

Troublemakers 961

Chapter 961 Do you really want to help me?

In an authentic Cantonese dish, the chicken hot pot is boiling.

Zhu Qixiong drank the wine one after another.

"Young Master Zhu, drink less, drinking alcohol is not good for your health." Since the food was served, Zhu Qixiong has been drinking non-stop, talking very little, and his face is gloomy.

Shen Ning didn't know what was wrong with him, looked at him cautiously, and wanted to talk to him several times, but was interrupted by him shaking his hand.

She had no choice but to sit stupidly, looking at him, feeling sad from the bottom of her heart.

If a man hadn't encountered something extremely sad and painful, he wouldn't be so drunk in a bar.

Then was he hurt by love or something else?

"Master Zhu, the Chinese New Year is coming up the day after tomorrow, don't you plan to go home for a reunion?" Shen Ning asked tentatively after thinking about it.

With Zhu Qixiong's charm, he shouldn't be disappointed in love, and it doesn't look like he's broken in love. After all, he said a few days ago that he doesn't have a girlfriend.

Sure enough, when she asked, Zhu Qixiong's eyes flashed with a glimmer of pain. Soon, his expression was indifferent, and his tone was cold: "I don't have a home."

Shen Ning paused for a moment, and understood in his heart.

Sure enough, she guessed it right. It seems that he and that family had another conflict, and the conflict was not small.

"For so many years, I have spent the New Year's Eve alone. I only go home to visit my grandma on the eve of the New Year's Eve." He said lightly.

After all, grandma is the elder who cares most about him in the entire Zhu family. He still has feelings for grandma, but he will leave after staying for an hour. As for the others, he never pays attention to them.

"Actually, it is better to have a family than to have no family. They are all one family. Let's take some things lightly." Shen Ning persuaded softly.

"I can't see it." He said firmly.

That year, in order to let her son take charge of the Zhu Group, his stepmother insisted on framing him, and he was kicked out by his father. In that year, his heart died.

Before others suffer, don't persuade others to be kind.

Shen Ning heard his resolute tone and stopped talking.

"Master Zhu, what can I do for you?" After a while, seeing that he was still drinking and worrying that he might get drunk, she asked with concern.

Zhu Qixiong looked at her, and suddenly asked: "Ning Ning, do you really want to help me?"

"Of course." Shen Ning nodded affirmatively, "You have helped me a lot, of course I want to help you."

"Okay, on the evening of the New Year's Eve, can you accompany me back to Zhu's house?"

Shen Ning was stunned, looked at him, not understanding what he meant.

Zhu Qixiong smiled, and said clearly: "Accompany me back to Zhu's house, your identity is my girlfriend."

Shen Ning opened his mouth wide in shock.

"Don't be afraid, it's not real, it's just acting with me."

"Why is this?"

Zhu Qixiong's eyes flashed a cold light.

"They want to introduce the youngest daughter of the gambling king Wu's family to me."

"That's good." Shen Ning said, "Wu Xueying, the youngest daughter of the gambling king Wu's family, is smart, beautiful and capable, and she's a perfect match for you."

"You really think so?" Zhu Qixiong's eyes were sharp.

"Yes." Shen Ning had a serious expression.

"But what they're looking at is only the property of the Wu family. Now the Zhu family is in some trouble. They hope to get help from the gambling king through my political marriage with the Wu family. I don't want to." Zhu Qixiong said calmly, "I don't want to eat a man with a soft meal does not need to rely on a woman to make a fortune, and I have long since broken up with that family, and there is no need to sacrifice my feelings to fulfill them, this is also immoral, I can't do it, and I don't want to do it. "

Chapter 962 We don't like you

Shen Ning was stunned, looking at this man who had a dissolute appearance but was actually a righteous and traditional man in his heart, he suddenly felt sorry for him.

Needless to say, the people from the Zhu family were using him without any concern for his feelings. In fact, he was also unfortunate.

"Young Master Zhu, I sympathize with you. It's really wrong for your parents to treat you like this, but as far as I know, Wu Xueying is really good. If you can talk to her..."

"Impossible." Zhu Qixiong said blankly, "She's not my type, nor is she my type. I haven't thought about getting married yet."

"Then... okay." Shen Ning was speechless.

"Just tell me, are you willing to help me?"

"If I go home with you to dispel the idea of your parents, of course I would."

"real?"

"certainly."

"Thank you then." Zhu Qixiong smiled happily, showing a row of white teeth, as happy as a child.

Shen Ning couldn't help but sigh.

A happy life is always alike, but in an unhappy life everyone has their own unhappiness!

After eating, Zhu Qixiong told her some things and sent her home.

The next afternoon.

Shen Ning was sitting on the sofa with the children reading comic books when footsteps came from outside.

Not long after, a man's figure walked in.

"Hello, young master." Butler Luo immediately went up to greet him, very respectful.

As soon as Shen Ning raised his eyes, he saw Li Zhenting, whom he hadn't seen for a long time, standing at the door, wearing sunglasses, and his sturdy body stood tall like a mountain at the door.

She couldn't help shaking her fingers, how long has it been since she saw this man.

It seems that since the day he remarried and got the marriage certificate, he hasn't been back home, or they haven't talked properly.

It seems that this is because he will go home after the Chinese New Year.

She quickly lowered her head, expressionless.

The man kept looking in her direction, his eyes sparkling under the sunglasses.

"Hmph, scum daddy." At this time, Keke, Ding Ding and Xiao Xiao also looked up and saw him, they all snorted coldly, turned their heads and ignored him, as if he didn't exist.

In the past, they would have been very happy to see Daddy rushing up like a swarm, but now, seeing him, they were not at all happy.

Li Zhenting paused and walked towards them.

"Don't come here, we don't like you." Xiao Xiao shouted at her.

Li Zhenting stood still and did not dare to move.

"Let's go upstairs and play." Coco suggested at this moment.

"Okay." Ding Ding immediately got up.

The three little guys took Mommy's hand and walked upstairs.

Shen Ning followed the children upstairs without looking back.

As soon as they came upstairs, the three little guys closed the door.

"Daddy is back, will that woman come back with him to celebrate the New Year with us?" Coco asked vigilantly.

"If this is the case, then we will go on a hunger strike." Ding Ding was very angry.

"If that woman comes to this house, then we should run away from home, anyway, I don't want to stay here anymore." Xiao Xiao was even more angry.

"Hey, how could scum daddy be like this? Mommy is so pitiful."

The three of them sighed at the same time.

"What should I do?"

Finally, the children thought for a while and said in unison: "No, resist to the end."

"Um."

They talked to themselves again and nodded their heads.

When Shen Ning washed the fruit and brought it in, she saw them talking together in a low voice, she probably felt disgusted by Li Zhenting, she was warmed by the children's actions, her heart was sweet, it was really her own, there was nothing wrong with it!

When eating at night.

"Mum, these cuttlefish **** are delicious, eat one quickly." Ke Ke put a beautiful cuttlefish ball in a spoon and put it in Shen Ning's rice bowl, and said childishly.

"Thank you Keke." Shen Ning smiled and put it in his mouth.

Actually, she doesn't like food very much, but what her son gave her is delicious even if it is not delicious.

Chapter 963 I'm afraid she won't forgive you

"Mum, eat this, Coca-Cola Chicken Wings." Ding Ding also picked up a piece of chicken wings and put it into Shen Ning's bowl.

"Thank you Ding Ding." Shen Ning smiled slightly.

"Mommy, drink pork rib soup." Standing on a chair, Xiao Xiao served a bowl of light pork rib soup for Shen Ning, smiling.

"Thank you Xiaoxiao." Shen Ning also drank it.

"Mum, you are the best, we all love you." Xiao Xiao wiped Shen Ning's mouth with a tissue.

The little guy was all around Mommy, without even looking at Li Zhenting.

Especially Xiao Xiao, when she occasionally looked at Li Zhenting, her face was tense, with disgust written all over her face.

Li Zhenting was completely ignored by the children, sitting alone on the side, the loss on his face was obvious.

Looking at Li Zhenting like this, Li Wanqing shook her head helplessly. She really didn't know how her son became like this, which made even the children hate him.

"Zhen Ting, let me make it clear to you today. I left Shen Ning to accompany the children. As long as she is here, you must not bring that vixen into the house. I don't care what relationship you have with her, anyway. , except for Shen Ning, your father and I will not accept other women, and the same sentence, the only daughter-in-law we recognize is Shen Ning." After the meal, Li Wanqing called Li Zhenting into the study and confessed solemnly.

"Don't worry, it won't happen." Li Zhenting promised in a low voice.

"Zhen Ting, I can understand why you are like that. After all, you have been implanted with a chip in your brain, but you have taken it out now. Why do you still need to get a marriage certificate with that Xiaofeng? And in front of the children, Do you know how much this hurt their young hearts? I really can't understand you more and more." Li Wanqing was heartbroken.

"Mom, don't worry, everything I did was not for myself, please treat Shen Ning well these days, and I will apologize to her after the incident." Li Zhenting said calmly.

"Zhen Ting, I'm afraid she won't forgive you." Li Wanqing wiped her tears with a tissue.

Li Zhenting curled his fingers into a ball, clenched his teeth, turned around and walked out with his head bowed.

"Bad daddy, you are not allowed to come in and go out." At night, when Shen Ning came out of the shower, she saw Xiao Xiao chasing Li Zhenting, she kept hitting him with her small fists, pushing him, crying Keep him out of her bedroom.

Li Zhenting stood there blankly, like a log.

Shen Ning stood aside and looked at him indifferently.

Fortunately, even the child has been offended, so he cannot enter this house!

She also ended up quiet!

Li Zhenting looked straight at her, his eyes under the sunglasses were unpredictable.

"President Li, please go out, we are going to rest." After a while, Xiao Xiao couldn't chase away Li Zhenting, and burst into tears, Shen Ning came over and hugged Xiao Xiao, and said coldly to Li Zhenting.

Looking at his daughter crying, Li Zhenting's hands trembled, and he wanted to reach out to hug Xiaoxiao, but in the end he didn't reach out, feeling extremely ashamed, and stumbled towards the outside.

There was a sound of "呖". As soon as he went out, there was a sound of closing the door behind him.

His entire body leaned against the wall, as if he had exhausted all his strength to support himself.

The next day, New Year's Eve.

Woke up early in the morning, Shen Ning changed the children into new clothes, and led them downstairs.

"It's snowing a lot." Xiaoxiao yelled loudly as she looked at the thick snow falling everywhere in the garden outside.

"I want to have a snowball fight." Coco and Ding Ding shouted excitedly.

"I want to too." Lan Lan ran over from behind.

Chapter 964 The back was hit hard

"Okay, then I'll accompany you to play snowmen and snowball fights, okay?" Shen Ning actually likes snow very much. The children want to play, so of course she also wants to accompany them. After all, the time spent with the children has become more and more less and less.

"Yeah, great." The children cheered.

After breakfast, Shen Ning put hats on the children, tied scarves, put on gloves, put on thick water shoes, and rushed out into the garden.

There is snow everywhere in the garden. Ke Ke and Ding Ding are shoveling the snow with small shovels, while Xiao Xiao and Lan Lan are in charge of building snowmen.

Shen Ning is the chief designer. She led Lan Lan and Xiao Xiao to roll the snowballs until two snowballs of different sizes rolled out. They put the big one underneath as their body, and the small one on top as their head.

Lan Lan ran into the kitchen and took a carrot as a nose, Shen Ning asked Xiao Xiao to pick up a branch to use as an arm, and she cut two circles of the same size out of colored paper to use as eyes.

After a while, a beautiful big snowman appeared in front of me.

Children cheer!

Shen Ning took out her mobile phone to take pictures with the little ones. She first took a lot of photos of the children, and finally, she wanted to take a big group photo with the children. When she turned her head and saw Xiaofeng standing there, she hurriedly beckoned to let her She came over to help take a group photo.

Xiaofeng walked over.

Shen Ning handed her his mobile phone.

"One, two, three, eggplant." Xiaofeng kept taking pictures of them with her mobile phone, and everyone was very happy.

After a while, the little guys started to have a snowball fight.

Because Xiaofeng's photography skills are not bad, Shen Ning kept her and continued to take pictures of her and the children.

"Ah." Ke Ke took the lead and threw a snowball at Ding Ding.

"Damn, how dare you hit me, look at me." Not to be outdone, Ding Ding also picked up a snowball and threw it at Ke Ke.

The two little guys were fighting back and forth, and snowflakes were flying everywhere.

Shen Ning smiled, squatting on the ground to rub the slush.

With a bang, suddenly, a snowball hit Xiao Xiao's head, and Xiao Xiao's head was hit. Fortunately, she was wearing a thick headgear, so there was no pain at all. When she looked up, it turned out to be Lan Lan threw it at her, but she picked up a big snowball and threw it at her hard.

Damn it! Is this when she is easy to bully!

It seems that if you don't teach Xia Lanlan a lesson, she won't die if she is so self-defeating! .

Xiao Xiao bent down, picked up a snowball and threw it hard at Lan Lan's face.

Xiaoxiao often helps mommy with work, so the natural method is more accurate.

Lan Lan was hit by a big snowball on the face immediately, her nose hurt from the hit, she was furious, picked up the snowball and hit Xiao Xiao again.

Not to be outdone, Xiaoxiao also picked up the snowball and started fighting.

Seeing the children having fun, Shen Ning stood aside and watched happily, and inadvertently raised his eyes, and saw the man standing at the gate with a straight figure, looking at them deeply with eyes full of eyes, his lips curled up slightly to look good. radians.

Her face darkened, and she immediately turned her head away, pretending not to see him.

Over there, Xiaofeng who was taking pictures of them slowly approached Shen Ning.

Shen Ning didn't want to see Li Zhenting, so he turned his back completely.

"Ah." Suddenly, Shen Ning's back was hit hard, the whole person screamed, and fell forward. Seeing that her stomach was about to fall to the ground, she was so frightened that her face turned pale and she closed her eyes.

In the heavy snow, a figure ran towards her quickly, grabbed her with one arm, and pulled her into his arms.

Chapter 965 Daddy is at fault

Shen Ning was still in shock, clutching his stomach tightly with one hand, and when he opened his eyes, he saw a pair of gloomy eyes, which couldn't be seen clearly hidden under the sunglasses, but the man was tense all over, looking very nervous.

"How are you? Did you fall?" Li Zhenting asked with concern.

After Shen Ning woke up, he pushed him away, and said indifferently: "It's okay, you don't need to worry about it."

She turned and walked to the side.

By the time Xiaofeng saw Li Zhenting, her face had already turned pale with fright, and her whole body was shaking.

She never dreamed that Li Zhenting would stand behind at this time, because she was only thinking about her own plan and didn't pay attention to the back at all.

"Xiaofeng, why did you push your wife just now?" Li Zhenting's voice was harsh.

"Master, master, I, I don't." She stammered.

Li Zhenting's eyes were gloomy, he could see clearly from behind just now, she deliberately went up to push Shen Ning.

"Are you still trying to argue?" He yelled.

"I..." Xiaofeng was so frightened that she couldn't stop shaking, her face turned pale.

"Xiaofeng, quickly take a photo for us." Shen Ning looked at Li Zhenting's gloomy and terrifying face with cold eyes, and was blaming Xiaofeng over there, knowing that Xiaofeng pushed her just now, she didn't know why Xiaofeng pushed her, It is estimated that everyone had a good time and wanted to make a joke with her. After all, she didn't know that she was pregnant, and she didn't know what serious consequences would be.

This is just a joke, there is no need to go online, Xiaofeng is just a weak woman, she thinks that Li Zhenting is making a fuss, so she immediately asks her to take a photo, and relieves her siege.

"Okay, young mistress." Xiaofeng thanked her endlessly, and immediately agreed, and walked over to take pictures for Shen Ning and the children.

Shen Ning and the four little guys stood in a row, each holding a big snowball in their hands, and the whiteness of the snow made them look beautiful.

Looking at the children, Li Zhenting was about to step forward to take a photo with them as soon as his heart moved.

only

They had no interest in asking him to take a photo with him.

"Quick, throw it." Just when he was hesitating, the photoshoot was finished, and Ke Ke ordered, and the three little guys smashed the snowball in their hands at Li Zhenting.

"Wow, wow." The snowball fell on Li Zhenting and exploded, and the avalanche splashed everywhere.

"Ha, it's fun, let's throw it again." The children laughed happily, and picked up the snowball again and threw it at Li Zhenting.

Hmph, scumbag, why did you treat Mommy badly!

We will smash you! pack you up!

Li Zhenting stood upright, and the little ones threw snowballs on him, and a smile appeared on the corners of their lips.

"You are not allowed to throw Daddy away." Lan Lan rushed up and shouted at the three little ones.

"I'm going to throw it." The snowball in the hands of the three little ones was thrown towards them again.

Li Zhenting bent down and hugged Lan Lan, saying: "It's okay, let them throw it for fun, it won't hurt if the snowball falls on you."

Lan Lan pursed her lips. The snowball didn't hurt when it landed on her body, but it still hurt a little when it hit her face. Just now, she couldn't beat Xiaoxiao, and she hit her several times.

"Daddy, they are not playing, but taking revenge on you for their mommy." Lan Lan was very dissatisfied, pouted.

Li Zhenting smiled slightly: "Daddy was wrong, they should smash it, Daddy is sorry for them."

Lan Lan bulging her eyes towards them.

Ke Ke, Ding Ding and Xiao Xiao didn't throw away anymore, they chased and hit to play.

"Xiaofeng, pack up and salute and go after the Chinese New Year." In the living room, Li Zhenting said coldly to Xiaofeng.

A servant who dares to attack the mistress must not stay!

"Master, please don't drive me away, I just wanted to play a joke on my wife, I didn't really want to push her." Xiaofeng was trembling all over, begging bitterly.

Chapter 966 Do you really want me to pretend to be your girlfriend?

"Xiaofeng, I didn't tell you to leave right away. It was because of Shen Ning's face. No matter what the reason was, you stretched out your hand to push her so hard today. I can't forgive you. Our Li family can't have evil intentions." The servant stays." Li Zhenting said in a cold tone, "If you want to talk again, then get out now."

Xiaofeng turned pale and didn't dare to hum anymore. After all, her mother is still in the hospital, and she still has to receive this month's salary.

After the reunion dinner, the family sat in the hall and began to watch the new year.

Shen Ning's cell phone rang.

After looking at her, she said to Li Wanqing: "Mom, Gucci Perfume Group still has employees on duty. I have to go and see them and send them some food to express my condolences."

"Well, okay, the road is slippery, please pay attention to safety." Li Wanqing nodded. As the president of the company, humanistic care must be considered. Moreover, she and Zhen Ting have divorced again. Where is she really going? She couldn't be forced to stay, but she looked at Li Zhenting: "Zhenting, it's snowing outside, you can send Ningning away."

"Okay." Li Zhenting stood up.

"No need, I'll go by myself, I've ordered a car." Shen Ning immediately refused with a cold face.

"Mommy, you need to come back soon." Coco, Ding Ding and Xiaoxiao are playing checkers, and when they hear that Mommy is going out, they tell her immediately.

"Don't worry, I will." Shen Ning smiled, took an umbrella, put on a rich coat, and walked outside.

Here, as soon as she left, Li Zhenting's cell phone rang.

"Zhenting, today is the first New Year's Eve night when we just got our marriage certificate, shouldn't you be with me, or let me go home with you, I'm so lonely here alone Ah." Sitting in the office, Xiaofeng cried sadly as he watched the heavy snowflakes and bright fireworks flying all over the sky.

A cold light flashed in Li Zhenting's eyes, he raised his wrist to look at his watch, and said, "I'll come to accompany you after the clock strikes midnight."

"Okay, then I'll wait for you here." Xiaofeng pouted coquettishly, "I miss you so much, do you miss me?"

"Hmm." Li Zhenting said "hmm" after a long time.

Xiaofeng smiled sweetly over there, and said in a coquettish tone, "Then come as soon as possible, I'll wait for you, let's spend an unforgettable sleepless night tonight."

When it comes to the latter, it is ambiguous, but any man will be excited when he hears it.

But Li Zhenting just hung up the phone expressionlessly.

Not long after he hung up the phone, the phone rang again. He saw that it was a cold-blooded call, and walked aside to answer it.

"Okay, I'll be there right away." After whispering a few words, he hung up the phone and walked outside.

Watching her son and daughter-in-law part ways and leave, Li Wanqing felt very sad.

The gate of Li's Group.

A luxury car stands in the snow.

"Ning Ning." As soon as Shen Ning got off the sightseeing bus, Zhu Qixiong rolled down the window and looked at her with a smile on his face.

Not bad, straight knee-length windbreaker, high ponytail, pure and beautiful.

"Master Zhu." Shen Ning half bent down to look at him, and smiled: "Do you really want me to pretend to be your girlfriend?"

"Pearls are not so real." Zhu Qixiong smiled, "Come on, I have already told my grandma, she is waiting."

"Okay." Shen Ning agreed, pulled the passenger seat away, and sat in it.

Zhu Qixiong started the car, and the car headed forward.

Here, they just left, and Li Zhenting's car drove out there.

Chapter 967 You should also pretend to be

"Did that car come to pick up the young lady just now?" Li Zhenting looked at the luxury car driving away in the dark, his brows frowned, and asked coldly to the security guard on the night shift.

"Yes, master." The chill emanating from Li Zhenting's body was colder than snowflakes, the security guard stood up and replied respectfully.

"Do you know who it is?"

"No...don't know."

Li Zhenting glanced at him with sharp eyes, and drove away in the car.

In front of a majestic manor.

Zhu Qixiong's car stopped.

"Ning Ning, get out of the car." Zhu Qixiong opened the car door in a gentlemanly manner, and extended his hand to Shen Ning.

Shen Ning took his finger and bent down to get out.

In the dark and solemn night sky, several villas stood quietly.

This is the famous Deep Water Bay in the imperial capital, the rich villa area.

The Zhu family's influence in the imperial capital is not small.

"Come on, take my arm." Zhu Qixiong bent his elbow to her after parking the car.

Shen Ning is not used to holding a man's arm, after all, this is still in a stranger's house, and this is her first time here.

She squirmed, her face turned red.

"Please, pretend to be decent. Your identity tonight is my girlfriend. If we don't get closer, my dad and aunt won't believe it. You help me first. At worst, I'll talk to you next time." Give your life to help you." Zhu Qixiong whispered in her ear with pleading.

"Okay." Only then did Shen Ning bend his arm into his elbow.

The two entered the gate of Zhu's house arm in arm.

As soon as they entered, all the people inside looked at them in surprise, especially Shen Ning, who immediately became the focus of their attention.

In the hall, the giant screen TV is broadcasting the Spring Festival Gala.

The old lady Zhu sat in the middle, with gray hair all over her head, dressed in a Tang suit, she looked in good spirits and had a good complexion.

There were two couples sitting beside him, a man and a woman. Shen Ning didn't know which one was Zhu Qixiong's father, but she quickly figured it out.

Because, as soon as she and Zhu Qixiong appeared in the hall arm in arm, the faces of the middle-aged man on the right and the woman in fashionable clothes beside him darkened, and their eyes kept staring at her. He wished to drive her away immediately, especially when he saw them holding hands, his face was ashen and his eyes were very unfriendly.

Shen Ning felt Zhu Qixiong's status in this family and the indifference of not being seen by his relatives, and felt sorry for him in his heart.

Zhu Qixiong seems to have been used to this kind of scene for a long time, or he doesn't care at all.

After all, tonight he purposely brought Shen Ning to anger his father and stepmother, trying to make their plans come to nothing.

Therefore, he always had a decent smile on his face.

He first took Shen Ning's hand and came to the old lady Zhu, with a pleasant smile: "Grandma."

"Qixiong, you are finally back, come and sit down." The old lady Zhu was very happy to see her eldest grandson, and immediately took Zhu Qixiong's hand, wanting them to sit down beside her.

Immediately, a servant brought two chairs.

Zhu Qixiong thoughtfully took Shen Ning to sit down, and another servant brought hot tea.

Zhu Qixiong held Shen Ning's arm tightly from the beginning to the end, quite intimate.

"Grandma, I wish you a happy new year, good health and all the best. This is my gift to you." Zhu Qixiong handed the exquisite box in his right hand to grandma with a very respectful voice.

"Thank you, child." The old lady Zhu accepted the gift, but her voice was choked up.

"Grandma, come, let me introduce you, this is my girlfriend Shen Ning." Zhu Qixiong hurriedly introduced Shen Ning to the old lady Zhu.

Rather than introducing it to Mrs. Zhu, it would be better to tell everyone.

As soon as he finished his words, the floor was very quiet, and there was no sound at all. Everyone's eyes focused on Shen Ning's face again.

Shen Ning's face was very red, she was really not used to this kind of occasion, moreover, she felt that she had done something bad, following Zhu Qixiong to deceive the elders of Zhu's family, it always felt bad.

However, it is true that Zhu's family owes Zhu Qixiong.

Chapter 968 Turns out it was just a second-hand product!

"Hello, grandma." Shen Ning immediately greeted the old lady Zhu politely.

"Chi." At this moment, someone in the living room let out a disdainful laugh.

"Miss Shen, what kind of business does your father do?" A girl's voice sounded sharply, very arrogant and rude.

Shen Ning looked up, it was a young girl, her face was somewhat similar to Zhu Qixiong's, she was probably Zhu Qixiong's half-sister.

"She started her own company, Gucci Perfume Group." Before Shen Ning could answer, Zhu Qixiong answered for her.

There was a silence in the hall.

"It turned out to be Gucci perfume, I know, I really like that rose fragrance, you are the perfume designer Mr. Shen, the president of Gucci." At this time, a young girl in the crowd screamed out. sound.

Suddenly, several young girls gathered around and praised Gucci perfume.

Zhu Qixiong smiled proudly.

But at this time, his stepmother Xu Xiangzhi came up to Zhu Dongjin's ear and said something, Zhu Dongjin's face became as black as iron.

"Miss Shen, I remember seeing you on Mr. Li's birthday. At that time, you were the head of the Li family." Xu Xiangzhi smiled eccentrically and said.

As the fashionable Mrs. Zhu, she immediately remembered that Shen Ning was originally the wife of Li Zhenting from the Li family. At that time, she met Mrs. Li on Shouyan.

Hehe, it turned out to be a second-hand product!

She sneered inwardly.

Shen Ning suddenly became tense, and sweat leaked from the palms of his hands. That's right, she is the woman Li Zhenting doesn't want, and she gave birth to three children for him, and she is still pregnant.

Being Zhu Qixiong's girlfriend with such an identity will only embarrass him, but not give him points. It will make him lose face and be ridiculed. I really don't know why Zhu Qixiong chose her to pretend to be his girlfriend.

But Zhu Qixiong seemed to be aware of her nervousness, smiled slightly, held her hand tightly, and squeezed it hard, as if to comfort her, then raised his eyes to Xu Xiangzhi and said lightly: "Auntie, yes, she originally It is Li Zhenting's wife, but now that they are divorced, I believe that a woman who can marry Li Zhenting is naturally worthy of me, only I am not worthy of her."

Xu Xiangzhi's face darkened, and she said bluntly: "Ah Xiong, you are a golden bachelor, you can definitely find a girl with a better background, why bother."

She meant why should he pick out a second-hand one.

"I'm sorry, I just like her type. Of course, her depth and height are unmatched by ordinary women, especially you. It's good if I understand her." Zhu Qixiong didn't mind, and looked very proud .

Zhu Dongjin and Xu Xiangzhi's faces darkened even more when they heard the words.

Obviously, he is against them. He would rather find a divorced woman than Wu Xueying, the gambling king's daughter they introduced to her. This is slapping them in the face and mocking them Xu Xiangzhi is just a mediocre woman.

"I heard that Li Zhenting's ex-wife gave birth to three children for him." At this moment, Zhu Qixiong's stepdaughter spoke again calmly.

Now Zhu Dongjin was even more angry when he heard it, and burst into anger.

Zhu Qixiong would rather find a divorced woman who had three children than accept his arrangement. Isn't this deliberately against him?

The old lady Zhu, who had been sitting silently, also had a gloomy face when she heard this.

Zhu Qixiong pretended he didn't hear it, and remained calm. The angrier they got, the happier he was. Who let them get his idea.

"Ahem." After all, the old lady Zhu had weathered many storms. Facing the scene full of open and secret fights, full of gunpowder, although she was not feeling well, she calmed down and began to come forward to maintain the overall situation. She coughed a few times. He took out two big red envelopes from the bag, took Shen Ning's hand and smiled, "It's really good, she's pretty, she knows the general idea, Ah Xiong has a good eye, she's a good girl."

Chapter 969 The purpose is achieved

"Thank you grandma for your compliment." Shen Ning quickly thanked, the old lady Zhu is indeed more fair, it can be seen that she is gentle and true love to Zhu Qixiong, the eldest grandson.

"Come on, this is the red envelope given to you by grandma. I wish you good luck in the new year and your wishes come true." The old lady Zhu handed a red envelope to her, and said earnestly: "Axiong Straightforward, he is a good boy, but because of the influence of some objective environment since he

was a child, he may be more casual, I hope you can understand him, tolerate him, and take good care of him for me, so I can rest assured."

Shen Ning had a sore nose when he heard it. This was the elder's affectionate exhortation to the younger generation. He hurriedly replied: "Okay, please don't worry, grandma, I will definitely take good care of him."

"Well, that's good, that's good." I wish the old lady a happy smile.

Then, she gave the red envelope to Zhu Qixiong and confessed: "Ningning is a good girl, you have to cherish her, take care of her, and stop bullying her, you know?"

"Don't worry, grandma, I will treat her well and never dare to bully her." Zhu Qixiong replied seriously.

"Okay, okay." The old lady Zhu kept saying hello.

In doing so, she admitted to Shen Ning and confirmed the fact that Zhu Qixiong had a girlfriend.

Then if Zhu Dongjin still wanted to introduce him to a girlfriend, it would be unreasonable.

Now Zhu Dongjin and his wife's faces were as dark as the deep sea.

Seeing that the goal was achieved, Zhu Qixiong stood up holding Shen Ning's arm, smiling all over his face: "Grandma, we still have to visit Shen Ning's relatives, let's stop here today, let's go first."

After speaking, he took Shen Ning and bowed to the old lady Zhu, then turned and left without even looking at Zhu Dongjin and his wife.

Zhu Dongjin was dizzy with anger.

Didu People's Hospital.

"No, please don't hurt my mother." When Xiaofeng rushed to the hospital with the New Year's Eve dinner, she saw Xiaofeng standing in the corridor outside the ward with a gloomy and cold look on her face. She was frightened and rushed forward to beg.

"Trash, I can't do this little thing well. It's good now, and I was kicked out of Li's house by Li Zhenting." Xiaofeng raised his hand and gave her a slap. Today Xiaofeng told her that she was about to be kicked out by Li Zhenting. After Li's house, she was so angry that she rushed over immediately.

Xiaofeng cried in a low voice: "I, I can't do anything, she is too kind to me."

"She treats you well? Then your mother treats you badly? She gave you life." Xiaofeng sneered, "It seems that you were bought by her. Tell me, how much did she give you?"

"No, it's not." Xiaofeng shook her head, "I really made up my mind to do it today, but I didn't expect to be seen by President Li again. I can't help it."

"Idiot." Xiaofeng scolded angrily, "I have raised your mother and daughter for so many years, but you can't even do this little thing. Let me tell you, I am not easy to mess with. I will give you three more days. If you can't do it, then don't blame me for being unfeeling."

Xiaofeng left after cursing angrily.

Xiaofeng collapsed to the ground.

In the car.

"Ningning, is it true that you said tonight that you will take care of me in the future?" Zhu Qixiong held the steering wheel with one hand, looked ahead and asked with a half-smile.

Shen Ning blushed, and said: "Your grandma is really kind, I can't bear to reject her old man."

"Then you have the heart to lie to her?"

"I can't help it, don't worry, if you have any difficulties before you find a girlfriend, just come to me, as long as I do what I can, I will definitely help you."

"I don't need a woman to help me, I just need a woman to take care of me and accompany me." Zhu Qixiong smiled.

Shen Ning lowered his head when he heard this.

How could she not understand what he meant, but she knew herself, she was already the mother of three children, and now she was pregnant with Li Zhenting's child, what would she have to promise him.

Chapter 970 Dare to seduce his subordinate

"Ning Ning, don't be nervous, I was just joking with you." Seeing Shen Ning's embarrassment, Zhu Qixiong couldn't help but smiled wryly.

He Zhu Qixiong is not the kind of person who forces women.

Shen Ning could only laugh helplessly.

"Thank you, Ningning." After a while, Zhu Qixiong sent Shen Ning to the Li's Castle, and thanked her sincerely.

"It's okay, it's just a matter of raising your hands." Shen Ning got out of the car, shook his hand and smiled at him, "Young Master Zhu, I've put the red envelope your grandma gave you in the car, good night."

Zhu Qixiong turned his head and saw a big red envelope lying on the chair, he couldn't help but smile wryly.

She really has a clean break with him!

He started the car, and the car quickly disappeared into the night.

Shen Ning walked inside. Today might be the last New Year for her and the children. Thirty years later, she was reluctant to part with the children and wanted to spend an extra year with them.

Li Group.

Xiaofeng took a shower after returning from the hospital, dressed up beautifully, just waiting for Li Zhenting to come to accompany her after the midnight clock.

Sudden

Footsteps sounded in the corridor.

She was overjoyed, did Li Zhenting come? I didn't expect him to come so soon. It seems that what she said last made him feel itchy. After all, which man can stand up to a woman's teasing and provocation.

Blushing flushed on her face, she rushed out to greet her.

But he saw Fang Xianyun came out of the elevator and went directly into his office.

Her eyes narrowed.

Why did Fang Xianyun come to the company at this time? It's still the eve of Chinese New Year's Eve, he's not at home with his family, and it's a holiday, so does he have something important to do?

She rolled her eyes and walked quietly towards his office.

Fang Xianyun sat down at the desk, took out a stack of documents from it, read them carefully, and daubed them with a pen from time to time.

"Hey, Manager Fang, why did you come to the company so late?" Xiaofeng walked in slowly after watching for a while, with a charming smile on his face.

Fang Xianyun was startled, he didn't expect Xiaofeng to come in at this time.

"Manager Fang, happy new year. I'm going back to the company to get some things, just personal items." He put the data sheet in his hand into a drawer, and said calmly.

"Oh." Xiaofeng walked in, leaned against the desk, looked at Fang Xianyun with a smile in his eyes: "Manager Fang, are you married?"

"No."

"I don't think so, otherwise, the New Year's Eve will not come to the company." Xiaofeng deliberately lifted his clothes, "Since you don't have a family, I am also single in the company, how about the two of us?" How about a few drinks? I'm going to order some good wine and good food."

She turned around and was about to leave after speaking.

"Manager Shen, no need, I'm leaving soon." Fang Xianyun immediately refused seriously.

"Don't worry, you'll be fine when you go home, and I'll be fine. Let's drink and eat together, and talk about chip design. Isn't that great." Manager Shen turned his head and smiled, full of obsequiousness.

Fang Xianyun said coldly: "I still have something to do and I'm leaving soon. As for the chip, I don't have the ability to make a breakthrough, otherwise President Li wouldn't invite you. The company's chip matter can only be counted on you. I hope you live up to everyone's expectations. "

He put away his things, locked the drawer, and walked away.

"Manager Fang, don't worry." Xiaofeng suddenly reached out and grabbed his hand, and leaned against him.

"Let go." Fang Xianyun was so frightened that he was in a cold sweat. He didn't expect this woman to be so unrestrained. She had already obtained a marriage certificate with President Li, and she dared to seduce his subordinate. It was terrible, he yelled angrily.

But instead of letting go, Xiaofeng leaned forward and snuggled into his arms, took out the camera he had prepared a long time ago, and shot wildly at them.

Fang Xianyun's face paled.
