

Troublemakers 51

Chapter 51 Will you abandon me and Mommy in the future?

As soon as Ke Ke hung up the phone, she immediately waved happily to Xiao Xiao who was standing there.

Xiao Xiao happily ran over.

The two held hands and got into the Li Jiahao car parked next to them.

"Wow, brother, this car is so beautiful." Xiaoxiao sat in the car and looked around curiously.

"What is this? Li's Castle is beautiful. The whole is from a fairy tale kingdom." Coco said lightly, "I will take you to have fun when I get there."

"Really." Little eyes were full of surprise, "So Daddy is so rich."

"It's very rich." Ke Ke raised her hips, got up and opened a treasure chest with her toes on her tiptoes. It was full of dazzling snacks, and her little eyes were straightened.

He took a lot of delicious and interesting things to Xiaoxiao with ease, and suddenly there was a particularly sensitive emotion in Xiaoxiao's eyes. Looking at him, he whispered: "Brother, will you not want me and Mommy in the future?"

Ke Ke was taken aback, then patted her head with two chubby hands and said unhappily: "Xiao Xiao, what are you thinking about, why would I not want Mommy and you?"

"Then you promise me that no matter what you encounter in the future, you will not leave me and Mommy." Xiao Xiao still seemed not very confident, holding Ke Ke's little hand and begging seriously.

"Okay, I promise you." Coco agreed wholeheartedly.

Hey, this sister is good at everything, but a little unconfident and sensitive, maybe it's because she didn't have a daddy since she was a child.

He held her little hand tightly, as if giving her confidence.

Xiaoxiao smiled sweetly.

As soon as the car stopped at Li's Castle, Ke Ke led Xiao Xiao to take a sightseeing car to go sightseeing.

"The castle is really beautiful." Looking at the majestic and luxurious castle, Xiao Xiao has an expression of amazement on his face.

"However, no matter how beautiful it is, I don't like living here. I like being with Mommy." Coco nodded slightly.

Only a place with Mommy is the warmest and happiest place.

"That's true." Xiao Xiao nodded in agreement, with a serious face, "But Daddy belongs to us, we must find a way to get rid of that ugly witch, and help Mommy **** the scumbag Daddy back."

"Well, yes, we must do our best." Coco also had a serious expression.

He was thinking, if the scumbag daddy is really too scumbag, he has no choice but to abandon him!

In the living room.

Li Wanqing was sitting on the sofa reading a newspaper.

Coco walked in holding a small hand.

"Hello, grandma." The two little ones ran over and cried out cutely, and bowed to her at the same time.

"Ah, my little grandson is back from school." Li Wanqing immediately put down the newspaper, smiled kindly, looked at Xiaoxiao, waved to her warmly, and asked kindly: "You are my little classmate, Ding Ding friend right?"

"That's right." Xiaoxiao said with a smile, "Grandma, you are so young and have a good temperament. If Ding Ding hadn't said that you were his grandma, I would have almost called you auntie."

This little villain has read Li Wanqing's heart a long time ago. She loves beauty and likes to be praised for her youth, so she immediately fell in love with her.

However, she really felt that Li Wanqing was young and elegant. Although she was in her fifties, she looked like she was in her thirties or forties. She wanted to praise her from the bottom of her heart.

"Really." Li Wanqing was so happy that she couldn't close her mouth, she reached out and hugged Xiaoxiao's soft body on her lap, and kissed her on the forehead.

The little guy pressed against her softly. Inexplicably, she felt a natural intimacy.

Chapter 52 is he proposed to me

Ke Ke immediately climbed onto the sofa with her little **** up, stood behind Li Wanqing, and beat her back with a smile.

Li Wanqing was in a trance for a while.

She has been looking forward to having such a lovely pair of grandchildren around her knees, enjoying family happiness, and it seems that she has waited for this moment.

Now Ding Ding is cheerful, lively and lovable. It turns out that he is not cold-tempered, and he also likes to socialize with children.

She made up her mind that in the future, Xiao Xiao should have more contact with Ding Ding.

The master bedroom on the second floor.

Shen Mei was beaming with joy and joy.

Today Li Zhenting took her to the temple to pray for blessings, and asked the monks to confirm the auspicious day of the engagement, and took her to see the wedding dress.

Becoming Mrs. Li is just around the corner!

Li Zhenting said that after the engagement, he will get married at the end of the year, and he will hold her a luxurious and grand wedding.

In the past few days, she not only tried her best to please Li Wanqing every day, but she also changed her impatience with Tintin and cared for him like a loving mother.

Finally made it to this day!

Suddenly, her cell phone rang.

She lowered her head and saw that it was Wu Lili calling, and a sneer of disdain and sarcasm suddenly appeared on the corners of her lips.

This Wu Lili married a semi-old man when she was only 22 years old. The Shao family is now in decline, and it can barely be regarded as a wealthy family.

However, although she looks down on her, she will not refuse to associate with her.

After all, with Wu Lili, she can always find all kinds of superiority, which makes her very useful.

"Hello." She picked up the phone with a light tone.

She wanted to take the opportunity to tell her the good news that Li Zhenting married her, and to show off her identity as Mrs. Li.

"Meimei, it's me, Lili." Wu Lili's tone was still flattering, but it was a little different from usual because it was a little weird.

Shen Mei frowned, and asked loftily, "Lili, what's the matter?"

"Meimei, do you still live in Li's house?" Wu Lili asked in a low voice.

"Of course I'm at home." Shen Mei fiddled with the oversized diamond ring in her hand, complaining intentionally, "Hey, I was exhausted today, first I went to the temple with Zhenting to choose the auspicious day, and then took me to Dingsheng to see the wedding dress, I'm really tired, so if you have anything to say, just say it."

Dingsheng Bridal Dress Shop is a place where wedding dresses are tailored for the rich and powerful, and the upper-class dignitaries of the imperial capital will choose there.

Shen Mei's tone was clearly showing off and arrogance.

Wu Lili was stunned for a moment, and immediately asked jealously: "Did Li Zhenting finally agree to marry you?"

"What do you mean you finally agreed to marry me? Can you speak? Let me tell you, he proposed to me on his own initiative. I was still thinking about marrying him." Shen Mei's face was full of arrogance, retorted unhappily.

Do you want to marry? Go ahead and lie, back then, she committed suicide by jumping off a building and failed to live in Li's house. In the end, she didn't live in because of Tintin. She was nothing in Li's house all these years.

A woman gave birth to a child out of wedlock and stayed in a man's house. The magazine and the media ridiculed her all day long, and she still pretended to be aggressive in front of her, which is ridiculous.

However, Li Zhenting is finally going to marry her, which is enough to make her envious and jealous. The Li family is not an ordinary wealthy family, it is an aristocrat among the top wealthy families. They have connections in the military and political circles, and ordinary people dare not provoke them. Li Zhenting is so young and handsome, and he is the sole heir of the Li family. Women are envious of clinging.

She is really blessed!

"Oh, congratulations." Wu Lili said sourly.

"Hey, there is nothing to congratulate." Shen Mei said lightly, "I will send you an invitation card at that time, let you come and see the world."

"Okay, okay." Wu Lili smiled openly.

Although she has known Shen Mei for so long, she has never had a chance to visit Li's Castle. It is said that there is a rich kingdom with gold and jewelry everywhere. It would be great if she could go in and have a look.

"Okay, let's not talk about it, there is a little guest at home today, I have to go to work first." Shen Mei earned enough face, and without waiting for Wu Lili to reply, she hung up the phone arrogantly.

"..." When Wu Lili was about to speak again, there was only the beeping of her mobile phone.

She was holding the mobile phone, her eyes rolling.

Today she wanted to call Shen Mei to tell Shen Mei that among Shen Ning's two bastards, the little boy had the same face as Li Zhenting. It was very likely that that child belonged to Li Zhenting.

But Shen Mei was arrogant, her attitude of not wanting to see her made her change her mind all of a sudden.

Hmph, Shen Mei, what are you crazy about in front of me!

Tell you, if Shen Ning's two **** are really shocking, then the consequences... A schadenfreude smirk appeared on her face, and a sense of revenge surged in her heart.

She wants to watch the fire from the other side, and make a big blow at the right time to seek the greatest benefit!

Chapter 53 Please pay attention to your own image

When she was about to leave work, Shen Ning was packing up the things on the desk, when suddenly there was a knock on the door, and she looked up.

A little flower girl stood at the door holding delicate and bright roses.

"Beautiful young lady, this bouquet of flowers is given to you by a very elegant man." The flower girl walked in very politely, smiling, and handed the flowers to Shen Ning with both hands, and turned away after saluting.

"Hello..." When she paused for a moment and then called out, the little flower girl had disappeared.

Who sent the flowers?

Shen Ning looked suspiciously at the fragrant roses, and found a small and exquisite card at the bottom.

"Ning Ning, send flowers to beauties, I wish your mood is as fragrant and beautiful as flowers."

Signed: Jing Chenxi!

It turned out to be him!

Shen Ning was stunned for a moment, and couldn't help but smile bitterly, he really hasn't changed!

The rose petals are very fresh, and the powder on them is not clearly visible.

She put it under her nose and smelled it. The fragrance burst out, and even the air in the office became fragrant in an instant. She closed her eyes and took a deep breath, just as she was about to put the flowers aside.

Sudden

"Not bad, someone sent flowers at work." She was startled, opened her eyes, and Li Zhenting walked in at some point.

"President Li, what can you do?" She squeezed out a smile, trying to be as polite as possible.

Li Zhenting's **** thin lips raised a sarcastic and cold arc, looked at the bouquet of flowers indifferently, and said indifferently, "I'm here to check the post."

Chagang?

Shen Ning was a little taken aback.

"You are late in the morning, so I want to see if you will leave early after work." The man's words were mean, "Right now, I have received flowers before the end of work time. If I don't come to check the post, you are afraid that you will take advantage of the work. It's time to go on a date, our company has always been strictly disciplined, and we will never allow such acts of false publicity for personal gain."

"..."

Shen Ning was speechless!

This man...is sick...

"Boss Li, it's half past five." She pointed to her watch.

"Who told you that you can get off work at 5:30?" With a dark face, Li Zhenting simply sat down on the sofa and crossed his legs. "If the boss comes to inspect the work, can the subordinates just leave work without being accompanied? I understand." Do you not understand the rules?"

"..."

Shen Ning was at a loss for words.

This scumbag deliberately came to 'inspect the work' when he was off work, and he clearly came here to find trouble on purpose.

"Okay, Mr. Li, which job do you want to inspect? The younger one will be with you to the end." She pursed her lips, sat down on the office chair, and looked directly at him.

"Throw away that bouquet of flowers first, and make the office a mess." He frowned, and looked at the bouquet of flowers in disgust.

Anger ignited in Shen Ning's chest.

What is the miasma? Obviously it is very fragrant!

But he is the financial backer behind Gu Qi, and the tea party will be held soon.

"Okay." She agreed, stood up and picked up the rose and threw it into the trash can with a 'wow', and turned her head to look at him coldly.

"Shen Ning, I am now formally warning you as a supervisor, please pay attention to your image, and don't affect the reputation of the entire company because of your behavior."

His voice was very serious, his thin lips were tightly pursed, and his face seemed to be covered with ice!

Shen Ning was stunned:

"President Li, please speak clearly, I don't understand."

He came here because of her image problem!

This is weird, she wears a formal work suit all day long, with her face up to the sky, compared to Shen Mei's bejeweled, heavy makeup, she really doesn't have an indecent image!

"You really don't understand?"

"don't know."

"Huh." Li Zhenting snorted coldly, took out a special large-screen mobile phone, clicked on a screen, and placed it in front of her eyes.

Chapter 54 Do you deserve respect too?

She was shocked when she saw it.

On the phone, Jing Chenxi grabbed her arm, looked at her affectionately, and she also looked at him, with a charming smile on her face that was visible to the naked eye.

Li Zhenting said seriously:

"Jing's Group has always been a bellwether in the market. You and Jing Chenxi flirt so blatantly, and it's still in public. This was photographed by the media, and it has a big impact on Gu Qi."

Shen Ning was so angry when he heard that, yesterday Jing Chenxi came to her and said that he wanted to send her home, but he just said a few words, what's the fuss, why did it affect Gu Qi?

"Mr. Li, you are really lenient. Don't say that I have nothing to do with Mr. Jing. Even if there is something, it is my private matter. Are you jealous if you ask me to blame you?" She deliberately raised her lips and sneered.

Li Zhenting's eyes were dark for a moment, and a mocking and disdainful smile appeared on the corner of his lips:

"You are just a pair of shoes that I don't want, and you are still jealous? Shen Ning, your skin is really thicker than the city wall."

Damn, she called her a shoe!

Shen Ning was so angry that he raised his palm and hit him in the face.

But before she slapped her palm, she was easily clamped by Li Zhenting.

"Shen Ning, let me tell you, I'm here for Gu Qi. Jing Chenxi has a fiancée, and his fiancée is Miss Jiang Xinyun from the imperial ship king's family. Now the two families are discussing marriage. You are blatant with Jing Chenxi like this." Being in a relationship means meddling in other people's marriages, it's a mistress! When this kind of scandal spreads, not only Jing's Group will be affected, but Gu Qi will also be involved. Jing's Group is not afraid of being rich and powerful, but Gu Qi is vulnerable, not to mention, you You are developing new products, and no one can save you if you are banned."

Shen Ning was stunned, his face turned pale.

She didn't know that Jing Chenxi had a fiancée, but she never thought about having anything to do with him at all.

I don't know which wicked media captured it.

"There is nothing between us." She whispered.

"Hmph." Li Zhenting snorted coldly, shook off her hand, glanced at her pale face, and said in a strange way: "You just know it yourself, don't try to rely on men to reach the sky."

Shen Ning was so angry that his face turned blue again.

This man is obviously humiliating her for relying on a man to get her position.

But the conscience of heaven and earth, when did she have such an idea?

"Li Zhenting, don't judge a gentleman's belly with a villain's heart, please learn to respect me." Her face was flushed and angry.

Li Zhenting sneered: "Do you deserve respect too?"

Shen Ning was so angry that he picked up the book on the table and threw it at him.

Li Zhenting turned his head, grabbed her arm and pulled it. Shen Ning couldn't stand still, and his light body fell into his arms. His chest hit the man's strong chest. A familiar smell came from his nose. When the attack came, she was dazed.

Li Zhenting was pressed against the woman's soft body, and his palms could not help wrapping his arms around the woman's waist.

Suddenly, a sense of déjà vu surged in my heart, and I couldn't help but think of that night six years ago...

That woman seems to be of the same height, with a waist that is light and unbearable to grasp, a soft body, and even a body fragrance that is somewhat similar... Could it be...

"Go away." While he was in a daze, Shen Ning came to his senses, pushed him away, and ran outside.

"Stop."

Li Zhenting grabbed her arm again, squinted his eyes and looked up and down: about the same height, about the same fat and thin...

Chapter 55 How could it be her that night? !

"Boss Li, you are not trying to take advantage of me." Shen Ning looked at his hand holding her arm and smiled mockingly.

Li Zhenting let go of her arm.

No, it can't be her!

How could it be her that night? !

Shen Mei had already given birth to a pair of children for him, yet he still suspected that he would come to that night six years ago... It's simply unbelievable.

"Even if you take the initiative to climb onto my bed, I can't get up, I think it's dirty."

With disgust in his eyes, he took out a stack of documents from his briefcase and threw them at her.

"Sort out the data this evening and give it to me tomorrow morning."

After he gave his orders, he turned around and strode away.

Shen Ning took it and opened it to see that it was full of dense numbers, with more than ten pages, which were the company's various reports for the past six months.

Shouldn't these data be done by the finance or secretary? What is the manager doing for her? It's still time to get off work!

Thinking that Ke Ke and Xiao Xiao are still at home waiting for her to go back to cook, she was so angry that she threw the report on the desk, and cursed bitterly: You bastard!

It's okay to be angry, she dare not not complete the things Li Zhenting confessed, otherwise the next tea party will not be easy to start.

After taking a few deep breaths, she sat down and ordered takeaway for Ke Ke and Xiao Xiao, then stepped up and started working.

Downstairs, just as Li Zhenting came out, he saw a Rolls Royce parked under a big tree on the street.

Jing Chenxi stood beside the car gracefully in a suit and leather shoes.

Obviously, he was waiting for Shen Ning to get off work.

The corners of Li Zhenting's lips curved into a cold arc, and he strode towards his luxury car.

Li's Castle.

"Xiao Xiao, come, eat this." On the sofa, Ke Ke and Xiao Xiao sat side by side, Ke Ke picked up a little butterfly fruit, Xiao Pang put a big imported red grape on Xiao Xiao's lips, and said thoughtfully .

"Thank you." Xiao Xiao opened her mouth.

Coco fed the little red grape into her mouth.

"It's delicious." Xiaoxiao chewed and smiled.

"Eat another one."

Coco fed her another one.

May be the reason for the hasty feeding.

Xiaoxiao suddenly choked and coughed a few times.

"Drink some water quickly." Ke Ke was in a hurry, and quickly patted her on the back, and handed her a glass of water.

Xiao Xiao took a few sips and stopped coughing.

On the stairs, Lan Lan was wearing a red skirt and pearl flowers on her hair, and walked down in small steps.

She had been staring at them for a long time.

She grew up with Ding Ding, and she has never seen Ding Ding treat other children so caringly and considerately.

Xiaoxiao is definitely the first!

She was so sore!

"Huh." She walked up to Ke Kexiao and hummed heavily.

Ke Ke knew she was coming as soon as she heard the voice, and didn't even look at her.

"Hello." Xiao Xiao greeted her politely.

"Who are you? Who asked you to come to our house?" Lan Lan's eyes fell on her small face, full of vinegar, and she asked angrily.

"Xiao Xiao, don't pay attention to her, she is the little trickster who bullies Ding Ding, Lan Lan, so annoying." Ke Ke put her ear next to Xiao Xiao's ear and told her in a low voice.

Xiao Xiao also saw the hostility in Lan Lan's eyes at this time, and frowned.

This little writer is really annoying.

She ignored her, but picked up a cup of cream cake on the table, put a small spoonful of it on Coco's lips, and said with a smile: "Brother, eat this, it's delicious."

Coco opened his mouth.

Xiaoxiao immediately fed the cake into his mouth.

The two are very close.

Lan Lan was furious, staring at them with wide eyes, her little fingers clenched into fists.

At this time, footsteps sounded at the gate.

Chapter 56 Scum Daddy Don't Need It!

"Daddy."

Lan Lan looked back and saw Li Zhenting striding in with a briefcase, suit and leather shoes, and immediately shouted at him excitedly, opened his arms, and ran towards him with his little **** twisted.

"Lan Lan." Seeing her running wildly, Li Zhenting was really worried that she would fall, so he immediately bent down and picked her up.

"Daddy, I miss you so much, do you miss me?" Daddy's embrace made Lan Lan feel at ease and satisfied, and when she was just touched by Ke Ke and Xiao Xiaoqi, her face was instantly filled with smiles, and she never saw half of it again. Unhappy and wronged.

"Lan Lan, Daddy misses you too." Li Zhenting smiled softly, kissed her on the forehead, and walked towards the sofa with her in his arms.

The little ears are always sensitive, and he turned his head to see this scene a long time ago.

Her **** eyes stared at the tall, strong, majestic and domineering man, and she secretly admired in her heart that her father was so handsome, no wonder that ugly witch wanted to pester him and want to marry him, she hated him too up.

only

Lan Lan is his daughter. Seeing how he loves her so much, he won't like himself at all.

But it's enough for her to have a mommy, and it doesn't matter if the scumbag dad doesn't!

And he bullied Mommy, and he wants to marry that ugly witch.

Thinking about it, Xiao Xiao is full of anger in his heart!

When Li Zhenting raised his eyes, he saw Xiao Xiao who was sitting on the sofa.

The little girl was staring at him with big eyes like black grapes. The facial features on her small face were exquisite and delicate, and she could be seen as a beauty.

He was a little taken aback.

The little girl's eyes were inexplicably familiar, as if he had seen them before, and what surprised him even more was that there was an inexplicable hostility and indifference towards him in the little girl's bright black eyes.

"Is your name Xiaoxiao?" He was startled for a while, and soon asked with a smile.

Today when Ding Ding called him and said that he was going to take his female classmate home to play, it should be her!

"Hmph." Xiaoxiao snorted coldly, and didn't even speak, but turned around and pointed his back at him.

Li Zhenting was stunned, slightly stunned, this little girl has quite a personality.

Immediately looked at Ding Ding and said: "Ding Ding, you have to treat your classmates well."

"Hmph." Ke Ke's originally smiling face suddenly sank, and he gave a heavy 'hum', and turned his head away to ignore him.

"Boy, are you still polite?" Li Zhenting frowned. This guy saw his father in front of outsiders not only didn't say hello, but also gave him a face. When he called in the afternoon to bring the children to play at home, Not this attitude.

"Wow." Coco called out angrily.

Li Zhenting's face softened a little.

"Daddy, brother treats his female classmate very well, and even feeds her food." Lan Lan's voice was sour in his arms, full of jealousy.

"Oh, that's good." Li Zhenting froze for a moment, then smiled.

Ding Ding would be so considerate and considerate to take care of others, he really didn't expect it.

"Shocking."

At this time, a **** and beautiful young woman came out of the kitchen, wearing an apron, wavy curly hair, and heavy makeup. She called out delicately, and walked straight towards Li Zhenting, with a charming smile on her face,

"Today Ding Ding invited a female classmate to come over to play at home. I personally cooked a few dishes. You guys will try them together later and see how my cooking is."

"okay."

Li Zhenting's tone was gentle, and he seemed very satisfied with her performance.

"Zhen Ting, if you think my fried dishes are not tasty, you are not allowed to blame me, I will study hard, you have to encourage me." She took his big hand and acted coquettishly, affectionately looking at him.

Small eyeballs fell on her body.

It turns out that this ugly witch looks even uglier up close. Not only is she ugly, but she is also very demonic. I really don't know what the scumbag likes about her. She is so much worse than Mommy. What kind of look does the scumbag daddy have? , I have to teach him normal aesthetics if I have the opportunity.

She curled her lips in disdain.

Chapter 57 I hate her even more in my heart.

When Shen Mei raised her eyes, she suddenly saw that Xiao Xiao was looking at herself, the corners of her lips curled up, a fake smile appeared on her face, and she was about to greet her.

Xiao Xiao turned her head away, pretending not to see her.

She frowned. The little girl was dressed in ordinary clothes, and she looked like a commoner girl who had never seen the world.

She didn't like her from the beginning.

And even stranger

The little girl looked at her with hostility and unfriendliness in her eyes.

This made her very unhappy.

Looking at this little girl from the bottom of my heart, I feel even more annoying!

It seems that Ding Ding can't let her take her home anymore.

"Madam, young master, Miss Shen, dinner is ready." Butler Luo came over and invited them to have dinner.

"Okay, I have dinner." Coco immediately took her little hands and ran to the dining table cheerfully. The two climbed up on the table and stood close together.

Lan Lan turned her pale face and glanced at Xiao Xiao.

"Xiao Xiao, come, eat this." Coco turned the dinner plate and took a big crab and put it in a small bowl.

Xiaoxiao looked at the red crab shell and shook her head: "I can't bite it."

"It's okay, my brother will help you. You can eat the big lobster and cumin ribs first." Coco immediately filled the small bowl with various meat dishes, which he ordered the kitchen to make, and then picked up the small tong, Little by little helped her with the crab meat, and every time the meat came out, he put it in his small mouth, and he didn't eat any of it himself.

Li Wanqing was extremely surprised.

Ding Ding actually cares about Xiao Xiao so much!

She has never seen such a Ding Ding, who can take care of others so carefully.

It seems that this child is so caring!

Who said he was indifferent!

Now, she is completely at ease!

Lan Lan picks up the rice grains with chopsticks, not wanting to eat at all, looking at Ke Ke and Xiao Xiao's intimate appearance from time to time, she pouted.

"Brother, why don't you peel it for me to eat?" She asked dissatisfied.

Ke Ke didn't even look at her, and replied, "She's a guest."

"What kind of guest is she? She looks shabby. You are not allowed to take her home from now on." Lan Lan was very unhappy. Xiao Xiao's arrival completely stole her limelight. She didn't want to see her very much, so she used an orderly tone declare arrogantly.

Li Zhenting frowned: "Lan Lan, Xiao Xiao is Ding Ding's classmate. It's a normal relationship to take classmates home to play. You are the host, so be polite to the guests."

Li Zhenting was very dissatisfied with Lan Lan's domineering appearance.

This kid is okay, but he is too possessive, he wants to show off everything, and he must get what he likes. This is really a bit like Shen Mei, which is what he dislikes the most.

Lan Lan was criticized by her daddy, her arrogance became much less aggressive, and her eyes were red.

Shen Mei is wearing an apron at the dining table serving Li Wanqing vegetables. She will be flattering her mother-in-law and busy trying to curry favor with Li Zhenting. She is extremely busy!

After hearing Li Zhenting accusing Lan Lan, the smile on his face disappeared, and he looked at Xiao Xiao displeasedly, and hated her even more in his heart.

"Lan Lan, come to Mommy." She waved to Lan Lan and sat down beside Li Zhenting.

Lan Lan immediately ran into her arms.

But both are children, so they definitely like to play with their peers.

Over there, Ke Ke is very close to Xiao Xiao. She is alone and still very unhappy.

In fact, in the kindergarten these few days, Ke Ke ignored her at all. When class was over, he would always run to the fence to flirt with Xiao Xiao. Xiaoxiao led him into the house.

It seems that Daddy supports them.

And she remembered that last time, when she ran into Ding Ding's room, Ding Ding was talking to a little girl, and she saw her face, it was this little girl.

She pouted, eyes full of jealousy.

Chapter 58 She hates me

"Xiao Xiao, come and play with Ding Ding at home more from now on, grandma likes you very much." Li Wanqing really loved this sweet-mouthed little girl very much, and told Xiao Xiao with a smile.

Ke Ke was very happy when she heard that, her little face turned into a flower with a smile, and immediately replied: "Thank you grandma, don't worry, I will often bring her to play at home."

"Okay, okay." Li Wanqing agreed with a smile.

As long as it makes her grandson happy, she is happy even if Xiao Xiao lives at home every day.

But Shen Mei's face darkened.

She doesn't like Xiaoxiao at all, and even let her come to play at home often, isn't this a problem for her and Lan Lan.

But before she made a statement, she heard Xiao Xiao say loudly:

"Grandma, Auntie doesn't want me to play here, she hates me."

While speaking, the little finger pointed directly at Shen Mei.

Everyone was startled, and all looked at Shen Mei.

Shen Mei was also stunned, how could this annoying little girl say what she was thinking?

"Xiaoxiao, why would Auntie not want you to come to play? Of course you are very welcome. You can come and play with Xiaoxiao anytime." An awkward smile flashed across her face, and she immediately smoothed things over, but she hated Xiaoxiao even more in her heart. up.

Of course, she didn't know that Xiao Xiaozao had read her heart at this time, and only thought that she was guessing randomly.

"That's right, Xiaoxiao, if you like it, come here often, we welcome you." Li Zhenting also smiled beside him.

Children speak freely!

"Really, then I will often come here with my brother from now on." Xiao Xiao smiled crescent-shaped, and her big eyes glared at Shen Mei triumphantly.

Shen Mei was so angry that when she looked into her small big eyes, her heart jumped suddenly.

Not right

This little guy's big eyes look like a person!

She was stunned, and Shen Ning's face flashed in her mind, her face turned pale, and she couldn't even hold the chopsticks and fell down.

"I'm sorry, I'm sorry." She panicked to pick up the chopsticks.

When she picked up the chopsticks and looked at Xiaoshi in a panic, Xiaoxiao had already turned her head to talk to Ding Ding in a low voice, and there was no trace of Shen Ning on that side face at all.

She breathed a sigh of relief.

After eating, it was already dark.

Li Zhenting looked at Xiao Xiao: "Xiao Xiao, where do you live? Uncle will take you back, okay?"

"Not good." Before Xiaoxiao could answer, Ke Ke answered first, "Today Xiaoxiao will stay and sleep with me, and I won't go back."

Li Zhenting frowned slightly: "Ding Ding, Xiao Xiao must get the consent of her parents to stay in our house, otherwise, they will be in a hurry."

"Her parents already knew about it and agreed to her staying." Ke Ke replied like a parent.

Li Zhenting glared at him.

This kid really likes Xiaoxiao so much that he doesn't care about anything, but he is an adult and has the responsibility to send Xiaoxiao back.

Anyone who loses their children will be anxious.

"Xiao Xiao, do you have your parents' phone numbers? I'll give them a call. If they agree, you can stay." He smiled and asked.

Xiao Xiao lost his mind for a while, looking at Ke Ke.

Coco winked at her.

She shook her head: "I don't remember."

"Then do you know where your home is?" Li Zhenting was a little dumbfounded, but after all, he was only a five-year-old child, and he couldn't force her to remember such a long mobile phone number.

Xiao Xiao still didn't speak.

Li Zhenting saw that she didn't even know where her own home was. If she forcibly kept other people's children like this, her parents would be so anxious.

He took out his mobile phone and said, "Well, I'll call Teacher Wang and ask."

Xiaoxiao had no choice but to reply: "My home is in Zhengsheng Apartment."

Mr. Wang doesn't know her at all. If Li Zhenting finds out that she is not in Blue Whale Kindergarten, then he probably won't let her associate with Ke Ke in the future.

She doesn't want this!

Chapter 59 Her mommy is gentle and beautiful

Zhengsheng Apartment? Li Zhenting immediately clicked on the Baidu map. Fortunately, it is not too far from here.

He smiled slightly:

"Okay, Xiaoxiao, then I will take you home first. If you like it, come back tomorrow. If you want to stay here tomorrow, ask your father or mother to call me. My phone number, Ding Ding I know."

He went to the study to get the car keys.

Xiaoxiao looked at Coco.

Ke Ke said helplessly: "Then you go back first, I will bring you back tomorrow."

"Yeah." Xiao Xiao nodded.

After a while, Li Zhenting came over, but Ke Ke insisted on sending Xiao Xiao back, and said that he had been to Xiao Xiao's house many times.

Li Zhenting didn't object either.

The two little ones walked out holding hands.

Zhengsheng Apartment.

Li Zhenting finally parked the car.

Coco took the little hand and opened the car door and walked out.

"Daddy, just wait here, I'll take Xiaoxiao back." Coco commanded Li Zhenting fiercely.

Li Zhenting was worried: "Do you know where her home is?"

"Of course, I've been here several times. Her mommy is so warm, gentle and beautiful." Ke Ke smiled.

Li Zhenting was taken aback when he heard that, why does this kid only think other people's mommy is good.

"Wait, I'll go with you." He was still worried that the children of other people's families must be sent to the parents, otherwise, if something happened, it would be bad!

And he is not sure whether Xiao Xiao really lives here.

He opened the car door and followed.

"Uncle, goodbye, good night." But as soon as he got down, Xiaoxiao greeted him, and the two little ones held hands and ran bouncing around the gravel path in the garden for a certain distance.

He had no choice but to follow quickly.

"Xiao Xiao, the scumbag daddy is here, we must not let him know which room we live in with Mommy, otherwise, everything will be messed up, and Ding Ding is still at home." Coco said in a low voice.

This is why he insisted on sending Xiao Xiao back.

Mommy never wanted Daddy to know that they lived here, and he and Ding Ding switched identities, and Mommy still doesn't know it yet.

What's more important is that they haven't avenged their vengeance yet, so they must act cautiously!

"Okay, then let's go to the other side." Xiao Xiao nodded.

The two little ones ran towards another building.

Soon, they got on the elevator.

When Li Zhenting followed, he saw the elevator go up to the eighth floor, but when he got to the eighth floor, he couldn't find Ding Ding and Xiao Xiao.

When he felt strange.

"Daddy." Ding Ding came out out of nowhere with a bag in his hand.

"Where have you been? Where's Xiaoxiao?" Li Zhenting asked immediately.

"Go home, I have already sent her in." Coco replied lightly, and ran towards the elevator.

"Is Xiaoxiao really going home? Are her parents at home?" Li Zhenting was very worried when he caught up.

"Of course I'm at home." Ke Ke entered the elevator with a calm expression.

Li Zhenting still felt that something was wrong: "Then take me to see if Xiaoxiao really came home."

"No, everyone is asleep." Coco handed him the contents of the bag, "This is from my little mommy."

Li Zhenting took it and took a look. There were not only two comic books in it, but also a box of small desserts, which looked very beautiful, as if they were handmade.

Now, he felt relieved and got into the car with Ke Ke.

"Daddy, are you going to marry Shen Mei?" Ke Ke suddenly asked loudly when the car stopped at Li's Castle.

Li Zhenting's handsome face turned black in an instant, and this kid became more and more ugly, even calling his mommy's name directly.

Chapter 60 I want you to cancel the wedding

"Yes, what's wrong?" He was all cold.

It's not bad at all for the children to go to the house without hitting the roof tiles for three days.

"I don't want you to marry her." Ke Ke became emotional and shouted loudly.

Li Zhenting was very angry when he heard it.

Last time, because he didn't marry his mother, he went out and broke the company's computer system. This time, he finally made up his mind to marry his mother, and he said such things again, it's simply ridiculous. You're messing around!

"Didn't you agree last time?" He held back his anger and asked in a low voice.

Last time?

Ke Ke was stunned, and suddenly realized that the mummy he was talking about and the mummy he was talking about were not the same person at all.

He was talking about his own mother, Shen Ning, but the mother he was talking about was Ding Ding's mother, Shen Mei.

They got it wrong!

Coco's intestines turned green all at once.

This is all his fault!

How could he be so careless, no matter when, he didn't want Daddy to marry that ugly witch, Shen Mei.

"The mummy I'm talking about is not Shen Mei." He immediately corrected loudly.

When Li Zhenting heard this, his face turned black.

"Are you crazy, you can't even recognize Mommy, Mommy is Mommy, how can it be any other woman?"

"My mommy is not that ugly witch Shen Mei, no, I don't want you to marry her, I want you to cancel the wedding." Coco forcefully ordered.

Li Zhenting was so angry that his heart and lungs hurt.

This kid actually disrespected his mommy so much, and even called her an ugly witch. Moreover, the date of engagement and wedding has been set, and he is not happy about it. Why did he go so early?

At the beginning, if it wasn't for him, he still didn't want to get married.

Now that the matter is a foregone conclusion, how can we change it just by saying it!

"Boy, if you dare to talk nonsense again, be careful and I will beat you." He yelled angrily.

Ke Ke refused to accept his threats, stiffened his neck, and blushed: "If you marry her, I won't take your surname anymore, and I won't be your son."

Li Zhenting was so angry that smoke was rising from the top of his head.

How can a son object to Daddy marrying Mommy!

Seeing him like this, nine times out of ten he fell ill again, and he was still seriously ill.

He opened the car door, took his arm and walked towards the study.

"Let go of me, scumbag daddy, scumbag boy, I hate you." Coco was held in mid-air, dancing with hands and feet. Li Zhenting will definitely not give him good fruit tonight, but he will not at all If you are afraid, you will have to fight with the scumbag daddy.

If he marries Shen Mei, this daddy is really out of the question.

He still hopes that he has a mommy and a daddy.

With the determination to win, he is determined to fight to the end.

"Stinky boy, you are really lawless." Li Zhenting was scolded by Ke Ke until the veins on his forehead twitched.

This kid is getting bolder and bolder.

"Zhen Ting, what's wrong with you?" Shen Mei saw Li Zhen Ting angrily carrying Ding Ding in, she was secretly happy, Ding Ding has always been his lifeblood, and she has never seen him so angry, so she hurriedly asked hypocritically.

Li Zhenting felt a terrifying chill all over his body, and walked upstairs with a straight face.

"Zhenting, the child is still young. Although he sometimes behaves incomprehensibly, don't be as knowledgeable as him. Let him go." Shen Mei followed up and took Li Zhenting's hand, pleading.

Coco became even angrier when he heard that, what kind of nonsense is this ugly witch talking about? When did he act incomprehensibly? Isn't this adding fuel to the fire?

"Ugly witch, shut up." Coco shouted angrily.

Li Zhenting was furious when he heard this.

This kid has completely lost his bottom line, even Mommy can scold him.

He raised his hand and slapped his **** twice.
