

Troublemakers 271

Chapter 271 Fox pretends to be a tiger

"Aunt Dollar." Shen Ning was pleasantly surprised and immediately walked up.

Li Yuanyuan heard someone calling her, turned to see Shen Ning, was a little embarrassed, turned around and left.

"Aunt." Shen Ning ran over and grabbed her, his eyes shining brightly.

Her two aunts, when she was very young, the eldest aunt hardly met each other, the second aunt was because she happened to be Li Wanqing's cousin after she married into Li's family, and she had visited Li's Castle several times, Just got to know each other.

The impression Li Yuanyuan left on her was that she was unpretentious, didn't like to dress up, and didn't look like a rich man, but she was born with a good temperament, approachable, and she was a good woman.

Unfortunately.

Men are born to love the new and dislike the old, and they like young and beautiful ones.

After Shao Wenbo hooked up with Wu Lili, Li Meimei was so sad and painful that she couldn't restrain herself. She didn't want to divorce when she was middle-aged, but Xiaosan was too strong and shameless, and Shao Wenbo was completely confused by Wu Lili, so she had no choice but to divorce up.

"Auntie, I'm looking for you." Shen Ning said with a smile.

"Ningning, what's the matter?" Li Yuanyuan forced a smile.

She and Shen Ning are both descended from the end of the world, and it is easy to get close to each other. They have also chatted, so Shen Ning still knows some things about grandma's house from her.

"Yes." Shen Ning smiled, "Grandma found me today, she asked me to find you, and said that there is something I want to give you."

"What?" Li Yuanyuan was a little surprised. In Shao's house, Jun Meizhen was the only person she respected.

"I don't know either." Shen Ning took out a small black wooden box from the bag and handed it to her, "You can see for yourself, grandma asked me to tell you that you will always be her best daughter-in-law."

Li Yuanyuan was taken aback, Ge Di's eyes were red, and he asked in a low voice: "Your grandma, is she okay?"

"It's not very good. The current situation of Shao's is also very sad." Shen Ning's voice also lowered.

Li Dollar took the small wooden box and held it in his hand, feeling very depressed.

"Then I'll go first, you go in." She put the small wooden box in her bag, smiled at Shen Ning, turned around and left.

Shen Ning looked at her back with a heavy heart.

Li Meiyuan and his second uncle Shao Wenbo had a son and a daughter. After Shao Wenbo married Wu Lili, the son and daughter hated Wu Lili very much, so they all moved out with Li Meiyuan and rarely returned to Shao's house.

"Shen Ning, what did you hand over to Li Meiyuan?" Unexpectedly, just as Li Meimei left, a fierce voice suddenly came from behind her. When she turned around, she saw Wu Lili staring at her sullenly, with forehead, hands There were bruises all over her body, which were left when she fought with her eldest aunt Tang Lingjie.

"What's none of your business?" Shen Ning raised her eyebrows and said angrily.

Now she wants to vomit when she sees this woman!

"Hmph." Wu Lili sneered, "You are really good at driving Shen Mei away as soon as you came back, and climbed into Li Zhenting's bed. Your ability is so good that even I would be willing to bow down."

"That's right, that's right, no matter how hard a woman like you who is morally bankrupt and ruthless can climb into the bed of an old man, she can only be a shameless mistress. What's more, this mistress is still a defective product. It doesn't match the original parts." Shen Ning laughed mockingly.

Wu Lili turned blue with anger.

"Wu Lili, you have also seen that Li Zhenting listens to me now. Shaw is my grandmother's house. I advise you to be more disciplined, otherwise, I will make you pay the price you deserve."

She sternly left this sentence and left.

She is pretending to be a tiger, and she has no choice but to deal with a shameless woman like Wu Lili, she can only use Li Zhenting's majesty.

In fact, she didn't know how to deal with her.

Chapter 272 Can you be more shameless?

"Shen Ning, you bitch." Wu Lili rushed up and grabbed her, gnashing her teeth, "Don't think that if you climb up to Li Zhenting, you will go smoothly and do whatever you want. Let me tell you, you still have a bastard. It's not Boss Li, do you think Boss Li wants a dirty woman like you who has had children with other men?"

Shen Ning's face paled instantly, this vicious woman actually called her little one a bastard!

Xiaoxiao is her favorite daughter.

Fortunately, no one knows that she is also Li Zhenting's daughter.

"How is it? Are you scared?" Wu Lili looked at her face, thought she had caught her sore spot, and sneered: "Tell you, today I will tell Li Zhenting about you having children with other men, and let him Kick you out."

Shen Ning shook off her hand: "It's fine as long as you're happy, but I've already taken pictures of the evidence about you raising a bad boy outside, and you can't escape."

"Haha." Wu Lili was stunned for a while, her eyes rolled around, and she suddenly laughed:

"Shen Ning, we are right, don't blame me, I want to tell you a painful thing, that is your white villa, I have brought it to auction, it has nothing to do with you It matters."

She doesn't care about her raising a pretty boy. Once this matter is over, she will take the discounted shares of Shaw Brothers and run away. When Shao Wenbo finds out, she and the boy surnamed Wen are already in the Love each other on the plane.

Shen Ning's eyes turned black when he heard it, and he immediately denied it: "Impossible, that villa is still under my name, and you said it was auctioned? Isn't there any law?"

"Hehe, you are really naive. Who is Lan Feiyun? Can she honestly return that villa to you? Don't dream, she wants to kill you now. She has transferred that villa to Shao For this reason, I gave her some shares. Today is the time for us to divide the money. Originally, the villa was going to be under my account, but I think it is old and I don't want to stay in the imperial capital. The auction is gone." Wu Lili said triumphantly.

"You, you are really shameless." Shen Ning was so angry that his face turned livid.

No wonder Wu Lili didn't come to ask her for a villa during this time, it turned out that it had already been in her hands.

Shen Deshun and Lan Feiyun will rush over today, and it really is full of conspiracy.

Suddenly, she was terrified, wondering what other evil deeds these dirty people were doing in private!

Thinking about how ugly human nature is, my mother's dowry more than 20 years ago can still be involved in the Shaw family's property. I really don't know what else they will count in it.

Sure enough

An even more angry thing will come again soon.

"Also, that set of Sleeping Beauty jewelry belongs to Shaw Brothers. What right do you have to take it? I order you to return it immediately, otherwise, I will make you pay a heavy price." The arrogant Wu Lili shamelessly opened her mouth again.

Shen Ning was listening to an international joke. Is this woman crazy about money, and she has no normal thinking.

The set of Sleeping Beauty jewelry was auctioned off by Li Zhenting. It was handled by the court and notarized by the staff of the notary office. Why did she say that she wanted to go back?

Just because she is easy to bully, can she blackmail her!

Doesn't she know Li Zhenting's methods!

"Wu Lili, can you be more shameless?" She asked with a sneer.

"So-so, so-so." She said without shame, "Sleeping Beauty belongs to that dead old woman Jun Meizhen, you are her granddaughter, so what if you give it back to her?"

"Shut up, you dare to call my grandma a dead old woman." Shen Ning was completely enraged.

"So what if you scold me?" Wu Lili smiled with a salivating face, "Damn old woman, dead old woman, why didn't she die sooner."

She scolded without scruple.

Shen Ning couldn't rest in anger, he rushed up and punched her **** the mouth.

Chapter 273 You try to curse again

"Bitch, court death." Wu Lili was furious, and rushed towards Shen Ning viciously.

Shen Ning dodged to dodge, but couldn't help Wu Lili, who had become addicted to fighting during this period of time. She seemed to have been trained, and her skills were particularly strong.

When she rushed over viciously, she used her hands and feet together, and her outstretched fingertips directly grabbed Shen Ning's face, and kicked her feet fiercely at the same time.

No matter how Shen Ning dodges, he will be hit.

"Stop." Just as Wu Lili's fingernails were quickly grabbing at Shen Ning's face, a young man shouted loudly, stepped up and stretched out his hand to quickly pinch her wrist. With such force, Wu Lili's face changed color in pain, and he immediately retracted his hands and feet. went back.

"What are you, how dare you stop me." Seeing that it was a strange young man, Wu Lili immediately yelled angrily.

She didn't know Leng Xue, and she didn't know that he was the person next to Li Zhenting. She just looked at him and was sure he wasn't from the upper class of the imperial capital, so she didn't have any worries.

Looked at her coldly and coldly: "Mrs. Shao, the Shao family is facing being auctioned. As the wife of the Shao family, you actually hit people here instead of caring about your own company. What is that like?"

Wu Lili was furious, pointing at him and scolding: "Bastard, it's none of your business. Didn't you see that she bullied me first and beat me? Are you blind or blind? I think you are probably being bullied You must be fascinated by her arrogance, she really looks down on people, if you dare to touch me again, I will send you to the police station."

There was a cold light in the cold-blooded eyes, and he clenched his fists, and he approached a few steps, with a sinister air: "You try to curse again."

Wu Lili was instantly stunned by the ruthless aura emanating from him, and realized that this man should be a ruthless character, but she didn't know him, so she was a little scared and replied: "You... don't leave if you have the ability, see How can I deal with you."

Said and walked away like flying.

Shen Ning shook his head: "Cold-blooded, thank you."

"Mr. Shen, don't get acquainted with this kind of woman. She won't be arrogant for a few days. Let's go. Mr. Li is waiting for you over there."

He led Shen Ning towards a VIP room next to him.

In the VIP room.

Li Zhenting was sitting on a white lace sofa cushion, with his long legs crossed, a cigar in his hand, and he took a sip from time to time in a graceful posture, looking a little lazy in his elegance.

The coffee table is filled with all kinds of exquisite snacks and fruits.

"Come on, let's have something to eat first, the auction will start soon." Li Zhenting's eyes fell on Shen Ning's face, and he pointed to the sofa beside him.

Shen Ning stood still.

The whole VIP room is just him and her, which doesn't seem very good.

She hesitated for a moment.

"What's wrong?"

"Boss Li, I'd better go sit outside." She didn't want to be alone in a space with him. Recently, there have been more and more rumors about her and Li Zhenting.

Gossip with this devilish man is no fun.

"Why?" The man's sword eyebrows slightly frowned.

"Because, because of the upcoming auction, I want to take a closer look. I want to see what other antiques grandma will auction off, so that I can write them down in detail, and I will help her buy them back when I am able." Shen Ning could only answer like this.

Surely she couldn't say she didn't like being here with him.

Li Zhenting suddenly smiled slightly: "Are you sure it's clearer to stay here?"

Clearer?

Shen Ning was taken aback, but before he could react, the man suddenly grabbed her arm and pushed her onto the sofa next to him like an eagle catching a chick.

Chapter 274 Are you afraid of me?

"Take a good look." Li Zhenting raised Shen Ning's chin.

Shen Ning was forced to look up and saw a large projector in front of him. On the projector, the panoramic view of the entire conference center came into view.

Simultaneous interpretation was used in the venue, and the voices of everyone in the venue could be heard clearly.

She looked at the man next to her in shock. This man was so amazing that he turned her thoughts into reality one by one.

I have to say that the arrogant and black-bellied Li Zhenting turned out to be a delicate and caring man.

"Come on, let's drink a cup of chrysanthemum Luo Han Guo tea to clear your voice, and there is still a good show to watch." Li Zhenting leaned forward slightly, poured a cup of fetal chrysanthemum Luo Han Guo tea and put it in front of Shen Ning.

Now, Shen Ning completely gave up the idea of leaving here.

This is the best, and it will be easier for her to understand the situation of the entire auction.

"Thank you." She took the teacup, and looked at Wu Lili, Lanfei Mica and her daughter who were sitting in the venue, with a chill in her eyes.

Li Zhenting glanced at her, the corners of his lips curved into an arc.

"Is the tea good?" He suddenly leaned over, approached her, and breathed hot air in her ear, his tone extremely warm.

Shen Ning's body trembled, his nerves tensed, and he hurriedly dodged away, looking very nervous.

"Are you afraid of me?" Li Zhenting laughed lowly.

Hmph, who is not afraid! Shen Ning cursed in his heart, just you, the king of hell, who would dare to be in the same room with you without changing your face or beating your heart.

"No, I just don't want others to gossip." But she pretended to be calm and smiled at him.

Li Zhenting narrowed his eyes halfway: "So, many people are gossiping about me. Tell me, who dares to gossip?"

"No, it's just what I heard." Shen Ning shook his head immediately.

She didn't dare to tell him, when the time came, he might not know how to retaliate.

At this time, Li Zhenting's eyes fell on the man sitting on the projector, and he asked in a low voice:

"Mr. Jing is looking around, is he waiting for you?"

"No, absolutely not." Shen Ning was stunned, and the image of him wanting to kiss himself at the north gate just now flashed through his mind. He felt inexplicably flustered, and then shook his head.

Li Zhenting stared at her with gloomy eyes.

She was on pins and needles for a moment, she turned her head away.

But this guy's eyes seemed to dig a hole out of her face, and kept staring at her.

Fortunately, the auction started again at this time.

Li Zhenting's eyes flashed with a very fine chill, but it disappeared quickly.

This time, as soon as it appeared on the stage, it was a gold-encrusted jadeite Guanyin. The jade is delicate and exquisite.

Shen Ning looked at it in a daze.

Six years ago, she gave birth to Ke Ke and Xiao Xiao, and she was still in the hospital. When her grandmother came to visit her, she joked that they were not twins. She had a pair of Jade Guanyin just for them.

Since ancient times, there has been a saying that men carry Guanyin and women carry Buddha.

Grandma gave Coco a Jade Guanyin that day, and also gave Xiao a Jade Buddha.

Now, the other one can only face the fate of auction.

"Eight million, first time, eight million, second time, eight million, third time."

The host is about to raise the hammer to finalize the tone.

Leng Xue suddenly raised the sign in his hand.

"Ten million."

"10 million for the first time, 10 million for the second time, 10 million for the third time, deal."

When Shen Ning was still in a daze, Leng Xue had already photographed it.

Shen Ning smiled: "I didn't expect Leng Xue to like these jades."

Chapter 275 What kind of anger is he making?

Li Zhenting didn't answer, and soon, the door opened, and the hostess came in with a red tray, smiling all over her face.

"President Li, Jade Guanyin is here for you."

Li Zhenting nodded slightly, motioning for her to bring it to Shen Ning.

Miss Etiquette understood, and immediately brought Jade Guanyin to Shen Ning.

Shen Ning looked at Li Zhenting in surprise.

It turns out that this was filmed by him in cold blood, so this is it?

"This is for Ding Ding, you can hold it for him first." He said lightly.

Shen Ning was very surprised.

"Coco has the exact same one, so it must be a pair. If Coco has it, Tintin must have it. The two brothers cannot be separated." Li Zhenting explained beside him, with a firm tone.

Shen Ning's heart trembled when he heard it.

He means, he must want Ke Ke and Ding Ding, they cannot be separated!

What about her?

She turned pale.

It seems that Li Zhenting has seen the Jade Guanyin on Ke Ke's neck a long time ago.

She took it with trembling hands.

She couldn't remember what else was auctioned in the next auction, and she felt uneasy. Just thinking of such a cute and lovely Coco being snatched away by this indifferent and domineering devil man made her feel sad for a while.

In the middle, the door of the VIP room opened.

The coquettishly dressed Wu Lili walked in with a bowl of fruit and a flattering smile on her face.

"President Li, please eat some fruit." She winked at Li Zhenting, squatted down in front of him, and placed the fruit plate on the coffee table.

She was wearing a low-cut **** vest with a black silk jacket over it. When she squatted down, half of her snow-white **** jumped into the eyes of the man.

Shen Ning instantly felt a cheap smell in the VIP room, and was so sick that he wanted to vomit.

Li Zhenting glanced at her with cold eyes, and a monstrous smile appeared on the corner of his lips.

"Are you okay?" Wu Lili not only did not leave after putting down the fruit, but sat down beside Li Zhenting,

Li Zhenting asked lightly.

Wu Lili smiled charmingly: "Mr. Li, your visit to Shaw Brothers today really made Shaw Brothers prosperous forever. As the young mistress of Shao Brothers, I didn't take good care of you. I'm really sorry, and please forgive me."

When she spoke, she moved closer to Li Zhenting, and her tone was more gentle: "Mr. Li, I invited some hostesses to accompany you. Don't worry, these are all female college students who have just entered their freshman year."

A sneer appeared on the corner of Shen Ning's lips.

Obviously, Wu Lili wanted to seduce Li Zhenting. Everyone in the workplace knows that this is a code word for sexual services.

Li Zhenting's ears moved, and the corners of his lips twitched slightly.

Shen Ning felt extremely disgusted, stood up and was about to leave.

"Stop." Li Zhenting stopped her.

"President Li, I won't bother you if Mrs. Shao is here with you." She stopped, turned her head and said indifferently.

Before Li Zhenting could answer, the door opened and a row of beautiful and **** girls walked in.

"Boss Li, they are very considerate and caring, don't worry." Wu Lili smiled ambiguously, "Just let the irrelevant people go, I have something more important to tell you."

Li Zhenting was expressionless: "What's the matter?"

Wu Lili glanced at Shen Ning who was standing there, a vicious and calculating smile flashed in her eyes, and she immediately said, "Mr. Li, you may not know that Shen Ning had a child with another man later, and I witnessed it with my own eyes." As you can see, she must still be hiding it from you, such an unclean woman is not worthy to accompany you."

"Nonsense." Li Zhenting suddenly yelled, exuding a terrifying chill all over his body, raised his hand and knocked the fruit plate on the coffee table to the ground, and shouted sharply, "Get out."

"Ah." Wu Lili and the girls yelled in fright, and ran away like hell.

Li Zhenting stood up and walked out with a sullen face, passing by Shen Ning without even looking at her.

As soon as the living King of Hades left, Shen Ning heaved a sigh of relief, but secretly wondered in his heart, what kind of anger was he making? Didn't she already know that she has a child!

Chapter 276 This big brother Niu is really interesting.

Auction venue.

Shen Ning just walked in when Ge Ran passed a young man.

This young man is fair and beautiful, tall and tall, with a very familiar face, as if he has seen him somewhere.

Shen Ning was taken aback for a moment, then suddenly remembered.

Isn't this the little boy named Wen Wu Lili?

He is so bold that he dared to sneak into Shaw Brothers.

She followed immediately.

Sure enough

Not long after, I saw Wu Lili coming out in a hurry, talking on the phone while walking, ghostly.

Shen Ning smiled coldly, immediately followed them to a reception room, took out his mobile phone to take pictures of them all, and then turned back.

When she returned to the conference center, Li Zhenting was nowhere to be seen. He should have left.

She found a quiet place and sat down.

About half an hour later, Wu Lili hurried over again. This time, her eyes were staring at the jewels on the projector without blinking, and her eyes were full of greedy light...

Shen Ning narrowed his ice eyes in disdain.

She knew that this woman would not be willing to leave here.

At this moment, a white villa appeared on the projector, which was her mother's dowry, and she was very angry.

At this moment, a WeChat message sounded on the phone.

She clicked on it, and it was actually sent by Lawyer Niu.

"Boss Shen, what are you doing?"

"Hello, Lawyer Niu."

After Shen Ning asked Hou, he suddenly asked: "I'm participating in an auction, can I ask you something?"

"Can."

"That's right, my mother's dowry was maliciously stolen by my stepmother and appeared at the auction. Can I stop it?"

"have."

"What way?" Shen Ning was pleasantly surprised.

"Do you have relevant evidence that it is your mother's property?"

"Yes, some time ago, this villa was held in front of all the rich wives in the imperial capital at a tea party. The stepmother has agreed to transfer this villa to my name and signed it. Li Zhenting was also present at that time."

"That's fine, just object directly at the auction. According to the law, properties with objections to ownership cannot be auctioned."

"Okay, thank you, Brother Niu."

This big brother Niu is really interesting.

Shen Ning smiled slightly.

"The starting price is 60 million yuan, and the starting price is 5 million yuan." At this time, after the host introduced the villa, he began to bid.

Due to the hot real estate market and the superior location of this villa, as soon as the host's voice fell, someone started to increase the price.

Shen Ning stared at this villa, with a blood-red glint in his eyes, and the image of her mother's blood splattered in the back garden flashed in her mind.

"Eighty million, the first time."

"Eighty million, the second time."

...

Just when the host was about to yell the final sound for the third time, the emotional Shen Ning stood up and protested loudly: "Judge, I object, this villa is my mother's dowry, and there is no one here. Qualified to auction it."

The venue was instantly filled with surprised voices, and everyone turned their heads to look at her.

Lan Feiyun and Shen Mei immediately stood up and shouted ferociously: "Your Honor, don't listen to her nonsense, this villa is originally the property of Shao's family, and it was kidnapped and sold by her mother maliciously."

Your honor looked at Shen Ning, then at Lan Feiyun and her daughter. He didn't expect such an unexpected scene, so he didn't speak for a while.

Shen Ning walked towards the judge resolutely. There was an electronic file in her mobile phone at the time, and she immediately called it out and showed it to the judge.

The judge hesitated after reading it.

Chapter 277 Brother Niu, thank you

"Judge, this woman is here to make trouble. Don't trust her. The villa is indeed Shaw's property." Wu Lili jumped out angrily and shouted loudly.

Now the auction has sold a sky-high price of 420 million yuan. As long as this villa is sold, the task can be completed.

And there are still several pieces of jewelry on the stage that have not started filming. In that case, the remaining jewelry will belong to her.

She looked greedily at those jewels, wishing to tear Shen Ning's mouth apart.

"Deshun, hurry up and talk. If the shooting of this villa fails, then our debts will be pursued by others. Wu Lili will not let us go." Lan Feiyun was anxious and pushed Shen Deshun beside him.

Shen Deshun cleared his voice, stood up and walked towards the judge, with a smile on his face: "Judge, this villa is indeed my wife's dowry. It was given to us by my mother-in-law at the time. I knew it was illegal, so I returned it to you later." Shaw Brothers."

After finishing speaking, he pointed at Shen Ning:

"She is my daughter, and she has always opposed me finding her a stepmother, so everything is against me. You don't have to believe her."

When he said this, there were five people on the scene refuting Shen Ning.

The judge looked at Shen Ning with cold eyes.

So far

Shen Ning was alone and was in a critical situation. Suddenly, a man with a briefcase came over, bowed his head and said something in the judge's ear.

Soon, the judge's face changed color.

"The ownership of this villa is in dispute, and it does not belong to the category of foreclosure." He patted the gavel and said in a deep voice.

immediately.

The white villa on the projector was replaced.

Shen Ning was excited for a while.

Wu Lili, Lan Feiyun and the others changed their expressions drastically.

If the villa auction fails, their losses will be heavy.

"Judge, why is that?"

"Judge, it was clearly checked at that time, and it was legal and compliant."

They started making trouble.

The judge was furious: "How dare you disturb the foreclosure scene, come here, and throw them out."

Soon, several tall and mighty security guards came.

Wu Lili and Lan Feiyun never dreamed that they would be kicked out on this occasion.

"Brother Niu, thank you, it really succeeded. The judge has already replaced that villa." Shen Ning sat down and excitedly sent a WeChat message to Lawyer Niu to thank him.

But Lawyer Niu doesn't seem to be online, and hasn't sent a message for a long time.

Shen Ning put down his phone, and then began to auction the last few treasures.

Sudden

In the venue, a woman's figure hurried in.

Shen Ning took a look, isn't this Li Yuanyuan, why is she here again.

"Ning Ning, it's not good. Wu Lili, that vicious and insidious woman, got the shares of Shaw Brothers. Now there are many debt collectors outside Shaw Brothers." Li Yuanyuan's face changed drastically.

Shen Ning stood up in shock when he heard the words.

"What can we do? Shaw will die at the hands of that **** today. I don't care, but I still have sons and daughters. They are the real descendants of Shaw. Shaw's family property cannot be completely lost to that bitch." The **** took it away." Li Meiyuan was furious.

"Auntie, don't worry, let's go find them."

Shen Ning stood up and pulled Li Yuanyuan away.

Who knows, when they go out.

Outside

Wu Lili and Lan Feiyunmu and their daughter are having a hard time arguing.

"Lili, I can't refund this money. I've already paid off the debt. As for your side not being able to auction it, that's none of my business." Lan Feiyun said loudly.

"No, I have to get the money back. This villa is 80 million yuan. I can't lose money for nothing." Wu Lili put her hands on her waist and yelled.

It turned out that at that time, she gave Lan Feiyun a chess and card room from Shaw's, and because the Shen Group was short of money, Lan Feiyun sold it.

Wu Lili had no choice but to take back the chess and card room, so she had to ask Lan Feiyun for money, and the two quarreled non-stop.

Chapter 278 Help me avenge

"Wu Lili, you bastard, where did the Shaw shares go?" Before Shen Ning and Li Meiyuan could speak, Tang Lingjie and Shao Wenqing ran over in a panic. When Tang Lingjie saw Wu Lili, he was an enemy. They were extremely jealous when they met each other, and immediately asked angrily.

They've been terrified by the people outside who are pushing in to ask for the bill.

Wu Lili was stunned for a moment, guilt flashed in her eyes, but her voice was unusually loud: "What kind of shares, it's none of my business, how could I know that, why do you ask me, I must be sick."

"Wu Lili, you bitch, Shaw Brothers has been ruined by you now, I want to settle accounts with you." Tang Lingjie was angry.

Wu Lili has long been the vice president of the company, and all the power is in her hands. She must be responsible for all this. This is to dig up Shao's ancestral grave. .

Wu Lili was not a good person, and immediately grabbed Tang Lingjie's hair with her backhand.

The two tore up.

Tang Lingjie was thin and thin. After several rounds, she gained the upper hand.

Shao Wenqing's eyes were fierce, and he rushed up to grab Wu Lili and dragged her to the side, kicked her hard, and cursed: "Damn woman, you have ruined the Shao family, and you are still making trouble here."

Wu Lili howled loudly.

Shao Wenbo also rushed over.

"Wenbo, your brother and sister-in-law beat me together, return it quickly and avenge me." Wu Lili cried to Shao Wenbo.

Shao Wenbo looked at Shao Wenqing: "Brother, beating a woman is too rude."

"Ah bah, you woman is a spider spirit, go and have a look, there are a bunch of people who want to pay for it, it's all her good deeds, and our Shaw Brothers was ruined by her." Shao Wenqing spat hard, He spoke angrily.

Shao Wenbo was displeased when he heard that: "Brother, we are all responsible for the Shao Corporation to this day, how can you blame all the responsibility on a woman."

"Wenbo, if you hadn't married this goblin, and if the second siblings were still around, the Shaw Brothers wouldn't be in this situation now." Tang Lingjie said indignantly.

"Wenbo, are you dead? Help me up quickly." Wu Lili sat on the ground clutching her stomach and cried to Shao Wenbo.

Shao Wenbo immediately stepped up and squatted down.

With a "snap", Wu Lili raised her hand and slapped her across the face, "It's useless, my wife was beaten, and she still stood aside and didn't dare to go forward. What's the use of me marrying you."

After being beaten by Wu Lili, Shao Wenbo did not dare to fight back. He just helped her up in a low voice.

Li Yuanyuan stood aside, sneering disdainfully.

When Shao Wenbo hooked up with Wu Lili to force her to divorce, she was unwilling to divorce, and he became furious and beat her to death several times, even without worrying about his children.

Men are really dogs, they don't cherish what they get, and lick desperately if they don't get it!

"Wu Lili, if you don't settle those debtors today, we won't let you go." Tang Lingjie looked at her fiercely, determined to clarify the matter.

Wu Lili sneered: "It's none of my business, you can solve it if you have the ability, I just hide at home every day, eat, drink and have fun, just a waste."

She walked forward.

"Don't go." Tang Jieling already realized that something was wrong, so she pulled her back.

"Let go of me, I'm going to the toilet." Wu Lili shook her hand violently.

At this time, Lan Feiyun and Shen Mei were quietly watching the big show beside them.

"Wen Qing, we can't let her go. Now there is only an empty shell of Shaw Brothers, and she has sold all the shares at a low price." Tang Jieling looked at Shao Wenqing and shouted anxiously.

Chapter 279 Then let's go for a divorce right away

Shao Wenqing is also very anxious. Although the company's business is not good, there are still business contacts, especially the business contacts with Jing's Group are still profitable. How could this situation suddenly happen.

"Wenbo, the company is in dire straits, you should find your wife to clarify the problem."

Shao Wenbo didn't seem to understand the situation until now, and he was eager to shirk responsibility: "Brother, haven't you been in the company all the time? You don't know, ask me, I don't know either, Lili has been just assisting You, you are the leader, what's the use of asking her? Besides, didn't you come up with the gambling. "

"Wenbo, you're such an asshole, if this continues, we'll have to drink the Northwest Wind together." Shao Wenqing couldn't bear it anymore, pointing at him and scolding.

Shao Wenbo was also annoyed, and quarreled with him blushing.

"Wu Lili, don't go." Seeing that Wu Lili was about to take the opportunity to slip away, Li Meiyuan immediately walked over and shouted angrily.

Wu Lili turned her head and saw it was her, and immediately taunted: "Hey, who am I supposed to be? It turned out to be a divorced Huanglian woman. I don't know what face you have to manage the Shao family's affairs."

"It's useless to stop talking to me about it. Today you have to take out Shaw's shares, otherwise, I won't let you go." Li Meiyuan said sternly.

"Who are you, do you have the right to talk to me like this? You and Wen Bo have divorced a long time ago. Why do you still want to meddle in Shao's family property?"

"Because I am the mother of Shaw's two children, and because you haven't laid a single egg, I have the right to intervene in the company's business. I want to think about my two children." Li Meimei should have learned from Wu Lili a long time ago. Shameless, the blow and humiliation of her has long been indifferent, all she cares about is the interests of the children.

Today, she vowed to clarify this matter.

When Shen Ning handed over the wooden box given by Jun Meilin to her, she walked to a no-man's land and looked at it. It turned out that there was a will in it, and the will clearly stated the assets allocated to her two children. It has reached as much as 60% of Shaw's.

She was touched.

Finally, there is a power of attorney, in which Jun Meilin, as the chairman, authorizes Li Meimei to serve as the director of the Shaw Group's finance department, that is to say, she has already handed over the economic power of the entire Shaw Group to her, and appointed her Immediately assume office.

In this way, Li Yuan immediately returned to Shaw Brothers.

"Let me show you all, this is the will and appointment letter written by Chairman Jun." Li Meiyuan opened the small wooden box, took out the two documents inside and read it out on the spot.

Wu Lili turned pale.

"Now 60% of the company's assets belong to my son and daughter. They are still in college. I have the right to manage them on their behalf until they graduate from college. And I am now the director of the financial department. Just now, I have checked. There are many accounts that are unclear, so I immediately demand a thorough investigation." Li Meiyuan quickly issued an order.

"Dollar, that's great, you're finally back." Tang Lingjie was probably driven crazy by Wu Lili, she was so excited when she saw Li Meiyuan, and when she announced her appointment, she grabbed her hand so excited that she burst into tears flowed out.

There is no harm without comparison. She has suffered so much for Wu Lili these years, but seeing Li Yuanyuan now makes her really happy for her.

Besides, she only gave birth to a daughter for the Shao family, while Li Meimei gave birth to a son and a daughter, and her children got 60% of the shares, so she was convinced.

Li Yuanyuan smiled at her, and patted the back of her hand comfortingly.

"Wenbo, is this how your Shao family treats me?" Wu Lili looked at Shao Wenbo with resentment, "That's it, then let's get a divorce right away."

Shao Wenbo looked at Li Meiyuan, then at Wu Lili.

The two snow-white hemispheres on the young and seductive Wu Lili's chest were shaking with excitement, and the heart that felt ashamed of her ex-wife was now full of lust.

Chapter 280 No one is more qualified than you

"Dollar, since we are divorced, you have nothing to do with the Shao family. It would be inappropriate for you to handle the family affairs of our Shao family." Shao Wenbo said coldly to Li Yuanyuan.

Li Dollar turned pale.

Shen Ning couldn't stand it anymore, this second uncle is really a fool.

"Second uncle, Auntie Dollar intervened in Shaw's family property at the order of my grandmother, and my grandmother has already given 60% of the family property to Auntie Dollar's son and daughter, and Auntie Dollar is now the financial secretary. Chang, now most of Shaw's property belongs to her and her children, why is she not suitable?" She asked continuously.

"Yes, she is the most suitable. The two children she gave birth to are descendants of the Shao family, and the property belongs to them."

"This mistress is really shameless, calculating everything."

"Such a woman really embarrasses us women. When a mistress destroys someone's family, she is greedy."

"The most ignorant thing is this man. He even gave up his own son and daughter for the sake of a mistress. See, he will regret it in the future."

...

Under Shen Ning's rhetorical question, the crowd was full of discussions.

Wu Lili was completely angry now. At this time, she was like a crazy beast, her eyes were already red, and seeing Shen Ning was like seeing a prey, and there was a **** anger in her eyes.

"Shen Ning, you bitch, you are here to sow discord, what is the matter of our Shao family has to do with you, what right do you have to speak here?"

Shen Ning smiled coldly:

"Scrap mistress, anyone is more qualified than you, being a mistress is nothing more than cheating, do you know how shame is written? Really using 'cheap' to describe you is insulting the word 'cheap'."

Wu Lili grinned furiously: "Okay, it seems that you are not afraid of death. You came here to seek death. I will beat you to death today."

Before she finished speaking, she rushed up and grabbed Shen Ning's face viciously, using both hands and feet.

Shen Ning took several steps back in a hurry. She was obviously powerless in the face of Wu Lili who was already crazy. Just as she dodged the attack on her face, she kicked her on the leg again, just in the ankle, causing her to fall go down.

at this time.

With a crisp sound, an exquisite jewelry box fell from her body, and a piece of Jade Guanyin fell out of it, and it was broken into several pieces in an instant.

"Ah, Jade Guanyin." Shen Ning's face turned pale, and he screamed.

This Jade Guanyin was auctioned by Li Zhenting to Ding Ding today, and it was broken like this.

All of a sudden, Shen Ning felt as if he had fallen on his own son, and was in great pain.

Wu Lili grinned ferociously, and rushed up to beat Shen Ning like crazy again.

"Stop." Accompanied by a loud shout, Li Zhenting walked up from behind steadily, his tall and strong body was like a **** descending from the sky, standing firmly in front of Shen Ning, his arrogant and arrogant deterrent instantly shocked the audience.

Wu Lili was overwhelmed by this momentum, and withdrew her hands and feet, her face full of panic.

Shen Ning was a little surprised when he saw the majestic and unpredictable Li Zhenting standing in front of him. He thought he had already left, but he didn't expect him to be there all the time.

"Zhenting." At this time, Shen Mei who was next to her was overjoyed when she saw Li Zhenting, and she screamed coquettishly and was about to rush forward, but was held back by Lan Feiyun.

She was not reconciled, and wanted to rush over, but a thin cold light shone from Li Zhenting's icy eyes, which made her feel cold all over, so she had to stop.
