

Troublemakers 361

Chapter 361 I'm going to die just after entering

"Mr. Li, Miss Shen ran in like this, what should I do? There are many organs inside." Leng Xue was dumbfounded.

"You stay here and wait for the opportunity to go in and catch the pair of dogs and men, and rescue Xiao Xiao, and I will go to Shen Ning." After a little leaning, the men and women in the house began to drink again, Li Zhenting gave orders and then quietly turned to Shen Ning direction.

But said that Shen Ning stood by the door, pushed lightly, and the door was actually open.

She was pleasantly surprised and walked in quietly.

But right after entering, there was a bad feeling.

Because when standing outside, she could still hear Shen Mei flirting with that man, but once inside, she couldn't hear anything.

This shows that the inside is very large, not just two or three rooms apart as it seems on the surface.

And not long after entering, there was a gloomy cold wind blowing over, which was creepy.

For a moment, she felt an inexplicable fear.

Li Zhenting must have already left, it is impossible for him to risk his life to save Xiao Xiao.

Xiaoxiao can only rely on her to save her!

Mother's love gave her instant courage again.

She continued to walk inside.

Sudden

I stepped on something under my feet, slipped and fell, and a piece of something was hitting her on the head. She screamed in fright and closed her eyes.

This time I must be dead, I will die as soon as I enter, what a tragedy! What is to be done with her poor little one!

She was in despair and pain, just waiting for the severe pain to strike, Ge Di stretched out a big hand to grab her arm and lifted her up.

There was a "boom", and there was the sound of stones hitting the wall.

She opened her eyes wide in horror, a familiar smell lingered between her nostrils, she was held in the arms of a man, and the thing that hit her was dodged and hit the wall behind.

"Who, who?" At this moment, the lights in the room came on, and someone rushed in.

Shen Ning saw two ferocious men appear in front of him, looked around the house, and gasped.

It turns out that this small door is not a sunny avenue, but a lot of hidden weapons hidden in it, and it is a door leading to hell.

She didn't know that Shen Mei had hooked up with the underworld leader Ye Mao.

This is actually a stronghold of Shangye Mao.

She has vaguely heard that night owls do human trafficking, smuggling, and robbery.

It seems that Wu Lili wanted to get Sleeping Beauty from her so that she could go abroad and escape through the night cat.

Li Zhenting's eyes sparkled:

"The police have come, I advise you to surrender immediately and seek leniency."

"Haha, it turns out that the richest man in the imperial capital is here, and now we are going to make a fortune." One of the men actually recognized Li Zhenting when he looked carefully at him, and his eyes sparkled with excitement.

In their territory, he thought it was easy to deal with a defenseless man and a weak woman.

"Brother, hurry up, capture them alive first."

He shouted and rushed directly towards Li Zhenting and Shen Ning.

Li Zhenting sneered, pushed Shen Ning to a corner, picked up a nine-section stick next to him and swung it, and the stick was violent.

The man was intimidated and did not dare to come forward easily.

But it only lasted a few seconds, and another man rushed over from the side.

The two began to attack Li Zhenting at the same time.

"Be careful." Shen Ning cried out in horror, but soon, there was appreciation in her eyes.

She never thought that Li Zhenting's nine-section stick could be played so smoothly, and his skills would be so agile.

Within a few rounds, two young and strong men were knocked to the ground by him, crying for their father and mother.

While she was breathing a sigh of relief, Ge Di, the window on the left opened, and a man with fierce eyes picked up a sharp knife and flew towards Li Zhenting.

And Li Zhenting turned his back to him, and he didn't realize it yet.

Chapter 362 She rushed up without hesitation

"Zhenting, flash, it's dangerous." Seeing the shining sharp knife shooting straight at Li Zhenting's back, Shen Ning's heart rose to his throat, and after a trembling shout, the whole person rushed towards him.

At that moment, she didn't have any thoughts, she just didn't want to see the man who was once proud and lively being hurt, and she didn't want to see the man she once loved die here.

She rushed up without hesitation.

Li Zhenting didn't realize the danger behind him until he was hugged by Shen Ning. He turned his head and saw the sharp knife shooting directly at Shen Ning's back, but he had no way to stop it, and it was too late.

His heart seemed to be torn apart.

This woman, let her stay in the corner, but rushed over bravely, she is really going to die now, she really deserves it!

He cursed bitterly, his eyes were bloody.

Trying to shake her off, but she hugged her tightly, and when she was about to lead her down to the ground, the sharp knife had already cut the clothes on Shen Ning's back.

At the moment when thousands of uniforms are shot

There was a crisp sound of 'bang', a stone fell from the sky and hit the sharp knife, the sharp knife slashed across Shen Ning's back and fell down.

"President Li, quickly take Miss Shen away, and leave this place to us." Leng Xue brought two black-clothed Baobiao down from the sky, covering Li Zhenting.

"Then be careful." At this moment, the sound of a police car came from outside, and Li Zhenting picked up Shen Ning and ran outside.

"Xiaoxiao, Xiaoxiao, where are you?" As soon as Shen Ning was carried outside by Li Zhenting, he pushed him away, and ran towards the front room like crazy.

Li Zhenting hugged her and shouted: "Be quiet, Xiaoxiao has been rescued, she is in the car."

Shen Ning was stunned.

Li Zhenting picked her up and strode towards the car.

In the car.

Li Zhenting first pushed Shen Ning down on the back seat, and lowered his head to check her back.

The clothes on Shen Ning's back were scratched, very neat, it looked like it was caused by a sharp knife, he quickly opened the torn clothes, and saw a long thin cut on the woman's fair skin, is oozing blood.

He took a closer look, and it was okay, only the epidermis was injured.

What a risk!

This woman must be insane. She pounced on him and blocked the knife for him on that occasion.

He picked up the medicine box and helped her deal with the wound first.

"Li Zhenting, what's the matter with Xiaoxiao? Where is she now? I want to see her." She didn't know the pain until the disinfectant was cool on her skin, but all she cared about was her daughter's safety.

"Don't make noise." Li Zhenting patted her buttocks, "It's already on the way to the hospital, please be quiet first, I'll take you there right away."

Shen Ning was even more anxious when he heard that he was sent to the hospital. He didn't know how Xiaoxiao was hurt, but he didn't dare to move around anymore, for fear of affecting his application of medicine and delaying the time.

After a while, Li Zhenting covered her with a blanket and said, "Just lie on your stomach like this, and I'll take you to the hospital right away."

"Hurry up, hurry up." Shen Ning urged, extremely anxious.

Li Zhenting glanced at her back, his eyes deepened, and went to the cab to start the car.

In the hospital.

Xiaoxiao is surrounded by a bunch of angels in white clothes.

"Little friend, you are so brave, we all have to learn from you."

"Children, aren't you afraid? That bad guy is so cruel."

"Little friend, you are really good. You are not chaotic in times of crisis. I will teach my daughter to be resourceful and brave like you in the future."

...

Sitting on the hospital bed, Xiaoxiao blinked her **** grape-like eyes, and replied in a childlike voice: "As long as I think of Mommy, I won't be afraid, I'm worried that she will be anxious, hey, what about my Mommy?" Not coming yet."

Chapter 363 A peculiar idea

"Then your mommy must be very good, very good, she can really raise a daughter." The nurse immediately praised.

"Of course, my mommy is the best mommy in the world." Xiaoxiao replied as a matter of course, her face full of pride.

"Xiaoxiao, Xiaoxiao, my daughter." Shen Ning broke through the encirclement and ran in, picked up Xiaoxiao, and hugged her tightly.

"Mommy, you are finally here." Xiaoxiao cried happily.

"Xiaoxiao, how is your injury?" Shen Ning let go of Xiaoxiao, and carefully examined her back and forth.

"Don't worry, she is very witty, she led the bad guys away, and she was not injured." The nurses smiled and replied, "You really know how to teach your daughter, your daughter is too smart."

Shen Ning felt relieved after hearing this, but was a little dazed.

Xiaoxiao distracted the bad guys? What does it mean?

"Mum, don't worry, I'm not hurt. The cold-blooded uncle saved me. When I was at home, that bad guy punched me on the head. I passed out and my head still hurts." Xiao Xiao held Shen Ning's face and replied with a smile.

"Xiao Xiao, I'm sorry, Mommy didn't protect you well." Shen Ning was so distressed that tears flowed out, and he hurriedly hugged her head to observe: "Tell Mommy, where does it hurt?"

Xiaoxiao pointed to the position of the temple.

Shen Ning immediately saw a blue patch near her left temple, and felt a sharp pain in her heart.

"Don't worry, I've already had a CT scan. It's fine. Just rest for a few days and you'll be fine. The little guy is so cute and unruffled in danger. You really have to praise her. If my daughter was scared, she'd pee her pants." The head nurse said The side is relieved.

Shen Ning's heart was truly relaxed.

It turned out that as soon as Li Zhenting entered, Leng Xue started to act.

He knew that Shen Ning would soon touch the mechanism inside to expose the target, and he couldn't wait any longer. If he waited any longer, Xiaoxiao would only become a hostage, which would be even more dangerous.

He jumped in through the back door.

But at this time, the men and women who were drinking were still in a state of excitement and did not go to bed.

When he entered in cold blood, Xiao Xiao, who was huddled in the dark and **** in a ball, quickly found him.

At this time, there were shouts and fighting sounds from the left.

The man walked over aggressively with a knife, wanting to see if Xiao Xiao was still there, and at this moment Leng Xue also walked towards her.

"Uncle, I saw several people running towards the big tree, hurry up and chase after them." Looking at the man's knife, Xiao Xiao had an idea before he got close, and shouted loudly.

The man heard her voice and knew she was still here, so he was relieved. He didn't know which direction to go. After hearing her words, he immediately turned and walked in the opposite direction.

Leng Xue also found her because he heard a small voice, picked her up and went out.

Li Zhenting stood by and looked at the smart and cute Xiaoxiao, the corners of his lips curled up slightly.

Sudden

He came up with a strange idea: It would be great if Xiaoxiao was his daughter. In this way, Shen Ning would give birth to three children for him, and they would really be a family reunion.

It's just, how is this possible.

Immediately, he took Shen Ning and his daughter to the chief doctor again, and after repeated examinations, he was told that there was nothing wrong.

In the afternoon, he picked them up and left the hospital.

Li's old house.

"Hey, I'm so anxious. How are Mommy and Xiaoxiao? Are you hurt? Mommy's calls are not answered, and Daddy's calls are not answered. Xiaoxiao can't get through." The short legs walked around the house, talking non-stop.

From last night until now, the little guy has been restless, neither eating nor sleeping.

Li Minhua thought he was really pitiful, so he had to ask Li Jichun to find out the situation, and then asked Li Zhenting to bring Shen Ning and Xiao Xiao who had been discharged from the hospital here as soon as possible.

Chapter 364 Jealousy makes her go crazy

"Ah, Keke, look quickly, Mommy and Xiaoxiao." At this moment, Ding Ding suddenly pointed at the TV and yelled.

Coco immediately ran over to have a look.

On TV, I saw the gate of the hospital.

Daddy walked out holding Xiaoxiao in one hand and holding Mommy's hand in the other. Mommy was still wearing Daddy's suit on her shoulders. Many reporters flocked to interview them.

"Ding Ding, these media will definitely smear Mommy and Xiao Xiao again. We must protect them quickly and prevent those reporters from making rumors and causing trouble." Coco immediately instructed Ding Ding.

After all, Daddy didn't know that Xiaoxiao was his own daughter. A man who hugged someone else's child and saved someone else's daughter would definitely be said, and Mommy would also be said to have given birth to a wild species. Since childhood, This is how he was scolded by others.

"Well, yes, I see." Ding Ding immediately stood up and ran towards the study, turned on the computer, Ke Ke also followed, and the two brothers stood in front of the computer.

Shen's living room.

The whole night, Shen Mei was staring at the TV.

On the TV, when Li Zhenting appeared in front of the media holding Xiao Xiao and holding Shen Ning's hand, she was going crazy with jealousy.

Li Zhenting actually went to save the little bastard. It is said that he was almost stabbed by a sharp knife in order to save Shen Ning. Although Shen Ning consciously helped him block it, his sincerity and love made her go crazy.

She can guarantee that if she is in danger, he may not necessarily save her.

Li Zhenting's feelings for Shen Ning are completely different from before. If Xiao Xiao changed to Ke Ke, it could explain that he went to save Shen Ning for the sake of his son, but Xiao Xiao is not his child at all. He actually went to rescue them himself, and took such an expensive Sleeping Beauty, it was terrible.

She is really unwilling!

After a while, her cell phone rang.

"Miss Shen, I'm sorry, we can't complete your task, as long as we release the news that Xiaoxiao is Shen Ning's child with another man, people will be hacked, and even the website will be attacked. There's nothing we can do." The call came from the person in charge of a big headline website.

Shen Mei clenched her fists in anger.

"Can't you think of other ways? It's obvious that someone made trouble on purpose. Where's your company's computer engineer?" She asked sharply.

"I'm sorry, Ms. Shen, we really can't do anything. According to the computer engineer, the other party is one of the top computer hackers in the world. They can't deal with it, let alone sue them. After all, the news we report is also exposing others. Short, not a good thing."

The other party finished complaining and hung up the phone.

Shen Ning was so angry that he slammed his phone on the sofa.

Lan Feiyun walked in: "Meimei, what's wrong?"

"Mom, now that idiot Wu Lili is completely offline, but Li Zhenting and Shen Ning are getting closer and closer, Lan Lan and I have no hope, what should we do?" Shen Mei cried.

Lan Feiyun's face turned black.

"You only know how to cry and don't think of other ways." Lan Feiyun glared at her.

"Mom, I have tried everything I should. Li Zhenting never touches me. I can't conceive his child. There is Wu Lili who can help me, but now she has a box lunch. I really can't think about it." Shen Mei wiped her tears.

"Don't you still have Lan Lan? What are you afraid of? That Wu Lili is stupid and greedy. She should have gone offline a long time ago. We can't use her for anything. As long as Xiao Xiao is not Li Zhenting's child, I believe he will not be with Shen Ning." It has been cultivated." Lan Feiyun was quite calm.

"Today, I wanted to use this matter to hype it up in the media, so that Shen Ning would be ashamed to face others. Zhen Ting is also a man who wants to save face. He will have scruples after seeing it, but that **** doesn't know where to go. With expert protection, even the well-known media can't hype up this scandal."

"No, no." Lan Feiyun said disapprovingly, "As long as Li Zhenting understands his small background, he will not marry Shen Ning. What man can tolerate himself raising another man's child, let alone such a man? I was so proud that I shook my head."

"Yes." Shen Ning nodded.

Chapter 365 Moved

the next day.

Li Zhenting was processing documents in the office when he walked in in cold blood.

"Boss Li, Wu Lili won't be able to get out unless she spends seven or eight years in prison this time." Leng Xue handed him a stack of documents.

Li Zhenting took it and nodded slightly: "This woman deserves what she deserves."

"Yes." Leng Xue smiled, and suddenly said: "By the way, Mr. Li, regarding the kidnapping of Young Master Ke Ke by two villains last time, the police have now caught a gangster by random means. It has something to do with the night cat, and according to Wu Lili, the kidnapping of Ke Ke is very likely related to the daughter of Lanfei Mica."

Li Zhenting's pupils shrank.

Maybe he had guessed it a long time ago, and after a while, he said lightly: "Well, I see, you go to work first, the Wang team will call me if there is anything."

Looked at him in cold blood, turned around and walked out, and after walking for a while, he turned around suddenly.

"Mr. Li, when the sharp knife flew towards you last night, Mrs. Shen rushed towards you recklessly and helped you block that knife!" He said meaningfully, but he was very shocked in his heart.

Last night when Shen Ning rushed towards Li Zhenting, even he was moved by his solitary courage. If he hadn't made a timely move with such a sharp knife, Shen Ning would have died long ago.

He felt that Li Zhenting should not be indifferent!

But Li Zhenting didn't look up, just sat stiffly.

Leng Xue secretly sighed, then turned and walked out.

Li Zhenting sat absentmindedly. After a while, he glanced at his watch and slowly stood up.

Gucci office.

Early in the morning, just as Shen Ning sat down on the office chair, the door opened, and Jing Chenxi hurried over.

"Ning Ning, what happened last night? Are you and Xiao Xiao okay?" He was on a business trip yesterday, and he only found out about it on TV. At that time, his heart sank, and when he called her, the phone was turned off. He wanted to fly back immediately, but he saw her with Li Zhenting in the

media, and he was purchasing spice raw materials at the time, so he had to give up. It was hard until dawn, and he came back by plane as soon as possible, just to Good to see her safe.

The scratch on Shen Ning's back still hurts, but there is nothing he can do right now. Gu Qi's new product is coming out soon, and the cooperation with Jing's Group is also on the way, so he can only work with pain.

"It's okay, don't you think I'm fine?" Shen Ning looked at him and smiled slightly.

"Ning Ning, how difficult it is for you to take care of your children and manage the company, I really admire you, no, from today on, I will follow you more and help you share the tasks, as I said, I will never let you If you are bullied by others, I want you to be my queen and the happiest woman in the world." Jing Chenxi blamed herself very much, and sat down opposite her, "The cooperation between Gu Qi and Jing's has already started. I personally checked it yesterday, and the express delivery will arrive at noon."

"Mr. Jing, thank you." Shen Ning thanked him sincerely, "However, you go and do your own thing. I'm used to it here."

"Ning Ning, please don't drive me away. During this period of time, my focus is on the cooperation with Gu Qi, and I also want to achieve results." Jing Chenxi is very firm and persistent, "You know? Gucci's perfume cooperation is not your wish and mine, but your mother's and my father's wish during their lifetime. As future generations, we must fulfill their wish and make it better and stronger."

Shen Ning was taken aback when he heard this, why would the cooperation between the two companies be his father's wish? Isn't that mother's wishful thinking!

Chapter 366 Do you really know nothing?

"Mr. Jing, what exactly do you mean?" Shen Ning asked in puzzlement.

Jing Chenxi hesitated to speak, and finally asked softly: "Ning Ning, do you really know nothing?"

"I don't know." Shen Ning shook his head.

Jing Chenxi sighed, and finally held back what she wanted to say.

At this time, Shen Ning's cell phone on the desk rang.

She picked it up, took a look, and quickly picked it up.

"Inspector Lei, hello."

"Hello, Ms. Shen, about your mother's death, something has already begun. I can tell you with certainty that your mother was pushed down." Lei Tianjun's voice was unusually calm.

"Ah." Although there were a thousand and ten thousand guesses, she already knew it in her heart, but after hearing what the Thunderstorm Army said, she was so shocked that her face turned pale, and she said "ah".

"Miss Shen, I have already found out that the day before your mother jumped off the building, 60% of the shares in the Shen Group belonged to your mother, but the next day all the shares under your mother's name were transferred to your mother. Lan Feiyun's name has been registered, I deliberately

checked, and there was your mother's signature and fingerprints when the equity was transferred, which shows that something important happened in those few days."

Shen Ning trembled with his hands, and asked in a trembling voice: "That means, is it Lan Feiyun's poisonous hands?"

"I can't say that yet, I can only say that it was related to her, but in the end how your mother jumped off the building needs further evidence, but I guess there must be someone behind it, and the background is not small." Lei Tianjun said implicitly replied.

Shen Ning wanted to ask again, but Lei Tianjun stopped talking, and only said that he should not talk nonsense without conclusive evidence.

Then, he asked Shen Ning for the key to the villa so that he could find more definite evidence.

Shen Ning had no choice but to send someone to deliver the key to him.

"Ningning, are you okay?" Jing Chenxi looked at her pale face, worried.

Shen Ning shook his head: "It's okay."

"It's all like this. It's okay. Let's go. I'll help you go to the rest room to rest. Work is important, but your body is more important. Next, you still have to be busy, but don't worry, I will follow you all the way. You will share the workload." Jing Chenxi helped Shen Ning walk towards the lounge inside without any hesitation.

Shen Ning's back hurt, and his thoughts were confused, so he had no choice but to let him help him in to rest.

Jing Chenxi began to busy herself, taking care of her thoughtfully.

Shen Ning gradually recovered his emotions and sat up.

only

As soon as she sat up, the door opened, and Li Zhenting hurried in.

"President Li, what are you doing here?" Shen Ning was a little surprised.

Jing Chenxi also came in with a glass of **** syrup.

Li Zhenting didn't speak, his gloomy eyes fell on the **** syrup Jing Chenxi was holding.

"Mr. Li, hello." Jing Chenxi nodded to him politely.

Li Zhenting ignored him and walked directly towards Shen Ning.

"How's your back hurt?" he asked.

"Fortunately, the wound is not too big, you don't have to worry, it will be healed after applying the medicine a few times." Shen Ning probably understood what he meant, it was because she was worried about the injury on her back, after all, she was protecting him The knife was wounded, so he smiled.

"Go, I'll take you to the hospital." Li Zhenting suddenly took her arm and wanted to take her away.

"No, my wound is not serious, so I don't need to go to the hospital anymore." Shen Ning didn't want to leave, the wound on his back was not that serious.

Li Zhenting's face darkened: "If I say it's serious, it's serious. I have to take you to the hospital. Otherwise, when Ke Ke and Ding Ding ask, how do you ask me to answer? Then I will become a bad person in front of them again."

When Shen Ning heard this, it turned out that the sons were worried again and forced him to come to see her.

She smiled wryly, and had no choice but to stand up and go to the hospital with Li Zhenting.

Chapter 367 Cry if you want, it's not shameful

Along the way, Li Zhenting had a sullen face, feeling cold all over his body.

Shen Ning knew that he had no place in his heart. He was already moody, and he didn't take it seriously.

After going to the hospital, Shen Ning was lying on the hospital bed, and the doctor changed her dressing.

Li Zhenting saw that the skin next to the incision on her back was reddened. Although the wound was not deep, it was also a bit long. If this kind of wound was Shen Mei, she would have cried.

But not only did she not cry, but she was still at work. She was so stubborn that it made people feel distressed.

After changing the medicine, Shen Ning lay on the hospital bed and didn't get up immediately.

When Li Zhenting bent down to help her, he saw tears in her eyeballs, but tried her best not to let them fall, and felt a little pain in her heart.

He gently hugged her, let her lean on his chest, took a tissue in one hand and handed it to her, saying, "Cry if you want, it's not shameful."

Shen Ning was taken aback for a moment, took the tissue and wiped his eyes, as expected, tears flowed down, more and more, she suppressed the grief, buried her head, her hair scattered, so that no one could see her crying.

She didn't cry for herself, but for her mother's death.

The information Lei Tianjun brought to her made her very upset, and she was also saddened by her mother's tragic death.

Looking at the appearance of her little woman, Li Zhenting saw her so depressed for the first time, like a grass in a storm, especially helpless, her heart throbbed.

"President Li, I want to go back to the company." After a while, they went downstairs, Li Zhenting helped her into the passenger seat, he started the car, and the car drove towards the most prosperous place in the city center, Shen Ning saw that the direction was wrong, immediately shouted from the side.

Li Zhenting sarcastically said: "Do you want to go back to accompany Jing Chenxi?"

"No." Shen Ning denied, "I really have a lot of things to do."

"Do you need money that much? I'll give you as much as you need."

Shen Ning looked at him: "Mr. Li, in your eyes, am I a person who only cares about money? Gu Qi is my mother's painstaking effort. She will not die with peace in her eyes. I must strengthen Gu Qi."

"That won't affect your eating and resting." Li Zhenting replied angrily.

Only then did Shen Ning realize that he wanted to take her to dinner.

"But I don't want to eat it. You don't have to think about the feelings of Ke Ke and Ding Ding. They are just children, willful and ignorant. I will explain to them when I get back." She was a little discouraged, looking at the man's gloomy face, feeling very uncomfortable.

This man is really, he obviously doesn't want to take her to see a doctor, so he explained it to the children directly, he has to come here in person, and now he is so unhappy, and she doesn't want to have dinner with him, this kind of embarrassment is only it will make her feel uncomfortable.

Li Zhenting's face became even more gloomy when he heard that.

"Shen Ning, do you really don't want to have dinner with me?"

Shen Ning really couldn't understand his thoughts, and said: "Mr. Li, I'm really not in the mood to eat. Besides, at noon, Mr. Jing has already ordered a work meal with me, so there is no need to waste it."

Now her mind is full of the cause of her mother's death, and she has no intention of coming to these high-end places to eat.

Li Zhenting became even more annoyed when he heard it: "You have to eat if you don't want to. When you begged me to save your daughter, you didn't have the attitude you have now."

Shen Ning immediately lowered his posture after hearing this, and stopped talking.

Li Zhenting took her to sit down in the most luxurious restaurant and began to order.

He didn't ask her what she likes to eat, but just kept clicking on the screen of the phone.

After a while, a large table was filled with delicious food.

Shen Ning saw that they were all her favorite food, and she was a little moved. Later, she found out that Li Zhenting had already quietly asked about cocoa yesterday, and recorded all these on her mobile phone.

"Mr. Li, you probably haven't brought Lan Lan for several days. Lan Lan is also your daughter. She loves you very much. You don't have to come to accompany Ke Ke and Ding Ding in the next few days. Go and accompany Lan Lan." In order to adjust the atmosphere and please him, Shen Ning kindly reminded and suggested after eating for a while.

who knows

As soon as she finished speaking, Li Zhenting's calm face turned darker.

For a moment, Shen Ning didn't know what he said wrong, and was panicked.

After finally finishing her meal, she picked up her bag and walked outside.

This man is moody, and having a meal with him made her very nervous, so it's better to run away quickly.

Chapter 368 You and I are going to a dinner party

"Shen Ning, what are you running for?" After Li Zhenting bought the order, he saw that Shen Ning was running out in a hurry with his bag in his hand. He caught up with her in a few steps, grabbed her arm, and pulled her aside, sulking Face asked: "Do you want to rush back to accompany Jing Chenxi?"

"No, I just want to go back to work overtime earlier. Uncle Marley called me just now." Shen Ning accompanied him with a smile.

Li Zhenting scanned her face: "You are the boss, who dares to rush you?"

"Mr. Li, it's really not a matter of daring or not, but that the company really has a lot of things to do." Shen Ning had a bitter face.

"You are not allowed to work overtime, we will pick up the child together later." Li Zhenting announced domineeringly, grabbed her arm and took her upstairs to the guest room, ordering, "Give me a good sleep first."

Shen Ning didn't want to sleep, but Li Zhenting's face was terrifyingly gloomy. She didn't dare to resist, so she had to lie down on the bed.

"Just rest, I will call you when the time comes." Li Zhenting told her, covered her with a quilt, and lay down on the sofa next to her.

Shen Ning closed his eyes helplessly.

But as soon as he closed his eyes, he fell into a deep sleep.

She fell into a dark sleep all this time, and did not wake up until Li Zhenting shook her.

"Not bad, she looks much better." Li Zhenting looked at her, very satisfied, "Get up, let's pick up the children and go home together."

"Oh, good." Mentioning the children, Shen Ning felt warm in his heart, and quickly got up to wash up.

After a while, when she came out of the bathroom, Li Zhenting was standing at the door waiting for her.

She quickly took her bag and followed to go out.

"Tomorrow night, you and I will go to a dinner party." But Li Zhenting held her back and spoke lightly.

Shen Ning was taken aback for a moment, and hurriedly asked: "What dinner?"

"Li Zhijun's birthday, he asked you to attend by name." Li Zhenting said lightly.

Shen Ning is there.

She wasn't interested in Wan Yan at all, especially if she had to go with Li Zhenting, she was even more reluctant, but after hearing that it was Li Zhijun's birthday, she hesitated.

After all, Li Zhijun helped her, so she has no reason to refuse.

"Ke Zhijun didn't invite me." She expressed doubts.

After all, Li Zhijun has a good relationship with her. Why didn't he tell her about such a big matter first, but relayed it through Li Zhenting's mouth, which is unreasonable.

"He already told me." Li Zhenting frowned, already impatient.

Shen Ning still couldn't understand why.

Did Li Zhijun's birthday tell him what it has to do with her?

If you tell him, don't you need to notify her?

But at this time, Li Zhenting said almost rudely: "If you delay the time, you will be late, and the children will be anxious."

Shen Ning panicked after hearing this, and hurriedly walked outside.

The corners of Li Zhenting's lips curled up in a graceful arc.

"Daddy, we want to take Xiaoxiao back together. She was frightened. We need to comfort her and protect her well in the future." When they arrived at the kindergarten, Ke Ke and Ding Ding were already waiting for them. , the two little ones immediately ran up and made their demands.

After hearing this, Shen Ning glanced at Li Zhenting: "Ke Ke, Ding Ding, today we went back to grandma's house together and proposed to her old man, starting tomorrow, you and I will go home for a week, and then come back again, so take turns Hold on, isn't it good?"

Coco and Ding Ding nodded and agreed.

Unexpectedly, Li Zhenting's face sank: "Shen Ning, Xiaoxiao has been followed and kidnapped once by someone at your place, and you want to harm Ke Ke and Ding Ding as well?"

"I..." Shen Ning stared and was speechless.

"From now on, you and Xiaoxiao will move into Li's old house, and will live with Ke Ke and Ding Ding in the future, and you will be picked up by a special car when you come in and out." Li Zhenting immediately announced.

Chapter 369 Dance partner

"Yeah, that's great." As soon as he finished announcing, Ke Ke and Ding Ding jumped up and down and cheered.

That's great, the family doesn't have to be separated in the future, they can protect Xiaoxiao well.

Only Shen Ning's eyelids twitched, and he suddenly felt that something was wrong.

There is a feeling of being imprisoned by Li Zhenting and falling into the wolf's den.

"Daddy, can you let Xiaoxiao go to school with us in Blue Whale Kindergarten?"

Xiaoxiao wants to go to kindergarten with him, he knows best.

But Blue Whale Kindergarten is short of places, and even if you have money, you can't get in, unless your daddy comes forward.

He looked at Li Zhenting eagerly.

Li Zhenting glanced at this little guy. The little guy grew up with Xiao Xiao since he was a child, and he has a deep relationship, which is understandable.

"Okay, let Xiaoxiao go through the admission procedures tomorrow." Li Zhenting suddenly agreed readily, and looked at Shen Ning: "However, the tuition fee of Blue Whale Kindergarten is very expensive, can you afford it?"

Shen Ning did not expect that Li Zhenting would solve the problem of enrollment in Xiaoxiao so empathetically, and was very excited for a while.

"Mr. Li, I thank you on behalf of Xiaoxiao. Don't worry, I will work hard to earn tuition fees." She nodded repeatedly.

Li Zhenting pursed his lips: "Then why don't you pick up Xiaoxiao?"

"Oh, good." Shen Ning immediately ran towards Lantian Kindergarten.

"Daddy, you are amazing, this time, I want to praise you." Coco blew a rainbow fart in the car.

Li Zhenting smiled, it was very useful to be praised by his son.

After a while, Shen Ning picked up Xiao Xiao and got into the car.

Ke Ke and Ding Ding immediately told Xiao Xiao the good news, Xiao Xiao was very happy, and immediately thanked Li Zhenting.

Seeing the children happy, Shen Ning didn't think about it for a while, and just followed the children to be happy.

Li's old house.

Shen Ning walked in with the three little ones, and when he was still at the gate, he heard laughter from inside.

Is there a visitor from the Li family?

She stepped in, and suddenly saw a slender man in a white suit sitting on the sofa, talking and laughing happily with Li Minhua.

"Ning Ning, you are finally back." Li Zhijun immediately stood up when he saw Shen Ning, smiling with crooked brows and eyes, and shining stars in his black pupils.

"Zhijun, so you are here." Shen Ning smiled, revealing a row of fine and neat white teeth, looking very charming.

Li Zhijun was stunned, and hurried up to meet her, pulling her schoolbag attentively.

Ke Ke was going to say hello to Li Zhijun, but he looked like a nymphomaniac when he saw Mummy, and he didn't care about their little kids at all, so he took his little hand and introduced her to Li Minhua.

Li Zhenting stood aside, with a cold air in his icy eyes.

What a Li Zhijun, he forgot his righteousness when he saw the color, and left him, a living person, as an invisible person.

"Zhijun, are you here?" Shen Ning remembered what Li Zhenting said just now, tomorrow is Li Zhijun's birthday, he should have come to invite her to participate, that is, based on their relationship, it is impossible not to invite her on his birthday She, so she asked deliberately.

"Tomorrow is my birthday, and I came here to invite you to be my dance partner." Li Zhijun smiled brightly, "I am going to hold a grand birthday banquet, and I have invited all the sons and daughters of the imperial capital, Miss Qianjin, Get ready to party all day and all night."

"Really, that's not bad." Shen Ning smiled.

"Therefore, Ning Ning, I invite you to be my dance partner. You must agree, and you cannot refuse. We will definitely overwhelm the crowd tomorrow and amaze the audience." Li Zhijun is gearing up, determined to win.

He hasn't been in the limelight for a long time.

Chapter 370 Must be a good man

Who knows.

Shen Ning hasn't answered yet.

But Li Zhenting's mocking laughter came from beside him: "Li Zhijun, have you not been able to find a dance partner? You even asked her to be a backup dancer, and you even wanted to overwhelm the audience. You must be daydreaming after eating kohlrabi last night. "

In Li Zhenting's perception, Shen Ning doesn't know how to dance at all. In other words, she doesn't even attend high society banquets. It's ridiculous to invite her to be a dance partner and show off her dancing skills in front of the entire imperial capital. Lost a big tooth.

The reason why he took her there was because he felt sorry for her and wanted to take her to see the world.

Unexpectedly, Li Zhijun, who doesn't know how to praise, would come to his house to rob someone, and even boasted that he would ask her to be his dance partner.

He really thinks this guy's eyes have grown to his ass, he's blind!

But Li Zhijun just made a face at him: "Cousin, this is a matter between me and Ningning, it has nothing to do with you, so don't meddle in it, anyway, you won't be able to embarrass yourself if you lose face."

After speaking, he pulled Shen Ning to sit on the sofa, brought her a cup of tea himself, and said fawningly: "Ning Ning, just tell me, do you agree?"

Shen Ning took a sip of the tea and weighed it.

Li Zhenting has already said that he will take her to Li Zhijun's birthday dinner tomorrow, and it seems that she can no longer refuse.

Now Li Zhijun has come to invite her to be his dance partner again. Don't participate, it's impossible. If he does, not agreeing to be his dance partner is tantamount to rejecting him and slapping him in the face. Tomorrow is his birthday. Besides, He even personally invited her here, and even tried to flatter her, trying to please her in every possible way, she couldn't bear to refuse.

She was thinking and weighing in this way, and her mind was a little moved.

Li Zhenting just wanted to take her there, and didn't ask her to be a dance partner. When she went there, Li Zhenting would dance with other women. It's not good for her to hang there alone, so it's better to agree.

Just kill two birds with one stone!

"Okay, I agree." She agreed with a smile, completely oblivious to the dark face of the man who followed closely.

"Great, thank you, Ningning." Li Zhijun was very happy, stood in front of her and bowed deeply, stretched out his hand to hold her tender white hand, put it on his lips and kissed, "You are really my goddess ,Love."

"You are poor." Shen Ning withdrew her hand and punched him, "You can use your glib tongue to me, but when you meet other girls, don't just release your passion hormones, it will hurt them Girls, I will kill the girls tomorrow night."

"Wrong, I'm a very serious and responsible man. I don't know how many girls take the initiative to pester me. I don't provoke them casually, just because I'm afraid of hurting them." Li Zhijun giggled.

The two were chatting and laughing. Li Minhua came over with a smile after he finished being intimate with his little grandchildren: "Hey, Zhijun, Ningning, what are you talking about? So happy, tell me quickly."

"Old lady, I will invite Ning Ning to be my dance partner tomorrow, so, tomorrow night, Ning Ning and her cousin will not come home, and the children will be handed over to you, old man."

"That's it, that's great." Li Minhua smiled brightly, "I wish Ning Ning would go out and make more friends. It would be great if you invited her, but tomorrow you have to greet her well, and you can't neglect her. Otherwise, I can't forgive you."

"Don't worry, it's too late for me to love Ning Ning. How could I neglect her? Besides, she is my key invitee and my guest. She is definitely the key to take care of." Li Zhijun patted his chest and assured.

"That's good, I'm relieved." Li Minhua smiled, and suddenly put away his smile and confessed seriously: "Well, Zhijun, you take Ning Ning to meet some good men. Remember, if you are a good man, introduce him if you find him suitable. Get to know her, Ning Ning is such a good girl, she is worthy of a good man."
