

Troublemakers 911

Chapter 911 Fatal blow

"Look, the elevator has come up, let's run from the back stairs." Xiaoxiao pointed to the elevator with a flustered expression.

Ke Ke saw the elevator coming straight upstairs with a sharp eye.

"Run." The three little guys ran towards the back stairs. Fortunately, the back stairs were not far away, so they ran down quickly.

As soon as they ran into the corridor, the elevator door opened, and Xiaofeng walked out with a happy face.

In the past few days, Li Zhenting has obtained his household registration book and ID card by controlling Li Zhenting. Tomorrow, she will take him to the Civil Affairs Bureau to register for marriage.

As long as the registration is completed and the marriage certificate is obtained, she and Li Zhenting will be a legitimate couple, and she will be the legal Mrs. Li.

Her goal is about to be achieved!

That's great!

For a while, she was in a good mood, with a bright smile on her face.

only

This bright smile froze quickly on his face.

because

Her office door is open.

Who came into her office?

Her heart skipped a beat, and she quickly ran towards the office.

soon

She turned pale.

Her office drawer was opened by someone, and the things inside were turned into a mess, and the two important things were gone.

At that moment, cold sweat oozed from her forehead, and she trembled all over.

Someone came and opened her drawer and took her things?

Obviously, she was locked.

"Who? Who rummaged through my drawer?" She rushed in, and after a while of rummaging, she fell down on the soft chair and shouted sharply.

The medicines Reinez gave her were gone, as were Li Zhenting's household registration book and ID card.

Tomorrow, she will rely on these two things to confuse Li Zhenting to go to the Civil Affairs Bureau to get a marriage certificate, but now these two things are gone, which almost gave her a fatal blow.

"Who came into my office? Come out quickly." Soon, she stood up like crazy and ran around shouting.

But the office was empty, and no one responded to her.

"Ah." After yelling for a while, she rushed into the office with her head in her hands and burst into tears.

I have been busy for so many days, just to go to the Civil Affairs Bureau tomorrow to get a marriage certificate with Li Zhenting, but now, there is nothing left, and the busyness is in vain.

Thinking of this, she was in pain and her heart was broken.

In the corridor.

"Did you hear, that ugly woman is yelling, sure these few things are very important to her, and now we have taken them away, they deserve it." Coco said triumphantly.

"Yes, let her cry to death." Xiao Xiao gritted her teeth as soon as she thought of her pestering her father, she wished she could fight him.

"Stop talking, let's go, if she catches you, you will be in trouble." Ding Ding looked at the darkening sky outside and urged them.

"Okay, let's take the elevator down here." After they went down to the third floor, they walked around to the elevator and pressed the elevator button.

After crying for a while, Xiaofeng raised his head, with scarlet blood shining in his eyes.

She put these things in the office drawer in the afternoon, and it was taken away not long ago.

Maybe this person is still in the Li Group.

No, she must find this person and get the things back.

These things are too important, not only the marriage certificate with Li Zhenting, but more importantly, the drugs, which are all banned drugs. If people find out, she will be finished.

She ran out with bloodshot eyes.

After running around in the corridor, suddenly, her eyes stopped on the elevator keys, and she let out a grin.

The elevator button stays on the 35th floor.

At this time, all the employees of the Li Group are off work. It's freezing cold, and the Chinese New Year is approaching. Generally, no employees are still working overtime.

That is to say, someone is pressing the elevator on the 35th floor.

She was excited and pressed the elevator button violently.

Chapter 912 is very dangerous

Shen Ning was driving while typing on the phones and watches of the little ones.

Coco's phone and watch have been turned off, but fortunately, Xiaoxiao can get through.

Here, the three little guys watched the elevator go straight down.

"Hey, I really want to see Mommy, I really miss her." Xiaoxiao sighed, "Now Mommy is so pitiful, she must be in this building now."

"Yes, I also want to see Mommy." Ding Ding echoed.

"But now that smelly woman is back, if we go to see Mommy, she will find out, we still have her things in our hands." Coco shook his head maturely, "Let's go back first."

"Okay." Xiao Xiao and Ding Ding reluctantly agreed.

At this time, the phone and watch on the little wrist rang.

"Great, it's Mommy calling." Xiao Xiao's eyes lit up, and she jumped up with joy.

"Really, hurry up." Coco and Ding Ding were also very happy.

Xiaoxiao picked it up immediately.

"Mommy."

"Xiao Xiao, where are you now?" Hearing Xiao Xiao's innocent and naive voice, Shen Ning's heart was relieved, and a smile appeared on the corner of his lips.

"Mum, I'm in the Li Group. I'm with my brother and Ding Ding. Where are you now? Let's go and see you?" Xiaoxiao replied with a smile.

Li Group?

Shen Ning's eyelids jumped inexplicably.

"Honey, what are you doing there?" she asked softly.

"We..." Xiao Xiao was speechless for a moment, could she tell Mummy that they came to find evidence of that bad woman.

"What's the matter? Did Daddy let you go there?" Shen Ning looked at her silently, and asked softly.

Xiao Xiao looked at Cocoa.

Coco shook his head.

"Mommy, we are here to see you. You didn't come home last night, so we are very worried about you." Little Milk's voice was sweet.

Shen Ning's heart warmed when he heard it, but he still said seriously: "Mummy is not in the Li Group at all, you have to tell Mommy first when you go to see Mommy, it is very strange for you to go out suddenly like this, and you are so young. Dangerous, understand?"

But before her words fell, suddenly, a little terrified cry came from her ear: "Ah, Mommy, come and save us... ah."

Before the little guy could finish his sentence, a beeping tone came from the phone, and the call was cut off.

"Xiao Xiao." Shen Ning's face turned pale and he shouted loudly.

But there was no echo from the phone.

She hurriedly dialed back, but the phone couldn't get through. All of a sudden, she was so anxious!

What happened to the kids? What's wrong with this?

She stepped on the accelerator and the car drove forward, but her eyelids kept twitching. After thinking for a while, she took out her mobile phone and called Zhu Qixiong, telling him the current situation.

After all, she is only a pregnant woman with limited strength, and now she has three children in the Li family. If something happens, her strength is limited and she must seek help.

And Xiaofeng's rank will never be lower than that of Shen Mei! Both IQ and EQ are higher than Shen Mei's! It is difficult for her to deal with such a master.

Zhu Qixiong only solemnly said immediately after receiving her call: "See you at the Li Group."

Hung up the phone and walked outside.

But when Xiao Xiao was talking to Shen Ning, suddenly, the elevator door opened.

A gloomy, murderous woman appeared at the elevator door.

"Ah." She screamed in fright, her face paled.

At this moment, Xiaofeng reached out and grabbed Xiaoxiao, and dragged her out. This little guy was talking on the phone with someone else, and he would definitely leak the secret. She snatched her phone watch and threw it to the ground.

Chapter 913 Pretend to be kind in front of them

"Smelly witch, why did you drop my phone and watch?" Xiaoxiao became angry and yelled at her.

"Don't move Xiaoxiao." At this moment, Ke Ke rushed over to protect Xiaoxiao.

"Hmph." Xiaofeng snorted coldly, his eyes fell on the things Coco was holding.

Sure enough, it was these three little guys who entered her office and took away her things. It's disgusting!

She turned her eyes, bent down, and asked amiably: "Coco, Ding Ding, Xiao Xiao, why did you come to my office to get things? Don't you know this is stealing? Or is it that your mommy didn't?" Can I teach you not to take other people's things?"

"Because you are a bad person and you harmed my mommy, we have to take away the evidence that you harmed my mommy. We are not stealing your things." Coco was very angry and even said that they were stealing. Not yet.

"Oh, that's it, then who said I harmed your mommy?" Xiaofeng said softly with a gentle face, "You are wrong, your mommy harmed me and your daddy."

"That's not true, you are lying, our mommy is the kindest, you are an ugly monster, pestering our daddy every day, I hate it, please leave our daddy quickly." Coco was dizzy and stared at her bitterly.

Xiaofeng touched his head, and said softly: "Hey, I was taught badly by your mommy, not only stealing things, but also yelling at the elders, how unbehaved, tell you, I will immediately It's your mommy, and your daddy is going to marry me, so you have to listen to me in the future, understand? You can't be rude to your elders. "

Xiaoxiao was so anxious when she heard this, she yelled loudly with red eyes and pursed mouth: "You are talking nonsense, you are not our mommy, we don't want you to be our mommy."

"Yes, our daddy will not marry you."

"If Daddy dares to marry you, we won't recognize him as Daddy."

Ke Ke and Ding Ding were also impatient, and objected in disbelief.

Xiaofeng was not in a hurry, just smiled and said softly:

"But your daddy loves me, and he is going to marry me soon. This is a fact. You have to be good and sensible, so that your daddy will be happy, like you, love you, understand."

After Li Zhenting married her, she had to face these three little guys. For the time being, she had to pretend to be kind in front of them, to please them, and not make them feel disgusted with her, so she still had to pretend.

Ke Ke, Ding Ding and Xiao Xiao stared at her, unable to tell whether what she said was true or not.

Because she looks so much like Mommy and speaks softly, their dislike of her is not as strong as it started.

"Come on, give me back the things you took from me, so that I won't tell your father about the things you stole." She had a pleasant face, a smile like a flower, and was gentle and pleasant.

Ke Ke looked left and right, but couldn't make up his mind for a moment.

"Cocoa, there are poisonous things in there. If the kid took the bad one, give it to me quickly." Xiaofeng stretched out his hand in front of him.

"Okay, I'll give it to you." Ke Ke thought that it was wrong for them to steal her things in the first place, and this thing was in his hands. If she really snatched it, she would **** it, so she put it in the bag. returned the things to her.

"He's so good, he's such a good boy." Xiaofeng smiled until his eyes narrowed, "Is there anything else? It's all in there, isn't it?"

"Yes, no more, it's all in there." Coco nodded his head.

"Okay, thank you, will Auntie take you to dinner?" Xiaofeng asked with a smile while holding the bag.

"Brother, don't take her word for it." Xiao Xiao shouted at Ke Ke.

This woman is so cunning and good at pretending. She was very fierce just now, and her arm hurts from being pulled by her, but now she is pretending to be a good person, and she doesn't want to eat her food.

"Yes, we don't want to eat your meal." Ke Ke woke up instantly, he was almost confused by her just now.

Chapter 914 Angry

"Ke Ke, Xiao Xiao, let's go, don't tell this bad woman." Ding Ding pulled the two of them to leave.

"Okay, let's go."

The three little ones walked out holding hands.

Xiaofeng looked at the figures of the three little ones, and smiled sullenly at the corners of his lips.

Hmph, little bastard, you're pretty smart, and you know you're here to find evidence, but it's a pity that you are too young to save your mommy, and you can't stop me from becoming your stepmother, as long as I become Mrs. Li, I have become your stepmother, and I will clean up you when the time comes!

She held the bag and pressed the elevator button, and walked into the elevator.

"It's raining, what should we do?" Ke Ke, Ding Ding and Xiao Xiao stood at the entrance of the building, watching the rain that was getting heavier and heavier outside, and frowned, "If I knew this, I might as well ask the driver uncle to send us here."

"Don't worry, I've ordered a car on the app, and it will be here in three minutes. If we didn't sneak out, we wouldn't be able to get out at all." Ding Ding was very calm.

So, the three little guys stood at the gate and waited for the online car-hailing car.

Here Xiaofeng took the elevator back to the office and opened the bag.

She put those small bags into her bag from the inside. Early tomorrow morning, she will take Li Zhenting to the Civil Affairs Bureau to obtain a certificate. She must act quickly. Now even three five-year-old dolls are watching I have fallen in love with her, but I can't drag it on.

While she was packing up to go to the hospital, suddenly, she remembered something, and hurriedly opened the drawer to search again, and her face changed color after a while.

No, Li Zhenting's ID card and household registration book were not in the bag, and Ke Ke didn't return these two documents to her just now.

That...

She immediately ran out again and pressed the elevator button.

"Why hasn't the driver come yet?" Xiao Xiao shrinks her neck, shivering from the cold, and her face turns red.

"Traffic jam, it's overtime." Ding Ding glanced at the phone, a little helpless, "Wait a little longer."

The three little ones were cold and hungry, so they had to wait again.

"Ke Ke, did you take something from my office and didn't return it to me?" At this moment, Xiaofeng got off the elevator in a hurry, and when he saw the three little guys were still there, he breathed a sigh of relief and ran over immediately ask.

"No." Ke Ke shook his head.

"Impossible, your father's ID card and household registration book are all in my drawer, and they are gone now, you must have taken them, return them to me quickly." Xiaofeng's face was serious.

She took a lot of effort to get these two things from Li Zhenting. Without these two things, how would she get a marriage certificate with Li Zhenting tomorrow!

Ke Ke blinked his eyes and thought about it, yes, he did take his father's ID card and household registration book, but he didn't put it in that bag, but put it in his clothes pocket, and he forgot to give it to him just now. she is gone.

Can

That was his daddy's ID card, why give it to her?

Looking at her anxious appearance, she must be going to do something bad with Daddy's ID, so he won't give it to her.

Now pretending to be stupid, she said in a childish voice, "Bad aunt, I didn't take it."

This little guy refused to admit it!

Seeing this, Xiaofeng could only be patient and started talking good things again, but this time, no matter what she said, Keke and Dingding just refused to admit that they took Daddy's ID card and household registration book from her.

In the little guy's heart, Daddy's household registration book and ID card belong to their family, and Xiaofeng stole Daddy's ID card.

They call it taking it back instead of stealing it!

Xiaofeng suddenly became angry from embarrassment, and reached out to grab Keke, wanting to search him.

Coco is a ghost, he had expected it, when Xiaofeng grabbed his hand, he lowered his head and bit the back of her hand fiercely, and ran away while she was in pain.

Xiao Feng screamed.

Ding Ding certainly wouldn't let her get close. When she came to grab her, he took the opportunity to kick her.

Little bastard!

Xiaofeng was furious, and finally grabbed Xiaoxiao and lifted her up high.

Chapter 915 Vicious woman

"Little bastard, if you don't give me your daddy's ID card and household registration book, I'll throw Xiaoxiao to death." Angry and angry, Xiaofeng raised Xiaoxiao as if he was about to throw her to death, and threatened loudly.

"Wow." Xiaoxiao burst into tears in fright.

Coco and Ding Ding were dumbfounded.

She couldn't do anything to them, but caught Xiao Xiao, what should I do?

"Brother, save me quickly, I'm afraid." Xiaoxiao cried loudly.

Just then, a blue BMW drove over.

Shen Ning only saw Xiaofeng viciously lifting Xiaoxiao above his head the moment he came over, and Xiaoxiao was crying loudly at the top of his lungs.

Her heart was torn into pieces, and her face turned pale from the pain.

"Put down my daughter quickly." She opened the car door and rushed out, yelling angrily.

Xiaofeng raised her eyes and saw Shen Ning rushing over, her eyes flashed with panic, and her heart sank quickly, realizing that she would not be able to get her things back today, and her plan might be disrupted by these little brats , it was simply irritating.

Her cold eyes stared at Shen Ning's stomach, and a vicious plan formed in her mind.

"Shen Ning, if you want me to let Xiaoxiao go, then you have to ask what good things your children have done?" She smirked.

"Did what?"

"Hmph, don't be hypocritical. I think you ordered them to come here and steal Zhenting's household registration book and ID card. You should know that tomorrow I will go to get a marriage certificate with Zhenting, but your three children actually ran to I stole their father's ID in my office, they are still young,

how can they understand this, this must be instigated by you, therefore, if you don't give me the ID today, I will not let Xiao Xiao go." Xiaofeng said angrily.

Ke Ke was stunned when she heard that, it turned out that this bad woman wanted Daddy's certificate because she wanted to get a marriage certificate with Daddy.

God, how is this possible?

"Nonsense, I didn't take it." He yelled loudly, and must not hand over Daddy's ID, otherwise, they will lose Mommy.

Mommy is too pitiful!

Shen Ning already understood what was going on, there was a cold chill on the corner of his lips.

"Coco, Ding Ding, have you taken your daddy's ID?" She asked.

"No." The two cubs said in unison.

"Xiaofeng, do you hear that? They didn't take it, put Xiaoxiao down quickly, I'll go home and find it for you, and if I find it, I'll post it to you." She said coldly.

"No, it's the two of them who took it. You search it out and give it to me now, and I'll release Xiaoxiao, otherwise, never." Xiaofeng is sure that the documents are on Coco and Dingding, so she will not let this one go. chance.

"Mommy, leave me alone, let's go, this bad woman is too bad, don't give her Daddy's ID, we don't want her to be mommy." When this bad woman was going to marry Daddy, she was so angry that she was not afraid, and began to struggle hard.

Xiaofeng was already thin and weak, but she suddenly struggled hard, Xiaofeng couldn't hold it with both hands, and Xiaofeng fell off Xiaofeng's hands.

And below is the concrete floor.

Shen Ning's eyes widened...

"Xiaoxiao." She yelled and rushed towards Xiaoxiao.

But because of the rain, the soles of her feet slipped, and she fell down, but even so, she still rolled forward regardless of her safety, trying to let Xiaoxiao fall on her.

Xiaofeng looked at them condescendingly.

When Shen Ning rolled over, she was lying on the ground under her feet, her slightly protruding belly was facing her.

Xiaoxiao was falling towards Shen Ning's chest.

There was a gloomy glint in her eyes, she raised her foot and was about to stomp **** Shen Ning's stomach.

Chapter 916 This ugly woman is so vicious

"Damn it." Just as Xiaofeng's foot was about to fall, suddenly a figure rushed over, raised his foot and kicked the woman's chest fiercely.

"Ah." Xiaofeng screamed, and fell backwards, the back of his head hit the ground, almost fainted.

At this moment, the man stretched out his arms to catch Xiao Xiao, and Xiao Xiao fell into his embrace safely.

"Ning Ning, how are you doing?" Zhu Qixiong asked with concern as he bent over to help Shen Ning with Xiao You in his arms.

At this time, Shen Ningke is pregnant with a child!

When Shen Ning thought that he would die twice, he didn't expect that Zhu Qixiong would arrive in time, and he was very moved.

"Thank you, Young Master Zhu." With Zhu Qixiong's support, she climbed up with difficulty and kept thanking her.

"You're welcome, silly girl, this is so dangerous, why didn't you wait for me." Zhu Qixiong took off his clothes and put them on her shoulders, and turned his head.

Xiaofeng was thrown to the ground and was in excruciating pain. When he got up and saw that it was Zhu Qixiong who had arrived, he knew that he would not be able to get his things back today. At this moment, Zhu Qixiong's eyes were filled with anger again, and he walked towards her with his fists clenched. Come.

She got up in fright and ran away.

"Uncle, thank you." At this moment, Ke Ke and Ding Ding ran over and thanked Zhu Zhixiong with their small faces raised.

If he hadn't come here today, Mommy and Xiaoxiao would be in trouble.

"You're welcome, your mommy is kind and beautiful, and she is worthy of my rescue." Zhu Qixiong touched the heads of the two children and said, "It's raining, get in the car."

"good."

The children agreed and got into his car.

"Ning Ning, are you okay, why don't I send you to the hospital for an examination?" Zhu Qixiong supported Shen Ning, looked at her struggling to walk, and asked worriedly.

"It should be fine, no need." Shen Ning shook his head with a pale face.

She didn't want to make a scene.

"Well, I'll take you to my house and sleep in my house tonight, okay?"

"No, please take us back to Li's Castle." Shen Ning politely refused, the children were all wet and frightened, it would be better to go back, besides, he didn't have any children there clothes, too much trouble.

"It's okay." Zhu Qixiong saw that she was determined, so he had to agree.

He helped Shen Ning into the car.

"I'm sorry, Uncle, we don't take your car anymore, I've already canceled it in the software." In the car, Ding Ding was apologizing to the online car-hailing driver, with a sweet voice and an old-fashioned appearance that made people laugh.

Shen Ning smiled and patted his head.

"Mummy." The three little guys embraced her, and Ke Ke said, "This ugly woman is so vicious, she still has that poisonous liquid in her hand, she will feel dizzy after smelling it."

Shen Ning was startled, and hurriedly asked: "What liquid?"

Then Coco and Ding Ding told what they saw.

After hearing this, Shen Ning couldn't think of the use of holding these liquids, so she didn't think about it too much. After all, she and Xiaofeng won't have much entanglement in the future.

"Then did you take Daddy's ID card and household registration book?" Shen Ning asked.

"Yes, I took it." Ke Ke honestly admitted now, and the chubby hand took out the ID card and household registration book from his pocket.

"Then why do you take these documents?" Shen Ning was very puzzled.

"This is our daddy's, of course we have to take it back, and that bad woman wants to marry daddy with this, so I don't want her to be our mommy." Coco took it for granted.

Chapter 917 This is an excellent opportunity

Shen Ning finally understood what the little guy was thinking, felt a pain in his heart, touched his little head and said, "Ke Ke, how about this, after you see your daddy, return them to him and let him choose by himself."

If Li Zhenting wants to marry Shen Ning, even if the little guys take away his documents, that won't stop them. It's best to return them to Li Zhenting and let him make a decision.

As far as she knew, Li Zhenting always carried his ID with him, so why did he put it in Xiaofeng's place? It's okay for the children to get it back from Xiaofeng's place now.

"Okay, I'll give it to Daddy." Coco nodded seriously.

Shen Ning smiled and kissed his forehead. While talking, the car stopped in front of Li's Castle.

After Shen Ning and Zhu Qixiong said goodbye, they took the children into the living room.

As soon as the children came back, Li Wanqing and Li Jinyao surrounded them, and everyone was busy for a while.

The three little guys told Li Wanqing about today's situation, and Li Wanqing's eyes were full of anger, but now her son likes Xiaofeng, and she can't help it.

Upstairs.

"Madam, madam asked me to bring you **** syrup, drink it quickly." Shen Ning came out of the shower room and saw Xiaofeng bringing a steaming bowl of brown sugar **** syrup over.

"Thank you, let's put it there first." Shen Ning thanked, and sat resting against the bed screen.

It was raining today, and I was anxious, especially when Xiaoxiao broke free from Xiaofeng's hand and fell off. Because of anxiety, she rushed up and slipped and fell down. In order to avoid falling to Xiaoxiao, she rolled on the ground again. It must have hurt the fetal gas because of this, she only felt a faint pain in her stomach.

"Madam, are you alright?" Xiaofeng asked with concern, looking at her instead of leaving after delivering the **** syrup.

"I'm fine." Shen Ning slightly closed his eyes.

"Madam, drink this **** syrup while it's hot. Madam said you're going to get rid of the cold after being caught in the rain." Xiaofeng brought the **** syrup on the table and brought it to Shen Ning, "I'll take it down after you drink it wash."

Her fingers trembled slightly.

Shen Ning didn't even open his eyes.

She is pregnant now, and brown sugar and **** syrup has the effect of invigorating blood, so she dare not drink it, but Li Wanqing didn't know she was pregnant, so it was out of good intentions.

"You put it on the table and go out. I want to rest first and drink later."

"Ma'am, are you feeling well?" Xiaofeng was very anxious in her heart, there was only one day left, if she couldn't finish the task, then her mother... thinking of her mother, she looked at Shen Ning with a bit of ruthlessness.

This is a perfect opportunity. It just so happens that Madam asked the kitchen to boil brown sugar and **** water soup. The medicine Xiaofeng gave her had a strange smell, and she didn't know how to drink it for her.

Shen Ning frowned, a little annoyed.

This Xiaofeng is really troublesome. It doesn't matter if she drinks or not. Why is she asking so many questions?

She opened her eyes, but when she opened them she was startled, and saw that Xiao Feng, who was usually timid and afraid to lift his head, now had a vicious glint in his eyes.

This kind of light made her feel terrified.

Xiaofeng was shocked even more. She was concentrating on thinking about her mother, but she didn't expect that Shen Ning would suddenly open her eyes.

The two looked at each other, she was trembling with fright, and hurriedly avoided her eyes, while Shen Ning's face was full of doubts.

"Madam, I'm leaving first. If you finish drinking, just tell me. I'll come up and get the bowl to wash in the kitchen." Xiaofeng hurriedly turned around and put the **** syrup on the table next to her, and left in a panic.

Shen Ning looked at her back, frowned, and suddenly remembered Aunt Dong's words: Miss, you have to be careful with that Xiaofeng, she looks weird, I always think she is not a good person.

Is there really something wrong with Xiaofeng?

Chapter 918 You are pregnant with twins this time

Aunt Dong came up after a while, and Shen Ning asked her to pour down the bowl of brown sugar **** soup.

In the evening, instead of going to sleep with Xiaoxiao, she slept in the guest room.

In the middle of the night, I only felt a dull pain in my stomach, and there seemed to be a hot stream coming out of my lower body.

She woke up with a start, her eyelids twitched, and she leaned on the wall to go to the bathroom.

Sure enough, I saw red!

Although there are not many, but there is blood.

She was terrified. After Luohai gave birth to three children last time, the doctor said that the chance of her getting pregnant again is very low. Now she is pregnant again, and the uterus has been injured. She is very worried that something will happen.

After finally making it to dawn, she frightened Ji Qingshan on the phone and told him the situation.

Ji Qingshan drove over immediately after hearing this.

When Shen Ning came downstairs, she told Li Wanqing that she wanted to go back to Gu Qi. Li Wanqing had nothing to say, and immediately agreed. After all, Shen Ning and his son are divorced now, and she is feeling guilty and restless, let alone what she does.

In the hospital.

Ji Qingshan helped Shen Ning to the gynecology department.

When Director Lin of the Gynecology Department heard about Shen Ning's situation, he immediately gave her a gynecological examination.

After a lot of work, the gynecologist looked serious.

"Doctor, how is it? How is my child?" Shen Ning asked nervously.

"Young man, you are already three months pregnant. This is the time to pay the most attention to safety, but be careful, it's very dangerous." She said solemnly.

Shen Ning lowered his head and said in a low voice: "I know, I will be careful in the future."

"Director Lin, is the baby in her belly okay?" Ji Qingshan hurriedly asked.

"Professor Ji, the baby in my belly should be fine, but it's dangerous if it turns red, how about this, go for a B-ultrasound right away." Director Lin said to Ji Qingshan in a friendly and respectful manner, "Besides, she is in a weak physical condition now. In the situation, I suggest staying in the hospital for a few days immediately to recuperate her body first, and I will also prescribe some anti-fetal medicine for her."

Ji Qingshan replied without thinking: "Yes, you can issue a hospital bill."

"Qingshan, I..." Shen Ning didn't want to be hospitalized. If she was hospitalized in the gynecology department, her whereabouts would be easily discovered by others, and this secret would be lost. The consequences would be dire, and she was very worried.

Ji Qingshan understood her thoughts and said, "Don't worry, Director Lin is my friend, and she will help you."

Shen Ning's body is too weak, and the blood test just now revealed that she is malnourished, which is very unfavorable for pregnant women.

He must force her to be hospitalized to recuperate. As for the rest, he understands her thoughts.

Seeing what he said, Shen Ning also knew that she was not in good health now, so she didn't insist on it anymore. Besides, the child in her stomach was still there, which already made her very happy.

After a while, Ji Qingshan pushed Shen Ning in a wheelchair and returned to the ward after having a B-ultrasound.

"Ning Ning, I'm going to print out the B-ultrasound sheet. This time, you need to create a perinatal file and do a pregnancy test. Don't worry, you can go to the hospital and don't think about anything else. I will do everything." Ji Qingshan cleaned up the ward After downloading, I told her to go out and print the B-ultrasound sheet.

Shen Ning changed into the hospital gown and sat on the bed blankly. The nurse came over to give her a miscarriage injection and infusion.

Not long after, Ji Qingshan came back with a strange expression on his face.

"Qingshan, is the B-ultrasound result okay?" Shen Ning looked at him and asked with a smile.

Ji Qingshan looked at her, his lips moved, but he didn't speak.

"What's the matter?" Director Lin just checked her up. She believed that the child was fine, but she was still a little terrified.

"Ning Ning, you really know how to give birth." Ji Qingshan suddenly said inexplicably.

"What do you mean?" Shen Ning was puzzled.

"Do you know? You are pregnant with twins this time." Holding the checklist, he smiled.

Chapter 919 Li Zhenting is gone

"Twins? Really?" Shen Ning's eyes widened.

"Take a look for yourself if you don't believe me." Ji Qingshan saw her appearance, smiled, and handed her the B-ultrasound sheet in his hand.

Shen Ning took it and looked at it, his fingers trembling.

Oh my God, she is pregnant with twins again!

Just brought up two children to five years old, and now they have twins, winning the lottery is not so miraculous!

"Congratulations, Ningning." Ji Qingshan congratulated her.

Shen Ning was mixed with sadness and joy, and smiled helplessly: "Thank you, but I don't even figure it out myself now, so how can I have the energy to bring up two more children?"

This is definitely a heavy burden for her. There is no joy in being surprised!

Ji Qingshan pondered and did not speak.

Here said that after Xiaofeng ran out all the way, he didn't call a taxi until he ran a long way and came straight to the hospital.

But when she came to the hospital ward and saw that Li Zhenting had disappeared, she was very strange at the moment, where could she go at this point?

Maybe I went for a walk downstairs!

She went to the bathroom to change into clean clothes and came out, then sat on a chair and waited for Li Zhenting to come back. However, she waited for two hours without even seeing his shadow.

She became uneasy and ran to ask the nurse.

The nurse checked and said that Mr. Li was always taken by a man for a physical examination.

Hearing the physical examination, her eyelids jumped up inexplicably.

It's so late, the doctors are off work, what else can we check?

If it was a physical examination, how did the examination go? Did you find anything?

She went back to the ward anxiously and waited for another hour. Li Zhenting still didn't come back. She went to ask the nurse again. The nurse said that Li Zhenting was a special patient, and they didn't know where he had gone.

Xiaofeng was completely at a loss, but at this time it was already dark, and she had nowhere to go, so she could only stay in the ward and continue to wait, but the uneasiness in her heart was getting bigger and bigger.

In the mansion in Los Angeles, USA.

Lin Shouyu looked at the photos on his phone, thinking.

Like, really like!

When I first saw Shen Ning at the dinner, I thought of her!

Although she was still young at that time, probably only in her teens, the girl left a deep impression on him.

But at that time, he was really too busy, because of the urgency, he left the imperial capital in a hurry, and left without even saying hello, and the bright and bright eyes of that girl were forever engraved in his memory deeply. .

He sat in a daze, lost in thought.

In the ward.

Shen Ning was lying on the hospital bed with his eyes closed, when suddenly, there was a slight sound of footsteps.

She opened her eyes, and saw the eccentric Li Jiaojiao sneaking in, she couldn't help being stunned.

How did she know she was here?

"Ah, cousin, it's you? Why did you enter the hospital? What's the matter? Is there something wrong?" Unexpectedly, Li Jiaojiao walked in and looked at the hospital bed. It was Shen Ning, who was surprised and asked with concern.

It turns out that Li Jiaojiao has identified Ji Qingshan since seeing him, and started her love-chasing mode, vowing to chase this handsome man.

For several days, she appeared in the hospital and finally found out Ji Qingshan's whereabouts.

Today she came here early in the morning, and she was surprised when she heard from the nurse that Ji Qingshan had gone to the gynecology department. What does a big man do in the gynecology department? Did he have a girlfriend or did he get a woman pregnant or get a woman into a gynecological disease?

As soon as her curiosity arose, she had to figure it out. Besides, she was not reconciled, but wanted to see what kind of woman could get Ji Qingshan's favor. After all, these days, when he saw her, he was always indifferent. added.

Therefore, she guarded at the stairs until Ji Qingshan came out of a ward, and then walked over quietly, but she didn't expect that this woman turned out to be Shen Ning.

Chapter 920 I will definitely go to you if I have something to do

"Jiaojiao, why did you come here?" Shen Ning looked at her in surprise, making sure she didn't know that she was hospitalized here.

"Well, I..." Li Jiaojiao scratched her head, a little embarrassed, "I just want to see you."

Look at her?

Shen Ning was inexplicably funny, the surprised expression when he came in and saw her just now, not to mention looking at her, he didn't know she was here at all, and now he is looking for such an excuse to prevaricate her, he really thinks she is stupid .

However, she didn't expose her, she just said: "Thank you, now that you are here, please sit down and rest."

"Okay." Li Jiaojiao couldn't wait for her, and sat down firmly.

At first, she was still thinking about what kind of woman Ji Qingshan would get involved with, and was worried, but now she saw that Shen Ning was here, so she felt relieved.

Shen Ning loves her cousin Li Zhenting, she and Ji Qingshan are definitely just friends, she's sure of it!

With Shen Ning here, there is no need to worry about not being able to find Ji Qingshan, and he can also get in close contact with Ji Qingshan in a straightforward manner.

"Cousin, what's the matter with you? Have you got some gynecological disease?" Li Jiaojiao asked with concern as soon as she sat down. After asking, she saw the sign on the bedside, and stood up to take a closer look, wanting to see if Shen Ning had it. What disease.

Shen Ning smiled, and said: "It's okay, my aunt has a little too much, and my stomach hurts. The doctor said that I have a cold palace, so I was hospitalized for treatment. Anyway, there is nothing wrong. I will just stay for a few days."

"So it's like this, it needs to be rectified." Shen Ning saw that the sign didn't clearly state what disease was. Hearing what Shen Ning said, his doubts were eliminated, and he hurriedly agreed.

While they were talking, someone walked in from outside the door.

Li Jiaojiao turned her head to take a look, and almost couldn't breathe with a bet in her throat, and her heart beat to the door of her throat.

I saw a man in a white coat, with a slender figure, a picturesque handsome face, delicate features, a cold demeanor, and a fairy-like elegance. He immediately drew her soul out, and he couldn't even breathe.

"Ning Ning." Ji Qingshan walked in politely with several tonics in his hand, just as he yelled, his face darkened suddenly, and he stopped talking.

"Hi, Doctor Ji." Li Jiaojiao greeted Ji Qingshan with a blush on her face.

"Why did you come here?" Ji Qingshan asked with a cold face, and put the tonic on the bedside table.

"I'm here to see my cousin." Li Jiaojiao grinned and shrugged.

Look at my cousin?

Ji Qingshan looked at Shen Ning suspiciously. Didn't she say that she didn't want people to know that she was hospitalized here? This told her, doesn't that mean that everyone in the world knows?

Shen Ning had already seen Li Jiaojiao's nymphomaniac, and understood why she appeared here. It seems that if she hasn't seen her these days, she is all wasted by Ji Qingshan.

"Qingshan, why did you mention so many supplements?" She smiled slightly and changed the subject.

"You are weak, make up more." Ji Qingshan took over the topic and said, "You can take care of your illness these days, and come to me if you have anything to do."

"Don't worry, I will definitely come to you if I have something to do." Before Shen Ning could speak, Li Jiaojiao took the words, her big eyes fell on his face unscrupulously, making no secret of her liking and love for him. Crazy.

Ji Qingshan raised his eyes and saw a woman's lustful eyes, and his hair stood on end.

Here, he dare not stay any longer.

"Ning Ning, you take these supplements first, I have an operation over there, so let's go first." He said and hurried away, his steps flustered.
