

## Troublemakers 541

### Chapter 541 I'm just too excited

"Are you stupid? There are cars passing by on this street, so you just ran over there, you are dying?" Li Zhenting, who was afraid, stood up holding her, and reprimanded with a sullen face.

Coldly got out of the car, looked at the side of his body worriedly: "President Li, are you okay?"

When he pulled Shen Ning with his arm just now, in order to protect her, he almost used half of his body to block the oncoming car, and rolled towards the side of the road with Shen Ning in his arms, and hit the roadside guardrail sideways.

"I'm fine." Li Zhenting picked up Shen Ning and walked towards the car.

Lengxue watched Li Zhenting's body carefully from behind, saw that he was moving freely, and felt relieved after confirming that there was nothing serious.

"President Li, where are you going now?"

"Return to Li's Castle."

Li Zhenting carried Shen Ning into the car behind, and wiped Shen Ning's hair with a towel.

"Li Zhenting, let me go." Shen Ning finally came to his senses, but when he saw Li Zhenting, the \*\*\*\* of plague, he was filled with fear. If it wasn't for this man, why would she need to find Jing Chenxi!

"Don't make trouble, just sit down." Li Zhenting wiped her head and took off her coat. The coat was covered with rain, and he had already turned on the air conditioner.

"Don't touch me." Shen Ning looked at him vigilantly.

"It's going to catch a cold." Li Zhenting said helplessly: "Don't you know that I saved you just now?"

"If it wasn't for you, I wouldn't have run away." Shen Ning was not ambiguous.

Li Zhenting was a little annoyed, pinching her chin with his fingers: "Then why are you sitting there on a rainy day? Did you come from the Jing Group?"

"Yes." Shen Ning admitted.

"What are you doing at Jing's Group?"

Shen Ning suddenly raised his lips and smiled at him: "Of course I'm going on a date."

Li Zhenting's face darkened in an instant: "Dating is still so sad? Lie to a ghost."

Shen Ning tilted his head and looked at him: "You are so strange, which eye sees me sad? I'm just too excited and want to sit there and calm down."

Is it?

Li Zhenting's face became darker and darker: "Shen Ning, did you not take my warning seriously?"

"I'm sorry, I can't take it seriously." Shen Ning sullenly said, "Li Zhenting, you are so inexplicable, why should I listen to your warning? Why do you warn me? Who are you to me? Just divorced, Jing Chenxi is my business partner, if you tell me to cut off contact with him, then my Gu Qi's business will stop, right?"

She narrowed her eyes and spoke sharply:

"Li Zhenting, you are definitely sick, not only mentally ill, but also mentally ill. I suspect you have schizophrenia."

"Shen Ning, how dare you scold me." Li Zhenting's face was ashen, "I did this for Ke Ke and Ding Ding."

"Hey, I gave you the custody of Ke Ke and Ding Ding, and the two children are with you. I have nothing. What are you doing for them? Why do you want to restrict my freedom? You owe it to me to smoke and scold you." , You are flat, bastard, bastard, crazy, brain and fart grow backwards, all of them are sick." Shen Ning scolded a lot in one breath, and only then did he dissipate a lot of the depression in his body.

Li Zhenting couldn't react to being scolded by her, and stared at her with a sullen face, or maybe he had never been scolded by a woman like this before when he was so old, he was a little dumbfounded.

"Li Zhenting, you have Shen Mei, you have a beloved woman, what are you pestering me for? Don't you know that I disgust you, don't you?" Shen Ning continued to scold, and asked in a very insulting way: "I ask you , are you interested in me, do you like me?"

Chapter 542 Have to take care of your illegitimate child?

"Who would like a woman like you." Li Zhenting's mind was confused by Shen Ning's scolding, "Do you think you can marry into the Jing family? Tell you, stop dreaming, the Jing family will not want you, Just because you gave birth to Ke Ke and Ding Ding, and there is a little one, even a wealthy family cannot marry you. If you honestly set a good example for the children, take them well, and follow me, I can still guarantee that you will have no worries about food and clothing. of."

"Li Zhenting, you think too highly of yourself. In my eyes, you are just a stinky man. You want me to follow you. You have such a big face. Let me tell you, even if I follow Jing Chenxi, I won't." Follow you." Shen Ning vowed to \*\*\*\* him off, and shouted loudly: "Stop the car, I'm going down."

"Don't you care about Coco and Ding Ding?"

Shen Ning was stunned for a while, gritted his teeth and answered cruelly:

"The custody of Ke Ke and Ding Ding has been given to you, so what else do I care about? Long-term pain is worse than short-term pain. I don't have the ability to take care of what happens to them in the future, so let's forget it."

She lowered her head, bit her lips tightly, tears rolled in her eyes, and her long eyelashes blinked from time to time, so as not to let him see her sadness.

But Li Zhenting said solemnly: "You have no sense of responsibility, and you don't want to ignore them when you give birth. How about going on a date with Jing Chenxi? Let me tell you, there is no door.

From today on, you have to go back with me to take care of her." Be good to them, cook for them, take them to study, otherwise, I will spank your ass."

Shen Ning was startled when he heard that.

God, this \*\*\*\* is a mutant!

Ever since he knew that Ke Ke was his son, he had taken advantage of it from the very beginning, wishing that she would get away as far as possible, and then he targeted her everywhere and watched her, fearing that she would take Ke Ke away, so exhausted, she had no choice but to take the initiative. Giving up Ke Ke's custody and leaving the Li family.

And now he is entangled with her.

Really, the more indifferent he is to Ke Ke and Ding Ding, the more unwilling he seems to be!

Then if she pretended not to care about the children on the surface, would it be counterproductive? Maybe it would be able to be with the children because of this.

Currently, Gu Qi is looking for a new address. If possible, she can take Ke Ke and Ding Ding for a big escape.

At the moment, she looks even more calm.

Seeing that she didn't want to take care of the child, Li Zhenting felt angry from the bottom of his heart.

Hold her down on the bed, and said almost rascally: "Shen Ning, I order you, from today onwards, you bring Xiaoxiao to live in Li's Castle and take care of the daily life of the four children."

"Why?" Shen Ning objected, "You want me to be your nanny? Help you take care of your children, and take care of your illegitimate child?"

"Where did I get an illegitimate child?" Li Zhenting was taken aback.

"Isn't Lan Lan the one? You and Shen Mei gave birth to him, and you are not married, so what is it if this is not an illegitimate child? You want me to take care of your illegitimate child, isn't it too selfish?" She wanted to provoke him, I also want to remind him that he already has a beloved woman, and he shouldn't come to pester her.

Li Zhenting dodged his eyes and cleared his voice: "You don't want to accept me because of Lan Lan?"

Shen Ning didn't understand what he meant for a while, but just said: "You don't want to control me."

Li Zhenting stretched out three fingers and shook them in front of her eyes: "Shen Ning, don't double-label, although I gave birth to Lan Lan with Shen Mei, didn't you also have a baby with a man outside? Who do you dislike, Ke Ke and Ding Ding, Xiao Xiao was born by you, and you three children helped to take care of Lan Lan, so what? You have done nothing wrong, it is good that I do not dislike Xiao Xiao."

Chapter 543 Your mommy bullied me and hit me

"Li Zhenting, Xiao Xiao and Lan Lan are different."

"What's the difference?" Li Zhenting stared at her with half-closed eyes.

"Xiaoxiao..." Shen Ning was agitated and almost said the words, "Xiaoxiao is also your child". Fortunately, she woke up in the end.

"What's wrong with Xiaoxiao?" Li Zhenting looked at her with his head tilted and asked again.

"It's nothing, you go away."

"Don't roll."

"You really don't want to get out? Then I'll record the picture of you bullying me for the children to see." Shen Ning raised his phone.

Li Zhenting's eyes flashed, he suddenly reached out and grabbed her hand, threw her mobile phone aside, and salivated with a smile: "It's up to you?"

Shen Ning immediately felt the palm of her hand get hot, and after struggling a few times, Li Zhenting simply pushed her against the soft bed, lying all over her body.

In an instant, the temperature of her body was extremely high.

She didn't doubt at all that this guy lying on top of her with black eyes glowing would have a sexual gossip and get her done here.

"Li Zhenting, why are you so thick-skinned? Is this a habit of playing a scoundrel?" Shen Ning was helpless with him, his cheeks flushed with anger.

But in Li Zhenting's eyes, she looked like she was acting like a baby. He suddenly stretched out his fingers and pinched her nostrils, lowered his head, and kissed her lips fiercely...an unprecedented passionate kiss began again.

Shen Ning was so kissed that his eyes were filled with golden flowers, and he almost died.

"Daddy, Mommy." After an unknown amount of time, the cries of the little ones came from outside, and Li Zhenting let her go contentedly, and sat up lazily.

"Bastard." Shen Ning was furious, got up and punched him.

Li Zhenting grabbed her fist and put it on his face, hugged her to the car glass, opened the glass door and shouted outside: "Ke Ke, Ding Ding, your mommy bullied me and hit me."

Ke Ke and Ding Ding ran out to greet the cold-blooded uncle saying that Daddy and Mommy were back, but they didn't see Mommy and Daddy get out of the car after coming out for a long time, so they yelled.

Now hearing what Li Zhenting said, Ke Ke immediately shook her head: "Impossible, you are the only one who bullies Mommy, and Mommy has never been able to bully you."

When Li Zhenting heard this, he quickly caught Shen Ning's hand and showed them: "Look, she just hit me in the face."

Shen Ning rolled his eyes at him, and twisted the flesh on his arm with the other hand, pinching hard.

"We don't believe it." Ke Ke and Ding Ding Qiqi shook their heads.

"Oh, it hurts." Li Zhenting yelled at his sons in pain, and suddenly reached out and tore Shen Ning's clothes: bowed his head and kissed it... Shen Ning felt that the sky was full of dazzling stars.

"Let me ask you, did you break up with Jing Chenxi?"

Shen Ning gritted his teeth and remained silent.

"Don't say it? Then I'll be closer to you, I don't mind letting the children see." He suddenly began to kiss her body violently.

Shen Ning felt itchy and uncomfortable, struggling hard.

Li Zhenting smiled lowly, and stretched his fingers under her clothes...

"Warning you, I will take care of the children honestly in Li's Castle in the future, and I am not allowed to meet Jing Chenxi again. If you are disobedient, I will ask you to beg for mercy every minute." Li Zhenting finally let her go.

"..." Fuck you!

Shen Ning's face was as red as red, he hurriedly got up and straightened his clothes.

Li Zhenting opened the car door and went down.

Shen Ning also got out of the car.

"Mommy." Obviously Li Zhenting got out of the car first, but the two little guys only ran towards Shen Ning who was behind, with open arms and short legs, their little faces turned red with joy.

Chapter 544 is clearly a kennel

"Ke Ke, Ding Ding." When the children ran towards Shen Ning, all the grievances and dissatisfaction in Shen Ning's heart disappeared. She hugged the children, full of happiness, and a happy and radiant smile bloomed on her face.

"Mommy, we miss you so much. You have to be with us every day, otherwise, I'm going back to Chunhui Garden too. I don't want to eat spaghetti and ham every day." Coco is not satisfied with seeing Shen Ning occasionally On the other side, he put his arms around her neck and acted like a baby.

These days, he and Ding Ding followed Li Zhenting every day, and Li Zhenting would make spaghetti and fried ham, which made him almost throw up.

"Have you heard the children's voice?" Li Zhenting deliberately chimed in.

Shen Ning rolled his eyes at him, but didn't understand what Ke Ke meant.

"Coco, look, your mommy hit me and pinched me just now." Li Zhenting then deliberately showed off, showing them the red arm that was pinched by Shen Ning just now.

There are indeed some red marks on the man's white and tender arms, as well as light nail marks.

Li Zhenting's miserable kung fu is considered top-notch.

It's just that Ke Ke didn't buy it, he looked at it for a while and replied: "It wasn't Mommy who pinched it, it must have been pinched by another woman, and Mommy was bitten on the neck, it must have been bitten by you, Mommy said Daddy is a dog, and he likes to bite people the most."

"..." Li Zhenting's face turned red when he heard it.

Leng Xue couldn't help laughing beside him.

Shen Ning also pursed his lips and smiled.

Coco and Ding Ding laughed even more.

"Who dares to laugh?" Li Zhenting tensed his face.

Cold-blooded immediately said: "President Li, I have to leave beforehand."

He left in a hurry to pick up Xiaoxiao.

Shen Ning didn't smile anymore, so as not to provoke him to go crazy, he led the children one by one and walked inside.

But when she walked into the hall, she couldn't really laugh.

This doesn't look like home, it's clearly a doghouse.

In the living room, there are piles of toys everywhere, and various objects are scattered on the sofa.

On the dining table, the little ones eat bowls and chopsticks here and there, and the trash in the trash can has not had time to throw it away.

She looked at Li Zhenting!

Li Zhenting didn't dare to look her in the eyes, but just lowered his head: "The children must be starving, you should cook for them quickly, Ding Ding has diarrhea again, he can't eat outside food."

"Li Zhenting, are you a pig? You made the house like this? Are there no servants at home?" Shen Ning put his hands on his waist, no wonder this \*\*\*\* wanted to hire himself as a nanny, it turned out that the house was already in chaos.

He had a pretty good idea! I want to leave all these housework to her!

"Ningning, Sister Yun is the only nanny in the family now. She has gone shopping for groceries now. Don't worry, the nanny will come back in two days." Li Zhenting salivated and smiled. He has lived a life that is not as good as pigs and dogs for a week. If Shen Ning doesn't come back, Ding Ding's diarrhea won't get better, and he will have to continue to suffer from this kind of torture.

In fact, his life of being both a father and a mother during this period of time was really uncomfortable. His own mother, Li Wanqing, didn't know that she loved him at all, and treated him worse than Shen Ning. I want to drive him and the children back, saying that I am afraid of disturbing grandma's life.

This Saturday, he originally wanted to take the children to see Li Minhua, but early in the morning, Li Minhua called him and said that her heart was not feeling well, and she couldn't hear the noise, so he should not take the children there .

Now, he can only stay and face the kennel again.

"Where are you going?" Li Zhenting was about to run away after finishing speaking, but Shen Ning stopped him, "The children haven't eaten yet, and the house is in a mess. Do you want to sneak away? Stop for me, and help with cleaning together."

"Okay." Li Zhenting could only nod his head.

"And you, Ke Ke, Ding Ding, clean up your things first, don't throw toys away." Shen Ning is not used to these two little guys anymore, especially Ke Ke, who used to help her with housework when she was with her I have to take care of Xiaoxiao, clean and tidy, but now I have only been with Li Zhenting for a few days, and I have developed a bad habit of throwing things around. This is not good!

Chapter 545 I am the eldest lady of the Li family

"Okay, Mommy." Ke Ke immediately agreed and began to pack up her toys, and Ding Ding followed suit.

"Daddy, you can help too, don't be lazy, you are not good at all." Coco shouted while arranging the toys and looking up at Li Zhenting who was standing there.

Well!

Li Zhenting's face darkened, and this little \*\*\*\*\* actually taught him a lesson!

"I'll clean up the kitchen first, you mop the floor." Shen Ning said coldly to Li Zhenting.

"Okay." Li Zhenting's attitude was okay, and he went to get the mop, but he couldn't find where to put it after searching for a long time.

"Then you should put away the bowls and chopsticks on the table first." Shen Ning had no choice but to ask him to help her.

With a "wow", Shen Ning turned around and cleaned up the stove, when he heard the sound of bowls and chopsticks falling from the dining room.

She was startled and turned around.

I saw that Li Zhenting accidentally dropped a porcelain bowl to the floor, and it fell to pieces.

"Daddy, why are you so sloppy, like a child, so shy." Ke Ke stretched out her little head to make a face at Li Zhenting, and scratched her face with her fingers.

Shen Ning smiled mockingly: "You know how to cook, why don't you even throw away a bowl?"

Li Zhenting's face darkened: "Who knew this bowl was so greasy."

"Did you not wash for a week?" Shen Ning asked suspiciously.

Li Zhenting spread his hands: "I don't know, you can ask Sister Yun."

Shen Ning shook his head.

"Ke Ke, take this book away." Shen Ning picked up the book on the dining table and shouted at Ke Ke.

"Okay, Your Majesty, I'm here." Ke Ke rushed over to pick up the book and ran away.

"Ding Ding, isn't this your watch? Take it away."

"Yes, Majesty Mommy, I'm here too." Ding Ding also ran over in a panic.

"You, take the mop bucket with me, and I'll mop the floor." Shen Ning gave a mop bucket to Li Zhenting.

Li Zhenting took it over, so wherever Shen Ning dragged it, he followed it with the mop bucket.

"Hey, Daddy is like a robot, he moves when Mommy presses it." Coco and Ding Ding whispered.

To be honest, Mommy and Daddy are quite happy to be able to accompany them, even if they are working.

At this time.

Lan Lan ran down from the upstairs wearing a beautiful little skirt. She was infected by the liveliness downstairs, so she stood and watched.

"Lan Lan, put away your own books and toys soon." Coco called her.

"I won't take it, Aunt Yun will take it." Lan Lan looked at her white and tender hands and didn't want to do housework, they were so dirty.

"If you don't accept it, then I will throw it away. These are all yours. They have been here for a week." Coco pointed to the lipstick, mirror, and comic book on the sofa, and said bluntly.

"You dare." Lan Lan put her hands behind her back, looking fierce.

"I'll count to three, and if you don't come, I'll throw it away." Ke Ke wouldn't be polite to her, and gave the order directly.

"One, two, three." After he yelled three times, he picked up a pink doll and threw it into the trash can.

With a "wow", Lan Lan burst into tears and ran towards Li Zhenting: "Daddy, Ke Ke bullied me and lost my doll."

After speaking, she burst into tears.

Li Zhenting looked at Ke Ke.

"Daddy, why doesn't she clean up the most things while we are all cleaning? I have warned her long ago, she is disobedient." Coco defended with a blushing little face.

"Lan Lan, go and pack your things." After thinking for a moment, Li Zhenting had a serious expression on his face. Now even he has to clean up. No one can be lazy. Shen Ning is the boss of this family, and he has to be second.

"I don't clean up. Mommy said that these are all done by servants. I am the eldest lady of the Li family, so I don't need to do these jobs." Lan Lan resolutely refused to clean up.

Li Zhenting became angry: "In the future, you are not allowed to learn those capitalist ideas from your mother. Labor is the most glorious. Everyone has to learn to work. Go and pack up."

Lan Lan was very wronged, so let's not clean up, Li Zhenting's face is very serious today, go, she is not reconciled.

"Daddy, you have been taught by that bad woman, you don't like me anymore." Lan Lan suddenly pointed at Shen Ning and shouted, "She is good or bad, I don't like her."

Shen Ning's face turned pale when he heard this, and he stood up and looked at Li Zhenting.

Chapter 546 All this is just missing a woman

"Presumptuous." Li Zhenting said in a loud voice, "You are really getting worse and worse, go and pack your things, otherwise, you won't be allowed to eat today."

Lan Lan was frightened. Seeing Daddy's furious face, she had no choice but to tidy up her things, but she never did any work. She just moved those books and toys around, making the mess even more messy.

She was crying while moving, very miserable.

"Mommy, Coco, Ding Ding." Not long after, there was the sound of a car outside, and they turned around to see Xiaoxiao wearing a small skirt, running towards the inside with open arms, shouting as she ran.

"Xiaoxiao." Seeing how happy Xiaoxiao was, Ke Ke hurriedly greeted her.

"Ke Ke, Ding Ding." Little Xiaopao came in and took Ke Ke and Ding Ding's hands one by one, giggling happily.

"Xiao Xiao, why are you here?" Shen Ning was surprised.

"Mummy, uncle picked me up." Xiaoxiao threw herself into Mummy's arms and replied happily.

Shen Ning looked at Li Zhenting.

"I asked Leng Xue to take her over, so that you can take care of these four children with peace of mind in the future. If Gu Qi has any difficulties, just ask." Li Zhenting said.

If Xiaoxiao is not brought here, she will not be able to take care of the children with peace of mind. He is ready to recognize Xiaoxiao.

"You let Xiao Xiao go to Blue Whale Kindergarten with Ke Ke and Ding Ding the day after tomorrow, don't stay at home." He continued after thinking about it.

Shen Ning narrowed his eyes.

This man's brain suddenly became enlightened, he understood the win-win cooperation model, and learned to get along with each other friendly.

Hope he didn't just have a fit.

She didn't say anything, and went busy.

Hearing from Ke Ke, they haven't eaten rice for several days, and they are so hungry that they don't want to. She feels distressed.

At this time, Sister Yun came back with a bag full of fresh vegetables. When she saw Shen Ning, she was very excited.

"Young Mistress, it's great that you are back, so that the children will have a good life." She put the dishes on the cloud stone platform and said excitedly.

"Sister Yun, there are no young mistresses here, please call me Shen Ning or Miss Shen." Shen Ning smiled.

Sister Yun took a sharp look.

Li Zhenting pretended not to hear anything.

"Miss Shen, it's so clean, it's really hard work for you." Sister Yun looked at the dining room, living room, and kitchen, very happy, but also very embarrassed, "I'm so sorry, I asked you to do this, and leave it to me in the future, you just need to be responsible for taking care of the children."

As he spoke, he went to choose vegetables, and privately told Shen Ning about the situation these days.

Shen Ning heard very strange.

Such a big Li's Castle would let a big man take care of the children, this is a bit abnormal!

However, she didn't think much about it, and just prepared lunch with Sister Yun.

Li Zhenting took Ke Ke and Xiao Xiao to play checkers in the living room.

In the kitchen, it was steaming, Shen Ning and Sister Yun were talking and laughing.

In the living room, the children were playing checkers lively. Lan Lan was doing her makeup and looking in the mirror.

Looking at this scene, Li Zhenting was very emotional. It was really amazing that all this was just missing a woman, and there was such a big change.

only

They are also women, why is Shen Mei only cold and lifeless when she stays in this house, while Shen Ning stays here, what brings him the smoke and fire of the world, although ordinary, is also the most real and moving.

"It's time to eat." After a while, Shen Ning called from the kitchen.

Coco and Ding Ding immediately dropped the checkers and ran towards the dining room.

They are very hungry and want to eat the dishes fried by Mommy!

Today, Shen Ning cooked eight special dishes, including meat and vegetables, and the presentation was very good, which made them drool.

Ke Ke ate really hard. He ate up every grain of the rice in the bowl, and drank several bowls of soup until his stomach was round.

Ding Ding usually doesn't eat much, but he ate an extra bowl, and even Lan Lan ate a lot.

Xiaoxiao often eats mommy's meals, but she is not so urgent.

Chapter 547 Not good, Daddy is bullying Mommy

Li Zhenting drank light mushroom soup, ate small fried yellow beef, and served vegetables in the soup. Although it did not have the smell of big fish and meat outside, this light taste was extremely comfortable in the stomach, as if even the soul had been at peace. The manic depression also calmed down.

He understands that this is probably the so-called taste and atmosphere of home.

After dinner, Sister Yun rushed to clean up the dishes, Shen Ning led the children to watch TV quietly for a while, and then asked them to go upstairs for a lunch break.

The children were lying around her, playing with her, and everyone had a good time.

When Shen Ning occasionally raised his eyes, he saw Li Zhenting poking his head over to look at them from time to time, and when he met Shen Ning's eyes, he would shrink his head back.

Neuropathy!

Shen Ning cursed secretly, not bothering to pay attention to him.

In the afternoon, Shen Ning asked the children to do their homework. She started to tidy up the room upstairs, took all the clothes to wash, and was busy until dinner.

After dinner, Shen Ning took the children for a walk in the back garden, taught them about various plants in the back garden, and told them stories. The four little guys lined up and followed her. It is so beautiful.

After returning from the back garden, Shen Ning called up an animal world for the children to watch, and she stayed by her side.

Ke Ke leaned into her arms, Ding Ding put one leg on her body, and leaned against her, Lan Lan sat on the side, they all looked at the animal world with great interest, and Shen Ning occasionally explained.

Li Zhenting didn't go out all day, and stayed at home quietly all the time. When the children watched the animal world, he swiped his phone to play.

After a while, Shen Ning felt something moving behind the buttocks sitting on the sofa. She only thought it was small, but soon felt wrong, because it was the toes, which were relatively thick, and it didn't feel like a child's.

As soon as she turned her head, she saw that Li Zhenting was already lying on the other side of the sofa, and his feet stretched out to her buttocks, harassing her from time to time.

She stared at him with wide eyes.

Li Zhenting just played with his mobile phone as if he didn't see it.

Shen Ning was so angry that she wanted to move, but the children were all lying in her arms or leaning against her. If she moved, they would all have to move.

She was so angry that she stretched out her hand and twisted the salty pig's foot severely. Li Zhenting felt the pain and retracted the foot.

Shen Ning gave him a hard look.

"No, Daddy is bullying Mummy." After a while, Keke's feet became numb, so she changed her position and lay in Shen Ning's arms. A salty pig's foot stretched out to harass Shen Ning, and he, who was extremely alert, immediately noticed it. With a loud cry, he got up from Shen Ning's arms.

Li Zhenting was so frightened that he hurriedly retracted his feet, but it was too late at this time, Ding Ding also found out, although Xiao Xiao didn't see it, but she had the ability to read minds, and she read Li Zhenting's voice just by looking at him.

"Who told you to bully my mommy." Ke Ke threw herself towards Li Zhenting, rode on him, and grabbed the clothes on his chest.

Ding Ding not to be outdone, climbed up to his neck and sat down, facing his face with his little buttocks.

Xiao Xiao also grabbed his feet.

After a while, Li Zhenting was like a sea turtle entangled in barnacles, unable to move, and he did not dare to move for fear of falling the children.

"Smelly daddy, and bullying mommy." Coco sat on his chest like a horse, grabbed his clothes, and tickled him.

Ding Ding pointed his \*\*\*\* to his face, and also went to tickle him, but Ding Ding's stomach function is not very good, when he held his breath hard, he let out a big stinky fart, which made Li Zhenting almost vomit.

Xiaoxiao pressed his hand hard to prevent him from resisting.

Li Zhenting was so helpless by the three little guys, he could only scream strangely.

Shen Ning pursed his lips and smiled.

Chapter 548 Then I will trust you again

"You can't bully Daddy." Lan Lan was not happy at the side, and ran over, pushing Coco for a while, and Latin Ding for a while, and accidentally pulled Xiao Xiao off the sofa.

The four little kids kept busy around Li Zhenting, and Li Zhenting had no temper and could only yell for mercy.

As soon as nine o'clock arrived, Shen Ning took the children up to take a bath and go to bed.

After taking a bath, she told the children stories. It was not until 9:45 that Coco and Ding Ding fell asleep peacefully.

Shen Ning walked down the stairs quietly holding a small hand.

Li Zhenting was sitting on the sofa and swiping his phone.

Shen Ning took a small hand and walked directly outside, pretending not to see him.

"Shen Ning, where are you going?" Of course Li Zhenting was not blind, he had seen her earlier and asked immediately.

But Shen Ning just bowed his head and walked quickly, not answering his words at all.

She has to take Xiaoxiao home, this place does not belong to them.

"Shen Ning, stop." Li Zhenting became angry, put down his phone, and shouted in a cold voice.

When Shen Ning heard this, he simply took his little hand and ran outside, trying to catch the last sightseeing bus and leave here.

Looking at it, Li Zhenting was furious. He jumped up and chased after her. After a while, he grabbed her by the back collar and pulled her back.

"Shen Ning, do you think I'm blind, and tell you not to return, it's so late, what are you doing?" Li Zhenting asked angrily.

"Of course I brought Xiao Xiao home so late, what else?" Shen Ning threw him away.

"Go home?" Li Zhenting was furious, "Didn't I tell you during the day? From now on, you will live here with Xiaoxiao to take care of the children. Do you not understand what I said?"

"Do you want me to babysit for free? Sorry, I don't want to."

"Then what reward do you want?"

"I don't want any pay, I just don't want to live here, I want to be free."

Li Zhenting narrowed his eyes: "Do you want to go out and date Jing Chenxi freely?"

"You can think whatever you want." Shen Ning didn't deny it, and deliberately looked ambiguous.

A layer of black smoke welled up in Li Zhenting's deep eyes, and he grabbed her arm and walked towards the study.

"Mommy." Xiaoxiao cried in fright.

Li Zhenting was startled, first pushed Shen Ning into the study, locked the door, then walked to Xiao Xiao and whispered: "Don't be afraid, Xiao Xiao, I just want your mommy to stay and take care of Ke Ke and Ding Ding, and you too Come down so you can be with Coco and Tintin, okay?"

He spoke very sincerely and seriously.

Looking into his eyes, Xiaoxiao seemed to feel his sincerity, and nodded. In fact, she really wanted to stay here.

"Then uncle will take you upstairs to sleep first, okay?"

"You can't bully Mommy." Xiaoxiao looked at him, "Last time, we hanged ourselves for a hundred years and couldn't change it, but you lied to me and you're still bullying Mommy. It's not good for her at all."

Referring to the last time, Li Zhenting touched his nose and said in a low voice: "Don't worry, this time, I will definitely treat your mommy well, trust me, okay?"

"Okay, then I will trust you again." Xiao Xiao nodded.

Actually, she just wanted to be with Coco Dingding, and she didn't want to go back with Mommy alone.

So, Li Zhenting picked her up and went upstairs to take care of her and slept with Ke Ke and Ding Ding.

Xiao Xiaoben was tired and fell asleep holding Ke Ke's arms.

"Li Zhenting, what on earth do you want?" Li Zhenting came downstairs and slowly pushed open the door of the study, Shen Ning yelled at him angrily.

Li Zhenting walked in, leaned against the desk, opened the drawer unhurriedly, took out a piece of paper and a beautiful stainless steel box, and placed it in front of her.

Chapter 549 Today I want to play wild with you

"What is this?" Shen Ning looked at him suspiciously.

Li Zhenting folded his arms around his chest, and said lightly: "You can see for yourself."

Shen Ning picked up the paper and took a closer look, it turned out to be an agreement.

According to the agreement, she was required to take good care of the four children, and she was offered a salary. The column of salary was still blank. After reading the general content, she found that it was similar in nature to working as a nanny in the Li family!

"Leave the salary blank, you can fill in the price as you like." Li Zhenting added.

"Sorry, I won't sign it." Shen Ning was very calm.

"Hey, I believe you will sign it voluntarily." Li Zhenting was not in a hurry or annoyed, as if he was sure that she would agree, he laughed.

Shen Ning sneered, she really didn't believe that anyone in this world could force her to sign an agreement.

Li Zhenting reached out with a big hand with sharp bones, and opened the stainless steel box, and there was a big bunch of keys lying inside.

"This is the key to Li's Castle. You should be very familiar with it. You were in charge of it before, and now it is handed over to you. You can be the master here. Of course, if you do it well, I will reward and promote you. I'm not doing well, spanking." Li Zhenting announced again brazenly, as if it was a kind of honor.

Shen Ning glanced at the key with disdain, and pushed it towards Li Zhenting: "I'm sorry, I don't want it, and I don't want it either."

Looking at her disgusted look, Li Zhenting frowned.

The female head of Li's Castle, I don't know how many women want to be the head of the house, but she dismisses it, which hurts his self-esteem too much.

This \*\*\*\* woman!

"I tell you, it's okay if you don't want to, it's not up to you." He announced angrily.

Shen Ning sneered: "I'm not right."

After speaking, he walked outside.

But when she went to open the door, she couldn't open it no matter what. It turned out that the door had been set to unlock with fingerprints.

"Open the door quickly." She looked back at him and said in a cold voice.

Li Zhenting's eyes were gloomy, and there was a sly smile in his Mo pupils.

"If you sign carefully, I will open the door."

"Tell you, I won't sign it even if I'm killed, but I can come over from time to time to take care of the children and cook for them."

"That won't work, it won't be able to take care of them in all aspects."

"It's a pity that this is a society ruled by law, so you can't let yourself go wild."

Li Zhenting stared at her, with a faint light in his black pupils.

"Shen Ning, what should I do? Today I want to be wild with you." He suddenly approached her step by step, exuding a wild aura of animal desire.

Shen Ning was a little scared, and stepped back.

"Li Zhenting, do you really think I dare not sue you?"

"Of course you dare." Li Zhenting suddenly pushed her against the wall, lowered his head and breathed hot air on her face, "But you did it voluntarily."

"Nonsense." Shen Ning spat on his face angrily.

Li Zhenting wiped it with his hands, and suddenly lowered his head and kissed her lips. When Shen Ning was struggling, his hot hands reached in from the hem of her clothes...

Shen Ning's eyes widened.

Li Zhenting smiled triumphantly, and kissed her lips hard...

Shen Ning began to struggle, but couldn't resist the man's heat, and gradually, his whole body became limp and he lost all strength.

Li Zhenting held her tender white finger and put it to his lips, kissed her, hugged her, pressed her finger into the red ink pad, and then pressed it \*\*\*\* the agreement.

"You can fill in as much compensation as you want." Li Zhenting put away the agreement, opened the door triumphantly, and walked out holding her hand.

Shen Ning didn't wake up until he got into the elevator.

"Bastard, go to hell, how dare you plot against me." She was so angry that she kicked Li Zhenting hard, and Li Zhenting stepped aside and kicked him in the ass, "You forced this, I won't admit it of."

Chapter 550 You will never escape from me again in this life

"The law only believes in evidence, and you have already pressed your fingerprints." Li Zhenting shrugged, raised the contract paper in his hand, and smiled wickedly.

"You...Go to hell." Shen Ning raised his foot and kicked his \*\*\*\* again.

Li Zhenting stepped aside, and she missed the kick.

At this time, the elevator door opened.

The man walked out triumphantly.

Shen Ning rolled his eyes in anger.

In the guest room.

As soon as she entered, she rushed into the shower room, turned on the hot water faucet, and washed herself vigorously, wishing to wipe off that layer of skin, until her skin turned crimson, she put on the bath and left come out.

She first went to Ding Ding's bedroom to check. The three little guys were fast asleep. They were huddled together, and the little sleeper was sleeping red, indescribably soft and cute.

Xiaoxiao hugged Keke's neck tightly, and Ding Ding rested one foot on Xiaoxiao's body.

The three brothers and sisters love each other so much!

A crescent moon pours in from the outside, and the bedroom is peaceful and warm.

Shen Ning stared blankly at the children, leaning against the wall weakly.

As a parent, which one is not thinking about the happiness of the children!

She also wants her children to have a happy family! Close your eyes and shed bitter tears.

That night, she slept very restlessly. In the second half of the night, she dreamed that she had fallen into a cliff, into a thousand-year-old ice and snow. She was obviously surrounded by extreme cold, but she couldn't feel the slightest cold.

In a daze, she felt instead that she was surrounded by a raging fire, and beside her ears was the sound of a steady heartbeat, that painful and hard heart was constantly being burned by the raging fire... She opened her eyes suddenly.

At this time, she was lying in a strong embrace, and the heat from the man surrounded her, pulling her tightly into his arms.

"Why did you sleep here?" A faint familiar breath invaded the nostrils, and Shen Ning immediately sensed that this man was Li Zhenting, and got up in fright.

The \*\*\*\* actually slept on her bed.

But before she could speak, the man pulled her back into his arms, tightly blocked her lips with his lips, rolled over her hot body, and tore her nightgown with his hands...

Shen Ning was stunned.

The man's domineering aura swept over her, not giving her any chance to breathe.

"Li Zhenting, why did you treat me like this? Why?" Afterwards, Shen Ning got up and beat him crazily, "We divorced a long time ago, I am just your ex-wife, you have no right to treat me like this, the woman you love It's Shen Mei, how could you do such a thing?"

Li Zhenting was lying lazily, staring at her with deep and quiet eyes, and his voice was hoarse and complacent: "Shen Ning, you will never escape from me again in this lifetime."

"You...shameless." Shen Ning was shaking with anger, and raised his fist to hit him hard in the face.

Li Zhenting smiled ambiguously, reached out and held her fist, feeling very wronged:

"Ningning, last night, you cried in your dream and hugged me tightly. I really can't blame you for that."

Last night, Li Zhenting couldn't sleep, so he secretly ran to see her, but he didn't expect that she was having a nightmare again, crying in the dream, his heart tightened, he immediately bent down to hug her, patted her gently, He wanted to comfort her, but Shen Ning hugged him back, he couldn't control himself anymore...

Shen Ning sat blankly, did she cry in her dream last night!

She raised her eyes and looked around, only to realize that she was already sleeping in Li Zhenting's bedroom. This man actually carried her into his bedroom in the middle of the night, but she didn't even know it.
