

Troublemakers 421

Chapter 421 I want to tell you a secret

"So Daddy has another woman? Hey, Daddy is hopeless." Ke Ke let out a long sigh, and fell down on the back seat with her small body.

Ding Ding and Xiao Xiao were also discouraged and stopped talking.

"Miss Shen, someone brought you flowers." As soon as Shen Ning entered Li's old house, the butler greeted him with a bouquet of flowers and a smile.

"For me?" She was taken aback.

"Yes."

"Who sent it?"

"That's not very clear, a flower girl sent it, you can read it yourself."

Shen Ning took it immediately and found the message card above:

"Ning Ning, every flower represents your beauty and my hot heart, I hope you like it. Signed: Wang Xingyu."

It turned out to be him!

"Thank you." She thanked, put the flower under her nose and smelled it, and was about to walk towards her bedroom when the phone rang and she picked it up.

"Ning Ning, do you like it?" It was Wang Xingyu's voice.

"Thank you, it's very fresh and pretty."

"As long as you like it, so, Ningning, do you have time tonight? Let's have a cup of coffee together?"

"I..." Shen Ning was holding a rose, and was thinking of how to refuse when suddenly footsteps came from behind.

She turned around.

Li Zhenting walked in from the back garden.

She immediately lowered her head and ran to her bedroom.

"Shen Ning, stop." Li Zhenting saw the rose in her hand at a glance, his face darkened, and he stopped her.

Shen Ning had no choice but to stop, turned around, looked at Li Zhenting's dark face, suddenly smiled sweetly, and softly replied to the phone: "Tonight, I have time."

"Great." Wang Xingyu was very pleasantly surprised over there, but she didn't expect Shen Ning to agree so readily, "I'll pick you up at seven o'clock."

"Well, okay, it's ok." Shen Ning hung up the phone with a smile.

"Who are you calling?" Li Zhenting frowned.

"Is this related to you?" Shen Ning asked unceremoniously after putting away the phone.

The corners of Li Zhenting's lips twitched, as if it really had nothing to do with him.

"It has nothing to do with me, but seeing you look like this, you are probably going on a date with a man." He looked coldly at the delicate rose in her hand, "This flower is sick, like dying, I don't know How long has it been?"

Shen Ning looked at the rose in his hand, it's very nice, it's obviously delicate and bright.

"It's okay, as long as I like it." She replied indifferently, turned around and left.

Li Zhenting was choked, his eyes darkened.

"Mummy." Not long after Shen Ning returned to the bedroom, Ke Ke, Xiao Xiao, and Ding Ding ran in together, and Xiao Xiao whispered in her ear, "I want to tell you a secret."

"What secret?" Shen Ning kissed her little cheek and asked with great interest.

"Daddy ordered a golden flower and an Apple mobile phone to give to other women." Although it was a secret, the small voice was quite loud.

Shen Ning's heart sank slightly, but the smile on his face was still there: "Isn't that good, your dad is unmarried now, and he has the right to pursue his own happiness."

Coco was dumbfounded.

"No, I don't like it. I don't like Daddy marrying another woman, and I don't like stepmother."

"Yes, I don't like it either." Ding Ding followed closely to object.

Shen Ning's eye sockets were red.

Which child in this world likes to live with stepmother and stepfather, but the reality is so cruel.

She has to do ideological work with the children, otherwise, it will be difficult to accept it when she finds out.

e, Ding Ding, Xiao Xiao, you have to remember that there is no daddy or mommy who would be willing to leave their children behind, but sometimes, daddy and mommy have some helplessness of their own, but please don't worry, don't worry about it. What will happen in the future, Mommy and Daddy will do their best to let you get love and live the best life, understand?" She took the three little hands and hugged them tightly into her arms.

"Okay." The three little ones also patted Mommy on the back, "We will always support Mommy's decision."

"Okay, this is a good boy, you go out to play first, Mommy has something to go out." After kissing their foreheads one by one, Shen Ning was ready to wash and change clothes.

The three little ones lined up and walked outside.

"Hey, there is a high probability that Mommy is also dating a man, and the rose was given by the man." Ding Ding was depressed.

"Why is it that only Daddy can find a woman, but Mommy can't find a man." Xiao Xiao expressed her dissatisfaction.

In her eyes, Mummy was able to be in such misery today because she was bullied by the bad daddy, and the bad daddy was also very unfriendly to her.

Coco didn't answer.

"Brother, don't you also support Mommy's finding a boyfriend? A few days ago, you said with a smile that Mommy has a boyfriend." Xiaoxiao asked Keke.

Coco still kept her head down and did not speak.

after a little while.

The three little guys came out and saw Daddy sitting on the sofa in the living room.

Daddy's mood today seems a little abnormal, and he didn't react much when he saw them, as if he was sitting on the sofa and wandering into space.

The three little ones don't want to talk to this daddy anymore. In their eyes, daddy is too disappointing.

Here, Shen Ning dressed up a little and came out with her bag.

"Which man are you dating?" She didn't expect to see Li Zhenting sitting on the sofa as soon as she went out, and when she saw her coming out, she even shouted at her.

"That's my business, do I need to report it to you?" Shen Ning didn't intend to talk to him.

Li Zhenting stood up slowly, put his hands in his trouser pockets, walked over, stood in front of her, bent slightly, looked at her face, and breathed hot air: "Normally speaking, it's not necessary, but you are my two friends." Mommy of a child, I have to think about my Cocoa and Tintin."

"What do you mean?" Shen Ning was very puzzled.

"You really don't understand?"

"not understand."

Li Zhenting sneered and said, "Okay, then I'll be straight."

He took another two steps in front of her.

"Can you speak quickly?" Intuitively, Shen Ning felt that he had malicious intentions, and his voice became impatient and vigilant.

"You should know, my child, I don't want other men to touch them, but if you kiss my children after kissing with other men, it is indirectly touching my children, which I can't do." Accepted." He finally began to speak, as he had done the previous few times.

This bastard, again!

Shen Ning's face became hot and annoyed: "Li Zhenting, can you look like a man? We have been divorced for six years, why do you still make such demands on me? I brought up the child. If you are capable, you just don't want him, aren't you afraid that I'll be kissed by another man when I brought him up? If you ask me so, let me ask you, have you ever thought about it when you were flirting with Shen Mei or other women these years? Children? Is it okay for you to kiss them and then hold my son or kiss them?"

Li Zhenting didn't change his face, and his heart didn't beat: "I didn't know before, there was no way, but now I won't allow it, and I haven't done anything."

"Haven't you done it?" Shen Ning sneered, "I saw you and Shen Mei hugging each other with my own eyes, flirting and scolding, and you still said you didn't do it? I haven't seen you for a few years. How thick are your skins?"

Chapter 423 She is still at a disadvantage

"Occasional hugs don't count." Li Zhenting denied.

"It doesn't count? How did Lan Lan get out?" Shen Ning sneered, and immediately thought of that night six years ago, and couldn't help but want to vomit, "I don't know how many times I have slept with Shen Mei or other women in these years. I still have doubts about whether you have AZ, but you actually come to question me. I advise you to be less shameless and make yourself miserable."

She was about to walk out after speaking.

But when he turned around, his arm was grabbed by a strong and powerful hand.

Before she could react, the man pushed her whole body against the wine cabinet.

"Asshole." She opened her mouth and cursed.

But as soon as the red lips opened, the man lowered his head and covered her red lips, kissed her hard and bit her, forcefully opened her teeth, and began to deprive her of her breath domineeringly and forcefully.

The difference from the previous few times is that this time, he didn't seem to be so rough. There was a touch of tenderness and sweetness in the crazy kiss. Little by little, it was airtight until it made her lose her ability to think and let him deepen the long kiss. .

I don't know when, until this **** man had enough kisses, he licked her plump lips, which were kissed so tenderly by him, and said aftertaste: "Well, that's the taste, you have to accept my kiss when you come back. If it still smells like this, it means you haven't kissed other men. You can kiss Cocoa and Ding Ding directly. If the smell is not right, you have to accept my cleaning twice in a row before kissing the children. Otherwise, I will not let you and my sons kiss."

"You bastard, you have no right to treat me like this." Shen Ning was so angry that she raised her fist and hit him hard.

Li Zhenting clamped her fist and smiled sinisterly: "If you don't want to be cleaned by me, then you have to promise me that you will never kiss Keke and Tintin again. If you can promise, then I can never treat you again." You clean, you can also kiss any man, but if you don't agree, I will take care of it to the end, and I have to be responsible for Ke Ke and Ding Ding."

Shen Ning was so angry that he was about to vomit blood.

At this moment, the mobile phone on his body rang.

When she saw it, it was Wang Xingyu calling.

It was already seven fifteen at this time, and she had been pestered by this **** for half an hour.

"Ning Ning, I'm already in Li's old house." She picked up the phone, and Wang Xingyu spoke softly over there.

"Okay, I'll be right there." Shen Ning responded, pushed Li Zhenting away, and was too lazy to entangle with him, picked up his bag and walked outside.

Unexpectedly, Li Zhenting actually followed.

"Don't you also want to give women flowers and mobile phones, then why are you following me?" Shen Ning asked angrily.

Li Zhenting walked lightly and gracefully, shrugging his shoulders: "It's really strange, can you only take the road of our Li family?"

Shen Ning was stunned for a while.

"Hurry up, don't delay my time." At this moment, Li Zhenting urged her from behind, as if she was hindering him.

Shen Ning came to his senses and quickened his pace.

"Ning Ning." Not long after, Wang Xingyu saw her and waved to her outside the villa with a smile on his face.

"Xing Yu." She also greeted him.

But at this time

A force came from behind, and she was pushed forward several steps.

Anger welled up in her heart, she turned around suddenly, but saw Li Zhenting lowered his head, without even looking at them, turned from her side to the parking lot on the left.

It was only then that she noticed that the position she was standing in had indeed hindered his progress, and she couldn't help feeling annoyed.

Obviously he has been bullying her, but she can't find a good reason to fight back against him.

She was still at a disadvantage.

After a while, she got into Wang Xingyu's car, but she was in a daze.

What was she doing in his car, she obviously didn't want to agree to him, yes, remember, when Li Zhenting was chasing up to ask her, she seemed to agree in a fit of anger.

She was annoyed.

But they have already come up, so they have to bite the bullet and finish the meal with Wang Xingyu.

Chapter 424 is really unlucky

Ruxing Hotel.

"Ningning, come, have an ounce of pigeon soup." Wang Xingyu brought an ounce of steaming pigeon soup to Shen Ning.

"Thanks."

Shen Ning picked up the spoon and scooped it up, and when she was about to put it in her mouth, suddenly, her eyes widened, and she saw a slender young man walking towards the gate, holding a young and beautiful girl by the arm. It was Li Zhenting.

Looking at that girl again, she is wearing a ponytail and a simple T-shirt denim. She is full of youthful vigor, simple and low-key, and she is definitely not at the same level as Shen Mei.

The two were chatting and laughing, and they were intimate. The girl said something softly and shyly from time to time, with a pure and playful smile all over her face.

The man's face was full of dawning, and he would gently rub her hair from time to time.

God, what a coincidence!

Shen Ning never dreamed that he would meet Li Zhenting, who was picking up girls, by chance while having a meal here.

Suddenly, she felt her entire back go stiff, and the pigeon soup she drank almost spewed out.

When the hotel manager saw Li Zhenting coming, he immediately came out to greet him, nodding and bowing.

Li Zhenting stood holding the beautiful girl's hand, raised his eyes and glanced briefly, then pointed to the place by the window and said something, immediately a waiter came to lift it up, and after a while, two tables were placed by the window Put together into a table, it has become a table with the best view.

Unfortunately, that table was not far from Shen Ning and Wang Xingyu.

Shen Ning was like a thorn on her back. When Li Zhenting's cold eyes swept over just now, she didn't know if the dog man had seen her, but at that moment, she felt as if she was swept by a gust of wind, and her whole body was swishing cold. The soup in my mouth has no taste at all.

It's really unlucky, it's rare to run into him when I go out for dinner!

She lowered her head and drank the soup fiercely, hoping to leave here as soon as possible.

"Jiaojiao, you have a bad stomach, you are not allowed to eat ice cream." Suddenly, Li Zhenting's serious voice came from over there.

"No, brother Ting, I want to eat." The girl immediately acted coquettishly.

"No." Li Zhenting kept his mouth straight.

"Brother Ting, please, I just returned to China, and I haven't eaten this kind of ice cream for many years, just let me have a bite, just a small bite." The girl suddenly hung his neck with her hands, Small face, coquettish and cute.

"Okay, it's agreed, just a small sip, no more." Li Zhenting was so entangled that he couldn't help it, so he had to let go, and pampered her soft hair.

"Thank you, brother Ting." The beautiful girl straightened up and kissed him on the cheek, leaving a big red lipstick mark.

"It's really naughty." Li Zhenting scolded her and picked up a tissue to wipe it.

The beautiful girl giggled playfully.

Shen Ning really felt that it was insulting, and couldn't stand it anymore.

Actually, Li Zhenting's flirting with girls has nothing to do with her, but this doggy man just wants to dawdle in front of her eyes, which directly affects her eating.

"Xingyu, eat slowly, I'll go to the bathroom first." After a while, she put down her chopsticks and smiled apologetically at Wang Xingyu.

"Then I'll go with you!" Wang Xingyu immediately put down his chopsticks and wanted to stand up in a gentlemanly manner.

"No need, I can go by myself, you can eat it while it's hot." Shen Ning refused and walked forward.

Actually, she didn't necessarily want to go to the toilet, she just wanted to find a place to breathe.

The business of this restaurant is very good, and the private room must be booked in advance. Obviously, she and Li Zhenting came here temporarily, so they can only get the private room.

She walked quickly, and when she passed by Li Zhenting's side, she wished she could shrink herself into a quail and quietly hide in the past.

Fortunately, Li Zhenting's **** was only busy taking care of his new girlfriend, and didn't notice her at all.

Chapter 425 Do you really not love me at all?

Shen Ning walked towards a quiet place on the left, where there was a small balcony. After being suffocated for so long, she wanted to take some fresh air and relax her nerves.

Outside, the night lights are flickering and the evening breeze is blowing.

"Brother Chen, do you really not love me at all?" Shen Ning had just walked to the balcony, when suddenly, an extremely sad voice came from a private room, that voice was somewhat familiar.

Shen Ning was stunned.

There was only silence in the room.

"Why? Am I not good enough? Brother Chen, I have always loved you and have been waiting for you." The woman inside cried miserably.

Shen Ning turned around, hid himself in the darkness, and looked at the light.

The window was not closed tightly, relying on the light, she saw the handsome man, Jing Chenxi, who was sitting on the sofa inside.

And in front of him.

A beautiful and demure woman in white clothes, her thin shoulders trembling, her face full of tears, looked at him pitifully.

The woman's back is slender, and her back seems to be shaking. The whole person looks very weak, as if she will fall down at any time.

Isn't she exactly Jiang Xinyun.

Shen Ning was so shocked that he couldn't close his mouth.

What the **** is going on tonight?

Meet Li Zhenting picking up girls in the lobby, and wanted to find a remote place to be quiet, but met Jing Chenxi and Jiang Xinyun again.

She didn't intend to listen to the corner, and was about to turn around and leave.

"Xiaoyun, I told you a long time ago that we are not suitable, you deserve a better man, don't waste time on me, go pursue your happiness, there will be no result between us." After Chen Xi was silent for a long time, she spoke softly, but her tone was devoid of emotion.

"Brother Chen." Jiang Xinyun cried again, "You are because of Shen Ning, but she has already given birth to two children for Li Zhenting, do you really not care at all?"

Jiang Xinyun knew that Jing Chenxi didn't like her, he loved Shen Ning, but Shen Ning was Li Zhenting's ex-wife, and now she gave birth to two children for him, she thought that no man would abandon her and choose Shen Ning, although he doesn't love her for the time being, but she is beautiful and good enough, he will fall in love with her sooner or later.

But it turns out she was wrong.

Jing Chenxi still chooses Shen Ning.

"Xiaoyun, true love is not affected by any external factors, it is the tacit understanding of the soul, you go try to find your own happiness, trust me." Jing Chenxi still replied patiently, "This is not the same as Shen Ning not related."

Shen Ning couldn't help feeling sad when he heard them mention his name.

Jiang Xinyun, such a proud woman, is only so humble and sincere in front of Jing Chenxi's love. If she hadn't seen it with her own eyes, she would never believe it.

But she understands her feelings, just like she did to Li Zhenting back then, in order to love him, she would rather give up everything, rush forward without hesitation, lower her attitude into the dust, even if nothing can be exchanged.

She almost rushed in and shouted to Jing Chenxi: "Love her, she is your beloved, if you abandon her, you will definitely regret it."

But before she could figure it out, suddenly, the door was kicked open with a bang from the outside.

"Jing Chenxi, you bastard, if you dare to hurt my daughter, I will hack you to death."

Outside the door, a menacing fat woman rushed in ferociously with a gleaming knife in her hand.

Shen Ning's face turned pale.

Isn't this woman the fat woman who poured slops on her last night!

It turns out that she is Jiang Xinyun's biological mother!

Her heart jumped to her throat.

It seems that he just vaguely understood why Jing Chenxi didn't choose Jiang Xinyun.

Chapter 426 She rushed in

"Auntie Zhu, put down the knife quickly, no one here will bully your daughter." Jing Chen Xiteng stood up, his face turned blue, and shouted loudly.

"Jing Chenxi, I only have one daughter. If you want to hurt her, I'll kill you and die with you." Zhu Lingmei brandished a bright sword and gritted her teeth, "It was my idea to pour that bitch's slop last night." , has nothing to do with my daughter, if there is anything, you can come to me."

She yelled so loudly that the whole box was shaking.

Jing Chenxi's always warm eyes are also bursting at this moment: "Auntie, your daughter asked me out, and I have never done anything to her, you are too much, I have already told you , I have no relationship with your daughter, this matter has nothing to do with anyone, you actually poured such a large bucket of slop on Shen Ning for no reason, comparing your heart to heart, what would you think if someone poured slop on your daughter?"

"Ah bah, do you dare to say that you and Shen Ning are innocent? You fool around every day, and the media has photographed it many times. That bitch's perfume is selling well now, isn't it all because of you behind her back?" , Don't treat people as fools, my daughter is so innocent and innocent, she would do that kind of thing? You are just blind and bewitched by others." Zhu Lingmei cursed.

Jing Chenxi's face turned livid: "Auntie Zhu, Shen Ning is a real person. I cooperated with her because I got Gu Qi's favor. This is the last time I will tolerate you. If you harass Shen Ning again in the future, I will never let you go."

"What's the matter? Do you still want to beat me? Come on, I'm here, you dare to come up and fight me." Zhu Lingmei puffed up her chest, roared loudly, and the knife in her hand was shining brightly, which was very scary.

"Just because you threatened me here with a knife, I can call the police now." Jing Chenxi originally wanted to find her to vent her anger for the bucket of slop that Shen Ning suffered last night, but she didn't expect that she would use a knife to commit murder instead. He couldn't bear to indulge her, so he took out his mobile phone and called the police directly.

Zhu Lingmei's anger went straight to the head, picked up the knife and rushed towards Jing Chenxi: "Okay, if you still call the police, I'll just hack you to death and then go to jail."

She brandished a big knife and slashed at Jing Chenxi.

"Mom, don't." Jiang Xinyun has been frightened since Zhu Lingmei rushed in with a big knife. Seeing that she really slashed at Jing Chenxi, her soul was almost gone. In a panic, she rushed over and hugged Zhu Lingmei, trying to stop her. she.

She hugged Zhu Lingmei's waist tightly, begging bitterly.

Zhu Lingmei brandished a big knife and scratched randomly.

"Stop, if you don't stop, you will hurt Xiaoyun." Jing Chenxi saw that the knife in her hand was sharp and chaotic, and Jiang Xinyun was holding her waist tightly in front of her. Her head was about to be chopped off, he was furious and yelled at her.

But at this time, Zhu Lingmei was so aggressive that even the nine bulls couldn't pull back, and the knife in her hand danced vigorously.

Jing Chenxi wanted to go forward and kick the knife in her hand, but was worried that Jiang Xinyun would be kicked, so he could only shout anxiously, "Xiaoyun, go away, it's dangerous."

But Jiang Xinyun just hugged Zhu Lingmei tightly, crying and begging: "Mom, please let Brother Chen go, it's none of his business."

Jiang Xinyun really loves Jing Chenxi, she just wants to protect the man she loves.

"You silly daughter, someone sold you, and you are still counting the money for him, how could I have given birth to an incompetent daughter like you." Zhu Lingmei cursed angrily, spit everywhere.

Shen Ning looked outside in shock.

Several times, she saw that Zhu Lingmei's knife was about to cut Jiang Xinyun's head, and it would be very dangerous to continue like this.

In a rage, she rushed in.

Chapter 427 In fact, he has long lost Shen Ning's heart

"Quickly stop, put down the knife, and speak up if you have something to say." Shen Ning stood at the door and shouted loudly.

When she yelled, everyone in the room was shocked and all looked at her.

Shen Ning immediately winked at Jing Chenxi.

It was too late to say, but it was soon.

Jing Chenxi quickly rushed over and grabbed Zhu Lingmei's arm, about to grab her knife.

But they all ignored Zhu Lingmei, a fat woman from a poor family. She is a master fighter, and she is very alert. Especially after seeing Shen Ning at this time, she is even more jealous when she meets her enemies, and all the hatred in her heart is wiped out. inspired.

After Jing Chenxi grabbed her arm, she let go of her hand, and the knife fell towards her daughter.

"Be careful." Shen Ning was so frightened that his heart trembled.

This knife is so sharp that even if it just falls on the body, it can make a big cut or go straight into the internal organs.

Jing Chenxi was also dumbfounded, and in desperation bent over and hugged Jiang Xinyun and dodged aside.

result

The knife fell to the floor with a crisp sound.

Zhu Lingmei smiled smugly, she knew that Jing Chenxi would not let her daughter have an accident, and she really did.

Now, the hatred for Shen Ning deepened.

If it wasn't for this **** doing something bad among them, she felt that Jing Chenxi would fall in love with her daughter.

therefore

She wants to kill Shen Ning!

As soon as this consciousness passed in her mind, she quickly bent down, picked up the knife and rushed towards Shen Ning.

Shen Ning was stunned for a while.

"Ning Ning, run quickly." Jing Chenxi was so anxious that he threw Jiang Xinyun aside and ran towards Shen Ning.

"Bitch, after hacking you to death, I will die with you." Zhu Lingmei's eyes flashed fiercely, and the knife in her hand slashed at Shen Ning's head.

"Damn it." Just as her knife was about to strike, Jing Chenxi yelled angrily and kicked Zhu Lingmei to the ground from behind.

Shen Ning's face had lost all color, and he was dumbfounded.

But at this moment, Zhu Lingmei, who fell to the ground, was still holding the knife tightly in her hand. Seeing that she was kicked to the ground, Jing Chenxi went to rescue Shen Ning, furious, and slashed with the knife with her backhand. Jing Chenxi was about to bend down to subdue her, but the knife had no time to dodge, and it slashed on his arm, and in an instant, blood burst out.

Shen Ning was so frightened that he covered his face with his hands and screamed.

"Go to hell." Jing Chenxi was furious, and stepped on Zhu Lingmei's neck, rubbing her to the ground hard.

Zhu Lingmei could no longer move.

Shen Ning ran up and snatched the knife from her hand.

At this time the police rushed over.

"Hurry up, send Boss Jing to the hospital." Shen Ning threw away the knife and held Jing Chenxi's arm. The blood flowed from her fingers, which was so hot that it burned her heart. She shouted loudly, her face covered with blood Scared of panic.

When Li Zhenting rushed over after hearing the news, he saw Shen Ning like this: the blood on his hands, Du Juan who was weeping blood in his eyes, fear, panic, and the expression on his face seemed to him to be distressed, nervous about losing the man he loved the most pain.

He squinted his eyes, his fingers clenched into fists unconsciously, but his heart was so hollow.

Until this moment, he had a real feeling: In fact, he had lost Shen Ning's heart a long time ago.

Shen Ning is definitely no longer the submissive woman who loved him like her life!

He turned slowly and strode away.

Department of Surgery, People's Hospital.

"Mr. Jing, why did you save me?" Shen Ning sat on the chair beside the hospital bed, very puzzled.

When Zhu Lingmei slashed at her with a knife, at that moment, she was completely thoughtless.

If Jing Chenxi hadn't come to save her, she would have gone to see God now!

Chapter 428 Can you call me by my name?

"Ningning, she angered you because of me. If I don't save you, who will save you? If something happens to you, I will feel guilty for the rest of my life." Jing Chenxi smiled slightly, "I am a man, You should have shouldered mountains of swords and seas of fire, not to mention, you suffered such unreasonable disasters because of me, if I don't show up, am I still a man?"

"Mr. Jing." Shen Ning's heart felt hot, and he choked up his voice.

"Ning Ning, I have always wanted to explain to you what happened between me and Ms. Jiang Xinyun, but you never wanted to listen. Jiang Xinyun and I met at a family dinner five years ago, when both

parents were there, We were introduced to each other. At that time, my career had just started to improve and I had gained a certain reputation in the industry. Zhu Lingmei took the initiative to mention it. At that time, you jumped into the sea for a year, and I turned my grief into strength. Concentrate on my career, I don't want to accept this marriage at all, but that night, grandpa forced me, I had a heart attack, I had no choice but to promise to try to date first, a year later, I will tell her family It's clear, I didn't expect that they didn't give up at all, and they still publicized it in the newspapers, it's all my fault that I didn't clarify it in time, which led to today's mistake." Jing Chenxi said a lot of words in one breath, because of the severe blood loss, his face was pale is pale.

"Mr. Jing, stop talking, I understand." Shen Ning hurriedly wiped the sweat on his forehead with a tissue, looked at the arm that was still covered with red wounds, and immediately stopped him from speaking to avoid exhausting his energy.

"Ning Ning, can you call me by my name? Don't always call 'Mr. Jing, Mr. Jing', it makes me feel that you are very strange." Jing Chenxi looked at her faintly, eagerly and expecting, The voice was very muffled.

Shen Ning only felt that the corners of her eyes were wet, and her heart was particularly sour. Not to mention him, even she herself hated herself for being ruthless.

There is a man in this world who can stand up for her, so what is she dissatisfied with?

"Chenxi." She whispered.

"Mmm." Jing Chenxi responded with a gentle smile on his pale face, he stretched out his left hand and grasped her little hand tightly, as if afraid that she would slip away.

"Chenxi, get a good sleep first, I'll make you some raw fish soup now." She whispered softly.

Jing Chenxi looked at her with wide eyes: "Ningning, are you leaving? I don't want to drink any raw fish soup, I just want you to stay with me for a while."

Shen Ning shook his head: "Don't worry, I will always be with you until you are discharged from the hospital."

"Really?" There was light in Jing Chenxi's eyes.

"Of course it's true. You saved me. Am I not even willing to take care of you? I'm not such a heartless person." Shen Ning replied seriously, "Just take a good rest and leave everything to me."

Jing Chenxi smiled slightly, and then closed his eyes reassuringly.

It may be because of too much blood loss, and he fell asleep not long after.

On the Rolls-Royce luxury car.

Li Zhenting was driving the car, restless.

The image of Shen Ning hugging Jing Chenxi's bleeding arm flashed in his mind from time to time, and his face became more and more gloomy.

"Brother Ting, what a disappointment. I finally had you to accompany me for dinner, but a crazy woman stabbed someone with a knife. This is my first meal back home. Let me tell you, this time is not counted.

Tomorrow, You have to ask again." Li Jiaojiao complained while sitting in the passenger seat with her mouth pouted.

But will anyone listen to her complaints?

Li Zhenting has been driving the car with a dead face all the time, turning the car around from time to time, several times, and almost hitting someone else's car.

Chapter 429 Do you admit that Jing Chenxi is your man?

"Brother Ting, what's wrong with you? That crazy woman didn't cut you with a knife, but I feel like you were cut by her, it's abnormal." Li Jiaojiao shouted unhappily.

As a senior young lady, tonight, she really didn't eat well, drink well!

In the past, when Li Zhenting invited her to dinner, she must eat well, drink well, and get a good night's sleep on the massage chair in the best and most luxurious hotel. A large amount of pocket money, but today, after being disturbed by that fat and crazy woman, she was not satisfied anywhere, and she was very uncomfortable, but Li Zhenting still had a straight face, as if she did not exist, she was very Not open Sen.

For a while, she regretted returning to China.

Shen Ning drove Jing Chenxi's car back to Li's old house first.

The doctor said that Jing Chenxi's injury would have to stay in the hospital for at least three or four days, and she had to take some changes of clothes to take care of him, and then, she had to make it clear to the three little babies that she wouldn't stay here these days, It is to go to the hospital to take care of the sick.

did not expect

As soon as she walked into the living room, she met Li Zhenting and the girl walking in from the back garden.

The girl held his elbow, almost hanging her whole body on him, smiling and acting coquettishly, proud of herself.

Have you brought them back to meet the elders so soon!

She lowered her head and hurried towards her bedroom.

Li Zhenting's eyes fell on her thin back like a bamboo, and there was a deep dark light in his eyes.

As soon as Shen Ning entered the bedroom, he began to pack his things.

She didn't have many things, so she packed them up in a few clicks.

"What? I'm packing up to elope with someone." Just as Shen Ning straightened up, a sour voice sounded suddenly. When she looked up, Li Zhenting was leaning against the door frame, with a tall and straight figure. With a look of laziness, he spoke sarcastically.

Shen Ning glanced behind him, but luckily, the girl didn't follow.

"Mr. Jing was hacked to save me. I have to go to the hospital to take care of him for a few days, and the children will be handed over to you." She said in a calm tone.

"Hiss!" The man suddenly let out a cold sneer, "Why was he hacked? Wasn't it because of you? I warned you a long time ago, but you never listened to my kind words."

Shen Ning didn't want to talk nonsense with him, picked up the bag, looked at the phone, and walked out.

"Shen Ning, isn't it more gossip for you to take care of a man with a woman?" Li Zhenting followed up and said coldly, "You leave the children to me, who will cook for them? Who will take care of them? You actually gave up all your children for a wild man, what a good mother."

Shen Ning glanced at the beautiful girl who was sitting on the sofa playing mobile games, with a sneer on her lips.

This doggy man's girlfriends changed one after another. She just went to take care of Jing Chenxi who was injured by her. In his mouth, he became a caregiver for a wild man again.

"Mr. Li, let me make it clear that Mr. Jing is not some wild man. He is the benefactor who saved me. We are comrades-in-arms, colleagues, partners, and even closer boyfriend and girlfriend relationships are fine. I am not afraid of any rumors." Barbarian." Her voice was loud and clear.

Li Zhenting's eyes froze.

"So, you admit that Jing Chenxi is your man?"

"whatever you think."

Shen Ning is not very opposed.

He is unmarried, neither is she, even if they are boyfriend and girlfriend, so what? !

Chapter 430 Is that uncle your boyfriend?

Li Zhenting froze for a moment, suddenly felt as if someone had slapped him in the face, and he felt like he was going crazy, a feeling he had never felt when he was growing up.

In the past, when Shen Ning mentioned Jing Chenxi, he always denied their relationship without hesitation.

Available today

She actually admitted it!

A wave of anger from embarrassment and unwillingness came to my heart.

"Shen Ning, you actually left the three children to me to take care of, but you took care of other men. Is there any mother like you?" He asked angrily.

Shen Ning sneered upon hearing this, there are nanny and servants in this family, how much he can take care of, isn't it just taking the children to and from school, food for the mind at the moment, besides, it's only three or four days.

"Then let the children decide for themselves." Shen Ning walked upstairs with a blank expression.

If the children were willing to go with her, she would be happy, and took this opportunity to take them away, so that she would not be forced to stay here too.

In the study upstairs, the heads of the three little guys got together.

"It's strange, why are the golden flowers and pink diamond iPhones that Daddy bought are still here? Didn't he give them to other women?" Xiao Xiao looked at the golden flowers curiously.

"Maybe Daddy's conscience has discovered that he won't look for women anymore." Ding Ding replied after thinking for a while.

"I think it's very likely that he couldn't send it out, and other women rejected him, hehe." Ke Ke narrowed his eyes in laughter.

It's best if this is the case, then Daddy won't go looking for other women.

"That's definitely not the case." Xiao Xiao shook his head in denial, "Just now, he was playing with a woman in the back garden, and that woman laughed happily."

At this moment, Shen Ning's voice sounded from the corridor outside:

"Coco, Tintin, Tiny."

"Mummy is back." The three little ones rushed out.

But they went out to have a look.

Both Shen Ning and Li Zhenting stood there.

Is there something wrong with this?

"Daddy, Mommy." The three little ones came running happily, smiling.

It feels so good to have Mommy and Daddy!

"Ke Ke, Ding Ding, Xiao Xiao, let me tell you something. Starting today, Mommy will go to the hospital to take care of an uncle who was injured by Mommy. It will take about three or four days. Do you agree?" Shen Ning squatted in front of them Come down and ask kindly.

Taking care of uncle?

Ke Ke and Ding Ding didn't want to hear it. Mommy belongs to them, so how can they take care of other uncles!

Coco was about to speak, when suddenly he saw Daddy winking at him.

Smart Coco immediately understood that Daddy didn't want Mommy to take care of other men.

Hmph, who told you to always bully Mommy and bring other women home, this time it happens to be the time to vent your anger on Mommy, so you have to feel sad too.

"Mum, is that uncle your boyfriend? If it's your boyfriend, then you go, I'm fine." Coco pecked her little head and smiled sweetly.

"Then I'm fine."

"Mummy, is it Uncle Jing? He is very good to Mommy. You can take care of him. I'm fine." Xiao Xiao repeatedly agreed.

"Okay, thank you babies for your understanding and support. Mommy is leaving now. In the next few days, you have to listen to Daddy, grandpa and grandma, and be good children." Shen Ning kissed each other one by one. After their foreheads, they stood up, looked at Li Zhenting, and shrugged, which meant that the children agreed, now, you have nothing to say.

Li Zhenting's black pupils seemed to be mixed with gravel, and his jaw line was as cold as a sharp mountain peak.

He turned and left without humming.

Shen Ning also went out generously.
