Chapter 3 Reunion

Six years later.

Exit of Didu High Speed Rail Station!

A young woman with a slender figure and fair skin walked out lightly, wearing a lace sun hat and a simple moon-white dress.

The woman is glamorous and noble from top to bottom, with a dusty temperament.

She is exactly Shen Ning.

Behind her, a pair of soft and cute little milk babies followed from left to right.

The male milk treasure is wearing French jeans and a white shirt. His appearance is heaven-defying, his skin is so white and tender that it seems to be squeezed out of water, his head is tilted and he wears a white sun hat, with one hand in his trouser pocket, and he walks coolly.

Nuibao has thick black hair, big almond eyes that sparkle brightly, and two small dimples when she smiles, making people want to kiss her.

A group of three people immediately attracted the attention and admiration of passers-by.

"Hello, uncles and aunts, my name is Keke, and my name is Xiaoxiao." The two little milk treasures greeted everyone with smiles as they walked, full of stars.

Shen Ning frowned.

This pair of milk treasures have their own aura since they were born, and they are particularly eye-catching. No matter where they go, they always become the focus of attention.

six years ago.

After she was pushed into the sea, a wave sent her to the beach, and finally the people sent by her grandmother rushed to rescue her.

But what she never expected was that she was pregnant that night!

And three treasures for one child!

Ten months later.

In the Imperial Women's and Children's Hospital, she successfully gave birth to Ke Ke and Xiao Xiao. In the end, her stomach hurt again, and she gave birth to another Nai Bao. However, Nai Bao died immediately after birth.

In order to leave this sad city and for the children to grow up smoothly, she took them away from the imperial capital and went to the country of America.

Now the eighty-five-year-old grandmother is seriously ill and hopes to see them for the last time.

Grandma is the only elder in the world who cares about her. She rushed back with the children.

Sudden.

Her eyes widened.

If she didn't see it with her own eyes, she would never believe what she saw.

Not far ahead.

A man in a suit and leather shoes, with a strong and tall figure, was walking towards her.

Even though six years had passed, she still recognized him with just one glance: Li Zhenting!

The man is handsome and cold, his whole body is elegant and noble, with one hand in his trouser pocket, his long legs are straight and long, and his aura is strong. I haven't seen him for six years. He is more handsome and free-spirited than before, and his gestures are full of mature men. style.

Shen Ning's heart twitched suddenly, and he couldn't breathe smoothly!

What kind of bad luck is this!

In order not to be too eye-catching with her two beautiful milk babies, she deliberately got off the plane in City B first, and then changed to the imperial capital where the high-speed train arrived. Met this scumbag!

"Ke Ke." Her heart skipped a beat, her face paled, and she immediately went to pull her son.

Son Keke has the same face as Li Zhenting. If Li Zhenting finds out today, with his shrewd and black belly, he will soon discover everything.

The Li family is a top wealthy family, and their descendants must not be left outside.

When the time comes, he will definitely come to fight her for custody of his son.

Coco is her life, she can't lose him.

only

It's too late now.

Little Keke next to her was also putting one hand into her trouser pocket, walking towards Li Zhenting with her short legs.

Father and son walked face to face like this, even walking postures are exactly the same!

As expected, it's really my own, there's nothing wrong with it!

This cool style has its own style, and it is difficult to confuse it.

Shen Ning's entire face turned pale in an instant.
