

## Troublemakers 331

Chapter 331 Just want to write a word on your face

"Zhenting, you see, I have already apologized, but Xiaoxiao deliberately made it difficult for me and is unwilling to forgive me." Shen Mei looked at Li Zhenting with aggrieved eyes, complaining about her pain.

Li Zhenting said coldly: "You find a way by yourself."

Shen Mei had no choice but to look at Shen Ning again: "Shen Ning, I have already apologized to Xiao Xiao in front of so many people, please tell her about it."

Shen Ning said coldly: "When you hit her, she was in great pain. Now you apologize lightly and ask her to forgive me. Children are also temperamental. I can't say anything about this. Everything depends on the little girl." , she has the final say."

She must let Xiaoxiao regain her self-confidence in the other party's apology, and let her know that no matter how weak a person is, as long as she is reasonable, justice will be on her side, and justice will eventually defeat evil .

Shen Mei was frantic: "Xiaoxiao is just a child, what can she decide?"

"You also know that she is just a child. How did you manage to beat her back then? Bullying a little girl and yelling for forgiveness. Is this what humans do? Everything has a cause and effect, and if you don't forgive you, it's a small thing." You deserve it."

"Then what exactly do you want?" Shen Mei was very helpless, she just wanted to calm things down, "Is it okay if I lose money to you?"

"Hmph, who cares about your stinky money." Xiaoxiao snorted coldly, turned her face away, and said disdainfully.

Shen Mei's face turned black, and she clenched her fists, but there was nothing she could do. Now that Shen Ning had her evidence, which belonged to both the police and the reporter, she had no choice but to bend down again.

"Xiaoxiao, I'm sorry, auntie bullied you, don't be angry, auntie treats you to dinner, okay?" She knelt down and held Xiaoxiao's hand, her voice was kind, and her face was full of smiles.

Looking at this ugly witch, Xiaoxiao laughed, her thick makeup was about to fall off, it was so disgusting, I really don't know how Daddy would fall in love with this kind of woman.

She flung her hand away.

"I don't want to eat." She blinked her big eyes and shook her head harmlessly.

"So what do you want? Toys, Princess Barbie?"

"Neither do I want to."

"Then what exactly do you want, as long as you can name it, Auntie will buy it for you."

"But I don't want anything, I just want to write something on your face." The little clever eyes blinked, and suddenly made a request.

Writing? Shen Mei was taken aback, and touched her face with her hands. Her face was so delicate. The cosmetics alone cost a lot of money for plastic surgery. She actually wanted to write something on her face, how ugly it was.

Her face darkened.

"Xiao Xiao, can I ask for something else?" She asked with a salivating face.

"No, I'm going to write something on your face." Xiao Xiao said loudly, and stared fiercely at Li Zhenting.

Aren't you confused by her face? I'll let her show her original shape today.

Li Zhenting was obviously stunned by Xiaoxiao's request. He was looking at her, and when he met Xiaoxiao's aggrieved and angry eyes, his heart jumped for no reason. Only then did he realize that Xiaoxiao's character and face The expression really resembles Shen Ning.

And he never found out.

It's not that he didn't find out, but he didn't dare to think about it. He should have thought about it when he sent Xiaoxiao back to Zhengsheng's apartment last time. Otherwise, how could she live in the same apartment as Shen Ning.

"Shen Mei, are you sincerely apologizing? After hitting Xiaoxiao and choking her, she just asked to write a word on your face. Is this too much?" Shen Ning began to question Shen Mei aggressively.

Chapter 332 This is really ugly without makeup

Facing the imposing Shen Ning who refused to budge an inch, Shen Mei had no choice but to ask in a low voice:

"Xiao Xiao, how are you going to write it? What do you use to write it? Can you promise not to scratch the skin on my face?"

Xiaoxiao suddenly grinned, and replied generously: "Auntie, don't worry, I won't scratch the skin on your face. I'm just curious and want to write something for fun."

Curious about your sister, play with you big head ghost!

Shen Mei cursed secretly, and also breathed a sigh of relief.

"Then you have to promise." She still had a flattering smile on her face.

"Don't worry, I promise." Xiao Xiao nodded in agreement.

"Then write it." Shen Mei had no choice but to put her face in front of Xiao Xiao, and closed her eyes.

So

Xiaoxiao put her finger into her mouth and took a breath, then began to scratch her face seriously with her finger.

She drew every stroke very carefully.

Shen Mei squatted nervously. Fortunately, the little guy was not very strong. Sometimes his fingertips would scratch her face, but it would never hurt.

The skin will not be harmed.

The people watching the excitement all looked at Shen Ning's face, they were very curious by the little guy's strange request, and they all wanted to see what she was going to do.

At this time, the reporter who stayed aside couldn't help laughing out loud as he patted.

It turned out that when Xiaoxiao was writing, the makeup powder on Shen Mei's face fell off, and some places were not obvious, so the little guy put his fingertips into the wine glass next to him, and after dipping in the wine, Shen Mei's face fell off. The makeup was quickly removed.

Soon, the word 'egg' appeared on her face.

"Ah, so her skin is so dark."

"Yes, it's not only black but also rough. It looks really ugly without makeup."

"It really looks like a devil, with a big mouth, and a nose that looks like it has been protruded, and you can even see the thin scar on the bridge of the nose."

"Dark circles are also very heavy, and the double eyelids are made at first glance."

...

Some women standing aside watching the excitement began to discuss in a low voice, and some couldn't help laughing.

"Okay." Finally, Xiao Xiao looked at Shen Mei's original face, and spoke with satisfaction.

Shen Mei suddenly opened her eyes, her face changed color.

It's over, the makeup on her face was probably scratched off by Xiao Xiao.

She seemed to understand the little girl's intentions, stood up abruptly and yelled, covered her face and ran towards the bathroom.

Followed by laughter.

"Hmph, ugly witch." Xiaoxiao sticks out her tongue at her from behind and makes a big grimace.

Not long after, Shen Mei screamed when she saw her ugly face came from the bathroom.

"Is it okay?" Li Zhenting almost couldn't help laughing when he saw the black and white ugly marks on Shen Mei's face, but this kind of occasion is also extremely cruel for a woman who loves beauty. The corners of his lips twitched, then he walked up to Shen Ning and asked with a calm face.

"Xiao Xiao, do you think it's okay?" Shen Ning glanced at him coldly, lowered her head and asked Xiao Xiao in a friendly voice. She recognized Xiao Xiao's cleverness for coming up with this idea to punish Shen Mei.

Xiao Xiao looked at Li Zhenting's dark face, and nodded: "It's ok."

"Okay, let's leave, this matter is over." Li Zhenting ordered in a cold voice, looking at the two reporters with sharp eyes, "Please delete what you took."

How could the two reporters delete the materials they had obtained with great difficulty, and then smiled slightly: "President Li, don't worry, I won't put the videos about your Li Group and yourself on the Internet, but we are Mr. The lady invited to expose the video of beating the little villain, there is no need to delete it, and Ms. Shen's consent must be obtained for this."

The light in Li Zhenting's eyes turned cold again, Ge Di grabbed Shen Ning's arm and pressed her against the wall, and shouted sharply: "Let them delete all the videos and photos."

"No." Shen Ning said forcefully, raising his lips and sneering at him.

She wouldn't be afraid of him, why!

Is he so afraid of Shen Mei making a fool of himself? She just doesn't!

Chapter 333 Does Daddy avenge you?

Li Zhenting stared at her lips, and Ge Di smiled ferociously and warmly: "No, it's okay, then let's have some ambiguous fun now, let them take a photo and pass it on."

As soon as the words fell, his lips quickly kissed and bit Shen Ning's red lips, covered them fiercely, and kissed violently, while the other hand began to tear the clothes on her chest.

Shen Ning's eyes widened in shock, she never thought that this dog man would do such a thing in front of so many people.

This is just plain asshole.

His two daughters are still present.

At this moment, after the two reporters froze for a moment, they immediately pointed at them excitedly and took pictures.

Shen Ning was ashamed and impatient, furious, and began to struggle, but the man seemed to be addicted to kissing, and he inserted his hand into the clothes on her chest...

Shen Ning groaned, using both hands and feet, trying to resist, but couldn't resist the man's madness.

"Boss Li, bullying women is not a skill." At this moment, a gentle and jade-like figure of a man walked over and sneered.

Li Zhenting moved his ears and slowly raised his head.

Jing Chenxi was standing in front of them, his face darkened.

A cold light flashed in his eyes, he smiled playfully, played with the hair around Shen Ning's ears with his fingers, put his face in front of her, and smiled coldly: "So what's the matter with the woman I bought for three hundred million? If you dare to accept my jewelry, you must be prepared to be played by me, this can't be called bullying, it can only be said that she sent it voluntarily."

Shen Ning trembled with anger.

With a "slap", she Ge Di pushed him away and raised her hand to slap him hard across the face.

"How dare you hit me?" The majestic richest man in the imperial capital was slapped in the face by a woman in public. Li Zhenting exploded, grabbed Shen Ning's arm with one hand and pressed her hard against the wall, and locked her with the other hand her throat.

Shen Ning immediately turned blue.

"Let go of her." Jing Chenxi couldn't stand it anymore, and shouted angrily.

But Li Zhenting didn't take him seriously.

"Mommy." At this time, Xiaoxiao was so frightened that he burst into tears.

Lan Lan burst into tears when she saw this scene.

Maybe it was the children's cries that woke Li Zhenting up, and the fingers that pinched Shen Ning's throat loosened, but his eyes stared at Shen Ning fiercely, as if he wanted to eat her.

"Pooh." Shen Ning poohed him hard.

Li Zhenting raised her chin with one hand, glanced at Jing Chenxi who was beside him with a dark complexion, and smiled grimly: "Shen Ning, do you think I'm bullying you, why don't you try again."

After the words fell, the man's fiery lips curled up Shen Ning's red lips again, and drove straight in... Shen Ning was completely deprived of his breath, and the whole nose was filled with the breath and heat of a man, and he was completely dumbfounded.

Li Zhenting proudly raised his lower lip, and simply deepened the kiss.

"Okay, let's be more intense." Unexpectedly, at this time, some of the men and women watching the excitement took the lead in applauding and booing.

Li Zhenting really lived up to the heavy responsibility, and completely occupied Shen Ning's breath.

Shen Ning was drowning in duckweed, after a while of suffocation, helpless, she involuntarily grabbed the clothes on Li Zhenting's back.

Is this man a pig? To do such a thing on this occasion.

She was mad with rage.

But Li Zhenting was inexplicably happy.

After a while, he released her contentedly, licked his sweet lips, and said to the two reporters: "You guys take good pictures, but don't forget to post the kiss between me and Ms. Shen." Yo, I'm still waiting to see if my kissing skills have improved."

After finishing speaking, he turned around, hugged Lan Lan, and asked gently: "Lan Lan, Daddy, does this count as revenge for you?"

Chapter 334 lest Mummy be cheated again

When Li Zhenting kissed Shen Ning, his back was facing Lan Lan and Xiao Xiao. The two little guys didn't see the real situation, but when Shen Ning slapped Li Zhenting and Li Zhenting locked Shen Ning's throat in anger, Lan Lan did it because Daddy was scared and cried because of the beating, and Xiao Xiao was scared to cry because of Mommy's throat locked by Li Zhenting, and because of Mommy's face.

But in this matter, Lan Lan felt that Daddy bullied Shen Ning, so it was counted as revenge for her. After all, Daddy held that aunt down and bit her, so that aunt must be in pain. , That's why she hit Daddy, so she thinks Daddy is right and great.

Here Xiaoxiao doesn't think so.

"Xiao Xiao, don't be afraid." After Li Zhenting hugged Lan Lan, Shen Ning also quickly ran to Xiao Xiao, hugged her and comforted her, "Mommy is fine."

Unexpectedly, Xiao Xiao's face was full of doubts, the little man sighed like an adult, and whispered in her ear: "Mum, Daddy shouldn't be bullying you, even though he stuck you with his hand His throat is wrong, but I saw that he didn't use any force."

"..." Shen Ning's head was full of black lines.

This kid, didn't he cry in fright just now, what nonsense are he talking about now!

Xiao Xiao thought about whether Daddy bullied Mommy this time, she was going to ask her brother after returning home, if it was true, she believed that she would seek revenge from Daddy.

"Ningning, are you okay?" At this moment Jing Chenxi came up and asked with concern.

"It's okay." Shen Ning stood up, a little embarrassed, "I really didn't expect things to develop like this."

Jing Chenxi smiled: "Actually, it's not bad. Today you did avenge Xiaoxiao. Both Shen Mei and Lan Lan apologized to Xiaoxiao."

"Yeah." Shen Ning nodded slightly, lowered his head and asked, "Xiao Xiao, are you still afraid of them now? Do you still dare to go to kindergarten?"

Xiaoxiao nodded with a smile, and said adoringly: "I'm not afraid anymore, thank you Mommy, Mommy is really great."

Shen Ning picked up Xiao Xiaoyu and said earnestly: "Xiao Xiao, we don't cause trouble, but we are not afraid of trouble. We will never bully others, but we must also have the confidence not to let others

bully us. When someone dares to offend us, we We must hit back hard, work hard to learn skills, and be the best of ourselves."

"Okay, Mommy, I understand." Xiao Xiaozhong pecked his head heavily.

"Xiaoxiao, you performed really well today, uncle is very optimistic about you." Jing Chenxi gave Xiaoxiao a thumbs up.

The little girl looks pink and tender, cute, caring, and resourceful, she deserves to be taught by Shen Ning.

Xiao Xiao looked at Jing Chenxi, looked him up and down with big eyes, and asked, "Uncle, are you my mommy's friend? Why don't I know you."

The little guy interrogated Jing Chenxi like an adult.

For a man who can appear by Mommy's side, she has to take care of Mommy so that Mommy won't be cheated again.

Shen Ning laughed quickly after hearing this: "Xiao Xiao, he is your Uncle Jing. Uncle Jing is Mommy's good friend. We have known each other since we were young."

"Oh." The little face burst into a smile, "So it's Mommy's good friend, Uncle Jing, hello, nice to meet you, you look so handsome."

"Xiao Xiao, uncle is also very happy to meet you, let's be good friends, shall we?" Jing Chenxi stretched out his hand towards her.

Xiaoxiao immediately stretched out her little hand to shake him firmly, and nodded with a smile: "Okay, then we will be good friends from now on."

Chapter 335 He likes you

"Well, it's the first time I met my uncle today. Can my uncle treat you to eat?" Jing Chenxi smiled kindly, and he immediately fell in love with this smart and cute little girl.

"Okay." Xiao Xiao happily agreed.

Jing Chenxi looked at Shen Ning: "How about it? Let's go to another hotel, that hotel also has a playground for children."

Shen Ning saw Xiaoxiao was very excited, thinking that it was rare for her to go to kindergarten for a day, so she agreed.

"Come on, Xiaoxiao, uncle hug." Jing Chenxi immediately stretched out his hands towards Xiaoxiao.

Xiao Xiao laughed happily and ran towards him.

Jing Chenxi lifted her up in his arms and turned her around.

Xiaoxiao giggled happily.

Although Li Zhenting was waiting for Shen Mei with Lan Lan in his arms, he kept looking at Shen Ning and the three of them with a gloomy face. Seeing Shen Ning and Jing Chenxi talking and laughing, he was in a bad mood, especially Xiao Xiao. When she saw Jing Chenxi, the bright and lively smile on her small face was in stark contrast to the bitter and bitter face when she faced him.

"Hmph." He snorted coldly in disdain, and before Shen Mei could stop, he picked up Lan Lan's face and strode outside.

Jing Chenxi looked at the back of him walking out, with a deep dark light in his eyes.

He turned back and told the two reporters:

"Xiao Wang, Xiao Ma, you all delete all the content that was photographed today, and you are not allowed to post it again. This matter ends here."

Xiao Wang, when Xiao Ma heard it, Mr. Jing had spoken, so he had to agree.

Jing Chenxi hugged Xiao Xiao and walked towards the parking lot outside.

"Xiao Xiao, you and your mommy are waiting here first, I'll go over there and drive." It was very windy outside, he put Xiao Xiao on the back of a pavilion by the side of the parking lot, and he walked towards his luxury car go.

"Mum, this handsome uncle is interested in you, he likes you." As soon as Jing Chenxi left, Xiaoxiao and Shen Ning bit their ears.

Shen Ning blushed: "Don't talk nonsense, kid, how can this happen."

The little big eyes smiled into a bright moon: "Mommy, if Daddy doesn't love you, it's good that you choose this handsome uncle."

"Do you really like him?" Shen Ning looked at the little guy and asked tentatively.

"Yes. He is very kind to Mommy. I like anyone who is kind to Mommy." The little answer was so heartwarming.

Shen Ning was suddenly warmed up, hugged her and kissed her: "Thank you Xiaoxiao, but Mommy will never marry again in this life, I just want to raise you two well."

"Be careful." At this moment, Jing Chenxi's car drove over. Suddenly, he yelled, opened the car door and ran towards them.

Shen Ning was startled, and keenly sensed the wind coming from the back of her head. She immediately hugged Xiao Xiao into her arms and rolled forward.

"Bitch, go to hell." Behind them, a woman's high-heeled shoes kicked forward and then ran up and kicked Shen Ning hard in the back.

"Stop." Before he could say it, Jing Chenxi rushed over and raised his foot to block Shen Mei's high-heeled shoes. Shen Mei was blocked by a force and fell backwards, falling to the ground.

"Shen Mei, what are you doing?" Jing Chenxi yelled at her angrily.

Shen Mei scolded Jing Chenxi: "Mr. Jing, you are stunned by her, sooner or later your life will be ruined by her."

After she finished speaking, she got up and ran forward.

It turned out that Li Zhenting and Lan Lan had disappeared when Shen Mei came out after washing up in the bathroom and putting on her make-up. She hurriedly chased to the parking lot, but she saw Shen Ning squatting with Xiao Xiao in the parking lot, with her back to her.

Without the presence of Li Zhenting and those reporters and policemen, she suddenly became terrified and rushed over to kick Shen Ning and Xiao Xiao. Fortunately, Jing Chenxi saw it.

Chapter 336 Please leave here immediately

"Ning Ning, Lan Lan, are you all right?" Shen Ning had already sat up with Lan Lan in his arms, Jing Chenxi turned and ran over to ask with concern.

"It's okay." Shen Ning was checking Xiao Xiao's body. She was protected in her arms and was intact, and she was only scratched a little, so she shook her head immediately.

"It's fine, just be careful, Shen Mei is not easy to mess with, I'm afraid she won't let you off easily." Jing Chenxi sighed and helped Shen Ning up.

"Xiao Xiao, thank you uncle, he was the one who helped us just now, otherwise Mummy and you would be injured now." Shen Ning immediately ordered to Xiao Xiao.

"Thank you, Uncle Jing." Xiaoxiao said sweetly.

"You're welcome." Jing Chenxi smiled, "In the future, we should pay more attention to protecting ourselves, try to stay in places with many people, and don't go to places with few people alone, understand?"

"Okay, I understand." Xiao Xiao nodded.

Jing Chenxi took them into the car, and the car drove out.

"Zhen Ting, what should I do? If the incident between me and Lan Lan is exposed by reporters, it will not be good for Lan Lan. Then she will be laughed at by the children in the kindergarten." Shen Mei sat in the car and did not say anything. He mentioned that he was worried that the image would be damaged if the ugly photos were exposed, but he only mentioned Lan Lan.

She knew that Li Zhenting cared about Lan Lan.

Li Zhenting sullenly said, "No, those two reporters won't let it out."

Today he intentionally kissed Shen Ning in front of Jing Chenxi, Jing Chenxi would definitely not let these revelations go out, those two reporters were his subordinates, it was a matter of one word.

"Shen Mei, if you provoke Shen Ning again, then you will never have to see Lan Lan again." Li Zhenting suddenly said sternly.

"Okay, I understand, I'm sorry." Shen Mei immediately agreed with lowered eyebrows.

Li Zhenting remained silent with a sullen face.

Sudden

A snappy Bentley pulls up next to his car at a red light.

He narrowed his eyes and looked at it.

I saw that the Bentley window was open.

Through the glass, he saw Jing Chenxi in the driver's seat talking and laughing with Shen Ning and Xiao Xiao, everyone had smiles on their faces.

He felt as if he was soured by something in an instant, and when he stepped on the gas pedal, the car slammed through the red light and flew forward like an arrow.

Three days later.

Li's old house.

Shen Ning got off the taxi, followed a road and soon came to the gate of Mr. Li's villa.

She was about to raise her hand to ring the doorbell.

Sudden

A Rolls Royce drove up.

Shen Ning turned his head, only to see Li Zhenting getting out of the car.

"What are you doing here?" Li Zhenting stared at her with stern eyes, his face was terrifying, as if he was interrogating a prisoner.

Shen Ning was not to be outdone, and said loudly, "Of course I'm here to see my sons."

"You are not worthy, please leave here immediately, otherwise, I will have someone blow you away." Li Zhenting was extremely indifferent and merciless.

"Li Zhenting." Shen Ning's anger exploded in his heart, "At the beginning we agreed that Ke Ke and Ding Ding would follow me this week, but because grandparents wanted to be with the children, in order to worry about the elderly Qingxu, I compromised, but it doesn't mean I gave up. Today is just the weekend. I want to visit the children and pick them up by the way. You can pick them up from the kindergarten next week come over."

Li Zhenting raised his sword eyebrows, and asked retortly: "It was agreed at the beginning? Who said it? What did it say? When did I promise you?"

Chapter 337 drive her away

"You...you are playing a rascal." Shen Ning was about to die of anger when he heard that, this man kissed her forcibly in the hotel a few days ago, and now he turned his face and refused to recognize anyone, really shameless!

"I'm playing a rogue? You show evidence, when did I promise you?" Li Zhenting raised his sword eyebrows, with a gloomy face, and stared at her fiercely.

Shen Ning was taken aback, and was about to answer, but suddenly remembered what she said that day. Although Li Zhenting didn't object, he didn't agree to her clearly either.

She froze.

Li Zhenting stared at her closely and said in a deep voice: "Shen Ning, my patience is limited, please don't pester me again in the future, let's see you in court if you have anything to do, our Li family doesn't welcome you."

After finishing speaking, he directly instructed the guard: "Drive her away, and she is not allowed to enter Li's old house again."

"yes."

The man walked directly towards the gate after giving the order, ignoring her.

Shen Ning was so angry that his heart, liver and lungs hurt.

This dog man is not going to return Coco to her.

How unreasonable!

"Li Zhenting, you bastard, stop for me." She yelled at his back and patted the door with her hand.

But the man went in directly and never looked back.

At this moment the guard came over and started chasing her away.

In the villa.

"Grandma, I miss Mommy." Keke has lived here for five days, he really misses Mommy and Xiaoxiao, Li Minhua is sitting on the sofa reading the newspaper, Keke shakes her hand, feeling wronged Open your mouth.

"My little grandson, I told your dad a long time ago, and asked him to bring your mommy to live with him, but your dad said that your mommy is busy with the company these days, she is too busy I can't come here." Li Minhua stroked Ke Ke's beautiful and cute face, and said affectionately.

"But I just miss Mommy, grandma, please let me go home to see Mommy tomorrow." Coco pouted, looking unhappy.

"Okay, I'll ask your daddy when he comes back." Li Minhua felt sorry for Ke Ke. Although the child stayed by her side these days, he was obviously not as happy as he was a few days ago. It must be because of Shen Ning.

At this moment, footsteps sounded, and a tall figure of a man strode in from outside.

"Zhenting, have you picked up Shen Ning today? Do you miss Mommy?" Li Minhua asked Li Zhenting without waiting for him to say hello.

Li Zhenting glanced at Ke Ke, his eyes were light: "I took it, but she is busy. Gucci perfume will be fully sold soon, and her company still owes foreign debts. Now she is in the company every day and has no time to come Accompany Coco."

After finishing speaking, he stretched out his hands to Ke Ke and smiled: "Come on, boy, Daddy will hold you high and Daddy will play with you."

"Okay." Coco was very happy to be lifted up by her daddy every day these days, and thus relieved some distress of not seeing her mommy. She immediately jumped up and stretched out her hands to him.

Li Zhenting picked him up in his powerful arms, lifted the little guy high above his head, and turned around.

Coco giggled happily.

Li Zhenting deliberately put Ke Ke very low, then raised him high again, and exchanged his hands, making him turn in a circle.

Coco smiled happily.

Sudden

Coco was lifted up and saw a woman standing at the gate.

And the figure of that woman seems to be his mommy.

When he opened his eyes wide and wanted to take a closer look, Li Zhenting had already hugged him along his arms into his arms, and pricked his small face with light stubble.

Whenever this time, he would laugh happily, but today, he couldn't laugh anymore.

Just now, he saw Mommy.

Mommy is right outside the door.

Chapter 338 She is desperate

"Mommy, Mommy." Keke lifted Li Zhenting's face away with his small hands and shouted loudly.

Li Zhenting's heart sank.

Too bad, why didn't I think that holding it high would make Ke Ke see the outside of the door.

He must have seen Shen Ning.

The dead woman hasn't left yet, she's still pestering her, it's really annoying.

"Ke Ke, why do you have to mention Mommy every time Daddy plays with you, you are hurting Daddy's heart, understand?" Li Zhenting deliberately put on a straight face, and put Ke Ke down, very sad appearance.

Ke Ke stared wide-eyed: "But I just saw Mommy."

"Impossible, why is your mommy outside the door? If she were outside the door, she would have come in a long time ago. What are you still doing at the door?" Li Zhenting objected with a black face.

Li Minhua nodded after hearing this: "That's right, Keke, if your mommy is at the door, why don't you come in."

It can be seen that the two of them thought it was reasonable to say this, but just now, he really saw it, probably because he wanted Mommy to hallucinate so much.

But he was still worried, and wanted to go outside to have a look.

"Ke Ke, have you finished your homework today? Come on, let Daddy go and check." Of course Li Zhenting understood what he was thinking, but he would not give him a chance to find Shen Ning, so he immediately picked him up and walked towards the study .

Ke Ke still wanted to struggle, but Daddy's arms were strong and powerful, he was no match at all, so he had to obediently obey.

But he said that Ding Ding was peeing in the toilet, and the toilet was facing the door. When he was flushing, he was surprised when he heard a woman shouting outside.

Isn't this voice Mommy's!

Is Mommy here?

He was happy, but felt something was wrong.

Mommy didn't come in, but stood at the gate and scolded Daddy.

How is this going?

He didn't care about the \*\*\*\* on his buttocks, he stood up and tiptoed to look outside, this look, almost screamed out loud.

Not good, Mommy is being chased by a security uncle and carried into a car.

Just as he was about to shout, the car had already driven outside.

He wanted to run out, but Papa hadn't finished pulling.

What the \*\*\*\* is going on? He looked outside again, and the car had already left.

He had no choice but to squat down again and suck.

Here Shen Ning has been slapping the door outside the door and yelling at Li Zhenting since Li Zhenting left.

Ke Weiwei was tall and strong, and he broke her wrist in a few strokes, carried her into a sightseeing car, and the car drove her outside.

Not long after, she was taken out of Li's old house and thrown on the mountainside.

She was angry and angry, and couldn't go in anymore, so she could only walk down the mountain step by step. Fortunately, the cableway didn't stop, so she walked to the scenic spot and took the cableway to get down the mountain.

This made her so angry that she really wanted to chop Li Zhenting up with a knife.

It seems that Li Zhenting has stopped talking about martial arts, and started to grab cocoa.

what to do?

She didn't dare to go home, fearing that her bad mood would affect Xiaoxiao, so she just sat on the sofa in the office with her head in her arms, and the man's ruthless voice echoed in her ears: "I'll see you in court, we don't welcome you in the Li family." .

This man is really ruthless. She almost died in the delivery room when she gave birth to Keke. She went through a lot of hardships to bring the child to five years old, but he snatched it away as soon as he said it. Is there any law in this world?

He had decided that she would have nothing to do with him and would not win the lawsuit.

In her anger, she suddenly thought of someone: Lawyer Niu!

Didn't he once boast in front of her that he would definitely help her win the lawsuit?

Although it is not entirely reliable, the fact that the white villa was rescued from the auction last time is enough to show that he still has some strength, at least not parallel imports.

The most important thing now is that she has nowhere to go, and has been driven to a desperate situation by Li Zhenting. If she can't hire another lawyer, she can only obediently lose Cocoa.

Lawyer Niu is her last hope!

Chapter 339 I saw Mommy today

"Are you there?" Shen Ning took out his phone and sent him a message.

But after the message was sent out for a long time, there was no reply.

Shen Ning frowned.

Lawyer Niu should be very busy now, what are you busy with?

Thinking about this, I realized that I hadn't contacted him for many days, and he hadn't contacted her either.

In the past, every now and then, he would send her a message to ask her, but recently, he hasn't contacted her for almost a week, as if he disappeared.

Could it be that he was afraid that he would find him to file a lawsuit with Li Zhenting, so he was already scared away!

After all, it is not easy for anyone these days, who would risk their own future.

She slumped on the sofa as if she had been sucked out of her true energy. Thinking of Ke Ke's cute and soft face, her thoughts became more and more like stretched silk. .

Li Zhenting, you bastard, I don't agree to remarry, are you going to use this despicable method to deal with me!

You don't love me at all, and you remarried me just because of Ke Ke and Ding Ding. How is this different from six years ago!

I must not bruise myself all over because of my child falling into this hopeless marriage again, I really can't afford to be hurt!

Here, Li Zhenting was sitting in the study and watching the computer after dinner, when suddenly he sneezed loudly.

He wiped it with a tissue. Could it be that someone scolded him behind his back?

Hmph, it must be Shen Ning, that dead woman, who was chased away by him today, she must be unwilling.

While he was thinking about it, his other cell phone rang.

He picked it up and took a look, and it was indeed from Shen Ning, with a cold smile floating on the corner of his lips.

Shen Ning, you came to me now when you were in a hurry. If you knew that Lawyer Niu was me, would you be stunned?

He pressed the off button and threw the phone aside.

Coco's bedroom.

Coco is practicing programming in front of the computer.

Ding Ding walked in.

As soon as he saw the computer, his eyes lit up, and he immediately leaned over, and the two brothers began to study computer technology together.

Since Ke Ke and Ding Ding got together, Ding Ding has taught Ke Ke all the knowledge he has learned from top international teachers. The two brothers often confront each other, and Ke Ke's computer technology has reached a new level.

The two little ones played in front of the computer for a long time, and Ding Ding deliberately hacked Coco's website to paralyze it. In the end, Coco easily resolved it, and the two played handily.

"Hey, I miss Mommy so much." After playing to her heart's content, Coco fell down on the bed, propping the back of her head with her hands, her face full of melancholy.

"I want to too." Ding Ding lay beside him, put one leg on him, and looked at the ceiling with dark eyes.

"I don't know what's going on, Mommy doesn't call us, but she doesn't come to see us. I want to sneak back to see Mommy tomorrow." Coco spoke out her thoughts.

Ding Ding was stunned, suddenly thought of something, turned over and got up, and said, "By the way, I saw Mommy today. She is here, and she is at the gate."

"Really?" Ke Ke heard the words and got up, "Then why didn't she come in? When did this happen?"

Ding Ding sighed: "Mommy wanted to come in, but the guard drove her away, just this afternoon."

"How could this be?" Coco's round face was puffed up, and his face was full of anger.

Suddenly, he remembered, when Daddy came back this afternoon to lift him up, he also saw a woman outside the gate, that was clearly Mommy, and he yelled loudly at that time, but Daddy insisted Not Mommy.

Chapter 340 Deserves it

"Oops, I saw it too, but Daddy insisted that it wasn't Mommy, he was lying to me." Ke Ke immediately told what she saw, and asked scoldingly: "Ding Ding, since you saw Mommy Why don't you go out and invite her in?"

Ding Ding puffed out his cheeks and pouted, "I was doing \*\*\*\* at the time, so it was too late."

Ke Ke was full of doubts: "Then why did Daddy lie to me? Mommy didn't come in even though she came, and he lied to me that he would pick her up. Also, why did Uncle Guard drive Mommy away?"

"Is it possible that Daddy didn't know Mommy was here?" Ding Ding stared wide-eyed.

"Impossible." Ke Ke immediately denied, "Daddy just came back from the outside, he came in through the gate, and Mommy is at the gate."

"That's weird." Ding Ding scratched his head.

Ke Ke rolled her big clever eyes, suddenly slapped her thigh, and said angrily: "I see, it must be Daddy who won't let Mummy in, those guards listen to him."

When Ding Ding heard it, he seemed to understand something, and there was anger in his eyes, but he still doubted: "It is possible, but grandma asks Daddy to pick up Mommy every day, and Daddy also said to pick up Mommy." Yes, logically speaking, he shouldn't do that."

Ding Ding is still much more naive than Coco.

"That's right, it's definitely Daddy." Ke Ke slapped her thigh, almost sure, "Daddy is a big villain, and he's bullying Mommy again. He wants to take my custody and prevent Mommy It must be his conspiracy to get close to me, he doesn't want me to get close to Mommy, ah, I'm so mad, he even lied to me that he went to pick up Mommy, the fact is that he never went there at all."

Coco got up angrily.

"Then let's ask Daddy." Ding Ding said angrily.

"Don't ask, he won't tell you if you ask. I asked him at the beginning, but I was deceived by him, big villain." Ke clenched his fists hatefully.

"If this is the case, Daddy is too hateful." Ding Ding pouted, very angry.

"No, we have to protect Mommy, punish Daddy, and avenge Mommy." Coco clenched her fists, "Daddy always bullies women, he is not at all aboveboard."

"Yes, Daddy is a big villain. We must help Mommy. We can't let him bully Mommy all the time. You can say how to punish Daddy. I'll listen to you." Ding Ding immediately agreed, arguing for Mommy .

When Mommy was chased away by the security uncle today, how pitiful he was, his heart was sore, Daddy was so bad.

Coco's big flexible eyes rolled a few times, and suddenly she attached to Ding Ding's ear and bit her ear softly.

Ding Ding nodded while listening, and said after a while: "Okay, just do it like this."

The two little ones laughed slyly.

Li Zhenting woke up from a deep sleep, and it was already dawn.

He raised his hands to lift the quilt and sit up. Ge Di found that his hands seemed to be stuck on the edge of the bed by something, and he couldn't get them back when he opened them. , His legs seemed to be locked by something on one side and one foot of the bed.

He is lying in a big character!

God, what's going on here?

His face changes color.

Just as he was about to yell, suddenly, the door opened, and two little guys walked in in unison.

Ke Ke and Ding Ding were wearing identical nightgowns, sucking on cotton slippers, their \*\*\*\* eyes twinkling, and their chubby little faces standing in front of him.

"Coco, Ding Ding, why are Daddy's hands and feet tied up?" Li Zhenting asked immediately.

"Hmph." Unexpectedly, the two cubs snorted together, glared at him maliciously, and shouted in a childish voice, "It's what you deserve."

Well! Li Zhenting was taken aback and was immediately confused.
