Chapter 431 I would rather get hurt for you every day

In the ward.

"Boss Jing, are you feeling better? Have some fish soup." When Shen Ning rushed back to the hospital, Jing Chenxi had already woken up, and was sitting on the bedside reading a work report, looking much better, "I'm all injured, Take a good rest for a day, your body is more important than work."

"Ningning, thank you, I can finally drink the soup you made yourself."

"Although it's not as good as those made in big restaurants outside, but at least it's clean, so you can eat with confidence." Shen Ning unscrewed the thermos cup, and took out the fish soup that was specially cooked back in Chunhui Garden, it was steaming hot.

Jing Chenxi looked at the delicious fish soup, and then felt that his stomach was really empty. Tonight, after Jiang Xinyun asked him out, he didn't eat anything.

He reached for the spoon with his left hand, but his upper body was stiff and his injured right arm could not move.

"Mr. Jing, just sit like this, and I'll feed you." Shen Ning looked at him struggling and was very considerate. He picked up the soup box with one hand and the spoon with the other.

"Thank you." Jing Chenxi looked at her tenderly, and smiled happily for the first time.

"Come, drink." Shen Ning took a spoonful of thick white soup to his lips, and said softly.

Jing Chenxi opened his mouth and drank it.

"Ningning, the soup is so sweet. I think my injury is worth it. If I can get your care, I would rather be injured for you every day." He tasted the fish soup, his eyes were so gentle that water dripped out. .

Shen Ning blushed, and said angrily:

"Stop talking nonsense, why do good people get hurt? If you want to drink, I'll boil it for you later."

While speaking, he took another spoonful of soup and fed it into his mouth.

"Really? You still cook soup for me?" Jing Chenxi's eyes were bright.

"Yes." Shen Ning nodded.

Perhaps, it's time for her to try to accept the love from others.

...

In the study, Li Zhenting looked at the phone with a dark face.

The picture of Shen Ning feeding fish soup to Jing Chenxi appeared on it.

It turned out that when Shen Ning came home at night, when she was not paying attention, he put a monitor on the bag she carried every day.

Therefore, Shen Ning's every move can appear on his mobile phone.

"Slut, slut." Watching the woman take the initiative to feed the man soup, Li Zhenting cursed through gritted teeth.

On weekdays, she pretends to be pure like a little flower in front of him, but in fact, she simply cannot do without a man!

Looking at the gentle woman on the screen of the phone, he wanted to turn it off but was unwilling, and finally saw Shen Ning feeding a large bowl of fish soup into Jing Chenxi's mouth.

Especially when Shen Ning gently wiped off the residual juice on his mouth with a tissue, he wished he could rush over and push Jing Chenxi to the ground and beat him up.

This night, Li Zhenting suffered from insomnia! Tossing and turning unable to fall asleep, Shen Ning's voice and smile filled his mind, and finally fell asleep, and dreamed that he was kissing her again.

After being awakened by a dream in the middle of the night, he sat up and smoked.

Only then did I experience the terrible feeling of being restless and worrying about gains and losses, which was sour and astringent.

In Blue Whale Kindergarten.

"Look, Mommy is feeding this man soup." Early in the morning, after Ke Ke, Ding Ding and Xiao Xiao entered the kindergarten, Ke Ke took out his mobile phone and immediately called Ding Ding and Xiao Xiao to come over and watch.

It turned out that Ke Ke took advantage of the moment when Mommy was talking to them last night, and put a monitor in Shen Ning's bag, wanting to see which uncle Mommy was going to take care of.

"Ah, Mommy is so gentle, she is so kind to Uncle Jing." Xiaoxiao tilted her head and smiled.

"I don't think so, I don't like this uncle." Ding Ding expressed his disapproval with a stern face, "You two can just gloat, when he becomes our stepdad, you will know what regret is."

"No, Uncle Jing is a very nice person, he will definitely treat us well, and this time, he even saved Mommy, who said that if it wasn't for him, she would be gone now." Xiao Xiao didn't care at all, "Anyway, Daddy is not good to Mommy, they won't be together, it's good to choose Uncle Jing."

"I think so too. Daddy treats Mummy too badly. He always bullies her and looks down on her. I think it's good that Uncle Jing can save Mummy." Coco also agreed.

Ding Ding was a little frustrated, but Daddy was really bad to Mommy. Although he didn't like this Uncle Jing, there was nothing he could do!

Chapter 432 If only I could marry you

Li Group.

"President Li, you signed in the wrong place." The secretary came in with a stack of documents and spoke cautiously.

"What?" Li Zhenting raised his head, his eyes were cold.

The secretary was quite frightened, so he just whispered: "President Li, please sign again."

Li Zhenting took it over and looked at it. With a wave of his pen, he signed the name and threw it to the secretary.

The secretary Zhan Jingjing took it, turned around and left.

Walking out of the president's room, she breathed a sigh of relief.

President Li today is too abnormal. All morning, he either signed wrong words or answered wrong questions. He was in a moody mood.

She didn't know what kind of bad luck she had, in short, she was possessed by all kinds of degenerate spirits.

Li Zhenting took out a cigar and lit it, took a deep breath, his eyes were dark.

After a while, he took out his phone and tapped it.

On the screen, it turned out to be that couple again, and he entered with a single click.

"Chenxi, does it hurt?" On the screen, the doctor was changing Jing Chenxi's wound, and Shen Ning stood by and looked at the long wound on the man's arm, feeling shocked and feeling very guilty.

"It's okay, I'm a man, this little injury is nothing, besides, for you, let alone being injured, it's worth taking my life." Jing Chenxi smiled slightly, reached out and held her hand.

Shen Ning wanted to withdraw her hand, but he held it tightly. She looked at the man's wound still bleeding, and couldn't bear to withdraw her hand.

At this time, the doctor was disinfecting him with rubbing alcohol and applying medicine.

Jing Chenxi narrowed her eyes from time to time, and bit her lips tightly.

After a while, there was sweat on the forehead, but he didn't snort from the beginning to the end.

Shen Ning wiped him gently with a tissue.

The man held her soft little hand, pressed her palm against his face, and closed his eyes.

...

Li Zhenting stood up suddenly, put out the cigar in the ashtray, his eyes were gloomy.

At this time, the door suddenly opened.

"Brother Ting." Li Jiaojiao ran in like a gust of wind, hanging his neck with both hands, coquettishly, "I heard that Yuji airlifted a lot of salmon from Norway today, I want to eat."

"Ghost girl, be careful." Li Zhenting's hand was still in the ashtray, and the girl rushed over like this, almost knocking over the ashtray. He had no choice but to blame.

I don't know when this little girl will grow up, she has been clinging to him like this since she was a child.

"Brother Ting, I'm going to have a seafood feast." She yelled coquettishly.

"Okay, if you want to eat, I'll take you to eat, don't make noise, you won't be able to learn elegance at this age." After all, Li Zhenting couldn't bear to blame her, and took her out.

"Great, thank you Brother Ting." Li Jiaojiao clapped her hands and laughed loudly, rushed over and dragged his arm and walked out.

On the street where the traffic flowed, Li Zhenting easily steered the steering wheel with one hand, chic and unrestrained.

Li Jiaojiao looked at him like a fan girl.

"Brother Ting, you are so handsome, if only I could marry you." She looked at him with fascination.

Li Zhenting burst out laughing.

"You, when will you grow up? You haven't been in shape all day long."

"What I said is true." Li Jiaojiao rested her chin on her hands, "Since I was a child, I always hoped to find a boyfriend like you, but unfortunately, all the men I met were scumbags."

Li Zhenting almost laughed out loud again.

"So you fell in love at school?" He turned to look at her, his face became more serious.

"No, nothing." Li Jiaojiao immediately shook her hands, "Don't guess, my mother will beat me to death."

"As long as you know." Li Zhenting shook his head, just in time for a red light, the car stopped.

He turned his head.

His eyes narrowed instantly.

Beside his car, a Bentley drove over and parked alongside his car.

The windows and doors of the Bentley were opened wide, and what caught his eyes was a beautiful and delicate facial features.

He took a tight breath, and his fingers clenched the steering wheel.

Chapter 433 Actually crashed my car?

Shen Ning just parked the car, Ge Di felt that he was being watched by a strong light, and the light was cold and dazzling, so he couldn't help turning his head.

Li Zhenting looked back in time, and pampered Li Jiaojiao's head: "Snacks, don't eat too much later, your stomach will hurt, and your stomach is not very good."

"Brother Ting, it's rare for you to leave me alone." Li Jiaojiao limply lay on the stool in the middle of the seat, stretched out her tender little hand towards him, and smiled: "Money is a little tight recently, so give me some money. I'll return it to you when I earn money from work."

Li Zhenting pursed his lips, took out a gold card from his pocket, and shook it between his slender index finger and middle finger.

Every time the little girl saw him, she had to ask for pocket money, and he had already prepared it.

Li Jiaojiao's eyes lit up, and she immediately reached out to grab it.

He lifted his hand up, and she missed it.

"Damn, I don't believe I can't get it." Li Jiaojiao refused to admit defeat, jumped up after shouting, and finally got it, laughing happily, put the gold card to her lips and kissed it, hugging it with both hands. Touching Li Zhenting's neck, he left another sweet kiss on his face.

When Shen Ning looked over, he saw a man and a woman fighting in the car. The woman hugged the man's neck and kissed sweetly.

She saw the Audemars Piguet watch on the man's wrist at a glance, worth tens of millions. Although his head was facing away from her, she still recognized the bastard, Li Zhenting!

God, how could it be so unlucky!

Even driving a car and meeting him on the street, did he step on dog shit?

Right at this moment, the horn sounded impatiently from behind, several times in a row.

The green light is already on.

She panicked, her hands shook, she stepped on the accelerator, and the car drove forward.

But at this time

Li Zhenting's car also started to drive.

I didn't know what was going on, but I heard a "click", and the two cars collided with each other, making a harsh scratching sound.

Shen Ning was terrified now!

At this time, the vehicles in the middle of the street poked their heads out one after another.

wipe!

Bentley collides with Rolls Royce!

Two top luxury cars!

How much white money has to be scraped off!

They all showed excited smiles in their eyes.

Li Zhenting got out of the car immediately, stood at the front of the car and looked at his car with deep and cold eyes.

"Hey, come down." After a while, Shen Ning was still sitting in the car, he frowned, wondering if the woman was frightened, and raised her hand to knock on the front of the car.

Shen Ning came to his senses and hurriedly opened the car window.

Li Zhenting was standing there with a sullen face, as if he was asking the crowd.

"Mr. Li..." Before she got out of the car, Li Zhenting preemptively struck with a sullen face.

"How did you drive? You hit my car?"

"I, no." Shen Ning hurriedly shook her head, she was just flustered just now, but she was sure she didn't hit his car on purpose, and now she wished to get as far away from him as possible, so why would she provoke him?

"No?" Li Zhenting raised his eyebrows and sneered, "Come here and have a look, have you seen anything?"

He pointed to the direction where the two cars collided.

Shen Ning saw that he was so calm, and his heart was trembling. He is a veteran in the car field, so he probably hit his car this time.

Well, she was so depressed that she had to walk over.

"Come on, take a look for yourself, see if your car hit mine?" As soon as Shen Ning came over, he firmly pointed it out to her.

Shen Ning looked carefully along the direction of his finger, and frowned.

The front part of her car did deviate a bit from the middle, approaching the driveway. Needless to say, it must have been caused by the shaking of her hand just now.

But Li Zhenting's car was also veering towards the lane, and he couldn't see that his car collided with her car, so he could completely stay out of the matter and disregard the relationship.

Chapter 434 How much compensation do you want?

"Mr. Li, my car is going a little off, but yours isn't in the middle either?" She immediately objected.

Li Zhenting said coldly: "It seems that you are not convinced, stand up."

He stretched out his hand and pulled Shen Ning to his position, pointed to the front of her car and said, "Look, your car's front is obviously leaning to this side, it seems that you did it hastily or on purpose, and my car, although it's not in the middle of the road, but it's not crossing the boundary, if your car doesn't lean so far, even if my car touches the boundary line, it won't be scraped by your car, isn't that the reason?"

Shen Ning took a serious look at the direction he was pointing at. The front of her car was indeed a little bit off, but the tires hadn't pressed the line yet, and Li Zhenting's car was driving against the boundary line. Maybe it was just a little bit. , it really hit.

only

Why is his car so close to hers?

The avenue is wide, with one car and one lane. If his car could deviate a little bit, it would not be the current result.

She really wants to cry but has no tears.

"How is it? Now there is no objection?" Li Zhenting asked jokingly with his arms folded.

Shen Ning had a bitter face: "The front of my car is indeed a little bit off..."

"That's fine, the responsibility is yours." Before she finished speaking, he came to a conclusion.

"But you didn't concentrate on driving. You cuddled and kissed women while driving. It's nothing to blame. How can you blame me entirely?" She was anxious.

If he had obeyed the traffic rules just now and hadn't driven so close to the dividing line, this car accident would have been hard to happen.

She glared at him with anger in her nose.

"Which eye of yours saw me kissing a woman while driving?" Unexpectedly, not only did Li Zhenting not feel ashamed, he asked her on her face instead.

"..." Just as Shen Ning was about to defend himself, he suddenly remembered that when she saw him flirting with that girl just now, it seemed that he was waiting for the traffic lights. As for whether he was driving, only he knew. She couldn't give evidence.

Looking at her silence, Li Zhenting said, "Tell me, now you hit my car, what should I do?"

How to deal with it?

Shen Ning's eyelids twitched!

She was driving Jing Chenxi's car, and she was the one who got into a traffic accident...

If the traffic police are brought over, Jing Chenxi will be implicated!

Now Jing Chenxi is hungry, she has to hurry back and cook for him.

"President Li, I'm sorry, how do you deal with it?" She asked bluntly.

The corners of Li Zhenting's lips curled down, as if he had thought it over a long time ago, calmly: "It depends on how you choose. If it's public, I'll call the traffic police over. It's business, but what if it's private?"

"How about privately?" Shen Ning asked anxiously.

Li Zhenting laughed lowly, and said lightly: "If it is private, of course it will be compensated."

"How much do you want to compensate?" Shen Ning couldn't help touching his bag with his fingers.

Although the perfume is hot now, and she has some money, but everything is just beginning, small money is fine, big money is really embarrassing, I hope his bid will not be too high.

Li Zhenting took a look at her, as if he wanted to see her through, and said coldly: "Well, it seems that the car was just wiped after the husband and wife were together, and it will be fine to send it for maintenance and repainting to replace the parts. A million."

five million?

Shen Ning almost jumped up.

Is this robbery!

Although his car is a Rolls-Royce, hers is also a Bentley. They are all luxury cars. They are comparable. His car is scratched. Doesn't her car need to be repainted and maintained?

Chapter 435 two hundred and five

"What? Don't want to?" Li Zhenting sullenly.

"No, it's too expensive, can it be less?" She roughly calculated, just like this collision, the compensation alone would cost five million, and Jing Chenxi's car had to be repaired, at least three to five million. , just accidentally hit it like this, and she will pay 800 to 10 million yuan. She really hurts. The key is that there are a lot of fees for the small tuition...

"This is the least. If you want to say more, it will be 10 million." Li Zhenting looked at the Bentley car expressionlessly, the light in his eyes was cold, "Of course, if you don't want to, then just call the police , Waiting for the police to deal with it, that is the most fair."

Shen Ning's face was dark.

"Brother Ting, why have you been down for so long?" At this time, Li Jiaojiao couldn't wait in the car, jumped out of the car, and took Li Zhenting's arm coquettishly, "I'm hungry, let's go eat seafood."

Shen Ning finally saw the girl's appearance clearly.

About eighteen years old, fine fluff can still be seen on the face, there is also obvious baby fat on the chin, and the eyes are bright and lively, very pure and clean.

It seems that Li Zhenting is getting better at playing!

"Don't worry, baby, my car was hit by someone, I'll go later after the negotiation is settled." Li Zhenting patted her head, his face full of pampering.

Shen Ning looked at the kiss mark on his right cheek, and there was a faint lipstick mark on it.

She suddenly picked up the phone and pointed at his right face to take a few shots, then put away the phone.

"What are you doing?" Although Li Zhenting was interacting with Li Jiaojiao, Shen Ning's movements did not escape his eyes, and he immediately asked vigilantly.

"Now I have photographed your evidence. You were not paying attention while driving. Therefore, you are also half responsible for this car accident." Shen Ning raised his phone, feeling much more confident.

Because the girl is still young, Shen Ning didn't want to be too explicit, so the word 'kiss' was omitted.

Li Zhenting must know.

Sure enough

He touched the right side of his face with his hand, and there was still a lipstick mark in the palm of his hand.

"So what? Can it prove anything?"

"No matter what, at least it can prove that you are not paying attention when driving, and you are responsible." Shen Ning entangled.

Li Zhenting stared at her horribly.

"Brother Ting, this young lady is so beautiful. She must have hit your car. For the sake of the pretty young lady, let's forget it." Li Jiaojiao looked at Shen Ning's face and smiled.

Li Zhenting lowered his face.

Damn girl, do you think his money came from a strong wind?

Not only asked her for food and drink, but even the car was damaged by someone, and she let him forget it unconditionally.

I really think he is a big wronged!

"Do you still want to eat seafood?"

"Think, think, you should pay, you should pay." Li Jiaojiao nodded immediately, and said to Shen Ning: "Miss sister, you should pay, brother Ting's driving skills are superb, he is unlikely to hit your."

"No, he is also responsible." Shen Ning was unambiguous, "He has to pay half of it, and I can only pay 2.5 million."

Li Zhenting suddenly taunted: "Are you pitying money for him?"

"Compared to you, I can't compare to you." Shen Ning glanced at Li Jiaojiao and replied.

Looking at the stalemate between the two, Li Jiaojiao didn't understand what they were talking about, she just shook Li Zhenting's arm coquettishly: "Brother Ting, forget it, the young lady is so beautiful, are you willing to pay her so much money?"

She really didn't understand, Li Zhenting never cared about money, let alone talking about money with women, today is really not like his personality, besides, standing on this street with the cold wind blowing, it's not fun at all, She doesn't want to be here.

Chapter 436 This is falling in love with him!

"Okay, let's look at Xiao Jiaojiao's face, 250 is 250, are you paying by check or bank card?" Li Zhenting touched Li Jiaojiao's head with his big hand, and suddenly agreed readily, looking at Shen Ning's There is cunning in the dark eyes.

Shen Ning felt very uncomfortable. Li Zhenting's money-seeking face made her sick. Of course, what was even more disgusting was his ambiguous interaction with this delicate woman. Moreover, she always had a bad feeling subconsciously. I thought the accident was a bit weird.

"I'm sorry, Mr. Li, ordinary people like me don't usually have that much money, at most two to thirty thousand is a lot, so I can't give it to you now, how about another day?" Let's look down and see you, don't worry, we won't be able to escape." Shen Ning explained patiently.

Li Zhenting smiled brazenly: "I don't care if I can run or not, but now Jiaojiao wants to eat seafood, I want to get more money for her to eat and drink well."

Shen Ning's face turned green when he heard it.

This **** actually wanted to get money from her to fill her girlfriend's stomach, what did she think of her!

She suspected again that he had touched the porcelain on purpose just now, the more this happened, the more she couldn't give it.

"Boss Li, I really don't have any money with me right now. If you must, why not call and ask Ke Ke to deliver it to me, what do you think?" She smiled.

Now it was Li Zhenting's turn to turn dark.

She actually wanted to transfer the conflict to her son. She wanted to make his son's impression of him worse, damned woman.

"President Li, I still have to go home to cook soup for Chenxi. I really don't have time, so I'm leaving first. As for the money, don't worry, I will pay it later." She said indifferently, then turned and got into the car , Regardless of whether he wants to or not, he drove away in a hurry.

Li Zhenting's dark eyes stared at her car, and a terrifying smile flashed across his face.

Everyone calls him Chenxi, it seems that she is in love with him!

He got off with a dark face.

In the ward.

Shen Ning hurried in with a lunch box.

"Chenxi, are you hungry, I'm sorry for the delay today." As soon as Shen Ning came in, he quickly took out the meals and put them on one by one, taking care of Jing Chenxi for lunch.

Jing Chenxi's eyes fell gently on her face.

"Ning Ning, did something happen today?" He stared at her and asked tenderly.

He loves her so much, as soon as he came in, he noticed the change in her face.

Shen Ning laughed hurriedly: "No, it's just that I met a cockroach on the road, which delayed me for a while."

Jing Chenxi was silent for a while, and held her hand: "Ningning, the car had an accident on the road, and my mobile phone has already been received. Don't worry, it's fine. My car is maintained and repaired for free."

Shen Ning felt a little embarrassed when he heard it.

It really is a luxury car.

No matter where he goes and what happens, he can clearly see it on his mobile phone.

She had no choice but to say: "Chen Xi, I'm really sorry, I drove a little too fast today and hit a Rolls Royce."

Jing Chenxi's eyes were bright: "Ning Ning, don't say you just hit it, even if you took my car to be destroyed, I have no complaints, I just worry about whether you were injured?"

"I'm not hurt."

Jing Chenxi paused for a moment and asked, "Ning Ning, is it the Rolls Royce driven by Li Zhenting that hit your car?"

Shen Ning was surprised: "Your mobile phone can know the owner of the car I crashed?"

"No, I only know that it hit a Rolls-Royce, I guessed it."

Chapter 437 Ning Ning, I love you

"Yes." She had no choice but to admit generously, but she didn't want him to see that she bumped into him in a panic because she saw him kissing that girl named Jiaojiao.

Jing Chenxi smiled slightly, held her little hand tightly, and said tenderly: "Don't worry, let me handle the car matter, it has nothing to do with you."

"But I have promised to compensate him 2.5 million." Shen Ning lowered his head and said in a low voice.

"Ning Ning, you are really simple and cute." Jing Chenxi's smile is a bit unpredictable and meaningful.

His girl will always be in a hurry only when facing Li Zhenting, otherwise she is as calm as her, how can Li Zhenting count her out!

"It's okay, I'll pay for it. Come on, let's eat first." Jing Chenxi joked, "As long as it's your cooking, I'll have a big appetite."

Shen Ning smiled slightly, sat opposite her, and took care of him for dinner.

The moonlight was hazy, and a crescent moon poured in from the front of the ward.

Shen Ning sat in front of the bed and helped Jing Chenxi arrange the Xian's suit very meticulously.

Jing Chenxi leaned on the head of the bed and looked at her.

Such a warm and peaceful time is what he has always yearned for, and he is very excited.

"Ningning, it would be great if you could stay with me like this forever." He whispered, his tone as soft as willow flowers floating in the air.

Shen Ning smiled slightly, but did not answer.

"Ning Ning, do you know? I've been thinking about this moment in my dreams, do you know how happy I am now?" He sat up straight, and suddenly, stretched out his left hand and hugged Shen Ning into his arms, holding her tightly, whispered in her ear.

Shen Ning was stunned!

"Ning Ning, I love you." Jing Chenxi looked down at the woman in his arms, his little face was dazed, his red lips were like blood, and his face was full of cuteness and cuteness.

His heart throbbed for a while, and he slowly lowered his head, his lips fell on her cheeks, warmly, and tentatively moved towards her red lips...

In the hallway.

"Brother Ting, where is Dr. Lin? My stomach hurts so badly that I can't stand it. Can you let him come quickly?" Li Jiaojiao held her stomach in both hands, her face full of pain, and yelled loudly.

"Who told you to eat so much seafood, you know it hurts now." Seeing her holding her stomach in both hands, Li Zhenting couldn't help being funny and angry.

I took her to the Seafood City today, as if she had never eaten it before, big lobster, crab, salmon... I ate it with my stomach open, and I ate it all afternoon, and I almost ate several large bowls.

He was frightened by the side, and reminded her several times to eat less, but she didn't care at all, and in the end, he even ate an ice cream.

This is great, after eating the ice cream, I even complained that my stomach hurts, and I ran to the toilet several times, and finally I couldn't help it anymore, so I had to ask Li Zhenting to take her to the People's Hospital.

At night, there are many people in the emergency department, and the doctors are so-so.

Li Zhenting called his friend Lin Junkang, who happened to be on the night shift.

So, he brought Li Jiaojiao directly to him, and he happened to come to the Orthopedic Surgery Department for rounds.

"No, my stomach hurts, and I have to go to the bathroom again." Li Jiaojiao yelled as her stomach ached again, and ran into a nearby ward without hesitation.

who knows

As soon as she ran in, she happened to see a man and a woman embracing each other. The man kissed the woman's cheek with forgetfulness, and was about to kiss her lips a little bit...

Spicy eyes!

"Sorry, sorry, I just borrowed the toilet, I didn't mean to offend." She immediately apologized in shame, ran into the toilet like a gust of wind, and closed the door.

Hey, I can't help it, I can't pull it into my pants.

Chapter 438 Otherwise, I challenge you

"Ah." Shen Ning was so frightened that he woke up, and saw Jing Chenxi's eyes filled with longing, he was kissing her, exclaimed, and instinctively tilted his head, Jing Chenxi's lips fell on her neck.

The man suddenly hugged her tightly and kissed her snow-white neck, his whole body tensed.

"Chenxi, don't do this." Shen Ning struggled, but Jing Chenxi's emotions were out of control, the woman he had missed for so many years was in his arms, he really didn't want to let go.

"Boss Jing, let her go." With a voice without warmth, a gust of cold wind and high-pressure breath instantly filled the entire ward, and the air seemed to be trembling.

Jing Chenxi looked up and saw Li Zhenting's gloomy face, he was startled, and let go of her fingers.

Shen Ning ran outside.

The two men looked at each other with obvious hostility, and the atmosphere was very awkward.

"Mr. Li, this is my ward." Jing Chenxi's eyes were piercing, implying that you have violated my privacy by coming here.

"Yes, but I heard a woman say no." Li Zhenting was merciless.

Jing Chenxi's expression changed, and finally, he stabilized his emotions, and said lightly: "It's just right, President Li, let's have a good talk."

"What are we talking about? Do you think there is anything we need to talk about?" Li Zhenting asked sarcastically.

Jing Chenxi looked solemn: "It is very necessary."

"Then tell me." Li Zhenting took out two cigarettes from his pocket, bit one on his mouth, and handed him the other.

Jing Chenxi shook his hand and refused.

Li Zhenting suddenly felt a little annoyed, and threw both cigarettes into the trash can.

"Boss Li, you hit my car today." Jing Chenxi went straight to the point.

"Wrong, Shen Ning hit my car." Li Zhenting corrected.

Jing Chenxi made a 'heh' sound: "Mr. Li, we are all luxury cars, and we all know what's wrong with our cars at the first time. That's right, you have superb driving skills, you can fool Shen Ning, but you can't fool me. Today, you deliberately bumped into Shen Ning's car, and my software can make it clear with a little analysis."

"Boss Jing, even Shen Ning himself admitted it, what else do you want to prove?" Li Zhenting asked coldly.

"Yes, that's because she was naive and deceived by you."

"So, you want to vent your anger on her? Don't want to pay? No problem, then I'll call the police, let the police decide, I don't care."

Jing Chenxi's eyes flashed brightly: "Mr. Li, you can handle Shen Ning, and I can tolerate you this time and don't care about you, but I hope you will stay away from her in the future and don't hurt her, otherwise, I will never agree." "

"You don't agree? What are you?"

"If I'm nothing, then you are nothing!"

"She is the mother of my two children."

"Haha." Jing Chenxi laughed loudly, "Mr. Li, I really don't know what face you have to say this. Don't you know how much you hurt her in those years? She almost died because of you." Now, if you are still a man, you should take the initiative to leave her and let her live the life she wants, unless you have other plans, otherwise, it is unforgivable."

Li Zhenting smiled faintly, pacing in front of him.

"Mr. Jing, what about you? Blocking the knife for her? I'm afraid it's your trick. It's despicable to use this method to cheat a woman's affection."

"Li Zhenting, I fell in love with her a long time ago, and I am willing to do everything for her. Even if it takes my life, I have no complaints or regrets. I am aboveboard. How about you? If you don't love her, you will be with other women After giving birth, you are still pestering her and plotting against her, just to satisfy your so-called self-esteem and possessiveness of a man. In my eyes, you are even more despicable. Therefore, I advise you, from now on, stay away from her, don't hurt her, this is what a man should do, otherwise, I challenge you."

Li Zhenting's eyes were horrified instantly, and his face was terrifying.

Chapter 439 Why didn't she choose me?

"Mr. Jing, Shen Ning is my woman and the mother of my child. Even if I don't love her, it's not your turn to love her. Just let her go. I accept your challenge." Li Zhenting's eyes were stern, The face is full of arrogance and arrogance.

Jing Chenxi sneered, and said provocatively:

"Li Zhenting, then I will officially inform you that from today onwards, I will start pursuing her. For her, I will do anything."

"Okay, I hope you can get what you want."

"Don't worry, I will succeed." Jing Chenxi was very confident.

An inexplicable guilt flashed in Li Zhenting's heart, but his face was still arrogant and arrogant, and he said mockingly: "It's a pity that she would rather climb into my bed than marry you for so many years. Courage is very important, but it doesn't Doesn't match reckless."

Jing Chenxi's face turned red and blue.

...

"Mr. Li, it's just that he eats badly and causes acute gastroenteritis. Just give him some normal saline by drip." Lin Junkang smiled, prescribed some medicine, and handed him the medicine list.

Li Zhenting took Li Jiaojiao to the infusion room.

'Li Zhenting, I can declare loudly in front of the whole world: I love her, but do you dare? Can? That's right, I've been chasing her for many years, is there any man in this world who can love her like me? Why didn't she choose me? And you? What did you give her? what did you do to her Are you qualified to accept my challenge here? Let me tell you, if you still have ideas about Shen Ning, then compete fairly, and I am confident that I will not lose to you. '

"Also, I have already entered the financial account of your Li Group for the 2.5 million. I hope you will stop harassing her to make things difficult for her, otherwise, I will not agree."

Li Zhenting was sitting beside the hospital bed, just now Jing Chenxi's aggressive words kept ringing in his ears, his face became darker and darker.

Sudden

He stood up and walked outside.

"Brother Ting, my stomach hurts so much, please stay with me." Li Jiaojiao yelled weakly.

"I'll ask Leng Xue to pick you up." But Li Zhenting just left after saying one sentence.

"I hate it, let me go again." Li Jiaojiao pouted, covering her stomach and wiping away her tears.

Li's old house.

"Li Zhenting, you crazy, what are you doing to catch me back? Let me go." In the study, Shen Ning was carried back by Li Zhenting like an eagle picking up a chick, and threw him on the sofa, his eyes full of grievance and anger.

With a smirk on his face, Li Zhenting took off his suit and threw it on the chair, loosened his tie knot, sat down beside her, and raised her chin with his hand: "Shen Ning, how did I talk to you?" said?"

"What?" Shen Ning stared at him puzzled.

Li Zhenting stretched out his arms, suddenly picked her up and put her in his arms, forced her face to his, stroked her lips with his fingers, and said in a gloomy tone: "This is the third time I see you with me He kissed, and you know the consequences."

Shen Ning shuddered.

"Li Zhenting, I don't have any at all."

She did not kiss him, she was a step slower, she dodged.

But Li Zhenting is simply looking for trouble, so how can he believe her:

"No? I saw it with my own eyes, and you still want to argue."

Shen Ning looked at the bright black light rising from the man's black pupils, and already understood what was going to happen, and he got up and was about to run.

But Li Zhenting grabbed her with his long arm and easily brought her into his arms.

Shen Ning struggled a few times, but remained motionless, extremely angry.

Bastard, even if she kissed Jing Chenxi, so what?

Isn't she still unable to associate with men?

But before she could say it, Li Zhenting's hot lips blocked her lips domineeringly, and began to kiss and bite her frantically...

Chapter 440 The thing I regret the most is meeting you

"Li Zhenting, you bastard, go to hell, you will only bully me." After a kiss that suffocated her, Shen Ning recovered from the starry eyes, became furious, picked up the pillow on the sofa and slapped Li Zhenting fiercely. call.

If the tiger doesn't show its power, it is really a sick cat!

Li Zhenting just sat calmly, and after a few hits, he felt that the pillow was soft and indescribably comfortable on his body, but very comfortable.

"Li Zhenting, tell you, if you dare to touch me again in the future, I will kill you with a knife and then commit suicide, do you believe it or not?" Shen Ning looked at the dead man's air of high spirits and enjoyment, his eyes turned red with anger, chest heaving violently.

This dog man based his happiness on her pain, why!

He is sitting on hundreds of billions of assets, and if he wants the wind, he can get the rain, but she is struggling in a miserable life, and if she can die with him, she will definitely earn it!

Barefoot is never afraid of wearing shoes, she has the determination to die!

Li Zhenting narrowed his long and narrow eyes.

The woman's short skirt and puff sleeves perfectly highlighted Linglong Mansha's figure. Because of her anger, her little face was filled with a pink blush. Bye.

Raising his eyes slightly, his heart trembled.

I saw the woman's eye circles were red, with crystal tears hanging from them, as if they were about to roll out at any moment, and the indifference and determination in her red eyes made him suddenly feel inexplicable panic.

He stood up in a panic, wanting to hold her hand and please her.

"Get out." But as soon as he stretched out his hand, the alert Shen Ning backed away, slapped his hand off, and said sharply, "Li Zhenting, I look down on you, tell you, don't provoke me again, otherwise, I will die with you, and I will do what I say."

She turned around and left.

Li Zhenting rushed up and grabbed her arm, his eyes were red:

"Shen Ning, you are in love with Jing Chenxi, aren't you?"

Shen Ning gritted his teeth, turned around, and replied heavily: "Yes, I love him, but Mr. Li, does this have anything to do with you?"

Li Zhenting was startled, choked, and said after a while: "You will regret it."

"Regret? Are you kidding me? What I regret most in this life is knowing you. All the pain in my life started from knowing you. You will never understand Chen Xi's love for me."

She resolutely turned around and left.

Li Zhenting punched the sofa hard.

Li Jiaojiao was pale, clutching her stomach, and walked in weakly with the help of Leng Xue.

"Hey, Aunt Biao, did you steal food and have diarrhea again?" Ding Ding was sitting on the ground stacking Lego, and asked mockingly when he saw Li Jiaojiao's cowardly expression.

"Little brat, you're rude." Li Jiaojiao glared at him.

Ding Ding's face was cold, and his words were sinister: "Biao Auntie, you must be pestering my father again, eating, drinking, and cheating money. I know all about your tricks. Hmph, I'm going to tell my aunt and let her take you Lock it up."

"Ah, you brat, how dare you say that about me, don't forget, I brought you up." Li Jiaojiao hummed angrily.

Ding Ding got up and made a face at her: "Come on, you took me for three months, and now you use this as an excuse every day to know how much money you have cheated my dad. How dare you say it,

Uncle Rob said, you All the pocket money in the United States is given by my father, he said that it costs more to raise you than me, my father is really a big wrong."
