

Troublemakers 471

Chapter 471 He feels very guilty

"Grandma, it's okay. I accidentally hurt my face when I was holding the hanger. Uncle and Aunt Jiaojiao took me to the hospital. It's okay." Xiaoxiao threw herself into Li Wanqing's arms, hugged her tightly, and enjoyed the Grandma's love.

Li Zhenting saw this scene when he came in, and was very moved.

Such a little girl can be so sensible, she is such a good girl, just now in the hospital, when the doctor cleaned the wound on her face, she cried.

For a moment, he felt very guilty.

"It's fine, Xiaoxiao's skin is as tender and white as tofu, if it leaves any wounds, it will be serious." Li Wanqing looked up at Li Zhenting who just came in and said, "Zhenting, you have to take more care. Xiaoxiao went to the hospital to see her several times, and the wound on her face was completely healed without leaving any scars."

"Mom, don't worry, I will." Li Zhenting nodded in agreement, and looked at Lan Lan.

Lan Lan is tired of tilting Ke Ke, not feeling ashamed at all.

He frowned, Lan Lan had already been spoiled by Shen Mei, indeed, no matter how she looked at it, she was not as sensible and considerate as Xiao Xiao, so he had to admire Shen Ning's way of raising children.

Beside the hospital bed.

Shen Ning was feeding porridge to Li Minhua.

"Not bad, it's delicious, thank you, Ningning, for your hard work." Li Minhua was full of praise while drinking the light porridge.

Li Zhenting walked over.

"You share the porridge and dumplings in your hands with Grandpa and Auntie, and uncle eats." Shen Ning instructed him.

"Okay." Li Zhenting immediately opened the insulated lunch box in his hand. Everyone has a bowl of porridge and ten dumplings, which are hot and accompanied by side dishes. They are very refreshing. By the way, they also brought a large bucket of pork rib soup .

Li Jichun swallowed his saliva watching, Shen Ning's craftsmanship is really good, just smelling the aroma will make him appetite.

He has also been with him in the ward for two days. At this time, he really wanted to drink some light soup, so he ate it without hesitation.

Li Jinyao and Li Wanqing also started eating and drinking with smiles.

The children had already eaten and drank enough at home, laughing and playing around the adults.

The atmosphere in the ward is very warm.

"Ning Ning, tomorrow, can you still make it for my old lady?" Li Minhua asked with a smile after he was in a good mood and his spirit improved a lot after eating.

Shen Ning smiled: "Okay, I will."

"Thank you so much, Ning Ning, meeting you is the greatest blessing in my life." She grabbed Shen Ning's hand and held it tightly.

Shen Ning felt inexplicably heavy, and he also clenched the old man's hand.

"President Li, where's my thermal box." After a while, they finished eating, Shen Ning put away the thermal box and sent it to the RV, ready to go home and then clean it, Jing Chenxi hasn't eaten yet, and is waiting for her to deliver In the past, when she put away the finished insulated box and went to find another insulated box with porridge, ribs and dumplings, she couldn't find it. Just then Li Zhenting came over, and she immediately asked him.

She remembered that she got out of the car first, and Li Zhenting was the last to leave because she had to stop.

"Didn't you take it all away?" Li Zhenting's eyes were light, "You took it all, I don't know."

"Not these." Shen Ning was anxious, "In the end I left one in the car."

"Is there?" Li Zhenting was surprised, "I don't know, you can look for it again, if you put it in the wrong place."

Shen Ning searched the car for a while after hearing the words, and said: "I obviously put it on this small coffee table, but now it's gone."

"Could the kids have taken it?"

"Impossible, the children were the first to leave, and I put them on before I got out of the car and left."

"Then I don't know." Li Zhenting shrugged, with a wicked smile on his lips, "Is that what you left for your adulterer to eat?"

Shen Ning listened to the man's eccentric tone, and glared at him.

She had reason to suspect that he had thrown away those two boxes of bento.

But there was no evidence, and she couldn't get angry, so she had to take out her mobile phone to call Jing Chenxi.

Chapter 472 Gave all the delicious food to her lover

"Ning Ning." Jing Chenxi seemed to be waiting for her call, as soon as she dialed, he immediately answered it.

"Chen Xi, I'm sorry, I'm late today and I didn't have time to cook for you. What do you want to eat? I'll go to the restaurant and buy it for you." She said guiltily.

"Ningning, it's okay. The secretary just ordered me a meal, and your favorite pork belly stewed chicken. Where are you? Come and eat with me. I always ask you to cook for me. I'm sorry, and I'm really afraid I'll tire you out, I feel sorry for you." Jing Chenxi smiled over there, very understanding.

"Okay then, I'll come over to help you look at the wound now." Shen Ning agreed and just put down the phone, suddenly, a cold snort came from the side: "It's really nasty."

You can tell who made the strange noise without looking.

She rolled her eyes, turned and left.

"Hey, are you going to feed your adulterer or take a pee?" Li Zhenting sneered behind his back.

Shen Ning clenched his fist and let it go.

"Shen Ning, tell you, you have to come over in half an hour. I'm going to take the children back. Grandma has a bad heart. Don't make too much noise. You need to rest. You have to come and take your daughter away." Behind Li Zhenting was The tone of command.

Shen Ning gritted his teeth: "Okay, I'll come over as soon as possible."

A gloomy evil smile appeared on the corner of Li Zhenting's lips.

As soon as Shen Ning entered the elevator in the underground parking lot, he opened the door of the driver's cab, took out a bento from inside, and was about to throw it into the trash can when his stomach suddenly rang.

He squinted at the bento.

Today Shen Ning, this dead woman, gave everyone enough to eat, but he was the only one who had the audacity to **** it from him. His stomach was not full yet.

He thought for a while, turned around and sat in the cab, opened the lunchbox and saw that his face was darkened a lot.

She is really good at it. The dumplings for Jing Chenxi are all full, filled with stuffing, the vegetable porridge has a lot of weight, and the ribs are even more beautiful.

Damn it!

Let him eat the rest, and give all the delicious food to her lover.

Wanted to cook for her lover at Li's house, but there was no door!

He opened it and devoured it.

Thirty minutes later, Shen Ning hurried over.

She only had time to change Jing Chenxi's medicine, worrying that Li Zhenting, who was impatient, got angry and rushed here.

Li Zhenting actually leaned back on the back chair and fell asleep.

I think he is also very tired these few days. After all, he has taken care of Li Minhua for two nights in a row, and he has to pick up and drop off the children. Of course, the Li Group also has many things that he needs to handle personally.

She sniffed, how could there be the smell of coriander dumplings in the air, frowned and looked around, didn't see anything, didn't think much, and went directly to the ward.

After playing with the children for a while, Li Minhua felt exhausted and exhausted, but the children were too young and were still making noise in the ward. After Shen Ning passed by, Li Wanqing heaved a sigh of relief and asked her to take the children out up.

"Xiao Xiao, can uncle treat you and your mommy to dinner today?" In Li's old house, after Li Zhenting parked the car, Ke Ke, Ding Ding and Lan Lan got out of the car and left first. Li Zhenting grabbed Xiao Xiao and kindly ask.

Xiao Xiao looked at him in surprise.

Daddy actually invited her and Mummy to dinner? Did she hear correctly?

She looked at him carefully, well, Daddy really thought so in his heart at this time, for a moment, she was so excited.

Going to eat with Daddy, she dreamed of it.

Although Daddy is a bit scumbag and treats her badly, he is her Daddy after all.

Chapter 473 I think she should be praised

"I..." Before Xiaoxiao could answer, Shen Ning took the heat preservation box and got out of the car, shouting outside: "Xiaoxiao, come down quickly."

"Are you okay?" Li Zhenting asked Xiao Xiao again temptingly, "You can pick whatever you want, and you can eat whatever you want."

"Okay." After confirming that he was kind, Xiaoxiao finally couldn't resist the temptation and agreed.

"Then you can help uncle later and get your mommy to agree to come to eat with me, okay?" Li Zhenting looked at Shen Ning who was waiting outside with big bags and small bags and said.

"Well, good." Xiaoxiao nodded, and the milk voice asked in a small voice: "Then will you be nice to my mommy in the future, if so, then I will help you."

"Of course, I will be very good to you and your mommy." Li Zhenting nodded affirmatively.

"Then let's pull the hook and hang ourselves for a hundred years and not change it." Xiaoxiao stretched out her little finger.

Li Zhenting was stunned for a moment, and just about to say something, he saw small eyes staring at her, black and bright, as if they could see through his heart.

He was inexplicably flustered.

The small eyes are really like Shen Ning, not only good-looking, but also emit a bright and sharp light, which can shine into his heart, and peek into all the secrets in his heart.

"Okay." Under Xiao Xiao's gaze, he stretched out his little finger and hooked it with the little little finger. The little girl's little finger was white and soft, and the little guy's milk voice was loud: "Pull the hook, hang yourself, one hundred The year is not allowed to change, the one who changes is the green bastard."

Li Zhenting's face turned green instantly, and the muscles on his face twitched.

"Yeah, that's great." Xiao Xiao was very happy and clapped her hands.

"Shen Ning, I would like to invite you and Xiao Xiao to dinner tonight." Li Zhenting took Xiao Xiao's hand down and said to Shen Ning seemingly casually.

"Eat?" Shen Ning looked at him in surprise, "Why?"

"Lanlan hurt Xiaoxiao today, and Xiaoxiao didn't mention it in the ward. She is really sensible and didn't say anything to worry my grandma. It's great. I think she should be praised and I want to take her out Eat something delicious." Li Zhenting said very piously.

"No need, Xiaoxiao has always been so well-behaved and sensible, you just need to educate Lan Lan well." In Shen Ning's mind, Lan Lan's obedient and sweet look flashed across her mind, and she didn't really regret it. She had a headache and said after a pause : "Mr. Li, Lan Lan is a very well-behaved and smart child, but she has a lot of thoughts, flamboyant and dishonest. As her father, you must guide her well so that she will not go astray when she grows up. No, she will suffer a lot." Only her."

"Well, you are right, I will criticize and educate her." Li Zhenting nodded in agreement, of course he knew this, but his time was limited, and Lan Lan was often by Shen Mei's side, sometimes he was powerless .

Shen Ning saw that Li Zhenting was sincere at this time, so he didn't say anything else, turned around and left.

"Wait, Shen Ning, Xiaoxiao has already agreed to go to dinner with me, do you really want to refuse cruelly? Are you ignoring Xiaoxiao's feelings?" Li Zhenting took Xiaoxiao's hand and tightened it, signaling Xiaoxiao to hurry up help.

Shen Ning looked back at Xiao Xiao, and smiled: "Xiao Xiao, let's eat at home, Mommy has something to go out at night?"

"No, Mommy, I want to go out to eat with my uncle." Xiao Xiaoda looked at her with eager eyes. She really wanted to go out to eat with Daddy. Went out to eat.

Shen Ning's heart trembled inexplicably, and he looked at Li Zhenting vigilantly.

What the **** is this guy doing? Could it be that he has already noticed something and wants to take Xiao Xiao away? This realization made her shudder.

Chapter 474 She is selfish

"Xiao Xiao, do you really want to go out to eat?" Shen Ning pondered for a while, and confirmed to Xiao Xiao again.

"Yes, Mommy, I want to go out to eat." Xiao Xiao nodded seriously.

She can confirm that Daddy has no bad intentions at this time, Daddy is very sincere to Mommy, and she wants to be with Daddy.

Shen Ning was silent.

Xiao Xiaochang has never received a father's love at such a young age. If Li Zhenting has no malicious intentions and just wants to invite them out for dinner, it is not a bad idea. At least it can make up for Xiao Xiao's lack of family affection, and it can also make her feel less guilty. When the children are together, the children also want to be with Daddy.

But Ruo Li Zhenting has bad intentions...

"Okay." Shen Ning suddenly agreed.

She thought, if Li Zhenting had bad intentions, Xiao Xiao would be able to read his heart, so it wouldn't be the case.

Of course.

If he dares to play tricks, then just try it. Through this period of indomitable struggle with him, she already knows how to deal with this Hades. Many times, he was helpless with her.

"Thank you, Mommy, that's great." Xiaoxiao laughed happily, with a bright smile.

Shen Ning secretly sighed, this is family affection!

"Mummy, don't worry, if Daddy has any bad thoughts, I will tell you and I will never let him bully you. I just want to spend more time with Daddy." Shen Ning whispered in his ear.

Shen Ning was taken aback.

"Mum, I won't let the scumbag know about my life experience, unless he doesn't want Lan Lan and that ugly witch anymore." Xiao Xiao continued.

Shen Ning's eyes were red, and he lowered his head and kissed her little face: "Xiao Xiao, you are really a good child of Mommy, and Mommy is doing this for your own good."

She is so afraid of losing Xiaoxiao, afraid of wandering alone in this world, helpless, she is selfish, but what makes her even more worried is that the current Li Zhenting is by no means a father who can rest assured to hand over her children.

"I know, Mommy, I love you and I want to be with you forever."

Shen Ning's heart aches and feels relieved.

The night is coming, the breeze is blowing, golden chrysanthemums are blooming, and a slightly sweet aroma is floating in the air.

Shen Ning put on a blue princess dress for Xiaoxiao, with black silk pants that were close-fitting and had two small petals.

The little girl's skin can be broken by blows and bullets, and her two big bright eyes are pitch-black, clear and clear. When she smiles slightly, her eyes are bent like crescent moons, as if the aura is overflowing, and the noble expression between frowns and smiles is natural. Revealed, the whole body is shining with elegant and beautiful light.

She hummed a song and jumped down from upstairs.

Lan Lan was standing by the stairs looking at her, her eyes were full of jealousy.

"Xiao Xiao, where are you going?"

"I won't tell you." Xiaoxiao didn't even look at her, and ran towards Shen Ning's bedroom.

Lan Lan's face turned black, her lips were pouted, and she looked at the little back with hatred.

She already knew that Daddy was going to take Xiaoxiao out for dinner.

Why, she is Daddy's precious daughter, and this little girl is nothing, and even robbed her Daddy.

Tears welled up in her eyes.

"Mommy." Xiaoxiao shouted happily.

"Little." Shen Ning casually changed into a turtleneck sweater and blue jeans, took a bag, and walked out holding Xiao Xiao's hand. As soon as he came out, he saw Li Zhenting coming down the stairs.

The man is wearing a black punk-style leather jacket, a white T-shirt, and dark jeans. He is cool and has a ruffian temperament. The Peter watch on his wrist is shining with gold, which makes him noble and cynical.

When Shen Ning looked towards him, his eyes also looked towards her.

The eyes of the two met, and they couldn't help smiling.

Chapter 475 Daddy doesn't want me anymore

"Is this what you wear?" Li Zhenting looked Shen Ning up and down, seeing that she was dressed too casually and simply, he couldn't help asking.

Shen Ning said lightly: "Isn't it just for dinner, and there are no outsiders, so is it possible to wear a dress? I'm sorry, I'm not prepared."

Li Zhenting looked at Xiao Xiao, the little girl is so beautiful tonight, it can be seen that she has been carefully dressed.

"Come on, little one." He smiled and stretched out his hand towards her.

Xiao Xiao handed him his hand.

He held the little guy's hand and walked outside.

Shen Ning followed behind them.

"Daddy." Behind, Lan Lan stood leaning against the wall, yelling with her mouth curled up.

Daddy likes Xiaoxiao now, so he doesn't want her anymore. How sad she is.

Li Zhenting heard the cry and turned around.

"Lan Lan, reflect on yourself tonight, write a reflection book, and hand it to me when I get back." Li Zhenting said with a serious tone, and walked away holding his little hand.

Lan Lan burst into tears of grievance.

Shen family.

Shen Mei is eating fruit and swiping her phone.

Suddenly a call came in, she saw that it was from Lan Lan, and immediately picked it up.

"Lan Lan."

"Mommy, Daddy doesn't want me anymore. He took Xiaoxiao and her mommy out for dinner." Lan Lan complained while crying.

Shen Mei sat up immediately when she heard this, and said angrily, "Why don't you pester your daddy? You're so stupid, you can't even beat a little bastard."

Lan Lan became more aggrieved and cried louder.

"Lan Lan, let me tell you, in the future you have to find a way to make your daddy hate Xiaoxiao, you are your daddy's precious daughter, Xiaoxiao is just a bastard, if you can't do this, then you won't be the daughter of the Li family, how can she not even do this, she is really not my daughter." Shen Mei scolded over there, then whispered into the phone...

After a while, Lan Feiyun came over.

"Lan Lan, remember what Mommy said, and do what Mommy taught you, understand? Mommy hung up beforehand." Shen Mei ordered and hung up the phone.

"Mom, Lan Lan is so stupid, she can't even beat Xiao Xiao." Shen Mei said to Lan Feiyun angrily, "That Ning Xiaoqian mother and son are also cowards, they just talk about it, what happened? Can't do it either."

Lan Feiyun sat down: "What's wrong?"

Shen Mei told about Li Zhenting's invitation to Shen Ning and Xiaoxiao to go out for dinner, and she also told in detail about how she instigated Lan Lan to bully Xiaoxiao in the kindergarten.

Lan Feiyun said unhurriedly: "Why are you in a hurry, now that Zhu Lingmei is locked up, that woman is definitely not a fuel-efficient lamp, she has suffered this loss, and she will never give up after she comes out, let Shen Ning be half-satisfied first months."

Shen Mei blinked and smiled.

White Swan Hotel.

In front of the large floor-to-ceiling glass, clean white tablecloths, round tables, fine red wine, and all kinds of delicious food are all on the table.

Li Zhenting is very gentlemanly and elegant.

He took the initiative to pull a seat for Shen Ning, bring them food, take care of Xiaoxiao's meals, and was very considerate.

The atmosphere at the dinner table is very warm.

"Ning Ning." While Shen Ning was eating, someone suddenly called her.

When she looked up, she saw a young man with a pure temperament and a slender figure standing in front of her.

Ji Qingshan!

"Qingshan." She exclaimed, "What a coincidence, are you eating here too?"

"Yes." Ji Qingshan said slowly, "Ningning, come here, I have something to ask you."

He didn't look at Li Zhenting, turned around and walked out.

Chapter 476 Don't you want to know who bought her?

Shen Ning looked at Li Zhenting: "I'm sorry, I'll go out and order first, so you can eat slowly."

Li Zhenting's brows and eyes were faint, and he couldn't see any emotion.

Shen Ning stood up and hurried away.

"Qingshan, what's the matter?" Shen Ning followed Ji Qingshan to a secluded tree, and asked anxiously as soon as he stood still.

"Hey, it seems that if I didn't say something was wrong, you wouldn't have come with me. The reason for asking so anxiously is to spend more time with Li." Ji Qingshan's tone was a bit cold.

Shen Ning was embarrassed by what was said, so he could only laugh along with him: "Qingshan, am I in a hurry, when I heard something happened, I just thought about it."

"Forget it, there is no cure for a woman with a brain in love." Ji Qingshan snorted, and said: "Last time, didn't you entrust to investigate Ding Ding's affairs six years ago, and now there are results."

Shen Ning's heart skipped a beat, and he immediately asked, "What's going on?"

"It's very simple, that baby didn't die, but was swapped."

"But the doctor who performed the surgery at that time was your good friend."

"Yes, but you were too dangerous that night. You were bleeding heavily. She was in a hurry to save you. Besides, after the baby was born, it was the nurse who was in charge, and her doctor didn't care. That night, a nurse swapped penis. gone."

"Who is this nurse?"

"You don't need to know who she is anymore. She has also received the punishment she deserved. Last year, her only son died. Her hair turned white overnight, and she was already crazy. Back then, someone bought her to give birth to you. She couldn't bear to lose all of her children, so she left two for you, and it's okay to just lose one."

Shen Ning was silent.

"Don't you want to know who bought her?"

"Don't think about it, it must be Lan Feiyun." Shen Ning clenched his teeth and clenched his fingers into fists.

"Wrong, it's your own father, Shen Deshun." Ji Qingshan told her the truth cruelly.

"My dad? Why did he do that?" Shen Ning was shocked.

"That year, the Shen Group borrowed a lot of loan sharks, and he was chased and beaten by loan sharks every day. In order to pay off the loan, he thought of the child in your belly, and planned to use the child in your belly as a bargaining chip to ask Li Zhenting for money. Later, this After Lan Feiyun found out about this, she was very happy, because Shen Mei was also pregnant, so she made a plan and directly regarded your child as Shen Mei's child. With Tintin, she successfully entered the Li family, and Shen Deshun He also got what he wanted, kept the Shen Group, and the worst thing is you, who don't know anything about it."

Shen Ning was stunned.

It is said that a father's love is like a mountain. To her, father's love is like a knife, which can kill her alive.

"How did my dad know I was pregnant?" she murmured.

After she was rescued by her grandmother, her grandmother kept it from everyone in order to avoid accidents.

"I should have known it from Wu Lili. After all, your grandmother spent a lot of money for you. Wu Lili had suspected your grandmother for a long time. Fortunately, you left after giving birth that year. No one knew about you back then. After giving birth to triplets, everyone thought you were going alone, otherwise, you and your children would not be alive today."

Shen Ning's heart was as heavy as lead.

"Ning Ning, the bad guys have not been eliminated, you have to be careful in the future, I will go to France for three months tomorrow, I hope you can cleanse me up when I come back." Ji Qingshan looked at her with pity.

This is the most tenacious, resolute and courageous woman he has ever seen. After so long and so many things happened, she can still get along with her ex-husband. Undoubtedly, she really loves Li Zhenting.

"Don't worry, since I survived, I will definitely live a better life. Gu Qi has turned against the wind, and I believe that nothing can be hard for me." Shen Ning replied confidently and resolutely, "After three months, I will definitely let you take the wind and wash away the dust."

"Okay, good." Ji Qingshan gave her a thumbs up.

Chapter 477 You are not allowed to scold Mommy

"Xiaoxiao, what are your mommy and that uncle talking about?" In the dining room, Li Zhenting asked very kindly to Xiaoxiao who ran back.

Xiaoxiao blinked her big eyes, and her milk voice was sweet: "I can't hear clearly, but I probably heard them talking about children."

child?

Li Zhenting narrowed his icy eyes.

It seems that Xiaoxiao is probably Ji Qingshan's child.

It turns out that this woman hooked up with another man six years ago, maybe he was cheated on in marriage.

No wonder she was able to invite Ji Qingshan to perform surgery on his breast that night.

Hmph, adulterer and whore!

Li Zhenting's face was tense.

Xiaoxiao tilted her head and looked at Daddy.

This daddy's face is dark, and he is scolding Mommy in his heart!

"Hey, you are not allowed to scold Mommy." Although Xiaoxiao didn't know what "adulterant adulterer" means, but Li Zhenting's face must be scolding Mommy, so she patted the table with her little hand and shouted loudly, "Just now you promised that I would be good to my mommy, did you forget so soon?"

Li Zhenting was taken aback.

How did this little guy know he was scolding Shen Ning?

"No, I'm praising your mommy." For the first time in his life, he was scolded by a little guy, but he couldn't get angry, so he could only smile.

"Liar, not good at all." Xiao Xiao pouted.

Li Zhenting was a little embarrassed.

"Xiao Xiao, do you want to eat something else?" He took the menu and asked flatteringly.

"No need, I'm already full." Xiao Xiao shook her head, looking like a little adult.

"Then what do you want? For example, toys, beautiful clothes, or where to go to play. Uncle will take you to buy them later." Li Zhenting continued to ask.

This temptation is quite big, after all, Xiaoxiao is still young, and her heart was moved. Looking at Li Zhenting, she replied in a low voice: "Then I have to ask Mommy first."

It means that Mommy dares to ask for it only after she agrees!

While talking, they saw Shen Ning walking over there.

Li Zhenting narrowed his eyes: "Okay, you can ask."

Shen Ning walked over and sat down with a heavy heart, his face still pale.

"Mummy, I'm full." Xiaoxiao tentatively pulled Shen Ning's hand, but she dared not ask Daddy to take her shopping.

"Okay, Mommy is full too, let's go back." Shen Ning smiled slightly, looked at Li Zhenting, "Shall I pay the bill?"

Li Zhenting said slowly: "I have already bought it."

"Then let's go." She went to hold the little hand.

Xiao Xiao looked at Li Zhenting.

Li Zhenting smiled slightly: "No hurry, let's go to Friendship Department Store first."

"What are you doing there?"

"Buy a gift for Xiaoxiao."

"No."

"It's not for you, so why do you refuse?" Li Zhenting slowly wiped his lips with a warm tissue, and spoke tepidly.

Shen Ning looked at Xiao Xiao: "Xiao Xiao, do you want it?"

Xiaoxiao looked at her with big eyes: "Mum, if you say you don't want it, I don't want it anymore."

Uh, that's what I said!

The corners of Li Zhenting's lips curled up.

"Okay." Shen Ning had no choice but to agree.

Li Zhenting stood up slowly, took his little hand and walked outside.

Shen Ning had no choice but to follow behind them.

Xiaoxiao followed Daddy happily, bouncing up and down, chattering from time to time.

"Xiao Xiao, do you like me or Uncle Jing." After buying her a bunch of toys and clothes, Li Zhenting picked her up and asked softly, for fear that Shen Ning would overhear.

The little girl is really cute, sensible and caring, but her heart is not for him, and he is a little unwilling.

"If you are nice to Mommy, I will like you, and if you are bad to Mommy, I will like Uncle Jing." Xiaoxiao replied after thinking about it while hugging Snow White.

"Then would you rather let Uncle be your daddy or Uncle Jing be your daddy?"

"If you treat Mommy well, I will let you be my daddy." Xiaoxiao still couldn't do without Mommy every single word.

Li Zhenting felt very helpless.

Chapter 478 He hugged the two of them from behind

On the tree-lined path, the street lamps shine through the shade of the trees, and the cool night wind blows a slight chill on the body.

Xiao Xiao was finally tired from shopping, and fell asleep lying on Shen Ning.

Shen Ning hugged her daughter and walked towards the parking lot in front. The underground parking lot was already bursting, and Li Zhenting's car could only be parked at the corner there.

Li Zhenting strode out of the shopping mall with big bags and small bags.

He looked up.

Shen Ning walked in front with the child in his arms, his thin body was like a weak willow supporting the wind, and it was very difficult for him to walk.

Xiaoxiao also weighs forty to fifty catties.

"Come on, give me the child, and you can carry the things." Li Zhenting stepped forward, put down the things in his hands, and stretched out his hands towards her.

Shen Ning hesitated for a while, and was about to give Xiao Xiao up to him.

After all, there is still a long distance from here to the parking lot over there. She is a little struggling, and her wrist has already been injured because she often hugged Keke and Xiaoxiao at that time.

Besides, Li Zhenting is the little daddy. He has never fulfilled the duties of a daddy, so there is no harm in hugging.

How did he understand a woman's pain of pregnancy and childbirth?

Li Zhenting reached out to hug Xiaoxiao.

But the little hands just grabbed Shen Ning's clothes tightly, and he tried to break her little fingers, but the insecure little guy turned his mouth and cried out.

Li Zhenting had no choice but to let go of his hand, a little helpless.

Daughter's dependence made the maternal love in Shen Ning's heart rise, and a force rose up in vain.

She hugged the child vigorously and walked forward.

What is this? In those years, she held one in her arms and had to carry another on her back. When the child was sick, she was so tired that she collapsed.

After all the hardships and tiredness, do you still care about such a small path?

Li Zhenting frowned.

There is a steep **** ahead!

A woman's back is slender and weak. She is at an age that needs a man's love and pity, but she forcibly carries the burden of two children.

At that moment, his heart was soft, and the corners of his lips curled up in a warm arc.

After a while, Shen Ning started to walk uphill with Xiao Xiao in his arms, sweat was all over his forehead, but she didn't dare to make any changes in her holding Xiao Xiao's posture, for fear of waking up the child's dream suddenly.

Li Zhenting's eyes darkened a little, and he walked up abruptly, outflanking him with his arms crossed.

Shen Ning immediately felt his body lighten, and his whole body flew into the air, screamed in fright, and hugged Xiao Xiao tightly, for fear that Xiao Xiao would fall down.

The man's familiar bellflower breath poured into his nostrils.

Li Zhenting has already picked up her and Xiao Xiao from behind.

Her heart began to pound.

The man's muscular chest, strong arms, and steady heartbeat made her feel as if she was in another world.

She snuggled into the man's arms, hugging her daughter, suddenly, everything in the world stopped turning, a short-lived feeling of stability rose from the bottom of her heart, she had never had a peaceful heart, and her tired and restless soul seemed to be Got a respite in this moment.

She closed her eyes.

very tired!

Her tiredness, Li Zhenting will never be able to understand, and will never be able to imagine, she not only has to hold the child, but also pulls the burden of life with the other hand to move forward.

Her tiredness is the heavy blow of so many years of cruel life and the hard work of fate.

"Okay, take Xiaoxiao to lie down and rest, and I'll drive." Still in a daze, Li Zhenting had already sent her and Xiaoxiao to the RV behind, and he put the two of them on the bed, whispering Open your mouth.

Shen Ning didn't speak.

Li Zhenting turned around and got out of the car.

She suddenly opened her eyes and burst into tears.

The breeze was blowing slightly, and the night was still. Shen Ning looked at the darkness outside, wondering what he was thinking.

Chapter 479 gave you

Li's old house.

After Li Zhenting stopped the car, he opened the back door of the RV.

Shen Ning hugged Xiaoxiao and fell asleep in the RV.

He closed the car door gently, took out a cigar and put it between his index and middle fingers, lit it against the car door, slowly put it in his mouth and took a puff, and then exhaled the smoke.

The night was quiet.

With the cigarette **** between his fingers bright or dark, his handsome face is unpredictable.

After smoking a cigarette.

He opened the car door.

Shen Ning and Xiao Xiao are still awake.

He climbed up, reached out and hugged the two of them into his arms...

Shen Ning was awakened by a familiar smell, sat up and looked around, she was actually sleeping in Li Zhenting's bedroom.

"You're awake." Li Zhenting was standing by the bed and looking at her.

She looked up at him in surprise: "Sorry, I fell asleep."

"It's okay." Li Zhenting looked at her with dark eyes, "Did you have a nightmare? You actually cried."

"I..." Shen Ning hastily raised his hand to wipe his face, but there were still tears dripping on it, she wiped it away, turned around to hug Xiao Xiao, and was about to leave.

"Where are you going?" Li Zhenting stopped her.

"I'll take Xiaoxiao downstairs to sleep."

"No, you can sleep here, and I will sleep downstairs." Li Zhenting stopped her.

Shen Ning wanted to say more, he had snatched Xiao Xiao from her hand and put him on the bed, saying: "Come with me, I have something to ask you."

Shen Ning's heart ached for a while.

This man still has something to look for her in the middle of the night, so there must be something wrong!

Li Zhenting walked towards the study.

Shen Ning followed anxiously.

What on earth is this man going to do? He showed a rare kindness to the two of them tonight, so he won't regret it.

"Close your eyes." As soon as Shen Ning followed Li Zhenting to the study, Li Zhenting ordered.
"what?"

"If you tell you to close it, close it, don't worry, it won't kill you."

Shen Ning looked at this domineering man, but had no choice but to close his eyes.

"Okay, open your eyes." After a while, the man spoke softly.

Shen Ning hurriedly opened his eyes.

As soon as it opened, it was stabbed by a burst of golden light and closed again.

"What are you doing?" Shen Ning rubbed his eyes with his hands and asked.

"Take a good look." Li Zhenting's words were actually very gentle.

Shen Ning rubbed his eyes again before opening them.

I saw a bouquet of golden roses appearing in front of her.

What shocked her was that these roses were not real flowers, but made of gold.

"You..." She looked at him in surprise.

"For you." He smiled slightly, his bright eyes were unpredictable.

"Give it to me?" Shen Ning was shocked, and didn't dare to reach out to take it after looking at it for a long time.

"Take it quickly." Li Zhenting couldn't wait, and urged.

"Why did you give it to me?" Shen Ning felt incredible, but suddenly remembered something, "Did Coco ask you to buy it?"

Li Zhenting's face darkened, where did this dead woman think.

Will he only buy Cocoa if he asks him to buy it?

If there was indeed a suspicion of asking him to buy cocoa in the previous few times, then this time, absolutely not.

is what he himself wanted to give her.

"Don't take your children's words seriously. They are still young and don't understand the affairs of adults. You don't need to waste money just to please them." Shen Ning said seriously, "Quickly return them, I deserve them." Not for something so expensive."

Such a large bouquet of roses made of gold would cost at least several million, he was really willing to do so!

She turned around and was about to leave.

Chapter 480 Who is that man?

"Shen Ning, do you really don't want it?" Li Zhenting asked with a dark face.

"No." Shen Ning didn't turn his head.

Li Zhenting was very annoyed: "This is a benefit I gave you. You worked hard to bring cocoa in those years. If you don't want it, you gave it up yourself. Don't blame me."

blame you? Just kidding, I just hate you!

"Don't worry, I don't need these benefits from you, it's not rare." With tears in her eyes, she pursed her lips and strode out.

This night, she spent the rest of the night in a half-sleep, Li Zhenting's pig's face would always flash in her mind, and when she fell asleep, she would hear Ke Ke crying for her mommy.

When she woke up in the morning, her eye circles were slightly swollen and her face was blue, so Jing Chenxi was very worried when she saw her.

After delivering breakfast to Jing Chenxi, she returned to Gu Qi.

Marley brought the latest data.

Ha, big profits!

For the first time in days, she had a happy smile on her face.

"Ningning, it's time for you to buy a car. The president of Tangtang Company doesn't even have a car when he goes out, which makes people laugh."

"You can have this." Shen Ning looked at the book profit figures and smiled slightly, "Why don't we choose now?"

"Okay, it just so happens that this batch of goods has been rushed out today, and it will have to be delivered to major stores tomorrow. It is really inconvenient without a car."

"Okay, let's go now."

Shen Ning stood up, and Marley followed.

After some discussion, they decided to buy a better car, after all, this is the face of the company.

Mercedes-Benz flagship store.

"I just fell in love with this one, you go and pay." Shen Ning was listening to the salesperson introduce a Daben business car in detail, when suddenly, a woman's voice came from a few cars away .

She heard it very familiar, and she couldn't help turning her head away.

"Okay, just this one." The man's rough voice came, but the voice was very strange.

She took a look, and there was a man and a woman over there who also came to buy a car. Because there were several car models blocking them, they couldn't see people at all, and could only hear voices occasionally.

She turned her head again and listened to the salesman's explanation.

She is not an expert in cars, but under Marley's suggestion, she thinks it is better to buy a commercial car, which is convenient for work and can be used privately.

She walks towards the cash register.

"Thank you Brother Kang, you are so kind to me, then I will wait for you at the exit." A sweet female voice came from there again.

This time, the voice is clearer.

Shen Ning's eyelids twitched, the whining sound would wake her up even in a dream, her face changed color, and she turned her head away.

this time

At the exit, she saw the figure of a woman. The woman was wearing fur, boots, and shorts. She was very fashionable, and her back was very familiar.

It really was her, Shen Mei!

She even came to buy a car!

But she has a blue Porsche! Li Zhenting bought it for her!

While she was thinking, a black Hummer drove over and stopped in front of her.

She opened the passenger door and sat on it.

The moment she got into the car, Shen Ning saw a man sitting in the cab. Because of the distance, he couldn't see the man's appearance clearly, but judging from his appearance, the man should be in his thirties.

As soon as she got up, the man stretched out his hand towards her... She immediately closed the door, and the car quickly drove away.

Shen Ning stood in a daze for a while.

Who is this man with Shen Mei?

Could it be... Impossible!

She shook her head violently.

Shen Mei loves Li Zhenting so much, her dream is to be Mrs. Li, how could she get involved with other men, she is not that stupid.

Besides, how could a shrewd man like Li Zhenting allow his beloved woman to be with other men? If this was the case, then Shen Mei would have no way out.

Maybe it was a driver, after all, the man stretched out his hand to Shen Mei at the end and didn't see where it landed. Maybe it was just to help her fasten her seat belt!

After she went to the cashier to buy the bill, she followed Marley back to the company.
