

Troublemakers 731

Chapter 731 He is so pitiful now

"Hello, cousin." Li Jiaojiao ran over to greet her as soon as she saw her, very affectionate.

"Is there something wrong?" Shen Ning asked.

"I'm here to find my cousin." Li Jiaojiao grinned.

Shen Ning's heart sank, and he involuntarily raised his eyes to look upstairs. Li Zhenting has an office upstairs.

So, he's upstairs in his office.

"I left beforehand." She said lightly, and was about to leave.

"Cousin, I have something to tell you." Li Jiaojiao hurriedly followed.

"What words?"

"I can't find my cousin now."

Shen Ning's eyebrows twitched, with a cold face.

"Cousin is not upstairs, they all said that cousin is here." Li Jiaojiao scratched her head, looking sad.

"Then look for it yourself, we didn't see it." Shen Ning finished speaking indifferently, and continued to walk forward.

"Hey, cousin, do you really not care about cousin at all? He is so pitiful now." She chased after him again.

Shen Ning snorted coldly when he heard it, is he pitiful? Who in this world is not pitiful?

"Cousin, I'm telling the truth. Since you're not around him, he's been getting drunk every day. He doesn't look good. He runs around when he's drunk. It's miserable." Li Jiaojiao said. , described Li Zhenting as an alcoholic.

Shen Ning suddenly wanted to laugh.

Last night, he was clearly proud and full of energy, he must be lying.

"Biao sister-in-law, look, this is the pitiful appearance of him drunk the night before yesterday, calling your name all the time, miserable, really miserable." Li Jiaojiao took out her mobile phone and told her about the night before. The tragic scene of Li Zhenting photographed was placed in front of her.

Shen Ning glanced indifferently. Li Zhenting in the photo was indeed depressed, depressed, and miserable. If she hadn't seen him in person last night, she would have really believed Li Jiaojiao's nonsense.

None of these two brothers and sisters is reliable.

She walked away with no expression on her face.

Li Jiaojiao stood behind and looked at Shen Ning's indifferent appearance, hey, it seems that the cousin really doesn't love her cousin.

How to do it?

The key is Xiaoxiao, she is also the cousin's own daughter, if the cousin has no feelings for her cousin, then Xiaoxiao will not return to Li's house in the future, as for Keke and Dingding, there will be no mommy!

Thinking of the deaf and lonely appearance of those two little guys, she felt sore in her heart and continued to stroll in Guqili.

In the afternoon, Li's Castle.

"Ke Ke, Ding Ding, I want to tell you some bad news. Your mommy is going to hold a blind date meeting tomorrow." In the living room, Ke Ke and Ding Ding were playing with their mobile phones when Li Jiaojiao ran in with sweat on her face. Gu Qili got the unfortunate news after spending a day, and hurried over.

"impossible."

"I do not believe."

Coco and Ding Ding put down their phones and shook their heads at the same time.

"I believe." Lan Lan raised her hand.

"Get out, scoundrel." Ke Ke glared at her, stood up and dragged her, and drove her upstairs.

"Auntie, you must be lying to us." Ke Ke stared at her with round eyes.

"I didn't lie to you, it's absolutely true. Tomorrow afternoon, Gu Qi will have a banquet. On the surface, it is said to attract customers, but secretly it is for your mommy to have a blind date."

Coco and Ding Ding were dumbfounded.

If Mommy really finds a man, what will Daddy do?

Chapter 732 Prevent Mommy from being snatched by other men

"There should be no man who would take a fancy to our mommy. After all, mommy was divorced and she still has children." Coco shook her head suddenly, comforting herself.

Li Jiaojiao snorted coldly, and immediately poured cold water on him: "That's not necessarily true. Your mother is now a successful female entrepreneur, very outstanding, and beautiful. In the past, Jing Chenxi chased your mother for more than ten years. Well, he has always guarded her body like a jade, he is one of the best figures in the imperial capital, think about it, even he will be obsessed by your mommy, let alone other men, so you should not be careless and be careful."

"That's it." Keke and Ding Ding were discouraged again, and looked at her pitifully: "Auntie, what should we do to prevent Mommy from being snatched away by other men."

"This is indeed a serious problem. Let me think about it." Li Jiaojiao rubbed her chin and fell into deep thought.

"Auntie, think about it quickly, if our mommy is married off by another man, then we won't live anymore." Ding Ding threatened.

"Yes, yes." After Li Jiaojiao walked around the living room a few times, she clapped her hands together and spoke happily.

Two small dark eyes immediately lit up, looking at her hopefully.

Li Jiaojiao deliberately said: "But, there may be a fee for this."

"What do you mean by fee?" Coco asked very puzzled.

"It's just collecting money." Ding Ding saw Li Jiaojiao's thoughts at once.

This aunt is good at everything else, but she is greedy for money and lustful.

"Ding Ding is really smart." Li Jiaojiao patted his head, "There is no such thing as a free lunch in the world, and it should be appropriate to charge some fees, right?"

"Okay, as long as you can really prevent my mommy from being married by another man, I'm willing to give you money." Coco was very straightforward, "But I don't have any money right now, and I'll give it to you when I get it from my daddy." Money, okay?"

When Li Jiaojiao heard this, didn't she hope for plums to quench her thirst! .

She looked at Ding Ding: "Ding Ding, just give me a few more gold bars and some golden melon seeds."

"But I want to leave these to Mommy." Ding Ding was a little bit reluctant.

"Hey, Ding Ding, you are stupid! If your mommy is married by another man, wouldn't the gold bar be given to another man? If it is given to me, I will still be your aunt anyway, and I will take care of you in the future ." Li Jiaojiao understands it with reason and moves it with emotion.

"Ding Ding, give it to auntie. As long as Mommy can come back, we will make money in the future." Coco said beside him.

"Oh well."

Ding Ding turned around and walked towards her bedroom, but she kept an eye out, and only took some of the gold bars and golden melon seeds in the piggy bank to her.

Li Jiaojiao took it and smiled happily: "Come on, come on, put your ears together, and I will tell you quietly, don't let others know."

The two little ones immediately moved their heads closer.

...

the next day.

Li Jiaojiao went to the Blue Whale Kindergarten early to pick up Ke Ke and Ding Ding, and took them directly to the Galaxy Hotel next to the Gucci Building.

Because Gu Qi was going to receive the elites of the upper class in the entire imperial capital, Shen Ning rented a large meeting room with super specifications in the Xinghe Hotel.

When Li Jiaojiao rushed over with her two cubs, the red carpet had already spread far outside the conference room, surrounded by flowers, it was very lively and festive.

When they were still far away, they saw Shen Ning and Marley standing at the gate to welcome the guests.

"Look, Mommy is standing there, so beautiful!" Ding Ding cried out in surprise as soon as he saw Shen Ning.

Li Jiaojiao hurriedly covered his mouth with her hands: "My little ancestor, please don't let your mommy see us, otherwise we will be driven away by her."

On such an occasion, Shen Ning definitely didn't want her to show up here with her two sons!

Ding Ding and Ke Ke were so silent.

Chapter 733 The two little guys are very angry!

Li Jiaojiao quietly led Ke Ke and Ding Ding to go in through the back door.

The meeting room is very luxurious and lively.

A lot of cute little balloons of various colors are all around, and some children brought by some families are playing around inside.

If it was normal, Keke and Ding Ding would definitely be very happy and play around with them.

But at this time

They are not in the mood.

because

In the men's area, they saw many young men in suits and leather shoes. They were all energetic and handsome. They all stood there like dogs, ready to go, and they were about to grab their mommy!

The two little guys are very angry!

Hmph, we will be rude to anyone of you who dares to **** our mommy!

Ding Ding glanced around with his big eyes and asked in a low voice:

"Auntie, why hasn't my daddy come yet?"

"Oh, my silly boy, your mommy will definitely not invite your daddy to today's blind date meeting, he must not know the news, how come." Li Jiaojiao walked towards the back of the stage with the two cubs

.

"But if Daddy isn't here, how can we beat those men?" Ding Ding looked at those young and strong men with a little fear.

After all, they are both children and women, no matter how powerful they are, they cannot beat men.

"God." Li Jiaojiao pinched Ding Ding's little face, "You think it's a primitive society now, do you really have to violently **** marriages? Let me tell you, those men below are all elites of the upper class, well-educated, gentle, If you wake up a little bit, you will be able to understand, and you will not do those rough things at all, you just need to do what I say, and I guarantee that they will retreat in spite of difficulties."

"Okay." Ding Ding agreed.

"What your daddy needs to do most now is to **** your mommy, carry her home, impress her with your true feelings, and let her remarry with your daddy willingly, so that you will be happy and have a complete home, understand?"

"We understand." The two little ones spoke together.

While speaking, Li Jiaojiao took the two little ones to an aisle next to the dressing room behind the stage and sat quietly, while she went out to have something to do.

"Brother, today is the day of Shen Ning's blind date, please watch it." Li Jiaojiao found Li Zhijun in the crowd and said in a low voice.

Li Zhijun was taken aback: "What do you mean?"

Li Jiaojiao whispered what she heard.

In an instant, Li Zhijun touched his hair with one hand, and raised his chest: "Jiaojiao, what do you think of me?"

"Come on, watch your cousin beat you to death."

"He didn't want Shen Ning himself, so why beat me?"

"Ham, let me tell you, my cousin is definitely in love with Shen Ning now, don't join in the fun, watch carefully, don't let those men get close to my cousin, then we will go to my cousin to claim the bounty. In this way, money is spent, and now the Li family group is in full swing, and our Li family's business is difficult. Recently, we have a big order and we are counting on our cousin. Be serious, and Shen Ning doesn't like it at all. You, it's useless for you to toss."

"Okay, Jiaojiao, I didn't expect you to be so thoughtful, I really underestimated you."

"Hmph, you will know my greatness in the future."

Speaking proudly, Li Jiaojiao saw a handsome guy staring at her, her heart felt hot, and she immediately walked towards the handsome guy with an ecstatic expression on her face.

...

"Mr. Shen, you are such a beautiful and elegant woman." As soon as Shen Ning walked in slowly from the main entrance, the young man in the men's area immediately looked at her, walked towards her, and greeted her politely.

Recently, this female designer who has emerged from the business world has achieved outstanding performance. Most of them came here out of curiosity, wanting to see her in real life.

Chapter 734 Sure enough, it has a special flavor

"Where, where, thank you, thank you for your love for our company's products." Shen Ning smiled and shook hands with them one by one. She didn't know that these young men were the blind date opportunities created by Marley for her, and she just regarded them as Interested in Gucci's men's perfume, I didn't think much about it.

"Mr. Shen, hello! Not bad, elegant and decent, generous and beautiful." A young man looked at her and walked towards her with a glass of red wine.

Shen Ning glanced at this man, thin lips, slender figure, exquisite and refreshing facial features, but there was a sense of aloofness and arrogance hidden in his eyes.

"Thank you for your compliment." She parted her red lips and smiled generously.

Zhu Qixiong smiled slightly, his eyes showed approval.

Zhu Qixiong, the third young master of the imperial capital, is suave, unrestrained and unrestrained.

His motto in life is to only fall in love, not get married, and play life.

Already thirty-five years old, I play games with all kinds of young and beautiful girls every day. I don't have a fixed girlfriend.

But this person is definitely not an ignorant rich second generation. He is famous in the financial and real estate industries. He was responsible for the famous purchase of telecom equity in the business world. He got the title of 'Little Superman'.

The reason why he came to this grand banquet today is mainly to see Shen Ning. As far as he knows, Li Zhenting, a wealthy businessman in the imperial capital, and Jing Chenxi all bowed down under her pomegranate skirt. He is the third I really want to see what kind of woman can make the two men before him fall in love with each other.

When Shen Ning walked in from the outside wearing a light blue long dress and facing the sky, his beautiful face and elegant temperament immediately moved his heart, and he walked towards her unconsciously.

"Mr. Shen, can I treat you to dinner another day? I want to talk about the cooperation intention." Zhu Qixiong decisively threw an olive branch to her.

"Oh, yes." Shen Ning smiled slightly, his eyes drifted like smoke, and he raised his wrist to look at his watch.

Only one hour left.

In an hour, she will take Xiao Xiao to the airport to fly to the United States.

The feast here is to go after attending the show.

"Look, Mommy is surrounded by so many men."

"The way those men look at their mother is like a big tabby cat looking at a little mouse."

...

Ke Ke and Ding Ding stood in the corner of the stage, looking worriedly at Mummy surrounded by men in the hall, talking in low voices.

"Ning Ning, come here quickly, I have something to do with you over there." At this time, Li Zhijun hadn't forgotten his mission, he pulled Shen Ning from Zhu Qixiong's side, and said in a low voice: "Stay away from him, this is a famous ****, the third young master of the imperial capital, Zhu Qixiong, only plays with women."

After hearing this, Shen Ning understood why he looked familiar. It turned out that he had seen him on Yuji Bagua.

Zhu Qixiong shook the red wine glass with his fingers, looked at Shen Ning's back, his eyes were unpredictable, and deep meaning floated on the corners of his lips.

This woman really has a special flavor.

At this time, the feast has begun.

The host came to the stage.

Shen Ning immediately walked towards the stage.

Ke Ke and Ding Ding quickly hid when they saw Mommy approaching.

After the host with a sweet voice gave a passionate speech, Shen Ning stepped onto the stage and began to speak.

Chapter 735 Must hold her back
five minutes later.

"Mommy." Shen Ning had just walked back from the stage to the backstage when suddenly, two little guys ran towards her from the aisle, shouting joyfully.

Shen Ning was stunned for a moment.

How did Ke Ke and Ding Ding come here?

"Mommy, we miss you so much!" Ke Ke threw herself into her arms.

Shen Ning hurriedly squatted down, opened his arms, and hugged Ke Ke into his arms.

"How did you get here?" She asked in surprise.

"We were brought here by Aunt Jiaojiao, she said you are here." Ke Ke raised her small face, holding Shen Ning's face in both hands, her milk voice was sweet.

Shen Ning lost his resistance instantly, and couldn't bear to blame them for appearing here.

Ding Ding quickly walked around behind her and hugged her from behind.

Because of the sudden appearance of the two little guys, Shen Ning was in a hurry.

In the following program, there will be a very special link, which is specially designed by Marley for Shen Ning.

Under the eyes of all the people, Shen Ning, who is well-dressed and beautiful, will enter the guest area to interact with everyone and have zero-distance contact.

Marley thought, this would allow those elite men to understand her excellence, and also give her the opportunity to meet other men, which might open her eyes.

"Ke Ke, Ding Ding, you stay here, Mommy will go to an event later. It will be over in fifteen minutes. Mommy will take you out to eat again?" Shen Ning asked the two little guys road.

The two little guys were very well-behaved, they nodded together: "Okay."

Shen Ning smiled, kissed them one by one, stood up and walked towards the bottom of the stage.

At this time, the host began to announce the next program.

Ke Ke and Ding Ding looked at Shen Ning's back and smiled at each other.

But Li Jiaojiao said that Li Jiaojiao had an affair with a handsome singer and then walked towards the conference room.

"Xiao Chao, Boss Shen is going to the airport to catch a plane in an hour. You wait downstairs to take Boss Shen home to pick up her daughter Xiaoxiao, and then transfer to the airport. Don't delay." She had just walked to a lounge when suddenly voices came from inside.

Li Jiaojiao froze for a moment.

Is Shen Ning leaving the imperial capital tonight?

Then where did she go? And you have to take Xiao Xiao with you, is this going or not coming back?

This thought flashed across her, and she was so frightened that she broke into a cold sweat.

Looking at the situation, my cousin must not know.

If one day Li Zhenting can no longer find his cousin and Xiao Xiao, he should not die in a hurry, because Xiao Xiao is his own daughter!

She looked at her watch, it was almost five o'clock, and Shen Ning was leaving in only one hour, so she quickly walked inside.

"Ke Ke, Ding Ding, it's too bad, your mommy will leave here with Xiao Xiao in only one hour." Ke Ke and Ding Ding were standing behind the stage, and they were all dumbfounded when they heard what Li Jiaojiao said.

Is Mommy leaving? That won't work!

"Ding Ding, you stay here, I'll go find Daddy right away, we must let Mommy stay, and we must not let her leave with Xiaoxiao." Coco made a decisive decision.

"good."

Coco ran away after speaking.

After running for a few steps, he ran back and told Ding Ding: "Ding Ding, you must remember to sing the song 'Only mother is good in the world', and tell everyone that you are his son, and ask her to stay, You must hold her back, I will go find Daddy right away."

"Well, good." Ding Ding nodded emphatically.

Coco ran outside.

Chapter 736 Please don't leave us

"Hey, Ke Ke, do you want me to take you there?" Li Jiaojiao chased after her.

"It's too late, I'll go by myself." Ke Ke ran out, just as Uncle Li Zhijun got him a pair of pulleys, and he stepped on the pulleys with both feet and set off at a fast pace.

When Li Jiaojiao rushed out, the little guy had disappeared, because the parking lot was far away, and she couldn't catch up.

In the conference hall.

Shen Ning is sending souvenirs and gifts to all the guests present with a smile, interacting enthusiastically with them.

The meeting format is oval.

At this time, she was standing in the middle of the meeting, walking around like a butterfly, like a blooming peony, magnificent and beautiful, attracting attention.

Everyone looked at her with appreciation in their eyes.

It can be done after a while.

When Shen Ning turned around, everyone had surprised expressions on their faces, staring at her back with funny expressions.

When Shen Ning turned his back to the elite men, there were even more strange expressions on their faces.

Shen Ning sensed the abnormality but didn't know what happened. A few minutes later, the gifts in her hand were distributed, and she turned and walked in.

Everyone looked at the big characters "I have a husband" pasted on her back, and finally couldn't help but burst out laughing.

Shen Ning was puzzled.

Then Marley walked quickly toward her.

"Ning Ning, what's on your back?"

"What?" Shen Ning was full of surprise.

Marley reached out and tore off the big-character poster stuck on her back, his face was ugly: "Ningning, look."

Shen Ning took a look and almost fainted.

I saw four big words written with a brush on a piece of paper from Nuo Da: I have a husband.

"Coco, Ding Ding." She gritted her teeth, it must be the good deeds of these two little bastards, no wonder I saw them just now, it turns out that they have a purpose.

Damn Li Jiaojiao!

Don't think about it, it must be her idea again.

She strode back.

"Ke Ke, Ding Ding." But when she walked to the back, Ke Ke and Ding Ding were no longer there, so she got anxious and shouted.

At this time, the sweet voice of the stage lady came from the stage: "I'm asking Ding Ding to sing a song for his mommy, please welcome!"

Shen Ning was stunned, and hurriedly looked up the stage.

I saw little Ding Ding wearing a handsome little suit with neatly combed hair, holding a microphone in one hand and putting the other in his trouser pocket, and walked out coolly, with a sweet voice: "Dear guests, my song It was given to my mother, Ms. Shen Ning, I hope she likes it."

Everyone was quiet for a while, and the audience applauded thunderously.

Ding Ding held the microphone, and sang with a tender and pleasant milk voice: "Only a mother is good in the world..."

Light music played along with the audience.

The little guy's milk voice is sweet and waxy, and he is full of emotion, and he sings beautifully and emotionally.

Originally, Li Jiaojiao designed Ke Ke and Ding Ding to sing this mommy song together to move Shen Ning, but when she learned that Shen Ning was leaving the imperial capital with Xiao Xiao, she had to let Ding Ding play alone.

She was still worried that Ding Ding would not be able to sing well, but looking at it now, she was too worried.

Little Ding Ding not only sang affectionately, but also very fluently, and even added some language movements, which are very in place, and she has inherited good genes.

"Mommy, please don't leave us, we want Mommy." When Ding Ding sang affectionately, he yelled at Shen Ning, crying and crying.

Everyone on the scene was moved.

Chapter 737 Xiaoxiao is your own daughter

Shen Ning stared blankly at Tintin singing on the stage, his throat seemed to be blocked by sand, it was astringent and painful... ran towards the little guy desperately...

Li Group.

Li Zhenting is holding a cross-border video conference, and the heads of branch companies in various countries are reporting to him.

Sudden

The door opened.

A little guy rushed in sweating profusely.

Miss secretary followed behind him panting: "Li, Mr. Li, little, young master, he..."

Li Zhenting was shocked, isn't this Cocoa?

Why is he here?

When he was surprised, Ke Ke had already run in front of him.

"Daddy, come with me."

The little guy took his hand and shouted loudly.

"Coco, what happened?"

"Daddy, if you don't leave, Mommy will run away with Xiao Xiao. You will never find them again, and you will cry to death." Coco's face was serious.

Everyone heard the tone, a little funny, but they couldn't laugh, they didn't know what happened, they just looked at him.

"Vice President Leng, you continue to chair the meeting. I have something to do first."

Seeing Little Keke blushing and anxious, Li Zhenting handed over the meeting to Vice President Leng, and hurriedly picked up Little Keke and walked out.

"Ke Ke, what's wrong with your mommy?" He asked anxiously as soon as he came outside.

"Daddy, hurry to the Xinghe Hotel, Mommy is going to the airport by car soon. She is going to leave here with Xiaoxiao, and she will never come back again." Coco shouted.

not coming back? How can it be!

Li Zhenting was a little dumbfounded, thinking that Ke Ke missed his mother too much, but seeing the child so anxious, it still hurts.

"Ke Ke, don't worry, Daddy is already going to marry your mommy tomorrow, don't worry, I will definitely return your mommy to you." He stroked the child's face, feeling sad and self-blame.

It can be seen that Daddy didn't believe him, and beat Li Zhenting's shoulder with his small fist anxiously:

"Daddy, if you don't go to keep Mommy now, then you will definitely not find Mommy tomorrow. She ran away with Xiaoxiao."

After finishing speaking, he blurted out: "Let me tell you the truth. Xiaoxiao is my own sister and your own daughter! If you don't stop them, you won't have a daughter Xiaoxiao in the future."

Li Zhenting was shocked when he heard that, and hurriedly asked: "Ke Ke, what are you talking about?"

"I'm not talking nonsense. Xiaoxiao is your own daughter. At that time, Mommy gave birth to triplets: me, Ding Ding and Xiaoxiao. We all came out of Mommy's womb on the same day." Ke Ke blushed with anxiety Red.

Li Zhenting was dumbfounded. After a long while, he suddenly received Bodhi empowerment, suddenly realized, and ran outside with Cocoa in his arms.

...

In the meeting room of Xinghewan Hotel.

"Ding Ding, my good boy." Shen Ning rushed over and hugged Ding Ding into his arms, sobbing choked up.

"Mommy, please don't go, please stay with Xiaoxiao. Both Coco and I want to live with Mommy and Daddy." Ding Ding's childish voice echoed in the hall of the conference room, "Daddy has already I promised to marry you."

"Ding Ding, me." Shen Ning hugged Ding Ding and shed bitter tears, and buried her face in his small chest.

"Mr. Shen, promise the child quickly."

"This child is so cute, how could you be willing to leave him?"

"How lucky to have such a cute and sensible child!"

"If only I had such a cute and sensible child."

...

People below the stage were discussing a lot, some urged her, some persuaded her... all chattered.

Chapter 738 is that he is late

"Ding Ding, Mommy won't leave you even if she dies." Shen Ning hugged Ding Ding tightly and burst into tears.

...

On the street, Li Zhenting's luxury car ran through red lights all the way, and finally arrived at the Xinghe Hotel at the limit speed.

But when they rushed over, the guests had already dispersed, only Li Jiaojiao and Ding Ding sat decadently on the chairs in the conference room.

"Ding Ding, where's your mommy?" Li Zhenting panted and asked nervously.

Ding Ding shook his head and didn't speak.

"Jiaojiao, what's going on? Where is Shen Ning?" Li Zhenting turned his head to Li Jiaojiao.

"Cousin, I've tried my best, go after it yourself." Li Jiaojiao stood up and pulled her bag, "I have something to go first."

Li Zhenting was completely dumbfounded.

Shen Ning took Xiao Xiao away just like that.

Originally, he gave her a three-day deadline, and today is the last day. Tomorrow he will propose to her and take her to the Civil Affairs Bureau to register for remarriage.

She escaped in this way.

They also took away their daughter Xiaoxiao!

Thinking that Xiaoxiao is his daughter, he was excited and angry.

Excitedly, such a well-behaved girl turned out to be his daughter, which is great!

What is angry is that during this period of time, Shen Ning has kept him a secret like a thieves, and even said that Xiaoxiao is her child with another man, so go ahead and lie! Play him around like a monkey, you **** woman!

He muttered something in his stomach, turned and ran towards the luxury car.

"Daddy, be careful, we are waiting for you to bring Mommy back." Ding Ding shouted loudly from behind.

Ke Ke stood aside and was really anxious. He grabbed Ding Ding and asked angrily, "Ding Ding, didn't I ask you to hold Mommy? What's going on? You let Mommy and Xiaoxiao leave."

It wasn't until Li Zhenting's car drove away at a fast speed that Ding Ding stood up and whispered something in Coco's ear.

The cloud on Coco's face disappeared instantly, revealing a happy smile.

"Ding Ding, let's go, take advantage of Daddy's place to find Mommy, let's go play and eat chicken, otherwise, after Mommy comes back, we won't be able to play anything."

"Well, okay, let's go."

The two little ones ran outside.

"Hey, come back." Li Jiaojiao rushed out from the side, "Take my car back."

If something happens to these two little guys, she won't be able to bear it.

"Ke Ke, Ding Ding, aunt is doing pretty well this time." In the car, Li Jiaojiao was bragging, complacent.

"Auntie, you really did well this time, and I will reward you with a little red flower." Coco made a heartfelt gesture and smiled.

"Cut, I don't want any little red flowers." Li Jiaojiao showed a contemptuous expression.

"Hey, don't you just want money and gold bars, you are really a money addict." Ding Ding mocked disdainfully.

Li Jiaojiao didn't care, she smiled brightly: "Yes, I want these, do you have any more?"

"No." The two little ones looked at each other and replied in a drawn out voice.

Li Jiaojiao's face darkened: "Remember, this year's New Year's money must be given to Auntie. Don't break your promise, otherwise Auntie won't help you next time."

The two little ones stuck out their tongues on the back seat.

The airport is crowded with people.

Li Zhenting ran around looking for Shen Ning and the little figure.

The entrance, the hall, the ticket gate...he searched everywhere he could find, but there was no sign of the mother and daughter.

He kept calling Shen Ning's cell phone, but it was always turned off.

Standing in the hall, dazed and decadent!

The sky is big and the earth is big, but he doesn't know where to find their mother and daughter.

The flight has already taken off!

Is he late? Have the mother and daughter boarded the plane and left?

He sat slumped on the chair next to him, with his head in his hands, sweat dripped down his cheeks, and he began to recall every detail of getting along with Shen Ning...

Chapter 739 Mission completed

In the box on the third floor of the Galaxy Hotel.

"Ningning, come, have a taste of this cup of coffee. It's from Brazil. I grind it myself and brew it for you to taste." Li Zhijun brought out two steaming cups of coffee, and placed one on the In front of Shen Ning, he put a cup in front of himself, picked it up with his long fingers and took a sip, squinting his eyes, seeming to enjoy it.

"Hmm." Shen Ning smelled the aroma, and of course the coffee that could make Li Zhijun say it was delicious was not much worse.

"Ningning, try this pastry again. It has a history of 300 years. It is traditionally steamed or handmade, and the original flavor of the ingredients is preserved to the greatest extent..."

His slender fingers brought over several stacks of delicious pastries, and introduced them to her in detail.

"Enough." Shen Ning couldn't bear it anymore, and slammed the table, "Li Zhijun, what are you going to do?"

What the **** is this guy!

Drag her from the first floor to the third floor, let her sit here just to introduce coffee and food to her! Does she need it?

The point is that he has nothing to say, and he has already wasted half an hour on her.

Originally at this time, she should be at the airport with Xiaoxiao...

Li Zhijun grinned: "Ning Ning, I'm doing it for you and Xiao Xiao, so you can stay here well."

Shen Ning narrowed his eyes, looked at this guy, grabbed the clothes on his chest suddenly, and shouted sharply: "Li Zhijun, I'm very busy, so I don't have time to mess around with you here."

"Ning Ning, I swear I'm not fooling around, never." Li Zhijun raised his fingers to the top of his head, salivating with a smile, "Actually, I just want to chat with you about life, I said Shen Ning, what exactly are you planning? What kind of man do you want to find after getting rid of my cousin? Like me, do you think it will work?"

"You..." The corners of Shen Ning's lips twitched in anger, you bastard!

At this moment, the doorbell rang outside.

"Please come in." Shen Ning was so annoyed that he pushed Li Zhijun to the ground.

The door opened.

A man in a suit and leather shoes appeared at the door and walked in casually.

"Master Zhu." Shen Ning looked at him in surprise.

Zhu Qixiong smiled at her, glanced disdainfully at Li Zhijun, who was on the ground, and shouted in a low voice, "Get out."

Li Zhijun raised his wrist and looked, well, the time has been missed perfectly, and the task has been completed.

Looking up again, my God, there are still two mighty and majestic Baobiao standing at the door.

His slender body didn't dare to contend with him, so he got up and ran away in a hurry.

"President Shen, please sit down." Zhu Qixiong raised his hand politely, "How about we talk about cooperation matters?"

Shen Ning glanced at the two Baobiao standing at the door, and forced a smile: "Young Master Zhu is really a big show."

"Oh, haha, I didn't think about it." Zhu Qixiong waved to Baobiao who was standing at the door after being slightly stunned, and the two Baobiao left immediately.

"Mr. Shen really lives up to his reputation, and his charm is beyond the mark." Zhu Qixiong leaned forward, his beautifully curved lips raised a brilliant arc, looked at Shen Ning, and complimented him endlessly.

"Where." Shen Ning smiled faintly, "I am already the mother of three children..."

"It is at this time that women are the most mature, stable and attractive. I like this type very much." Zhu Qixiong's eyes were shining brightly, and his voice was intimate.

"..." Shen Ning was speechless for a while! So, what is this man here for? Talk about cooperation or confession?

But said that after Li Zhijun ran out of the box, he twisted his water snake waist and walked downstairs, took out his mobile phone, and called Li Zhenting.

In fact, the reason why he invited Shen Ning upstairs was to let Li Zhenting chase him to the airport and exhaust him to see if this would help him to remember and cherish Shen Ning. Of course, this is also Li Jiao. Jiao's idea.

Chapter 740 What should she do!

Li Zhenting stood at the airport blankly, looking at the crowd of people, feeling extremely lost and depressed.

Xiaoxiao was his daughter, and before he had time to digest this fact, the two of them, their mother and daughter, left him like this, which made him feel so embarrassed!

He turned and walked outside.

The phone in his hand rang.

He picked it up.

"Cousin, go to the Ruyi Box on the third floor of the Galaxy Hotel to have a look. The cousin is there." Li Zhijun shouted in a shrill voice.

Li Zhenting was taken aback, and immediately asked: "Zhijun, didn't Shen Ning leave by plane?"

"Who said that?" Li Zhijun asked knowingly.

"Ding Ding said."

"Damn, cousin, you are so old that you still believe what a five-year-old kid says, it's not like you."

"..." The muscles on Li Zhenting's face twisted.

At that time, Li Jiaojiao was also there, and she also said that Shen Ning had left, these bastards! It seems that he was teased by them!

"Cousin, come quickly. I'm leaving first. Today, many elite men have fallen in love with my cousin. If you don't come again, be careful that your cousin is snatched away. Then you can go cry." After Zhijun finished speaking, he hung up the phone, chuckled, and walked away twisting the waist of the water snake.

Li Zhenting immediately ran towards his luxury car...

In the box, Shen Ning stood up.

"Young Master Zhu, you should contact our project manager first about the project cooperation, and they will give me feedback. I have something to do, so I'm leaving first." She said this and was about to leave.

Zhu Qixiong stared at her: "Mr. Shen, it seems that it is difficult to invite you to dinner."

"No, I really have something to do. The child is still waiting for me at home." Shen Ning smiled, turned and left.

Zhu Qixiong took a sip from the teacup, stared at the woman's slender back with burning eyes, and swallowed at his Adam's apple.

"Boss Shen, I'll treat you to dinner another day."

"good."

Shen Ning hurried away.

Not long after she left, Li Zhenting ran out of the car and headed towards the third floor of the Xinghe Hotel.

only

When he came to the third floor, there was no one in the box.

He asked several waiters, and they all said that Shen Ning had already left.

Li Zhenting's eyes darkened, and he gritted his teeth.

Where did he go to find her?

Damn woman!

He walked out dejectedly.

"Cousin." Unexpectedly, as soon as he walked out, he saw Li Jiaojiao's car driving up, with the window rolled down, and yelled at him.

Li Zhenting's eyes turned cold, and he strode towards her.

...

"Mum, don't we need to leave?" As soon as he got home, Shen Ning took out all the luggage that had been cleared at the beginning, and Xiao Xiao asked in a childish voice beside him, but the excitement in his voice could not be concealed .

She didn't want to leave here at all, leaving Daddy, Coco and Ding Ding, it would be great if she didn't have to leave.

Shen Ning looked at the happy smile on the little delicate and beautiful face, thoughtful for a moment, and his expression suddenly dawned on him.

"Xiaoxiao, Mommy will try to let you stay in the imperial capital in the future, so that you can be with Daddy, Coco and Tintin." She stretched out her hand to hold Xiaoxiao in her arms, and murmured.

"Really? That's great." Xiao Xiao was very happy, hugged Shen Ning and kissed her.

Shen Ning put down Xiaoxiao, and Xiaoxiao went to play bouncing around.

Seeing her daughter's innocent smiling face, she involuntarily stroked her stomach with her fingers.

She is pregnant with Li Zhenting's child again!

As a mother, what should she do!

There was an urgent knock on the door outside.

She woke up with a start, and Aunt Dong had already walked over and opened the door.

"Ning Ning, little one." The man's tall and slender figure rushed in from the outside like a gust of wind, and rushed in front of them in an instant.

Shen Ning's face turned pale.
