

## Troublemakers 381

Chapter 381 I just wanted to take the opportunity to humiliate her

"President Li, I prefer this down-to-earth place, and I don't think it's very low-level." At this time, Shen Ning sat up straight, with a blank expression on his face, "You can go first and go to a high-end place to play. , I can go back by myself, there is no need to go with you."

Li Zhenting's eyes sank: "Don't forget, I brought you here, and I also picked the dress on you for you."

"Mr. Li, do you mean that without you, no one would choose a dress for me? Please don't forget that you chose this dress for me on your own initiative. I didn't ask you for it. I don't care about it." " Shen Ning fought back sharply with his face covered with frost.

Li Zhenting's face turned blue and white, and his eyes were stained with anger.

"Ningning, don't worry, I'll take you back later, and next time, I'll help you choose a dress." Jing Chenxi immediately spoke to the side, with a gentle and considerate tone.

"Thank you, Mr. Jing." Shen Ning smiled sweetly at him.

Li Zhenting was so angry that he was about to jump up.

"Zhenting." Just as he was about to explode, suddenly, a sweet voice came.

As soon as Shen Ning raised his head, he saw Shen Mei, dressed in full makeup, walking over enchantingly with her water snake waist twisted. As soon as she came over, she took Li Zhenting's arm with both hands, and stuck her entire chest to his arm.

Shen Ning immediately felt disgusted.

This man had clearly made an appointment with Shen Mei, but he came to interfere with her again. It turned out that he just wanted to take the opportunity to humiliate her.

Fortunately, she had seen through it a long time ago, and she no longer loved him.

Now she is covered with a vajra mask, which is extremely hard, and her heart has been ground to be strong enough.

"Mr. Jing, let's go over there, leave this place to those thick-skinned people." She smiled at Jing Chenxi with bright eyes and bright teeth, and stretched out her hand to him.

"Okay." Jing Chenxi was very happy, and immediately held her little hand, holding it tightly.

The two were very close, talking and laughing and walking towards that side.

Li Zhenting clenched his hands into fists.

Shen Ning, you are dead, I will make you regret it!

"Zhen Ting, I really envy my sister. The relationship between my sister and Mr. Jing is getting better and better. You see, Mr. Jing loves her so much. This is treating her like a baby and pampering her. My sister is so happy." Shen Mei secretly looked at Li Zhenting's dark face, and said this deliberately.

"Get out." Li Zhenting yelled with sparks in his eyes.

"Zhen Ting, don't chase me away." Shen Mei's bright eyes were filled with mist, with an aggrieved look, "I brought her here because Lan Lan wanted to see you."

It turned out that Li Zhijun didn't invite her to this high society banquet of the Li family. First, she was Shen Ning's deadly enemy. Shen Ning didn't want to see her here. He was concerned about her emotions. Second, Shen Ning At best, her family can only be regarded as the bottom of the upper class, and she is far from being integrated into the upper class circle. Li Zhijun disdains to invite her.

But on such a decent occasion, how could she miss Shen Mei, especially when Li Zhenting is still here.

Therefore, she tried many ways to get in but failed in the end.

In the end, she had no choice but to bring Lan Lan here, saying that she was able to come in because she was looking for Daddy Li Zhenting, but she also missed the wonderful moment at the beginning.

Lan Lan?

Li Zhenting's eyes tightened. This woman actually brought Lan Lan to this kind of occasion. It really didn't matter what was her priority. Thinking of her taking Lan Lan away and bringing her with her, she used Lan Lan's name to return to her from time to time. To Li's Castle.

Lan Lan was driven into two directions by her, and she couldn't even go to kindergarten.

He was bored.

Chapter 382 She doesn't care about this dog man anymore

"Daddy." At this moment, Lan Lan over there finally saw Daddy, very happy, and ran towards him with open arms.

"Lan Lan." Seeing his daughter, a gentle smile finally appeared on the corners of Li Zhenting's lips, and he bent down and hugged her.

"Daddy, I miss you so much, do you miss Lan Lan?" Lan Lan started her clingy way of greeting people again.

"I think, of course I do." Li Zhenting lightly pecked her forehead and rubbed her little head.

"I miss Daddy every day." Lan Lan snuggled her small body into Li Zhenting's arms, her face full of satisfaction.

"Shen Mei, let Lan Lan go to kindergarten normally from tomorrow onwards, don't run back and forth, it will tire the child." He ordered with a sullen face.

Shen Mei burst into tears: "But what do I want to do with my child?"

Li Zhenting hugged Lan Lan and walked outside with a sullen face, but at the side of the hall, he saw Shen Ning and Jing Chenxi sitting at a round table and talking, both of them had bright smiles on their faces, instantly resentful and depressed in his heart, he walked away quickly with Lan Lan in his arms, followed closely by Shen Mei.

Shen Ning raised his eyes slightly and saw Li Zhenting hurried past her. He was walking steadily with his long legs, holding Lan Lan tightly with both hands. Mo's rare tenderness was in stark contrast to the indifference and sarcasm he had just treated her.

She smiled coldly, but her heart felt as if she had been stabbed by a needle.

This is the difference between love and not love!

Fortunately, she doesn't care about this dog man anymore.

"Lan Lan, remember, if Daddy asks Mommy to take you out of here, you must not want to, and you can't leave even if you cry, understand?" Lan Lan made a gesture, Lan Lan immediately said that she was going to the toilet, Shen Mei led her into the women's toilet, and gave her instructions quietly as soon as she came in.

Lan Lan nodded in confusion.

"Lan Lan, you have to find a way to get Daddy to drink this drink tonight, so that Mommy can take you back to Li's Castle tomorrow, and you can go to kindergarten with Ke Ke and Ding Ding." Mei squatted in front of her and whispered softly.

"Mommy, this drink is delicious, isn't it?"

"Yes, it is very suitable for your daddy's taste. He will be in a very good mood after drinking it." A burning light flashed in Shen Mei's eyes, and the corners of her lips were stained with a smile.

Lan Lan nodded: "Okay, I like Daddy and want to make him happy."

"This is a good daughter." Shen Mei kissed her daughter's face before walking out with Lan Lan.

"Shen Mei, take Lan Lan out of here immediately, let Lan Lan go to bed early, and go to kindergarten early tomorrow morning." Sure enough, as soon as Shen Mei walked out holding Lan Lan's hand, Li Zhenting began to give orders.

"Zhen Ting, you forgot, tomorrow is Sunday, and Lan Lan doesn't have to go to kindergarten." Shen Mei pouted, "Just let me play here with Lan Lan. During this time, I take the child with me every day, I can't go anywhere, I finally have this opportunity, so let me relax, okay?"

She looked at Li Zhenting pitifully.

"No." Li Zhenting gave the order decisively, "The child is still young, so it is not suitable to stay in this kind of place."

"Daddy, there are children playing over there, I want to play with them for a while." Seeing Li Zhenting's resolute attitude, Shen Mei could only look at Lan Lan, who immediately pointed at the children playing over there and spoke in a milky voice.

#### Chapter 383 Two Drinks

Li Zhenting looked over there, and it turned out that several little guys from the Li family were playing together, having a good time, and the fireworks were all over the sky.

"Daddy, I want to play with them, please don't drive me away." Lan Lan tearfully took Li Zhenting's big hand and shook it.

She pouted, her nose was red, and tears were in her eyes.

Shen Mei immediately felt sorry for her daughter and couldn't bear it, and begged:

"Zhen Ting, Lan Lan is with me every day these days, she's bored, so you can let her play, tomorrow is Sunday again, it's fine."

At this time, a buddy happened to invite Li Zhenting to play cards in the chess and card room.

Li Zhenting had no choice but to agree.

"Then you take Lan Lan well, and if she gets tired, send her home right away." Before leaving, he confessed to Shen Mei.

Shen Mei happily agreed.

As soon as Li Zhenting left, Lan Lan ran to play there, and Shen Mei returned to the dance floor.

Li Zhijun was dancing heartily with a group of beauties in the middle of the stage, and the women screamed from time to time.

She looked around for Shen Ning.

Shen Ning is no longer on the dance floor.

Where did that go?

The lounge next door.

She walked over there.

"This is the rose fragrance, the latest model, improved on the basis of No.1, here, I will give you a bottle to try."

"This one is also new. It uses authentic Indonesian sandalwood. The fragrance lasts for 24 hours. It is very suitable for you. I will give you a bottle as well. I hope you will support me in the future."

...

Shen Ning was hard at work promoting his new variety, and generously gave everyone a small bottle, while Jing Chenxi was busy helping.

A sinister smile flashed in Shen Mei's eyes, and she walked aside.

Everyone was surrounding Shen Ning and Jing Chenxi, no one noticed her.

With her back facing the hall, she picked up two paper cups on a small round table in a blind surveillance area, unscrewed a bottle of jasmine tea, poured two cups, and poured two white pills with her palms down. Then he sat down and watched the white pill melt before waving to the waiter beside him.

"Waiter, bring these two cups of drinks to Mr. Shen and Mr. Jing who are introducing the perfume over there. They are very thirsty." Shen Mei nodded to Shen Ning and Jing Chenxi who were hard at work selling.

"Okay." The waiter understood, and immediately brought two glasses of drinks and walked towards Shen Ning and the others.

"Mr. Shen, Mr. Jing, please have a drink." The waiter brought it in front of them and said politely.

Shen Ning has been giving a speech for forty minutes straight, and he was very thirsty. Seeing that it was delivered by the attendant at the venue, he immediately said 'thank you', picked up one of the glasses and poured it into his mouth.

The drink was cold and comfortable in her mouth, so she drank it all in one gulp.

Jing Chenxi personally cooperated with Shen Ning's work, and also said a lot. When he saw the drink brought by the waiter, he didn't think much about it, and took the remaining glass and drank it down.

Shen Mei watched them each drink in, a successful smile flashed in her eyes, and she walked to the other side.

"Ms. Jiang, hello." Jiang Xinyun was sitting quietly in a corner, her big bright eyes had been falling on Jing Chenxi, and she had never left. The intimate interaction between Jing Chenxi and Shen Ning made her whole portrait blurred. Shuang beat the eggplant, lonely, frustrated and extremely painful, Shen Mei walked over to greet her warmly, and sat down opposite her.

"Miss Shen, what do you do?" Seeing that it was Shen Mei, she replied lightly.

"Miss Jiang, I heard that you and Mr. Jing are going to get married soon, so you must invite me to your wedding. I'm looking forward to it." Shen Mei smiled enthusiastically.

Jiang Xinyun looked at Shen Mei's fawning face, and frowned.

She didn't have a good impression of Shen Mei, and she didn't want to have anything to do with her. After hearing what she said, she just smiled politely and didn't want to say more.

Chapter 384 If you don't die, you have to shed your skin

Shen Mei understood her thoughts and didn't mind.

But he was laughing lightly in his heart.

This woman Jiang Xinyun is a mud that can't support the wall. She obviously has favorable conditions and stands on the commanding heights of morality. She can join hands with her to punish Shen Ning severely, but she prefers temperament and is not angry. The man I love showed her affection face to face with her. He was so sad that he was dying, but he didn't dare to go forward to stop him. He really deserved to be robbed.

"Miss Jiang, aren't you worried that your fiancé will be snatched away by Shen Ning?" She deliberately asked provocatively.

"No, Brother Chen is going to marry me, he and Mr. Shen are just working together." Jiang Xinyun shook her head, "Brother Chen is a good man with a sense of responsibility, he won't do anything out of line."

"Boss Jing told you this?" Shen Mei was very curious, "Do you trust men that much?"

Jiang Xinyun shook her head: "I said it myself, I believe him."

"Oh." Shen Mei almost laughed out loud.

Anyone with a discerning eye can tell that Jing Chenxi loves Shen Ning, and he is chasing Shen Ning. This naive woman even thinks that Jing Chenxi will marry her, and even believes him deeply.

Either she is stupid, or lacks understanding, or Jing Chenxi is too good at making up stories, making her believe it.

Hmph, wait a minute, just wait to be slapped in the face!

"I heard there is still a good show to watch, let's sit down and watch it." She just smiled and stopped talking.

Shen Family Hall.

Lan Feiyun was sitting on the sofa, calling Jiang Xinyun's mother, Zhu Lingmei.

"Mrs. Jiang, I'm really worried for you. If you don't make a move, Jing Chenxi will be touched by Shen Ning, and it will be too late for you to regret it." She exaggerated her emotions very well, and she successfully captured Zhu Lingmei with just a few words. His anger was provoked.

Everyone in the upper class knows that Jiang Xinyun is gentle and kind, and she doesn't fight or grab, but she has a tigress mother who is fierce and domineering. She is famous in the circle for her own benefit.

Lan Feiyun racked his brains to deal with Shen Ning.

If this woman is used, Shen Ning will have to shed her skin even if she does not die.

Right now, she has received a call from her daughter Shen Mei. Both Shen Ning and Jing Chenxi have already drunk their drinks, and the good show is about to begin.

"Lan Feiyun, what do you mean, are you trying to ruin my daughter's reputation?" Zhu Lingmei asked immediately on the phone.

She has only one precious daughter, and she is about to marry Jing Chenxi, one of the most distinguished men in the imperial capital, which is what she is most proud of looking forward to.

"Mrs. Jiang, I have good intentions. Don't you know that Shen Ning has been seducing your prospective son-in-law Jing Chenxi?"

"Do you have evidence?"

"Hey, Mrs. Zhu, do you still need evidence for this matter? Anyone with a discerning eye knows that six years ago, before Shen Ning and Li Zhenting divorced, she hooked up with Jing Chenxi. Have you asked your daughter if she it must be very clear." Lan Feiyun added emphatically, "Well, I won't say much, Shen Ning and Jing Chenxi are in the Li's compound now, they are together, your daughter I can only sit alone on the side, not daring to go up and ask, if you don't believe me, just go and see for yourself, the picture is so eye-catching."

After she said this, she hung up the phone.

Zhu Lingmei sounded the alarm bell.

Although she doesn't like Lan Feiyun very much, this matter is related to her daughter's happiness.

My daughter has always been weak and weak, so she is worried about being bullied.

She remembered that five years ago, when Jing Chenxi had a blind date with her daughter, she had vaguely heard that Jing Chenxi was not willing to have \*\*\*\* with her daughter. Now, hearing Lan Feiyun mention it like this, she couldn't help but suddenly realized.

She couldn't sit still anymore, and after putting down the phone, she called the driver and rushed towards the Li family.

Chapter 385 Incomparably tragic

Li Family Banquet Hall.

Half an hour later, Shen Ning felt something was wrong. She felt sore and weak all over, and she was thirsty. She rushed under her body, making her extremely uncomfortable, and desperately wanted to find a vent.

"Ning Ning." Beside him, Jing Chenxi seemed to be more powerful than her, his face was flushed, and the bottom of his eyes was tinged with love, and the eyes looking at him were hot and clinging.

not good!

They should both have been drugged.

Unexpectedly, on such an occasion, someone would dare to assassinate them.

She ran towards an open box next to her, rushed into the bathroom, and kept slapping her face with cold water.

"Ning Ning, I feel very bad." Just as she was trying to use cold water to eliminate her rising desire for bath, the door opened, and Jing Chenxi stumbled over, as if smelling the clear spring of medicine, she came from behind. He picked her up, clinging to her tightly, and spoke in pain.

At this time, he was sweating profusely, his eyes were full of uncontrollable passion, and facing the beloved woman he had been thinking about day and night, almost all his defenses were loosened.

"Mr. Jing, don't do this, we have all been drugged, someone is trying to harm us, we can't fall for it." Shen Ning bit his tongue hard to stay awake, struggling hard, trying to leave his embrace.

But Jing Chenxi's rationality completely disappeared. As soon as he picked her up, he walked towards the sofa in the box, put her down on the sofa, held her face, and looked at her affectionately: "Ning Ning, I love you, don't be afraid, it's already reached this point, give it to me, I will marry you, and we will never be separated again in this life."

"No, Mr. Shen, don't." Shen Ning still kept awake, desperately avoiding his hot kiss.

Sudden

She reached for a pair of scissors on the coffee table next to her.

"Mr. Jing, please leave me quickly, otherwise, I will kill you and then commit suicide." With scarlet eyes, she shouted at Jing Chenxi who was on her body.

While speaking, he raised the scissors in his hand to his back, excruciating pain.

Jing Chenxi's eyes were full of blurred light, he didn't realize the danger was coming, all the heat in his body was gathered downwards, the tightness made him almost collapse, and the deep love for Shen Ning in his heart, now Even if it was death, if he could get Shen Ning, he would be willing.

"Ning Ning, I love you, give it to me, please." He murmured, and went to tear the dress on her chest, but the material of the dress was so good that he couldn't tear it open after several times. start taking off my pants...

Shen Ning's consciousness became more and more confused, and the raised scissors stabbed hard.

At this moment, the door was kicked open with a bang.

A large group of people headed by Li Zhenting and Zhu Lingmei broke in under Shen Mei's signal.

The men and women on the sofa are extremely tragic. The woman has disheveled hair and messy clothes. The man is about to take off his pants, and a pair of scissors are stuck in his back. Blood is streaming down, and the man curled up into a ball.

"Stinky boy, how dare you seduce my son-in-law, see if I can't beat you to death." Zhu Lingmei saw that, sure enough, there was a woman seducing her son-in-law, so furious, she rushed to grab Shen Ning and beat her.

When Jiang Xinyun saw Jing Chenxi and Shen Ning together, her face was pale, with tears in her eyes, she turned and ran out.

"Stop." Li Zhenting shouted angrily, grabbed the fat woman's hand and threw her aside, shouting: "Quick, send them to the hospital first."

He bent down to pick up Shen Ning and strode outside.

Chapter 386 Do you need to insult me like this

"Ah bah, bitch, I won't let you go." At this moment, Jing Chenxi's special assistant rushed to help him go outside after hearing the news, and rushed him to the hospital. Zhu Lingmei watched The beloved daughter was bullied, and she began to lose her temper, cursing the sky and the earth.

Li Zhijun came and was scolded \*\*\*\* by her.

"Mom, I didn't expect Shen Ning's self-control to be so strong." Shen Mei pulled Lan Feiyun aside and spoke bitterly.

If Jing Chenxi really fell in love with Shen Ning today, even if Shen Ning was ruined, Li Zhenting would never forgive her, even if she was right, he would not accept her again, after all, in front of so many people, He's a man, he needs to respect himself.

But Shen Ning defended his innocence through suicide.

She hated it like hell.

"Yes, the life of a \*\*\*\* is very strong, but this time Zhu Lingmei saw the scandal between her and Jing Chenxi with her own eyes, Zhu Lingmei will not forgive her, just wait and see, Shen Ning will suffer a lot soon Now, this woman Zhu Lingmei is a shrew." Lan Feiyun smiled sinisterly.

"Yeah." Shen Mei nodded triumphantly, but was very regretful: "Mom, Zhen Ting actually sent that \*\*\*\* to the hospital by himself. This time, the good things I did with him will not be able to work out again."

Lan Feiyun looked at her: "You, if you had had such a scheming plan, you would have given birth to a dozen children."

Shen Mei's cheeks were flushed when she heard it.

Originally, her plan was to make Li Zhenting completely disappointed when he saw Jing Chenxi and Shen Ning sleeping together, and then, at the right time, he appeared beside her and asked Lan Lan to give him a drink. Good things can be done.

But even if all the tricks are exhausted, it is all in vain.

Although she managed to get Shen Ning and Jing Chenxi into the trap, it didn't go well. Her plan to have a baby for Li Zhenting failed again.

In the hospital.

Li Zhenting's sinister eyes were fixed on Shen Ning.

After the medicine prescribed by the doctor entered her body, she gradually calmed down and opened her eyes.

"President Li."

"Shen Ning, what happened tonight?"

"Someone hurt me and drugged me." Shen Ning sat up.

"Don't justify yourself." Li Zhenting said in a stern tone, "There are so many people in the banquet hall, why are you and Jing Chenxi the only ones who were drugged?"

"President Li, I don't know too well, obviously someone is targeting us." Shen Ning tried hard to explain.

"You?" Li Zhenting sneered, "I think you directed and acted on your own, it was exactly as you wanted, but it's a pity that you chose the wrong place."

Shen Ning blushed and had a thick neck when he heard this: "President Li, do you need to insult me like this? If I want to do this, do I still need to drug myself on that occasion, let alone stab him with scissors."

"Who knows, you have to play a full set of acting." Li Zhenting raised his dark eyes: "This matter has now been leaked by the media, which will damage the face of the Li family. On behalf of the Li family, I must make this matter clear." Investigate and find out exactly who is making trouble in this indecent way, and I will make him pay the price."

He gave her a hard look and left.

Shen Ning was terrified and angry at the same time, this \*\*\*\* man actually suspected that she was acting, he must be sick! Who would act to the point of using scissors to hurt people!

But she has no grievances with the Li family, and it is impossible for them to harm her, so who would it be? A figure flashed in her mind: Shen Mei!

It must be this woman!

Li Zhenting, I hope you can find out the murderer, otherwise, I won't let her go.

Chapter 387 I understand what's going on

the next day.

Li's Courtyard.

"President Li, I want to check the monitoring." Shen Ning put forward his own request to Li Zhenting.

Li Zhenting gave her a cold look, and sneered: "Last night, you were not in the limelight, and people who are in the limelight usually don't end well."

Shen Ning was so angry that her face flushed, and she retorted unconvinced: "Last night, I just danced two songs with Zhijun. There were at least dozens of dance songs throughout the night. Why is it only me who is showing off, or you?" Young Master Li has always been prejudiced against me, besides, last night was Zhijun's birthday, can I refuse his invitation to dance."

"That's right, cousin, it's really not Shen Ning's fault, it's only me. I invited her here, and I didn't expect that kind of thing to happen. It's because my guards aren't strict enough. I'm damned." Li Zhijun cried sadly.

"Don't worry, you won't escape punishment after finding out." Li Zhenting gave him a hard look.

Thinking of the scene of him snatching Shen Ning and dancing with her last night, he can't wait to blow his head off right now.

Li Zhijun retreated a few steps timidly, and hid behind Shen Ning.

"By the way, Mr. Li, there must be something wrong with that drink." At this moment, Jing Chenxi remembered something, and immediately said, "What about the waiter, just call her over for interrogation."

Li Zhenting sneered: "Don't worry, I will find out one by one, I hope the result will not be too embarrassing."

Jing Chenxi frowned when he heard that, the scissors in Shen Ning's hand stabbed him on the back last night, but fortunately Shen Ning was so weak and the stab was not heavy, otherwise, he would not be able to get up now, and he was also a victim People, but now hearing Li Zhenting's tone, as if he gave the medicine, I feel very uncomfortable.

After a while, they all went to the security room, and the waitress was called.

"Mr. Li, Master Li, this is really none of my business." Seeing so many big figures present, the waitress was so frightened that her legs trembled and she spoke with a mournful face.

"What did you put in those two drinks?" Li Zhijun asked sharply.

"I didn't put anything in it, young master, I just served it to the two of them. I didn't even know there was something in the drink." The waitress cried.

"Then why did you bring it over for them to drink?" Li Zhenting had a serious face.

"Yes, there is a female customer who said that they had been talking for a long time, and they were thirsty, so I sent them over to drink. I am just a part-time worker, and I don't know anything. If a customer asks me to deliver drinks, I have to deliver them. , this is my job." The waitress sobbed, feeling very sad.

"Do you remember the name of that female guest?" Shen Ningyu couldn't bear it, and asked kindly.

After thinking for a while, the waitress shook her head: "I don't know her, she has never been to Li's compound."

"Boss Li, quickly check the surveillance." Shen Ning had already guessed who it was, with a cold light in his eyes, and ordered the security guard, "Retrieve the surveillance from that day."

The security guard glanced at Li Zhijun, and Li Zhijun nodded.

The monitoring was quickly called up.

"Yes, it's her." When the surveillance saw Shen Mei sitting on the round table directing the waitress to deliver drinks to Shen Ning and Jing Chenxi, everyone present understood what was going on, and all looked at Li Zhenting, the waitress immediately pointed at Shen Mei and shouted excitedly.

Li Zhenting's face was immediately covered with a thick layer of frost.

He started to check all surveillance.

only

When he checked all the surveillance cameras, he couldn't find any evidence that Shen Mei had drugged the drink.

The monitoring only showed that she poured two glasses of drinks and ordered the waiter to deliver them to the guests. Even in the monitoring, it was impossible to tell that she ordered the waiter to give them to Shen Ning and Jing Chenxi. Although the waiter could testify, it was only able to The proof was that she ordered her to give it to them, and it would not play a decisive role.

Chapter 388 I will scold you to death

"Boss Li, call the police." Jing Chenxi stared at Li Zhenting, and spoke bluntly.

Li Zhenting's sword eyebrows were twisted into a rope, his jawline was tense, and his profile was terribly sharp.

"This is Li's compound. I can't make the decision. I guess the police won't find anything." He suddenly smiled evilly and said coldly.

Jing Chenxi sneered coldly: "Mr. Li, no matter what you say about this matter, you need to investigate it thoroughly, and return Shen Ning's innocence. In the situation last night, it doesn't matter if I am a man, but Shen Ning almost ruined his innocence. This is unfair to Shen Ning."

"Yes, Mr. Li, this matter must be investigated clearly. Why have I been killed so many times? Why do I let it go every time?" Shen Ning's pretty face was frosty, and her eyes shot at Li Zhenting like a sharp knife.

She is 100% sure that this time it must be the trick of that \*\*\*\* Shen Mei again. She wants to destroy her innocence so that Li Zhenting will not have any wrong thoughts about her from now on. This woman is too vicious.

Li Zhenting pursed his lips, and his voice was a little lazy: "Zhijun, this is your family's business, you can figure it out yourself."

After finishing speaking, he suddenly pulled Shen Ning's arm and dragged him outside.

"Li Zhenting, you bastard, it was Shen Mei who harmed me, but you protected her. I will scold you to death and drown you \*\*\*\* with saliva." Shen Mei didn't want to continue the investigation because of Shen Mei, she was so angry that she struggled and cursed loudly.

Li Zhenting suddenly covered her mouth with one hand, picked her up with the other and walked towards his luxury car.

"Li Zhenting, what are you going to do?" After a while, Shen Ning was thrown into his luxury car by Li Zhenting, the door was closed, and he climbed up, Shen Ning shrank back, asking anxiously and frightened.

Li Zhenting had an evil smile on the corners of his lips, and suddenly grabbed her hands and put them on the top of his head, his face approached, his eyes looked back and forth on her face, lips, and neck.

"Last night, where did he kiss you?" He asked almost cruelly.

"No." Shen Ning Gedi understood his thoughts. What he said last time, if Jing Chenxi kissed her again, he would clean her in his own way. Otherwise, he was worried that she would use Jing Chenxi to kiss her. Chen Xi kissed Ke Ke and Ding Ding on the lips that he had kissed, which was unacceptable to him, and immediately retorted, "Didn't you watch the surveillance, I avoided it."

It's fortunate that she avoided it last night, otherwise, she would definitely be eaten by him today.

"Shen Ning, I warned you last night, telling you not to be in the limelight, and now you deserve it." He suddenly vented his hatred, as if he held a grudge against Shen Ning for not dancing with him last night.

Shen Ning's anger surged into his head again, this man blamed Shen Mei like this in order to protect Shen Mei.

"Bastard, bastard, go to hell." Suddenly, while he wasn't paying attention, she broke free from his hand and punched him in the face.

"Shen Ning, how dare you hit me." Li Zhenting touched his face, furious, he reached out and grabbed Shen Ning who was about to escape, threw her on the soft bed, and turned over on top of her.

"Let go of me, bastard." Shen Ning struggled, but the more she struggled, the more her body rubbed against the man's thighs. Li Zhenting's face flushed and his breathing became short of breath. He grabbed her hands hard and stared at her. Touching her bright red lips.

Shen Ning looked at the dark-eyed guy on his body, and secretly screamed badly. Before he could scream, the man's hot lips kissed and bit her lips.

...

I don't know how long it took before Li Zhenting got up after kissing enough, with a triumphant smile on his face, and started the car.

"Li Zhenting, you are shameless. You know that Shen Mei framed me, but you bully me without finding out the truth. What are you? You don't deserve to be the father of children. You are a scum, living It will only insult the air, you have eyes but no eyes, you only know how to protect women, I curse you to die, I curse you to be reincarnated as a pig in the next life, and, let me tell you, I will definitely take back the custody of Ke Ke, I will never I can't let that woman kill my child, you are the most \*\*\*\* man I have ever seen in this world, I despise you..."

Shen Ning sat in the back and yelled louder and louder.

Li Zhenting let her scold at the beginning, but after scolding, he couldn't take it anymore, he stopped the car with a 'crack', got out of the car, dragged Shen Ning out of the car, threw him on the street, got in the car, and walked away. drove away.

Chapter 389 This feud is irreconcilable

"Li Zhenting, you bastard, this hatred is irreconcilable. From now on, I will fight with you. If you can protect your woman, can I not find my man? If you can let a woman harm me, I will fight you!" Why can't I let a man help me, I want to see who can fight whom!" Shen Ning risked being hit by a car and walked for more than a mile before reaching a corner, thinking of the grievances he had suffered , not hitting one place, cursing while walking.

...

Li's old house.

After Shen Ning went back, he went straight to the door of the study.

"Li Zhenting, you bastard, open the door." She knocked \*\*\*\* the study door.

Li Zhenting just got out of the shower, and was turning on the computer when he heard Shen Ning's cry, and hurriedly looked out the window.

Outside the door, Shen Ning's eyes were wide open, his face was full of anger, and he was banging on his study door with both hands. That posture wanted to rush in and kill him.

He hurriedly retracted his head back.

This dead woman can do anything when she gets angry.

Last time, she held a knife to his neck and almost murdered him.

He touched his chin with his fingers, and felt a chill all over his body.

"Li Zhenting, let me tell you, today's matter is never over. I have let Shen Mei go many times. This time, I must make her pay the price, and you, the accomplice, protect her every time, thinking that I have you Asylum, can't I do anything to her, it's impossible, I will destroy you first and then go to her to settle the score." Her hand slapped the door panel, shaking the whole corridor.

Li Jichun heard the noise upstairs when he came back from the back garden, and asked in puzzlement, "What's going on upstairs? Did something happen?"

Li Minhua was sitting on the sofa watching TV wearing presbyopic glasses. After hearing what his wife said, he calmly replied: "Let them solve the young people's affairs by themselves. As an old man, just pretend that you haven't seen anything."

"Is this Shen Ning's scolding?" Li Jichun asked after listening again.

"That's what Zhenting should scold. We have known Shen Ning for so many years. When did you see her get angry and scold someone?"

"That's right." Li Jichun smiled, "It's really not that the enemies don't get together, let them make trouble."

After finishing speaking, he went back to the study to drink tea and practice calligraphy.

"Li Zhenting, if you don't open the door again, I'll hit you." Shen Ning yelled for a while and began to hit the door with his body, vowing to blow Li Zhenting out.

She knew that he was hiding inside. Today is Sunday, and he will not go to work in the company.

"One, two, three." After Shen Ning shouted three times, he slammed his whole body towards the study door.

The study door was knocked and shook.

Shen Ning ignored it, and counted "one, two, three." After that, he slammed into the study again.

After hitting twice in a row, she gritted her teeth in anger and rammed over again.

Yes this time

When she slammed it hard, the door opened from the inside.

"Ouch." She didn't have time to close her body, she missed the space, fell inward, and fell to the ground, her jaw and palms were sore from the fall.

Li Zhenting looked at the woman who fell on the ground, her thin lips curled up in a beautiful arc.

"Damn woman, bring it on yourself." He cursed, and walked towards the gate, ready to take the opportunity to sneak away.

"Li Zhenting, you bastard, this hatred is not with you, and if you don't report it, I will not be named Shen." Shen Ning was already dizzy with anger, touched his chin that was hurt from falling, got up and rushed towards Li Zhenting desperately .

As soon as Li Zhenting slipped into the corridor, Shen Ning still grabbed the clothes on the back. She rushed over to grab his arm like a vine, and hit him with her hand raised, but after a few hits, the man's bones were stiff, Instead, it hurt her palm.

In a fit of anger, she grabbed his arm, lowered her head, and bit him hard.

Chapter 390 I am willing

"Oh, you crazy woman." Li Zhenting immediately felt a sharp pain in his wrist, and pushed Shen Ning with his backhand, but she just clung on, and he had to forcefully break her head. She couldn't stand stably, and she fell to the ground He fell down, but even if he fell down, he still clung to him tightly, Li Zhenting's body could only fall down with her, and instead lay on top of her.

As soon as he lowered his head, he suddenly saw anger and sadness in the woman's big bright eyes, his heart trembled inexplicably, and he froze.

"Daddy, you are not allowed to bully Mommy." At this moment, Ke Ke and Ding Ding ran up from downstairs, and the two little ones watched Daddy push Mommy to the ground, and immediately yelled.

Ke Ke even squatted with both legs, stood in a horse stance, and pointed his outstretched fist directly at Li Zhenting's head.

The son's voice woke them both up at the same time.

Shen Ning immediately let go of Li Zhenting.

Li Zhenting looked up and saw the angry eyes of his sons staring at him, and got up in a panic.

"Daddy, why do you always bully Mommy?" Ke Ke stared at him and shouted angrily.

Knowing his position in the hearts of the two little guys, Li Zhenting didn't have the upper hand at all, so he simply turned around, took big strides and ran towards the back aisle.

"Mum, are you okay?" Ke Ke went to help Shen Ning with red eyes, crying in her milk voice.

"It's okay." Shen Ning was mad with anger just now, but now he gradually regained consciousness after seeing his sons, stood up and shook his head with a smile.

"Where did Daddy hit you?" Ke Ke walked around Shen Ning uneasy, checking, and asked childishly.

"Daddy didn't hit Mommy, don't worry." Shen Ning kissed his son's cheek, "You two go play, Mommy will be fine."

"Mummy, if Daddy bullies you again, tell us and we will settle the score with Daddy." Ke Ke and Ding Ding urged Shen Ning worriedly.

"Yes." Shen Ning forced a smile and agreed.

But the two little ones didn't feel at ease with Mommy at all, so they ran downstairs to complain to Li Minhua.

"Grandma, just now Daddy bullied Mommy again." Ke Ke hurried to Li Minhua and said angrily with her red face raised.

"Oh, how did he bully you?" Li Minhua asked hurriedly with a serious expression on his face.

"Daddy pushed Mommy to the ground, Daddy is a bad guy." Ding Ding replied coolly.

"Did Daddy hit her?" Li Minhua asked nervously.

"It doesn't seem to be a fight." Ke Ke and Ding Ding thought about it and shook their heads.

Li Minhua laughed when he heard the words, and touched the faces of the two little guys: "Okay, the grandma already knows, and the grandma will criticize him then, okay?"

"Okay." The two little ones replied in unison.

Li Minhua thought for a while and then asked with a smile: "Coco, Ding Ding, if grandma introduces stepdad to your mommy, would you be willing?"

"I am willing." Coco immediately raised her hand: "As long as he can treat my mommy and Xiaoxiao well, I will. Anyway, daddy is not good to my mommy, and I don't like him."

"Then I am willing too." Ding Ding saw that he was willing, so of course he followed suit.

"Well, okay, then you should cooperate well then." Li Minhua's heart sank, and he smiled.

"Don't worry, we will, as long as His Majesty Mommy is happy, we will be happy." Coco said loudly.

Li Minhua smiled, smiled, and there were tears in his eyes.
