

Troublemakers 231

Chapter 231 Make up your mind to help Mommy!

Shen Ning's face was pale, and he walked out top-heavy.

At this time, the Li family was busy upstairs and downstairs.

The servants are tidying up Ke Ke's room.

After all, the Li family has a new grandson, which is definitely a great joy.

"Ning Ning, come here, tell me quickly, which room do you want to choose?" Li Wanqing was furnishing Ke Ke's room herself, when she saw Shen Ning, she immediately asked with a smile.

"No need, thank you." Shen Ning shook his head, "This is not my home."

The smile on Li Wanqing's face disappeared, and suddenly she sighed, love is something that others really can't help.

No way, who made her son not love her.

"Ning Ning, in my heart, you are my only daughter-in-law, and I will never admit to other women." She took Shen Ning's hand and said kindly, "Just choose the room, the property rights of this villa It belongs to me and Jinyao. We have the right to give it to anyone. You gave birth to a pair of grandchildren for us. You can choose the best room. As I said, it will be you and Keke from now on. It's Tintin's, our property rights will be transferred to the children after a hundred years, you have the right of residence, and you don't have to worry about anyone."

"Thank you, I really don't need it." Shen Ning shook his head with a smile, and walked straight forward, "I still have something to do, so you can do it first."

Li Wanqing was indeed kind to her, but no matter how kind she was, it would not be better than treating her son.

She is always an outsider, just listen to some polite words, she is really stupid.

Li Wanqing looked at Shen Ning's hurried footsteps, feeling lost.

Such a good girl, why doesn't her son look down on her.

"Hmph, big villain, how dare you bully my mommy like this, I can't spare you." In Ding Ding's bedroom, Ke Ke looked at the computer and saw everything in the study clearly.

It turned out that after Shen Ning committed suicide, Keke was so angry that his most beloved mommy would be hurt so badly, he was very angry.

He bought multiple monitors online, ready to monitor them at any time, to see which mommy dares to bully him, he will definitely not let it go.

When Li Zhenting asked Shen Ning to go to the study, he immediately pricked up his ears.

Bad daddy often bullies his mommy, he needs to see clearly.

As soon as Shen Ning left, he turned on the monitor on the computer, and sure enough, he saw that Daddy was forcing Mommy to give up his custody rights.

Obviously, Mommy is the weaker party!

He was so angry that he secretly made up his mind to help Mommy!

But Shen Ning said that after going out, he immediately started looking for a house next to Li's Castle.

Li Zhenting has already made up his mind to **** Keke's custody. After half a month, it is very likely that it will be difficult for her to see Keke and Ding Ding.

She wants to find a house nearby and move here with Xiaoxiao and Aunt Dong.

In this way, it is convenient to meet with the sons.

As for the road ahead, we will see each step step by step.

She always believes that family affection comes first in human nature, and no matter how powerful you are, family affection is not as valuable. The son she brought up may leave as soon as he says he will.

She believes in her house.

It's just that the houses nearby are really expensive!

After looking for several, she still chose a better suite.

Didn't Li Zhenting say that Ke Ke suffered with her, so she rented the house better so that he wouldn't gossip after he found out.

After finding a good house and paying the deposit, she called Aunt Dong, and they started moving immediately, while she waited for them to come by cleaning.

When I went downstairs to eat after cleaning, I saw Gucci perfume advertisements everywhere outside the community. These advertisements are cheap, but they are pervasive, and the effect looks good.

I have to say that Uncle Marley is a talent.

She decided to devote herself to work with all her strength. Only when she is strong enough can she have the confidence to fight against anyone who bullies her.

Chapter 232 saw through his trick

Li's Castle.

Li Zhenting strode towards the gate.

"Ke Ke." As soon as he walked to the gate, he saw Ke Ke standing there, looking out eagerly, with anxious and sad faces on his ridiculously beautiful face, he couldn't help being taken aback, and shouted immediately.

"Hmph." Unexpectedly, as soon as Keke saw him, she immediately glared at him with disgust and contempt, and turned her head away.

Li Zhenting was stunned, and quickly asked: "Ke Ke, what's wrong with you? What are you doing standing here?"

"Do you tube."

Ke Ke raised her toes and looked behind Li Zhenting's stalwart body.

"Are you waiting for someone?"

"Yes, I'm waiting for Mommy."

"Where did your mommy go?" Li Zhenting frowned, it was almost seven o'clock, Shen Ning hadn't come back yet, what the **** was she doing.

"Woohoo." Ke Ke suddenly cried with her mouth curled up, "Mommy ran away because of your anger, and will never come here again. I want Mommy, Mommy, where are you?"

He wept sadly.

Li Zhenting was stunned, suddenly his heart moved, how about taking this opportunity to try to block his attachment to Shen Ning?

The two children are still here, Shen Ning will definitely come back, and judging by her persistence this morning, she will definitely compete with him for the custody of the children beyond her capacity.

So

He squatted down, hugged Ke Ke with both hands, and said kindly: "Ke Ke, Daddy will you eat a big lobster, okay? Then we will go to buy toys. Recently, there is a new robot that is very fun. Daddy bought it for you. OK?"

He said it very temptingly. When Ding Ding was unhappy before, as long as he said this, he would happily follow him, without exception.

He thought Coco would follow him.

who knows

Coco saw through his trick at once.

Hmph, if you want to use this trick to drive a wedge between Mommy and me, he won't be fooled!

"No, I only want Mommy." Ke Ke firmly refused, and looked at him with contempt and disdain: "Daddy, you are so unkind, you even plan on women and children."

"Uh." Li Zhenting blushed.

This is worthy of Shen Ning's compensation. Compared with Tintin, I don't know how much more mature and experienced, and he is not so easy to deceive.

He had no choice but to give up this idea, and laughed twice: "Boy, I'm your daddy plotting what you are doing, I love you."

"You don't love anyone but yourself." Ke Ke pointed out mercilessly with a stern face.

Uh, Li Zhenting was very unhappy when he was angered.

At this time, Ke Ke walked outside him.

"Hey, boy, where are you going?"

"I'm going to find Mommy."

Mommy didn't come back so late, it is very likely that Daddy, the big villain, drove him away. He must not let Mommy be bullied.

"Where are you going to find it?"

"You don't need to take care of me. You didn't take care of me before, and you don't need to take care of me now." Coco hit the nail on the head.

Li Zhenting was helpless, and his head started to hurt.

This son is too easy to fool, his heart is all biased towards Shen Ning, it seems that Shen Ning must have portrayed him as a complete villain in front of him.

He chased after him, hugged Ke Ke from behind, gritted his teeth and said, "It's so late, where can you find it, a brat? Let's go, I'll take you to find Mommy."

"Daddy, let me tell you, I will follow Mommy wherever she goes. I only want Mommy's." Coco was held in his arms, but continued to poke his heart.

Li Zhenting's face turned black with anger.

Chapter 233 This kid is really a genius.

"Daddy, I don't think you have the heart to take me to find Mommy." Li Zhenting took Ke Ke for a walk outside, looked around and then drove back, Ke Ke sat beside him and taunted.

Li Zhenting was taken aback, didn't he? He originally wanted to put on a show and take Ke Ke to search for it, but when he couldn't find it, he had to come back. Unexpectedly, his little thought was soon noticed by Ke Ke.

This kid is really a genius.

I have to say that Shen Ning has been very successful in cultivating his son.

Take Ding Ding as an example, he brought him up, but this kid rebelled within a few days after seeing Shen Ning, and left his father aside.

What a little white-eyed wolf.

"How is it possible?" Li Zhenting laughed twice, and had to turn the car around again.

Fortunately, this time, as soon as he got out of the car, he saw a woman's figure appearing at the gate. She walked very quickly, and her slender body was soft and light in the night.

"Mummy." Coco's eyes lit up immediately.

"Let me just say, she will come back." Li Zhenting's eyes darkened, and he immediately expressed his judgment in front of Ke Ke, and drove the car to a stop in front of her.

Shen Ning was on her way quickly, but she didn't expect Li Zhenting's car to stop in front of her, and she was shocked.

At this moment, Li Zhenting opened the car window and poked his head out, with a wicked smile on his face: "Hurry up and get in the car, I'll take you back."

It is not close to walk in from here.

Pick her back?

Shen Ning narrowed his eyes, believe him a ghost!

She looked at him coldly, so that she wouldn't think that he came to pick her up out of kindness.

"Mommy, get in the car." At this moment, Ke Ke climbed up to the window glass and shouted at her excitedly.

Shen Ning immediately saw the cute little round face of his precious son, his heart warmed, and his eyes were soft and bright.

"Cocoa."

"Mum, come up quickly, I'm hungry, let's go back to eat quickly." Coco urged on purpose.

Sure enough, when Shen Ning heard that his son was hungry, he became a little anxious.

She glanced at Li Zhenting's gloomy face, opened the car door and walked up.

My son hasn't had dinner yet, so I can't starve him.

Li Zhenting stepped on the accelerator, and the car quickly stopped at the gate of Yunhuju.

"Shen Ning, where have you been? Why did you come back so late? You know that Ke Ke misses you, did you do it on purpose?" As soon as he got off the car, Li Zhenting grabbed Shen Ning and questioned him.

"I did it on purpose? You must be crazy." Shen Ning bit her lip and glared at him.

"snort."

When Li Zhenting was still about to take the trouble, there was a cold snort from the side, and he hurriedly turned around, only to see Ke Ke staring at him with hatred eyes.

He was startled, sober up in an instant, and immediately squeezed out a friendly smile to Shen Ning, and said gently: "It's okay, let's go back to eat, and don't make the child wait next time."

In order to prove his kindness, he took Shen Ning's hand after he finished speaking.

Shen Ning immediately shook off his hand, turned around and took Ke Ke's little hand and walked inside.

Koke has a mommy, jumping up and down happily.

The mother and son talked and laughed, leaving Li Zhenting behind.

Li Zhenting walked behind lonely, seeing Shen Ning talking and laughing with his son, he felt very sad.

Hmph, don't you just know how to win the hearts of children, what's so difficult about it!

He decided that starting tomorrow, he would put his work aside and spend time learning how to get along with the children, please them, win over the hearts of the soldiers, and proceed to the next step.

Chapter 234 How about you come and be our daddy?

After dinner, Li Zhenting wanted to play with the two little guys so as to cultivate parent-child relationship.

But the two little guys gave him a cold face after they hummed coldly, one by one surrounded Shen Ning, bouncing around, chattering and walking towards the living room.

Li Zhenting made fun of himself, so he walked to the sofa in the living room and sat down with his legs crossed.

"Mommy, let's play a game." Ding Ding was smiling with a stack of colored stickers in his hand.

"What game do you want to play?" Shen Ning couldn't bear to spoil his interest, smiled, and touched his little face.

Ding Ding especially likes playing games during this period. Through playing games, his personality has changed a lot, and the smiles on his face have obviously increased.

This is what she likes to see.

"I want to play the sticker game." Ding Ding flew a stack of colorful stickers in the air.

"Hey, forget it, this game requires Daddy to participate." Little Keke sighed beside her and shook her head.

Li Zhenting's ears twitched when he heard it, it's great, the opportunity has come.

He immediately leaned forward and smiled flatteringly: "Coco, Ding Ding, what game, Daddy is here to accompany you."

Ke Ke and Ding Ding looked at each other, then shook their heads with their mouths curled.

He will be bored if he participates!

Looking at the disgust on the faces of his sons, Li Zhenting felt sour and uncomfortable.

"Coco, Ding Ding, I'll come to see you." At this moment, a guy in a red casual suit came in with a bouquet of flowers and two exquisite packing boxes twisting his waist.

"Yeah, Uncle Jun is here." When Ke Ke and Ding Ding saw him, they immediately cheered, and ran up one by one, surrounding Li Zhijun.

"Etc., etc."

Li Zhijun quickly put down the gift box, lifted the flowers above his head, broke through the encirclement of these two little guys, and walked in front of Shen Ning, his peach blossom eyes were shining brightly: "Ning Ning, come, flowers for the beauty."

Shen Ning was stunned for a moment, pursed his lips and smiled, and took it with both hands: "Thank you, Zhijun."

"As long as you like it, I'd like to give it to you every day."

"Don't rely on it, it's okay once in a while, if you give it every day, don't have any deep meaning."

"What? Are you afraid?" Li Zhijun smiled sternly, "My Young Master Li never gives away flowers easily."

He winked at her.

"Hmph." Suddenly, a cold snort came from the side.

Li Zhijun turned his head and saw that Li Zhenting had also returned home.

"Hi, cousin." He waved his hand at him.

Li Zhenting's face darkened, and he snorted through his nose: "What are you doing at my house so late?"

"Of course it's Ning... the children." He smiled, turned his head and shouted at the children:

"Children, do you miss Uncle?"

"I think, I miss you very much." The little ones said softly, and with a 'wow' they tore off the two exquisite packaging boxes that Li Zhijun brought.

"Yeah, drones."

The two little guys immediately cheered.

"This is the latest model, very popular." Li Zhijun smiled, "How is it? Children, uncle treats you well."

"Well, it's pretty good." Ding Ding played with the drone, and suddenly rushed up to hold his hand, with great interest, "Why don't you come and be our daddy."

Li Zhijun's peach blossom eyes sparkled when he heard this.

"I'll be your daddy?"

He is wishing for it! However, he still looked carefully at Li Zhenting.

Speaking of how did this guy become a daddy, this is such a failure, even his own son doesn't recognize him as a daddy!

Chapter 235 She is married now

"Well, come here." Ding Ding grabbed Li Zhijun and walked to the side to sit down, and then went to pull Mommy, "You two sit face to face, let's play makeup, it's fun, it's so funny."

It turned out to be just playing games!

Li Zhijun finally understood, and glanced at the dark-faced man next to him.

It seems that this guy is seriously disgusted.

Shen Ning looked at him and smiled: "Zhijun, don't play tricks later."

"Don't worry, a man who is a man can do those little things."

Coco happily ran over with the stickers, clapped her hands and smiled: "Sit down, the game is about to begin."

He and Ding Ding started punching.

It turns out that this game is a face sticker, and whoever wins will choose one and paste it on the face of their chosen daddy or mommy.

Through punching, Shen Ning can be selected, but Ding Ding loses, so Li Zhijun can only be selected.

The winner can choose the red face, and the loser can only choose the animal face.

Coco and Ding Ding are very excited.

"Hammer, scissors, cloth."

With the cry of Naiyin, the two little families decided the winner.

"Yeah, I won." Ke Ke made a successful start, and immediately chose a big red face and stuck it on Shen Ning's left cheek.

Ding Ding lost, so he chose to post it on Li Zhijun's face unluckily.

Who knows, his post made everyone laugh.

It turned out that Ding Ding blindly chose a monkey **** and stuck it on Li Zhijun's mouth.

This post, don't mention how funny it is.

Everyone laughed, even Li Wanqing was amused.

The two little guys became more interested and rowed harder.

After several fierce rounds of competition, Keke won.

Shen Ning was pasted as a little fairy, while Li Zhijun was pasted as a big nondescript bear.

When Ding Ding led Li Zhijun to "parade through the streets", even Li Jinyao laughed.

The last two little guys pushed Li Zhijun to play, and they got into a fight.

"Hey, why bother." The children pushed Li Zhijun over there to hide and seek. Seeing his son Li Zhenting's lonely and unwilling appearance, Li Wanqing shook her head and sat down opposite him.

"Look, how well Shen Ning educates the children, such a good wife, why don't you look down on her."

Li Zhenting was upset when he heard that, how could that woman be so good? Isn't it just that he knows how to play some games with the children? What's so difficult about it? He has worked hard in the mall and signed hundreds of billions of orders, so he is called a genius.

"Zhen Ting, I hope you can treat Shen Ning better and don't owe her. After all, she is also the mother of your two children. For the sake of their physical and mental health, you have to set a good example for them."

Li Wanqing saw through his thoughts, and persuaded him earnestly,

"You look down on Shen Ning, that's your business, but let me tell you, I firmly disagree with that woman Shen Mei that you marry her back. As for Xiaofeng, she really died a long time ago, and death is unacceptable. Resurrected, can you wake up and return to real life? Cherish the person in front of you."

Li Zhenting has a headache: "Mom, you don't understand, it's not that I don't understand how to cherish, Shen Ning gave birth to a child after divorcing me, even if I think about the children, it is impossible to marry a man who has given birth to another man woman's."

Li Wanqing was startled when she heard that, and immediately asked: "You mean she is married now."

"It's good for her to get married, so she doesn't have to pester Keke."

"Then you mean that she has a boyfriend, but she is not married, but has given birth to a child."

"Hmph." Li Zhenting sneered, "It would be fine if she had a boyfriend, at least she knows who the father of the child is, but now she doesn't even know who the father of the child is. How could I possibly still consider it."

Li Wanqing was dumbfounded.

Over there, Shen Ning was talking and laughing with Li Zhijun.

Her eyebrows condensed into a big question mark, is Shen Ning such a messy woman, definitely not.

There must be some misunderstanding.

Chapter 236 Will Mommy come back?

"Zhijun, you big villain, you actually posted this on me." At this moment, Li Zhijun took the opportunity to stick a monkey tail on Shen Ning's face, and Shen Ning yelled and punched him.

Coco and Ding Ding laughed.

"Don't say that Zhijun and Shen Ning hit each other quite well, how about..." Li Wanqing looked at them, and suddenly a look of joy appeared on her face.

If Shen Ning can't become her daughter-in-law, then marrying her nephew is also a good choice. In this way, Shen Ning is still her relative, and it can be considered that the fat will not flow to outsiders.

Li Zhenting saw through his mother's thoughts at a glance, with a dark face, he snorted coldly: "Mom, don't think about it, Zhijun hasn't gotten a divorce yet, how can you be an elder like you and break up other people's families."

He stood up and walked upstairs in displeasure. When he passed by Shen Ning and the others, his body was full of gloomy evil spirit.

But none of them wanted him!

"Woooo." He walked upstairs unhappily, and suddenly heard the sound of a child crying sadly. When he listened carefully, it turned out to be Lan Lan's.

He froze for a moment, and then remembered that Lan Lan didn't talk much after returning home from school today, and she wasn't as clingy to him as before.

Because he focused all his attention on Coco, he naturally paid less attention to Lan Lan.

He walked towards Lan Lan's bedroom.

The bedroom door was ajar, and the crying came from inside.

"Lan Lan, what's wrong with you?" He pushed open the bedroom door, and Lan Lan was huddled in the corner crying loudly with her mouth curled up. When Li Zhenting came in, she cried even harder.

"Lan Lan." Li Zhenting walked over and bent down to hug her, went to the bed and sat down, put her on his knees, wiped her tears with a tissue, and asked softly.

While sobbing, Lan Lan grasped Li Zhenting's clothes tightly with her small hands, and asked sadly: "Daddy, you don't like me, don't you want me?"

"How could it be?" Li Zhenting was taken aback, and immediately denied it.

"Then why did you drive my mommy away? I miss mommy, and I want to see mommy and daddy together." Lan Lan's tears were streaming down, her nose was red.

Li Zhenting's face was serious: "Your mommy did something stupid and must be punished."

"Then you never love her again?"

"..." Li Zhenting did not speak.

Lan Lan cried even harder.

Ever since Shen Mei was driven away, Lan Lan felt that she was left out, and the servants at home were not as warm to her as before, and after Ke Ke came to this house, everyone's eyes fell on him. With her body, Ke Ke became a dazzling star, but she was like a child without a mother, loved by no one.

Tonight, Ke Ke and Ding Ding were playing games downstairs, their laughter was so happy, but she was not cared about upstairs, and she was so wronged that she burst into tears.

Fortunately, Daddy is finally here!

"Lan Lan, you are Daddy's good daughter, Daddy and grandparents love you very much, don't worry, I will ask a full-time lady to take you tomorrow." Li Zhenting patted her on the back and squeezed her Little Nose, "If you have any grievances, just tell Daddy, Daddy will take good care of you, don't cry, crying children are the worst."

"But what do I think about Mommy? Will Mommy come back?" Lan Lan's eyes were red.

"When you miss your mommy, I'll ask my little sister to take you to see her. Your mommy's nature is too bad to stay here." Li Zhenting stroked her head.

Lan Lan cried again when she heard this, the kind that can't be coaxed well.

But Li Zhenting gritted his teeth and refused to agree to her. In order to ease her emotions, he hugged her and walked outside while coaxing her.

Chapter 237 must be a good thing she did

Shen Ning took Ke Ke, and when Ding Ding came up from downstairs, he saw Li Zhenting walking in the corridor holding Lan Lan in his arms, coaxing her tenderly.

And Lan Lan lay obediently on Li Zhenting's shoulder, pouted her little mouth, and cried tenderly.

What a picture of deep love between father and daughter.

Coco and Ding Ding immediately showed expressions of disdain.

"Daddy just likes this little ghost." Ding Ding snorted coldly, "Just like her mommy, she only knows how to be a monster and hates it."

Shen Ning watched Li Zhenting holding Lan Lan patiently and tenderly, full of fatherly love, and couldn't help but think of Xiao Lai.

If he knew that Xiaoxiao was his biological daughter, would he treat her like this?

Li Zhenting always loves Lan Lan the most. The love he gives to Lan Lan is far more than that to Ding Ding. Otherwise, Ding Ding would not reject him so much.

Because he didn't love her, he didn't even like the child she gave him that much.

She felt sour.

Just as Li Zhenting turned around, the group met face to face.

Coco, Ding Ding looked at him indifferently.

After Li Zhenting was stunned for a while, seeing the expressions of the pair of stinky boys who didn't take him seriously at all, he was a little annoyed, and deliberately kissed Lan Lan's hair, patted her on the back lightly, and said softly: "Lan Lan is so good, she listens to Daddy the most, and Daddy will buy you a big present tomorrow."

"Thank you, Daddy." Lan Lan smiled through tears, "I know that Daddy loves me the most, and I love Daddy very much. When I grow up, I will be filial to Daddy."

Li Zhenting was elated when he heard that, and he glanced at Shen Ning proudly, don't you love to show off that you are good at raising children? Look, I brought up Lan Lan more sensible than Ke Ke and Ding Ding.

If you hadn't said bad things about me in front of Coco, he wouldn't have hated me so much.

Shen Ning seemed to see his thoughts, just gave him a cold look, took the children by the hand and walked towards their bedrooms.

A smug smile appeared on the corner of Li Zhenting's lips.

After a while, Lan Lan fell asleep on his shoulder. After he sent her to the princess room, he called a nanny to accompany her.

He returned to his bedroom.

In the bathtub.

Li Zhenting was soaking in the bath, his **** abs carried a wild and charming wildness in the foam.

After a tiring day, this moment is very comfortable and comfortable.

He raised his hand and took out a tall red wine glass from the side cabinet, took out the chilled red wine barrel, poured a glass, raised his head and poured it into his mouth, but suddenly frowned.

Is this red wine? How did it become white?

Put it under your nose and smell it, it seems to have a strange smell!

He pursed his lips, a little sour, astringent, and bland.

He slammed the cup on the ground.

"Housekeeper Luo, has anyone been to my room?" He called downstairs.

Butler Luo answered quickly after receiving it: "Master, no one has been in your bedroom except Xiaoying, who cleans up."

Li Zhenting narrowed his eyes, and said lightly: "Okay, I see."

He hung up the phone, wrapped a bath towel and walked out.

Two days ago, when Shen Ning was stopped upstairs by his Baobiao, when he returned home that night, all his clothes were thrown on the ground, and he was trampled on a few times.

This is all done by Shen Ning.

It seems that the red wine in the red wine barrel must be a good thing she did.

This **** woman.

In the past, whenever he was tired from working during the day, he would take a bath in the bathtub when he got home, and drink a glass of red wine to relax. Today, he didn't drink red wine, and he was very upset.

He walked towards Tintin's nursery.

Ding Ding has the habit of having nightmares at night. He slept with him some time ago. I don't know where he slept today. He is worried and needs to check.

Unexpectedly, when I came to Ding Ding's room, he was not there.

He walked towards Coco's room again.

Gently pushing open the door, I saw two little guys sleeping next to Shen Ning, one on the left and the other on the right, each with a small hand clutching her pajamas, and she was sitting between them, bowing her head. Looking at the phone, fingers are typing from time to time, it seems very busy.

He turned cold and walked in.

Chapter 238 He actually drank her footwashing water

"What are you doing here?"

As soon as Shen Ning looked up, he saw a man with a bare upper body standing at the door. His eight big abs were strong and powerful. His white skin was **** and mysterious under the luminous light. He was as aggressive as a beast, and the most important thing was, his sinister eyes were staring at her with death.

She was so startled that she almost cried out, and immediately thought of the sleeping children, she quickly covered her mouth with her hands, and stared at him bitterly.

The man paused and quickly walked towards her, snatched her mobile phone with his hand, looked at it, and threw it back to her with a sneer of disdain.

"You..." Shen Ning was so angry, why can he **** her mobile phone at will, it's an invasion of her privacy!

She stared at him fiercely, her eyes seemed to kill.

Li Zhenting took out his mobile phone and quickly typed a few lines.

soon

Shen Ning heard the voice of WeChat.

She bowed her head and opened it.

"Either take the child to sleep well, or give the child to me. You have two purposes, can you take care of my son? You still play with your mobile phone so late. Don't you know that the mobile phone has radiation? What if it hurts my son's brain?"

Li Zhenting was also afraid of waking up the child, so he stood aside and sent her a message on his mobile phone.

Shen Ning rolled his eyes straight at him: "Idiot, this little mobile phone radiation can affect a child's brain? Why do you **** my mobile phone?"

"Because the mobile phone will affect my son, I am the father of the child, of course I have the right to order you not to look at the mobile phone."

"Using unreasonable words, you are the big hooligan of the century, bullying women is not a skill."

"Bullying you? Let me ask you, did you change the red wine in the bathroom in my bedroom?"
wine?

Shen Ning was taken aback for a moment, then remembered that he had sent Baobiao to imprison her on the second floor that day, and she was so angry that she cleaned up his bedroom.

certainly.

It was impossible for her to throw away such a high-end red wine, so of course she drank it in anger.

In these years, when she was in pain, she also got used to drinking a glass of red wine.

"Yes, I drank it."

"you dare."

"How about I just drink it? You are the one who is unkind first, don't blame me for being unrighteous."

"..." Li Zhenting clenched his teeth, staring at Shen Ning, "What's in the wine barrel now?"

"Footwash."

"Ah." Li Zhenting vomited, and quickly covered his mouth with his hands. Just now, he even tasted it.

Day, he actually drank her footwashing water, this damned woman!

He stared at her with horror all over his body!

"How does it taste? Isn't it delicious? Hehe, this is your retribution. Who told you to imprison me? I didn't set fire to your bedroom, which is considered merciful to you."

"..."

Li Zhenting confirmed that he was going crazy, this woman was simply unreasonable.

He raised his fist viciously at her.

"Mommy, is Daddy bullying you again?" At this moment, Ke Ke turned over and babbled in her sleep.

Li Zhenting was so frightened that he immediately closed his fists, a fake smile appeared on his face.

After a while, he realized that Ke Ke hadn't woken up, and was so annoyed that his smirk turned into that of a wolf with a big tail.

"Get out, if you keep disturbing the children to sleep, I'll simply wake them up." Shen Ning didn't show any weakness at this time, facing the man's death-threatening gaze, he drove him away directly.

Li Zhenting was also worried that when Ke Ke and Ding Ding woke up, they thought he was bullying their mother again, so they had to leave in despair. After returning to the bedroom, the more he thought about it, the more angry he became. Shen Ning, this woman is too crazy, did she let him go? In the eyes.

Chapter 239 Beat the bad guy to the ground

the next day.

Li Zhenting got up in the morning to exercise.

"Ah, hit." He just ran around the track, and when he passed a grape arbor, he saw a figure of a little guy practicing Qiquan there, with a graceful, standard and skilled posture, and he stopped immediately.

"Ke Ke." After watching for a while, he was pleasantly surprised. He didn't expect this kid to be so slick in the whole set of Yi Quan Do, and his reaction was very sensitive. No wonder he was able to escape from the gangsters that day without getting hurt.

Sure enough, he is his son, with his majesty.

After finishing the set, Coco closed his fists, sweating all over his face.

"Daddy, good morning."

"Good morning, Ke Ke, it's not bad. You're good at boxing." Li Zhenting walked over to wipe his sweat with a tissue, and asked kindly, "Do you practice every morning?"

"I used to practice every day, but then I stopped when I got busy, but now I have to practice."

"Why?" Li Zhenting was a little puzzled.

Ke Ke raised her chest and clenched her small fists: "I practice Yiquan to protect Mommy. Now that Mommy is being bullied, I have to practice hard so that I can beat the bad guy to the ground."

After finishing speaking, the little guy suddenly stretched out an 'iron' fist, which almost hit Li Zhenting's nose.

Li Zhenting felt cold all over, and touched his nose in fear.

Who is the stinky **** this little guy is talking about? Could it be him!

He was in a bad mood for a while.

But he laughed dryly a few times, and still gave a thumbs up: "Ke Ke is amazing, he knows how to protect Mommy, so do you want to continue learning, how about Daddy's teaching you?"

As he spoke, he showed off his arms, which were muscular and bulging, as hard and powerful as steel.

Coco blinked his eyes.

Li Zhenting looked at him disdainfully, what a fool you are, you just want to intimidate the old man, it depends on whether you have the ability to beat the old man to the ground.

However, being threatened by his son like this made him really uncomfortable. After exchanging boxing skills with Ke Ke, he saw Shen Ning coming with a towel and a water glass, so he quickly found an excuse and walked away in despair.

After morning exercise, he came to the dining room while wearing a suit and tie.

"Ning Ning, hurry up, bring the children over for breakfast." He was walking in front, and behind him, Shen Ning came down with Ke Ke and Ding Ding, Li Wanqing passed him and called out affectionately to Shen Ning behind him, His own son acted as if he didn't exist.

Li Zhenting's face darkened again.

"Grandma is good." Ke Ke and Ding Ding rushed up, holding Li Wanqing's hand one by one, and they were very affectionate.

"Good grandson, hurry up and have breakfast." Li Wanqing smiled, with a loving face, and carried the two cubs to the dining table. Shen Ning began to pack breakfast for them and take care of them to eat.

Soon Li Jinyao also came over. As soon as he came, he was surrounded by children, and he laughed happily.

The family is very harmonious.

Except for Li Zhenting.

From old to young, almost no one paid attention to him.

He got used to it quite well, sat down at the head of the table and began to eat breakfast.

Fortunately, after a while, Lan Lan ran down. As soon as she saw Li Zhenting, she clung to him, her mouth so sweet that it flowed like honey.

Li Zhenting's mood was quickly improved by her coaxing.

Yunhu lives at the gate.

Shen Ning took Ke Ke and Ding Ding's little hands and prepared to send them to kindergarten.

Yesterday, Li Zhenting personally went to the Blue Whale Kindergarten to go through the enrollment procedures for Ke Ke, and Ke Ke soon entered the kindergarten with the most scarce and expensive places in the entire imperial capital.

Coco originally adapted well in Blue Sky Kindergarten, but Shen Ning was worried that he would not adapt after entering Blue Whale Kindergarten. After all, the life difference between the two is too great.

On the first day, she was going to send him off.

Chapter 240 is actually lying

When Shen Ning was about to take the two children into the nanny business car, Li Zhenting came out at the gate with Lan Lan in his arms.

"Coco, Ding Ding, Daddy will take you there." Li Zhenting stopped them, and told the business nanny car: "Go and pick up the children in the afternoon."

The driver had to drive the car into the underground parking lot.

"Mommy, come up." Ke Ke and Ding Ding got into Li Zhenting's Rolls-Royce, but Shen Ning stood still, and Ke Ke shouted anxiously.

Shen Ning really didn't want to accept Li Zhenting's love, let alone get into his stolen car. When he was standing and about to give up, Ke Ke and Ding Ding ran down from the car, and each took her hand and pulled her into the car.

Li Zhenting started the car.

Coco and Ding Ding are in a good mood, and they are the happiest thing to have a gift from their parents.

Lan Lan looked at Shen Ning from time to time with her big bright eyes open, a little alert.

"Lan Lan, hello." Shen Ning smiled at her.

Yesterday, she tried to communicate with her, but the little girl was not as lively as she was on the beach last time. Shen Ning knew that it was probably because of Shen Mei.

"Hello, Auntie." Lan Lan called timidly.

"Here, this is for you, do you like it?" Shen Ning took out a beautiful colorful bow hair clip from his bag and handed it to her, asking with a smile.

Lan Lan looked at the beautiful hairpin, and took it with her little hand: "Auntie, you are so kind, I like it."

"As long as you like it." Shen Ning smiled, and shook her little hand, "From now on, we will get along well with our two brothers and love each other, okay?"

"Okay." Lan Lan nodded, "Auntie, can you bring it for me?"

"Yes." Shen Ning took the butterfly knot and gently pinned it on Lan Lan's hair. Just as he was about to praise her, Lan Lan burst into tears.

Shen Ning was startled.

"What's wrong?" Li Zhenting immediately turned his head and asked.

"Daddy, Auntie just clipped my hair with a hairpin, it hurts so much." Lan Lan touched her head and cried tears.

Li Zhenting's face darkened, and his sharp eyes immediately flew towards Shen Ning.

Shen Ning's face changed color.

Just now, she just gently helped the child to fasten it. In order not to hurt her, she was very careful and never caught a single hair of her.

This little girl is lying...

Her eyes were dark.

"No, Daddy, Lan Lan is a liar, just now Mommy caught her hair carefully, and she framed Mommy." Coco immediately pointed it out loudly.

But Li Zhenting obviously didn't believe it, but he didn't say anything. He just rubbed Lan Lan's head with his hands, hugged her to the passenger seat, and said a few words of comfort before driving to the gate of Blue Whale Kindergarten.

Shen Ning just sent Ke Ke and Ding Ding to the campus, and Lan Lan, she dared not touch her anymore.

"Get in the car." Li Zhenting said to Shen Ning after sending Lan Lan to the kindergarten.

Shen Ning lowered his head, his complexion was very bad, and his eyes looked at Lantian Kindergarten from time to time.

Is Xiaoxiao here?

I haven't seen my daughter for several days, she really misses her!

What makes her even more chilling is that Lan Lan is only five years old, and she has learned Shen Mei's way of lying and scheming. This makes her feel very heavy, and she is even more worried about the safety of Ke Ke and Ding Ding staying in Li's house in the future.

Especially, they also have a blind daddy.

"No need, Mr. Li, you go first, I have something to do." She replied coldly.

Li Zhenting narrowed his eyes.
