

Troublemakers 341

Chapter 341 You must promise us one condition now

"Ke Ke, Ding Ding, what do you mean? Daddy was bound hands and feet, and you call him what he deserves. This is not a good boy." Li Zhenting reprimanded with a serious face.

Ke Ding Ding hummed coldly:

"Hmph, Daddy is a big villain, always bullying Mommy."

Li Zhenting was stunned for a moment, and instantly understood everything.

It seems that his hands and feet were **** by his two sons. Yesterday when Shen Ning came here and was driven away by him, these two brats must have seen them. They were avenging their mother.

What an unfortunate family!

How did he give birth to two sons who only had mommy in their eyes!

He failed too much as a daddy.

"Coco, Ding Ding, tell me, did you two tie up Daddy?" He asked sharply with a gloomy face.

Ding Ding was a little scared. He was really guilty of tying his father. Once his father lost the rope, the consequences would be very serious, and his **** might be smashed.

However, for the sake of Mommy, what is the beating!

"Yes, you bullied Mommy, we want to avenge Mommy." He replied coldly, with a deadpan look on his face.

Ke Ke is even more righteous: "Daddy, you are a big villain. You lied to me that she didn't come when Mommy came yesterday, and you lied to grandma that you went to pick up Mommy every day. Mommy can't come because of work, in fact, you didn't go to pick up my mommy at all, you are lying."

The two little guys had clear thoughts and reasoned, and they exposed Li Zhenting's little thoughts at once.

Li Zhenting fell into the hands of his son, and he couldn't bear his old face anymore. In addition, he was tricked by his son and **** so that he couldn't move. He was really angry and angry, but the facts were in front of him, and he had nothing to say.

"Ke Ke, Ding Ding, you are still young and don't understand grown-ups, let go of Daddy, Daddy has something to tell you." He spoke with little confidence.

"Hmph." But the two little guys gave him a roll of their eyes, and turned their heads away.

Li Zhenting was extremely annoyed.

How could he sleep so deeply last night? He didn't even know that he was **** by two little milk babies. If it got out, he would laugh out loud.

"Ke Ke, Ding Ding, Daddy orders you to untie me immediately, or you will bear the consequences." Li Zhenting took out his parental authority and shouted angrily, "When Daddy calls someone over, you will be in trouble."

It's simply lawless. I don't show my power, but I treat him as a sick cat.
only

Tintin and Coco don't seem intimidated by him.

They made a face, took out their mobile phones to take a picture of his distressed appearance in all directions, and threatened in a small voice: "Daddy, you have to agree to one condition with us now, otherwise, we will take your distressed appearance Take it and put it on the official website of the Li Group, you should know our computer skills, I want your subordinates to see how useless their President Li is usually, and we will also show you the scandal of bullying our mother Explode it and let more people see your villainous behavior."

Ke Ke put her hands on her waist, and the little milk's voice was very clear.

Li Zhenting complained endlessly.

He spent his whole life in the business world, killing countless enemies, but was completely helpless by his two five-year-old sons!

This really echoes that sentence, everything has a guest star. And his guest stars are Shen Ning and her children.

Chapter 342 Daddy Disobedient

"How is it? Daddy, will you agree to our conditions?" After taking the photo, Ke Ke and Ding Ding ran to his side, lying on the bed, the chubby body hung up his feet, and the two little faces faced him, smiling. ask.

Li Zhenting looked at the two cute little guys, who were so beautiful that their facial features were exactly the same as his. He was obviously very angry but couldn't hate him.

"You really don't intend to let Daddy go and apologize to Daddy for forgiveness?" The poor man wanted to maintain his authority in front of his two sons at this point, and his tone was very harsh.

"No plan." Ke Ke replied very resolutely, he must not abandon Mommy, "You have to promise us one condition, otherwise you can just lie down like this forever."

"Aren't you afraid that Daddy will beat you?" Li Zhenting hummed angrily.

"For Mommy, I'm afraid I have to do the same." Coco is very loyal.

Li Zhenting is both angry and admired, such a son is like him.

"Aren't you afraid that Daddy will be sad when you treat Daddy like this because of Mommy?" He suddenly asked aggrievedly, like a big child.

Little Keke stretched out her chubby hand to pat his face, her milky voice was sweet: "Daddy is a man, he is not afraid of being wronged, but Mommy is a little woman, we are all men now, we must protect the little woman. "

Uh, Li Zhenting was beaten down by his sons again.

Shen Ning's ability to educate children is really far beyond his reach!

"But Daddy will also be sad. Don't you feel guilty for treating Daddy like this? Daddy treats you very well." Li Zhenting was really unwilling. He was wholeheartedly for the good of the children, but they didn't have the slightest heart to treat him. He left all his heart to Shen Ning.

He is so jealous of Shen Ning!

"That can't be helped, who told you to always bully Mommy." Ke Ke suddenly sighed, and spoke like a little adult.

The corners of Li Zhenting's lips twitched: "Boy, how did you know that I bullied your mommy, didn't you think it was your mommy who bullied me?"

Obviously Shen Ning refused to remarry him, and she was still ambiguous with Jing Chenxi, so why must he be bullying their mommy?

"Impossible, Mommy never bullies others." Ke Ke believed in Shen Ning very much.

Li Zhenting lost his mind, so he could only ask, "Tell me, what conditions do you want?"

Ke Ke tilted his head and looked at him, as if trying to judge whether he was telling the truth.

"We want to be with Mommy, Xiaoxiao, either, you go and pick up Mommy and we'll be together, or we'll go back to Mommy, it's up to you to choose." Coco said seriously.

"That's impossible." Li Zhenting immediately objected.

"Then just lie down like this." Coco immediately pulled Ding Ding, "Let's go, Daddy is disobedient."

"Okay." The two little ones were about to walk out hand in hand.

"Come back." Li Zhenting stopped them: "I promise you."

If he can't even deal with two brats, it's a waste of his life's wisdom.

"Really?" Ke Ke immediately ran over and climbed onto the bed to look at him, sizing him up with big eyes like black grapes.

"Really, when did Daddy lie to you?" Li Zhenting looked at his son with love and hatred.

Coco climbed onto his chest, her small face stared closer and closer at his eyes, her small mouth was open, and saliva flowed from his small mouth onto Li Zhenting's face.

"It seems to be true." After the little guy muttered to himself, he said to him, "Daddy, wait a minute."

"Ke Ke, where are you going?" The little guy got out of bed and ran outside. Li Zhenting looked at the little guy's back and yelled, the saliva dripping on his face almost flowed into his mouth.

Keko Keke ran away without looking back.

After a while, Ding Ding's cell phone rang.

Ding Ding picked it up.

"Okay." Soon, after he promised, he took out a bright key from his pocket, climbed to the foot of Li Zhenting's bed and began to unlock it for Li Zhenting.

"Boy, where do these locks come from?" Li Zhenting asked.

Ding Ding spoke a little tremblingly: "Daddy, Coco bought these online, don't blame me."

"Boy, you bully Daddy together with Coco, and see how Daddy will deal with you." Soon, Ding Ding unlocked the lock on his hand, he grabbed Ding Ding and gritted his teeth and shouted.

"Help!" Ding Ding shouted loudly.

"Stop." At this moment, the door opened, and Ke Ke led Li Jichun and Li Minhua in just right.

Chapter 343 I will kick you out

"Grandpa, grandma, save me quickly, Daddy is going to beat me." Ding Ding immediately broke free from Li Zhenting's palm and ran towards Li Minhua, shouting as he ran.

"Oh, my good grandson, be careful." Li Minhua bent slightly and stretched out his hands to hug him, "If you fall down, you will be in trouble, don't be afraid, with grandma around, no one will dare to hit you."

She kissed his little cheek, and looked at Li Zhenting with stern eyes.

Li Zhenting didn't expect these two little **** to be so shrewd, they even calculated this point, and moved the old man and the old lady here in time.

Now, he really didn't dare to do anything with them.

"Grandpa, grandma, good morning." He could only greet Li Jichun and Li Minhua with a smile on his face.

But Li Jichun had a straight face: "Zhen Ting, why did you hit Ke Ke and Ding Ding so early in the morning? They are just children, what big mistake can they make?"

"..." Li Zhenting asked the sky speechlessly.

"Tell you, you are not allowed to beat my grandson. You can't let me mess around here." Li Minhua was even more unforgiving and gave the order directly.

Li Zhenting held his wrist, and could only shut up.

"Grandma, Daddy is lying, he lied to you." At this time, Ke Ke was left to pursue and sue directly.

Upon hearing this, Li Minhua immediately asked, "What lies did he tell, please tell grandma."

Ke Ke glanced at Li Zhenting proudly, and complained childishly: "Daddy never went to pick up Mommy, he didn't want Mommy to come and accompany us at all, and Mommy came here yesterday, but Daddy let us. They drove her away."

"What?" Li Minhua turned pale with shock, and immediately glared at Li Zhenting with a serious face: "Zhenting, is what Keke said true?"

"..." Li Zhenting was unable to answer.

Seeing him like this, Li Minhua understood in his heart, no wonder Shen Ning didn't come to see the children for a week, it turned out that it wasn't that she didn't want to come, but her grandson didn't let her come.

It's really disgusting that this unenlightened grandson is still bullying Shen Ning and cheating on her.

"Zhen Ting, I order you to pick up Shen Ning immediately today. Also, I welcome Shen Ning here but not you. If you are hostile to Shen Ning again, I will drive you out so that you will never see him again. It's time for Keke and Ding Ding." She threatened fiercely, and then she pulled Ke Ke and Ding Ding out.

Li Zhenting was miserable for a while.

Shen Ning, you dead woman, meeting you in this life is really unlucky for eight lifetimes!

Noon, Civil Aviation Hotel.

Shen Ning and Jing Chenxi were discussing cooperation projects in a private room, but they both forgot to order food because of the speculative conversation.

The air-conditioning in the box was very strong, Shen Ning felt that his hands and feet were cold, so he shrank his shoulders.

"Ning Ning, is it cold?" Jing Chenxi sensed it keenly, and immediately asked with concern.

"Yes, it's a bit cold." Shen Ning stood up and went to find the air conditioner switch.

Jing Chenxi quickly sat her down, smiled and said: "Let me do it, the air conditioners in big hotels are usually very cold, wait a moment, I will ask the waiter to bring you a shawl."

As he spoke, he went to adjust the air conditioner to find a waiter.

Shen Ning looked down at the contract, not worried about any traps in the contract, but worried that Jing Chenxi would give her special preferential treatment and give her too many discounts.

She hopes that everyone is a good business partner, rather than mixed with personal emotional factors.

In this way, their cooperation can develop better and longer.

After a while, Jing Chenxi walked in, holding a soft and comfortable soft shawl in his hand.

"Ning Ning, come on, it will be much warmer if you put on this." He walked in and pulled up Shen Ning's hair, and gently draped the shawl on her shoulders.

When Shen Ning reached out to take it, he touched Jing Chenxi's fingers.

Chapter 344 Because, he should fight

"Ning Ning, your hands are really cold." Jing Chenxi immediately wrapped her small hands with her big hands, and said with great pity.

The man's warm body temperature mixed with the faint scent of vanilla spread into Shen Ning's nostrils. She was lost for a moment, and a man's face flashed in her mind. The faint scent of mint on his body and the scorching hot Her lips and tongue occupied her breath, and the suffocation and numbness made her face heat up unconsciously.

"Ning Ning." Jing Chenxi looked at her affectionately, the blush flashing across the woman's face made his heart throb, and he couldn't help but bend down.

Suddenly, the door opened, and a man's figure broke in.

"Jing Chenxi." As soon as Li Zhenting came in, he saw that the men and women in the box were holding hands and watching affectionately, and the man was bending down to kiss the woman's lips.

A burst of anger quickly rushed from his chest to his forehead, his head became hot, he shouted angrily, rushed forward, and punched Jing Chenxi **** the face.

Jing Chenxi was caught off guard, and received a heavy punch on the side of his face, and fell backwards. Fortunately, he hit the wall behind to stand firm. A fishy-sweet liquid flowed out from the corner of his mouth. He wiped it with his hand. , full of blood.

"Ah." Shen Ning came to his senses at this moment, and saw blood flowing from the corners of Jing Chenxi's nose and lips. He was terrified for a moment, yelled, and rushed over to get a tissue and handed it to Jing Chen Xi, looked at him and asked with concern: "Mr. Jing, are you okay?"

Jing Chenxi wiped the blood on his face with a tissue, shook his head, and replied gentlemanly: "Ningning, I'm fine, don't worry."

Shen Ning turned around and met Li Zhenting's gloomy face, and couldn't help saying angrily: "President Li, why are you beating people here?"

Jing's Group is also a large family group company with the first one and the second. Jing Chenxi's background and status are comparable to him. How could he beat people so casually? It might cause conflicts between the two families.

Li Zhenting smiled disdainfully, and replied arrogantly: "Because, he should hit."

Shen Ning sneered: "The Minhang Hotel is not owned by your Li Group, did Mr. Jing offend you here? You are making trouble for no reason!"

"I am making trouble for no reason? Just because I hurt your man, you slander me like this?" Li Zhenting's handsome face flashed a cold light, his eyes were like ice knives, and he coldly gouged her out.

"I..." Shen Ning was taken aback for a moment, the terrifying expression on the man's face made her dare not speak.

At this time, Jing Chenxi came up to protect her behind her, and looked at Li Zhenting calmly: "President Li, please make it clear, why did you hit me? Otherwise, this matter is not over."

Li Zhenting sneered: "Mr. Jing, what did the Imperial Capital Daily under the Jing Group do? Go and have a look for yourself."

"..." Jing Chenxi was taken aback for a moment, and hurriedly took out his mobile phone to turn it on. After a while, he frowned, raised his head, and apologized very gentlemanly: "Mr. Li, I'm sorry, the Imperial Daily News was wrong. I had already ordered Those two reporters deleted all the content they captured, but they didn't do so, so I'll go back and deal with it right away and give you a satisfactory answer."

Shen Ning was secretly startled when he heard it, and hurriedly turned on the phone to take a look, suddenly realized.

It turned out that in order to win attention that day, the two reporters actually posted Shen Mei's face with the word "egg" written on her face, and her ugly dark face after removing makeup, to Yuji, and it was quickly forwarded. It didn't make it to the hot search, but it also caused a lot of abuse and cyberbullying.

It seems that Li Zhenting came to Jing Chenxi to settle accounts for the woman he loves. This is also reasonable, but for some reason, she feels sore in her heart. The difference between love and not love is here. Beating someone for a woman, this It was also the first time Shen Ning saw Li Zhenting being so rough.

Jing Chenxi quickly said goodbye and left, Shen Ning was about to leave when suddenly, the man's big palm grabbed her arm and walked outside like an eagle carrying a chick.

Chapter 345 I think dirty

"Hey, what are you doing? Let me go." Shen Ning jumped into the air, panicked, waving his hands and feet, and shouted loudly.

The guests and waiters next to them all looked at them.

Li Zhenting's face was calm, and he walked as if there was no one else around, as if he was carrying a chicken, and he didn't care about the chicken's emotions at all.

PARKING LOT.

Li Zhenting opened the car door and threw Shen Ning in.

Shen Ning got up and was about to run out, but Li Zhenting folded his arms around his chest, leaning his back against the car door, and raised one foot to block her way out.

"What on earth are you trying to do?" she growled, glaring at him.

Li Zhenting smiled coldly: "Don't worry, I won't do anything, I think it's dirty."

Shen Ning heard the overtones, he was filled with anger and anger, and his face became hot.

She and Jing Chenxi have never done anything, but this man thinks too much.

"Okay, Shen Ning, your wishful thinking has succeeded again. Now Keke and Ding Ding want you. They use their great-grandfather and grandma to threaten me. I am tired and give in. Your plot has succeeded, and I am ordered to come here now." I will take you to Li's old house." With a sarcasm in Li Zhenting's eyes, his tone was cold, "However, I want to warn you, from now on, you are not allowed to kiss my sons, let alone sleep with them , I'm afraid I'll get them dirty."

Shen Ning was dumbfounded.

What does it mean that her plot succeeded? When did she play a conspiracy?

Why would he not allow her to kiss her sons, and not let her sleep with them!

What capital crime did she commit that made him so disgusted.

She glared at him hard.

At this time

Li Zhenting raised his hand and closed the car door, a gust of cold wind rushed towards his face, scaring Shen Ning back a few steps, if not for the quick flash, the car door would hit her face.

"Bastard." Shen Ning touched his face, scolding his mother angrily.

Li Zhenting walked to the driver's seat, stepped on the accelerator, and the car slammed forward.

Shen Ning was so shaken that he fell to the ground, lying on the seat.

Li's old house.

Shen Ning walked in while touching his sore nose.

"Mommy, Mommy." Ke Ke and Ding Ding were playing a game, when they saw Shen Ning approaching, they immediately ran towards her whistling.

"Ke Ke, Ding Ding." Shen Ning's eyes lit up, and he hurriedly opened his arms to meet her. The two little guys ran over and hugged her thighs one by one. Shen Ning hugged them into his arms with a smile, and was about to kiss them.

It's been a week since she saw these two cute little guys. Seeing them now, she suddenly felt that her soul had come alive. She was very excited and happy.

"Mum, I miss you so much." Ding Ding said coolly, rubbing his little face back and forth in her arms.

Ke Ke and her bit their ears: "Mommy, Ding Ding and I saw you yesterday. You were standing at the gate. It was Daddy who didn't let you in. He also drove you away. What a big villain. Today, Ding Ding and I thought of a way to get Daddy to invite you here."

Shen Ning was stunned.

Sudden

"Hmph." A man's cold hinting hum came from above his head.

She was startled, and immediately pushed Ke Ke and Ding Ding away, and stood up bouncing.

Coco and Ding Ding looked at her inexplicably.

At this time, Li Zhenting bent down to pick up Ke Ke and Ding Ding with one hand and walked towards the sofa, leaving her behind.

Shen Ning was very annoyed when he woke up.

Why is this dog man humming so loudly? Don't let her kiss the child, who does he think he is, she just wants to kiss him!

"Ning Ning, you are finally here." But before she could say anything, the old lady came out with a smile when she heard Shen Ning's voice inside, and took her hand and said loudly: "Last time I just told you, let you live here, I have packed up a house for you, you can live here this time, don't leave, stay with the children at ease, you don't have to be afraid of anyone, if someone dares to bully you, just tell me and I will drive him away."

Speaking of this, the old lady gave Li Zhenting a hard look.

Li Zhenting looked down at his son, pretending not to hear.

Chapter 346 She can still find a boyfriend if she lives here

Shen Ning forced a smile: "Grandma, I came this time to take Keke and Dingding back..."

"That can't be done." Li Minhua immediately tightened his face: "I want Keke Ding Ding to accompany me and the old man more. We are getting older and don't like being deserted. We like children and grandchildren to be around our knees the most."

She pulled Shen Ning to the sofa and sat down, holding her hand and said sincerely: "Ning Ning, we have a lot of houses here, so you can move here, it's better than renting a house outside, don't worry, Our old couple will never restrict your freedom. Whether you want to find a boyfriend or fall in love, you can come and go freely. If someone dares to interfere with you, just tell me, and I will drive him out. We're getting older and we just want to be with the kids and have fun as a family, nothing else."

The old man spoke very sincerely and sincerely, Shen Ning really couldn't refuse for a while.

She looked at Li Zhenting.

This **** man was squinting at her sideways with a gloomy face, full of expressions that wished her to get out of here.

She sighed secretly.

"Zhenting, do you think grandma is right?" Li Minhua narrowed his eyes and asked Li Zhenting deliberately.

The old lady is shrewd, and her grandson is glaring at Shen Ning with threatening eyes, and seems to want to force her to leave again.

She won't allow it!

"Ah." Li Zhenting hurriedly retracted his eyes in a panic, and nodded in response to the situation: "Yes, yes, grandma is right."

In fact, my heart is already full of disdain.

Grandma actually agreed that she could still find a boyfriend if she lived here. No wonder this woman became more and more daring. It turned out that her confidence came from his relatives.

"Okay, then it's settled." Li Minhua clapped his big hands on his knees and agreed, holding Shen Ning's hand, smiling, "Let's go, I'll take you to see the house I arranged for you, if you don't Satisfied, just bring it up."

Shen Ning was dragged by the old lady and walked passively towards the room.

"Mummy." Seeing that Mummy had left, Coco and Ding Ding also broke away from Li Zhenting's hand and ran over.

They went to see the room lively, leaving Li Zhenting alone on the sofa.

When Mr. Li came out of the study, he saw his grandson sitting alone, and couldn't help shaking his head.

I don't know when this grandson will know how to cherish the people in front of him.

"Mommy, I want to eat thin-skin dumplings."

"Mum, I want to eat pork knuckle, and I want to drink rock sugar snow balls."

The two little ones haven't eaten the food made by Mommy for a long time, and one is more greedy than the other, shouting loudly.

Shen Ning smiled and was about to speak when Li Minhua joined in the fun with high spirits: "By the way, Ning Ning, I remember the steamed sea bass and fish head soup you made. A few big fresh fish, just picked up from the reservoir, why don't you make them for us?"

"Okay, okay." Shen Ning hadn't answered yet, but the two cubs jumped up happily, applauding repeatedly.

Seeing the children's greedy faces and Li Minhua's expectations, Shen Ning could do nothing but agree. However, she was happy to cook for the children, and it was also for the old lady to cook fish soup. She is very happy.

So

Soon, Shen Ning was busy in the kitchen.

"Mummy, can I have a Coca-Cola chicken wing first?" Ke Ke and Ding Ding circled around Shen Ning in the kitchen, looking at the golden and attractive chicken wings just out of the pan, Ke Ke drooled.

"Okay, here, take it." Seeing his son's cute appearance, Shen Ning smiled slightly, took a chicken wing and put it in a small bowl and handed it to him.

Coco took it out to eat.

"Mommy, I want it too." Ding Ding was not to be outdone, and fought for it, and Shen Ning also gave him one with a smile.

The two little ones were sitting in a row with rice bowls and eating chicken wings, with satisfied smiles on their faces.

Li Minhua smelled the aroma and was also attracted. Shen Ning immediately scooped up a bowl of hot fish soup just out of the pot and brought it to her. She happily sat at the dining table and took a spoon to drink. harmonious.

Smelling the aroma, Li Zhenting suddenly felt hungry, but he was too embarrassed to eat, so he stood up slowly and walked towards the kitchen.

Chapter 347 You are clearly the one who messed with me

"You really know how to win people's hearts." In the kitchen, Li Zhenting put his hands in his trouser pockets, stood beside Shen Ning, stretched his head to look at the delicious dishes on the dining table, but sneered with his cheap mouth.

Shen Ning was taken aback by Li Zhenting who suddenly appeared without anyone noticing, and almost dropped the uncovered soup pot to the ground.

"Hey, are you a ghost? Why are you so silent?" She didn't expect Li Zhenting to come in, stepped aside, stared at him and asked dissatisfied.

Li Zhenting looked indifferent, stretched out his fingertips and pinched a piece of crispy radish into his mouth, and smiled: "These dishes are made for me, do you still love me now?"

The stir-fried dishes on these dining tables are almost all his favorites, and they are also the ones she often cooked for him in the past.

Shen Ning's ears warmed up, and he grabbed the food in his mouth and threw it into the trash can next to him, snorted coldly: "Even if it's for feeding the dog, it's impossible for you to eat it, you really made it up Passionate, if it wasn't for your grandparents' sake, do you think you would still have the chance to stand beside me and taste the food?"

Li Zhenting just tasted the familiar taste and it disappeared, becoming angry from embarrassment.

"Shen Ning, have you eaten the gall of a leopard?" He gritted his teeth.

"Please, did I invite you to eat? You're the one who provoked me, you're really shameless." Shen Ning puffed up her cheeks and rolled her eyes at him.

Li Zhenting was angry and helpless. In the past, this woman was trampled under his feet and allowed to be squeezed by him, but now, she despised him day by day, and even dared to humiliate him from time to time.

He pursed his lower lip, caught off guard, reached out to grab a plate of food and ran outside.

"Li Zhenting, bring it back to me." Shen Ning chased it out.

Li Zhenting turned back and stared at her: "If you have the ability, come and grab it."

He held the dish high above his head and looked at her proudly.

Seeing him like this, Shen Ning was annoyed and funny. This man clearly looked like a child who couldn't grow up, self-willed, arrogant and ignorant.

"Hey, forget it, just treat it as feeding the dog, the old dog should eat more, woof woof." She made a face at him, stuck out her tongue, turned around and went into the kitchen to cook. It's going to burn.

Damn woman, how dare she call him a dog!

Li Zhenting cursed and walked towards the study with the dishes.

After a while, Mr. Li walked in.

Li Zhenting was taken aback for a moment, quickly put the dish aside, and shouted:

"grandfather."

"Come on, wipe your mouth first." Mr. Li glanced at the oil on his grandson's mouth, took a tissue and handed it to him.

Li Zhenting Shanshan smiled, took the tissue and wiped his mouth.

"Zhen Ting, how are you and Shen Ning doing now?" Li Jichun asked.

Li Zhenting sat up straight, threw the tissue into the trash can, deliberately pretending to be confused: "What's wrong?"

Li Jichun looked at him. This kid obviously swore to him last week that he would remarry Shen Ning, but now he is pretending to be deaf and dumb again. It seems that things are not as easy as he imagined, that's all, Shen Ning, a girl But he is a very assertive kid, besides, he has suffered so much humiliation before...

"Zhen Ting, listen to Ke Ke saying that yesterday you stopped Shen Ning outside and prevented her from coming in?"

"Nothing." Li Zhenting immediately shook his head in denial.

Li Jichun didn't expose him, but said earnestly: "Zhen Ting, relationships require mutual understanding and support, and more importantly, good management. I hope that no matter what you do, you will think carefully and not be impulsive. Relationships are originally very beautiful. Yes, but if not handled properly, it will only hurt and affect the children."

He left after speaking.

Li Zhenting sat in a daze.

"How is it? When is Zhenting going to remarry Shen Ning?" Li Minhua caught Li Jichun and asked him quietly as soon as he came out.

Li Jichun shook his head and sighed.

Li Minhua seemed to have expected it a long time ago, bowed his head and returned to the table to drink fish soup.

After a while, when Shen Ning cooked the meal, they had almost eaten it.

Chapter 348 Daddy, you can kiss us too

"Ningning, you still have a daughter called Xiaoxiao. Is she home alone now? Do you want to pick her up?" After dinner, Li Minhua, Shen Ning, and Li Zhenting sat on the sofa, and Li Minhua asked with concern.

Shen Ning looked up at Li Zhenting, and shook his head: "No need, there is a nanny at home, she will take good care of the child."

Li Zhenting's side face was very indifferent.

"Hey, it's not easy for you to be a woman with two children." Li Minhua sighed, "Have you ever found a little biological father?"

Shen Ning was taken aback for a moment, and immediately shook his head:

"No, I won't look for it in this life. I will raise her alone and try my best to let her live a happy life."

"That's fine." Li Minhua sadly added and didn't speak any more.

It would have been great if Shen Ning hadn't given birth to Xiao Xiao with another man. Zhen Ting can't accept him now, and he can't blame him entirely. After all, he is a man. What man would want his wife to give birth to another man? Have children.

But who can be blamed for this matter, if he could cherish Shen Ning at the beginning, how could it be like this!

She felt depressed and went to rest soon.

As soon as she left, Shen Ning also went upstairs.

In the large bedroom upstairs.

Coco and Ding Ding are crawling around on the bed in their pajamas, very excited.

Li Minhua chose a big room and big bed for the two little guys, and let them sleep together.

"Mommy." Shen Ning came over after taking a shower, and the two little guys immediately crawled towards him.

"Coco, Ding Ding." Shen Ning hugged them, looked at their cute and delicate faces, and habitually kissed them.

"Shut up." Just as she was about to kiss, a Li Zhenting voice suddenly came from behind.

The smile on Shen Ning's face disappeared, and he turned his head away.

I saw Li Zhenting walking in wearing a nightgown and sucking on slippers.

"Shen Ning, did you forget what I told you?" He had a gloomy face.

Shen Ning was stunned for a moment, and when he understood, his face was flushed with anger.

"Boss Li, do you want me to kiss my son?" She replied angrily, and turned her head to see that Ke Ke and Ding Ding were waiting for her to kiss with their faces raised.

She was happy, hugged them and kissed their little faces heavily. It wasn't satisfying, and she kissed several times in a row.

Li Zhenting's face turned dark.

"Daddy, you can kiss us too." Seeing that Daddy's face was stretched out for no reason, and it was still dark, Coco thought he was jealous, so she immediately spoke to him in a childish voice.

Li Zhenting's face was serious, and he said solemnly: "Manly man, kiss and kiss all day long, don't be shy, you should spend more time with Daddy in the future, and learn what men should do, so that when you grow up, you can be like a man. a man."

Ke Ke blinked her eyes: "But I already look like a man, I will punish anyone who dares to bully Mommy."

He clenched his little fist and swung it out.

Li Zhenting's head was full of black lines.

This child, even to be a man, has to have a relationship with her mother. Shen Ning is really selfish. In order to be remembered by his son, he even kidnapped his son.

After finally waiting for Shen Ning to coax the two little guys to sleep, when Shen Ning was about to lie down with his sons, Li Zhenting suddenly stepped forward to cover her mouth with one hand, picked her up with the other hand and walked outside. When he was about to leave, he closed the door behind him.

"Bastard, what are you going to do?" Li Zhenting carried Shen Ning into the study and threw him on the sofa. Shen Ning got up dizzy for a while and asked angrily.

Li Zhenting pursed his lower lip, smiled cruelly, pushed her down on the sofa, put one leg against her lower abdomen, raised her chin with one hand, and said in a cold voice, "Shen Ning, don't you take my words as a Something happened."

Chapter 349 really smells bad

"You are crazy, why can't I kiss my son anymore." Shen Ning understood his intention and glared at each other.

Li Zhenting shook his head: "No, you can't, if you kiss my son with the mouth that other men have kissed you, wouldn't it infect my son if there is any infectious disease? That is absolutely impossible ."

"You bastard, Jing Chenxi and I have never done anything."

"Still sophistry." Li Zhenting smiled darkly, "I saw it with my own eyes, if I came one step later, he would have kissed your lips, but before I came, who knows how many times he has kissed you."

Shen Ning thought about it, it seemed that Jing Chenxi's lips were getting closer to her, but at that time, her mind was full of Li Zhenting's figure, and she didn't notice him, besides, even if he really kissed her here, she will refuse.

But this man is clearly maliciously misinterpreting their relationship.

"Li Zhenting, let me tell you again, I have nothing with Jing Chenxi, if you think it's your business, let me go, I'm going to rest." She raised her hand and knocked it off, pinching her chin.

But Li Zhenting obviously didn't believe her, he grabbed her wrist with his powerful big hand and buckled it aside, bent down, with a gloomy face: "Shen Ning, it's useless for you to quibble, I only believe what I see."

"What do you want?"

Li Zhenting tilted his head and looked at her lips, and smiled evilly: "Of course I have to protect my sons. Originally, it would be fine if you didn't come close to them, but there is no way, you will control the children to death, I can only do what they wish and let you live in, but that doesn't mean I let you do whatever you want."

Shen Ning stared at him bitterly, his eyes were full of anger.

He smiled playfully, lowered his head and licked her lips with his tongue, and pressed his lips together, as if he was tasting something.

"It does have a foul smell. It seems that it will take me a long time to get rid of this smell today. Otherwise, I won't be at ease when you kiss my sons again." A blazing flame flickered in it.

In Shen Ning's bright eyes, he saw the desire deep in the man's eyes, and felt that it was not good. In an instant, Li Zhenting's hot lips covered her red lips, kissing her delicately and airtightly, little by little, From the shallow to the deep, from the point to the surface, until it completely engulfed her like a storm...

Shen Ning's brain went blank under the man's passionate kiss, and his whole body became limp.

I don't know how long it took before the man let go of her contentedly, licked his lips with the tip of his tongue, looked at her with a smirk, and warned: "It's almost the same, the anger should be cleared up, remember it for me." , if you are seen by me next time, if you still want to get close to my sons, you have to accept my cleansing first, otherwise, I will never let you get close to my sons, I will protect them well.

"

"What a bastard." Shen Ning took a few breaths, got up and punched him.

Li Zhenting grabbed her fist and threw it on the sofa, and said with a snort: "Okay, you can be a good boy if you get it cheap, if it's not for the good of your sons, do you think I would like to do this? Just rely on you, I don't even want to look at it One glance."

Shen Ning was mad at him.

"Li Zhenting..." She gritted her teeth and shouted, and suddenly felt hot down below, no good, here comes the aunt!

Suddenly.

She began to experience severe cramps in her abdomen.

As usual, she started having dysmenorrhea.

She wanted to get up and leave here first, but the severe pain in her lower abdomen made her face turn pale, so she had to cover her stomach with her hands, curled up into a ball, and bit her lip.

Because I worked hard during this period, and it was raining that day, the dysmenorrhea this time was worse than any other time.

Chapter 350 His heart softened inexplicably

"Hey, what's wrong with you? Do you still want to stay with me?" Li Zhenting walked to the front of the coffee table and took a glass of boiling water, turned around and looked at the motionless woman lying on the sofa, and couldn't help but sneer.

But Shen Ning didn't move, his hands just clutched his stomach tightly.

"Hey, what's the matter with you?" After a while, he heard Shen Ning's slight pain, frowned, and walked over to ask.

But at this time, Shen Ning was close to unconsciousness due to the severe pain in his stomach.

Li Zhenting waited for a while, felt that something was wrong, bent down, and saw Shen Ning's complexion as paper, with pain all over his face.

Now, he panicked.

Isn't it just kissing her? Although it took a long time, it shouldn't be like this.

"Shen Ning, wake up." He patted her face.

"Mom, I'm in so much pain." Shen Ning muttered in a daze.

The night was quiet, Li Zhenting finally heard clearly.

"Where does it hurt?" He asked hastily, and patted her face again, "What's wrong with you?"

This can't be because of him!

But Shen Ning didn't respond, and after taking several shots in a row, Shen Ning finally regained consciousness. Just as she opened her eyes, she felt a sharp pain in her stomach again. After she groaned in pain, she closed her eyes weakly.

"Do you have a stomachache?" Li Zhenting looked at her hands stroking her abdomen and asked quickly.

"Yes, it hurts so much." Shen Ning said angrily, "Help me back to the guest room."

She didn't want to just stay with him like this, it was too ambiguous for him to be alone.

"Why did you suddenly have a stomachache?" Li Zhenting frowned, the woman's pale face really looked wrong, and touched her little hand, which was cold.

It seems that she is really sick.

"Are you suffering from dysmenorrhea?" Some images flashed in his mind, and Ge Di suddenly realized, and blurted out.

These women all have dysmenorrhea, and the three women he knows all have!

In the past, every time Shen Mei suffered from dysmenorrhea, she was in great pain and distress. She had to snuggle into his arms, put a hot compress bag on her stomach, and let his palms cling to her belly. be more comfortable.

Thinking of this, looking at the woman curled up on the sofa suffering from dysmenorrhea, his heart softened inexplicably.

"Lie down first, I'll send someone to bring hot packs and medicines right away." He said, and immediately took out his mobile phone to call Leng Xue, asking him to bring over the hot packs of Evodia rutaecarpa and Vaseline and other medicines.

When Shen Mei had dysmenorrhea before, Yunhuju prepared a lot of bags and medicines.

But Shen Mei didn't seem to use it much. Fortunately, it was used by Shen Ning this time.

After making the phone call, he thought for a while, bent down and picked up Shen Ning, sent her to his big bed, covered her with a thick soft blanket, and turned up the temperature of the air conditioner.

Then, he ordered the kitchen to boil brown sugar and **** water, and he skillfully brought hot water and wrung out the towel to wipe her cold fingers.

Hot air came from her fingers, Shen Ning opened her eyes with difficulty, and what she saw was an extremely luxurious men's bedroom. She had been here before and knew it was Li Zhenting's bedroom.

"President Li, please help me out." She struggled to get up and wanted to get out.

"Don't move, you have dysmenorrhea, lie down well, and the medicine pack will come when you take it." Li Zhenting pressed her down and lay down.

At this time, the servant brought in a bowl of warm brown sugar **** soup.

"Your menstrual dysmenorrhea belongs to the type of cold coagulation and blood stasis. It would be better to drink some **** soup." Li Zhenting helped Shen Ning, leaning her back against the bed screen, took the **** soup from the nanny and handed it to her and said, "Drink it while it's hot."

Shen Ning looked at the hot **** syrup and reached out to take it, but felt that his whole arm was weak.

Li Zhenting sat down, and simply picked up Shen Ning and put it on his chest, while he picked up the spoon in the bowl and started feeding.
