

Troublemakers 491

Chapter 491 She was actually deceived by Li Zhijun!

"Cousin." As soon as Shen Ning approached, Li Jiaojiao floated over like a gust of wind and took her arm, "You are so beautiful tonight, no wonder my cousin never forgets you."

cousin?

Shen Ning sneered secretly, isn't her cousin Li Zhenting, will that guy never forget her? It seems that Li Jiaojiao is also a master who has no brains.

However, she didn't bother to explain.

"Jiaojiao, I wish you a happy return home." Shen Ning smiled and congratulated, but his eyes looked inside, looking for the shadows of the two little guys, Ke Ke and Ding Ding.

For her, seeing her son is the most pressing thing for her.

"Ning Ning." Suddenly, someone called her name, she looked up, and saw Wang Xingyu walking over from there. The man was wearing a denim T-shirt, very refreshing and handsome.

"Xingyu, are you here too?"

"Yes, Li Jiaojiao invited me, can I not come, but I didn't expect you to come too." Wang Xingyu looked at her in surprise.

Li Jiaojiao winked at Wang Xingyu and smiled: "That's fine, I'll leave my cousin to you, take good care of me."

After she finished speaking, she turned around and went to entertain other guests.

"Xing Yu, have you seen Ke Ke and Ding Ding?" As soon as Li Jiaojiao left, Shen Ning looked around eagerly, continuing to look for Ke Ke and Ding Ding.

"Ke Ke and Ding Ding?" Wang Xingyu was even more surprised, "Children should not come to this kind of occasion."

"Isn't it a serious dance tonight?" Shen Ning looked at him in surprise and asked.

"Uh." Wang Xingyu eh, with an inscrutable smile on his face: "I'm not afraid to tell you, after tonight, there might be a lot of little guys like Little Keke and Little Dingding popping up."

At the upcoming masquerade party, both men and women will wear masks. Besides dancing, it's really hard to imagine what kind of tricks they will play, based on the personalities of the two brothers and sisters Li Zhijun.

Shen Ning's face changed greatly, and in the next second, he shouted: "Li Zhijun."

As soon as she finished speaking, all the lights in the hall suddenly went dark, soft music sounded, and the stage lights that alternated between dim and dim also flickered.

The makeup party has begun!

Everyone put on makeup masks in no time: Iron Man, bunny, Barbie... dizzying!

Men generally wear suits and leather shoes, and it is extremely difficult to identify them after wearing a mask.

Women are dressed in all kinds of clothes, but if you are not familiar with them, it is extremely difficult to recognize them.

sky.

Shen Ning was very angry!

She was actually deceived by Li Zhijun!

"Ning Ning, since you're here, let's have fun, don't worry, if Li Zhijun doesn't care about you, I'll accompany you, nothing will happen." Looking at her angry face, Wang Xingyu knew that she was cheated by Li Zhijun, But at this moment, Li Zhijun didn't know which woman was in her arms, so he immediately comforted her and led her to the side.

Shen Ning just wanted to leave immediately. She walked towards the gate, but the gate was already locked. If she wanted to leave here, she could only find the key to unlock the gate by finding Li Zhijun and Li Jiaojiao.

Her heart sank to the bottom, and she immediately became nervous.

Wang Xingyu should be used to such big scenes, but he was very calm.

Shen Ning was anxious, but he didn't notice the cold and hateful eyes in the crowd.

"Everyone, next we will have a masquerade competition. Now we are all wearing masks and we don't know each other. Then we will be matched randomly. The matching method is determined by lottery. Whoever wins will enter the next round, and whoever loses will enter the next round. Both men and women decide the reward and punishment system by themselves, and whichever group plays the most exciting will be awarded the Crazy Creativity Award.

Today, there are three awards in total. The first is the Solo Dance Conferred God Award with a bonus of 5 million. The second single-group Mixed Dance Conferred God Award has a bonus of 10 million. Both men and women will get 5 million each. There are three mixed gender creative awards, whichever group has the most fun will get a bonus of 10 million.

Dear friends, let's spend the night happily and happily. A generous bonus is waiting for you. If someone is recruited tonight, the bonus is enough to go to the hospital to have an abortion. Life is too short to have fun in time Let's have fun, the party begins. "

Chapter 492 Evil

"Good, great."

Following the extremely emotional words, there was a burst of applause and screams in the venue.

Shen Ning looked around, and saw faces wearing masks. Under the masks were pairs of excited, frenzied and eager eyes, like wild wolves in heat emitting a green light.

The person who spoke loudly just now is Li Zhijun!

Shen Ning understood his thoughts immediately.

This guy tricked her for the reward.

She is really stupid. This guy is always either a woman or money. Although he sometimes shows loyalty, he basically grew up in eating, drinking and having fun. Now he is divorced. Because this has limited his source of income, the Li family has no business. He was so talented that he lost his money, so he could only make money by this crooked way.

If you guessed right, these bonuses must have been raised by these rich second generations who were cheated by him. There is no one here who is not a fun and exciting owner, he is just doing what he likes.

"Ning Ning." Sure enough, while she was still thinking, that guy Li Zhijun came to her like a gust of wind, smiling, and stretched out his hand to her.

He is wearing a big bad wolf mask, under the mask is a pair of smiling peach blossom eyes.

"Damn it, how dare you lie to me." Shen Ning was furious, and punched him.

Li Zhijun grabbed her hand, rubbed it in his palm, dragged her aside, and begged in a low voice: "Ningning, I helped you last time, this time, you should help me too, you know, I'm a little tight right now, I'm short of money, this is a rare opportunity for me to make money, you must help me, don't worry, I will protect you."

"Then you shouldn't lie to me." Shen Ning's remaining anger could not be dispelled.

"If I don't say that, can you come? I have 10 million. I have been planning for a long time, and I can't let it go in vain."

"If I come, you will definitely win the prize?"

"Yes, you and I are the real dancers, and we must win the award. The Dance Skill Conferred God Award is tailor-made for us. As long as you cooperate with me to finish the dance, I will send you back. Believe me." Zhijun swears and swears, looking pitiful, "If you don't help me again, I will have to sleep on the street."

Seeing him like this, Shen Ning really couldn't bear to leave.

"Then you have to keep me safe. I'm only in charge of dancing, and I'll leave after dancing." She said sullenly.

"Okay, okay, sure." Li Zhijun nodded his head.

At this point, she can only dance two dances with him, otherwise, he would not let her go, who is short of money and dizzy, and she has no choice but to agree.

"Li Zhijun, you must take good care of Shen Ning tonight. If she makes a mistake, you are the only one I can ask." Seeing that Shen Ning had agreed, Wang Xingyu stepped forward and threatened Li Zhijun with a few words, I also went to play with my buddies.

Li Zhijun took a Snow White mask and put it on Shen Ning, leading her towards the center of the stage.

In a dark corner over the dance floor.

"Seventh brother, it's her. I don't care what method you use tonight, I have to get her." On the bar chair, Shen Mei pointed to the woman dancing on the dance floor and whispered to the big-waisted man next to her.

The man looked at the graceful and graceful figure on the dance floor, with his waist tightly grasped, his **** legs lifted up from time to time, and his eyes under the mask were shining with fire-like desire.

This woman is definitely the best, not only charming and charming, but also delicate and sensual, it must be very exciting to play with.

"Damn it, I haven't been close to a woman for a long time, and I happen to be having **** tonight." He swallowed, wishing he could rush forward and throw Shen Ning down and take off his pants to finish her off.

But it was not yet time, so he could only suppress the desire in his heart, licked his dry lips, and said to Shen Mei: "Don't worry, as long as you drink the medicine, I promise you will be able to drink the medicine." She is disabled, and playing with women is my best game."

Shen Mei nodded, imagining Shen Ning's various painful tortures under him, a happy smile floated on the corner of her lips.

Chapter 493 Is Miss looking down upon you?

"Seventh brother, today I mean enough to you. Not only did I give you such a good woman, but I also gave you five million. Is it a double gain." Shen Mei held the red wine glass and smiled wickedly.

"Well, Ms. Shen is quite interesting this time, don't worry, I won't bear high expectations." The man smiled grimly.

"Okay, I'll play first." Shen Mei smiled, stood up and walked over there.

This seventh brother is an extremely perverted man, and he is extremely cruel when playing with women. Tonight, Shen Ning will have to shed his skin even if he does not die.

Hmph, Shen Ning, enjoy yourself tonight!

She clenched the medicine bottle in her hand.

"Okay, okay." After the round dance, there was thunderous applause from the crowd.

Then everyone also waltzed one by one.

After the round, Li Zhijun and Shen Ning came to the fore naturally.

Li Zhijun is determined to win, and he is full of energy.

Everyone started to form a team to draw lots to PK again.

"Miss, can I dance with you?" Shen Ning just stood by the side, when a man with a big waist and round arms came over and invited Shen Ning.

"I'm sorry, I'm just the dance partner invited by Mr. Li Zhijun tonight." Not to mention dancing with him, even talking to him, Shen Ning can feel that greasy feeling makes her sick, how could she dance with this kind of person, Immediately declined politely.

A stern light flashed in the man's eyes, and he gave her a gloomy look: "Miss, are you looking down on me?"

Shen Ning was terrified when he heard that, this man had a wicked quack aura, and his tone was arrogant, and he was not easy to mess with at first glance. She immediately stepped back a few steps to find Li Zhijun, hoping that he would send her back.

But Li Zhijun was overjoyed for a moment, and at this moment, another alluring beauty came to him on his own initiative. His three souls were taken away and his seven souls were taken away. At this time, he had no intention of caring about Shen Ning.

"Sir, you misunderstood, I just have something to leave." Shen Ning simply walked over there, ready to pull Li Zhijun out of the arms of those coquettish women, and first force him to send her back, but she just After walking for a while, another woman in luxurious clothes stopped her, holding a glass of red wine, she said politely: "Miss Shen, your dance is so beautiful, I am lucky enough to be able to appreciate it, I would like to respect you A glass of wine to show my appreciation and admiration."

After finishing speaking, she randomly picked up a glass of red wine on the table next to her, poured half of it, handed it to her, and complimented her very respectfully:

"Miss Shen, you are really outstanding. Not only is it an internationally renowned perfume expert, but you can also dance so well. I really like Gucci's perfume. I am definitely your loyal fan. You can sign me tonight. Well, from now on, all the perfumes in my family will be from Gucci."

Hearing her mention of perfume, Shen Ning hurriedly looked at her.

The eyes under the mask of hearts are a little strange, and the face is not clear.

She is not sure if she is the rich ladies in the imperial capital, but the rich ladies in the entire imperial capital are from the consumer group of Gucci perfume. She held a tea party again, and she does not recognize her. It is entirely possible that she recognizes her.

If this is the case, not drinking a glass of wine seems to chill the hearts of customers a bit.

"Miss Shen, after drinking this glass of wine, let's make friends, and I will promote Gucci's perfume to you in the future." The woman smiled boldly, raised her head, and drank the wine in her hand.

Shen Ning was very embarrassed at this time.

If you drink this wine, she will leave immediately. If you don't drink it, this woman is so polite, she really can't let go of her face.

Chapter 494 A shadow of a man flashed in her mind

"Miss Shen doesn't seem to want to drink anymore, it's no problem, I don't force it anymore." Seeing her delay in taking the cup, the woman couldn't bear it, and said in a cold voice.

Shen Ning suddenly had an idea, and immediately explained with a smile: "Madam, I'm leaving soon, I have to drive, and you also know that you can't drink and drive, so I'm sorry."

This excuse is pretty good.

"Okay, please." Sure enough, the woman didn't want to embarrass her, so she put down the wine glass.

Shen Ning walked quickly towards Li Zhijun.

The woman turned around and looked at Shen Ning's back, her eyes were filled with coldness. This woman's vigilance is quite high, and she is not easy to be fooled!

She turned on her phone and sent a text message.

"Zhijun." After Shen Ning walked over, because the woman stopped him just now, Li Zhijun disappeared after just a while. She was a little anxious, and after shouting, she took out her mobile phone to call Li Zhijun.

Maybe it was because of too much noise, or because he was drunk in the arms of some woman, but no one answered the phone.

Shen Ning was a little flustered and wanted to find Li Jiaojiao.

But at this time, Li Jiaojiao didn't know where she went. The ball was full of men and women, all wearing masks, teasing each other. The stage lights were dim, and groans could be heard vaguely.

In this situation, it is very difficult to find Li Jiaojiao.

For a while, she regretted so much that her intestines were green. She shouldn't have come here at all. Even if she came, she should have left as soon as she saw Li Zhijun.

But right now, she can't get away!

There was a vague sense of uneasiness in the air, her eyelids twitched, and she decided to leave here quickly.

She thought of Wang Xingyu and hurriedly dialed his cell phone.

But in this kind of place, unless the person keeps staring at the phone, he can't hear the sound at all.

She ran around like a headless chicken with her mobile phone in her hand. After finding several exits but failing to get out, she couldn't help but feel frightened.

The **** Li Zhijun tricked her into attending this kind of ghost dance.

She kept flipping through the phone book with her mobile phone!

She doesn't know many people in the imperial capital, and there are very few people who can find Li Zhijun on this occasion, except...Suddenly, the shadow of a man flashed in her mind, Li Zhenting!

Li Zhenting is Li Zhijun's cousin, and Li Zhijun is still very afraid of him. If he calls him at this time, he will be able to find him.

But... Li Zhenting's gloomy face flashed in her mind, and she still couldn't dial the phone number with her fingers.

At this moment, her mobile phone suddenly rang a WeChat tone.

By the dim light, she unexpectedly saw a message from Lawyer Niu whom she hadn't contacted for a long time: Are you there?

After thinking for a while, she hurriedly sent an address: I'm in Li's compound.

"How did you end up there?"

Before Shen Ning could answer, suddenly, the man with a leopard head mask and a round waist walked over, grabbed her waist, pulled her, and pulled her into his arms inside.

"Little girl, let's pair up tonight, I'll have fun with you." The man touched her waist with a pair of thick hands, even though he was wearing a mask, Shen Ning could still smell a stench from his mouth, She felt nauseous all of a sudden.

"Sir, please respect yourself." She struggled suddenly and reprimanded angrily.

With a "snap", the man raised his hand and slapped Shen Ning **** the face. Fortunately, she was wearing a mask, and the slap distorted the mask, and the fingers slapped her face from her ears. Dull pain and tingling hit.

Shen Ning shook a few times and almost lost his footing and fell down.

Chapter 495 Let's play the game

"Smelly bitch, who didn't come here to have fun tonight, you actually pretended to be condescending with me, and you were not happy to invite you at first, but now you have this attitude, don't you know that the woman who is paired with me tonight is you, can't you play?" What are you doing out here? Play with me?" The man raised the paper stick in his hand and threw it in her face, cursing.

"Bastard, why do you beat someone?" Shen Ning was furious, covered his face and shouted angrily.

"I beat you, you stinky bitch." The man raised his hand and suddenly grabbed Shen Ning's hair and pulled it forward. Shen Ning felt his scalp numb with pain, as if his entire scalp was about to be pulled off. Being pulled to kneel on the ground, the man let out a cold snort, picked up a glass of wine on the table, squatted down, raised her face, clamped her mouth with his fingers, and when he exerted force, Shen Ning felt that his jaw was about to dislocate, opened his mouth involuntarily.

"Smelly frame, you don't have to drink a toast." The man smiled coldly, picked up a white pill and stuffed it into her mouth. Shen Ning desperately pressed the tip of his tongue to prevent it from swallowing.

The man probably did this kind of thing too much, he saw through her intentions, smiled coldly, his thick fingers stuck her throat, Shen Ning suffocated silently, and was forced to open his mouth.

The man picked up the wine glass and poured high-grade liquor into her mouth.

The spicy taste made Shen Ning's mouth feel like a fire was burning, and the suffocation made her feel like a drowning lamb, clutching the air with her hands.

Just like falling into the sea that time, the breath of death was approaching her.

Lights flashed in front of her eyes: Coco, Ding Ding, small faces floated in her mind, and finally, it was Li Zhenting's gloomy face that flashed past.

She clutched her chest with both hands.

No, she can't die!

She died and what about the children? What about grandma?

Accompanied by the man's angry 'swallow', she swallowed obediently, and everything in her mouth was swallowed into her stomach.

In an instant, there was boiling magma in her stomach, as if it was about to explode her.

She opened her mouth wide to pant, and there was a flash in front of her eyes, and Li Zhenting's cold, indifferent and mocking face flashed again, and there was a sharp pain in the tip of her heart.

She was going to die, but did that man love her? never!

For so many years, she loved him like her life, and risked her life to give birth to three children for him, but until a few days ago, he was still embarrassing her, getting involved in Gu Qi Building, trying to force her and Gu Qi away.

Bitter tears flowed from the corners of her eyes.

Tonight, she will definitely be played to death by this rough man, and even if she does not die, she will have to shed her skin.

If he knows, he will be very happy!

She closed her eyes in despair and collapsed on the ground.

"Haha." Seeing that she was finally obedient, the man laughed loudly, "Tonight, let's play games, don't worry, as long as you cooperate with me, I promise you will ask me to do it again next time."

He grabbed Shen Ning's arm and walked upstairs to the box like grabbing a chicken.

"Help." At the last moment, Shen Ning, three lovely children flashed out together, making her burst out the courage of motherly love, opened her mouth and shouted loudly, hoping to attract everyone's attention.

If this once reached the second floor, then she would have no possibility of escape.

But her shout was like a stone thrown into the sea and there was no news.

Everyone in the audience was having fun, even if a murder happened here, no one would care about it. Everyone was thinking about how to have a more exciting time tonight.

"Stop yelling, it's useless to yelling, everyone who comes here tonight is the master who comes to play." Lao Qi laughed, this kind of occasion is a good time to commit a crime, who made her offend someone.

In an instant, despair and pain made Shen Ning's heart sink to the bottom.

Chapter 496 Death must die with dignity

The man carried Shen Ning upstairs and kicked open the door of a room.

Shen Ning saw that this was just a simple guest room, and it looked like it had been cleaned up temporarily.

The Li Family Courtyard can be regarded as a clean and wealthy family, and they usually hold such parties. Did such a thing happen?

It must be impossible!

She knew from Li Wanqing that the gatherings of the Li family were all dignified people, that is, Li Zhijun held several parties and was beaten up by Mr. Li.

Obviously, this was deliberately prepared by someone to target her.

This thought made her tremble all over.

The man threw her on the bed and took out several toys from his pocket with a smirk.

Shen Ning's face was pale, and his whole body felt cold.

She would rather die than be played to death by this kind of man, she must die with dignity.

She suddenly got up and rushed towards the window, wanting to jump down from here to end her miserable and hopeless life, but when she thought of the children, a cold and wandering face flashed in front of her eyes, it was the face of Li Zhenting! Her heart will hurt even more.

But besides death, is there any way out for her!

No!

She struggled to climb towards the window.

may be

This is a casement window, and the angle of the window is limited. She can't jump off at once, and her body is stuck on the window.

"Smelly bitch, it seems that one pill is not enough, I have to add another one." The man was taking off his pants not to prevent Shen Ning from jumping out of the window. After being startled, he rushed over to grab her back and threw her viciously. On the bed, he casually took out another pill from his pocket, grabbed her hair, turned her face up, and forced her to swallow it in the same way.

Afterwards, he took out a rope and tied Shen Ning's limbs in a big character shape.

Soon, a heat wave rose from the limbs, Shen Ning's whole body was like boiling water, his internal organs seemed to be cooked, his brain was highly excited, and his skin was pink, lively and fragrant, like Blooming roses, extremely coquettish.

"Haha." The man's teeth were cracked, his mouth was drooling, and he laughed.

The effect of the medicine finally worked.

Tonight must be the most beautiful and fragrant enjoyment.

He was about to rush forward in a hurry, but suddenly remembered something, and immediately took out his mobile phone to take several pictures of Shen Ning.

"It's hot, it's so uncomfortable." Shen Ning twisted her body on the bed, and unbearable pictures appeared in front of her eyes. Her eyes were red, she kept breathing with her mouth wide open, and shouted loudly.

The man was as excited as a male lion in heat. After taking some pictures of Shen Ning from multiple angles, he pointed his phone camera at Shen Ning, and hurriedly climbed onto the bed.

As for the lamb that was in his mouth, he didn't seem to be in a hurry to eat it in one bite, but just touched Shen Ning's body with his fingers, slowly coming down from his face...

"Li Zhenting, you bastard, I will scold you to death even if I die."

"Li Zhenting, if you don't take good care of my children, I won't let you go when my soul reaches the underworld."

"Li Zhenting, if you marry Shen Mei, I will turn into a ghost and **** your blood."

Li Zhenting, Li Zhenting, you are so cruel. "

...

Extreme heat and pain came to her heart, Shen Ning couldn't control herself, knowing that she was going to finish playing today, she was going to bite her tongue and kill herself, but before she died, she only had hatred in her heart, she didn't hate anyone, only Li Zhenting!

Everything about her today was brought to her by him!

He is so ruthless!

She also hated herself for falling in love with this man wrongly, which caused her a lifetime of pain!

"Hey, I was still thinking about this man when I was about to die, no wonder someone is going to kill you." The man saw that she was in pain all over, and her face was full of pain. In this situation, she was still calling Li Zhenting, and couldn't help but hey.

Chapter 497 The tip of the knife pierced his skin instantly

"Who is it, who wants to harm me?" Shen Ning asked angrily when he heard the man's words in a coma.

The man lowered his head and licked the alluring skin on her neck with the tip of his tongue, laughing: "Stinky bitch, don't you know who you offended yourself?"

"You beast, bastard, if you dare to insult me today, I will turn into a ghost and kill you when I die." Shen Ning shouted hoarsely.

"Hey, let's talk about it after you die, I will talk about it after I **** you first." The man stretched out his hand and tore off the dress on her body, his eyes full of lustful lust.

Shen Ning closed his eyes in despair.

Ge Di

Accompanied by the sound of a man tearing the fabric, the glass on the window was blasted from the outside, and the glass shattered into several pieces.

He was stunned for a moment, but before he could react, a black shadow rushed in from the window.

Rapidly.

A sharp knife was under his throat, and the point of the knife pierced his skin instantly.

"Ah." He was so frightened that he couldn't make a sound.

"Beast." Hei Ying yelled angrily, and swept a punch across the man's face. Accompanied by a crisp bang, the man was punched heavily in the face, and his whole body was taken away. Fell off the bed to the floor.

The black shadow stepped on his heart, and a gloomy and cold air burst out from his eyes. The light in his eyes was like ice blades lingering on his body, and the whole room was filled with high-pressure cold air.

"Hero, speak up if you have something to say." Seventh Brother was not reconciled, and was just about to resist when the man's heel crushed him hard. Turning black, knowing that he had met an opponent, he immediately opened his mouth trembling.

At this time, another black shadow flew in from the window.

Li Zhenting took off his suit and put it on Shen Ning, and ordered to the black shadow that flew in: "Cold-blooded, abolish his dick, break his bones, save his life, and then call the police."

"Okay, don't worry, leave it to me, I will definitely make him want to die, to live, to the bone marrow." The cold blood glared, and he picked up the knife in his hand and stabbed him hard at the crotch.

"Ah." He screamed, holding his lower body with both hands, screaming, blood dripping from his fingers.

The cold-blooded eagle's eyes were like ice, approaching him step by step...

Li Zhenting turned around and cut off the ropes that bound Shen Ning's hands and feet, and hugged her by the waist... At this time, Shen Ning was already in a state of confusion, his whole body was scorched by the fire, and he was extremely uncomfortable. As soon as the man's cool breath approached her, he lost When she was conscious, she immediately hugged the man tightly with both hands behind her back, and slid her whole body into his arms, entwining him like a green snake.

"Shen Ning, Shen Ning." Li Zhenting hugged her and ran outside.

"I'm so uncomfortable, I'm going to die." Shen Ning kept writhing in his arms, grabbing the clothes on his chest with both hands, and shouting loudly.

"I know you're suffering, don't worry, I'll take you to the hospital right away." Li Zhenting rushed downstairs with Shen Ning in his arms, roaring, "Open the door quickly."

His roar startled some drunken people below, and they all looked towards him, as if they realized what was going on, many people woke up, but they could only look at him, because none of them had the key to open it Door.

Li Zhenting hugged Shen Ning tightly with one hand, and dialed Li Zhijun's number with the other.

Not long after, Li Zhijun ran over in a panic all over his face.

"Cousin...cousin...cousin, what's wrong?" Li Zhijun saw that Li Zhenting's eyes were scarlet, and his whole body exuded the breath of death. When Shen Ning kept screaming in his arms, he didn't know what happened. What happened, the fear doubled.

"Open the door quickly." Li Zhenting gritted his teeth angrily.

Li Zhijun hurriedly opened the door.

Chapter 498 Can't be separated anymore

"Ah." Before he could turn around, Li Zhenting kicked him **** the **** from behind, causing him to gasp and fall forward. Two of his teeth were broken, and he screamed loudly in pain.

Li Zhenting hugged Shen Ning and stepped on his back as he ran outside.

"It's so hot, so uncomfortable." In the RV, Li Zhenting had just put Shen Ning on the soft bed and was about to get up to drive. Shen Ning, who was burning like a raging fire, suddenly felt that the cool feeling that made her comfortable was about to lose, and she was as busy as a root. It wrapped around him tightly like a vine, shouting in pain.

It was like encountering an oasis in the desert. She tightly hugged the clear green that she relied on for survival and refused to let go.

"Shen Ning, Shen Ning." Li Zhenting's voice was hoarse. When he touched Shen Ning's face with his hand, he felt it was hot and her eyes were bloodshot.

He felt panicked and couldn't wait any longer, something would happen to her.

Damn beast, I don't know how much medicine I gave her!

He suddenly picked her up and walked towards the bathroom.

In the bathroom.

He hugged her tightly and turned on the cold water faucet. He hugged her tightly and stood under the cold water faucet.

The cold autumn water poured down from their heads.

But the man and woman hugging each other not only did not cool down, but became increasingly hot.

The heat in Shen Ning's body hit her like a mountain. As if she was about to die, her hands began to touch the man everywhere...

"Ning Ning." The temperature of Li Zhenting's body was getting higher and higher. He held Shen Ning's face with his hot fingers. He saw that blood seemed to seep out of her red lips, and her throat felt like it was on fire. "Don't blame me. , I don't want to violate you like this."

He lowered his head and kissed her lips fiercely.

As soon as the man's lips touched, Shen Ning felt as if a stream of clear water had been poured into her. She immediately hugged his neck tightly with her hands and kissed him...

Li Zhenting's whole body was tense, and his breathing was getting rougher and heavier. He hugged the woman and pressed her against the door panel, and kissed her hard and deeply... The crazy and passionate man and woman began to take off each other's clothes.

...

Throughout the night, they were entangled with each other tightly, with high passion, until they completely released the passion in their bodies, collapsed on the bed, and fell asleep hugging each other tightly.

The next day.

When Shen Ning woke up, her whole body was in a state of collapse. Her body, exhausted of all passion, was as limp as a sponge, and her whole body ached.

She lay there with her eyes closed for a while, then reluctantly got up.

But when she got up, she was completely confused.

This is where?

The all-black and gray series of wardrobe desks and neatly ordered decorative items are all filled with an ascetic atmosphere.

This scene looked familiar, but after the whole night, she seemed to have lost her mind and couldn't remember where it was!

She looked towards the bed.

A white T-shirt was placed on the bedside, a Peter watch worth tens of millions, a rose-red tie... Suddenly, her heart started to beat suddenly.

She looked around and remembered, yes, this is Li Zhenting's room!

How could she sleep in his room?

Panic and fear caused her to quickly sit up, but just such a movement made her feel a tearing pain down there. What on earth did they do last night?

At this time, the sound of running water came from the bathroom.

She was pale. When she looked down at herself, she saw that her dress was gone and she was only wearing a man's white T-shirt, which reached just above her knees.

**** it!

She punched the bed hard. What on earth was going on?

She collapsed on the bed and began to recall what happened last night. Gradually, her eyes turned blood red.

Chapter 499 I will pretend that this incident never happened

"Ning Ning, you're awake." Li Zhenting came out of the bathroom wrapped in a bath towel. His skin was better than snow, his eight big abdominal muscles were strong and powerful, his lines were firm and tough, full of abstinence and nobility, and his voice was particularly gentle, like warm water. Like a brush.

When Shen Ning saw him, his fingers curled up.

"Li Zhenting, what did you do to me last night?" She gritted her teeth and asked.

Li Zhenting had just taken a bath, he was refreshed, and his black hair made his eyes particularly soft and bright.

He looked at her with an invisible smile on his lips: "You have to ask yourself."

Shen Ning lowered his eyes, and suddenly hooked his fingers:

"come here."

Li Zhenting was taken aback for a moment, looked at her, and really approached her.

Suddenly.

Accompanied by the crisp sound of "slap.", Shen Ning jumped up with all his strength and slapped him hard.

This is strong enough.

There were red marks on Li Zhenting's white skin immediately.

"Li Zhenting, I wanted to hit you six years ago. I wanted to forget it, but I didn't expect you to dare to violate me. Don't you know? I hate you, I hate you, I don't want to have anything to do with you, why do you want to come to provoke me?" Shen Ning held his numb hand and spoke word by word.

She regretted so much, regretted why she was cheated by Li Zhijun yesterday, causing her to lose her innocence again.

After Li Zhenting was stunned, he touched his face with his slender fingers, and said innocently: "Shen Ning, do you want me to explain what happened last night? It's not fair for you to hit me."

"That's enough, take advantage and act like a good boy." Shen Ning yelled angrily, "I was framed last night, don't you know?"

"I know." He was very honest.

"Then why didn't you send me to the hospital, and took this opportunity to **** me, villain." Shen Ning raised her palm again in anger.

Li Zhenting grabbed her slap and put it on his face: "If you hit me again, how can I go out to meet people with fingerprints all over my face? You were the one who hugged me, touched me, and kissed me all the time last night.", begging me to take yours, what do you want me to do? I am also a normal man, but now you are blaming me instead, what is the law of heaven, what is fairness."

"Nonsense." Shen Ning was so angry that his mouth was bubbling.

"Hey, it seems that I didn't let that seventh brother play you to death last night and made a video. I really missed the evidence and let you blame me like this." Li Zhenting looked too regretful, "You think I don't want to send you to the hospital, but if you pester me like that, can I go away? And at that time, your medicine will come on, if I don't satisfy you, your blood vessels will collapse and die. You are the mother of my two children, I also have to be responsible for Ke Ke and Ding Ding, obviously I saved you, but now I am a sinner, I am more wronged than Dou E."

He speaks eloquently and reasonably.

When Shen Ning thought about last night, his hairs stood on end!

If Li Zhenting hadn't arrived last night, she might have gone to see God!

"Li Zhenting, the previous incident has been wiped out. I will treat this incident as never happened. From now on, everyone will go their own way, not owe each other, just like strangers." Shen Ning withdrew his hand, with a cold face and resolutely speaking.

In this life, she will never have anything to do with him again.

In order to draw a clear line with him, she has already given up the custody of Ke Ke.

When she thinks of her child, her heart aches!

"Is it because of Jing Chenxi that you and I have drawn such a boundary line and never get in touch with each other?" It should be because her words were too hurtful, Li Zhenting asked after a pause.

"Yes." Shen Ning nodded affirmatively, "I have promised to be his girlfriend."

There was a chill in Li Zhenting's eyes, but he quickly regained his composure.

"Okay, then I wish you happiness."

"Thank you, please go out now, I have to change clothes." Shen Ling issued a chasing order.

"Okay." Li Zhenting was very honest and really walked out.

Chapter 500 He stood outside the door with a very friendly attitude

After Shen Ning stabilized his emotions in the room, he first went to the bathroom and wiped his face indiscriminately, and went to the cloakroom to see that it was all men's clothes.

She stood a little silly.

Right now she is wearing nothing but a shirt!

You can't just go out like this! Or walk out in a man's suit, that's just more of a joke.

Last time, in order to leave here completely, she took all her clothes away.

correct.

The last time Shen Mei held a birthday party, there were still some women's clothing in the public clothing room, which should have been bought by Li Zhenting for Shen Mei.

When thinking of Shen Mei, Shen Ning's eyes flashed with a cold and sharp cold light.

Last night, in a coma, she clearly heard the man say: Who made her offend someone, no wonder someone wanted to kill her.

Obviously, what happened last night was that someone with ulterior motives took advantage of the dance party held by Li Zhijun to commit crimes against her, with the purpose of destroying her completely!

Too vicious!

She stood there with chills all over her body, and every pore on her body was emitting cold air.

Sudden

There is a knock on the door.

"Who?" Shen Ning's tone was cold.

"Me." Li Zhenting spoke softly outside the door.

When Shen Ning heard the dog man's voice, Shen Ning's heart felt cold again, and his body trembled slightly.

"What's up?"

"Open the door, I'll bring you clothes." He stood outside the door with a very friendly attitude.

Shen Ning hesitated for a while, but still walked over and opened the door.

"Here you are." Li Zhenting took a lotus root pink sweater and handed it to her.

She took it, and with a bang, she turned around and quickly closed the door again.

Li Zhenting touched his nose. If he hadn't retreated so quickly, his nose might have turned blue.

He turned and left.

Shen Ning came to the bathroom with the hoodie, ready to take off his white shirt and put it on, but just as he unbuttoned it, he heard the doorbell again.

"Who?" She said angrily.

"It's me." Still Li Zhenting's voice.

Shen Ning looked outside the door vigilantly, and hurriedly asked, "What's the matter?"

What kind of tricks is this man going to play? She is very alert!

"I brought you something." He replied gently outside.

"No need." If she still needs to send clothes, then she doesn't need other things at all. He is looking for an excuse to come in. Besides, doesn't he know that she is changing clothes? She had crooked thoughts to take advantage of her, and her tone was very bad.

"Don't you usually wear underwear or a bra?" Li Zhenting asked outside the door.

Shen Ning was taken aback, then remembered this question, and put his hands on his chest.

However, in special times, so what if you don't wear it!

"Open the door, I'm just handing them to you, and I promise not to come in." He was very sincere outside.

Shen Ning thought for a while, buttoned up the buttons of his white shirt, walked over and opened the door sideways.

As soon as he pulled it open, he saw a thin, bony fingers dangling in the doorway holding the middle of the bra. He was really standing on the side, without showing his face.

Seeing the bra, her face became hot, and she snatched it away. Just as she was about to close the door fiercely, she heard him say from outside: "There is another one."

Instantly.

Another pair of delicate shorts was picked up by that white finger and dangled at the door.

Her face became hotter.

This **** is really disgusting! It will not be handed over at once!

She raised her hand and pulled it over.

Then

Close the door as fast as possible and lock it, then run towards the bathroom.

She quickly changed her clothes, and when she stood in front of the full-length mirror, she saw her long black hair floating on her shoulders, wearing a lotus root pink sweater, which made her pale face a little red, adding a soft and charming look. The beauty, coupled with her pure temperament, made her look like a docile little woman.

I have to say that Li Zhenting's sweater suits her figure very well.

This man's vision is really vicious!

She stroked her hair with her hands to make them look a little smoother, then turned and walked out the door.

This time, she didn't see Li Zhenting.

She thought, he should have left.

She walked quickly to the front garden, where Leng Xue was standing.
