

## Troublemakers 981

### Chapter 981: she's going to do it herself

Xiaofeng's eyes widened when she heard that, oh my god, one billion dollars, that's more than six billion dollars, this temptation is too great for her.

She cheered up: "Renees, you are really trustworthy."

"Don't worry, I will definitely give you the money. For us, what we want is to monopolize the chip technology. Now we have adjusted our strategy. At present, only the Li Group in the entire imperial capital has the ability to research chip technology. Therefore, we All you need is Li Zhenting, so let's do it, you just need to find a way to bring Li Zhenting to the pier by the sea tomorrow, and the money will be yours."

"Then what do you want Li Zhenting to do? He is my husband, we have already obtained a marriage certificate, and I still want to be Mrs. Li." Xiaofeng's appetite is not limited to that little money, she also wants to be Mrs. Li. Mrs. Li is very valuable.

Reneth's eyes flashed fiercely, and the murderous intent burst.

This woman is so \*\*\*\* greedy!

After asking for so much cash, I still want to be Mrs. Li!

Okay, before you meet Hades, you might as well let you have more dreams!

"It's like this. The chip we implanted in his brain is now going to be replaced with a more advanced one. After the replacement, he will be more obedient, more obedient, and better controlled by you. He will do whatever you want, in his heart." You are the only one here, and no woman will be able to \*\*\*\* him away, so you should bring him here as soon as possible, otherwise, you will be in trouble after his original chip fails, and once he wakes up, you will be in trouble. You can't get anything."

"Oh, so that's the case, that's good." Xiao Fengxin thought it was true, and smiled, "Don't worry, I will definitely bring him to see you tomorrow."

"Well, see you tomorrow, by the way, you are ready to hold money."

The next day, the sky was bright and it was at the Imperial Capital Airport.

Li Zhenting and Leng Xue hurried out.

A black off-road vehicle was parked on the side of the street, and they quickly got into the car.

"Mr. Li, the whereabouts of the criminals have not been confirmed yet. These people are really cunning and hard to catch." Leng Xue was a little anxious.

A trip to the United States finally made them understand that it turned out that the intelligence agencies of the United States wanted to monopolize the mainland's chips and blockade technology. Now the Li Group's chip research has achieved results, and they came to sabotage after hearing the news.

"Don't worry, they will show up tomorrow."

"President Li, are you planning to come forward in person?"

"If you don't enter the tiger's den, how can you find tiger cubs."

"But Mr. Li, their main target is you. If you fall into their hands, the consequences will be disastrous."

"If you don't do this, you won't be able to catch them. Don't worry, I have my own measure."

"President Li..."

"Don't worry, the National Security Bureau has already laid a net, this time it will definitely not escape."

These people are too cunning, and their hiding places are weird. They have found some clues several times, but they disappeared without a trace.

Li Zhenting pursed his thin lips tightly, and his eyes burst into a cold light.

"How is Xiaofeng doing now?"

"She is becoming more and more rampant in the company now. She thinks she has become Mrs. Li, showing her fox tail, and messing up the company these days."

"Where is Fang Xianyun now?"

"He was at home after being fired, and he was going to go north to work."

"You immediately send someone to keep him. He is the most important backbone talent of our Li Group. We must not lose him."

"yes."

The car continued to drive quickly towards the city center.

In the six-star presidential suite.

Xiaofeng just came back from the beauty salon in a luxurious dress, with delicate heavy makeup on her face, and the gap on her chest is faintly visible.

Li Zhenting has returned.

He called her at the airport and was going to invite her to dinner at the restaurant downstairs.

Tonight, they will have a spring night in this presidential suite, spending the most passionate night.  
only

Her heart hasn't completely let go yet.

because

And the child in Shen Ning's belly has not been resolved yet!

Today, she will do it herself.

Shen Ning, are you still secretly pregnant with Li Zhenting's child in anticipation of a reunion in the future? Impossible!

Huh, after tonight, you'll have nothing.

I'll get rid of the ones in your belly first, and as for the three evils you left behind in the Li family, I'll take my time and get rid of them one by one.

## **Chapter 982: will have a sweet night there tonight**

Night falls and the lights are bright.

Didu Hotel Catering Department.

Xiaofeng stood in front of the floor-to-ceiling glass windows. The luxurious evening dress made her look sexy, hot and enchanting.

She was waiting for Li Zhenting.

At this time, Li Zhenting was rushing from the airport to attend the meeting with her.

Thinking of their lingering passion tonight, Xiaofeng's pink cheeks flushed.

This time, she will never miss this good opportunity again.

Downstairs.

A man with a tall and straight figure, long legs, straight and long, exuding a dignified and dignified aura, wearing a long windbreaker is a beautiful landscape from a distance.

Li Zhenting strode towards the lobby with long legs.

Xiaofeng's eyes clung to his figure, and his heart was full of spring.

Li Zhenting, you are finally here!

She reached out and took out a packet of white powder from her bag, poured it into a red wine glass, held it in her hand, and shook it gently.

Downstairs, Li Jiaojiao dragged Shen Ning's hand and walked towards the lobby.

"Cousin, I beg you, please help me, now Ji Qingshan has been fascinated by that vixen, I can assure you that that vixen doesn't really love him, he will definitely be fooled, we have to save him In the midst of water and fire." Li Jiaojiao looked around with her big eyes.

It turned out that Li Jiaojiao started to look for Ji Qingshan after taking away the red envelopes of Ke Ke, Ding Ding, Xiao Xiao and Lan Lan, but no matter how hard she searched, she couldn't find him.

Later, she bought Ji Qingshan's special assistant in the cardiology department and found out that he was hosting a dinner for Chen Xie at the Imperial Hotel today.

Li Jiaojiao was stunned.

This news gave her a thunderbolt, like a blow to her head.

It seems that that woman Chen Yuxie is very resourceful and scheming.

If this continues, she is sure that Ji Qingshan will be conquered by her in a short time.

She is not reconciled, she must mess up this matter!

Of course, her ability was not enough, so she pulled Shen Ning.

"Are you sure he's here?" Shen Ning was dragged by Li Jiaojiao all over the lobby but didn't see Ji Qingshan's figure, so he couldn't help expressing doubts.

"It must be here, the information I got must be accurate." Li Jiaojiao nodded affirmatively, and dragged Li Jiaojiao to go upstairs involuntarily.

only

They just turned around.

Sudden

Shen Ning's heart skipped a beat.

On the stairs in the lobby, Li Zhenting in a suit and leather shoes was striding towards the private room upstairs.

"Hey, why did my cousin come here?" However, before Shen Ning could speak, Li Jiaojiao saw Li Zhenting first, and cried out in surprise.

"Jiaojiao, let's go first." Shen Ning was about to leave holding Li Jiaojiao's hand.

"No, I have to find Ji Qingshan and find out what my cousin is doing here?" Li Jiaojiao dragged Shen Ning back, hid them under a pillar, and poked her head out.

I saw Li Zhenting striding upstairs.

Li Jiaojiao dragged Shen Ning to follow.

"Waiter, we are here to find Mr. Li, may I ask which box Mr. Li is in?" Li Jiaojiao deliberately asked the waiter who was guarding outside.

"Miss, President Li is in this box."

"Oh, does he have any entertainment today? Who else is in this box?" Li Jiaojiao asked very politely.

The waitress looked at the notepad and replied with a smile: "Today is Ms. Xiaofeng's birthday, President Li is here to have dinner with her, they have already booked the President Hotel upstairs, and they will be there tonight Spend a sweet night, Ms. Xiaofeng is really happy."

Celebrating a birthday? A cold smile floated on the corner of Shen Ning's lips.

"Damn, what a scumbag, what a pair of scumbags and scumbags, it's too hateful." Li Jiaojiao was so angry that she cursed, rolled up her sleeves and was about to rush in.

Shen Ning grabbed her.

### **Chapter 983: This woman is really shameless!**

"Jiaojiao, let's go." Shen Ning pulled her down.

"Cousin, are you just watching my cousin with other women like this?" Li Jiaojiao stomped her feet angrily.

"Jiaojiao, I am no longer your cousin. I divorced your cousin a long time ago. He has his own life. I have no right to interfere." Shen Ning explained helplessly, pulling Li Jiao by force. Jiao walked down.

"Hey, that's not called divorce, it's just a misunderstanding." Li Jiaojiao insisted and refused to leave.

"Jiaojiao, please respect me, okay?" Shen Ning's face turned serious, and he pulled Li Jiaojiao downstairs with all his strength, and was about to take her away.

Sudden

The door of a box on the first floor opened, and a man and a woman came out.

"Ji Jiao Beast." Before Shen Ning could react, Li Jiaojiao called out.

Shen Ning was taken aback and turned his head away.

I saw the personable Ji Qingshan coming out of a box accompanied by a shrewd and capable woman. The two were talking and laughing, and they looked very close.

Shen Ning froze for a moment.

Sure enough, what Li Jiaojiao said was right, Ji Qingshan, who has always been gentle and serious, and who is not interested in women, seems to be a completely different person at this time, as if he suddenly became interested in women, and he behaved very happily .

And at this time, it seemed like a tacit understanding.

Ji Qingshan also looked at them.

With just one glance, he saw Li Jiaojiao, and he was stunned for a moment, his face darkened.

Afterwards, his eyes fell on Shen Ning's face again, and his face immediately turned cloudy, as warm as the wind.

"Ning Ning, why did you come here?" He left Chen Yuxie and walked towards them, asking Shen Ning with a smile.

"..." Shen Ning choked for a moment, not knowing how to answer, did she want to say that they came to find him on purpose, or pretended to meet him by chance, but otherwise, what would she say.

"Jijiao Beast, it's really strange. If you can come to eat and spend in such a big hotel, of course we can come too. Could it be that you are the only one who has money and can come here, so we can't come here?" Li Jiaojiao After taking the topic, Yin Yang spoke in a strange way.

Ji Qingshan was choked, looked at Li Jiaojiao, and a mocking smile flashed in his eyes.

"Then have you finished eating?"

"Not yet, I was preparing to eat, and I met you unexpectedly." Li Jiaojiao lied without red eyes or heartbeat.

Shen Ning secretly laughed.

"Oh, then you guys eat first, I have to leave beforehand." Ji Qingshan was ready to leave immediately when she saw her say so.

"Hey, Professor Ji, we met by such a coincidence, shouldn't you treat your cousin to dinner before leaving? You're so stingy." Li Jiaojiao glanced at Chen Xunxuan standing over there, and said aggressively deliberately.

Ji Qingshan looked at Shen Ning, and smiled: "Okay, Ning Ning, I'm treating you, you just eat."

Shen Ning didn't answer and was about to refuse, but Li Jiaojiao secretly pushed her.

She instantly understood what Li Jiaojiao meant, and smiled wryly in her heart.

This guy is using her as a bridge to bind Ji Qingshan.

"Cousin, since someone invites you to dinner, let's eat openly." Li Jiaojiao took Shen Ning's arm and smiled at Ji Qingshan: "Professor Ji, let's have a drink with us before we leave."

Ji Qingshan hesitantly turned his head to look at Chen Xuexue over there, with a look of embarrassment on his face.

Chen Jue has been looking at this side, and seeing Ji Qingshan looking over, he already understands what's going on.

"Qingshan, this is because you met a friend." She walked over, smiling slightly, very reserved.

Li Jiaojiao twitched her lips secretly, and even called out 'Qingshan'. It's only been a few times since she met her. This woman is really shameless!

She smiled at Ji Qingshan: "Professor Ji, since you want to treat your cousin to dinner, please be sincere and order quickly. It's getting late now, and we are all hungry."

After speaking, he looked at Chen Xunxue coldly.

This is to warn him that Ji Qingshan wants to accompany them to dinner, so she can leave.

**Chapter 984: Let her be taught a lesson!**

Ji Qingshan also looked at Chen Xuexie apologetically, and motioned for her to leave first.

But Chen Juezhen just smiled, and said thoughtfully: "Qingshan, since your friends are here, I should give them face and accompany them, so let's go, I will order food for you, and I will take care of you." your friends."

After speaking, she took the initiative to walk towards the empty table on the side of the dining room.

Li Jiaojiao was dumbfounded, she didn't expect this Chen Xunxue to be so thick-skinned! He could only walk behind angrily.

Because there was no reservation in advance, the business here was good, so they could only sit in the lobby.

"Miss Shen, the business of the Imperial Capital Hotel has always been good. You usually have to book a box in advance. Are you late?" Chen Xun asked with a smile while looking at the menu after sitting down gracefully.

Shen Ning heard her mocking meaning.

This is insinuating that they use this disgraceful way to keep Ji Qingshan and break them up.

She was secretly startled.

This woman named Chen Xunxiu is not only smart and capable, but also very scheming and of high rank.

If a straightforward girl like Li Jiaojiao wants to compete with her for a man, she is afraid that she will lose miserably.

After hearing this, Li Jiaojiao's face became even more ugly, and she said directly: "We didn't plan to have dinner here, but Professor Ji insisted on inviting my cousin to dinner, so we can only make do with it, what? You Don't you want to eat with us in the hall? We don't force it."

She is clearly driving Chen Xun away.

Chen Yuxiu smiled and said: "As long as you are a friend of Qingshan, I am happy to accompany you no matter where you eat. I am just afraid of wronging you. Don't worry, I will definitely accompany you. What's the matter? What wine do you want to drink? Red Is it still white? Go ahead."

"Okay, Bai." Li Jiaojiao wanted to fix her, waved her big hand, and said, "Let's have a good drink."

"Okay, the waiter will bring the wine." Chen Yuxie shouted immediately.

"Jiaojiao." Shen Ning held back Li Jiaojiao. This Chen Juexiu acted very sophisticatedly, and Li Jiaojiao was just a girl who hadn't experienced much in the world. She was worried that she would suffer and wanted to take her away.

"Cousin-in-law, it's okay. Professor Ji invites you to dinner. You must eat and drink well." Li Jiaojiao seemed determined to bring down Chen Xie, and she couldn't listen to Shen Ning's advice.

Shen Ning had no choice but to sit down with her.

"We don't drink, let's take the wine away." At this time, the wine had already been served, Shen Ning said to the waiter.

"Don't you want to drink?" Chen Yuxuan raised his eyebrows and asked provocatively, with a victorious smile on his face.

"Of course I want to drink." Li Jiaojiao was young and energetic, how could she admit defeat like this, and immediately waved her hand, very proudly.

The waiter left.

Shen Ning couldn't stop him even if he wanted to, sitting there worried.

Ji Qingshan sat down beside her, and said softly: "Don't worry, you can just sit and eat properly, with me here, nothing will happen."

He smiled at her, warm as the wind.

Shen Ning's heart inexplicably calmed down.

Ji Qingshan pursed his lips.

Li Jiaojiao is too capricious and ignorant, let her be taught a lesson!

Soon, all the dishes were served.

Chen Xie began to pour wine for everyone.

"Shen Ning can't drink." When she was pouring wine for Shen Ning, Ji Qingshan immediately stopped her.

Chen Jue raised his head and saw Ji Qingshan's solemn face, he was taken aback for a moment, and immediately looked at Shen Ning with strange eyes.

Ji Qingshan is protecting Shen Ning!

Moreover, among the three women, he deliberately sat next to Shen Ning, and his love was beyond words.

At that moment, she realized that the person Ji Qingshan really cares about is Shen Ning!

As a woman, at this moment, she is jealous of Shen Ning.

## **Chapter 985: Is she really just a wayward little girl?**

"Come on, have a drink." Li Jiaojiao yelled and started before Chen Xunxue sat down.

"Okay, drink." Chen Xie smiled and raised his glass.

...

After half an hour, Shen Ning looked at Li Jiaojiao, who was already slurring her speech, and said to Ji Qingshan: "Qingshan, enough is enough, she is just a little girl, she has no problems in her heart, she goes straight, just to be playful."

"Hmph, I don't know the heights of the heavens and the earth, and I deserve it for my willful behavior." Ji Qingshan snorted coldly with disdain.

Shen Ning looked at him and said meaningfully: "Qingshan, in your mind, is she really just a willful little girl?"

"if not?"

Shen Ning's eyes widened.

Any fool can see that Li Jiaojiao is interested in Ji Qingshan, but Ji Qingshan can't see it.

All the girls who fall in love will become fools with negative IQs, but that man is calm and plays games with his life.

"Qingshan, don't you have any idea why Jiaojiao is so drunk?" She asked tentatively.

Ji Qingshan just paused for a moment and said indifferently: "Little girl, you're just being willful and trying to be brave."

"Don't you think she's for you?"

"For me?" Ji Qingshan laughed, "I don't know her before and have nothing to do with her, so how can she say it's for me?"

"Love grows stronger without knowing why."

Ji Qingshan snorted through his nose: "The little girl doesn't know what kind of feelings, it's purely for novelty, willful and fun."

In his cognition, Li Jiaojiao is a willful and wealthy lady who doesn't understand what emotion is at all, and has no integrity.

She can destroy his bottom line at will regardless of other people's wishes for the so-called relationship.

"Then do you think Dean Chen understands you very well?" Looking at the sophisticated and refined Chen Xie, who could easily put Li Jiaojiao down, she asked softly.

"I'm just exchanging knowledge with her." Ji Qingshan immediately objected.

All right!

Shen Ning has nothing to say!

Ji Qingshan thought that he and Chen Xunxue were just communicating academically, but it was clear that Chen Xunxue didn't think so.

"Qingshan, I hope you can grasp your sense of proportion, and avoid suspicion and ambiguity in your relationship, which will be a kind of harm to both parties." Shen Ning said after reminding: "It's getting late, I have to go, you Help me take Jiaojiao to the parking lot."

"good."

Ji Qingshan thoughtfully agreed, then stood up and confessed to Chen Yuxie, before bending over to help Li Jiaojiao who was lying down.

"Qingshan, let me help her." Chen Juexiu saw that Ji Qingshan was holding Li Jiaojiao's arm with one hand, and was about to put his arms around her waist with the other, so he immediately said.

"Principal Chen, I have to let men do the delivery of drunk people. Besides, Jiaojiao vomits and vomits after being drunk, and sometimes runs around. I'm afraid she will hurt you then." , I'm also afraid that something will happen to her, after all, Qingshan is a man with stronger strength, you can go back first, or you can stay here and wait for Qingshan to send us back." Shen Ning replied with a smile beside him.

Ji Qingshan said immediately after hearing this:

"Dean Chen, I'll send them back first, you go back first, and I'll contact you later."

Chen Xiexiu saw this and could only change his words:

"Alright, you can send them to the parking lot first, I'll wait for you here, let's go back together, I still have something to tell you."

## **Chapter 986: turn defeat into victory**

"Okay." Ji Qingshan agreed, put his arms around Li Jiaojiao's waist and walked outside.

But at this time Li Jiaojiao was already drunk and unconscious, when Ji Qingshan put his arms around her waist, she turned around as if she smelled something, and threw herself into his arms, wrapping her arms around his arms. neck, and pressed his face against Ji Qingshan's chest.

Chen Yuxiu on the side immediately turned dark.

Shen Ning couldn't laugh or cry.

This little woman misses Ji Qingshan so much, she entangles her whenever she gets the chance.

Ji Qingshan was hugged by a woman, he felt a little flustered, and wanted to take her hand off, but she clung tightly to his neck and wouldn't let go.

Finally, in desperation, he had no choice but to grab her with both hands, give her a princess hug, hold Li Jiaojiao in his arms and walk towards the parking lot.

Shen Ning quickly followed and helped press the elevator.

Chen Xie's eyes were gloomy.

"Chen Yuxie, see if I don't drink you to death, you scheming girl." In the elevator, Li Jiaojiao yelled from time to time, hiccupping, rubbing her face back and forth on Ji Qingshan's chest, and finally slapped his chest. His clothes were in a mess, and Ji Qingshan, who always liked to be clean and tidy, had a dark face, so he had to grit his teeth and hold back!

They finally got out of the elevator and came to the underground parking lot.

Shen Ning opened the car door.

Just when Ji Qingshan was about to put Li Jiaojiao in, Li Jiaojiao became drunk and hugged Ji Qingshan's neck, yelling: "Don't send it, I don't want to go back, I still want to drink, I'm going Play in Paris, I want to play in mud."

After talking, rub your feet and kick them!

"What a drunk lunatic." Ji Qingshan was angry and annoyed, and as soon as he let go, he wanted to throw her on the ground, but Li Jiaojiao seemed to have expected him to do this, her hands tightly wrapped around his neck, her feet. She even took the opportunity to wrap around his waist, vomited in her mouth, and wet a large piece of his chest.

"You..." Ji Qingshan gritted his teeth with hatred as he smelled the gas in his stomach, but his body was entangled by her, and he focused on forcing her into the carriage, and kept sending her into the carriage, but Li Jiaojiao had already become a woman. A piece of brown candy, no matter how hard he shook it, he couldn't get rid of it, but she entangled her even more tightly. When he put her on the seat for the last time, she slipped and fell on the ground with her hands tightly around her neck. On her body, the two fell together, Li Jiaojiao's feet and hands wrapped around him immediately, Ji Qingshan was even harder to get rid of, and could only stick to her body.

Shen Ning was in a hurry, afraid of hurting Li Jiaojiao, he put his head in from the front seat and asked loudly, "Jiaojiao, how are you?"

At that time, Ji Qingshan's face had been squeezed onto her shoulder by Li Jiaojiao, only Li Jiaojiao's face was exposed.

Shen Ning anxiously looked at the drunken Li Jiaojiao's face, asked a question, but there was no response, and was about to ask again, but unexpectedly, at this moment, Li Jiaojiao suddenly opened his eyes and gave her a playful smile.

She froze for a moment.

Li Jiaojiao winked and winked at her.

Shen Ning quickly and completely understood that Li Jiaojiao was not really drunk, she was pretending to be drunk, with only one purpose and that was to win Ji Qingshan away from Chen Xunxue.

She really is a weird girl!

It turns out that she is not without a little scheming! She knew that she couldn't beat Chen Juexiu, so she simply pretended to be weak and drunk.

Sure enough, Ji Qingshan got on her pirate ship successfully.

It seems that she doesn't have to worry so much about Li Jiaojiao losing miserably, after all, she is also a smart girl.

That's the case, so what is she going to do in this situation?

"Qingshan, my child called me, please take charge of sending Jiaojiao home, I have to go first, thank you." After confessing to Ji Qingshan, Shen Ning left, the car was Li Jiaojiao's. Yes, Ji Qingshan happened to send her home.

In the restaurant here, Chen Juexi waited for Ji Qingshan not to come back for a long time, his face was livid with anger, and finally called Ji Qingshan, but was picked up by Li Jiaojiao. He hung up and went home in a huff.

This round, Li Jiaojiao turned the tables and turned the tables!

#### **Chapter 987: shouldn't let him drink so much**

"Zhenting, are you ready to drink? After drinking, we will go back to the presidential suite." In the box on the second floor, Xiaofeng looked at Li Zhenting affectionately, stroking the back of Li Zhenting's head with gentle fingers.

Tonight, she not only put an aphrodisiac in the red wine, drugged her, but also made Renes increase the control of the chip implanted in his brain. Mrs. Li.

The next morning, she will take Li Zhenting to the pier by the sea to collect the billion dollars.

It's just too beautiful!

She is finally going to live the life she dreams of!

"Xiao, Xiao, Feng, I, I'll drink, it's done." Li Zhenting hiccupped and looked at her drunkenly, "Xiao, Xiaofeng, you, you are so beautiful."

A blush flew up her cheeks, and she was shy and shy.

"Zhen Ting, then let's go upstairs quickly. I've already put away the bath water. Let's go to the mandarin duck bath and enjoy it. This night we will be drunk and dreamy, and spend an unforgettable night." Xiaofeng fell softly into the room. In his arms, she was full of tenderness.

"Well, good." Li Zhenting exhaled alcohol, and asked stupidly, "Little, Feng, didn't you say that you want to take me to meet your relatives? When are you going?"

Just after eating, Xiaofeng told him that he was going to take him to see Reines tomorrow morning. In order to be afraid of Li Zhenting, she didn't want to go, so she lied that she was going to see her relatives.

Unexpectedly, Li Zhenting actually paid attention to it, and even took the initiative to ask.

She only thought that Li Zhenting valued her, and she was very happy.

"Don't worry, I'll take you to see them tomorrow morning after we wake up tonight. They all want to see you. Let me tell you, my natal relatives are not ordinary people. They are rich and powerful." She He spoke triumphantly.

Li Zhenting's eyes were blurred, and he said, "Really, then I really want to see them."

"Well, don't worry, I'll see you." Xiaofeng stroked the back of his head with incomparable tenderness, "Zhenting, let's go upstairs."

She drank a lot of red wine, her whole body was unbearably irritable, and she just wanted to become one with him.

"Okay, okay." Li Zhenting stood up, walked forward, staggered, and fell forward.

"Zhenting." Xiaofeng was in a hurry and went to pull him.

But he is tall and burly, she can't pull it up no matter what.

It seems that the drug is too strong, but in fact it is just drinking two or three taels of red wine.

She regretted it a little, she shouldn't let him drink so much.

"Wine, I still want to drink." At this moment, Li Zhenting got up by himself, staggered and picked up the wine bottle on the table and drank it with his head raised.

"Zhen Ting, don't drink anymore." Xiaofeng panicked when he saw it, and rushed to grab his wine bottle, just drink moderately to add to the fun, if you get drunk, you can't do anything tonight, she doesn't want to.

But Li Zhenting is tall and burly, how can she, a woman, beat him.

After a while, Li Zhenting drank a lot and fell asleep on the wine table.

Xiaofeng was dumbfounded. He couldn't pull him, and he couldn't answer when he called him. In the end, he had to ask the lobby manager to help deliver Li Zhenting to the presidential suite.

But it said that Shen Ning took the elevator from the underground garage to the lobby and went directly to the street to hail a taxi.

The taxi took her towards Li's Castle.

After a while, the car came to the tree-lined avenue outside Li's Castle, and from here, you will reach the main gate of Li's Castle.

Shen Ning was about to pay and get out of the car.

Sudden

A black off-road vehicle rushed over from behind and hit the taxi she was sitting in.

### **Chapter 988: want to kill the baby in your womb**

With a loud bang, Shen Ning was hit so that he fell on the car door.

After a violent shake, the body fell to one side.

"Get out of the car quickly." The driver was terrified and shouted at Shen Ning.

"What happened?" Shen Ning was dizzy from being bumped, and had a premonition that something was wrong, so he hurriedly climbed up in the carriage with difficulty.

"Someone hit our car." The taxi driver reached out and grabbed her arm and pulled her out forcefully.

Shen Ning had just climbed out and stood up, when a long black knife was pointed at the driver, and he shouted in a low voice: "Go, or you will die immediately."

The driver turned pale with fright, and said in a hurry: "Forgive me, man, don't kill me. I'll leave right away, right away."

"Get lost."

"Okay, I'll go, I'll go." The driver's face turned pale with fright, he didn't want the car, turned around and ran, regardless of Shen Ning's life or death.

Shen Ning looked at this man coldly. He was dressed in black and black pants, and his eyes were fierce. He looked like a thug from the underworld.

"Who are you? What do you want to do?" She asked coldly.

The man sneered: "Stop talking nonsense."

Picking up the knife, he slashed at Shen Ning's stomach.

Shen Ning's face turned pale, and he flashed nimbly.

The man's knife cut empty.

The man didn't seem to expect Shen Ning to be so alert, his eyes flickered fiercely, he picked up the knife and slashed at Shen Ning's stomach again.

"Help." Shen Ning finally understood that this man was coming for her belly. Mother's love made her very strong and alert. She yelled for help while dodging several times, then turned towards the gate of Li's Castle run.

There is a monitoring system around Li's Castle, and there are security patrols there, as long as you run out of this remote tree-lined path, you can be rescued.

The man became anxious when he saw Shen Ning running away. Obviously, he understood the surrounding environment.

He rushed forward with several sword steps, grabbed Shen Ning's hair from behind and pulled it back, and raised the knife with his right hand to chop at her stomach.

Shen Ning was dragged backwards and fell to the ground with his stomach facing upwards. This time, he could no longer escape. He covered his stomach with his hands, and closed his eyes in panic and despair.

"Young Mistress, run." At this moment, suddenly, a force rushed from behind, the man's right hand holding the knife was pushed down hard, the blade slashed elsewhere, and a woman's voice shouted at Shen Ning.

Shen Ning opened his eyes, only to see a woman's arms tightly hugging a man.

"Run." She shouted at Shen Ning again.

Shen Ning got up and saw the woman's face clearly through the dim streetlight.

She is Xiaofeng.

"Xiaofeng." She called out worriedly.

Is this girl desperate? If she hugs the brutal gangster like this, can the gangster let him go!

"Young Mistress, run quickly, if you don't run, it will be too late." Xiaofeng's face was flushed, her arms wrapped tightly around the man's waist, and she screamed hoarsely.

Shen Ning woke up with a start, and looked at her worriedly. At this time, he could only go to rescue the soldiers first.

She ran towards the gate of Li's Castle, hoping to find rescue as soon as possible.

Here, the man became angry with embarrassment and tried to shake Xiaofeng off, but Xiaofeng hugged him tightly with both arms, and the furious man picked up a knife and slashed at Xiaofeng's arm.

"Ah." Accompanied by a scream, the knife slashed on Xiaofeng's arm, and the blood was instantly like a column.

"Get out." The man threw it hard, Xiaofeng lost all strength in his arm, was thrown far away, and collapsed on the side of the road.

The sound of Shen Ning's call over there has already awakened the security guard, who ran towards this side.

Seeing that the plan had been revealed, the man didn't dare to stay any longer, jumped into an off-road vehicle parked by the roadside, and ran away.

"Xiaofeng, Xiaofeng." Shen Ning ran over and picked up Xiaofeng lying on the ground, shouting anxiously.

With a pale face, Xiaofeng said weakly: "Young Mistress, you should go, leave the imperial capital, Xiaofeng wants to kill the child in your belly, that woman is too vicious."

Shen Ning's face was pale. It turned out that they had known about her pregnancy for a long time.

#### **Chapter 989: Her plan is about to fail again**

"Okay, I will." The blood on Xiaofeng's arm stained Shen Ning's clothes red, and she replied tremblingly with tears, "Silly girl, there is no need for you to block the knife for me."

"Young mistress... I'm sorry for you... I hope you can forgive me... I am willing to help you block the knife, and I am atonement." She spoke intermittently, her face became paler and her tone became lower and lower.

Until this moment, Shen Ning seemed to understand something. For a while, she felt that Xiaofeng was weird. It turned out that she was deliberately trying to murder the child in her belly.

However, fortunately, she came to her senses.

"Don't worry, no matter what you have done to me, I will forgive you. You are a good girl, and your conscience has not been wiped out." Shen Ning said seriously, holding her arm tightly, and shouted at the security guard: "Rescue me!" Is the car coming?"

"Young lady, the ambulance is on its way, and my family doctor has been called here." The security captain is very experienced in such emergencies.

Over there, the family doctor trotted over. He immediately \*\*\*\* Xiaofeng's artery with a bandage, pressed hard, and the blood gushing out gradually stopped.

When the ambulance arrived, he had roughly treated the wound. As soon as the ambulance arrived, Xiaofeng was rushed to the hospital.

"Doctor, please help her heal her arm, she is still young, no matter how much it costs." Before Xiaofeng pushed into the operating room, Shen Ning begged the doctor.

"Don't worry, we will do our best for the injured."

After the doctor answered, he hurried into the operating room.

Shen Ning stood in the corridor in shock, his heart beating with fear.

'Young Mistress, you should leave quickly, leave the imperial capital, Xiaofeng wants to kill the child in your stomach.' She thought of this sentence repeatedly in her ears, and couldn't help crying like rain.

Li Zhenting, the woman you dote on is so vicious, are you blind! What he wants to kill is your child!

In the presidential suite of the Imperial Capital Hotel.

"Zhenting, Zhenting, wake up quickly." Xiaofeng patted Li Zhenting's face lightly, trying to wake him up.

Tonight, originally, they were going to have a good time, but at this time, he was so drunk, how could he have a good time.

Her plan is about to fail again.

She was not reconciled, and desperately tried to wake him up.

But Li Zhenting was so drunk that he passed out. He turned over and lay down on the big bed, breathing heavily from his nostrils.

Xiaofeng was very annoyed, but helpless. After standing for a while, he had to go to the bathroom to take a shower alone.

As soon as she left, Li Zhenting opened his eyes, took out his mobile phone and sent a text message to Leng Xue, then took Xiaofeng's mobile phone over, after a while of busy work, he put her mobile phone back, and fell asleep peacefully, but for some reason, his eyelids suddenly twitched, making him restless.

"Mr. Reines, are you ready for the dollar? Tomorrow morning, I will definitely bring him to see you." After a while, Xiaofeng came out charmingly while wearing a bathtub and talking on the phone.

"Ten suitcases have already been packed, and you can come and pick them up tomorrow." Renes replied with a half-smile.

"Okay." Xiaofeng glanced at Li Zhenting who was sleeping soundly on the bed, and suddenly asked: "Mr. Reines, can you adjust the chip implanted in Li Zhenting's brain, he is lying on the bed drunk, I'm afraid it will affect bringing him to see you tomorrow morning."

Renez hurriedly asked, "How could he be so drunk?"

"I don't know, I just drank a couple of bars, see if you can wake him up." Xiaofeng replied.

Renez sneered.

How can a man who is so drunk can sleep with her and spend the spring breeze together.

But she was greedy too much, and she used too much medicine, and now it is counterproductive.

This woman has too many small thoughts!

I think she is very hungry and thirsty now!

Deserved it!

but.

As long as she can cooperate with him well, of course he can satisfy her with these small things.

"Okay, I'll try it here." After he agreed, he hung up the phone.

Xiaofeng sat beside Li Zhenting, burning himself in flames.

After waiting for a while, Li Zhenting not only did not wake up, but fell asleep more deeply.

She was very annoyed, suppressed the fire in her heart, and swiped her phone all night.

## **Chapter 990: i bought it for you**

The next day, early in the morning, Li Zhenting slowly opened his eyes.

A ray of morning light seeps in through the cracks in the curtains.

He sits up.

Xiaofeng was sleeping next to him, the nightgown on his chest was half open, and the scenery was infinite.

He frowned, gave her a disgusted look, covered her with a blanket, and went to the bathroom to wash up.

After a while, Xiaofeng was still asleep when he came out.

His cold eyes scanned the bedroom and walked out.

"Zhenting, Zhenting." Xiaofeng was woken up by the ringing of the phone. She got up and saw that Reinez called from the pier. He was worried that she was too busy last night and would miss things, so he reminded her that she could bring Li Zhenting over, Xiaofeng turned his head to see that the bedroom was empty, and immediately yelled loudly.

"What? Is Li Zhenting gone?" Reines heard Xiaofeng's shout over there, and his eyes suddenly became fierce.

Xiaofeng sucked on his slippers and ran towards the bathroom. The fog in the bathroom hadn't cleared yet, apparently someone was taking a shower just now.

When she was nervous, the door opened, and Li Zhenting walked in energetically with breakfast in hand.

"Zhen Ting." Xiao Feng hurriedly went up to meet him, "Why did you go to buy breakfast early in the morning, there is a match in the suite."

"Don't you like Zhaiji's rice rolls? I went down and bought them for you." Li Zhenting said in a friendly voice.

Xiaofeng's face immediately flashed a blush.

At this time, Reines on the other side of the phone heard Li Zhenting's voice, so he was relieved and hung up the phone.

"Thank you, Zhen Ting, you are so kind to me." She pounced on him and wrapped her arms around his waist.

"Xiaofeng, I didn't do anything to you last night, I'm sorry, I drank too much and don't know anything anymore." Li Zhenting pushed her away with an apologetic expression on his face.

"No, Zhen Ting, how could you be so drunk? It's useless for me to drink sober soup for you." Thinking of keeping the vacant room last night, Xiaofeng was very wronged. Last night, they just missed it so much. It's really useless Such a nice presidential suite.

"I'm sorry, I made a mistake, but don't worry, we will have plenty of time in the future, and we don't care about such a night." Li Zhenting smiled ambiguously.

Xiaofeng beat his chest lightly with his fist: "I've been delayed for two nights, I hate it."

Li Zhenting held her fist and kissed her lips, and said in a friendly voice: "Life is so long, what are these two nights, let's go visit your relatives first, and then agree on a wedding date, I want the best Everything left on the wedding night."

Xiaofeng was elated.

The title of Mrs. Li is really attractive.

"Okay, let's have breakfast quickly, and leave when we're done." Xiaofeng happily went to wash up and have breakfast.

After breakfast, Xiaofeng brought Li Zhenting to the underground parking lot. They boarded an off-road vehicle that Reines had prepared for them, and the car drove towards the sea.

Li Zhenting posted a location on his mobile phone, and soon, all the satellites and networks in the sky were locked on the car.

On the pier.

A cruise ship is parked nearby.

On the deck of the cruise ship stood a tall, middle-aged foreign man, surrounded by two young men who looked like assistants, one on the left and the other on the right.

Their eyes looked at the road on the pier from time to time, waiting for Xiaofeng to bring Li Zhenting over.

"Remember, when they come over, control Li Zhenting first, don't let him run away, and take him into the underground cabin." Reines ordered in a deep voice.

"What about Xiaofeng?"

Reneth's eyes flashed coldly, and he said viciously: "She is useless, throw her into the sea to feed the fish."

"yes."
