

Troublemakers 611

Chapter 611 Isn't it about being the young mistress of the Li family?

Shen Mei stood up suddenly and angrily turned around and walked outside.

Lan Feiyun didn't bother to talk to her when she saw her angry appearance.

If she could have given birth to a son for Li Zhenting in these six years, how could she be in such a mess now? She's so stupid, she deserves to be angry!

In a lounge, Shen Mei poured bottles of beer into her mouth.

Shen Ning took away everything she had carefully planned! She is not reconciled!

"Yo, my baby, what are you drinking so much for?" At some point, when Shen Mei was so drunk, a man's voice suddenly sounded.

She looked up at the man's face.

The man was in his early fifties, with a shy belly, only a few black hairs on his bare forehead, his face was full of flesh, his eyes were gloomy, and he was looking at her with a smile.

"You, why did you come here?" Shen Mei's face changed instantly as if she saw a ghost.

"Look at what you said, this is our Li family, why can't I come?" Li Jin smiled, looking at Shen Mei's plump breasts, his Adam's apple rolled down.

"Get out, don't stay here." Shen Mei stood up in a panic and staggered to go out.

"Don't worry, baby, I've missed you all these years inside." Li Jin stretched out his big hand, grabbed Shen Mei's arm, and pulled hard, Shen Mei, who was already drunk, was thrown down on the sofa by him. .

Shen Mei was originally wearing a **** dress with a low cut and open neck, so when she fell on the sofa like this, the scenery inside was fully displayed.

Li Jin swallowed several times at his Adam's apple, the heat in his lower abdomen was strung together, and he rushed forward and began to tear her dress.

Shen Mei shrank back in horror, but she was dizzy from being drunk, and she didn't have the strength to resist the man's strength at all.

Li Jinchong fell down hard...

An hour later, Shen Mei collapsed on the sofa, crying bitterly.

Li Jinchong is wearing pants, full of meaning, after all, he is young, this taste is good!

"Baby, don't cry, I won't treat you badly." After he put on his pants, he sat down beside her, stroked her delicate and young skin with his fingers, and said lovingly.

Shen Mei sat up suddenly, and roared angrily: "My surname is Li, didn't you promise me to marry Li Zhenting and become the young mistress of the Li family?"

Li Jin smiled subtly: "Hey, that's because you are stupid. If it weren't for me, would you have been able to stay in Li's house for six years?"

"But I don't have anything now, and that **** Shen Ning snatched it away." Shen Mei burst into tears.

Li Jinchong smiled darkly: "Isn't it just to be the young mistress of the Li family? Isn't that easy? Follow me, and I'll just marry you."

"With you?" Shen Mei looked at this old man who already looked like an old man with disgust, and her heart was surging.

She is only twenty-three years old, she is not willing to be with such an old man who just got out of prison, wants money but has no money, and has no power.

"Isn't it good with me? My technical skills are no worse than Li Zhenting's. Do you think it's good for him to be young? That's not certain. Who will be powerful and powerful in the future? It's not certain. You see him in everything now." Well, that's because he is the president of the Li Group, with power and power, but if he has nothing, would you still think of him?" Li Jinchong said coldly as if he had seen through her.

Shen Mei stopped crying and looked at him in surprise: "What do you mean by that?"

"It's nothing interesting, let's wait and see." Li Jinchong said mysteriously, stretching out his big fat hand to caress Shen Mei's face, "Follow me, I will keep the hot and spicy food for you in the future, the Li family Half the fortune will be mine soon, just wait."

Chapter 612 I will not treat you badly

Shen Mei's crying stopped completely, and her face was full of surprise.

Will Li Jinchong own half of the Li family's property? true or false?

She looked at him.

"Don't you believe me?" Li Jin smiled confidently.

"No, I believe it." After a few turns of Shen Mei's mind, a smile appeared on her face: "Actually, I don't care about it, it's mainly because of Lan Lan, the three children that Shen Ning brought now, all of them The status is higher than Lan Lan, they can bully Lan Lan casually, Ke Lanlan is our daughter, I feel sorry for her, I want to protect her, I want to give her the best, so I care about those names and money, you also You know, this society is very realistic, everyone only values money and status, I am also helpless, it doesn't matter if I am myself."

She described herself as a persecuted and understanding angel.

Li Jin cleared his voice: "Don't worry, I won't treat you badly, just look at me, at least in a few days, at most in a week, half of the property of the Li Group will belong to me."

Shen Mei's eyes are completely brightened now.

If half of the property of the Li Group can go to Li Jinchong's name, then she can become a veritable Mrs. Li, owning half of the country, and will be richer than anyone else! In this case, even though he is an old man, he can tolerate it!

"Then you keep your word, don't abandon me and Lan Lan then." She said coquettishly.

"certainly."

"What about Ximen Lihua? What about her?"

"That's not easy, Li." Li Jinchong said without hesitation.

Ximen Lihua gave birth to a son for her, but he suffered from depression five years ago, and now he is insane, and he has no successors. Besides, Ximen Lihua is also old, and he prefers the **** and charming Shen Mei.

"Baby, you will give me a few more children at that time, and I will leave all my property to you." Li Jinchong pressed Shen Mei under him again while speaking...

Li Xuejie walked back and forth in the guest room.

Li Jinchong didn't know what to do, and he hasn't appeared yet.

Both she and Li Jinchong hated the Li family in their hearts.

The Li family is the richest man in the imperial capital, with numerous properties, but all these properties and careers are only left to Li Zhenting, and she and Li Jinchong can only get a lot of money.

They were not reconciled, and made trouble with old man Li, but the old man insisted on the rules of his ancestors and refused to change them. They were so angry that they united.

The incident ten years ago caused Li Jinchong to be sent to prison, and she was kicked out of Li's house.

Now, she has returned to Li's house, but Li Jinchong can't come back at will, after all, he has been in prison.

She deliberately asked for this room by the back garden, just to make it easier for Li Jin to rush over... She picked up her phone.

Half an hour later, Li Jin rushed in through the window in disheveled clothes.

"Brother, are you going to touch Shen Mei again?" Li Xuejie looked at it panting heavily, Li Jinchong asked dissatisfied that the waistband of her trousers had not been fastened.

"Sister, brother has been in prison for six years and has never tasted a woman. It's hard to get out. That little goblin is so young and tender, how can I bear it." Li Jin smiled with satisfaction at the corners of his lips. meaning.

"Brother, this is a critical moment. If you can't bear it, you can make big plans. Don't let Li Zhenting see you." Li Xuexi complained in a low voice.

Li Jinchong was full of disdain and sneered:

"Tch, what can he find out? If he could find out, he would have suspected Shen Mei for a long time. Can Shen Mei stay by his side for six years? This is enough to show that he doesn't know anything. He is just a mediocre person. Protecting him, he is nothing, I really don't know what Dad thinks, to hand over the Li family to such an incompetent junior, and I have been wearing a cuckold for so many years."

Speaking of later, he was quite proud.

Chapter 613 Once nervous, forget

Li Xueyan frowned, obviously, she was not as optimistic as he thought.

"Brother, now the equity of those two shopping malls has been acquired."

"I know."

"Don't you think there's something strange about it?" Li Xueyan frowned, feeling uneasy in her heart.

"What's wrong with that, we bribed the people there, so they can't be wrong." Li Jinchong didn't take it seriously.

"But I think it went too smoothly." Li Xuexi is much more vigilant than Li Jinchong. After all, she has stayed in the United States for these years and has been specially trained. She is more vigilant than Li Jinchong in terms of sense of smell and market acuity. , she looked very dignified.

Li Jinchong has stayed in prison for these years, not knowing the changes in the outside world, his original thinking has been solidified, and he is immersed in the joy of taking it for granted.

After all, several shares of Li's Group have already returned to their hands, and foreign capital in the market has registered several subsidiaries. The claws of the Li's Group have already been opened.

And they also contacted the lawyer, and only waited for Mr. Li's birthday to pass, and then went to the court to demand a new division of property.

In this way, all the properties of the Li family will have to be redistributed, and the shares of the Li group will soon be cut off, and the Li group will also face disintegration.

"Don't worry, there won't be any problems at all. It has made Li Zhenting so cool for so many years, and it is already cheap for him. Now it's time to return it to us." Li Jinchong sat down by the bed, yawned, and just had **** with Shen Mei Twice, he is also over half a hundred years old, and he is exhausted, "Sister, I will sleep for a while, and we will talk about it at night."

He collapsed on the bed and snored as soon as he lay down.

Li Xueyan shook her head, when the phone rang, she went to the balcony to answer it...

Upstairs in the children's room.

Ke Ke and Ding Ding were turning on the computer and thinking about something seriously, their two little heads were together talking quietly from time to time, when suddenly, Li Jiaojiao opened the door and strode in.

"Coco." She elongated her voice and sullenly.

"Auntie, what's the matter?" Ke Ke asked in a childish voice without raising her head.

Li Jiaojiao rolled her eyes upwards: "Ke Ke, have you forgotten what your aunt said?"

Ke Ke looked back at her: "What are you talking about?"

"Good boy, stop pretending to me." Li Jiaojiao gritted her teeth, "What did your aunt tell you when you went to the stage to receive the gift money?"

Ke Ke blinked her big eyes and patted her head: "Oh, aunt, I forgot."

"Cut, little bastard, you won't forget other things, but you forget this kind of thing." Li Jiaojiao patted his little head.

"Auntie, I really forgot. It was the first time I was on this kind of stage, and I saw so many strangers and so many relatives. I forgot when I got nervous." Ke Ke looked very serious.

Li Jiaojiao thinks about it, she is right, after all, Ke Ke is still young and has never seen anything in the world before, so I really can't blame him.

"Hey, you can just give aunt a gold bar." Li Jiaojiao's heart ached when she thought about those gold bars and golden melon seeds.

Ke Ke suddenly reached into his pocket, took out a red envelope, and smiled: "Auntie, this one can't fit in that bag, so I put it in my pocket and give it to you."

Li Jiaojiao's eyes lit up, she took it, weighed it, it was still a bit heavy, opened it quickly, took out a wad of money from it, and counted it, there was always 10,000 yuan.

It's okay, it's better than nothing!

It's just that the little guy Ke Ke put one in.

"Okay, thank you Keke." Li Jiaojiao put the red envelopes in her bag, "Next time remember to take a few more and put them in your pocket."

"Okay." Coco readily agreed.

But how did Li Jiaojiao know that Keke took only one on purpose, and he wanted to give all the money to his mommy. As for Li Jiaojiao, giving her one is hard work.

If Li Jiaojiao knew what the little kid really thought, she would probably vomit blood with anger.

Chapter 614 She took it off without hesitation

"Mr. Shen, when Wang Ma took people to clean the ancestral hall today, she suddenly found that there were paper towels, rice grains and some daily garbage inside. It seemed that someone had slept on the floor. It was very strange." Shen Ning was inspecting the guests present today. The list, butler Luo hurried over and reported to her in a low voice.

Shen Ning was startled when he heard that.

"Mr. Shen, is there anyone sleeping in the ancestral hall during this time?" Butler Luo raised his doubts.

Shen Ning thought for a while and said, "Let's go, let's go and have a look now."

Tomorrow is the old man's official birthday banquet, and she doesn't want anything to happen.

She turned around and walked outside, but after walking a few steps, she felt that the dress on her body was too long, making it inconvenient for walking and working.

"Housekeeper Luo, go and tell them not to move first, and save the scene. I'll take pictures for President Li later, and I'll change clothes first." She ordered and walked towards her bedroom.

"Sister Yun, have you seen the young master?" When Shen Ning entered the living room, he happened to meet Sister Yun, touched the pink diamond on his finger, and asked.

"Young mistress, I didn't see it. The young master seems to have gone out." Sister Yun smiled all over her face.

"Oh." Shen Ning nodded, frowning. The **** Li Zhenting disappeared as soon as he got off the stage. At that time, he had agreed to return the pink diamond to him after the son recognition ceremony, but where are he going now? Where are you looking for him?

This thing is so precious, she has to hand it to him personally, otherwise, if it is lost at that time, with his virtue, he will definitely rely on her and ask her to pay for it. She doesn't have so much money to pay for it.

"Sister Yun, please send me a message if you see him." Shen Ning warned and walked into his bedroom.

As soon as she returned to the bedroom, she immediately took off her dress, took off all the jewelry on her body, and packed them in boxes. When she took off the pink diamond on her ring finger, she took a special look.

I have to say that this pink diamond is really beautiful. The crystal pink is set on her white and tender fingers, making the whole light white finger pink, majestic and noble.

But she took it off without hesitation and put it back in the box.

This pink diamond was newly bought by Li Zhenting, so it had to be handed over to him.

Thinking like this, she opened the drawer and put it in.

Then

She took those jewelry boxes and walked towards the warehouse of Li's old house.

These jewels are all inherited from the Li family, so just put them back in the warehouse.

"Miss Shen, you are here." The housekeeper who guards the warehouse is an old servant of the Li family. His grandfather and father both work as servants in the Li family and are very loyal to the Li family. When he saw Shen Ning, he immediately smiled, Very respectful.

"Zhan Bo, I'm here to return the jewels, please register." Shen Ning handed all the jewels to him and smiled.

"Return the jewels?" Zhan Bo looked at her in surprise and said, "Miss Shen, there is no need to return these jewels. The old lady said that they are all for you."

"Give it to me?" Shen Ning was extremely surprised, how could this be possible, the ancestral jewels of the Li family would not be given to their children, it was public property, so how could it be given to her.

"Yes." Ke Zhanbo nodded with certainty.

"Zhan Bo, you must have heard it wrong. You can't give away ancestral jewels, let alone me, an outsider. Hurry up and register, I have something to do." Shen Ning didn't take it seriously at all. , urging him.

Uncle Zhan was a little confused now, so he hurriedly made a phone call, but they said that Li Minhua was taking a nap, so he must not wake her up.

He had no choice but to hang up the phone, at this time Shen Ning was urging again.

He thought that since this is the case, then accept it first, and then ask the old lady for instructions. Maybe he heard it wrong. After all, their family has stayed in Li's old house for so many years, and they have never heard of it. The ancestral jewels were given to outsiders, so he agreed and registered them one by one before taking them in.

Shen Ning breathed a sigh of relief.

It is really exhausting to hang so many heavy things on the body, and I don't know why those people like to wear these things!

Chapter 615 I have to fulfill my duties

"Young Mistress, look, these paper towels, oil stains, and rice grains are left by someone after eating. There are traces of grinding on the floor here, and someone should have slept here." Shen Ning hurriedly When they arrived at the ancestral hall, Housekeeper Luo was waiting for her. When he saw her coming, he immediately told her about the situation.

Shen Ning looked at the floor, his eyebrows furrowed.

Although the floor has been treated and the garbage has been cleaned up, the remaining things show that the people who dealt with it were either sloppy or in a hurry and didn't clean up.

Then who is sleeping in the ancestral hall of the Li family?

The Ximen Lihua she met yesterday flashed in her mind, could it be her?

No, how is it possible!

She has a villa and a home here, so what is she going to sleep in the ancestral hall for?

But it can be seen from this that people can come and go in and out of the ancestral hall of the Li family at will. It is no longer the mysterious and serious ancestral hall that ordinary people can't easily approach.

She took some photos, checked around and found nothing suspicious. Just as she was about to go out, she suddenly saw two hairs on a long table next to the gate. After thinking about it, she picked them up, took out a tissue from his pocket, wrapped it up, and walked outside.

She was going to call Li Zhenting and tell him the situation.

After all, the ancestral hall is the soul of a family, a very serious place. It is not only weird but also incomprehensible for this kind of thing to happen. She is in charge of the family these days and has the responsibility to tell him.

But just as she walked not far away, she saw a woman walking slowly towards the ancestral hall.

The woman is in a black trench coat and has short hair. She looks smart and capable!

Shen Ning stopped.

This woman is Li Xueyan!

"Hello, Miss Shen." After Li Xuexi approached, Shen Ning took the initiative to say hello.

Li Xuexi is not married yet, and was kicked out by the Li family, Shen Ning can only call her Miss Li!

Li Xuexi probably didn't expect to meet Shen Ning here, so she was stunned for a moment.

But soon, she woke up.

"Hmph." She gave Shen Ning a disdainful look, and walked past her arrogantly.

"Miss Li." Shen Ning stopped her, "Excuse me, where are you going?"

Li Xueyan raised her eyebrows, and asked proudly: "What? Do I have to tell you, an outsider, where I am going?"

"Yes, I have the right to know." Shen Ning admitted without shame, and smiled, "Because I am in charge here for these three days, and I have to perform my duties."

"Hey, you really take yourself seriously! What are you? I'm the daughter of the Li family. I can come and do whatever I want at my parents' house, and I still need you." Torture me? Do you have to get your consent? I really meddle in my own business." Li Xueyan was fuming, she didn't expect Shen Ning to be so ignorant of things, she just hated and disliked her, now she just looks at her Disgusting and annoying.

But Shen Ning does not believe in evil, so he must clarify the matter.

Because this is the ancestral hall, it is very suspicious for her to run to the ancestral hall for no reason.

"I'm sorry, I don't care who you are? Now that I have taken over the responsibility of being the head of the family, I have to be responsible to the Li family. Walking from here is the ancestral hall. Usually

people are not allowed to enter the ancestral hall at will, including the descendants of the Li family. , This is the rule and must be followed." Shen Ning did not back down, and his tone was solemn.

Li Xueyan was furious now.

"You bitch, you want to die." She suddenly raised her foot and kicked Shen Ning.

"Young Mistress, be careful." When Steward Luo heard the voice coming out, he saw Li Xueyan kicking Shen Ning, and yelled out in fright.

Shen Ning smiled coldly, jumped with his right foot, and dodged to the side, Li Xueyan's kick missed.

Chapter 616 Don't dare to underestimate Shen Ning anymore

"Originally, I was a civilized person, and I didn't want to be rough, but when I met a shameless **** like you, you insisted on forcing me to be rough." Li Xuexi yelled angrily, and then raised her hand to hit Shen Ning in the face.

Shen Ning followed Ke Ke and also learned a little bit of Yiquan, stepped aside, raised her kick and kicked Li Xueyan's right leg, causing her to step back several steps immediately.

"Miss Li, we are all women, let's talk well, otherwise, I will be sorry for your title as a civilized person." Shen Ning folded his arms, with a half-smile.

"That's right, Miss Li, the young mistress is in charge now, you should listen to the young mistress' opinion, this is not her rule, it was originally passed down by the ancestors of the Li family, if you must come, you have to ask the old man for instructions first. " Butler Luo stopped in front of Shen Ning and spoke to Li Xuexi with a smile.

After being kicked back by Shen Ning for a few steps, Li Xuexi was surprised and dared not underestimate Shen Ning anymore.

An ordinary woman cannot resist her punch, but Shen Ning not only dodged it, but also kicked her.

Sure enough, it's a bit unexpected, no wonder Li Zhenting likes her!

"Housekeeper Luo, no one is allowed to enter the ancestral hall from now on. You send extra security guards here to ensure that tomorrow's ancestor worship ceremony goes smoothly." Shen Ning ordered decisively.

"Okay." Butler Luo immediately agreed.

Shen Ning took a serious look at Li Xueyan, and suddenly said: "Miss Li, there is a traitor on ByteDance who is now being rumored to be amazing, I wonder if you have seen it?"

After speaking, she turned and left.

Li Xueyan's complexion changed drastically, and her eyes revealed a fierce look!

Shen Ning's lips were full of coldness.

Recently, there has been a lot of noise about chips, and the Li Group has been the first to bear the brunt. It is at a critical moment when its throat is cut off, but at this time, it is about a traitor who is a vanguard against Li and has been cultivated by the forces of the United States. Bad strategy!

The man was revealed.

But any **** person will hate like a vengeful!

Shen Ning came to a quiet place, and immediately sent the photos he took and the situation here to Li Zhenting using the WeChat enterprise account.

After waiting for a while, three words were sent over there: Got it.

Shen Ning pursed his lower lip, put away his phone and left.

"Mr. Jing, can you drink less?" In the leisure room of Li's old house, Jing Chenxi drank one cup after another, while Secretary Li was beside him, feeling distressed, and kept persuading her.

"Get out." Jing Chenxi was depressed and had a bad attitude towards Li Mengqing.

"Mr. Jing, I was sent by Mr. Shen to take care of you. I can't leave." Li Mengqing didn't move, and grabbed the beer in his hand. "You can't drink it. My job now is to take good care of you, otherwise, I'm out of work."

Secretary Li poured all the beer in his hand into the bathroom.

"You, be bold." Jing Chenxi had already drank a little too much, and when she saw the beer poured by Li Mengqing, she was furious, and pointed at her, "If you don't leave, I'll take care of you."

"Mr. Jing, you don't care about your body. I do. I do this for your own good. Mr. Shen is afraid that you will get drunk again, so he specifically told me to watch you. I have the responsibility to make you stop drinking. ." Li Mengqing retorted confidently.

Jing Chenxi heard her say 'Mr. Shen', her attitude was not so bad, and she looked up at Secretary Li.

The woman's face was full of concern and anxiety. It could be seen that she really cared about him, and she couldn't help being a little confused for a while.

Shen Ning also cared about him, but she couldn't see any anxiety and concern in her eye sockets like Secretary Li's.

What kind of state should a woman care about a man? Is it the kind of Secretary Li, or the kind of gentle Shen Ning? Which one is closer to a woman's heart?

Chapter 617 It seems that Daddy's company is in danger

Upstairs in the children's room.

"Ding Ding, it's not good, Daddy's company has been monitored by many small companies." Ke Ke looked at the program on the computer, and his face changed color.

"Sure enough!" Ding Ding's face changed color.

They have been observing these small companies for a long time, especially Ding Ding, he has always felt very strange, and he doesn't know where these small companies surrounding Daddy's company come from.

Others may not be able to see it, but Ding Ding's network structure diagram can clearly see that these small companies are all aimed at the Li Group, and all the signals they send are directed towards the Li Group.

"It's strange, why didn't Daddy's company's firewall block it? Isn't this for others to attack?" Coco felt very strange.

"It seems that Daddy's company is in danger." Ding Ding was very worried.

"What about those computer experts from Daddy's company?" Ke Ke asked dissatisfied.

"Brother, the computer masters in Daddy's company are all for work. This kind of dark high-tech, specializing in sneak attacks, is done by hackers from the intelligence department. Do you think they are all taught by top hacker teachers like me?" "Tintin puffed up his cheeks.

"That's right, you are so tall." Ke Ke nodded in agreement and gave Ding Ding a thumbs up.

When it comes to computer hacking, Ke Ke still admires Ding Ding. Although Ke Ke is also a computer expert, all he knows is the loopholes in some basic software. Compared with Ding Ding, he is still ashamed. He is incomparable to a master hacker who teaches and is talented.

But during this time, he and Ding Ding were together every day, and Ding Ding had already taught him almost everything he had learned, but even so, in terms of talent, Ke Ke was still inferior to Ding Ding.

"Then what shall we do next?"

"Of course it is to help Daddy stop these villains, and not let them break into Daddy's company's computer system. After all, the Li Group belongs to our Li family, and it will be ours in the future." Ding Ding said righteously.

"Well, let's guard it." Coco swore to guard Daddy's company.

"Hey, this way I won't be able to play the room escape." Ding Ding's face was full of helplessness.

"Keep an eye on it, there will be plenty of opportunities to play in the future." Ke Ke pulled his ears, and the two little guys got up and stared at the computer.

"Xiao Xiao, I want to drink water, can you pour me a glass of water, please?" After a while, Ding Ding handed the water glass to Xiao Xiao. He has to guard those villains on the computer and cannot leave.

"Okay." Knowing that the two of them are doing great things, Xiaoxiao sweetly agreed.

She took the water glass, climbed out of bed, and happily walked towards the door.

only

When she walked to the door and opened the door, she saw Lan Lan sitting at the door and playing with her mobile phone.

It turns out that after Lan Lan bullied Xiao Xiao, Ke Ke and Ding Ding didn't want to play with her anymore, and Xiao Xiao naturally didn't want to play with her either. Lan Lan was lonely without a playmate, so she had to come to the children's room, but she didn't dare to knock on the door, So I sat at the door and played with my phone.

"What are you doing sitting here?" Xiao Xiao looked at her and asked.

"I can sit wherever I want, don't worry about it." Lan Lan was fierce.

"But you are sitting here and stopping me from walking. I want to go down and pour water for Ding Ding, please get out of the way." Xiao Xiao's face was serious.

"No, I won't get out of the way." Lan Lan gave her a white look, "This place is not yours."

Xiao Xiao was in a hurry: "Then it's wrong for you to stop here."

"You bastard, you're not from the Li family, why should you stay in our Li family? I'm going to stop you." Lan Lan said angrily, scratching her face with her fingers, "It's really embarrassing, Just like your mommy, staying in other people's house, pestering my daddy, cheating daddy's jewelry, really shameless."

Chapter 618 Whoever bullies you, bully you back

Xiaoxiao was scolded until her face turned pale: "You are shameless, you and that ugly witch are both shameless, you are the ones pestering Daddy."

Lan Lan stood up suddenly, put her hands on her waist: "That's my daddy, you don't have the right to call it daddy, shameless little fairy, I will stop you."

After finishing speaking, he opened his arms to prevent Xiao Xiao from passing by.

Xiao Xiao was so angry that she was about to cry.

"Xiao Zuoqing, who asked you to stop Xiao Xiao?" Ke Ke heard Lan Lan scolding Xiao Xiao inside, and ran out, "You are bullying Xiao Xiao again, I will not let you go."

He pulled and pushed Lan Lan's clothes, and Lan Lan was pushed to sit on the ground.

Xiao Xiao took the water glass and went downstairs to pour water.

Lan Lan burst into tears: "Mommy, Mommy, Keke hit me."

When Shen Mei heard Lan Lan's voice downstairs, she became furious and hurried up.

"Ke Ke, who told you to hit Lan Lan?" Shen Mei shouted sharply.

Ke Ke and Ding Ding sat back in the bedroom and ignored them.

Shen Mei became angry, and rushed in to clean up Cocoa, Ding Ding pressed the remote control, and the door was locked with a bang.

Shen Mei was locked outside.

Coco and Ding Ding looked at each other and smiled.

Let them make trouble, out of sight, out of mind.

Shen Mei was so angry that she gritted her teeth and kicked the door hard: "Ke Ke, you little bastard, tell you, don't let me meet you next time, I will deal with you when I do."

She bent down and hugged Lan Lan.

Lan Lan cried until her eyes and nose were red. She looked at the children's room and refused to leave.

"You, I'm so disappointed, they don't like you, you have to catch up, you asked for it." Shen Mei took out a tissue to wipe her tears and nose.

At this time, Xiaoxiao poured water and came up with Tintin's water glass.

When Lan Lan saw Xiao Xiao, she was extremely jealous when meeting her enemies, and glared at her angrily.

Shen Mei also saw Xiao Xiao, Xiao Xiao's face that resembled Shen Ning made her eye sockets shrink, and a chill appeared.

Xiao Xiao was a little scared. She was not afraid of Lan Lan, but this ugly witch. After all, she was too young to beat her.

"Lan Lan, just watch for yourself, whoever bullies you, bully you back." Shen Mei deliberately put Lan Lan down, and said coldly.

"Little bitch, if you dare to bully me, I'll kill you." Lan Lan got the cue and rushed over to hit Xiao Xiao as soon as she landed.

Xiao Xiao hurriedly moved back, Lan Lan continued to chase and beat, Xiao Xiao suddenly stretched out a kick and kicked Lan Lan's leg, Lan Lan fell to her knees and fell to the ground.

"It hurts so much." Lan Lan lay on the ground, crying loudly.

When it comes to fighting and sensitivity, Lan Lan eats and sleeps every day. She is spoiled and fat. This skill is definitely not comparable to Xiaoxiao. Xiaoxiao often helps Mommy with housework, so she is flexible. .

"Little bastard, play to your death." Seeing that Lan Lan had suffered a loss, Shen Mei walked over, pulled Lan Lan up first, and grabbed Xiao Xiao with the other hand, dragging her to the ground. At the stairway, he turned his head and winked at Lan Lan.

Lan Lan wiped away her tears, hating Xiao Xiao so much that she rushed over and pushed Xiao Xiao's chest with both hands. Xiao Xiao was pushed so hard by Xiao Xiao just before standing on the stairs, her whole center of gravity was unstable, Rolled down the stairs.

"Ah." Accompanied by a heart-piercing scream, the little back of his head hit the sill of the stairs and the whole person quickly rolled down.

"Too bad, Xiaoxiao is still outside." Ke Ke heard the screams outside, her chest froze, her face turned pale, she stood up abruptly and ran towards the door.

Ding Ding also remembered, his face changed color, and he opened the door immediately.

When the two ran out, they saw Shen Mei and Lan Lan flashing into the elevator. They didn't see Xiao Xiao in the corridor, but they heard Xiao Xiao crying.

"Xiao Xiao." The two of them shouted loudly.

Xiaoxiao was pushed by Lan Lan and rolled down the stairs. Fortunately, she was light and stopped on the stairs after rolling down one floor.

It's just that I was hit so hard that my eyes turned black, and I couldn't speak for a long time, and I couldn't even cry.

Chapter 619 must have been done secretly

"Xiao Xiao, Xiao Xiao, where are you?" Ke Ke and Ding Ding shouted anxiously from the stairs.

At this time, some adults downstairs also heard the child's heart-piercing cries and followed up, and soon found Xiaoxiao.

"Ah, why did this little girl fall here? It looks like she fell down the stairs. It's too painful."

A woman hugged Xiaoxiao:

"Whose child is this?"

Coco and Ding Ding heard the voice of adults talking on the top, and ran down immediately.

"Xiaoxiao." Keke hugged Xiaoxiao as soon as he ran down, and shouted nervously, "How are you?"

Xiao Xiao finally recovered and cried loudly, "Brother."

"Xiao Xiao, don't be afraid, brother is here to protect you." Coco patted her on the back lightly.

"Hey, isn't this the young master of the Li family?" The woman recognized Ke Ke. At today's son recognition ceremony, everyone had seen him. In addition, he and Ding Ding looked exactly the same. The two brothers knew that they were from the Li family, but they didn't know Xiaoxiao, so they didn't know who she was. Now that Xiaoxiao was called Brother Ke Ke, they guessed that she was also from the Li family.

"Yes, this is Young Master Ke Ke." Another woman said, "This little girl should be the daughter brought by Mummy Ke Ke. I heard that Mummy Ke Ke gave birth to another daughter outside."

"Oh, so that's what happened. I fell down the stairs. I don't know if it was broken. I have to take it to the hospital for an examination. I don't know where my lord has gone." The woman was a little worried, she also had children, At that moment, he asked Ke Ke:

"Master, where is your mommy and daddy, do you have their phone number?"

"Yes." After helping Xiaoxiao wipe away tears, Keke asked distressedly: "Xiaoxiao, did you break anything?"

"My head hurts, my hands, feet, and **** all hurt." Xiaoxiao said while crying.

Ke Ke panicked and hurriedly took out her phone and watch to call Shen Ning.

Shen Ning was busy outside, when the phone rang, he saw that it was from Ke Ke, and immediately picked it up.

Soon, she ran towards the villa with a pale face.

As soon as she ran in, she saw Shen Mei walking out with Lan Lan in her arms.

Lan Lan still had tears on her face, as if she had just cried, Shen Mei was full of arrogance and disdain, she gave her a cold look, and walked past her with Lan Lan in her arms.

For a while, she had a faint feeling that Xiaoxiao's fall down the stairs seemed to be related to the mother and daughter, but she didn't have time to think about it, so she just rushed towards the stairs.

"Xiao Xiao, what's the matter? Where did you fall?" Shen Ning ran up and hugged Xiao Xiao into his arms, checked everywhere, and soon saw a wound on the back of Xiao Xiao's head, still oozing blood, there were scratches on her wrists and feet, and a big bruise on her buttocks. She felt distressed, and ran outside with the child in her arms.

When Li Jiaojiao came over, she happened to see Shen Ning running outside with Xiao Xiao in her arms, her face was full of nervousness, her face immediately changed color, and she hurriedly asked what happened to Ke Ke and Ding Ding.

Ding Ding stared at her angrily: "Auntie, didn't you say that you would take care of us in the next few days? Xiaoxiao was pushed down the stairs just now."

Li Jiaojiao was shocked when she heard it: "How could this happen? Who pushed it?"

"It must be Lan Lan and that old hag." Ke Ke replied angrily.

Li Jiaojiao hurriedly asked: "What's going on? Tell me quickly."

So, Coco recounted what just happened.

Li Jiaojiao already had the answer in her heart:

This woman Shen Mei is really vicious! He even pushed Xiao Xiao down the stairs.

Lan Lan is fat and delicate, logically she can't beat Xiao Xiao, but with Shen Mei at the side, she must have done something secretly.

How despicable, to beat a five-year-old girl!

Chapter 620 He will definitely come back

Shen Ning rushed to the People's Hospital with Xiaoxiao in his arms. The doctor cleaned the wound on the back of Xiaoxiao's head and sewed three stitches. He confessed earnestly: "The child is still so young,

adults must pay attention to safety, she is lucky today , it didn't hit the midpoint of the back of the head, it was slightly off, otherwise, it would be life-threatening, and the back of the head can't be dropped."

"Yes, I was negligent, and I will definitely pay attention next time." Shen Ning's heart was dripping blood, and he nodded repeatedly in agreement.

Xiaoxiao is very sensible. Although she was in pain, when cleaning the wound and sewing needles, she insisted on tears in her eyes, gritted her teeth, and cooperated with the doctor.

In the car.

Shen Ning hugged Xiaoxiao.

The little girl's face was full of tears, and there was a large scratch on her tender white arm, which was smeared with red medicine, and she looked terrible. There was also a wound on her thigh, and the most painful wound was the wound on the back of her head.

She was sleeping softly in Mummy's arms, her clear eyes were a little dull.

Shen Ning turned his eyes away and secretly wiped away tears.

"Mum, I don't want to go there anymore. I want to go home and be with Grandma Dong. Can you bring my brother home? I miss my brother." Xiao Xiao whispered in Shen Ning's arms, her big eyes were full of love. Coco misses.

How much she wants to go back to the past. She and her brother are together and love each other. Although there is no father, she feels very happy, but now there is only disappointment and fear.

"Xiao Xiao, Mommy is sorry for you." Shen Ning tried his best to hold back tears, but the tears still fell uncontrollably.

"Mommy, don't cry. It's that old witch and Lan Lan who caused me to be harmed. It's none of Mommy's business. I love Mommy." Xiaoxiao stretched out her soft hand to wipe Shen Ning's tears, comfort her.

"Xiao Xiao, Mommy will avenge you." Shen Ning hugged Xiao Xiao's face into his arms, tears streaming down his face.

She owes Xiao Xiao too much, she is the one who is sorry for her.

Aside from her selfishness, if Xiao Xiao's real identity is exposed, Shen Mei and Lan Lan may not tolerate her even more.

After all, a small existence would directly threaten Lan Lan's status.

Unless Shen Mei can completely disappear in Li's house!

Although she has suffered a little injury now, it is not enough to be hated by others!

"Mommy, will brother come back?" The clever little asked suddenly.

Shen Ning was stunned for a moment and then said: "Don't worry, Ke is your elder brother and Mommy's son. He will always be our relative, and he will definitely come back."

"Well, good." The little eyes lit up.

"Xiao Xiao, you are lying down and sleeping in the back seat, Mommy will drive you home, you should stay with Grandma Dong, Mommy will be back the day after tomorrow." Shen Ning put Xiao Xiao gently on the back seat, kissed her forehead and spoke in a friendly voice.

"Okay." Xiaoxiao agreed, and then said suddenly, "Mum, you have to be careful of that short-haired aunt, she doesn't treat you well, she speaks ill of you, and always wants to punish you."

Shen Ning was startled, this probably refers to Li Xueyan!

"Okay, Mommy knows, don't worry, Mommy will be careful." Shen Ning felt sour, and kissed her cheek again before standing up and closing the car window. The moment the door closed, leaning against the window, burst into tears again.

The humble and sensible Xiaoxiao made her heart ache. She vowed to carry forward Gu Qi, not only to avenge her mother and fulfill her last wish, but also to give Xiaoxiao a good enough life. Only in this way, she will not be so self-blaming and painful.

When Xiaoxiao was sent back to Chunhui Garden, the little girl had already fallen asleep in the back seat.

Shen Ning gently picked her up and sent her home to Aunt Dong.

She immediately rushed back to Li's Castle.

She must do what she promised Li Wanqing, and she must also do it for Keke's status in the Li family, because she is a mother.
