitch, it's you, looking for death." Wu Lili took a bath towel to wrap her lower body and ran out to see that it was Shen Ning, so she rushed up and called her.

Shen Ning fought back, and the two hit each other a few times. At this moment, the man ran out wearing a bath towel. When he saw Shen Ning, his eyes showed fierceness. He rushed over to grab her and threw her into the swimming pool.

Since she fell into the water six years ago, Shen Ning has always been very afraid of water. She is not used to water, so she drank several sips of water when she fell into the water.

"No, someone fell into the water." Fortunately, there were still people by the pool who hadn't had time to leave, and hurriedly shouted.

Chapter 168 How did you suddenly fall into the water?

Shen Ning splashed a few times in the water, and then there was a bang in his head, and there was a violent explosion in his ears, and his consciousness gradually became dizzy.

The water area where she fell into the water is a deep water area. Relatively speaking, there are relatively few people. This is the reason why Wu Lili and Xiaobailian can have an affair here.

"Ning Ning." Li Zhijun was the first to come over, and he jumped into the swimming pool.

In fact, Li Zhijun's eyes have always been on Shen Ning, and he has been guarding outside since she went in to play the piano, but when she ran out, he was dragged away by a buddy, so he couldn't find Shen Ning for a while. Where did he go? When he was searching everywhere, he heard someone shouting for falling into the water. When he ran over immediately, he heard Shen Ning's voice calling for help.

He recognized Shen Ning's voice immediately, so he jumped down immediately.

When Li Zhenting rushed over, Li Zhijun just jumped into the water.

It was just a swimming pool, and he stood by the pool and waited for him to pick him up before helping him.

I didn't expect this pustule. When I jumped into the deep water, my leg cramped suddenly and I screamed for pain inside.

Seeing that something was wrong, Li Zhenting immediately took off his coat and jumped down.

"Hurry up, save Shen Ning, she has passed out." Li Zhijun endured the pain and swam towards the railing, shouting at him.

Shen Ning?

Li Zhenting was stunned when he heard that, why did this woman fall into the water suddenly when she was doing well.

He plunged into the water, and soon saw that Shen Ning was lying under the water, and had already passed out.

"Dead woman." He cursed, swam towards her quickly, picked her up, and swam towards the shore.

"What's going on here." Several guests who hadn't had time to leave looked at Shen Ning who had fainted in surprise and asked in bewilderment.

Everyone shook their heads.

As soon as Li Zhenting came ashore, he put Shen Ning's abdomen on his knees, clasped her back heavily, and poured out a lot of water in her stomach.

gave her artificial respiration again, and didn't hold her until her face was less purple, and then rushed to the hospital with her in his arms.

"Brother, what should we do? Mommy fell into the water." Xiaoxiao burst into tears in anxiety.

"Don't be afraid, Daddy has rescued Mommy and sent her to the hospital, everything will be fine." Coco patted Xiao Xiao on the back to comfort her.

"Who pushed Mommy into the water?" Xiaoxiao asked angrily.

"I don't know yet, but Daddy will find out sooner or later." Coco held her little hand and said, "Let's go home quickly and see Mommy tomorrow."

Today's dinner party plans have been disrupted, and that's enough!

The two little ones took advantage of the chaos and walked outside, and went out in a sightseeing bus.

The night was dark.

In the ward of the hospital, Li Zhenting was answering the phone.

"President Li, through surveillance, Wu Lili brought a man in tonight. The two of them were having **** by the pool in the deep water area, and Shen Ning discovered them. They fought, and then the man threw Shen Ning into the water. "Leng Xue reported over there.

A cold light flashed in Li Zhenting's eyes, and he ordered: "Notify the housekeeper, from now on, that woman Wu Lili will not be allowed to enter Li's Castle, and whoever lets it in will get out."

"Okay." Leng Xue agreed, then asked after a pause, "President Li, do you think you want to call the police and arrest that man?"

"No need." Li Zhenting pondered for a while and said, "It's just a swimming pool, so what if it is found, the swimming pool is for people to go swimming, and he didn't know that Shen Ning was afraid of water and couldn't swim, so he couldn't be held accountable for many crimes , but made it known to the world."

"Okay." Leng Xue heard the words and hung up the phone.

Li Zhenting turned around.

Shen Ning was lying on the hospital bed, his face was pale, his eyebrows were tightly knit, and his face was full of pain.

Chapter 169 Her weakness

Li Zhenting's heart throbbed inexplicably, and the beautiful moonlight piano music rang in his ears, and a cloud of suspicion filled his eyes.

Shen Ning can play that piece!

That piece of music is quite accomplished, and it is difficult for people with little knowledge or talent to learn it.

In his impression, Shen Ning has always been an extremely ordinary woman. He has never heard that she can talk about piano, which is really unexpected to him!

Ge Di

She felt that this woman, Shen Ning, was like a deep and calm pool, nothing could be seen on the surface, but in fact, there was a hidden vortex in the inner bottom, and there seemed to be many secrets hidden all over her body.

This made him inexplicably interested, wanting to unravel the mysteries about her one by one.

"Don't, bitch, don't hurt me." Suddenly, Shen Ning clenched the clothes on his chest with both hands, and cried out in pain.

He was taken aback.

"Don't kill me, please don't kill my child." She suddenly cried again in her dream.

Li Zhenting froze for a moment.

The dead woman even talked about the child in her nightmare.

Does she have children? This is because the child wants to go crazy!

But no matter what, the woman's thin body and painful expression made his heart twitch, and he couldn't help stroking her face with his fingers, trying to soothe the pain on her face.

Sudden

With a "slap", Shen Ning actually sat up and raised his hand to slap him hard.

Li Zhenting was stunned by the beating, and when he came to his senses, he was so angry that he almost jumped up.

This woman dared to hit him!

When he raised his hand and was about to slap her back, he saw the woman plunged into the abyss of pain again, crying continuously.

"Dead woman." He withdrew his hand and cursed bitterly, "I'll settle the score with you after you wake up."

He touched his face and left angrily.

Shen family.

"Mom, Shen Ning and Ding Ding interrupted my good business again today. If this continues, it is impossible for Zhen Ting to marry me." Shen Mei cried loudly in anger.

"You, it's really not enough to achieve success, but more than failure. Why do you want Shen Ning to play that broken piano for you? It's completely unnecessary." Lan Feiyun never thought that this stupid daughter would make a big mess. At this scene, I was really angry and hated.

"Mom, Zhen Ting likes to listen to that song. If I can play it to him, he will definitely fall in love with me, so I won't be afraid of anything." Shen Mei wiped her tears with a tissue, sobbing.

Lan Feiyun stomped her feet angrily: "My little ancestor, you let Shen Ning replace you this time, so what if he asks you to play for him next time? You can't go to Shen Ning every time, right? You can't be fake, and he will fall in love with you with this song? You are so naive, I told you a long time ago, only when you are pregnant with his child, he will truly love you, other love What, it's all a lie, why do you always add superfluous things."

Shen Mei wiped her tears and stopped talking.

"Mom, what should I do next?" She asked worriedly after a while.

"From now on, we can only make a fuss about the children." Lan Feiyun said wisely.

"That little **** Ding Ding makes trouble every time, I deal with him first." Thinking of Ding Ding, Shen Mei's eyes were full of anger.

"No." Lan Feiyun shook his head immediately, "Ding Ding is the young master of the Li family. If something happens to him, we have to face Li Zhenting. With his wrist, he can find us out in minutes, but if it is Coco Well, that's not so good, the most important thing now is to force Shen Ning away, let her leave the imperial capital forever, leave Li Zhenting, this is the key, so Coco is her weakness."

"Yes, that's right." Shen Mei nodded in agreement.

The darkest hour before dawn.

Shen Ning suddenly opened his eyes.

She sat up, her eyelids twitching.

Chapter 170 And that slap in the face!

"Aunt Dong, let's clean things up and get out of here." Shen Ning rushed home by taxi and woke up Aunt Dong.

Aunt Dong asked in surprise: "Miss, what happened? Where can we go in such an early morning?"

"Yes, Keke is in danger now, let's go first, I have booked an apartment on the outskirts of the city." Shen Ning said hurriedly and began to pack his things.

Aunt Dong realized the seriousness of the matter after hearing this, and started to get busy without asking any further questions.

Half an hour later, Shen Ning woke up Ke Ke and Xiao Xiao.

"Mommy, it's still dark outside, where are we going?" She couldn't open her eyes, and asked in a sleepy way.

"We are moving, to the suburbs." Shen Ning kissed her on the face, and hugged her up.

The little guy is fleshy and soft, and has healing powers. Shen Ning's heart is warm.

As long as the children can stay by her side safely, she will not be afraid no matter how tired or hard they are.

Ke Ke is okay. I heard that they are going to the countryside, and I am quite happy, busy helping to pack their luggage.

After a while, the family of four disappeared into the pre-dawn fog.

Nine in the morning.

Li Zhenting is looking at the data and correcting documents in the office.

The phone rang.

The call is from Tintin.

"Daddy, is Teacher Shen feeling better today? Did you go to see her?" Ding Ding was worried about Shen Ning, after all, she fell into the swimming pool and passed out last night.

Li Zhenting was taken aback. This kid really cared about her, but I didn't see him caring about him.

"She's fine." He said lightly.

"Then did you go to see her?" Ding Ding was worried, and asked again in a childish voice.

Still looking at her? Li Zhenting couldn't help being furious, she slapped her inexplicably in the hospital last night, it was he who saved her, why should he be slapped by her? He also asked him to visit her, which was very beautiful.

However, he paused and said, "Boy, I've already read it, so you can go to school with peace of mind."

"Okay, thank you Daddy." Ding Ding hung up the phone very politely.

Li Zhenting was taken aback, this little **** is usually stinky, but today he is quite polite.

He suddenly couldn't sit still.

Why don't you go to see Shen Ning, I'm really sorry for my son's politeness, after all, the child cares about Shen Ning very much, it's too ungrateful to lie to a little guy.

Besides, he doesn't seem to reject seeing her, not to mention the slap in the face!

He stood up, took the briefcase and strode out.

But when he rushed to the hospital, Shen Ning was long gone.

She has been discharged from the hospital!

Damn woman, remember that slap first, I will settle with you then!

He cursed bitterly and left.

Shen family.

"What did you say? Shen Ning moved?" Lan Feiyun was shocked for a while.

"Yes, we didn't wait for Ke Ke to come to school when we went to Lantian Kindergarten today. Later, we went to Zhengsheng Apartment and stayed there until the afternoon. We didn't see anyone from Shen Ning's family come out. Finally, we asked the property management, only to find out that Shen Ning had died early in the morning. Checked out." A middle-aged man over there replied.

"So what if you check out, unless she leaves the imperial capital and never comes back, otherwise, I will find her and her son." Lan Feiyun sneered, and ordered, "You guys follow up carefully, and report to me immediately if there is anything, money not a problem."

"Yes, Mrs. Shen." The other side hung up the phone.

"Mom, where did you say this ***** moved?" Shen Mei heard that Shen Ning had moved away, she was very nervous for a moment, and asked with a frosty face.
