

True God 1921

Chapter1921: Super strong figure appears

"Great elder, please don't do this, the goddess is welcoming a very important person, so I hope you don't make a mess." Vei told the reason why she stopped the battle.

"Important person, is this person so important that you dare to stop this old man" Yue Whang said to Vei, Yue Whang didn't want to care about what the servant in front of him said.

"Great elder, please don't do anything difficult, this person is really very strong, if it were to be offended, then it would be quite a problem" Vei said to Yue Whang.

Vei tried to convince Yue Whang that she would stop and no longer do anything reckless.

" Ha ha ha ha. . ." Yue Whang laughed when he heard this, the servant in front of him was making a joke of him.

"You are just a servant, you don't know that in the God Realm there are only a few important people in my eyes" Yue Whang said firmly.

"Great elder, don't regret what you said, this is really very dangerous" Vei said to Yue Whang

"You dare say that important people are much stronger than me, what a shame, your jokes are not funny" Yue Whang said to Vei.

Yue Whang was angry with Vei, he was very angry with what Vei, Yue Whang used terrible pressure on Vei, when Yue Whang used his enormous and powerful pressure, Vei immediately knelt to the ground, he seemed to have a hard time resisting this pressure. .

Not only was Vei having problems when faced with this strong pressure, even the people behind Yue Whang had problems when faced with the strong pressure emanating from Yue Whang's body.

Here only Yue Ya was able to stand up, even though she was able to stand, she still felt a very strong intimidation from Yue Whang.

"Yue Whang stop right now" Yue Ya said to Yue Whang, she told this old man to stop right now.

"Yue Ya, stay there, let me let this servant of yours know where it is" Yue Whang told Yue Ya to be quiet, he would teach Vei a lesson.

Yue Ya didn't know what Vei was trying to do, why would she do that to help herself.

"She is my servant, you have no right to punish her" Yue Ya said to Yue Whang.

Vei was Yue Ya's personal servant, so Yue Whang shouldn't have the right to attack Vei.

"I don't have the right to do that, but in reality I can do that" Yue Whang said to Yue Ya.

Yue Whang had a special position, so Yue Ya couldn't complain about what he was about to do to Vei.

"I won't let you do that" Yue Ya said to Yue Whang.

"Are you ready to fight with me?" Yue Whang said to Yue Ya, was Yue Ya ready to fight with him.

When Yue Whang said this, Yue Ya became hesitant, she seemed hesitant to start a battle.

"Goddess you don't need to intervene, it's the person you are going to invite who comes and solves this problem" Vei told Yue Ya not to intervene to face Yue Whang.

" what do you mean?" Yue Ya looked confused by what Vei said, she didn't know what Vei was talking about.

Vei did not answer what Yue Ya asked, at this time Vei could only hope that Ye Chen would not deceive him.

"If he deceives me, then it will be over." If Ye Chen deceived Vei, then it was certain that Vei's life would not be saved.

Yue Ya tried to save Vei, just as Yue Ya was about to move, a much stronger pressure enveloped Yue Ya again, this made it difficult for Yue Ya to help Vei.

"Since when did he have this kind of power" Yue Ya didn't expect that Yue Whang would have such strong power.

"Where is the person you said, quickly send him out, I want to see who it is" Yue Whang said to Vei.

Yue Whang wanted to see what kind of person Yue Whang had just spoken of, to be more precise, he wanted to see the important person that Yue Ya had just brought in.

"Just watch the important master will be out soon" Vei said to Yue Whang, Yue Whang told that the important person he was talking about would be out soon.

"Where, he must be afraid to fight me" Yue Whang said to Vei.

Yue Whang waited, he still didn't see any sign of the person Vei said.

Yue Ya still couldn't move, she couldn't move against Yue Whang.

"Enough with your storytelling, let's end this" Yue Whang felt that Vei's story was enough, time to give punishment and continue the dispute with Yue Ya.

Vei closed her eyes, she was stupid enough to believe what Ye Chen said.

Yue Whang stretched out his hand, he intended to punish Vei.

"Bam. . ." just as Yue Whang was about to inflict punishment on Vei, a shocking force flew Yue Whang away.

Yue Whang's figure flew and retreated several miles away, he rolled several times before being able to stand back up.

"What was that?" Yue Whang didn't see the attack just now, the attack just now was mysterious and Yue Whang didn't see it.

"Hahahaha" a hoarse laugh resounded, as this hoarse laugh appeared, a man in a robe appeared right in front of Yue Whang.

The moment this man appeared, the aura around him was slightly strange, everyone felt a chill that made their bodies tremble.

"Who is that person?" Yue Ya was curious about the person who had just appeared, this person had an extremely powerful and overly domineering aura.

From this aura alone it could be ascertained that this man was a master, Yue Ya was absolutely certain of what he was feeling.

"This old man didn't expect the world to change after hundreds of thousands of years of not coming out" the old man in the robe said to Yue Whang.

" who are you. . ." Yue Whang asked the person who had just appeared, himself asking about the identity of the man in front of him.

"Little boy, you don't need to know my name, you can call me senior" the man in the robe said to Yue Whang.

"Huh, little boy? ? ?" Yue Whang didn't expect that he would be called in this way, to be honest this was quite a ridiculous thing for Yue Whang.

"Yes, that's true." The man in the robe said that Yue Whang was a child.

"Damn it, are you making fun of me?" Yue Whang couldn't accept it when he listened to the ridicule that came out of the mysterious person in front of him.

"Do you not like it, if you don't like it, then just say it" said the man in the robe.

"I don't like what you're saying, I'll let you know that I'm not a kid" Yue Whang said to the person in front of him, he challenged the person in front of him and invited him to battle.

"Today's brats are not polite, it seems I have to show my strength" The man in the robe started to show his strength.

An extremely strong and terrifying pressure appeared, this pressure was so strong that it made Yue Whang fall.

"Impossible" Yue Whang trembled, he trembled greatly when he felt the pressure of the person in front of him, his body trembled and cold sweat started to flow from his body.

When Yue Whang faced trouble, Yue Wezi and the other elders fell, they were all unable to withstand this powerful aura of pressure.

Chapter 1922 Ye Chen bullied Yue Whang

"Who are you?" Yue Whang asked Ye Chen, he seemed to have a hard time talking to Ye Chen.

The pressure released by the man at the front was so disturbing that Yue Whang couldn't help it.

"I told you that you don't need to know who I am" the robed man refused to tell Yue Whang who he was.

Yue Whang gritted his teeth, this man in front of him was so annoying.

"Hahaha" the man in the robe was so excited, he managed to make the arrogant Yue Whang kneel down.

The person wearing the robe was Ye Chen, he used this to disguise himself and act as someone who had a very old age, by doing so, Ye Chen hoped to deceive Yue Whang.

What Ye Chen did seemed to work, Ye Chen had managed to trick Yue Whang by using this disguise.

Ye Chen's disguise was so good and so good, even Yue Ya didn't realize that the person in front of him was Ye Chen.

Ye Chen used God Domination Pressure to put pressure on Yue Whang, so Yue Whang would think of Ye Chen as a strong person.

Yue Whang was in quite a bit of trouble, he was unable to put up a fight against Ye Chen.

"Damn, this pressure makes my brain dizzy." Yue Whang couldn't think, his brain was suppressed and couldn't be used to its full potential.

Yue Whang used everything he had, he tried to use everything he had to resist the pressure that Ye Chen was giving off.

veins started to appear on Yue Whang's forehead, Yue Whang used his full strength.

Yue Whang wanted to try to break free from Ye Chen's evil grip.

"Little boy, just give up and admit your defeat" Ye Chen said to Yue Whang, Ye Chen told Yue Whang to give up right now.

"I won't give up" Yue Whang was against giving up, there was no surrender in his dictionary.

Yue Whang was a strong man who had experienced countless battles, nothing like this would stop him.

Yue Whang tried to get up and fight, he could definitely put up a fight.

With a very strong and persistent effort, Yue Whang was finally able to put up a fight, Yue Whang was able to get back up and try to fight Ye Chen.

"Not bad" Ye Chen said to Yue Whang, he was like an old man speaking to a little boy.

"I don't know what kind of tricks you use, but now it won't work for me." Yue Whang said that Ye Chen's tricks would no longer work.

"What kind of trick are you saying, do you think I'm using a trick, it's so funny" Ye Chen said to Yue Whang.

"I don't believe in your strength, Yue Whang refuses to believe in Ye Chen's strength, he really doesn't believe in Ye Chen's strength.

Yue Whang still refused to believe in the strength of the man in front of him, this fellow could use a technique to bully him.

"He's much smarter than I thought." Ye Chen admitted that Yue Whang was smart, he didn't believe it and was afraid after Ye Chen used God Domination Pressure.

If this was a normal person, they would have given up and apologized to Ye Chen, but since this was Yue Whang who had rich experience and had experienced life and death, he naturally did not easily believe in Ye Chen's strength.

"If you still don't believe it, let this old man show you his strength." Ye Chen would show his strength, he would show his strength to Yue Whang.

"I won't bother looking at you, just go straight to the battle." Yue Whang Not bothering to bother, he started a battle and attacked Ye Chen.

"Impatient little boy" Ye Chen said to Yue Whang.

Yue Whang didn't care what Ye Chen said, his main focus now was to win the battle with Ye Chen.

With his experience of hundreds of thousands of years, Yue Whang was certain that the man in front of him was only a liar and did not possess this kind of power.

Yue Whang attacked Ye Chen, he made a powerful attack towards Ye Chen.

Ye Chen just kept quiet, he let Yue Whang attack him.

Yue Whang's attacks were unable to injure Ye Chen, none of the attacks he made hit Ye Chen's body.

"What happened, why didn't my attack hit?" Yue Whang was confused, his blue flame attack was unable to injure Ye Chen.

"Brat, is this all you can do?" Ye Chen said in a disdainful tone.

Yue Whang was naturally annoyed when he heard this, Yue Whang decided to use an extremely powerful move to crush Ye Chen.

"You forced me to use this, I will ensure that your body will be destroyed" Yue Whang said in an enormous voice, he would destroy Ye Chen with this attack.

Yue Whang gathered his own strength, Yue Whang used up the vast amount of profound energy he had.

It seemed Yue Whang intended to use an extremely powerful technique against Ye Chen.

"He actually used that" Yue Ya was worried about the old man in front of him, Yue Whang would use such a powerful technique, it would be very difficult to resist Yue Whang's attack.

"Goddess, will that person be able to withstand it?" Vei asked Yue Ya.

"I don't know, I don't know about that matter, by the way where did you find this person?" Yue Ya asked Vei, she wanted to know where Vei found such a strong person.

"that. . ." Vei looked confused in answering Yue Ya's question, she couldn't answer Yue Ya's question.

"I met her by accident, she said she wanted to help the goddess solve the problem" Vei said to Yue Ya.

"ohhhh" Yue Ya turned her gaze towards the man who was fighting Yue Whang, when Yue Ya looked at Ye Chen, Yue Ya more curious.

"**Blue Flame Great Ball**" Yue Whang's attacked Ye Chen, he used an extremely powerful attack to attack Ye Chen.

Yue Whang didn't dare to underestimate Ye Chen, that's why he used his full strength to attack and fight Ye Chen.

An azure ball of fire that was tens of thousands of miles in size formed above Yue Whang's palm.

"Go to hell" Yue Whang threw a huge Blue Flame Great Ball at Ye Chen.

Ye Chen stretched his hand forward, he intended to block the attack Yue Whang was trying to launch.

Ye Chen took Yue Whang's attack, when throwing the **Blue Flame Great Ball** touched Ye Chen, it was immediately tame and obeyed Ye Chen.

The Blue Flame Great Ball did not explode and was instead now under Ye Chen's complete control.

The battle that was going on was enough to attract the attention of the other elders in the Blue Moon God Star Realm, they all came and saw what happened.

Yue Whang had just used enormous strength against Ye Chen, this naturally attracted the attention of the elders present. in the Blue Moon God Star Realm.

"what happened in this place" all the elders saw what happened, when they arrived, they saw the battle fought by Ye Chen and Yue Whang.

Ye Chen was currently holding the **Blue Flame Great Ball** attack with one finger.

"Your attack isn't bad, but an attack like this is still not enough against me" Ye Chen said to Yue Whang.

Ye Chen Raised his finger, with just one finger lift, the **Blue Flame Great Ball** in his hand disappeared.

"Huh? ? ?" Yue Whang couldn't believe what he had just seen, the scene that had just happened was impossible.

Chapter 1923 forcing Yue Whang to kowtow

"Wasn't that the Blue Flame Great Ball earlier, how could it be lost so easily" the elders around wondered, they all wanted to know what happened, how could Yue Whang's attack dissipate so easily.

"No way, how do you do something like that?" Yue Wang couldn't believe what he saw, how could Ye Chen do such a thing, it was completely unreasonable to him.

"Obviously, you are too weak" Ye Chen said to Yue Whang, Ye Chen again mentioned that Yue Whang was very weak.

"I am Yue Whang, a great elder of the Blue Moon God Star Realm, I am not a weakling." Yue Whang said to Ye Chen.

"It doesn't change reality" Ye Chen said to Yue Whang, Ye Chen told that the reality was different from what Yue Whang wanted.

"Dammit" Yue Whang felt that his pride as a great elder of the Blue Moon God Star Realm was threatened, he was being threatened by someone he didn't know.

Plus another elder came, if Yue Whang couldn't beat Ye Chen in this place, then it was certain that he would lose face.

"No matter what happens, I must win this battle." Yue Whang had to win the battle, he had to win the battle against Ye Chen.

Yue Whang again tried to organize his thoughts, he couldn't lose to the mysterious old man in front of him.

"Hehehehe, so you still haven't given up, looks like I have to show a bit of my strength" Ye Chen was going to use a super powerful technique to fight Yue Whang.

"You haven't shown your ability yet, just show it, you definitely don't have that kind of power" Yue Whang tried to get Ye Chen to show his abilities.

Ye Chen showed his abilities, he started to show his abilities which were extremely strong and unreasonable.

Just as Yue Whang was about to strike at Ye Chen, Ye Chen used his finger, he used his dimensional power and flew Yue Whang away.

If outsiders saw what Ye Chen did, they would all think that Ye Chen only used one finger to suppress Yue Whang, in fact Ye Chen used dimensional power and manipulated the dimensions around Yue Whang.

" Cough . . ." Yue Whang vomited blood, he had a fairly serious wound from just one finger of this man in front of him.

Yue Ya and Vei both gaped when they saw what was happening, both of them felt shocked when they saw what happened to Yue Whang.

Yue Whang who was a great elder was directly injured with just one finger, this was very unreasonable to the two of them.

Even Vei who was doing a skit with Ye Chen still couldn't believe what he saw.

"This can't be happening" Yue Whang still couldn't believe what had just happened, this man in front of him only needed to use one finger to injure himself.

" what ! ! !" Everyone who saw was shocked, Ye Chen made Yue Whang fall and hurt him with just one finger.

"Very strong" Yue Ya admitted that the person in front of him was very strong, Yue Ya was curious where Vei found this person, this person must be very strong and not a random person.

"Do you want to try again?" Ye Chen asked Yue Whang who was currently kneeling on the ground.

Yue Whang got up, he still didn't want to admit his defeat in front of Ye Chen, he still had some pride to protect.

"This old man seems stubborn" Ye Chen saw that this old man was very stubborn, Ye Chen couldn't let Yue Whang continue to be arrogant in front of him.

Ye Chen took out God Domination Pressure, he intimidated everyone in this place.

"horrible, how does he have such a terrifying aura" all the elders found it difficult to breathe, they were all unable to resist Ye Chen's pressure.

"Dimension Shaker" Ye Chen used a **Dimension Shaker** and started shaking the Blue Moon God Star Realm.

The Blue Moon God Star Realm began to shake irregularly.

"This is crazy, he shook the Blue Moon God Star Realm?" Yue Ya, Yue Whang and everyone else in this place were shocked when they saw Ye Chen being able to shake the Blue Moon God Star Realm.

The Blue Moon God Star Realm was a super powerful high tier star, destroying this star would be extremely difficult even if Yue Whang was at the highest level in terms of cultivation.

"Great elder, quickly apologize right now" seeing the Senior in front of her use a power capable of making the Blue Moon God Star Realm shake with this force, Yue Ya told Yue Whang to apologize immediately.

Yue Ya was afraid that Ye Chen would destroy the Blue Moon God Star Realm.

"Quickly apologize to senior" All the elders helped and agreed with what Yue Ya said, they all told Yue Whang to immediately apologize to Ye Chen.

Yue Whang was afraid, the strength of the person in front of him was so strong that it made all of Yue Whang's courage disappear in an instant.

After Yue Whang saw Ye Chen's extremely strong ability, he finally believed that the man in front of him was a very strong senior.

"Senior, I was wrong, so please forgive me" Yue Whang apologized to Ye Chen, he apologized for all the stupid things he did.

"Hahahaha" Ye Chen laughed as he listened to Yue Whang's apology.

"I thought you still dared to fight, even though I intended to bury you" Ye Chen said to Yue Whang.

"Glup. . "Yue Whang broke out in cold sweat, if what the old man in front of him said was true, then this person should be able to do it.

"Now kneel down and apologize to me, I won't let you go." Before releasing Yue Whang, Ye Chen would give punishment.

"Senior, I already apologized, so please let me go." Yue Whang asked Ye Chen to let go of himself.

"After you dared to belittle and disrespect me, I wasn't that stupid" Ye Chen said to Yue Whang.

Ye Chen snapped at Yue Whang, he snapped at Yue Whang like he did before at Yue Ya.

Yue Whang's guts immediately kissed, Ye Chen's tone was so strong that it made his body tremble.

"Great elder just do what this guy says, he seems like a troublesome old monster" Another elder said to Yue Whang.

Yue Whang had already offended the troublesome old monster, so he had to quickly settle this matter.

Yue Whang looked at the elders behind him, he bullied himself because they refused to help him who was stuck in trouble.

Everyone was unwilling to help Yue Whang, they refused to help because the enemy was too strong.

Due to strong pressure, Yue Whang knelt down and prostrated to apologize to Ye Chen.

"Very good" Ye Chen was satisfied, he managed to make Yue Whang lower his head and prostrate himself apologetically.

"Now do this for 3 days, if you dare to disobey then I will not let you go" Ye Chen said to Yue Whang.

Ye Chen told Yue Whang to stay in this position for approximately 3 days, let Yue Whang continue to prostrate in this place for 3 days and 3 nights.

Yue Whang couldn't resist, Ye Chen pressed him to the ground with great force, so Yue Whang could only kneel and endure this humiliation.

"Very good, next time you should be more polite to others" Ye Chen said to Yue Whang, he gave Yue Whang proper punishment.

"senior" Yue Ya approached Ye Chen, Yue Ya paid her respects to Ye Chen.

Chapter 1924 Bad brat, so you made a fool of me

Ye Chen nodded, he accepted Yue Ya's formal greeting.

"I'm sorry for what happened, I really regret what happened" Yue Ya apologized, she apologized for what happened to Ye Chen.

"No need to apologize, it's not your fault, it's that person's fault." Ye Chen told Yue Ya not to apologize.

"Thank you very much" Yue Ya again thanked Ye Chen, she again thanked Ye Chen for forgiving Yue Whang's mistakes.

"Hahahaha, you are indeed worthy of being the leader of the Blue Moon God Star Realm." Ye Chen acknowledged Yue Ya's ability, he told everyone in this place that Yue Ya was worthy of being the leader of the Blue Moon God Star Realm.

Yue Ya's elders and enemies were displeased with this, this old man turned out to be on Yue Ya's side, this would be quite a complicated matter for them to resolve.

"Vei, prepare a room for seniors" Yue Ya told Vei to prepare a room for Ye Chen.

"Alright" Vei nodded, she immediately went to prepare a room for Ye Chen.

"Senior, please come with me" Yue Ya invited Ye Chen to come along with her.

Ye Chen followed Yue Ya, the two left and left another elder and Yue Whang who were still kneeling on the spot.

Yue Ya took Ye Chen to a special courtyard that could be used to welcome important guests in the God Realm.

On the way, Ye Chen just kept quiet, he didn't start a conversation with Ye Chen, on the other hand Yue Ya was feeling depressed, she was a little confused on how to start a conversation with a senior who was behind her.

Unbeknownst to Yue Ya, the two of them had arrived at a guest courtyard, Yue Ya invited Ye Chen to enter.

Ye Chen entered, he invited Yue Ya to enter the building in the middle of the courtyard.

Yue Ya came along, she accepted the invitation that Ye Chen had given her.

The two of them entered the building in which there was Vei who was tidying the place on orders from Yue Ya.

Yue Ya was confused, what did the senior in front of her want, honestly said Yue Ya was confused about what to do in the current situation.

Seeing the flustered Yue Ya, Ye Chen decided to directly hug her from the back.

"Ah. . . "Yue Ya looked surprised by what Ye Chen had just done what Ye Chen did made Yue Ya feel shocked.

"Senior what are you doing please let go of me" Yue Ya asked Ye Chen to let go of herself.

"You are a very beautiful woman" Ye Chen said to Yue Ya, he said to Yue Ya who currently looks very beautiful.

"Thanks for the compliment, but can you let me go?" Yue Ya asked Ye Chen to let go of herself.

Yue Ya didn't like what Ye Chen was doing, she wanted to try to push Ye Chen away.

It was a pity that Ye Chen was being held back so strongly by Ye Chen, this made Yue Ya unable to fight Ye Chen.

Yue Ya didn't expect that the senior in front of her would be such a lewd man, her initial assessment immediately dropped drastically.

"Why should I let you go, you are a beautiful woman who needs to be respected" Ye Chen said to Yue Ya,

Ye Chen said that Yue Ya should be respected as a woman, and the person who can respect Yue Ya is Ye Chen.

Yue Ya felt more and more uncomfortable, she wanted to get rid of this man in front of her immediately, but maybe Yue Ya wouldn't be able to do that because the person in front of her was very strong.

This became a problem for Yue Ya, Yue Ya might find it very difficult to fight Ye Chen.

"Please stop teasing the goddess" when Ye Chen continued to tease Yue Ya, Vei came and told Ye Chen to stop right now.

"Don't you like it?" Ye Chen asked Vei, Ye Chen was just having fun, but now Vei stopped Ye Chen.

"Of course" Vei said to Ye Chen, she said that she didn't like what Ye Chen was doing.

"If you don't like it, then you can leave, there's nothing you can do about it" Ye Chen said to Vei.

Vei gritted her teeth, she looked very annoyed by Ye Chen's answer.

Yue Ya looked at Ye Chen and Vei, she could see that the two were very close.

"Vei, you look very familiar with seniors" Yue Ya asked Vei, she saw that the two of them were very close.

"Of course, we are very close" Vei said as she looked at Ye Chen with a dissatisfied look.

"hehehe" Ye Chen chuckled, he was very happy when he saw Vei like that.

"Can you leave us, I want to have a private talk with her" Ye Chen told Vei to leave them.

"Of course, Hempp" Vei sniffed coldly at Ye Chen, she left Ye Chen and Yue Ya alone.

"Senior please stop now" After Vei left, Yue Ya told Ye Chen to let go of her.

"I don't want to, I want to hug my goddess a little longer, you smell so good" Ye Chen said to Yue Ya.

Yue Ya started to lose her temper, she hit Ye Chen on the head.

"Pah. . . ." Yue Ya hit Ye Chen, she gave Ye Chen a punch.

" ouch . . ." Ye Chen let go of Yue Ya, he held his aching head after receiving a punch from Ye Chen.

"Baby, what you did hurt me" Ye Chen said to Yue Ya.

"Eh. . ?" Yue Ya was shocked when she heard the voice that just came out from the senior in front of her, this person's voice was very similar to Ye Chen's.

"You Ye Chen?" Yue Ya asked Ye Chen, Yue Ya finally realized that this person in front of her was Ye Chen.

"I missed it" Ye Chen let out a slip, he had just exposed his identity in front of Yue Ya.

"Who is Ye Chen, I don't know" Ye Chen said to Yue Ya, Ye Chen tried to convince Yue Ya that he wasn't Ye Chen.

"You won't be able to lie to me, quickly take off your cloak" Yue Ya went and started pulling Ye Chen's robe, she took off the robe that Ye Chen was wearing.

"junior, don't be rude" Ye Chen still acted as a senior, that way he could be respected by Yue Ya.

Yue Ya didn't care, he took off the robe that Ye Chen was wearing.

"Rekkkk. . ." Ye Chen's robe was torn, now Ye Chen's appearance was exposed in front of Yue Ya.

Yue Ya looked at Ye Chen, it turned out that this man in front of her was Ye Chen, Ye Chen had just disguised himself and made Yue Ya believe that he was a strong and great Senior.

"Moon goddess, you are so pervert, how can you take off someone's clothes" Ye Chen said to Yue Ya.

"Bad brat, so you made a fool of me" Yue Ya put on an angry pose at Ye Chen, she put both her arms under the double peaks and looked at Ye Chen with a very sharp gaze.

Ye Chen looked at the angry Yue Ya, she looked very beautiful when she put on an angry pose.

"She's beautiful, I think I should anger her more often" Ye Chen said in his heart.

Chapter 1925 I will help get the first position in Blue Moon God Star Realm

if Yue Ya knew what Ye Chen was thinking, he would definitely attack Ye Chen straight away.

Ye Chen was really very naughty and unruly, this was what made it difficult for Yue Ya to fight her.

"How, are you surprised by this?" Ye Chen asked Yue Ya, Ye Chen was very sure that Yue Ya didn't expect that Senior just now was him.

"Honestly I was quite surprised when I found out it was you, you did such an unreasonable thing" Yue Ya said to Ye Chen.

Yue Ya had to admit that he was surprised when he saw Ye Chen who could make Yue Whang want to kneel on the floor, even though Yue Ya himself couldn't do what Ye Chen did.

"Of course, I am a great man, not many people can beat me" Ye Chen said to Yue Ya.

Ye Chen was so arrogant, he rubbed his life while grinning in front of Yue Ya.

"What kind of tricks did you use?" Yue Ya asked what kind of trick was used by Ye Chen, the trick used by Ye Chen was very unreasonable.

"Hehehehe, it's a secret" Ye Chen didn't want to tell what kind of trick he used, he wouldn't reveal his trick in front of Yue Ya.

Otherwise it was impossible in the future Yue Ya could use this trick to beat Ye Chen.

Just in case Ye Chen didn't want to say what he just did.

Yue Ya looked very sullen when he saw Ye Chen who kept what happened a secret.

more Ye Chen kept what happened a secret, this made Yue Ya even more curious.

Women are very strange creatures, they prefer to use their feelings in doing things.

For example now, Yue Ya is interested in what Ye Chen is trying to keep a secret, she understands her feelings and wants to dig into Ye Chen's secret.

"You are so disobedient. . ." not getting a good answer from Ye Chen, Yue Ya reached his hand towards Ye Chen's ear.

Yue Ya immediately pulled Ye Chen's ear and slightly twisted his hand.

"Wife, what are you doing, it hurts. . ." Ye Chen complained to Yue Ya.

"You still refuse to speak?" Yue Ya said to Ye Chen.

"Of course, I won't tell you" Ye Chen still refused, he wouldn't tell Yue Ya about this matter.

"So stubborn" Yue Ya saw that Ye Chen was so stubborn, how could he make Ye Chen speak.

Yue Ya thought for a moment, looking for a way to deal with Ye Chen.

"I think I should use a gentle approach" Since a harsh approach couldn't get Ye Chen to speak, Yue Ya chose to use a gentle approach.

Learning from before, Yue Ya saw that Ye Chen would be obedient when Yue Ya was more gentle.

"Okay, I'll give it a try" After knowing Ye Chen's weakness, Yue Ya intended to give it a try.

"Ye Chen, tell me what you did before" Yue Ya asked in a very soft tone of voice, Yue Ya's voice was so beautiful that it made Ye Chen's bones tremble.

"Her voice is so beautiful" Ye Chen said that Yue Ya's voice was so beautiful, with a voice like this, Yue Ya should be enough to make one feel like dying.

"She is indeed a goddess, her voice is very beautiful." Yue Ya is indeed a goddess, her voice is very beautiful.

Ye Chen remembered that with Dongfang Xiu and Nangong Xiang, both of them also had very good voices, they could make Ye Chen feel excited with their voices.

Sun Xuanyin might be even more powerful, that woman was a natural seducer who could make one feel hot just by looking at her.

"What's wrong, why did you change your attitude?" Ye Chen asked Yue Ya, Ye Chen knew that Yue Ya had other intentions.

"Nothing, I just want to know what you did to Yue Whang, how did you do that?" Yue Ya asked Ye Chen.

"I used a few tricks, and this trick can't be used carelessly, it's quite draining my mental mind" Ye Chen said to Yue Ya.

"So it's all just a trick" After hearing Ye Chen's words straight from the mouth, Yue Ya finally believed what had happened.

"I'm very tired, why don't you accompany me here" Ye Chen hugged Yue Ya, he hoped that Yue Ya would give a gift.

"I still have business" Yue Ya refused to do that, she still had other business.

"Didn't I already make the person looking for trouble with you kneel, he will no longer be looking for trouble for three days" Ye Chen said to Yue Ya.

"Yue Whang is just some people who don't like me, there are still many people who don't like me" Yue Ya said to Ye Chen, Yue Ya told that Yue Whang was only some people who didn't support her.

"You don't have to worry, I am here, as long as I am here, you will definitely be fine, if necessary I will help my beautiful goddess to get a full position in Blue Moon God Star Realm" Ye Chen will definitely help Yue Ya, he would make Yue Ya gain first place in the Blue Moon God Star Realm.

Yue Ya was quite touched when she listened to what Ye Chen said.

"Bad brat, it's only been 1 year since then, why did you become like this, I wonder what you've been through in this 1 year" Yue Ya said to Ye Chen, Ye Chen's development for 1 year r beyond Yue Ya's expectation

"I experienced many things in this 1 year, it made me stronger and stronger" Ye Chen said to Yue Ya.

Yue Ya smiled, she was happy when she heard this..

"So what are we going to do, do we directly use power to dominate Blue Moon God Star Realm?" Ye Chen said to Yue Ya, he wanted to know if Yue Ya wanted to use a quick way to dominate Blue Moon God Star Realm, if so, then they have to get rid of annoying people from the street.

"No, don't use such methods." Yue Ya forbade Ye Chen to use such methods, it would bring down the Blue Moon God Star Realm and perhaps other major powers would interfere in it.

"Too bad" Ye Chen was disappointed, even though he wanted to destroy those who were impudent to Yue Ya.

"I will prove to everyone that I am worthy of leading the Blue Moon God Star Realm." Yue Ya would prove that she was worthy of leading the Blue Moon God Star Realm.

"ummm" Ye Chen nodded, Ye Chen appreciated what Yue Ya wanted.

Ye Chen would help Yue Ya get what she wanted.

"Why don't you tell the people who are your enemies, I will find out what they will do" Ye Chen said to Yue Ya, he needed information from Yue Ya.

"I will believe in you" Yue Ya would believe in Ye Chen, so she told Ye Chen about anyone who didn't support her.

Ye Chen listened to everything Yue Ya said, he would help Yue Ya resolve this matter.

One just came out from inside the training ground, a beautiful career woman emerged from within and was filled with a bright aura.

Chapter 1926 Yue Ya and Xiao Lulu came out

This woman had trained very hard, she had undergone rigorous training to be able to reach a level high enough to be comparable to Zhao Yanyan.

"Sister Yue, you have succeeded." Zhao Yanyan came over, she brought Liu Yue a beautiful ancient dress.

"Yanyan, is it you, you're just getting more and more beautiful" Liu Yue said to Zhao Yanyan.

"Fufufufu, Sister doesn't need to say it, Sister also looks prettier" Zhao Yanyan said to Liu Yue.

Liu Yue and Zhao Yanyan were very close, both complimenting each other and making them look even more like real sisters.

Liu Yue was wearing the ancient dress given by Zhao Yanyan, now her appearance resembled that of a beautiful ancient noble lady.

"How are the others?" Liu Yue asked Zhao Yanyan, she wanted to know the news from the others.

"Right now the ones that have come out are Rouxi, Lanyin, Mengxin, Cheng and you," said Zhao Yanyan.

Zhao Yanyan told the women who had come out.

"So it's still late." Liu Yue nodded, herself nodding when she heard this.

"How is Ling Yin?" Liu Yue wanted to know if Ye Chen had managed to save Ling Yin.

"He has succeeded" Liu Yue said that Ye Chen had succeeded in saving Ling Yin.

"As expected of husband" Liu Yue was very proud when she heard this, she was happy that Ye Chen had managed to save Ling Yin.

"It's just that he's still unconscious, maybe he'll wake up soon enough" Zhao Yanyan said to Liu Yue.

"Um " Liu Yue nodded, he understood what Zhao Yanyan meant.

"Clanks. . . ." suddenly there was a sound of a door opening, it seemed that another woman had just come out.

Liu Yue and Zhao Yanyan immediately looked at the door that had just opened, who was going to come out.

A beautiful woman like doll came out from the inside, this woman was still wearing the full Maid uniform which was quite a fetish-stimulating.

This woman was Xiao Lulu, the shyest woman Ye Chen had.

"Sister Yan Yan, Sister Yue" Xiao Lulu immediately went and approached Zhao Yanyan and Liu Yue.

"You're done too, what a coincidence" Liu Yue said to Xiao Luu.

"I didn't expect that either." Xiao Lulu didn't expect that she would go out with Liu Yue.

"You seem to have gained a lot of power and trust" Zhao Yanyan said to Xiao Lulu.

"I still can't completely get rid of it" Xiao Lulu said shyly, she said that she hadn't completely rid herself of her fear.

"Puchi. . ." Liu Yue and Zhao Yanyan were giggling, they were giggling when they heard this.

"Sister, may I meet big brother Chen?" Xiao Lulu asked Ye Chen.

Xiao Lulu asks Zhao Yanyan, she wants to meet Zhao Yanyan.

"Of course you can, but he's far away now," Zhao Yanyan replied.

"Where is he now?" Liu Yue asked Zhao Yanyan, she wanted to know where Ye Chen was.

"He is in Blue Moon God Star Realm." Zhao Yanyan told Liu Yue and Xiao Lulu where Ye Chen was.

Zhao Yanyan has always been monitoring Ye Chen with help from Chu Yuechan, that's why she can tell where Ye Chen is right now.

Zhao Yanyan didn't do this without a reason, she did all this because she was quite worried about Ye Chen.

The Blue Moon God Star Realm was a fairly dangerous great power, so Zhao Yanyan kept an eye on Ye Chen and made sure that Ye Chen was okay.

The Blue Moon God Star Realm was a powerful place, so Zhao Yanyan would help out if Ye Chen got into trouble.

"Okay. . . , want to go there" Liu Yue asked Xiao Lulu if Xiao Lulu would like to go and meet Ye Chen.

"Is that okay?" Xiao Lulu asked Liu Yue.

"Of course, we can go there, we might be able to give a little surprise" Liu Yue said to Xiao Lulu.

"Sister Yue, Blue Moon God Star Realm is a powerful place, so I hope you are careful" Zhao Yanyan said to Liu Yue.

"I see, I just want to meet Ye Chen, so you can talk about it" Liu Yue said to Zhao Yanyan.

Liu Yue wouldn't do anything stupid, her only goal was to meet Ye Chen. NEW NOVEL CHAPTERS ARE PUBLISHED ON FREEWEBNOVEL.COM

Liu Yue now felt worthy, she could now stand beside Ye Chen and help Ye Chen.

Even though he couldn't help much, Liu Yue was very sure that he could definitely help Ye Chen.

"Let's go" Liu Yue invited Xiao Lulu to go with her.

"Okay" Xiao Lulu nodded, she followed Liu Yue to the Blue Moon God Star Realm.

"Before leaving, I'll give this to you." Before Yue Ya left, Zhao Yanyan gave something to Liu Yue.

"What's that?" Liu Yue asked Zhao Yanyan, she wanted to know what gifts Zhao Yanyan had prepared.

Zhao Yanyan gave Liu Yue a moon mirror necklace, this would increase her strength.

"Can you explain what this is?" Liu Yue didn't know what Zhao Yanyan was giving her, so she asked what was in her hand.

"It's a moon mirror necklace, I got it from moon goddess, you can use it to increase your strength, it's a gift from sister Yixian to you" Zhao Yanyan said to Liu Yue.

"Thank you very much, Yanyan, please express my gratitude to her, I'm sorry for not being able to meet her" Liu Yue thanked Shui Yixian, she wanted Zhao Yanyan to convey this gratitude to Shui Yixian.

"I will." Zhao Yanyan would pass this message on to Shui Yixian.

"Sister Yanyan, don't you want to come?" Xiao Lulu asked Zhao Yanyan.

"No, I can't go for the time being." Zhao Yanyan said that if he couldn't go, Zhao Yanyan still had a lot of business to do.

"Too bad" Qiao Lulu felt disappointed, she felt disappointed when she heard this.

"Lulu, she is a little busy, you have to understand" Liu Yue said to Xiao Lulu.

"Um. . ." Xiao Lulu nodded, it seemed she could understand the business that Zhao Yanyan had.

"Let's go" Liu Yue took Xiao Lulu away, the two rushed towards the Blue Moon God Star Realm.

"I hope you have a good trip." Zhao Yanyan waved at Liu Yue and Xiao Lulu.

Return to the Blue Moon God Star Realm.

Yue Ya currently explained all the people who rejected him, she explained everything very completely.

"Do you remember and have a question for me?" Yue Ya asked Ye Chen.

"No, I already remember" Ye Chen said that he already remembered everything Yue Ya said.

"Now that I've got what I want, it's time to find out what they're up to." Ye Chen had obtained a very good piece of information, now was the time for Ye Chen to find out information about the enemy.

"I'll go first, there are some things that I need to finish" Yue Ya still had some things that he needed to finish.

"Okay." Ye Chen nodded.

After Yue Ya left, right now Ye Chen was alone.

"Time to look for information" Ye Chen went to find information, he was going around the Blue Moon God Star Realm.

Using Ye Chen's abilities, he could go wherever he wanted without being afraid of being discovered by others.

Ye Chen went and looked for the people that Yue Ya mentioned, using God Eyes, Ye Chen found them very easily.

Chapter 1927 The plan to get rid Yue Ya

"Very good, they are all gathered together" Ye Chen saw that people who disliked Yue Ya were gathering together, this was a very good thing.

"They must be devising a devious plan, I'll see what they plan to do" Ye Chen was very sure that they were devising a plan, Ye Chen was very sure about this matter.

Ye Chen approached, Ye Chen used **Invisible Body Art** to disguise himself so as not to be caught.

With the help of the **Invisible Body Art**, Ye Chen which was nowhere to be found, Ye Chen was able to easily enter the meeting.

Ye Chen stood up and listened to what these people wanted.

"Looks like the situation is a bit bad, I heard that Yue Whang just offended someone with very strong strength" said an elder, this man was the first elder in position slightly below Yue Whang and he was the second strongest person in Yue Whang's stronghold.

"I didn't expect that woman to bring such a strong person, it seems that she wants to fight us." The third elder said to the first elder.

"That's too soon, I'm pretty sure he won't do that" The first elder said that Yue Ya wouldn't do that.

"That woman is getting stronger, if we let her, then she will have full strength, when that happens, then we will find it difficult to fight against her" the third elder said again to the first elder.

"Then what do you want to do?" the first elder asked the third elder.

"It's very simple, let's speed up the plan to get rid of that woman," said the third elder to the first elder.

"Are you sure, it will be a troublesome thing if it gets discovered" said the first elder.

"That's true, but we can't let him continue to lead, we must get the power we've always wanted, this is all for the future of the Blue Moon God Star Realm," said the third elder.

". . . ." The first elder thought for a moment as to whether they should do that quickly, but it was too risky.

"Instead of thinking a lot, let's use Vote" the third elder suggested to take a vote, that way they wouldn't have to hesitate anymore.

"I totally agree with it, let's vote" the other elders present agreed, they all agreed with what the third elder said.

"Alright, since you guys want that, then let's get started" the first elder agreed, he agreed to take the majority vote.

"Let's vote to speed up our plan, those who agree please raise your hands" said the first elder to everyone.

In this place there were about 25 people, among these 25, almost 24 people raised their hands.

"Seventh elder, why don't you raise your hand?" the first elder asked the seventh elder.

"Isn't this a little too fast, are you sure you can get a victory" the seventh elder said to everyone present.

"Yue Ya despite having enough influence, it is still not comparable to us, so the probability of us getting rid of him is around 80%, that is an extremely high chance" said the third elder confidently.

"Plus we'll get help from strong people too, so there's no need to worry about winning matters." The third elder said that they would get help from the God Realm Illumination.

The seventh elder was silent, he no longer had a problem with this.

"Okay, since all of you have agreed, then we will start immediately, prepare yourselves" said the first elder to everyone in this place.

"good . . ." everyone left immediately, they all immediately left and returned to their posts.

Only the first, third, and seventh elders remained.

"I will immediately inform the great elder about this plan" the third elder would tell Yue Whang about this matter.

The third elder left, he left the first and seventh elder.

"What about the fifth and sixth elders, have they agreed?" asked the first elder.

"they haven't given an answer yet, they are still neutral and don't want to join this fight" the seventh elder said that they still don't want to participate in the power struggle.

looks like they're trying to be safe and don't want to take part in this battle, but it doesn't matter, as long as they don't become opponents, then it's fine.

"Why is the third elder so ambitious against Yue Ya?" the seventh elder asked the first elder.

"That's because he wants to get away from that woman immediately, you know that under the leadership of the Blue Moon God Star Realm, we often miss out on golden opportunities" said the first elder.

The reason why the first and third elders didn't like Yue Ya was because Yue Ya couldn't cooperate.

Yue Ya often missed the golden opportunity that lay before her eyes, it made some elders dissatisfied.

"Honestly he is too innocent, in fact every major power has an evil side, no matter their background" said the seventh elder.

All these great powers of God Realm have their dark side, it is this dark side that maintains the balance between power.

For example, the Eternal Sun Star Realm, they do evil things to achieve what they want, this makes the Eternal Sun Star Realm very strong and difficult for other major powers to deal with.

"You yourself already know what I mean right?, That's why I want to get rid of that woman immediately" said the first elder in a fairly high tone.

"Our opponents are the second and fourth elders, they are also not easy to deal with" the seventh elder said.

"Don't worry, I have a trick against them, the problem is the person that Yue Ya just invited, quickly find out who he is, if possible expel him from the Blue Moon God Star Realm" said the first elder.

"I will go and find out" the seventh elder went and did what the first elder told him to do.

"I hope all goes well and smoothly, this time the Blue Moon God Star Realm must have a new, stronger leader," said the first elder.

Ye Chen listened to all the conversations that were going on, he knew what these people were planning.

"Looks like they want to get rid of Yue Ya, I won't allow it." Ye Chen wouldn't allow this, he couldn't let them succeed in their plot to get rid of Yue Ya.

Since Ye Chen already knew what the enemy was going to do, Ye Chen only had to come up with a strategy to fight back.

Ye Chen left, he began to strategize to fight the enemy, Ye Chen found out what the enemy was going to do, he searched for information very thoroughly.

After searching for a while, Ye Chen found information about the plan they were about to carry out.

Their plan was to get rid of Yue Ya on a trip, in the near future Yue Ya would go on a trip to do something with a high ranking star, this was quite an important business and should be carried out by Yue Ya.

"Looks like they're going to ambush Yue Ya on the way, I have to immediately tell Yue Ya about this matter" Ye Chen was going to tell Yue Ya about this matter.

" who is that ?" when Ye Chen was looking for information, he was found by someone.

Ye Chen immediately used the **Invisible Body Art**, Ye Chen hid himself behind the darkness.

The approaching guards saw no one, there was no one around this place.

"How strange, was I just hallucinating" the guard felt, he had just seen someone, but in fact there was no one.

Chapter 1928 Liu Yue and Xiao Lulu visit Ye Chen

The guard looked around, he looked for the whereabouts of Ye Chen around, when he looked for the whereabouts of Ye Chen, the guards found nothing, the place is empty and there is no one here.

"Looks like it was just my feelings" the guard felt that everything that happened was just his feelings.

Since there was nothing special, the guard left immediately, he returned to patrolling around this place.

Ye Chen was relieved, it seemed that he wasn't found by anyone just now, after making sure everything was safe, Ye Chen took the evidence and went to Yue Ya's place.

"You won't be able to meet her, so stay here." Vei said to Ye Chen, he told Ye Chen that currently Yue Ya couldn't be bothered.

Ye Chen looked for Yue Ya's whereabouts, when Ye Chen searched for Yue Ya's whereabouts, Ye Chen found out that Yue Ya wasn't around, it seemed like Yue Ya was going to a place that was not allowed to be visited by outsiders.

"This is very important, why don't you let me see her" Ye Chen said to Vei.

"This is an order from the moon goddess, so you won't be able to go see her, you have to be patient and wait for her" Vei said to Ye Chen.

Vei told Ye Chen to be patient and wait, Yue Ya will definitely come back soon.

Ye Chen was disappointed, he was quite disappointed when he heard this, Ye Chen could only wait for Yue Ya to come back first before talking about everything.

Ye Chen returned to his residence, he could only wait for Yue Ya to return before discussing everything.

Ye Chen sat down, he began to devise a plan to face off against the elder who would become his enemy.

Ye Chen had some plans, such as outwitting them and carrying out surprise attacks, but it would be difficult to outwit them, on the one hand they were not fools easy to trick.

They will definitely be careful and prepare everything thoroughly.

"It's quite difficult to find someone who can replace Yue Ya" Ye Chen wanted to find someone who could replace Yue Ya's position, but it seemed that this would be a difficult thing to do.

"Big brother" while Ye Chen was thinking, someone appeared and startled Ye Chen.

"who?" Ye Chen immediately looked for the whereabouts of the person who called him, when Ye Chen left, he found a cute doll-like woman around.

"Lulu, is that you. . .?" Ye Chen felt strange when he saw Xiao Lulu who was in this place, was he just hallucinating or was this really reality.

Xiao Lulu advanced towards Ye Chen, she hugged Ye Chen and started to enter into Ye Chen's arms.

Ye Chen hugged back Xiao Lulu, when he hugged back Xiao Lulu, Ye Chen could feel that this was the real Xiao Lulu.

"Lulu, how did you come to be in this place?" Ye Chen asked Xiao Lulu, he wanted to know how Xiao Lulu got to this place.

"I came together with sister Yue" Xiao Lulu said to Ye Chen, Xiao Lulu is very spoiled, it's been a long time she hasn't been together and stuck like this with Ye Chen.

Ye Chen was very happy when he saw Xiao Lulu, the cute Xiao Lulu was able to cheer Ye Chen up very easily.

"Where is she?" Ye Chen asked Xiao Lulu, Ye Chen wanted to know where Liu Yue was.

"I'm here" Liu Yue informed that he was here.

"Oh, so you were there, I almost didn't see you." Ye Chen didn't expect Liu Yue to be there.

"Why don't you come and join, don't you want to meet me?" Ye Chen asked Liu Yue.

"I'm not a child, why should I go there" said Liu Yue to Ye Chen.

Liu Yue was being mature, so she didn't just go and hug Ye Chen like what Xiao Lulu did. UPDATE FROM FREEWEBNOVEL.COM.

"Are you sure about that?" Ye Chen asked Liu Yue.

Ye Chen hugged Xiao Lulu tighter, he showed his affection in front of Liu Yue.

"Big brother" Xiao Lulu felt embarrassed, Ye Chen hugged her very tightly and started to tease her.

As Ye Chen teased Xiao Lulu, Liu Yue started to get envious, she started to envy what Ye Chen did to Xiao Lulu.

Liu Yue knew what Ye Chen was up to, Ye Chen was trying to seduce Liu Yue by using Xiao Lulu as her object.

Honestly Liu Yue couldn't stand the sight of Ye Chen and Xiao Lulu's moment, so it wasn't strange that Liu Yue wanted to go towards Ye Chen.

"Are you sure you don't want to join?" Ye Chen asked Liu Yue, Ye Chen asked Liu Yue again, is Liu Yue sure that he doesn't want to join in the fun.

"You haven't changed, you always tease weak women" Liu Yue said to Ye Chen.

"You already know about yours husband, so why don't you come straight away" Ye Chen said to Liu Yue.

"Hmph. . ." Liu Yue sniffed coldly, she came closer and jumped towards Ye Chen.

Liu Yue finally wanted to hug Ye Chen, she hugged Ye Chen and released all the longing she had.

"It's been a long time huh?" Liu Yue said to Ye Chen, Liu Yue said that they haven't seen each other for a long time, now they meet again after more than 1 year.

To be honest, for people in the God Realm 1 year was a very fast time, while for Liu Yue and the women from Earth, 1 year was a very long time, Liu Yue felt that they had not seen each other for tens of thousands of years.

"What are you doing in this place?" Liu Yue asked Ye Chen, she wanted to know what Ye Chen was doing in this place.

"I'm helping someone solve a problem" Ye Chen said to Liu Yue.

"Oh, is it a woman, is she beautiful?" Liu Yue asked Ye Chen, Liu Yue was curious about the woman Ye Chen was referring to.

"She is indeed beautiful, but you and Lulu are equally beautiful" Ye Chen said to Liu Yue.

Liu Yue and Xiao Lulu smiled as they listened to what Ye Chen had to say, they both felt happy about Ye Chen's praise.

"Do you need help from us, I can help you get it" Liu Yue said that she would help Ye Chen get Yue Ya.

"Are you sure about that, she is different from normal women on earth, it is not easy to get it" Ye Chen said to Liu Yue.

Ye Chen knows what Yue Ya is like, this moon goddess is not easy to get.

"Fufufufu, I know that you will say something like that, but you don't have to worry, I will help you" Liu Yue said to Ye Chen.

Liu Yue knew that this would be difficult, she would help Ye Chen and give Ye Chen a good chance.

"Thank you very much, you are a very understanding wife" Ye Chen thanked, Liu Yue was a very understanding wife.

Liu Yue was happy to be able to help Ye Chen, she was very happy to be able to help Ye Chen solve his problem.

"Since you are good wives, I will give you a present" Ye Chen said that he would give a present to Liu Yue and Xiao Lulu.

"What gift is that?" Liu Yue and Xiao Lulu were curious about what gifts Ye Chen would give, what kind of gifts would Ye Chen give.

Chapter 1929 Gave the Celestial Moon Light Sword and Yggdrasil Ring

"why don't you guys try to guess" Ye Chen told Liu Yue and Xiao Lulu to guess what gift he would give.

"Hmmm" Liu Yue and Xiao Lulu tried to guess what kind of gift Ye Chen would give, both of them were quite curious about what kind of gift Ye Chen would give.

"Is that a piece of jewelry?" Xiao Lulu said to Ye Chen, Xiao Lulu thought it was beautiful jewelry.

"almost right" Ye Chen said that what Xiao Lulu said was almost right.

"It seems that it is an artifact." Liu Yue was smarter, she knew what Ye Chen would give her.

"As expected of Yue, you are very skilled." Ye Chen praised Liu Yue, she was very smart.

"oh an artifact, is that good?" Xiao Lulu asked Ye Chen.

"Of course, you won't get this anywhere else, it's a very valuable thing and its value is very high" Ye Chen said to Xiao Lulu.

"I got curious." Liu Yue became curious, she was quite interested in something of high value.

"This is it, you guys will definitely be interested in this." Ye Chen took out the Celestial Moon Light Sword and Yggdrasil Ring.

"So beautiful" Liu Yue and Xiao Lulu said that the item that Ye Chen just took out was very beautiful, both of them were immediately attracted when they saw the item that Ye Chen had just taken.

"This is the Celestial Moon Light Sword and Yggdrasil Ring, I hope it suits you." Ye Chen said to Liu Yue and Xiao Lulu, he hoped that this would acknowledge Liu Yue and Xiao Lulu as masters.

"We will try it" Liu Yue and Xiao Lulu would give it a try, they would try to get the Celestial Moon Light Sword and Yggdrasil Ring to acknowledge them.

Liu Yue took the Celestial Moon Light Sword, meanwhile Xiao Lulu took the Yggdrasil Ring.

The moment Xiao Lulu and Liu Yue took the Celestial Moon Light Sword and Yggdrasil Ring, the Celestial Moon Light Sword and Yggdrasil Ring reacted to the two.

Originally the Celestial Moon Light Sword and Yggdrasil Ring had a bit of resistance, so Xiao Lulu and Liu Yue should be able to get the Celestial Moon Light Sword and Yggdrasil Ring to acknowledge them.

Ye Chen didn't bother the two of them, he let them both have the time to make the Celestial Moon Light Sword and Yggdrasil Ring theirs.

energy fluctuations enveloped the two, both of them were enveloped by a great energy.

Ye Chen protected Liu Yue and Xiao Lulu, this was an important time for both of them, so Ye Chen made sure that both of them were fine.

There were some dangerous people here, so it was only natural for Ye Chen to make sure Liu Yue and Xiao Lulu succeeded.

Some strong people felt a great radiance, they were quite sensitive to high-end artifacts.

Several people came closer to where Ye Chen was, and started to try to see what Ye Chen was doing.

Ye Chen could sense that several people were approaching, they were approaching and wanted to find out what Ye Chen was doing.

"Looks like they're trying to find trouble." Ye Chen saw that the people from the Blue Moon God Star Realm were trying to find trouble.

Ye Chen couldn't let this matter, he had to expel everyone who had bad thoughts on the Celestial Moon Light Sword and Yggdrasil Ring.

Ye Chen came out, himself using an intimidating aura on everyone around him.

When Ye Chen showed himself in front of everyone, everyone felt a terrible pressure, this made everyone retreat and move away from Ye Chen.

Too bad Ye Chen's pressure was too strong, some people with weak mental thoughts had to kneel down and couldn't move.

"You guys get out of my way" Ye Chen said to everyone, he told everyone to get out of the way.

"Senior, what are you doing?" an elder asked Ye Chen, he wanted to know what Ye Chen was doing.

"You don't need to know what I'm doing, I'm testing a new weapon, so don't come any closer or you'll get in big trouble" Ye Chen said to everyone.

Everyone looked very surprised when they heard this. IF YOU WANT TO READ MORE CHAPTERS, PLEASE VISIT FREEWEBNOVEL.COM TO EXPERIENCE FASTER UPDATE SPEED.

They all knew what Ye Chen was trying to do, they were all aware that Ye Chen was trying a top grade artifact.

This of course made everyone feel shocked, they all felt shocked when they saw this thing in front of their eyes.

They now believe that Ye Chen is very powerful, they all believe in Ye Chen's very strong ability.

Only strong people have powerful artifacts like this, from the radiance, artifacts possessed by seniors are at the Celestial Tier level, it can be said that this is a rare top grade artifact in this world, only important and super strong people have it.

This made everyone respect Ye Chen and start to stay away from this place, they are not willing to take risks and make Ye Chen angry.

After Ye Chen gave a threat, he gave a threat to the people around him not to come near this place.

After threatening, Ye Chen went back inside, he saw what Liu Yue and Xiao Lulu were doing.

Liu Yue and Xiao Lulu had come to a crucial point, they were both finished in subjugating the Celestial Moon Light Sword and the Yggdrasil Ring.

"Boom. . ." a huge burst of energy appeared, Liu Yue and Xiao Lulu had managed to completely gain the acknowledgment of the Celestial Moon Light Sword and Yggdrasil Ring.

"Good they did it" Ye Chen was very satisfied with the achievements made by Xiao Lulu and Liu Yue, both of whom had managed to gain recognition from the Celestial Moon Light Sword and Yggdrasil Ring.

After fully obtaining the Celestial Moon Light Sword and Yggdrasil Ring, Liu Yue and Xiao Lulu felt that they had become even stronger.

"this is really great." Liu Yue said to Ye Chen, she felt that she had become very strong.

"Looks like the Celestial Moon Light Sword and Yggdrasil Ring give you both strength" Ye Chen said to Liu Yue and Xiao Lulu.

"I see, it's not strange" Liu Yue nodded, he understood what Ye Chen said, it seems that the Celestial Moon Light Sword and Yggdrasil Ring added to Liu Yue and Xiao Lulu's strength.

"There are too many people in this place" Ye Chen saw that outside there were a lot of people watching him, so Ye Chen had to keep Liu Yue and Xiao Lulu safe.

"Let's go inside the fairy gate, I have something to tell you more clearly" Since outside there were many ears that could hear their conversation, Ye Chen decided to discuss further plans on how to save Yue Ya and get him full power in the Blue Moon God Star Realm.

Ye Chen needed help from Xiao Lulu and Liu Yue, both of whom could be of great help to Ye Chen.

Liu Yue and Xiao Lulu nodded, both of them followed Ye Chen into the fairy gate.

Ye Chen, Xiao Lulu and Liu Yue entered the fairy gate, after making sure it was safe, Ye Chen started discussing his plans.

Ye Chen's plan was very simple, he wanted Xiao Lulu and Liu Yue to help himself disguise as Yue Ya, meanwhile Ye Chen himself would ambush the enemy.

Rather than being food, Ye Chen preferred to prey on his enemies.

"That we can do" said Liu Yue could do that, she could do what Ye Chen wanted.

"Very good" Ye Chen believed that they could defeat all enemies if they worked together.

Chapter 1930 Ambush plan preparation

everything has gone according to what Ye Chen wanted, now is the time for Ye Chen to start the plan he has.

Inside the fairy gate Ye Chen spent the time he had to get Liu Yue and Xiao Lulu familiar with the artifacts they had.

Time passed quickly, Ye Chen spent the time he had together with Xiao Lulu from Liu Yue, he enjoyed everything very peacefully.

Elsewhere, Yue Ya was visiting someone, he was visiting someone who was lying weak and unconscious.

The person who was with Yue Ya was a great elder who had retired due to illness, he was injured and couldn't get out of bed, luckily he still had the strength to maintain his power.

"Yue Ya, is it you" the old man spoke to Yue Ya.

"Great elder is me." Yue Ya said to the Great elder, Yue Ya told him that it was her.

"What brought you here, do you have anything to say?" asked Yue Ya the great elder.

When Yue Ya came to this place, it must be when Yue Ya asked the great elder for advice.

"As expected of a great elder, you know very well about me" Yue Ya said to the great elder in front of her.

The name of this great elder was Yue Enlong, he was one of Yue Ya's confidants, only now that he could no longer help Yue Ya due to his illness.

"So what problem do you have?" Yue Enlong to Yue Ya, Yue Enlong wanted to know the problem that Yue Ya had.

"It's about Yue Whang" Yue Ya said to Yue Enlong.

"Oh, he again what does he want from you?" Yue Enlong said helplessly he could feel how Yue Ya was feeling.

"He's always looking for trouble with me" Yue Ya said in a displeased tone.

Yue Ya was displeased with Yue Enlong who was always looking for trouble with him.

"He has great strength so it wouldn't be strange if he dared to do that" Yue Whang did have abilities so it wouldn't be strange if he dared to get into trouble with Yue Ya.

"Yue Whang's strength is still very strong, you still don't dare to go against them openly" Yue Ya said.

"Yue Whang has a lot of strength at least their strength is above you" Yue Enlong said to Yue Ya.

Yue Ya nodded, she also knew about this matter.

"Too bad that I can't help you" Yue Enlong felt guilty that he couldn't help Yue Ya.

"Elder doesn't need to talk like that, I know that you are in trouble, so I hope you rest in bed" Yue Ya said to Yue Enlong.

"If you are confident and can win against Yue Whang, then do it, if you continue like this, you will never become the full ruler of the Blue Moon God Star Realm."

Yue Enlong said to Yue ya, he had to do his best to be able to get the full ruler position in the Blue Moon God Star Realm, then Yue Ya would be completely able to control everything in the Blue Moon God Star Realm.

"I will give it a try" Yue Ya listened to Yue Enlong's suggestion.

Yue Ya knew that Yue Enlong would not be able to move for the time being, so she decided to move on her own in dealing with this matter.

"I hope you succeed" Yue Enlong hoped that Yue Ya would succeed, he had very high hopes for Yue Ya.

"um" Yue Ya nodded, she would do her best to do just that.

Yue Ya left, she would think about how he would deal with Yue Whang and his minions.

After training Liu Yue and Xiao Lulu for a while, the two of them became extremely skilled in using the Celestial Moon Light Sword and the Yggdrasil Ring.

When Ye Chen was training together with Liu Yue and Xiao Lulu, Shen Niang would annoy Ye Chen, she really liked to bother Ye Chen and always tried to get Ye Chen to play.

Ye Chen wouldn't be able to refuse a request from little Shen Niang, so he accompanied her to play while fighting Liu Yue and Xiao Lulu.

Liu Yue and Xiao Lulu got to know Shen Ning very easily, they quickly became friends.

"Looks like it's about time, I'll check what's outside" Ye Chen said to Liu Yue and Xiao Lulu, Ye Chen will check what's outside.

"If you need help, you can directly call us" Liu Yue said to Ye Chen.

"When everything is ready, I will immediately call you guys." Ye Chen said to Liu Yue, Ye Chen would call the two of them when everything was settled.

After saying that, Ye Chen immediately left the fairy gate, he immediately went and looked for Yue Ya.

Yue Ya was currently in the moon palace, so Ye Chen could directly go and meet her.

When Ye Chen looked for Yue Ya, Ye Chen found Yue Ya reading a scroll on the table, she seemed to be correcting something.

" Am I bothering you?" Ye Chen approached, himself asked if Yue Ya was busy.

"I'm not too busy" Yue Ya told Ye Chen that she wasn't too busy, she was just correcting everything that happened in the Blue Moon God Star Realm.

"Very good, I have a good thing for you" Ye Chen said that he had a good thing for Yue Ya.

"What do you have?" Yue Ya was quite curious about what Ye Chen had.

"In a few days you will be traveling right?" Ye Chen asked Yue Ya.

"Of course, but how did you know about this matter?" Yue Ya asked Ye Chen.

"Of course, you will be surprised when you hear this." Ye Chen explained everything he had discovered, starting with the plans of the first and third elders to get rid of Yue Ya.

"This is impossible, Ye Chen where did you get all this from?" Yue Ya asked Ye Chen, she wanted to know where did Ye Chen get all this information.

"Didn't I already say that I am a great person, of course getting this thing is not difficult for me" Ye Chen said to Yue Ya.

"You really dumbfounded me" Yue Ya was dumbfounded when she saw this, Ye Chen was again able to make herself feel shocked.

Yue Ya didn't know how Ye Chen could get all this, Yue Ya honestly couldn't imagine this matter.

"Heheheh" Ye Chen rubbed his nose with pride when he was praised by Yue Ya.

"So what are you going to do, want to follow the plan I made?" Ye Chen asked Yue Ya whether Yue Ya wanted to follow the plan that had been made or not.

"I will follow your plan, I will prepare my people for this" Yue Ya said to Ye Chen.

since the situation had become like this, Yue Ya could only put up a fight and fight the first elder and the others.

"Don't involve too many people, it will only make them aware" Ye Chen told Yue Ya not to involve too many people, otherwise the enemy would realize what they were planning.

"I see" Yue Ya understood, she would choose her best person to do this, Yue Ya would definitely do the best he could.
