

Troublemakers 71

Chapter 71 You Are Not a Stepmother

"Daddy, she took the initiative to pour a cup of boiling water into my mouth." Coco immediately exposed her plot and stuck out her tongue, "My tongue is scalded, it hurts so much."

Coco cried sadly.

Li Zhenting was shocked, and hurried up to check.

Sure enough, Coco's tongue was a little red.

For a while, he couldn't tell who was right and who was wrong, but the child's tongue was injured, and he felt very distressed, so he hugged him up.

"My feet were also burned." At this moment, Keke pointed at her feet again, and said aggrievedly.

He was wearing little slippers, and it was obvious that his white and tender feet were red.

Li Zhenting's eyes dimmed, and he hurriedly put him on the sofa to get the medicine box.

After getting the medicine box, he squatted down and carefully applied it to the little guy.

Shen Mei sat by the side and watched him busy with his son, feeling very uncomfortable. In fact, her burns were much more serious than Ding Ding's, but he always only had the child in his eyes.

After a while, Ding Ding's ointment was finished.

"Okay, Ding Ding, Daddy will send you back to your room to rest, I'm going out soon." Li Zhenting picked up Ke Ke and wanted to send him back to the bedroom.

"No, Daddy, I'm going to find grandma." When Ke Ke heard that Daddy was going out, he panicked, he didn't want to stay at home with Shen Mei, a vicious ugly witch, and immediately yelled loudly.

"No, grandma has something to do today, so you can't go."

At today's tea party, Li Zhenting arranged for Li Wanqing to receive some important guests, so naturally Ding Ding couldn't follow.

"Then I'll go to Xiaoxiao's house to play." Coco changed the target.

When he was in kindergarten today, Xiao Xiao told him that Mommy would have to work overtime tonight, so he could go and play with Xiao Xiao and Ding Ding.

Li Zhenting listened, but didn't say anything, it was almost six o'clock, it was too troublesome to go like this.

"Daddy, I'm going to Xiaoxiao's house." Coco started to **** off, sitting on the ground and crying non-stop.

Li Zhenting had a headache:

"Will the little mummy agree?"

"Yes." Coco was sure.

"Then ask Little Mummy to call me." Li Zhenting had no choice but to say this.

"Okay." Unexpectedly, Keke immediately agreed, took out her phone and watch, and started sending text messages to Xiaoxiao.

"Zhenting, why didn't you notify me of tonight's tea party? Am I not worthy to attend? Gu Qi also has my share?" Shen Mei recalled her own thoughts and looked at Li Zhenting aggrievedly.

Li Zhenting said lightly: "You can stay at home and be Mrs. Li. Don't interfere with Gu Qi's affairs for the time being. I have my own measure."

"But you can also see that Ding Ding is getting more and more malicious towards me, you have to think about it for me, I'm so aggrieved." Tears welled up in her eyes.

"Don't worry, I will do Ding Ding's ideological work, you are not a stepmother, he will accept you sooner or later." Li Zhenting comforted, but at the same time felt that Ding Ding's attitude was not good.

But today Ding Ding's tongue was burned, and her feet were also burned. Although Shen Mei also suffered from burns, but she is an adult, and a child can still be burned with adults around. No matter what the reason is, Shen Mei has an unshirkable responsibility.

"At the same time, you have to reflect on yourself more, and think about why your child doesn't like you? Why don't you accept you? There must be many things you haven't done well enough." Li Zhenting accused without mercy.

Shen Mei's face darkened.

At this time, Li Zhenting's mobile phone sounded.

He received a message from a little imitation Shen Ning:

Ding Ding's parents, let Ding Ding come and play with Xiao Xiao, Xiao Xiao likes him very much, I welcome Ding Ding to come and play at home.

Looking at it, Li Zhenting had nothing to say, so he had to go out with Coco in his arms.

Shen Mei looked at the backs of the father and son going away, with a cold light in her eyes.

After a while, she went upstairs to tidy up and called the driver. Regardless of the pain in her feet, she went to Shengtian Hotel.

How could such a lively tea party be without her!

Chapter 72 Never let go again

Shengtian Hotel.

Shen Ning is busy in the conference room.

The tea party is only one hour away.

Sudden

At the gate, a gentle and refined man walked in.

Secretary Li's eyes widened.

Jing Chenxi!

He actually came!

"Ning Ning." Jing Chenxi strode forward, stood beside Shen Ning, and said with a smile.

"Mr. Jing, why are you here?" Shen Ning was surprised when he looked up and saw him.

After all, today's tea party only invited women from the imperial capital, men were not invited.

Jing Chenxi just smiled slightly, did not answer her words, looked her up and down, and frowned slightly:

"Ningning, do you just wear this?"

"Yes, what's wrong with that?" Shen Ning looked down at his clothes. Although the clothes were not gorgeous, they were clean and decent.

Jing Chenxi shook his head: "Ning Ning, all the rich wives and daughters of the upper class who are here tonight, they usually pay great attention to appearance, at the very least, you should also put on makeup and dress more delicately, so that it is also a respect for them, and they are easy to accept your products."

After Shen Ning heard it, he felt that what he said made sense.

But now the tea party is about to start, where will she go to put on makeup, and the economic power does not allow it.

When he was in distress, Jing Chenxi beckoned out.

instant

Three or five men and women came over each carrying a large bag and a small bag. They were wearing uniform clothing and decent light makeup, and it was obvious which professional makeup artist they were.

"Go to the dressing room immediately to change Miss Shen's dress and make up, and act quickly." Jing Chenxi ordered.

"yes."

They agreed and dragged Shen Ning away.

Shen Ning wanted to say something else, but she couldn't help herself, and they had already been taken to the dressing room and sat down in front of the dressing table.

They immediately get busy.

Forty minutes later.

Shen Ning stood in front of the makeup mirror.

"Ah, Ms. Shen, you are so beautiful." The make-up ladies beside me exclaimed.

Shen Ning looked at himself in the mirror, a slim evening dress with a waist, dignified and generous, the fabric of the skirt is delicate, the texture is as lifelike and vivid as scattered fluorescent light, the velvet hem of the skirt is combined with modern fashion elements, very Bright and beautiful.

The hair was tied into a strand by a silver-white hairpin and hung behind the head. The white and slender neck was **** and pure, especially beautiful and expensive.

It seems that Jing Chenxi knows her very well!

The evening dress I chose for her fit her figure and temperament very well!

Such a noble and beautiful evening dress, except for the wedding night with Li Zhenting six years ago, I have never worn it since, and I usually wear it as the girl next door.

But the Shao family used to be celebrities. When Shao Meiqi was alive, she made Gu Qi like fire and tea, and she went in and out of the upper class. Therefore, Shen Ning often followed her mother to various big occasions when she was a child. few.

Right now, she turned around and walked outside gracefully.

As soon as she walked to the side door of the conference hall, she saw Jing Chenxi standing there waiting for her.

As soon as she came out, his eyes fell on her, and immediately, the man's eyes were full of surprise!

Shen Ning is really beautiful, that kind of beauty is pure, crisp, noble and untouched by dust, which is beyond the reach of ordinary women.

Such a woman entered his dreamland many years ago, and became his best dream, out of reach.

He used to desperately pursue her footsteps, following her steps, but for some reason, he got farther and farther away from her.

Until this moment, she was standing in front of him so elegantly and peacefully, so real.

He was so excited, he thought that in the future, he must desperately hold on to what he wants, and never let go.

Chapter 73 When did she become so fashionable and beautiful!

"Ningning, you are so beautiful." Jing Chenxi greeted her, admiring from the bottom of her heart.

"Thank you, Mr. Jing." Shen Ning pursed his lips, showing a faint smile.

"I wish you a successful start tonight and success in no time." He sent his most sincere wishes.

"Okay, thank you. With your kind words, I believe I will." Shen Ning smiled with red lips and white teeth, and walked towards the venue.

Nuoda's venue was set up in an island style, with more than a dozen tables, and each table had souvenirs wrapped in perfume, and flower postcards.

The venue is warm and romantic, with a sweet fragrance floating in the air, which is in line with women's pursuit of romantic love.

At this time, there are only twenty minutes before the meeting starts.

Shen Ning just walked to the door when a luxury car drove over.

The porter immediately stepped forward and opened the car door.

A middle-aged lady, holding the skirt of the dress, got out of the car in a noble manner.

Shen Ning was only stunned the moment he saw her, and immediately had the urge to turn around and run away.

Li Wanqing, her ex-mother-in-law, she is here too!

In memory, she didn't invite her!

"You... Shen Ning?" As soon as Li Wanqing looked up, she saw the beautiful and elegant Shen Ning who was standing at the gate in an evening gown, her eyes widened in shock, and she came back to her senses after a while, so excited that she was incoherent!

"...Auntie, hello." Shen Ning had no choice but to bite the bullet, with a smile on his face, and called out politely.

"Shen Ning, is it really you?" Li Wanqing rushed up and grabbed her hand, her eyes were moist, "You are still alive."

She looked her up and down, and murmured: "Yes, you look much better than before, that's good, that's good, I'm at ease."

She wiped the tears from the corners of her eyes with her hands, sighing.

Shen Ning felt sour in his heart. This ex-mother-in-law was pretty good to him. At least, she was not as difficult to serve as other wealthy mother-in-laws. She still cared and loved her. During those years, She also persuaded her son about Li Zhenting's neglect of her, but his son didn't love her.

"Auntie, I'm fine, please come in." Shen Ning took her hand and led her to walk inside.

"By the way, Zhenting has arranged something for me to do tonight. I have to socialize with those old women. I can't go in and just sit around." After walking a few steps, Li Wanqing remembered her mission, and immediately pulled Shen Ning back. He walked towards the gate again, "Come on, let me help you receive VIPs. I have more experience with them than you."

"Then thank you, Auntie." Shen Ning was very moved.

"Hey, you don't need to say anything to me, thank you, who cares about our mother and daughter." She smiled, "Isn't this all arranged by Zhen Ting..."

At first glance here.

She stopped!

The son arranged this tea party, that means the son already knew that Shen Ning was back, that is to say, he specially arranged this for Shen Ning?

As soon as this thought passed by, joy surged in her heart. Could it be that her son and her...

While thinking about it, he saw a luxury car driving over and parked at the gate, the door opened, and Li Zhenting's slender figure got out of the car.

Her eyes lit up, and she immediately greeted Li Zhenting: "Zhenting, here, come here."

Li Zhenting stood up straight and raised his eyes.

Ge Di

I was stunned.

I saw my mother standing there at the gate with a smile all over her face. Beside her, a reserved and beautiful woman was wearing an expensive evening gown, standing there gently and quietly, with a faint smile on her face, and her temperament was as blue as blue. .

Isn't this Shen Ning!

When did she become so fashionable and beautiful!

Really don't say it

Dressed up like this, her whole figure has changed, and her temperament and image have improved a lot. Compared with the simple girl next door in the past, she is completely different.

Based on her appearance, she will definitely overwhelm all the rich ladies present tonight.

There was an unconcealable surprise in his eyes.

Chapter 74 I Never Loved Her

"Zhenting, come here quickly." Li Wanqing took Shen Ning's hand and greeted Li Zhenting again.

Li Zhenting pursed his lower lip, walked over, his cold eyes fell on Shen Ning's face.

The smile on Shen Ning's face froze only the moment he saw him.

"Auntie, the guests are about to enter the arena. You can greet them here, and I'll go over there to have a look." Shen Ning immediately took his hand out of Li Wanqing's hand, nodded slightly to Li Zhenting, and walked to the other side went.

Li Zhenting's eyes stared at her back, unfathomable.

Li Wanqing thumped him, and said with a smile: "You boy, it's okay, you didn't tell me that Ning Ning came back, you have prepared such a lively tea party for her, and even my mother kept it a secret."

Li Zhenting withdrew his eyes, and said lightly: "Mom, you are overthinking. This tea party is only for the promotion of Gu Qi's perfume, not for anyone."

"You..." The smile on Li Wanqing's face disappeared, this child is still the same.

"Mom, Shen Mei has already given birth to a pair of children for me, please don't think too much." Of course Li Zhenting understood what his mother was thinking, and said lightly, "You should know that I never loved her. "

After speaking, he turned and left.

Brat!

Li Wanqing was very angry and felt very disappointed.

This kid only has Shen Mei in his eyes. I really don't know what's so good about that woman that he is so fascinated. She doesn't think highly of that woman at all! Every time she thinks of Shen Mei, she will sulk! But her son loves her, so what can she do!

At this moment, luxury cars drove over.

She felt guilty towards Shen Ning in her heart, so she wanted to help hold this tea party well, so she went up to meet her:

"Hi, young lady Wan, welcome to Shengtian, please go this way."

"Mrs. Li, hello, welcome to Shengtian, please follow me."

...

Here, Shen Ning is also busy welcoming the pampered young mistresses in the imperial capital!

"You are Shen Ning?" Twenty minutes later, most of the female relatives had arrived, and Shen Ning was standing at the gate waiting for the few people who arrived late. The moon is very round tonight, and the moonlight is like silver. It poured down like a plate, and at the entrance of the hall, a girl in her mid-twenties, accompanied by a maid, was slowly walking over.

The girl is wearing a pure white mid-length dress, dotted with small silver pearls, her long hair is loosely rolled up, and her legs are slender and white with crystal high heels. Under the moonlight, her skin is better than snow, and she looks pure and fresh, with a natural beauty. Beauty.

Shen Ning was stunned for a moment, but didn't know her.

But she actually knew her name!

"Yes, I am." She smiled and replied politely.

But Secretary Li was not around at this time, and she took the roster away. She couldn't call out her name for a while, so she could only guide with a little embarrassment, "Miss, please come with me here."

She led her into the hall.

"Ms. Shen is indeed a natural beauty, beautiful and moving." The woman walked beside Shen Ning, with a decent smile on her face, and she did not hesitate to praise her.

"Where, where, you are too modest, you are the natural beauty, noble and elegant, I am not one-third of you." Shen Ning answered modestly with a busy smile.

Fortunately, at this time, Secretary Li greeted him.

"Ms. Jiang, hello, please sit here." She made a 'please' gesture towards the VIP chair in the middle, and led her to go inside, saving Shen Ning from embarrassment.

Shen Ning stopped and breathed a sigh of relief.

At this time, Jiang Xinyun smiled and nodded to her, smiling intentionally or unintentionally, her eyes were quite meaningful.

Shen Ning felt a little weird for a while, this girl's surname was Jiang, she seemed to have heard it somewhere, but she couldn't remember who she was.

But tonight, she has a lot of tasks to do, so she doesn't have time to think about these idle things.

She turned around and walked towards the gate again.

Chapter 75 A Brazen Man

This time, Shen Ning had just arrived at the gate and hadn't stood still yet.

Facing him, a gorgeous woman walked over.

She took a closer look, and it turned out to be Wu Lili! His face darkened immediately.

How did she come here?

She will never forgive a woman who beat her son, no matter who she is!

therefore

She didn't go up to meet her, but just looked at her coldly.

why

Wu Lili did not recognize her.

She approached cautiously, with a smile on her face: "This beautiful lady host, I am here to attend the banquet, please give me an extra seat."

"May I ask your surname?" Shen Ning asked deliberately sarcastically.

"I'm the young mistress of the Shaw family, and I want to come to the Gucci perfume tea party. I used to like Gucci's perfume very much, and I will definitely join you in the future." She salivated with a smile, and said in a low voice.

Looking at her appearance, Shen Ning felt a sharp pain in his heart. Such a woman, with the name of the Shao family, tramples on the highs and lows outside. On such an occasion, she actually wants to pretend to be acquainted with the rich and powerful. It is really embarrassing to grandma.

"I'm sorry, we didn't invite you." She sternly refused, just wanting to preserve the last bit of dignity for the Shao family, and also reminded her that she was not invited on this occasion, and a person who is not invited is not qualified. Those who go in, even if they get in, they will only be humiliated!

She wished she could wake up and leave here immediately.

But ever since Wu Lili heard that the tea party was hosted by Li Zhenting, she was all about getting acquainted here, getting acquainted with some rich wives and celebrities in the imperial capital, and satisfying her vanity.

After all, the people who can hold a tea party for Li Zhenting's face are definitely the top celebrities in the imperial capital and the veritable rich family members. She doesn't want to lose such a good opportunity.

"Miss beauty, I am a good friend of Shen Mei, the wife of President Li of the Li Group. She invited me to participate. I didn't just come here." Wu Lili saw that Shen Ning would not let her go, so she had to move Shen Mei out.

Unexpectedly, Shen Ning sneered: "Who is Shen Mei? I'm sorry, she was not invited here at all."

"You..." Wu Lili was stunned for a moment, even Shen Mei couldn't use it anymore, who is this woman, she is so awesome, she raised her eyes to take a closer look, and met Shen Ning's indifferent eyes, after a moment of stunned, His face changed color: "You, you are, you are Shen Ning."

Shen Ning said coldly: "It's me, what's wrong? Is there a problem?"

Wu Lili looked her up and down with wide-eyed eyes, and after a long time, she sneered: "Tsk tsk, I didn't expect you to be a completely different person after a few days, and you really know how to climb. This is entanglement with Li Zhenting again, it's really coquettish, but do you think you can show off your power in front of me by entanglement with him? Let me tell you, don't think too beautifully, Li Zhenting and Shen Mei are going to get married soon, you are a fart, Be careful that someone will clean you up, ahhh."

She spat hard, then suddenly pushed Shen Ning ferociously, and walked in swaggeringly.

An impoverished Shen Ning can participate in this tea party, so why can't she participate.

Shen Ning was pushed back a few steps and almost fell to the ground.

"Mr. Shen, are you okay?" Secretary Li rushed over to support her in time, and frowned at Wu Lili, "Who is this woman? She has no quality. We wouldn't invite such a woman."

"It's just a brazen person." After Shen Ning stood firm, he said coldly.

"Then I'll let the security guard throw her out. She dares to make trouble on such an occasion. I really don't want to mess around." Secretary Li was very angry and wanted to call the security guard.

"Forget it, no need." Shen Ning held her back and shook his head helplessly.

The most important task tonight is to promote the product. A woman like Wu Lili will never go out easily if she makes up her mind to get in. If she uses force, she will definitely make a big fuss. Toss, besides, many media reporters were invited tonight.

Secretary Li had to give up.

She looked at the swaggering Wu Lili, and sneered, "She'd better keep her own tonight, otherwise, I won't be able to spare her."

This woman looks like a master with a face thicker than a city wall. Shen Ning is right, if she really fell out, she would definitely do anything.

They only want to succeed tonight, they really can't afford to lose!

Chapter 76 Original Love

The tea party officially started.

Shen Ning first arranged for the master of ceremonies to play a few small games to enhance the atmosphere, and the new air system also opened the internal circulation, replacing all the indoor air with fresh air.

Shen Ning slowly walked onto the stage.

The assistant pushed over several display racks.

Rows of perfumes and promotional papers are placed on the display rack.

She stood on the stage, and the spotlight hit her, elegant, fashionable and beautiful, like a blooming lily.

The assistant handed over the presenter.

She took it, smiled and began to display Gucci's perfume on the LED screen in all directions, introducing it in an orderly manner.

In the middle, she told everyone a love story in five minutes.

The story is about her mother Shao Meiqi painstakingly creating perfume for love and her marriage to Shen Deshun.

Someone choked up in the venue.

At that time, the story of the daughter of the Shaw family marrying a comedian was almost a household name, and this story was followed by the rise of Gucci, the king of perfume. standard.

The audience was silent.

Shen Ning picked up the first perfume that will be promoted tonight, which is the debut work that Shao Meiqi painstakingly studied.

"Ladies, do you still remember the green leaf fragrance in the 1960s and 1970s? This is Gucci's first perfume, and it is also a classic. It is called Yuan Ai, an old formula, a new variety, very feminine, and can

bring Give us good memories of youth." Shen Ning spoke at a gentle pace, and slowly lifted the bottle cap.

The steam engine evaporated the perfume, and the new air system slowly spread the fresh and psychedelic fragrance to every corner of the conference center.

"Ah, it's it, it's it!" Suddenly, someone in the crowd screamed excitedly, a rich lady ran towards the stage recklessly, and as soon as she ran onto the stage, she snatched the perfume from Shen Ning's hand and shouted excitedly, "I have been looking for it for many years."

She covered her face and wept.

"I have suffered from insomnia every night and can't sleep these years. I just want to find it. I thought I would never find it again, but I didn't expect it to appear. It's great, it's so great."

She held it in both hands and closed her eyes intoxicated.

"Yes, that's the smell. It's my youth, my love." Another rich lady with **** and big buttocks also stood up and ran towards Shen Ning. As soon as she came up, she hugged Shen Ning with tears in her eyes. , became more emotional, "When I broke up with him, I got through it with this perfume. I also wore this perfume when I met him for the first time."

She said and kissed Shen Ning's face.

Shen Ning was hugged by this fat woman, and took several steps back, almost being thrown to the ground.

The meeting room became excited:

"Yuan Ai, the best dream of my life. Ever since I didn't have it, I can only look for its feeling in my dream. Today I finally saw it come back out of the rivers and lakes. I am so happy."

"It's great, my favorite is out again, and I have my own favorite again in the future. I said what happened to Gucci. The product is getting worse every day. I specialize in some fancy things. I have sworn not to buy it. It's gone, but now it seems that I'm going to start immersing myself in love again."

...

Shen Ning was surrounded by these wealthy ladies.

They surrounded her like their queens, admiring her.

Li Zhenting sat on the front right, dignified and majestic, with sharp and deep eyes.

Since he came in, he saw Jing Chenxi who was sitting on the left at a glance. He stared straight at Shen Ning on the stage with all his attention, with an obsessive expression on his face, as if everything around him didn't exist. Even when Jiang Xinyun came in, he didn't notice.

In an instant, his face darkened, the corners of his lips curved into icy arcs, and his whole body exuded a powerful coldness. Those rich wives and daughters who were obsessed by him could only take a sneak peek at the most noble and handsome man in the entire imperial capital. No one dared to come up to him for a ride.

Chapter 77 I will not let you succeed

Shen Ning was a little dazed for a moment.

She knew that her mother's original perfume was popular. At that time, Yuan Ai was sold out as soon as it was launched, and became popular in the imperial capital, setting a record for the number one sales in the perfume industry. It has become the most beautiful and indispensable part of their hearts.

A confident smile gradually appeared on her face, and she believed that Gu Qimo's future development could be expected.

She looked over at the man sitting upright in the convention center.

Coincidentally, Li Zhenting's eyes also looked at her.

The eyes of the two met in the air.

Shen Ning saw that the man's cold eyes were deep and unpredictable, and he couldn't see any emotion.

She pursed her lower lip, and suddenly felt a bright light staring at her from the left, she turned her head away.

Jing Chenxi was looking at him with a smile all over his face, his eyes were shining like stars.

It was only then that she realized that this is how a man's brightest eyes look at a woman.

He gave her a thumbs up and nodded affirmatively.

Shen Ning smiled at him knowingly, with a blush on his face.

Li Zhenting's eyes were as bright as iron, and his face was gloomy.

Shen Ning lowered his head and picked up the second most fashionable perfume: Guilty Love.

This perfume is fresh and refined, sultry and sentimental. It is based on floral fragrance and is very suitable for men and women in love.

Naturally.

When this perfume was blown out by the humidifier, it immediately caused screams from the audience.

Most of the rich women present had their husbands cheating. They immediately thought of their sweet first love, their crazy love, and their emotions broke down again. They all swarmed up and surrounded Shen Ning.

Fortunately, Shen Ning had already prepared a lot of trial kits.

It wasn't until everyone was issued a small bottle that they returned to their seats contentedly.

Next, it is Shen Ning's own original Evil Love NO.1.

This is Shen Ning's innovative research and development based on the original formula. It has become popular in the United States. I didn't expect that when it was taken out, the audience was boiling. This time it was the turn of the rich and wealthy to scream.

After all, this perfume is a representative of fashion. It is only available in the United States, and it cannot be bought in the imperial court. They have long admired and envied it!

Shen Ning generously distributed a small bottle to everyone.

They were instantly moved to tears and regarded it as a treasure.

...

The observation deck upstairs.

Shen Mei's eyes were bloodshot, her face was livid, her hands clenched into fists.

She looked at the crazy rich wives and daughters downstairs, her face flushed with jealousy.

Needless to say, Gucci perfume will definitely become popular in the imperial capital and hit the former glory, and Shen Ning will definitely become a famous person with unlimited scenery.

This is the last thing she wants to see.

In fact, she had already come tonight, but because Li Zhenting did not allow her to appear here, she could only hide in the observation deck upstairs and observe secretly. Originally, she did not think that Shen Ning could be so successful, but now Look, it has exceeded her imagination!

This woman has too much energy.

if...

Her face became more and more gloomy. She reached into her bag and took out a small black bottle. She clenched it tightly, her eyes glistening with coldness!

Shen Ning, I have the final say on whether you can succeed or not!

I will not let you succeed!

She walked downstairs slowly.

"Dear guests, thank you for coming to Gucci's tea party, and thank you very much for your love for Gucci perfume. Now I solemnly announce that this tea party has come to a successful conclusion." An hour later, amidst fierce cheers, the emcee The tea party was declared over.

There was warm applause from the audience.

Shen Ning's eyes were filled with tears of excitement, and he also applauded.

Chapter 78 put her to death

"Slow down." Just as the rich women and daughters stood up contentedly and prepared to leave, suddenly, a woman's voice sounded from behind.

Everyone turned around.

I saw a stylishly dressed woman walking over.

As soon as Shen Ning raised his eyes, he saw Shen Mei walking towards her domineeringly. After being startled for a while, a sneer appeared on the corner of his lips.

it seems

The bad guy is coming!

"Shen Ning, first of all congratulations on the perfect success of your tea party. However, I have received some different opinions these days. Many of them are feedback from the old staff of the company, and some are from the original customers. These opinions are all For Gucci perfume, as the half-boss of Gucci, I have the responsibility and obligation to clarify these issues, you don't mind if I clarify the issues one by one in front of the public." Shen Mei smiled calmly and beautifully, the gestures are particularly elegant, and the voice is very gentle.

People who don't know the inside story really think that she really cares about the company's development and worries about the future of perfume.

Even those rich ladies thought she was here to add points to Gucci perfume.

Only Shen Ning understood.

She came here to tear down the stage, to embarrass her.

If anyone here wants her to fail, it is definitely the half-sister in front of her!

certainly

She will not be afraid.

Having studied the perfume industry for so long, what I am most afraid of is that there will be no problems. If there are problems, it is a good thing.

However, she looked at the man sitting on the far right, feeling cold in her heart.

This is the tea party he called for her. He promised her that he would not let Shen Mei attend.

Obviously the tea party was a success, but he broke his promise and asked her fiancée to come over and tear her down, causing trouble.

A disdainful sneer floated on the corner of her lips.

"No problem at all. Please tell me. The formula of Gucci perfume is pure and clear, and the quality is safe and reliable. It can stand anyone's questions and tests." She answered loudly.

"Okay, then I'll start." Shen Mei nodded, smiled slightly, and took the microphone from the master of ceremonies. The first few questions raised were still normal questions, and they were indeed raised by company employees in the company. and passed.

Shen Ning answered all of them.

At this time, the rich ladies saw that all the questions were normal, and they only regarded it as an internal matter of the company, so they all stood up and prepared to leave.

But at this moment, Shen Mei changed the subject and asked loudly:

"Shen Ning, I received a report today that you have added toxic substances to the Gucci perfume formula. Not only does it smell bad, but it also contains drug ingredients. This will make people addicted and stimulate the spirit."

As soon as these words came out, the entire venue was in an uproar. Everyone looked at Shen Ning, with shocked and angry expressions on their faces.

Shen Ning only felt a fishy and sweet breath welling up from his throat, his eyes went dark for a while, and he trembled with anger in an instant.

She is also the owner of Gucci, but she actually uttered such a terrible question in public at the perfume sales meeting.

This is to kill her and her perfume!

The poison in his heart is truly terrifying!

"Miss Shen, is what she said true? Does the perfume really contain poisonous substances?"

"Miss Shen, does the perfume really contain drugs?"

"Miss Shen, it's terrible, why are you lying to me like this?"

"Miss Shen, please answer this question head-on. If you can't produce strong evidence, we will sue you and let the media expose it, so that you will not be able to survive in the imperial capital in the future."

...

All kinds of voices of doubt swept over.

If we say how popular she was just now, how much she is spurned by them now.

Chapter 79 Is there any evidence?

Shen Ning looked at Shen Mei with cold eyes, and his body trembled slightly with anger.

Shen Mei stood softly and weakly, seeing that Shen Ning was disgusted by these rich wives like a dog in water, she was happy in her heart, but her face remained calm, and she even looked at Shen Ning with compassionate eyes, hating iron. Just look.

"Sister, I'm sorry, I know that bringing it up like this will bring you a bad reputation, but Gu Qi is a big brand, and I can't do any deception. I can only kill my relatives righteously. If someone complains in the future, it's better to point it out and correct it now. Well, don't you think so?"

The care and worry on her face seemed as if Shen Ning was really mixed with harmful ingredients.

Before Shen Ning could speak, a person jumped out suddenly:

"Madam Li, you don't have to worry about anything. Shen Ning is a scheming woman. She came back this time to pester your fiancé. You don't need to feel sorry for her. She has done bad things, so send her to the police station."

Shen Ning took a look, but it was Wu Lili!

This Wu Lili has been hiding in the crowd. When Shen Ning was sought after by rich wives, she also followed to **** a lot of perfume trial packs, taking advantage of all the advantages. Seeing that Shen Mei came out to clean up Shen Ning, she was very happy. Seeing the wind blowing, he was the first to jump out and accuse Shen Ning.

Shen Ning didn't even look at the clown, just picked up the wireless microphone, and asked Shen Mei in a neither humble nor overbearing way:

"Shen Mei, you said that the perfume I developed is poisonous. Is there any evidence? Gucci's original brand is not created in a day or two. The original love series has already passed the market test. As for the new varieties I developed, some have already It was launched in the United States, and now it is very popular, as we all know, the testing standards in the United States are very strict, if it is really poisonous, can it pass their quality inspection?"

As soon as these words came out, everyone seemed to wake up a bit and fell silent.

Wu Lili also retracted her head.

"Yes, Shen Mei, do you have evidence?"

"Speaking is about evidence. If you are slandering, we will also sue you."

...

The women's limelight immediately turned to Shen Mei!

Originally, Shen Ning had become an idol in their hearts, if Shen Mei deliberately slandered Shen Ning here without evidence, then they would never sit idly by.

Shen Mei raised her eyebrows, blinked her innocent eyes, and replied confidently: "Don't worry, if there is no evidence, I would not dare to expose it in person here."

"Then take it out."

"Yes, quickly take it out."

...

Everyone is urging.

Shen Mei hesitated for a while, as if she couldn't bear to reveal it, she turned her innocent and affectionate eyes to Li Zhenting who was sitting motionless below.

Li Zhenting sat majestically like a mountain, like a statue.

Shen Mei couldn't see his emotions, and wondered if he would blame her for disrupting the situation, but until now he didn't come to stop her, she became bolder.

As long as Shen Ning can be beaten, she is not afraid of anything.

She slowly took out the bottle of black liquid that she had been holding tightly in her hand, faced everyone, and said loudly:

"Look, ladies and gentlemen, this is the one. It was found by the staff of Gucci Company from Shen Ning's office and given to me. They saw with their own eyes that she mixed this poisonous liquid into Gucci's perfume, almost Every variety has it, this liquid is extremely smelly and highly toxic, if you don't believe me, you can go up and smell it."

She showed the small black bottle to everyone.

The women in the audience looked at the small black bottle in her hand, and their faces changed color.

Oh my god, Shen Ning really mixed poisonous liquid in the perfume, it's too scary!

Chapter 80 Acting

"Let me smell it." Just as everyone was in a state of confusion, Wu Lili stood up from the crowd and strode towards Shen Mei.

Shen Mei looked at her, and smiled in her heart. In this kind of occasion, she must be indispensable, just as she expected.

Just right, you can use her!

She winked at her.

Wu Lili understood, smiled at her, took the black liquid bottle in her hand, opened it, put it under her nose and smelled it.

"Ah, it smells so bad. It's disgusting that this kind of thing is mixed into perfume. It really is a black-hearted businessman who deceives consumers."

Wu Lili made a movement to vomit, and shouted in a fuss,

"Dear ones, you have all been deceived by Shen Ning. When she was in the United States, she only relied on odd jobs to make ends meet. She is not a perfume expert at all. She even cheated us of Shaw's money a while ago."

As soon as these words came out, the audience was in an uproar again.

Shen Mei looked at Wu Lili with a look of surprise: "Miss Wu, you can't ruin my sister's reputation, my sister is not this kind of person, although this time the perfume was mixed with poisonous liquid, I believe she has a reason Yes, not on purpose."

"Hey, Mrs. Li, you are so kind and simple. Gu Qi was originally given to you by your father, and your fiancé is her ex-husband. Of course, she is unwilling. This time, she came back to rob Gu Qi and pester her. Your fiancé, you are still here foolishly speaking for her, it's really pitiful, send her to the police station, this woman is not a fuel-efficient lamp." Wu Lili spoke righteously, her face full of righteousness.

Shen Mei looked weakly at Li Zhenting who was sitting under the stage on purpose, and bit her lips tightly in grievance.

That means, you see, even Shen Ning's aunt has said that about her, I didn't wrong her, you can make the decision for me to drive her away.

But Li Zhenting was still sitting like a mountain god, motionless, without any expression.

At this time, Wu Lili handed the liquid bottle to Shen Mei, and secretly raised a finger at her.

That was her code, meaning ten million.

Shen Mei understood, took it, and nodded.

The faces of the women in the audience were full of anger, obviously being led by the two of them!

Shen Ning watched the two disgusting women acting coldly, and his eyes fell on the black liquid bottle, which was exactly what she used to hold acetaldehyde!

She kept it on her desk, apparently, an insider sneaked into her office and stole it out.

A sneer appeared on the corner of her lips.

"Shen Ning, how do you explain it?" Wu Lili looked at Shen Ning proudly.

At this time, everyone's eyes were also staring at her.

A mocking sneer appeared in Shen Ning's eyes, and he said lightly: "Ladies and gentlemen, this black bottle contains acetaldehyde, which is indeed used by me to make perfume, but the country expressly stipulates that acetaldehyde can be used For perfume ingredients, if you don't believe me, you can check the information on the Internet."

"But sister, here is not only acetaldehyde, but also formaldehyde. Formaldehyde is poisonous to the human body." Shen Mei didn't leave any space, and then said, "I have been tested by the testing agency before I came here. "

"Ah, formaldehyde, my God, there is such a thing. It is used to soak corpses." Hearing the discoloration of the faces of the rich women here, they screamed.

"It's so wicked, I suggest everyone come up and beat her up and call the police." Wu Lili took the opportunity to yell loudly.
