

Troublemakers 711

Chapter 711 He came one step too late

On this day, after going upstairs and downstairs in Marley, after spying inside and out, she learned that Li Zhenting was indeed not at Gu Qi, and Shen Ning came back to work with peace of mind.

In order to prevent him from trespassing suddenly, she specially added a door guard, and once she found his whereabouts, she would report him immediately, so that she could escape through the back door.

"Where is Secretary Li? Tell her to come and see me." As soon as Shen Ning sat down on the office chair, the new Secretary Sun walked in and handed over the work process for this period to her. She took it and remembered Some matters to be explained at work, hurriedly asked.

Secretary Sun was stunned for a moment, and replied: "Secretary Li is long gone and resigned."

"Resign?" Shen Ning looked up in shock: "When did this happen, why didn't I know?"

"During your absence, last time, she went to the Li family with you and resigned after returning."

Shen Ning was stunned.

Li Mengqing actually resigned, but she didn't know it!

She immediately called Marley and asked, "Uncle Marley, Li Mengqing resigned. How could I not know about this? Why didn't anyone tell me?"

This is the first time Shen Ning got angry at Marley.

Ma Li hurriedly replied: "Mr. Shen, Secretary Li didn't come back after going to the Li family with you last time. I don't know what happened. Later, she submitted her resignation report in the mailbox, but people I didn't come back, I thought you asked her to write a resignation report, so I didn't ask."

"I didn't ask her to resign at all." Shen Ning answered and hung up the phone, stunned.

She remembered what Li Zhenting said: Jing Chenxi slept with Secretary Li after getting drunk that night, and then...

Could it be that Secretary Li's sudden resignation has something to do with Jing Chenxi!

...

She was inexplicably upset.

During this period of time, Li Mengqing has become her right-hand man. She really can't adapt to work without her.

So she stood up and walked outside.

Li Zhenting was having a morning meeting with the executives when suddenly the phone sounded.

He quickly turned on the phone.

On the screen of the mobile phone, Shen Ning was sitting in Gu Qi's office and making a phone call.

His eyes lit up.

Dead woman, you are finally back!

He hurriedly finished the morning meeting and strode outside...

Gucci Building.

Li Jiaojiao had just parked the car when she suddenly heard the sound of high heels coming towards her. When she looked up, she saw an elegant young woman walking towards her.

Her eyes are bright, isn't this cousin Shen Ning!

Li Zhenting actually said that she had been missing for a long time, and she was obviously in Gu Qi!

It seems that he really didn't bother to look for it!

She was about to call her, but she saw that Shen Ning had already walked to a Mercedes-Benz and opened the door.

"Hello, cousin." She hastily opened the car door.

But Shen Ning seemed to be in a hurry, and started the car as soon as he got in the car, and couldn't hear her shouting at all.

Seeing that her car was about to drive out.

After thinking about it, Li Jiaojiao sat in again, quickly started the car and followed.

Shen Ning's car stopped in front of the Imperial Hospital after walking a few streets.

Li Jiaojiao was a little puzzled, her cousin had already been discharged from the hospital, why did she still come to the hospital?

At this time, Shen Ning had already parked the car and walked out.

Li Jiaojiao also quickly parked the car and got off, quietly following behind her.

She saw Shen Ning walking towards the store in the hospital, and soon, he picked up a lot of gifts.

Li Jiaojiao rolled her eyes. It seemed that she came to the hospital to visit patients. Who was she visiting?

She quietly followed.

Shen Ning didn't expect that there was still someone following behind him, so he just walked quickly towards the elevator.

But said that when Li Zhenting drove to Gu Qi, Secretary Sun had a headache when he saw him.

Why is he here again?

However, fortunately, Mr. Shen has already left.

"Where's Mr. Shen?" Li Zhenting turned around and asked Secretary Sun after failing to find Shen Ning in the president's office.

"Li, Mr. Li, Mr. Shen, Mr. Shen didn't come to work." Secretary Sun didn't know how to perfuse him for a moment.

"Lie." Li Zhenting scolded angrily, "Just now, you Mr. Shen was still working here, where are you going now?"

Secretary Wang stammered: "I also, no, don't know, she, she has already left."

Li Zhenting was filled with anger when he heard it, and he came a step late again.

Chapter 712 I saw my cousin

Can Shen Ning figure out that he will come?

Li Zhenting looked around with sharp eyes, turned on the phone and checked to make sure that Shen Ning had really walked out.

He narrowed his eyes for a while, when the phone rang.

It was Li Jiaojiao calling.

He picked it up.

"Cousin, I have good news for you. I saw my cousin."

"where is she?"

"She came to the Imperial Hospital. I didn't know what she was doing, but I saw her walking towards a ward."

"Okay, I'll be right over."

Li Zhenting hung up the phone and strode out.

In the ward.

Jing Chenxi was lying on his side, his eyes slightly closed, his thighs were bandaged, his face was pale, and he seemed to be in a bad state of mind.

Shen Ning walked in quietly.

"Chenxi, how are you hurt?" Looking at this man who is so persistent in love, she felt ashamed and asked softly.

Jing Chenxi opened his eyes immediately after hearing the voice, and Shen Ning's concerned face came into view. He was overjoyed and hurried to sit up.

"Don't move, your thigh bone is broken, so you can't sit up." Shen Ning hurriedly put the gift on the bedside table next to him, bent down and held him down.

"Ning Ning, you finally came to see me." Jing Chenxi was very excited, looking at her with gentle eyes, seemed to have a thousand words but didn't know where to start.

Shen Ning turned his eyes away, since the car accident sent him to the hospital that day, she never visited him again, and she never even made a phone call.

She is really guilty.

But in order to let him sever his fantasies about her, this is the only way she can do it!

"Chenxi, do you know where Secretary Li is now?" Shen Ning asked directly after asking about his injury.

She came here just for Secretary Li.

Jing Chenxi's face flashed with complex guilt when he heard the words: "Ningning, I was drunk that night, I really didn't expect such a thing to happen."

"Some things happen as they happen. Don't think too much. I just want to know where Li Mengqing is now? Because she has resigned since that time, and I can't find her now." Shen Ning understood his thoughts and quickly answered road.

Jing Chenxi was stunned: "Is she gone?"

"Yes, have you not been in touch with her?"

"No." Jing Chenxi shook his head, "The night I was with her was purely accidental, we didn't have any emotional basis, I wanted to compensate her after that incident happened, but she didn't want it, she just left, after that, we never got in touch again Pass."

Shen Ning was silent!

"Okay, I see. If you have news about her, please let me know immediately. She is my right-hand man. I want to get her back to work." After a while, she said so and was about to leave.

"Ning Ning." Jing Chenxi suddenly grabbed her arm, looked at her affectionately and tenderly, "Can't you stay with me for a little longer?"

"I..." Shen Ning looked into his longing eyes, was speechless for a while, wanted to refuse, but couldn't bear to say it, just stood there stupidly.

"Since I was injured, I have been alone in the hospital. No one came to accompany me, and no one looked at me. I am really lonely." He whispered, his tone was very sad.

Since his car accident, except for his assistant Jiang Zhong, no one else knew about it. In order not to worry about his family members, he directly blocked the news. During this period of time, he spent it alone.

In the past, when he was hospitalized, Shen Ning was by his side, feeding him medicine, cooking for him, but now... his eyes are foggy

The door of the ward.

Li Zhenting stood with a gloomy face, staring at the man and woman staring affectionately in the ward with sharp eyes, and the anger rose little by little in his chest and spread to his whole body.

No wonder she wanted to run away, she didn't want to see him anymore, it was because of Jing Chenxi!

His fingers clenched into a fist.

Chapter 713 Let's remarry

In the ward, Shen Ning slowly pulled out his hand, barely said a few words, then turned and walked outside.

But when she opened the door of the ward, she was stunned.

Li Zhenting actually stood in front of her like a wall. The man's eyes were full of gloomy, his whole body was covered with cold air, as if he wanted to kill her.

"..." She was speechless.

Li Zhenting grabbed her arm and walked outside.

"What are you going to do?" Shen Ning was dragged into the elevator by him, panicked, and asked in panic.

But Li Zhenting's face was dark, and he didn't say a word. The veins on the back of the hand holding her arm were exposed, like a raging lion.

Shen Ning's heart beat to his throat, he was inexplicably scared, and even felt pain in his arms.

"Let go of me, my arm hurts." As soon as the elevator door opened, Shen Ning immediately walked outside, holding a pillar in front with one hand, and stopped walking.

At this time, many people looked towards them.

Li Zhenting pursed her thin lips slightly, stretched out her five fingers and broke off her fingers, picked her up horizontally and walked outside.

Along the way, many people looked at them.

Shen Ning only felt that he had completely lost his face, so he stopped struggling.

Li Jiaojiao was sitting in the car with her legs crossed and playing with her mobile phone. Suddenly, a man outside walked towards her with a woman in his arms.

She immediately sat up straight and took a closer look, ha, isn't this just my cousin and sister-in-law! Quickly picked up the phone and took several photos in a row, giggling!

Now you can claim credit in front of Ke Ke and Ding Ding, and there will be a lot of lucky money.

She whistled, smiled triumphantly, started the car and left.

"Li Zhenting, are you crazy? Let me go." In the Rolls-Royce luxury car, Shen Ning was thrown into the soft bed behind the RV by Li Zhenting. She got up, stared and drank angrily.

Li Zhenting took off his hands, took off the outer suit, revealed the white shirt inside, rolled up the sleeves, clasped her chin with one hand with his white wrist, raised it, and looked into her eyes: "Shen Ning, you Disappeared suddenly, didn't see me on purpose, but ran here to meet my lover, what do you mean?"

When he was talking about the latter, he had already clenched his teeth, and the fingers holding Shen Ning's chin were hard.

Shen Ning felt the pain coming from his chin, raised his hand suddenly and knocked off his finger, and said angrily: "Li Zhenting, I didn't sell myself to you, I have the right and freedom to choose the life I want, why do you interfere Me? Get out of here."

Li Zhenting's eyes cracked: "You are my woman now, and you ran away without making a sound, leaving your two sons alone. Don't you know the responsibilities and obligations of a mother?"

"That's right, I left on purpose, but this is also my freedom." Shen Ning was furious when he heard it: "Li Zhenting, don't forget, Ke Ke's custody has been given to you, and it has nothing to do with me. Of course, if you don't want to take care of it, then give me the custody of Ke Ke and Ding Ding, and I won't ask you to pay any child support."

"Dreaming." Li Zhenting was furious: "You don't want the custody of the children."

Shen Ning rolled his eyes straight: "That's it, since the custody of the children is given to you, then raise them well and be responsible to them, I don't owe you anything, you have no right to make irresponsible remarks and dictate to me , As for the children, I can't stay with them for the rest of my life, there's nothing I can do, that's all I can do."

When talking about the later, thinking of Ke Ke and Ding Ding, my eyes are red.

She pushed him away sadly and was about to run.

Li Zhenting grabbed her with his backhand and pressed her under him, his black pupils gleamed brightly, emitting a dark bath light:

"You must accompany them for the rest of your life. Tomorrow, get your household registration booklet and ID card. We will go to the Civil Affairs Bureau to register and remarry."

Chapter 714 I will never regret it

"I'm sorry, I don't want to remarry." After Shen Ning paused, he spoke clearly and forcefully.

Looking at her resolute expression, Li Zhenting felt a faint pain in his heart.

"Are you doing it for Jing Chenxi?" His black eyes flashed with a dangerous dark light, "This matter is beyond your control. For Ke Ke and Ding Ding, we must remarry."

Is it for Coco and Tintin?

"Li Zhenting, marriage is based on the principle of love. It's what you want and what you want. It's not for anyone. I'll say it again, I won't remarry you." Shen Ning sneered and spoke resolutely.

Li Zhenting became angry from embarrassment:

"Shen Ning, I have to listen to this matter. There is no choice. We will go to the Civil Affairs Bureau tomorrow. If you dare to escape again, then I will tie you up."

"Do you think you are a gangster? You forced me to go to the Civil Affairs Bureau, and the staff will register you? Do you think that if you have money and power, you can flout the law and do whatever you want? Marriage is based on equality and voluntariness, no Forced."

Li Zhenting's face blushed for a while, then turned pale for a while!

He is Li Zhenting, the richest man in the imperial capital, young and unrestrained, so many women are vying to climb into his bed.

Now, he gave a woman the guarantee of marriage and was willing to give her happiness for the rest of his life, but this woman who didn't know what to do refused!

"Shen Ning, you can't compare to me in terms of financial resources, material resources, strength, and family background. I will remarry you for the sake of my children. You are so hypocritical. Tell you, I am giving you a chance. Don't you regret."

"Don't worry, I will never regret it. Please let me go." Shen Ning replied immediately, pushed him away, and ran under the car.

Li Zhenting stood up straight, feeling that all his face and face were lost.

He looked for this woman time and time again like a licking dog, begging her to remarry, but she trampled his self-esteem to the ground mercilessly.

Shen Ning, I have already given you a chance, so don't blame me in the future.

He walked into the cab, stepped on the accelerator, and the luxury car roared away.

Blue Whale Kindergarten.

"Coco, Ding Ding, I have good news for you. Your daddy has found your mommy. This is my credit. Your daddy will bring your mommy back soon." Li Jiaojiao couldn't wait to show off.

Coco, Ding Ding's **** eyes smiled into crescent moons, revealing two small canine teeth: "Really? Auntie."

"Of course it's true. Here, let me show you my phone." She took out her phone and called up the photos she took.

The two little ones immediately moved their round heads over.

On the phone, Daddy was hugging his mommy, and the two were very close.

"Great, Daddy and Mummy are finally reconciled." The two little ones cheered and clapped their hands.

"So, you have to thank me. Don't forget the New Year's money. Let's go, I will take you home." She raised her hand and took the three little guys into her car.

Along the way, Ke Ke and Ding Ding were very happy, talking and laughing, while Lan Lan just sat with her lips pouted.

Li Jiaojiao took the three little guys home, prepared food for them, and waited for Li Zhenting to take Shen Ning home.

There was joy in the house, and the children were all smiling.

But they waited and waited, and they didn't see Li Zhenting and Shen Ning come back until ten o'clock in the evening.

They all felt very strange.

"Daddy must have taken Mommy to eat delicious food. Let's call them." Ding Ding really couldn't wait, so he said.

Li Jiaojiao was right when she thought about it, so she took out her mobile phone to call her cousin, when suddenly, uneven footsteps came from behind.

She turned her head, only to see Li Zhenting walking in drunkenly with his face flushed.

Chapter 715 She doesn't want you anymore

"Cousin, where is cousin?" Li Jiaojiao looked behind Li Zhenting and asked.

"Daddy, where's Mummy?" The two little ones followed immediately, and asked with smiles on their faces.

Looking at his son's expectant eyes, Li Zhenting felt bitterness in his heart.

"You don't have a mommy anymore, she doesn't want you anymore." He hiccupped and his steps were unsteady.

The smiles on Coco and Ding Ding's faces disappeared.

"Impossible, Mommy can't want us, you lied to us." Coco shouted with red eyes.

"Your mommy is a cruel woman. She doesn't want you anymore. She already has a wild man." Li Zhenting, who was drunk and drunk, was confused and couldn't control his emotions at all. He didn't know whether he should. It should be said that I only knew that I was holding back a mouthful of depression in my heart and wanted to vent it.

'Wow', Ke Ke and Ding Ding looked at each other, and then they all burst into tears.

Lan Lan showed a smug smile on her face.

"Cousin, what are you talking about? How can you say these things to the children? Didn't I tell you where the cousin is? Why don't you bring her back? You are still not a man, even with this ability None!" Li Jiaojiao shouted dissatisfied.

She thought that Li Zhenting would be able to bring Shen Ning back this time, but she didn't expect this to be the result.

Li Zhenting became drunk, and the depression accumulated in his chest was hard to dissipate. He pointed at Li Jiaojiao and shouted: "Remember, don't mention this woman again in the future, and I will beat anyone who dares to mention it again."

"And you two, don't cry. You are already men. A man has to look like a man, not a mother-in-law. Which promising child wants to hang out with Mommy all day long? A man is a man, he can bend and stretch, it is enough to have a daddy, why must there be a mommy?"

The tears in Ke Ke and Ding Ding's eyes forced him back.

"Daddy, what you said is great! I support you." Lan Lan clapped at the side, walked over and grabbed Li Zhenting's arm, "Daddy, I love you the most."

"Well, Lan Lan is the best." Li Zhenting touched Lan Lan's little face, hugged her, and staggered towards the elevator.

Li Jiaojiao looked at him with her head tilted, her back was deep and lonely.

It seems that he must have had trouble with his cousin.

It must be his cousin who rejected him.

He can only drink away his worries.

Ha, in this world, only his cousin can subdue him, and make him go to drink.

"Auntie, didn't you say that Daddy would bring Mommy back? Then what's going on now?" Ke Ke and Ding Ding looked at Li Jiaojiao with tearful eyes, very dissatisfied.

Li Jiaojiao had no choice but to say: "At that time, I just promised you that I would find your mommy, and I did. But your father is not capable of bringing your mommy back, so I can't help it. But don't worry, I will continue to follow, and I will definitely get your mommy back."

"Okay, let's trust you again." Ding Ding nodded and wiped the tears off his face with his hands.

"Well, let's go, today my aunt will take you to bed." Li Jiaojiao looked at the sad atmosphere in the whole family. The children were still young, and Li Zhenting was drunk again. She could only take care of the children responsibly.

'Shen Ning, you don't know what to do, do you think you can't do it without me? Let me tell you, when I marry you, I think highly of you, and you take advantage of it. If it weren't for the fact that you gave me two children, do you think I would marry you? I'm begging you to marry me now, to give you face, but you will go to heaven instead. '

...

After the children fell asleep, Li Jiaojiao tiptoed and walked towards Li Zhenting's bedroom.

The door of the bedroom was not closed, Li Zhenting reeked of alcohol, lying on the bed, scolding Shen Ning.

Looking at his cowardly appearance, Li Jiaojiao was angry and funny.

She walked in quietly, picked up her mobile phone and took several photos of Li Zhenting's drunken appearance and painful misery, then moved him to the bed, helped him take off his shoes, covered him with the quilt, turned off the lights, and walked out.

Chapter 716 treats him as air

For a whole day, Shen Ning sat in the office restless.

Secretary Li still has no news, and Li Zhenting has never come to harass her since she was humiliated and rejected last time.

Xiaoxiao is already in another kindergarten.

Everything is back on track!

She is quiet.

But I was anxious and uneasy in my heart, always feeling empty in my heart and unspeakably uncomfortable.

Fortunately, Lin Zhenxun was vigorous and resolute, and good news came from time to time. Various spices were continuously shipped from Vietnam, and the factory was also operating normally. The future can be expected.

This day, Shen Ning was sitting on the office chair, feeling tired and tired. He wanted to sleep very much, feeling groggy.

"President Shen, do you want to order lunch?" At some point, Secretary Sun's voice sounded above his head.

Shen Ning opened his eyes to see Secretary Sun holding a takeaway order and standing in front of him with a smile on his face.

And she was already asleep.

"Well, let's order a pickled fish." In fact, Shen Ning doesn't have much appetite, so he just wants to eat something light, sour and spicy at this time.

"Okay, I'll make it right away." Secretary Sun made a mark and was about to leave. Suddenly remembered something, turned around, smiled and said, "Yes, Mr. Shen, there is a grand dinner next week. In addition to giving back to old customers, we will also invite elites from the upper class of the imperial capital to participate, Vice President Ma said that this is the first time our company has held such a dinner, and you need to attend in person, he asked me to tell you."

Shen Ning raised his eyes slightly: "Okay, I see."

Secretary Su walked out.

Shen Ning lowered his head and lay down on the table again, squinting his eyes and fell asleep.

Twelve past ten.

Secretary Sun knocked on the door of the office and brought in the takeaway.

Shen Ning continued lying down for a while and then began to eat lunch.

She went to the bathroom to wash her hands first, sat on the sofa, and opened the takeaway.

A smell of oil came to my face.

Sudden

"Vomit." She had a strong acid regurgitation in her stomach, and she wanted to vomit, so she quickly covered her lips with her hand, her face swollen.

After a while, the nausea disappeared.

Hey, it seems that I can't stand the continuous overtime work these days. In addition, the weather was cold last night, and I worked overtime too late. It should be because of the cold.

I can't work overtime today.

Now the matter has been dealt with almost, and the company's business is basically on the right track, so I should take a good rest.

She is going to get off work after eating. Today, she will pick up Xiao Xiao from school, accompany the little guy, and cook her some home-cooked meals. It has been a long time since she has been with her properly. Without father's love, she should give her more mother's love. OK.

After taking a few casual bites, she left work with her bag in hand.

Li's Castle.

"Cousin, Ding Ding and Ke Ke said they want to eat the spaghetti you cooked, but they don't eat the food cooked by the nanny." Li Zhenting was working in the office when Li Jiaojiao called.

"Okay, I'll be right back." Li Zhenting, who felt sorry for the children, put down the phone, raised his wrist to see that it was already twelve o'clock, and immediately picked up his briefcase and rushed home.

Since Shen Ning was gone, the little guys had to eat the meals he made by himself, and the nanny at home didn't like to eat them.

He felt sorry for the children and had no choice but to work **** himself.

Back home, Ke Ke and Ding Ding were sitting on the sofa dejectedly, sighing from time to time, and they didn't lift their heads when he came back.

When Li Zhenting saw the bears of the two little guys, he couldn't help but get angry.

Isn't Mommy not coming home? He took them hard every day, but they turned a blind eye and regarded him as air.

"You two boys, hold your heads up, or I won't cook for you in the future." He reprimanded.

But the two little guys snorted at him and ignored him.

He gave them a hard look, wishing he could throw them out, but he still felt sorry for the children, so he went into the kitchen and started cooking lunch for them.

Li Jiaojiao was lying on the sofa and swiping her phone, she was chatting with some handsome guy, her face was full of spring.

Seeing Li Zhenting entering the kitchen to cook, he quickly winked at the two little guys.

The two little guys understood.

Chapter 717 I started pretending to be pitiful

"Daddy, can't you marry Mommy home?" So, during the meal, Ke Ke asked while eating pasta.

Lan Lan sat on the side eating very exciting, she likes this kind of scene, it is enough to have Daddy, she doesn't like that little **** robbing her Daddy and cocoa.

Li Zhenting stared at the two little guys, and said honestly: "I want to marry your mommy, but your mommy doesn't want to marry me, so I can't help it."

"Is that so?" Ke Ke obviously didn't believe it.

"What else? I don't have any other women now, and I just want to marry your mommy home." Li Zhenting looked abandoned, with a low and gloomy aura all over his body, it was really hard not to convince them .

"Then what if I help you?" Coco said after thinking for a while.

Li Zhenting's eyes lit up, and his mind moved.

There was no need for him to believe what a five-year-old kid said.

But on this matter, he thought it was really possible.

After all, Shen Ning still cares about the children!

Now he has lost his face in front of Shen Ning, and has spoken cruel words. He really has no face to force her anymore, but what if Ke Ke and Ding Ding come forward?

Next, he began to pretend to be pitiful in front of the two little guys, complaining about his pain from time to time, making the two little guys feel that he was about to die without a mommy.

Ke Ke and Ding Ding don't want to lose their mommy and their daddy is gone, so they have neither daddy nor mommy, it's too miserable.

In the evening, the two little guys took a bath.

Lan Lan walked in wearing a little white rabbit pajamas with her hair down.

"Ke Ke, don't be sad if Auntie and that little wild species can't come, okay? I'll treat you well. What's good about them." Lan Lan walked up to Coco, took his hand and comforted him.

Coco was on fire when he heard it.

"That's my mommy and my real sister. Xiaoxiao is not a bastard, but my real sister." He shook off her hand and yelled at her.

"I'm your real sister. We all come from the same daddy, and the little wild species' daddy is not your real daddy. Why do you care about her so much?" Lan Lan expressed her incomprehension. "I sleep with you every day. I will give you whatever you want to eat, drink, and play. Don't be angry, just smile, okay?"

"Fuck off, you bastard, I don't have a real sister like you. My real sister is Xiaoxiao, she's not a bastard, she's also Daddy's daughter." Ke Ke told the truth, but Lan Lan didn't know the truth. letter.

"Cut, it's because Daddy saw her as his daughter because of his pity, do you really believe it?" Lan Lan said disdainfully, "It's from a bastard."

Ke Ke especially didn't like Lan Lan calling Xiao Xiao a bastard, which made him feel that Xiao Xiao was insulted, and he was very angry at the moment, and these days she was pestering him every day, wanting to sleep with him, and even hugging his neck, Putting her chubby leg on his body, he was almost out of breath, and he wanted to take her away a long time ago.

When you are about to get angry.

Sudden

His phone and watch rang, and he immediately looked down. There was a small face on it, and he was very happy.

Lan Lan also leaned over to see it, and immediately her eyes were red with jealousy: "Ke Ke, you are not allowed to talk to this little bastard."

"Get out!" Ke Ke put down her phone and watch, got out of bed, dragged Lan Lan, and drove her out.

"Xiao Xiao, where are you and Mommy now?" Ke Ke hurriedly asked after she came back and climbed into bed.

"I don't know." Xiaoxiao saw Keke, whom she hadn't seen for a long time, pursed her lips, and shook her head.

"Then send me a location."

"I can't send it to you. If Mommy finds out, she will hit me." Xiao Xiaohong's eyes circled.

When Ke Ke heard it, she was right, Mommy didn't want Daddy to find her, but he was also Mommy's son, so he wouldn't even let him know.

It seems that Mommy completely abandoned him, so sad.

The two little ones talked a lot into the phone and watch, but they didn't want to hang up the phone.

Ke Ke sat holding a phone watch and looking at Ding Ding, frowning, not knowing what to do.

Chapter 718 You didn't lie to me, did you?

"Yes, do you think this will work?" Ke Ke suddenly thought of something, and bit his ears with Ding Ding.

"But will that betray Mommy?"

"If Daddy really marries Mommy, betrayal is fine."

"Well, I think so."

"Hey, what are you two talking about?" Li Jiaojiao came in wearing pajamas, yawning, and asked quickly when she saw the two little guys biting their ears mysteriously.

"I won't tell you." Ke Ke lay back, Aunt Jiaojiao had a big mouth and couldn't hold back anything, so he wouldn't tell him.

Li Jiaojiao took a look, hey, this little guy actually has something to hide from her, that's impossible!

"You two little bastards, you are ungrateful. Don't forget that I am helping you find your mommy. If it weren't for my idea today, would your daddy promise to marry your mommy? Now there is something that is hidden from me. Then Well, I don't care about you, go home."

She said very angry, turned around and was about to leave.

Coco became anxious when he saw it.

These days, Li Jiaojiao has indeed taken care of them and helped them find their mommy. If she leaves, there will be no one to help them.

They're too young after all!

"Then if I tell you, you can't tell others."

"Okay." Li Jiaojiao turned around after hearing that, looked at the little guy's serious face, and felt that the matter might be of some value, she was curious, and immediately agreed.

"Come on, hang the hook for a hundred years and let me tell you." Little Keke stretched out her little finger.

"good."

Li Jiaojiao also stretched out her little finger.

After the two people hanged themselves on the hook for a hundred years, Ke Ke cleared her voice, and whispered in Li Jiaojiao's ear.

Li Jiaojiao's eyes widened: "Ke Ke, this is a big deal, you didn't lie to me, did you?"

"I didn't lie to you, Ding Ding knew it too."

"Ding Ding, is that so?"

"Yes." Ding Ding nodded emphatically.

Li Jiaojiao was stunned for a while. If Xiaoxiao is really Li Zhenting's biological daughter, it means that her cousin has never loved another man from the beginning to the end. She only gave birth to three children for her cousin, triplets.

God, how bitter and aggrieved my cousin must be.

That also means that the cousin has never loved other men, and the only man she loves is her cousin.

How could such a woman not want to remarry Li Zhenting!

There is only one reason, and that is that Li Zhenting has not done well enough to allow her to remarry him at ease, and she is afraid of being hurt.

"Since you all know, why didn't you tell your grandparents, Daddy?" She asked puzzled.

"I can't tell. As long as Daddy finds out, he will definitely **** the little custody right, just like snatching me. Mummy is too pitiful, and no one is with her." Coco immediately shook her head.

Li Jiaojiao suddenly realized, no wonder the children are all towards their mothers, indeed their mothers have been wronged too much.

It can't be blamed that Shen Ning is unwilling to remarry his cousin casually.

After working hard to raise a five-year-old child, Li Zhenting snatched it back when he said he would **** it back. Who would tell him? Even a five-year-old child can understand, of course she can understand.

"Aunt Jiaojiao, what do you think we should do now? I don't want to lose Mommy and Xiaoxiao, and I don't want to lose Daddy either. I want them to be together. Please help us." Coco looked at Li with tears in her eyes. Jiaojiao.

"Good boy." Li Jiaojiao kissed his forehead from the bottom of her heart for the first time, "With your mommy's excellent qualities, I will help."

"Thank you, Aunt Jiaojiao."

"You're welcome, go to bed first. I'll talk about this after I think of a way."

She took care of the two little ones and fell asleep.

Chapter 719 No wonder she doesn't want to go home with you

In the study, Li Zhenting's handsome face was silent, and he was desolately reviewing the report.

After a while, I heard a 'poof' laugh, and looked up.

I saw Li Jiaojiao standing against the door frame, winking at him while drinking boiled water.

"Hurry up, go to sleep, don't make trouble here." Since she helped take care of the children these days, Li Zhenting finally had a good look at her.

"Cousin, you really don't plan to marry your cousin back home? I'm going back to school soon." Li Jiaojiao asked.

Li Zhenting froze for a moment, Shen Ning's stubborn and indifferent face flashed in front of his eyes, and said coldly: "She already has a man, why would she follow me home? She has quite a few men."

Li Jiaojiao spit out the water she drank in a 'flutter'.

"Cousin, do you really think of my cousin in this way? Is she such a woman in your mind? No wonder she doesn't want to go home with you."

Li Zhenting was taken aback for a moment, and asked, "What do you mean?"

"It's nothing interesting, it's the same sentence. If a woman is willing to give birth to you, it is impossible for her not to love you, unless you hurt her too deeply."

"That's because you didn't see it, forget it, you don't understand anyway, go to sleep, don't talk about it."

"Tsk ts, is it because I don't understand, or you don't understand women? Do you think every woman is like Shen Mei?"

"Then tell me, what should I do?" Li Zhenting put down his pen and asked seriously.

"Women are emotional animals. As long as you can let him see your sincerity and true feelings, she will not refuse to remarry you even if it is for the children."

Li Zhenting sat thoughtfully after hearing the words.

the next day.

When Shen Ning got up early in the morning to brush her teeth, a smell of oily smoke came from nowhere, causing her to retch for a while while holding the toothbrush.

It should be because I was too tired some time ago, I should take a good rest, and this Saturday, I originally planned to spend time with Xiao Xiao.

After washing, she went to the kitchen and made her favorite scallion pancakes and distiller's lees brown sugar soup for Xiaoxiao. She took care of her washing and having breakfast when she woke up naturally.

"Xiaoxiao, where do you want to go today? Mommy will accompany you." After breakfast, Shen Ning looked at Xiaoxiao with a smile and asked gently.

Xiaoxiao was very happy, and after thinking for a while, she replied: "Disney."

"Okay, let's change clothes then."

"Thank you so much, Mommy." Xiao Xiao was extremely happy.

Shen Ning changed her into a beautiful pink hooded sweater, gray pleated skirt, stockings and stylish sneakers, very cute and playful.

She was wearing a long beige trench coat, a long skirt, and a bag on her shoulder.

The mother and daughter walked out hand in hand, attracting approving glances from many passers-by along the way.

Li's Castle.

"Daddy, we want to go to Disneyland today." After breakfast, Coco's eyes kept staring at his phone watch. For the two master hackers, he and Ding Ding, they quickly caught Mommy through computer software. And the little address, they went to Disney, so he also wanted to go, and wanted to see Mommy.

"Okay." Li Zhenting readily agreed.

It's been a long time since I took the children out to play. Since Li Xuexi and Li Jinchong were arrested, the company has basically been peaceful recently. Today is Saturday again, so I should spend time with the children.

"Aunt Jiaojiao, you can go too." Ke Ke invited Li Jiaojiao, "I'm having a seafood dinner at noon today."

"Oh, yes, I'll go." Li Jiaojiao's eyes lit up when she heard about the seafood feast, and she nodded with a smile.

So, Li Zhenting drove and set off with three brats and Li Jiaojiao.

Chapter 720 Do you want me?

Disney Park is crowded with people, and various entertainment facilities are crowded with adults and children, and there are cheers and laughter everywhere.

Coco stares at her phone and watch as soon as she enters the park.

Lan Lan followed him closely.

Today Lan Lan is wearing a black and white fur top, slit black trousers on her lower body, a delicate small handbag on her wrist, and a gold necklace.

She followed Coco every step of the way, fearing that he would run away.

Coco was very annoyed by Lan Lan, wanted to get rid of this brown sugar, ran a few steps for a while, then slowed down, and then pretended to want to play the previous game on purpose, ran over, and then made a big turn.

The chubby Lan Lan couldn't keep up with him with her short legs, and was thrown off by Ke Ke within a few strokes.

She stomped her feet angrily, and finally had no choice but to follow Ding Ding.

Coco's eyes lit up after turning a corner.

I saw a signal coming from the phone watch. Mommy and Xiaoxiao must be nearby, so I followed the signal of the phone watch to trace the past.

"Mum, it's fun." Shen Ning and Xiaoxiao are playing on the merry-go-round. Xiaoxiao and Shen Ning sit on a wooden horse, open their little arms, and shout happily.

Shen Ning smiled, tightly buckled her seat belt with one hand, and pulled her own safety rail with the other, and the two of them spun along with the music.

After a few laps, Shen Ning took Xiao Xiao to take the little train again.

She chartered a small train, let Xiao Xiao sit on the head, and she sat in the back. When the small train started, the side was full of tourists, and the seats in the back were all empty, and those children looked at her enviously.

Xiaoxiao has never been so proud before, and cheered loudly with joy.

When Ke Ke followed along the positioning system, he saw Xiao Xiao was sitting on the front of the train with a bright smile, and he stood in the crowd in frustration.

Xiaoxiao is so happy and happy following Mommy, but what about him? Abandoned by mommy.

He walked towards the exit of the small train alone with his mouth shut.

"Mummy, Xiaoxiao." When Shen Ning came out holding Xiaoxiao's hand, Keke stood in front of them just like that.

"Coco." Both Shen Ning and Xiao Xiao exclaimed.

"Ke Ke, why are you here?" Shen Ning asked in surprise as he pulled Ke Ke away, and quickly raised his head to look around.

Coco can't be here alone, Li Zhenting must be nearby!

"Mum, why did you run away with Xiao Xiao? Did you not want me?" Ke Ke pursed her lips, her eyes were red.

"Ke Ke." Shen Ning's heart ached, and he hugged him suddenly, choked up, "My good son."

She hugged him and walked to the side, bringing him and Xiao Xiao to a remote place.

"Ke Ke, how could Mommy not want you anymore? Mommy misses you every day. Do you remember what Mommy said? You will always be Mommy's best son. Mommy hopes that when you grow up, you will become a Talents who are useful to the society and the country, I hope you don't forget Mommy and Xiaoxiao, Mommy is doing this for your own good." Shen Ning kissed Keke's forehead and explained kindly.

There was a smile on Coco's face, and she snuggled into Mummy's arms, her eyes shining with happiness.

"Ke Ke, tell Mommy, how did you get here?" Shen Ning asked while stroking his red face.

"I came with Daddy, Ding Ding, Lan Lan and Aunt Jiaojiao, and then I saw Mommy here, and I ran over by myself."

Sure enough, it was with Li Zhenting!

"Then where are your daddy and the others?"

She wasn't sure if Li Zhenting had seen her, even Ke Ke had seen them, would he not be able to see them!

Thinking that Li Zhenting is not far away, or is staring at her from some corner.

She immediately felt like a thorn in her back.
