Mummy was shaking all over just now, and her eye circles were red when she looked at that handsome uncle! How painful and sad it is!

Shen Ning was embarrassed for a while.

She forgot that this daughter of hers is extremely gifted. She has been able to read minds since she was a child, and can read other people's hearts.

Just now, she read her heart!

"Xiao Xiao, don't speculate on other people's hearts casually, it's very impolite." Shen Ning rubbed her little head and taught with a straight face.

"I'm sorry, Your Majesty Mommy, I won't dare next time."

Xiaoxiao immediately pecked her head and sincerely apologized, Mommy was so sad, she was very distressed,

"Mum, don't be angry, okay? I love you."

She took the back of Mommy's hand and kissed again and again.

Shen Ning's heart instantly warmed up, and all the negative emotions disappeared.

In her miserable life, it is not without gains, at least God gave her a pair of cute baby milk.

She immediately made up her mind to take the children away from this place of right and wrong immediately after watching grandma, and stay away from this pair of scumbags and villains!

She believes that the wicked will get what they want!

"Why would Mummy be willing to be angry with the baby, Mummy loves you the most." She lowered her head and kissed the little pink cheek, her voice was affectionate.

"Mommy, Baby Coco wants to be kissed too." Little Baby Coco next to her was jealous, and approached her with a cool and cute face with a smile.

"Okay, mommy kisses my little cocoa too."

Shen Ning was amused by Little Keke's cute expression, hugged him at once, kissed his little face heavily, stood up and said in a friendly voice:

"Ke Ke, Xiao Xiao, let's go, grandma is waiting for us."

"Okay." The two cubs happily agreed in unison.

In the back seat of the taxi.

Ke Ke and Xiao Xiao sat side by side, there was no smile on their immature and cute faces.

"Brother, Mommy hates that handsome uncle just now. She hates that handsome uncle just now, and she is worried that he will steal your custody." The small lips moved to Coco's ear, and whispered what Mommy had read. he.

Her beautiful eyeballs are full of confusion and anxiety!

"Where's that ugly woman?" Ke Ke asked the woman next to Li Zhenting.

Based on the little guy's intuition, Mommy felt more pain and even hatred when she saw her.

Xiao Xiao was stunned and shook her head blankly.

Just now, she has been looking at Li Zhenting, he is so handsome, he looks exactly like Ke Ke, she is a little obsessed, as for the ugly woman next to him, she didn't even look at her!

"Stupid." Coco knocked her head.

Ke Ke is so smart. Just now, he deliberately acted cute and asked Mommy for a kiss. In fact, he just wanted to make Mommy happy, because Mommy was in too much pain.

Xiaoxiao scratched her head, hey, she is so stupid!

"Xiaoxiao, let me tell you, that handsome uncle is our daddy." Coco put her head next to Xiaoxiao's ear and whispered.

The little eyes showed surprise, and after a while, he pecked his little head:

"Yes, he looks so much like you, he can't be your son, that's our daddy, but he must have bullied Mommy, he is a bad daddy."

"Yeah." Little Keke sniffed, nodded, and clenched her fists tightly!

Hmph, I will punish anyone who dares to bully Her Majesty the Empress, not even Daddy! Don't think that children can't beat adults, bad adults are cowards to me!
