

Troublemakers 441

Chapter 441 Shall we be friends?

"Yeah, you ungrateful brat, I grew up with your daddy, he is from my older brother, so what's the point of giving me some money, why are you so stingy, I'm really taking you for nothing." Jiaojiao was holding her stomach, she had a fluid transfusion in the middle of the night last night, she was vomiting again and again, almost killed her, now she was ridiculed by the little guy Ding Ding again, she yelled angrily, and finally went to clean up Ding Ding with her sleeves rolled up.

Ding Ding took a look, giggled, and ran outside like a loach.

It happened that Ke Ke and Xiao Xiao came over holding a large bowl of fruit.

"Hey, it's so disrespectful to bully children." Ke Ke protected Ding Ding behind her, with a sullen face.

Li Jiaojiao looked at the fresh and crisp fruit in Keke's hand, her stomach tightened, she swallowed her saliva, and her aunt smiled, "Keke, do you know who I am?"

This is the first time she saw Cocoa. As early as in the United States, she heard that Li Zhenting had found a twin son. She came to Li Zhenting as soon as she got off the plane. However, food and money are much more fragrant than Cocoa. Yesterday, she saw After seeing Li Zhenting, she forgot about it. Now that she saw Coco, she immediately remembered, but the fruit in the little guy's hand still attracted her stomach even more.

"I don't want to know who you are. I don't like you beating children." Ke Ke saw that her eyes were all fixed on the fruit on her plate, and hurriedly tightened the fruit plate into her arms.

Li Jiaojiao giggled, and took out a big red envelope from her arms: "Look, what my aunt prepared for you, big red envelope, a lot of money, call me aunt, and I'll give it to you."

"It's not cheated from my father." Ding Ding added later.

"Are you really my aunt?" Coco blinked her big eyes, it was great, she was not the wild woman Daddy was looking for, but Daddy's cousin.

"Yes, I grew up wearing diapers with your daddy, so the relationship is good." Li Jiaojiao stuffed the red envelope into his hand, reached out and grabbed a few cherries from the fruit bowl and put them in her mouth, Crisp and refreshing, with delicious.

Coco picked up the red envelope with one hand and weighed it. Well, it was quite heavy. It seemed that there was a lot of money.

He handed the fruit bowl to her with a smile on his face: "We will be relatives from now on, you can eat it, and I will give it all to you."

After finishing speaking, he took the money and put his arms around Ding Ding's shoulders and went to the living room to build Lego.

Xiao Xiao is about to follow, holding a fruit plate in both hands.

"Hey, kid, what's your name?" Li Jiaojiao greeted her with a smile when she saw her favorite R2E2 mango, which was produced in Australia, in the small fruit plate.

"My name is Xiaoxiao." Xiaoxiao said in a milky voice.

Originally, the little girl was very hostile to her. Yesterday afternoon, she was the only one who saw Daddy and her having fun together in the back garden. She thought it was the wild woman Daddy was looking for, but now she said she was just Daddy's cousin. She was relieved, her black eyes were bright, and she looked at this cousin.

"Yo, what a beautiful and lovely girl, why aren't you brother Ting's daughter, but I still like you, shall we be friends in the future?" Li Jiaojiao picked up a fruit from her fruit bowl. The mango is torn open and eaten with relish.

"Okay." Xiaoxiao Nai's voice was sweet, and she agreed with a smile. She was astute and read her heart. This cousin is a cute big kid, and she has no ill intentions towards her. She just came here for the mango. , asked immediately, "Auntie, aren't you afraid of allergies?"

Chapter 442 This is absolutely true

"Uh." Li Jiaojiao said 'Uh', startled, suddenly felt a little itchy in her stomach, threw away the mango, and hurried upstairs.

Xiaoxiao shook her head, this cousin is quite funny.

afternoon.

Shen Ning brought part of the work to the ward, working while taking care of Jing Chenxi.

Although Jing Chenxi was injured in his arm, he was not willing to let Shen Ning suffer at all. He thought of everything for her, and even helped her with work.

Therefore, she took a nice nap at noon.

"Ningning, now is the time when we have the most oxygen, let's go for a walk." After four o'clock in the afternoon, Jing Chen hoped that the sky outside would be clear, so he proposed.

In fact, Shen Ning has been sitting and working for several hours, afraid that her body will not be able to bear it, so she wants to take her out for a walk.

"Okay." Shen Ning pushed away the computer and agreed with a smile.

The two were walking under the shade trees of the hospital.

"Ningning, do you know what your mother's greatest wish was?" After a while, they stood still under a big banyan tree, and Jing Chenxi suddenly spoke in a low voice.

Shen Ning was shocked, why did Jing Chenxi suddenly mention about her mother, even she didn't know her mother's wish, how could he know?

"What is it?"

"Perfume of the Huayue series."

Shen Ning's face changed color slightly.

"How did you know?"

As her mother's favorite daughter, she doesn't know why she researched the Huayue series of perfumes, and why she didn't succeed? This is indeed a bit strange!

"The reason why your mother studied the fragrances of the Huayue series is because of my father." Jing Chenxi said suddenly after being silent for a while.

Shen Ning was startled, and immediately said displeasedly:

"Chen Xi, what are you talking about?"

Her mother is dead, she does not allow anyone to criticize her behind her back.

"Ning Ning, I'm not talking nonsense, this is absolutely true." Jing Chenxi knew that she would not believe it, and suddenly took out a small notebook from his pocket with his left hand and handed it to her.

"Ningning, this is your mother's diary during her lifetime. If you have time to read it carefully, you will understand everything."

Mom's diary?

Shen Ning was taken aback, quickly took it, and opened it to see that it was indeed her mother's handwriting.

"How did you have my mother's diary?" she asked in surprise.

Jing Chenxi's eyes were blurred and deep.

"It was found from my father's room." His voice was a little sad.

Shen Ning immediately felt that the diary he was holding was heavy.

Just then, the phone rang suddenly.

She picked it up in a trance and saw that it was a call from Blue Whale Kindergarten, and immediately answered the phone.

"Are you little mommy?" A female teacher's polite voice came from the phone.

"I am, what are you?"

"Little parents, I am Teacher Wu, the head teacher of Xiaoxiao. Xiaoxiao and Keke fought with children at school. Keke swollen a child's eyes. Now the parents of classmates are making trouble at school. Please come to the school immediately. Let's go." Teacher Wu's tone was very anxious.

Shen Ning heard that the sky was falling, that Ke Ke and Xiao Xiao would actually fight in school, which was something she never expected.

"Ms. Wu, yes, I'll be right there." She hurriedly put away her phone.

"Ning Ning, what's the matter?" Jing Chenxi had already noticed that her expression was not right, and asked with concern as soon as she put down her phone.

"Chen Xi, I have to go to Blue Whale Kindergarten now. Ke Ke and Xiao Xiao fought with children at school and injured the eyes of other children." Shen Ning said anxiously.

"Oh, kids, fighting is inevitable, don't worry, take your time." Jing Chenxi was relieved to hear that it was just about children fighting, and said softly, "I'll send someone to take you there. "

Chapter 443 This deserves it

"No, it's too late, I'll just take a taxi." Shen Ning refused, turned around and walked outside. After walking a few steps, the phone rang again.

She picked it up.

"Shen Ning, your daughter is fighting in the kindergarten, you go to the kindergarten to solve this problem immediately, I will not wipe your daughter's ass." Li Zhenting's tone over there was arrogant, and he said 'your daughter', as if she did it It's like something shameful.

Shen Ning was annoyed, and hung up his phone with a single finger.

Listening to the beeps in his ear, Li Zhenting cursed "damn woman" angrily, and threw the phone aside. Today he got the news that Xiaoxiao was fighting in kindergarten.

Hmph, I can't take care of my daughter well, and I still have time to take care of other men, so I deserve it now.

He gloated and walked outside, preparing to go to the kindergarten to pick up Ke Ke and Ding Ding. Lan Lan also went to school today, so he had to bring Lan Lan to Li's old house.

But it said that when Shen Ning rushed to the kindergarten.

Xiaoxiao and Keke were standing aside with their heads bowed, as if they had made a big mistake.

Her heart tightened.

Ms. Wu is talking to a middle-aged woman.

Beside the middle-aged woman, stood a little boy, wearing an expensive little suit, and he was chubby.

She looked at his face, sure enough, one of his eyes was black and black, which was terrible.

Her heart sank instantly.

"Xiao Xiao, Ke Ke." She walked quickly towards Ke Ke Xiao Xiao.

"Mommy." Xiaoxiao and Keke immediately raised their heads when they heard her voice, but their eyes dodged, they didn't dare to look at her, their faces were full of fear.

Shen Ning's heart ached.

"Are you the little parent?" At this time, Teacher Wu came over and asked.

"Yes, Teacher Wu, may I ask what happened?" She walked to the children and took their little hands one by one.

"You are a little parent, look, what did your son beat my son's eyes into, how did you educate the child?" Before Teacher Wu could answer, the middle-aged woman spoke first, and went straight to the teacher. Shen Ning choked, with a harsh tone.

"I'm sorry, I'm sorry, let me understand the situation first." Shen Ning could only apologize to her repeatedly.

"Hmph." The middle-aged woman grumbled heavily with an ugly face.

Teacher Wu hurriedly pulled Shen Ning aside, and said in a low voice: "Little Mommy, the thing is like this. When school was about to leave today, Xiaoxiao and Ning Xiaoqian quarreled because of a little quarrel. The book hit Ning Xiaoqian in the face, Ning Xiaoqian stood up and hit Xiaoxiao on the head, then Ke Ke at the side saw the fury, rushed up and knocked Ning Xiaoqian to the ground, punched him in the face with his fist, and punched him several times. Well, one of his eyes was swollen. Now Ning Xiaoqian's mommy has been making trouble here for a long time. Let's see how to calm this turmoil. I suggest you apologize to Ning Xiaoqian's mommy before taking care of the child. Go to the hospital for an examination and see what the doctor said. If there is nothing wrong, let Xiaoxiao and Keke apologize to Ning Xiaoqian first. I will ask Ning Xiaoqian's mommy for her opinion and see if there is any compensation. Ning Xiaoqian's family is a big media celebrity, now that his son is being bullied, if he doesn't handle it well, then the media will discredit you and Xiao Xiao, Ke Ke, not only will it be bad for you, but it will also be bad for the children, what do you think?"

Shen Ning gasped when he heard that.

Xiaoxiao and Keke actually forgot all the principles she taught them to be human, and beat people first. This is very serious, but she still believes that things happen for a reason, and she can't just rely on what the teacher said. She has to understand clear.

"How about this, Mr. Wu, I will take Keke and Xiaoxiao out first, and then make a decision after asking them about their situation. If Xiaoxiao and Keke are wrong, I will make them apologize and take responsibility for it."

"Well, yes, but you have to hurry up. Now Ning Xiaoqian's mother is very strong, and she keeps asking the principal to ask the principal to expel your daughter and son. It's really a big mess, and it's not good for your children."

"okay, I get it."

Shen Ning walked up to Ke Ke and Xiao Xiao, held their hands, and said gently: "Come on, go outside with Mommy first."

Coco and Xiaoxiao followed Mommy outside in fear.

Chapter 444 He called me a bastard

"Xiao Xiao, Ke Ke, tell Mommy, why did you beat someone?" In the corridor, as soon as the little guy stood up, Shen Ning immediately asked a serious question.

The two little ones lowered their heads and did not speak.

"How does Mommy usually teach you how to be human?" Shen Ning's tone was very severe, and he looked at Ke Ke, "You are the elder brother, you say first? Today you were the first to hurt Ning Xiaoqian."

Coco sniffed her little nose and lowered her head: "Mummy, I told you that I want to protect Mommy and my sister. If that villain dares to hit Xiaoxiao, I will hit him."

"..." Shen Ning felt hot in his heart, his eyes were moist, and he was speechless.

The older brother protects the younger sister for no reason.

This is family affection!

Emotionally speaking, it is difficult for her to blame the child for his loyalty.

"Xiaoxiao, what about you? Why did you fight with Ning Xiaoqian and beat him?" Shen Ning turned his gaze to Xiaoxiao.

Xiaoxiao suddenly pursed her lips and began to cry.

"Mum, Ning Xiaoqian calls me a 'wild species' every day, says I don't have a daddy, and chases me to spit."

The little girl burst into tears, feeling very wronged.

Shen Ning's face turned pale.

"Mum, I'm really angry, why should he scold me like this."

"Xiaoxiao." Shen Ning suddenly hugged Xiaoxiao into his arms, comforting, "Don't cry, child, it's his fault."

Xiaoxiao cried even harder.

Shen Ning patted her on the back, and kept saying: "Xiao Xiao, it's Mommy who is sorry for you, it's Mommy who is too selfish."

It wasn't until Xiaoxiao was emotionally stable that she wiped away the tears on her face, took Ke Ke's hand, and taught earnestly:

"It's Ning Xiaoqian's fault for humiliating Xiaoxiao, but you shouldn't take revenge in this way. First of all, after Xiaoxiao is scolded, you should tell the teacher immediately. If the teacher doesn't deal with it, you should come to Mommy and let her Mommy is going to fix this, not fight, understand?"

The two little ones nodded heavily.

"And Keke, it's good for you to protect your sister, and it's right not to let her be bullied by others. Mommy praises your true nature, but Mommy also wants to tell you that no matter who you protect, you must first understand who she is. It's not that the reason comes first, if there is no reason, you have to help the reason or not, so as not to cause bad consequences, just like today, Qian Xiaoning was wrong at first, but because you beat someone first, now Parents use this to come to make noise. Mommy is in

a state of injustice and cannot protect you very well. If the school wants to punish us, we will all suffer. Now it is a society ruled by law. No matter what happens, we must treat it rationally and understand ?"

The two little ones nodded obediently.

Shen Ning smiled slightly, hugged them into his arms, and kissed their foreheads.

"Xiao Xiao, did Qian Xiaoning spit at you today?" Shen Ning asked Xiao Xiao after letting go of the children.

"I vomited." Xiao Xiao pouted.

"Where is it? Show Mommy."

"It's right here." Xiao Xiao turned around and pointed to her back.

Today she was wearing a light yellow sweater, Shen Ning took a closer look, and sure enough, she saw several saliva marks on her back.

Her face turned black, she stroked her little head, and led them inside.

"Little Mommy, have you asked clearly? Your child beat my son, what are you going to do?" As soon as they walked in, Ning Xiaoqian's parents yelled at them fiercely.

Xiaoxiao was so frightened that she hid in Mummy's arms.

Coco clenched his fists angrily.

Chapter 445 School bullying incident

"Mummy Ning Xiaoqian, I'm really sorry. First, I would like to offer my most sincere apology for my child who injured your son. I'm sorry." Shen Ning sincerely apologized and bowed deeply.

"Huh." Seeing this, Ning Xiaoqian's mother became even more arrogant, "Sure enough, the children born by ordinary people in the market are uneducated, and they beat people at every turn. Let me tell you, if you beat other people's children, maybe others don't care, but beating My child, I will never agree, today I am going to the principal to dismiss you children of ordinary people, and I cannot spoil a good pot of porridge just because of a piece of rat droppings from you."

Shen Ning blushed with anger.

"Sister, please pay attention to your words. I sincerely apologize to you, but you insulted me with rude words. This is wrong." She spoke righteously.

"Ha, your child has beaten my son like this, and you still want me to talk to you? Ah bah, you'll be fine if I didn't beat you back." The woman was vicious, spitting, and yelled at Teacher Wu:

"Hurry up, let your principal come here, I don't accept any apology, the school must immediately dismiss Ke Ke and Xiao Xiao, otherwise I will expose this campus bullying incident in the media, and ruin your school's reputation."

Ms. Wu was terrified, and quickly laughed along with her: "Okay, okay, I'll go ask the principal right away, please calm down."

She hurriedly turned around to look for the principal. She had already done a lot of ideological work for Ning Xiaoqian's mother just now. If she didn't make trouble, even if she asked Shen Ning to compensate something, it would be great if the matter could be extinguished as soon as possible, but the matter is far away. It was far beyond her imagination. Now, she might not even be able to keep her job.

"Tell you, what I hate the most in my life is you ordinary people. If you don't have the skills, you can just stay in the common people's kindergarten. You have to use the back door to enter our noble kindergarten. Come here, and I will punish your bad virtues." It's abominable to bring it here to teach our children badly." Ning Xiaoqian's mother directly scolded Shen Ning.

"Shut up." Shen Ning couldn't bear it anymore, and yelled angrily, her whole body was shaking because of her anger, but this didn't affect her soft yet masculine aura.

Mummy Ning Xiaoqian was taken aback, shocked by the fierce aura emanating from her body.

"Parent Ning Xiaoqian, do you understand why your son was beaten?" Shen Ning said in a stern tone.

The woman suddenly flew into a rage, her majestic wife of a new media tycoon was stunned by a commoner, which is not bad.

"You bitch, my son has been beaten like this by your son, and you are still playing prestige in front of my old mother. If I don't drive you three out today, my surname is not Xu anymore. You should go and ask. Let's see if my old lady's reputation is built on." She rolled up her sleeves and acted prestige.

Shen Ning smiled coldly.

She has seen rich wives in the upper class of the entire imperial capital, but she has never seen this one.

Her perfume is a hot seller and is very popular among them.

At least, they can maintain a superficial decent outside.

But this woman is more like a shrew, no matter her temperament or her words and deeds.

Besides, no matter how old you are, you have to be reasonable. It is wrong for her son to beat someone. She has already apologized with the utmost sincerity, but this woman clearly doesn't want to solve the problem and wants to make trouble.

"You stinky witch, it was Ning Xiaoqian who scolded Xiaoli first, but you dare to scold my mommy, I won't allow you to bully my mommy." Ke Ke couldn't bear it any longer, and as soon as the little man came up, he jumped out and put on a horse stance, raised his little fist, and shouted childishly.

"Hey, you little bastard, you still want to hit me, let's see how I deal with you." The woman was so angry that she jumped up and swung her fists to hit Coco.

"Stop." Shen Ning hurriedly shielded Ke Ke behind him, and shouted angrily, "Do you still have morality when you are an adult beating a child?"

Chapter 446 How dare you hit my son

"I hit you." Ning Xiaoqian's mommy's fist suddenly hit Shen Ning in the face.

Shen Ning hurriedly stepped back, and when he looked up, he saw a vicious cold light in the woman's eyes, as if he wanted to kill her.

That ruthlessness shocked her.

She suddenly realized that this woman should not only vent her anger on behalf of the child, but also deliberately seek revenge.

This recognition made her heart tremble, and she hurriedly ran outside with Ke Ke and Xiao Xiao in her arms.

Being beaten by herself is a trivial matter. What she fears most is that her children will be beaten. They are too young to bear this kind of violence.

"Bitch, don't go." Seeing them running, the woman immediately chased after them, swung her palms and hit Shen Ning.

Shen Ning hugged Ke Ke and Xiao Xiao, how could he run so fast, and was slapped heavily on the back.

The pain came from her back, but she only wanted to protect her children, tightly protecting them in front and ran out, not caring about her own pain at all.

The woman smiled ferociously from behind.

"Stop." Just as the woman was about to punch Shen Ning hard again, there was a sudden shout from the front.

A man's figure quickly rushed over and ran across Shen Ning's back, raised his foot and kicked the woman hard.

"Oh, you hit someone." Ning Xiaoqian's mother was kicked to the ground, rolling and howling.

At this time, the principal and Teacher Wu also ran over panting.

"How dare you beat my son, you have eaten the guts of a leopard!" Li Zhenting yelled at Ning Xiaoqian's mother angrily.

"Mr. Li, hello." The headmaster hurriedly ran over and bowed his head to say hello.

Li Zhenting was expressionless: "Principal Liu, what is going on? How could my son be chased and beaten in your school? Please explain."

"It was your son who beat my son first." Ning Xiaoqian's mother got up and cursed loudly.

She doesn't seem to know Li Zhenting.

"Why did my son beat your son?" Li Zhenting glanced at Shen Ning and Ke Ke and Xiao Xiao, who were still full of fear, and asked sharply.

"Because your son is a savage, a commoner, and uneducated."

"Really." The aperture in Li Zhenting's eyes tightened, and an imperceptible and terrifying coldness floated on the corners of his lips, "Based on what you said today, you should remember it well, I will definitely let you insult my son And pay the price."

Ning Xiaoqian's mother shuddered.

This tone is too domineering and cold, it can crush her into the dust in minutes.

She couldn't help but secretly glanced at him.

Seeing this, I was even more shocked.

The man in front of him was handsome, dignified, indescribably majestic and domineering, as if he had seen it somewhere before.

"Principal Liu, tell me the whole story." Li Zhenting ordered to Principal Liu lightly.

Principal Liu also knew about this matter just now, but he didn't understand it clearly yet, so he hurriedly said to Teacher Wu: "Tell me quickly."

Ms. Wu trembled and told the situation over and over again.

"Look carefully, my son's eyes have already been beaten like this by your son." Ning Xiaoqian's mother thought that she had evidence, so she pulled Ning Xiaoqian over and opened her mouth braggingly.

Li Zhenting just glanced at Ning Xiaoqian indifferently, and asked Keke: "Keke, why did you beat him?"

Coco replied loudly: "Because he hit Xiaoxiao."

The corners of Li Zhenting's lips twitched, this kid is really loyal to Xiaoxiao!

"Xiao Xiao, why did he hit you?"

"Uncle, Ning Xiaoqian called me a bastard, and even spat at me. I was so angry that I hit him first, and then he hit me. I couldn't beat him, so my brother came to help." Xiaoxiao felt wronged and sad, cried loudly.

When she said this, everyone except Shen Ning was taken aback.

"Ning Xiaoqian, why do you call Xiaoxiao a **** and spit on her?" Teacher Wu immediately asked him seriously.

Ning Xiaoqian lowered his head and did not speak.

"You scolded as soon as you said, she was lying, and the adults took her out to instigate it just now." Ning Xiaoqian's mother was not happy, and immediately objected.

"There is a saliva on Xiaoxiao's body that Ning Xiaoqian spat at her." Shen Ning replied coldly, turning Xiaoxiao's body around, pointing to the saliva on her back and facing everyone, "If you don't believe me, you can go to verify it." ."

Li Zhenting narrowed his eyes and looked at Principal Liu: "Go and check the monitoring immediately, I want to find out about this matter."

"Okay." Principal Liu agreed with a smile.

They walked towards the security room.

Soon, everyone came out.

Chapter 447 You are doing great today

"Ms. Xu, do you have anything else to say?" Li Zhenting's eyes were stern, and his momentum was overwhelming.

Ning Xiaoqian's mother shrank back.

Surveillance found that Ning Xiaoqian not only humiliated Xiaoxiao in public, calling her a 'wild species', but also spat at her several times a day, but all in places with few people, when Keke and Ding Ding were not around.

Obviously, he was deliberately bullying Xiaoxiao.

"It's okay to scold, they can tell the teacher to criticize him, but beating someone is wrong."

"Really." Li Zhenting sneered, "Little is only five years old, can a five-year-old child know how to protect his own rights? As an adult, you are going to chase and beat my son just now, this is unforgivable."

After finishing speaking, he looked at Ke Ke and Xiao Xiao:

"Ke Ke, Xiao Xiao, no matter whether this matter is justified or not, it is wrong for you to hit someone first, and apologize to Ning Xiaoqian first."

Xiaoxiao, Keke had no choice but to apologize to Ning Xiaoqian with red eyes.

"What about you? Ms. Xu." Then, Li Zhenting's eagle eyes fixed on Ning Xiaoqian's mother, "Just now you beat Shen Ning and Ke Ke, what are you going to do?"

Xu Huiying still refused to admit her mistake: "That's what they should fight, and besides, you kicked me."

"Okay." Li Zhenting responded coldly, and looked at Principal Liu: "Ning Xiaoqian will be expelled immediately."

"Yes." Principal Liu agreed with a nod.

This kindergarten Li's Group owns a certain amount of shares, and he must not disobey it.

"Ah, it's terrible, you actually want to expel my son, there is no law, and the person who was beaten will be expelled, it is simply unreasonable." Xu Huiying clapped her palms and cursed.

"Let the security guards drive this woman out immediately, and she is not allowed to come in again." Li Zhenting didn't even look at her, but just instructed Principal Liu, and stepped forward to take Ke Ke's hand and was about to leave.

"Tell you, this is a campus bullying incident. I want to post it to the news media so that everyone can see the evil forces, umbrella." Xu Huiying shouted from behind.

There was a cold light in Li Zhenting's eyes, and he looked back with a sneer: "Okay, you can go ahead and post it, I also want to see what will happen to the illegitimate son of media tycoon Ning Shihua if people find out about it?"

Xu Huiying's face turned pale.

"You tell Ning Shihua, I will send you the lawyer's letter soon, and I will accompany you to the end no matter how you want to go."

His voice was not loud, but he was extremely majestic and cold.

Xu Huiying was stunned, and seemed to be belatedly aware that she had provoked a big shot.

Shen Ning immediately went to Baidu to search for the word 'Ning Shihua'.

Soon a bunch of information came out.

She took a closer look.

It turned out that Ning Shihua's wife was Xu Meijun, a socialite in the imperial capital, and this Xu Huiying was just Ning Shihua's mistress, San'er.

No wonder I didn't see her at the tea party last time.

It's just San'er hiding in the dark! Can't see the light!

The corners of Shen Ning's lips twitched, the villain has his own reward, and he said how can a wealthy wife have such low quality, no matter how bad the inside is, she still needs to be decent on the surface.

In the Rolls-Royce saloon.

"Daddy, you are so good today, I will worship you from now on." Ke Ke patted Rainbow fart towards Li Zhenting.

Actually, the little guy is satisfied with Daddy's performance from the bottom of his heart, and admires Daddy's methods very much.

Li Zhenting smiled slightly: "Boy, now you know the benefits of having a daddy."

After finishing speaking, he glanced at Shen Ning proudly.

If he hadn't arrived in time today, Shen Ning and the children would have been killed by that shrew.

"Yes, it's great to have Daddy, but it's even better to have Mommy. It would be great if Daddy can treat Mommy better." Coco held her little face in both hands, and said like a little adult.

"Uh." Li Zhenting had nothing to say for a while.

Today he drove over to pick up Keke. Ding Ding and Lan Lan saw only Ding Ding and Lan Lan, but not Keke. When he asked Ding Ding, he realized that the little fight had something to do with Keke, and he was the one who beat Keke.

Now, he panicked, but Ke Ke was his own son, he had to protect his son, and ran in immediately, just as soon as he entered, he saw Xu Huiying chasing Shen Ning and Ke Ke Xiaoxiao, and Good to go in time!

Chapter 448 Lan Lan told me all this

"Ke Ke, where is Ning Xiaoqian, has he really been fired?" Lan Lan sat next to Ke Ke and asked in a low voice.

"That coward, who only does bad things to sow discord among women, of course he has to be fired." Ke Ke answered with a small fist to relieve her hatred.

"Oh." Lan Lan responded, shrinking back.

Shen Ning looked at Lan Lan.

I haven't seen her for a long time. It seems that Li Zhenting plans to take Lan Lan to Li's old house to live with Ke Ke and the others.

Unexpectedly, when she looked over, she met the little girl's eyes.

After Lan Lan saw her, her eyes dodged and she immediately avoided it.

Shen Ning was taken aback, suddenly remembered something, and asked, "Lan Lan, is your seat far from Ning Xiaoqian's seat?"

She asked seemingly unintentionally.

Lan Lan did not answer.

"Mommy, she is sitting behind Ning Xiaoqian." Xiaoxiao helped her answer.

"Oh." Shen Ning nodded slightly, and smiled at Lan Lan: "Lan Lan, have you seen Ning Xiaoqian scolding the little wild species?"

Lan Lan lowered her head and played with her fingers, but didn't speak.

"Lan Lan has always been a good boy, she won't tell lies, right?" Shen Ning's tone was very gentle.

Lan Lan nodded indiscriminately.

Shen Ning looked at Lan Lan, her eyes became deeper and deeper, she immediately thought of Xu Huiying's fierce eyes when she hit her, it was definitely not for the sake of the child, but more like for some purpose Looking for trouble and revenge.

She looked out the car window.

Outside, the figure of a fat kid ran towards us, crying as he ran.

"Stop, stop, stop quickly." Shen Ning suddenly called out loudly.

Li Zhenting stopped the car abruptly, his eyebrows frowned.

"What are you doing? Do you know this is in the middle of the road?"

Shen Ning didn't bother to answer Li Zhenting's questioning, opened the car door and ran towards the child.

Li Zhenting looked at her inexplicably, and muttered 'crazy. '

"Ning Xiaoqian." Shen Ning ran to the fat kid and shouted.

Ning Xiaoqian stopped and looked at her with fear in her eyes.

"Ning Xiaoqian, tell auntie, why did you call Xiaoxiao a bastard? How did you know she was a bastard?" Shen Ning knelt down in front of him and asked gently.

"Auntie, I..."

"Don't be afraid, tell auntie, as long as you tell auntie, auntie guarantees that you will not be fired."

"Really?" The little guy squinted his eyes, one was full of tears, and the other was black, looking pitiful.

Shen Ning could tell that the little guy wasn't born to be aggressive, and he could even see inferiority complex and insecurity in his eyes.

Most of these are manifestations of lack of love for children from single-parent families.

I think Ning Shihua didn't give enough love to the illegitimate child born to the third son, and Xu Huilai has such a pungent and selfish character, so he should no longer be favored.

"Of course it's true. A child should be an honest and good boy from an early age, so that he can have a good reputation in the society and become a useful talent when he grows up, understand?" Shen Ning educated him.

Ning Xiaoqian then said: "Auntie, actually I don't want to scold Xiaoxiao, but Lan Lan told me all this, she asked me to scold Xiaoxiao for being a bastard, saying that Xiaoxiao is her mother and wild For a child born to a man, he doesn't even know who the father is, and he gave me a lot of money to buy delicious food, and let me bully Xiaoxiao."

Sure enough!

"Then does your mommy know about this?"

Ning Xiaoqian nodded his head.

"Auntie, I was wrong, please don't fire me, okay? I promise I won't scold Xiaoxiao again."

Shen Ning's face turned pale. After a long time, he touched Ning Xiaoqian's fat head and said, "Stop running around, and wait here for your mommy to come home with you."

She turned and walked towards the Rolls-Royce.

"What did you do?" After getting into the car, Li Zhenting asked dissatisfied.

But Shen Ning bowed his head and said nothing.

Li Zhenting shook his head and started the car.

Shen Ning sat leaning against the car window with his eyes closed, silent all the way.

Chapter 449 I want to take Coco and Xiaoxiao away

Li's mansion.

Li Zhenting's car stopped steadily.

Shen Ning went down and opened the car door.

The children ran down quickly and rushed towards the living room.

Li Zhenting also got out of the car and was about to leave.

Sudden

"President Li, please go slowly." Shen Ning stopped him coldly.

Li Zhenting stopped in his tracks and looked at her suspiciously:

"Yo, it seems that you were delayed to take care of Jing Chenxi, which made you very disappointed and unhappy. Your daughter is not as important as outside men. You really value **** over girls."

"Stop talking nonsense." Shen Ning reprimanded lightly, "I have something to discuss with you now."

"What's the matter?" Li Zhenting narrowed his eyes, scanned her whole body unscrupulously, and smiled evilly, "Do you want to thank me, if it weren't for me today, you and your daughter would probably be killed by that woman Let it be flattened."

Shen Ning stared at him: "Li Zhenting, do you know why Ning Xiaoqian called Xiaoxiao a bastard?"

"Why?" Li Zhenting asked indifferently.

"It was Lan Lan who taught him. Lan Lan told him that Xiao Xiao had no father, made him call her a bastard, and gave him a lot of money to bribe him to bully Xiao Xiao. Xu Huilan knew about this from beginning to end."

Li Zhenting was stunned for a moment and then laughed out loud: "Shen Ning, you have such a rich imagination. How old is Lan Lan? Can she do these tricks? Although she is a bit coquettish, she still has no bad intentions."

"Hey, President Li is very good at protecting his shortcomings. The more he does this, the more worried I am that Keke will live here." Shen Ning couldn't help but sneered, turned and walked forward.

Li Zhenting immediately had a bad feeling, and followed her to hold her:

"You scumbag, what do you mean? What do you want to do?"

"You scumbag sister, does my mother have you scumbag?" Shen Ning scolded him angrily, and said word by word, "Today, I will take Keke and Xiaoxiao away."

"you dare."

"Ke Ke and Xiao Xiao are my son and daughter, why am I afraid? Could it be put here to be bullied to death by your other daughter?"

"Children, it's normal to swear and fight occasionally. Don't make a fuss, make a fuss out of a molehill."

"I'm making a fuss out of a molehill?" Shen Ning was so angry that every pore on his body exploded, every time he mentioned something related to Shen Mei, he would play Tai Chi and pretend to be confused, what a proper scumbag.

She took out her mobile phone and played the recording with Ning Xiaoqian just now.

"Li Zhenting, do you still think it's just children playing for fun? Just now that Xu Huiying wanted to beat me and Xiaoxiao to death. I advise you to investigate who Lan Lan is behind. Didn't you say that Lan Lan is so young and not bad?" Mind, then why did she do this? Also, who instigated that Xu Huiying?"

Li Zhenting did not speak.

"Li Zhenting, today I must take Ke Ke and Xiao Xiao. Wherever Shen Mei and Lan Lan appear, my children and I are not suitable to appear there."

She turned around and left.

Li Zhenting caught up with him:

"Shen Ning, I will find out what is going on with this matter, but you want to take this opportunity to take Ke Ke away, but there is no way. My dignified Li family can't even protect a child."

Shen Ning sneered.

This matter is obviously related to Shen Mei, and it is easy to find out, but will he investigate seriously? Even if she went to investigate, it would be nothing in the end. She knew him too well.

She must not put her son and daughter under the eyes of the enemy.

She quickened her pace and walked towards the villa, and started packing cocoa and small things as soon as she entered.

Chapter 450 Then I will die in your Li family today

A smog appeared on Li Zhenting's face, and he took out his mobile phone and dialed a number.

It was quickly picked up over there.

"Zhen Ting, you finally called me." Shen Mei said in surprise, "Where is Lan Lan, how is she doing? Can I play with Ke Ke, Ding Ding, Xiao Xiao? You must definitely Be careful, I'm afraid the three brothers and sisters will unite to bully Lan Lan."

"Enough." Li Zhenting let out a sip, and asked, "Shen Mei, let me ask you, Lan Lan called Xiao Xiao a **** at school, and asked her classmate Ning Xiaoqian to bully her. Do you know about this?"

Shen Mei was taken aback, she didn't expect this matter to be revealed so quickly!

"Zhen Ting, Lan Lan has always been sensible and polite, will she do this? I don't believe it!"

"Shen Mei, Lan Lan is so young, she won't have evil intentions, I will interrogate Lan Lan later, if the matter is related to you, then you will never see the child again in the future, because you are too vicious. It will only teach children badly and is not worthy of being a mother."

He hung up the phone decisively.

In the living room.

"Ke Ke, little one, let's go." Shen Ning came downstairs with two bags and shouted into the living room.

"Yes, Your Majesty the Empress."

"Yes, Your Majesty the Empress."

The two little ones ran over immediately, and when they saw Shen Ning holding their luggage in their hands, their faces were full of confusion.

Daddy's performance today is not bad, at least he helped Mommy, so why did Mommy ask them to leave?

"Mum, where are we going?" Coco asked cutely.

Shen Ning pursed his lower lip. He didn't want to tell the children what Ning Xiaoqian said, and didn't want them to know too many dark things. He just stepped forward and held the hands of the two little guys and walked outside.

"Shen Ning, stop for me." When Li Zhenting rushed over after making the phone call, Shen Ning had already walked out of the living room with Ke Ke and Xiao Xiao, and came to the front garden, just in time to bump into Li Zhenting. Turned blue, and sternly reprimanded.

Shen Ning didn't even look at him, just took Ke Ke and Xiao Xiao's hand and walked out.

"Shen Ning, you want to fight against me, don't you?" Li Zhenting grabbed her arm and pulled her back several steps.

Shen Ning was afraid of falling to the children, so he had to let go.

"Li Zhenting, you bastard, let me go." Shen Ning yelled angrily, and was about to shake off his hand with a backhand.

But the man's hands were as motionless as a steel ring.

In a fit of rage, she suddenly took out a knife from her pocket and pressed it against her carotid artery. With bloodshot eyes, she said angrily, "Li Zhenting, if you don't let me take Coco today, then I will take it away today." Die in your Li family."

Li Zhenting took several steps back in fright.

"What's the noise outside? It's so noisy." Li Minhua's bedroom was next to the front garden, and when he heard the noise outside, he came out and asked.

"Old lady, it's the young master and Miss Shen who are arguing." The housekeeper hurriedly greeted her.

"What's the noise?" Li Minhua's face sank.

At this time, another nanny ran over and said in a hurry: "Old lady, Miss Shen is going to take away Young Master Ke Ke, please go and persuade her."

Li Minhua's vision went dark.

Such a cute little guy, her great-grandson, how could Shen Ning take him away.

She immediately walked outside.

did not expect

When she came out, she saw Shen Ning holding a shining knife on her neck.

She had never seen anything like this in her life, and it happened in her home.

"You, you..." She pointed at Li Zhenting and Shen Ning with trembling fingers, and after shaking a few times, her eyes darkened for a while, and she suddenly fell to the ground.
