

Troublemakers 371

Chapter 371 I have confidence in you

Li Zhijun shouted: "Old lady, I am a good man, why don't you take me into consideration."

"You, you are not qualified. If you are qualified, why would you want a divorce?" The old lady's face tensed, and she sent him to the eighteenth level of hell.

Li Zhijun's face turned dark when he heard that.

Of course, not only his face turned dark, but also a man who has been sitting on the single sofa all alone, Li Zhenting, his face is also as dark as a thousand-year-old charcoal.

Shen Ning was actually amused by the old lady, and he pursed his lips and looked at Li Zhijun amused.

"Also, Ning Ning, don't be too anxious about life's major issues. I'm currently entrusting someone to find someone for you. Don't worry, I will marry you like my own granddaughter. Don't worry about it. In addition, I have added two grandchildren to our Li family because of you, this time I will focus on choosing a mature and stable man who loves you and treats you as a treasure, so that you can rely on him for the rest of your life." At this time, Li Minhua probably Maybe it was because she was worried that Shen Ning would not be able to stand the temptation and meet a scumbag again, so she took her hand and told her plan.

Shen Ning was a little moved when she heard it. She didn't doubt the old lady's sincerity at all, but regarding feelings...she really didn't have the heart to love anymore. For the rest of her life, she just wanted to bring up her three children and bring them up well.

However, she just smiled and listened, and would not refute her old man on this occasion.

Li Zhijun screamed: "Old lady, I am absolutely sincere to Ningning, you can't ignore me like this, I will show it to Ningning."

Shen Ning smiled, and inadvertently raised his eyes to see Li Zhenting's gloomy face, with no expression at all, and suddenly remembered that today he was the first to tell her that he would take her to the dinner party, and now she agreed again Wouldn't it be good for Li Zhijun to be the dance partner?

However, she only agreed to be Li Zhijun's dance partner, and didn't say she wouldn't go with him, and he didn't need her as a dance partner either.

"Zhijun, it's getting late, don't you want to go back and have a rest earlier?" She deliberately asked Li Zhijun, "I'm going to take care of the little ones to sleep."

"Oh, yes, I still have a lot of things to do, so you can rest first." Li Zhijun hurriedly stood up and said goodbye to the old lady and walked out. Before leaving, he said to Li Zhenting: "Cousin, remember tomorrow Come and participate."

Li Zhenting didn't even look at him.

This kid, I've already told him that there is no need to invite Shen Ning anymore, he will take her there.

But he was lucky, he came to invite her himself, and asked her to be his dance partner. Isn't this to make Shen Ning look ugly, it's just nonsense.

"Zhijun, it was President Li who first said that he would take me to your dinner party tomorrow, and now I have agreed to be your dance partner. Tomorrow, I can only dance with you for one dance, and I can't do too much." Shen Ning sent him out specially, and explained like this.

"What do you care about him? He is already your ex-husband. You don't need to care about it at all. The more proud you are now, the more he will appear to be unscrupulous and poor-sighted. Even if you perform well, remember to show off your dancing skills. Bring it all out, I have confidence in you." Li Zhijun was not worried at all, he was very cold.

Shen Ning gave him a blank look: "I'm worried about you, don't you know about Li Zhenting's methods? He annoyed him, and he blocked you in minutes. Besides, don't you usually want to ask him for some money? , Offend him, you will not have such a chic life."

Li Zhijun thought about it too, but he smiled: "For you, I'm not afraid of anything, don't worry, I still have my aunt."

Shen Ning pursed his lips and smiled: "Get out of here, don't try to be brave here, you will know how powerful you are when the time comes."

Li Zhijun hummed a song, twisted his waist and walked away.

"Actually, Zhijun is also quite good. If Shen Ning can marry him, it will be considered that the fat will not flow into the field of outsiders. It will be more intimate." Li Minhua looked at the men and women who were talking and laughing outside and said to himself.

Li Zhenting stood up with a tense face and walked upstairs.

Li Minhua glanced at his back, and the light in his eyes flickered.

Chapter 372 She doesn't even know herself!

the next day.

Shen Ning was checking the data with Marley when the office door was suddenly pushed open and walked in in cold blood.

"Miss Shen, Mr. Li asked me to pick you up." He said coldly, respectfully and politely.

Shen Ning was stunned for a moment, and asked puzzledly: "Why pick me up?"

Cold-blooded smile: "President Li said, I will take you to the beauty salon."

Beauty salon?

Shen Ning was stunned for a long while before suddenly remembering that today is Li Zhijun's birthday, and she was going to the dinner with Li Zhenting.

"It's still early, let's go later. She looked at the time on her phone and shied away.

She doesn't want to waste time on these meaningless make-ups. For her, getting the company running and making money is the kingly way.

She wants to repay the bank loan, let the company's staff make money, and make more money for herself, so that Xiaoxiao and Aunt Dong can live a good life.

All these forced her to work harder than others.

"Miss Shen, it's actually getting late. It takes at least one or two hours for makeup and beauty, as well as hair and dress selection. You should come with me." Leng Xue said seriously, "If you don't go, then President Li will blame me."

He sighed, if Shen Mei were to go here, she would definitely have woken up early in the morning and started dressing herself up, but Shen Ning didn't take it seriously, it seemed that President Li still knew her well, and specially sent him to pick her up.

"Ning Ning, since you want to attend the banquet, let's go, don't care about the time, the development of the company can't rely on hard work, it also needs soft skills." Marley understood and immediately encouraged with a smile.

Shen Ning's eyes lit up when he heard it, yes, isn't this a good sales opportunity, the company's new research and development of new varieties will be on the market soon, it's great to get the resources of these young masters and princesses.

"Okay, I'll go right away."

She quickly called Secretary Li and asked her to prepare a lot of advertising leaflets, and then she carried the bag and left with Leng Xue.

Five p.m.

After Li Zhenting finished his business, he changed into a decent high-order handmade suit, and drove the Rolls-Royce Phantom towards the beauty salon.

"Miss, wake up, you're ready." Shen Ning sat on the comfortable soft leather single sofa and fell asleep not long after sitting down. The whole beauty and make-up lasted for three or four hours, and she actually fell asleep for three or four hours. For hours, the makeup artists had never seen such a customer, they looked at each other, and in the end, Shen Ning had to use a pillow to fix her head before proceeding reluctantly as Shen Ning was stumbling around.

After having a pillow to hold her head, Shen Ning fell into a deeper sleep. The makeup artists finally finished their makeup, and when they saw that it was almost time, they woke her up.

Shen Ning opened her eyes and yawned. She slept really deeply this time. After waking up, she felt full of energy.

"Miss, take a look, are you satisfied?" the makeup artist asked with a smile.

Shen Ning raised his dark eyes to look at the mirror, suddenly said "ah", and covered his mouth with his hand: "Is the woman in the mirror me?"

"Yes, miss, don't cover your mouth, it will take off your makeup." The makeup artist quickly reminded her.

Shen Ning was so frightened that he quickly put down his hand and looked at himself.

Is this the woman with delicate makeup and radiant face in the mirror? She couldn't believe it.

To confirm, she shook her head, and the woman inside also shook her head.

It's her, but she doesn't even know herself!

"Miss, you look so good-looking." The makeup artist couldn't help but praise.

"Thank you." Shen Ning smiled, so what if she looks good? It's not that there is no man to love, and you can't get true love!

"Miss, President Li is coming soon, let's go to the dressing room to change our dresses first." At this moment, the manager of the beauty salon politely invited Shen Ning in.

Shen Ning had no choice but to go in with them.

But it took almost an hour to go in. When Shen Ning was about to lose patience by them, the manager finally stood up a few steps and looked at her with a satisfied smile on his face.

She was about to ask a question, when the door was suddenly pushed open from the outside, and Li Zhenting walked in.

Chapter 373 Aren't you afraid of embarrassment?

"Hey, how can you break into a woman's clothes at will?" Shen Ning stared at him with puffy eyes and asked angrily.

Is this man still ashamed? He doesn't even know the most basic etiquette.

Li Zhenting snorted from his nose, ignored her, and just fell on her.

Dressed in black silk with bright decorations, the hollow lace on the skirt is dotted with dark flowers, a different kind of shawl, like breaking the darkness, giving people a cool, mysterious and noble feeling, and the hair is woven into a garland, dotted with small yellow flowers, the beautiful collarbone is looming, and the smooth silk sticks out the concave and convex curves, which is so beautiful.

"Not bad, as expected, black is more suitable for you." Li Zhenting said with satisfaction.

Last time, at the tea party, it was Jing Chenxi who chose the dress for her. It was white. She was so beautiful at that time, but he thought that her skin was as white as snow. If black was more suitable for her, he specially chose it Picked this one up for her, and sure enough.

"Hey, it looks like a black spider, not pretty at all." Shen Ning pouted.

"President Li, Ms. Shen is really beautiful, this dress really suits her very well."

"Yeah, very elegant and beautiful, so beautiful."

...

The managers and makeup artists next to me were full of praise.

The corners of Li Zhenting's lips curled up slightly, and he stretched his arms towards her.

Shen Ning shook his head in panic: "President Li, I will go by myself."

"Hurry up, it's getting late." Li Zhenting's face darkened, and he stretched his elbow towards her again, exuding high-pressure cold air all over his body.

Now, Shen Ning was a little scared, not daring to offend the god, so he had to put his hand into his arm.

The corners of Li Zhenting's lips curled up, and he took her and walked outside.

"Are you really planning to be Li Zhijun's dance partner?" Li Zhenting walked with her on his arm, the woman's beautiful and mysterious temperament made him distracted, and he couldn't help asking sourly.

"Oh, yes." Shen Ning nodded.

Li Zhenting sneered: "Do you know who are the people present today? You dare to be a playboy's dance partner, aren't you afraid of shame?"

"..." Shen Ning looked around and said suddenly, "By the way, I still forgot something, I'm going back to get it."

She pulled her hand out of his arm, turned around and ran towards the beauty salon.

"Hey, be careful." Li Zhenting frowned seeing her limping around in high heels.

But Shen Ning ran in regardless, and after a while, she saw her coming out with a large bag of things. Obviously, the bag was a bit heavy, and she hugged them tightly on the chest of the expensive dress.

Li Zhenting raised his sword eyebrows, is that thing so precious, she is so precious.

He immediately stepped forward and snatched it from her.

"What are these?" He opened it and saw that it was full of advertising papers, and almost spit out a mouthful of water.

"What are you doing with these?" he asked in surprise.

"Don't worry about it, bring it." Shen Ning reached out to grab the bag, wanting to **** it.

Li Zhenting immediately covered her little hand with one palm and clenched it tightly.

The man's body temperature came from the back of his hand, Shen Ning retracted his hand in a panic as if he had been scalded by a branding iron, and the roots of his ears were red.

Li Zhenting looked at her shy appearance, the corners of his lips curled up, and a smile appeared in his eyes.

"Do you want to post a flyer at tonight's banquet to promote your new product?" He really didn't cover it, and he guessed it immediately.

"Yes." Shen Ning did not shy away, and directly admitted.

The corners of Li Zhenting's lips twitched.

This woman must have gone crazy. On such an occasion, she is actually promoting her own products, isn't she afraid of being ashamed!

"Boss Li, if you think I'm ashamed, you can go first, I'll just take a taxi." Shen Ning seemed to see his heart, and immediately opened his mouth.

When Li Zhenting heard this, he stared at her with fire in his eyes!

Chapter 374 I'm just worried that you're not suitable

"Get in the car." Li Zhenting threw the information bag into the car and ordered to her.

Shen Ning pouted and glared at him, then bent over and went up.

The car drove towards the Li family compound.

Located in the center of the city, the Li Family Courtyard consists of a splendid main building with golden arms and a row of annex buildings. There are gardens, bungalows, and entertainment venues inside. It is definitely considered a wealthy family in the imperial capital.

As soon as Li Zhenting's Rolls-Royce Phantom drove in, Shen Ning saw Li Zhijun who was standing at the gate of the golden wall and looking around. He probably was looking for himself.

"Ning Ning, my goddess, you are so beautiful tonight, you are my true love." As soon as Shen Ning got out of the car, Li Zhijun saw her with a pair of peach blossom eyes. Shen Ning is so beautiful tonight, dressed in black Evening dress, like a fairy in the mortal world, especially her pure and untouched temperament, which reveals mystery and nobility in her beauty, any man would fall for her. He strode up to her and praised her.

Shen Ning smiled, turned around and went to get the bag of leaflets.

"Ningning, what is this?" Li Zhijun immediately asked courteously, and helped her out.

Shen Ning glanced at Li Zhenting who just got out of the car, afraid that this man would laugh at her, so he didn't answer.

"It's okay, I'll have someone take it to the lobby, and I'll help you sell it later." Li Zhijun glanced at the information in his bag and immediately understood what was there, smiled thoughtfully, and snapped his fingers at a security guard.

Soon, the security guard came to help Shen Ning carry the bag and left.

Shen Ning was relieved.

"Ning Ning, there is still an hour before the dance, let's go to the side hall to rehearse the dance skills, after all, it has been so long since we danced." Li Zhijun took Shen Ning by the hand and was about to take her away.

Shen Ning glanced at Li Zhenting who was at the side.

At this time, the man in a suit and leather shoes is handsome and has a savage temperament, but what is different from his whole body is that his face is drawn long, black and smelly, as if someone has offended him.

He must be angry.

After all, she left him and followed Li Zhijun, and she was suspected of neglecting him.

"Zhijun, wait a moment." She said to Li Zhijun, walked to his side, and said politely: "President Li, I'll go with Li Zhijun first, and you should go find your dance partner too."

"I don't have a partner." He said coldly.

Shen Ning was taken aback, and quickly smiled: "Young Master Li, as long as you stand in the hall, there will be a lot of famous ladies who are willing to come up to be your dance partner. How can you be short of a dance partner?"

"I'll ask you again, are you sure you want to be Li Zhijun's dance partner?" Li Zhenting asked with a cold face, staring at her like a king.

"Yes." Shen Ning nodded, and asked stupidly: "Is there any problem?"

"No problem, I'm just worried that you are not suitable." He frowned. He wanted to make a fool of himself, but his tone was much more tactful.

"It's okay, we skipped it before." Shen Ning said coldly.

"Skipped before?" Li Zhenting's icy eyes flashed cold, "When did it happen?"

She danced with Li Zhijun, how could he not know?

"That was six years ago." Shen Ning felt sore, and replied lightly.

Six years ago, Li Zhenting didn't look sideways at her, but whenever he saw her, it was as disgusting as seeing a pile of shit. Naturally, he would not see anything good about her.

That dance was also a coincidence. At the banquet held by Li's family, as the young mistress, she was wearing a gorgeous dress but stood alone in a corner. Li Zhenting, who barely accompanied her, hurried away after receiving a call from Shen Mei. I left her there alone, at a loss.

At this time Li Zhijun came and invited her to dance.

It was that dance that completely changed Li Zhijun's impression of her. That night, she danced with Li Zhijun and won a lot of applause. Shen Ning is Li Zhenting's wife, and he doesn't have the guts to pursue her.

Now that they are divorced, he can justly ask her to dance and pursue her.

The reason why today's dinner is so grand is that it is actually held for her, and the purpose is to dance with her, so that he has a preconceived feeling that they are a natural couple.

Chapter 375 Are you willing to be his dance partner?

"I didn't expect you to have such abilities, and you even danced with Li Zhijun six years ago." Li Zhenting's eyes became even colder, and his tone became very unfriendly.

At that time, she was still his wife, and she even danced with other men, and let other men still remember her after six years. Suddenly, he felt a feeling of being green, and there was anger in his chest.

"President Li, you are so inexplicable. You went to accompany Shen Mei that night, so what if I danced with your cousin?" Shen Ning was also angry, puffing her cheeks. , she was extremely depressed, this man is really a monster, he is only allowed to set fire to himself, and the state officials are not allowed to light the lamp.

"Forget it, I don't care about you." Li Zhenting suddenly avoided this question, looked coldly at Li Zhijun who was waiting impatiently, and suddenly said domineeringly, "You are not allowed to dance with him tonight."

"Why?" Shen Ning stared blankly at him with widened eyes.

"Because Li Zhijun is going through divorce procedures during this period, if you dance with him, you will be suspicious if you are photographed by the media, and your reputation will be bad, and your bad reputation will affect my sons." He was almost shameless and domineering. Open your mouth.

Shen Ning seemed reasonable and unreasonable: "But I have promised him, isn't it just a dance, how can it have such a big impact? And I only dance with him, he must be more than just dancing One, and I can dance with other women, why am I the only one who makes people suspect?"

Li Zhenting glared at her.

Whether this woman is stupid or deliberately pretending to be confused, he brought her here tonight, of course he wanted her to be his dance partner, but she didn't know it at all.

"Don't ask why, anyway, just do what I tell you, and it won't be bad." He had a straight face, raised his head, and looked like a fart.

Shen Ning looked at Li Zhijun who was anxiously waiting for her over there, and couldn't bear to refuse him.

At this moment, a beautiful and coquettish young woman covered in jewels came towards Li Zhenting.

"Hey, Mr. Li, it really is you. I'm still wondering if you'll come. Just in time, I want to ask you to dance." The woman approached, with a charming smile on her face.

Shen Ning's eyes lit up, and he immediately smiled and said: "That's the best, President Li doesn't have a partner tonight, would you like to be his partner?"

"Ah, of course I am willing, I am willing." The woman burst into laughter, "I wish for it."

After speaking, he rushed towards him.

Li Zhenting's face was as black as coal, he dodged and gave Shen Ning a sharp look.

Shen Ning immediately felt a chill invade his internal organs, and shivered for a while.

"Sorry, Miss Zhu, I have a partner." Li Zhenting said blankly, took Shen Ning's hand and walked towards the banquet hall in front.

Shen Ning was brought up to the point of flying by him.

"Mr. Li, you obviously don't have a partner." She objected dissatisfied.

"Damn woman, meddle in your own business, I don't like this kind of woman as a dance partner at all." Li Zhenting gritted his teeth.

Oh, it turns out that women with heavy makeup are not to his liking, but it's strange, isn't Shen Mei also this type!

This man is really difficult to serve!

After a while, they walked into the banquet hall.

As soon as Li Zhenting led Shen Ning in, the whole hall lit up, everyone looked at them, and before they knew it, they became the most dazzling stars in the entire banquet hall.

The blackness on Li Zhenting's face gradually faded, and the corners of his lips curled up slightly.

Shen Ning stood a little embarrassed.

People here are all looking at Li Zhenting, even she is being looked at like a monkey.

With Li Zhenting's status and appearance, she can become a luminous body no matter where she stands. It's hard not to attract attention. She never thought that these people's eyes would focus on her, making her a shining star in the audience .

She deliberately hid behind him and looked around, just wanting to find a suitable dance partner for Li Zhenting as soon as possible to take her place, so that she could go and practice dancing skills with Li Zhijun.

After all, the last time I danced was six years ago. I haven't danced for so many years, so it's inevitable that I'm unfamiliar.

Sudden

She saw the left side of the banquet, a gentle and fair-looking woman in a white dress was sitting there, demure and beautiful.

Li Zhenting should like such a woman.

She walked towards her.

Chapter 376 This is the first time he was dumped by a woman

"This beautiful young lady, may I ask, do you have a dance partner?" Shen Ning stepped forward and asked very politely.

The girl looked at her, smiled and shook her head: "Not yet."

"Then are you willing to be Li Zhenting's dance partner?" Shen Ning was overjoyed and immediately asked softly.

"Li Zhenting? Young Master Li?" The girl straightened up when she heard this, her big bright eyes gleaming.

"Yes, that's him." Shen Ning pointed to the imposing young man standing over there, and nodded.

The girl's beautiful eyes immediately showed envy and admiration.

Shen Ning looked at this girl, who was about eighteen or nineteen years old. She was pure and beautiful, and she should be very kind. If she could be liked by Li Zhenting and become the stepmother of Ke Ke and Ding Ding, perhaps, she would safely keep Ke Ke. for him.

In this world, there is only one Shen Mei who is so vicious and vicious.

"He won't take a fancy to me." The girl suddenly shook her head with a little inferiority.

"It might be, he doesn't have a partner tonight, this is an opportunity, you might as well go and try, I'll introduce you." Shen Ning persuaded very seriously.

"Then who are you?" The girl looked at her at this time, she is so beautiful, will Li Zhenting look down on her? Why did she introduce her to him?

"I'm his ex-wife, I have a dance partner tonight." Shen Ning immediately introduced herself, dispelling her worries.

"Oh." The girl believed it and stood up.

Shen Ning led her towards Li Zhenting.

"President Li, can this beautiful lady be your dance partner?" She walked up to Li Zhenting and asked with a smile.

A cold light flashed in Li Zhenting's eyes.

"Master Li, hello." The girl immediately stepped forward with a smile and said politely.

"Hello, please wait a moment."

Li Zhenting smiled back at her with a smile on his lips, turned around and pulled Shen Ning to the side.

"Shen Ning, who told you to find me a dance partner on your own?" He gritted his teeth and shouted angrily in a low voice.

"Didn't you say you don't have a partner?" Shen Ning looked at him aggrievedly.

She came here out of kindness for his sake, but he kindly treated her like a donkey!

"Remember, even if I don't have a partner, I don't need you to find me. What are you? Don't let your despicable eyes stain my character. You are really smart, stupid woman." Li Zhenting was so angry that he wanted to strangle this girl to death. woman.

"Boss Li, then you can go find it yourself, I don't care about your affairs." Shen Ning was so ashamed and angry that he was scolded.

This man is too much, why should she take care of him, let him be left out!

Fortunately, at this moment, Li Zhijun, who couldn't wait, hurried over.

"Ning Ning, let's go to rehearse quickly, we don't have much time." As soon as he came over, he anxiously stretched out his hand to her.

"Okay." Shen Ning was just wishing to leave, so he smiled at him and put his hand into his palm.

Li Zhijun immediately held her soft little hand, and walked briskly. Along the way, many princes and brothers greeted him, but their eyes all fell on Shen Ning's face, with envy and hatred in their eyes.

Li Zhijun is not to mention how proud he is, he walks with wind on his feet.

Li Zhenting stood behind and stared at them with falcon eyes, his face full of coldness.

This is the first time he has been dumped by a woman, or his ex-wife.

He dressed her up meticulously, but she was taken away by another man. The important thing is that she was still very happy.

A depression ignited in his chest, he gritted his teeth.

In the lounge.

Li Zhijun led Shen Ning to dance lightly.

"Zhijun, I'm sorry, I stepped on you again." After stepping on Li Zhijun several times, Shen Ning was very embarrassed, with a face full of shame.

"It's okay. After all, I haven't practiced for so many years, and you can't meet a good partner like me. I can't blame you, but you are talented. With a little practice, no one can compare to you." Li Zhijun immediately understood comforted.

"How about you find another dance partner, I'm afraid I'll lose your face." Shen Ning began to hesitate.

Li Zhijun is a master at the dance floor. On such an occasion, she was afraid of making a mistake and losing his face.

Chapter 377 is really a strange thing!

"No, it has to be you." Li Zhijun resolutely denied, "No one in the entire imperial capital is suitable for me except you. I am a dancer and I know where the soul is. You are just too unfamiliar, but the

foundation is there, and you will be able to do it with a little practice." After recovering, let me tell you the truth, I was able to find you as my dance partner, that was my pride, it was a gift for my face, how could I lose my face?"

Shen Ning heard what he said sincerely, so he could only smile: "Well, I will try my best."

Actually, she is very confident in her dancing skills.

Since she was a child, she had a talent for dancing. In order to cultivate her, Shao Meiqi sent her to study in an art troupe since she was two years old. Although Shao Meiqi jumped off the building and became bedridden, her grandmother Jun Meizhen never cut off her tuition. Jumped all the way to the age of sixteen.

Therefore, even though she hasn't practiced for so many years, she still has confidence.

After a while, under Li Zhijun's leadership, Shen Ning finally recovered her form. After the dance, she and Li Zhijun cooperated very well, and there was no doubt that they were perfect.

"It's perfect." Li Zhijun exclaimed in surprise.

"Yes, you danced really well." A man's voice and applause came from outside.

Shen Ning turned her head in shock, only to see the handsome Jing Chenxi walking in from the door, clapping her hands.

"Ning Ning, your dancing posture is still so graceful." Jing Chenxi's eyes were filled with approval and affirmation.

"Mr. Jing, you are here too." Shen Ning smiled.

"How can I miss the birthday party of the young master of the Li family?" Jing Chenxi smiled, stepped forward and shook hands with Li Zhijun, "I will leave Ningning to you later, on the dance floor, you can have Protect her."

"Of course." Li Zhijun felt a little pressure on Jing Chenxi. In the entire imperial capital, he dared not compare with Li Zhenting and Jing Chenxi. Jing Chenxi has always been Shen Ning's loyal fan. Regardless of cost and return, once, his persistent pursuit of Shen Ning moved him a little.

"Ning Ning, the time is almost up, let's go first." He didn't dare to stay, took Shen Ning's hand and walked outside, leaving Jing Chenxi behind.

Jing Chenxi smiled slightly, but didn't care.

When Li Zhijun came out holding Shen Ning's hand, Li Zhenting, who was surrounded by several buddies, saw her at a glance.

The woman was wearing the dress he had carefully prepared for her, snuggling up to the man in a coquettish and charming way.

What a handsome couple!

Li Zhenting's eyes narrowed, and there was a chill in the bottom of his eyes.

"Young Master Li." A buddy shook his hand in front of his eyes, is this guy okay, he didn't even respond to calling him a few times.

He followed his gaze and saw that his eyes had been on Shen Ning over there. He observed carefully and couldn't help being secretly surprised. It turned out that Li Zhenting was dismissive of his ex-wife, even looking at her eyes was filled with disgust, but now, when he looked at her, there was a rare tenderness deep in his eyes, and even jealousy.

Ha ha, what a strange thing!

"What's the matter?" Li Zhenting was interrupted by him, so he spoke angrily.

"It's okay, it's okay, the dance will start soon, do you want me to find you a dance partner? There are a lot of foreign girls over there, and they can provide special services." The buddy had a smirk on his face.

Li Zhenting glared at him coldly, turned around and left.

Brother shrugged, it seemed that Young Master Li was about to change, so he didn't bother to care about it, so he turned around and got into the crowd of women.

"Dear guests, tonight's birthday party is about to begin. Let's invite the hosts of our party, Mr. Li Zhijun and Miss Shen Ning, to the stage." The hostess spoke passionately.

"Okay, okay." Immediately there was a burst of cheers and echoes in the hall.

Li Zhijun smiled slightly, and walked towards the center of the stage vigorously holding Shen Ning's arm.

Chapter 378 His face full of obsession

"What a handsome man and beautiful woman, perfect match, let us enjoy the graceful dancing of dancers Mr. Li Zhijun and Miss Shen Ning tonight." The hostess shouted passionately, "Come on, Music."

Music suddenly sounded slowly.

Li Zhijun pulled Shen Ning's lithe body and began to dance lightly.

Li Zhenting sat in the middle C position, with long legs alternately, looking coldly at the men and women in the center of the stage.

The man is slender, with graceful dancing posture and skillful movements.

The woman's long skirt flutters, and the sleeves fly away from time to time with the dancing posture.

Following the changes in the man's dance steps, she took a few steps back from time to time, and coordinated the rotation well. The black skirt danced with the wind, accompanied by the change of every difficult movement of the man, and slowly flew up while spinning. When Zhijun put his arms around her waist and lifted her up high, at that moment, her graceful figure bloomed in the air, like a fairy or an illusion, fascinating everyone.

"Okay, okay." There were bursts of enthusiastic applause in the hall.

Li Zhenting went from being dismissive at the beginning, waiting to see Shen Ning make a fool of himself, gradually to a surprised expression on his face, and finally appreciation and approval in his eyes.

This woman Shen Ning is really like an untapped treasure. In the past, he ignored her and couldn't see the value of the treasure. Now, with more and more contacts, he found that there are more and more shining points in her body. A gorgeous treasure will always shine with unexpected brilliance.

"One more song, one more song." After the end of the song, there were screams from the crowd below the stage, and the crowd was passionate.

Li Zhijun was so happy, he danced like a dancer for a while.

He took Shen Ning's arm and performed the song "Girl in the Wind" again. This dance belongs to the fast three-step ballroom dance.

And the accompaniment of this dance is the song of moonlight.

The rhythm of the song is very brisk, and the difficulty of dancing is getting more and more difficult!

Li Zhenting, who was sitting under the stage, only changed his face when he heard this piece of music, and the whole portrait entered an illusory world, and gradually, his face was full of obsession.

Xiaofeng, his Xiaofeng likes this song and dances this dance.

"It's so beautiful, it dances really well."

"Elegant and generous, unconventional, this is the real dancer."

...

Everyone below the stage booed.

Li Zhenting stood up obsessively.

"Xiaofeng, Xiaofeng." He was so excited, his dark ink pupils shone like dark stars.

His Xiaofeng is not dead, she is still alive.

Very good.

He walked quickly towards Shen Ning.

"Dear guests, tonight we witnessed the graceful dance of the dancer Mr. Li Zhijun and his partner, Ms. Shen Ning. Next, all dance lovers can come to the center of the stage to show their beautiful dance posture, and everyone can dance together Waltz, music, let's go."

Accompanied by the beautiful and passionate voice of the host, music sounded in the audience.

The passionate young men all slipped onto the dance floor with their partners and danced happily.

Li Zhijun brought Shen Ning to a small round table, invited her to sit on a chair, and graciously brought lemon tea and exquisite desserts. He stood up and looked at the center of the dance floor in a state of excitement. His heart was beating.

Soon, a famous lady came to invite him to dance. His eyes fell on the woman's chest, and his heart was full of enthusiasm. He couldn't hold back, and was dragged by the woman and slid onto the dance floor.

As soon as she entered the dance floor, it was like a fish slipped into the water, and danced lightly with her arms around the woman's waist, forgetting about Shen Ning.

Chapter 379 Lonely Li Zhenting

But Li Zhenting walked across the dance floor and was about to walk around in front of Shen Ning.

Sudden

He stopped.

I saw that the man in a decent suit had already walked to Shen Ning's side before him, and sat down beside her.

"Ning Ning, you dance really well." Jing Chenxi's bright eyes sparkled, and he sincerely praised, "You are the best dancer I have ever seen, and you and Li Zhijun can be regarded as real dancers. "

"Where, I'm overwhelmed." Shen Ning smiled shyly, she was not used to being praised, "Originally, my mother wanted to train me to be a dancer, but it's a pity..."

As soon as mother was mentioned, her eye circles instantly turned red.

"Ning Ning, next time I have a chance, I must ask you to dance." Jing Chenxi's heart tightened, he couldn't bear her to be sad, and immediately changed the subject, "By the way, today I specially held a high-level meeting in the company , set up a supervisory department for the project that the company plans to cooperate with Gu Qi, and improved some systems, let's work together."

"Okay, come on, thank you, Mr. Jing." Shen Ning's mood improved.

The cooperation between Gu Qi and Jing's Group is what her mother hopes for, and she will be happy if she knows about it.

She has no doubts about Jing Chenxi's ability and courage. She believes that with the cooperation of Jing's Group spices, Gu Qi will go further and wider.

"Ning Ning, only Gu Qi's formula can match my spices. I believe we will succeed soon." He couldn't help holding her hand.

"Yes." Shen Ning nodded repeatedly.

Standing not far away, Li Zhenting was angry when he saw the woman who wanted to speak but was ashamed, and wanted to refuse but still welcome, and his reason returned little by little.

This is not his Xiaofeng, it is clearly the ex-wife Shen Ning who does not please him.

His face darkened.

I don't know what true inheritance this woman has gained in the past few years since she disappeared, but now she seems to be a different person everywhere.

Looking at the man and woman talking and laughing happily, he turned angrily and walked back.

"By the way, where are my promotional materials?" Here, Shen Ning suddenly remembered something, and stood up to find it.

"What promotional materials?" Jing Chenxi took her hand.

"It's the promotional materials of Gucci perfume. Don't you think this occasion is a good marketing?" Shen Ning blinked her beautiful eyes and smiled sweetly.

Jing Chenxi raised the corners of his lips: "Ning Ning, you just need to concentrate on researching new varieties. Don't worry about this kind of marketing strategy and leave it to me. I've thought of this a long time ago."

He casually picked up the gift on the small round table and opened it, and inside was the pattern and introduction of Gucci's exquisite perfume.

"Mr. Jing, you are worthy of being a business genius." Shen Ning was amazed when he saw it.

The exquisite and eye-catching patterns in front of her eyes are much better than her publicity strategy.

"Did you print these temporarily?" She was a little surprised, after all, Li Zhijun's birthday party hadn't been planned for long.

"Yes, that's why you didn't see me in the company today. Not only did I have a meeting, but I also designed a promotional strategy myself. How about it? Be smart." Jing Chenxi smiled brightly.

"Tall, indeed tall." Shen Ning gave him a thumbs up.

Jing Chenxi's smile became longer and more meaningful.

"Master Li, can I dance with you?" As soon as Li Zhenting returned to his seat, a girl came over and invited him to dance.

"No." He refused sullenly.

But not long after, another **** girl came up, and he refused again with a cold face.

Reject again, have again.

Li Zhenting finally got impatient, stood up and was about to leave, but looked at the woman over there inexplicably.

She was chatting and laughing with the man, so happy, as if she was deliberately reflecting his loneliness.

A malicious smile flickered in his eyes.

Hmph, Shen Ning, I'll make you happy, let's see if you can still be happy later.

He picked up his mobile phone and made a random call.

Chapter 380 Your Mommy Will Find You a Stepdad

"Daddy."

Ke Ke was doing her homework obediently. Grandma said that Mommy and Daddy went to Uncle Zhijun's birthday party. Grandma said that it was good for Mommy. It would help Mommy know more good men and stimulate Daddy. Of course, you have to be obedient, and do your homework well so that Mommy won't worry about it.

Unexpectedly, it didn't take long for him to receive a call from his daddy.

"Coco, do you miss Mommy?" Li Zhenting's voice was very kind and gentle.

Ke Ke's big eyes brightened: "Of course I want to, but grandma said that Mommy will dance with Uncle Zhijun tonight, so that Mommy's excellence can be seen by many good men, and then they will fall in love with Mommy." gone."

When Li Zhenting heard this, he was so angry that smoke would come out of his nose.

What is grandma saying? There is no reason to push the mother of her great-grandson out, and she has taught the children badly.

"Oh, in that case, your mommy will find you a stepdad. Do you like stepdad? Your mommy will have younger brothers and sisters after her stepdad. Then she won't love you anymore." Li Zhenting Said in a low voice, the consequences of deliberately speaking are very serious.

Ke Ke felt uncomfortable when he heard it, but after a while he replied sensibly:

"Daddy, Mommy said that she won't get married in the future, she just wants to bring up the three of us, so I don't worry about this, but grandma said, Mommy is also a woman It will be empty and lonely, and she has never met a good man. We should be sensible and not be so selfish. We should let Mommy meet a better man and let her enjoy the fun of being a woman. You must know how to perfect him."

Li Zhenting was dumbfounded holding the phone.

Days, what kind of thinking did his grandma instill in the little guys, and let her find a man, which man would like a woman like her with three children.

But it doesn't seem right, Jing Chenxi knows she has three children and spares no effort to chase her. Shen Ning is really not as miserable as he thought.

"Daddy, have fun, and remember to take good care of Mommy. I have to do my homework, so I won't bother you." Ke Ke hung up his phone directly, resting her chin on her hands, smiling smugly.

Hmph, you must be stimulated, you deserve it! Who told you to treat Mommy badly, I won't be fooled by you!

Li Zhenting held the phone, furious.

This little **** not only hung up his phone, but also pretended not to disturb him. He must have done it on purpose.

After putting away the phone, he took another look at the men and women who were flirting openly, and couldn't hold back his restlessness, so he simply walked towards them.

"Shen Ning, it's time to go home." He walked over and said with a straight face.

"Oh." Shen Ning said happily with a smile on his face. He couldn't help being disturbed by the man. He was taken aback. When he turned around, he saw Li Zhenting standing beside her. He looked at his watch and asked: "It's still early, have you danced yet?"

"Is this low-level occasion worthy of my dance?" Li Zhenting said coldly, with a look of disdain and snort.

Shen Ning's face turned pale, isn't this mocking her for her poor dancing.

"Mr. Li, the Li family is not low-level. It is your mother's family, and it is completely worthy of you." Jing Chenxi raised his eyebrows and retorted unfriendly.

Li Zhenting was so choked that he couldn't speak. Originally, he just wanted to hit Shen Ning's self-confidence, but he didn't expect that even his mother's natal family would be degraded. For a moment, there was embarrassment on his face. color.
