

Troublemakers 651

Chapter 651 A force strikes fiercely from behind

"Coco." Li Zhenting ran towards the parking lot outside like crazy.

"President Li, you have to calm down." Leng Xue rushed up to stop him.

"Get out, don't follow me." Li Zhenting roared angrily, throwing him off and rushing towards his Rolls-Royce.

On the cliff of the back mountain, just as Li Zhenting rushed over, his phone rang.

"Did you call the police?" Li Xuexi asked coldly on the phone.

"No."

"Did you bring your men here?"

"No."

"Did you bring all those things?"

"Bring it here."

"Well, very good, you follow my instructions, go forward for 500 meters, and then turn left..." Li Xuexi instructed step by step on the phone.

Li Zhenting walked forward following Li Xueyan's instructions, exploring the surrounding terrain, and not long after, he reached the steepest place on the top of the mountain.

"Put all the data on the ground, and then go five steps forward." Li Xuexi issued another cold instruction.

Li Zhenting twitched his ears, and walked five more steps to reach the edge of the cliff.

Below the steep cliff, there is a valley tens of meters deep. Although it is not as steep and unfathomable as the mountains, it must be very dangerous to fall from such a height.

"Where's cocoa?" he snapped.

The scene at the age of fifteen reappeared in front of him like a time machine.

It was his relatives who put him on the cliff again, but this time, his son.

For the sake of fame and fortune, their faces are too ugly!

"Stop rambling, put down the data quickly, and do as I say, otherwise, I will kill your son." Li Xuexi's voice became colder and colder, like a devil.

"Don't." Li Zhenting didn't know where Ke Ke was, let alone where this woman was hiding. At this moment, he didn't dare to make any moves for fear of Ke Ke being hurt, so he could only do what she said.

Soon, he was standing on the edge of the cliff, and one step further was the abyss.

"Haha." Li Xueyan's cold laughter suddenly sounded above her head.

Li Zhenting hurriedly raised his head.

"Li Zhenting, catch your son." But before he could see clearly, a child flew towards him from mid-air, so fast that Li Zhenting couldn't tell whether the child was Coco, but a child He couldn't ignore the fresh life in front of him.

He got up in a hurry and stretched out his hands to pick it up.

The scene from more than ten years ago reappeared.

Just as Li Zhenting was embracing the child with both hands and jumping back to the edge of the cliff, suddenly, a force struck fiercely from behind.

Li Zhenting, who put all his thoughts on the child, had no way out. Before he could stand still, he was pushed and fell towards the cliff.

"Haha." The terrifying and cold laughter echoed in the middle of the mountain.

But Shen Ning ran towards Ke Ke.

After running for a while, Ke Ke suddenly found himself lost. The road became steeper and more rugged as he ran forward, and then there was no road at all.

From time to time, there are unknown animal calls coming from around.

"Mummy, Daddy, where are you? I'm afraid." The always brave Coco cried out, standing there not knowing where he was going.

"Koke, Keke." Shen Ning was covered in sweat, shouting loudly while running.

Obviously I saw the figure of the little guy just now, but he disappeared after a while. Now the trees are getting deeper and deeper. If you don't call him, it will be difficult to find him later.

After crying for a while, Ke Ke looked around, and it turned out that he had already run into the bushes.

He turned around and walked out, running towards the path over there.

"Coco." As soon as he ran out, he heard a cry of surprise from behind.

Suddenly, he turned around.

I saw Mommy running towards him, shouting loudly while running.

Chapter 652 Daddy was pushed down

"Mummy." In an instant, Keke jumped up happily, it's great, Mummy is here, the little guy shouted cheerfully, opened his arms and ran towards Shen Ning quickly.

"Cocoa."

"Mommy."

The two mother and son hugged each other tightly.

"Ke Ke, what's going on? Why are you here?" Shen Ning wiped his sweat for him, looking at the little guy's face that was swollen and purple from fright, and asked distressedly.

So, Coco told the whole story.

Shen Ning's eyes were full of anger.

"Ke Ke, don't be afraid, there are no ghosts in this world, only bad people, then Mommy will avenge you, go, let's get out of here first." She hugged Ke Ke and was about to leave.

"Mummy, put me down, we two will walk together, it's too hard for you to hold me." Ke Ke insisted on breaking free from Shen Ning's arms and walking by herself.

Shen Ning couldn't resist him, so he had no choice but to let him go.

The two mother and son walked towards Li's old house.

"Mum, it's not good, there's a sound over there." When the two of them were walking, suddenly, Ke Ke pricked up his ears.

The little guy's hearing has always been very sensitive, and he heard a sound not far away at once.

When Shen Ning heard this, he was very vigilant, and immediately hid with Ke Ke.

Not long.

Sure enough, a man in black came running over there.

Shen Ning took a look, wasn't that the man in black he had just seen.

This time, the man in black seems to be holding a child in his arms, looking around, he should be waiting for someone.

She stared closely at the man in black.

Soon, a woman ran towards him.

The two stood together, and the woman took the child from the man in black. The two were talking and gesticulating from time to time, but their eyes looked at the cliff in unison.

Shen Ning was wondering, when suddenly, a man's figure appeared on the other side of the cliff.

"Daddy." Coco recognized at a glance that the man was Li Zhenting, his daddy, and shouted in shock.

"Don't talk." Shen Ning immediately covered his mouth. At this moment, she seemed to understand something. It seems that these two people should deal with Li Zhenting.

"Go." She took Ke Ke's little hand and walked towards the cliff.

"Mommy, are we going to find Daddy?"

"Yes, this place is too weird. We will leave together after we find your father." What Shen Ning thought was to go to Li Zhenting first and hand over the child to him. After all, there are no other bad guys here, and those two people it seems to be calculating Li Zhenting, they might be able to help him in the past.

"Good." Coco was very happy.

Not only saw Mommy, but also Daddy, Ke Ke was really happy, and the fear was gone.

The two mother and son had just walked to the half **** of the cliff, when suddenly, a woman's terrifying laughter came from above.

Shen Ning's heart sank, before he could react, he heard a muffled sound, followed by the sound of heavy objects rolling.

"No, Mommy, Daddy was pushed down." Ke Ke suddenly shouted in horror.

Shen Ning looked up, and it was indeed a man who rolled down.

"Hurry up, go and stop your daddy, and never let him roll down." Shen Ning glanced at the abyss under the valley, if he fell down, he would be seriously injured if he didn't die.

She ran over in a hurry and began to move the big rock next to her.

"Ke Ke, help me, quickly move the stone over to stop your daddy." Shen Ning shouted at Ke Ke.

Ke Ke immediately came to help, not to mention that this little guy is quite strong.

As soon as the two mother and son moved the stone together, Li Zhenzhen rolled down, and the huge impact knocked the stone down.

Chapter 653 He is blind again!

"Zhenting." Shen Ning took a few steps forward and grabbed Li Zhenting's arm, and with his left hand, he grabbed a big rock embedded in the rock next to him.

Li Zhenting's body finally stopped rolling, but he still slid down.

"Daddy, I'll help you." Ke Ke picked up a big wooden stick next to him and placed it horizontally under the big rock. The big rock completely stabilized, and Li Zhenting's body finally stabilized.

"Zhenting, Zhenting." Seeing Li Zhenting's body stabilized, Shen Ning slowly let go of his hand, walked over, knelt down and shouted.

The moment Li Zhenting fell off the cliff, his brain was dizzy, and he seemed to have returned to that horrible night when he was fifteen years old.

He was pushed off the cliff, helpless, terrified, and thought he was going to die, but he didn't expect that he would be pulled back halfway.

This time, he heard a woman's voice again, and the voice of his son Coco.

It's okay, my son is okay!

His heart is relieved!

only

No, he was pushed down by the force behind him. At that time, in a hurry, the child in his hand had already rolled down from his hands. How could Keke be all right?

"Zhenting, how are you? Wake up." Seeing that Li Zhenting didn't respond for a long time, Shen Ning became anxious, pushing his body and shouting.

The anxious and concerned tone was the same as it was more than ten years ago, which completely matched the memory in Li Zhenting's brain, and a heart-wrenching feeling came out, familiar and exciting.

"Xiaofeng, Xiaofeng." He suddenly stretched out his hand to Shen Ning and shouted emotionally.

Shen Ning was taken aback, Xiaofeng? Who is Xiaofeng?

This is the first time she heard Li Zhenting mention this name!

Before, he never came home, he only knew that the person he loved was Shen Mei, and when they reunited later, she never heard him mention it!

This must be a girl's name!

"Xiaofeng, is that you?" At this moment, Li Zhenting asked excitedly, sat up suddenly, and opened his eyes.

He wants to see if this girl is his little wind!

Only his Xiaofeng will appear when he is in danger, come to rescue him, and accompany him!

But soon, he shouted loudly.

God, what's going on!

Why is it so dark in front of his eyes, he can't see at all, only endless darkness, and the whistling wind in his ears.

After he yelled a few times, he began to rub his eyes, and soon opened them again.

But it's still darkness, bottomless darkness! There is no light at all!

"No, what's going on." He began to shake his head desperately and shouted in pain.

He can't see!

His eyes can't see anything, he's blind again!

"Xiaofeng, Xiaofeng, is that you? Are you here?" He clasped his hands in the air and shouted anxiously.

"Daddy, Daddy, what's wrong with you?" Coco was frightened by Daddy's behavior and asked loudly.

Shen Ning frowned and looked at him calmly.

The man's hands were scratching around in the air, his face full of pain.

She stretched out her palm and waved it in front of him.

He didn't respond.

"Zhenting, can't you see it?" She asked softly.

She once heard from a servant at home that Li Zhenting's eyes were injured before, so serious that he almost lost his sight!

Looks like he hurt his eyes again this time, maybe even worse.

"I can't see, I can't see anything." Li Zhenting roared loudly, "Who are you? You are not Xiaofeng."

"I'm Shen Ning." Shen Ning took a breath.

"Shen Ning, Ning Ning, is that you?" After a pause, Li Zhenting seemed to remember something, his body softened, he stopped roaring, and his face was dark.

"Yes, Ke Ke and I saved you just now." Shen Ning said calmly.

"Thank you, Ningning." After a while, Li Zhenting thanked her in a low voice, and stretched out his hand to touch her.

Shen Ning dodged.

It is said that a man has only one white moonlight in his heart, but Li Zhenting, a bastard, has more than one white moonlight hidden in his heart. Today she heard the name of a woman named 'Xiaofeng'.

This man is such a stallion, show mercy!

Thinking of everything between them during this time, she really wanted to push him into the canyon.

Chapter 654 The feeling of deja vu

"Daddy, are you okay?" At this moment, Keke tilted his head to look at Li Zhenting, and asked again with concern.

"Coco, my son." Li Zhenting shouted in a trembling voice, stretching out his hands.

Coco obediently walked into his arms.

Li Zhenting hugged him tightly: "Are you hurt anywhere?"

"I didn't." Coco shook her head, stretched out her chubby hand and shook it in front of him, but Daddy didn't respond.

Daddy is gone!

Coco's heart is heavy.

How to do it? Daddy is blind!

Although Daddy is a bit scumbag, he is still his Daddy, and Daddy is so handsome with a powerful and domineering appearance. If his eyes are invisible, can he still be so handsome?

"Let's go, let's leave here quickly." After observing the surrounding terrain, Shen Ning decided to leave here immediately. It is not suitable to stay here for a long time. She bent down to help Li Zhenting up.

But the man was tall, Shen Ning gritted his teeth and used all his strength to help him up.

Li Zhenting's eyes were full of darkness, he was at a loss, and leaned against the woman.

"Be careful, let's go, I'll help you." Shen Ning supported him vigorously, and walked forward step by step.

Like a puppet, Li Zhenting let Shen Ning lead him forward step by step.

Cocoa opens the way ahead.

After a while, Shen Ning was so tired that he was sweating profusely.

But the danger factor was extremely high at this time, she didn't dare to stay, but gritted her teeth and supported him to continue walking forward.

They were walking among large and small stones. Suddenly, Li Zhenting's center of gravity was unstable, his feet slipped, and the weight of his whole body fell on Shen Ning again.

Shen Ning couldn't hold on, and stepped on a sharp stone with her toe. The shoe was quickly pierced and hit her big toe. The pain caused her muscles all over her body to tighten, and her face changed color.

"Are you Xiaofeng?" Li Zhenting couldn't see anything, and naturally he couldn't see that her foot was injured, but by feeling, when Shen Ning helped him, that unforgettable feeling came to his heart again. The feeling of rescuing him in distress was too much like Xiaofeng, he groped and grabbed her hand again, and asked emotionally, his whole heart was throbbing.

"No." Shen Ning shook off his hand, and said coldly, "President Li, I am Shen Ning."

"Oh, I'm sorry, I'm sorry." Li Zhenting woke up from his trance and murmured: "Thank you for saving me."

Shen Ning ignored him, resisting the urge to kick him to death and supporting him to continue walking forward.

After a while, the breeze came, and the birds sang happily, and they had already walked out of the canyon.

She stood on the shore and looked back.

Among the layers, a canyon with shallow bends comes from a distance. In the misty fog, I seem to see a girl kneeling and crawling on the ground with a boy on her back. The sharp stone pierces the Touching her palms and soles, the heart-wrenching pain seemed to be on her body, more like the old scars, rising faintly in the bottom of her heart, which could not be uncovered.

She frowned in pain, her expression was in a trance. Why did such a picture suddenly pop up in her mind?

How can there be a feeling of déjà vu!

At this moment, the mobile phone in her hand rang, interrupting this weird illusion.

The call came in cold blood.

She immediately picked up and explained the situation here. Leng Xue had already led people to the back mountain, and immediately found him and rushed Li Zhenting to the hospital.

In Li's old house, Mr. Li's birthday banquet was still in progress. When Shen Ning entered with Ke Ke, the house was full of guests, singing and laughing.

Shen Ning believes that all of this was arranged by Li Zhenting in advance.

Using this birthday banquet, the biggest crisis against the Li family was successfully resolved.

Under his ingenious arrangements, the distinguished guests were not affected, and the dinner was still held in an orderly manner. Of course, after the dinner, Shou Yan would be over, and everything would return to calm.

only

Li Zhenting went blind.

Chapter 655 I keep all these accounts clearly

Until now, Shen Ning is still full of doubts.

But the most important thing right now is that she and Coco have to go to the upstairs shower room to take a shower and change clothes.

At this time, little Ke Ke's face was covered with mud and sweat, and his clothes were scattered by branches, like a little beggar, and the little guy was not in a good state of mind. He was taken away by bad guys last night, and he was shocked and terrified, now urgently needs a break.

And she was even worse, her hair was messy, her clothes were only messier than Ke Ke's, and even her shoes were torn, exposing a few toes, and she urgently needed to change them.

"Hey, sister, Ke Ke, are you fleeing from the famine? How did you become like this?" As soon as they entered, they met Shen Mei. She was dressed up and looked at Shen Ning and Ke Ke up and down. It's full of sarcasm.

Shen Ning raised his cold eyes, and met Shen Mei's eyes.

Inexplicably, Shen Mei felt a little guilty, she didn't dare to look directly into her eyes, and hurriedly looked away.

"Shen Mei, I have written all these accounts clearly, and I will settle them with you." Shen Ning spoke in a low voice, her voice was as cold as ice.

Shen Mei only felt the cold hit her body, and couldn't help shivering.

"Sister, what are you talking about? Why can't I understand." She pretended to be innocent and asked, since she was stabbed by Shen Ning last time, she was still a little afraid of her.

Shen Ning ignored her and walked towards the elevator with Ke Ke.

"Ah, who is this woman? She looks like a beggar. How could such a person come in from the Li family." Zhu Lingmei saw Shen Ning's mother and son walking in in a panic at a glance, and immediately taunted.

"Isn't this Shen Ning? She was invited by the Li family to be the head of the family. On the big day, she actually made herself like this. She really is a country bumpkin. She can't stand on the stage. Even wearing good clothes on her body can't conceal the essence of a poor country bumpkin. ." Lan Feiyun sneered at the side.

Coco was furious.

"Don't speak ill of my mommy, you are all bad old witches, get lost, don't eat at our house." Ke Ke was so hateful, she turned around, put her hands on her waist, and yelled at these women.

When they saw it, they stopped talking. After all, this was the Li family, and they were all guests. No matter what, Ke Ke was Li Zhenting's son, so they bowed their heads and went to eat.

"I tell you, if you bully my mommy again in the future, I will kill you." Ke Ke raised her fist and threatened aggressively, and followed Shen Ning into the elevator.

"This little **** just got married yesterday, and he's so rampant today, I think it will be terrible in the future." Lan Feiyun pulled Shen Mei aside, and said angrily, "You, it's really useless, if things come to fruition, can this kid still be proud here, he has already gone to see the King of Hades."

"This is all Lan Lan's fault. How could I have thought that Lan Lan fell in love with Ke Ke and let him go." Shen Mei also gritted her teeth in anger. Ke Lan Lan is her own daughter, so she has nothing to do.

"Hmph, it's really useless." Lan Feiyun's face was gloomy.

It would have been perfect to use Li Xueyan's hands to get rid of Ke Ke and Shen Ning this time, but as a daughter of hers, she always failed to succeed, so she could only get angry.

In the shower room.

"Ke Ke, did the man in black pinch the wound on your arm?" When Shen Mei took off Ke Ke's coat, she saw the black bruises on the child's arms, and her face turned livid immediately.

Chapter 656 Then can I sleep with Coco?

"Yes, Mommy, the man in black said he was a ghost, but he wasn't at all. When he pinched me, his hand was still warm. It hurt so much." Ke Ke raised her small face, with fear still in her eyes.

A surge of anger made Shen Ning's heart, liver and lungs twitch. However, it was the man in black and the woman who frightened her the most.

They were holding the child in their hands. If they guessed correctly, the child should have come from Ke Ke, but Ke Ke was clever and used Lan Lan to run away. They had no choice but to find another child to replace him.

Judging from the situation behind, that child's fate was miserable, and he was thrown directly from the branch.

If that kid is real, it's a living murder.

Being so cruel to children is simply insane.

"Ke Ke, I'm sorry, Mommy didn't protect you well." Shen Ning stroked the bruise on the child's arm, filled with guilt.

"Mum, it's okay. The police uncle will definitely arrest those two bad girls. I don't feel any pain now." Ke Ke nodded sensibly and wanted to take off her pants to take a bath by herself.

Sudden.

"Coco, Coco." Coco just took off his trousers, and Lan Lan opened the door and ran in excitedly.

She saw Ke Ke just now, she was very happy, and ran up after taking a few mouthfuls of rice.

Coco was so frightened that she immediately pulled up her trousers and shouted: "Hey, Lan Lan, this is where boys take a bath. How dare you run into a boy's room at will, get out quickly."

"Ke Ke, I won't go out." Not only did Lan Lan not leave, but she got closer to him with a bright smile, "It's okay, I won't look at you."

"You ran in, you saw everything, and you said you didn't know how to read it, is there anyone like you?" Ke Ke rolled her eyes at her.

Lan Lan felt a little scared when he saw his angry appearance, and looked at him timidly: "Ke Ke, didn't you say that you will play with me every day from now on."

"Do I have to play with you when I take a bath and pee? It's so childish and ridiculous." Keke said angrily, "Get out, I'm going to take a bath, although you have a thick skin, I still don't want you to see me bath."

"Okay, then I'll go out and come back later." Lan Lan's face turned pale from what Ke Ke said, so she had to go out silently.

Shen Ning was amused and annoyed watching it.

"Ke Ke, Lan Lan is a girl with low face. You are a man. A man must behave like a gentleman. You can't yell at girls. That's very disrespectful and impolite." After Lan Lan went out, Shen Ning said softly. Coco said.

"But, Mommy, I hate her so much, I don't like her at all, she just likes to cling to me." Coco said annoyed.

Shen Ning smiled: "Ke Ke, Lan Lan's ability to cling to you shows that you are excellent. Excellent people are generally very self-cultivated, very polite, can tolerate other people's shortcomings, and can be kind

and friendly with others, not Swearing at each other, you don't like her, you can express your point of view at the right time, but don't treat people like this, especially girls, it will make you vulgar."

"Okay, Mommy, I will try my best to be polite to Lan Lan in the future, and at worst just ignore her." Ke Ke nodded half-understanding.

"Okay, go take a shower quickly, and go to bed right away after you take a shower, look at you, you don't have any energy at all." Shen Ning said distressedly while stroking Ke Ke's head.

"Okay." Coco happily turned around and went into the bathtub.

Shen Ning turned around and went to get Ke Ke's pajamas. As soon as he walked out, he saw Lan Lan standing against Ke Ke's bed, probably waiting for Ke Ke.

"Lan Lan, Ke Ke didn't sleep all night last night, and now he's tired and sleepy, can you come and play with him tomorrow?" Shen Ning thought that if Lan Lan hadn't helped him in Ke Ke's catastrophe, the consequences now would be unimaginable. She didn't like this thoughtful girl, but she was just a child after all, and her heart was not too bad, but she was led astray by her mother, so she whispered to her immediately.

Lan Lan looked at her: "Auntie, can I sleep with Ke Ke?"

She often sees Xiaoxiao sleeping with her arms around Coco's neck and putting her legs on his body. She is very envious, and she also wants to sleep with Coco like this.

Chapter 657 Is this man out of his mind?

Shen Ning looked at the little girl's longing eyes, and couldn't laugh or cry for a moment.

"Lan Lan, it is necessary to consult Ke Ke, but he is too tired tonight, how about this, you go back to your bedroom to sleep, and ask him when you wake up tomorrow?"

"All right."

The little girl had to leave reluctantly.

Shen Ning shook his head, found out Ke Ke's pajamas, picked it up and walked towards the shower room.

only

When she went in, she saw that the little guy had fallen asleep sitting in the bathtub, his little mouth was slightly raised, and his double chin was round and round, which was really cute.

She was stunned for a moment, smiled slightly, and immediately stepped forward to put Ke Ke half in her arms, and began to take a bath for him.

The child must be too tired, Shen Ning didn't wake up while bathing him.

After taking a bath, Shen Ning carried Ke Ke to the bed and covered the quilt, and came in to take a bath by himself. Halfway through the bath, the mobile phone on the cabinet in the dry area rang, and it kept ringing, as if a hair dryer was installed. Like, there is no stopping.

She had no choice but to wrap herself in a towel, opened the glass door and walked out to answer the phone.

"Shen Ning, why didn't you follow me to the hospital? You ran away even though I knew I was blind. What do you mean?" As soon as the call was connected, Li Zhenting's domineering question came from inside. Unable to recover, he stood silently.

"Hey, Shen Ning, what are you doing, I order you to come to the hospital to take care of me immediately." Li Zhenting didn't hear Shen Ning's echo over there, thinking that she deliberately didn't speak, and became more anxious, and directly gave the order over there, Hang up the phone after ordering.

You're crazy!

When Shen Ning came back to his senses, he was so angry that he almost fell down with his mobile phone.

This man must be out of his mind. In that situation, it can be like that. She must bring the child back first. Besides, her feet are bleeding from the stone, shouldn't she come back and wash them?

Just because he is blind and can't see, can he pretend that nothing happened and just gossip about it!

She put down her phone in annoyance, turned it to silent, and went back to take a bath without haste.

She didn't come out and picked up her phone until she washed herself clean and tidied up everything inside.

As soon as I took it, I saw that there were nearly ten missed calls on it, and each missed call was from Li Zhenting.

"There's something wrong." She glanced lightly, put her phone in her pajamas pocket and walked out.

At this time, Ding Ding came over sleepily.

"Mum, great, you and Coco are back." Ding Ding pulled her sleeves, "Mum, you can sleep with me and Coco tonight."

Shen Ning touched his head: "Ding Ding, why haven't you slept so late?"

"Mum, I've been worried about the safety of you and Keke, and I dare not fall asleep. I'll come and take a look every time I sleep. It's great, you and Keke are finally home." Ding Ding yawned big.

Shen Ning's eyes became hot when he heard this, and he hurriedly said: "Ding Ding, go to bed with Ke Ke, Mommy has something to do tonight, so I can't go to bed so early."

"Then Mommy, you should go to bed early too." Ding Ding climbed onto Ke Ke's bed, fell down and fell asleep.

Shen Ning smiled.

Coco and Ding Ding originally slept in the next room, because she was afraid of waking Ding Ding, so she took Coco to take a bath and sleep here, but she didn't expect Ding Ding's heart to be hot, and she was afraid to sleep because she was worried about them.

After she covered the two brothers with the quilt with red eyes, she sat by the bed and stared blankly at the pair of lovely children, feeling warm in her heart.

After a while, there was a light knock on the door.

Chapter 658 Please take care of President Li tonight

Afraid of waking up the sleeping children, Shen Ning immediately stood up and opened the door.

As soon as the door opened, Leng Xue stood in front of the door with a solemn expression.

She was taken aback, there won't be another gangster coming.

"Cold-blooded, what are you doing here?" She asked in surprise.

"Mr. Shen, please go to the hospital to take care of Mr. Li." Looking at Shen Ning coldly, he said directly, "Mr. Li called you a lot, but you didn't answer. He is in a bad mood now."

Shen Ning finally understood why he came, heaved a sigh of relief, and tightened his lower lip.

"Assistant Leng, I'm really sorry. I've experienced too many bad things in the past two days, and I'm in a bad mood. I'm really sorry. I can't take care of him." After a while, she refused directly, Raise your hand to close the door.

"Mr. Shen." Leng Fei blocked the door and said sincerely, "Mr. Li's eyes were severely injured before, and he was about to undergo an operation recently, but it was delayed because of such an incident in the Li family, and now his eyes have been severely injured again. , this time, it's serious."

Speaking of this, his expression was very painful.

Shen Ning was silent for a while, not speaking.

"Mr. Shen, I have already invited Professor Rhodes from France. He will fly over tomorrow to perform surgery on Mr. Li, but Mr. Li's mood is very unstable. He needs you to take care of her, so please demeanor Let's go." Leng Xue then said,

"If Mr. Li did anything bad to you before, I would like to apologize to you on his behalf. Moreover, you should know that Mr. Li has always been arrogant and undisciplined. He can let you take care of him wholeheartedly. This shows that you are in his heart." s position."

Shen Ning sneered and said: "Assistant Leng, I have to thank him for letting me take care of him. Well, don't put a high hat on you. It's completely unnecessary. I think you may not know your boss well. You should ask Shen Mei or a girl called Xiaofeng to take care of him, so that it will help his condition. It's really not suitable for me to go, besides, I have already saved him, and I will do my best."

After she finished speaking, she wanted to close the door again.

But this time, a cold-blooded hand was placed on the door frame.

If Shen Ning closes the door forcefully, the door will be pressed against the back of his hand, which makes Shen Ning a headache.

Leng-Blood is really a bit like Li Zhenting's psychopath in this respect!

Her face tightened.

Cold-blooded and sincerely begged: "Mr. Shen, please take care of Mr. Li tonight. His eyes are seriously injured. He must rest well tonight so that the operation can be performed tomorrow. No matter what, he is the two of you." The child's daddy, the child is still young, I believe you don't want to see him blind forever."

Shen Ning's heart throbbed inexplicably. If Li Zhenting really couldn't perform tomorrow's operation because of his emotional agitation and lack of rest, it would be a bit of a crime.

He is indeed the father of Ke Ke and Ding Ding. From now on, the two children will have to rely on him... If the children know that their father is blind, how sad they will be.

"Mr. Shen, Mr. Li only wants you to take care of him, and never thought of asking for another woman..." Leng Fei saw that she had relaxed a little, and then spoke again.

"Okay, I'll go with you, it's just here for the child..." Shen Ning interrupted him, and looked back at Ke Ke and Ding Ding who were sleeping soundly. The situation is still unclear at the moment, and she is not sure if there will be criminals here.

"Don't worry, I will personally guard the children later. There are still many Baobiao and policemen in the old Li family's house, and the gangsters have basically been arrested. Don't worry, please come with me." Cold-blooded answered immediately.

Shen Ning had no choice but to change his clothes and follow Leng Xue.

In the eye hospital.

"Get out, get out of here." When Shen Ning followed Leng Xue to the hospital, Li Zhenting was sitting in front of the bed. His black suit complemented his strong figure. Looking forward, as if he was looking at something but couldn't see anything, the corners of his eyes and brows were full of exhaustion and pain, when he heard footsteps coming in, he almost shouted angrily.

"Mr. Li, Mr. Shen is here." Leng Xue approached and spoke softly.

Chapter 659 You can't go

"Aren't you not coming?" Li Zhenting sniffed, probably smelling Shen Ning's breath, and after a pause, his thin red lips curled into a sarcasm smile, "Now I'm blind and blind You don't want to see me anymore, do you?"

Shen Ning didn't bother to pay attention to him, but just looked at the suit on his body. Although it was black, there was still a lot of mud on the sleeves on the back of his legs, and the shiny leather shoes on his feet were also covered with mud and dust.

"Mr. Shen, I brought all of Mr. Li's toiletries and put them on the sofa, sorry for your trouble." Cold blood turned to look at Shen Ning, "I'm going to take care of the children now, if you need anything, you can call I gave the phone call to you, Mr. Li, thank you for your hard work."

He said his goodbyes and left.

Shen Ning walked towards the sofa, there were two big bags of clothes and daily necessities, she checked it, Leng Xue was quite careful, and everything was available.

"What are you doing here? Did you come to see my joke?" Li Zhenting still spoke angrily.

Shen Ning took out bath towels and the like, and walked up to Li Zhenting: "Get up, go take a bath first, and change into the hospital clothes."

But Li Zhenting still seemed to be brooding over Shen Ning's failure to answer his phone call just now, Junyi's face was full of gloomy and joyless, just like an abandoned child, he didn't move at all.

"Are you going or not?" Shen Ning folded his arms and asked angrily.

"Don't go." Li Zhenting grew up in the aura of the young master of the Li family. In the business field, his hands turned into clouds and his hands turned into rain. Now that he is blind, he has already foreseen the consequences. The biggest threshold in his heart is that at this time, facing setbacks, he is actually more sensitive and inferior than ever, and is more likely to lose his temper.

"Okay, then I'll bring water over here to wash it, and you can take off your clothes." She reached out to take off Li Zhenting's clothes.

Li Zhenting was frightened by her, and grabbed her hand: "Ningning..."

"What exactly do you want to say?" Shen Ning frowned, and grabbed the clothes on his chest, "Are you going to the bathroom or are you going to wash it here?"

"Okay, I'll go to the bathroom." Li Zhenting gritted his teeth.

Shen Ning, you dead woman, I can't spare you when I get better!

"Let's go." Seeing that he was finally willing to take a bath, Shen Ning helped him up.

Li Zhenting has a slender figure and strong bones. Standing beside him, Shen Ning is petite and weak. When supporting him, she has some difficulty.

Fortunately, he was only blind, and his hands and feet were fine. After Shen Ning helped him stand up, he walked towards the bathroom under her guidance.

"But I can't see, how do I take a shower?" In the bathroom, Li Zhenting stood there and asked blankly.

Shen Ning replied:

"Take off your shirt first and then your pants. Throw your clothes casually, and I will clean them up. I will turn on the shower switch for you. All the clothes you need to change are on the shower rack. Reach for them yourself. Be careful and be safe. That's all. ."

She was about to leave after speaking.

Li Zhenting grabbed her precisely: "No, I can't see, you can't go, you have to help me take a bath."

Shen Ning blushed a little.

Damn, he is a big man taking a bath, how can she help a little woman?

She rolled her eyes at him:

"No, you can do it yourself if you can't see it. I can't help you. If you really want someone to help you, then go to Shen Mei or that Xiaofeng. Give me the phone number and I'll call it for you." Call her over."

Xiaofeng's name inexplicably made Li Zhenting's body tremble.

Shen Ning felt very uncomfortable, dog man!

She took the opportunity to shake off his hand and walk out.

Li Zhenting is helpless!

Dead woman, he cursed in a low voice, but he was still very happy in his heart, after all, Shen Ning came to take care of him.

He gritted his teeth, began to undress himself, and fumbled to take a shower.

Chapter 660 Lied to me

Shen Ning was cleaning things in the room and shining his leather shoes. After a while, he still didn't see Li Zhenting coming out. He was still a little worried, so he quietly walked towards the bathroom.

There is no sound of water flowing inside.

She put her ears on the door panel, and it was very quiet inside, she couldn't help but frowned, this man is fine, he won't commit suicide because of blindness inside!

Thinking about it like this makes me a little worried.

"Ouch." Just as she was about to knock on the door to ask, suddenly, there was a cry of pain from inside.

"What's wrong?" Shen Ning immediately asked in fright.

"I fell, come in and help me." Li Zhenting hummed inside.

"How could this be?" Shen Ning became anxious when he heard this, and pushed the door open.

But as soon as she opened the door, her eyes became eager and her heart beat instantly.

There was steam in the bathroom, and the naked man was standing sideways in front of her, groping for the shower rack.

"Ah." Shen Ning called out quickly, retreated, and closed the door behind his back.

The dead man actually lied, obviously he didn't fall down.

"Li Zhenting, you are sick, you lied to me." She slammed the door, turned and left.

The corners of Li Zhenting's lips curled up slightly. In fact, when a person loses his eyesight, his ears become extremely sensitive. When Shen Ning walked towards the bathroom, he had already sensed it.

Later, she stood outside the door without any movement.

When she thought that she was standing outside the door and might be eavesdropping or peeking at her, she purposely called out mischievously, and sure enough, she was tricked into opening the door.

"Shen Ning, I can't see, help me get the clothes." Li Zhenting shouted outside, but at this time Shen Ning would not be deceived by him again, and ignored him.

Li Zhenting groped for a long time to find the clothes, and slowly groped to put them on, but when he turned around, he stepped on the clothes on the ground, slipped, and really fell down, but fortunately, he reacted quickly, everyone His long arms propped up against the wall, and although he knelt down on one leg, he didn't fall.

It's just that the clothes I just put on are dirty again.

But when he called Shen Ning again, Shen Ning didn't like him at all.

He had no choice but to **** and wash his body again, then he opened the door and shouted outside: "Shen Ning, I'm done washing, come and help me out."

Shen Ning was leaning on the bed and resting with his eyes closed. He didn't stand up slowly until he was sure that he had really finished washing after calling several times.

This time, Li Zhenting was wearing a hospital gown and stood neatly in the bathroom. His facial features were deep and three-dimensional. After taking a bath, his skin was as white and delicate as a woman's.

Shen Ning walked over to hold his arm, and led him to walk outside.

"Pour a glass of water." As soon as she helped Li Zhenting sit down on the hospital bed, he ordered.

"Okay." Shen Ning agreed, walked over and filled a disposable cup with warm water and walked over.

"Feed me a drink." Li Zhenting ordered arrogantly.

"Okay." Shen Ning glanced at him, and passed the water glass in his hand to his lips.

But Li Zhenting just took a sip, and suddenly his face darkened: "Shen Ning, you actually used a disposable cup to drink water for me? I don't drink such dirty water."

Shen Ning was stunned for a moment.

"I want my own water glass." Li Zhenting yelled very unhappy.

Shen Ning was stunned for a moment, and then remembered that Li Zhenting had always only drank water from his own water glass, and no matter where he went, he only used his own water glass.

"It's such a troublesome spirit, so refined." Shen Ning muttered, hurriedly went to look for something in the bag on the sofa, and sure enough, he saw a jade cup inlaid with gold rims in it, and immediately took it out. Fill it with warm water and take it.
