Chapter 1941 Peek at Yue Ya who is taking a bath

"I will support what you do, don't let them go free" Ye Chen said to Yue Ya, Ye Chen didn't want these people to be free, they would give trouble in the future.

"um" Yue Ya nodded, she would make sure that these people would no longer be able to escape.

"Everyone, please take them away." Yue Ya ordered these people to take the traitors away.

Yue Ya's army started to move, they started to go take these people to prison and wouldn't let them escape.

"What are you going to do?" Ye Chen asked Yue Ya what Yue Ya would do next.

"Now that Yue Whang is no more, I should have obtained full power" Yue Ya informed that she had already obtained full power, now no one can disturb Yue Ya anymore.

"I'm happy to hear this" Ye Chen was happy when he heard this, he was happy when he heard that Yue Ya managed to get a pinnacle place in the Blue Moon God Star Realm.

"This is all thanks to you" Yue Ya thanked Ye Chen, it was all thanks to Ye Chen who had helped her to get all this.

"It's not because of me, it's all because of your struggle." Ye Chen said that it was all because of Yue Ya's struggle that he was able to get all of this.

" Thanks very much. . ." Yue Ya was very grateful, Ye Chen tried to comfort her.

"Hehehehe" Ye Chen smirked when he heard this, it was quite pleasant to see the goddess Yue Ya smiling.

"maybe I should give you a present" Yue Ya intends to give a present to Ye Chen, what kind of gift will you give" Ye Chen wanted to know what kind of gift Yue Ya gave.

"You are too excited" Yue Ya saw that Ye Chen was too excited, she didn't expect this to happen.

"either I'll think about it well" Yue Ya didn't want to tell what he was about to give, she still kept this matter a secret from Ye Chen.

"Stingy" Ye Chen said to Yue Ya.

Yue Ya smiled when she saw this, Ye Chen was very cute when she teased him.

Yue Ya turned her attention towards Liu Yue and Xiao Lulu.

"Both of you, what do you want?" Yue Ya asked Xiao Lulu and Liu Yue, both of whom had helped Yue Ya with this matter, so Yue Ya would give both of them gifts.

"It seems that there is no need" Xiao Lulu and Liu Yue simultaneously replied, neither of them needed what Yue Ya had.

Both of them were happy that they could help Yue Ya with her problems.

"Once again I thank you very much" Yue Ya was very grateful, she was quite grateful to Liu Yue and Xiao Lulu for helping her.

"Let's go back" Yue Ya took Ye Chen, Liu Yue and Xiao Lulu back to Blue Moon God Star Realm.

"You will not continue the journey" Ye Chen asked Yue Ya if Yue Ya would not continue their journey.

"That's not necessary, we can postpone it." Yue Ya said that if the trip could be delayed, now their focus was on healing the injured, that's why they had to immediately return to the Blue Moon God Star Realm and start healing the seriously injured.

"Okay" Ye Chen nodded, he followed what Yue Ya wanted, they returned to Blue Moon God Star Realm and started to heal the injured people.

Ye Chen helped in treating everyone who was injured, with Ye Chen's help, everyone could easily be helped.

Even Yue Enlong is also starting to heal, it will take a long time for Ye Chen to heal Yue Enlong.

Ye Chen was quite patient, he was quite patient in healing Yue Enlong who was seriously injured.

After a few days, Yue Enlong finally fully recovered, she was completely healed and was able to do everything very well splendidly.

Due to the loss of strong people, Yue Ya was forced to close the Blue Moon God Star Realm temporarily, this was done to avoid people looking for trouble with the Blue Moon God Star Realm when the situation was quite severe.

Everyone respected Yue Ya's decision, Yue Ya's decision was a very right decision.

"Finally it's all over" Ye Chen was relieved, everything was done, everything Ye Chen did was very tiring.

"Are you okay?" Vei said to Ye Chen, she said to Ye Chen who looked tired.

"Do I look fine, I'm quite tired" Ye Chen said to Vei, he told that he was quite tired.

"Goddess wants to meet you" Vei said to Ye Chen, he told Ye Chen that Yue Ya wanted to meet him.

"She wants to meet me?" Ye Chen was excited, he was quite excited when he heard this.

Ye Chen left, he immediately went and met Yue Ya to find out what Yue Ya needed.

"This man" Vei couldn't help but shake her head, what Ye Chen did was quite ridiculous.

Vei didn't come with Ye Chen, she still had other tasks to complete.

Ye Chen went to the moon palace which was where Yue Ya lived, when Ye Chen arrived he didn't find Yue Ya.

"uhh. . . , where is he?, is she not here?" Ye Chen wanted to know where Yue Ya was right now.

"gurgling. . . ." when Ye Chen was about to leave, he heard the sound of gurgling water, it seemed like someone was taking a bath.

"Is she taking a shower?" Ye Chen started to get excited, he was quite excited when he found out that Yue Ya was taking a bath.

"Okay, I'll go" Ye Chen was about to leave, Ye Chen wanted to peek at Yue Ya taking a shower.

This is a very rare moment, Ye Chen must not miss an opportunity like this, only a fool would miss an opportunity like this in his life.

Peeking at Yue Ya was a difficult thing, but for Ye Chen it was an extremely easy thing to do.

Ye Chen went to the pond in the moon palace, at this time Yue Ya was in the pond and was lit up by the very beautiful moonlight.

Yue Ya was quite careful, she made sure that everything was fine and that no one could peek at her.

"she used a barrier, looks like she won't let me peek at her" Ye Chen saw that Yue Ya wouldn't let Ye Chen peek inside.

Ye Chen is not at his wits end, he can get inside very easily.

Ye Chen only needed to use his teleportation power and enter the barrier.

With the power of dimensional control, Ye Chen could do whatever he wanted quickly and easily.

"I like this" Ye Chen really likes, he really likes the power he has.

Ye Chen managed to get inside, when Ye Chen went inside Ye Chen saw Yue Ya being showered with moonlight, she was really beautiful.

Yue Ya's wet body was so tempting, she made a very seductive pose while bathing and washing her body.

Ye Chen subconsciously got excited when he saw this.

"That's great" Ye Chen enjoyed the scene in front of him, he didn't want to waste the sight in front of him, this is a gift that Ye Chen should not miss.

Chapter 1942 Yue Ya's ability to seduce Ye Chen

While Yue Ya was cleaning herself, Yue Ya felt someone peeking at her.

"Who is that . . ." Yue Ya said, she looked around and tried to find out who was the person peeking at her.

Yue Ya didn't really know where Ye Chen was, she used her instincts to find Ye Chen.

Ye Chen hid, he hid himself well so as not to be found by Yue Ya.

"That was close, I was too conspicuous." Ye Chen felt that he was too conspicuous, what Ye Chen did was too conspicuous.

Luckily Yue Ya didn't see Ye Chen. so Ye Chen was still safe and could continue to hide.

Yue Ya didn't find anyone, there was only himself here.

"How strange" Yue Ya felt strange, being alone in this place without anyone, was it just a hunch or something.

"maybe I'm tired after doing non-stop work" Yue Ya thought positively, maybe she felt tired after doing non-stop work.

Finding no one around this place, Yue Ya continued to bathe, herself enjoying a pleasant bath.

Ye Chen kept looking at Yue Ya, Ye Chen was quite enjoying the scene in front of him.

Ye Chen was more careful this time, he made sure that Yue Ya was not aware of his whereabouts.

"How strange, why do I feel strange" Yue Ya felt very strange, she felt that someone was watching her, but there was no one around this place, this made Yue Ya feel confused about what was happening.

"She's so cute when she's confused." Ye Chen felt that Yue Ya was really cute when she was confused.

Yue Ya didn't stop, she just continued to shower without thinking about what was going on around him.

"This is my chance" Ye Chen saw an opportunity, he saw that Yue Ya was about to finish, it was time to enter.

Ye Chen tried to approach Yue Ya, he did this slowly so that Yue Ya wouldn't notice.

Ye Chen quickly arrived behind the goddess Yue Ya, he could smell the fragrance on Yue Ya's body, it seemed like Yue Ya had just washed her hair with a very fragrant flower.

"I'm really excited" Ye Chen was really excited by the scene in front of him, normal men would definitely be excited when they saw the scene in front of them.

Ye Chen stretched out his hand, he hugged Yue Ya from behind and started to use his hand to touch Yue Ya's double peak.

"Ahhh. . ." Yue Ya screamed, she screamed when someone touched her.

"Bastard, who are you. . ." Yue Ya finally realized that it wasn't a hallucination earlier, that someone had been watching him.

"Honey, weren't you looking for me" Ye Chen said to Yue Ya.

"Ye Chen, how did you get into this place?" Yue Ya asked Ye Chen, how did Ye Chen enter this place, Yue Ya should have put a barrier to prevent outsiders from entering.

"Hehehehe, do you think something like that can stop me?" Ye Chen chuckled, he said that such a thing wouldn't be able to stop him.

"You are indeed very naughty" Yue Ya said to Ye Chen.

"Quickly release me" Yue Ya told Ye Chen to let go of her, Yue Ya was struggling to hide her flawless beautiful body from Ye Chen's eyes.

"Why, I want to join you" Ye Chen said that he wanted to join Yue Ya.

"what are you saying" Yue Ya couldn't believe what Ye Chen said, what Ye Chen said was the thing that made Yue Ya's mind confused.

"Hehehe" Ye Chen was happy when he saw Yue Ya's reaction, Yue Ya's reaction was very funny, Ye Chen liked Yue Ya's reaction.

Ye Chen started to touch Yue Ya's double peak, he started to touch and enjoy Yue Ya's Cherry buds.

"Erm, too comfortable. . ." Yue Ya felt a very comfortable feeling, this feeling was very good and made Yue Ya happy.

"Do you like what I do?" Ye Chen asked Yue Ya.

" No this is not comfortable . . ." Yue Ya said to Ye Chen, she didn't want to admit that it was convenient.

"Is that so, it seems I'm not serious enough." Ye Chen said that if he wasn't serious, he should be able to make Yue Ya feel comfortable.

Ye Chen increased his strength, when Ye Chen increased his own strength, Yue Ya was in serious trouble.

"ahhhh, no, Ye Chen don't do that" Yue Ya gave up very quickly, she couldn't win against Ye Chen, Ye Chen's attack was too strong.

" Do you like it?" Ye Chen asked Yue Ya again, Ye Chen will keep Yue Ya honest, before Yue Ya is honest then he will not stop.

"Why do you always insist, does it make you happy?" Yue Ya asked Ye Chen.

Ye Chen always forced Yue Ya to say lewd things like this.

"It's because I want to make you happy." Ye Chen said that he wanted to make Yue Ya happy.

"You know I love you" Ye Chen said to Yue Ya, Ye Chen whispered directly in Yue Ya's ear, so Yue Ya could hear clearly what Ye Chen said.

Yue Ya's face immediately turned red, she looked embarrassed when she heard what Ye Chen said.

"You don't want to answer?" Ye Chen asked Yue Ya, Ye Chen wanted to know the answer from Yue Ya.

"Do I have to answer, you must already know the answer" Yue Ya said to Ye Chen.

"I want to hear it from your small heart" Ye Chen wanted to hear it directly from Yue Ya's heart.

Yue Ya turned around, she looked straight at Ye Chen with a gaze full of love.

"It seems like a bad thing for me to fall for a man like you who has many women" Yue Ya said to himself.

"Hahaha, you are still discussing it, you don't need to worry, I will treat you well" Ye Chen said that he would treat Yue Ya well.

"What if you don't treat me well, should I do something to the younger brother below?" Yue Ya said to Ye Chen.

Yue Ya used her finger to touch and stimulate Ye Chen's little brother.

Of course it felt very comfortable when touched directly by Yue Ya's soft finger.

"what can you do?" Ye Chen was getting more and more interested, Yue Ya who dared to make Ye Chen feel excited.

"Earlier I said that I would give you a gift, then now is the time" Yue Ya said to Ye Chen.

"You have prepared a present for me" Ye Chen did not expect that Yue Ya had prepared a present for him.

"I did prepare it, but you came too soon" Yue Ya had intended to do that too bad this little bastard came so early that it ruined everything.

"you mean?" Ye Chen had already started guessing what Yue Ya would give him, he could guess what Yue Ya was trying to give him.

"you want to do it?" Yue Ya said to Ye Chen, Yue Ya said in a very sweet voice.

A goddess took Ye Chen, who would refuse an offer from Yue Ya.

"You can actually flirt too" Ye Chen didn't expect Yue Ya to tease like this, the current Yue Ya was very seductive and made Ye Chen feel hot.

Chapter 1943 Ye Chen & Yue Ya (1)

"The best way to take care of you is like this, I will take care of you with temptation" Yue Ya said to Ye Chen, she knows how to take care of Ye Chen.

"As expected of you, you already know" Ye Chen said to Yue Ya, it seemed that Yue Ya already knew what Ye Chen was like.

"Are you just going to stand still?" Yue Ya asked Ye Chen, Yue Ya wanted Ye Chen to move.

"Okay, I will make my beautiful goddess feel at ease" Ye Chen said to Yue Ya, Ye Chen would make Yue Ya feel comfortable by using her abilities.

"Fufufufu" Yue Ya giggled, she was very happy when she heard Ye Chen's words, she thought Ye Chen's words sounded very sweet.

Ye Chen and Yue Ya started kissing, the two started kissing maturely.

This time Yue Ya did everything with a very light feeling, she already had no burden when she was with Ye Chen, all the stones in her heart had sunk and she was able to enjoy everything very beautifully.

Yue Ya felt that her world became very beautiful and became full of color, this was a very beautiful thing for Yue Ya.

On the other hand, Ye Chen was happy when he saw Yue Ya starting to be honest, he was very happy when he saw the goddess in front of him being honest with herself.

Yue Ya stretched out her hand and started to help Ye Chen who was below, she used her hand to touch Ye Chen's big object.

Yue Ya's one hand wasn't enough to hold Ye Chen's, she didn't know how Ye Chen had something so big like this, obviously the size didn't make any sense at all.

"Why is it so big below, what did you eat to make it grow so big?" Yue Ya asked Ye Chen, what did Ye Chen eat to make it so big.

"Hahaha, what a very funny question" Ye Chen smiled when he heard Yue Ya's words, Yue Ya's words were very funny.

"Why are you laughing, don't you want to tell me about this matter?" Yue Ya said to Ye Chen.

"Of course, I don't know about this matter either, most likely it's because I cultivate the Dual Cultivation technique" Ye Chen said to Yue Ya.

"You cultivate the Dual Cultivation technique, do you use Charm?" Yue Ya asked Ye Chen, Yue Ya wanted to know if Ye Chen used Charm.

"No, to be honest I actually sealed it, it was very dangerous and could put me in danger" Ye Chen said to Yue Ya.

" why?" Yue Ya asked Ye Chen, Yue Ya wanted to know the reason.

"When using Charm, many women want to try to catch me, it's very troublesome" Ye Chen said to Yue Ya.

"Fufufufufu" Yue Ya smiled when he heard this, he felt that Ye Chen was telling a joke.

"Why are you laughing?" Ye Chen said to Yue Ya.

"It was so funny after all, I can't believe that you would miss something like that, when you can make all the women chase after you" Yue Ya said with a laugh.

"I prefer to pursue a goddess like you, getting one of the beauties in the God Realm is my original goal" Ye Chen said to Yue Ya.

"So from the start you really wanted to get me." Yue Ya didn't expect Ye Chen to have an initial thought.

"Of course, I am still a man, pursuing beauty is a part of life" Ye Chen said to Yue Ya.

Yue Ya smiled, he really liked what Ye Chen said.

Ye Chen was so cute, he knew how to make Yue Ya smile and enjoy her life, maybe this was the time where Yue Ya smiled the most.

"Let's continue, I can't wait" Ye Chen said to Yue Ya, he couldn't wait to play with goddess Yue Ya.

"Okay, I will help you" Yue Ya decided to help Ye Chen, he decided to help Ye Chen in washing.F

Ye Chen received the treatment given by Yue Ya, Ye Chen enjoyed the times when he was washed by Yue Ya.

Yue Ya was a little gentle when serving Ye Chen, she helped Ye Chen in washing and scrubbing.

Yue Ya had seen the maid helping her, so it wasn't strange that she could easily imitate this and apply it to Ye Chen.

Ye Chen saw Yue Ya's movements, these movements were clearly like a servant serving her master.

"So she learned this from the maid" Ye Chen saw that Yue Ya learned this from the maid, it wasn't too bad, Yue Ya was very kind.

Yue Ya cleaned all of Ye Chen's body, now only one important part was left which was quite embarrassing.

"Excuse me" Yue Ya knelt in front of Ye Chen, she started to help Ye Chen's younger brother.

"Oh. . ." Ye Chen groaned, to be honest Yue Ya had excellent skills, she had excellent skills in serving Ye Chen who was below.

Yue Ya had already obtained countless techniques from Qing Cheng, he knew what to do with little brother Ye Chen.

Ye Chen was made comfortable by Yue Ya's technique, somehow Yue Ya's technique was so great, where did this beautiful goddess get this powerful technique.

"Honey, where did you get this kind of thing?" Ye Chen asked Yue Ya.

"I don't know, when I was with you, someone spoke and gave me such a technique" Yue Ya said to Ye Chen.

Yue Ya informed that someone had given this to her.

"Someone" Ye Chen was thinking who gave this thing, was it Chu Yuechan, but Chu Yuechan would not do such a thing.

"Cheng" Ye Chen knows who, this must be Qing Cheng, the technique used by Yue Ya is very similar to Qing Cheng, Ye Chen can see it very clearly.

"Slurp. . ." Yue Ya helped Ye Chen with her small mouth, Yue Ya's small mouth sucked Ye Chen very strongly.

"Ohhhh. . ., too comfortable, she is really talented." Ye Chen enjoyed this, it was too convenient for him.

Yue Ya was very happy when she saw Ye Chen's reaction, there was a great satisfaction when she saw Ye Chen enjoying what she was doing.

"Ye Chen don't hold back" Yue Ya said to Ye Chen, Yue Ya wanted to beat Ye Chen, she should be able to beat Ye Chen quickly.

"You have to fight even harder" Ye Chen thanked Yue Ya, he told Yue Ya to fight even harder.

Yue Ya didn't accept it when she heard this, she did more aggressively.

Yue Ya's attack this time was quite aggressive, this should get Ye Chen into serious trouble.

Although Yue Ya's attack was very aggressive, it was still not enough to fight Ye Chen, Ye Chen seemed to be able to control himself well.

Yue Ya didn't give up, she was a woman who didn't give up easily when faced with the current situation.

"Oh, this is very good" Ye Chen was very happy, he was quite satisfied with what Yue Ya did, it felt very good when he was served by Yue Ya.

Yue Ya served Ye Chen for a few minutes, in these few minutes, Yue Ya didn't see that Ye Chen would lose.

In fact she felt tired because it was too fast, she needed a little rest.

Chapter 1944 Ye Chen & Yue Ya (2)

"What's wrong?, are you tired?" Ye Chen asked Yue Ya whether Yue Ya was tired or not.

"I'm a little tired" Yue Ya said that she was a little tired.

"Okay, then let me help you" Seeing Yue Ya exhausted, Ye Chen took the initiative to help her.

"What are you going to do?" Yue Ya was quite curious, she was quite curious about what Ye Chen would do.

Ye Chen carried Yue Ya, he helped Yue Ya to go to the shore, it seemed that Ye Chen would help Yue Ya solve her problem.

Yue Ya was so obedient, she hugged Ye Chen's neck and let Ye Chen do as s`he pleased.

Ye Chen opened Yue Ya's secret garden, when Ye Chen did this Yue Ya naturally felt very embarrassed.

"Don't look at it" Yue Ya said to Ye Chen, Yue Ya was still embarrassed, he was still embarrassed to show this to Ye Chen.

"You've seen mine, now I want to see it too" Ye Chen said to Yue Ya.

Yue Ya had seen Ye Chen's, so now was the time for Yue Ya to show hers.

Even though Ye Chen said that, Yue Ya was still very embarrassed, she was still very embarrassed when she showed this kind of thing to Ye Chen.

"Please" Ye Chen begged Yue Ya, he begged Yue Ya to give it.

Because Ye Chen insisted, Yue Ya finally wanted to show it, this was very embarrassing for Yue Ya.

"How beautiful" Ye Chen looked at Yue Ya's, he saw that Yue Ya had something good down here.

Ye Chen started to get closer, he started to suck Yue Ya's honey cave.

"No, what are you doing? ." Yue Ya directly reaching this peak was extremely delicious.

Ye Chen continued, himself helping Yue Ya to get a high level of pleasure.

With Ye Chen's skill being too strong, Yue Ya had no resistance and reached the peak for several times.

"how. . .?" Ye Chen asked Yue Ya, he wanted to know how Yue Ya felt.

"This is too great, I can't stand it, how can you make something like that" Yue Ya said to Ye Chen, Yue Ya felt something very beautiful and inexplicable by himself, this feeling was much more comfortable than Ye Chen's touch.

"Now you feel the same as I feel" Ye Chen said that Yue Ya had the same thing he had.

"So that's how it is, it's not strange that you will be happy and make a sound that it feels like this" Yue Ya said to Ye Chen, Yue Ya now understood the feeling when she served Ye Chen's younger brother, it must be very comfortable for Ye Chen.

"are you ready?" Ye Chen asked Yue Ya, Ye Chen wanted to take Yue Ya further, they would do Dual Cultivation.

"Take me to bed" Yue Ya told Ye Chen to take her to bed.

Ye Chen nodded, he carried Yue Ya to the bed and started to put her on the bed, Yue Ya who was wet was so tempting, Ye Chen wanted to do it right away.

Ye Chen climbed onto Yue Ya's body, he immediately showed his weapon to break through Yue Ya's defense.

"Light please . ." Yue Ya told Ye Chen to be light, he felt that this would be very painful.

Ye Chen had something big, so it would be a pain when Ye Chen made an attack using such a big thing.

"Don't worry, it won't take long." Ye Chen said to Yue Ya, telling him that it wouldn't take long.

Ye Chen immediately put in his belongings, he no longer teased the beautiful goddess in front of him.

Ye Chen himself couldn't stand it anymore, Yue Ya's beauty was too strong and he couldn't take it anymore.

"Ummmm, ahhhhh. . ." Yue Ya groaned, she groaned when Ye Chen's crude object attacked.

"Wow, that's great, it's so tight and super soft, it feels like it's going to melt me." Ye Chen really liked it, he felt that Yue Ya had such a beautiful and soft artifact, Ye Chen felt very, very comfortable.

"This hurts" Yue Ya said to Ye Chen, she told Ye Chen that it hurts.

"Calm down, everything will pass quickly" Ye Chen comforted Yue Ya, he tried to persuade Yue Ya not to be sad and feel sick.

What Ye Chen did worked, he managed to persuade Yue Ya and make her feel at ease.

After the pain started to dissipate, Ye Chen finally started to move.

"Ahhh. . ." Yue Ya started to feel a strange feeling as well as a very pleasant feeling, she felt a very pleasant feeling when Ye Chen's thing came in and out.

"This is very comfortable, how do you feel?" Ye Chen asked Yue Ya.

"This is great, it feels very good, how do you do this" Yue Ya asked Ye Chen, how did Ye Chen do this, it was too convenient for Yue Ya.

"This is just the beginning, you will experience even more beautiful things" Ye Chen said that this is just the beginning, Yue Ya will experience even more beautiful things. Ye Chen can guarantee that.

Ye Chen sped up his movements, he looking for Yue Ya's sensitive spot.

After a while, Ye Chen finally found Yue Ya's weak point, Ye Chen did this weak point attack.

"Ugghhhh" Yue Ya's body trembled, this was too comfortable, this feeling was really very intense.

Ye Chen's thing made Yue Ya feel full, he felt very full when Ye Chen filled it.

"ahhh, husband, you are great, do more, teach me more about you" Yue Ya told Ye Chen to teach herself about the world of love, she wanted to be loved and loved Ye Chen more.

"Of course I will teach you about love" Ye Chen nodded, he would teach Yue Ya about love, let Yue Ya feel love.

"Chuu. . ." Ye Chen and Yue Ya kissed, both of them were kissing and pleasing each other.

Yue Ya even cooperated with Ye Chen and moved his waist very quickly.

Ye Chen and Yue Ya fought for approximately 6 hours, Ye Chen had already reached the peak 5 times because Yue Ya's honey cave was too good, while Yue Ya had already reached the peak dozens of times, this naturally made Yue Ya feel tired.

"Husband, I'm tired, can we stop and rest" Yue Ya was the first to admit defeat, she was still the first time and felt tired from the intense battle that was taking place.

When fighting Yue Ya, Ye Chen used his full strength, Yue Ya naturally had trouble with this.

She was still a first-timer and wasn't used to it, so it wouldn't be strange for Yue Ya to admit defeat.

"I'm still very excited, how is this" Ye Chen was still very excited, it would be very uncomfortable when he stopped halfway.

"that . ." Yue Ya herself was also at a loss as to what she should do in a situation like this.

"Click. . ." when the atmosphere was awkward, Liu Yue and Xiao Lulu walked in.

"how did they get in" Yue Ya hastily covered her body, she was embarrassed when she saw Liu Yue and Xiao Lulu enter this place.

Chapter 1945 Ye Chen, Liu Yue, Xiao Lulu & Yue Ya Dual Cultivation

"What a coincidence that we passed by and listened to what you guys were doing." Liu Yue thanked Yue Ya, she told Yue Ya that they happened to be passing by and listened to what Ye Chen and Yue Ya were doing.

"No way, should this room be soundproof?" This place should be airtight, so Liu Yue couldn't possibly hear what was going on in here.

"Forget it can you join" Liu Yue asked Yue Ya, Yue Ya and Xiao Lulu wanted to join the battle.

"that . . ." Yue Ya looked confused in answering Liu Yue's question, how should she answer such an embarrassing question.

"Of course, you two can join" Ye Chen gave permission to the two of them, for Ye Chen the more the better.

"husband. . . ?" Yue Ya didn't expect that Ye Chen would agree with Liu Yue and Xiao Lulu, this is embarrassing for Yue Ya

"Don't worry, everything is fine, we are all family" Ye Chen said to Yue Ya, everything will be fine and nothing bad will happen.

"ummm. . ." Yue Ya nodded, she finally understood what Ye Chen wanted.

After Yue Ya agreed, Liu Yue and Xiao Lulu immediately entered the battlefield, both of them took off their clothes and started fighting together.

Ye Chen hugged Xiao Lulu and Yue Ya, it had been a long time since he had embraced a beauty like Xiao Lulu and Yue Ya.

"I haven't hugged you two in a long time" Ye Chen said to Liu Yue and Xiao Lulu.

"Big brother, Lulu misses you so much, let's have some fun" Xiao Lulu said to Ye Chen, she invited Ye Chen to have fun together.

"Um. . ." Ye Chen nodded, he wanted to have fun with the two of them.

Ye Chen, Liu Yue and Xiao Lulu started the game, they kissed and touched each other.

Because Liu Yue and Xiao Lulu were there, Yue Ya could relax a bit, he could rest aside and start enjoying his life.

Today Yue Ya was very satisfied, he was very satisfied with what Ye Chen had done to him, Yue Ya had no complaints against Ye Chen.

"Is this alive?" Yue Ya felt that if he was alive, he had a normal life that was very beautiful, this was a very beautiful thing for Yue Ya.

"This is very big, you seem very excited" Liu Yue said to Ye Chen, Liu Yue saw that Ye Chen was very excited.

"Whose fault is this really?" Ye Chen said to Liu Yue and Xiao Lulu, this was all Liu Yue and Xiao Lulu's fault, both of which made Ye Chen excited again.

"Really, I'm very happy to hear this, is it true Lulu" Liu Yue said to Xiao Lulu who was at the side.

"That's right" Xiao Lulu nodded, she was happy when she heard this.

"What are you waiting for, are you not going to start, or should I start?" Ye Chen asked Liu Yue and Xiao Lulu.

"Fufufu, you are so impatient, I will let you know that we are not easy to beat" Liu Yue said to Ye Chen, they are not easy opponents to deal with, they are much more powerful than Yue Ya.

"Come on show me, I want to see it" Ye Chen wanted to see it, he told Liu Yue and Xiao Lulu to show it.

"Lulu, are you ready?" Liu Yue said to Xiao Lulu, is Xiao Lulu ready to fight against Ye Chen.

"I'm ready" Xiao Lulu is ready, she has prepared herself very well.

"Good, let's start" Liu Yue said to Xiao Lulu, both of them started attacking Ye Chen.

Liu Yue and Xiao Lulu divided their duties, Liu Yue was on top, while Xiao Lulu was on the bottom.

Xiao Lulu attacked Ye Chen's younger brother using her skills, meanwhile Liu Yue kissed Ye Chen passionately.

The two of them performed an excellent combination of attacks, they were both able to give Ye Chen an excellent feeling of ecstasy.

Ye Chen was very happy, he was quite happy with what Xiao Lulu and Liu Yue were doing, both of them were doing the best they could to please Ye Chen, as a man Ye Chen naturally liked this.

Ye Chen enjoyed, he enjoyed the services Liu Yue and Xiao Lulu did, this was a very beautiful life for Ye Chen.

"You two, let's get started" Ye Chen said to Liu Yue and Xiao Lulu, he invited the two of them to play something more serious.

"You first" Liu Yue and Xiao Lulu both told each other to play first, they played and started enjoying everything.

"Fufufufu" Liu Yue and Xiao Lulu smiled, they both really enjoyed this.

"Okay then I'll go first" Liu Yue decided to start first, she immediately used Ye Chen's big thing and started eating it.

"Ohhh. . . , this is really great." Liu Yue was very happy, she was very happy with this feeling, she felt very full and regained the pleasant feeling in her life.

"Ahhhh, husband is great, it fills me up" Liu Yue said to Ye Chen, she liked Ye Chen's big thing that entered his body.

"This is great, let's make something fun and unforgettable" Ye Chen said to Liu Yue.

"Um. . ." Liu Yue nodded, the two began to move and work together to reach the top.

Both of them really enjoyed this pleasure, Liu Yue groaned and let out a very beautiful voice, the voice that Liu Yue gave off proved that she really enjoyed the feelings that Ye Chen gave her.

Xiao Lulu didn't stay still, she came closer and started kissing Ye Chen, Xiao Lulu was looking for happiness in her own way.

Liu Yue didn't last long, she only lasted 2 hours after which she took turns with Xiao Lulu.

Xiao Lulu took Liu Yue's position, she had been waiting for a long time and wanted to enjoy Ye Chen's big thing.

"Ahhh. . . This, big brother is too strong." Xiao Lulu's tiny body was a little difficult to accept Ye Chen's, Xiao Lulu got great pleasure from Ye Chen.

"This is very strict, Lulu, I love you" Ye Chen said to Xiao Lulu, Ye Chen said that he really loves Xiao Lulu.

"I love you too, please treat me well" Xiao Lulu told Ye Chen to treat herself well.

"I will" Ye Chen would do that, he would treat Xiao Lulu very well, he would not disappoint Xiao Lulu.

"Ahhh. . "Ye Chen accelerated his movement, he pumped fast and made Xiao Lulu reach the top very quickly.

Xiao Lulu and Liu Yue joined hands, the two taking turns to satisfy Ye Chen.

After a few hours, Yue Ya regained his strength, he saw the madness that Ye Chen, Liu Yue and Xiao Lulu did.

When Yue Ya saw the three entwined together, Yue Ya felt excited, she wanted to join the battle as well.

The problem was Yue Ya was still embarrassed to join Liu Yue and Xiao Lulu, what should he do.

"You want to join?" Liu Yue realized that Yue Ya was watching them, that's why he invited Yue Ya to join them.

"Is that okay?" Yue Ya asked Liu Yue, Yue Ya didn't know if this was fine or not.

Chapter 1946 get information from Hang Sayu

"You don't have to worry, we are family, so do your best to make each other comfortable" Liu Yue said to Yue Ya.

Hearing this, Yue Ya finally agreed to compromise, she finally let go of the uncomfortable feeling and started to join the battle.

Liu Yue, Yue Ya and Xiao Lulu worked together, they did the best they could to make Ye Chen fall, with Yue Ya's help they should be able to do just that.

Plus they had Yue Ya who was above average female and was one of the strong women in the God Realm, they should be able to beat Ye Chen.

Everyone worked together, they did the best they could to beat Ye Chen, it was really difficult to beat Ye Chen at first, but anything was possible as long as they cooperated properly and well.

At first they thought that everything would be fine, but in reality it wasn't like that, they really had a hard time fighting Ye Chen.

Even with Yue Ya's help, they still couldn't beat Ye Chen.

"How can he be this strong?" Yue Ya asked Liu Yue, she wanted to know why Ye Chen was so strong, Ye Chen's strength was unreasonable and very difficult to fight.

"Fufufufu, he is indeed very strong, you must be very difficult against him" said Liu Yue to Yue Ya.

Liu Yue told Liu Ya that Ye Chen was a very formidable opponent, even if all of Ye Chen's women came along, maybe they would be equal to Ye Chen.

Liu Yue knew how strong Ye Chen was, so it wasn't strange that she was used to this situation.

After listening to Liu Yue's words, Yue Ya lost her hope, it seemed impossible for her to beat Ye Chen, Ye Chen was too strong on the bed.

"No, big brother Ye Chen, you are too strong" Xiao Lulu was getting overwhelmed, the pleasure of connecting with Ye Chen was great.

"Looks like she needs our help" Liu Yue said to Yue Ya, she told Yue Ya that Xiao Lulu needed their help.

Yue Ya nodded, she and Liu Yue helped Xiao Lulu who was fighting Ye Chen.

Ye Chen tried various styles with Yue Ya, he taught this goddess various styles.

Surprisingly Yue Ya listened to Ye Chen and did what Ye Chen said, this gave Yue Ya an incomparable pleasure.

Almost 2 days had passed, the three of them were no longer able to afford it and were sleeping soundly on the bed, Ye Chen's strength was clearly above average and made them feel tired.

"It's really great" Ye Chen was very satisfied, he was very satisfied with the results he got.

"master" when Ye Chen wanted to rest, Chu Yuechan called out to him.

" what is it?" Ye Chen asked Chu Yuechan back, what made Chu Yuechan call him.

"I've finished interrogating Hang Sayu, I got some information about those people" Chu Yuechan said to Ye Chen, she and Qing Cheng had managed to get a lot of information from Hang Sayu.

"Good job, I'll go and have a look." Ye Chen seemed satisfied with Chu Yuechan's work, he had managed to get a lot of information from Hang Sayu.

Ye Chen entered the fairy gate, before leaving Ye Chen whispered to Liu Yue.

"You want to go?" Liu Yue asked Ye Chen.

"I have work, I will be back soon" Ye Chen informed that it would be very fast.

" Okay. . ." Liu Yue nodded, she went back to sleep together with Yue Ya and Xiao Lulu.

After saying goodbye to Liu Yue, Ye Chen went inside the fairy gate and went to Hang Sayu's place.

When Ye Chen arrived, he met Qing Cheng who was in this place as well.

"What did you guys find?" Ye Chen asked what Qing Cheng managed to find.

"Husband, it seems I have some bad news, Li Jingyi has been targeted, these people are involved in it" Qing Cheng informed about this matter.

"Are they aiming for his abilities?" Ye Chen asked what they were after Li Jingyi.

"They are after their special abilities and bodies, it is likely that they will use them for new containers so they can control" Qing Cheng told what he had found and told Ye Chen the truth.

Qing Cheng knew that Ye Chen would definitely be angry when he heard this, Ye Chen would definitely be annoyed when he heard about this matter.

"So they actually did that" Ye Chen was annoyed when he heard this, God Realm Illumination was targeting his woman for his own purposes.

"Where are they now?" Ye Chen asked Qing Cheng, he wanted to know the whereabouts of the leader of the God Realm Illumination.

"From what I can see there are three places, first is Eternal Sun Star, Five Lord Divine Academy, Immortal Profound Sea Realm"

"Meanwhile they have members in every major power from the Eternal Sun Star, Five Lord Divine Academy, Immortal Profound Sea Realm, Sacred Heaven Star Realm and Blue Moon God Star Realm, they all occupy important positions in every place and are the most powerful members. believed in great power" Qing Cheng explained everything to Ye Chen.

"So Yue Whang is one of the members too, it's not strange." Ye Chen nodded, it turned out that Yue Whang joined God Realm Illumination, it wasn't strange that he dared to challenge Yue Ya and planned such a bad thing.

"Is that all?" Ye Chen asked Qing Cheng.

"There is one more thing, looks like they are starting to watch over you, you better be a little careful, I advise you not to be too flashy" Qing Cheng said to Ye Chen.

Qing Cheng was very serious when it came to this matter, he told Ye Chen not to be too flashy because God Realm Illumination had already begun to realize the threat that Ye Chen posed.

"It's not strange if they start to realize, I have caused a lot of chaos." Ye Chen said knowing this matter, he already felt that his existence had been discovered by God Realm Illumination.

"I hope you are more careful" Qing Cheng told Ye Chen to be even more careful, their opponent would be very tough and very difficult to deal with.

"Relax, everything is under control" Ye Chen said to Qing Cheng, he told Qing Cheng not to worry too much about this matter.

"Can you give some names that you know, maybe I will clean up the God Realm illumination in Blue Moon God Star Realm." Ye Chen asked for the names of the people involved, he wanted to clear things up so that Yue Ya would be fine.

"Okay, I'll start writing and painting it for you" Qing Cheng gave Ye Chen what he wanted, she gave everything he got in great detail.

"You all will be in big trouble because of this." Hang Sayu said to Qing Cheng and Ye Chen, telling them that Ye Chen would be in big trouble.

"Have you had enough, I will not listen to your words" Ye Chen said that he would not listen to Hang Sayu's words.

Hearing Hang Sayu's words would make Ye Chen stupid and submit to those annoying bad guys.

"you will find out later" Hang Sayu said to Ye Chen, Hang Sayu said that Ye Chen would definitely get into trouble soon.

Ye Chen ignored Hang Sayu, she started to focus on looking at Qing Cheng, what Qing Cheng was doing was more interesting than listening to Hang Sayu's words.

Qing Cheng described everyone he knew, this way Ye Chen could easily find them.

Chapter 1947 awaken Hang Sayu's mind

"Very well done, you two did a very good job." Ye Chen praised Chu Yuechan and Qing Cheng, both of whom were doing really great things.

"You're welcome" Chu Yuechan and Qing Cheng were happy to be able to help Ye Chen.

"Oh yeah, where is she from?" Ye Chen asked Qing Cheng, he wanted to know where this woman came from.

Ye Chen wanted to see where Hang Sayu came from, where did Hang Sayu come from.

"That's a very good question, if I'm being honest, she's from Heaven Light Palace." Qing Cheng told Ye Chen that Hang Sayu was from Heaven Light Palace.

"This woman?" Ye Chen did not expect that Hang Sayu was from Heaven Light Palace.

"Yes, that's right, he is from Heaven Light Palace and is Shui Yixian's most talented disciple, too bad she joined and became God Realm Illumination" Qing Cheng said helplessly.

Ye Chen looked at Hang Sayu, it turned out that this woman was one of the people that Shui Yixian trained, it wasn't strange that she was very talented.

"So what are you going to do?" Qing Cheng asked Ye Chen, what would Ye Chen do to Hang Sayu.

"Since she is a disciple of Yixian, then let Yixian decide what to do" Ye Chen would leave this matter to Yixian, he would let Shui Yixian do what was needed to Hang Sayu.

"So you know my master ?" Hang Sayu said to Ye Chen, she said whether Ye Chen knew Shui Yixian.

"Of course, she is one of the people who helped me" Ye Chen said to Hang Sayu.

"Did she never tell you about me?" Hang Sayu asked Ye Chen, Hang Sayu asked if Shui Yixian never told about her.

"He never told about you" Ye Chen said that Shui Yixian never told the matter about Hang Sayu.

"Obviously, she doesn't want to know about this matter, she doesn't want to tell you because I'm one of the best disciples she trained" Hang Sayu said to Ye Chen.

"You are indeed great, but it is a pity that you have gone the wrong way" Ye Chen said to Hang Sayu.

Ye Chen was going to admit that Hang Sayu was very genius, he had to admit that Hang Sayu was extremely genius and was a woman with a unique power of light.

But when compared to Zhao Yanyan, maybe his talent will lose, Zhao Yanyan is much stronger than Hang Sayu.

"I don't feel that the path is wrong, on the contrary, you are the ones who have taken the wrong path" Hang Sayu said to Ye Chen.

Ye Chen took a chair, he sat in front of Hang Sayu and looked straight at Hang Sayu.

When Ye Chen looked at her with a sharp gaze, Hang Sayu immediately avoided Ye Chen's gaze, for some reason her heart was uncomfortable when Ye Chen stared at her.

"Tell me, why do you think I'm going the wrong way?" Ye Chen asked Hang Sayu, Ye Chen wanted to know why Hang Sayu said this.

"Let me explain with a story" Hang Sayu said that she would explain this using words.

"One day there was a good man with a sword on his shoulder, this good man likes to help people and make good things, it can be said that this person is a very good person" Hang Sayu started the story.

"Then" Ye Chen asked Hang Sayu, he wanted to know the continuation of Hang Sayu's story.

"One day that person found a very powerful weapon that can be used" said Hang Sayu to Ye Chen, Hang Sayu explained everything to Ye Chen, the story that Hang Sayu told was very good.

"When that person finds a good weapon, he uses it to rob and does bad things so that there are many victims"

"And you know what happened next?" Hang Sayu said to Ye Chen.

"Let me guess, did he make a mess" Ye Chen said to Hang Sayu, Ye Chen guessed what would happen next.

"You're absolutely right, your guess is very correct." Hang Sayu nodded, Ye Chen's guess was absolutely correct.

"I knew." Ye Chen had expected this, he had already guessed that all of this would happen.

"That person made a mess and destroyed everything, just for him to be stopped and the object taken" Hang Sayu said to Ye Chen.

"You mean confiscated?" Ye Chen asked Hang Sayu, from Hang Sayu's story, Ye Chen felt that the object was confiscated.

"You can say it like that" Hang Sayu nodded, she could tell that it was confiscated.

"Then you will use it for your purposes, such as maintaining your power, am I wrong?" Ye Chen said to Hang Sayu in front of him.

When Ye Chen said this, Hang Sayu immediately fell silent, she was speechless when she listened to what Ye Chen said.

"Let's shorten the story that you gave, in fact you take other people's valuables and use them for your benefit, am I wrong with this" Ye Chen said to Hang Sayu.

"No it's not like that, we made sure that it wasn't used by the wrong people" Hang Sayu said to Ye Chen.

"Do you think that everyone who uses high-end artifacts is wrong, if that's what you think then you are gravely mistaken" Ye Chen said to Hang Sayu.

"You know Yixian, she has very great power in this world" Ye Chen said to Hang Sayu about Hang Sayu's strength.

"Of course I know, she has the power to see what happens in the future, it's a shame she doesn't want to use it, she is very stupid" Hang Sayu said to Ye Chen.

Hang Sayu felt that Shui Yixian was stupid, even though she had a very formidable ability that surpassed everything, it was a shame that she didn't want to use that ability to help the future.

"Hahaha" Ye Chen laughed when he heard this, he laughed when he heard what Hang Sayu said.

"Why are you laughing, is there anything funny?" Hang Sayu asked Ye Chen, Hang Sayu didn't understand why Ye Chen laughed.

"That's right, you're so cute, aren't you aware of that?" Ye Chen asked Hang Sayu.

"What do you mean, you make me feel confused?" Hang Sayu asked Ye Chen, Ye Chen confused him.

"Let me be clear, if you say Yixian is a stupid woman, then you are more stupid than her, you know she must know what you do in the future, but she still takes you and trains you well, so now who is the fool here, Yixian or you" Ye Chen asked Hang Sayu.

Hang Sayu was speechless when she heard this, when Ye Chen said this, Hang Sayu was speechless.

He couldn't find an answer to Ye Chen's words.

If Hang Sayu thought about it well, then what Ye Chen said was the absolute truth.

If Shui Yixin had indeed done that, it would be certain that Hang Sayu had died a long time ago, but strangely, Shui Yixian took her and trained her to what it is now.

"Listen to my words, you are only used as a tool by them, so don't do it again" Ye Chen said to Hang Sayu, he didn't want Hang Sayu to be used as a tool for the benefit of these evil people.

Hang Sayu was silent, she was lost in thought to herself, she thought well of Ye Chen's words.

Chapter 1948 12 Guardian God emergency meeting

Hang Sayu thought about what Ye Chen said, what Ye Chen said might be true too.

"How, have you thought about what I said" Ye Chen said to Hang Sayu.

Hang Sayu's stance began to waver, she felt that what she had done was wrong.

"I ask you, how many lives have those people lost." Ye Chen tried to corner Hang Sayu using his own words,

This way, Ye Chen should be able to change and awaken Hang Sayu.

Hang Sayu couldn't answer Ye Chen, she already didn't know how many people were removed from this world, all of them were threats and had to be exterminated, it was an order from the higher-ups.

"I'm really curious, why do you want to do this" Hang Sayu was curious about what Ye Chen was trying to do, she was quite curious about what Ye Chen was trying to do.

Ye Chen tried to change Hang Sayu's way of thinking, it wasn't strange that Hang Sayu wanted to know what Ye Chen wanted from the start.

"I just want you to be aware of what happened, I don't like seeing someone with pure strength like you become like this" Ye Chen said what he wanted, he told Hang Sayu that he didn't like seeing Hang Sayu join the dark side while he had power pure light.

"So it's like that" Hang Sayu nodded, she believed what Ye Chen said, she could see the honesty of Ye Chen's words.

"So what's your answer?" Ye Chen asked Hang Sayu, he wanted to know Hang Sayu's answer.

"I'm still confused, please give me time to think about it" Hang Sayu said that she needed time.

"Okay, I'll give you some time" Ye Chen nodded, he would give Hang Sayu some time to think.

"Let's go" Ye Chen took Chu Yuechan and Qing Cheng away from this place, the three of them left Hang Sayu so he could think about what happened.

"Those words were very good." Qing Cheng said to Ye Chen, Ye Chen's words were very good and made Hang Sayu's mind confused.

"Thank you very much, I did all of this to wake her up" Ye Chen said to Qing Cheng.

"What you did was very good, I'm sure he will change his mind" said Qing Cheng.

Qing Cheng firmly believed that Hang Sayu would change, Ye Chen's words just now could definitely make him change his mind.

"Yuechan" Ye Chen said to Chu Yuechan who was beside him.

"What is it, do you need anything?" Chu Yuechan asked Ye Chen if Ye Chen had anything to say to him.

"Please tell Yanyan to come to this place with Yixian, her presence might speed up Hang Sayu to change her mind and help us" Ye Chen said to Chu Yuechan.

"Okay I understand" Chu Yuechan understood, he would immediately carry out Ye Chen's orders.

Ye Chen should be able to make Hang Sayu follow them, Ye Chen saw that Hang Sayu held a very important special position in God Realm Illumination.

As members of the 12 Guardian Gods, Hang Sayu definitely had a lot of things they could use for battle, their opponents had already prepared themselves to battle Ye Chen as well

In the headquarters of the 12 Guardian Gods, there are a total of eight people sitting neatly, they are members of the 12 Guardian Gods who have the high position of 12 Guardian Gods and are the list of the 100 strongest people in this God Realm.

Xin Jine and Ma Bakyu who were previously opposite Ye Chen were also in this place, they were sitting on their seats.

"Is this all everyone?" the leader of the 12 Guardian Gods said to everyone.

"It seems that this is all, some are still busy with their business and can't come, we will convey this matter to those who can't come".

a woman with gray hair said to the leader, this woman has the aura of a leader, even though she looks old, she still has very strong bones.

This woman is Rong Houi, a member of the 12 Guardian Gods and the co-leader of the 12 Guardian Gods, her strength and intelligence are still recognized in her old age.

"How can they miss this kind of thing" the leader of the 12 Guardian Gods was angry, he was angry when he heard this.

"Leader Yang, please start." Rong Houi said to the leader of the 12 Guardian Gods, which was the leader of the 12 Guardian Gods.

Yang Guo, the one with the most strength among the 12 Guardian Gods, and the most arrogant person among the 12 Guardian Gods.

"Leader, let's get straight to the point, let's talk about Mask Hero, that's more important" the other members said to Yang Guo, they wanted to talk about Mask Hero immediately and find a way to take care of it.

"You are all right, let's discuss how we will take care of this person, this person gives me a headache, he has caused so much chaos in the entire God Realm" Yang Guo felt dizzy, she felt dizzy with what Ye Chen did, Ye Chen had done so many things that Yang Guo felt dizzy.

"Let's find a way to beat that guy" Ma Bakyu was excited, he hated Ye Chen so much that he almost killed himself.

Ma Bakyu still remembered the battle with Ye Chen, he had been defeated and humiliated by Ye Chen.

"Kid, shut up, you've already lost so don't talk too much" Rong Houi told Ma Bakyu to be quiet, he had already lost to Ye Chen and lost with shame.

Ma Bakyu was silent, she didn't dare to go against Rong Houi's words anymore, she knew that she was not this old woman's opponent.

"Mrs. Rong, she is a very strong opponent, it is not strange that Bakyu can't win against her." Xin Jine helped Ma Bakyu, he helped explain that Ye Chen was a very formidable opponent.

"Do you think I care about this matter, you should know that you have already lost, even though you are three and he is only one person, how can you lose and lose one person" Rong Houi said to Ma Bakyu and Xin Jine.

"You mean Hang Sayu didn't come back?" Xin Jine asked.

"Her existence has disappeared from this world, I don't know if he is still alive or not, I can't feel her existence anymore" Rong Houi said that he couldn't find Hang Sayu's whereabouts.

"Was he killed?" Everyone in this place didn't believe what Rong Houi said, they all didn't believe that Hang Sayu was gone.

"I think it's possible, that person has made me use two forbidden techniques, strangely all of them don't work" among everyone Xin Jine was the one who believed what Rong Houi said.

"you mean?" Yang Guo asked Xin Jine, he wanted to know the exact details of what Xin Jine just said.

"All the attacks that I use don't work against people, every attack can be easily blocked, plus he is able to control the opponent's attacks," said Xin Jine.

"No way, I've never heard of such a thing." Rong Houi had never seen anything like this, it was the first time he had heard of such a thing.

"he's not lying, my attack was taken over and hit me himself, he's really an unreasonable person" Ma Bakyu confirmed what happened, he confirmed what Xin Jine said.

"I see." Rong Houi nodded, she got very good information.

Chapter 1949 12 Guardian Gods aiming for immortal light profound pearl

"If he doesn't work with strength, then how do you beat him?" Yang Guo said to Ma Bakyu, then how did they defeat the Mask Hero.

"if I don't remember wrong Hang Sayu's power to be able to hurt that person, it's most likely that he is weak to light," said Ma Bakyu.

"This is so troublesome, we don't have many people with the power of light" they don't have much strength, Hang Sayu is the best and it has been recognized by everyone.

"If that's true, then this will be a very troublesome thing, in the God Realm there are not too many people with the power of Light, looking for them would be a very difficult thing to do" Rong Houi told everyone in this place.

"Honestly this will be a very troublesome thing" everyone nodded, they all agreed with what Rong Houi said.

"What about Shui Yixian, in God Realm, he is the first person with the power of light" Xin Jine said to everyone.

"Impossible, that woman doesn't like us, so asking her for help is impossible for us to do, it's the same as doing stupid and very silly things" Rong Houi said to Xin Jine.

"Asking for that woman's help is absolutely impossible, so throw that thought away" Yang Guo said to everyone in this place.

"Then what should we do, we can't let that guy keep running around and messing things up" Rong Houi said to Yang Guo.

If they let Mask Hero continue to mess up, then it would be a problem for them, plus they couldn't control Ye Chen, Ye Chen was too strong and couldn't be controlled by someone.

"Okay, how about we send people to destroy him and find his weakness" Ma Bakyu gave a suggestion to send people and look for the weakness of Mask Hero.

"The problem is that we all don't know where he is now." Yang Guo said that they didn't know the whereabouts of the Mask Hero, even the great powers of the God Realm couldn't find Ye Chen's whereabouts.

Everyone immediately agreed when they heard this, they really couldn't find Ye Chen's whereabouts, finding Ye Chen's whereabouts was a difficult thing to do.

"We can send a search party, they are the best people in the God Realm" Ma Bakyu said to Yang Guo.

They still had the best search squad in the world, so finding enemies should be an easy thing to do.

"He's absolutely right, then let's look for his whereabouts with the search team" well, since you all have agreed, I will immediately send the search team to find the whereabouts of that person" because everyone has agreed, then they will immediately send a search team to find him. traces of Ye Chen.

With the help of the best search party in the God Realm, they should be able to find Ye Chen's whereabouts very easily.

"Is there anything else?" Yang Guo asked the people in this place.

"There, one more thing that the old monsters ordered us, they told us to look for the whereabouts of the immortal light profound pearl, it seems that it has appeared in this world" Rong Houi said to everyone.

Everyone was shocked when they heard this, the immortal light profound pearl was one of their keys to obtaining immortality, they had been looking for this thing for a long time.

"Are you sure about that?" Everyone still didn't believe what happened, they all still couldn't believe what Rong Houi had just said.

"I'm telling the truth, it's straight from an old monster, so we need to find it immediately." Rong Houi said that this was 100% accurate news.

"Then we must not waste time, all of you, quickly go and look for the whereabouts of the immortal light profound pearl, if you don't find it, then don't come back to this place" Yang Guo said to everyone.

Everyone nodded, they immediately went and carried out Yang Guo's orders, people who didn't come would also be notified of this matter, they should know about this news.

Everyone immediately left, they began to search for the whereabouts of the immortal light profound pearl.

Now in this place there are only Yang Guo and Rong Houi.

"There's been a lot of trouble and good stuff lately, it's really really weird." Yang Guo said to Rong Houi.

"That's really true" Lately, there have been many things that have made the God Realm chaotic, we have to get serious and solve this problem, don't let this problem become big and out of our control.

"I understand" Rong Houi understood, she would do her best to help resolve this matter, she couldn't just let this matter get out of hand.

The two of them agreed, they both immediately went to do what they had to do.

Returning to where Ye Chen, Liu Yue, Yue Ya and Xiao Lulu were currently awake, they felt that their bodies were quite energized.

Yue Ya himself started cultivating, she was trying to stabilize her strength increase, she gained enormous benefits when doing Dual Cultivation with Ye Chen.

Yue Ya didn't expect that doing Dual Cultivation would be so convenient and gain an increase in strength, if she had known earlier, perhaps Yue Ya wouldn't have waited long and would have immediately pounced on Ye Chen like a starving wolf.

Liu Yue and Xiao Lulu also benefited, they benefited from Dual Cultivation with Ye Chen, although they couldn't compare to Yue Ya's first time and gained enormous benefits.

After a while, Yue Ya had managed to stabilize her strength, now her strength was much more stable, she had already reached the highest stage of Divine Overlord Realm and became a strong woman.

Yue Ya tried her strength, she felt that it was really amazing.

"How, did you get any benefits?" Liu Yue asked Yue Ya.

"Honestly, I'm still surprised by this." Yue Ya said that she was still surprised by this.

"Fufufufu, you will get used to this, he has an Ancient (Yang) Body, so doing so will provide many benefits" said Liu Yue to Yue Ya.

"Ancient (Yang) Body, isn't weird, so he has it, so that's the reason why he's stuck with so many women" Yue Ya finally understood why Ye Chen was stuck with so many women, Ancient (Yang) Body forced him to do that .

"That's right, it might be a blessing for him" Liu Yue said to Yue Ya.

"That's right, he is too lucky, it seems I can't protest anymore" Yue Ya said helplessly.

"Fufufufu" Yue Ya smiled, both of them started to smile when discussing Ye Chen.

"But wouldn't it be a problem if until he was found, there would be many people chasing him because of the Ancient (Yang) Body, especially beautiful and cunning women" Yue Ya said to Liu Yue.

"You worry about him, I think you don't need to worry, you know that she is a natural enemy of women, if you can't fight him, how can a normal woman beat her" said Liu Yue.

Yue Ya's face immediately turned red when she heard this, what Yue Ya said was true, she couldn't beat Ye Chen, Ye Chen's strength was beyond bounds and it was very difficult to deal with.

"Here are new clothes for you guys" Xiao Lulu came and brought new clothes for Liu Yue and Yue Ya.

"Thank you very much" Liu Yue and Yue Ya thanked Xiao Lulu for what she did.

Chapter 1950 Take Shen Niang around the Blue Moon God Star Realm

Yue Ya and Liu Yue started to wear the clothes given by Xiao Lulu, now they look very beautiful in the new clothes given by Xiao Lulu.

"You, why are you wearing such clothes?" Yue Ya asked Xiao Lulu, why did Xiao Lulu wear maid clothes.

"That's because I like it, from the start I liked helping my older brother in cleaning the house and plants" said Xiao Lulu to Yue Ya.

"How did you meet Ye Chen?" Yue Ya wanted to know how Xiao Lulu met Ye Chen.

"That time, I was kidnapped by someone, after that I was saved by Ye Chen's older brother and followed him until now" Xiao Lulu said to Ye Chen.

"Do you think he's good?" Yue Ya asked Xiao Lulu, Yue Ya wanted to know Xiao Lulu's opinion of Ye Chen.

"He is very kind, he takes care of everyone and provides comfort to everyone, they all want to follow him because of this" said Xiao Lulu.

Xiao Lulu said while praising Ye Chen, she said that Ye Chen was the one who had saved her from various things.

"She's so innocent" Yue Ya saw that Xiao Lulu was so innocent, she was so innocent when she said Ye Chen was a very good person.

"Isn't she cute, she looks like a doll" said Liu Yue to Yue Ya.

"You're absolutely right, she looks a lot like a doll, I think I want to hug her" Yue Ya said to Liu Yue.

"giggle" Liu Yue and Yue Ya smiled, both happy and laughing when they saw Xiao Lulu.

"You have almost similar power to me, tell me, where did you get that power from, should the person who can wield the Celestial Moon Light Sword only come from the Blue Moon God Star Realm" Yue Ya said to Liu Yue, Yue Ya wanted to know from where Liu Yue got that power.

"I got it from the fairy gate" Liu Yue informed that she got a copy of the Blue Moon God art from the fairy gate.

"Fairy Gate, what kind of place is that?" Yue Ya was curious, she wanted to know what kind of place it was.

"I will explain it to you" Liu Yue started to explain what she knew, she explained to Yue Ya what she knew about the Fairy Gate.

Yue Ya listened to Liu Yue's explanation, when he listened to Liu Yue's explanation it made Yue Ya feel more and more curious.

"Your explanation is great, it makes me curious" Yue Ya said to Liu Yue.

Yue Ya was curious about what Liu Yue said, he wanted to go to the fairy gate.

"You can ask husband to take you" said Liu Yue to Yue Ya.

In this world there were only Ye Chen, Zhao Yanyan, Li Jingyi and Chu Yuechan who could bring someone inside the fairy gate, that's why Yue Ya needed Ye Chen to go there.

"By the way, where did that brat go?" Liu Yue wanted to know where Ye Chen had gone, she was quite curious about Ye Chen's whereabouts.

"He should be inside the fairy gate" Liu Yue informed that Ye Chen was inside the fairy gate to do something.

"We can only wait for him" Yue Ya had no choice but to wait for Ye Chen.

Ye Chen himself had long been out of the fairy gate, Ye Chen was currently accompanying little Shen Niang playing around the Blue Moon God Star Realm.

When Ye Chen was inside the fairy gate, Ye Chen bumped into little Shen Niang, this made Ye Chen have to take him around the God Realm, otherwise little Shen Niang would not let Ye Chen go.

"How, do you like this place?" Ye Chen asked little Shen Niang.

"Yes I like this place, I feel like I've been here before" Little Shen Niang felt that he had been here before.

"Perhaps you have been here before." Ye Chen nodded, he believed that the real Shen Niang had come to the Blue Moon God Star Realm.

"Let's go around again" Little Shen Ning took Ye Chen around again, she wanted to have fun with Ye Chen.

Ye Chen followed little Shen Niang, he did what little Shen Niang wanted, as a good man, Ye Chen would not disappoint the goddess in front of him.

Ye Chen met the guards several times, all the guards looked surprised when he met little Shen Niang, the beauty of the woman beside Ye Chen was the first miracle in this world.

As the first goddess in the God Realm, Shen Niang's beauty was first and foremost recognized and very difficult to match.

"Let's go back" after being satisfied, Ye Chen took little Shen Niang back.

"Okay, let's go back, you have to carry me on your shoulders" Shen Niang asked Ye Chen to carry herself.

"You are not a child, so don't ask for such a thing" Ye Chen said to little Shen Niang.

It would be funny when little Shen Niang asked Ye Chen to pick it up.
