

## Troublemakers 581

Chapter 581 Dead woman, how dare you lie to me

"No, I'm not your sister, you don't deserve me to cook for you." Shen Ning immediately answered in a cold voice, exposing her lie.

From childhood to adulthood, they were not close, and she had never cooked food for her. Besides, what she ate was big fish and meat, with a strong taste. The food she cooked was actually not to her liking.

"Cough, cough." At this moment, Li Jichunqing coughed twice, and everyone stopped talking and began to eat.

"Mummy, that ugly witch is so disgusting, I don't like her." After eating, Shen Ning brought the children upstairs, and as soon as they entered the room, Xiaoxiao pouted and said to Shen Ning.

Shen Ning touched her head, before speaking, Li Jiaojiao followed suit:

"Cousin, I don't like her at all, hypocritical, vain, pestering my cousin every day, so disgusting."

Shen Ning smiled: "It's fine if your cousin likes her."

Li Jiaojiao blinked her big eyes and asked, "Cousin, do you really think my cousin likes her?"

"Of course, your cousin's eyes were injured. She saved her and took care of him. They are true love." Shen Ning replied.

Li Jiaojiao was stunned for a while, is that so?

Why does she feel that the current cousin likes the cousin?

At this time

Shen Ning's cell phone rang.

She picked it up.

"Mr. Shen, I'm Jiang Zhong." A man's voice came from the other end of the conversation.

Shen Ning was stunned for a moment, and immediately asked: "Wang Zhong, what's the matter?"

"Mr. Shen, Mr. Jing must go to you when he is very drunk, otherwise he would never go home, vomited a car, and cried." Wang Zhong hesitated for a while and said it out.

Shen Ning's face changed color: "Where are you now?"

"On Changqing Road."

"Then you wait for me, I will come right away."

Shen Ning saw that the children were having fun with Li Jiaojiao, so he stood up and walked outside.

As soon as he walked downstairs, he encountered Li Zhenting coming in from the back garden.

"where you go?"

"I have something to do."

"Stop." Li Zhenting quickly followed up, "It's about this time, where are you going?"

Shen Ning folded his arms: "President Li, didn't I sign a contract of sale with you, I have my own private affairs and freedom, OK?"

"No." Li Zhenting stared at her and denied, "You have to tell me where you are going? What's the matter? Otherwise, you can't go out."

"I'm sorry, I won't tell." Shen Ning pushed him away and was about to leave.

Li Zhenting stopped her, and suddenly snatched the phone from her hand and looked it over, his face darkened instantly: "Are you going to find Jing Chenxi?"

The mobile phone shows that she has answered a call, and Jing Chenxi's name is written on that phone.

"How do you know my lock screen password?" Shen Ning widened his eyes when he saw that he skillfully swiped open the screen of his mobile phone.

"I can know if I want to." Li Zhenting said with a straight face, "Why are you looking for Jing Chenxi at such a late hour, tell me quickly."

"Grandpa, look at him." Shen Ning suddenly spoke behind Li Zhenting.

Li Zhenting was startled, and looked back.

Shen Ning took the opportunity to push him away and ran outside.

"Damn woman, how dare you lie to me." Li Zhenting was furious and wanted to chase him out.

"Daddy." At this time Lan Lan ran over and grabbed Li Zhenting's big hand, "Can you play a game with me?"

Li Zhenting was about to refuse, but Shen Mei came over and said sweetly, "Brother Zhenting, Lan Lan wants Daddy and Mommy to play a parent-child game, she often sees Ke Ke and Ding Ding playing parent-child games with you, she is envious, You can also satisfy her today."

As she spoke, she took Li Zhenting's arm and forcibly dragged him in.

When Li Zhenting looked back, Shen Ning had already driven away in the car, so he had to give up, but his face was dark.

Chapter 582 Please...don't leave me

"Ning Ning, why, why did you treat me like this?" When Shen Ning rushed to the location where Wang Zhongfa came to locate, he saw Jing Chenxi, smelling of alcohol, crouching on the steering wheel, muttering.

"How could he drink so hard?" Shen Ning poked his head in to see the drunk Jing Chenxi and asked Wang Zhong.

Wang Zhong looked at her with deep eyes, "Mr. Shen, don't you really know the reason? Mr. Jing never drinks. This is the first time. I see him so drunk and in such pain."

Shen Ning's eyes dimmed, and he stopped talking.

"Well, let him go back to rest quickly, it's not a problem to lie here like this." She said after a while.

Wang Zhong shook his head: "I can't pull him out of the car. He keeps calling your name. If I pull him away by force, he will cry. I can't bear it."

Shen Ning felt sad in his heart.

Fortunately, she called Wang Zhong in time. If Jing Chenxi was drunk and drove like this, I really don't know what would happen.

"Then let me try." She opened the door of the cab, walked up to hold his arm, and called softly, "Chenxi, Chenxi, get out of the car, we will take you home."

Drunk Jing Chenxi suddenly heard a gentle and pleasant female voice, isn't that the woman he thinks about day and night.

There was a surge of excitement in his heart, and he tried to raise his head, squinting his drunken eyes.

Shen Ning was in front of him, looking at him with concern.

It's her, she's finally here!

"Ning Ning." He hugged her suddenly, sobbing.

It is said that men don't flick their tears lightly, but it's just that they haven't reached the point of sadness.

Shen Ning had all kinds of emotions in his heart, and felt extremely uncomfortable.

This man is as helpless as a big child. He has really waited for her for too long. She is the one who is sorry for him!

Some time ago, she really shouldn't have had the mentality of wanting to try to date him, but it caused him to misunderstand, so that she is so uncomfortable now.

"Chenxi, if you want to cry, just cry." She let him hold him, patted his back lightly, as if comforting a big boy, feeling very guilty.

"Ningning...I...love you, please...don't leave me, okay? The two of us...put everything aside and go abroad...to live." Jing Chenxi really shed tears, crying so much that she couldn't help herself.

Shen Ning's nose was also sour.

If everything starts from scratch now, and she has no children, he is willing to choose her firmly, maybe everything is possible.

But now, how is that possible!

She shook her head: "Chenxi, you have such good conditions, you can definitely find a woman who is better than me, why bother hanging on my tree, I'm sorry, I really can't give you what you want, and Jing's Group can't do it. I need you, cheer up and start your own beautiful life again."

"Ningning, no, I...can't...without you, you...don't...leave me, no, without you, I don't have...a happy future." Jing Chenxi hugged her tightly, in great pain.

Shen Ning sighed and looked at Jiang Zhong: "Assistant Jiang, Boss Jing drank too much, let's help him down together."

Jiang Zhong had been smoking in silence the whole time, and when he heard this, he extinguished the cigarette butt, and stepped forward to support Jing Chenxi's right arm.

Shen Ning quickly reached out to support his waist, and said softly: "Chen Xi, get out of the car first, you can't drive."

After Jing Chenxi's right arm was taken away by Jiang Zhong, his left hand hugged Shen Ning tightly, as if she was afraid that she would go away:

"Ning, Ning, you, don't go."

"I won't leave, I will accompany you, you come down with us first." Shen Ning supported his waist hard, and together with Jiang Zhong, lifted Jing Chenxi up.

Because Shen Ning was there, Jing Chenxi was very obedient, just hugging her tightly, for fear that she would disappear.

"Mr. Shen, you should go back with Mr. Jing first. It seems that he won't be willing to go back if you don't go with him." After helping Jing Chenxi into the car, Jiang Zhong suggested to Shen Ning.

"Okay." Shen Ning glanced at Jing Chenxi who was lying on the back seat, still calling her name, and agreed.

Jiang Zhong started the car.

Shen Ning leaned Jing Chenxi back comfortably, and took out a tissue to wipe the sweat off his forehead.

Jing Chenxi clenched one of her hands and placed it on his chest, closing his eyes.

Chapter 583 Please think about it carefully!

Jing Group.

"Assistant Jiang, are you just sending it to the company?" Shen Ning looked at the mighty and domineering Jing Group hidden in the darkness, and turned to ask.

"Yes, all the members of the Jing family are asleep. Going back so late, Mr. Jing is like this, it will wake them up, and make the elders in the family worry." Jiang Zhong knows the life of the Jing family very well. Get used to it, stopped the car.

Shen Ning understood.

As soon as the car stopped, she opened the door.

Jiang Zhong bent down and picked up Jing Chenxi, and Shen Ning helped to carry it. At this time, a security guard came to help, and they worked together to carry Jing Chenxi down.

Jing Chenxi is already half asleep and half awake.

"Ning Ning." Shen Ning let go of Jing Chenxi, and just breathed a sigh of relief, suddenly, Jing Chenxi, who was supported by Jiang Zhong and the security guard, stretched out his hand to her and shouted helplessly.

Shen Ning didn't intend to follow in at first.

"Boss Shen, please come in with me." Jiang Zhong turned around and begged her.

If she doesn't follow, Jing Chenxi will lose his temper, and then there will be no peace this night.

"Okay." Shen Ning hesitated, went up to hold Jing Chenxi's hand, and sent Jing Chenxi in with them.

In the lounge, Jing Chenxi was lying on the big bed, breathing heavily, his face flushed.

"Jiang Zhong, please go and buy some hangover soup." Seeing him like this, Shen Ning spoke to Jiang Zhong.

"Okay, then please watch him here first."

Jiang Zhong strode out.

Shen Ning immediately helped Jing Chenxi take off his shoes and clothes, covered him with a quilt, went to the bathroom and brought hot water to wipe his face, hands and feet.

After all this was done, Jiang Zhong also bought hangover soup.

After they fed Jing Chenxi and drank it, Shen Ning said to Jiang Zhong: "Assistant Jiang, please take care of him here tonight, I'm going to pick up the car and go home."

"Then I'll take you there."

"No, it's good that you take care of Mr. Jing here, and I'll take a taxi by myself."

Shen Ning said and walked outside.

Jiang Zhong followed in stride.

"Mr. Shen, do you really not consider Mr. Jing? These days, there are very few men who are so infatuated. Anyone with a discerning eye can see how good Mr. Jing is to you. In this world, some people will lose their love once they miss it There won't be any more, you should think about it carefully!" Jiang Zhongyu persuaded earnestly.

Shen Ning lowered his head and replied in a low voice: "Assistant Jiang, thank you for your kindness, I know it all, but there are many helplessness in this world, I can't agree."

After she finished speaking, she walked quickly outside.

Jiang Zhong stood behind and looked at her, the light in his eyes dimmed.

It seems that Mr. Jing missed love again, I really don't know what he thinks, how much youth he wasted for this woman!

Li's old house.

"What did you say? Jing Chenxi was drunk and hugged Shen Ning, and Shen Ning got into the car with him?" Li Zhenting answered the cold-blooded call with a dark face.

"Yes, it is estimated that Mr. Jing went home after seeing him off."

"Okay, I see." Li Zhenting loosened his tie knot, exhaled anger from his mouth, hung up the phone and threw the phone on the bed.

Shen Ning, you and Jing Chenxi cuddled and hugged my sons again, you can do it!

He took off his coat violently, threw it on the bed, went to the shower room, and turned on the hot water faucet.

The rushing water flowed down from the top of his head, he stood in a daze, the image of the day before yesterday's lingering love with Shen Ning flashed in his mind, and a wave of heat rose in his body.

Shen Ning, you'd better come back to me quickly, otherwise, I'll make you look good.

He wiped the hot water on his face vigorously and gritted his teeth.

Chapter 584 I just love you too much

"Who?" Li Zhenting came out of the shower and looked at his watch. It was almost eleven o'clock. He put on his nightgown with a dark face and prepared to go downstairs to see if Shen Ning was back. But as soon as he came out, he heard someone Knocking on the door, I was overjoyed that Shen Ning had come back, so I immediately asked in a low voice.

"Brother Zhenting, it's me." Shen Mei's charming voice sounded outside the door.

Li Zhenting frowned.

"What's up?"

"Brother Zhenting, please open the door, I have something to tell you." Shen Meijiao said softly.

Li Zhenting twitched his ears, stepped forward and opened the door.

"Brother Zhenting." Shen Mei stood leaning against the door frame in \*\*\*\* pajamas, her almond eyes were charming and charming, and she was infinitely romantic.

"What's up?"

"Brother Zhenting, I..." Shen Mei put her hands on her plump chest, intending to walk towards his arms.

Li Zhenting helped her away: "Let's talk about what's going on later."

He strode downstairs.

Shen Mei looked at the man's broad back with big eyes, and swallowed.

Downstairs, the old man and the old lady had already gone to bed, and Li Jinyao and his wife also went to rest. The downstairs was pitch black, and he came to the bedroom where Shen Ning was sleeping with a dark face, opened the door, turned on the light, and there was no one inside.

It's so late, she hasn't come back yet.

Li Zhenting's nose was burning.

What good can a woman do with a drunk man?

Some ambiguous images of Shen Ning and Jing Chenxi together flashed in his mind, and he felt more and more anger in his chest.

Shen Ning, you'd better come back quickly, if you do something with Jing Chenxi tonight, I will never forgive you.

He walked outside angrily and poked his head out to look around. It was pitch black outside, with a cold wind blowing, and there was no one at all.

He breathed a sigh of relief and turned around and walked upstairs.

"Brother Zhenting, do you hate me that much?" At the stairs, Shen Mei stood there alone, with tears in her eyes. Li Zhenting's rude rejection of her made her feel wronged and sad.

Li Zhenting looked at her: "Tell me quickly if you have anything to say."

"Brother Zhenting, I just want to say something related to Lan Lan."

"Okay, then you come with me."

Li Zhenting walked towards his bedroom, walked to the room, opened the door and stood by the door, looking at her: "Let's talk."

"Ouch." Shen Mei suddenly leaned into Li Zhenting's arms, her hands tightly clutching the clothes on his chest.

Instinctively, Li Zhenting reached out and hugged her.

Shen Mei took the opportunity to press her body tightly against his body, hugging him with both hands.

"Brother Zhenting, I miss you so much." Shen Mei hugged him tightly, her teary eyes pressed against his chest, "I know I'm not good enough for you, but I just miss you, love you, you just want me, just once, I promise I will never come to pester you again, I have no other purpose, I just love you too much."

She muttered, touching his chest with her hands, her whole chest pressed against him, and then went down again...

Li Zhenting was stunned for a moment, he never thought that Shen Mei would be so bold.

"Get out." Just as he lost his mind, Shen Mei was already taking off his nightgown, he woke up startled, furious, pushed her away, and shouted in a low voice.

Shen Mei was thrown out and fell to the ground.

She knew that Li Zhenting had good concentration, but she didn't expect him to be so tolerant. The average man would have wanted her long ago in this situation, but he actually threw her away. Obviously, she just saw him coming out of the shower. When he came out, his face was still flushed, and there was desire in his eyes, but he didn't expect it to be such a consequence.

"Brother Zhenting." Shen Mei lay on the ground and cried sadly, "I'm sorry, I didn't mean it, I just couldn't control myself."

"Nonsense." Li Zhenting flicked his sleeves, turned around and strode downstairs. When he passed the guest room next to him, he suddenly thought that Shen Mei was deliberately arranged next to his bedroom by Shen Ning. Isn't this provoking Shen Mei?

Shen Ning, watch how I deal with you!

He gritted his teeth and strode downstairs.

Chapter 585 You broke up with him?

It was almost twelve o'clock when Shen Ning returned to Li's old house.

It was dark inside, and everyone was already asleep.

She turned on the flashlight of her mobile phone, went to the corridor and looked upstairs.

The children should all sleep well, right? Li Jiaojiao can take care of them, no matter how bad it is, Li Zhenting will check it out.

She didn't want to go up, because Li Zhenting and Shen Mei were upstairs, and she didn't want to see them at all.

She turned and walked towards the bedroom on the first floor.

Tomorrow, guests will come one after another, and it will be much busier than today.

Pushed open the bedroom door, put the bag on the drying rack aside, and walked into the shower room.

Jing Chenxi still smelled of alcohol on her clothes, and she also sweated a lot when helping him, so she had to take a shower first.

In the shower room.

Shen Ning is taking off his clothes.

Sudden

The door opened.

"Ah." She turned her head and saw a man in a nightgown standing behind her. His face was so cold that it was frighteningly cold. She screamed in fright, and immediately gathered the clothes on her chest tightly, and turned around.

"Li Zhenting, are you sick? You came to my bathroom after staying up so late." She was very angry and glared at the man in front of her.

Li Zhenting pursed his lower lip, approached a few steps, suddenly grabbed her wrist, and asked, "What did you do tonight?"

"Nothing." Shen Ning avoided his aggressive gaze and wanted to shake off his hand.

"Say it quickly." Li Zhenting sniffed. She smelled of alcohol and exuded a frightening coldness. "My patience is limited."

Shen Ning was inexplicably scared.

This man went crazy, it was not something she could bear.

"Jing Chenxi is drunk, I'll take him home." She told the truth.

"He was drunk, why should you send him off? The Jing family is empty? Or did you go there voluntarily?" Li Zhenting's face was as gloomy as a piece of iron.

"He got drunk because of me, I feel guilty, what's wrong with sending him off?" Shen Ning retorted angrily.

"Because of you?" Li Zhenting narrowed his eyes.

"Yes, because I rejected him, he was in pain, and he always cared about me."

Li Zhenting looked at her: "You broke up with him?"

"That's right." Shen Ning turned her head away, there had never been a relationship between them. Some time ago, she admitted in front of Li Zhenting that she fell in love with Jing Chenxi, and it was just to counter him and deliberately annoy him.

"Do you think I will believe it?"

"Believe it or not, I don't need you to believe it. I've finished what I have to say. Please get out immediately. I'm going to take a shower and go to bed. I have more serious things to do tomorrow."

"You also know that there will be heavy things tomorrow? Do you know that you have come back so late?" Li Zhenting's calm face was clouded again, and suddenly he clasped his hands around her waist and pulled her closer, "You It's just to send him off, so why let him hold you?"

Shen Ning was taken aback, does this guy have eyes?

"Are you stalking me?"

"Just you? You don't deserve me to follow you." Li Zhenting felt guilty but refused to admit it.

"Then how do you know he hugged me?"

"Just because of your smell of alcohol, if he hadn't hugged you, how could you have it?"

Shen Ning listened to this explanation and it was passable, and his heart was slightly relieved. It would be terrible if this guy followed her all the time.

"He's drunk, I just helped him into the car with his assistant, there's nothing to hug or not, get out, don't waste my time."

"Answer me first, what did you do with him tonight?"

Shen Ning's eyes widened: "He's already drunk, what else can he do?"

"Hey, Shen Ning, do you really don't understand or pretend you don't understand? How did the phrase "drinking and having \*\*\*\* come about?" You don't know, do you?"

After Shen Ning was stunned for a while, his face flushed with anger.

Chapter 586 Are you in love with her?

"Li Zhenting, you bastard, only a stud like you can do that kind of thing, Jing Chenxi is not the same as you."

"Isn't he a man? That's what a man would do. Don't give him any noble labels, unless he is not a man." Li Zhenting pulled off her outer clothes, put his arms around her waist and pressed them to his chest, and in his eyes Undercurrents surged.

"You, what are you going to do?" Shen Ning panicked, and supported his chest with his hands.

He suddenly picked her up and walked towards the shower room: "I have to check it myself before I believe you."

"Hey, you..." Shen Ning beat him angrily.

He bent down and kissed and bit her lips violently.

After a century of long kisses, Shen Ning's whole body was so weak that he lost all strength, and even the air in his lungs was squeezed dry by him.

The corners of Li Zhenting's lips curled up slightly, he hugged her, and threw her into the bathtub.

It wasn't until this moment that Shen Ning realized that the bathtub was already full of water.

It seems that he already has a plan.

When she was struggling to get up, Li Zhenting had already taken off her bathrobe and bent down, her hot red lips kissed her lips again...

With poor water quality, she could only hold on to his arm tightly, which made the man feel dependent and more excited.

This night, the two gods fought, and the intensity was self-evident...

In the corner outside the corridor.

Shen Mei's face was ashen, her hands hugged her body tightly, and her eyes were fixed on the bedroom door.

It was too intense inside, and the gasping sounds of men and women from time to time made her very angry.

She really wanted to rush in and scratch that woman's face, but she didn't dare!

She loves Li Zhenting, no less than Shen Ning, but Li Zhenting has never loved her from the beginning to the end, even if she tried her best to pretend that she is Bai Yueguang Xiaofeng in his heart, the girl he loves the most, he still has not fallen in love with her. She, these years, he never touched him at all.

But now, he is not just touching Shen Ning, that goblin, he is simply crazy!

Li Zhenting, don't you only love your Xiaofeng? Shen Ning is not Xiaofeng, why are you so intimate with her now, are you in love with her?

Shen Mei's body slid down against the wall, and fell to the floor, feeling the bone-chilling chill but not feeling the cold, tears streaming down her face.

The next day, when Shen Ning woke up, there was nothing around her, and Li Zhenting had already left.

When she got up, she felt sore all over her body. After finally getting out of bed, her feet felt weak when she walked, and her lower body was even more painful.

This \*\*\*\* is simply a beast!

Don't look at his gentle appearance, he is a wolf at night!

She went to the storage room and found the medicine box, took out an ointment from it, and applied it to herself.

A cool feeling hit, and I felt a lot more comfortable in an instant.

The nanny, Sister Yun, has already gotten up to make breakfast. In order to ensure the birthday banquet here, Shen Ning called most of the nanny from Li's Castle.

"Good morning, young mistress." Sister Yun greeted Shen Ning with a smile on her face.

"Sister Yun, good morning, are you busy? If you are too busy, please call more people to help." Shen Ning asked with concern.

"Don't worry, Mama Wang, Aunt Li and the others are washing vegetables over there, and they will be here soon." Sister Yun replied with a smile.

Shen Ning nodded and walked outside.

In the morning, the sun is shining and the breeze is blowing.

Shen Ning took a walk in the front garden, exercising his muscles.

main entrance.

A black off-road vehicle drove in silently and drove directly to the gate.

The security guard at the gate immediately ran up.

The car door opened, and a woman in her forties, with short hair, denim, black windbreaker, goggles, shiny hair, and Nike sneakers, walked down very coolly.

Chapter 587 The attitude is very bad

"Ma'am, ma'am, please drive your car to the parking lot over there. Parking is not allowed here." The security guard ran up and said politely, pointing to the parking lot over there.

Those who can drive the car to the gate, except for Li Zhenting and Mr. Li's business car, no one else can.

Because there are only two parking spaces in the villa, Li Zhenting can drive in directly.

"Open the door for me." Unexpectedly, the woman not only didn't go in and drive away, but instead ordered to the security guard arrogantly.

The security guard was taken aback.

"I'm sorry, lady, cars are not allowed to drive in, this is the rule of Li's old house."

"Regulations?" The woman raised her eyebrows, "You really look down on people. This villa belongs to our Li family. I can't drive the car in yet?"

Your Li family?

The security guard looked at her suspiciously.

Is she from the Li family? How come I haven't seen it before? I didn't hear about such a person when I was on the job.

"Who are you?" For the sake of caution, he still asked cautiously.

"If you don't know me, then let your supervisor come over, the security captain or the housekeeper." The woman's tone was already very impatient, bossy.

The security guards are embarrassed.

It's still early at this point, the security captain hasn't gone to work yet, and the others have just woken up.

"Hurry up." When the security guards were in trouble, the woman became impatient, and suddenly kicked the door hard, knocking the door loudly.

Shen Ning was stretching his muscles and bones, when he was startled by the sound, he hurried to the gate to see what was going on.

At this glance, a very neutrally dressed woman was yelling at the security guards, losing her temper, and she was very imposing, and a very cool black SUV was parked next to her.

"Things that rely on people's power, I go back to my own house, and I have to be controlled by an outsider when I enter my house. Open the door for me."

"Ma'am, do you know the young master? Why don't you give the young master a call." The security guard still didn't dare to open the door. After all, it was a rule, and the old man's birthday has started today, and there are no more parking spaces inside. .

"What is Li Zhenting, just a junior, even if he is here, he can't stop me from going in." The woman became more aggressive.

Shen Ning strode over.

"What happened? What happened?"

When the security guard saw her, he was relieved, and immediately said: "Miss Shen, you came just in time. This lady not only drove the car to the gate, but also had to drive the car in, and her attitude was very bad."

Shen Ning looked at the woman.

When I got closer, I saw that she had beautiful features, dressed in a very European style, very imposing, and she didn't look like an ordinary person.

"Madam, are you here to visit the old man?" She asked politely.

"Who are you?" The woman looked her up and down with mocking disdain in her eyes.

"I'm in charge of this birthday banquet. Sorry, there are VIP parking spaces over there. Please move over there. There are not enough parking spaces in the villa." Although Shen Ning also felt that this woman was very arrogant, her attitude was still very friendly. After all, a guest has arrived today, and she guessed that this woman should be a distinguished guest of the Li family, or have some friendship with Mr. Li, otherwise there would be no quarrel here.

"I've said it a long time ago. I want to stop in, not over there. I'm from the Li family. You let Li Zhenting come out to see me." The woman didn't listen at all, and kicked the door so that it slammed, very arrogant and rude.

Shen Ning really couldn't bear it!

"But President Li is not at home now. I'm in charge here. I'm sorry, this is a rule. No matter who you are, you have to park your car there. There are already arrangements for the space inside, so you can't park your car." She was calm and determined. Open your mouth. She doesn't plan to get used to such a person anymore. If she is really a distinguished guest of the Li family or Mr. Li, then she should understand that these two days are the old man's birthday, and she shouldn't make a scene at this gate, and must abide by the rules, doing so now not only disrespects the Li family, but also disrespects Mr. Li, so there's no need for her to be polite.

Chapter 588 Your vision is not good

"What's your name?" The woman stared at Shen Ning aggressively.

"My name is Shen Ning." Shen Ning said calmly, neither panic nor humble.

"Oh, so you are the woman who climbed the bed. You crawled so far that you gave birth to two children for the Li family, and now you are here to take charge of the family, coaxing all the elders in the family. You really have wrists. However, climbing Li Zhenting's bed What's the use, Li Zhenting has to call me aunt when he sees me." Her eyes were full of contempt.

Shen Ning's eyes were cold.

This woman claims to be Li Zhenting's aunt!

But she had stayed here for a few years and had never heard anyone say that Li Zhenting had any aunts. However, upon closer inspection, the woman's facial features were somewhat familiar, as if she had seen them somewhere before. Suddenly, she Thinking of something, a chill flashed across his whole body.

"I'm sorry, lady, I don't care who you are, if you don't park your car according to the regulations, then you won't be welcome here, and you won't be allowed in." Shen Ning folded his arms, his tone was firm, and he looked coldly Looking at her, "You look down on me and think you are noble. I'm so sorry. I don't want to see you, a woman who has no quality to rest. Talking to you will only dirty my mouth."

"Presumptuous." The woman was so angry that she shouted inside, "Dad, Mom, who are you hiring to be in charge of the house, won't you even let me in when I come back?"

Listening to this tone, Shen Ning seemed to be the daughter of Mr. Li, and suddenly remembered that he had heard from a servant of the Li family that a daughter of the Li family was driven out of the house by Mr. Li and sent to live abroad.

Could it be her?

Her noise quickly alarmed the people inside.

Li Jinyao came out.

"Brother." Li Xuejie saw Li Jinyao, and called out lightly.

Li Jinyao glanced at her, and said indifferently: "I'm not your elder brother, what are you doing here?"

Li Xuejie sneered: "Of course I came back to celebrate Dad's birthday. I'm Dad's daughter. Why? Can't I come back to celebrate his birthday?"

"Dad won't see you, you go." Li Jinyao sullenly said, "Dad has already said that you did that kind of thing back then, and he never wants to see you again."

Li Xuejie's tone was domineering: "Li Jinyao, I don't care what methods you use to deceive your parents, but I will not let you and your son Li Zhenting succeed. I will come to see my father today. You have no right to stop me. I must see my father." Damn, there are some things that need to be settled."

After she finished speaking, she opened her voice and shouted inside again: "Dad, Mom, I'm Xuejie. I came back to visit you and wish you a birthday."

"Mom has a bad heart, what are you doing here making a fuss?" Li Jinyao said sharply.

"Hurry up, this is the old house of the Li family. You are not the only one who has a share. I am also the daughter of the Li family. I have the right to go in and visit my parents, and I have the right to share." Li Xuejie has a bad attitude, "Today you won't let me Go in, I won't leave, don't blame me if it affects the face of the Li family."

When she spoke, there was a murderous chill on her body, and her eyes were terribly cold.

Li Jinyao's face turned blue.

"Let her in." At this moment, a cold voice suddenly came from behind.

Shen Ning looked up, and Li Zhenting came out from nowhere, with a calm face and deep eyes.

"You still know the general idea." Li Xuejie smiled complacently, "Good nephew, sure enough your grandpa saw the right person. I heard that you have managed the Li Group very well."

"General." Li Zhenting replied, motioning for the security guard to open the door.

Li Xuejie turned around and got into the car, and soon, she rolled down the window and looked at Li Zhenting: "However, your vision is not good enough, you actually fell in love with such a woman, a country bumpkin, who is not elegant, and she was tricked into living had two children."

"No." Li Zhenting chuckled, and suddenly took Shen Ning's hand: "Auntie, I love this kind of woman, and I don't like anything else."

Li Xuejie's eyes turned cold, and she drove in the car.

Chapter 589 The best time has come

"Zhen Ting, how could you let her in?" Seeing Li Xuejie's car swaggering in, Li Jinyao's face darkened.

"Dad, don't worry, I have my own measure." Li Zhenting's brows and eyes were light, very calm.

"Then be careful, it won't be a good thing for her to come back." Li Jinyao told his son, turned and left.

"Let go of me." As soon as Li Jinyao left, Shen Ning immediately withdrew his hand.

This man is really good at acting, just now he even said in front of Li Xuexi that he loves women like her.

Obviously using her as a shield, but said it was love!

Sure enough, the love in a man's mouth is like talking about it!

She is about to leave!

At this time, a servant came over and said that the master of ceremonies had come.

Shen Ning immediately followed the servant and left.

When Li Zhenting looked at her back and was about to follow her, Leng Xue hurried over. After whispering a few words to him, Li Zhenting's eyes darkened, he turned and followed Leng Xue away.

Li Xuejie strode into the living room.

"Hello, Auntie." As soon as she entered, Shen Mei quickly greeted her from inside, with a flattering smile all over her face.

It turned out that Shen Mei had been secretly observing upstairs. Shen Ning confronted Li Xuejie, and Li Xuejie humiliated Shen Ning. She saw all the scenes.

She thought that the best time had come, and she finally found a good helper among the seniors of Li's family. At that moment, she welcomed Li Xuejie with great enthusiasm, and tried her best to please her.

"You must be Shen Mei." Li Xuejie looked up and down at the delicately dressed, jeweled Shen Mei, with a satisfied smile in her eyes, she was just like the wife of the Li family. The most important thing is that she has a very respectful attitude and is very good at pleasing her. This is far from the Shen Ning who was at the door just now, who was not able to observe words and expressions, but only knew to be principled.

She especially likes such a woman!

Although Shen Ning is pretty, she is too simple, she doesn't look like a wealthy daughter-in-law, so she is really not suitable for the Li family!

"Auntie, I'm Shen Mei, Lan Lan's own mother, please come in and sit down." Shen Mei smiled sweetly, and sat down on the sofa in front of Li Xuejie, "You sit first, I'll make you some tea."

"Soak up the red robe." Li Xuejie ordered.

"Okay." Shen Mei agreed with a smile.

The Li family has plenty of good tea, and she is also good at making tea. It is not difficult to entertain her well.

After cleaning the tea set, she took the high-quality red robe, moved it to the sofa and began to carefully soak the red robe.

Li Xuejie looked at her, her five fingers were small, her nails were painted in a fashionable icy red brown, embellished with glittering gold jumping colors, luxurious and dazzling, when making tea, her movements were graceful and her posture was very professional, it seemed that she was always enjoying life Rich Mrs.

"Auntie, please." Soon, Shen Mei put both hands of the soaked red soup in front of Li Xuejie, very polite.

"Thank you." Li Xuejie took a sip from the cup and praised, "That's right, your skill at making tea is top-notch. Sure enough, Miss Qianjin is different."

As far as her tea-making process is concerned, if it is not for frequent brewing, she will not be able to learn it for a while.

"Thank you for the compliment, aunt." Shen Mei couldn't help being praised when she received the compliment. Finally, someone from the Li family praised her. It would be great if this aunt could stay in the Li family. Even if she doesn't stay, she can have one more helper. .

However, she was a little strange. How could she know that she was the daughter of a thousand gold? It seemed that she knew her identity very well.

After Li Xuejie drank a cup of tea, she still didn't see Li Jichun and his wife coming out. Everyone in the house was busy, only Shen Mei was with her.

Chapter 590 This time, I won't let you go

"Shen Mei, are you married to Zhen Ting now?" Li Xuejie asked suddenly while drinking tea.

When Shen Mei heard this, her smiling face immediately became frowning and gloomy, the pear blossoms were raining, and she was about to cry.

"Auntie, brother Zhenting doesn't like me." She lowered her head and said sadly and aggrievedly.

Li Xuejie's face turned cold: "He doesn't like you? Then who does he like?"

"He just likes my sister Shen Ning." Shen Mei shed tears and wiped them with a tissue.

"Hmph." Li Xuejie snorted through her nose, "Men just don't have eyes, so what's so good about that woman, she looks like a country bumpkin, not like a wealthy wife."

"But grandparents, uncles and aunts like her very much, and they don't like me. I have lived a very hard life here these years, and I was kicked out of Li's house by brother Zhenting some time ago. Today is because I wish grandpa's birthday. I missed Lan Lan so much that I came here first, but I was almost kicked out by her when I came here yesterday." Shen Mei wiped her tears again when she said this.

"Why did Zhenting drive you out?" Li Xuejie's face became more and more ugly, she believed Shen Mei's words, let alone her, even she was almost driven away by her just now, this woman is so arrogant .

"It's not the trick of that woman. She said bad things about me in front of Brother Zhenting, saying that I was going to harm her children. Brother Zhenting believed her and drove me away. In fact, I never thought about it." Those who want to harm the children." Shen Mei burst into tears.

"Don't worry, this time, I won't let you go." Li Xue said with a cold gleam in her eyelashes, and said affirmatively.

"Really?" Shen Mei's eyes lit up.

"Of course, I keep my word." Li Xuejie glanced at her inscrutably, "If it wasn't for me, you would have been out of the game a long time ago, so how would you have the chance to stay in the Li family for six years? However, you don't live up to it. She didn't give birth to a son for Li Zhenting, so she took the lead."

Shen Mei was at a loss as to what she was hearing. However, she could tell that the woman in front of her definitely supported her and was full of kindness towards her. She didn't need to think too much. up.

"Thank you, aunt, aunt, you are so kind to me." Shen Mei smiled all over her face, "Auntie, drink the red robe quickly, and I will make it for you."

Just then, footsteps came from the aisle behind.

Li Jichun walked over slowly with the help of Li Minhua.

"Dad, Mom." Li Xuejie looked at the two old people with joy on her face and stood up.

Li Jichun raised his eyes and looked at Li Xuejie, but he didn't seem to see clearly, so he took out his glasses and put them on again. Soon, the expression on his face sank.

"What are you doing back here?"

"Dad, I came back to celebrate your birthday." Li Xuejie walked to Li Minhua's side and hugged her, "Mom, I miss you."

Li Minhua had long recognized that it was his daughter's voice, his lips were trembling, and his hands were trembling slightly.

It has been almost twenty years since Li Xuejie was kicked out. In the first few years, she cried every day. Later, she didn't want to, and didn't ask about her. She just thought she was dead, but after all, she was her daughter, so she said she didn't want to. It's all fake. I dreamed of her several times and woke up crying, but she didn't say anything.

Seeing her daughter in front of her right now, she never expected to see her before she was alive, so excited.

"Xue'er, it's good to be back." Compared with Li Jichun's sternness, Li Minhua is much kinder.

"Mom, I miss you so much, I miss you every day." Li Xuejie hugged Li Minhua tightly, crying like a newborn baby hugging her mother, "I heard that you have a bad heart a while ago. I came back to see you and take care of you, but I dare not, Mom, I did something wrong, I'm sorry, I was wrong, I will definitely be filial to you and Dad in the future."

Li Minhua's heart ached, he hugged her tightly, choking with sobs: "It's fine if you know you made a mistake, as long as you correct it, we will be a family from now on."

What she said meant that she forgave her daughter!

Li Jichun was silent.
