

## Troublemakers 391

Chapter 391 Last night, they really played a bit too much

"Dead woman." In the luxury car, Li Zhenting loosened his shirt and tie, looked at the neat tooth marks on his arm, and cursed bitterly.

Is this woman a dog? She even bit him!

He stepped up the accelerator and drove towards Li's Castle.

At this time, the phone rang.

He picked it up.

"Boss Li, after investigating all the people and other surveillance last night, I can't prove that Shen Mei is the person who directly administered the drug. It can only show that this matter is related to her, but I can't be sure, and Lan Feiyun and Zhu Lingmei were not caught last night. The person who invited has also come, and the matter is very awkward, and it is difficult to determine who did it at the moment." Leng Xue reported over there.

"Okay, I see." A cold light flashed in Li Zhenting's serious eyes, and he said in a deep voice, "From now on, you send someone to follow Lanfei Mica and her daughter, and report to me immediately if there is anything."

"good."

He hung up the phone with deep eyes.

What happened last night must have something to do with Shen Mei, but he couldn't find conclusive evidence, that's why he didn't pursue it further.

Shen Mei isn't scary, but Lan Feiyun is scheming, and she won't easily leave a clue.

Before the matter is not completely sure, he doesn't want to make a fuss and make a scene in the city, which is not good for Shen Ning.

But this woman didn't understand his difficulties, instead she said that he was covering up Shen Mei everywhere, what a stupid woman!

Li's Castle.

In the bedroom, Shen Mei and Lan Lan were sitting on the sofa eating fruit when the door suddenly opened.

A man with a cold body strode in.

Immediately, the whole bedroom was filled with the high-pressure atmosphere he brought.

"Shocking." Shen Mei was only pleasantly surprised when she saw him, but soon felt the biting cold on the man's body, she was a little scared, and spoke timidly.

"Daddy." Lan Lan saw Li Zhenting was very happy, and shouted happily.

"Lan Lan." Li Zhenting picked her up, patted her head, and smiled slightly: "Did you practice the piano today?"

"Not yet." Lan Lan lowered her head in embarrassment.

"You have to practice the piano every day. Go out and practice first. Daddy has something to tell your mommy. Daddy will check your homework in a while." He carried Lan Lan to the door and ordered softly, called Xiao Li again, and asked her to take Lan Lan to practice the piano.

After Lan Lan left, he turned around and walked in.

Shen Mei stood in the room and looked at him, a little at a loss.

"Shen Mei, let me ask you, what did you do in the banquet hall of Li's Courtyard last night?" Li Zhenting stood still in front of her with a blank face and a cold voice.

"Zhen Ting, Lan Lan missed you last night, I just took her to see you, and I didn't do anything." Shen Mei's face changed slightly, she understood something in her heart, she just shook her head to explain.

"But Shen Ning and Jing Chenxi were drugged last night, and you were there, so you should know." He stared at her sharply.

"Yes, I've heard about it, and I've seen it." Shen Mei dodged her eyes, "However, they are a couple of lovers, and they may not have been drugged, maybe they drank it deliberately in order to find passion. You know, on that occasion, there are many rich men who like to drink those drugs to play exciting games, hey, last night, they really played a little too much."

Li Zhenting stared at her coldly: "How do you know they are what you want to drink? Have you seen it? Or is the whole thing related to you?"

"No, I didn't see it, I just guessed it." Shen Mei was so stared at by him that she felt hairy in her heart.

"But according to them, the attack started after drinking a drink last night, and the monitoring found that drink was given to them by the waiter." He pressed on step by step.

Chapter 392 I will definitely send you to prison with my own hands

"No, Zhen Ting, I don't know anything." Shen Mei stepped back in a panic and burst into tears. "At that time, I just told the waiter to pour a drink for each customer. After all, there were many customers at that time. I've already finished the tea in my hand, so I'm just reminding you, I don't know that there is something wrong with that cup of drink, if they really drank the drink, it's someone else who hurt them, and it has nothing to do with me."

She sobbed, wiping the tears on her face with a tissue.

"But I believe that they just drank it on purpose to find excitement. That woman Shen Ning has been unwilling to marry you since she divorced you. She wanted to marry into a wealthy family. She definitely wanted to take this opportunity to sleep with Jing Chenxi, so that she could achieve her goal. purpose."

"Enough." Li Zhenting interrupted her with a loud shout, "I ask you, why did your mother go to the Li's compound last night? The Li family didn't invite her to go."

Shen Mei jumped in her heart and shook her head: "I don't know, but later I heard from Aunt Zhu that she invited my mother to go, and they said they wanted to play cards."

Li Zhenting stared at her with terrifyingly gloomy eyes.

"Zhen Ting, I know you are confused by Shen Ning now. Before, you hated her so much, but now you have changed and fell in love with her, right?" Shen Mei cried loudly, "From beginning to end, I just love you. In order to make Lan Lan happy, you tried hard to give her a complete family, but not only did you not understand me, but for Shen Ning, you did not hesitate to hurt me again and again, I have never had bad intentions."

"You really have no bad intentions?" Li Zhenting grabbed her arm and threw her on the sofa, with a breath of death in his eyes, "Shen Mei, let me tell you, Team Wang has already called me. The real culprit behind the kidnapping has been found out, do you know what it is? As long as Shen Ning pursues criminal responsibility, you will go to jail for at least seven or eight years, understand?"

The cold air all over his body opened a crack like an ice kiln, and came out continuously.

"Ah." Shen Mei turned pale and shook her head vigorously, "I don't know, I don't know."

"For Lan Lan's sake, I have suppressed this matter. If you don't stop, you will be severely punished by the law. I just came to warn you today. I hope you can take care of yourself. From now on An An should be a good mother, I don't want Lan Lan not to have a biological mother."

After Li Zhenting finished speaking, he punched the sofa hard.

"Today is the last time I warn you and I will give you a chance. Although this surveillance failed to become your direct evidence, anyone with a discerning eye understands what is going on. If you continue to persist in your obsession, I will definitely send you to prison with my own hands. Yes, and all old and new grudges will be liquidated."

He finished speaking fiercely, and strode out.

Downstairs, Lan Lan was playing the piano seriously.

Looking at his daughter's childish face, Li Zhenting felt depressed in his heart.

Lan Lan is such a well-behaved daughter. He doesn't want his daughter to have a mother who is in prison, let alone grow up without her mother's company. This is another reason for her patience with him.

Li's old house.

Shen Ning walked downstairs.

Sitting on the sofa in the living room was a young man in a tailored suit, with elegant and noble demeanor and a handsome appearance.

He was chatting with Li Minhua.

"Ningning, come quickly, let me introduce you, this is Xingyu." Li Minhua immediately shouted enthusiastically to her when he saw her.

Chapter 393 This is a misunderstanding

Shen Ning was startled.

"Hello, I'm Wang Xingyu, are you Miss Shen Ning?" Wang Xingyu immediately stood up, with a smile on his face, he took the initiative to greet her politely, and extended his hand to her in a gentlemanly manner.

"It turned out to be Young Master Wang, nice to meet, nice to meet." Shen Ning immediately stretched out his hand and shook him lightly, smiling slightly.

Wang Xingyu's family is in the cosmetics business. The brand they created is popular all over the world, and they are also a wealthy family in the imperial capital.

"I've heard about Ms. Shen's name for a long time, and I meet you today. She is really beautiful and generous. Come on, please sit down." Wang Xingyu immediately gave Shen Ning his seat.

"Thank you." Shen Ning smiled slightly, and sat down beside him generously.

"How about this, you two young people have a good chat, I have to go and see my two cute little grandsons." After Li Minhua ordered someone to serve tea to Shen Ning, he went to look for Ke Ke and Ding Ding with a smile.

"I heard that Ms. Daisy, a well-known international perfume expert, is you? Is this true?" After Li Minhua left, Wang Xingyu seemed less restrained. After drinking a sip of tea, he looked at her and asked curiously.

Shen Ning smiled when he heard this: "My English name is indeed Daisy, and I can't be considered a well-known perfume expert. It's just that I have been fascinated by my mother since I was a child. I have this hobby, and I happened to reveal it at a perfume festival. I just won a few awards for my skills, but in fact, my expertise in this area still needs a lot of experience and improvement."

Wang Xingyu's eyes sparkled: "Miss Shen is really humble. Are you the daughter of Lin Zhenxun, a wealthy overseas Chinese businessman?"

Shen Ning was taken aback for a moment, and immediately shook his head:

"No, this came from a misunderstanding. I didn't know that Lin Zhenxun had a daughter named Daisy when I first arrived in the United States. At that time, I just thought the English name was nice, so I named myself that name. Three years later, when I won the award, when someone asked about the relationship between Lin Zhenxun and me, I found out that Lin Zhenxun also had a daughter named Daisy, but at that time it was difficult for me to change my name."

"Oh, that's how it is." Wang Xingyu nodded and gave her a thumbs up, "Miss Shen is really a talent, she has achieved such a great achievement at a young age, I thought you were Lin Zhenxun's daughter, thanks to your father relationship, but I didn't expect to rely on my true ability, admiration, admiration."

Unknowingly, there was a look of admiration on his face,

"My father appreciates the perfume developed by your mother very much, and he also praised you very much. Recently, he often mentioned you in front of me. In fact, our cosmetics and perfume are also of the same family. If one day, we can work together it would be great."

"Thank you, Mr. Wang, for your appreciation. In terms of cooperation, it is not possible now, but in the future, when Gucci perfume becomes bigger and stronger, I think it will be possible." Shen Ning smiled.

"No, you can do it now." Wang Xingyu was very serious, with a solemn tone, "Now that Gucci perfume is already famous, let alone with an internationally renowned expert like you, it will be a matter of time before it becomes popular. It is an honor for our Wang family to cooperate with you."

After finishing speaking, he picked up a gift box from the side and handed it to Shen Ning: "This is a series of Wang Yu brand cosmetics sets, I specially brought them for you today, I hope you like them, if one day Wang Yu brand cosmetics it would be perfect if the suit was paired with Gucci perfume."

"Thank you." After being stunned for a moment, Shen Ning immediately accepted it graciously, "I also hope that one day, Gucci perfume will be able to enjoy the glory of Wang Yu's brand."

"No, it should be that Wang Yu's cosmetics are stained with Gu Qi's light." Wang Xingyu shook his head, looking at the smooth snow-like skin on Shen Ning's face, "Miss Shen has soft skin, and this cosmetic is the most suitable for you. Come on, I will give it to you now." Try it out."

As he spoke, he opened the cosmetic package.

Wang Xingyu was originally a cosmetics expert. Whenever cosmetics were mentioned, he would talk endlessly. He introduced them to Shen Ning from time to time, and even gave her a try.

The two chatted happily.

When Li Zhenting came back, he saw a warm and sweet living room.

Wang Xingyu was holding Shen Ning's little hand, and with his slender fingers, he gently applied the cosmetics on the back of her tender white hand, making circular motions and patting it gently so that it could be fully absorbed.

Shen Ning and him watched carefully, head to head, talking from time to time.

...

Li Zhenting's handsome face darkened, and his eyes narrowed.

Chapter 394 Mommy's boyfriend is so handsome

"Daddy, dinner is ready. Mummy's boyfriend is here." Coco and Ding Ding had just climbed to the dining room and sat down when they saw Li Zhenting walking over, and Coco immediately spoke with a smile.

"Your mommy's boyfriend?" Li Zhenting narrowed his eyes and looked at the man and woman sitting on the sand flower. When he came in just now, they didn't even lift their heads or look at him. As for the family, they ignored him so much, the anger in the man's heart burst into chaos.

"Yes, my mommy finally has a boyfriend chasing after her." Ke Ke was very proud, her chubby face turned into a flower with a smile, as if deliberately annoyed him, her beautiful face was very bright.

"Hey, Mommy's boyfriend is so handsome, I like it very much." Ding Ding mopped his cheeks with his hands, looked at Mommy and Wang Xingyu in the living room, and his cool little face also showed the expression of a fan.

The anger in Li Zhenting's heart was even worse.

"Do you like stepdad that much? Will stepdad treat you as well as I do?" He asked angrily.

"As long as he treats Mommy well, we'll be happy. Anyway, you're not good to Mommy, so it doesn't matter." Coco shook his head.

"Aren't you afraid that he will abuse you then?" Li Zhenting asked unwillingly.

"Don't be afraid, Mommy will never find a bad man, and there are very few bad men now, we have grown up and can protect ourselves, as long as Mommy is happy." Cocoa Dayi replied awe-inspiringly.

Li Zhenting was so choked that he couldn't speak.

At this time, Li Minhua walked over from the kitchen with a smile on his plate.

"Ke Ke, Ding Ding, hurry up and ask your mommy and Uncle Wang to come over for dinner. Be polite to Uncle Wang." She put the dishes on the table and ordered with a smile.

"Okay." The two little guys immediately climbed off the chair and ran towards the living room, shouting as they ran, "Mommy, Uncle Wang, let's eat."

"Tell uncle, who is Ke Ke and who is Ding Ding?" Wang Xingyu looked at the cute faces of the two little guys and asked kindly.

"I am Coco."

"I'm Ding Ding."

The two little guys competed to introduce each other, and ran into Mommy's arms one by one.

Shen Ning embraced them with a happy smile on his face.

Wang Xingyu looked at them dotingly and smiled.

...

Here, Li Minhua looked at the chatting and laughing in the living room. The lively four people also showed satisfied smiles.

"Don't tell me, Xingyu and Shen Ning really have a husband and wife relationship. It's rare that Keke and Ding Ding also like him. If it really happens, it will be a beautiful thing." She said with a smile, like talking to herself, like He was talking to Li Zhenting.

Li Zhenting's chest stagnates uncomfortably, and he said coldly: "Grandma, don't worry about it when you are old, Shen Ning already has a man, she is with him every day, and now the two companies are deeply cooperating. "

Li Minhua's eyes lit up when he heard it, and he hurriedly asked, "Really, tell me quickly, who is that man?"

Li Zhenting was even more depressed when he heard it, and his tone was sour: "Jing Chenxi, the president of the Jing Group, is already engaged to Jiang Xinyun, but Shen Ning is still flirting with him. This is the woman you like. It's very scheming."

"Hey, it turned out to be Jing Chenxi, that kid is not bad, he looks good, and the company is well managed, let Shen Ning bring him back to have a look someday." Who knew that Li Minhua didn't listen to what he said behind him, He just happily praised Jing Chenxi.

Seeing how caring his grandmother was for Shen Ning, Li Zhenting found it even more dazzling.

A woman who has given birth to three children, yet so many men like her.

Are these men blind?

That's right, Shen Ning is pretty, and she is a little bit smart or talented, but each of these men is better than the other, and they are all unmarried. Compared with Shen Ning, they are only worse than Shen Ning, and they are willing to pursue Shen Ning, it really confuses him.

While he was thinking about it resentfully, Shen Ning and Wang Xingyu walked over holding Ke Ke and Ding Ding one by one.

Chapter 395 As long as there is a daddy to pick it up

"Mommy, please sit down." After they approached, Ke Ke pulled out the chair first and called to Mommy.

"Uncle Xingyu, please sit down." Ding Ding also pulled out the chair next to Shen Ning and called to him.

"Thanks Coco."

"Thank you Ding Ding."

The two thanked each other at the same time and sat down.

Ke Ke and Ding Ding accompanied them one by one.

Because Li Jichun was drinking traditional Chinese medicine, he only had some porridge for dinner. Li Minhua had already sent someone to take him to the study.

Li Minhua sat down on the main seat.

"Hello, Mr. Li." When Wang Xingyu sat down, he saw Li Zhenting who was sitting in front of him, and immediately greeted him politely.

"Well, good." Li Zhenting responded lightly, looking down at the phone, coldly.

Li Minhua glanced at him, and with a smile all over his face, he said kindly to Wang Xingyu:

"Xing Yu, we are all our own people here, don't be restrained, just be at your own home."

"Okay, thank you grandma." Wang Xingyu agreed and thanked her hurriedly.

Li Minhua looked at him with loving eyes, and smiled: "My family, Shen Ning, is very good. She has learned a lot at a young age and has a good personality. I really like her."

"Indeed, grandma, Shen Ning is really outstanding and amazing, and I admire her very much." Wang Xingyu looked at Shen Ning with a smile on his face, his eyes were full of dark praise.

"How can there be." Shen Ning was a little embarrassed, lowered his head, but inadvertently met Li Zhenting's gloomy eyes, and felt a deep chill.

Shen Ning thought of what happened during the day, his eyes turned cold, and a tit-for-tat chill rose from the corners of his lips.

"Xingyu, come here, this is steamed sweet-scented osmanthus fish, the meat is very tender, try it." She suddenly picked up a piece of fish with her serving chopsticks, put it into Wang Xingyu's bowl sitting beside her with a sweet smile, and said softly and considerately .

"Thank you." Wang Xingyu was flattered, picked up the fish and put it in his mouth and praised, "It's delicious, it's really good."

Shen Ning pursed his lips and smiled, and looked at him coldly, the face of this dog man was already longer than that of a horse.

"Eat more if it tastes good. Do you like fish? Then next time, I'll make grilled fish for you." She gave him another piece of fish, being considerate.

"So you know how to cook. That's great. How about tomorrow night? I'll pick you up at my house tomorrow. During the day, I'll send people to the reservoir to buy fish. How about cooking grilled fish hot pot at night?" Wang Xingyu was very excited.

"Yes, but I have to pick up Ke Ke and Ding Ding from school tomorrow afternoon, so it might be a bit late." Shen Ning was a little embarrassed.

"Mum, don't be afraid, we have Daddy to pick you up, just go and play with Uncle Xingyu, and leave us alone." Ke Ke immediately spoke sensibly beside him.

Li Zhenting glared at him: "Ke Ke, don't you usually ask Mommy to pick you up?"

"Not now. For Mommy's happiness, we have to be sensible, and it's enough to have Daddy pick it up." Coco replied innocently.

"That's right, as long as Mommy is happy, it doesn't matter if we suffer a little bit." Ding Ding also echoed coolly.

"By the way, Daddy, Xiaoxiao will come to live tomorrow. You must remember to go to Chunhui Garden to pick her up to Blue Whale Kindergarten in the morning." Ke Ke reminded again at this time.

Li Zhenting got angry when he heard it.

He went to pick up Shen Ning's daughter she had with another man, but she went on a date with Wang Xingyu, why?

There was a biting chill on the corner of his lips.

Shen Ning immediately felt cold all over, looking at the face of this dog man, she was really worried about letting him pick up Xiaoxiao.

Xiaoxiao is still young, so she can't stand Daddy's indifference and hurt.

But she didn't say anything on the surface, she just graciously served Wang Xingyu with food, and the two talked intimately from time to time, looking very amiable.

Li Zhenting was almost left out in the audience, depressed, and went upstairs to the study after taking a few casual bites of food.

Chapter 396 I regret it now

The night was dark.

Shen Ning yawned big, covered his mouth and walked towards the bedroom.

The past two days have been exhausted by Li Zhijun's birthday dinner, so it's time to get a good night's sleep.

Next, the company's new products will be fully launched, and there is still a lot of work to be done. She must maintain good physical strength.

But when he raised his eyes, his mouth couldn't close.

I saw a handsome man lazily walking over in the front corridor.

He was wearing a white shirt with sleeves rolled up to his forearms. He was tall and tall, with a cold demeanor.

Li Zhenting!

Why did this dog man come to the first floor?

It turned out that she couldn't live up to Li Minhua and had to temporarily live in Li's old house. In fact, Keke and Ding Ding also needed her. She couldn't take Keke away, and she was also reluctant to leave her sons. He also agreed to let Xiao Xiao come over.

In order to prevent theft, prevent scum, and make it more quiet, she chose to live in a bedroom downstairs.

Li Zhenting has always slept in the upstairs bedroom.

In this way, one of them is in the east and the other is in the west, and they can't hit a piece of eight poles.

So, she was quite relieved.

only

After three nights of peace of mind, the dog man appeared on the first floor.

Shen Ning was annoyed, but helpless, after all, this is the territory of the Li family.

She pretended not to see him, and walked straight past with her head down.

But I don't want to.

The man suddenly stretched out a leg and almost knocked her down.

She jumped up in fright and stared at him: "What do you mean?"

The corners of Li Zhenting's lips pursed into a sinister smile, and his voice was lazy: "Hey, you sent the little boy away so soon?"

Boyface? It means Wang Xingyu!

She indeed just sent Wang Xingyu back!

Shen Ning didn't bother to argue with him, at this moment he just wanted to sleep well and replenish his energy.

She didn't hum, she was ready to walk over with a blank expression.

"I'm the mother of three children, and I'm still delusional about old cows eating tender grass, tsk tsk, you have a thick skin." Li Zhenting then sneered again.

Shen Ning was inexplicably annoyed.

Wang Xingyu is twenty-six years old, and she is only twenty-four years old, isn't it just right? How come it becomes an old cow eating young grass?

But she still continued to walk forward, as if she didn't hear it.

"Shen Ning, I regret it now, I don't want Xiaoxiao to go to Blue Whale Kindergarten." Suddenly, a man's lazy voice came from behind.

Shen Ning's body trembled, and he stopped immediately.

Going to Blue Whale Kindergarten is a small dream, and now I have told the little guy, she is very happy, just waiting for tomorrow to go to school, but at this time, this dog man regretted it, this is not playing  
What about her and Xiaoxiao!

"Why?" She turned around immediately, her face changing color.

Li Zhenting glanced at her indifferently, hum, this woman finally paid attention to him.

"I can't find any reason to help Xiaoxiao, and she is not my daughter, why should I help her?" Li Zhenting leaned against the doorknob, looking foolish.

Shen Ning went mad with anger: "But you promised, but now you go back on your word. Is this still something a man does?"

"It's because men should do men's things that I don't want to help the children of other wild men?" Li Zhenting's answer seemed very reasonable.

Shen Ning clenched his hands: "Then what do you want?"

"I didn't think about it, I just felt a little uncomfortable." Li Zhenting shrugged.

Shen Ning suddenly sneered, crossing his arms around his chest: "Hey, Mr. Li, you've been acting weird tonight. Is it because grandma introduced me to a boyfriend? Or are you jealous? Are you interested in me?"

Li Zhenting's face changed slightly when he heard it, and he immediately sneered coldly: "Eating your jealousy? Do you deserve it too? I didn't like you six years ago, let alone you have given birth to other men now." Now, am I still interested in you? It's a joke."

Shen Ning was not angry after hearing this.

Chapter 397 She laughed heartily

"In that case, you deliberately want Xiaoxiao not to go to Blue Whale Kindergarten, it's malicious." She smiled lightly, "Okay, Keke and Ding Ding proposed that Xiaoxiao go to Blue Whale Kindergarten. Now that you are maliciously repenting, I will talk to Keke and Ding Ding tomorrow and see what they say."

After she finished speaking, she raised her finger to Li Zhenting: "Good night, Mr. Li." With her head raised slightly, she walked past him proudly.

"Hey, you..." Li Zhenting felt guilty and nervous.

If Keke knew that he had agreed to him, he deliberately betrayed him and refused to let his younger sister Xiaoxiao go to kindergarten, then he would hate him to death, and he designated that he would sue the grandma.

This is not good...

Looking at Shen Ning's confident back, Li Zhenting lost his confidence for the first time, he couldn't use Ke Ke and Xiao Xiao to blackmail this dead woman!

And she became more and more triumphant.

After a pause, he went upstairs to rest sullenly.

"Haha." As soon as Shen Ning closed the door, he held his belly in both hands and laughed loudly.

This is the first time

She laughed heartily, very comfortably.

Li Zhenting will never dare to go back on his word.

Coco is really her savior! No wonder you are having a son!

Thinking of the expression on the man lifting a rock and hitting her foot, she smiled fiercely again.

the next day.

Shen Ning got up early to go to Chunhui Garden to pick Xiaoxiao up for kindergarten. As soon as he walked to the living room, he saw a man hurriedly walking outside.

Isn't this Li Zhenting!

Where is he going? So early!

She followed secretly, and saw him walking towards her luxury car, and soon started the car and left.

She pursed her lips and thought about it. Last night, Ke Ke told Li Zhenting to pick up Xiao Xiao from Lantian Kindergarten early in the morning. Could it be that he went to Chunhui Garden to pick Xiao Xiao up!

Just as she was about to take a sightseeing bus down the mountain after washing up, the phone in her hand rang suddenly.

She saw that it was Aunt Dong calling.

"Miss, I just received a call from President Li. He asked us to get ready, and he will come to pick up Xiaoxiao and go to Blue Whale Kindergarten." Aunt Dong reported in this way.

Indeed!

A faint smile appeared on the corner of Shen Ning's lips.

"Miss, is that so?" Aunt Dong asked over there.

"That's right, let him answer it." After Shen Ning answered, he hung up the phone.

Xiao Xiaoben is his daughter, why can't he be allowed to pick up her daughter to go to school? This is what he owes her!

eight thirty.

A commercial nanny car stopped in front of the Gucci Building.

Shen Ning opened the door and got out of the car.

Li Zhenting really sent a full-time driver to take her off.

At first she was unwilling, but the day Xiaoxiao was kidnapped by the bad guys, he did say so, and she agreed.

Let's do this for the time being. At present, she has to concentrate on promoting Gucci perfume.

"Mr. Shen, you are so beautiful today." As soon as Shen Ning entered the company, the front desk lady immediately complimented her with a smile on her face.

"That's right, Mr. Shen has a good temperament and looks beautiful. He is becoming more and more elegant and generous." Another clerk immediately came up to flatter him.

Have it?

Shen Ning glanced at his whole body, that is, a very casual set of denim T-shirts, no different from usual, how could it be considered elegant?

However, she just smiled and said 'thank you' and walked towards the president's office.

The workplace is like this. In the past, she obviously relied on her talent to get into Gu Qi, but no one took her seriously, and she respected Shen Mei. Now, she has withdrawn her equity and is in control. Here, she Absolutely possessing supreme power, they began to respect her and photographed her to the sky.

The tragedy of human nature is probably like this.

What they see are always the shortcomings of ordinary people, and they will only try their best to find advantages in the superiors.

Of course, she doesn't care.

Now she is more and more confident.

Perhaps confident women are the most beautiful.

When she entered the office, someone brought her breakfast.

However, she had already had breakfast, so she called the secretary in to criticize her, and ordered her not to let anyone serve her breakfast again, and then she started to work.

At nine o'clock, Jing Chenxi came over.

Chapter 398 Who did it?

"Mr. Jing, is the wound on your back healed?" Seeing that Jing Chenxi's face was still pale, Shen Ning couldn't help feeling a little guilty.

The day before yesterday, she stuck the scissors in his back, even she herself didn't know where the courage came from to do it!

"Ning Ning, it doesn't hurt, it's fine, let alone this minor injury, even if you took my life, I have no complaints." Jing Chenxi's tone was deep and sincere.

Shen Ning was taken aback, raised his head, and his eyes directly met the man's deep and invisible Mo Tong, the Mo Tong was deep and boundless, but affectionate, every word was obviously full of love, but he was also obedient and persistent. Distressing.

"Mr. Jing." Shen Ning's heart suddenly became extremely complicated, and she understood Jing Chenxi's love for her very well.

"Ning Ning, are you still in love with Li Zhenting, right?" Jing Chenxi looked at her and asked suddenly.

"I..." Shen Ning didn't dare to face his piercing eyes, lowered them, and didn't speak.

"Why? When you are still struggling despite being injured all over your body, when will you be tall? Are those injuries fake? Have you never felt pain?" There was a trace of sadness in Jing Chenxi's eyes.

"No, Mr. Jing, you misunderstood. I said that I will never have love for the rest of my life. I just want to raise three children." Shen Ning's eyes gradually became cold, and his tone was also very firm.

"Is that really the case?" Jing Chenxi muttered to himself.

He looked at Shen Ning's beautiful and delicate facial features, feeling a little dazed.

"Ning Ning, life is too short. The flowers bloom and the branches are broken. Don't wait for the flowers to be empty. Promise me and give me a chance, okay?" He suddenly begged, his eyes full of pain.

The night before yesterday, they both drank the medicine and couldn't help themselves. If she gave it to him, he would protect her for the rest of his life, but in that situation, she would rather hurt herself than accept him. Rejection hurt his heart the most.

"Mr. Jing, you should pay more attention to Miss Jiang Xinyun, not me, she will be your wife." Shen Ning shook his head, very calm.

Jing Chenxi was about to speak when the doorbell rang.

"Please come in." Shen Ning heaved a sigh of relief, and thanked the person who rang the doorbell very much, pulling her out of embarrassment.

The door opened.

I saw Marley walking in hurriedly with a serious expression on his face.

"Uncle Marley, do you have something to do?" Shen Ning looked at him with a smile.

Marley glanced at Jing Chenxi, hesitated to speak, his eyes were full of worry.

Shen Ning immediately realized that something was wrong, and hurriedly asked: "Uncle Marley, please tell me what's going on, we are all our own people here."

Marley cleared his voice, stopped hesitating, and asked, "Ningning, didn't you watch the news on your phone today?"

Mobile news?

Shen Ning was taken aback for a moment, and quickly picked up the mobile phone on the table, swiped open the screen and looked at it a few times before his face changed color.

At this time, Jing Chenxi also turned on the screen of the phone, and his face was instantly livid.

"Who did it?" Jing Chenxi snapped and punched the desk!

Shen Ning looked at the phone and looked like an eggplant beaten by frost, speechless.

It turns out that on the phone, the most conspicuous headlines are all intimate photos of Jing Chenxi hugging Shen Ning in Li's compound the night before yesterday. From the photos, it is easy to see that Jing Chenxi's face is flushed and full of love. Feeling an irresistible love bath, and Shen Ning also looked uncomfortable, full of longing.

"Damn it!" Jing Chenxi, who has always been gentle, couldn't help but swear again.

Ma Li sighed: "Ning Ning, Mr. Jing, the new product launch conference will be held tomorrow, and all new varieties will be released soon. At this juncture, the photos of the two company's partner shareholders are so unrefined. It will directly affect the company's products, which is not a good thing."

Chapter 399 Another troublemaker wants to harm Her Majesty the Queen

Jing Chenxi's eyes shone brightly. As a veteran in shopping malls, he certainly understood the importance of the matter.

"Fortunately, this news has just come out. We need urgent public relations to suppress this matter and remove those photos. There are not many people watching them now. If the number of hits explodes, someone reposts it and rushes to the trending searches, it will inevitably attract the attention of relevant departments, and all our products will be ordered to be taken off the shelves, or even discontinued.

"Ning Ning, don't worry, I'll deal with it right away." Jing Chen stood up eagerly, and after a word of comfort, turned around and strode outside.

Shen Ning was dumbfounded, and was at a loss for a moment.

This is not a problem with the quality of the perfume. If it is, then she can act immediately to solve the problem, but this kind of scandal is still related to her, which really makes her ashamed.

Blue Whale Kindergarten.

Ding Ding was sitting in the classroom dozing off, when suddenly, the alarm on his body sounded.

That was specially set up by him on the Internet for his mother, Shen Ning, just to protect her from being slandered by Internet violence.

"No, Mommy is in danger, and there are troublemakers trying to harm Her Majesty the Queen." Ding Ding immediately woke up, sat up straight, and said to Ke Ke beside him.

"What a stinky villain." Ke Ke cursed hatefully, and urged, "Quickly, turn on the laptop terminal server, and we will immediately go to encircle and kill those villains."

Ding Ding immediately opened the terminal server.

"Not good, a few big Vs have already started reposting those indecent photos of Mommy, hurry up, attack these official accounts first, so that they won't be able to earn black-hearted money in the future." Ke Ke immediately issued an order.

The two little guys started to 'punch and kick' down.

Not long after, there was a \*\*\*\* storm on the Internet.

Any website that reposts Shen Ning's indecent photos, no matter how big or small, will either be hacked and paralyzed, or plunged into darkness and crash directly, and what's even more frightening is that those fan accounts that have been painstakingly marketed are all in shambles in an instant, disappeared

without a trace, the market was in a mess, crying and shouting, even the Internet police were helpless, and they couldn't find the location of the attack.

...

Jiang Jiaming Mansion.

"Crying, is it useful just to know that crying? Your man has been snatched away, and you don't say a word. If someone else told me, I would still be kept in the dark. What's the use of you?" Jiang Xinyun Sitting on the sofa in the living room wiping tears, feeling ashamed, Zhu Lingmei was so angry that she complained loudly.

Jiang Xinyun has nothing to do but cry.

She knows better than anyone else that Jing Chenxi doesn't love her at all, and the person he loves is Shen Ning.

She already knew.

Their relationship is all maintained by her affection. It will be a matter of time before this day comes.

It's not that she doesn't want to make a fuss, but that she doesn't even have the confidence to make a fuss.

"Jing Chenxi is too hateful, dare to bully my daughter, I want him to know how powerful our Jiang family is." Zhu Lingmei cursed angrily.

Suddenly, the doorbell rang.

She walked to the video intercom and took a look.

Oh, it turned out to be Jing Chenxi.

He dared to come!

She would like to know, what face does he have to face her and her daughter!

She opened the door at once.

Jing Chenxi walked in.

"Brother Chen." Jiang Xinyun greeted him overjoyed, and looked at him timidly and aggrieved.

If he came to apologize to her and ask her to forgive, she who still loves him deeply will forgive him.

Jing Chen hoped for her for a long time, then suddenly sighed, and reached out to touch her head.

Chapter 400 will be your responsibility

"Chenxi, what happened to you and Shen Ning that night? Can you explain?" Zhu Lingmei was not Jiang Xinyun, and immediately asked loudly.

Jing Chenxi looked back at her: "Auntie, I'm sorry, I'm here to apologize to you."

"Apologize?" Zhu Lingmei only thought that he was repenting, and said in a loud and sharp voice, "Is an apology useful for this kind of thing? Don't you know how much it hurt Xiaoyun?"

Jing Chenxi paused for a moment, then replied: "Auntie, I did not agree to this marriage between Xiaoyun and I from the very beginning."

"What?" Zhu Lingmei was furious, "You can't talk nonsense, kid."

"I didn't talk nonsense. I told Xiaoyun from the beginning that we are not suitable." Jing Chenxi was calm and calm, "And all these years, I only see Xiaoyun as a younger sister. I have said it many times, she should find a partner and find her most suitable partner. If you don't believe me, you can ask Xiaoyun."

Zhu Lingmei flushed with anger, slapped her hands and shouted loudly: "You, a man, say such irresponsible words, our two families are engaged."

"Marriage? I just want to make it clear today." Jing Chenxi's eyes were cold: "At the beginning, my father did mention the marriage contract with Xiaoyun to me, but I objected at that time. As for why the so-called marriage contract later flowed to Outside, I think you know better than me. I'm here to tell you today that the marriage contract didn't exist without my client's consent from the very beginning, and it won't exist now or in the future. Xiaoyun is a good girl, I am not good enough for her, she should find a better man to match her, so this matter will stop here."

Zhu Hongmei was already dizzy with anger.

It is true that she was the one who fell in love with the financial power of the Jing family, and especially Jing Chenxi, who obtained the marriage contract between her daughter and Jing Chenxi in exchange for family interests. The parents of both parties involved in this matter They all agree, but now Jing Chenxi actually disagrees.

"Jing Chenxi, do you feel sorry for Xiaoyun? She is a girl who was humiliated by you retiring her marriage. What did she do wrong? Do you have a conscience? Since you never admit it, why didn't you say it earlier?" Zhu Lingmei He was so angry that he almost fainted.

Jing Chenxi looked at Jiang Xinyun with apologetic eyes.

At that time, he thought that Shen Ning was dead, he was negative and depressed, and he let his father's arrangement go his own way, neither agreeing nor objecting. This procrastination was indeed the greatest harm to Jiang Xinyun.

Jiang Xinyun's face was pale, tears streaming down her face.

"Xiaoyun, Auntie, I can compensate you for some losses. As long as it is owned by my Jing Group, you can open your mouth and I will compensate you later." He spoke seriously, but the topic changed suddenly, and he looked at Zhu Lingmei, His eyes were sharp: "I want to ask Auntie, did you ask someone to release those indecent photos that appeared on the news today?"

Zhu Lingmei sneered: "What? Are you afraid that people will see it if you make it?"

"Auntie, the night before yesterday, Shen Ning and I were both framed by someone. It was not our intention. Now that you are posting our indecent photos like this, it is a violation of our personal rights. I hope you can send them immediately. Take it back, otherwise, you will be responsible for all the

consequences caused." Jing Chenxi said in a stern voice, "If you take it back now, then I will let it go for Xiaoyun's sake."

Zhu Lingmei finally figured it out when she heard this. It turned out that he didn't come here to apologize sincerely, but only came for Shen Ning. This man's heart really wasn't with his daughter.

It seems that those photos have had an impact on them.

very good.

She Zhu Lingmei has never been the one who suffers, if they team up to bully her daughter, then she will not make it easy for you!
