

## Troublemakers 281

Chapter 281 Are you short of this little money?

"How dare you hit my child's mother?" Li Zhenting stared at Wu Lili with a suffocating chill in his cold eyes.

Wu Lili immediately felt the breath of death and was too scared to speak.

Li Zhenting bent down to help Shen Ning up and looked at the broken Jade Guanyin on the ground, his eyes cracked with coldness.

"Shen Ning, how are you doing?"

"The leg was kicked and it hurts." Shen Ning told the truth.

"Then how do you think this matter should be handled?" Li Zhenting asked.

Dare to break his son's Jade Guanyin, he doesn't want to forgive this shameless woman.

Shen Ning was very angry: "She not only hit me, but also broke my son's jewelry. I want to deal with it fairly and justly."

"How can it be considered fair and just?" Li Zhenting looked down at her, "Although you bring it up, if you dare to break ground on my head, I will definitely make her suffer."

"Well, it's best to call the police and let the police handle it." Shen Ning replied after thinking for a while.

One thing, Li Zhenting is a man after all, if he deals with her privately, he will be suspected of bullying a woman.

Secondly, Wu Lili will definitely take the opportunity to escape now that something has happened to her.

At this time, the police came and used this as an excuse to take her away, which would save Shao's property as much as possible.

"No, don't call the police, I will compensate you." Sure enough, Shen Ning's proposal hit Wu Lili's sore spot, she immediately begged and opened her mouth, and walked in front of Shao Wenbo, snuggled into his arms, her chest heaving. The man's arm, begging coquettishly: "Wenbo, I was also careless, you can tell your niece, tell her not to call the police, I will pay them."

Shao Wenbo, a worthless man, immediately softened after being teased by Wu Lili, and quickly smiled at Li Zhenting: "Mr. Li, Lili is just impulsive, and she doesn't want to anger you and Shen Ning. She can if you apologize, you will also make compensation, this matter is private, your lord has a lot, so don't bother with a woman."

Looking at this useless man, Li Zhenting had an invisible and cruel smile on his lips, and he was very contemptuous in his heart. He had long wanted to deal with him.

Li Yuanyuan is his cousin, and the Li family hates this man so much that he has long wanted to avenge his aunt.

"Ning Ning, you just look at it for uncle's sake and forget it. Uncle remembers you well." After Shao Wenbo's begging, Li Zhenting came to beg for Shen Ning again. He was extremely humble, really spineless.

Li Zhenting glanced at him coldly, and suddenly said playfully: "It's not impossible to be private, but I have to discuss this matter with my child's mother."

He finished speaking lightly, looked at Shen Ning lightly, and asked: "Shen Ning, your uncle wants you to be private, are you willing?"

Shen Ning was about to say that he didn't want to, when he suddenly understood something. It seems that Li Zhenting came here specially to vent his anger on her today.

She thought for a while and said, "Then it depends on what kind of private law it is?"

"Shen Ning, I will apologize to you and compensate you for the auction price of Jade Guanyin." Wu Lili was indeed thicker than the city wall, and she was vicious just now, but she immediately changed her face, her attitude was extremely friendly and humble, and she wished she could kneel down to Shen Ning.

Shen Ning was really impressed by this shameless woman, but she was very angry:

"Apologize? You didn't make a mistake, you kicked me and scratched my face, and you just apologized? You thought so well, and this Jade Guanyin was originally made by grandma for Ding Ding. It was made, and it is a pair with the one on Ke Ke, and you only need to pay compensation, Ding Ding is the young master of the Li family, do you need this little money?"

Chapter 282 Shao Wenbo, you come to fight

Upon hearing this, Wu Lili quickly replied flatteringly: "Then I will pay you double the compensation."

At this time, she really wanted to send Shen Ning away, let alone provoke Li Zhenting.

In normal times, she would not give more than one point.

And what's particularly frustrating for her now is that her entire plan has been leaked. As for who leaked it, she doesn't know. Therefore, she must not let the police come and arrest her, otherwise, she will play with everything. It's over.

Shen Ning had already seen her intentions, and sneered: "What's the point of paying twice as much? What do you want if you kick me? Tell you, if you want to be private, I have to kick you back twenty feet." , my Jade Guanyin broke, and you have to pay ten times the price, otherwise, just call the police, there is nothing to talk about."

Wu Lili turned pale when she heard this, and looked at Shao Wenbo as if asking for help.

Shao Wenbo wanted to intercede with Shen Ning again.

"That's it." Li Zhenting's thin red lips parted slightly, and he looked at Wu Lili coldly: "How did you choose?"

Wu Lili was crying.

"Let's call the police, I don't want to hit anyone." Shen Ning picked up the phone and wanted to call the police.

"Okay, I agree." Wu Lili gritted her teeth and agreed, hating Shen Ning to death in her heart.

Shen Ning smiled coldly and looked at her: "Then you stand still, I'm going to kick you."

Wu Lili grabbed Shao Wenbo's clothes with one hand, and stood up reluctantly.

Looking at this woman, Shen Ning remembered the blue marks on Ke Ke's back that day, and really wanted to rush up and kick her hard.

But at this moment, Li Zhenting spoke:

"Why do you need to do this kind of thing yourself, how tiring, how about it, Shao Wenbo, you do it."

"I hit?" Shao Wenbo's face changed color, looking at Li Zhenting.

"Yes, you kick Wu Lili 20 times on behalf of Shen Ning, and you must kick it hard." Li Zhenting said indifferently with a blank face.

"Wenbo." Wu Lili looked at him with tears in her eyes.

Li Zhenting sneered: "My patience is limited, you choose quickly."

"..." Shao Wenbo didn't dare to refute, he lowered his head and didn't dare to look into Wu Lili's eyes.

"Then let's call the police." Li Zhenting was obviously impatient, and picked up his phone to call the police.

"No, just hit it." Wu Lili shouted at Shao Wenbo.

Shao Wenbo still couldn't do anything.

"Worthless fee, if you don't do it, are you going to send me to jail?" Wu Lili raised her hand and slapped him.

Shao Wenbo then kicked Wu Lili's leg.

"No, it's too light." Li Zhenting stared at his feet, Wu Lili didn't even feel any obvious pain, of course he was not satisfied.

Shao Wenbo had no choice but to intensify his efforts.

"Ah." Wu Lili cried out in pain.

"More emphasis." Li Zhenting yelled sharply, with a cold light in his eyes.

Shao Wenbo had no choice but to kick her hard.

Wu Lili was so painful that cold sweat broke out on her forehead, and she looked at him resentfully.

He dodged his eyes, lowered his head, gritted his teeth and kicked again.

One kick, two kicks... kicked hard, Wu Lili's left calf soon swelled like a steamed bun, and her ankle was dragged on the ground as if dislocated, and she could no longer stand up.

"You are a useless, useless man. You can only see your own woman being beaten by others, and you have to beat it for others. You are really not a man. How could I fall in love with a dog like you."

...

Wu Lili kept cursing while shouting.

Shao Wenbo bowed his head and walked in front of Li Zhenting with a smiling face, and said flatteringly:

"President Li, do you think this is okay?"

Li Zhenting looked at Shen Ning.

"Second Uncle, I have something to tell you, come with me." Shen Ning said to Shao Wenbo coldly.

Now Shen Ning has Li Zhenting as his backing, Shao Wenbo knew he couldn't offend him, so he immediately followed like a dog.

Chapter 283 counts her as dead

Shen Ning took him aside and said seriously:

"Second uncle, do you know what Wu Lili did behind your back?"

"What have you done?"

"Don't you know anything about it?"

A dim light flashed in Shao Wenbo's eyes. In fact, he has always been suspicious. He had doubts about Wu Lili for a long time, but he didn't find any real evidence. He asked immediately, "Do you have evidence?"

"Of course." Shen Ning nodded affirmatively, and brought out the photo of Wu Lili fooling around with the man surnamed Wen that he took last time by the swimming pool of Li's Castle, and sent it to Shao Wenbo.

Shao Wenbo saw that his eyes were on fire, and he looked fiercely at Wu Lili who was lying on the ground over there.

Wu Lili looked at this side while crying. When she saw the anger in Shao Wenbo's eyes, her heart turned cold. There is no doubt that that \*\*\*\* Shen Ning has already told him about her.

Her hatred for Shen Ning intensified in her heart.

"Wen Bo, don't listen to that woman's nonsense, she came here for the Shao family property, and I have never done anything to betray you." She panicked and shouted loudly over there.

Originally, she had calculated it.

After getting those few antiques at today's auction, I plan to take my lover surnamed Wen to the United States by plane.

As for Shaw's shares, she had already discounted them in cash. Because of the funds exchange, she also extorted a part of the payment orders that had been delivered. Now Shaw is an empty shell and still owes a large amount of money. Will spend here.

But after all the calculations, she never expected that Shen Ning's white villa could not be photographed, which resulted in a loss of 80 million yuan. From the current point of view, after she got the rest of the jewelry, she was ready to walk. At this moment Li Yuanyuan came.

If only Li Yuanyuan came, it would be fine, and Li Zhenting also came. This is indeed an ominous sign.

Until then, she felt that all of this seemed to be manipulated by an expert behind her back, and she was regarded as dead.

"Second uncle, has she ever done it? You can go and catch it now." Shen Ning looked at Wu Lili over there coldly. She looked flustered and had already taken out her mobile phone. It seemed that she wanted to tip off the news. She immediately called At the beginning, the video of the little boy surnamed Wen going to the conference lounge with Wu Lili was given to Shao Wenbo.

After seeing it, Shao Wenbo was furious, turned around and ran towards the lounge.

Wu Lili panicked when she saw it. She dragged her right leg and stood up, trying to follow.

"Aunt Dollar, hurry up and get security guards to monitor Wu Lili, don't let her run away with that little boy surnamed Wen." Shen Ning said immediately.

Shao Wenqing on the side immediately called five strong security guards and ran towards the lounge.

Everyone followed.

At this moment, Tang Lingjie remembered the few antiques that had not been auctioned in the conference center, and hurriedly walked towards the conference center.

Among the few remaining antiques, one of them was not auctioned because it was too valuable.

She walked over and picked up the antique.

"Bitch, this is mine. You have already lost the bet." Suddenly, someone pushed her hard, and snatched the antique from her hand.

She turned her head and saw that it was Wu Lili, holding the antique tightly in her hands, and her eyes were shining with greed.

She turned back!

It turned out that when Wu Lili was walking towards Shao Wenbo dragging her right leg, she turned her head and saw Tang Lingjie walking towards the conference center. She immediately remembered those jewels and turned back immediately.

"Bitch, this belongs to Shaw Brothers, you don't want to take it away." Tang Jieling hurriedly reached out to \*\*\*\* it.

How could Wu Lili be snatched away by her, and she immediately hugged it tightly into her arms.

The two pulled up and got up.

Sudden

Accompanied by a crisp sound of 'bang'.

Antique porcelain fell to the ground and broke into pieces.

"Ah." Tang Lingjie burst into tears in distress.

Wu Lili ran out with red eyes.

Chapter 284 Give up

"Are you still going to watch the fun?" But when Shen Ning was walking behind Shao Wenbo, Li Zhenting grabbed her.

"Of course, I still want to report her. Today is the last moment of Shaw's life and death. I can't let it go. This woman is too bad." I will not let go of my son's people."

"Hit my son?" Li Zhenting's face darkened instantly, why didn't this woman say it earlier.

"Yes."

"when?"

"I don't have time to chatter with you, don't stop me." Shen Ning shook off his hand and followed, just now she didn't tell about Wu Lili's beating of Ke Ke, just because she was afraid that Li Zhenting would be angry To do unpredictable and stupid things, after all, he is the president of the Li Group, a young and promising entrepreneur, and his reputation is very important.

"Shen Ning." Li Zhenting caught up with her and took her hand, "Ke Ke and Ding Ding are about to leave school, we have to rush to pick them up, this is Shao's family affairs, now Wu Lili's leg has been beaten, She can't run away, as long as she can't run away, everything will be easy, the Shao family will definitely deal with her, what are you doing meddling in?"

Li Zhenting looked at her anxious look a little funny.

Shen Ning was taken aback when he heard that, yes, it's already three o'clock in the afternoon, and Ke Ke and Ding Ding are going to leave school soon.

She really can't stay.

"Okay, then I'll go find Aunt Dollar first, and I'll be here soon." Shen Ning remembered the pile of evidence that Jing Chenxi had given her about Wu Lili embezzling public funds and selling Shaw shares at a low price, and immediately ran towards Li Dollar.

"Get out of the people inside." Shao Wenbo was slamming on the door of the lounge.

The door has been locked from the inside, no matter how hard you knock, no one will open the door.

"Pick the lock." Shao Wenqing made a decision immediately.

Several security guards immediately brought tools.

"Wenbo, that's my cousin in there. He was drunk last night and was sleeping in it." Wu Lili was completely panicked, she turned her legs and grabbed Shao Wenbo's arm and shouted loudly.

"Get out." Shao Wenbo was suspicious, and kicked her leg with his backhand. This time, her leg was completely limped.

"Aunt Dollar." Shen Ning took the opportunity to pull Li Yuanyuan aside, and handed her a stack of data: "This is some evidence of Wu Lili embezzling public funds and selling the company's equity at a low price. Take it, I believe you can handle it well About Shao's matter, I look forward to hearing good news from you, I'm going back to pick up the child first."

"Ningning, thank you so much." Li Meimei held her hand, tears welling up in his eyes.

Shen Ning held her hand tightly, comforting: "Don't worry, everything will pass. The future will be better."

"Yes." Li Meiyuan nodded with tears in his eyes.

On the way back, Shen Ning took the Sleeping Beauty jewelry and looked at it carefully.

"Why, haven't you seen enough?" It was almost time to arrive at school, Shen Ning was still watching, Li Zhenting glanced at her, and asked lightly.

"I've seen enough." Shen Ning took the jewelry back into the box and weighed it, "I'm thinking, how can I repay you the three hundred million."

"..." Li Zhenting was speechless.

"However, I still want to thank you for helping me vent my anger for the sake of the children." Shen Ning thanked immediately.

"So, can you give up the custody of Ke Ke for this sake?" Li Zhenting suddenly said playfully.

"No." Shen Ning paused for a moment, as if he understood his intentions, and angered from his heart, he said: "Li Zhenting, give up, you want to bribe me for doing these things, it's impossible, cocoa is everything to me, It can't be replaced by anything."

This hateful man actually hid such thoughts, and the little favor he had just now disappeared.

Li Zhenting squinted at the woman's face flushed with anger, her almond eyes were wide open, her facial features were exquisite, and there was a charm in her toughness, which was a kind of style.

The corners of his lips curled up slightly.

Chapter 285 Daddy seems to have a crush on you

With a "boom", just as the car stopped, Shen Ning opened the car door and walked out, slamming the door hard with his backhand.

The car was shaken by the door.

"Dead woman." Li Zhenting cursed angrily, as long as he talked to her about his son, she would be like a feud, and it gave him a headache for a while.

"Mommy, Daddy seems to have a crush on you." On the way back, Ke Ke and Ding Ding were playing games on their mobile phones, while Xiao Xiao whispered in her ear.

"Nonsense." Shen Ning tensed his face, "What do you know, you little brat, he is a wolf with a big tail, he is vicious and cunning, he just wants to fight for the custody of Ke Ke."

"Is that so." Xiaoxiao stared wide-eyed, it turned out that Daddy is still as bad as he is.

It seems that she misread Daddy's heartfelt words.

After returning to Li's Castle, Shen Ning no longer had a smile on his face. Seeing Li Zhenting was also cold, treating him like a scourge.

Li Zhenting lazily walked towards the study, ignoring her.

The night is quiet.

The children were all asleep, and Shen Ning was lying on the bed, but her mind was getting more and more excited. Li Zhenting's words rang in her ears from time to time, but she didn't feel sleepy.

She sat up, very upset.

"Are you there?" Suddenly, her phone vibrated.

She opened it and saw that it was from Lawyer Niu.

"It's so late, you haven't slept yet." She sent him a text message.

"Well, something delayed me during the day, so I'm working overtime now."

"It seems that Lawyer Niu has a lot of business, and more people are looking for you to sue."

"Of course, I am the ever-victorious general." He admitted generously.

Shen Ning's heart moved: "Are you really that good at litigation?"

"What do you think?"

"Well, you are amazing." Shen Ning gave him a thumbs up, "You are so busy, I won't bother you."

"It's okay, people always have to rest."

"Oh, by the way, thank you very much today. If I hadn't consulted you, my white villa would have been useless and it has been auctioned off."

"Well, how can I thank you?" He came over with a smile.

Shen Ning picked out a bow and thank you emoji: "How about, let me treat you to dinner."

"It seems that Ms. Shen often treats people to dinner."

Shen Ning was taken aback for a moment, this lawyer Niu seemed to know her very well.

"No, you helped me, I should thank you."

"Let's forget about eating, I'm very busy every day."

Shen Ning heard this, and replied with a big smile: "Then I'll give you a gift."

"what gift?"

"What gift do you want?"

"casual."

"Okay, let me think about it first, and then I will express it to you after I buy it."

"Well, thanks."

Then the two of them seemed to have nothing to say, and fell into a brief silence.

Shen Ning yawned and was about to say goodbye to him when he suddenly sent a message:

"where are you now?"

"At the ex-husband's house."

"Oh, are you interested in your ex-husband?" Li Zhenting couldn't help but hooked the corners of his lips.

Shen Ning was taken aback, and immediately said: "No, it's just for the children."

"Your ex-husband let you live in his house for the sake of the children. It seems that he is good to the children."

"Perhaps, but children cannot live without Mommy."

"Yeah too."

"Don't you want me to help you with the lawsuit?" Lawyer Niu asked suddenly very attentively.

"Of course you want to, but I'm worried that not only will you not win, but your legal career will be over."

"You have so little confidence in me?"

"It's not that you don't have confidence, and it's not that you don't recognize your professional ability, but people have to bow to reality, there is no way."

Looking at her dejected look, Li Zhenting curled his lips.

"Then do you have any other ideas?" He asked tentatively.

When I asked this question, I was a little inexplicably nervous. Through this period of contact, although this woman Shen Ning looks thin and weak on the outside, she is actually very strong and resilient in her heart.

If she really wants to die, he will still be a little terrified, just like the last time she committed suicide, he will have nothing to do.

Chapter 286 Just tell me what's on your mind

"Not yet, but no matter how powerful and rich Li Zhenting is, he will still buy the family relationship between me and the children, let's watch as we go." Shen Ning was dejected.

"Is your ex-husband married?"

"No, but it's almost the same as being untied. He has always had a woman he loves by his side. They live together and have a daughter, but the marriage certificate is missing."

Li Zhenting gritted his teeth, this woman actually viewed his relationship with Shen Mei in this way.

Does he seem to love Shen Mei?

Although Shen Mei lived in his home, wasn't it for the sake of the two children at the beginning, and marrying her was only for the sake of the children. He didn't live with her.

"What about you, do you have a boyfriend?"

"No."

Li Zhenting stared at the phone screen with a glimmer of light in his eyes.

"Why not find one?"

"I will never have love again in this life." Shen Ning thought for a while and sent such a message.

"How old are you?"

"twenty four."

"Tsk tsk, I don't believe in love at such a young age."

"Yes, my love has died a long time ago, and I was completely hurt by that dog man."

"Is that dog man your ex-husband?"

"Yes, that \*\*\*\* man, he is the devil, the most ruthless man in the world."

"..."

Li Zhenting stared at the phone screen in a daze.

"Forget it, don't talk about it, go to bed early, if I really need to go to court that day, I will definitely invite you." Shen Ning sent a sentence and was about to turn off the phone.

"Wait, don't you think about me?" Li Zhenting suddenly teased warmly.

"I said, I will consider you when I really want to go to court."

"Uh, I mean, don't you think about me as a person?"

"You? Haha, I haven't even met your face, and I don't know what you look like or how old you are. Do I consider your reality?" Shen Ning laughed.

Li Zhenting hurriedly said: "My name is Niu Dazhuang, I am twenty-six years old, unmarried, have never had a girlfriend, but have three children, would you consider me?"

"Three children?" Shen Ning almost choked his throat with saliva.

Is he a pig? He is only twenty-six and already has three children.

"Where's your child's mother?"

"Abandoned me and ran away."

"Why did you abandon you?"

"Because we have no love, we were forcibly married by the elders, I got drunk that night, and then had a child.

"Sounds like you are a poor, victim of marriage."

"Yes, unfortunately, no one in this world understands me."

Shen Ning was stunned, and Ge Di thought of Li Zhenting.

Is he like this too?

Because of his unhappy marriage with her, in fact, he is not living happily either!

"Lawyer Niu, you have such good conditions. I believe you can find a woman who loves you. A woman like me with children is not suitable for you. Let's be best friends and pour out our hearts to each other. It's the best thing to be a blue-faced confidant in this lonely world."

"Alright, I'd be happy to chat with you, just tell me if you have anything on your mind, as long as I can help, I will definitely help you."

"Okay, thank you, it's getting late, good night."

Shen Ning hung up the phone and sat on the bedside in a daze.

After a while, she felt depressed and stood up, ready to go to the corridor outside to take a breath.

She climbed out of bed, sucked on her slippers, and opened the door.

Who knows, such a coincidence.

As soon as she came out, the door of Li Zhenting's study room opened, and a tall man came out from inside.

Shen Ning actually met him face to face, as if they had discussed it long ago.

Chapter 287 You have to think for me

Hey, what a bad luck!

Shen Ning immediately lowered his head.

Ever since she knew that all he did was to fight her for the custody of Coco, she treated him colder than ice.

She bowed her head and walked towards the balcony.

Li Zhenting glanced at her lightly, but ignored her.

The autumn night is getting a bit chilly.

Shen Ning clutched his coat tightly and walked to the balcony.

Unexpectedly, as soon as she stood still, she heard footsteps coming from behind. When she turned her head, Li Zhenting was stroking her temples with both hands, and followed from behind.

For a while, she became a little nervous.

How could it be such a coincidence.

After taking two deep breaths of fresh air, she lowered her head and walked back to Ding Ding's bedroom.

"Shen Ning." Li Zhenting stopped her.

"What's the matter?" Shen Ning remained expressionless.

"Let's have a good talk." Li Zhenting said lightly.

"About what?"

"Of course it's for the kids."

"Okay, then tell me." Shen Ning is also irritable. Gucci perfume is now in full production. She is very busy every day, and the child's matter will be resolved sooner or later. Although she has no chance of winning, But I don't want to lose so badly.

"What do you think about the cocoa thing?"

"Then what do you think?" Shen Ning asked rhetorically!

If you want to trick her, there is no way.

Li Zhenting pondered for a while, but he was frank: "As a father, I certainly hope that he can follow me."

"That's impossible." Shen Ning was categorical, "As a mother, I hope he can be with me. No matter what you think, you have to think for me."

"It was because I thought of you that I didn't force you."

"So, I have to thank you for your gift." Shen Ning sneered.

"Shen Ning, I am sincere."

"I'm even more sincere. You have Ding Ding and I have Cocoa. We were originally one, isn't it fair? Why do you ask me for Cocoa? And I never asked you for the custody of Ding Ding? The child cannot leave I can't leave you, and I can't leave Mommy."

Li Zhenting was at a loss for words for a moment.

"If you really want to solve this problem, then we will adopt the AA system, and one person will take care of the children for a week." Shen Ning suddenly put forward his own idea, "I have already rented a three-bedroom apartment in the wealthy area opposite, which is enough Guarantee the lives of the two children, don't worry, I will never let the children be wronged, from now on, I will only work harder to develop Gu Qi, so that I can give the children a better life as much as possible. Good care."

Li Zhenting was silent for a while, then turned and walked towards the study.

Shen Ning said later: "If you don't answer, then I will take it as your acquiescence. Tomorrow, I will take the children to my house. You will go to the kindergarten to pick up the children in a week."

Li Zhenting's back froze, but he still didn't speak.

A smile floated on the corner of Shen Ning's lips, hum, if you don't answer, then I will take it as your agreement.

Thinking about it this way, she felt much more cheerful, and soon fell asleep after returning to the room.

the next day.

Shen Ning got up early in the morning. After taking care of the children and having breakfast, she sent the children to school with Li Zhenting.

Then, she called Aunt Dong and asked her to clean the house, buy the children's favorite vegetables and fruits, and wait for her to take the children home.

Aunt Dong was very happy when she heard that.

It seems that Shen Ning's life will get better.

In the afternoon, she left work early.

When I arrived at the kindergarten, it was fine, I didn't see that bastard's car of Li Zhenting, it seems that he acquiesced.

She picked up Ke Ke, Ding Ding and Xiao Xiao, and led them outside.

Chapter 288 This is the fairest

"Mommy, isn't Daddy coming to pick us up today?" During this period of time, Daddy and Mommy came to pick them up together every day. They are used to it, but the little ones are not used to seeing Daddy today. Just asked.

Shen Ning smiled: "Today, Mommy will take you back to your new home, are you happy?"

The children were taken aback, and quickly asked: "Mum, which new home shall we go back to?"

Shen Ning pointed to the opposite side and said: "That blue-roofed building is newly rented by Mommy, and we will live there this week."

Ding Ding immediately asked, "Mum, what about me, am I with you?"

"Well, of course." Shen Ning nodded emphatically.

"Yeah, that's great." Ding Ding cheered, and the three little ones bounced around beside Mummy.

A group of four quickly walked away.

When Li Zhenting arrived, the children were long gone.

He took out his mobile phone and called Shen Ning.

"Mr. Li, you really are a noble person who forgets things too much. It was agreed last night that Keke and Xiaoxiao will be taken care of by me this week. Next week, you can go to the kindergarten to pick them up and return to Li's Castle. This is The fairest." After Shen Ning said something on the other end of the phone, he hung up the phone regardless of whether he agreed or not.

Damn woman!

Li Zhenting sat in the cab, feeling inexplicably lost.

Chunhui Garden.

"Grandma Dong." Shen Ning opened the door, and Aunt Dong came out with a smile all over her face. Ke Ke and Xiao Xiao greeted her cheerfully, shouting excitedly.

"Ke Ke, little one." Aunt Dong took their hands with a smile, and kissed the back of their hands: "Grandma really misses you."

"We miss you too." The voices of the two little milks were sweet.

Ding Ding just looked at her strangely.

"Are you young master Ding Ding?" Aunt Dong looked at Ding Ding who was exactly the same as Ke Ke, and asked kindly.

"Yes." Ding Ding nodded, "Grandma is good."

"Hey, you're so sensible." Aunt Dong smiled and agreed, let go of Ke Ke and Xiao Xiao, bent down and hugged Ding Ding, "What a good boy."

Ding Ding was praised and had a smile on his face.

"Change your shoes first, and then go in." Shen Ning instructed the children while changing their shoes.

Coco and Xiaoxiao immediately changed into the slippers.

Ding Ding stood a little at a loss, because Xiao Xiao helped him before.

Now Xiaoxiao is taking off her schoolbag, too busy to take care of herself.

Aunt Dong hurriedly bent down to help him take off his shoes.

"Aunt Dong, let Ding Ding take off his shoes by himself." Shen Ning hurriedly stopped her, and said to Ding Ding, "Ding Ding, take off your shoes by yourself, put on your slippers, put your schoolbags in a row, and play with Ke Kexiaoxiao."

Ding Ding had to bend down by himself, and under Aunt Dong's guidance, he quickly learned.

"Ding Ding is awesome." Shen Ning bent down and held his little face, and kissed him on the forehead, "With Mommy, you have to eat obediently by yourself."

"Okay, Mommy, I will." Ding Ding promised, put down his schoolbag, put it side by side with Coco and the small schoolbag, and ran to play with them.

Aunt Dong is very capable. She covered the leisure area of the living room with a cartoon carpet and put the toys neatly.

The children swarmed over and had fun.

Shen Ning and Aunt Dong started to get busy in the kitchen.

When Li Zhenting came home, Li Wanqing was sitting on the sofa reading a newspaper. When she looked up and saw Li Zhenting coming back, she hurriedly looked back.

During this period of time, every day at this time, as soon as Li Zhenting comes back, there will be three chattering little guys behind him. After they ran in, they swarmed over to call her grandma, and their chubby bodies pressed against her softly, leaving her without any resistance. Li, don't mention how happy I am.

She is getting older, and she especially likes this feeling.

But today, Li Zhenting came back, but behind him was deserted.

"Zhen Ting, where are Ning Ning and the children?" Li Wanqing looked behind him, and even leaned out her entire upper body to look back but didn't see them, so she couldn't help asking.

Chapter 289 She is just lying to you

"Mom, they went to her house with Shen Ning." Li Zhenting's face turned cold, and he turned around and forced a smile.

her home? Li Wanqing was a little taken aback.

"Does Shen Ning have a family?"

"Yes, she rented it."

"Rented?" Li Wanqing was a little uneasy, "How good is this rented house? It's hard enough for a woman with three children. How can you take them well? Why don't you bring them back? Woolen cloth."

Li Zhenting felt a little helpless.

"Mom, besides Keke and Dingding, Shen Ning has another child. Keke and Dingding need her, and the other child also needs maternal love. It's not fair to that child if she stays in our house like this. Therefore, she goes back, I didn't stop it."

"Then she took Ke Ke and Ding Ding away, are you willing?"

"I can't help it if I don't want to. She didn't take the children away, she just took them back for a week, and she will be back the next week."

Li Wanqing couldn't speak, but it was obvious that she was very sad.

"Do you know where Shen Ning's new home is?"

"I heard from her that it's in the neighborhood opposite us."

Li Wanqing looked out.

Ke Li's Castle is too big, only the roofs of the villas of Li's Castle can be seen layer upon layer.

"Then you should go and have a look." Li Wanqing murmured, "Why is such a good house turned into this?"

Li Zhenting walked upstairs in silence.

Lan Lan also asked the nurse Xiao Li to take her to Shen's house.

The whole house was without the noise of the children, and Li Zhenting felt empty, even his heart was empty.

He lost his focus in the study and started to work. The busy work made him forget everything very quickly.

Shen's living room.

Shen Mei is tying Lan Lan's beautiful hair and trying on beautiful new clothes.

After Li Xiaoxi sent Lan Lan over, Li Zhenting followed and transferred 50 million living expenses to Shen Mei.

After returning from kindergarten, Shen Mei took Lan Lan to shop around, buying all kinds of luxury goods. Anyway, with Li Zhenting, the richest daddy, Lan Lan was not afraid of running out of money to spend.

"Lan Lan." After Shen Mei dressed up Lan Lan beautifully, she kissed her face and asked, "These days, that woman has been staying in Li's Castle, right?"

"Yes." Lan Lan knew that Mommy was asking about Shen Ning, so she nodded.

"Then did you call her Mommy?"

"No." Lan Lan shook her head in a small voice.

"Then did you follow Mommy's advice?" Shen Mei continued to ask.

Lan Lan nodded, then shook her head again.

"What do you mean? Is there any?" Shen Mei asked angrily.

"Mum, I did as I did. I cried when she put my hair on that day, and complained to Daddy, who later scolded her." Lan Lan said in a low voice.

"Well, it's not bad." Shen Mei smiled with satisfaction, and kissed her.

"Later, any more?"

"there is none left."

"Why not target her?"

"Mommy, I think Auntie is very kind and treats me very well. She never hurt me. I can't tell lies." Lan Lan blinked her eyes and asked puzzledly, "The kindergarten teacher said that children can't say It's a lie. Auntie also said that children must be honest."

"Ah bah. My silly daughter, you are so honest, you really don't look like my daughter." Shen Mei was furious when she heard that, and she bawled a few times.

"What the kindergarten teacher said was all lies. Of course they hope that you are all good, especially what the aunt said. She is lying to you and harming you. Keke and Ding Ding are her children, and she will not harm you. They, but you were not born by her, and she will never treat you well, so you can't believe what she says, understand? Of course she hopes that you will be honest, so that she can stay in the Li family and be your mother, You have to believe that only Mommy is really good for you, and you will do whatever Mommy asks you to do, understand?"

Now she is not by Li Zhenting's side, only Lan Lan is.

Li Zhenting still dotes on Lan Lan, she can only use her daughter.

Chapter 290 may be his conscience discovery

Lan Lan looked at Mommy blankly.

Why does Mommy do this?

Aunt Shen Ning is very good!

It didn't hurt her either, she didn't want to tell lies and deceive her.

She lowered her head.

"You, what a useless daughter, look at Keke and Ding Ding, they don't have their own mother by their side, they keep making troubles with your father, and finally get Shen Ning in, and give your mother to him. What about you, not only can't speak for Mummy, but also believe what that bad woman said, what's the use of Mummy raising your daughter?" Shen Mei tapped her forehead with her hand, criticizing dissatisfiedly with.

Lan Lan whispered: "Mommy, I cried with Daddy, saying that I miss Mommy and want Mommy, but Daddy said that you have done something bad and you can't go back."

"Nonsense, Mommy didn't do anything wrong. Everything Mommy did was for you. Did Daddy say that Mommy can't go back if she can't go back? Just be obedient? That's not okay, you have to continue growing up." Make a lot of noise, let your father compromise, understand?" Shen Mei said angrily.

Lan Lan stopped talking.

"Hey, why did I give birth to a stupid daughter like you." Shen Mei sighed, even if her own daughter didn't help her, what hope did she have.

"Mummy, don't worry, I will do it next time." Seeing Mummy's sad look, Lan Lan agreed.

"This is my good daughter." Shen Mei smiled broadly, hugged her into her arms and kissed her hard.

With Mommy's praise, Lan Lan also felt that she was not brave enough, so she decided to make a fuss with her father next time.

"Mommy, I don't like that Xiaoxiao. She's so annoying. She always goes to Li's Castle and grabs my beef balls." Lan Lan thought of Xiaoxiao and was really angry. Whenever she was there, Ke Ke and Ding Ding ignored her, and they all revolved around her. She really didn't like seeing her at all and wanted to drive her away.

"Xiaoxiao snatched your beef balls?" Shen Mei's eyes were full of fierceness when she heard it, "Baby girl, tell me what's going on?"

Thus, Lan Lan told the story of Xiaoxiao snatching her beef \*\*\*\*\* that day.

"Baby, you did the right thing, you will do this in the future, understand?" After hearing this, Shen Mei was very happy. After all, Li Zhenting is for her daughter, which is very important.

"Don't worry, Mommy will teach that little girl a lesson for you, so that she will never dare to go to Li's Castle again." Shen Mei immediately assured her, patting her chest.

"Thank you, Mommy." Lan Lan smiled happily.

"Lan Lan, remember, in the future, you must mention Mommy more often in front of Daddy, say more good things about Mommy, and let Daddy take Mommy back as soon as possible, so that you can have a complete family, you know?" Shen Mei confessed again.

Lan Lan nodded.

Shen Mei was satisfied now.

The night was dark.

Li Zhenting came out of the bathroom with a glass of red wine, and stood on the balcony. Tonight's night was dark, with a cold wind blowing, and the chill was heavy.

He habitually walked towards Ding Ding's bedroom, wanting to see if he had covered the quilt.

It wasn't until he opened the bedroom door and saw the darkness and desertedness inside that he realized that Ding Ding was not at home today, and he followed Shen Ning back home.

He walked back to the bedroom and picked up his phone.

"Are you there?" He sent a message to Shen Ning using Lawyer Niu's WeChat.

Shen Ning had just finished taking care of the children to sleep at this time. He was exhausted from work and was about to go to rest. When he saw the text message sent by Lawyer Niu, he immediately replied with an emoji: "Yes."

"What are you doing?"

"Just finished bathing the kids, putting them to bed, so busy."

"Your ex-husband allowed you to bring the kids home?"

"Yes, it may be because of his conscience. Anyway, I feel pretty good about being alone for a week and taking care of them separately."
