

True God 1917

Chapter 1917 you have to take me to Blue Moon God Star Realm

"You seem very obedient to Yue Ya, are you the servant?" Ye Chen asked Vei.

"I don't think I need to answer the question you asked." Vei refused to answer the question Ye Chen asked.

Ye Chen raised his eyebrows, this woman was quite cold, she was very cold towards Ye Chen.

"You better take care of your attitude when in front of me, don't make me angry" Ye Chen said to Vei.

"Why?, don't you like it, you have dared to harass the moon goddess, you should know that this matter is very big and will get a severe punishment" Vei said to Ye Chen.

"Did I do something really big, why didn't I know about it?" Ye Chen said to Vei.

Ye Chen was very indifferent, he was quite indifferent when dealing with Vei.

Ye Chen replied to what Vei did, he let this woman know that she was someone who could not be fought.

Vei gritted her teeth, she looked very annoyed at Ye Chen.

"What's wrong?, do you want to fight?" Ye Chen asked Vei, Ye Chen asked if Vei would fight him or not.

"Kid, you should know your place, I won't be good and will beat you up if you don't obey" Vei said in a less friendly tone.

"If you're capable, why don't you just do it, I'm ready" Ye Chen said to Vei.

Ye Chen was not afraid of Vei's threats and bluffs, on the contrary Ye Chen challenged Vei

Vei looked annoyed with Ye Chen, she didn't like being treated like this by a young man like Ye Chen.

for the first time Vei was annoyed with someone, this was a rare thing.

"I'll show you a little strength that I have" Vei decided to show the strength that she has.

Yue Ya definitely wouldn't allow Vei to hurt Ye Chen, that's why Vei would teach Ye Chen a little lesson that Ye Chen would remember and let her know that she was an opponent that couldn't be underestimated.

Vei ate the bait Ye Chen gave her, she attacked Ye Chen and taught Ye Chen a lesson.

Ye Chen looked very relaxed against Vei, he didn't need to use too much strength against Vei.

Vei took a sword, she pointed her sword at Ye Chen and started attacking Ye Chen.

Ye Chen dodged all of Vei's attacks, he dodged Vei's attacks very easily.

"You are too slow" Ye Chen said to Vei, Ye Chen told Vei that he was very slow.

"Impossible, how can he dodge all the attacks" Vei couldn't believe that Ye Chen was able to dodge all the attacks that he had launched so easily.

"**moon light step**" Vei used light steps like walking on the moon, she was going to attack Ye Chen at a much faster speed than before.

Ye Chen could see that Vei had started to increase her speed, that's why Ye Chen also started to increase his speed.

The two of them fought very fast, they were both too fast and could not be seen by the naked eye.

"Why, why, why can't my attacks hit him?" Vei was starting to get confused, all the attacks that had been launched were unable to hit Ye Chen.

"Are you giving up or want to keep trying?" Ye Chen said to Vei.

"I'm not done yet." Vei said that she still hadn't given up, she could definitely beat Ye Chen.

When Vei said that, Ye Chen was already in front of her, Ye Chen hugged Vei's waist and held her.

.

"Let go of me" Vei tried to free her body from Ye Chen's grip, she did her best to be able to free herself from Ye Chen.

"Hahaha, you won't be able to escape from me" Ye Chen said that Vei wouldn't be able to escape after being held by Ye Chen.

"Quickly let me go, stinky bad boy. . . ." Vei continued to rebel, she did all kinds of ways to get away from Ye Chen.

"It's useless, what you are doing is a waste of time, stop giving up and obey me" Ye Chen said to Vei.

Ye Chen told Vei that what he had done was useless.

Ye Chen took a special rope, he started to tie Vei's body.

"How can you do something like this to me" Vei said to Ye Chen, Vei had already lost her composure when facing Ye Chen.

"What?, you were looking for trouble from the start, so don't talk too much" Ye Chen said to Vei.

Ye Chen had caught Vei, now he could do whatever he wanted to Vei.

"You bad guy" Vei said to Ye Chen.

"Oh, so you said that I am a bad guy, if that's what you say, then I will be a bad man who will do bad things to you" Ye Chen put on an evil face, he wanted to do bad things to Vei.

Vei felt scared when she saw Ye Chen, to be honest Ye Chen was quite scary with such a face.

"Hehehehe" Ye Chen laughed, he managed to scare the beautiful woman in front of him.

Although cold, Vei belongs to a beautiful woman, she is a beautiful woman who is not inferior to women Ye Chen has met.

"Quickly let me go, I have to leave immediately." Vei asked Ye Chen to let go, she had to go after Yue Ya immediately.

"I will let you go, but I have a condition for you" Ye Chen said to Vei.

"What's that?" Vei asked Ye Chen, she wanted to know the conditions that Ye Chen wanted.

"The conditions are very easy, I believe you are able to fulfill these conditions" Ye Chen said that Vei must be able to fulfill the conditions he gave.

Vei is getting more and more curious, about what conditions Ye Chen wants, she is getting more and more curious about the conditions that Ye Chen wants.

"I want you to take me to the Blue Moon God Star Realm." Ye Chen said that he wanted to go to the Blue Moon God Star Realm.

"Huh?, are you crazy" said Vei to Ye Chen, Vei didn't expect that Ye Chen would ask such an unreasonable request.

"What?, can't you do that?" Ye Chen asked Vei.

Ye Chen's request was very easy, Ye Chen only asked Vei to take him to the Blue Moon God Star Realm.

"This is a little difficult, you should know that the place is dangerous, the goddess will not be happy with this matter" Vei didn't dare to do that, if Yue Ya knew then he would be very angry.

"Come on, I want to help her solve the problem" Ye Chen said to Vei.

Ye Chen wanted to help Yue Ya solve the problem.

"Don't be ridiculous, you will only become a burden if you go to Blue Moon God Star Realm, there is a gathering place for strong people" Vei said to Ye Chen.

"Are you trying to doubt me, I can catch you easily, do you think I am weak?" Ye Chen asked Vei.

Vei immediately thought of what Ye Chen said, what Ye Chen said was indeed the truth.

Ye Chen was able to defeat Vei with ease, this man indeed had an ability worthy of him.

As Yue Ya's personal servant, Vei's strength is no joke, he is currently at the eighth stage of the Divine Overlord Realm, so she belongs to the strong people of the God Realm.

Chapter 1918: Yue Wezi

"Even if you say that, in reality you are not that strong, there are still many people who can kill you very easily" Vei said to Ye Chen.

Vei still refused to invite Ye Chen, she still insisted that the Blue Moon God Star Realm was extremely dangerous for Ye Chen.

Vei was also sure that Yue Ya didn't want Ye Chen to get into trouble, she was very sure about this matter.

"If you refuse, then I will let you stay in this place" Seeing Vei keep refusing to take him to the Blue Moon God Star Realm, Ye Chen intended to make this woman here and bound like this.

Ye Chen walked away, he walked away and started to leave this place.

Ye Chen wasn't lying, he actually left this place and left a beautiful woman like Vei in the wild and bound.

"Wait a minute, let's talk about this matter again" Vei said to Ye Chen, Vei told Ye Chen to come back and talk things over.

Ye Chen didn't turn around and continued to walk away, Ye Chen really intended to leave Vei alone.

"Don't leave this place, at least let me go" Vei said to Ye Chen, Vei told Ye Chen to let go first.

"Hey, I'm talking to you, don't ignore me" Vei said to Ye Chen who ignored her.

Ye Chen really didn't care, he just walked away from Vei.

"Okay, I will give in, I will take you to the Blue Moon God Star Realm" Vei finally gave up, she finally wanted to take Ye Chen to the Blue Moon God Star Realm.

After seeing Vei agree, Ye Chen immediately returned, standing in front of Vei.

"That's a very good answer" Ye Chen was really satisfied with the answer given by Vei, the answer given by Vei was very good.

after Vei promised, he immediately untied Vei's body.

Vei didn't expect that he would be threatened by a boy like Ye Chen, how could she be threatened by a boy like Ye Chen.

"This brat, there's something wrong with him." Vei felt that if there was something wrong with Ye Chen, she could sense that Ye Chen was strange and mysterious.

"Before leaving, let's make another deal." Before completely releasing Vei, Ye Chen made a deal with Vei.

"What do you want from me?" Vei asked Ye Chen, she wanted to know what Ye Chen wanted.

"My wish is very simple, I want you to promise not to tell what you saw when you were with me, even if it was Yue Ya" Ye Chen said to Vei.

"Okay I agree" Vei said to Ye Chen, Vei agreed not to tell this matter.

"Your answer is not satisfactory, do you still not understand what I want" Ye Chen said to Vei.

Vei understood what Ye Chen wanted, it seemed that Ye Chen wanted Vei to swear.

"I Vei will not reveal anything about the matter between us, otherwise I will be struck by lightning to death" Vei swore, she swore to Ye Chen that she would not say anything to outsiders.

"Very good" Ye Chen was satisfied, Vei was very smart and could understand what Ye Chen was saying, After Ye Chen got the oath from Vei, Ye Chen immediately let go of Vei and let her go.

Vei was very happy when he was able to escape from Ye Chen, Vei was happy that he was free from Ye Chen's evil grip.

"Come with me" Vei said to Ye Chen, Vei took Ye Chen, she will take Ye Chen to go to Blue Moon God Star Realm.

Vei opened the portal to the Blue Moon God Star Realm, she would quickly take Ye Chen to the Blue Moon God Star Realm.

Ye Chen followed behind Vei, the two entered the portal and instantly disappeared from the deserted forest.

Ye Chen and Vei quickly crossed the dimensional stream, both of them would arrive at the Blue Moon God Star Realm in no time.

Sure enough, Ye Chen and Vei had already arrived at the Blue Moon God Star Realm, both of whom had set their feet on the Blue Moon God Star Realm.

"So this is Blue Moon God Star Realm, such a beautiful place, it turns out that Yue Ya lives in a place like this"

The Blue Moon God Star Realm was pretty good, it was one of the best stars Ye Chen had seen.

"Stop looking around, come with me" Vei told Ye Chen to stop, they had to go to catch up with Yue Ya.

"You are absolutely right, there is no time to relax, I have to hurry and help Yue Ya" what Vei said became the truth, they had to go and help Yue Ya.

Ye Chen and Vei entered the Blue Moon God Star Realm, the two entered and headed straight for the place where Yue Ya was.

Yue Ya was currently in the open field with several people, there were several men and women surrounding Yue Ya.

"Why are you guys making a fuss again?" Yue Ya said to the people in front of him, why are they making a fuss again.

"we're not making a fuss, it's just that your people are the first to look for trouble with us" a man came forward, the man who just came forward was a handsome man with a strong aura.

this handsome man had strength under Yue Ya, even so his influence was quite strong.

Even though he looked very young, the man who was face to face with Yue Ya was an elder who was recognized for his strength.

He was also the first child of the Blue Moon God Star Realm's great elder, so his position and influence was no less powerful than Yue Ya's.

"Yue Wezi, you're always like that, aren't you tired of looking for trouble with me" Yue Ya said to Yue Wezi.

This man's name is Yue Wezi, Yue Wezi smiled when he heard Yue Ya calling out to him.

"Why should I get tired of looking for trouble with you, I like looking for trouble with you" Yue Wezi replied.

Yue Wezi was happy to find trouble with Yue Ya, it was a very good thing to provoke Yue Ya.

Yue Wezi was trying to irritate Yue Ya, if he was able to provoke Yue Ya, then that would be a very good thing.

Luckily Yue Ya wasn't impulsive, he could still be calm in the face of Yue Wezi's provocation.

Even if his retainers were injured, Yue Ya was still unwilling to start a battle, if he were to start a battle, it would be something much bigger than just a small scale battle.

"Why doesn't she just fight it, isn't Yue Ya the first person in the Blue Moon God Star Realm?"

Ye Chen asked Vei who was beside him, Ye Chen saw and heard the conversation between the two clearly.

"He is Yue Wezi, the son of the great elder, his goal is to provoke the goddess" Vei said to Ye Chen.

"I saw it too, I asked why Yue Ya didn't fight back, she should have shown her strength to be recognized, that way they wouldn't dare to look for trouble again" Ye Chen said.

Ye Chen hoped that Yue Ya would expand her power, if she just kept quiet, then she would not be recognized by people with vested interests.

"The big elder's stronghold is very strong, if against them, the result will be worse" Vei said that Yue Wezi's father's stronghold was very big, if Yue Ya insisted, then it would be a defeat for Yue Ya.

Chapter 1919: Ye Chen made a split in Yue Wezi's camp

"If it continues like that, then he will be removed from his position" God Realm is a very tough place, if Yue Ya is not willing to fight, then his enemy will destroy Yue Ya little by little, if that happens, then Yue Ya has no chance to fight back. fight again.

"Goddess also knows about it" Vei said that Yue Ya also knew about this matter, but Yue Ya didn't want to fight them and increase the death toll.

"Looks like she's in big trouble, maybe I should help her solve this problem" Since Yue Ya was in trouble Ye Chen would help him by using the strength he had.

"Stop dreaming, you will only disturb her" said Vei to Ye Chen.

Vei didn't believe what Ye Chen said, Ye Chen's presence would only interfere and would not help in the battle.

"Who says I can't help, I can help her in solving the problem at hand" Ye Chen said to Vei.

"If you can do that, then I will do everything you say, even if you ask to serve on the bed" said Vei to Ye Chen.

Vei really couldn't believe what Ye Chen had just said, it wasn't strange that he dared to say something unreasonable to Ye Chen.

"Quite an interesting offer, are you sure you want to do that?" Ye Chen was quite interested in Vei's offer.

"I will never lie and go back to the words I have" Vei said that she would not lie and go back to the words he just said.

"Good, I like your words, just watch out if you dare to lie, you will get the consequences" Ye Chen said to Vei.

Ye Chen will hold on to Vei's words, if Vei lies, then he will suffer the consequences.

"I will help her" Ye Chen would help Yue Ya in solving the problem he was facing.

"Wait a minute, what are you trying to do, don't do anything unreasonable" Vei immediately stopped Ye Chen.

"You just shut up and see" Ye Chen said to Vei, Ye Chen will do everything neatly, he will make sure that he will not be found by others.

Ye Chen left, he came forward and directly helped Yue Ya who was being pressured by Yue Wezi.

"This person really can't be controlled" Vei was helpless, she met someone who couldn't be controlled.

"What will happen to that brat, he was just looking for trouble" Vei was helpless, Ye Chen just created an unnecessary trouble.

"Why should I worry about that brat, there's no point in worrying about such a brat" Vei felt strange, why would he even bother worrying about Ye Chen.

When Vei was unfocused, she saw that Ye Chen had disappeared.

"Where is he going?" Vei didn't know where Ye Chen had gone, to be honest she didn't know where Ye Chen had gone.

Ye Chen used the **Invisible Body Art**, he was currently invisible to ordinary people's eyes, even Yue Ya wouldn't be able to see Ye Chen's whereabouts.

Vei was confused about what was going on, where did Ye Chen go, this was very unreasonable.

Ye Chen appeared in front of Yue Wezi, Ye Chen hit Yue Wezi and made him kneel to the ground.

"Uhhhh. . ." Yue Wezi coughed, he coughed and felt excruciating pain, Yue Wezi felt that he had just been hit by someone very strongly.

"What happened to you?" Yue Wezi's close friends and people immediately approached Yue Wezi.

"I'm fine." Yue Wezi tried to get up, he trembled when he received Ye Chen's attack.

Just as Yue Wezi was about to get up, Ye Chen attacked Yue Wezi again, Yue Wezi fell and flipped over.

Yue Ya and the others were confused when they saw what happened, what happened made everyone in this place feel confused.

"What the hell ?" Vei from afar also felt that something was wrong, how could Yue Wezi flip over and receive an attack, Vei and Yue Ya didn't feel someone was attacking Yue Wezi.

"Yue Wezi what happened to you, is there something wrong with you?" people asked Yue Wezi, they wanted to know what happened to Yue Wezi.

"Damn it, who was that, who hit me?" Yue Wezi shouted, he looked at the people around him.

"What are you talking about?" People were of course confused by what happened, they were all confused by Yue Wezi's unreasonable behavior.

"So you don't want to admit it, then I'll make you admit it." Yue Wezi got up, displayed his strength and fought with the person who had previously helped him.

The people who helped Yue Wezi looked very confused, even though they didn't do anything, but why could Yue Wezi be angry.

Yue Wezi started to attack his own comrades, the battle was inevitable when Yue Wezi started to attack.

"Blam. . . ." Explosions and exchange of blows began to occur, fellow friends fought each other.

Yue Ya was taken aback by this, she didn't expect that Yue Wezi would attack someone of his own.

"Yue Wezi stop, don't do things like that" people started trying to calm Yue Wezi down, they all tried their best to calm Yue Wezi down.

"You all bastards" Yue Wezi continued to attack, before he returned the blow, Yue Wezi would not stop.

"You did such a ridiculous thing, then you have to stop you" Because Yue Wezi looked ridiculous and strange, all of his comrades agreed to arrest Yue Wezi.

Just as they were about to fight, Ye Chen entered the battle, he attacked and hit everyone with his full strength.

Ye Chen really made good use of the momentum, he made Yue Wezi and the people around him fight because of a misunderstanding.

Everyone was flying, they were all flying due to Ye Chen's attack.

"Bastard, you guys still dare to retaliate" Yue Wezi was annoyed, they still dared to counter his attacks.

"You are crazy, what are you doing, how dare you attack us so hard" the people in front of Yue Wezi complained, Yue Wezi's attack just now was very destructive and left them injured.

The strife between Yue Wezi's camps became more and more intense, they didn't trust each other and a split arose.

Yue Wezi was like this, he always felt triumphant on his own and didn't like anyone to fight, even if that person was on his side, he would fight back and win the battle.

After Ye Chen made a fuss and quarrel on Yue Wezi's side, Ye Chen returned to Vei's side.

"How, am I great?" Ye Chen said to Vei.

"ehhh!!!!" Vei looked surprised when she saw Ye Chen appear suddenly, where did Ye Chen come from, this was very mysterious to Yue Wezi.

"Was it your doing?" Vei didn't expect what happened to be Ye Chen's doing, honestly Vei didn't believe that Ye Chen could do such a thing, even Yue Ya and Yue Wezi didn't detect Ye Chen's presence.

Vei was quite curious about the technique used by Ye Chen, why did Ye Chen have such a powerful technique, Ye Chen was able to disappear and conceal himself very well, obviously this was a very powerful high level skill.

Chapter 1920: See the great elder coming

"Are you the one who did the thing just now?" Vei asked Ye Chen, Vei wanted to confirm whether Ye Chen was indeed the one who had done that.

"Who else could do something like that?" Ye Chen said to Vei.

In this world perhaps only Ye Chen could make something like this, he was the only person who could feel something like this.

"You're crazy" Vei said to Ye Chen, what Ye Chen did was really a very crazy thing, Vei herself wouldn't believe what Ye Chen had just done and what Ye Chen did was unthinkable, It made sense even to Vei who had seen all sorts of unreasonable things in the God Realm.

"Actually I can do more things, luckily I'm still holding back" Ye Chen said to Vei.

Ye Chen actually could still do even harder things, unfortunately he didn't do that, Ye Chen was more focused on breaking them apart.

"I wonder how strong you are" Ye Chen became a mystery to Vei, Vei wanted to know how strong Ye Chen was.

"Of course I'm strong, otherwise how could I possibly beat you?" Ye Chen was of course strong, if Ye Chen wasn't strong, then he wouldn't be able to beat Vei.

"Hmph. . ., too arrogant." Vei looked displeased, Vei felt that Ye Chen was too arrogant.

"Hehehehe" Ye Chen smiled, Ye Chen smiled when he saw Vei angry with him.

"Although you can make them like that, but in fact you are still not finished, see the great elder coming" Vei said to Ye Chen.

Vei told Ye Chen to immediately see what happened, the great elder came to this place after knowing there was a big commotion.

Yue Ya only saw the commotion that was going on, she didn't seem willing to interfere in the commotion made by Yue Wezi and his cohorts.

Yue Ya let them fight, it was useless for Yue Ya to separate them.

"Stop right there, what are you guys doing" the great elder came, he came and asked what the other elders and sons were doing.

"Father, great elder" Yue Wezi and the people stopped fighting, they immediately went and paid their respects to the great elder.

"What are you guys doing?, why are you all fighting and attacking each other?" the great elder asked Yue Wezi.

"Father, they attacked me" Yue Wezi reported what happened, he said that he was just attacked by these people.

"great elder, young elder Wezi is very strange, he suddenly attacked us for no reason" another elder said that Yue Wezi attacked them.

"You guys started it first" Yue Wezi said to the elder in front of him.

"We can't possibly do that, what's the point of us doing that" the elder said that there was no profit for them attacking Yue Wezi

"Shut up" the great elder was angry when he saw this, he couldn't tolerate the division in his stronghold.

"Tell me honestly, who started first" the big elder asked everyone, he wanted to know who started it.

The great elder seemed to believe in his own son, so he looked at the elder in front of him.

"great elder, we really don't know about that matter" All the elders shook their heads, none of them attacked Yue Wezi, they all even tried to help Yue Wezi.

The great elder started to get angry, what exactly is going on, how did all this happen.

He looked at the elder in front of him, from what he knew, they would not be able to attack Yue Wezi, there was no advantage for them to attack Yue Wezi.

The great elder looked at Yue Ya, he looked at Yue Ya who was looking at everything very calmly.

"Is this all your doing?" The great elder asked Yue Ya, the big elder asked if this was all Yue Ya's doing.

"I don't know about that matter" Yue Ya said that she didn't know about this matter, she was just a spectator and saw the stupidity that just happened.

"if not you then who else" the great elder said in quite a high tone, he snapped at Yue Ya quite harshly.

The great elder tried to take advantage of this opportunity to bully Yue Ya, that way he could start a war with Yue Ya.

"How do I know, I didn't do anything to your people" Yue Ya said that he didn't do anything, to be honest he didn't do anything bad to Yue Wezi.

Yue Ya didn't even know what had happened to Yue Wezi, Yue Ya didn't know if Yue Wezi was just acting so he could start a battle with Yue Ya's stronghold.

From afar Ye Chen was displeased when he saw Yue Ya being yelled at by the old man.

"Who is that old man, how dare he do such a thing?" Ye Chen asked Vei who was beside him.

"He is Yue Whang, a great elder and one of the strongest people in the Blue Moon God Star Realm, he is at the tenth level of the Divine Overlord Realm" Vei explained in great detail, she told Ye Chen about the figure of a great elder who snapped at Yue Ya quite loudly.

"Oh so he is a strong person, it's not strange that he dares to yell at Yue Ya" Ye Chen understood and understood who the man in front of him was, it turned out that this Yue Whang was one of the dominating people in the Blue Moon God Star Realm.

"Yue Wezi may not be too much of a hassle, but when it comes to this old man, then it will be a very troublesome thing." Vei said to Ye Chen.

Ye Chen nodded, he tried to find a way to deal with Yue Whang.

"I have a very good idea" Ye Chen said that he had a very good idea.

"What kind of idea do you have" Vei asked, she wanted to know what idea Ye Chen had.

Ye Chen whispered his idea to Vei, he told his idea very clearly.

"Huh?, that's really crazy, it won't work" Vei said to Ye Chen, Vei told Ye Chen that it wouldn't work.

"How do you know it won't work, we haven't tried it yet" Ye Chen said to Vei.

"But that's impossible, you won't be able to do that" Vei said to Ye Chen.

Ye Chen's plan was absolutely impossible, Vei felt that this was insane and would not work.

"Just do as I say" Ye Chen told Vei to listen to what he just said.

"Bad boy, just watch out if you trick me" Vei said to Ye Chen, if Ye Chen dared to deceive her, then Vei would make calculations with him.

Back to Yue Ya and Yue Whang.

Yue Whang started to use the power he had, he started to bring out the power of the tenth level of the Divine Overlord Realm.

Lightning started to rumble as Yue Whang used his power.

"Great elder, we shouldn't have to do this" Yue Ya said to Yue Whang.

Yue Ya was still unwilling to engage in a battle, she was still trying to restrain herself from engaging in unnecessary battles.

"If you don't want to fight, then I will attack you first" Since Yue Ya still refused to fight back, Yue Whang decided to attack Yue Ya immediately.

"stop there" Vei told the big elder to stop, she appeared and stood behind Yue Ya.

"What does a servant like you need, you have no right to speak and stop me" Yue Whang was very annoyed when he saw Vei coming and interrupting his business, plus this servant dared to stop him.
