

## Troublemakers 501

### Chapter 501 Revenge

"Miss Shen, Mr. Li asked me to take you out." Leng Xue saw that she was very polite.

Shen Ning looked at the car, not sure if Li Zhenting was in it.

She didn't want to take his car, but it was a long way from here.

It is autumn now, and the sightseeing bus also has to go every half an hour.

"Don't worry, I'm just taking you out. You can get off at the designated place as you like. President Li is not in the car. He has already gone out." Leng Xue seemed to see her thoughts and immediately explained.

Shen Ning turned around and got into the car when he heard the words, but it turned out that Li Zhenting was not in it.

Started the car in cold blood.

After getting out of the gate, Shen Ning asked Leng Xue to stop the car. She waved for a taxi, got into the car and drove away.

Chunhui Garden.

Shen Ning first went to the pharmacy downstairs to buy emergency contraceptive pills, then shut himself in the room and fell asleep.

This sleep lasted for three days and three nights.

Three days later, early in the morning, she went out.

A person can be bullied once or twice in his life, but he must not be bullied again and again, otherwise, he is really cowardly and incompetent.

Laiyang Hotel in the suburbs.

She walked in slowly with her bag, first went to the front desk to get a room card, then took the room card to a house on the farthest north, swiped the card and walked in.

Just went in.

Her phone rang.

"Hello." She answered in a calm voice.

"Shen Ning, have you arrived yet?" Shen Mei's voice was fierce and hurried, obviously, she was on her way.

"Just arrived, come on, I'm waiting for you with tea." Shen Ning said expressionlessly, but his voice was very casual.

"Okay, just wait, I'll be right there." Shen Mei hung up the phone and hurried towards Laiyang Hotel.

Shen Ning stood leaning against the door panel, his fingers tightly clenched into fists, and the veins on the back of his hands were exposed.

Not long after, the doorbell rang.

Shen Ning pursed his lips, dawdled for a while and opened the door.

Shen Mei in a \*\*\*\* dress rushed in.

"Shen Ning, where's Sleeping Beauty? Quickly take it out, this is for you." As soon as Shen Mei came in, she took out a dilapidated blue coat from her pocket and shouted loudly.

A cold light flashed in Shen Ning's eyes, he suddenly raised his foot, kicked the door hard and locked it behind him.

"What are you going to do?" Shen Mei didn't see Shen Ning when she entered the room. She thought she was in the bathroom and was looking towards the bathroom. She was caught off guard when the door slammed hard behind her. She was startled and turned her head, and saw Shen Ning standing by the door, staring at her coldly, with a terrifying expression on her face, she immediately realized that she might have been fooled, so she asked in fear.

But before she could finish asking, Shen Ning, who was strong and athletic, rushed up and took a nylon rope to cover her body.

Immediately, her hands were bound.

As soon as Shen Ning pulled the nylon rope tightly, her hands were tied tightly.

She scolded angrily: "Shen Ning, you bitch, what are you doing?"

Shen Ning smiled coldly, took out a torn rag from his pocket, stuffed it into her mouth, blocked it tightly, and then pushed her to the ground.

Shen Mei was wearing high-heeled shoes, her heel sprained, and she fell to the ground. The pain caused her face to change color, whimpering, her legs kicked towards her, and her eyes were full of vicious light.

Shen Ning's gloomy eyes gradually shot out angry glare like knives, stepped forward and kicked hard, the heel of his shoe was stepping on Shen Meiwei's heel, crushing it hard.

Shen Mei's face was red with pain, and she whimpered hoarsely from her throat, because her mouth was stuffed with a rag, and she couldn't make any sound.

Shen Ning wrapped the nylon rope around her feet forcefully.

instant

Shen Mei's hands and feet were \*\*\*\* with nylon ropes, and her body was bent into a bow.

Shen Ning kicked her in the face, switched her phone to recording mode, and squatted down in front of her.

Chapter 502 Needle needles see blood

"Swell, swell." With two muffled sounds, Shen Ning squatted down and punched her hard twice in the chest, making her eye circles turn white.

"Shen Mei, from now on, you must answer my questions honestly, otherwise, you will only suffer more beatings and pain, there is no way to deal with a cruel woman like you, you can only fight poison with fire." Shen Ning said lightly.

Shen Mei's eyes were filled with anger and unwillingness.

Shen Ning glanced at her indifferently, and asked coldly: "Three days ago, in Li's compound, did you frame me behind my back?"

Shen Mei's eyes were staring, more white than dark, and she didn't respond.

"If it's you, nod, if not, shake your head." Shen Ning narrowed his eyes.

But Shen Mei just whimpered from her throat, neither nodding nor shaking her head, obviously not cooperating.

A terrifying sneer appeared on Shen Ning's face.

All the suffering she had suffered three days ago flooded up, her eyes were blood red.

"It seems that you won't confess easily without giving you a little bit of strength." She swiped open the bag, took out a row of sharp needles that were densely glowing with cold light, and picked up five needles. A pointed needle was shaken in front of Shen Mei, and said in a cold voice, "If you don't do it, I will use this to pierce your five fingers and toes. The needle will not see blood, but the needle will pierce the apex of your heart. The pain will not kill you."

Shen Mei's eyes widened, and a look of horror appeared on her face.

Shen Ning grabbed her five fingers suddenly, with a voice like a devil, but with blood and tears: "Shen Mei, when you pushed me into the sea six years ago, did you think about my pain, did you think about how I lived? You came here? You are too vicious. These five injections are revenge for my falling into the sea."

The anger had made her lose her mind, she grabbed the tip of the needle and stabbed her five fingers hard one by one.

Shen Mei twitched in pain but couldn't make a sound.

"I thought you were nothing more than poisonous, but I didn't expect that you would harm my sons and feed them those medicine powders to make them fools. This is what I saw with my own eyes. How can you bear it?" These five needles are for me to avenge my sons, I warn you, if you dare to hurt them in the future, I will only use ten times crueler means to revenge you, at worst, I will die with you. "Shen Ning stabbed five sharp needles into her other finger.

Shen Mei burst into tears in pain, her arched body was twisted, which was extremely ugly.

"You usually designed me insidiously and hurt me several times. I can bear it, but you let that man feed me medicine and want to play cruelly to kill me. Are you still human? But even a little bit of conscience can't be so vicious, if Li Zhenting hadn't come to save me that night, I would have seen the King of Hades by now, you poisonous girl, I'll stab you to death." She pulled out all the ten silver needles, tore off her socks, and all into her toes.

Shen Mei's facial features were distorted in pain.

"You think that there is no evidence for all of this. You can act boldly, don't treat me as a human being, frame and retaliate, and do whatever you want. Today, I will treat him like a human being, and use these needles to pierce you. The hole is so tight that there is no blood, and no evidence will be left. This is the revenge you deserve.

Do you think you are the only one who knows how to harm others? If you are in a hurry, anyone can know it. The key depends on whether a person has the bottom line of conscience and morality, whether he knows how to abide by the law and know the law. Judging from all signs, you are an animal with a black heart to the extreme. Today I will stab you to death. "Shen Ning took out the sharp needle and stabbed at her thigh again.

Shen Mei was writhing in pain, and her whole body was covered in fine cold sweat.

Chapter 503 Then keep going

"Shen Mei, now I'm asking you if you can answer? If you don't answer, all these needles will be stuck in your body." Shen Ning stood up, shaking a row of thin long needles in front of her, with a cold voice extreme.

"Yeah, um." This time Shen Mei learned her lesson and kept nodding.

"Okay, let me ask, and you answer." Shen Ning turned on the phone to record again.

"Three days ago, did you instigate that man to feed me with drugs, trying to kill me?"

"Yes, yes." Shen Mei nodded honestly.

Shen Ning's eyes were bloodshot, he tore off the rag from her mouth, and pinched her lips hard with his fingers.

Shen Mei breathed heavily.

"Sister, sister, me, I don't dare, let me go, let me go." She begged with tears, her voice intermittent.

"Yeah, don't call me sister, I don't have a sister like you." Shen Ning yelled angrily, "Tell me what happened."

Shen Mei cried loudly.

"If you don't say yes, then continue to pierce." Shen Ning raised the silver needle in his hand and stuck another one in her finger. Mouth, making her unable to speak out, shouted sharply, "Say it quickly."

Shen Mei had runny nose and tears, so she nodded repeatedly: "Okay, let me say."

Shen Ning slightly let go of her mouth.

She spoke intermittently.

It turned out that that night, when Shen Mei learned that Li Zhijun was going to hold that dance and that Shen Ning would also come to participate, she was jealous at first that Shen Ning danced well and stole the limelight on that occasion, but later she was not reconciled, and her heart He made a bad plan and wanted to take this opportunity to ruin her, so he hired Seventh Brother for money. Unexpectedly, Shen Ning was very vigilant and would not be fooled. She couldn't let her drink the medicine, and later conspired with Seventh Brother Afterwards, Seventh Brother was burning with desire, and on that occasion, he simply did it directly.

"Who is that fat woman?" Shen Ning thought of the woman who fawned on her halfway and made a toast, and she was definitely not a good person.

"I don't know her either. She said she belongs to Seventh Brother, and she took the initiative to find me to help me." Shen Mei kept shaking her head.

The veins in Shen Ning's fingers were jumping one by one.

"Six years ago, did you push me into the sea?" She asked sharply, the ugly face flashed in her mind, and her heart trembled.

"Yes." Shen Mei nodded, "I'm jealous of you, I want to be Mrs. Li, I lost my magic, sister, forgive me, I won't dare next time."

"And next time? Do you \*\*\*\* want to die quickly? Also, you still want to poison my son with medicine to make a fool. How old are they? How can you do it?" Mentioning the sons, Shen Ning lost her mind again, harming her, she could bear it, but harming her sons, she couldn't bear it, she stuffed a rag into her mouth and stuck a silver needle into her finger, angrily said :

"Shen Mei, if there is another time, I will definitely kill you."

Looking at Shen Mei's painful face, the hatred in her chest finally vented a little.

After she stood up and kicked her hard, she kicked the dying Shen Mei aside, and picked up the bag in her hand.

"Two days later, you can leave. The needle holes on your body will heal after two days. Even if you go to the hospital for an injury test, you can't find anything. Moreover, I have recorded all your crimes, which will be evidence in the future. , I advise you to abide by the rules from now on, otherwise, I will definitely let you sit in prison."

Shen Ning picked up his mobile phone and warned her viciously, then turned and left.

Just as he walked to the door, he suddenly remembered something, turned back, and looked at her sullenly.

Chapter 504 Weak to the point of heartache

At this time, when Shen Mei saw her, it was as if she had seen a ghost, her face lost all color, and her lips were trembling.

"Shen Mei, let me ask you, how did my mother jump off the building?" She bent down and tore off the rag from her mouth.

Shen Mei was trembling all over, shaking her head vigorously, with tears and snot running down her nose: "I, I don't know, I really don't know."

Shen Ning stared at her coldly for a while.

She should not be able to lie in such a miserable state.

When her mother jumped off the building, she and she were both young, and the possibility that she didn't know is extremely high.

Moreover, there is that vicious woman Lan Feiyun behind her, Shen Mei is definitely not the most powerful, otherwise, it would be impossible to trick her out today.

The cloudiest one must be Lan Feiyun.

It seems that there is no rush!

"Shen Mei, you want to exchange my mother's old dress with 300 million Sleeping Beauty. You are so naive and greedy. Let me tell you, Sleeping Beauty is no longer with me, and she returned it to Shao. Shi, and that old dress, it doesn't exist at all, you are crazy about money." Shen Ning said with a sneer, then stuffed the rag into Shen Mei's mouth, and then strode away go out.

It turned out that she took advantage of her greed and deliberately told her that she was willing to exchange the full set of Sleeping Beauty jewelry for her mother's blue coat.

Just because of that coat, which wrapped her when she was born.

She misses.

Shen Mei didn't know that Ji was the one who fell for it. In fact, she had already taken away that blue windbreaker.

Shen Mei bought a piece of rotten clothes from the rag dealer and came here to play tricks on Shen Ning, but she didn't expect that she just lured her to come here.

The cool sea.

Shen Ning stood by the sea and blew the sea breeze for a long time.

There is Shen Mei's recording in the phone, can it be used as evidence and handed over to the police?

If she submits it, can Shen Mei be convicted?

As long as Shen Mei is convicted, she will not be able to marry Li Zhenting, then it will be safe for Ke Ke and Ding Ding to stay at Li's house!

Is this evidence useful?

After much thought, she decided to go one step at a time!

Gucci office.

"Ning Ning, where have you been these days?" As soon as Shen Ning returned to Gu Qi, he saw Jing Chenxi looking for her everywhere, with an anxious face.

"Chen Xi." Shen Ning looked at the anxious and worried man, the corners of his lips twitched, and his body softened suddenly.

"Ning Ning, what's wrong with you?" Jing Chenxi immediately rushed up to support her, pulled her onto his chest and stood still.

"I... nothing." Shen Ning looked at him, flashed the night three days ago in his mind, and finally shook his head.

"Ningning, tell me what's the matter, let me solve it." Jing Chenxi helped her sit down on the sofa.

Shen Ning's face turned pale, and he bowed his head without speaking.

She lost herself to Li Zhenting again! Facing him again, she was really ashamed!

"Ning Ning, come, have a glass of boiled water." Jing Chenxi didn't know what happened to her, so he poured her a glass of boiled water. After Shen Ning took a few sips, he smiled slightly:

"Chen Xi, I'm fine, I'm just a little dizzy."

"Are you tired?" Jing Chenxi caressed her forehead thoughtfully.

There was fine sweat on her forehead, as if she had gone through a life-and-death struggle, she was so weak that it hurt.

He was so distressed that he took a tissue to wipe the cold sweat off her forehead.

Shen Ning looked at him complicatedly.

Tudi

The sound of "Magnetic" hitting the wall exploded overhead, shaking the entire office.

followed by

Following a loud "bang", a large piece of ceiling fell from the roof of the building, which happened to hit the middle of the office, and the ash splashed all over Jing Chenxi.

Chapter 505 Let me meet him

Shen Ning stood up in fright, looked up upstairs, and saw a hole in the reinforced concrete, which was pitch black.

When she raised her eyes, she was facing the entrance of the cave, as if seeing a pair of dark eyes, looking down.

Their eyes just collided.

"Li Zhenting, why don't you show your face." Shen Ning was furious.

What on earth does this \*\*\*\* want to do?

With his own money, he wantonly meddled in the Guqi Building, even drilled a well above her office and punched a hole in the wall, which is inhumane.

She jumped up and cursed.

Jing Chenxi understood, and looked at the ceiling sullenly.

Li Zhenting bought the Gu Qi Building. As a shrewd businessman, he already knew about it. The next day, he came to look for Shen Ning, but he couldn't find her. Looking at this posture, he suddenly understood something.

"Ningning, don't worry, let me meet him." He said with a sullen face, and strode outside.

Shen Ning hurriedly followed.

Jing Chenxi also ventured into the rivers and lakes, and Li Zhenting is so strong, these two men will definitely cause trouble when they fight, she just wants to do business quietly, and doesn't want to cause any trouble.

But when they came upstairs, they saw that the entire floor was empty, and there was no one in sight except someone in the office over there who was under construction.

They rushed over, only to see two workers in construction uniforms busy inside.

Jing Chenxi angrily scolded them for smashing the ceiling downstairs. They kept apologizing and said they would fix it right away.

Shen Ning lost his temper for a while, but he really felt irritable in his heart.

Jing Chenxi comforted her for a while before leaving.

After sitting in the office for a while, Shen Ning felt that something was wrong with Jing Chenxi.

When he left just now, his face was blue, and his eyes were full of light.

She had a bad premonition, and hurriedly stood up and walked outside.

Name Kee Bar.

Li Zhijun was holding a cigar in his mouth, one hand was on the woman sitting on his lap, and the other hand was touching mahjong, he was getting carried away.

The door of the private room was suddenly kicked open.

As soon as he raised his head, the three souls were so frightened that they lost their souls!

Oh my god, Li Zhenting, that living king of Hades is here!

He hid outside for three days but did not escape, and he still came to the door.

This time, he must be finished!

Li Zhenting was wearing a black suit, with a dark face, like a king of Hades who came from \*\*\*\* to seek his life, and his whole body was filled with a terrifying and high-pressure atmosphere.

"Cousin, please forgive me." Li Zhijun's legs were so frightened that his legs went limp. Li Zhenting walked towards him, grabbed his collar with a big palm, and pulled him violently, causing him to stand up. , Those few women saw that something was wrong, so they all slipped away.

Li Zhenting grabbed him and walked outside.

In the RV.

Li Zhijun was severely thrown in the car. This time, Li Zhenting was really angry!

He took out his leather whip and beat him severely, until he howled like a ghost.

"Say, who ordered you to hold that dance that night?" Li Zhenting asked angrily.

"Cousin, no one ordered it. It was discussed with Jiaojiao. She wants to have fun, and I just want to make some money."

"Why did you trick Shen Ning over there?"

"I just wanted to dance with her so I could get first place and get some money to spend, never thought something like that would happen."

"Do you really know nothing?"

"The conscience of heaven and earth, I don't know anything, Shen Ning is my cousin, how could I hurt her like that, I want to stamp that man off."

After Li Zhenting whipped him a few more times, he picked him up and threw him out of the car, and drove away!

Chapter 506 When did I bully her?

"Mr. Li." As soon as he returned to the office, he hurried over in cold blood.

"Mr. Li, the police station has already found out that Seventh Brother was bribed to commit crimes against Miss Shen."

Li Zhenting's ears twitched, with a cold light in his eyes, he asked in a deep voice, "Who bought it?"

Looked at him coldly: "It turned out that the money was given by a fat woman named Yang Fengying... However, Shen Mei also went to the dance hall that night."

Shen Mei? Li Zhenting's brows raised, and the corners of his lips curled into a terrifying arc.

"What is she going to do? Is there any evidence that she is involved in this matter?" He asked coldly.

"According to the investigation, this matter is related to her, but that fat woman named Yang Fengying took the initiative to bear everything, so she stayed out of the matter. It seems that there must be someone else behind the matter against Miss Shen this time."

...

At this time the phone rang, he picked it up, it was the secretary.

"Mr. Li, Mr. Jing of the Jing Group, please see me."

Mr. Jing? Jing Chenxi!

Li Zhenting narrowed his eyes dangerously.

"Let's go, continue to track, and report to me immediately if you have anything."

"yes."

Turned around in cold blood and walked out.

Li Zhenting paused, pulled the corner of his clothes, walked to the office chair and sat down, flicking the phone with his fingers: "Let him in."

He hung up the phone, flipped through a document book with his slender fingertips, picked up each page of paper with his slender fingertips, and looked at it slowly.

Jing Chenxi pushed open the door of the president's office and walked in.

"President Li."

Li Zhenting was still looking at the folder in front of him, concentrating on it, without raising his head.

Jing Chenxi cleared her voice, then said again: "President Li."

This time the voice was much louder.

"Hey, it turns out that Mr. Jing is here, rare visitor, please sit down." Li Zhenting slowly raised his head, with a beautiful smile on the corner of his lips, his handsome face is monstrous.

"No need." Jing Chenxi snorted softly, and looked at him: "President Li, we are all men, there is no need to bully women, shame on you."

Li Zhenting frowned, and asked inexplicably: "Mr. Jing, what do you mean, why can't I understand."

"Boss Li, you have already divorced Shen Ning. Since you separated, you were the one who abandoned her at the beginning, so why bother with her now and be aggressive." Jing Chenxi said righteously and sternly.

"So you came here for her, but I don't understand. When did I bully her?" Li Zhenting crossed his hands and fingers on the desk, looking serious.

"Mr. Li, the Gucci Perfume Group has been stationed in the Gucci Building for almost 25 years, and the Gucci Building is even famous because of Gucci, but Mr. Li has someone smash the ceiling of Gucci's

office. , the fact that the strong bully the weak and the big bully the small is too inauthentic. If this matter is disclosed by the media, and it is done by Li Zhenting, the richest man in the imperial capital, I think it will not only affect your personal face , even the positive image of the Li Group will be greatly compromised, what do you think? You have to be forgiving and forgiving, not to mention that Shen Ning has given birth to two children for you, so why bother to be aggressive and drive Gu Qi away? let's go..."

"Stop, stop." Li Zhenting urgently gestured for Jing Chenxi to stop, and looked at him incomprehensibly: "What the \*\*\*\* are you talking about, why don't I know about it? What the \*\*\*\* is smashing the ceiling? "

"Do you understand clearly? You know best in your heart. I just came to you because I couldn't see it. We are all men, so there is no need to make things difficult for weak women. Besides, let me tell you clearly, Shen Ning is my girlfriend now. , I must protect her well, if you embarrass her, you are embarrassing me, and I will not sit idly by." Jing Chenxi sneered.

Chapter 507 Mr. Li, what's going on?

"Oh, I see. You're probably talking about the Guqi Building. In this case, wait a moment, and I'll make a call to find out the situation." Li Zhenting suddenly realized, and hurriedly picked up his mobile phone and made a call. I heard him asking: "Mr. Hu, what's the situation over there?"

I don't know what was said there, but Li Zhenting's face suddenly became angry, and he cursed: "You bastard, how did you do the construction? You even smashed the ceiling downstairs, get out, we don't need it for this project You trash."

"It's done." He hung up the phone and shrugged: "I am deeply sorry for this unfortunate news. Don't worry, I will apologize to Shen Ning, and I am willing to compensate for all losses, including spiritual damage."

Jing Chenxi looked at him coldly: "Li Zhenting, although the Li Group is proud of the Jianghu, I, Jing Chenxi, are not scared too much. If you must be my enemy, I will not be afraid. Shen Ning is now my My girlfriend, if you dare to do anything to her, in order to protect my woman, I will take all measures."

"Hey, Mr. Jing, you are really serious." Li Zhenting stood up, picked up the porcelain cup on the table, walked slowly in front of him, and looked at him with a smile.

Obviously he was smiling, but Jing Chenxi could just see the murderous look on his face.

He pursed his lower lip and looked directly at him, there was no warmth in his black pupils.

The two men stood facing each other, full of hostility and swords drawn.

The air was filled with tension and suffocation.

Li Zhenting slowly brought the cup to his mouth and took a sip.

"Ah, it's so hot." Suddenly, he let go of his fingers, and the cup fell straight down. It just happened to hit Jing Chenxi's instep. into his instep.

Jing Chenxi's muscles at the corners of his lips twitched.

Blood quickly flowed from the back of his foot.

Li Zhenting's face changed greatly: "Ah, Mr. Jing, I'm so sorry, the water is too hot. I didn't hold the cup firmly for a while, and it fell down. It's a crime. What should I do? It's bleeding, it must be very hurt. Seriously, let me call an ambulance."

He picked up his cell phone and was about to call the ambulance number.

Jing Chenxi's face was gloomy, looking at the tiles stuck on his instep, he felt a piercing pain, his eyes seemed to have a knife in them.

Right at this moment, the door was pushed open with a bang.

Shen Ning ran in panting.

As soon as she entered the door, she saw two men standing tensely, and there was a faint smell of blood in the air.

Sure enough

She guessed it right!

Jing Chenxi came to settle accounts with Li Zhenting!

She wasn't sure what happened, but the smell of blood was pouring straight into her nose, following the smell of blood, she could see the broken porcelain cup and the piece of porcelain inserted on Jing Chenxi's instep, which looked thorny very deep.

She turned pale.

Jing Chenxi was wearing white socks today, and the blood oozes out and stains the insteps red, which is extraordinarily creepy.

"Chen Xi." Shen Ning felt very uncomfortable, and immediately rushed over to help him and slowly squatted down to look at his instep, with a worried face on his face: "Does it hurt? What happened?"

Jing Chenxi bent slightly and stroked her head: "Silly girl, it's okay, it's just being stabbed by a tile, I'm not that fragile."

Shen Ning pursed his lower lip, and suddenly raised his head to stare at Li Zhenting, with sharp eyes, and asked angrily, "President Li, what's going on? How did Chen Xi's instep hurt like this in your office?"

Chapter 508 You are despicable!

"Shen Ning, I'm really sorry. Boss Jing asked me to argue just now. I was anxious and shook my hand, and the porcelain cup fell. I'm so sorry. I didn't expect this \*\*\*\* porcelain cup to fall on Boss Jing's right now. He was stabbed in the foot, I'll call an ambulance, I'll be responsible for the medical expenses, and I can also pay for mental damage." Li Zhenting was ashamed, and reached out to dial the phone number again.

"Enough." Jing Chenxi said in a cold voice, "Mr. Li, if you overdo some things, it's not good for each other. I'm not a particularly magnanimous person either. I hope you can take care of yourself."

He held Shen Ning's hand, his eyes were full of tenderness: "Ning Ning, I'm fine, let's go."

"You've lost so much blood, how can you be fine?" Shen Ning was so anxious that there were tears in his eyes.

If Jing Chenxi wasn't for her, would she be injured by that \*\*\*\* Li Zhenting? She's sure that Li Zhenting did it on purpose. Judging by his pretentious appearance, it can be seen that it is fake.

Jing Chenxi looked at her with bright eyes.

As a man, she cares about him so much, in fact, he has already won!

"It's okay, trust me." He smiled, gently took her hand, and pulled her up.

Shen Ning stood up, Li Guang looked at Li Zhenting again.

Li Zhenting still had a warm spring breeze on his face, and his attitude was also very good: "Shen Ning, I'm really sorry for hurting your lover. I'm willing to pay any compensation, as long as you ask."

His body is straight, his fingers are naturally bent, and there is nothing wrong with him. He is handsome, but his toes are tightly buckled on the soles of the shoes, and the soles are buckled in a lot.

"You are so despicable." Shen Ning gritted his teeth and supported Jing Chenxi, "Chenxi, go, I will take you to the hospital."

"Thanks."

"Wait." Li Zhenting looked at them, and suddenly seemed to remember something, and quickly stopped her.

Shen Ning turned around and asked coldly: "What's the matter?"

"By the way, was the bra size correct that day? I was worried that it might be a little too small. At that time, it was just based on feeling, and there were shorts, which seemed to be a size too small..." Li Zhenting looked at her with a smile on his lips.

Obviously said the most embarrassing thing, but it was as if he was talking about it, and he was still serious.

Jing Chenxi looked at him, then at Shen Ning, doubts flashed in his eyes.

"Go to hell." Shen Ning was so angry that he picked up a book next to him and threw it at him.

Li Zhenting tilted his body slightly, the book fell to the ground, and the smirk on his lips became more obvious.

...

Shen Ning finally helped Jing Chenxi out.

The smile on Li Zhenting's face cooled down a little bit, and a cold light flickered in the dark ink pupils.

Shen Ning, how dare you call me mean because of your lover!

One day, you will know who is meaner!

He moved his steps, only to realize that the ten toes were tightly clasped to the sole of the leather shoe, and could not be stretched straight, as if they were stuck in the shoe. It took a lot of effort to loosen it little by little, and slowly moved to the bottom of the shoe. Sit down on the soft chair.

In the hospital.

After the doctor bandaged Jing Chenxi, Shen Ning felt guilty and offered to treat him to dinner.

"Okay, this time I can really eat the meal you invited." Jing Chenxi laughed happily.

Shen Ning smiled embarrassedly: "In the future, I will often treat you to dinner."

Jing Chenxi scratched her little nose: "No, I'm not willing to eat your meal. I'll treat it to you. Just eat well. I'm not a soft eater."

Shen Ning smiled: "How could Boss Jing be a softie? If so, there are all men in the world."

Jing Chenxi's eyes deepened: "No, at least Li Zhenting won't."

Shen Ning was startled when he heard this, his eyes dimmed, and he stopped talking.

Chapter 509 Ning Ning, marry me

Jing Chenxi suddenly smiled: "Ning Ning, don't worry, I was joking."

"I don't care, why should I care? Maybe he is excellent, but to me, he is a scumbag." She replied coldly.

Jing Chenxi clenched her little hand: "Ning Ning, I will always leave the best for you, be my girlfriend, I will never betray you in this life."

Shen Ning was silent.

"Ningning, marry me." Suddenly, Jing Chenxi turned around, knelt down on one knee, and spoke loudly.

His move was very sudden, and he was still in the hospital compound at this time, with people coming and going.

When he knelt, many people looked at them.

Shen Ning's face flushed instantly.

"Ning Ning, promise me, I will treat you like a queen in this life, please believe me." Jing Chenxi held her little hand, looked at him with a raised face, eyes as deep as the sea.

Shen Ning was ashamed and anxious, how could this person say such things in such a place!

She wanted to pull out her hand, but Jing Chenxi held her tightly with all her strength, preventing her from escaping! She has to agree!

She stood blankly, when a man's face flashed in front of her eyes, with a smirk...

"Promise him."

"Quickly agree."

"It's not easy to meet someone who loves you in this life, young man, promise quickly."

...

Jing Chenxi's sincerity moved the people around him, and everyone smiled and said good things about him.

Shen Ning was so frightened by the face that suddenly appeared, he came back to his senses, bit his lips tightly, and fixedly looked at Jing Chenxi.

He must have made up his mind!

If she doesn't agree, he won't stand up.

"Chenxi, get up quickly, I promise you." Shen Ning saw that the foot he was kneeling on was exactly the injured foot, because the wound on the back of the foot was squeezed because he was kneeling and lifting his heel. Blood flowed out again, looking very scary. She ruthlessly chased away the person in her mind, and agreed to him directly.

Jing Chenxi was overjoyed, and suddenly stood up and hugged her around several times.

"Chen Xi, let me go, the wound on your instep needs to be bandaged again." Shen Ning shouted anxiously.

Jing Chenxi, who was so happy, hugged her and went back to the hospital in a bumpy manner.

...

Sitting in the office, Li Zhenting was eating food while watching the highly exaggerated picture of Jing Chenxi proposing to Shen Ning in the news media.

After a while, he called up a list from his phone:

On September 20th, Jing Chenxi touched Shen Ning's hand.

On September 22, Jing Chenxi supported Shen Ning's arm and pulled her into his arms.

On September 25th, Jing Chenxi wanted to kiss Shen Ning, but failed...

...

This is the questionnaire cold-blooded gave him!

He has seen it three times.

It is precisely because of this that he can rest assured that Jing Chenxi and Shen Ning will show their 'love' together, but it's a bit too big now.

Three nights ago, the lingering image of him hugging her to death flashed through his mind, the corners of his lips suddenly raised, and a hot tide rose in his body...

Jing Chenxi, Shen Ning was slept with by me again, if you knew the scene of our love that night, would you be \*\*\*\* to death!

Hmph, if you want to \*\*\*\* my woman, it depends on whether you have the life!

He stood up and walked outside.

Four p.m.

The entrance of Blue Whale Kindergarten.

Kid Ke Ke ran towards Li Zhenting with a big schoolbag on his back.

"Daddy, my grandma has been discharged from the hospital, so I can go back to Mommy's house too." He raised his face and asked eagerly.

Li Zhenting stroked his head, and replied gently: "Of course."

"Daddy, I'm going too." Ding Ding ran up, and when Ke Ke said that he was going back to Mommy's house, he couldn't wait to yell loudly.

Li Zhenting smiled again: "All of you can."

"Yeah, that's great." Coco and Ding Ding cheered, "Daddy, let's go now, I miss Mommy and Xiaoxiao so much."

"Is Xiaoxiao not there?" Li Zhenting looked back.

Usually these three little guys would come out together, but I didn't see Xiaoxiao today.

"Xiaoxiao didn't come to school today. I heard from her that she might have to transfer schools." Ding Ding replied dejectedly.

Li Zhenting was startled when he heard that.

Does Xiaoxiao want to transfer schools?

Then Shen Ning... what does this woman mean, does she want to take Xiao Xiao away?

This kind of cognition made his whole heart empty, and panic surged up inexplicably.

All along, he thought that Shen Ning was by his side and could be obtained at any time. Even if she was in love with Jing Chen Xixiu, that would not prevent him from obtaining her.

"Daddy, take us to Mommy's house, we really want to see her." Ke Ke climbed into the car and urged.

"Okay, sit down, I'll take you to find her directly." Li Zhenting got into the car and started the car.

Gucci Building.

Shen Ning just sent Jing Chenxi back before sitting down.

Sudden

There were chaotic footsteps in the corridor.

"Mommy, Mommy." Immediately afterwards, the little guy's shouts came higher and higher, and he couldn't wait.

Shen Ning was shocked, and immediately stood up, full of excitement.

She hadn't had time to run out yet.

instant

The door of the room was knocked open with a bang.

Two chubby little meat \*\*\*\* rolled and crawled over and rushed towards her.

"Coco, Ding Ding." She shouted excitedly, opening her arms.

"Mommy."

"Mommy."

The two little guys jumped up excitedly while screaming, and rushed into her arms, rushing straight into her arms.

Shen Ning had a joyful smile all over his face, and his heart was filled with warmth by them.

"Mum, I miss you so much." Ke Ke brought her little face in front of her, "Hurry up and kiss the baby."

"Okay." Shen Ning hugged him, and gently kissed his little face.

"Mommy, I want to kiss too." A smile appeared on Ding Ding's cold face, and he brought it to her lips.

Shen Ning held his little face and kissed him tenderly.

The two little ones were satisfied and smiled.

"Coco, Ding Ding, let Mommy see if you have gained weight?" She hugged them one by one with both hands and wanted to hug them up.

As a result, the two little guys had grown a lot taller during this period, and she couldn't do what she wanted, so she fell to the ground holding them together.

"Haha." Shen Ning was afraid of falling and hurting the babies, but when he was about to get up and sit up, he was pushed down by Little Keke's buttocks, fell back and fell to the ground, and Niang San laughed together.

The atmosphere is really not too good!

When Shen Ning saw that the children were happy, he forgot how they got here, and only cared about getting bored with the three of them, completely ignoring the man who walked in behind.

"Hey, Mommy, there is a hole in your roof, is it made by a bad mouse?" Ke Ke asked curiously after playing in Mommy's arms for a while, then suddenly looked up and saw the hole in the ceiling.

Shen Ning's face sank, and he replied: "Yes, a big bad mouse."

"Ah, Mommy, I'm afraid of mice." Ding Ding heard that there were mice, with a frightened expression on his face.

"Don't be afraid, Mommy will poison him with some rat poison tomorrow." Shen Ning hurriedly pulled him into his arms to comfort him.

Li Zhenting stood at the door, shivering uncontrollably!
