

## Troublemakers 691

### Chapter 691 The children grow up day by day

Shen Ning was helpless, unable to break free, suddenly scratched Li Zhenting's waist.

"Pfft..." Li Zhenting's whole body was itchy for an instant, he laughed out loud, and his arms softened.

Shen Ning took the opportunity to escape.

"Shen Ning, just wait and see, I will let you cry for mercy." Li Zhenting yelled through gritted teeth.

Shen Ning didn't bother to talk to him, and went to tidy up the room.

At four o'clock in the afternoon, Shen Ning was preparing food when the children jumped out of the car and rushed inside.

"Mommy, Daddy." Ke Ke ran in front, with red cheeks on both sides, thick head and thick head, and shouted loudly.

"Daddy, Mommy." Ding Ding followed behind Coco, looking cool.

"Hey." Shen Ning hurriedly washed his hands and dried them, and ran outside.

As soon as she entered the living room, she saw Ke Ke and Ding Ding running towards her.

"Ke Ke, Ding Ding." She hurriedly bent down and opened her arms to embrace them.

"Ouch." Unexpectedly, the two little guys rushed forward, Shen Ning couldn't bear the weight at once, and was knocked backward by the two little meat balls, sitting on the ground with his buttocks.

"Oh." Ke Ke and Ding Ding also rolled down, lying in Shen Ning's arms.

"Haha." Xiao ran out and laughed when he saw this scene.

"Two stinky bastards, get up quickly." Shen Ning also laughed and patted the heads of the two little guys.

Ke Ke and Ding Ding also laughed, supported each other to get up, and then they went to help Shen Ning together: "Mum, I'm sorry."

Shen Ning pretended not to get up, and let the two little guys pull her.

The two little guys held her hand one by one, shouting cheers in unison, not to mention, they were quite strong, and Shen Ning was pulled up by them without much effort.

Until this moment, Shen Ning realized that the children were growing up day by day.

The height of Ke Ke and Ding Ding almost reached her waist, and their physiques are strong. Compared with the cute and fluffy appearance in the first half of the year, they are more solid and robust.

There was a surge of relief in her heart, and she felt that she was so happy.

"Lan Lan, come here." Lan Lan stood not far away and watched them dare not come forward. Shen Mei was already in prison. She hadn't seen Mommy for a long time. Ning's interaction was full of envy, but she didn't dare to come forward. Shen Ning's heart softened. After all, she was only a little over five years old, so how many sins could she have? Besides, she must have saved Keke, she He waved at her.

Lan Lan walked over timidly.

"Lan Lan, from now on, I will live with Ke Ke, Ding Ding, and Xiao Xiao. Let's get along well, okay?" She took her hand and asked softly.

Lan Lan blinked her big eyes and nodded, but Shen Ning couldn't see any sincerity like Xiao Xiao in her eyes, her eyes were erratic, but she agreed very quickly.

Shen Ning secretly sighed, this little girl has been spoiled by Shen Mei, but fortunately, Shen Mei went to prison, and it will not affect her on her growth path in the future.

The child is fine, we must educate her well in the future, so as not to let her go astray.

Xiaoxiao supported Li Zhenting and stood at the door of the bedroom. He was very satisfied and relieved when he heard the children talking and laughing with Shen Ning in the living room, especially what Shen Ning said to Lan Lan.

Shen Ning and Shen Mei are two completely different people, one is passionate, impetuous, and extremely vanity, the other is calm and introverted, as quiet as a lily, fragrant and gorgeous, very similar to his little wind, he thinks this is what he would like The reason for going to Shen Ning.

After dinner, at Li Zhenting's strong request, Shen Ning played the piano for them and played with the children. The family enjoyed themselves and the atmosphere was very good.

Chapter 692 Wrong call, I will punish you

The night is getting darker.

Shen Ning had just come out of the shower room after taking a shower, when he bumped his head against a solid wall of flesh and was shocked.

Looking up, Li Zhenting was blocking the gate.

"What are you doing?" She asked angrily.

Li Zhenting's lips curled up slightly: "I haven't washed it yet."

"Go in and wash yourself, I'll prepare it for you." Shen Ning pushed him away and was about to run away.

Li Zhenting seemed to be prepared, and grabbed her arm: "No, you wash it for me, I can't wash it clean."

After he finished speaking ambiguously, he dragged Shen Ning into the shower room and locked the door behind him.

Shen Ning was pressed against the wall by him, only feeling the man's body was scorching hot, which made her skin turn red.

While she was struggling, the man grabbed the shower head, unscrewed it, and showered them all over their heads.

Shen Ning was soaked instantly, the pajamas she just wore were all covered with water, but she just widened her eyes:

"President Li, the gauze of your eyes can't be wet."

It's only three days today, and the eyes still need to be medicated, and the gauze can't be wet yet.

"What did you call me just now?" Li Zhenting asked aggressively, and after speaking, he took the shower and sprayed himself on himself, "I can't see, and I can't do anything if I get wet."

Shen Ning was afraid of him, so he had to grab the shower and ordered to him: "Stand still, I'll wash it for you."

The corners of Li Zhenting's lips curled into a sly and successful smile: "Obey, wife."

"Don't call me wife."

"What's that called? Remember, you are not allowed to call me Mr. Li again, I have a name."

Shen Ning rolled his eyes at him.

"From now on, you can only call me Zhen Ting or Husband. Choose one of the two. If you make a mistake, I will punish you." He suddenly hugged her into his arms and threatened fiercely.

Before Shen Ning could speak, he held her face in both hands, and kissed her lips precisely...

This kiss was the longest kiss of the century, and Li Zhenting didn't let her go until she had kissed enough. Stars were shining in front of Shen Ning's eyes, but what made her even more frightened was that the gauze covering Li Zhenting's eyes was completely wet .

"Can you be more serious, hurry up and go out after taking a shower and let the doctor come over and change your eye drops." Shen Ning grabbed the shower head and poured it on him.

Li Zhenting won a big victory and began to take off his clothes and take a bath.

Shen Ning had no choice but to close his eyes halfway, trying to concentrate on himself, but this man was really an asshole, he would wipe her oil from time to time to take advantage of her, this bath was really too difficult, and it was already one Hours later.

After Shen Ning came out, he immediately called the doctor.

The doctor quickly came to check the wound on Li Zhenting's eye.

What surprised them was that Li Zhenting's eyes recovered very quickly. Although it only took three days, it could be seen that the eyes were already developing in a good direction.

Shen Ning was very happy to hear that, no matter what, only when the man's eyes are healed, can she escape and regain her freedom.

However, what annoyed her was that Li Zhenting seemed to have mastered her heart, and he controlled her to death.

She is worried...

"Shen Ning, come here." As soon as the doctors left here, Li Zhenting called Shen Ning to take care of him.

Shen Ning was already afraid of her. This guy was very energetic, so she didn't want to go there. When she was thinking about taking care of the children and avoiding him, she didn't expect that this guy was blind and had extremely sensitive hearing. hugged her...

"You're shameless, Ke is mine, you can't hug him to sleep." In the children's room, Ke Ke, Ding Ding, Xiao Xiao, Lan Lan, the four little ones were ready to go to bed after playing for a while, they followed the usual , Xiaoxiao fell asleep next to Ke Ke, and put his arms around his neck, but this time Lan Lan immediately ran over and pushed Xiaoxiao away when she saw it, scolding fiercely.

Chapter 693 You don't mean what you say

"You are shameless, Ke is mine, you can't hug him to sleep." In the children's room, Ke Ke, Ding Ding, Xiao Xiao, Lan Lan, the four little ones are going to sleep after playing for a while, they follow the usual Like that, Xiaoxiao slept next to Ke Ke, and put his arms around his neck, but this time, Lan Lan was very angry, ran over and pushed Xiaoxiao away, scolding fiercely.

Xiaoxiao was stunned by scolding!

Since childhood, she and Ke Ke grew up sleeping like this. When they were young, Ke Ke liked to put their feet on her hands. When they grew up, she also liked to put their feet on his body. Lan Lan is so strong He tried to stop them and pushed her away, why!

"Lan Lan, Ke Ke is my brother, not your brother, why does he belong to you?" Xiao Xiao asked unconvinced.

"Tell you, Keke likes me now, he will be mine from now on, I can only hug him to sleep, you can't." Lan Lan said arrogantly, as if Keke was already her personal property.

Xiao Xiao looked at Ke Ke in disbelief: "Brother, you don't like me, don't you want me?"

After Ke Ke was rescued by Lan Lan last time, Ke Ke hadn't returned to Chunhui Garden. He didn't kidnap him for fear that Xiao Xiao would be worried. Lan Lan told Xiao Xiao about saving him, so Xiao Xiao didn't understand.

Ke Ke just lay down, got up, and stared at Lan Lan: "Lan Lan, Xiao Xiao is my real sister, you are nothing, please stay away from me in the future, I have let you sleep in my arms these few days. I've spent several nights, and you've earned it back, so you won't be able to hug me to sleep in the future."

These days, he was hugged by a fat girl every night, he was hot and suffocated, he couldn't breathe, and he was thinking about getting rid of this little trick, but fortunately Xiao Xiao came, of course he wanted to take the opportunity to get rid of it Get rid of this sticky person.

Lan Lan burst into tears when she heard this: "Ke Ke, you will play with me and sleep with me after you promise, you don't mean anything."

Ke Ke ignored her, just pulled Xiao Xiao and said: "Xiao Xiao, go to bed quickly, don't talk to her, you will always be my good sister, and I will never not want you because of others."

When I heard it, I was happy.

My brother is still the same brother, nothing has changed. She smiled and fell asleep next to him, hugging his neck habitually.

Lan Lan was so jealous that she rushed over and hit Xiao Xiao.

Xiaoxiao was not on guard and was hit in the face by Lan Lan. She cried out in pain and got up to beat Lan Lan.

Ke Ke saw that Xiao Xiao was beaten by Lan Lan, got angry, got up, slapped Lan Lan, and cursed: "Xiao Zuoqing, if you dare to beat Xiao Xiao in the future, I will kill you."

Lan Lan was so angry that Ke Ke and Xiao Xiao played a mixed doubles match and cried loudly.

Li Zhenting was pressing Shen Ning on the bed, when suddenly, the sound of children crying and shouting came from the children's room.

When Shen Ning heard it, it sounded like Lan Lan and Xiaoxiao were crying, his heart sank, and he pushed away the lustful Li Zhenting and ran outside.

"These little bastards." Li Zhenting was pushed away by Shen Ning at a critical moment, and he felt very upset, but there was nothing he could do about it, but what about his children, who were crying so miserably, something must have happened, probably fighting again. He punched the bed, rolled over and did push-ups.

After Shen Ning came over to understand the situation, it turned out that Lan Lan and Xiao Xiao were fighting for cocoa, so he couldn't help laughing and crying. After thinking for a while, he explained the reason to them, and then said: "Lan Lan, Xiao Xiao, from today on, neither of you can talk to me. Coco is asleep."

"why?"

Chapter 694 You are not Daddy's daughter at all

"Because you've grown up, boys and girls can't sleep in the same bed, they have to sleep separately, and as you grow older, the difference between men and women becomes bigger, and you have to be more careful in your words and deeds, understand?" Shen Ning explained to them patiently and meticulously.

"Okay." Lan Lan and Xiao Xiao agreed.

Under the leadership of Shen Ning, they slept in the next bedroom. Because there were not many rooms, Shen Ning was worried that Lan Lan and Xiao Xiao would quarrel if they shared the same bed, so she took the two of them to sleep, which happened to be far away from the room. Li Zhenting.

Li Zhenting waited here and waited until he couldn't see Shen Ning coming, so he sent her a message, but Shen Ning replied immediately: "Don't make trouble, I want to take Lan Lan and Xiao Xiao to sleep, they are still young, your boss is not young anymore, it's time to take care of yourself."

After speaking, he turned off his mobile phone and fell asleep steadily.

Li Zhenting was grinding his teeth over there, if he wanted to bark again, Shen Ning wouldn't bother him at all.

the next day.

Just after breakfast, Lan Lan and Xiao Xiao broke up again.

This time it was because Lan Lan heard Xiao Xiao called Li Zhenting Daddy, Lan Lan was very angry: "Xiao Xiao, why do you call my daddy Daddy?"

It's okay to grab cocoa, but now even daddy is going to grab it, it's too much!

When Xiaoxiao heard this, he hurriedly replied: "Uncle asked me to call him Daddy, and he also said that I will be his daughter in the future."

"That's not it." Lan Lan was mad, if Xiao Xiao also called her daddy Daddy, and she was his daughter, then what was she?

"If you don't believe me, you can ask Daddy yourself." Xiao Xiao held her head up, confidently.

Lan Lan's eyes were red: "You are not Daddy's daughter at all, you are just a bastard."

"I'm not a bastard, I'm Daddy's daughter, and you are a bastard, I hate it." Xiaoxiao retorted, feeling very wronged in her heart.

Obviously she is also Daddy's daughter, so is it wrong to call her Daddy? Why did she become a bastard? Lan Lan is too domineering.

"Daddy." Just as Li Zhenting groped his way out, Lan Lan immediately ran over and told Xiaoxiao about calling him Daddy.

She thought Daddy would scold Xiaoxiao, but she didn't expect that Li Zhenting just smiled and said gently: "By the way, Lan Lan, Daddy forgot to tell you, Xiaoxiao will also be Daddy's daughter in the future, and she will You can call me daddy, you and Xiaoxiao will be sisters from now on, the two sisters should love each other, understand?"

"Wow, no, I don't want to be sisters with Xiaoxiao, I hate her, I don't like her." Lan Lan burst into tears, took Li Zhenting's hand and stomped her feet.

Li Zhenting's face turned cold, and he said angrily: "Don't cry."

This little guy is becoming more and more selfish and egotistical. If he doesn't educate himself well, he will become the second Shen Mei!

Lan Lan was stunned.

She had never seen Daddy treat her so seriously, and she was too frightened to cry for a while, but just looked at him with tears in her mouth, and tears swirled in her eyes, not daring to shed them.

"Lan Lan, Xiaoxiao is Aunt Shen Ning's daughter. She will live with us in the future. We are a family. A family must be united and friendly. We must not be arrogant and bully or look down on others. We must learn to be kind and friendly people. It is difficult to know how to get along with others, instead of deliberately targeting them everywhere. To be honest, Xiaoxiao is sensible and smart, much better than you, and you have to study hard with Xiaoxiao in the future, understand?" Li Zhenting said earnestly.

"Yes." Lan Lan could only nod.

Daddy doesn't like her anymore, and Mummy is gone. From now on, she will be loved by no one.

Thinking of this, tears flowed down my face, and my shoulders shrugged.

Li Zhenting knew that she didn't really understand what he meant, so he knelt down and took her hand, and patiently reasoned with her.

Chapter 695 He can finally see her

At the door of the living room, I watched this scene quietly.

Lan Lan doesn't like Xiao Xiao by nature, and always rejects her. Such two little guys really stay together every day, and I don't know how many troubles they will cause.

She thought of Shen Mei, her eyes darkened.

At this time, the housekeeper and Xiao Li came to pick up the children to go to kindergarten, and Xiao Xiao went to school with Ke Ke and Ding Ding. Shen Ning didn't stop her, but she was very thoughtful.

Logically speaking, Shen Mei has already gone to jail, so she shouldn't worry that someone will hurt the children again, but there is always a feeling of uneasiness in her heart, and she doesn't know where this feeling comes from.

After standing for a while, he bowed his head and walked towards the kitchen.

"Ning Ning." But Li Zhenting immediately yelled at her as if he had extra eyes.

She stopped: "What's the matter?"

"Ningning, you will receive a mysterious gift later." Li Zhenting smiled.

Shen Ning felt a little helpless when he heard that: "Zhen Ting, I don't like gifts, please don't give gifts in the future, okay?"

"No." Li Zhenting immediately refused, what woman doesn't like gifts and romance, this dead woman really doesn't know what to do.

Shen Ning was very helpless, but Li Zhenting insisted on sending her, but there was nothing he could do. It was his fault that people were stupid and had a lot of money, and she couldn't tie his hands and feet.

Sure enough, when she came out of the kitchen, a courier brought her a Chanel bag, and several flower girls also brought a large basket of flowers.

Next, gifts were delivered almost every day, whether it was jewelry, bags, or designer clothes.

No wonder Shen Mei used to be full of jewels every day, so it was all given by men.

It's no wonder that every woman likes to find a rich man. It is true that a rich man can better satisfy women's selfish desires materially.

only

Shen Ning doesn't like these things very much. Anyway, Li Zhenting is blind and can't see whether she likes them or not. Every time he receives them, he throws them in the cabinet. Twenty days later, the cabinet is full of all kinds of heavyweights. Some gifts, she didn't even bother to open them.

During this period, Li Zhenting was very happy every day. With Shen Ning and the children by his side, he was in a very good mood, and his eyes recovered very quickly.

It should be said that this period of time was the happiest time for their small family, and it was also the most relaxing time for Li Zhenting. Every day he stretched out his clothes and filled his mouth with food, surrounded by his beloved women and children, and he handed over all official duties to him. After being taken care of by Leng Xue and the vice president, it is rare to enjoy a relaxing and happy time.

However, the time of happiness is always short-lived. When the doctor came for an examination the next morning, he told Li Zhenting that his eyes had recovered and he could be discharged from the hospital. He was going to remove the gauze for him.

Li Zhenting was not particularly happy after hearing this, because he knew that after he was discharged from the hospital, he would have to go back to work in the Li Group, where a lot of work was waiting for him.

And during this period of time in the hospital, he was so unrestrained and unrestrained, he really wanted to enjoy this kind of life more.

Shen Ning was shocked when he came back from shopping and didn't see Li Zhenting.

In order to buy the freshest sea fish from the fishermen near the sea, she went to buy fish early in the morning every day. She didn't know that Li Zhenting's eyesight had recovered, but she just thought that he was still sitting on the bed waiting for her to take care of him to wash and eat breakfast. , I was surprised when I went in and didn't see anyone.

After she searched around the house and still didn't see anyone, she was a little flustered for a while.

He couldn't have fallen somewhere after going out.

Thinking like this, she ran outside.

"Zhenting, Zhenting, where are you?" Shen Ning yelled loudly after walking around the front and back gardens and still not seeing Li Zhenting.

Under the big tree outside the villa, Li Zhenting stood there and saw Shen Ning looking for him in front of and behind the house. He was in a very happy mood. He stared straight at the slender figure with shining eyes.

He could finally see her instead of groping for her in the dark, and what a joy it was from this angle.

While thinking about it, she saw Shen Ning running to the backyard to look for him again. For a while, she couldn't bear to lie to her, and she couldn't bear to worry her even more.

He thought for a while, took out a pair of scarves from his pocket, covered his eyes, and walked towards the gate.

Chapter 696 She is affectionate and gentle

"Zhen Ting, where have you been?" When Shen Ning returned to the front yard from the backyard, he saw a tall and straight man coming from outside. He wore a knee-length dark blue coat, a white shirt, and had long and straight legs. It was long, the sky was foggy, gloomy and gloomy, but the man lit up the foggy sky like a rising moon, Shen Ning was stunned, and rushed to meet him.

Li Zhenting smiled slightly: "I haven't gone out for a long time, I want to go around."

"If you can't see your eyes, you won't be afraid of falling to your death." Shen Ning rolled his eyes at her, "After the eyes are well maintained, you will fall to your death."

You can go wherever you want, do you need to be in such a hurry. "

When Shen Ning rolled his eyes, Li Zhenting looked at her quietly through the white gauze!

The woman's small mouth is slightly pouted, and there is still sweat on the forehead from looking for him just now. The two \*\*\*\* eyes rolled up and then slid back, very smart and cute.

He reached out and touched her face, but in the end he only wiped the sweat from her forehead.

Shen Ning was stunned, this man touched her face so precisely, and even wiped the sweat from her forehead.

This movement is really smooth, more skilled than those who can see.

Could it be that his eyes... can see!

She looked at him suspiciously.

"Sorry to make you anxious." Li Zhenting immediately apologized, staring straight ahead, and groping forward.

Seeing his groping appearance, Shen Ning let go of his doubts.

This guy's hearing and sense of touch are quite developed, it's just by accident, she doesn't struggle anymore.

"Ning Ning, if you can't find me today and I get lost, what will you do?" Suddenly, Li Zhenting asked.

Shen Ning supported him: "There are no ifs in this world."

"I mean hypothetical."

"Assumptions don't exist either."

"..." Li Zhenting was speechless.

Shen Ning helped him into the living room.

"I'll just sit on the sofa." He said.

also!

Shen Ning helped him sit down on the sofa, then went to get him toothbrush and toothpaste, and took care of him to wash up.

What surprised her was that this time Li Zhenting washed his face very smoothly, not as blind as before.

It seems that he has adapted to the dark life.

"Come on, open your mouth and drink salmon bone soup." After a while, Shen Ning brought soup, millet porridge, fresh milk and bread from the kitchen, and began to take care of Li Zhenting for breakfast. She took a mouthful of porridge and blew gently. It was sent to Li Zhenting's mouth.

Li Zhenting has been looking at him.

He was curious about how she took care of her when he couldn't see him, and now he could take a good look at it.

She was sitting in front of him, wearing a homely sweater, with a plain face, two healthy blushes on her cheeks, and bright and clear eyes. When feeding him, she was meticulous and gentle, as if she was taking care of a child.

He was stunned for a while, a little dazed.

Shen Ning couldn't help frowning after feeding a few mouthfuls. He said just now that he reacted quickly, but he didn't expect it to be even more sluggish now.

After feeding again, he looked up and saw that there was soup dripping from the corner of his lips.

She hurriedly picked up the tissue and wiped it carefully and gently for him, with a focused expression.

When he couldn't see her before, Li Zhenting couldn't imagine the expression on her face. He didn't know whether it was disgust or distaste, but now he can see clearly. She is very focused, even affectionate and gentle.

He couldn't help but take her fingers.

Shen Ning was startled and looked at him.

He suddenly moved forward, couldn't hold back, pretended to fall, and fell directly into her arms, and his lips blocked her red lips.

Shen Ning was startled, and hurriedly put down the soup bowl. At this time, Li Zhenting's hands had already wrapped around her waist, pulled her into his arms, and started kissing directly.

Before Shen Ning could react, Li Zhenting had already opened her teeth, occupying her breath...

Her mind was in a mess, she didn't understand such a difficult movement, people fell down, and the soup in her hand would be safe and sound.

But she couldn't think at all, and was almost breathless after being kissed by Li Zhenting.

Chapter 697 This is a real bully, he can't see it

"Can you have a good breakfast." After finally finishing the kiss, Shen Ning broke free from Li Zhenting's embrace, puffed out her cheeks and stared at him angrily.

"I'm sorry, I was wrong." Li Zhenting saw Shen Ning's angry appearance, and immediately admitted his mistake honestly, "But I can't eat breakfast now, I just want to eat you."

"You..." Shen Ning stood up and was about to leave.

"Ningning, don't go, I'll have a good breakfast." Li Zhenting took her hand precisely, with a flattering expression on his face.

Shen Ning stared at him.

The man began to sit properly, with an expression of 'I'm very good'.

Shen Ning thought for a while, then sat down again: "If it doesn't taste good, then go hungry."

"Okay, I will definitely eat it." Li Zhenting nodded his head.

Shen Ning started to feed him breakfast again, this time he was very cooperative and well-behaved, and he finished breakfast in a short time.

"Ning Ning, there are part-time workers who come to do the rough work of washing dishes, so you don't have to do it." After breakfast, Li Zhenting said, "When a fashionable outfit arrives later, try it out and see if it fits you."

He gave her many gifts these days, but unexpectedly, she didn't wear any of them. This time, he wanted to urge her.

"Okay." Shen Ning didn't bother to reason with him, anyway, she really got used to the habit of receiving gifts every day, and he couldn't see it, so she wouldn't know if she wore it or not, so she agreed perfunctorily.

Not long after, the doorbell rang. Shen Ning opened the door and saw that an international brand company had given her a set of fashion.

This set of fashion is relatively complete, including a winter skirt, warm top, shoes, and a snow-white fox fur coat. It looks very expensive at first glance. If you wear it, you can instantly turn a beggar into a local tyrant.

Of course, if this suit is worn on Shen Ning, she will definitely transform into a famous lady.

But she has four children to take care of, plus the giant baby Li Zhenting, can she wear these clothes?

Therefore, after receiving it, she opened the cabinet and stuffed it in, and it was over!

"Ning Ning." Shen Ning was sitting on the sofa dealing with Gu Qi's business, when Li Zhenting suddenly spoke behind him.

She raised her head, and Li Zhenting had already walked to her side.

"What's up?"

Today Li Zhenting is not stable at all, he doesn't stay in the bedroom quietly like usual, or answer the phone to deal with the business of the Li Group, but walks around, which really makes her worry that he will fall down.

"Have you put on any clothes?" In fact, as soon as Li Zhenting came out, he saw Shen Ning with his face in the sky, still wearing the same sweater, and he didn't wear any clothes at all. He asked this on purpose.

"I wear it, it's pretty good, thank you." Shen Ning replied lightly.

The corners of Li Zhenting's lips twitched, this woman really thought he couldn't see, she was blind.

"Touch it for me, the fox fur is very soft." He said this deliberately.

Seeing that he was serious, Shen Ning hurriedly said, "I just tried it, it's pretty good, I put it away."

"Why put it away? Clothes should be worn after you buy them."

"This...isn't the clothes you just bought need to be washed first, and then I will wear them after washing them."

"I have already been washed by someone, so I can just wear it."

"Uh..." Shen Ning was speechless.

"Hurry up and put it on." Li Zhenting ordered forcefully with a sullen face.

Shen Ning was so quarreled by him that he had no choice but to go to the guest room and open the cabinet door. After dawdling for a while, he put on the fox fur coat and came out.

"Touch and see, I've already put it on." She walked up to Li Zhenting and smiled playfully, took his hand and touched his arm, "The quality is pretty good, thank you."

This dead woman just wanted to fool him with only a coat on. This is really bullying him so he can't see it.

He suddenly grabbed her and touched her chest.

"Ah." Shen Ning was shocked, and hurriedly backed away, but Li Zhenting had already grabbed the clothes on her chest, she screamed and struggled, and when she raised her hand, her fingers pulled the gauze on Li Zhenting's eyes.

In an instant, the gauze \*\*\*\* by the man casually fell down.

Chapter 698 I will take you to a place tomorrow

Shen Ning was stunned for a moment, and looked into Li Zhenting's eyes in panic.

It's over, the eye gauze has been torn off by her, what about the wind in the eyes?

But when she looked at Li Zhenting, she met the man's deep and gloomy black pupils. The black pupils were as deep as a deep pool, as if they could absorb her soul.

She opened her mouth, looking silly.

"Li Zhenting, what a bastard, you lied to me." After a long time, she finally woke up, and it turned out that Li Zhenting's eyes were already healed, no wonder his words and deeds were so abnormal today, I dare say he has been pretending to be coercive and deliberately teasing Her, furious, she jumped up and punched Li Zhenting with both fists.

Li Zhenting dodged and laughed.

"Li Zhenting, is it fun for you to lie to me?" After a while, Shen Ning asked angrily.

"I just want to see how you take care of me, and I don't intend to lie to you. Don't be angry." Li Zhenting saw that Shen Ning was really angry, so he tried to comfort him.

In fact, he didn't want to lie to her at first. After the doctor left in the morning, he was so stimulated by the strong bright light that he couldn't open his eyes. The doctor told him to apply it slowly. After many days, Shen Ning wanted to give her a surprise, so after seeing Shen Ning, he still put on gauze.

I just didn't expect that after he secretly saw Shen Ning, he felt very amusing, and she didn't take any of the jewelry he gave her, so she was a little angry, and wanted to tease her secretly.

"Who are you, President Li, I dare not be angry with you." Shen Ning pushed him away, walked towards the guest bedroom, and closed the door behind his back.

"Hello." When Li Zhenting chased after him, the door was already locked.

This woman's temper is really growing!

He sat down on the sofa in frustration, regretting that he shouldn't have lied to her.

During lunch, Li Zhenting was extremely bored.

Originally, if he was still blind, Shen Ning would have to feed him, but this is good, Shen Ning just brings the food to the table, and doesn't care if he likes it or not.

This made him extremely disappointed for a moment!

In the afternoon, Li Zhenting offered to pick up the children together!

Shen Ning acquiesced.

After all, if the children see Daddy's eyes healed, I don't know how happy they will be!

"Put on that suit first." Seeing Shen Ning in amateur attire, Li Zhenting ordered.

"No wear."

"Today is the first day my eyes have recovered, and it's also the first time we've picked up the children for so long. Shouldn't we dress more formally?" Li Zhenting persisted, "And if you dress decently, the children will be happy."

After thinking about it, Shen Ning had no choice but to agree.

After a while, Shen Ning came out from inside.

Li Zhenting's eyes lit up.

I saw that she has an elegant and noble temperament all over her body, and her expensive clothes are generous and decent, which is only worse than that of a famous lady!

Sure enough, his vision is good!

"Shen Ning, get your household registration book and ID card ready when you come back." As soon as Shen Ning came over, Li Zhenting took her arm and solemnly ordered.

Shen Ning looked confused: "What do you do with the household registration book and ID card?"

Li Zhenting smiled inscrutably: "I will take you to a place tomorrow."

Shen Ning was stunned for a moment, probably guessing something, and fell silent.

The entrance of Blue Whale Kindergarten.

The four little guys lined up and walked out full of energy.

"Look, Daddy is here."

"Ah, Daddy's eyes are healed, that's great."

"Mommy is so pretty."

...

Coco, Ding Ding, Xiao Xiao shouted out in surprise.

Chapter 699 The woman he loves is always not her, but Xiaofeng

"Daddy." Lan Lan was the first to rush over when she saw Li Zhenting.

But she was too fat, and after only a few steps, she was overtaken by Ke Ke, Ding Ding and Xiao Xiao who came running after her. When she ran over wheezing, the three little guys were already in Daddy's arms, competing Kissing him, congratulating him on regaining his eyesight, Lan Lan pursed her lips and squeezed desperately, trying to squeeze Xiao Xiao out.

Li Zhenting embraced Lan Lan in his arms.

"One, two, three, get up." Li Zhenting held the four little guys in his long arms and said "Get up", and immediately hugged the four little guys.

The four little guys were lifted into the air by their daddy, shouting with excitement.

Shen Ning stood by and watched this scene, standing pensively, preoccupied.

In the evening, Li Zhenting booked the most luxurious private room in the six-star hotel, and took her and the children to celebrate.

During this period of time, they were used to eating Shen Ning's food, occasionally changing the taste of the environment, and the children ate very happily.

At the dinner party, the children were making noise, Li Zhenting laughed from time to time, and the atmosphere was relaxed and joyful.

It was late at night, and Shen Ning was lying on the bed rolling over and over, unable to sleep.

Li Zhenting's eyes are already healed, and it's time for her to leave with Xiao Xiao.

But why is her heart so sad and reluctant?

She is reluctant to part with Keke and Ding Ding, and also the man who made her love her whole life...

During this period of time, the scene of Li Zhenting and her loving each other flashed through my mind, and I suddenly felt that I had fallen into an unfathomable deep well and was unable to climb out no matter what.

Finally fell asleep in the middle of the night, but a voice kept ringing in my ears, "Xiaofeng, Xiaofeng." "

She opened her eyes suddenly, staring straight at the ceiling.

A figure of a man looming in the darkness, he is Li Zhenting.

In the dream, he called Xiaofeng all night, just like in the hospital that day, he was blind and had a high fever, and he also called Xiaofeng all night.

The woman he loves is always not her, but Xiaofeng.

Neither she nor Shen Mei is his lover.

In the afternoon, Li Zhenting asked her to prepare her ID card and household registration booklet, and she already understood what he meant.

That is to go to the Civil Affairs Bureau to get a marriage certificate with her and remarry.

But he doesn't love her.

Does she still need a loveless marriage? For Ke Ke and Ding Ding, out of responsibility, he would choose to marry her, but she didn't need this kind of marriage long ago.

She got up and began to dress quietly.

Xiao Xiao fell asleep deeply.

Shen Ning only took the bag he carried with him, picked up Xiao Xiao who was still sleeping, and left the hospital's sea view room.

When she finally left, she looked back at the stern ward, and walked resolutely into the darkness.  
the next day.

"Mr. Shen, the raw materials and fragrances are in a hurry. The sales of perfumes have been good during this period, and the stock of fragrances has been used up." She had just entered the office, and the manager of the marketing department and the director of the production department walked in one after another, with anxious tones.

Ever since the severance of ties with the Jing Group, Gu Qi was faced with a shortage of raw materials. Fortunately, Marley had the foresight to stock up a lot of goods in advance, which allowed him to survive this period of time.

"Okay, I got it, how about it, book the ticket immediately, and I will go to the United States to deal with the raw materials immediately." Shen Ning ordered decisively.

Although she has been taking care of Li Zhenting these days, she has never let go of the company's principles.

"Okay." The sales manager agreed and walked out.

Fifteen minutes later, he walked in and told Shen Ning that he had already booked a flight ticket, the plane at ten o'clock in the morning.

Shen Ning immediately packed her luggage, called Marley, and asked him to take her to the airport.

"Ningning, can going to the United States solve the problem of raw materials?" Marley was worried along the way.

Shen Ning smiled: "No matter what, I have to take this step. As long as I have money, I believe that I can purchase raw materials. The key is to choose a trustworthy company for long-term cooperation."

"Well, then you must pay attention to safety."

"Don't worry, I will." Shen Ning nodded.

An hour later, the plane pierced through the blue sky and white clouds, Shen Ning looked down at the earth under the blue sky and white clouds, and his heart was pounding.

This trip is just right, just to avoid Li Zhenting and let him calm down for a while. Maybe, when she comes back, everything will be different. After all, Li Zhenting is also a shrewd businessman, who knows how to weigh his pros and cons, and also understands his own emotional choices.

Chapter 700 It turns out that caring about people is so uncomfortable!

It was already early in the morning when Li Zhenting woke up, he picked up his phone and checked, it turned out that it was half past seven.

This sleep was really deep!

It's been a long, long time since I've had such a deep sleep!

"Daddy, where's Mummy? We're going to be late soon, we haven't eaten yet." He stretched himself, and heard Ke Ke's immature voice shouting at the door.

Li Zhenting was taken aback!

It's already this time, haven't the children had breakfast yet? What is Shen Ning doing?

He immediately got up and opened the door.

At the door of the room, Ke Ke was standing there in Mickey's little pajamas, her hair was messed up, and there was gum in the corner of her eyes. She obviously just woke up.

"Where are Ding Ding and Lan Lan? Isn't your mommy at home?" He asked in surprise.

Coco nodded: "I just woke up, Ding Ding and Lan Lan were still sleeping, I didn't see Mummy and Xiao Xiao anymore."

Li Zhenting froze for a moment, and hurriedly followed Ke Ke to the bedroom where Shen Ning slept.

Lan Lan was still sleeping, her little face was flushed from sleep, but Shen Ning and Xiao Xiao were no longer on the bed.

He walked out:

"Shen Ning, Shen Ning."

The room was quiet, without any sound.

He suddenly felt an inexplicable flustered feeling. The house that was still very lively last night was surprisingly quiet at this moment, like a primeval forest, which was a bit eerie.

Early in the morning, she should have gone to the beach to find fishermen to buy fish!

After all, she gets up very early every day.

But it doesn't seem right, even if she is going to buy fish, she will already be back at this time of the day, after all, she has to take care of the children, wash up, eat breakfast and go to kindergarten.

Where did you go today?

"Ke Ke, go and wake up Ding Ding, you brush your teeth and wash your hands, and the housekeeper and Sister Li will come and take you to kindergarten later." He told Ke Ke, went to Lan Lan's bedroom, and woke her up. Asked: "Lan Lan, where is your Aunt Shen Ning?"

Lan Lan couldn't even open her eyes, she pouted, "Daddy, I don't want to go to kindergarten, I want to sleep."

After speaking, he fell down and fell asleep again.

Li Zhenting glanced at the room, everything was as it was, but something seemed wrong.

He opened the closet and gasped.

The closet is full of gifts, all from him for her.

Many of them were not even unpacked, and they were all stacked together.

He was stunned, and suddenly felt that he didn't understand Shen Ning at all.

In the past, Shen Mei would always be happy when she received a gift, and enjoyed it, but Shen Ning didn't seem to be interested in these things, and her reaction was indifferent.

He really doubted whether she was a woman.

He woke up Lan Lan again and asked her to wash up by herself, while he went outside to call Shen Ning.

But soon, his face became gloomy.

Because Shen Ning's phone was turned off when he called.

Where did this dead woman go?

soon

Butler Luo and Xiao Li walked in from the outside to pick up the children to the kindergarten.

Li Zhenting had no choice but to ask Butler Luo to take the children outside for breakfast first, and then send them to the kindergarten after eating.

He stayed in the house and continued to wait for Shen Ning.

But until noon, Shen Ning still didn't come back with Xiao Xiao.

He began to have a bad feeling: Shen Ning might leave him with Xiao Xiao!

only

After searching around the house, he found that except for Shen Ning's bag, everything else was still there, especially after the few small clothes were not taken away, he felt more at ease, after all, the child's clothes still need to be taken away. yes.

He called her again, but the phone was always off.

sudden

He was worried again.

It's so early in the morning, she wouldn't go out and something happened.

Thinking of this, I was horrified, and immediately called Gu Qi.

It was the secretary who answered the phone, and said bluntly that he hadn't seen President Shen go back to Gu Qi for work for many days.

After putting down the phone, Li Zhenting was shocked. This was the first time in his life that he was worried about a woman, restless, worried about gains and losses, and restless.

It turns out that caring about people is so uncomfortable!

He sat down in bewilderment, and began to wait again.

Shen Ning probably took Xiao Xiao out for shopping, and he should be back soon!

Just waiting like this, but until the evening came, she still didn't see her come back with Xiao Xiao.

He was sure that she had left with Xiao Xiao.
