

## **True God 1951**

Chapter 1951 Dongfang Xiu's official wedding date

"What kind of news did you get?" Yue Ya asked Ye Chen, she wanted to know what Ye Chen got.

"I got a lot of people who might cause trouble in the future" Ye Chen said to Yue Ya.

"where did you get this news from" Yue Ya stood up, she wanted to know where Ye Chen got this information from.

Honestly Yue Ya really wanted to know where Ye Chen could get this kind of important information, this kind of information was very hard to find in this world.

"hehe, I have a lot of information" Ye Chen said to Yue Ya.

"You are so stingy" Yue Ya said in a displeased tone, Ye Chen always tried to hide the problem from her.

"Alright, let's start cleaning" Ye Chen said to Yue Ya, Ye Chen invited Yue Ya to clean up.

"Okay, I'll clean up, it's time to try the strength I have." Yue Ya totally agreed with what Ye Chen said, it's time for them to try their strength.

Yue Ya immediately went to meet all the people who had been designated as people of the God Realm Illumination.

Blue Moon God Star Realm is in shock again, Yue Ya is again doing great things in Blue Moon God Star Realm.

"Arghhhh. . . ." The people who were part of the God Realm Illumination couldn't move, they were already locked up by Ye Chen.

"Moon goddess, why did you attack us" these people said to Yue Ya.

"You guys are still asking me, you should all know why I attacked you" Yue Ya said to these people.

Yue Ya only attacked some people, while the others saw what Yue Ya was doing.

"All of you listen carefully, I won't accept any more rebellions, make sure you don't come into contact with the Illuminated God Realm like them, otherwise you won't get a place in the Blue Moon God Star Realm." Yue Ya said to everyone present. This, Yue Ya's words were very clear, she told everyone that she didn't want his people to join the God Realm Illumination.

Everyone was silent when they heard this, to be honest they didn't expect that Yue Ya would know about this matter.

"All of you will be punished" Yue Ya waved her hand, a light shone on the people and made them feel pain.

"Arghhhh. . ." these people shouted, they all felt a terrible pain from Yue Ya's power.

"Do you want to talk or not?" Yue Ya asked, she asked these people to say whether they were involved in God Realm Illumination or not.

"Stop, we will talk" people are not strong, they are not strong with Yue Ya's torture.

"Very good" Yue Ya was very happy, she was very happy to see people obeying.

Yue Ya looked at Ye Chen, she smiled at Ye Chen who was once again helping herself to solve future problems.

Ye Chen smiled back, he was happy to be able to help Yue Ya, it was a joy when he could help the moon goddess Yue Ya.

"It seems that all the problems have been solved." Ye Chen saw that all the problems were solved, now the God Realm Illumination has completely disappeared from the Blue Moon God Star Realm.

"Husband, you are really great" Liu Yue said to Ye Chen, she told that Ye Chen was really great.

"Hehehe, of course, it's me, of course I'm a very great person" Ye Chen said to Liu Yue.

"What are you going to do next?" Liu Yue asked Ye Chen, she asked what Ye Chen would do.

"What, honestly I want to practice" Ye Chen said that he wanted to train, he had spent so much of his time healing people that he didn't have time to practice.

"That's all" said Liu Yue to Ye Chen, what else is there?" Ye Chen asked Liu Yue, Ye Chen just wanted to practice and try to learn a new technique.

Yue Ya had obtained the testimony of these people, now he could imprison them for the crimes they committed.

"Take them to prison" Yue Ya said to the guards, Yue Ya gave an order to take these people to prison.

The guards dragged these people, they were taken to prison to be held accountable for what they did.

"moon goddess, give us a chance" Everyone begged Yue Ya, they wanted to get a second chance from Yue Ya.

Yue Ya ignored the pleas that these people had, she ignored them and focused elsewhere.

"Immortal Profound Sea Realm's envoy came to see the moon goddess" The guard informed Yue Ya that the Immortal Profound Sea Realm's envoy had come.

"Immortal Profound Sea Realm, what are they doing" Upon hearing this, Ye Chen immediately wanted to know what they wanted.

"Let him in." Yue Ya said to let the envoy from the Immortal Profound Sea Realm enter.

After Yue Ya gave a pass, finally an envoy from the Immortal Profound Sea Realm entered this place.

a man came in carrying something for Yue Ya.

"What is the reason the Immortal Profound Sea Realm sent you to my place?" Yue Ya asked the messenger in front of him.

"Sorry moon goddess, I came to this place to give you something" the messenger wanted to give something to Yue Ya.

" what's that?" Yue Ya asked the messenger in front of him what the Immortal Profound Sea Realm wanted to give him.

"This, let the moon goddess take a look" the messenger handed a paper to Yue Ya.

Yue Ya received the paper given by the messenger in front of her, when Yue Ya opened it, she found that it was an invitation for her.

"Hmmm, very interesting, so they brought everything forward." Yue Ya was interested when she read the contents of the invitation.

"Is this the only purpose you came to my place?" Yue Ya asked the messenger in front of her.

"This servant only accepts orders, if it pleases I will leave immediately" said the messenger to Yue Ya.

"I have received it, so you can go" Yue Ya said to the messenger in front of him.

After completing all the tasks, the messenger from the Immortal Profound Sea Realm immediately left the Blue Moon God Star Realm.

After the envoy from the Immortal Profound Sea Realm left, Yue Ya went to see Ye Chen.

The latest\_epi\_sodes are on\_the [LIBREAD.COM](http://LIBREAD.COM). website.

" what's that?" Ye Chen asked Yue Ya, he wanted to know what the messenger from the Immortal Profound Sea Realm had just given him.

"This?, looks like this is an invitation" Yue Ya said to Ye Chen, Yue Ya told that this was an invitation.

"Invitation to what?" Ye Chen asked what kind of invitation Yue Ya meant.

"What else is an invitation, of course a wedding invitation, you must have heard the rumours" Yue Ya said to Ye Chen.

The rumors of goddess Dongfang Xiu's marriage should have spread all over the world, so everyone should know.

Ye Chen clenched his fists as he listened to what Yue Ya said.

" When is it?" Ye Chen asked Yue Ya, Ye Chen wanted to know when the wedding would take place.

"After the God Realm Martial Art Competition is over" Yue Ya said to Ye Chen, Yue Ya told when the wedding would take place.

"So soon" Ye Chen said to Yue Ya, Ye Chen understood, he didn't have much time left.

"What about him?" Yue Ya asked Liu Yue, why did Ye Chen look serious when discussing Dongfang Xiu's marriage matter.

Chapter 1952 he knows the most beautiful goddess in the God Realm

"You don't know that he has a love story with the goddess Dongfang Xiu," said Liu Yue.

Liu Yue explains that Ye Chen has a love story with Dongfang Xiu.

" what ! ! !" Yue Ya looked surprised when she heard this, she didn't expect that Ye Chen would have a love story with Dongfang Xiu.

"How is that possible?" Yue Ya couldn't believe what Liu Yue said, to be honest she was the one who couldn't believe that a goddess with a cold heart like Dongfang Xiu could fall in love with someone.

Yue Ya saw Dongfang Xiu several times, she saw that Dongfang Xiu was a woman who was very indifferent to others, in this world there was probably nothing that could attract her, even Yue Ya couldn't make Dongfang Xiu feel attracted to her.

"You doubt what I said?, you need to know that I will not lie to you" Liu Yue will not lie to Yue Ya, she doesn't like to do that.

"Explain to me, I want to know the details" Yue Ya said to Liu Yue, she wanted to know the details.

Liu Yue started to explain everything to Yue Ya, she told Yue Ya everything she knew.

"So it's like that" Yue Ya looked at Ye Chen, not expecting that Dongfang Xiu met Ye Chen so much faster than her.

That meant that before him, Ye Chen had already met Dongfang Xiu.

"I didn't expect it, it's not strange that she can easily get along with me." Yue Ya now understood why Ye Chen could easily get along with her, it turned out that he had a relationship with a super cold goddess like Dongfang Xiu.

When compared to Dongfang Xiu, then it would definitely be far away, obtaining Dongfang Xiu would be like ascending to the endless layered sky.

"he has a lot of secrets" Yue Ya saw that Ye Chen had quite a lot of secrets, this made Yue Ya even more interested.

"Who else in the God Realm is she related to?" Yue Ya wanted to know more, so she asked Liu Yue.

"Besides you, there is another Nangong Xiang" said Liu Yue to Yue Ya.

"What did you say . . ?" Yue Ya almost fell when she heard this, if previously Yue Ya had been shocked when she heard Dongfang Xiu, then this time Yue Ya almost fell when she heard Ye Chen had a relationship with Nangong Xiang.

"Isn't he too daring to start a relationship with Empress Sun?" Yue Ya said to Liu Yue, Yue Ya did not expect that Ye Chen had such a relationship with Nangong Xiang.

"Looks like it's not what you think" Liu Yue said to Yue Ya.

"You know who Nangong Xiang is right?" Yue Ya said to Liu Yue.

"She is a former empress, I should have heard of that before" said Liu Yue to Yue Ya.

"ex?, she is not ex, she is still an empress, I met her a few years ago" Yue Ya said to Liu Yue.

"That's not her, real her is at our place" said Liu Yue to Yue Ya.

"Then who did I meet?" Liu Yue said to Yue Ya, Yue Ya wanted to know who she met a few years ago.

"Maybe it's someone else, believe me Nangong Xiang is at our place and always with us" said Liu Yue to Yue Ya.

"Alright" Yue Ya understood, if he were to meet Nangong Xiang, he would want to ask her a lot of things.

"Okay I'll be back" Ye Chen said to Yue Ya, everything in this place is finished, it's time for Ye Chen to return.

"Why do you want to come back?" Yue Ya asked Ye Chen, she wanted to know the reason for Ye Chen to come back.

"I will prepare for the competition" Ye Chen told Yue Ya that he was going to take part in the competition.

"What about Dongfang Xiu, what are you going to do?" Yue Ya asked Ye Chen, Yue Ya wanted to know what Ye Chen would do.

"Very good question, maybe I will do something later, let's see what I will do" Ye Chen had his own plan, he already knew what he would do to solve this matter.

"Whatever you do, make sure not to cause trouble" Yue Ya advised Ye Chen not to cause trouble.

"I'm not sure I can do that" Ye Chen said that he wasn't sure that he could do what Yue Ya said.

"Humph, it's you. . Yue Ya was helpless, she couldn't do anything about this matter.

"wife, are you going to stay in this place?" Ye Chen asked Liu Yue.

"I will be here for a while, I want to learn some techniques from her, looks like she needs help here" Liu Yue informed that she would stay and learn from Yue Ya.

It seemed that Yue Ya was a suitable person to provide guidance to Liu Yue.

"Okay, you know where to look for me" Ye Chen said to Liu Yue.

Ye Chen let Liu Yue stay in this place, staying in this place would be.

Xiao Lulu will come with Ye Chen, she will come back with Ye Chen.

Ye Chen took Xiao Lulu to go to the Sky Cloud Peak Star Realm, where Ye Chen immediately told Xiao Lulu to get to know the woman in this place.

"Xiao Lulu can easily get to know Ye Chen's women who are in the Sky Cloud Peak Star Realm, they welcome Xiao Lulu very well.

"So cute, you are like a doll" Li Jingyi was the most excited person, she was very excited and hugged Xiao Lulu very tightly.

Xiao Lulu was really cute, it wasn't strange that Li Jingyi wanted to hug her.

Ye Chen smiled when he saw this, it seemed that Ye Chen had nothing to worry about anymore, everything was fine and everyone was able to receive Xiao Lulu very well.

"Ying, how is her condition, is anyone trying to catch Jingyi again?" Ye Chen asked Huang Ying.

"Everything is under control, no one is trying to harm Jingyi" Huang Ying said that no one can hurt Li Jingyi.

"What about you, did your journey in the Blue Moon God Star Realm go very well?" Huang Ying asked Ye Chen.

"Everything went very well, I managed to get a captive from the God Realm Illumination" Ye Chen said to Huang Ying.

"Who is it?" Huang Ying was curious, he asked who the woman Ye Chen had just said.

"She is Hang Sayu" Ye Chen said to Huang Yin.

"Hang Sayu, I've never heard of it." Huang Ying never heard of it, it's probably a new member of the God Realm Illumination.

"Did you meet the old monster?" Huang Ying asked Ye Chen.

"No, I didn't meet them" Ye Chen told that he didn't meet them.

"Thank God, if you don't meet them, in God Realm Illumination, they are the most terrifying, they are like the most cruel gods you can never imagine" Huang Ying said to Ye Chen.

Ye Chen listened to Huang Ying's description, it seems that the old monsters that Huang Ying mentioned are very terrifying, they may be much stronger than the 12 Guardian Gods.

"Actually I want to see how strong they are, whether the current me is able to fight them, I'm very curious about it." Ye Chen was quite curious about the highest person in God Realm Illumination.

Chapter 1953 The real God Realm competition is about to begin

"There will be a time when you meet them" Huang Ying informed that there will be a time when Ye Chen met these people.

"I hope you're right, I can't wait" Ye Chen said that he was impatient, he wanted to beat these people immediately.

"do you have free time, how about we practice" Ye Chen said to Huang Ying, Ye Chen took Huang Ying to practice, he wanted to train together with Huang Ying.

"What a coincidence, I want to see the strength you have" Huang Ying said that she wanted to compare the strength to Ye Chen.

"It seems you have the confidence to beat me" Ye Chen said to Huang Ying, Ye Chen saw that Huang Ying was starting to develop.

She looked like she was ready to fight Ye Chen, she became confident in fighting Ye Chen.

"Then let's go inside the fairy gate" Ye Chen said to Huang Ying.

Ye Chen couldn't wait, he wanted to try Huang Ying's abilities, as the goddess Huang Ying should be able to put up a fight against Ye Chen.

"Jingyi, be careful, don't go too far" before leaving, Ye Chen reminded Li Jingyi not to go too far, someone was after him.

"Okay, I understand, I won't go far." Li Jingyi understood, he wouldn't go too far from this place, considering this place was the safest place.

"If you want, you can join us" Ye Chen said to Li Jingyi, Ye Chen invited Li Jingyi to join them.

"Fufufufu, thank you very much, I will catch up with you guys" Li Jingyi said to Ye Chen.

Li Jingyi will catch up, she wants to talk to Xiao Lulu first.

Ye Chen and Huang Ying entered the fairy gate, the two entered the fairy gate and started their training.

This would be quite a fierce training for Ye Chen, he would fight Huang Ying at full strength.

The two of them were training in the arena and in the Dual Cultivation room, they were both clearly having fun and enjoying their lives very well

Days passed inside the fairy gate, Ye Chen continued to train himself well and started cultivating the Ancient Fairy Art, this is a very strong power that can make Ye Chen's strength multiply, it is not strange that Chu Yuechan's strength can be so enormous, it turned out that they had a technique that increased their strength quite rapidly.

"Chen the other participants have gathered, you better come out with me immediately" Ning Xia invited Ye Chen to come out, it's time for the competition, everyone has started to prepare to head to the Five Lord Divine Academy.

"So it's about time, I can't wait anymore" Ye Chen said to Ning Xia, Ye Chen couldn't wait to take part in the competition.

"Honey, is everything going well?" Ye Chen asked Ning Xia.

"Everything has gone very well, it's all thanks to you, they will all help to defeat Sun Quan" Ning Xia said to Ye Chen.

"Very good, this is a very good opportunity for us to defeat Sun Quan, we must not miss this opportunity" Ye Chen would not miss this opportunity, he did not want to miss the opportunity to beat Sun Quan.

"I've waited a very long time for this moment, so I will make sure not to miss this opportunity." Ning Xia had been waiting for this opportunity for so long, there was no way she would miss the chance to defeat Sun Quan and take revenge for what happened to her family.

This was also an opportunity for Nangong Xiang to avenge what Sun Quan had done in the past.

Ye Chen hugged Ning Xia who was in front of him, he tried to calm Ning Xia down for a while.

Ning Xia felt calm when being hugged by Ye Chen, there was a peace when she was hugged by Ye Chen, it felt very comfortable when being hugged by the person she liked.

"thank you" Ning Xia thanked Ye Chen for what Ye Chen did, Ye Chen had made herself feel at ease.

"Let's go" Ye Chen said to Ning Xia, he took Ning Xia out..

"Um. ."Ning Xia nodded, the two exited the fairy gate.

Outside there was already Mu Xueying waiting for them.

"You are ready, people are starting to gather, you will be late and may be disqualified" Mu Xueying said to Ye Chen.

"Hahahaha, who would dare to do that, no one in this world would dare to do that to me" Ye Chen said to Mu Xueying.

"We'll see, come quickly with me." Mu Xueying invited Ye Chen.

"I will follow you" Ning Xia said that she would follow Ye Chen.

"Okay" Ye Chen understood, he knew that Ning Xia would be leaving together with the elder and the others, considering Ning Xia's position was a Peak Lord.

"Are you all ready?" Nangong Xiang asked everyone, she wanted to know if they were ready to set off together.

"We are all ready" All the women are ready, they are ready to go.

There were quite a number of women here, starting with Li Jingyi, Mei Yueli, Song Ziyu, Yan Fei, Fairy Zhen, Chi Shui, Chi Zuiye, Huang Ying, Qiao Xin, Qi Yunzhi, Fan Fumi, Seven Fairy Succubus, Mu Lanyin, Qing Cheng, Su Mengxin and Xiao Lulu, they are all together.

It was rare to see a beauty like them together like this, this was a momentum that was very rare for see .

"Very good, we will go to the nearby Five Lord Divine Academy, we will wait for the competition to start" Nangong Xiang said to everyone.

"ready, we understand" everyone could understand, they could all understand what Nangong Xiang wanted,

"very good" Nangong Xiang was happy and satisfied when she heard everyone's answer, everyone was very united in doing everything.

Ye Chen currently left with Mu Xueying, they gathered together with the other participants, here Mu Xueying was in charge of being Ye Chen's guardian.

"Your appearance is too flashy, you better use a disguise like before" Mu Xueying said to Ye Chen, she told Ye Chen not to be too flashy.

"wife, why are you always like that, don't you like your handsome husband, why do you always tell me to wear a bad appearance, are you afraid of me being kidnapped" Ye Chen said.

"That's right, I'm afraid you're kidnapped, with your handsome appearance, then others will think of you as a white face and will take care of you" said Mu Xueying.

"You are so mean" Ye Chen didn't expect that Mu Xueying would say something like this to him, to be honest Ye Chen didn't expect this matter.

"Just do as I say, otherwise I will be annoyed" Mu Xueying said to Ye Chen.

Mu Xueying gave a threat to Ye Chen, she told Ye Chen that she would be angry if Ye Chen didn't do as she told.

"Okay, I will listen to you" Ye Chen listened to Mu Xueying, after all there is no harm in Ye Chen doing this, Ye Chen still has the advantage of doing this.

"All of you have gathered, that's great" Lei Qiaolin appeared, she saw that all the participants who had gathered in this place, they had all gathered and prepared for the real battle.

Lei Qiaolin looked at Ye Chen, she looked at Ye Chen with a gaze filled with hostility, she was displeased with Ye Chen.

Ye Chen smiled when he saw Lei Qiaolin, he was happy to see how dissatisfied Lei Qiaolin looked.

Chapter 1954 one room with the best talent in God Realm

Even though Ye Chen changed his appearance, Lei Qiaolin was still aware that this was Ye Chen, she would not forget the person who bullied her so often.

This was quite funny, even though Lei Qiaolin was a person of high power and position, how could she be bullied by a brat like Ye Chen.

At the moment when Lei Qiaolin, everyone in this place immediately acted serious, they all acted seriously in front of Lei Qiaolin.

They all wanted to act nice to Lei Qiaolin, they wanted to act their best for Too Lei Qiaolin to glance at.

bad, they didn't Qiaolin , Lei Qiaolin was only interested in Ye Chen and ignored the others.

"Are you all ready?"asked everyone in this place.

"We are all ready" people said to Lei Qiaolin, they all said that they were ready for battle.

"This time you will face geniuses from other stars and your opponents will be much stronger than before, your chances of winning will definitely be very small" Lei Qiaolin told that they would have a very small chance of winning, their opponent was strong people with terrible power.

Everyone gulped when they heard this, there was a bit of fear when they heard this.

Lei Qiaolin tried to scare everyone present, he wanted to see their mentality, whether they dared or not.

Lei Qiaolin knew human nature, they were people who were afraid when facing something stronger, so it would not be strange for Lei Qiaolin to scare everyone in this place by using cultivator the strongest

"We're all not afraid, we've come this far, how can we retreat?" Ye Chen answered very loudly, he said that he wasn't afraid to face a strong opponent.

Everyone turned their attention to Ye Chen, they all felt that what Ye Chen said was the truth, they shouldn't be afraid, they had arrived at this place and passed quite a number of obstacles.

"We're not afraid either" everyone wasn't afraid, they really had prepared themselves very well, they've come this far and won't be able to come back again.

Lei Qiaolin looked at Ye Chen, Ye Chen's words had made everyone gain their confidence.

"really very interesting" Lei Qiaolin became interested in Ye Chen, Ye Chen was able to make others gain their confidence, this was quite a difficult thing for do normal people

"Very good spirit" Lei Qiaolin had to admit that they had spirit, everyone had prepared themselves very well and accepted everything gracefully.

"Then I will explain what kind of match you will face later" Lei Qiaolin will briefly explain what they will face later.

everyone listened to what Lei Qiaolin had to say, they wanted to hear what Lei Qiaolin had to say .

"The match you will face next is the Open War Field, where you can fight freely with other people and monsters, you will look for the most points, who can get the most points, they will pass" said Lei Qiaolin.

"how do we get points" Everyone wants to know how they get points.

" very good question, there are several ways to get points, first is by completing tasks in the city, second is fighting monsters and the last is against fellow participants"

"If you can beat other participants, you will get 15 rewards % of that person's total points" Lei Qiaolin said to everyone.

"I see" everyone was very excited, they all felt very excited when they listened to what Lei Qiaolin had to say.

They all felt that this would be a pretty fierce battle to steal points from the other participants.

"The city is a safe zone, you won't lose points when you're in the city, so if you feel you've earned enough points, you can stay in the city" Lei Qiaolin said to everyone.

"Are there any more questions?" Lei Qiaolin said to everyone, Lei Qiaolin wanted to know if everyone had any other questions.

"nothing" everyone already understands, they all understand what they have to do, they realize what they have to do to get away.

"Remember these words of mine, don't hold back, your enemies won't hold back, they may be more vicious than the opponents you've ever faced" Lei Qiaolin said to everyone.

"Alright, we understand" everyone will listen to what Lei Qiaolin has to say, they will no longer hold back.

"Okay, I will immediately send you to the waiting room, you can the participants there, make sure not to start the battle before the match starts" Lei Qiaolin gave a warning to everyone, she told them all not to cause trouble.

"Good" Everyone understood, they wouldn't cause any trouble while in the waiting room.

"Good luck" Lei Qiaolin wished everyone, she hoped that they would succeed in getting what they wanted.

"After that" Chi Shui shattered the teleportation stone and moved everyone to the designated.

Ye Chen and everyone else disappeared, they all disappeared and appeared in a spacious room with several people sitting waiting.

The other participants were nowhere to be seen, it seemed they weren't in this place.

"Looks like we were randomly transferred" Ye Chen saw that he was randomly transferred.

Since it was like this, Ye Chen looked for a seat, he looked around this place to find out who was the most powerful in this room.

Ye Chen was not too flashy, he was not seen by others around.

"There are some strong people on the side, I see that they are at the beginning Divine Overlord Realm stage." Ye Chen did not expect that there would be a participant of this level.

Looks like this will be a pretty fierce battle for everyone.

"Even though they are strong, they are still not a worthy opponent for me." Ye Chen didn't think of these people as worthy opponents, so Ye Chen felt quite relaxed.

"Friend, may I sit here" a man came to Ye Chen, this man shivered when he met Ye Chen.

"What's wrong with you?" Ye Chen asked the man in front of him, the man in front of him looked scared.

"It's okay" this man said to Ye Chen, this man said he was fine.

"Don't lie to me, I know you're not fine" Ye Chen said to the man in front of him.

"You're not afraid to be in this place." The man in front asked Ye Chen..

"scared, afraid why?" Ye Chen wanted to know why he should be afraid, he didn't feel a threat that made him feel afraid.

"You are so brave, we are now in the same room as the geniuses of the God Realm, they are strong people with terrible talent" This man told Ye Chen that in this room there were many people with terrifying strength.

Upon hearing this, Ye Chen immediately looked around, it was true that around there were several people with hidden strength, they were unwilling to show their strength to outsiders.

"It seems that I am in the same room as the first talent in the western God Realm." Ye Chen saw that he was in the same room as the best talent.

"For me brands are not a threat, don't pay too much attention to them, that way you won't be afraid" Ye Chen said to the man in front of him.

Chapter 1955 Explanation of the best participants in the room

"I can't they are too terrible" this man told that the people in this place were very terrible, he was not strong when facing the pressure they had.

"It seems that this person has a disorder" Ye Chen saw that the person in front of him had a disorder, Ye Chen had to wake him up and heal him, Ye Chen had to use words to heal the person in front of him.

"Calm yourself, everything will be fine, take a deep breath" Ye Chen said to the man in front of him, he told the man in front of him to be more calm in dealing with the current situation.

"Okay, I'll give it a try" the man in front of Ye Chen will try to do it, he took a deep breath and began to calm his soul.

After taking a few breaths and listening to Ye Chen, this person was finally able to calm down.

"How, can you calm down already?" Ye Chen said to the man in front of him.

"Thank you very much, I've started to calm down" said the man in front.

What Ye Chen did was very helpful, he felt a very comfortable feeling when he received help from Ye Chen.

"Okay, now you calm down, in this place no one will dare to start a battle, so you will be fine" This is a waiting room, no one should dare to cause trouble in this place.

"You're absolutely right, this is a waiting room, no one should ever dare to look for trouble in this place" This man was finally able to accept everything, he became calmer thanks to Ye Chen's words and motivation.

"Who are you, why don't you introduce yourself to me" Ye Chen told the man in front of him to introduce himself.

"My name is Sai Tiran, I come from a low rank star" Sai Tiran told Ye Chen about his origins, it turned out that he came from a low ranking star, it's not strange that he was very scared when he was in this place, it turned out that he came from a fairly high star low.

"It's not strange that you are so scared, this is actually the reason." Ye Chen got a very reasonable reason, he got the reason why Sai Tiran was so scared when he was in this place.

He was from a low-ranked star, when facing those geniuses from a high-ranking star, of course he would be extremely scared.

"Where are you from yourself?" Sai Tiran asked Ye Chen, he wanted to know where Ye Chen came from.

"I'm from a middle-ranked star" Ye Chen told that he was from a middle-ranked star.

"Looks like you have bad luck like me, we are in the midst of strong people, it will be troublesome when we are one city with geniuses around.

" hahahaha, You are very funny , they will not target you , they will only target strong people , people like us will not be targeted and will be considered as passing insects " Ye Chen spoke to Sai Tiran, he said this to make Sai Tiran not afraid anymore and face the reality.

"You're right too, they won't see us, we're just people with very low power" Ye Chen said to Sai Tiran.

"This is an advantage for us, so just enjoy it, don't worry about them" Ye Chen told Sai Tiran not to think about what happened, everything will pass and they will be fine.

"You are very smart" said Sai Tiran, Sai Tiran had to admit that Ye Chen was a very smart person.

"I'm not that smart" Ye Chen said to Sai Tiran, Ye Chen tried to be humble, he didn't show superiority in front of Sai Tiran.

"Do you know them?" Ye Chen pointed at some of the people with the highest cultivation in the room, they were people with above average strength.

"You don't know them?" Sai Tiran looked surprised when he heard what Ye Chen said, how could Ye Chen not know these people.

"Honestly, I'm a person who rarely goes out, so I don't know much about this matter" Ye Chen said to Sai Tiran.

"So you often do closed-door training, it's not strange that you don't know" Sai Tiran finally understood why Ye Chen didn't know these people.

"Here are the five greatest geniuses in this era, first is Tian Mo, he is the current first genius, it is said that he defeated many people with a difference of several levels above his cultivation" Sai Tiran pointed at a man who seemed very concerned, he was very calm and intelligent looking man.

"Oh, so he is the most powerful person in this place, his aura is quite impressive" Ye Chen said as he looked at Tian Mo.

"Shh, don't make him angry, if you make him angry, it will be very troublesome" Sai Tiran told Ye Chen not to anger Tian Mo.

"Don't worry, I won't do anything bad" Ye Chen said that he wouldn't do anything bad and make Sai Tiran angry.

"Next" Ye Chen asked again, he wanted to know more about the genius that would be his opponent.

"The second rank is Nie Li, he is a very popular young master once, his battle skills and literary skills are above average and cannot be resisted, he is an idol for women, so don't mess around or you will become the enemy of women in the future God Realm" Sai Tiran pointed at a handsome and charming man who was swarmed by women, all the women swarming around him like a bee who found the best flower.

"He's quite popular, roughly compared to me, who will win" Ye Chen said to Sai Tiran.

"Friends, I'll be honest with you, your performance is very good, it's quite difficult to get a girl and compete against a handsome guy like Nie Li.

"Why are you so honest, can't you cheer me up a little bit?" Ye Chen said in a dissatisfied tone.

Ye Chen was quite dissatisfied with Sai Tiran's answer, Sai Tiran was too honest with the current situation.

Indeed when compared to Nie Li, Ye Chen is still quite far away, the current Ye Chen is quite normal and not too flashy.

"Okay that's enough, continue again" Ye Chen told Sai Tiran to continue.

"Next is the rabbit girl Zhi Fuze, she is a woman who is quite liked by everyone, she is very cheerful and makes people around feel happy with her existence, she is one of the list of beautiful women in the God Realm" said Sai Tiran.

"Where is she?" Ye Chen asked Sai Tiran, he wanted to know that woman named Zhi Fuze.

"You see the crowd there, he's there" Sai Tiran said to Ye Chen.

Ye Chen looked at the crowd of men, this crowd was much larger than Nie Li.

"Looks like he's much more popular than Nie Li" Ye Chen said as he looked at the crowd.

"She's really very popular" Sai Tiran admitted that Zhi Fuze was more popular than Nie Li, besides the number of women in this room seemed to be less, the men were far more dominating in this room.

"next" Ye Chen told Sai Tiran to continue.

"Fourth is Gun Gom, he is a disc controller, once he throws his weapon, it's not easy to dodge without getting hurt or losing body parts" Sai Tiran said to Ye Chen.

This time Sai Tiran explained a terrible person, Ye Chen could feel a strong killing aura from Gun Gom.

"Okay, maybe this time you should stay away from this guy, he might kill you" Ye Chen said while scaring Sai Tiran.

"Don't say that" Sai Tiran became afraid when Ye Chen said such a thing, he was afraid that it would happen.

Chapter 1956 Dun Yaong bullied Ye Chen

"Hahahaha" Ye Chen laughed when he saw this, it was quite funny to see the frightened Sai Tiran.

Sai Tiran started to get scared when he listened to Ye Chen, if what said was true, then it would be quite a problem for him.

"I'm just joking, don't take it seriously" Ye Chen said to Sai Tiran, Ye Chen was only joking, he wasn't serious in saying that.

Gun Gom looked at Ye Chen, he looked at Ye Chen and Sai Tiran with bulging eyes.

"He's really looking at us" Sai Tiran started to get scared, he saw that Gun Gom was looking at them, this was quite scary for Sai Tiran.

Ye Chen glared back at Sai Tiran, he used the same gaze that used .

Gun Gom immediately retreated, he saw the terrifying look in Ye Chen's eyes.

"Who is this person, why have I never seen him?" Gun Gom didn't know who Ye Chen was, he had never seen Ye Chen, Ye Chen was still mysterious to Gun Gom.

"go on, she's not looking at us anymore" Ye Chen told Sai Tiran to continue, he wanted to know one more person

"okay, the fifth is Fou Nari, she is a woman with a sword at her waist, I heard that her sword skills are very strong and said she can cleave anything" Sai Tiran explained about the fifth person in this room, she was a woman with shoulder length hair and wore a sword at her waist, this woman had a fiery temper, it would definitely be trouble if she dared to provoke this woman.

This woman was pretty good, she had a tall and slender athletic build, even though it was obvious that no one dared approach this woman, it seemed that they were all afraid to approach for fear of being cut into pieces.

"Those are strong people in this room, there are still strong people in other rooms, if I explain everything it might take a long time" Sai Tyrant said to Ye Chen.

"That's enough, at least I know the picture of the person we will fight later" Ye Chen didn't want Sai Tiran to continue, he already knew the opponent he was going to face, so Sai Tiran didn't need to say it anymore.

"Hey you guys, get out of here quickly, I need your seats" a man came to Ye Chen, this man asked for Ye Chen's seat.

"You can find another place, this is my place." Ye Chen said to the person in front of him, he told this person to look for this place, this place is his place, so no one can take it.

"You dare to resist, are you looking for trouble with me" this man said to Ye Chen, he lifted Ye Chen's collar and tried to lift Ye Chen.

When this man tried to lift Ye Chen, he found that Ye Chen's body was very heavy, this made him unable to lift Ye Chen's body.

Ye Chen smiled when he saw this, where did this idiot come from, this man was so stupid.

"Boss Dun wait a moment, let's go." Sai Tiran said to the person in front of him.

The man in front is Dun Yaong, he is one of the people with great power in this place, it is not strange that he dares to bully Ye Chen and force Ye Chen's seat.

"You shut up, if you dare to look for trouble, I will beat you too" Dun Yaong said to Sai Tiran.

Sai Tiran immediately fell silent when he heard this, it seemed that Sai Tiran was afraid to face Dun Yaong.

"So you refuse to give this seat" said Dun Yaong to Ye Chen.

"Yes that's right, I refuse" Ye Chen answered Dun Yaong, he told Dun Yaong that he would not give this place away.

"Damn it, you are looking to die, I will teach you a lesson" Dun Yaong hit Ye Chen, he hit Ye Chen with quite a lot of force.

"Bam. . ." Ye Chen was hit by Dun Yaong and fell to the floor.

Everyone immediately looked at Dun Yaong, they didn't expect that Dun Yaong would cause trouble in this place by attacking a weakling.

"That idiot, what is he doing, he's just making a fuss." Nie Li wasn't happy when he saw Dun Yaong making such a fuss, this fellow was really troublesome.

People just kept silent when they saw the commotion going on, they all didn't want to help Ye Chen, this was a dispute that was detrimental to them, if they joined, it would be a very troublesome thing, so it's better to just sit back and see. .

"Argh. . ., damn, it hurts, what is this person's skin made of?" Dun Yaong felt pain when he received Ye Chen's attack, Ye Chen's attack made him feel pain.

Ye Chen didn't even do anything, and he already made Dun Yaong feel pain, obviously Ye Chen was great because he was able to make Dun Yaong feel pain.

Ye Chen got up from the floor, he didn't appear to have any injuries or injuries when he received the attack from Dun Yaong.

"No way, he's standing again" everyone looked at Ye Chen, it seems that Ye Chen is fine.

Ye Chen cleaned his dusty clothes, what did attracted the attention of many people.

"Are you done, if you are done, you can go find another place" Ye Chen asked Dun Yaong to find another place.

Ye Chen didn't have time to deal with someone like Dun Yaong who was just trying to provoke him.

"You" Dun Yaong pointed at Ye Chen, he couldn't believe what doing .

Ye Chen had caused quite a bit of trouble, he had caused a big problem by provoking Dun Yaong, Dun Yaong would definitely not stay silent when he accepted 's Ye Chen

Dun Yaong gave off an aura of anger, a strong pressure leaked from Dun Yaong's body.

"Looks like this is going to be troublesome." Everyone felt that this would be troublesome for Ye Chen, Ye Chen would definitely get into big trouble because he had angered Dun Yaong.

Ye Chen was still very relaxed, he was still quite relaxed when facing Dun Yaong's pressure.

"Stop, don't make a fuss in this place" Zhi Fuze stopped Ye Chen and Dun Yaong who were fighting, Zhi Fuze told Dun Yaong to stop now.

"Get out of the way, I want to destroy him" Dun Yaong told Zhi Fuze to back off right now, he wanted to destroy Ye Chen.

"If you do that, you will get into trouble, this is a waiting room, in this place there should be no fighting, otherwise you will suffer the consequences" Zhi Fuze said to Dun Yaong.

Dun Yaong clenched, what said became the truth, he couldn't do that or else he would get in trouble.

"You're lucky, you won't be so lucky later on" Dun Yaong said to Ye Chen, he gave Ye Chen a threat.

After threatening Ye Chen, Dun Yaong was finally willing to leave.

"Fortunately in willing to compromise Zhi Fuze said in a relieved tone, he was happy to see Dun Yaong willing to compromise.

"Are you okay?" Zhi Fuze asked Ye Chen if Ye Chen was okay or not.

Ye Chen looked at Zhi Fuze in front of him, the woman in front of him was quite beautiful, she had long straight hair and a beautiful face, plus her enthusiasm and joy was very high.

Chapter 1957 God Realm competition started

"Thank you very much for the help" Ye Chen was grateful for the help that Zhi Fuze had given him.

"You're welcome" Zhi Fuze was happy to help Ye Chen, she was happy to be able to help Ye Chen solve the problem.

"Are you okay, the match is about to start, you should go to the treatment room if you feel uncomfortable" Zhi Fuze paid attention to Ye Chen, he was quite friendly and full of enthusiasm when helping Ye Chen.

"I'm fine, everything is safe, the attack didn't cause serious injuries" Ye Chen said to Zhi Fuze, Ye Chen told her that he was fine and didn't need help.

"Okay, if you feel good, I won't force" Seeing Ye Chen is fine, Zhi Fuze will not insist on health check.

"You better focus on those people, they seem to be looking over here with an unpleasant look" Ye Chen said to Zhi Fuze, he pointed at the people on the side who were looking at him with an unfriendly look.

"I'm really sorry about this, to be honest they are like that, so I hope you can understand everything" said Zhi Fuze.

Zhi Fuze knew that this was uncomfortable for Ye Chen, these people were bullying Ye Chen.

"See you later" Zhi Fuze waved her hand at Ye Chen, she quickly returned to her place and was surrounded by annoying people.

"Looks like she has her own problems" Ye Chen saw that Zhi Fuze had her own problems, it was quite troublesome to be popular like Zhi Fuze.

Despite such a situation, Zhi Fuze could still smile and laugh, she seemed to be able to blend in with the situation.

"Women like this are quite rare." Ye Chen saw that women like Zhi Fuze were rare to find, they actually had a very strong positive aura that could make people around them feel happy.

"You really scared me, that was close, you almost became a punching bag by Dun Yaong" Sai Tiran said to Ye Chen, Ye Chen almost became a punching bag by Dun Yaong.

"That won't happen" Ye Chen said that it wouldn't happen, if Ye Chen had fought back the result might have been the other way around.

Luckily Ye Chen was able to restrain himself, this made the situation no more chaotic.

Ye Chen sat back in his seat, he was waiting for the match to start, they were waiting for all the participants to come back, that way they would be able to start the match.

Several participants appeared one after another, they appeared and looked for a seat for themselves.

"It seems that everyone has come, is this going to start or not" This room is getting narrower, everyone comes one after another and fills this room.

"Everyone has arrived, now is the time to start the battle." A voice appeared in everyone's ears, all of them here knew that this was an announcement.

"I will briefly explain the rules, this is a battlefield war, where you free to fight as you please whether against other participants or against monsters, you can also do some tasks to earn a few points, Safe Points are in the city, when you are in the city, you will be safe and not be attacked by other parties"

"Battlefield is a special place, if you are seriously injured or die, then you will return to the city, so all of you no longer need to hold back and can fight as you please".

"Yeah. . . ." everyone seemed excited when they heard this, it was obvious they were happy with this notification, that meant they didn't have to hold back and could fight freely.

They all can't wait to kill each other, they will fight and fight for the highest position.

"All of you must be impatient, that's why I will start right away, you will be immediately transferred to the city, each of you, good luck, I hope you will be the best among everyone around you" after the announcement was over, everyone was immediately transferred to the battlefield.

"So it's started." Ye Chen had been transferred to a large city with other participants around him, he was transferred with the participants in the same room.

After everyone was transferred to the battlefield, they immediately went to earn points, currently their starting point was 0, so they all had to earn points through tasks in the city.

"What should I do, should I start fighting or start completing tasks?" Ye Chen thought for a moment, what should he do now.

Currently fighting other participants would not bring any benefit to Ye Chen, so Ye Chen only had the option of completing the task.

Ye Chen went to complete the task, there are many tasks that can be obtained by Ye Chen around this place.

The other participants also targeted the task at hand, the city became a very crowded and overcrowded place.

"It's so crowded, I think I have to find a quieter place." Ye Chen didn't want to rush to take on the task, he decided to go and find a quieter place.

Ye Chen stepped out of the crowd and went to a quiet place.

"Master, do you need an assignment?" Someone offered Ye Chen an assignment.

"Do you have a good job for me?" Ye Chen asked the person in front of him if he had a task for him.

The person at the front was a real human who was hired to give assignments by Five Lord Divine Academy, they were hired to assist participants in taking on tasks and awarding points.

Most of these people were disciples of the Five Lord Divine Academy, they were looking for rewards by working like this.

"What tasks do you have?" Ye Chen asked about the tasks that could be done.

"This task is very easy, you just need to clean the poisonous mushrooms around the city walls" a disciple from the Five Lord Divine Academy said about the task he had.

"How much is the reward?" Ye Chen asked how much was the reward for this task.

"300 points" The disciple of the Five Lord Divine Academy said that Ye Chen would get 300 points if he completed the task he gave him.

"300 points, it's not a bad amount, fine I'll take it" Ye Chen agreed, he accepted a request from a disciple of the Five Lord Divine Academy.

"Okay, this is the task, if you have completed it, you can directly report it to me" said a disciple from the Five Lord Divine Academy to Ye Chen.

"Okay I understand" Ye Chen understood the workings of the competition, they had to earn points by all means, whether it was in terms of strength, intelligence or in terms of perseverance.

Ye Chen didn't waste any time, he went straight to the city gate to clean up the mushrooms.

When Ye Chen arrived, Ye Chen saw that there were thousands of people doing the same task that he took on.

"I didn't think there would be this many." Ye Chen didn't expect that there would be so many people here, he thought that no one would want to take on a task like this, apparently there are many people who take on a task like him.

everyone is scrambling, they are all trying to get mold on the city walls.

Chapter 1958 Zhi Fuze visit Ye Chen

The number of mushrooms around was quite limited, while the number of participants taking on tasks was overwhelming, so they just had to wait for the mushrooms to grow again in order for them to complete their task.

Ye Chen couldn't possibly wait like the others, he had to find a good way.

"Boom. . . ." outside there was a very loud explosion.

"Looks like a battle is going on outside" Ye Chen saw that outside this gate was a fierce battle.

In the match there are no rules, when they leave the city, they will be directly attacked by other participants.

"Maybe I'll take a look outside, this place is still very crowded" Ye Chen wanted to see the battles that were out there, it was still crowded here and needed time.

"Where are you going?" the guards stopped Ye Chen, they stopped Ye Chen who was intending to come out.

"I want to go out" Ye Chen told that he intended to go out, he wanted to go out and see what happened.

"How many points have you earned?" The guards asked about the points that Ye Chen had earned, the guards wanted to know the points that Ye Chen had earned.

"I have 0 points" Ye Chen said that he only had 0 points.

"You can't pass, you have to get at least 1,000 points to pass" The guard told Ye Chen that there was a minimum requirement to get out.

"Okay, I understand." Ye Chen understood, he understood what was happening here.

Ye Chen turned around, thinking about what the guard had just said.

"I see" Ye Chen began to understand what kind of competition this was, it turned out to be a competition where the strongest would prey on the weak.

Ye Chen could have known this from before, considering that if a minimum of 1,000 points was required to go out, then there would definitely be many people looking for points to go out and hunt.

This may not be good for people, once they come out, then they will definitely be immediately stopped by the people outside, they will be killed and taken points by strong people.

"This is like a farm where the weak will be slaughtered by the strong, they will only become tools for the strong" Ye Chen said in his heart.

These weaklings will definitely try to keep looking for points, while the strong only need to kill the weak to be able to gain points, this is quite a tragic thing.

"What are you going to do?" Chu Yuechan asked Ye Chen, what would Ye Chen do in the current situation.

"Maybe I'll sleep and wait" Ye Chen said that he would sleep and wait.

"Why did you do that, don't you want to hunt like the others?" Chu Yuechan asked Ye Chen.

"Honestly I have no interest in doing that, I have less interest in doing that, people outside still don't have many points, it's better to wait for them to get a lot of points" Ye Chen answered Chu Yuechan, Ye Chen told the reason why he didn't want to fight too early.

"Oh I see, I'm starting to understand what you want." Chu Yuechan finally understood what Ye Chen wanted.

"You are quite cunning too, you wait for them to get fat, then you will harvest them, that is a good thing" Chu Yuechan said to Ye Chen.

"Of course, why should I go and hunt them, they are still small, it's better to wait for them to get a lot of points, that way I will get more advantages.

Ye Chen was smart, he let other people earn points for him, meanwhile Ye Chen could stay in the city and enjoy free time.

Ye Chen was enjoying time in the city while doing light work to earn points, he didn't do much while the other participants started to get aggressive and fought outside to be the best among everyone.

3 days passed, after 3 days the ranking list was finally announced to all participants.

The first rank on the list was Tian Mo, he earned more than 2 million points in just 3 days, the second rank was Zhang Feng, he was ranked second with 1 million less points, the difference between Tian Mo and Zhang Feng was quite far, they have a difference of almost half more.

Ye Chen didn't know who Zhang Feng was, he had never heard of this name before, maybe he was another genius that Ye Chen didn't know about.

The third rank is Nie Li, he earned nine hundred thousand more, it almost touched 1 million points and was in tight competition with Zhang Feng.

in the fourth rank was Gun Gom, with eight hundred thousand points and slightly behind Nie Li and Zhang Feng.

In fifth place was Zhi Fuze she earned six hundred thousand points, this vibrant beautiful woman's points were apparently lacking compared to the others.

Sixth place was Fou Nari she earned six hundred thousand and competed very tightly with Zhi Fuze.

Dun Yaong was in eighth place, he earned five hundred thousand points and competed with those below him.

"They have started to earn quite a lot of points" Ye Chen saw that everyone had already earned enough points, if Ye Chen beat them, he would get 15% of the total points they had, it was a huge amount.

"I'll wait a little longer" Ye Chen wasn't in a hurry, he could still wait a little longer, and there's no harm in waiting in this place for the prey to become fatter.

The participants in the city became less and less, everyone went out and hunted, it could be said that the battle had reached its peak, and they already had quite a number of points.

Participants from other cities also stopped by, they looked for a safe place by entering the city so as not to be attacked by other participants.

While the other participants were competing and doing great battles, Ye Chen himself was actually lazing around while doing light work in the city.

After a few days of work, Ye Chen earned about 1,500 points, this amount was obviously very low and might be on the list of people with the lowest points.

If Ye Chen looked at his current position, then it was certain that Ye Chen was in the lowest and worst rank.

"Five days have passed, the situation outside is just getting more and more chaotic." Ye Chen saw that it was getting more and more chaotic outside, battles between cultivators were taking place all over the place, they were fighting each other to get points that belonged to the other side.

"You're here, don't you want to go out" When Ye Chen was working, Ye Chen was approached by someone.

Ye Chen saw who visited him, indeed who visited Ye Chen in this place.

In front of Ye Chen saw a woman who was full of enthusiasm and cheerfulness, this woman was naturally Zhi Fuze.

"What are you doing in this place, you should still be hunting and fighting outside" Ye Chen said to Zhi Fuze.

"I'm taking a break, it's quite tiring outside you should know about it" Zhi Fuze said to Ye Chen.

Zhi Fuze said that the battle outside was very tiring, this made Zhi Fuze return to rest, if outside Zhi Fuze wouldn't be able to do that because other participants kept on targeting him.

"Yes I know that, that's why I didn't come out" Ye Chen replied to Zhi Fuze.

"So that's the reason you didn't come out, Ye Chen you are very strange" Zhi Fuze said to Ye Chen.

Chapter 1959 Last day of Battlefield

"How did you know my name, I never told you about my name." Ye Chen asked Zhi Fuze, how did this woman know his name.

"you surprised when you saw this?" Zhi Fuze said to Ye Chen.

Zhi Fuze looked happy when he saw Ye Chen surprised, Ye Chen's reaction was very funny.

"Of course, I didn't expect that a beautiful woman like you would remember me, this is quite surprising for someone like me" Ye Chen said to Zhi Fuze.

"-\_- " Zhi Fuze didn't expect that Ye Chen would say something like this, Ye Chen was actually trying to tease her.

"hehe" This time it was Ye Chen's turn to be happy, he looked very happy when he saw Zhi Fuze's reaction.

"So why are you here, if you just want to make fun of me, you better go, I'm busy" Ye Chen said as he continued to do his work.

"I didn't come to mock you, I just wanted to know more about you" Zhi Fuze said to Ye Chen.

Zhi Fuze explained his coming to this place, apparently he wanted to know more about Ye Chen.

"I don't have many good things, so why are you interested in me" Ye Chen said to Zhi Fuze.

Ye Chen told that he didn't have anything good.

"I don't think so, you are quite interesting, even my older sister is looking for information about you, it is quite rare to see her interested in other people" Zhi Fuze said to Ye Chen.

"older sister" Ye Chen looked at Zhi Fuze, he observed Zhi Fuze well, somehow Zhi Fuze looked like someone.

"Oh I remember, you must be Zhi Fuxe's younger sister" Ye Chen said to Zhi Fuze, Ye Chen finally remembered Zhi Fuxe's name.

"It's true that you know my older sister" Zhi Fuze said to Ye Chen.

"Of course, I bought property from her, she is a business partner" Ye Chen said to Zhi Fuze.

"Business partner?, you do business with older sister, very interesting, how can you persuade her, it is not easy to do business with my older sister" Zhi Fuze said.

Zhi Fuze was sure that it would not be easy to persuade Zhi Fuxe to transact, moreover Ye Chen bought a property directly belonging to the family, her older sister would not be able to let her off so easily.

"It was so easy, I paid a high price for it, so of course she gave it up" Ye Chen said to Zhi Fuze.

"Is that so" Zhi Fuze wasn't sure what had happened, somehow he wasn't too sure about this matter.

"Does that mean you're rich enough?" Zhi Fuze said to Ye Chen, from Ye Chen's story, Ye Chen should be a rich man because he can afford to buy at such a high price.

"Not bad" Ye Chen said to Zhi Fuze, Ye Chen didn't immediately admit that he was rich.

"Hmmm" Zhi Fuze caught that Ye Chen's words contained quite a lot of meaning, it seemed that it was true that Ye Chen was quite rich.

"What's the matter, are you interested in a rich man like me, if it's true I don't mind" Ye Chen said with a laugh.

"Who would want to do that, I already have someone I like" Zhi Fuze said to Ye Chen.

Zhi Fuze already had a crush on her, so she wasn't very interested in Ye Chen.

"I didn't expect that you had a crush, it seems that the people who were after you will be disappointed when they hear this" Ye Chen felt pity when he saw the people who had previously chased after Zhi Fuze.

"It can't be helped, I already like someone so I can't accept them, they can only be friends" Zhi Fuze said to Ye Chen.

Zhi Fuze's words may sound light, but when the people who were chasing Zhi Fuze heard it, they would immediately be saddened, Ye Chen knew how painful it was to be hanged.

"Look at him, he talking with Zhi Fuze, who is he" people around were talking about Ye Chen, they were talking about Ye Chen and Zhi Fuze.

Ye Chen could hear what these people had to say, it seemed that it would be a problem if it continued like this.

"rabbit girl, you better go, this is not the place for you" Ye Chen said to Zhi Fuze, he told Zhi Fuze to leave this place.

It is quite difficult to talk to popular women outside, this will attract the attention of people around.

"I don't want " Zhi Fuze refused to leave, she didn't want to leave and stayed in this place.

"Okay, if that's what you want, I won't force it." Seeing that Zhi Fuze didn't want to leave, Ye Chen wouldn't force it.

Ye Chen continued to work, meanwhile Zhi Fuze continued to look at him.

Zhi Fuze wanted to know why Ye Chen was doing this, instead of doing work inside, it was better to go out and fight that way he would earn quite a lot of points.

Zhi Fuze stayed in this place for a while, he just wanted to recover his strength and after that return to the battlefield.

"nice to talk to you, I will go, have a nice day" Zhi Fuze left, she returned to fighting for points, she must not lose her current position.

"See you later" Ye Chen said to Zhi Fuze who went out of the city.

"Looks like my work is done, it's time to be lazy" Ye Chen has finished his work, now it's time for Ye Chen to be lazy.

"You are very relaxed" Chu Yuechan said to Ye Chen, Chu Yuechan saw that Ye Chen was very relaxed as if he had no burden.

"What else should I do, life is so much fun, it's better to enjoy it" Ye Chen said while enjoying the view of the sky.

"Looks like the match is still long" Chu Yuechan said to Ye Chen.

"Maybe 8 days to go, I heard the match will be in about a half months" Ye Chen still had 8 days left, the participants continued to add to their points and maybe now they had already earned tens of millions of points.

"You don't want to be the first place" Chu Yuechan asked Ye Chen.

"It doesn't seem necessary, as long as I can pass to the next level, then that's enough for me" Ye Chen said to Chu Yuechan.

Ye Chen didn't need to be the first, for him to pass to the next level was enough.

"It's up to you, I don't understand what you want" Chu Yuechan didn't understand what Ye Chen was going to do, to be honest Ye Chen was quite complicated to understand.

Days passed, Ye Chen was still doing the same work as usual.

The difference is that every day Ye Chen gets a visit from Zhi Fuze, Zhi Fuze visits Ye Chen and always invites Ye Chen to chat.

Ye Chen welcomed Zhi Fuze well, he was quite friendly towards Zhi Fuze and made Zhi Fuze feel comfortable when he was with Ye Chen.

Zhi Fuze liked Ye Chen, to be honest she rarely met a man like Ye Chen who could ignore her beauty.

Chapter 1960 [Bonus chapter] It seems that your favorite disciple is at the lowest rank

This was the reason why Zhi Fuze approached Ye Chen, Zhi Fuze wanted to see if Ye Chen pretended not to be attracted to her.

that was why Zhi Fuze took the time to visit Ye Chen every day.

Without realizing it was almost half a month, the battle had reached its breaking point, all the participants became more and more aggressive towards the end of the match, they did this to secure their position.

"So it's the last day, it seems it's time for me to make a move" Ye Chen had waited for a long time for today, after a long wait, it was finally time for Ye Chen to start fighting.

"Hey, you're still here, looks like you don't have any hope of qualifying for the next round" Zhi Fuze came over, she said to Ye Chen who from the start didn't move like the other participants.

Zhi Fuze had hoped for more from Ye Chen, but in reality Ye Chen had done nothing and had only been in the city until today.

"You really care about me, do you like me?" Ye Chen asked Zhi Fuze.

Ye Chen saw that Zhi Fuze was very considerate of him, this attention was definitely not ordinary concern.

"Who likes you" Zhi Fuze immediately denied it, she denied that he liked Ye Chen.

"Hahahaha" Ye Chen laughed, he laughed out loud when he heard Zhi Fuze's answer.

Zhi Fuze was annoyed with Ye Chen, this man made her feel very irritated.

"Take this" Ye Chen threw the shovel at Zhi Fuze.

"what are you doing?" Zhi Fuze caught the item that was thrown by Ye Chen.

Zhi Fuze asked Ye Chen, Zhi Fuze wanted to know what Ye Chen would do.

"I'm going out." Ye Chen said that it was time for him to go out.

"Are you stupid, it's very chaotic outside, once you leave the gate, you will be attacked" Zhi Fuze said to Ye Chen.

"I don't care about that problem" Ye Chen said that he didn't care about that problem.

Ye Chen disappeared, he left Zhi Fuze alone.

"Huh?, he disappeared?" Zhi Fuze didn't see Ye Chen, Ye Chen seemed to have disappeared from this world.

" what just happened?" Zhi Fuze didn't know what had just happened, how could Ye Chen disappear so quickly, it was completely unreasonable.

Zhi Fuze tried to look for Ye Chen, most likely Ye Chen was still around this place, she couldn't possibly be fooled by Ye Chen.

Zhi Fuze will not find Ye Chen around this place, Ye Chen is already in front of the city exit.

"After crossing the line, maybe someone will attack me" Ye Chen predicted that someone would attack him when Ye Chen left the city gate.

Ye Chen came out, when he came out of the city gate, he was already waiting for by several people.

"attack" Without waiting for Ye Chen to speak, they immediately attacked Ye Chen and drew their weapons at Ye Chen.

"Slashes. . ." Ye Chen was directly hit by several attacks, these attacks directly hit Ye Chen.

"They are too excited" Ye Chen saw that the people were very excited, they all looked very excited when they faced Ye Chen.

They thought Ye Chen was a weak person, that's why they directly attacked Ye Chen to get points from Ye Chen.

Ye Chen didn't dodge the enemy's attacks, he took all the enemy's attacks.

"Huh? ? ? ?" Everyone was immediately shocked when they saw that Ye Chen was fine when he received the attack.

"Have you had enough, then now it's my turn" Ye Chen waved his hand, with just one swing of a hand a very strong storm blew away the people in front of him.

The people who attacked Ye Chen instantly disappeared, they disappeared with one swing of Ye Chen's hand.

"I beat all of them, roughly how many I got" Ye Chen had just beaten another participant, he should have gotten some extra points from beating other participants.

Ye Chen looked at his points, when he saw the points he had, Ye Chen found that his points had increased quite a lot.

He earned around 50,000 points from defeating the guys just now.

"Good, I'll start hunting" Ye Chen will start hunting for the enemy.

after a long time, finally the predator came out, whether all can survive the predator.

Outside of people not being able to see what was happening, they could only see the results that each participant got.

Here Ning Xia and Mu Xueying saw Ye Chen's results, they continued to monitor Ye Chen's points.

"Hmmm, how come that boy's points never increase?" Ning Xia wanted to know why Ye Chen's points didn't increase, what Ye Chen had been doing for the past 14 days.

"Is he having trouble, he is at the bottom of the rankings, even people above him have tens of thousands of points" Mu Xueying wanted to know what Ye Chen was doing, why Ye Chen had so few points.

Mu Xueying thought about what might have happened, what made Ye Chen's points not increase, Ye Chen should have gotten a lot of points.

"Could it be that he hasn't moved yet?" Ning Xia tried to think positively, it was most likely that Ye Chen had not made a move and had not earned any points.

"He may not have moved yet, I don't know what he's thinking, but Ye Chen is indeed very hard to predict" Mu Xueying said to Ning Xia.

"That brat" Ning Xia became worried, Ye Chen had made the two beauties worried for his safety.

Ning Xia and Mu Xueying kept an eye on Ye Chen's name, they were confirming whether Ye Chen would be able to pass to the next level or not.

"Who is at the bottom of the rankings, is he sleeping or playing?" everyone was curious about Ye Chen, they were all quite curious about Ye Chen who was from Jade Lotus Peak.

how can anyone get only 2,000 points over 14 days and rank at the bottom, that's ridiculous, even a fool wouldn't do something like that.

Ning Xia and Mu Xueying looked displeased when they heard this, they looked disgruntled as they listened to the conversation around them.

Mu Xueying and Ning Xia were Ye Chen's women, they were both naturally displeased when someone dared to speak ill of Ye Chen, obviously it would make them angry.

"Should we teach the people around us a lesson?" Mu Xueying asked Ning Xia.

Mu Xueying asked Ning Xia for permission, she wanted a permit to fight these people.

"That's not necessary, don't make a fuss in this place." Ning Xia forbade Mu Xueying to make a mess, they just needed to be quiet and see what Ye Chen would do.

"Lord Peak Ning, it seems that your favorite disciple is at the very bottom, did he offend anyone and make him have to be in the city" Mo Chiyi came over, she asked Ning Xia about what happened to Ye Chen.

Mo Chiyi knew that Ye Chen was strong, with Ye Chen's strength, she should be able to get a good place.

"I don't know what's going on, I can't watch him" Ning Xia said to Mo Chiyi, Ning Xia couldn't keep an eye on Ye Chen, that's why she didn't know what Ye Chen was doing.

"Maybe he didn't dare to go out because he offended strong people, that place is full of strong people." Yun Yang commented, he felt that Ye Chen had offended a strong participant and got him in trouble.
