

Troublemakers 531

Chapter 531 I don't need any apology from you

"Ah, why did you come to my office again?" Shen Ning went to the tea room and poured a glass of water, and when he came over, he saw the man sitting on the sofa with a big cold face. He was shocked, and his face immediately changed color.

Li Zhenting loosened his tie knot, and said lightly: "I'm not a ghost, do you need to see me like this?"

"But you are scarier than a ghost. I warned you last night. Please don't appear in front of me again. Quickly, get out." Shen Ning said angrily.

This man's face seems to be getting thicker and thicker. She even called the police last night, and he dared to come here!

and

She is very strange.

Just went to the tea room, the tea room is next door, only two or three minutes before and after, and she can confirm that when she was pouring water, there was no man in the corridor, so how did Li Zhenting come in?

Ge Di, she thought of the crystal dumplings and milk in the morning, but somehow they were missing.

Her eyes darkened, and she looked at him.

This man is frightening, elusive.

Li Zhenting was calm and composed, and raised his legs: "Shen Ning, anyway, I am also the father of your two children. I came to see you for something today. Can you be more polite to me?"

"What can you do? Last night, you were drunk and crazy at my place. I didn't kill you, but I released you!" Shen Ning's face was sullen, and his face was full of frost.

"Hey." Li Zhenting smiled faintly, "You're talking like I'm an animal, and I'm letting it go. Let me tell you, I came here for what happened last night."

He immediately expressed sincerity:

"I apologize for the trouble I caused you last night, I hope you can forgive me, I am willing to take any responsibility, and the conditions are whatever you want."

Thinking of last night, Shen Ning gritted his teeth angrily: "That's enough, I don't need any apology from you, just get out, and just don't appear in front of me again."

Li Zhenting sighed: "Ning Ning, do you hate me so much? I'm here to discuss with you about Ke Ke and Ding Ding."

Shen Ning was full of anger, and was thinking about how to drive him out, when he suddenly heard him mentioning his sons, after a pause, he immediately asked vigilantly: "What do you mean? What can Ke Ke and Ding Ding do?" ?"

"For you and me, there is nothing else to talk about besides the children's affairs. I am looking for you, so it is natural."

Shen Ning felt flustered immediately.

These years, what she fears the most is that something is wrong with the children!

"Then tell me quickly, what happened to Ke Ke and Ding Ding? Good thing or bad thing?" Shen Ning was impatient.

Li Zhenting pursed his lower lip: "I've been sitting here for so long, and you didn't even give me a glass of water."

"You are not qualified to drink." Shen Ning replied angrily.

"Hey, Shen Ning, anyway, I'm also your son's dear father, I'm dying of thirst, what good is it for you?" He was very dissatisfied with her indifference.

"Just tell me what's going on. If you don't say anything, I'm leaving." Shen Ning was so angry that she turned around and wanted to leave.

"Okay." Li Zhenting was a little helpless, pursed his dry lips, and had to say, "Shen Ning, that's it. Regarding Ke Ke, although our Li family will take back his custody rights, I will not restrict him." You go to visit him and Ding Ding, that is to say, for the healthy growth of the children, you can visit Ke Ke and Ding Ding at any time, and you can also take them to play at any time, fulfilling the responsibility of being a mother. Have you been? You take it for a week, and then I take it for another week. I think it's good, but every week you have to take the children to Li's old house to visit their grandparents. After all, they are old. Now, thinking of the children, this is not too much to ask."

Chapter 532 You must sever ties with Jing Chenxi

Shen Ning's face was cloudy and unpredictable, squinting his eyes and looking at him, wondering what trick this dead man is going to play again.

Knowing him for so long, she has never seen him speak human words.

Once this speaks human words, what good intentions can there be!

"Don't you believe it? Were you with Ke Ke and Ding Ding last night?" Seeing her disbelief, Li Zhenting immediately asked again.

"Last night?" Shen Ning sneered, "It's obvious that you didn't take care of the child when you were drunk, but you said that you gave the child to me with good intentions, you are really good at making excuses."

"Shen Ning, do you think that if I disagree, can Ke Ke and Ding Ding visit you and Xiao Xiao? Can you enjoy the joy of mother and child with the children?" Li Zhenting narrowed his eyes and his voice was a little cold.

"Li Zhenting, they are my children. Is it wrong for the children to be with their mother? Why are you trying to be a good boy here because you can't fulfill your responsibilities? I won't appreciate it." Shen Ning was expressionless.

"Shen Ning, I came today to discuss the children's matters with you, not to ask for your favor." Li Zhenting stood up.

As soon as the man stood up, his tall body immediately brought a sense of oppression.

Shen Ning was forced to take several steps back.

"Also, Shen Ning, I can also promise you that for the sake of the children, I will never marry Shen Mei." Li Zhenting suddenly spoke slowly.

Shen Ning suddenly opened his eyes wide and looked at him.

"Ningning, I did this to ease our relationship and let the children enjoy the love of their parents." He pursed his lower lip and explained,

"As for whether we can cooperate well, that depends on you."

"Look at me?" Shen Ning raised his eyebrows.

"Yes, I have already made concessions, and I have already made concessions. Now it mainly depends on your actions."

"See what I do?"

"You have to sever ties with Jing Chenxi, you can't marry him, that's all." Li Zhenting looked at him condescendingly, and spoke domineeringly with an absolute advantage.

"What?" Shen Ning was startled.

"Because only a mother with good conduct can take good care of my children. If you marry Jing Chenxi, it will be a negative image in society. Not only is your image poor, but you will not have the energy to take good care of my children. In that case, I will be I won't accept it, think about it carefully, if I don't meet my requirements, I will consider taking back all the visitation rights of the children and sending them abroad for training, so that you will never see the children again in the future, This is what I want to tell you today, and you need to make a choice." Li Zhenting's face became serious.

Shen Ning was stunned for a long while and then suddenly felt very funny.

"Li Zhenting, in this way, I won't be able to get married and have children because of my two children? Everything has to follow your arrangement?" She sneered and asked back.

Li Zhenting answered very seriously: "Being a parent requires sacrifice, otherwise, how can you be a role model for your children."

"Then is it fair for you to do this to me?"

"Shen Ning, think about me. Some time ago, you asked me to sign some **** contract. I might not marry Shen Mei. Also, the woman I marry must be approved by the four elders in my family. Isn't it the overlord clause for me?"

"It's different." Shen Ning immediately objected, "First of all, I have given you the custody of Ke Ke, I just don't let you marry Shen Mei, I didn't stop you from marrying and having children, I hope you can find a good The woman is married, and you know that Shen Mei has killed children many times, I am out of consideration for the safety of the children."

"But Shen Ning, for your safety, don't you think I don't need it? Jing Chenxi's family is also a big family, do you still think about children when you are with him? You think Shen Mei's thoughts are vicious, but I still think so. Jing Chenxi is very harmful. A man is definitely no less harmful than a woman. The children are so young. You may have infectious diseases like AZ when you are with him. I am really worried." Li Zhenting said arrogantly and casually.

Chapter 533 Let the Jing family pick up the treasure now

Shen Ning was inexplicable and dumbfounded.

but

What he said today is not that badass. While demanding her, he also restrained himself, which is a little fairer.

But what the hell, she thought he was so untrustworthy and unreliable!

Li Zhenting seemed to have read her mind.

"Shen Ning, think about it carefully. Anyway, I came here with the utmost sincerity, and it's all for the children's benefit. This afternoon, let's pick up Keke and Ding Ding together." He walked around the office for a few steps, looking There were biscuits on the table, and he took a piece with his right hand and threw it into his mouth.

Shen Ning looked at him.

"Li Zhenting, did you steal my dumplings and milk this morning?" She blurted out.

Li Zhenting shook his head: "No."

"Are you sure you don't?" Shen Ning's voice was stern.

Li Zhenting put his hands in his trouser pockets, shrugged: "Why are you getting more and more stingy, isn't it just a few dumplings, whether I ate them or not, I will pay, okay?"

Shen Ning was very angry when he saw that he was fooling around and not taking it seriously.

Does she care about those dumplings? What she is afraid of is how he got into her office by disappearing.

"Okay, you are busy, remember, you can either cut off contact with Jing Chenxi, or stay with the children, you choose yourself." After Li Zhenting confessed a few more words, he lifted his feet and walked away leisurely.

Shen Ning was so angry that he couldn't speak.

Li's old house.

Li Wanqing's eyelids were twitching all morning.

"Jinyao, look, there are rumors everywhere that Shen Ning is going to marry Jing Chenxi, it's okay now, a good daughter-in-law doesn't know how to cherish, and now the Jing family has found a treasure." She pointed to the picture of Jing Chenxi sweetly proposing to Shen Ning on the mobile phone. Li Jinyao is full of worry.

"Children and grandchildren have their own blessings, and we can't control so much. The shock is not small. If a man can't even handle his feelings well, then his success will not go very far. It depends on him. It's a good fortune." Li Jinyao is more Buddhist, he has always had this attitude towards Li Zhenting since he was a child, maybe it's just this indifference, which made Li Zhenting even better.

Li Jinyao started reading newspapers.

Li Wanqing sighed repeatedly, picked up a pendulum on the table and looked around, suddenly, shouted: "By the way, Jinyao, I seemed to see someone when I went to Li Garden yesterday."

"Yes." Li Jinyao responded perfunctorily.

"Jinyao, I'm talking to you." Li Wanqing pulled his newspaper over with a solemn expression, "I saw Xuejie."

Li Jinyao raised his head and asked in surprise, "Isn't she abroad? How could you see her?"

"It must be her. Her back is very similar to Dad, and I can recognize it at a glance."

"Does she dare to come back?" A dark light flashed in Li Jinyao's eyes. He almost died when he pushed their son Li Zhenting off the cliff. He will never forget this revenge.

Therefore, for so many years, although they are all alive in this world, they have never been in touch.

"She has nothing to dare." Li Wanqing was angry, "I don't think it will be easy for her to come back this time, no, I have to remind Zhen Ting, don't be tricked by her."

Li Jinyao remained silent, his eyes dark and bottomless.

The gate of Blue Whale Kindergarten.

"Shen Ning, why didn't you let Xiaoxiao come here to go to school?" Li Zhenting looked at the tall and mighty gate of the school, and lit a cigarette, "At the beginning, I remember that Xiaoxiao liked going to school here very much, and you liked it too. urgent."

Shen Ning wrapped his fingers around a strand of hair on his forehead, and said indifferently: "Good morning, leave the place that doesn't belong to her. I have already found a school for her. She can go to school tomorrow."

Chapter 534 Please don't think about my mommy

Li Zhenting frowned.

At this time, a melodious singing sounded.

The school bell rang.

Shen Ning immediately opened the car door and walked down.

Sitting in the driver's seat, Li Zhenting took another breath of cigarette, exhaled it, and his eyes fell on Shen Ning's back.

The slender waist is easy to hold, the **** is round and pretty, and the career line looming on the chest is always well covered in front of him.

There was a climax in his heart, and the image of him holding her that night flashed in his mind... He swallowed hard at his Adam's apple.

Not long after, Shen Ning walked over with Ke Ke and Ding Ding.

Lan Lan followed behind.

"Let's go, I'll take you to dinner together." Li Zhenting started the car and took them to a hotel.

"No, I promised to buy sugar-fried millet seeds for Xiaoxiao." Ke Ke objected.

If they go to eat together, Xiaoxiao will be sad later, she will definitely wait at home for him to buy her fried millet seeds with sugar.

"Okay." Li Zhenting readily agreed, and drove towards Su Chao Wang in the city center.

Not long after, he drove into Chunhui Garden with Ke Ke, who had bought Su Chao Wang.

"Ke Ke, go down and bring Xiao Xiao, let's go have dinner together." Li Zhenting turned around and touched Ke Ke's face.

Shen Ning heard this, and immediately went to push the door, thinking about getting out of the car together.

The door was closed by Li Zhenting.

"What do you mean?" Shen Ning looked at him puzzled.

"Are you trying to take the opportunity to escape? Are you going to eat with us?" Li Zhenting asked back.

Shen Ning rolled her eyes when she heard this, and he could tell that she really didn't want to go to dinner with him.

As long as you are with him, if there is a slight disturbance, it will be known to the world.

Really!

When Li Zhenting brought them to the hotel, he saw that the outside was full of media, and all the cameras were aimed at them.

When Shen Ning was still at a loss, that **** Li Zhenting actually held her hand in public.

When Shen Ning reacted and wanted to shake off his claws, he held her hand tightly, not allowing her to resist, and took her hand to his lips and kissed it lightly.

When the flash is aimed at them, it will be a crazy shot.

Shen Ning's cheeks flushed red from anger, she didn't understand, she thought she was infinitely shy!

After finally getting into the box, Shen Ning stared at Li Zhenting.

She suspected that this man must have done it on purpose!

He deliberately let the world see her with him and the children, just to deal with the photo of Jing Chenxi proposing to her.

He wants to interfere with her relationship with Jing Chenxi!

"Ningning, which dish do you like to eat?" Li Zhenting didn't care about her nose and eyes at all, and handed her the menu courteously after a while.

"casual."

"Then what dessert do you want?"

"I don't like sweets." Shen Ning replied impatiently.

"Do you want some red wine?" He opened another bottle of tens of thousands of red wine, his tone sticky.

...

Tonight, Shen Ning wore a tight red jacket and a turtleneck sweater, which was very elegant.

Li Zhenting's eyes fell on her from time to time, caring for her!

Xiaoxiao sits beside Mummy and looks at Daddy.

"Uncle, can you stay away from my mommy and stop looking at her all the time." Xiaoxiao sullenly said, "Mommy belongs to me and Coco, Tintin, please don't think about my mommy."

After Daddy took her to eat with Mummy last time, she couldn't go to Blue Whale Kindergarten. She thought there must be Daddy's reason, and now her favorability for Daddy is getting lower and lower.

Chapter 535 If you want my life, I will give it to you

"Uh." Li Zhenting couldn't help being embarrassed, his small thoughts were actually seen through by a five-year-old girl.

He really wanted to please Shen Ning tonight.

Shen Ning's lips twitched slightly when he heard this.

After eating.

For the first time, Li Zhenting took the initiative to ask Ke Ke and Ding Ding if they want to go to Mommy's place!

Ke Ke and Ding Ding heard that it was exactly what they wished for, and they happily agreed immediately.

In this way, Li Zhenting sent the children to Shen Ning's house very carelessly.

Shen Ning spent another happy night with the child.

the next day.

Shen Ning was sitting in the office and turned on the headline news on his mobile phone.

Sure enough.

There are pictures of Li Zhenting leading Shen Ning to eat with the children everywhere.

Li Zhenting is holding Shen Ning's hand, affectionately, the whole family is very loving and warm.

Shen Ning was so wronged by Li Zhenting that he jumped into the Yellow River and couldn't even cleanse himself.

Shen family.

"Mom, look, now that Shen Ning is enjoying herself, Brother Zhen Ting and Jing Chenxi are vying to marry her, what do you want me to do?" Shen Mei was so annoyed.

The two most powerful men in the entire imperial capital bowed down under Shen Ning's pomegranate skirt. This woman's life is too good!

Lan Feiyun glanced at the photos on the phone, and said disdainfully: "Don't worry, Shen Ning will never marry into the Jing family. The Jing family is a very traditional family. Shen Ning has already given birth to two men. There is a child, and there is another one in particular, Li Zhenting. Now the Jing family has many businesses and cooperates with the Li family. The Jing family will never break with the Li family because of Shen Ning. If you don't believe me, just wait. Jing Chenxi won't last long."

Lan Feiyun has struggled in business and human relations all her life. She understands the complexity of human nature too well.

"Mom, I would like Ning and Chenxi to marry her, so that she won't harm brother Zhenting." Shen Mei pouted.

Lan Feiyun smiled, and suddenly, the phone rang.

She looked down and smiled: "Look, the obstacles are coming, and their nemesis is also coming."

Shen Mei was a little puzzled.

At this moment, Lan Feiyun picked up the phone very respectfully:

"Miss Li..."

Gucci Building.

Shen Ning had just finished work and was about to take a break when the doorbell rang.

She pressed the remote control.

The door opened.

Two flower girls came in carrying a big flower basket.

"Miss Shen, this is a gift from your boyfriend."

Shen Ning stood up.

The fresh and beautiful roses are very expensive.

"Ning Ning, do you like it?" Before she could speak, a slender man walked in, Jing Chenxi smiled all over her face, and her spirit was radiant.

"Chenxi, didn't I tell you? Don't send me flowers, it's too wasteful." Shen Ning said immediately.

"No, how can this be called a waste? If a gentleman can make a beautiful woman smile, what is this money? As long as you like it, I can do anything for you." Put her on her shoulders, straighten her body, look at her exquisite facial features, bright eyes that are as light as smoke, and sincerely say:

"I said that from now on, you will be my queen. Don't talk about money. Even if you want my life, I will give it to you. As long as I know that you love me and care about me, there will be no complaints or complaints." Sorry."

Shen Ning opened his mouth and was speechless.

"Ning Ning, are you cold?" Jing Chenxi held her hand, "Why are you so cold?"

He rubbed her little hands lightly, put them in his mouth and let out a sigh of relief, took off his coat and put it on her shoulders.

Chapter 536 You are not good at all

Shen Ning stood blankly, but his eyelids were twitching.

She seemed to be able to feel a pair of eyes staring at her in a certain corner, with sharp thorns that could pierce a hole out of her.

'Remember, either you sever ties with Jing Chenxi, or you stay with Ke Ke and Ding Ding, you have to make a choice. '

Throughout the afternoon, Shen Ning was restless, and Li Zhenting's warning words popped up in his mind from time to time.

Google Building entrance.

A Rolls-Royce Phantom pulls up.

The door opens.

Li Zhenting strode forward with big strides, and Leng Xue followed from behind.

"Mr. Li, this hot money has already encircled several companies. The catering giant Zhan Lan was kicked out last night, and they will only become more rampant in the future."

"Has Liu Zhisheng from Dabang contacted their people now?"

"President Li, Liu Zhisheng went to see Li Xuejie yesterday. This person is from a gangster abroad. Fortunately, you took away his den in one go." Leng Xue admired Li Zhenting very much. Among so many black companies, he took away with precision. For this stronghold, this is equivalent to hitting a snake to seven inches.

"By the way, Mr. Li, my surveillance system has received that Li Xuejie has a relationship with Lan Feiyun." In the elevator, Leng Xue told Li Zhenting the news.

Li Zhenting said coldly: "Understood, in this way, the imperial capital established three new B companies yesterday, with a registered capital of less than 10 million, and they are all empty shell companies registered with overseas assets. Keep an eye on these companies. These companies will definitely **** blood. This time, I will make them pay in blood and drive them all out of the imperial capital."

"Yes." After the elevator door opened, he strode towards the office.

Cold Blood followed.

"You don't have to follow me anymore, keep watching companies A and C closely, and report to me any time you have any news." Li Zhenting ordered.

Holding a cold-blooded promise, he turned and walked outside.

Li Zhenting returned to the office, took off his suit, went to the bathroom to wash his face and walked out, his eyes fell on the computer screen in front of him.

He flicked the switch.

soon

In it, there is a picture of Jing Chenxi sending flowers to Shen Ning, with a very intimate scene.

Li Zhenting's face immediately turned cold, with a knife in his eyes.

Shen Ning, it seems that you didn't take my warning to you seriously yesterday, and you are still flirting with Jing Chenxi.

He threw the phone **** the bed.

Shen Ning stretched, and finally finished today's work.

She took out her mother's formula, and was about to study and try to figure out several new varieties.

Sudden

The doorbell rang.

"Come in." She didn't lift her head.

There were footsteps coming in, and the footsteps were very steady.

Her heart beat inexplicably, and she raised her head.

Li Zhenting held a cigarette between his index finger and middle finger, and was looking at her with gloomy eyes.

She jumped up in fright.

"You, what are you doing here?" She stammered.

"What? Are you guilty?" Li Zhenting took a puff of cigarette.

"Why am I guilty?" Shen Ning was overwhelmed by his aura, and asked angrily.

"Why are you guilty?" Li Zhenting sneered, "What did you do today?"

"I only worked for one day." Shen Ning replied angrily.

"Really, what else? Last night, how did I warn you?" Li Zhenting asked with narrowed eyes, his face was terribly gloomy.

Shen Ning's heart was beating.

This man seems to have eyes on the back of his head, and seems to be able to see her whereabouts clearly, which is too scary.

"Why should I listen to your warning?" she asked angrily.

He regarded himself as the **** who ruled her, how unreasonable!

"It seems that you are not obedient at all." Li Zhenting suddenly moved forward and pinched her chin, lifting her little face up.

Under the light, Shen Ning's small face was fair, with bright eyes shining, and red lips like water.

His black eyes fell on her lips.

Shen Ning was about to knock off his hand.

Suddenly, the man's lips lowered his head and kissed her lips.

Chapter 537 I have plenty of ways to conquer you

"Woo." The man's waxy lips kissed Shen Ning's red lips, biting bit by bit, gradually deepening... The crisp and tingling pleasure hit Shen Ning's limbs instantly, and she could feel her own The sound of teeth colliding with the man's teeth, the man's lips and tongue violently sweeping her mouth, for a moment, she was stunned, and when she woke up, she struggled and swung her fists hard at his head and body. call.

But her strength hit Li Zhenting's body like a tickle, and his red eyes were like a hungry wolf, kissing and gnawing on her fiercely, as if punishing her.

The more she resisted, the more he bit her lips, and even grabbed the tip of her tongue, harassing her continuously, his fingers went around her back and grabbed her waist, stuck her between him and the desk, ruthlessly He kissed and entangled fiercely, until the woman's resistance became weaker and her breathing became weaker, then he let her go.

"Shen Ning, this is the last time I warn you to sever contact with Jing Chenxi, otherwise, there will only be things you can't imagine, and nothing I can't do." Li Zhenting's fingertips were arranging the hair on her forehead, his tone was Arrogance after success.

"Bah." After taking a few deep breaths, Shen Ning suddenly aimed at his face, spat out his mouthful of saliva, and cursed angrily: "Li Zhenting, you bastard, why do you take advantage of me?"

Li Zhenting closed his eyes, reached out and wiped the saliva off his face.

Shen Ning took the opportunity to run outside.

Li Zhenting smiled faintly, a hawk flashed in his black pupils, he rushed over suddenly, grabbed her from behind, carried her back like an eagle catching a chick, and threw her on the sofa.

He bent down to look at her.

Shen Ning punched him in the face.

Li Zhenting turned his head to pass.

Shen Ning suddenly raised a foot and kicked him.

Li Zhenting let out a cold snort, and pressed one foot straight down on her feet, and Shen Ning's legs couldn't move for an instant.

Li Zhenting laid down on Shen Ning majestically, pinching her chin with one finger, his eyes filled with the most primitive desire.

"Shen Ning, is it because you haven't conquered you that you can ignore my words and betray me without any scruples?" There is a male animal breath in his eagle pupils, which is particularly creepy.

"Li Zhenting, you are a bastard, bullying women is nothing." Shen Ning was really worried that he would have a sexual outburst, and tried to arouse his most basic rationality in this way.

But a triumphant smile flashed across Li Zhenting's eyes, and he lowered his head to hold her two thin lips.

Immediately after.

This time the kiss was even crazier than at the beginning, as if he was about to vent out the anger that had been suppressed for a long time, he hugged Shen Ning and kissed fiercely until the last trace of air in her lungs was also squeezed dry, watching her limp on the sofa, warned:

"Shen Ning, remember, if I see you and Jing Chenxi having contact again, then just wait, I have plenty of ways to conquer you."

After he finished speaking sullenly, he turned and walked outside.

"Bastard." Shen Ning picked up the pillow on the sofa and threw it at him.

The pillow fell powerlessly to the ground in mid-air.

Shen Ning was so angry that she beat the sofa hard with her hands.

For three consecutive days, Shen Ning dared not go to the office.

It seemed that as long as she stayed there, Li Zhenting's aura would attack her from every opening, and this feeling made her tremble.

After much deliberation, she decided to move.

Only by leaving Li Zhenting can this horrible life end!

This day, early in the morning, she called Jing Chenxi.

Chapter 538 What's your name?

"Ning Ning." Jing Chenxi seemed to be busy in a distant place, when he answered her phone, his voice was a little vague.

"Chenxi, may I ask if you found the address?" She remembered that he had been looking for Gu Qi's office address. At this time, he was also a shareholder, so it was time to consider this issue.

"Ningning, I have something to do, I have found the address, and I am thinking of discussing it with you." Jing Chenxi's voice finally became clear, "I'll wait in your office."

"Oh, no, let me go to your office." As soon as the office was mentioned, Shen Ning seemed to be under surveillance by Li Zhenting, feeling uncomfortable all over, and immediately spoke.

"Okay, then go to my office and wait for me first, I'll be right back." Jing Chenxi smiled and hung up the phone.

Shen Ning thought for a while, put away his cell phone, picked up his bag and headed towards Jing Group.

Jing's Group is located on Huadong Road, the golden area in the city center. The mighty and domineering high-rise buildings stand in the blue sky and white clouds, dignified and majestic.

"Miss, who are you looking for?" Shen Ning came to the front desk, and the waitress looked at her and asked.

"I'm looking for you Mr. Jing." Shen Ning smiled.

"Do you have an appointment?" The waitress looked at her with disdain.

"Already made an appointment."

Shen Ning frowned. Jing Chenxi is modest, polite, and personable, and never looks at people with colored glasses, but the culture of Jing's Group runs counter to his purpose of being a human being. It seems that he has not cultivated this culture. Come out.

"Then please report the phone number and time of the appointment." The waiter picked up the pen with a somewhat arrogant attitude.

Shen Ning held back his unhappiness, and said the time and phone number, but the female receptionist suddenly said: "I'm sorry, we don't have any records here, and Mr. Jing didn't explain that he has an appointment with you. Please go back."

Shen Ning felt angry in his heart: "Alright then, I'll just wait here."

She would like to see how good this female receptionist can be.

Just then, the phone at the front desk rang.

The front desk lady picked it up immediately.

"Okay, okay." She said two times respectfully and then hung up the phone.

"Miss, you go in." She looked up at Shen Ning coldly.

Shen Ning took a serious look at her, carried his bag and walked towards the president's office.

She rang the doorbell.

"Come in." A middle-aged woman's voice came from inside.

She was stunned for a moment, but pushed the door open.

In the mighty and domineering CEO's office, there was a middle-aged and elderly woman with short hair, well-dressed, dignified and elegant, and sharp eyes.

Shen Ning was stunned.

"Sorry, sorry, I went to the wrong place." She turned around immediately and was about to leave.

Actually, she has known Jing Chenxi for so long, and she has never taken the initiative to look for him. Therefore, she is unfamiliar with his office and even the Jing Group.

"Stop." At this moment the woman said coldly, "You did not go to the wrong place, this is Jing Chenxi's office."

Shen Ning had no choice but to stand still, his face full of embarrassment.

"Excuse me, is Boss Jing now? I have an appointment with him." She could only bite the bullet and ask with a smile.

The woman looked at her with a blank expression, and her eyes looked up and down her whole body: "What's your name?"

"I, my name is Shen Ning." Shen Ning felt as if she had been stripped naked and let her watch. The feeling of being discriminated against from the inside out made her very uncomfortable, but the woman in front of her looked like an elder. She still maintained the restraint she should have.

"Shen Ning?" The woman read twice, raised her eyebrows and asked disdainfully, "Are you the daughter of the comedian Shen Deshun?"

Chapter 539 Please stay away from my son in the future

Shen Ning's whole heart trembled, and a chill rose instantly.

She looked at the woman.

She is very delicate and decent, but her eyes are ruthless, her face is stiff, and there seems to be some kind of resentment in her eyes.

suddenly.

She understood.

"Are you Mr. Jing's mother?" She asked coldly.

"Yes. Jing Chenxi is my son." Shu Qiuying replied loudly, "I have always been curious about what kind of woman is pestering my son, making my son even look down on a gentle and virtuous woman like Jiang Xinyun. Come on, it turns out that it is a woman like you, she really is a good trick, she is like your mother, a vixen, who specializes in being a mistress and seducing men, she is a good thing at first glance."

She gritted her teeth and cursed, every word seemed to be poisoned, there was no trace of elegance or refinement at all.

Only now did Shen Ning understand why the front desk lady was so contemptuous and rude when she saw her. It turned out that she was already here waiting for her to come.

"Mrs. Jing, you and I have never met in this lifetime. Today is the first time we meet. Please speak a little bit more politely, otherwise you will lose your dignity and elegance. After all, you are Mrs. Jing from a wealthy family." Shen Ning tried his best to stabilize himself. emotional, clear and steady voice,

"My company cooperates with Jing's Group. I came to see Mr. Jing today to discuss business matters. As for seducing Mr. Jing, I really don't know where to start. Before you know someone, please don't talk nonsense and humiliate words that hurt other people's feelings."

"About business?" Shu Qiuying stood up abruptly, and slapped the desk with a slap, "How did the little Gucci perfume come to talk about business with our Jing Group? I think your mother blindly curry favor with us, pestering us." Seeing that my husband failed to cooperate successfully with our Jing family when he was a mistress, what business is there to talk about now? Let me tell you, you can confuse my son, but you can't confuse me. I won't let your attempt succeed. With self-knowledge, please stay away from my son in the future, otherwise, I will make it difficult for you to stay in the imperial capital."

Shen Ning's face turned pale.

"Mrs. Jing, I think you have misunderstood something. Your son and I are only in legitimate business dealings. There is nothing embarrassing. I have always been innocent with him. You are humiliating your son by scolding me like this. Please do it yourself." , Farewell." She said coldly, then turned and walked outside.

"No, I hope you don't come to pester my son again." Shu Qiuying shouted, her face full of disgust.

Shen Ning ran outside quickly. When passing the front desk, the waitress looked at her coldly, gloating.

"Ning Ning." Shen Ning ran with his head down, and as soon as he ran outside, he ran into Jing Chenxi who was getting out of the car. When Jing Chenxi saw her, he immediately smiled and was very happy.

"Mr. Jing, I have something to do first." She forced a smile at him, and strode outside.

"Ning Ning, be careful." Jing Chenxi wanted to chase her, but Shen Ning ran so fast that he crossed the road and ran to the opposite side regardless of other vehicles on the road, causing the driver in the car to stick his head out and shout scold.

Jing Chenxi looked at the back of her leaving in a hurry, and suddenly remembered something, and his eyelids twitched.

He turned around and ran inside.

"Mom, what did you do to Shen Ning just now?" Only when he opened the door and saw his own mother sitting on the sofa, he seemed to understand everything, his eyes were bloodshot, and he asked in a trembling voice.

Shu Qiuying looked at him and smiled lovingly: "Chenxi, I brought you breakfast, come and have breakfast."

"Mom, let me ask you, what did you do to Shen Ning just now?" Jing Chenxi had tears in his eyes, and asked again and again.

"I didn't say anything, I just told her not to pester you again." Shu Qiuying said calmly.

With a "bang", Jing Chenxi slammed the breakfast she was holding onto the ground.

"Ning Ning." Jing Chenxi turned around and ran outside.

Chapter 540 Don't die yet?

The sky began to drizzle, and the north wind blew on his face with pain.

Shen Ning was walking on the street in a daze, her thin back was thin and lonely, people on the street were in a hurry, and they kept walking past her.

'Your mother's being my husband's mistress didn't get Gu Qi to cooperate with our Jing family. How can a little Gu Qi cooperate with our Jing family.' Shu Qiuying's words kept ringing in her mind.

At that time, Gu Qi had achieved greatness long ago. Was the love between her mother and Jing Shoufu necessarily because she wanted to cooperate with the Jing Group?

She doesn't think so!

It was Jing Shoufu and her who knew each other and cherished each other. They were just trying to make a good story.

She sat down on the lounge chair in a daze.

"President Li, look, isn't that Ms. Shen? Why is she sitting there? It's raining outside now." In the traffic, the Rolls Royce was driving slowly, and Leng Xue, who was sitting in the driver's seat, suddenly saw Shen Ning, who was sitting under the shade of a tree beside the street, spoke in surprise.

Li Zhenting was on the phone when he heard this and looked towards the side of the road.

In the rustling autumn wind, the woman sat alone, her eyes glazed over, as if she was stupid.

"What is she doing there? Quickly check her phone number." Li Zhenting put down the phone.

I haven't seen this woman for three days, but I didn't expect her to come here to blow the cold wind.

Lengxue immediately entered her mobile phone number into Baidu.

"Mr. Li, Ms. Shen should be from the Jing Group." He replied in a low voice.

A cold light flashed in Li Zhenting's eyes, but soon, a bright color flashed in his Mo pupils.

She is so sad and lonely after coming out of the Jing Group, has she already made up her mind to break up with Jing Chenxi?

This thought lifted his spirits. For the first time, he was actually happy and sad for a woman.

"Drive the car over there."

"good."

The car stopped firmly in front of Shen Ning.

Li Zhenting got out of the car.

"Shen Ning."

Shen Ning was dumbfounded. She was wearing a pure white cotton coat, and the white fur on the neckline made her small face like snow, her nose was red from the cold, like a little snow beauty.

Looking at her, Li Zhenting felt an inexplicable beating at the tip of his heart.

Since she disappeared for three days since the last time he kissed her to warn her, he knew she must be hiding and didn't want to see him.

She didn't want to see him, but he wanted to see her every second, and every day was like three autumns. If he wasn't too busy these days, he would definitely bring the children to her.

He reached out to touch her face.

"Ah, stinky rascal." Shen Ning was stunned, and suddenly felt a hand touching his face, and then he saw a man standing in front of him, terrified, stood up and ran after shouting .

"Uh." Li Zhenting chased after him.

Cold-blooded hurriedly drove the car over.

"Shen Ning, be careful." Li Zhenting caught up and saw her running towards the street, and there were many vehicles on the street... His heart ached.

This damned woman, do you want to die?

Seeing a car rushing towards her.

He rushed up desperately, hugged her and rolled to the side.

The car came to a screeching halt and hit the barrier on the side of the road.

"You're **** dead." The driver's face changed color in fright, and he poked his head out and cursed loudly.

The cold-blooded car drove across quickly, rolled down the window, and his eyes were cold and stern.

The driver's face changed color and he drove away.

"Are you injured?" Li Zhenting nervously checked Shen Ning, who was in his arms, and kept asking.

"No." Shen Ning's body was still trembling, but the breath that fell into the nostrils made her inexplicably relieved. It wasn't until this time that she knew that the man was Li Zhenting.

Since Jing's Group came out, she has been in a trance.

What made her sad was not that she was not accepted by Jing Chenxi's mother. Although she was shaken by Jing Chenxi's infatuation, she never thought of marrying him.

It's my mother. I think how painful she was at the beginning.
