

## Troublemakers 511

Chapter 511 This man is pretending to be deaf and acting stupid, so stupid!

"Mommy, does that bad mouse want to steal your good food?" Ke Ke heard that there was a bad mouse, which aroused his strong curiosity. Mi poisoned the big rat before giving up.

"Cough, cough." Li Zhenting coughed a few times.

Shen Ning raised his eyes in shock, and saw Li Zhenting standing at the door, looking at them with arms folded, his eyes dark and deep.

The smile on her face instantly froze on her face, and her eyes gradually turned to ice.

How could she have forgotten how Ke Ke and Ding Ding got here?

"What? Don't you thank me for bringing the children to see you?" Li Zhenting approached.

Shen Ning rolled his big eyes at him in a corner where the children couldn't see.

Can he be so kind to bring the children to see her? It must be that Ke Ke and Ding Ding miss her, and he can't help it.

After playing with the children for a while, she asked Secretary Li to come over and take the two little guys to the meeting room next door, and she began to settle accounts with Li Zhenting.

"Li Zhenting, what do you mean? You actually smashed a hole in the ceiling of my office! Explain to me." As soon as the children left, Shen Ning asked angrily with a frosty face.

Li Zhenting looked up at the ceiling, and replied very sincerely: "I'm sorry, it was my fault. I didn't expect them to smash the ceiling. Don't worry, it will be repaired tomorrow, and I am willing to compensate for any losses."

"Compensation?" Shen Ning smiled contemptuously, "You think you can do whatever you want if you have money, and it's just a matter of compensation. It's really funny."

"Then what do you want to do?" Li Zhenting was embarrassed and innocent.

Shen Ning just looked at him.

She remembered seeing eyes in that hole when the smallpox fell.

Is it hallucination?

She stared at him closely.

"Ning Ning, what compensation do you want?" At this moment, Li Zhenting's hand suddenly fell on her waist, stroked it, and smiled.

immediately

A tingling sensation made her tremble, and she took a few steps back in fright. When she came back to her senses, she shouted angrily:

"Li Zhenting, you are shameless. If you dare to touch me again, I will call the police immediately, and I will tell me clearly, what exactly do you want to do? What is the purpose of buying the Guqi Building? If you want to drive me away, just say so, don't play around means."

Li Zhenting was stunned: "Ningning, I never thought of driving you away. I gave myself to you. Three days ago, we were so affectionate. Why should I drive you away?"

"Shut up." Mentioning that night, Shen Ning became more and more wanting to die, and even more angry, "I told you not to mention that night again, we are just strangers now."

"Okay." Li Zhenting sniffed his nose, and the faint scent of a woman wafted in, and he couldn't help but shake his heart.

"Quickly answer my question." As soon as Shen Ning raised his eyes, he saw the man's bright black eyes staring at her neck, his face full of hope, and immediately asked.

"What?" Li Zhenting asked stupidly.

Shen Ning was so angry, this man was pretending to be deaf and foolish, what a dog!

"Okay, let's Gu Qi move away, can't we afford to hide?" Shen Ning's eye circles were red, and if he was really forced to this point, there was nothing he could do.

"Where are you going to move?" Li Zhenting was startled, and hurriedly grabbed her arm, "The acquisition of Guqi Building is only for the company's business development, not for you."

"Really? Then why didn't your company acquire it before? Now that the upper management has withdrawn the lease, you came here. It's really just right. Even a pig can see this ulterior motive." Shen Ning sneered twice.

Li Zhenting felt a little helpless.

Obviously he was the one who took away the Da Gang upstairs, so why did he just come to \*\*\*\* her territory at the right time.

He replied: "Ning Ning, things are not as you imagined, do you want to rent, you can go and talk to the rent department of Li's Group, I will say hello."

Chapter 512 Am I such a person in your eyes?

"Okay, I don't dare." Shen Ning looked at him coldly with a straight face, "Li Zhenting, there is one more thing I think you should know very well."

"What's the matter?" Li Zhenting was taken aback and asked quickly.

Shen Ning looked at his innocent and blank face, and couldn't help but sneered.

As long as this dog man is related to Shen Mei's affairs, he will pretend to be deaf and dumb, and turn off the fire.

"Who ordered that man to play me to death three days ago, don't you know?" Her eyes were cold and her tone was harsh.

"Who?" He was stunned and asked back.

Shen Ning's heart ached instantly.

"Li Zhenting, you clearly know that you are still acting with me here, do you think that if you save me, you can treat all this as if nothing happened? Impossible, tell you, I am a human being, not a kitten or dog, you can fight and kill as you please."

Li Zhenting's eyes darkened, and he replied seriously: "I can only find out for now that Yang Fengying is trying to harm you."

Shen Ning laughed straight after hearing this: "Then what is Yang Fengying? Why did she want to kill me? There must be someone behind this."

He can do it!

In order to protect Shen Mei, he actually let that fat woman, Yang Fengying, bear the responsibility alone. There is really no one else!

"Then do you know who ordered it?" Li Zhenting asked after a moment of silence.

"Hmph, not only do I know, but Shen Mei admitted it herself." Shen Ning snorted coldly and glared at him angrily, "Shen Mei wants to kill me all the time, but your eyes are always blind. Can't see, Li Zhenting, just wait, I will definitely send her to prison."

"Shen Mei told you personally that she ordered someone to harm you?"

"Of course not, I figured it out." Shen Ning smiled sadly, "I don't believe you don't know that she framed me behind my back, just because she is your beloved woman, you tolerate her doing evil things, once Hurt me again and again, don't you know that covering up is also a crime? You two scumbags and villains, I will definitely make you pay the price you deserve. "

When she said this, her body backed away, and the pain on the apex of her heart made her face turn pale.

Li Zhenting's heart suddenly felt a dull pain.

"Ning Ning." He reached out to touch her, "Is this the kind of person I am in your eyes?"

Shen Ning slammed his hand off: "No, you are worse than this, you are even more scumbag, I feel disgusted when I see you." After she finished speaking viciously, she walked outside.

Li Zhenting stood like a statue.

"Mum, let's go home." Ke Ke and Ding Ding ran over, saw Shen Ning, and immediately said in a childlike voice, "I want to go home and see Xiao Xiao."

"..." Shen Ning looked at the little guy's immature face but was speechless.

Coco doesn't know until now that she gave up his custody rights and doesn't want him anymore!

How should she explain to him! There was another sharp pain in the apex of my heart.

"Mummy, are you feeling well?" Ke Ke looked at her, asked worriedly, and stepped forward to hold her hand.

Mommy's hands are so cold, he's so worried.

"Ke Ke." Shen Ning bent down and hugged Ke Ke into her arms, holding her tightly. Her guilt and apology made her dare not face her son's concern.

She secretly made up her mind that only by making Gu Qi bigger and stronger, so that she has strength, can she have a way to compete with Li Zhenting and regain the custody of the child.

"Ke Ke, you and Ding Ding go home with Daddy first, Mommy has to work overtime." After a while, she raised her head and said softly.

### Chapter 513 Great hospitality

"Mommy, don't work so hard. Ding Ding and I will support you when we grow up." Ke Ke didn't want Mommy to work so hard, and felt distressed. She hugged Mommy's head, didn't want Mommy to work overtime, and only wanted her to be with them.

Shen Ning's eyes immediately became foggy.

"Ning Ning, let's go have dinner together first." Li Zhenting came over and hugged Ke Ke from her arms, let Ding Ding follow behind, and led them outside.

Shen Ning stood still.

Ding Ding ran over and took her hand.

Li Zhenting looked back: "The children are hungry, and I have already booked a restaurant."

"Mommy, let's go." Ding Ding dragged her.

Shen Ning had no choice but to walk out with them.

After walking a few steps, Li Zhenting turned his head and freed up a hand to hold Shen Ning's hand tightly.

Shen Ning wanted to shake off his hand, he whispered in her ear: "Do you want the children to be unhappy after seeing it?"

Just this one sentence, she obeyed.

The corners of Li Zhenting's lips curled up, and he led her outside.

"Wow, Boss Li and Boss Shen are so affectionate. It turns out that Boss Shen is the biggest winner."

"Mr. Shen gave birth to Mr. Li in place of Mr. Li for such two lovely children. It's great. It seems that we all made a mistake at the time, and she is the right one."

"So happy."

...

The staff in the office were all discussing quietly, envious, no one knew that Shen Ning wanted to kill Li Zhenting now!

Crown Hotel.

In front of the huge floor-to-ceiling glass, Li Zhenting occupies the best position facing the sea. With Shen Ning, the family of four is enjoying a sweet dinner.

"Ningning, these oysters are very fresh. They were just caught from the sea. Try them quickly." Li Zhenting graciously served her dishes from time to time.

"Thank you." Shen Ning gritted his teeth and thanked.

This dog man shows great hospitality in front of the children, and from time to time puts food for her, which makes people feel that he cares for her, but in reality?

Shen Ning was itching with hatred in his heart.

He deliberately behaved in front of the children. If she resisted and refused, the children would feel that she was making trouble for no reason.

She can only bear it!

"Ningning, the prawns are good, eat one quickly." Li Zhenting picked out the biggest prawn, peeled it, dipped it in sauce, and brought it to her mouth.

Shen Ning raised his eyes and stared at him.

"The children are watching, eat quickly." Under the table, Li Zhenting's other hand fell on her waist, and whispered in her ear.

It was determined that she could only make do with him in front of the children.

"You don't need to be hypocritical, I don't want to eat." Shen Ning gritted his teeth and said in a low voice.

"No, you have to eat, you are too thin." Li Zhenting scratched her waist deliberately with his fingers.

Shen Ning was itchy and angry instantly, and could only stare at him viciously.

He has a caring look on his face.

"Mommy, what's the matter with you?" Ke Ke looked up and saw Mommy staring at Daddy viciously. She didn't know what happened for a moment. Tonight, Daddy treated Mommy like never before. Could it be that Daddy Are you bullying Mummy again? He observed carefully, but Daddy only had a concerned face, there was nothing wrong with it.

"It's okay." Shen Ning could only smile, and opened his mouth to eat the prawn.

Not to mention, I don't know what seasoning Li Zhenting dipped in. This shrimp is very sweet and delicious.

Under the guidance of Li Zhenting, I ate a meal for nearly an hour. In the end, the entire table was covered with seafood shells and bones. Everyone was full, and Shen Ning was even more full.

Chapter 514 This kid just needs a beating!

"Okay, Ke Ke, Ding Ding, you go back with Daddy first, Mommy is going to work overtime." After dinner, Shen Ning waved goodbye to Ke Ke and Ding Ding.

"Mum, you can't work overtime too late, Ding Ding and I will go to see you tomorrow." Ke Ke and Ding Ding bid farewell to Shen Ning on the RV, Ke Ke told Shen Ning considerately.

"Okay." Shen Ning looked at the cute faces of the children and nodded heavily.

The car drove away, Ke Ke and Ding Ding reluctantly watched Mommy walking towards the Mercedes-Benz business car, and then put their heads back in.

Li's old house.

When Li Zhenting came back with the two cubs, he saw Li Wanqing packing up his things.

"Mom, what are you doing?" There were several bags on the table, and he saw that they were all his and Coco's things, so he couldn't help asking strangely.

"Zhen Ting, your grandma will be discharged from the hospital tomorrow. You can take Ke Ke and Ding Ding back to Li's Castle. Your grandma has a bad heart and the children are too noisy. I'm afraid it will disturb her rest."

"Oh." Li Zhenting was stunned, and suddenly he was a little puzzled, isn't grandma the favorite with children and grandchildren around her knees!

Li Wanqing seemed to see his doubts, and said: "You take the children back to stay for a while, let your grandma's heart get better before taking them over, but you have to bring them over to see your grandma on Saturdays and Sundays, otherwise, her old man I will miss my child."

"Oh, okay." Hearing this, Li Zhenting had to take Ke Ke and Ding Ding back to Li's Castle.

Li Wanqing watched him carrying two bags of luggage and leading the two little guys walking outside lonely, and shook her head.

If you are not allowed to live a life of being both a father and a mother, you will not appreciate Shen Ning's goodness!

This kid deserves a beating!

Li's Castle.

When Li Zhenting rushed home with the two little guys, the entire Li's Castle was empty, as if no one had lived in it for a long time.

During this period, Li Minhua fell ill, and the whole family rushed to take care of her. It was true that no one lived for a long time.

"Steward Luo, Steward Luo." Li Zhenting called in.

But after shouting for a while, there was no movement.

After a long time, a nanny ran over from behind.

"Where's Butler Luo?" Li Zhenting asked displeased.

"Master, you have fired Steward Luo." The nanny, Sister Yun, was crying.

It was only then that Li Zhenting came back to his senses. It turned out that he had already fired Butler Luo that night because of Shen Ning's matter, and he actually forgot about it!

sudden

He felt like a bit of a jerk.

Without Butler Luo, no matter how you look at it, this house is no longer as clean and orderly as it used to be.

"Well, give Ke Ke and Ding Ding a bath, and arrange for them to sleep and rest." He cleared his voice, that's all he could do.

"Okay." Sister Yun hurriedly led Ke Ke and Ding Ding to take a bath.

Ke Ke is okay, independent, and can take a bath by himself, but Ding Ding is used to being taken care of by others. He shouted loudly: "Where is the towel?" "I'm going to poop."

Sister Yun was in a hurry all by herself.

When Li Zhenting went into the bathroom to take a shower, he saw that his bathroom hadn't been cleaned for a long time. Thinking of Ke Ke and Ding Ding's bathroom, no one cleaned his, let alone the children's.

As a result, when he came out, he saw Sister Yun busy running around.

He frowned.

"Sister Yun, where is the nanny in this family? Why did you only see you?" Finally, after she finished her work, he called her to ask.

Chapter 515 My mom was beaten to death

Sister Yun replied: "Master, Xiao Li and Sister Ma belong to Miss Shen Mei. Once she left, they were dismissed by Madam. Xiao Li is now on annual leave, and Mama Hu is on sick leave. Now there are only two people in the entire castle. The hygiene person is me."

Li Zhenting was very displeased.

Now that Ke Ke and Ding Ding are back, the two little ones need someone to take care of them, and they have to go to and from school. There is only one servant left in this house. It seems that his mother Li Wanqing is also a little confused .

"In this way, let Xiao Li come back to take care of Ke Ke and Ding Ding first, and then take the annual leave after a period of time."

"Okay." Yun's mother had to contact her, but after the phone call, she was told that she had gone to another place and she couldn't make it back now, and she would not be back until three days later.

After hearing this, Li Zhenting had to forget it. He took the shower head and rinsed it everywhere in the bathroom. He barely took a shower. When he fell asleep in the middle of the night, he felt itchy all over his body. Red dots, I don't know if it's because of allergies, or because the bed hasn't been cleaned for many days.

He stood up angrily and walked towards Ke Ke and Ding Ding's bedroom.

How are these two little guys doing now!

Especially Ding Ding has the habit of having nightmares at night!

"Mommy, Mommy." Just as he walked to the corridor, he suddenly heard crying from the children's room. He was startled, and rushed in quickly.

"Mommy, I want Mommy." He turned on the night light, and the two little guys in the children's room were sleeping together. This time, Ding Ding slept soundly, but Ke Ke was holding onto the clothes on her chest with both hands. crying.

"Coco." His heart tightened, and he immediately went to hug him and patted his back lightly.

Ke Ke hugged him tightly with both hands as soon as he hugged him, probably because she felt that this person was not her mother in her sleep, and burst into tears.

"Ke Ke, don't cry, don't cry, Daddy is here." Li Zhenting hugged him and shook him gently.

Coco suddenly opened his eyes.

"Mommy, my mommy was beaten to death." Coco looked around with big eyes. He didn't live here for a long time, and then he went to Li's old house. Feeling unfamiliar and panicking, coupled with having nightmares, I especially wanted to see Mommy, and was worried that Mommy would be beaten to death.

"It's nothing, your mommy is fine, no one dares to beat her with Daddy around." Knowing that the child had a nightmare, Li Zhenting hurriedly wiped his tears with a tissue and coaxed him softly.

Ke Ke couldn't get out of the dream at all, and kept crying: "Blood, a lot of blood, Mommy has been beaten to death."

He began to cry more and more horribly.

Ding Ding was also woken up at this time, and got up ignorantly, seeing that Ke Ke, who had always been strong, was crying in the middle of the night. He didn't know what happened, so he also burst into tears.

temporarily

After coaxing this one, Li Zhenting went to coax that one again, making a mess.

The key point is that coaxing didn't work. The two children didn't agree with him, and they still cried loudly, and the more they cried, the worse they became.

In the end, Li Zhenting had no choice but to accompany them, and he dared not go to sleep until they fell asleep from crying and tired.

It was almost five o'clock in the morning.

At half past six in the morning, he was woken up by the alarm clock.

The kids have to eat breakfast and go to kindergarten.

He went to Ding Ding and Coco's room to wake them up and let them brush their teeth and wash their faces.

Chapter 516 must be investigated to the end

Ke Ke and Ding Ding cried for a long time last night, and when they woke up early in the morning, their spirits were low, their big eyes were foggy, and they brushed their teeth and washed their teeth very slowly. In addition, the children were young, and they also had the urge to get up. I can't get enough of my clothes and lose my temper there.

Li Zhenting never cared about these things. Children have to wear school uniforms, and he doesn't even know where they are.

And Sister Yun in the downstairs kitchen was preparing breakfast, so she didn't have time to come over.

Li Zhenting frantically found some school uniforms, put them on for the children and ran down. As a result, the school uniforms were a few sizes too big, and they were worn wrong.

Fortunately, Sister Yun still understood, so she went upstairs and found it in the bag she brought last night, and changed it for the children.

Wait by the time the kids finish breakfast and drop them off at school a full hour late.

The teacher saw that Li Zhenting personally delivered it, so of course he didn't say anything, and picked up the child and went in.

Li Zhenting breathed a sigh of relief, and returned to the company with two big dark circles under his eyes. As soon as he entered, he saw many executives waiting for him outside the president's room.

He had to gather his energy to attend a meeting to correct documents, and he was a little dizzy after busying with a lot of data.

Here, Shen Ning was working, and unexpectedly received a call from the Thunderstorm Army who showed up at the end of the day.

"Miss Shen, do you have time?" He asked bluntly over there.

"Yes." Shen Ning replied immediately.

"Then let's make an appointment to meet."

Shen Ning thought for a while: "The floating light coffee shop downstairs."

"Okay, I'll be there in half an hour."

Half an hour later, Shen Ning sat impatiently in the coffee shop.

Not long after, the Thunderstorm Army, wearing a peaked cap and a black T-shirt, hurried over.

"How is it? How is the investigation of my mother's death?" Shen Ning asked anxiously.

"I have some clues, but now I find that two big figures may be involved. I'm afraid it won't help to find out." The Thunderstorm Army seemed to be thinking heavily.

"How to say?"

"You may not know that your mother once had a three-year underground relationship with Jing Shoufu, the eldest son of the Jing family. This incident caused a lot of trouble in the Jing family. Jing Chenxi's mother most affected."

Thunderstorm Army thought for a while and replied like this,

"And it's very possible that even the Li family is involved. I haven't found out the specific grievances, but it's true that the more investigations are done, the more complicated this case is. I'm here today to ask you, do you want to continue the investigation? You also know that people have been dead for so many years. Some things are in the past. People always have to look forward. The most important thing is that the living people are happy and happy. It's not easy to clean up."

Shen Ning was shocked.

Mother's death has something to do with the Jing family, she can probably understand it, after all, she has read the diary, but if mother's death has something to do with the Li family, she can't figure it out no matter how hard she thinks .

"Investigate, we must investigate to the end, otherwise my mother will not sleep peacefully in the underground, and I will not have any happiness." After a while, Shen Ning answered decisively. After speaking, she handed her mother's diary to her. he.

Thunderstorm Army sighed and said: "That's it, then you should pay a part of the commission in advance, this will take more time and energy."

"Okay." Shen Ning immediately took out his mobile phone to transfer the money.

The thunderstorm army left, Shen Ning's mood became more and more sad.

Jing's home.

"Chen Xi, you said you are going to marry Shen Ning, is that the comedian Shen Deshun's daughter?" Shu Qiuying sat on the sofa, clasped her hands, and stared at her son Jing Chenxi without blinking.

"Yes." Jing Chenxi answered seriously.

"No." Shu Qiuying flatly refused, with resentment in her eyes.

"Mom, I married a wife, not you. I just came to tell you today, not to ask for your opinion." Jing Chenxi's attitude was very firm.

Chapter 517 Li Zhenting, I hate you

"Chenxi, do you know who she is? She is not only the daughter of my rival in love, but also the ex-wife of Li Zhenting, the president of the Li Group. There are rumors on the Internet that she has already given birth to twins for Li Zhenting, and also for Li Zhenting. Another man gave birth to a daughter, and you want to marry such a woman? Our Jing family is also a well-known and prosperous family, how can you marry a second-hand woman back home, is it something evil?" Shu Qiuying was heartbroken.

Back then, she was so angry with Shao Meiqi that she became seriously ill. That woman pestered her husband Jing Shoufu for three years. Jing Shoufu even beat her because of her. If he hadn't got lung cancer and left early, now I'm afraid she is no longer from the Jing family and got divorced.

That hatred made her brood on her heart and couldn't dissipate.

Unexpectedly, her daughter would come to harm her son again.

She will never agree to this matter!

Sure enough, the children born to elf women are also elves, who can only pester men.

"Mom, that's your prejudice against Shen Ning, she is not such a person at all." Jing Chenxi earnestly said.

"Then what kind of person is she?" Shu Qiuying's eyes glowed red, "Is it a good woman who will be abandoned by Li Zhenting? Is it a good woman who will seduce so many men? I don't understand, what's wrong with Jiang Xinyun Okay? Beautiful, sensible, and considerate, every aspect is in line with the model of a wealthy daughter-in-law, but why don't you go after that Shen Ning instead, you are going to \*\*\*\* me off."

Shu Qiuying became more and more annoyed as she talked, and finally started crying.

Jing Chenxi was upset and said, "Mom, I want to marry her. This is my decision. I just came to tell you today. If you don't agree, then I don't need to bring her to see you."

After he finished speaking, he turned and left.

Shu Qiuying beat her chest with her hands and cried loudly.

At noon, Li Zhenting leaned on the sofa and fell asleep after eating. In a daze, he suddenly felt someone standing in front of him.

He took a closer look and found that it was a woman, a bit like Shen Ning.

"Shen Ning, is that you? Why are you here?" He was a little surprised.

But the woman looked at him and said coldly:

"Li Zhenting, I hate you. You don't know right from wrong, you don't know your grievances. You are a complete scumbag. You stole my children. If you don't take them well, I will kill you."

Li Zhenting sat up in fright, wanting to catch her.

But the woman has gone.

He lost his drowsiness and sat in a daze.

Is the woman who just appeared Shen Ning?

Then is this a dream or the reason why he thinks about it day and night?

At this time

The doorbell rang.

Li Zhenting picked up the remote control and pressed it.

The door opened.

A girl's head sticks out.

"Brother Zhenting." When Li Zhenting looked over, the girl happened to look over, and immediately, she ran towards him.

"Stop." Li Zhenting stopped immediately when he saw that it was Li Jiaojiao.

Li Jiaojiao stopped in fright, shrank her head, and looked at him pitifully:

"Brother Zhenting, I'm sorry, I really didn't know what happened to my cousin that day. If I knew, I would rather be the one who suffers."

She said and squeezed out two tears.

Li Zhenting gave her a gloomy look, walked up to her and held out his hand: "Give it to me."

"What?"

"Quick, bring it here." Li Zhenting said sharply.

Li Jiaojiao hesitated for a while, so she had to take out a gold card from her pocket with a sad face, and put it in his hand with distress.

Li Zhenting took the gold card and weighed it: "From today, all your pocket money will be stopped. From now on, if you want money to buy things to earn by yourself, I will not give you any more."

Chapter 518 Do you still love your cousin?

"Cousin, can I make meritorious deeds?" Li Jiaojiao lowered her head and asked in a low voice.

"Then tell me, what merits can you do?"

"I, I'm sure I can find a way to do meritorious service." Li Jiaojiao scratched her head with her fingers, rolled her eyes, and suddenly saw that Li Zhenting, who hadn't seen him for a few days, had black eye circles and a blue stubble growing on his chin. Compared with the handsome guy who was full of vigor a few days ago, this is a completely different person.

"Cousin, do you still love your cousin?" She suddenly smiled.

"roll."

Looking at her dishonest appearance, Li Zhenting shouted angrily.

"Hee hee, you are probably in love with your cousin, but now your cousin is going to marry Jing Chenxi, oh, it's so miserable, I can't love you." Li Jiaojiao made a big face at Li Zhenting, and looked at him With a face that seemed to be murderous, he stuck out his tongue and ran away in a hurry.

These pictures of Tian Jingchenxi proposing to Shen Ning appear overwhelmingly on the major news media. Li Zhenting is obviously frustrated in love, and he is so in love.

However, he deserves it. He heard from his elder brother Li Zhijun that he was not nice to Shen Ning before. Who told him to be mean!

Afternoon, Blue Whale Kindergarten.

Li Zhenting went to pick Ke Ke and Ding Ding home, and it happened that Lan Lan also came to kindergarten.

He took the three little ones home together.

Sister Yun is cooking in the kitchen.

"Zhenting, the weather is dry now. Remember to let the children drink plenty of water when they go home, prepare afternoon tea, and don't starve them. Also, you have to see if their backs are wet. If they are wet We need to change clothes for them, it is easy to catch a cold in the autumn weather, the children's vitamin D and calcium tablets are placed..." Li Zhenting had just returned home when Li Wanqing called him, ordering him one by one, His head hurt from hearing it.

"Did you drink water at school today?" As soon as he put down the phone, he asked San Xiaozhi.

"Daddy, I drank water. I drank a lot of water. Look, there is no water now." Lan Lan was the first to answer by raising her hand, raising her beautiful small fruit cup.

Li Zhenting saw that there was indeed no water, so he hurriedly took her water glass and filled it up, then patted her head: "Drink more water."

"Okay, thanks Daddy."

"What about you, Coco?"

Coco handed her cup to Li Zhenting from her schoolbag.

He opened it and drank half of it, so he had to pour out the water in the cup and refill it with the boiled water at home, and handed it to him: "Ke Ke, remember to drink plenty of water, you know?"

"Got it." Ke Ke pursed her lips and pulled her small face.

In fact, he drank a lot of water, because Mommy said that water is the source of life, so he went to the kindergarten water dispenser to pick up water several times to drink.

But he just didn't want to tell Daddy!

Today, he wanted to see Mommy and Xiaoxiao, but Daddy didn't want to, which annoyed him.

"Ding Ding, where is your water glass?" Li Zhenting stretched out his hand to Ding Ding again, and Ding Ding was playing with his mobile phone without raising his head: "It's in the schoolbag, you can get it yourself."

"Uh, you..." Li Zhenting looked at him like an uncle, and couldn't help being annoyed, but thinking about it, Ding Ding has always been like this, he shook his head, so he had to take out the water glass from his schoolbag and fill it up for him.

"Ah, it's so hot, Daddy, do you want to murder me? Mummy's water won't be so hot." Before he had time to pass the water glass to Ding Ding, Ke Ke suddenly spit out a big mouthful of water, shouted, and stuck out his tongue .

Li Zhenting was taken aback, and quickly asked, "Ke Ke, what's wrong? Did you burn your tongue?"

"Yes, it's very hot." Ke Ke stuck out her tongue and pursed her lips, feeling so uncomfortable that she wanted to cry.

Li Zhenting was very guilty, and hurriedly applied toothpaste on his red tongue, and was busy for a while.

"Master, ladies, let's eat dessert." Just after finishing her work, Sister Yun called over there. She had already prepared desserts for the afternoon and placed them on the small dining room.

Li Zhenting finally brought the three of them to the dining table and made them happy to eat dessert.

He went to find his own cup to drink some water. It was late all day, and he hadn't had time to drink a few sips of water yet.

But before he had a few sips, he suddenly heard crying.

He turned his head.

I saw Lan Lan was crying with her mouth open, with cakes all over her face and hair.

He hurried over in fright and asked, "What's wrong?"

Chapter 519 A hard punch on the head

"Daddy, Ke Ke hit me." Lan Lan pointed at Ke Ke and cried out of breath.

"Ke Ke, why did you hit Lan Lan?" Li Zhenting looked at Ke Ke with a stern tone.

Coco was unhappy: "Daddy, she snatched my cake and even spit on my bread."

It turned out that after San Xiaozhi sat down in front of her bench, Lan Lan took a fancy to the love cake placed in front of Ke Ke, and she wanted it.

Coco refused.

Lan Lan, who was always used to being strong, went to grab it, but if she couldn't grab it, she spit on it.

Coco was furious, and directly picked up the cake and put it on her forehead.

Lan Lan burst into tears now.

Li Zhenting was very angry when he heard it, but before he had time to criticize them, Ding Ding stood up and said, "Daddy, my stomach hurts so much, I have to go to the bathroom."

When Li Zhenting heard it, it wasn't good, Ding Ding might have diarrhea.

This kid has not had a good stomach function since he was a child. Recently, because he often eats the meals made by Shen Ning, he has improved a lot. Now he is afraid that he is about to suffer from an old problem.

Sure enough

I heard a fart sound.

Ding Ding pulled up the crotch of his trousers.

"Wow, it stinks." Lan Lan pinched her little nose in disgust, she didn't care about the cake on her head and face, she stood up and ran away.

As soon as Ke Ke stood up, she accidentally bumped into Lan Lan's small bench, and the small bench knocked over the small dining table, and in an instant, the cake was scattered all over the floor.

"Sister Yun, Sister Yun." Li Zhenting was completely panicked and shouted loudly.

Sister Yun was cooking dinner, and she heard that she had to turn off the fire to help deal with the three little guys, but the cream cake was really difficult to clean off after she smeared it on her hair, so she had to go to bathe Lan Lan, and Tintin's \*\*\*\* Papa, she has to take care of it too, it was really a flurry of time.

It was already eight o'clock when I had dinner.

It took three days in a row.

Li Zhenting was exhausted from work

Sister Yun also has back pain.

But these little guys still seem to be making trouble on purpose, and sometimes confront them. Several times, Ding Ding and Ke Ke wore the wrong clothes. One night, Li Zhenting actually gave Ding Ding's pajamas to Ke Ke, and Ke Ke gave When taking a bath, even he couldn't tell who washed it first. Once he dragged the unlucky Ding Ding in to take a bath twice.

Three days later.

In an elegant and clean private room.

"Ning Ning, come and have a look, is this ring beautiful?" Just as Shen Ning sat down, Jing Chenxi suddenly took out a beautiful jewelry box that had been prepared a long time ago from his pocket, opened it, and inside was a seven-carat ring. Big pink diamond.

The cutting surface of the diamond is well-proportioned, crystal clear and translucent. At first glance, it is a first-class craftsmanship and a first-class diamond.

Shen Ning was surprised and looked at him.

Since the last time in the hospital compound, he proposed to her, and after she agreed, Jing Chenxi started a fierce pursuit, and would come to the Guqi Building every day to accompany her and buy her various gifts.

Although Shen Ning had already agreed to him, she always felt that this was too sudden, and felt that she hadn't even thought about whether this marriage was right or not! But Jing Chenxi didn't seem to give her time to think, and attacked fiercely.

"Come on, try it." Jing Chenxi picked up her tender little hand, and gently slipped the ring into it.

Shen Ning's little hands were soft and white, like light white.

The pink diamond is on her ring finger, which is very beautiful.

Jing Chenxi couldn't hold back, and put the back of her hand to her lips and kissed it.

When the warm touch came, Shen Ning was startled, another man's face flashed in her mind... That numb touch... She was in a daze for a moment.

At this time

The box door was kicked open suddenly.

A young man rushes in.

"Jing Chenxi, let her go." When Li Zhenting rushed in, he saw Jing Chenxi kissing the back of Shen Ning's hand, a burst of jealousy burst from the bottom of his heart, he snarled, rushed forward, and punched hard Hit Jing Chenxi on the head.

Jing Chenxi's head was tilted from the beating, and his whole body fell to one side, and fell hard to the ground.

Chapter 520 Why should I go with you?

"Li Zhenting, are you crazy?" Shen Ning was taken aback. When he looked up and saw Li Zhenting coming to make trouble and beat people, he was furious and asked him angrily.

With a dark face, Li Zhenting turned around and grabbed her arm and walked outside.

"Li Zhenting, stop." Jing Chenxi reacted, got up, his eyes flashed, he shouted violently, rushed over, and punched Li Zhenting \*\*\*\* the back of the head.

Li Zhenting moved his ears, pushed Shen Ning aside, turned his head to let him pass, but Jing Chenxi's other punch quickly hit him in the chest.

Li Zhenting was shaken by the blow, furious, and punched Jing Chenxi hard in the face.

"Li Zhenting, are you still a man? You and Shen Ning are already divorced, why are you beating someone again?" Jing Chenxi wrestled with Li Zhenting, and after one round, he pushed Li Zhenting to the ground and asked angrily.

Li Zhenting smiled coldly, and suddenly raised his kick, hitting Jing Chenxi's thigh. Jing Chenxi was kicked to his knees, and Li Zhenting took the opportunity to grab his head, push him back to the ground, and hit his face. Hit her hard: "Jing Chenxi, Shen Ning is the mother of my two children. Six years ago, you knew that we were married and you still pestered her. You deserve a spanking."

While speaking, Jing Chenxi had been punched several times in the face.

"Enough, Li Zhenting, stop now." After recovering from the shock, Shen Ning shouted at Li Zhenting.

She rushed over and grabbed his arm.

Li Zhenting's fist did not come down in mid-air.

Jing Chenxi took the opportunity to get up.

"Chenxi, how is your face? Does it hurt?" Shen Ning immediately went to support him, looking at his swollen face, very worried.

"It's okay, don't worry." Jing Chenxi rubbed her swollen face and nose, and smiled softly at her.

"Shen Ning, come with me." Li Zhenting rushed over and grabbed Shen Ning's arm, trying to pull her away again.

Shen Ning smiled coldly, shook off his hand, and shouted sharply: "Li Zhenting, who are you? Who are you to me? Why should I go with you? What are you?"

Li Zhenting was stunned for a moment, but the indifference and determination in Shen Ning's eyes made him shiver.

She looked at him with knives, frost and snow in her eyes, just one glance could make him hurt all over!

"Chenxi, let's go, I'll take you to the hospital." Shen Ning turned around to support Jing Chenxi, and spoke softly.

"Thank you." Jing Chenxi smiled slightly, looked at Li Zhenting coldly, and was walked outside with the help of Shen Ning.

"Shen Ning, you left Ke Ke and Ding Ding to me, but you are with a wild man. Does this look like a mother of two children?"

Shen Ning stopped and turned around.

"Li Zhenting, it's clear that you took away the custody of Ke Ke, but now you blame me for not caring about the children, are you sick? If you think you can't take care of the children, you can give me the

custody of Ke Ke and Ding Ding now, and I promise to take care of them." Let them fly away and never appear in front of you again."

Li Zhenting clenched his teeth: "Don't even think about it."

Shen Ning smiled coldly, helped Jing Chenxi to continue walking forward, and never looked back at him again.

For the first time, Li Zhenting felt that as a man, he lost face!

But he can only watch her follow Jing Chenxi farther and farther!

In the afternoon, Ke Ke held a pair of cute parrots and stood at the gate of the kindergarten waiting for Li Zhenting.

Today he must go back to Mommy's house to visit Xiaoxiao.

Xiaoxiao hasn't come to Blue Whale Kindergarten for several days, and I don't know how she is doing now, has she found a new school?

They grew up together and were inseparable. Now without Xiaoxiao by his side, he really feels very sad and misses her very much!

Ding Ding stood with him, carrying a bag of various snacks.
