She stretched out her hand and quickly pulled little Keke aside, rubbed his little head with her fingers, and pressed down the sun hat to cover half of his face.

It is considered safe.

Her heart is crashing like a huge wave at this moment, and the waves are turbulent.

Li Zhenting hugged the little girl intimately, and his gentle smile on his face was too glaring, it hurt her eyes, the swollen and pale face of her mother before she died, and the scene of helplessness and grief emerged all over her head, she gritted her teeth with hatred, He clenched his fists unconsciously.

"Zhenting." At this time, a gentle female voice came from behind.

Shen Ning turned his head slightly, only to see Shen Mei wearing a \*\*\*\* sleeveless shirt and dark green dress, walking in front of Li Zhenting with a scent of fragrance, looking at him affectionately.

"Mommy." The little girl hurriedly called out to her sweetly.

"Yeah." Shen Mei smiled and scratched her little head.

It turns out that Li Zhenting came to pick up his wife and daughter!

What a loving family of three!

Dog men and women! day!

Shen Ning's eye circles gradually resembled a red-hot iron, scarlet.

On that night six years ago, when she was pushed by a force and fell into the sea, she saw a devil-like face and a pair of vicious eyes in her panic-stricken pupils. Even if she died three times, she would not die. Will forget this face.

Shen Mei!

This vicious and shameless woman! Her heart is broken, but she is still living such a bright and beautiful life. Why didn't God let the rolling thunder strike her to death!

"Your Majesty, what's wrong with you?"

Just when Shen Ning was so angry that he almost lost his mind and wanted to rush up and hack this \*\*\*\* to death, Ke Ke held her hand beside her, her immature face was full of worry.

Shen Ning was sober in an instant! It's cold in the back!

How could she be so impulsive, now she is no longer alone, and there is also a pair of cute little Naibao!

In the past six years, she thought of revenge countless times when she was angry and painful, but every time she saw this pair of cute little milk buns, the hatred in her heart would be healed little by little.

After all, she has been reborn, revived, and her heart has long since died. She will never have any love for this heartless scumbag again.

Forget about the past, work hard to make money, and raise the children is the most important thing.

She turned around quickly, and walked forward quickly, holding the two little ones in each hand.

"Lan Lan, let's go, let's go home." Here, Li Zhenting hugged Xiao Lanlan and turned around and walked towards the exit of the high-speed rail station.

Just turned around.

A beautiful figure flashed past.

Li Zhenting's body shook.

The woman's back is very familiar, like her!

"Zhenting, what's wrong with you?" Shen Mei took Li Zhenting's arm and asked in puzzlement.

Li Zhenting was stunned, and when he looked forward again, there was no woman.

"fine."

He replied lightly, pulled his arm out of Shen Mei's arms, and walked towards his Rolls-Royce luxury car with Lan Lan in his arms.
