

Troublemakers 261

Chapter 261 Why are you hiding here and crying?

"Hey, Zhen Ting, if you dote on Lan Lan like this again, it won't be good for her." Li Wanqing shook her head, "Look at how serious Ke Ke and Xiao Xiao are when they eat, they won't waste a single grain, they can eat whatever they want at home What, this is a good boy."

Under the education of Shen Ning, Ke Ke and Xiao Xiao eat well and are not picky eaters, but Ding Ding and Lan Lan do not have such a good habit.

"Mom, Lan Lan is only five years old and still a child, so don't worry so much, I'll take care of myself." Obviously, Li Zhenting didn't take it seriously and couldn't listen.

Li Wanqing shook her head helplessly. Lan Lan has many shortcomings. If she didn't teach her when she was a child, it would be difficult to teach her well when she grows up. But she can't do anything about her son spoiling her.

Xiao Xiaoda looked at Daddy holding Lan Lan with her big eyes, her voice was gentle and her face was full of concern, not to mention how sad she was.

She was eating the meal, tears fell uncontrollably.

Shen Ning looked at Xiao Xiao, very sad.

After eating, Li Zhenting really took Lan Lan out to eat hand-made beef **** and beef intestines.

"Mummy, why doesn't Daddy like me?" After Shen Ning took Xiao Xiao upstairs, Xiao Xiao was depressed and asked in a low voice.

Shen Ning stroked her head and smiled: "Silly boy, how can there be a father who doesn't like his daughter, not to mention my little one is so cute, it is because of this that Daddy likes Lan Lan and treats her Okay, because Lan Lan is his daughter, but Daddy doesn't know that you are his daughter now, so he doesn't treat you that well, but don't take it to heart, he will treat you well when he knows in the future ."

"Okay." Xiaoxiao nodded sensibly.

Shen Ning hugged her into his arms, patted her on the back, and comforted her. With Mommy's comfort, Xiao Xiao quickly let go of her mind.

The night is gloomy, with a crescent of stars and moon hanging in the sky.

After the children fell asleep, Shen Ning stood on the balcony and stared blankly at the shadow of the tree.

She remembers very clearly that when she was ten years old, she had dinner with her father Shen Deshun and Lan Feimica and her daughter.

Just like today, she was knocked off her chopsticks by Shen Mei because she caught a chicken leg. She was not reconciled, and replied, "You are not the only one who can eat chicken legs." Immediately, Lan Feiyun pointed at her nose and scolded her. She's a bitch.

Shen Mei was crying and fussing.

That night, her father, Shen Deshun, slapped her hard. That slap made her eyes full of stars, and she couldn't stand still, and blood flowed from the corner of her mouth.

She staggered upstairs and fell on the bed crying.

In the middle of the night, she had a headache and tinnitus, and developed a high fever, but no one in that house cared about her life or death. When she was so feverish, she thought she was dead.

Fortunately, her fate was tough and she carried it over.

It was that slap that gave her a headache for more than a month, until now when she thinks about it, she can still feel the pain and heart-wrenching pain.

Since then, in that family, she no longer dared to pick up food first, and could only eat some of their leftovers.

It's just that she doesn't want to think about the past. Just thinking about it a little bit will make her miserable.

She lowered her head, her face was already covered with tears.

"Why are you hiding here and crying?" A man's voice came from behind at some point.

She was startled, turned around, and Li Zhenting was already standing beside her.

"It's nothing." She turned her head and wiped away the tears on her face, and looked at him coldly: "Is there anything wrong with Mr. Li?"

"Who bullied you?" Li Zhenting looked at her suspiciously.

"No." Shen Ning sneered: "Mr. Li, it seems that the beef **** tonight are delicious. Lan Lan must have had a good time."

"Yes, do you want to eat too?" Li Zhenting's lips curled into a smile.

"I don't want to." Shen Ning said coldly, "It's just Mr. Li, do you think Lan Lan did the right thing tonight?"

Chapter 262 It's up to you to decide whether to go or not

"Whether it's right or not, my daughter can eat whatever she wants, and no one else has the right to compete with her."

Sure enough, it was Li Zhenting!

Talking is horizontal!

He meant that Xiaoxiao shouldn't **** Lan Lan's beef balls.

But Xiaoxiao is also his biological daughter, besides, is it really good to cultivate a child's sense of superiority in this way!

"Mr. Li, in your family, you can pamper Lanlan, but what about when she grows up? You are used to the superiority she respects so much, just because she is your daughter, you even broke the little chopsticks, There is nothing wrong with that, but she always wants to go out after she grows up, even if she is the daughter of the Li family, she still wants to marry and work, have you ever thought about whether she will be able to adapt by then?"

"The child is still young, I will give her a good education, and she will understand everything by then, so there is no need to bother about such a trivial matter." Li Zhenting still defended his weaknesses.

Shen Ning persisted and said: "Since you have agreed to Xiaoxiao to come to your house, you should treat them equally, otherwise it will be a kind of harm to the child."

Li Zhenting frowned: "Shen Ning, is that why you are secretly crying here?"

"You think too much." Shen Ning sneered, "I'm just speaking for a little girl. Under normal circumstances, being a parent should educate your child impartially and set a good example for her. It's not selfishness."

She turned and walked towards the bedroom.

Li Zhenting narrowed his eyes.

This woman is so angry because of someone else's daughter!

He also just wanted to comfort Xia Lanlan. After all, her mother, Shen Mei, is no longer at this house, and the child is still young, so it's normal to be a little emotional.

"Shen Ning, there is a foreclosure meeting tomorrow night, do you want to attend?" Just as Shen Ning was about to enter the door, Li Zhenting followed and held the door with his hands, and asked lightly.

"Not going."

"It's about the collateral of the Shaw Group, including some antiques." Li Zhenting continued to speak calmly.

Shen Ning's body was shaken suddenly, and he stopped.

Shaw Group, isn't that the company of grandma's family?

"Is something wrong with Shao?" Her face changed color and she turned around.

"It's something." Li Zhenting's eyes were still faint, "Your uncle bet against Chengdong Wu's family. If you lose, you need to pay 500 million yuan in compensation. Now that the time is up, your uncle can't pay the money, so the court can only Compulsory execution, all Shaw's property will be subject to compulsory auction until enough money is collected."

Shen Ning's face suddenly turned pale.

"I'm just telling you, it's up to you to decide whether to go or not." Li Zhenting turned back and went to the study.

Shen Ning's head was dizzy for a while, and he stood firmly by holding on to the door frame.

This day is still here!

She really didn't expect Shao's ending to come so soon!

Streamer nightclub.

Shen Mei sat at the bar and drank one cup after another.

She was kicked out of Li's house by Li Zhenting, let alone married, now she can't even see Li Zhenting's face.

These days, the media is full of loving and beautiful pictures of Li Zhenting and his ex-wife Shen Ning:

He picked her up from get off work, they picked up the children together, took her to the movies, bought her gifts, looked at her affectionately, even opened the car door for her, and had dinner with her...

She was completely abandoned.

Painful, loss made her hate and angry, raised her head, and poured the whole glass of strong liquor into her mouth, her eyes gleamed with hatred.

the next day.

Shaw Group Conference Center.

When Shen Ning rushed over, many people had already arrived in the conference center, including the court staff.

Shaw's family property was auctioned, and there are still many insiders interested in it.

Jun Meizhen's natal family was a well-known master of porcelain at that time, and the Shao family even made their fortunes on antique jade wares.

It is conceivable that the rich and powerful people of the entire upper class and some collectors will be present.

Chapter 263 I want to ask you something

"No, we have to separate the family first. These antiques belong to our house. Your husband lost the bet. If you want to take the auction, it will be auctioned by your family." When Shen Ning came to the living room of his grandmother's house, the eldest aunt Tang Lingjie and Wu Lili His face was flushed from the noise, and things in the living room fell to the floor.

"Is the company owned by our family? Don't we each get 50%? When you split the money, you wished you could have it all. Now that you've lost it, you don't want to pay any of it. How can there be such a good thing in this world. "Tang Lingjie's voice was already hoarse, "The gambling is decided by the company, and our family Wenqing is not the only shareholder of the company. Wen Bo also signed it at that time. Why do you say that our family lost? Do you still want it? Nodding your face."

"You call me shameless." Wu Lili rushed up and beat Tang Lingjie in the face viciously.

"Bitch, shameless mistress, how dare you hit me." Tang Lingjie was not easy to bully, so she immediately picked up a chair and threw it at her.

The two hit a ball.

Shen Ning shook his head and walked towards grandma's bedroom.

To her surprise, Jun Meizhen was lying on the hospital bed very calmly, and her two sons, Shao Wenbo and Shao Wenqing, were standing in front of her with their heads drooping.

"Grandma." Shen Ning was very sad, and walked up.

"Ning Ning, you are here." Jun Meizhen saw Shen Ning, with a smile on her face, and waved to her: "Come here, let grandma see you."

Shen Ning walked over obediently, and stood in front of her old man's bed.

"You two go out, I have already taken out all the things that should be taken, and now I am penniless, this is the last time I will help you, I am old, and you will go on your own in the future, I still have I need to explain a few words to Ningning." Jun Meizhen drove the two sons out.

"Grandma, don't worry, even though you lost the bet, as long as the two uncles fight for each other in the future, there will still be a chance to make a comeback." Shen Ning felt that his comforting words were extremely weak.

These two uncles are not material for doing business at all. It is almost predictable for Shaw to get to where it is today, but I didn't expect it to be so fast.

If, the second aunt, Li Yuanyuan, hadn't left...maybe...but there are no ifs in this world.

"Ning Ning, you don't need to say this, I understand it in my heart." Jun Meizhen smiled bitterly, she knew best how her son was doing.

Shen Ning clenched grandma's hand with a heavy heart.

"Ning Ning, grandma wants to ask you something." Suddenly, Jun Meizhen struggled to sit up, holding Shen Ning's hand tightly with both hands.

"Grandma, please tell me if you have anything to do, as long as it is within my ability, I will definitely help."

"Okay." A gleam of light flashed in Jun Meizhen's cloudy eyes, took out a small black wooden box from under the pillow, took a breath and said, "Ningning, I want you to help me find some dollars. Give this to her, and tell her that in the Shao family, she is my eternal daughter-in-law."

Shen Ning was stunned.

"Ningning, can you do it?" Jun Meizhen asked expectantly.

Shen Ning was a little puzzled: "Grandma, wouldn't it be better for you to send someone to find her yourself? I'm just a junior, so I guess she won't give me face."

"Hey." Jun Meizhen sighed heavily, "The Shao family hurt her too much, I don't have the face to see her."

Shen Ning was silent for a while and agreed: "Okay, grandma, I will definitely find her and give this to her."

"Thank you, Ningning." Jun Meizhen smiled calmly and breathed a sigh of relief.

Shen Ning put the small wooden box into the bag he carried with him, comforted his grandma, and walked outside.

Chapter 264 Hidden Dragon Crouching Tiger

conference Center.

When Shen Ning walked in, the inside was already full of people, and the staff of the court and notary office sat solemnly on the front right.

She found a seat and sat down quietly.

A staff member picked up the wireless microphone and announced that the foreclosure would start immediately.

The host stepped onto the stage.

A beam of white light shone from above and hit the beautiful host.

The host, with bright eyes and white teeth, was succinct and agile, and was about to speak when suddenly, a mother and daughter rushed in from outside.

The eyes of all the people in the audience immediately fell on them.

"I didn't come here until the beginning, and I sneaked in through the back door when I was late, and I came in from the front so swaggeringly, I thought who I was, this is a foreclosure, not those commercial auctions." Someone commented dissatisfiedly below .

Everyone looked at the mother and daughter with contempt.

Lan Feiyun smiled, and was already very comfortable with this kind of situation.

"I'm sorry, I'm sorry." She clasped her hands together and said modestly to everyone, but she walked towards the center with her chest held high and Shen Mei.

This position was specially reserved for her by Wu Lili.

Her steps were windy, her gestures were noble and elegant, and she sat down in the middle seat gracefully.

This position is usually reserved for important people, and everyone can immediately guess her identity.

And Lan Feiyun just wanted to show off, to show everyone off, and don't always compete with her when bidding.

A disdainful sneer floated on the corner of Shen Ning's lips.

This mother-daughter duo has a knack for being the center of attention wherever they go, and always manages to grab everyone's attention.

She followed Lan Feiyun and saw her biological father Shen Deshun beside her.

Her eye circles turned red, and she bit her lips tightly.

Grandma's company, he, Shen Deshun, is the least qualified to come here, and he also brought San'er and San'er's child here, which is really a humiliation to her mother.

Suddenly, she had a bad premonition in her heart. She always felt that there would be some conspiracy by Shen Deshun coming tonight. Generally speaking, he is not interested in things that are not beneficial.

"Ms. Shen, hello, someone invites you to go over there." At this moment, a hostess lady in a cheongsam came over, bent slightly in front of her, spoke in a low voice, and made a "please" gesture.

"Is someone looking for me?" Shen Ning was astonished.

"Yes, Miss Shen, please come with me." The hostess was very polite.

Shen Ning had no choice but to stand up, and when she stood up, she unexpectedly saw Jing Chenxi in the crowd.

When she looked at him, he was looking at her, smiling and nodding at her.

Shen Ning also smiled at him.

Today is really a hidden dragon and a crouching tiger.

The Shaw family's wealth will attract so many people!

She walked behind the Miss Manners.

After a while, the hostess took her to the VIP area in the front row.

Her eyes widened.

I saw only one young man sitting there in the entire VIP area.

The man was dressed in a light gray straight suit, elegant and dignified, with alternating long legs, holding a cigar in his hand and gracefully putting it into his mouth.

After Shen Ning came over, he looked at her with unfathomable eyes.

"President Li, are you here too?" Shen Ning was a little surprised.

"sit."

Li Zhenting pointed to the seat next to him, and waved to the hostess.

The hostess retreated immediately.

"What? I can't come? I told you last night." After Shen Ning sat down, Li Zhenting's body leaned towards her. Jumped inexplicably, and naturally moved his body to the side.

Chapter 265 Can't you learn to be reserved?

Li Zhenting seemed to have noticed it, and smiled softly.

Shen Ning squinted at him.

It was indeed he who told her last night, but he didn't say that he would come to participate.

Besides, the little Shao's assets are not in his eyes, and he was able to participate, which surprised her.

"Come, drink some red wine." Li Zhenting picked up a glass of French red wine with his slender fingers and handed it to her.

Shen Ning reached out and took it.

This man can live like a party on any occasion, leisurely!

There were only the VIP guests at the front table at the entire auction site. It is conceivable how much face Li Zhenting's arrival is.

"Mom, Zhenting is right in front, I'm going." Here Shen Mei followed Shen Ning's figure and saw Li Zhenting who was sitting in the front row with great admiration, her eyes immediately turned red.

She didn't expect Li Zhenting, the richest man, to come to this occasion. When she first entered the arena, she was only focused on showing off herself but didn't see Li Zhenting.

At this time, I was excited and excited.

What about Li Zhenting, he must have seen her.

"Don't go, sit quietly." Lan Feiyun grabbed her.

"Mom, I must go. Ever since I was driven away by him, it's hard for me to see him. Now this is my chance. I'm going to meet him and complain to him." Shen Mei looked at Shen Ning sitting next to Li Zhenting, and the two People's words and deeds are intimate, and they are so jealous that they lose their reason, and their emotions are extremely agitated.

"Do you think this occasion is appropriate? Will he talk to you?" Lan Feiyun gave her a blank look, why did she give birth to such a mindless daughter, sticking to this occasion will only make Li Zhenting look down on her even more, It is also more self-indulgent, boring, and embarrassing, "Can't you learn to be reserved?"

"Mom, I won't be able to see him again." Shen Mei was so anxious, full of unwillingness, she looked at Li Zhenting's back anxiously.

"Don't forget your purpose of coming here today, calm me down and don't make trouble." Lan Feiyun warned in a low voice.

Seeing this, Shen Mei could only sit obediently, but she watched the man she loved and that **** sitting in the most prestigious and conspicuous position in the front row, her heart was filled with resentment and unwillingness.

Shen Deshun looked at Shen Ning who was sitting with Li Zhenting in front of him, and asked in surprise: "Why did Shen Ning get together with Li Zhenting again? When did she get on good terms with Li Zhenting?"

Anger spewed out of Shen Mei's eyes, and she added fuel and vinegar and said: "Dad, she deliberately destroyed my marriage with Zhen Ting, and kept using her children to slander me, and now she finally succeeded in getting Zhen Ting to drive me away. It's so shameless."

Shen Deshun's face darkened.

However, he didn't seem so angry.

No matter what, Shen Ning is also his daughter. Although she is not as close as Shen Mei, no matter who Li Zhenting chooses to be with, they are all his son-in-law. In this way, the business of the Shen Group will not worry.

In fact, in private, he still has some appreciation for Shen Ning, his daughter.

For so many years, he loves Shen Mei and never gave Shen Ning anything, but she is better than anyone else.

Shen Mei saw what her father was thinking, and became even angrier, her fingers clenched into fists.

At this time, the first treasure of today's auction was displayed on the projector: a piece of Song Dynasty porcelain with five-color glaze, which was extremely gorgeous. This release attracted the attention of ancient collectors.

They started taking turns bidding, and finally sold for 80,000 yuan.

Immediately afterwards, several porcelain antiques were auctioned in succession, all of which fetched high prices.

Next, when a treasure was released on the projector, it caused a commotion.

Chapter 266 He feels guilty towards her

Shen Ning looked at the treasure sadly, the Sleeping Beauty suit made of violet jade, pink crystal, diamond, and three kinds of gemstones.

It is said that it is a treasure handed down from generations of the Jun family.

When Jun Meizhen got married, the dowry given to her by the Jun family.

Since this treasure came to Shaw Group, the Shaw Group has started the most glorious time for thirty years.

Now, with the decline of the Shaw Brothers, this treasure is also facing the fate of being auctioned, which indicates that a generation of glorious Shaw Brothers is coming to an end.

"Wenbo, didn't you promise to give this treasure to me? How could it be auctioned?" Wu Lili, who was sitting in the audience, was furious after seeing this treasure.

At that time, she would marry this half-old man because she heard that Shao had a lot of treasures, but she didn't expect that now, she didn't get any of them.

"Lili, Shaw is facing a crisis now, let's pass this test first, you are still young, as long as you are willing to work hard, you will earn back in the future."

Wu Lili was mad with hatred, struggling? She doesn't want to struggle, all she wants is wealth.

"Wenbo, what else can you give me?" She asked angrily.

Shao Wenbo closed his eyes.

Wu Lili rushed out angrily.

"Mom, quickly take a picture of this, I want it." Shen Mei's eyes widened after seeing this set of jewelry, and she hurriedly shouted at Lan Feiyun.

Lan Feiyun's eyes shone with a dim light, and he looked around.

There are many wealthy and well-known people present today. When it comes to competition, their Shen Group has no advantage. Unless Li Zhenting makes a move, they can be sure.

But she will not stand idly by. After all, she and Wu Lili have reached a certain kind of conspiracy long ago, the purpose of which is to carve up the shares of Shaw Brothers. They want to take this opportunity to sell the shares of Shao Brothers at a low price. The purpose of their partnership is to deal with uncle family.

Wu Lili is currently the daughter-in-law of the Shao family, and Shen Deshun can be regarded as half of the son-in-law of the Shao family.

Although the identity of this son-in-law is a bit embarrassing, Shao Meiqi never divorced Shen Deshun until she died.

A skinny camel is bigger than a horse!

Even if Shaw Brothers faces a forced auction, the remaining assets will not be less than 500 million, which is enough to drive them crazy.

"What? Do you like it?" Li Zhenting glanced at the jewelry on the projector with his gloomy eyes, and asked lightly.

"I don't like it, but it hurts me." Shen Ning had tears in his eyes.

Li Zhenting looked at her with some surprise: "Do you feel sorry for Shao Brothers?"

"Yes, just as I feel sorry for Gu Qi, Gu Qi is my mother's painstaking efforts, Shaw Brothers is my grandmother's hard work, the two elders I love the most, the place they love the most." Shen Ning's tears fell uncontrollably down.

"It seems that you have a deep relationship with your mother and grandma."

"Of course, my mother is my only true love in this world. Where would I be without her? Grandma is the elder who treated me best in this world." Shen Ning thought of his mother's death, and the light in his eyes was cold and painful, the eye circles were red, and the heart-wrenching expression made Li Zhenting shocked and guilty.

The reason why Shen Ning appeared in front of his room that night six years ago was precisely because her mother was facing death and she had to come to beg him, but...

At this point, he felt guilty towards her.

Holding a red wine glass, he lowered his eyes, which were dark and gloomy.

"Fifty million."

"Eighty million."

"One hundred million."

"Twelve thousand."

...

The prices are layered on top of each other, and finally stopped abruptly at 200 million.

Shen Ning lowered his head, wiping his tears with a tissue.

Shaw's loss was too sudden. If she could be given a little time, a year or so later, she would still have a chance to stand up for her grandma, but now, she could do nothing.

Chapter 267 feels like a dream

"Two hundred million, one time."

"Two hundred million, twice."

"Two hundred million, three times."

Just when the host was about to make a final decision, suddenly, a magnetic and majestic voice sounded in the entire venue, the voice was not loud but enough for everyone to hear clearly: "Three hundred million."

The audience was silent for a moment, and after a while, the host shouted loudly: "Young Master Li, 300 million."

"Three hundred million, the first time."

"Three hundred million, the second time."

"Three hundred million. For the last time, is there anyone who will offer a higher price? If not, I will drop the hammer."

With a sound of "boom", the host finally dropped the hammer.

"Congratulations to Young Master Li for getting this set of Sleeping Beauty jewelry. Congratulations, please come to the stage to receive the jewelry, Young Master Li." The host shouted excitedly, and opened a special session for Li Zhenting.

Shen Mei looked at him in surprise.

How could Li Zhenting pay such a high price to buy it?

Does he need this treasure?

"Come." At this moment, Li Zhenting stood up and stretched out his hand to her.

"Me?" Shen Ning was extremely unconfident and surprised.

"Yes." Li Zhenting nodded slightly, took her hand, and walked towards the stage.

"Young Master Li, congratulations, this set of Sleeping Beauty jewelry is yours." The hostess said with a smile all over her face.

The hostess immediately came up with a set of jewelry on a red tray with both hands, and presented it to Li Zhenting with a smile.

Li Zhenting took it, but handed it to Shen Ning with both hands. The magnetic voice was particularly pleasant: "Shen Ning, this is for you."

"Give it to me?" Shen Ning was shocked.

"Yes, please accept it." Li Zhenting was very gentlemanly on this occasion, with a very friendly attitude, "You gave birth to a pair of sons for me: Coco and Ding Ding, I should thank you, you deserve it."

"Wow", the audience was in an uproar!

After all, before this, the things about Li Zhenting, Shen Ning and their children had only been circulated on the Internet, and no one had been confirmed, but now Li Zhenting not only admitted it in front of so many people, but also spent 300 million to Shen Ning Take a photo of a set of jewelry and give it to her. This is a direct announcement.

For a while, the spotlight flashed non-stop, and there was warm applause from the audience.

Shen Ning wanted to refuse at this time, but he couldn't refuse no matter what.

Not to mention that this set of jewels was originally the dowry of grandma, she wanted to redeem it for grandma, and now Li Zhenting redeemed it for her, which is what she thought in her heart.

and

On this occasion, Li Zhenting admitted to Coco in front of everyone, and even gave her jewelry. At least, he had no malice.

If you don't accept it at this time, it will be too embarrassing for him.

Men are good-faced.

And the fight between her and Li Zhenting over the custody of Ke Ke is also a headache for her. Instead of losing both sides in the fight, if the relationship between the two can be eased and a compromise can be found, it will be good for her son, so why not do it.

"Thank you." She thanked with a smile, took the gift with both hands, and bowed to him to express her gratitude.

There are envious eyes under the stage.

Until she walked off the stage holding the set of jewelry, Shen Ning was still in a trance, feeling as if she was dreaming.

She really didn't believe that Li Zhenting would spend 300 million yuan to take this set of jewelry and give it to her.

"Boss Li, why did you do this?" They sat down under the stage, and Shen Ning looked at the jewelry in his hands and asked in puzzlement.

"It's nothing, this jewelry originally belonged to your grandma, and I just gave it back to you, and you deserve it." Li Zhenting's eyes were bright, and the corners of his lips were slightly raised, "Why don't you open it and have a look?"

Chapter 268 Don't Understand Style

Shen Ning slowly opened the jewelry box.

The purple of violets, the bright pink crystals, and the streamer of diamonds, the three-phase intersection, coupled with exquisite craftsmanship, emits a bright light, enveloping Shen Ning.

A voice of admiration came from behind.

Shen Ning shook his hands, and immediately closed the jewelry box, his heart was beating, and a trickle flowed through his heart.

This is the first time since she returned to the imperial capital, she has such excitement.

And this time, she can be sure that Ke Ke didn't force him! He took the initiative to redeem it for her.

"Cold-blooded." Li Zhenting was probably worried that Cai would show too much, so he called cold-blooded, "Come in."

Soon, Leng Xue walked over silently from one side.

"First help Miss Shen send this set of jewelry back to Li's Castle."

"good."

With a cold-blooded promise, he was about to bend down to pick up the jewelry in Shen Ning's hand.

After thinking for a while, Shen Ning said: "Mr. Li, thank you very much for redeeming this set of jewels. I will definitely find a way to return the money to you in the future. However, my grandma is currently sick in bed. I want to pay you back immediately." Give them back to her, so that her old man can get some comfort."

Li Zhenting's face turned cold, this woman actually wanted to pay her back the money, she really didn't understand style.

"Do you think it's appropriate to return her to the old man at this time?" He immediately asked back.

Shen Ning was startled.

Out of the corner of her eye, she felt a venomous gaze coming towards her, and when she looked up, she saw Wu Lili's face beyond recognition due to jealousy, and she couldn't help breaking out in a cold sweat, and immediately understood What Li Zhenting meant.

"Assistant Leng, I'm sorry." She immediately handed the jewelry to Leng Xue.

Cold-blooded bent down to take the jewelry, and carried it out carefully.

The auction is still going on.

The Shao family and the Jun family still have a lot of antiques, and they are continuing to be auctioned until they collect 500 million.

"I'm so **** off, bitch, you actually took away our family's jewelry." Li Zhenting immediately let Wu Lili know about the sleeping beauty that Li Zhenting spent 300 million to give to Shen Ning, and she ran over. At that time, Li Zhenting had already brought Shen Ning off the stage. She saw with her own eyes that Shen Ning was full of excitement, holding jewels in both hands, sour and jealous, and furious.

Sure enough, after Li Zhenting knew that Shen Ning had given birth to a pair of children for him, his impression of her changed completely, and he even spent 300 million to buy such an expensive jewelry for her. This woman is really lucky, that's great dead.

She was sore and unwilling.

Under the platform.

Shen Mei's eyes were also red.

"Mom, it's you who didn't let me go to Zhen Ting. Now it's over. He took such an expensive treasure for her, and I have nothing." Shen Mei cried so hard that she couldn't help herself.

"Okay, don't be ashamed." Of course, Lan Feiyun is also envious and jealous, but at this time, she has no choice but to say, "Do you think that if you go to him, he will take pictures of Sleeping Beauty for you?"

Wishful thinking, just now we came in At that time, he saw you, but he invited Shen Ning to sit with him instead of you, do you still want to embarrass yourself?"

Shen Mei also understood this truth, so she could only suppress the impulse of anger in her heart, and sat sulking.

Ten minutes later, the host announced a fifteen-minute intermission.

Shen Ning exhaled, relaxing his tense mood.

Sudden

The sound of a WeChat message came from the mobile phone.

She opened it and saw that it was sent by Jing Chenxi.

"Ningning, please come to the north gate of the conference center, I have something to tell you."

She turned her head away immediately.

Sure enough, Jing Chenxi was no longer at the venue.

What will happen to him?

In this case, it shouldn't be a trivial matter for him to send her a message.

Chapter 269 You are not worthy

"Boss Li, I'm going to the bathroom first."

"good."

Shen Ning stood up and walked outside.

Li Zhenting glanced at her back lightly, and his eyelashes drooped again.

"Zhen Ting." Not long after Shen Ning left, Shen Mei ran over and looked at him tearfully.

Li Zhenting raised his eyes slightly: "What's the matter?"

"Zhen Ting, I miss you and Lan Lan so much." Shen Mei sat down beside him, leaning against him, crying, "I know you're angry with me, but I'm also Lan Lan's anyway. Mommy, I miss our daughter."

Li Zhenting frowned, and sat up straight at once, with an impatient expression on his face, but the second half of her sentence made him calm down.

She is playing the daughter card!

Yes, she and Lan Lan haven't seen each other since she left.

Lan Lan is her biological daughter after all.

At this point, he seems to be a little too cruel to her.

"Well, I will ask Xiao Zheng to take Lan Lan to your house tomorrow, and you can stay with her for a few days." He replied after pondering for a while.

"But what about you, don't you miss me at all? Zhenting, I love you, I just want to be with you." Shen Mei was going to grab Li Zhenting's arm out of habit.

Li Zhenting withdrew his arm, and said in a cold voice, "Shen Mei, after you did something that hurt my son, the relationship between us is over. I hope you can love yourself in the future."

Shen Mei burst into tears when she heard the words: "Zhen Ting, you promised to marry me yourself, did you change your clothes because of this? I am like this because I love you, you have changed, even if I did something wrong, but You punished me too, why are you still so indifferent to me? Shen Ning gave birth to a pair of sons for you, and I also gave birth to Lan Lan for you. "

Li Zhenting's eyes were piercing: "Shen Mei, there is no way I will marry a vicious woman who wants to harm my son and turn my son into a fool. You are not worthy."

He stood up and walked outside with a dangerous light in his eyes.

He was really furious when he mentioned this, this woman is too vicious.

But at this time, Shen Mei was so stimulated by Li Zhenting's indifference that she lost her mind, and even rushed up in public and hugged him from behind. It's so callous."

Li Zhenting's face instantly became horrifying, exuding a cold and high-pressure atmosphere all over his body, and the people around him were so quiet that they were too scared to make a sound.

"Zhenting, I'm sorry, I'm sorry." Lan Feiyun immediately ran over with a flattering smile, "Meimei is too naive, she only knows how to love you, but she doesn't know how to love you, hey, this child is really temperamental, It's all my fault, I usually pamper her too much, don't take it to heart, I will criticize her when I go back, and tell her not to do this next time."

She broke away from her daughter's hand and pushed her aside, while she squatted down and straightened Li Zhenting's wrinkled suit by Shen Mei. When there was a little dust on his leather shoes, she actually wiped it off with the sleeve of her luxurious jacket for him, her humble attitude moved people.

Li Zhenting's gloomy face improved a lot.

Lan Feiyun is an elder after all, and he apologized to him in front of so many people, with a sincere attitude.

He gained face, and walked away without saying anything.

"Mom." As soon as Li Zhenting left, Shen Mei came over with tears all over her face, and took Lan Feiyun's hand.

Lan Feiyun gave her a hard look, and dragged her to the outside.

"My stupid daughter, why don't you listen to me? At this time, when he doesn't like you, you have to go up to him and make a big fuss. Isn't this just asking for boredom? Why do you I don't understand a man's mind at all." Lan Feiyun took her outside, pointed at her forehead and scolded her.

Shen Mei lowered her head and wept.

"Don't worry, Mom has everything. Don't worry, Mom will take it back for you." Lan Feiyun really felt sorry for her daughter, wiped her tears with a tissue, stretched out her arms and hugged her, comforting her.

"Thank you, Mom." Shen Mei felt a little more at ease.

Chapter 270 is all for you

The North Gate of the Conference Center.

When Shen Ning walked over, Jing Chenxi was already waiting there.

"Mr. Jing, what's the matter?" Shen Ning smiled politely.

"Ning Ning, the Shao family may be completely destroyed this time." Jing Chenxi said directly.

Shen Ning's face turned pale: "Why?"

She doesn't know much about what's going on inside the Shaw Brothers now, but Li Zhenting has already paid 300 million yuan to the 500 million yuan in compensation that was originally relatively difficult. She doesn't believe that Shaw Brothers will have to pay for the remaining 200 million yuan. have to perish.

"Because someone wanted to take the opportunity to kill it." Jing Chenxi looked serious.

"Who?" Shen Ning blurted out.

"Don't you feel it at all?"

Shen Ning was stunned, Wu Lili's arrogant face immediately flashed in his mind, and his heart sank.

"Wu Lili has colluded with your father to sell Shaw's shares at a low price, because part of the Shaw Group's business is undertaken by our company, so I was the first to learn about this development." Jing Chenxi said bluntly.

"My dad?" Shen Ning felt unbelievable, "What does Shaw have to do with my dad? Why can he buy shares?"

"Your mother is the daughter of the Shaw Brothers, and your father can also be regarded as the son-in-law of the Shao Brothers. He originally didn't dare to participate, but with Wu Lili around, there is nothing he can dare to. She took it, but in order to deal with your aunt's family, she can only cooperate with your father, Lan Feiyun, to divide up the company's property."

Shen Ning took several steps back in shock and sneered.

How could Shen Deshun have such a face to carve up the Shaw family property? How did her mother die, did he have no idea? Can a person be so shameless!

"Thank you, I understand." She thanked Jing Chenxi in a low voice.

"Ning Ning, are you okay?" Jing Chenxi looked at her pale face with concern and asked.

"It's okay." She shook her head, "Mr. Jing, I'll go in first."

"Ningning, I have some evidence that Wu Lili stole shares of Shaw Brothers, you can take it first." Jing Chenxi took out a stack of data from his pocket and handed it to her.

Shen Ning took it over and thanked: "Thank you, Mr. Jing, I will figure it out."

She looked at the evidence, and for a while she really didn't know who to hand it to. The uncle and uncle were incompetent, and the grandmother was old and seriously ill. Her old man really couldn't hear such bad news.

"Ning Ning, are you and Li Zhenting on good terms yet?" They walked towards the conference center, Jing Chenxi suddenly asked tentatively.

Shen Ning shook his head blankly: "No, it's absolutely impossible. He and I are people from two worlds. We couldn't be together before, and it will be even more impossible in the future. I can still be with him now, just for the sake of our children."

"Ning Ning, do you really not consider me? I am here today because of you. I know the importance of Shaw Brothers in your heart. I just want to help you. In my heart, you will always be number one. One." Jing Chenxi was suddenly agitated, held her hand tightly, pulled her into his arms, lowered his head and wanted to kiss her.

Shen Ning was stunned.

Why did the man who was polite just now suddenly lose control of his emotions?

Just when the man's lips were about to be kissed, she woke up with a start, turned her head to avoid it, pushed him away, and ran towards the inside quickly.

Jing Chenxi stood there staring blankly at her back.

Shen Ning ran to the corner of the side door of the conference center in one breath, leaned against the wall, and his heart was still beating.

She forced herself to calm down and was about to go in.

Sudden

I saw a woman standing under the shade of a tree next to her, wearing a blue-gray dress, slightly fat, with a haggard face, but very dignified and elegant.
