

## Troublemakers 451

Chapter 451 I am too impulsive today

"Master, it's not good, the old lady has passed out." The housekeeper and the servant yelled in panic.

Li Zhenting's face changed color, and he immediately ran towards Li Minhua.

Shen Ning was also stunned, dropped the knife, and ran towards Li Minhua.

"Grandma, grandma." Li Zhenting yelled loudly, bending down to hug her old man.

"Don't move." Shen Ning stopped immediately, pushed him away, bent down and laid Li Minhua on her side, raised her feet slightly, and shouted to the housekeeper, "There are nitroglycerin tablets. Is it? Take it here."

"Okay, I'll look for it." The housekeeper hurriedly turned around and ran in. After a while, he came over with a medicine box.

"Find out the nitroglycerin tablets." Shen Ning shouted to the butler, then looked back at Li Zhenting: "Hurry up and call an ambulance."

Li Zhenting came back to his senses and took out his mobile phone to call an emergency ambulance.

The housekeeper also opened the medicine box, found the pills and handed them to Shen Ning.

Shen Ning took it and fed it directly into Li Minhua's mouth.

Ten minutes later, professional doctors got off the ambulance, and they worked together to carefully carry Li Minhua into the ambulance.

The ambulance drove away quickly.

"Mommy, is grandma going to be okay?" Coco's eyes were red, and he was very sad. He liked grandma so much, and he didn't want to see anything happen to her.

Shen Ning looked at his son's sad appearance, with a sore nose: "Don't worry, she will be fine."

"Mum, I'm really worried about Grandma too." Xiao Xiao also pouted.

When Shen Ning was about to comfort the two little guys, suddenly, Tintin's sobs came from over there.

She hurriedly turned her head to look.

I saw the little guy standing in a corner, his face full of grievances, and his shoulders shrugged.

"Ding Ding, don't be sad, grandma will be fine." Shen Ning only thought that he was sad because grandma fainted. After all, he has been with the old man for the longest time, so it is understandable to be sad.

Ke Ding Ding's side face was cool, even if he was crying, he still showed the stubbornness of a little man. There were only two tears in his eyes, hanging on his eyelashes, his whole expression was sad, and his small shoulders were shaking.

"Mum, why did you just take Keke and Xiaoxiao away and not me?" He turned his head arrogantly, begging himself to be very angry.

Shen Ning was taken aback for a moment, and only then did he understand the reason for his sadness. For a moment, guilt and pain flooded his heart.

If possible, she would like to take three children.

But she really doesn't have the ability. At present, Ding Ding is Li Zhenting's son, and she has no ability to take away Ding Ding's custody from him, unless she and Li Zhenting go to court and go to court.

But in that case, she also couldn't beat his lawyer team.

Not to mention Ding Ding, even Ke Ke, she can't win.

At present, there is no lawyer in the entire empire who dares to take the lawsuit about Ke Ke's custody rights. There is only one lawyer, Niu, who is very unreliable and has disappeared without a trace.

"Ding Ding." She reached out and hugged her son into her arms, kissed his hair, her heart was in pain like it was filled with gravel, but she could only comfort him: "You will always be Mommy's good son, Mommy won't Don't want yours, but Mommy can't help it."

She shed tears.

The matter had come to this point, she no longer dared to take Ke Ke away by force, so she had to take them back to the living room, cooked delicious meals for them, and then packed the extra meals into lunch boxes and rushed to the hospital.

The red light at the door of the operating room of the hospital was blinking.

Li Minhua is being rescued urgently.

Chapter 452 Are you going or not?

Li Zhenting stood with his hands behind his back, his face gloomy.

Li Minhua suffered a sudden myocardial infarction due to stimulation.

Fortunately, he was sent to the hospital in time, and appropriate measures were taken, and there was still a chance of rescue.

When Shen Ning came over with a lunch box, he saw Li Zhenting standing outside the door of the operating room with his head bowed, his back straight, while Li Jinyao and Li Wanqing were sitting with Mr. Li, all with serious expressions.

She stood outside for a while before walking over anxiously.

This incident happened because of her. Anyway, the old lady treated her pretty well, and she felt guilty.

"Grandpa, Uncle, Auntie, hello." She walked up to Li Jinyao and greeted them, her eyes downcast, not daring to look directly into their eyes.

"Ning Ning, you are here." Li Wanqing smiled gently at her.

"Auntie, I've cooked some food over here, you can eat some first, don't worry, grandma is auspicious, she will be fine." Shen Ning put the lunch box on the chair next to her and said softly.

"Okay, I happen to be a little hungry too, so let's have something to eat first." Li Wanqing immediately took over the topic.

Shen Ning secretly heaved a sigh of relief.

She was afraid that they would blame her and show her embarrassment.

Li Wanqing is very grateful to her for being able to do this.

She opened the lunch boxes one by one and distributed them to them.

Unexpectedly, Li Jichun also drank the meat and vegetable porridge she made with great relish.

"I'm sorry, I was too impulsive today..." Shen Ning stood in front of them, and after they finished eating, he said guiltily.

She would rather be the one who fainted than Li Minhua!

"Hey, it's not your fault. If you want to blame it, you can only blame my scumbag son." Before she finished speaking, Li Wanqing actually took the topic first, and took the responsibility for her son.

Li Zhenting's face turned black when he heard it.

He has been standing by the side, but Shen Ning doesn't give him food, and others ignore him. It is rare that Shen Ning's conscience finds out that he apologizes at this time, but his mother is assisting her, and she directly puts all the responsibility on him head up.

Shen Ning was quite moved when he heard it.

To be honest, if it wasn't for Li Zhenting not loving her, she would actually be happy staying in Li's house.

It's a pity that love never depends on people's will.

Seeing Li Wanqing calling her son a 'scumbag', she couldn't help but look at Li Zhenting.

It happened that Li Zhenting also looked at her.

The eyes of the two met in the air.

Shen Ning saw the man's gloomy eyes, as if he wanted to eat her.

She was so frightened that she quickly closed her eyes.

Li Minhua is Li Zhenting's most respected elder, and now that she is mad at his grandma, he must hate her to death.

But is it her fault?

Hey, it would be great if I didn't return to the imperial capital!

While she was regretting, suddenly, the door of the operating room opened.

The doctor came out.

"Professor Qin, how is my grandma?" Li Zhenting immediately went up to her and asked.

Professor Qin's expression was very serious, he strode up to Li Jichun, and said respectfully: "Old Li, the old lady's aorta blockage is very serious, this operation is complicated and dangerous, only the doctor who blames Ji Qingshan can be sure, but Professor Ji Qingshan is currently He is not on duty at the hospital, his whereabouts are uncertain, and we can't contact him now, I wonder if you and President Li can find him in a way?"

Li Zhenting frowned upon hearing this.

He knew Ji Qingshan, he was arrogant and indifferent to fame and fortune, he only had dinner with him a few times occasionally, they were just acquaintances.

If it is someone else, he is still fully sure, but this person, he is not sure he can invite him.

The faces of Li Jinyao and his wife became even more difficult. They have not been in China for many years, and they don't know Ji Qingshan.

It was Li Jichun who was pondering.

He has already retired and stayed at home. Although he is not very familiar with these juniors, because of his age, he often goes to the hospital, so he is familiar with Ji Qingshan.

only

Ji Qingshan doesn't seem to have a good impression of their Li family...

Chapter 453 You are so infatuated

Shen Ning stayed aside, and was taken aback when he heard Ji Qingshan's words.

Ji Qingshan, could it be him?

Unexpectedly, after six years of absence, he has become an expert in heart surgery.

She took out her mobile phone and found an address.

Suddenly turned around and ran out.

In front of a hidden villa on the outskirts of the city.

Shen Ning rang the doorbell.

"Who are you looking for?" A man who looked like a butler came out and asked.

"Excuse me, is Professor Ji here?" Shen Ning asked, wiping the sweat from his forehead.

"Who are you?" The butler looked at her warily.

"I'm Shen Ning, please go in and tell him that I have something urgent to find him." Shen Ning's tone was hurried.

But the housekeeper stood still, just looking at her.

"Here, this is enough, right?" Shen Ning took out a small milky white square box from his pocket and handed it to the housekeeper, "Give this to him, he will see me."

The butler took it, turned around and left.

Li Minhua is undergoing surgery, time is life!

Shen Ning was very anxious.

Not long after, the butler hurried out.

"Please come in, Miss Shen."

"Thanks."

Shen Ning ran as soon as he entered the door, and almost fell down several times.

But after running for quite a while, Ji Qingshan was still missing.

The villas on the outskirts of the city are very large.

She didn't know where to run to find him.

At this time, a young man came from the other end of the corridor.

The man is about twenty-eight years old, wearing goggles, with a cold demeanor and a slender figure.

"Qingshan." Shen Ning called to him.

Ji Qingshan quickened his pace.

"Ning Ning, why did you come here?" Ji Qingshan was very curious, "Haven't you always been in America?"

"Hey, it's hard to say, so you still live here." Shen Ning looked around, and grabbed his arm, "Quick, follow me to save people."

Ji Qingshan stood still.

"Save who?"

"Li old lady Li Minhua."

"The Li family again?" Ji Qingshan frowned.

"Yes, old lady Li suffered a heart attack and is undergoing rescue. The doctor said that only you can be sure that the operation will be successful."

"Hey, they really flattered me." Ji Qingshan sneered, "Ningning, you are so infatuated. If I hadn't saved you back then, you would have died long ago. Isn't it enough that Li Zhenting made you miserable? Get his family out of his mind."

Shen Ning stomped his feet: "The one lying on the operating table is not Li Zhenting, but Li Minhua. They are two different things. The old lady Li is a kind and kind old man. She is still good to me."

"Not bad for you? You really will label her." Ji Qingshan sneered, "Is there any grandma who would treat her granddaughter-in-law better than her grandson in this world, only you are naive."

"Qingshan, this is the first time I'm begging you, are you going or not? If you don't, I'll carry you over." Shen Ning pouted and became angry.

"Okay, okay, okay, don't be angry, can't I go?" Ji Qingshan shook his head.

He is convinced by this woman, and he only thinks about the Li family, even if Li Zhenting kills her, she will have no regrets.

How can there be such a species in this world!

Half an hour later.

In the hospital.

The atmosphere is very dignified.

The operation is still in progress, but because there is no expert like Ji Qingshan, the operation is very difficult.

Li Zhenting is urgently contacting foreign cardiologists.

But he also knew that even if he got in touch, it would take three or four hours to go back and forth. Whether grandma could survive it was really unknown!

He is very distressed!

at this time.

The elevator door opened.

Shen Ning hurried over with Ji Qingshan.

Chapter 454 Cherish each other

"Professor Ji." Li Jichun shouted excitedly.

"Old man." Ji Qingshan nodded politely at him, and strode towards the operating room.

But when he passed by Li Zhenting, he didn't even look at him.

Li Zhenting stood awkwardly.

"Ning Ning, wait for me outside, I will settle the score with you after the operation." Before entering the operating room, Ji Qingshan gave Shen Ning a meaningful look, and pushed open the door of the operating room.

She glared at him and let out a long sigh of relief.

"Shen Ning, do you know Ji Qingshan?" Li Zhenting's eyes were full of suspicion.

When did this woman know a doctor like Ji Qingshan?

"Do I need to answer you?" Shen Ning said indifferently.

Li Zhenting raised his eyebrows.

At this time, Li Wanqing came up and took Shen Ning's hand, and said kindly: "Ning Ning, thank you."

"Auntie, grandma fainted because of me. This is what I should do." Shen Ning replied humbly.

Li Wanqing looked at Li Zhenting: "No, I can't blame you for this matter, grandma, I know you best."

Sure enough, women are sympathetic to each other.

Shen Ning smiled gratefully at her, picked up a bento on the chair, and said, "Auntie, I have something to do first, and I'll come later."

"Okay, go quickly." Li Wanqing didn't ask her where she was going, but just nodded with a smile.

Li Zhenting looked at the bento in her hand, his face darkened, and followed.

One night, she made food for everyone except him.

He thought that the last share would be his, but judging by the posture, it wasn't at all.

"Where are you going?" He caught up and asked.

"It's none of your business." Shen Ning didn't turn his head.

"I think it's for Jing Chenxi to deliver food." Li Zhenting's tone was sarcasm, with a sour air.

Shen Ning shrugged and admitted generously: "Yes, it was the food for him."

Li Zhenting's eyes are dark and deep.

In the ward.

Jing Chenxi was waiting anxiously.

"Ning Ning, how is Xiao Xiao doing in the kindergarten? I haven't answered your calls for such a long time." Shen Ning walked into the orthopedic inpatient department on the third floor with a lunch box. When Jing Chenxi saw her coming in, His eyes lit up, and he immediately asked with concern.

"It's okay, the children are just quarreling." Shen Ning smiled, "It's just that Mrs. Li had a heart attack and was delayed for some time."

"Oh, how is the old lady's illness?" Jing Chenxi heaved a sigh of relief.

"The operation is in progress, Chenxi, I'll heat the bento in the microwave, you can eat as soon as you can, I have to go and see how the old lady's operation is doing later." She took the bento and walked towards the microwave.

"Okay, thank you, Ningning." Jing Chenxi said affectionately, "I can ask the hotel or the staff to deliver the food, but in order to eat the food you cooked, I insisted on waiting for you to deliver it, it is really hard for you ."

"I don't do well, you can eat as long as you like." Shen Ning smiled.

"I like to eat, I like to eat so much." Jing Chenxi said repeatedly.

Shen Ning raised her lips.

The Department of Cardiology on the eighth floor.

"Ning Ning." As soon as Shen Ning stepped out of the elevator, he saw the door of the operating room opened. Ji Qingshan came out in a white coat, and she hurriedly greeted him.

"Professor Ji, how is the old lady?" At this time, Li Wanqing rushed forward to ask.

"Madam Li, the operation was a success." He only said a few words and looked at Shen Ning, "Come with me."

After speaking, he strode forward.

Shen Ning was stunned for a moment, and could only follow behind him.

Chapter 455 There is such a thing?

"Ning Ning, tell me clearly, why did you come to the imperial capital suddenly? It's been so long and you haven't come to see me." As soon as Shen Ning went out, Ji Qingshan questioned him.

"Qingshan, you also know that it has been six years. I really didn't expect you to become a top expert in cardiology." Shen Ning was a little embarrassed.

"Yo, if you don't know, then how could you still find me? You really did your best for the Li family." He sneered.

The Shen family smiled wryly: "I saved your original address on my mobile phone. It was an emergency. I just went looking for it with the mentality of giving it a try. I didn't expect to find you."

"You came to me for the people of the Li family, if they are fine, you have no plan to come to me, right?"

"I..."

Shen Ning was speechless, and could only look at him with a bitter face and please him, begging him to let him go.

Six years ago, after Shen Ning was pushed into the sea by Shen Mei, Jun Meizhen sent someone to find her. At that time, she was already on the verge of death, and many organs were severely damaged. During Shen Ning's treatment, Shen Ning and Ji Qingshan got acquainted during that time.

Ji Qingshan was very moved when he heard Shen Ning's story.

He never thought that a woman could love a man so affectionately, love to the point of no regrets, even if she loses her life, it doesn't matter.

He never thought that Li Zhenting, who was dark and aggressive in the mall, would treat his wife so cruelly and black-bellied. He looked down on him from the bottom of his heart, and even didn't like Li's family.

What surprised him even more was that it didn't take long before he found out that Shen Ning was pregnant with triplets.

In order to keep her, he tried his best!

Under his superb medical skills, Shen Ning slowly recuperated and saved the child in his stomach.

During that time, Shen Ning often chatted with Ji Qingshan. Ji Qingshan, a man with a free and easy attitude who was not bound by the world, was gradually attracted by Shen Ning's character, knowledge and beauty, and had a good impression of her.

But Shen Ning has self-knowledge, don't say that she is pregnant with three children and married, even if she hasn't, she would not dare to climb this man who is so pure in soul and spirit.

Therefore, after she left the imperial capital with the children, she never thought of going to him.

That address was left to her by him six years ago.

She didn't expect to find him, but she still found him.

"Qingshan, have you watched the news during this time?" Shen Ning pursed his lower lip, the confusion left in his heart was aroused after seeing him.

"I have always only looked at politics and finance, and I don't care about anything else. Moreover, I just came back from attending an academic seminar at a university in Berlin, Germany, and I haven't been in the imperial capital recently."

"Oh." Shen Ning nodded, and said in a low voice: "I was pregnant with triplets back then. I remember you said that my triplets were quite healthy, but on the night of delivery, I passed out from a hemorrhage. Finally, the obstetrician and gynecologist told me that one of the babies had died, and you came that night, do you know the specific situation?"

Then, she told him about Ding Ding and some situations after she came back.

Because Ding Ding often asked her recently why she didn't want him and didn't take him away, she couldn't answer.

Moreover, she also wanted to find out, what happened back then?

Shen Mei kept telling Ding Ding that she deliberately threw him away because she had no money to support him. Instead, Shen Mei hugged him back, raised him, and was kind to him.

Ding Ding is a sensitive child, she loves him so much, how could she not want him?

She wanted to clarify this matter so that she could answer him in the future.

Ji Qingshan was very surprised when he heard this: "There is such a thing? That's right, the triplets in your stomach are very healthy. How could there be stillbirths? It's incredible."

That night, she had dystocia, and he stayed outside the delivery room all the time. What he cared about was her life, but he didn't know that this kind of thing would happen inside.

The next day, he received an assignment from the hospital. After learning that she was safe, he left in a hurry. Half a month later, she and the child were gone.

He asked Jun Meizhen, and she told him that they had gone to the United States, and he tried to contact her, but her mobile phone and contact information were cut off...

Chapter 456 Ning Ning, you are so kind to me

"I just want to give Ding Ding an explanation." Shen Ning's eyes dimmed, and he wrung his hands.

"Okay, don't worry, I will help you find out." Ji Qingshan touched her head.

"Thank you then." Shen Ning sincerely thanked you.

"I said, for you, I am willing to do anything for you, and I don't want anything in return. Now I can understand why you still stay in Li's house. Everything is for the children. You are an excellent mother." Ji Qingshan said With a deep smile, he turned and walked outside.

Shen Ning followed him and sent him out.

"I didn't expect that a divorced woman with two children would have many excellent men chasing you, no wonder you are so high-spirited every day." When Shen Ning came back, he saw Li Zhenting sitting outside smoking a cigarette , When he saw her, he had a weird smile on his face.

Shen Ning felt sour after hearing his words, didn't bother to pay attention to him, and walked directly into the ward.

Li Minhua is still in a coma, but the cardiac instrument shows that the heartbeat is intact, so he should be safe.

"Ning Ning, where is Professor Ji, I have to thank him very much." Li Jichun immediately asked when he saw Shen Ning coming in.

"Grandpa, Professor Ji has already left, I have already helped to thank him." Shen Ning looked at Li Minhua's pale face and said guiltily.

"How can I do it, this saved my wife's life." Li Jichun murmured.

"Dad, I'll make him a pennant tomorrow." Li Jinyao hurriedly said.

"okay."

...

The night was dark.

Mr. Li is getting old, and Li Jinyao and his wife sent him back to rest, so the task of taking care of him naturally fell on Li Zhenting.

Shen Ning also went downstairs to take care of Jing Chenxi, and his wound needs to be changed!

Li Zhenting sat on the head of the bed, the anger in his chest was suffocating, he stood up for a while, and sat down again for a while.

He walked around the room and looked at his phone with a gloomy face.

The woman Shen Ning is taking care of Jing Chenxi.

It's just that one arm was cut, and it's not hemiplegia, so it needs to be taken care of every day.

His slender fingers opened an app.

A picture immediately appeared on the mobile phone:

"Chen Xi, does it still hurt?" Shen Ning asked gently, the medical cotton swab in his hand was gently applying and cleaning the wound on his arm.

Li Zhenting immediately felt his flesh go numb, and she was so gentle, hehehe, he snorted three times in a row!

"It doesn't hurt, just wash it." Jing Chenxi replied tenderly inside, "With you by my side, I don't feel pain even if I cut it with a knife."

Li Zhenting's eyes gave off a cold air of disdain.

It's really disgusting, saying these things against your will to please women, it's useless!

On the phone, Shen Ning did not refute his confession. If she could really achieve this effect at this time, she would be very happy. After all, the wound was too deep, so deep that she could see the bones inside, she felt scared even when she saw it. .

"Ning Ning, you are so kind to me." While Li Zhenting stretched his neck to watch, Jing Chenxi suddenly stretched out his left arm and put his arms around her shoulders, pulling her into his arms, whispering softly, full of The satisfaction of the face.

Li Zhen stood up vigorously.

And in the phone.

Shen Ning didn't struggle, but leaned on his chest obediently, and closed his eyes as if enjoying himself.

In this situation, after a woman closes her eyes, shouldn't the man kiss her?

Li Zhenting held his breath, widened his eyes, and was about to watch carefully, when suddenly, the phone screen went black, and he couldn't see anything.

He jumped up, and suddenly wondered if he was sick, why did he come to see these things? Isn't this making him feel uncomfortable? As proud as he is, there is no need to watch an ex-wife who doesn't love kiss another man .

He wanted to drop the phone, but clicked on another video with his fingertips.

Chapter 457 Do you still need to pee?

This other video was recorded before, in which Shen Ning is feeding Jing Chenxi soup.

The two talked and laughed, very lively.

Li Zhenting watched coldly.

Such a big man still needs to be fed, does he still need to pee?

He looked down again, but he didn't record a few videos.

Surveillance videos are all placed on the bag, if Shen Ning is not wearing the bag, or if the bag is placed in an inconspicuous place, it will not be able to be photographed.

Besides, the time is short!

He put down his phone and lay down on the soft bed on the other side.

"Zhen Ting, you really need to reflect on your behavior. Li's Group is now shouldering the livelihood of hundreds of thousands of employees, and recently you and Shen Ning, Shen Mei, Jing Chenxi, and even Zhijun have been involved. Come in, every day your scandal rushes to the top of the trending searches, and there are many melons, but it has supported a lot of entertainment media, but have you considered the reputation of the Li Group? Li's group has relied on its positive image and contribution to society for a century. This contribution is definitely not for the gossip of those who do good things. "

'Tell me, are you still in love with Shen Ning? If you love her, you should bravely pursue her like a man. This is also for the good of the children. If you don't love her, then you must handle your relationship well, and you must not let it go on like this. '

"Love is never a matter of one person. Don't blame Shen Ning for the reason. She is much more rational than you. You should find the reason in yourself. Do you think you can get love with money and status? Wrong, that's just for ordinary women, Shen Ning has never been an ordinary woman, I'm afraid you will never win her heart.'

...

Before leaving, Li Wanqing called Li Zhenting aside and gave a warning.

Li Zhenting turned over.

Shen Ning, this dead woman, turned his life upside down and made a mess.

Not only her, but also those two little white-eyed wolves, they are simply his nemesis!

He hates it!

However, during this period of time, their scandal is indeed a bit big, it seems that it is time to take care of these media.

Shen's living room.

Lan Feiyun was sitting leisurely on the sofa trimming her fingernails, and Shen Mei hurried in.

"Mom, Zhenting is investigating today whether I instigated Lan Lan to tell her everywhere in the kindergarten that Xiaoxiao is a bastard, dragging oil bottles, and let Ning Xiaoqian bully Xiaoxiao."

"Investigate, just investigate, what can you find out? Who can prove that what a five-year-old child did was taught by an adult?"

"Mom, I'm just afraid that he will interrogate Lan Lan, and Lan Lan will say that I taught her."

"Lan Lan said yes, that's all. Can the child be trusted? You just don't admit it."

"But Zhenting has become suspicious of me, it's not good after all."

"Do you think he won't suspect you if he doesn't investigate? So what? What you said is true. Xiaoxiao is a bastard. Li Zhenting knows it well. Don't you let people tell the truth? Don't mess around with men if you have the ability to give birth, and don't be afraid of being told when you give birth, don't worry, Li Zhenting can't do anything to you based on this."

"Okay." Shen Mei felt relieved.

At this time, Lan Feiyun suddenly laughed mysteriously: "Meimei, just wait and see, that \*\*\*\* Shen Ning has hooked up with Jing Chenxi now, that shrew Zhu Lingmei will not let her go easily, Zhu Lingmei can only A daughter, her daughter is from her heart, Shen Ning has robbed her daughter's man now, she has to work hard."

Speaking of this, she laughed out loud.

Chapter 458 You should think about it

Shen Mei laughed triumphantly when she heard that:

"Mom, your trick is too clever. We just need to sit behind and quietly watch that \*\*\*\* make a fool of myself. It's just wonderful."

"So, you should learn more from Mom in the future, understand? Some things are more enjoyable to play with dirty things." Lan Feiyun glanced at her daughter and taught her a lesson resentfully.

"Yeah." Shen Mei nodded heavily, smiling, "The bucket of swill must taste good, and, if Jing Chenxi hadn't blocked such a sharp knife for her, she probably has already reported to God by now go."

She was lying on the sofa while talking, took out her phone, tapped the screen with her long fingernails, and swiped the phone.

Sudden

She screamed loudly: "Mom, Jiang Xinyun committed suicide."

"What, suicide?" Lan Feiyun was stunned for a moment, then laughed, her eyes were full of bloodthirsty light, "This is great, Shen Ning is going to be in bad luck again, Zhu Lingmei will not give up easily. "

Jiang Xinyun must have committed suicide because Jing Chenxi abandoned her, and in Zhu Lingmei's perception, the reason why Jing Chenxi abandoned Jiang Xinyun must be because Shen Ning robbed her daughter's man.

For Zhu Lingmei, who has always been strong and domineering, she must take revenge.

the next day.

Chunhui Community.

Shen Ning went out with her bag and a big bag of breakfast. She was still in the elevator when she felt strange eyes from others.

Those eyes are weird, complicated, and have an indescribable taste...

For a while, she faintly felt that something was wrong, but she couldn't explain why, and she didn't take it to heart.

It was almost two o'clock in the morning when I returned home after taking care of Jing Chenxi last night. During this period of hard work, it should be because her complexion is not very good-looking.

Two days before the injury, Jing Chenxi was in unbearable pain all night, and barely slept, so she stayed in the ward.

But his injury had recovered last night, so she insisted on going home to sleep, so as not to be criticized.

Early in the morning, when she came to the hospital, she first gave Jing Chenxi breakfast, and took care of him before returning to the company.

only

As soon as she returned to the company, all the employees in the company looked at her strangely. When she was very strange, Secretary Li came up to her, pulled her aside and comforted her in a low voice:

"Mr. Shen, that Jiang Xinyun's mother is too disgraceful. It was Mr. Jing who didn't want her daughter. It was Ms. Jiang who was pestering Mr. Jing. She just said that you seduced Mr. Jing, and even bribed the media to spread it around and discredit you. , you should think about it, don't be sad, or you will fall into her tricks."

Shen Ning was confused for a while: "Secretary Li, what do you mean by this? When did you get involved in these messy things again?"

Secretary Li looked at her in surprise: "President Shen, you don't know about this yet, do you?"

"What is it?" Shen Ning asked.

It was already two o'clock in the morning when I went back last night, and I got up this morning to be busy again, and she really didn't know what happened.

"Then check the news on your mobile phone. Jiang Xinyun committed suicide last night." Secretary Li immediately said, "Then Zhu Lingmei must have bribed the media, and now the Internet is full of stories about you seducing Jing Chenxi and snatching away Jiang Xinyun's man." Negative news, you have been rushed to the top of the trending search, and you have been scolded."

Jiang Xinyun committed suicide?

Shen Ning's head began to roar.

"How is she? Is she in danger?" She asked anxiously.

Never, she never thought of hurting her.

"Hey, Mr. Shen, you should take care of your current situation, she won't die." Secretary Li sighed.

Shen Ning hurriedly took out her mobile phone, and when she turned it on, she saw pictures of her and Jing Chenxi's scandal and Jiang Xinyun's suicide everywhere on the headlines of various self-media.

On the front page, she and Jing Chenxi clasped hands and stared at each other affectionately. I don't even know which media took the picture of her taking care of Jing Chenxi in the hospital. She cleaned his wound, and he looked at her affectionately. Holding her hand, the two looked intimate, like a couple in love.

Chapter 459 The man who seduced my daughter

Shen Ning's face turned red.

At this time, Marley hurried over.

"Ning Ning, the scandal between you and Mr. Jing has hit the hot searches again. This time, it's a bit big. Jiang Xinyun committed suicide. Now it is spreading everywhere on the Internet that the reason for her suicide is because of you, saying that you robbed her. Her man, this is very detrimental to the company's image, so we have to deal with it quickly." He was very anxious.

Shen Ning's heart sank to the bottom.

"Shen Ning, you bitch, the man who robbed my daughter will die a terrible death. Come out." Outside, a woman's horn suddenly sounded louder and louder.

The front desk lady ran in and turned pale with shock: "Mr. Shen, that woman Zhu Lingmei is scolding you in Guqi Square with a loudspeaker."

Shen Ning's face turned pale.

"Quickly let the security guard drive her away." Marley shouted angrily.

"Vice President Ma, many people have gathered outside the square, even the news media have come. That woman is so aggressive that the security guards can't get close to her at all." The lady at the front desk was crying.

"Shen Ning, you shameless slut, promiscuous, vixen, the man who seduces my daughter, I won't make it easy for you, get out and give me an explanation." Zhu Lingmei got more and more complacent as she scolded there. The more I cursed, the louder I scolded all the ugly words.

Marley ran out to find her to argue, and she nearly hit her head with a rock.

Zhu Lingmei became more and more successful.

"Mr. Shen, call the police." Marley walked in with an angry face, "She is disrupting public order, let the police arrest her and punish her."

"One person does things and the other person is in charge. I'll go meet her." Shen Ning shook his head, and walked out, but his footsteps were heavy.

On Guqi Square.

Zhu Lingmei cursed more and more vigorously. When she got excited, she picked up the stone prepared in advance and threw it at Gu Qi's glass.

With a "bang bang", the glass of the door was smashed to pieces.

The onlookers let out irritating cries.

Zhu Lingmei's eyes turned red: "Shen Ning, you vixen, for harming my daughter, I will smash you to death."

She picked up another brick.

"Ningning, don't go, it's dangerous." Marley grabbed her and pulled her into the lobby. At this moment, there was a bang, and another piece of glass in the lobby was smashed.

"Call the police and let the police deal with her." Marley's eyes tightened, and he took out his mobile phone to call the police.

"Stop." At this moment, there was an angry shout.

Shen Ning looked out.

On the square, a Bentley luxury car drove steadily over.

The car door opened, and a young man with a bandage on his right hand rushed down from the inside, went forward and grabbed Zhu Lingmei's arm holding the brick, and twisted it back.

Zhu Lingmei screamed, the brick fell to the ground, and her arms dropped.

She was so startled that she turned around and saw Jing Chenxi's furious face.

"Zhu Lingmei, you've gone too far, you've bullied people too much." Jing Chenxi couldn't rest in anger, his ever-gentle and elegant face was full of anger at the moment, "You cut my arm, I've already let you go, no It is unreasonable to think that you will get worse and not do your own daughter's ideological work, but blame others. This time, I will never forgive you."

After the words fell, the police car rang.

Marley breathed a sigh of relief, and put down his phone. It seems that Jing Chenxi has already called the police.

"Zhu Lingmei, let me say it again for the last time. I have never loved your daughter, and I have never promised this marriage. It is your own affection. Please do it yourself." He threw her away and walked inside.

At this time, the police came to understand the situation and took Zhu Lingmei away.

Chapter 460 I'm afraid it will be more uncomfortable than killing her

Shen Ning let out a breath and almost collapsed to the ground. Fortunately, Secretary Li next to her helped her in time.

"Ning Ning, don't worry, I'm going to hold a press conference right away to clarify the relationship between me and Jiang Xinyun to the public. You are the most innocent person in this matter. I'm really sorry." Jing Chenxi came over with a heartbroken heart.

Shen Ning shook his head and walked towards the office in silence.

Jing Chenxi followed behind her, worried.

"Mr. Jing, I'm fine. Your hand injury hasn't healed yet. Go back to the hospital." Shen Ning was worried about the wound on his arm, after all it was too deep and too long.

"Ningning, I'm fine. I really didn't expect things to turn out like this. In fact, I'm not afraid of what others will say, but I'm afraid you won't be able to bear it." Jing Chenxi said guiltily.

"Mr. Jing, I'm fine. I haven't suffered all these years. I'm not that fragile." Shen Ning smiled, "Go to the hospital quickly. I want to be quiet for a while. food."

Her small face was a little pale, her eyes were dazed, and her thin body leaned against the door frame, as if she was supporting herself vigorously.

Jing Chenxi's gentle eyes fell on her face, and her heart throbbed with pain.

He didn't expect to embarrass her so much. She is such a strong and decent woman. If this kind of thing happened to her, it would be more uncomfortable than killing her.

"Okay, I'll go first." He said in a low voice, and walked outside.

He must not let the woman he loves be wronged a little bit!

Shen Ning closed his eyes.

At ten o'clock in the morning, Secretary Li ran in excitedly.

"Mr. Shen, the public opinion has finally turned, and now it's reversed. Everyone is scolding Zhu Lingmei, and praises you for being smart, persistent, and capable. You are a role model for women in the new era, and you are full of praise for Gucci perfume. We There are almost 100,000 fans pouring in under the official website, it's really a win, it's great."

Shen Ning was startled, it seems that this is all Jing Chenxi's handwriting.

Sure enough, Secretary Li started to talk endlessly again:

"Mr. Shen, do you know? Mr. Jing is so affectionate. He held a press conference, focused on explaining his relationship with Jiang Xinyun, and severely exposed Zhu Lingmei's disdainful behavior. Finally, he shouted affectionately to the media: Ningning, you are my goddess, the only love in my life, for you, I will never marry."

"Not long after the press conference, the police also avoided rumors on the official website and issued a statement, Zhu Lingmei is now facing half a month in prison, she really deserves it, this woman is too vicious, and now netizens are reposting President Jing's press release The affectionate confession to you at the meeting was full of blessings."

...

Secretary Li was still talking endlessly, but Shen Ning sat in a daze.

After a while, she asked, "Which hospital is Jiang Xinyun now?"

Secretary Li was stunned: "I don't know about this."

"You help me find out."

"President Shen, do you still want to see her?" Secretary Li was surprised.

Shen Ning looked at her with stern eyes.

Secretary Li immediately silenced: "Okay, I'll go right away."

she left.

Shen Ning took out a diary from her pocket, it was given to her by Jing Chenxi, it was the diary of her mother Shao Meiqi.

I've been too busy these two days, so I don't have time to take a closer look.

It's time to take a look.

She slowly opened it.

The diary was indeed written by my mother.

The first half is to record some daily life and perception of life.

It can be seen from this that she was depressed and lived a very unhappy life. She felt particularly guilty about her grandmother. After all, the Shao family was getting worse every day, and she had no way to help her natal family. The man she found was not only disappointing, but also betrayed her. she.

Shen Ning felt uncomfortable watching, wiped his tears with a tissue, and soon Secretary Li came over and told her that Jiang Xinyun was recuperating in the People's Hospital.

That means she and Jing Chenxi were hospitalized in the same hospital.

Shen Ning thought for a while, put away the diary, stood up, picked up the bag and walked outside.
