

Troublemakers 591

Chapter 591 Is Shen Ning going to remarry Li Zhenting!

"Grandpa, grandma, aunt, please come and sit down." Shen Mei was secretly happy watching from the side. Li Xuejie is indeed the daughter of her grandparents. How can family affection be parted? Seeing this, she can not only stay, but also get The old lady's doting, it's really great, seeing them just standing, excited, the old man and the old lady are over eighty years old, how can they stand for so long, the shrewd she immediately pulled Li Minhua one by one And Li Xuexi's hand whispered a reminder.

The words woke them up.

Li Jichun and Li Xuejie helped the old lady sit down on the sofa one by one.

Li Minhua wiped away his tears, Li Xuejie sat beside her and wept, Li Jichun looked serious and expressionless.

"Brother, wait for me." There was a mess of footsteps on the corridor, accompanied by a milky voice, and several little guys rushed down the stairs.

"Great grandfather, great grandmother."

...

The children shouted and rushed towards Li Jichun and Li Minhua.

"Oh, little ones, take it easy, grandpa and grandma can't stand your torment." Shen Mei hurriedly said softly when she saw this.

"I know." Ke Ke and Ding Ding stopped in front of the old man and the old lady. Ke Ke glanced at Shen Mei, with an expression that seemed to say, we all know the severity, who wants you to remind, don't Acting here.

Shen Mei didn't care about Ke Ke's eyes, but smiled gently at him instead.

Ke Ke turned around, holding the hands of the old man and the old lady, and said sweetly, "Grandpa, grandma, good morning."

Ding Ding, Xiao Xiao followed closely to say hello.

"Okay, okay." Li Jichun hugged Keke and Ding Ding into his arms, and his serious face was now smiling, and his whole person's spirit doubled. This time of day is his happiest moment.

Li Minhua also wiped his tears, hugged Ding Ding into his arms, and asked lovingly, "Did you guys sleep well last night?"

"Sleep well, Grandma, I haven't had any nightmares since Mommy came home."

"That's good, don't worry, your mommy will never leave you again." Li Minhua happily said yes repeatedly.

"Yeah, that's great." Coco, Ding Ding and Xiao Xiao all cheered.

Seeing this, Shen Mei was secretly startled, what does it mean that their mommy will never leave them again?

Could it be that Shen Ning is going to remarry Li Zhenting!

Shen Mei felt bad all over, her heart sank to the bottom, she was full of jealousy.

If Shen Ning and Li Zhenting remarry, then what's the matter with her? Mrs. Li will never be with her again, Lan Lan might be driven away anytime!

Shen Ning, this **** is really lucky, she actually gave birth to a pair of sons for the Li family!

Seeing the old man pampering her like a baby, how could she bear the heart that they don't have a mommy? Based on this alone, Shen Ning has a lot more opportunities than her.

She clenched her fingers.

"Grandma, are you crying?" Xiaoxiao looked at the old lady and asked with concern.

She observes very carefully. In this family, she is always the most sensitive one, because she is the oil bottle brought by Shen Ning. No matter how kind the elders of the Li family are, she will be more or less imperceptibly. Being left out in the cold, after all, people have close hearts, so she lives carefully.

Li Minhua stroked the little head, and said lovingly: "No, grandma is happy, Xiaoxiao is really a good boy, he is considerate and understanding at such a young age."

Chapter 592 is purely to discredit our Li family

Looking at the tears in the corners of Grandma's eyes with big little black eyes, she said she wasn't crying, there were tears in the corners of her eyes, she took a tissue from the table, and carefully wiped the tears in the corners of Li Minhua's eyes.

She couldn't bear to have her grandma cry, and she didn't know who bullied her.

"Xiaoxiao." Li Minhua hugged her, deeply moved.

"Mom, who is she?" At this moment Li Xuejie looked at Xiao Xiaowen.

"Auntie, she is Shen Ning's child with another man, and now she is brought to Li's family to raise." Shen Mei immediately explained beside her.

"Hmph, so it's her." Li Xuejie looked at Xiaoxiao with disgust on her face, "You're so scheming at such a young age, it's really good at coaxing adults around. I really don't know what Zhenting thinks, I would rather find someone else I don't want to marry such a beautiful and tasteful Shen Mei. I don't know how he has read the books for so many years. Isn't this a joke?"

"You talk a lot as soon as you come back, like a gossip. It seems that you haven't made any progress outside these years." Li Jichun looked at her coldly and reprimanded her.

"Dad, I'm right. The richest man in our Li family, the richest man, and the president of the Li Group actually raised children for other men, and married a woman who had children with other men. It's

ridiculous. It's to discredit our Li family." Li Xuejie objected unconvinced, "It's all your connivance that made Zhen Ting what it is now."

"What is he like now? Tell me about it." Li Jichun was furious, "Now Li's Group's performance is thriving, contributing to the society and the common people, he is a successful entrepreneur, an excellent businessman, what's wrong? "

"Hmph, Dad, you are always so biased." Li Xuejie snorted disapprovingly, it was like this every time, as long as it was related to Li Zhenting, he kept defending it.

She wanted to let him see what would happen to his proud grandson who he cared most about. Soon, Li Zhenting would be in trouble. Thinking of the situation he had carefully arranged, a sinister smile appeared on the corners of his lips.

"Baby, it's already ready, let's go to have breakfast." Li Minhua didn't want the little ones to see the old man quarreling with his daughter, so he immediately sent the little ones to the front for breakfast.

"Hello, Auntie." At this moment, Lan Lan who was on the side was suddenly whispered a few words in Shen Mei's ear, and immediately ran to Li Xueyan, calling out sweetly in her milky voice.

"Are you Lan Lan?" Li Xuexi looked at Lan Lan with smiles in her eyes. Just now she was only looking at Ke Ke, Ding Ding and Xiao Xiao, but ignored Lan Lan.

"Grandma, I'm Lan Lan, I love you so much." Lan Lan stepped forward to put her arms around her neck and shouted affectionately, kissing her on the face.

Li Xueyan, who had never liked children very much, was also amused by Lan Lan's cuteness at this time.

"Lan Lan, you are so good." She hugged her and kissed her hard.

"Lan Lan is not as good-looking as my aunt, who is so feminine." Lan Lan opened her small mouth, sweet as honey.

Xiaoxiao stood there watching this scene, her big eyes were full of loneliness and grievance.

This woman called Auntie doesn't like her, and she speaks ill of Mommy, and is very unfriendly to Mommy.

She felt it with her heart, this woman is now full of malice, not only towards her and Mommy, but also towards Daddy, and even a resentment, as if towards this family.

While eating breakfast, Xiao Xiao saw a plate of small sausages in front of her, which was very tempting, and she was about to pick it up.

"Mum, I want to eat small sausages." At this moment, Lan Lan spoke immediately.

"Okay, Auntie will take it with you." Li Xuexi happened to be sitting next to her, and immediately reached out to bring the plate over, picked up a few and put them in Lan Lan's bowl, and distributed the rest to everyone, except Xiao Xiao, Finally an empty plate was placed on the table.

Xiaoxiao looked at the empty plate, licked her lower lip, and stopped talking.

Lan Lan looked at her proudly.

She has already seen that, Xiaoxiao wants to eat sausage, so she will eat it on purpose.

Li Xueyan gave Xiaoxiao a disgusted look, thinking that some wild man's child was raised in their Li family, and she hated seeing it.

Chapter 593 Isn't this bullying her?

"Xiao Xiao, I don't like sausages, here, here you are." Ke Ke immediately put the sausage in his bowl to Xiao Xiao. In fact, he also likes eating sausages, but he is an older brother and cannot let his sister be wronged.

"Thank you brother, you can eat it, I won't eat it, I'll eat the cheese sandwich." Xiaoxiao gave the sausage to Ke Ke again, she knew that Ke Ke also liked it.

But just as Xiaoxiao was about to get the cheese sandwich, Lan Lan took a fork and forked the cheese sandwich into her bowl.

Xiaoxiao looked at the empty plate in a daze.

"Lan Lan, have you eaten so much?" Li Jiaojiao finally couldn't see it anymore and asked.

Lan Lan looked at her bowl with a guilty conscience. In fact, she didn't like eating these at all, but she just didn't want Xiao Snack to come, she didn't like Xiao Xiao at all.

Shen Mei said softly: "Jiaojiao, don't scare Lan Lan, it's so early, let her eat whatever she likes."

"That's right, Jiaojiao, you're not meddling in the Li family's business." Li Xuexi immediately stopped her.

Li Jiaojiao looked at the aggrieved and pitiful Xiaoxiao, and said: "Can't you see? Lan Lan will pick whatever Xiaoxiao wants to eat. Isn't this bullying her? The child is still young, so she needs to be educated well. Bullying is not right. Good thing."

Li Jiaojiao spends most of her time in Europe and the United States. She is used to being free. She can say what she wants, and she can't see a little girl being bullied like this. Moreover, Li Zhenting handed over the four little guys to her, and she also has a responsibility.

Now Li Zhenting and Shen Ning are too busy to come to have breakfast. If Shen Ning was here, she would not watch her daughter being bullied.

"Li Jiaojiao, you are so funny. Lan Lan just eats something, why is it called a bully? Our Li family doesn't eat food from our Li family, so why should we let outsiders do it first? Don't say that Lan Lan likes to eat, it's just that Lan Lan doesn't like to eat, so it's up to her to give her cats and dogs as she pleases, our Li family doesn't raise outsiders, so don't be pretentious if you want to." Li Xuexi said in a stern tone.

Li Jiaojiao was very angry when she heard it: "It's just a little girl, how much food can you eat from your Li family? Besides, her mommy is still here to host the birthday banquet for the old man, no credit but hard work, eat something What's the matter? The Li family loses a lot of things throughout the year, so you should be kinder."

"Lan Lan, you're so bad. You take away the little things even though you don't like them. Damn it." Ke Ke was careless at first and didn't care about Xiao Xiao. While Jiaojiao was talking, she climbed onto the table and quickly walked up to Lan Lan, took back all the breakfast in her bowl and poured it into a small bowl, and threw her bowl into the trash can.

Lan Lan burst into tears when she saw it.

'Dead Keke, how dare you touch my daughter's things, let's see how I deal with you then.' Shen Mei looked at Ke Ke's actions and was very angry.

Among these children, she is afraid of Ke Ke. This kid is not only very hostile to her, but also a ghost.

"Lan Lan, don't cry." She hurriedly hugged Lan Lan into her arms to comfort her, and looked at Li Xueyan with red eyes, the mother and daughter were pitiful.

Li Xueyan's face was livid!

"Auntie, you have seen that we are usually worse than an outsider in this family. No matter what we do, they will blame me and Lan Lan. Let me forget it. I am an adult, but Lan Lan is still young. If this continues, She will feel inferior and depressed."

After finishing speaking, she patted Lan Lan hard.

Lan Lan understood, and immediately opened her voice to cry miserably.

Li Xuexi was originally irritated by Li Jiaojiao's words, and she thought she was not respected. After all, she is the daughter of this place, so what is Li Jiaojiao?

Shen Mei's instigation made her feel that Shen Mei's wife had been wronged a lot in this family, and subconsciously, she thought that Xiaoxiao was a bastard, why should she be equal to Lan Lan?

Chapter 594 will only arouse the speculation of countless people

"Li Jiaojiao, so you are accusing our Li family of bullying?" Li Xueyan slapped the table and stared at Li Jiaojiao and asked angrily.

Li Jiaojiao sneered: "Auntie, no wonder you were driven away by the old man. It turned out that there was a reason. Brother Zhen Ting entrusted me to take care of these four children. I am taking care of the children for the Li family. That's it. Not only do I have to take care of them well, but I also have to teach them the correct outlook on life, what's the use of you challenging me? If you think I'm wrong, then go talk to brother Zhen Ting, I don't have time to mess around with you."

After she finished speaking, she walked over and held Xiao Xiao's hand: "Xiao Xiao, don't be sad, aunt will take you to eat delicious food."

After speaking, he led her and walked outside.

Ke Ke and Ding Ding immediately followed after seeing this.

Lan Lan saw that the three of them had left, and she had no playmate alone, so she cried even louder at the top of her lungs.

Shen Mei also cried.

Li Xueyan wiped Lan Lan's tears with a tissue, and said, "Lan Lan, don't cry, my aunt will take back everything for you, and she will never let outsiders get her way."

"Thank you, aunt." Lan Lan immediately cried and thanked her, she was cute and cute, which made Li Xuexi love her so much.

Shen Mei was secretly happy, these little sluts, including Ke Ke and Ding Ding, as long as she gained power, none of them would let them go.

Red Porsche.

"Aunt, thank you. I'm not hungry, so I don't want to eat." After Li Jiaojiao carried Xiaoxiao into the car, Ke Ke and Xiaoxiao also got into the car. Xiaoxiao saw that her aunt was going to take her out to eat Dim Sum, worried about wasting a lot of money, hurriedly took Li Jiaojiao's hand and spoke sensibly.

But as soon as she finished speaking, her stomach rumbled, and she really didn't eat anything in the morning.

"It's okay, Xiao Xiao, go ahead and eat, I'm not full yet, don't worry, I have money." Of course Ke Ke understood what her sister was thinking, and immediately spoke beside her.

"Yes, don't worry, I still have gold bars, just tell me what you want." Ding Ding also said proudly.

Li Jiaojiao's eyes lit up when she heard this, and she quickly raised her head and asked flatteringly: "Ding Ding, you still have gold bars, can you give it to aunt, aunt will take you to eat delicious food."

Ding Ding thought for a while and said: "For the sake of speaking for Xiaoxiao today, well, I will give you another gold bar, but you have to feed us today and buy beautiful clothes and shoes for Xiaoxiao. A gold bar is worth a lot of money."

Gold bars are valuable. This is what grandma told him. Originally, he didn't want that thing, he couldn't eat it or play with it, but if it was valuable, he had to have it.

"No problem, leave it to me." Li Jiaojiao was very happy, following Tintin, the rich man, she would not suffer.

She started the car and drove towards the city.

Shen Ning was so busy that he went to the kitchen to grab some breakfast for breakfast at almost nine o'clock. It was a little strange that he didn't see the children after eating. In the living room, Shen Mei was holding Lan Lan, talking and laughing with Li Xuexi.

She didn't want to talk to them. After asking the nanny, the nanny said that the cousin took the three little ones out for a drive.

Shen Ning frowned.

But at this time, Butler Luo came over and said that the guests had already entered the venue, and the young master asked her to go to the front gate to welcome the guests together.

She had no choice but to follow Butler Luo.

The gate of Li's old house.

Li Zhenting stood there in a suit and leather shoes, while Li Jinyao and Li Wanqing stood on the other side.

When guests come over, they will greet and shake hands politely and warmly. The scene is very warm.

Shen Ning stopped at a distance from the gate.

On this occasion, is it appropriate for her ex-wife to stand beside Li Zhenting at the gate to welcome guests?

It is too dazzling, and it will only arouse the speculation of countless people.

Chapter 595 I will definitely listen to you

Li Zhenting waited for a long time and didn't see Shen Ning coming over. He turned his head and couldn't help laughing.

This woman is standing over there with a look of hesitation, she wants to come but dare not come, why should he go to invite her!

It happened that Li Wanqing greeted a rich lady and was talking to her politely, but there were no other guests coming, so Li Zhenting walked towards Shen Ning.

"Shen Ning, what are you doing standing here?"

"Oh, Mr. Li, there are still some flower baskets that haven't been placed over there, I'll go and see." Shen Ning said immediately, and turned around to slip away after speaking.

"Stop." Li Zhenting pulled her back, "Housekeeper Luo has already left, it's none of your business, follow me to the gate to welcome guests."

"It's not very good." Shen Ning forced a smile, "I think Shen Mei is more suitable than me. She just has nothing to do in the living room. Go and call her."

"No, it must be you." Li Zhenting resolutely denied it with a sullen face.

"But I..." Shen Ning was very embarrassed, she didn't want to stand there with him to welcome guests at all, it was too eye-catching.

"What's the matter? I told you a long time ago, go, the guests are coming, don't lose your manners." Li Zhenting took her arm and dragged her towards the gate.

Shen Ning had no choice but to follow him passively.

"Tell you, welcome guests well and behave well, otherwise I won't let you go at night." Shen Ning was pulled by Li Zhenting to stop at the gate, and when she was still uneasy, a salty pig's hand of Li Zhenting fell on her. Rubbed her waist, and threatened her with 'vicious' in her ear.

Shen Ning's face turned red to the back of his ears.

She glared at him.

The corners of Li Zhenting's lips curled up.

At this moment, a Bentley car drove up, and the security guard immediately stepped forward to guide it to stop.

The smile on the corners of Li Zhenting's lips disappeared, and a layer of frost covered his face, which was frighteningly cold.

Shen Ning's heart also jumped.

She knew who owned that car just by looking at it.

Unexpectedly, Jing Chenxi also came!

After a while, I saw Jing Chenxi in a suit and leather shoes, who was as gentle as jade, striding towards this side.

Li Zhenting's arm placed on Shen Ning's waist unconsciously retracted, and her whole body was almost pressed against Li Zhenting's chest.

Jing Chenxi's eyes dimmed as he looked towards them.

"Hello, uncle and aunt." He came over and greeted Li Jinyao and his wife politely.

"Hello, Chenxi, you are really a good-looking person." Li Wanqing looked at him with a smile, "Is your grandfather in good health?"

"Fortunately, the old man said he would come to celebrate the old man's birthday." Jing Chenxi and Li Jinyao and his wife chatted with each other with a smile before turning around and walking towards Li Zhenting and Shen Ning.

"Mr. Li, hello." He took the initiative to extend his hand to Li Zhenting.

At that time, Li Zhenting had one arm around Shen Ning's waist, and he was in a very intimate state with Shen Ning. When Jing Chenxi reached out to him, he did not let go of the arm around Shen Ning's waist, but used He shook his left hand casually.

"Mr. Jing, welcome."

Jing Chenxi smiled, and looked at Shen Ning.

"Ningning, thank you for taking me home last night."

Shen Ning looked at him.

He has lost weight obviously. Although he is as gentle and elegant as usual, his face is much thinner, his chin is pointed, and he looks haggard.

"It's okay, it should be." Shen Ning wanted to shake off Li Zhenting's hand, but she tried, and he held it tightly, unable to move at all, so she smiled at Jing Chenxi and said with concern, "Drink like that it's very dangerous, so don't drink it in the future."

"Okay, I will definitely listen to you." Jing Chenxi smiled slightly, said something meaningful, then turned and walked inside.

Li Zhenting's eyes shrank, and the hand that fell on Shen Ning's waist unconsciously exerted a little force.

Shen Ning felt a pain in his waist, when a guest came, she took the opportunity to shake off his hand.

Chapter 596 He only has interests in his eyes

"Master Li, you really look like your grandfather. He has the demeanor of a general. No wonder the Li Group is so prosperous now." Not long after, a family of three came in front of them, and the woman looked at Li Zhenting full of praise.

Shen Ning looked at her, his face turned pale.

It turns out that this woman is Zhu Lingmei's family.

Zhu Lingmei didn't hold her husband's hand, but held the hand of her daughter Jiang Xinyun. It can be seen that she really loves this daughter.

"Mr. Shen, hello." Jiang Xinyun greeted Shen Ning generously.

"Hello, Miss Jiang." Shen Ning also nodded to her in return.

"Huh." After greeting Li Zhenting, Zhu Lingmei squinted her eyes and gave Shen Ning a disdainful look, snorted coldly, with a blank face, and walked away directly with Jiang Xinyun on her arm, "Xinyun, how could you be with that kind of woman?" Greetings, isn't she hurting you badly enough?"

...

The harsh words of the woman fell into Shen Ning's ears. Of course, she had reason to believe that she was going to say it to her on purpose.

Shen Ning smiled indifferently.

After Qian Fan died, she saw everything through, and there was no need to be angry about these rubbish, but what she didn't expect was that Shen Deshun came over with Lan Feiyun next.

Shen Deshun saw Shen Ning and Li Zhenting standing together from a distance, behaving intimately, and standing there were Li Jinyao and his wife.

This kind of position means nothing to anyone with a discerning eye.

He rolled his small eyes, first greeted Li Jinyao and his wife, and then walked towards Li Zhenting and Shen Ning with a smile on his face.

"Zhen Ting, how are your work and business going?" He asked with concern as an elder.

Li Zhenting gave him a cold look and snorted.

"Ningning, when will you take the children home for a reunion dinner? Your Aunt Feiyun and I have been waiting for you at home." He smiled very kindly.

When mentioning the child, Shen Ning thought of Ji Qingshan's words, and his eyes became cold.

Such a dad, what do you want? Has she ever been loved by her father since she was a child?

He should have seen her and Li Zhenting standing together like this, thinking that they would remarry, otherwise how could they be so enthusiastic.

Last time, at Shen Mei's birthday party, as soon as he saw her, he scolded and blamed her mercilessly, saying that she was going to steal her younger sister's husband. Now, seeing that she was favored, he thought of benefiting himself. .

This is an extremely selfish and unprincipled man, he only has interests in his eyes.

"I don't have a home for a long time, no need." She replied coldly.

"Ning Ning, after all, he is also your biological father. Why are you talking like this? How come you have no home? I am at home every day looking forward to you taking the children back." Lan Feiyun was gentle and enthusiastic.

Shen Ning looked at the woman's fickle face covered in makeup, and felt like throwing up!

This woman is really a vixen, she speaks the most gentle words but does the most vicious things, and she is lucky to have survived in such a family environment.

"Either go in or leave." Li Zhenting frowned and said in a cold voice.

He put his arms around Shen Ning's waist, and he clearly felt that the muscles on her body were stiff. It is conceivable how much Shen Ning hated his biological father and stepmother. When he planned to marry Shen Mei for Lan Lan, he had no feelings for them either.

Being urged by Li Zhenting like this, Shen Deshun immediately took Lan Feiyun's hand and left, as if he was really kicked out by him.

The corners of Shen Ning's lips curled up into a sneer, and he pursed his lips tightly, his eyes were as cold as ice.

Chapter 597 is really good

"Quick, Mr. Jing is here." While Shen Ning was feeling depressed, Li Wanqing suddenly said, "Let's go up."

immediately

Li Wanqing took Li Jinyao's arm and greeted him enthusiastically with a smile on her face.

Front

An extended version of the business luxury car parked there.

The car door opened, and two young men in overalls came down. After getting down, they bent down and stretched their hands inside.

soon

The white-haired old man walked down tremblingly with the support of two young men.

"Mr. Jing, I really can't bear to see you come here to celebrate your birthday in person." Li Jinyao hurriedly stepped forward to catch Mr. Jing's arm, very modest and cautious.

Li Zhenting also walked up to Shen Ning, holding Shen Ning's arm.

This is the first time Shen Ning saw Mr. Jing.

The old man is breezy and thin, with exquisite facial features, and the elegance and demeanor of a literati. From time to time, his turbid eyes flashed brightly. It can be seen that he was also a powerful and ruthless character when he was young, and he was comparable to Li Jichun.

Jing Chenxi and Mr. Jing are not only similar in charm, but also in facial features. No wonder he can get the attention of Mr. Jing.

The wealthy family, although they don't have much business dealings, they usually cherish each other and have business dealings.

"Mr. Jing, please go to the VIP area to rest." Li Wanqing was afraid that the old man's health would not be able to bear it, and immediately invited him respectfully, and turned to Shen Ning and said: "Shen Ning, welcome Mr. Jing and go to the VIP room to rest."

"Okay." Shen Ning was finally able to get rid of Li Zhenting's brown candy, and hurriedly stepped forward and said to the old man with a polite smile: "Mr. Jing, please come with me."

She was walking ahead, looking back from time to time, walking very slowly, keeping a proper distance.

Master Jing and Li Jinyao chatted while walking.

Not long after, Li Jichun got wind and greeted him personally.

"Brother." Old Master Jing and Li Jichun shook hands tightly, "We were in the prime of life and worked hard in the business world. In a blink of an eye, we are all over the ages."

"Yes." Li Jichun was also very emotional, and walked towards the VIP room holding hands with Mr. Jing.

Shen Ning had already prepared tea and coffee breaks.

The two old men sat down and chatted happily. Shen Ning saw that he had nothing to do, so he raised his foot and prepared to go out.

"You are Shen Ning, right?" Unexpectedly, when she raised her foot, Mr. Jing suddenly looked at her and asked amiably.

Shen Ning was startled, and immediately replied with a smile: "Yes, old man."

"Well, it's really good, down-to-earth, simple, and generous." Mr. Jing praised inexplicably.

"Thank you for your compliment." After Shen Ning hurriedly thanked her, she said goodbye and walked out, feeling very strange in her heart, she had never met Mr. Jing, how did he know her name?

And hearing his tone just now, he praised himself quite highly.

She once heard Jing Chenxi say that his grandfather loved him very much and was also very open-minded. Judging from the series of words and deeds just now, Mr. Jing is indeed an open-minded old man.

This is also the reason why Jing Chenxi is so good, otherwise, with Jing Chenxi's biological mother Shu Qiuying, Jing Chenxi may not be a great talent.

But what surprised her even more was that she ran into a group of women as soon as she walked out of the VIP room.

She raised her eyes.

I saw Lan Feiyun's mother and daughter and Zhu Lingmei's mother and daughter being flattering around a woman, trying their best to curry favor with her.

And that woman is Shu Qiuying!

It seems that Shu Qiuying arrived later.

Shu Qiuying smiled happily at this time, after all, who would not be happy to be flattered by others respectfully!

Just fast.

When she saw Shen Ning walking out, the smile on her face disappeared, and her eyes were full of disgust.

Chapter 598 Indignation

Shen Ning raised his lips and smiled, and calmly passed them and walked outside.

Others see her like a fly, she sees others as poop, the kind that makes you sick if you look at it more than once, just ignore the poop.

"This woman can really climb into bed, and she even managed to become the master of the Li family."

"Yes, she is very scheming, my Meimei is not her opponent."

...

Deliberately flamboyant and insulting words came.

Shen Ning raised the corners of his lips with a hint of coldness, and walked away as if he hadn't heard it.

In the lounge.

Shu Qiuying sat down surrounded by everyone, the topic of everyone has not left Shen Ning, they seem to be born full of malice towards Shen Ning.

"By the way, didn't Young Master Li say that he wanted to marry Mei Mei of your family a while ago, why is it that Shen Ning and Young Master Li are standing outside to welcome guests now, making them seem like they are already husband and wife." Zhu Lingmei sat down Just ask Lan Feiyun directly.

Lan Feiyun immediately looked sad, and said pitifully: "Hey, there is no way, my Meimei is innocent and has no means to please men. Originally, Zhenting was going to marry Meimei, but when Shen Ning came back , I don't know what method she used, but Zhen Ting soon left Mei Mei in the cold, and even kicked Mei Mei out a while ago, even Lan Lan didn't show her."

"Auntie, I miss Lan Lan so much. She bled heavily and almost died when she was born, but now I didn't get any pity from Zhen Ting. Instead, I was kicked out. I couldn't even see my daughter. I..." Shen Meirou spoke weakly, tears fell down, sobbing miserably.

"It's too much." Shu Qiuying especially hates this kind of woman. Xiaosan, who gets involved in other people's families, is like Shao Meiqi in the past, who clung to her husband and made her suffer. Now after listening to Lan Feiyun and After Shen Mei's words, she was even more angry, "This kind of woman will be struck by lightning from the sky, flaunting her flowers everywhere, not only seducing Young Master Li, but even my son, she will specially pick the heirs of the wealthy family to make a fool of herself. My family, Chenxi, is not a human being, a ghost or a ghost, and at such an advanced age, he doesn't want to get married and have children, it's like being possessed by a demon."

"Yes, sister Qiuying, that woman is too scheming, and Chen Xi has a lot of opinions on me now." Zhu Lingmei was aggrieved.

"Hey, Lingmei, it's Chenxi from our family who is sorry for Xiaoyun." Shu Qiuying picked up Jiang Xinyun's white and tender hand with special guilt, and patted it lightly, her face full of regret, "What a well-behaved, sensible, gentle and beautiful girl, My family Chenxi is not so blessed, it makes me sad to think about it, but don't worry, my family Chenxi is now fascinated by that woman, I believe that one day he will wake up and turn around, and I will persuade him."

"Thank you, Auntie." Jiang Xinyun said in a low voice.

Shu Qiuying looked at her with love in her eyes: "What a beautiful girl, I like it when I see it."

Jiang Xinyun lowered her head shyly.

"If you want me to say, so many of us can't deal with that bitch. Back then, we were all masters in love." Zhu Lingmei suddenly said disdainfully.

Lan Feiyun's eyes lit up: "Then how do we deal with it? Now she is at Li's house, not ours. Our hands are not so long."

Zhu Lingmei's face sank, and she suddenly seemed to remember something: "By the way, Li Xuexi is back, isn't it hard to deal with that woman with her?"

Shen Mei looked at Zhu Lingmei while wiping her tears when she heard the words: "Auntie, Aunt Xueyan is busy. She is very kind and has already helped me."

After finishing speaking, he deliberately recounted what happened this morning, deliberately making Xiaoxiao an opponent who bullied Lan Lan, saying that Xiaoxiao robbed Lan Lan early, Ke Ke even threw Lan Lan's bowl, and threw Lan Lan's bowl. They were thrown into the trash can, Li Jiaojiao protected them, Lan Lan could only be bullied and cried...

That really made her and Lan Lan as miserable as they wanted.

Everyone was very angry when they heard this, and wished they could tear up Shen Ningniang and eat them up.

Chapter 599 Are you planning to remarry Li Zhenting?

Shen Ning came out of the VIP room and walked outside.

She didn't do it for the sake of continuing to stand beside Li Zhenting to welcome the guests, but because there was no place for her to stay inside, and there were people she didn't want to see everywhere.

She suddenly felt that the world was full of malice towards her. She never provoked anyone, but there were people making things difficult for her everywhere. She really didn't know what she had done wrong.

"Ning Ning." After walking around the front, she slipped to the back garden and saw several workers busy setting up the venue and tying ribbons. She was about to have a look when someone called her suddenly.

She turned her head away.

Jing Chenxi was standing beside her, looking at her affectionately.

She hesitated, just nodded to him, and continued walking towards the workers.

"Hi, Miss Shen." The workers greeted her.

She talked to them with a smile, asked some things, and after a while, pretending to turn her head inadvertently, she saw Jing Chenxi still standing there, as if waiting for her to go back.

She pursed her lips tightly.

At this time, she no longer wants to have too much contact with Jing Chenxi. After all, they can't do anything other than friends. If there is no relationship, then avoid suspicion as soon as possible. Less contact is the best.

But Jing Chenxi doesn't seem to think so!

He was still infatuated with her, which made it hard for her.

At this moment, the phone rang, and she picked it up to see that it was Secretary Li calling.

"Mr. Li, the things you want are ready, are they brought to you now?" Li Mengqing asked over there.

"Okay, send it right away, I have a task for you." Shen Ning glanced at Jing Chenxi who was standing over there, and replied lightly.

"Then you wait for me, I will come right away."

After saying something, Li Mengqing hung up the phone, picked up the materials and walked outside.

"Ning Ning, are you avoiding me?" Shen Ning closed the phone and was about to go around the flower garden over there, but she didn't expect Jing Chenxi to appear in front of her as soon as she walked to the parking space, leaving her with nowhere to go can escape.

"No." Shen Ning forced a smile, "Young Master Wang, Young Master Li, and Li Zhijun are all here, go play cards with them, I still have something to do here."

She passed him to go.

"Ning Ning." Jing Chenxi took her arm, "Are you planning to remarry Li Zhenting? They are all in charge of the Li family. Didn't you say that you don't love him anymore?"

"I..." Shen Ning was stunned, he didn't expect him to ask this directly.

"Ning Ning, you must see your own heart clearly. Marriage is not a child's play. If he really loves you, how could he be willing to let you suffer so much." Jing Chenxi anxiously persuaded, "I'm worried that you will marry me again. In a desperate situation."

Shen Ning smiled bitterly: "Li Zhenting just asked me to come back to take care of the four children. You also know that I am the mother of the children and I have to think about the children. I am just the nanny of the Li family now."

"Why does he ask you like this?" Jing Chenxi said to himself: "You have to think of yourself."

Shen Ning didn't speak.

At this time, under the big tree here, Li Zhenting's tall and straight figure leaned against the trunk, arms crossed, staring at them with cold eyes.

After Li Wanqing asked Shen Ning to welcome Mr. Jing to the VIP room, she disappeared. What did she think she was doing, but she was here to have a tryst with Jing Chenxi.

His handsome face was clouded by the intimacy of their hand in hand.

This woman is really capable! In broad daylight, they were all guests, and women like Zhu Lingmei were here, and the elders of the Jing family were also here. She even flirted with Jing Chenxi so openly, and said last night that she had broken up with Jing Chenxi, Liar!

He walked towards them.

Chapter 600 Thank you for your understanding

"Chenxi, let me go, it's not good, let's meet less in the future." Shen Ning helped his hand away, and pulled it back, "I still have something to go, you find a place to rest yourself Bar."

She passed him to leave.

But Jing Chenxi held her back again.

"Ning Ning, I heard that you are planning to terminate the contract with my Jing Group and stop cooperating with my spices?" He asked sadly.

Shen Ning felt a pain in his heart, hesitated for a while, and withdrew his hand, not wanting to hide it from him: "Yes, I have this plan, I think the cooperation between our two companies is not good for you, it will make others suspect you, and affect you. Your future life, I shouldn't pull you in just because my company needs spices, it's not fair."

Jing Chenxi's eyes flashed a sad light: "Ke Ningning, it is your mother's dream to cooperate with Gucci Perfume and Jing's Group's fragrances."

"Yes, but her dream is wrong, I want to correct it, people can't be too selfish." Shen Ning said firmly.

Shu Qiuying was right. Her mother wanted to cooperate with the Jing Group, but that was just her wishful thinking. Daughter, she must not make mistakes again and again.

"But I am willing, I dream of cooperating with Gucci perfume." Jing Chenxi was in great pain, "Ningning, you are clearly trying to drive me away and don't want me anymore. I am not good enough for you. The Jing Group is not worthy of Gu Qi, although people say it is scary, but I never care, if you must choose this way, I will not force it."

"Thank you for your understanding." Shen Ning's eyes were red, and he lowered his head and walked forward. After walking a few steps, he suddenly bumped into a wall of flesh. When he looked up, Li Zhenting was looking at her coldly, his jaw line was tense of.

"Shen Ning, I have been waiting for so long and you have come here." Li Zhenting looked at her red eye circles, thinking that she was hurt by love, and her eyes became colder and colder.

"I..." Shen Ning didn't know how to answer.

"Go." Li Zhenting suddenly took her hand and walked forward.

Shen Ning was pulled by him to walk quickly.

"President Li..." Jing Chenxi shouted from behind, but Li Zhenting didn't turn his head.

Jing Chenxi had no choice but to give up. It seemed that Shen Ning was determined to draw a line with him, even canceling the cooperation with the company, so what right did he have to meddle in her affairs.

I really don't know how my mother humiliated her that day, making her so determined to completely cut off contact with him now, and his dissatisfaction with Shu Qiuying in the bottom of my heart has increased.

He was unwilling to lose her completely like this, he wanted to fight for her!

Li Zhenting was not good enough for her at all, he didn't want Shen Ning to go back to that man again, Jing Chenxi turned and walked inside.

"Li Zhenting, what are you going to do?" Shen Ning was dragged by Li Zhenting to a dressing room. She didn't understand what he was going to do, and worried that he would go crazy again, so she pushed him away and asked angrily.

Li Zhenting's face was gloomy.

"What are you and Jing Chenxi doing there?"

"What can you do in broad daylight? Isn't it just a few words!"

"Say a few words? They're holding hands, so what's the point of saying a few words? You also know that now in broad daylight, a woman stays with a man and behaves intimately and flirtatiously. Thinking, are you slutty by nature, or are you just promiscuous, and you can't do without a man." Li Zhenting became more bitter after speaking.

Shen Ning was so angry that he pushed him, turned around and was about to run out.

Li Zhenting stretched out his hand, grabbed her collar tightly, and said in a cold voice, "Where do you want to go?"

Shen Ning's neck tightened, and his whole body was pulled back straight to his strong chest.

"Li Zhenting, I don't understand. I divorced you a long time ago, so it's normal for me and Jing Chenxi to have boyfriend and girlfriend. Why are you reacting so badly?" Shen Ning turned around abruptly. Go, push him away, and ask with a sneer, "Could it be that you're in love with me now? I won't marry you?"
