

Troublemakers 201

Chapter 201 You must be well

Li Zhenting was still about to get angry, but his son's sleepy voice came from next to his ear, and the anger was forced to subside.

"Okay, you go home first, Daddy will be back soon." His tone softened, he hung up the phone, and jumped into the car.

only

He felt something was wrong in his heart, and he couldn't tell what was wrong.

"Ding Ding, from now on you have to listen to grandma and daddy more, study hard, Mommy will come back to see you in the future." When getting out of the car, Shen Ning hugged Ding Ding and rubbed her tears again, Ke Ke was her son, and so was Ding Ding. , she is reluctant to part with one.

"Mummy, don't worry, I will take care of myself." Ding Ding was in a sad mood, Mummy was going to take Coco, Xiaoxiao left here, and from then on, only him was left here, his eyes were red.

But he couldn't make Daddy fall in love with Mommy, let alone not marry that ugly witch. For the safety of Coco and Xiaoxiao, Mommy had to take them away.

He must face it with strength! He is a sensible boy, a good boy!

"Ding Ding." Shen Ning hugged the child again, hugged him heavily for a while, and then let go of him reluctantly, watching Li Zhijun drive Ding Ding away with tears in his eyes.

From now on, she will no longer go to Li's Castle to accompany him.

She really hates Ding Ding.

But what can be done, it is impossible for her to win back Ding Ding's custody from Li Zhenting.

"Mommy, Keke, I miss you." After the car drove out, Ding Ding suddenly opened the car window and stuck his head out. His mouth was curled up, his eyes were red, and he waved and shouted at them.

"Ding Ding." Shen Ning held back tears, and pressed his lips tightly, Ke Ke also shed tears.

"Ding Ding, I will miss you, you must be well."

Coco waved at him.

The car finally drove away.

Shen Ning immediately took Ke Ke's hand and walked towards a remote hotel.

"Aunt Dong, pack your things quickly and bring Xiaoxiao to the Xingyue Hotel. Coco has already been found. We will leave the imperial capital at dawn." After bathing Coco and confirming that the child was not harmed in the slightest, she was relieved. He sent Ke Ke to bed and went to sleep, while she called Aunt Dong.

Aunt Dong knew that the matter was urgent, so she immediately started packing her things after she agreed.

Shen Ning sat on the head of the bed, thinking of her grandmother Jun Meizhen.

After leaving this time, it may take many years to come back.

Then grandma...

She stood up and walked outside.

No matter what, before leaving, I want to see my grandma again, the dearest elder in the world.

In front of an old and majestic villa.

After Shen Ning got off the car, he walked slowly towards the house on the far left.

It is the bedroom of grandma on the south side.

She was standing by the door, and the night nurse came out and looked at her in surprise.

She explained her purpose, the nurse stepped aside, and she walked in quietly.

Jun Meizhen's complexion was sallow, her eye sockets were sunken, and her silver hair was combed neatly behind her head. She lay quietly and fell asleep.

"Grandma." Shen Ning couldn't help but shed tears.

After a long time, she stretched out her hand and gently adjusted the quilt for grandma, ready to leave.

"Ning Ning." Jun Meizhen suddenly opened her eyes.

"Grandma." Shen Ning immediately stepped forward and held her old man's hand.

"Ningning, you finally came to see grandma." Jun Meizhen smiled slightly, and said tremblingly, "There is something grandma wants to tell you, I hope it will not be too late."

She beckoned to her, and Shen Ning quickly moved her head closer.

"Son, don't take revenge, let's go, take your children away from the wrong place, live happily and happily, this is better than anything else, it's grandma's fault, she shouldn't have given those materials to you, let go Let's go, live your life well in the future, and bring up the children well."

Shen Ning stood there dumbfounded.

Chapter 202 They kidnapped your son

Li Zhenting rushed home angrily, but Ding Ding had already fallen asleep.

Looking at his son's sleeping soundly face, he felt an inexplicable warmth in his heart, and his anger also subsided a lot.

only

I feel very uncomfortable from the bottom of my heart.

Shen Ning's dead woman is really a depraved woman who doesn't know what is good or bad.

If it wasn't for his help tonight, her son would have been hacked to death by that black nine.

But after he came back from saving the child, she ran away with her son without even saying hello.

Who is this man!

Thinking about her, she is really his nemesis. Since her return, his life has been messed up by her, and Tintin has been seduced by her so that his six relatives don't recognize him.

It's okay not to see her, but I hope she will never appear in front of him.

He resentfully went to take a shower.

The sky is bright and foggy.

Didu Airport.

Shen Ning took Ke Ke, Xiao Xiao and Aunt Dong sat at Hou Airport.

"Mommy, are we leaving like this? Will we see Daddy and Tintin again in the future?" Xiao Xiao looked at Shen Ning sleepily and asked, his big eyes were full of disappointment.

Actually, she was reluctant to leave here.

After all, there is Daddy here, and she dreamed of having Daddy to accompany her since she was very young.

It's just that her father wants to marry that ugly woman, which makes her so disappointed.

"Yes." Shen Ning looked at the foggy sky outside the airport, and her heart was also foggy. Xiaoxiao and Keke are the descendants of the Li family. If the time is right in the future, when they grow up and have the ability to protect themselves, she will They will come back to recognize their ancestors, but not now.

And, Tintin...

When she thought of Ding Ding, her heart felt extremely uncomfortable.

If she didn't know before, she could still deal with it with peace of mind, but now that she knows about Ding Ding's situation, as a mother, she can't settle down.

Their leaving like this is tantamount to leaving Ding Ding alone to face that vicious woman Shen Mei, Ding Ding is only five years old!

This time, Coco was kidnapped. She believed that she must have something to do with the vicious mother and daughter, and hoped that the police could find out.

Her eyebrows were tightly knit.

Li's Castle.

Early in the morning, Ding Ding sat in a trance after getting up.

Mommy should have left the imperial capital with Coco Xiaoxiao.

How he wished he could go with them.

When Li Zhenting came out to wash up and saw his son listless, he thought it was because he slept too late last night and was out of spirits.

Some regret that yesterday's arrogant rejection of Shen Ning caused his son to follow them to suffer.

He simply asked Ding Ding to take leave of absence and asked him to rest at home.

After breakfast, he drove to Li's Group.

Ten o'clock in the morning.

He was working, when suddenly, the phone rang.

"Mr. Li, the two gangsters confessed last night that they kidnapped your son. Can you bring your son to the police station to make a record?" Captain Wang said politely over there.

Li Zhenting was taken aback when he heard that, and immediately said: "Team Wang, how could my son be kidnapped by the kidnappers? Last night, I was worried that a four or five-year-old child would be kidnapped by the kidnappers. Those who help out of a sense of justice have nothing to do with my son."

Wang Dui frowned over there: "But the criminals kept saying that it was your son they kidnapped."

After finishing speaking, he told the story of the gangster.

Li Zhenting laughed dumbfounded when he heard this: "Team Wang, those two gangsters were so smart that they believed a four or five-year-old kid's lie, so would you believe it too? Obviously, this is just an idea that the little guy came up with when he was in danger. It's just a way to save yourself."

Chapter 203 is definitely not

"Sorry to bother you." Wang Dui also found it ridiculous, "I also heard from the criminal that the little guy looks very similar to you, so I thought what they said was true, so I came to ask, if I don't hang up first gone."

"Absolutely not." Li Zhenting answered affirmatively and hung up the phone first.

After hanging up the phone, his face was gloomy.

Shen Ning, you are a bitch! Even the children you give birth to have the same virtues as you.

In the past, you tried every means to marry me, but now, you have a child with another man, and when you are in danger, you actually instigate your child to say that it is my son.

Do you really want to get involved with me that much!

How could my child be so clever that he would be taken away by the bad guys. If the bad guys told him to go out to get the car, would he go out? Only a woman with an IQ like yours can raise such a stupid son.

The more he thought about it, the more angry he became, and he took a sip of the water cup resentfully.

But as soon as I drank it, my tongue was so hot that I spit it out.

It turned out that the secretary had just come in and added boiling water to his teacup.

He became more and more annoyed, stood up and walked to the floor-to-ceiling windows.

Outside, the blue sky and white clouds, the wind is clear and the air is refreshing, and it is too beautiful to behold. He took a breath, and suddenly felt that he was angry with a five-year-old kid.

He shook his head and walked back again.

But after sitting down this time, he no longer has the mind to work.

From time to time, the figure of the little guy from last night flashed in my mind.

Last night, the little guy spun his legs twice in a row, turned around in mid-air, hit the gangster's vital point, landed firmly and escaped. That series of movements was beautiful and neat, and it was indeed a good skill.

Generally, it is very difficult for a child of four or five years old to have this kind of skill.

At least this little guy has practiced the martial arts since he was a child.

And in that situation, if he was caught by the gangsters, other children would probably pee their pants in fear, but he was not afraid of the danger and fought the gangsters, showing a rare wit and calmness.

To be honest, if it wasn't for his initiative to break through last night, the confrontation would have lasted for a long time, and no one knows what the final result will be.

From this point of view, Shen Ning still raised a good son.

He had to admit.

But last night was pitch black and the situation was so critical, he couldn't see the little guy's face clearly at all.

Not to mention, the little guy's body is somewhat similar to Tintin's.

He took the briefcase and walked outside.

On the street, Li Zhenting drove a Rolls Royce blankly in the traffic with a blank expression on his face.

After a while, the car stopped.

He looked up, and the word 'Gu Qi' appeared in front of him.

He actually drove to the Gucci Perfume Group, his face darkened, his cold eyes fixed on the word 'Gucci' in a daze.

suddenly.

Gucci lobby exit.

A fair-skinned and beautiful guy with a colorful chicken head and a red casual suit walked out of it.

Isn't this Li Zhijun!

With a flash of light in his eyes, he immediately opened the car door and got out.

"Li Zhijun." He shouted in a low voice.

Li Zhijun was staring at a **** and **** woman next to him in revealing clothes. He was shocked by Li Zhenting's drink, and when he turned around and saw that it was Li Zhenting, he immediately turned around and left.

"Stop." Li Zhenting rushed up and grabbed him.

"Cousin." Li Zhijun could only smile bitterly at him.

"What are you doing here? Who told you to drive the car away last night?" Li Zhenting asked angrily.

"Cousin, didn't you hear that Ding Ding is going to sleep, I sent him back specially." Li Zhijun smiled, looked at him suddenly and asked, "Why are you here? Could it be, you Are you here to find your cousin?"

"Bah, does she deserve to be your cousin?" Li Zhenting gave a cold bah and spoke disdainfully.

Li Zhijun shrugged.

Isn't Shen Ning worthy, she is very worthy, I'm afraid you are not worthy of her, you will regret it in the future, and the slap in the face will be loud!

Chapter 204 The news I fear the most

"What's she doing up there now?" Li Zhenting asked with a dark face, trembling all over his body.

Li Zhijun chuckled: "She's not here. Maybe she was frightened last night and took care of the child at home."

"So, you are very familiar with her family." Li Zhenting asked coldly, "Where does she live now?"

Leng-Blood learned that she had moved the last time she investigated.

"No way, I didn't know where she lived, so I came here early in the morning to see if her child was frightened last night." Li Zhijun immediately explained with a bitter face.

"Huh." Li Zhenting snorted coldly, "This kind of woman is not worth helping. I helped her rescue her son last night, but she didn't even say a word of thanks, and even instigated her son to tell the gangster that he is my son. It's too much."

Li Zhijun was taken aback when he heard that, but that little guy actually told the criminals last night that he was the son of Li Zhenting, that's very smart! At least he can use his name to protect himself, not bad!

"Cousin, the kid said last night that he is your son. That was just casually. It's no wonder Shen Ning instigated it. She definitely didn't know that her son would be kidnapped." He giggled.

Li Zhenting rolled his eyes at him, there is no need for him to say that, he just didn't like Shen Ning.

"By the way, cousin, what would you do if you really had a lovely son outside?" Li Zhijun suddenly smiled and asked seemingly indecently.

Li Zhenting rolled his eyes at him again: "You have watched too many TV series! Can I still have my son outside!"

He turned and walked towards his luxury car.

"Cousin, what if?" Li Zhijun chased after him and asked.

"Then do you still need to ask? Of course my son has to come back and I will raise it myself. How could our Li family's seed be left outside." Li Zhenting gave him a hard look, he could ask such an idiotic question, It's really stupid to follow Shen Ning.

Li Zhijun retracted his head and sighed secretly.

It seems that Shen Ning is right!

This guy is domineering and domineering, and he is very unfriendly to Shen Ning. If he knows that Ke is his son, will Shen Ning still have any hope.

He secretly rejoiced that he didn't tell Shen Ning's secret on impulse, and felt very sympathetic to her in his heart.

"Cousin, I'm leaving now. There are still several buddies waiting for me." Li Zhijun shook his hand and walked towards his luxury car with a smile.

"Seldom come here to look for her and stay with her less." Li Zhenting looked at Gu Qi coldly again, and ordered angrily.

But Li Zhijun had already gotten into the car, so he couldn't hear him at all.

He shook his head, and when he was about to walk towards his luxury car, suddenly, his cell phone rang again, and he immediately picked it up.

Didu Airport.

"What did you say? Today's flight was cancelled?" Shen Ning asked in surprise as his face changed color.

This was the news she was most afraid of hearing.

At the beginning, she took Ke Ke, Xiao Xiao and Aunt Dong waited at Hou Airport for nearly three hours, because the weather was too smoggy and the flight was delayed.

She thought it would be better after the sun came out.

Unfortunately, today is a cloudy day, the sun only came out for a short while, and the smog did not dissipate. The remaining flight attendant could only tell her that the flight was cancelled.

They were arranged in the hotel provided by the airport.

Shen Ning had no choice but to take them to the hotel with a heavy heart.

"Miss, why don't you go to Belvedere instead? My natal family has a house in the countryside of Belvedere. The air there is good and it's suitable for living. Let's go there for a while to avoid the limelight." Aunt Dong suggested.

Chapter 205 Find a way to escape yourself

"It's okay, I'll change the ticket later." After staying in the hotel arranged by the airport, Shen Ning followed Aunt Dong's advice and planned to change the ticket to Belvedere.

Belvedere is warm like spring all year round, with a pleasant climate and suitable for living.

She took out her mobile phone to change the ticket, and when she turned around, she saw Ke Ke and Xiao Xiao were lying on the bed and fell asleep. The two little guys' fleshy bodies were close to each other, and their little hands were still on Ke Ke's chest. The closeness of the two siblings made the corners of her lips curl up slightly.

The children were too tired. They had been tossing so late last night, and they were woken up early this morning by her. They were very sleepy when they were just at the airport.

"Aunt Dong, let's take a rest too." Ke Ke was kidnapped yesterday, and Aunt Dong was worried all day long, and she didn't have a good rest. Now she felt relieved, and she went to sleep with peace of mind.

After changing the ticket, Shen Ning fell into a deep sleep.

At some point, her cell phone rang in a hurry.

"Hello." She answered the phone vaguely.

"Ning Ning, where are you?" Li Zhijun called, and his tone was urgent and solemn.

Shen Ning suddenly opened his eyes.

It is no small matter that can make Li Zhijun, who is doing nothing, serious.

"What's wrong? Zhijun." She asked in a hoarse voice.

"Ning Ning, that **** Li Zhenting is arresting you all over the city, you should find a way to escape yourself." Li Zhijun said anxiously, "I can't help you this time, you can ask for more blessings."."

After speaking, he hung up the phone hastily.

"Hello, hello..." Shen Ning jumped up, and hurriedly shouted on the phone.

But the guy who is afraid of death can't even get through the phone.

Shen Ning was completely panicked, and his rationality was instantly cleared up.

Why did Li Zhenting arrest her in the whole city? Could it be because Coco's secrets were leaked? He already knew that Ke was his own son?

Not right.

Last night, Li Zhenting must have not seen Coco's face, otherwise, he would have driven to catch up.

Then what happened to make this **** come after her?

Could it be that the two kidnappers confessed last night, but Li Zhenting is so conceited, would he believe the words of the two gangsters? Even if the gangsters confessed, they must have evidence.

While she was at a loss, the phone rang suddenly.

She looked down, and her heart almost jumped out of fright.

On the screen, the three big characters of "Li Yan Wang" shone brightly, and she seemed to see a face that was so angry and smoldering that it was showing its wolf-like fangs to her.

She was so frightened that her hands shook and she hung up the phone.

Panic, fear, anxiety began to spread...

Ge Di

Her heart almost stopped.

I saw the Imperial Capital News Online.

A large photo appeared in the most prominent position on the front page headline.

In the photo, the vicious robber is holding a child in both hands, and Li Zhenting is in a tense confrontation with the kidnapper.

That child is Coco.

What made her even more crazy was that Coco's small face was brought into a big close-up, which was put together with Li Zhenting's face.

They are exactly two identical faces.

The news of 'the son of the richest man in the imperial capital was kidnapped' was everywhere.

Shen Ning fell to the ground.

Last night, there were even paparazzi following her... Now everything has turned into the worst possible ending.

"Aunt Dong, wake up quickly." With a pale face, she woke up Aunt Dong, and briefly explained the current situation.

"Oh my god, what should I do?" Aunt Dong instantly became nervous.

"Aunt Dong, don't be afraid, how about this, you take Xiao Xiao out of here immediately, find a place to live first, and we will contact you later." She quickly made a decisive decision.

Xiaoxiao hasn't been noticed yet, and she looks like her, so she won't attract attention.

Aunt Dong can leave with Xiaoxiao in a big way.

In this way, at least she can still have a daughter to accompany her, and she will not lose all of them.

Chapter 206 Do you have an illegitimate child outside?

"What about you?" Aunt Dong asked anxiously.

"Don't worry, I have my own way to deal with Li Zhenting." Shen Ning forced a smile, Li Zhenting's gloomy face flashed in his mind, and he couldn't help shivering.

Aunt Dong sighed: "What a crime."

They woke up Xiaoxiao.

Xiao Xiaoyi burst into tears immediately when she heard that she was going to follow Grandma Dong and separate from Mummy and Ke Ke.

Ke Ke was woken up by her crying, got up and figured out the reason, and clenched her fists angrily: "Hmph, scumbag, if you dare to bully my mommy, I will make you look good."

He then hugged Xiao Xiao and comforted her by her ear: "Xiao Xiao, don't cry, I promised you, no matter what happens in the future, I will never forget you and Mommy, don't worry, I will come to you as soon as possible With Mommy."

Xiaoxiao nodded after hearing the words while shedding tears.

Aunt Dong quickly took her away.

As soon as they left, Shen Ning felt much more at ease.

"Ke Ke, if you go to Li's Castle to live with Daddy in the future, you must listen to your grandparents and Daddy's words, love Tintin and protect yourselves, so that Mommy won't be so worried, understand? ?"

Shen Ning already had a premonition that he was going to lose Coco.

Coco's eyes were red: "Mum, don't worry, if I go to Li's Castle, I will definitely take you and my sister over there. I will never watch Daddy bully you, and I will never let him take it away." For my custody, I want our family to be reunited."

Shen Ning smiled and didn't speak. The children's world is too naive, and they can't understand the cruelty of reality.

She kissed Keke's little cheek, and slowly stood up to pack her things.

No matter what, she will try again. If she can escape, she will never return to the imperial capital with Ke Ke and Xiao Xiao.

*

But he said that Li Zhenting received a call from Team Wang again as soon as he got back to the car. This time, he told him clearly that according to the criminals, the little boy kidnapped by them looked exactly like him.

For a moment, he was shocked beyond comparison.

Just as he hung up the phone and was about to rush to the police station, a cold-blooded call came in.

"Boss Li, what a strange thing." This time, the usually calm Leng Xue screamed out there.

"What strange thing? Tell me clearly." Li Zhenting's eyelids twitched, and he shouted in a deep voice.

"Mr. Li, do you have an illegitimate child outside?" He hesitated in cold blood, and asked over there.

"Nonsense." Li Zhenting couldn't suppress his anger, and cursed angrily.

Others don't understand him, so how can he not understand his cold blood? He has a secluded attitude towards women, and never likes to mess around outside, let alone being so absurd that he keeps his own seeds.

"Then take a quick look at today's headlines. It's already on the hot searches. Last night, that little guy looks exactly like you. If it wasn't your son, I wouldn't believe it if he was killed." Leng Xue wondered over there. .

Li Zhenting immediately hung up the phone and turned on the phone.

In the headline hot search, a photo was quickly reposted by nearly a hundred thousand people, hotly discussing: Li Zhenting, the son of the richest man in the imperial capital was kidnapped by the bad guys.

However, this is just a relatively serious piece of news, and the headlines are only superficially true news, but the next few big Vs and trumpets all said that he had an illegitimate child outside.

Bagua news is most likely to be misunderstood and spread.

Not long after, the news caused a sensation in the whole city.

Li Zhenting sat blankly, for a moment it seemed like a dream.

Chapter 207 He has two sons!

"Shen Ning, how dare you play with me?" When Li Zhenting came to his senses, his first reaction was that Shen Ning played him.

He doesn't know anything about Coco at all, but she knows best in her heart.

She actually kept it from him and played him like a monkey. This damned woman is too hateful!

Some pictures began to flash alternately in front of his eyes.

Things that were once puzzling gradually became clear.

He suddenly realized, and quickly got out of the car and rushed into the Gucci Perfume Group.

But the lady at the front desk told him that Mr. Shen hadn't come to work for a week, and all the management here was handed over to Marley.

He turned and ran out.

Black Charm KTV.

Li Zhijun never dreamed that he was karaoke and playing mahjong with a few buddies when suddenly the door was pushed open with a bang.

As soon as he raised his head, Li Zhenting's gloomy face appeared in front of him.

not good! Something big happened!

He stood up and was about to flee, but was caught by Li Zhenting, caught him out, and threw him into the RV.

"Boy, how dare you lie and play me around." Li Zhenting held his right wrist with his left hand, twisted, with a ferocious face, and stepped on Li Zhiyuan's back with one foot, his tone was extremely cold.

Li Zhijun's face was stuck on the car floor, usually he cares most about his fair and beautiful face, but now he feels that life is worse than death when he is rubbed against the floor, he yells loudly: "Cousin, let go of me, I How dare I lie to you, it's too late to love you."

"Huh." Li Zhenting snorted coldly, "It seems that you will stop crying when you see the coffin."

With a big wave of his hand, he pulled a belt from the waistband of his trousers and lifted it up.

Li Zhijun Taohua saw a long leather belt raised in Li Zhenting's hand, he was terrified, and immediately surrendered: "Cousin, don't hit me, I am the only son of the Li family, if you beat me, what will happen to me?" , my aunt will not let you go."

"I'm telling you, I don't care if I'm going to clean you up, tell me what's going on with Shen Ning and Keke, otherwise I'll beat you to pieces, and I'll be responsible for what happens." Li Zhenting raised his belt and slapped his **** hard one time.

Li Zhijun immediately wailed and howled, telling all he knew with a high probability, except that Xiaoxiao was his own daughter. This was the last escape route he left for Shen Ning: Even if she lost her own son, she would not There is also a daughter accompanying her, which can be regarded as an explanation to her.

"Has the brat lied to me yet?" Li Zhenting saw that his tricks were pretty close to what he judged, so he believed it a little bit, but worried that the kid didn't make a clean move, so he raised his whip again. asked threateningly.

"No, definitely not." Li Zhijun raised his hands above his head and wailed loudly.

Looking at his timidity, Li Zhenting raised the corners of his lips slightly, dropped the whip, and strode out.

But this time, his face softened a lot, the corners of his lips were slightly raised, and the corners of his eyes and brows were raised with rare tenderness.

He actually has a son who is exactly the same, and judging from last night's skills, that kid is very clever, much more flexible than Tintin, and he really looks like him.

He was so triumphant that he forgot at all that just an hour ago, he was still blaming that stupid woman Shen Ning for raising a useless and stupid son.

He walked faster and faster, feeling warm in his heart. Thinking of Little Keke, he wished he could see him next second and bring him home.

Since then, he has two sons!

Li Zhijun stood up and straightened his clothes, looked at Li Zhenting's anxious back as he was about to become a father, and glared at him.

It turns out that this kid is not stupid, he knows he wants to kiss his son.

only

How did you treat Shen Ning before? I'm afraid that your own son will help her get her back. Just wait for the abuse!

Thinking of the scene where Li Zhenting was about to be punished by his own son, he couldn't help whistling and laughing out loud.

Chapter 208 I don't want a daddy

Didu Airport.

Shen Ning was wearing a peaked cap, sunglasses, and a big mask, his palm-sized face was tightly covered, and his two big bright eyes looked around vigilantly.

Coco is wearing a black beret and a blue sportswear, so handsome and cute.

Mother and son walked towards Hou Airport holding hands.

Before leaving the hotel, Shen Ning deliberately looked around, but fortunately, no one saw it.

As long as she can get on the plane smoothly, her cocoa will not fall into the hands of that bastard, and their mother and child can be reunited without separation.

She secretly prayed in her heart that she must not be caught by Li Zhenting, the king of Hades.

It wasn't until I passed the security check that I felt relieved and secretly happy.

It seems that Li Zhenting didn't expect her to leave so quickly.

She is so wise...

It's just that the thought just passed.

Ge Di

The front end

Two rows of young and fit men in black walked towards her. The young man in the middle was tall and strong, exuding a powerful and noble aura from all over his body, which suppressed the air pressure in the entire hall from a distance. down.

Li Zhenting!

Shen Ning's face turned pale and panicked!

The **** finally came after him, but he couldn't escape from Wuzhishan.

"Ke Ke, let's go." Panicked, she took Ke Ke's hand and ran away.

"Stop." Li Zhenting's magnetic voice was majestic and stern.

Shen Ning acted as if he hadn't heard, just took Ke Ke's hand and ran until he was stopped by a man in black with no expression on his face, so he had to stop.

Li Zhenting walked towards her quickly.

His eyes were all on the little guy:

He has a straight figure, a small round head, a pair of **** eyes that sparkle, and his whole body is so cool that his appearance is exactly the same as Tintin.

Sure enough, it was his son, with a heroic appearance and his style.

He stepped forward, knelt down in front of Ke Ke, and said kindly:

"Coco, I'm your daddy."

Unexpectedly, Ke Ke puffed up her cheeks, and roared fiercely: "Get out of the way, I don't want Daddy."

Ji Hancang was not angry when the little guy yelled at him, he stretched out his hand to stroke Ke Ke's head and smiled slightly: "Ke Ke, I'm here to pick you up, Daddy has everything at home, go back with Daddy and live a good life. "

"Hmph, I'm not going home with you." Ke Ke's cool little face was tense, and she didn't even look at him with her beautiful eyes.

Actually, when Daddy rescued him last night, in his mind, his image was quite noble.

But he is not happy that he wants to marry that ugly woman, and he is even more unhappy because he doesn't love Mommy.

He didn't want to go with Daddy and leave Mummy behind! Instead, I hope to have a mommy and a daddy.

He held Shen Ning's hand tightly, looked at Li Zhenting vigilantly, and said loudly, "I only want Mommy."

Li Zhenting was a little embarrassed, the child's hostility towards him was obvious.

Hmph, it must be Shen Ning, a damned woman who said too many bad things about him in front of the child, which caused the son to reject him so much.

He raised his eyes and looked at Shen Ning coldly.

Shen Ning tore off his mask, and stared at him with cold eyes.

"Li Zhenting, Ke Ke was the size of my **** and piss, you can't take him away, he's mine." She said coldly.

God knows how much she has suffered for this pair of children.

She does not allow others to take it away at will.

A cruel smile floated on the corners of Li Zhenting's lips: "Shen Ning, you are so brave, you even hid my son and tried to take him away. You did it knowingly. I won't let you go."

"take away."

He turned around smartly, waved his big hand, bent down, picked up Coco, and walked towards the luxury car over there.

"Ke Ke." Shen Ning saw his son being taken away by the man, his heart felt like a knife was cut in an instant.

In her past life, Keke Yiran became her strongest backing. Losing him this time was like peeling off her flesh. The piercing pain made her burst into tears.

Chapter 209 I want to fight with you

"Mommy." Coco was held in Li Zhenting's arms, and she couldn't see Mommy with her eyes, so she burst into tears and called for Mommy.

But Li Zhenting doesn't care about him. Of course, his son will be brought back to the Li family to be raised. In the future, these two little guys will have to inherit his huge career.

Besides, his son grew up with a woman, and now he has become affectionate with his sons and daughters. He is a mother-in-law, and he doesn't look like a man at all. He doesn't like this very much!

"Big villain, let go of me, I want Mommy." Ke Ke has never been forced to leave Mommy in this way. Hearing Mommy's cry, the little man came up, clenched his little fists and turned towards her. Li Zhenting roared and danced.

Behind, Shen Ning ran up crying.

"Li Zhenting, you are not qualified to take my son away, you have not raised him for a day, you are a bastard, bastard, I will fight you." The courage that came from nowhere made Shen Ning rush like crazy

Coming up, he grabbed Li Zhenting's back hem of his clothes and held on tightly, a pair of fists began to hit his back like raindrops.

"Mummy." The mother and child were connected, Ke Ke heard Shen Ning's cry, and began to fist and kick in Li Zhenting's arms, shouting non-stop, and the chubby hand was waving from time to time, making Li Zhenting's hair messy.

On the back, Shen Ning grabbed him like a brown candy, making him look extremely embarrassed.

One time.

Li Zhenting had a headache!

He looked at Baobiao on both sides.

But those Baobiao probably also sympathized with Shen Ning, even though she waved her fists and beat Li Zhenting, no one came up to hold her back.

They also felt that Boss Li was a bit dishonest, and it was fine if he didn't take responsibility. He even took away his son roughly, completely ignoring Shen Ning's hardships in bringing the child up to five years old. This is too cruel.

Furthermore, this is Mr. Li's private matter. After all, Shen Ning is also the child's mother. If they overdo it, Li Zhenting will regret it, and they will all suffer!

Therefore, for the first time, these Baobiao were collectively blinded and could not see.

Li Zhenting gritted his teeth.

No matter how awesome he is, he can't stand a desperate woman and a son who hates him. In order to prevent his son from hating him in the future, he thought for a while, hugged Ke Ke with his left hand, stretched out his right hand, grabbed Shen Ning horizontally, and hugged Shen Ning horizontally. Get up and walk to the car.

Baobiao immediately followed and opened the car door.

Li Zhenting threw Shen Ning onto the soft bed behind the RV, and he also carried Ke Ke into the car.

"Mummy." Seeing that Mummy followed, Ke Ke quickly broke free from Li Zhenting's arms and crawled in front of Shen Ning, raised her butt, looked at her with **** eyes brightly, and comforted her, "No I'm afraid, with me here, no one dares to do anything to you."

When he said the latter, he gave Li Zhenting a fierce look, which was to warn him that if he dared to bully his mommy again, he would not let him go.

For the first time, Li Zhenting felt a serious threat, but he was helpless.

"Ke Ke, Mommy's good son." Shen Ning got up and hugged Ke Ke into his arms, and the mother and son embraced tightly.

Li Zhenting sat on the sofa and looked at the mother and son coldly, his face darkened.

He was completely ignored.

Of course, Shen Ning ignored him, he didn't care, but he was very upset when his son ignored him like this.

It seems that Shen Ning poisoned his son deeply, so he has to take his time.

The corners of his lips curled up in a cold expression. Ten years is not too late for a gentleman to take revenge. Shen Ning, I will slowly make Ke Ke forget you. Don't be arrogant now.

Children's memory will fade.

Chapter 210 Being played around by their mother and son

Li Zhenting crossed his legs and looked down at Shen Ning.

At this time, the woman's face was full of tears, her thin shoulders shrugged, and she held Coco in her arms. Because of the hard struggle just now, her hair was messy, and the buttons on her neck were also torn off, revealing her snow-white face. Her skin was messy and sexy, and it was much more charming and delicate than usual, which made people fantasize about it.

For a while, his lower abdomen tightened for a while, a hot tide surged in his body, and his throat and tongue became a little parched.

Ge Di, I remembered that night six years ago...

Will it be her that night?

He was amazed but also very surprised!

Just now, I was just so excited that I had another son, but I never thought about how this son came about! Thinking about it now, doubts abound.

"Mommy, Keke." At this time, the car drove into Li's Castle, and before it stopped, a little guy ran out of the villa like a gust of wind, screaming in surprise.

Ding Ding never dreamed that Daddy would bring Mummy and Coco back. Great, their family can finally be reunited.

"Ding Ding." With a knowing smile on Coco's face, he opened the car door and jumped out, hugging Ding Ding excitedly.

Shen Ning looked at the pair of sons, and the sense of loss in his heart disappeared.

The son is always her son, no matter where he goes, he cannot change this iron fact.

Blood is thicker than water! She is always the mother of the children.

She straightened her body, as long as her sons are good, it doesn't matter if she suffers a little bit.

Li Zhenting's eyes were deep, looking at the flushed faces of Ding Ding and Ke Ke under the car, complex emotions surged in his eyes.

"Ding Ding, did you already know all this?" He got out of the car and bent down to pick up one in each hand, walked towards the house, and asked Ding Ding with a dark face.

"Yes." Ding Ding and Ke Ke looked at each other and smiled, and answered loudly and affirmatively.

"Not only do I know, I often switch identities with Ke Ke to go to Mommy's place to play." Ding Ding said without any concealment.

Li Zhenting's face turned even darker.

Shen Ning, this woman is really damned, she broke into his son's heart quietly, and said how could Ding Ding seem to have suddenly changed a while ago? It turned out that it was all Shen Ning's fault. Play around.

He snorted coldly, but didn't answer.

"Young master, young mistress, young masters, you are back." Butler Li came out in time, smiling.

Li Zhenting said with a cold face, "There is no young lady here."

"Uh." Butler Li looked embarrassed.

Shen Ning smiled coldly, she never thought of being the young mistress of the Li family, but as proud as him, she would not believe her.

She didn't bother to explain.

"What kind of clothes are you wearing here?" When Li Zhenting put down the children, his eyes fell on the clothes that Ke Ke was wearing. They were obviously from the street stalls, and he frowned dissatisfiedly, and told the housekeeper, "Take Ke Ke to wash it first. Take a shower and change into a good suit."

"yes."

The butler stretched out his hand and was about to hold Coco's hand.

"No, I want Mommy." Ke Ke retracted her hand and protested loudly.

The housekeeper looked at Li Zhenting.

Li Zhenting waved his hand sullenly.

The housekeeper smiled slightly and said to Shen Ning: "Miss Shen, this way please."

Shen Ning took Ke Ke's hand and walked towards the shower room.

In the upstairs bedroom, Shen Mei panicked.

"Mom, didn't you say that you only forced Shen Ning's mother and son to leave the imperial capital and never come back? Why now Zhenting already knows that Ke is his own son, and he brought their mother and son back. What's going on? Huh?" Shen Mei anxiously turned around with her mobile phone.
