Chapter 9 Exactly the same little guy

"..." Butler Luo opened his mouth wide.

The young master Ding Ding is her own! As a mother, shouldn't she be in a hurry!

Six years ago, she was pregnant with the young master's child, still twins, but at that time his wife Li Wanqing firmly refused to allow her to enter the house. Later, after the child was born, the wife still looked at the face of the young master Ding Ding, who was exactly the same as the young master. Only then did she agree to let her live in on the grounds of taking care of the children.

This stay is six years.

Shen Mei's current identity is still Li Zhenting's nominal cohabiting girlfriend, but she has always regarded herself as a young mistress.

But what Butler Luo couldn't figure out was that, logically, Shen Mei lived in because of Ding Ding, so she should be proud of him, after all, the Li family's property would be indispensable in the future.

But in the past six years, she has always been lukewarm to Tintin, sometimes even called indifferent, but she still loves Lan Lan very much.

Footsteps sounded outside.

Soon, Li Zhenting's tall and muscular body walked in.

The man's sharp black pupils glowed with a cold luster, and the whole body exuded a cold air. The powerful aura instantly caused the temperature in the entire bedroom to drop suddenly.

"Shocking."

Shen Mei's face changed color, she immediately put down the eyebrow pencil, rubbed her eyes, and threw herself into his arms like a butterfly, she said softly,

"You are back, Ding Ding is gone."

"What's going on?" Li Zhenting pushed her away with a cold look in his eyes.

Shen Mei looked at him pitifully, stammering:

"Zhen Ting, Ding Ding and Lan Lan quarreled, Lan Lan missed and hit Ding Ding, Ding Ding ran out angrily, children, card dealing anger is common, maybe where to play."

'you sure? "Li Zhenting's eyes became a little more chilly, and he asked coldly.

"..." Shen Mei felt a little guilty.

Lan Lan slapped Ding Ding today.

"Master, we have already searched in the castle." Steward Luo said cautiously beside him.

"Let Lan Lan stand in the study first, and wait for me to come back." Li Zhenting ordered coldly, turned around and strode outside.

Shen Mei pursed her lower lip, but she was still afraid in the face of Li Zhenting, and she personally sent Lan Lan into the study, but she was not asked to stand, but to sit.

Aode Animation City.

Ke Ke had just walked to the gate with short legs, when suddenly, a little guy running head-on bumped into him.

"Ouch, who are you?" Coco yelled unhappily while rubbing his sore nose.

The other party has no voice.

He looked up.

Ge Di's eyes widened.

Days, it turned out to be a little guy exactly like him.

Is this time-traveled, into an anime drama?

"Who are you?" He stared at Tintin with big eyes and asked in amazement.

Ding Ding looked at him with a blank expression on his face, without speaking.

Hey, this guy is cold all over, I'm afraid he is not a real person.

After being dazed for a while, Ke Ke stretched out her little finger and pinched Ding Ding's little nose.

Hey, the little nose is soft and fleshy, with warmth, it's a real person!

It is exactly the same as him, so amazing!

He scratched his little head.

"Who are you? Why do you look so much like me?" Ding Ding finally opened his thin lips and spoke coldly, with a very arrogant expression.

Uh, this tone?

Ke Ke was a little displeased, obviously he ran over and bumped into him just now, okay?

However, the smart little Coco has already guessed what's going on.

The arrogant and cold little guy in front of him must be his own brother!

Hey, brother, he doesn't care.

"Ding Ding." At this moment, a man's deep and magnetic voice came from behind.

Ding Ding's face paled! No, Daddy chased after him so quickly!

He escaped with great difficulty, and he didn't want to go back to that cold ghost castle.

Sudden

He pushed and pulled little Keke in the direction where Li Zhenting came, and he ran directly towards the animation city.
