Chapter 1961 Ye Chen Vs Dun Yaong

"Even if he offends a strong person, he will be fine, he is not easy to be bullied by someone." Mu Xueying replied to Yun Yang's words.

"ohhh, so you are very confident in him." Yun Yang did not expect that Mu Xueying would be so confident with Ye Chen.

"Look and pay close attention" Mu Xueying told Yun Yang to pay close attention, Ye Chen would definitely turn things around quickly.

"I want to take a look." Yun Yang said disdainfully, only one day left was hard enough to get to the best place with less than 24 hours remaining.

Ye Chen's distance with the top ranked participants was very far, so it was extremely difficult for Ye Chen to catch up.

Catching up at this time was like ascending to the seventh heaven, this would be extremely difficult to do.

"The points are starting to go up" Ning Xia said that Ye Chen's points were starting to go up, originally Ye Chen's points were fifty thousand, but it went up very quickly to 100,000, 200,000, 300,000, 400,000, 500,000, 600,000, 700,000, 800,000, 900,000, 1,000,000 .

Ye Chen's points went up very quickly in just a few minutes Ye Chen got a lot of points.

"Impossible, how can he be so fast, is there something wrong with this?" Yun Yang couldn't believe it when he saw what happened, he couldn't believe it when he saw Ye Chen who had earned so many points in just a few minutes.

Mu Xueying smiled, finally after so long, Ye Chen was willing to start moving.

"Husband, he's just annoying people, watch out if he comes out later." Mu Xueying might teach Ye Chen a little lesson, she wasn't happy with what Ye Chen was doing.

When Ye Chen's points increased, the ranking list died, there was a notification that today was the last day, and each participant's point gain would be hidden to make everyone curious about the final result.

"Why at a time like this?" Mu Xueying looked dissatisfied when she saw the notification, she understood that she could see Ye Chen's results, but why was it hidden, this was really annoying.

"Looks like we can only wait for the final result" since the situation became like this, they had no choice but to wait for the final result, whether Ye Chen would be able to win or not, it was up to Ye Chen himself.

Ye Chen started a very big battle, he used the AoE technique to fight the enemy, the enemies that were far away didn't even know what made them lose.

"This is very fun." Ye Chen felt happy, it was quite fun to do this.

Ye Chen defeated all the enemies, himself destroyed the enemies he met on the way, when Ye Chen met someone, that person would immediately return to the city without knowing what happened.

"Master, it seems that you have gained a lot of points" said Chu Yuechan.

Chu Yuechan saw that Ye Chen had already earned quite a lot of points, he had gained a lot of points from defeating the other participants.

"It seems you are absolutely right, let's see how many points I get" Ye Chen wanted to see the points he had earned, he wanted to know his current position.

When Ye Chen looked at the positions, he found that the ranks of the participants were hidden, obviously it was hidden to ensure that no one would know whether they were in a safe position or not.

"Oh, damn it, they must have done this on purpose, this way I don't know where I am now." Ye Chen was helpless, how did he know his current position.

Ye Chen had never paid attention to the leaderboards, so he didn't know the results of the other participants.

"Looks like there's no way." Ye Chen saw that there was no way, he had to do this.

"What are you going to do?" Chu Yuechan asked Ye Chen, Chu Yuechan wanted to know what kind of decision Ye Chen would take

"I will hunt continuously" Ye Chen said that he would continue to hunt, that way he could earn quite a lot of points.

Ye Chen had no more business, he immediately left and returned to the battlefield.

Ye Chen again defeated the people on the battlefield.

People felt miserable when they met Ye Chen, all of them had never seen someone as strong as Ye Chen who could defeat them so easily.

"I will search for the whereabouts of that bastard" Ye Chen wanted to find the whereabouts of Dun Yaong, this is the time for Ye Chen to take revenge on the person who insulted and beat him.

While searching for Dun Yaong's whereabouts, Ye Chen crushed everyone around, no one could escape Ye Chen.

"where are you?" Ye Chen tried to find the whereabouts of Dun Yaong, where Dun Yaong was hiding.

Ye Chen was really like a monster looking for prey, he looked for Dun Yaong along hidden roads and places, after searching for some time, Ye Chen found the whereabouts of Dun Yaong.

"Found" Ye Chen found the whereabouts of Dun Yaong, at this time Dun Yaong was doing violence to some people.

"You all have to obey me, otherwise you will get in big trouble" Dun Yaong said to everyone, he loves to bully others.

"Bam. . ." Ye Chen got off, he got off in front of Dun Yaong.

Dun Yaong sensed Ye Chen's presence, he immediately turned around and looked at Ye Chen.

"Do you still remember me?" Ye Chen said to Dun Yaong.

"ohhhh, what a coincidence, I've been looking for you for a long time, it's great that you want to show yourself" Dun Yaong said to Ye Chen.

Dun Yaong was happy with this matter, it meant that he no longer had to bother looking for Ye Chen.

"I came here to steal the points you have" Ye Chen said that he came here to steal the points earned by Dun Yaong.

"Hahahaha" Dun Yaong laughed when he heard what Ye Chen said, he thought Ye Chen was a joke.

"whether you're drunk or you hit your head with something, you're so cute" Dun Yaong said to Ye Chen.

"I'm not drunk, I'm fully aware" Ye Chen told that he was fully aware, Ye Chen knew what he was doing at this moment.

"Hahahaha" Dun Yaong kept laughing, he thought Ye Chen was crazy and out of his mind.

"That was quite entertaining, too bad I don't have much time to talk to you, I will make you feel your power" Dun Yaong didn't have much time, he was going to end Ye Chen quickly.

Dun Yaong took out a huge hammer, he raised the big hammer and intended to crush Ye Chen with one hit.

Ye Chen stretched out one finger, he intended to stop Dun Yaong's attack using just one finger.

"Die you bastard" Dun Yaong shouted, he said that Ye Chen would be destroyed.

"Bang. . . ." a loud bang occurred as Dun Yaong's hammer hit Ye Chen.

This boom caused a shockwave that swept across the trees around this place.

"arghhhh. . ." Dun Yaong was forced back by his attack, he was forced to retreat by his own attack.

"How could he hold it?" Dun Yaong didn't expect that Ye Chen could block his attack with his bare hands.

"Sometimes I think that you only talk a lot and don't have any strength, that's really ridiculous." Ye Chen said to Dun Yaong who only talked a lot, while his strength wasn't that good.

Chapter 1962 harvest Dun Yaong's points

"I will show you who I am" Dun Yaong would tell Ye Chen who he was, he would make Ye Chen lose in this place.

"good words, why don't you start it" Ye Chen told Dun Yaong to start, he let Dun Yaong attack first.

Dun Yaong raised his hammer, this was the second attempt where Dun Yaong crushed Ye Chen with his hammer.

This time Ye Chen used his feet to parry the attack, Dun Yaong's kick Ye Chen made Dun Yaong retreat quite a distance.

Dun Yaong retreated from Ye Chen's kick, he backed away and tried to stop himself.

Dun Yaong retreated tens of miles away, he had kicked Ye Chen quite far.

"Damn, this man's physical strength is very strong" Dun Yaong had to admit that Ye Chen had very strong physical strength, Ye Chen's physical strength was very strong and made him too difficult to beat.

"This time I will use my lightning power." Dun Yaong was going to use lightning attack, he wanted to show that he had decent strength.

"Judgment lightning Hammer collision" Dun Yaong returned, he appeared from above the clouds and directly aimed his hammer down.

This time the hammer in Dun Yaong's hand was enveloped by a very strong lightning, this lightning was so strong that it struck various places and shattered the ground and rocks around.

"Let's see if you can survive my attack" Ye Chen raised his hand up, he used his bare hands to face Dun Yaong's attack.

"You fool, this attack will be a different attack than before, facing it barehanded is the most stupid thing in this world" Dun Yaong said to Ye Chen.

"No, this world doesn't work like that, sometimes you have to learn to admit that nothing is impossible in this world" Ye Chen told that this world doesn't work as Dun Yaong said.

"Nonsense, quickly shut up and go back to the city" Dun Yaong said to Ye Chen.

Dun Yaong's attack came, it would pound Ye Chen's body to shreds.

"Boom. . ." Ye Chen's punch collided head-on with Dun Yaong's hammer, there was a terrible storm as Ye Chen's hand struck Dun Yaong's lightning hammer.

"feel this" Dun Yaong tightened his grip and started lowering his hammer to crush Ye Chen.

The battle seemed quite fierce when Dun Yaong attacked Ye Chen.

Ye Chen was still quite relaxed, Dun Yaong's attack was still relaxed enough for Ye Chen to resist.

"Is this all you can do?" Ye Chen again said to Dun Yaong, he again said to Dun Yaong who only has this kind of strength.

"It's still not over, you will lose soon enough" Dun Yaong said to Ye Chen, he added strength into his hammer.

The lightning became even bigger as Dun Yaong did this, this place started to crumble, countless holes were formed as a result of being struck by the lightning released by Dun Yaong.

"You have pretty good self-confidence, then let me destroy your confidence" Ye Chen said that he would destroy Dun Yaong's self-confidence.

Ye Chen who was initially defending started to put up a fight, he started to put up a fight and turned around to suppress Dun Yaong.

Dun Yaong felt that Ye Chen was putting up a fight, a great force pushing his hammer upwards.

"I won't let it go" Dun Yaong said that he wouldn't let Ye Chen win, he increased his strength and destroyed Ye Chen.

The battle of the two became more and more fierce, the two of them fought very fiercely.

"Crack. . ." a few moments later Dun Yaong's hammer started to crack, it turned out to be Dun Yaong's hammer, unable to withstand Ye Chen's great strength.

"See you later" Ye Chen said to Dun Yaong, he bid farewell to Dun Yaong.

"no . . ." Dun Yaong shouted, he disappeared after being hit by Ye Chen's punch.

"Humph. . . , it's finally over." Ye Chen was satisfied when he saw Dun Yaong who had disappeared, he managed to win against Dun Yaong.

Dun Yaong has been cleared, now is the time for Ye Chen to continue the hunt.

"I think I will play with Dun Yaong and take all the points he has" Ye Chen will play with Dun Yaong, he will take Dun Yaong's points.

Ye Chen decided to keep an eye on Dun Yaong, he used Clone to spy on Dun Yaong, Ye Chen intended to drain Dun Yaong's points.

The method used by Ye Chen was quite extreme, he didn't let Dun Yaong escape after causing trouble for himself.

Ye Chen hunted Dun Yaong, he continued to kill Dun Yaong who came out of the city.

"Damn it" Dun Yaong roared, he was very annoyed with what Ye Chen had done, Ye Chen had made his points drop drastically, this made Dun Yaong's position dropped drastically.

At this rate, it was certain that Dun Yaong would lose more points.

Dun Yaong had already lost more than 50% of his points, his current position should be at the bottom of the rankings.

Dun Yaong also had a problem, he couldn't increase his points, when Dun Yaong came out, he would be directly confronted by Ye Chen and returned by Ye Chen, to be honest it was very annoying for Dun Yaong.

Dun Yaong could only hit the city wall, he vented his anger against the wall in front of him.

"What happened to him?" Zhi Fuze wanted to know what happened to Dun Yaong, who had annoyed Dun Yaong to the point of hitting an innocent wall.

Zhi Fuze intends to find out, but it seems that he can't do that, he still has to accumulate points to maintain his current Rank position, he must not be overtaken by others.

"Where did that person go, I didn't find his whereabouts" Zhi Fuze was curious about Ye Chen, roughly where did Ye Chen go now, he wanted to know where Ye Chen went, why he didn't find his whereabouts.

Ye Chen was engrossed in hunting outside, he was enjoying his time hunting as a predator.

Ye Chen's impact was enormous on the battle that took place, what Ye Chen did made the other participants afraid to come out.

Some people don't know how they can return to the city and lose points, Ye Chen's attack is very wide and makes all of them not know what just happened to them.

After tens of hours of hunting, Ye Chen realized that the participants were starting to decrease, it seemed that all the participants had returned to the city, it was clear that they didn't want to lose points at this last moment.

"How much did I earn?" Ye Chen wanted to know how much he had earned.

"305,161,980" Ye Chen got almost 300 million points, this should be a pretty safe point for Ye Chen.

"You seem to be exaggerating" Chu Yuechan said to Ye Chen, Ye Chen seemed to have earned quite a lot of points, Ye Chen's points were probably far from other participants.

"Perhaps you are right, I may have overreacted, I was too excited and earned enough points" Ye Chen felt that he was too excited and accumulated too many points.

Ye Chen thought about what to do with this point.

"I will go back to the city first" Ye Chen decided to go to the city, he wanted to know what he could do with this many points.

Chapter 1963 End of Battlefield

When Ye Chen was about to return to the city, Ye Chen met Sai Tiran, Sai Tiran looked dazed, what happened to him.

"Oi, what happened to you" Ye Chen approached Sai Tiran, he wanted to know what happened to Sai Tiran.

"you" Sai Tiran looked at Ye Chen, he didn't expect to meet Ye Chen in this place.

"How are you, are you okay?" asked Sai Tiran to Ye Chen, Sai Tiran wanted to know Ye Chen's condition, how is Ye Chen's condition at this time.

"I'm pretty good here, you yourself?" Ye Chen asked Sai Tiran.

"As you can see, it seems that I'm not doing well." Sai Tiran said that he wasn't doing well.

"Do you need help?" Ye Chen asked Sai Tiran, Ye Chen intends to help Sai Tiran solve the problem.

"No it will trouble you" Sai Tiran didn't want to bother Ye Chen, that's why he rejected Ye Chen's offer.

"There's no need to be shy when you're with me, just say it." Ye Chen told Sai Tiran to tell the truth.

"Actually I'm short of points" Sai Tiran said that he lacked points and couldn't possibly qualify.

"Oh, so that's the problem you have, why don't you tell me, the problem is very easy" Ye Chen told that the problem that Sai Tiran had was an easy thing to solve.

"Can you help me?" Sai Tiran said to Ye Chen, Sai Tiran asked Ye Chen, he seemed to have very high hopes when he heard this.

"Of course, here let me help you" Ye Chen will help Sai Tiran, he will help Sai Tiran by using his considerable amount of points.

Ye Chen happily shared his points with Sai Tiran.

Sai Tiran was quite surprised when he saw this, to be honest what Ye Chen had done had made him feel shocked.

Ye Chen was very kind, he was very kind for wanting to help himself.

"Thank you very much, you are indeed my helper" said Sai Tiran to Ye Chen, Sai Tiran was very happy, he thanked Ye Chen for helping him.

Sai Tiran hugged Ye Chen's feet, he was grateful for what Ye Chen had done.

"Don't do that already" Ye Chen told Sai Tiran to stop doing that.

"Okay, I understand" Sai Tiran understood, he let go of Ye Chen, he was happy to let go of Ye Chen.

"Let's go back, don't let yourself be killed and the points taken by someone else" Ye Chen said in a serious tone.

Hearing this, Sai Tiran became alert, he was very wary when he listened to what Ye Chen said.

What Ye Chen said became the truth, Sai Tiran had to be even more wary of the enemies that were targeting this place.

"Let's go back" Sai Tiran invited Ye Chen to return, they had to find a safe place and away from the enemy.

Ye Chen smiled when he saw this, to be honest Sai Tiran made Ye Chen laugh.

Ye Chen followed Sai Tiran back to the city, the two of them returned to the city safely and without any disturbance.

"Oh you are here" Zhi Fuze finally found Ye Chen, after some time, she finally found the whereabouts of Ye Chen, to be honest it was quite difficult to find Ye Chen.

"what's wrong?, do you need me" Ye Chen asked Zhi Fuze.

"This is it" Zhi Fuze threw Ye Chen's shovel, she looked annoyed with what Ye Chen did.

"hahahaha" Ye Chen laughed with satisfaction, he seemed to be enjoying this all, it seemed that Ye Chen was enjoying this momentum.

"May I ask you a question?" Ye Chen asked Zhi Fuze, he wanted to know what Zhi Fuze got.

"Of course, what do you want to ask?" Zhi Fuze wanted to know what Ye Chen would ask, to be honest she was quite curious about what Ye Chen was trying to ask.

"How many points did you get?" Ye Chen asked Zhi Fuze.

"Why did you suddenly ask about this matter?" Zhi Fuze asked Ye Chen, why did Ye Chen suddenly ask about this matter.

"I just want to know how many points you got it's nothing more" Ye Chen said to Zhi Fuze, Ye Chen just wanted to know how many points Zhi Fuze got.

"I got 22 million points" Zhi Fuze told Ye Chen that he got 22 million points.

"why did you get so few points" Ye Chen asked Zhi Fuze, why did Zhi Fuze get so few points.

"Huh?, a little, that's a lot, you should know that I got the top 10, so you can't insult me" Zhi Fuze said to Ye Chen.

Zhi Fuze crossed her arms across her chest, she told Ye Chen that he was the top 10 contestant with the most points.

"I don't doubt your abilities." Ye Chen said that he didn't doubt Zhi Fuze's abilities.

"That's great, you now know that I'm really great" said Zhi Fuze.

Zhi Fuze was cheerful again, she was again cheerful and full of enthusiasm when she heard Ye Chen's words.

"I got too much, this will be very conspicuous, I should give this to her" Ye Chen looked at Zhi Fuze, maybe he could use Zhi Fuze to hide too many points.

Unbeknownst to Zhi Fuze, Ye Chen transferred almost 95% more of his points, he left enough to safely advance to the next round.

Zhi Fuze didn't know what Ye Chen was doing, to be honest he didn't know what Ye Chen had just done.

"Looks like this is enough, I'll be fine with this" Ye Chen will definitely be fine, he is very sure that he will be fine.

"Time is up, you did your best, those with high points will be immediately transferred to the next round, while those of you who failed can watch this competition in the stands" after the time was up, an announcement started to echo, this announcement was a sign that the first round of the martial competition had ended.

Participants who get enough points are moved to the next place, meanwhile participants who lack points must be willing to watch the second match.

Ye Chen, Zhi Fuze and Sai Tiran were transferred to a field, here were a few people.

"Congratulations to all of you who have made it to this stage" a man said to all the participants, this man welcomed all the participants who managed to pass.

"Applause, applause, applause, applause, applause," everyone clapped their hands appreciating the results they got.

"Okay now is the time to read out your results, these results will be broadcast to people outside, are you guys ready?" said the man at the front to everyone in this place.

"My name is Ouyang Hanz, let's read the results you got" Ouyang Hanz started to read the results obtained by the participants in this place, all participants wanted to know the final results they got, whether their position shifted or remained the same as before, this makes everyone feel very very curious.

Ouyang Hanz started reading out everyone's results, when he read out the results, there were some participants who were happy and some were sad about this result.

Ye Chen himself has a position in the middle, Ye Chen's position is not flashy and looks ordinary.

Although not very flashy, Ye Chen still caught the attention of some people, especially because his strength was quite low, how could Ye Chen still graduate with such meager strength, obviously everyone was curious.

Dun Yaong himself had to settle for 60th place, he lost quite a lot of points and dropped to this position.

Chapter 1964 Zhi Fuze got the first result

Dun Yaong himself had to settle for 60th place, he lost quite a lot of points and dropped to this position.

Dun Yaong was quite annoyed by this result, he was now eager to tear Ye Chen apart.

It was all Ye Chen's fault, if only Ye Chen didn't interfere, then he could get a top ten seat like the others.

The other participants started to move away from Dun Yaong, they all moved away due to fear by Dun Yaong's killing aura, Dun Yaong's killing aura scared everyone.

Dun Yaong couldn't hide his annoyance towards Ye Chen, he could at least hide this matter from outsiders.

People let Dun Yaong, they don't want to meddle into troublesome affairs.

The tenth position was the spear swordsman Zhou Yun.

The ninth position is the iron fist expert Ao Unce

The eighth position is Mi Yoko

The seventh position is Fou Nari

The sixth position is Gun Gom

The fifth position is Nie Li

The fourth position is Zhang Feng

The third position is Sai Tiran with almost 50 million points.

When Ouyang Hanz read the results obtained by Sai Tiran, he was quite surprised, the results obtained by Sai Tiran were quite large among the other participants.

This took everyone by surprise, how could Sai Tiran get such a large point, this was very unreasonable to the people who saw it.

"Who is he, why did he get so many points?" Lei Qiaolin wanted to know who the real Sai Tiran was, how could he get so many points at one time.

Lei Qiaolin had to investigate this, Lei Qiaolin was curious as to what happened.

Lei Qiaolin kept looking at Sai Tiran, this made Sai Tiran feel uncomfortable.

Sai Tiran himself did not expect that he would get enough points, this made him very happy.

"Wait, why did I get so many points, meanwhile why did he get so few points" Sai Tiran was curious about this matter, honestly he wanted to know why Ye Chen was in the middle position, while he was the one who was helped to get third place.

This made Sai Tiran confused, he was confused about what happened to him.

While Sai Tiran was celebrating his accomplishments, Zhi Fuze looked extremely anxious, it seemed like she didn't make the top ten.

"How did I not get into the top ten?" Zhi Fuze wanted to know why he didn't make it into the top ten, what actually happened to keep him from being in the top ten.

"In second place is Tian Mo, Tian Mo gets 99 million points" Ouyang Hanz told that Tian Mo got 99 million points.

"What?, genius Tian Mo only got second place, then who got first place?" everyone was curious who would get first place, who could beat Tian Mo.

"What do you think?" Ning Xia asked Mu Xueying, she wanted to know if it was Ye Chen or not.

"It could be Ye Chen, who else could do this" Mu Xueying said to Ning Xia.

Mu Xueying firmly believed that this was Ye Chen, only Ye Chen could do something like this.

Because of this, everyone was trying to guess who would get the first place, who would be able to get the first place in this world.

"Why do you look so tense?" Ye Chen asked Zhi Fuze, Zhi Fuze looked very tense.

"Why wasn't I mentioned, did I not rank in the top 10?" Zhi Fuze said to Ye Chen, Zhi Fuze wanted to know if he had missed his name.

"I told you earlier that you have few points, that's why you won't be in the top ten" Ye Chen said to Zhi Fuze.

"Your words are very evil" Zhi Fuze replied to Ye Chen's words, she said that Ye Chen's words were quite evil.

"Hahaha" Ye Chen smiled and laughed when he heard this.

"Forget it, enjoy the time you have, I hope you are happy with the gift I gave you" Ye Chen said to Zhi Fuze, he decided to leave this place.

Ye Chen had nothing interesting anymore, he had already completed his task.

"And the first place winner is Zhi Fuze with 260 million points." Ouyang Hanz announced to everyone that Zhi Fuze was the first person in this competition.

"Huh? ? ?" everyone was of course immediately shocked when they heard this, what happened left them all feeling shocked.

"He got almost 3 times the score that Tian Mo got, it's really great" Everyone gave praise to Zhi Fuze, they all recognized Zhi Fuze's ability.

"-.-" Zhi Fuze herself was speechless, he didn't know what to do in a situation like this.

"What happened, did something go wrong?" Zhi Fuze thought if something went wrong, how could she get that many points, it was almost 10 times bigger than his.

Zhi Fuze's mind was so confused, she didn't know what was going on, she couldn't think anymore.

"Ye Chen. . ." Zhi Fuze finally remembered Ye Chen's words, she remembered Ye Chen's previous words that he had a special gift.

Zhi Fuze didn't find Ye Chen, Ye Chen had already disappeared from this place.

It was not difficult for Ye Chen to leave this place secretly, Ye Chen was in the distance and saw what was happening.

"Looks like she's going to get into trouble" Ye Chen just smiled, it seems that Zhi Fuze will get into trouble because of what Ye Chen did.

"She is from a high-ranking star, so I don't have to worry about her safety" Zhi Fuze is from a high-ranking star, so everything will be fine, he should be able to finish everything.

"Miss Zhi, please go up, you will get a bonus reward" Ouyang Hanz told Zhi Fuze to go up, the awarding of prizes will be given for rank 1,2 and 3.

Zhi Fuze went up, he received the gifts given by Ouyang Hanz, Tian Mo and Sai Tyrants also get their reward.

"Okay, you must be tired because you have been fighting for half a month, for that you all have the right to rest, enjoy your time, you are all free to use the existing facilities" said Ouyang Hanz to all participants

"3 days from now you will gather, next competition it will be much harder, make sure you rest as well as you can" said Ouyang Hanz to all the participants.

All participants who pass already understand, they will enjoy their time to the best of their ability.

Ye Chen left, he went to find a temporary residence, Ye Chen would not use the accommodation provided, he felt that it would be troublesome when being watched by the Five Lord Divine Academy, it was better to find a good place outside.

When Ye Chen came out, Ye Chen was immediately dragged by Mu Xueying, Mu Xueying dragged Ye Chen to another place.

There were quite a few people who looked at Mu Xueying, they were like seeing a goddess who had descended from the sky, Mu Xueying was very beautiful and too charming, she was a goddess who had been hiding very well.

Mu Xueying took Ye Chen to a quite secluded place, because the Five Lord Divine Academy was vast, it was not difficult to find a place that was quiet from people's eyes.

"rarely, you didn't make a chaos" Mu Xueying said to Ye Chen.

"Chaos, do you like it if I make a chaos" Ye Chen said to Mu Xueying.

"Not really, I just want to know why you gave points to those two, what are you doing?" Mu Xueying asked Ye Chen, Mu Xueying knew that Ye Chen had given the points earned to Zhi Fuze and Sai Tiran.

Chapter 1965 the conversation that Zhi Fuze and Zhi Fuxe had

"I have no other goals, I just want to help them" Ye Chen said to Mu Xueying, Ye Chen didn't have any special intentions he just wanted to help them.

"Hmm, it's not like you, I thought you were interested in the little girl" Mu Xueying said to Ye Chen.

"Yes, she is indeed beautiful, maybe I should target her" Ye Chen said to Mu Xueying.

Ye Chen had bad thoughts on Zhi Fuze, he wanted to target that very excited rabbit girl.

"I thought so." Mu Xueying had expected this, she had already guessed that Ye Chen would do this.

"Is my beautiful wife jealous?" Ye Chen asked Mu Xueying, Ye Chen wanted to know if Mu Xueying would be jealous of this matter.

"No, there's no point in being jealous over this matter." Mu Xueying told Ye Chen that she wouldn't be jealous over this matter, there was no point in being jealous over an issue like this.

"Good then come with me" Mu Xueying said to Ye Chen.

Mu Xueying took Ye Chen away she took Ye Chen to a place.

Ye Chen went with Mu Xueying, where Mu Xueying would take herself.

Mu Xueying took Ye Chen to a residence, this is a place that has been rented by Mu Xueying, it can be said that this is their place and their headquarters in carrying out all activities.

"You will stay in this place, your other women now live outside the Five Lord Divine Academy, they will join us when the time comes" Mu Xueying said.

"So they're outside, too bad." Ye Chen was quite disappointed when he heard this, but he wanted to make the most of this time.

"They are too flashy, they are all very beautiful, you know what kind of trouble they got into when they got to this place, they got a lot of pursuers and it was very difficult to get rid of them" Mu Xueying said to Ye Chen.

Every Ye Chen woman had an extraordinary beauty, naturally they were considered goddesses by outsiders who had never seen a beauty like a goddess.

"I know, in this world only I can get this treatment" Ye Chen said to Mu Xueying.

Ye Chen smiled, himself when he heard this, he felt satisfied with the achievements he had made.

"You still have a lot of time, what are you going to do?" Mu Xueying asked Ye Chen, what would Ye Chen do, in theory Ye Chen still had a lot of time and he could spend his time traveling or staying her and cultivate.

"Hmm, let's think about what we can do." Ye Chen thought about what he could do, he still had a lot of free time.

"I've thought about it" After thinking for a while, Ye Chen finally found what he wanted.

" what do you want?" Mu Xueying asked Ye Chen, he wanted to know what Ye Chen wanted.

"Okay I'll be honest, I'm quite tired, looks like I need something to recharge" Ye Chen said to Mu Xueying.

"You want something to power up, what would it be?" Mu Xueying asked Ye Chen.

"Wife, do you still not understand what I want?" Ye Chen asked Mu Xueying.

Mu Xueying thought about what Ye Chen said, she thought about what Ye Chen said.

The moment Mu Xueying saw Ye Chen's smile, she immediately knew what Ye Chen wanted.

"Big pervert, what are you thinking" Mu Xueying knocked on Ye Chen's head, Ye Chen still had time to think about such things.

"Don't you want to, you should comfort me after a long battle" Ye Chen said to Mu Xueying.

"Who wants to comfort you, I don't want to do that" Mu Xueying said that she didn't want to comfort Ye Chen.

"why are you so stubborn" Ye Chen was helpless, Mu Xueying still refused, he had to seduce Mu Xueying to get what he wanted.

Ye Chen was already used to Mu Xueying, so he already knew what he had to do now.

"wife, Come on" Ye Chen clung tightly to Mu Xueying, he persuaded Mu Xueying by using sweet words.

Mu Xueying started to lose when faced with Ye Chen's words, Ye Chen was a master at teasing, someone like Mu Xueying wouldn't be able to endure Ye Chen's attack for long.

"Stop, you're embarrassing me, we'll talk about it later tonight" Mu Xueying said to Ye Chen.

Mu Xueying finally wanted to, but it wasn't now, now she had to do something.

"I will wait for my beautiful goddess" Ye Chen said to Mu Xueying.

"I'll do some surveillance around, don't make trouble" Mu Xueying said to Ye Chen.

Mu Xueying still had the task that Ning Xia had given her to keep an eye on the people from the Eternal Sun Star Realm, so they could find out the strength of the enemy.

"Then I will go around and have a look around this place" Ye Chen said to Mu Xueying.

Ye Chen first came to the Five Lord Divine Academy, he wanted to know what the Five Lord Divine Academy had.

Ye Chen and Mu Xueying went in different directions, they did what they had to do.

Somewhere.

Zhi Fuze looked very happy, she got a very good thing.

"You got first place that's so great, how did you do it?" Zhi Fuxe asked Zhi Fuze.

"It seems that your acquaintances have helped me" Zhi Fuze said to Zhi Fuxe.

"Hmm, who is that?" Zhi Fuxe asked again, she wanted to know the clarity on this matter.

Whoever his acquaintance was capable of doing such a thing, he should be quite a famous person.

"Ye Chen. . . ." Zhi Fuze said to Zhi Fuxe, Zhi Fuze told who helped her.

"Huh?, he took part in this competition?" Zhi Fuxe didn't expect that Ye Chen would enter this competition.

"Why are you surprised?" Zhi Fuze asked her older sister.

"He's quite a mysterious person, he's one of my master's acquaintances" Zhi Fuxe explained to Ye Chen about Ye Chen.

"He knows Saintess, that's great" Zhi Fuze said to Zhi Fuxe.

"I don't think it's that simple, it seems that master respects him a lot" Zhi Fuxe said to Zhi Fuze.

"So he's pretty great" Zhi Fuze didn't expect that Ye Chen would be great enough in her big sister's eyes.

"Should be, I don't know his true strength" said Zhi Fuxe, Zhi Fuxe herself didn't know Ye Chen's strength.

"So when did you meet him?" Zhi Fuze wanted to know when Zhi Fuxe met Ye Chen.

"Maybe a few months ago" Zhi Fuxe said to Zhi Fuze.

"He made a mess of buying the property we own" Zhi Fuxe said in a helpless tone.

"Giggle. . ." Zhi Fuze giggled when she heard this.

"You can still laugh, you should help me" said Zhi Fuxe to Zhi Fuze.

"I didn't expect that your meeting would turn out like that." Zhi Fuze didn't expect their meeting to turn out like that.

"Forget it, he's just like that" Zhi Fuxe said in a helpless tone.

"You get first place, it must make Tian Mo very angry with you" Zhi Fuxe said to Zhi Fuze.

"maybe he's angry, it's all that bastard's fault" Zhi Fuze blamed Ye Chen, she blamed Ye Chen for what happened.

Chapter 1966 Invitation from Zhi Fuxe and Zhu Fuze

As Ye Chen expected, Zhi Fuze was annoyed with what he did, what Ye Chen had done had managed to make Zhi Fuze feel annoyed.

"You can't say things like that, even so he is one of the people who helped you" Zhi Fuxe said to her little sister.

"I understand" Zhi Fuze lowered her head, she knew she was wrong about what had happened.

"Big sister, did Tian Mo come after you again?" Zhi Fuze asked Zhi Fuxe, Zhi Fuze wanted to know if Tian Mo came back after her older sister.

Tian Mo turned out to like Zhi Fuxe, he had been chasing Zhi Fuxe for a very long time.

"I don't care about that person, you are the one who chased him" said Zhi Fuxe to Zhi Fuze.

Zhi Fuxe said that she doesn't care about Tian Mo, Tian Mo is not the type of person she likes.

"why don't you like him, even though he is one of the strongest people right now, his future will be very bright" said Zhi Fuze to Zhi Fuxe.

"You are still too young, you will not know about the more mature world" Zhi Fuxe said to Zhi Fuze, Zhi Fuxe said that Zhi Fuze was still small and didn't know many things.

"Big sister, I am not a child anymore, please treat me well." Zhi Fuze complained to Zhi Fuxe.

"See you're still acting like a child, so stop doing things like that" Zhi Fuxe said to Zhi Fuze.

Zhi Fuxe knows that Zhi Fuze is still young, she is still pursuing what she is attracted to, for example Zhi Fuze is attracted to Tian Mo, most girls are attracted to Tian Mo because his intelligence and strength are too strong, too bad Tian Mo is quite cold with outsiders, if only he wanted to be like Nie Li, then that would make him even more popular.

Tian Mo is cold to everyone, his goals are very clear, he is after the beautiful Zhi Fuxe, when Tian Mo is aiming for Zhi Fuxe, he ignores the beautiful women around him.

"Don't tell me your taste is that guy named Ye Chen?" Zhi Fuze said to Zhi Fuxe.

Zhi Fuxe's face started to turn red when she heard this, she seemed embarrassed to admit what had happened.

"Impossible, older sister you ?, how come ?, he is so ordinary, how can you be attracted to him" Zhi Fuze said to her older sister, how can she be attracted to a man like Ye Chen, it is quite difficult to understand this matter.

"No, we've only met once, how can I do that" Zhi Fuxe said to Zhi Fuze.

Zhi Fuxe tried to refute what Zhi Fuxe said, she said that it was the first time she had met Ye Chen.

"It doesn't look like it" Zhi Fuze saw that this was not like his usual older sister.

Zhi Fuze looked outside, when Zhi Fuze looked outside, he found Ye Che's figure outside.

"Big sister, that person is outside" Zhi Fuze informed that Ye Chen was outside.

"Where?" Zhi Fuxe was curious, she looked out the window to find the whereabouts of Ye Chen.

Zhi Fuxe tried to find the whereabouts of Ye Chen, she couldn't find Ye Chen's figure.

"Where, are you trying to lie to me?" said Zhi Fuxe in a dissatisfied tone.

"It's over there" Zhi Fuze pointed at Ye Chen, he pointed at Ye Chen who was walking together with people from all over the God Realm.

"Why is he different from before?" Zhi Fuxe looked at Ye Chen, she saw that Ye Chen's appearance was quite different, if Zhi Fuze had not told Zhi Fuxe, then Zhi Fuxe might not have realized that it was Ye Chen.

"sister you drew him very differently, if I wasn't careful, I might not even notice" Zhi Fuze said that Zhi Fuxe drew Ye Chen very well, in Zhi Fuxe Ye Chen's drawing looks very good, it's obvious different from what he had encountered.

"Not . . ., the appearance is like that, I can't be wrong in drawing people" said Zhi Fuxe who was a little confused.

Zhi Fuxe couldn't be wrong in drawing someone, she couldn't go wrong in drawing Ye Chen.

"Let's meet him, I haven't thanked him for what happened" Zhi Fuze took Zhi Fuxe to meet Ye Chen.

"Why?" Zhi Fuxe refused to leave, she didn't seem willing to meet Ye Chen.

"Let's just come along." Zhi Fuze pulled her older sister, she pulled her older sister towards Ye Chen.

Zhi Fuxe was helpless, she was dragged by Zhi Fuze down from the tavern, the two of them went towards Ye Chen's direction.

"Ye Chen ! ! !" Zhi Fuze called out to Ye Chen, she called out to Ye Chen who was in the distance.

Ye Chen turned his head, he found out where the voice just now came from.

When Ye Chen turned his head, he saw Zhi Fuze and Zhi Fuxe who were behind and were waving at him.

"Why are the two of them in this place?" Ye Chen didn't expect the two of them to be in this place.

Zhi Fuze and Zhi Fuxe approached Ye Chen, both of them quickly got in front of Ye Chen.

"Hello, two beautiful ladies" Ye Chen greeted Zhi Fuze and Zhi Fuxe.

"I didn't expect to meet you so soon" Zhi Fuze said to Ye Chen, they met again very quickly.

"I also didn't expect to see you again, plus it looks like you are with your older sister" Ye Chen said while looking at Zhi Fuxe.

"Long time no see, I didn't expect you to take part in the competition" Zhi Fuxe gave a formal greeting.

"Yes, I can't possibly miss something like this" Ye Chen said that he wouldn't miss a battle like this.

"That's great, I hope you get a good result" Zhi Fuxe wished Ye Chen a good result.

"I got a decent result" Ye Chen told that he got a decent result.

"Even so, I can't compare to your little sister who earns so much" Ye Chen said as he glanced at Zhi Fuze.

"No, I can't possibly get that much, it must be your doing" Zhi Fuze said while pointing at Ye Chen.

"What do you mean, I don't understand?" Ye Chen asked Zhi Fuze, he didn't understand what Zhi Fuze said.

"Don't act stupid, I know this is all your doing" Zhi Fuze said while pointing at Ye Chen.

"Do you have any proof that I was the one who did it?" Ye Chen asked Zhi Fuze.

"that . . ." Zhi Fuze couldn't answer Ye Chen's words, she really didn't have that kind of evidence.

Zhi Fuxe smiled when she saw this, she seemed to know that Ye Chen was hiding something.

Zhi Fuxe was a very smart woman at all, she was much smarter than Zhi Fuze, it wouldn't be strange if she could figure out what Ye Chen was trying to hide.

Ye Chen might be able to fool the little girl Zhi Fuze, but Ye Chen wasn't sure that he could fool Zhi Fuxe.

Zhi Fuxe did not speak, it seemed that she would not help Zhi Fuze to speak.

"how about you come with us, what a coincidence we are ordering food" Zhi Fuxe invited Ye Chen, she sincerely invited Ye Chen to join them together.

Zhi Fuxe's invitation seemed sincere, Ye Chen couldn't refuse Zhi Fuxe's sincere invitation.

"Okay" Ye Chen nodded and joined together with Zhi Fuxe and Zhi Fuze.

Chapter 1967 Tian Mo Come

Zhi Fuze gaped when she saw what his older sister was doing, she didn't expect that her older sister would take Ye Chen out for a meal.

"No way, big sister took her out to eat, this is really a very rare thing." Zhi Fuze looked like she saw a miracle, she saw a miracle that he had never seen in her life.

Ye Chen followed Zhi Fuxe, he followed Zhi Fuxe to the tavern where they had left.

Zhi Fuze followed behind, he observed Ye Chen and Zhi Fuxe who were enjoying themselves together.

"Hmmm, that doesn't make sense" Zhi Fuze still thought that what happened was absurd, actually what happened to her older sister, usually she wasn't like this.

"Wait, isn't this a great thing, this way I don't have to worry anymore, big sister can be with Ye Chen and I can be together with Tian Mo" Zhi Fuze started to think about what would happen to her older sister, if she could unite both would be great things for her.

"Okay I will start the plan to unite the two" Zhi Fuze came up with her own plan, she couldn't wait to do it.

Ye Chen and Zhi Fuxe had not realized the intentions that Zhi Fuze had.

Ye Chen, Zhi Fuxe and Zhi Fuze headed to the tavern, the three went to the reserved table.

The waiter started to go and brought the food, Zhi Fuxe invited Ye Chen to order his favorite food, he would pay for everything.

"I'm getting uncomfortable with you" Ye Chen said to Zhi Fuxe.

"I've already gotten a lot from you, just think of it as my" Zhi Fuxe said to Ye Chen.

"That's right, don't waste this, you should know that Big sister rarely treats people like this" Zhi Fuze said to Ye Chen.

Zhi Fuze gave a signal to Ye Chen, she gave a signal to Ye Chen that his older sister really cared about Ye Chen.

"ouch . . ." Zhi Fuze shouted, she felt someone stepping on her lower leg.

"What's wrong?" Zhi Fuxe asked Zhi Fuze.

Zhi Fuxe looked at Zhi Fuze with a horrifying look, it was obvious that she was not happy with what Zhi Fuze said.

Zhi Fuze lowered her head, she saw that his older sister was very angry with her.

"I just want to help, why are you angry" Zhi Fuze said to Zhi Fuxe

Zhi Fuze was dissatisfied with what her older sister had done, even though she intended to help her older sister get Ye Chen.

"Don't embarrass me." Zhi Fuxe said in a dissatisfied tone.

Ye Chen just smiled when he saw Zhi Fuxe and Zhi Fuze's behavior, these two sisters were very cute, both of them seemed to get along very well with each other.

Ye Chen ordered some food that he liked, right now Ye Chen was together with beauties like Zhi Fuxe and Zhi Fuze, he naturally enjoyed everything well.

Zhi Fuze tried several times to create opportunities for Ye Chen and Zhi Fuxe, it was a shame what she did could not bring them close.

"What should I do" Zhi Fuze thought, she tried to find a way that could be used to make the two closer.

"Maybe I should go, then they can become closer" Zhi Fuze thought that if she left then the two would get a chance to be alone.

"I will go back for a while" Zhi Fuze looked for an excuse, she was looking for an excuse that could be used to leave this place.

"Fuze where are you going?" Zhi Fuxe asked Zhi Fuze, before Zhi Fuxe could finish her question, Zhi Fuze had already left this place.

"She naughty, she never listens to me" Zhi Fuxe was annoyed that her naughty little sister never listened to her.

"Hahahaha, it seems that you are having a lot of trouble dealing with her" Ye Chen said to Zhi Fuxe

"You are absolutely right, I have a lot of trouble controlling him" Zhi Fuxe admitted that she had a hard time controlling Zhi Fuze.

"She always does that when he's in the match, she's very active, it's very rare to have a girl like that" Ye Chen said, Ye Chen seemed to be praising Zhi Fuxe's passionate nature.

"I'm sorry about that, he was just too excited and too cheerful" Zhi Fuxe said to Ye Chen.

Zhi Fuxe knew quite a bit about Zhi Fuze, so she knew what her younger sister was doing, she must have clung to Ye Chen very tightly, Zhi Fuxe was very sure about that matter.

Ye Chen and Zhi Fuxe continued their meal, this time the two of them looked like lovers eating together.

"Bam. . ." when Ye Chen and Zhi Fuxe were enjoying their meal, suddenly a strong pressure enveloped them.

Ye Chen used his strength and blocked the attack that was coming his way.

"Who is it?" Zhi Fuxe immediately looked for the person who was bothering them.

As Zhi Fuxe searched for the whereabouts of the person who was bothering them, she found a familiar figure for herself.

"Why is he here, this will be a very troublesome matter" Zhi Fuxe said in her heart.

"Ouch . . ., this is very serious." Zhi Fuze who saw this felt that this would all become a very big problem, this matter would become a very big problem when this person came.

" he . . .?" Ye Chen saw a familiar figure, he saw Tian Mo's figure in front.

"Why does he look so angry?" Ye Chen saw that the current Tian Mo looked very angry, the current Tian Mo looked very angry, the calm image that was previously used was shattered and now he was filled with anger.

Tian Mo went towards Ye Chen, he looked displeased when he saw Ye Chen.

"You know him, it seems like he is trying to find trouble with me" Ye Chen asked Zhi Fuxe who was beside him, it seemed that Tian Mo came here with bad intentions.

"You better go, I will keep him in this place" Zhi Fuxe told Ye Chen to leave, she would hold Tian Mo.

"Why should I go?" Ye Chen asked Zhi Fuxe, she has no problem, if indeed Tian Mo is looking for trouble then don't blame him for looking for trouble back.

Ye Chen was a good person, he would not look for trouble on people who weren't looking for trouble in the first place, instead he would act harshly on people who deliberately looked for trouble with him.

"Humph. . ." Zhi Fuxe was helpless, it seemed that she couldn't get Ye Chen to do what she ordered.

"Come here" Zhi Fuze came, he came to take Ye Chen away.

Zhi Fuze intended to take Ye Chen away, when he was about to take Ye Chen away, Zhi Fuze found that he couldn't pull Ye Chen away.

Ye Chen was like a mountain that couldn't be moved, either the strength was so strong that Zhi Fuze couldn't pull it.

Tian Mo's strength is very big, this makes some people who eat away, they avoid the anger that is owned by Tian Mo.

The longer Tian Mo became so terrifying, his strength became enormous every time.

"Ye Chen you have to go, otherwise you will get in big trouble" Zhi Fuze said to Ye Chen, Zhi Fuze gave Ye Chen a stern warning.

"No one can give trouble, otherwise I will give trouble" Ye Chen said to Zhi Fuze.

Chapter 1968 Ye Chen looked for trouble to Tian Mo

Zhi Fuze was helpless as she listened to what Ye Chen said.

"what will happen next" Zhi Fuze didn't know what would happen next, she felt that something bad was going to happen and she didn't want to see this.

"Tian Mo stop right there" Zhi Fuxe stopped Tian Mo, she used the light power she had to stop Tian Mo.

Tian Mo used one hand to destroy Zhi Fuxe's attack.

Tian Mo seemed to be very strong, Zhi Fuxe's attacks were easily caught with just one hand.

"No way, Sister attack on the tank with one hand" Zhi Fuze couldn't believe that Zhi Fuxe's attack was blocked with only one hand.

"He is quite terrible too" Ye Chen said, Ye Chen gave an assessment.

"You know he's scary, so let's get out of here" Zhi Fuze pulled Ye Chen back, she invited Ye Chen to leave this place.

Ye Chen refused to go together with Zhi Fuze, she instead came forward and headed towards Zhi Fuxe.

"What's wrong with this person?" Zhi Fuze couldn't think of what Ye Chen did, to be honest what Ye Chen did made her feel dizzy.

"I told you to stop there." Seeing Tian Mo not wanting to stop, Zhi Fuxe was forced to use stronger means, she used her own strength to stop Tian Mo.

This time Zhi Fuxe seemed to be using more power, he seemed to be using more power to defeat Tian Mo in front of him.

With the full power used by Zhi Fuxe, Tian Mo had to stop in place.

"Looks like this will buy time for a while" Zhi Fuxe was sure that she could buy some time.

"Are you trying to buy time?" Ye Chen asked Zhi Fuxe, Ye Chen appeared beside Zhi Fuxe, he appeared right beside Zhi Fuxe's body and was very close to Zhi Fuxe.

"what are you doing here, why don't you go" Zhi Fuxe was quite surprised when she saw Ye Chen near her, to be honest it made her very surprised.

Zhi Fuxe thought that Ye Chen had already left, to think that he was actually beside Zhi Fuxe, this was really unreasonable.

"Why don't you go?" Zhi Fuxe asked Ye Chen, why did Ye Chen not go when faced with this kind of situation.

"Why should I go?" Ye Chen asked Zhi Fuxe why he had to leave.

"Are you not aware of the current situation?" Zhi Fuxe said to Ye Chen, Zhi Fuxe scolded Ye Chen, Ye Chen was completely unaware of the current situation.

"Can you explain the current situation?" Ye Chen asked Zhi Fuxe.

Ye Chen didn't know the current situation, he didn't know a suitable reason to describe the current situation.

"Ye Chen listen to me" Zhi Fuze came closer, she told Ye Chen what happened here.

Zhi Fuze tells Ye Chen that Tian Mo is one of the people who likes her sister, so it's not strange that he gets angry when he sees Zhi Fuxe eating together with Ye Chen,

surely Tian Mo thinks badly of Ye Chen's situation and her older sister.

"oh, I see." Ye Chen finally knew what kind of situation had happened, why Tian Mo was so angry to such an extent, it turned out to be a very simple reason.

"Since it's like this, then I should have done it." Ye Chen put his arm around Zhi Fuxe's waist, this made Zhi Fuxe and Zhi Fuze surprised.

"No way, this guy is really looking to die" Zhi Fuze was shocked to death what Ye Chen did was obvious, he was provoking Tian Mo.

Tian Mo's anger was getting more and more unstoppable, he was actually already very angry with Ye Chen.

An enormous killing aura enveloped the building, the tavern began to tremble and the roof began to collapse.

People had already saved themselves, so everything was safe and no one would be a victim.

"You are really crazy, don't you know who you are provoking" Zhi Fuxe said to Ye Chen.

"Of course I know, I did this on purpose" Ye Chen said to Zhi Fuxe.

From the beginning Ye Chen had deliberately provoked Tian Mo, he wanted to see what this God Realm's first genius was like, whether it was just a rumor or reality.

In the previous battle Ye Chen didn't find a strong opponent, now Ye Chen found a fairly strong opponent, it seems he wants to relax his muscles a little and fight against Tian Mo.

Zhi Fuxe and Zhi Fuze felt troubled, if these two fought then what would happen.

Ye Chen and Tian Mo started to face each other head on, Tian Mo's aura was very impressive, while Ye Chen didn't use his aura.

"I don't know who you are, but you have dared to disturb my woman" Tian Mo said to Ye Chen, Tian Mo's voice was filled with killing intent and strong anger.

"Huh?, didn't I hear wrong, did you say that she is your woman, are you dreaming or something, I heard that she is still single, since when did it happen?" Ye Chen said to Tian Mo.

Ye Chen asked Tian Mo, Ye Chen knew very well that Zhi Fuxe was single.

"You don't listen to me, you will regret this" Tian Mo said to Ye Chen.

Since Ye Chen didn't listen to Tian Mo, there was no reason for Tian Mo to hold back, he launched an attack on Ye Chen.

"Boom" a very powerful and deadly attack was launched at Ye Chen, in this case it was obvious that Tian Mo did not hold back when he attacked Ye Chen.

"no . . .!" Zhi Fuxe screamed, she screamed when she saw what happened to Ye Chen.

The attack should be very powerful and would probably injure Ye Chen very badly.

"No, he will get a very heavy wound" said Zhi Fuze, Zhi Fuxe felt that Ye Chen would get a wound from Tian Mo's strong attack.

Ye Chen was still standing in front of Tian Mo, he showed no signs of retreating even after receiving the powerful attack launched by Tian Mo.

"No way, he can still stand after receiving Tian Mo's attack?" Zhi Fuze couldn't believe what she was seeing right now, Ye Chen was able to withstand Tian Mo's powerful attack with great ease, this was something that was hard to believe.

Zhi Fuxe was also shocked, she looked shocked when she saw what happened, what happened had left her speechless.

"Is this all you can do?" Ye Chen asked Tian Mo, Ye Chen asked if Tian Mo could only do this, to be honest it was quite boring for Ye Chen.

Ye Chen hoped for more, he hoped that Tian Mo could cheer him up.

Tian Mo realized that Ye Chen had decent strength, he wouldn't be able to beat Ye Chen if he only relied on his current strength, Tian Mo had to use more of the strength he had against Ye Chen.

Tian Mo intends to use his full strength, he intends to attack Ye Chen using his full strength.

Previously Tian Mo was still holding back, now he would no longer hold back against Ye Chen.

"Stop right there, what are you guys doing" Just as Tian Mo was about to get serious in dealing with Ye Chen, he was stopped by someone.

Chapter 1969 Tian Mo's threat

Lei Qiaolin came, she came and stopped the battle that Ye Chen and Tian Mo were fighting.

The power used by Tian Mo was very obvious, this made Lei Qiaolin around to feel it very easily.

When Lei Qiaolin arrived at this place, Lei Qiaolin saw that Ye Chen was fighting Tian Mo, the two of them had not yet started.

If the two of them started it, then it would be a pretty big problem.

"Why did you stop us?" Tian Mo asked Lei Qiaolin, why did Lei Qiaolin stop their battle.

"You can't fight here." Lei Qiaolin told them that they couldn't fight in this place.

" why?" Tian Mo asked again, he asked why they can't fight in this place.

"If I say no, then no, don't you hear?" Lei Qiaolin said to Ye Chen and Tian Mo.

"It's up to you, he was the one who caused trouble first, so don't blame me" Ye Chen said as he pointed at Tian Mo.

Ye Chen said that Tian Mo was the first person who had been looking for trouble, so he told him to leave.

"You are the first to try to find trouble, don't you understand" Tian Mo said to Ye Chen.

Tian Mo said back that it was Ye Chen who had been looking for trouble, if Ye Chen had not been looking for trouble, then the situation would not have been like this.

Lei Qiaolin is dizzy, these two are very difficult people to manage, to be honest she doesn't understand what these two are doing.

"You, aren't you Zhi Fuxe, what are you doing in this place" Lei Qiaolin saw this familiar person was Zhi Fuxe who had the power of light.

As a person with the power of light, of course Zhi Fuxe was quite famous among high-class cultivators.

"I came here to eat with Ye Chen and my sister" Zhi Fuxe told Lei Qiaolin that she was eating with Ye Chen and Zhi Fuze.

"-_- " Lei Qiaolin's face immediately changed when she heard what Zhi Fuxe said.

"This man, he is approaching a beautiful woman again, is he dissatisfied with the beautiful woman beside him" Lei Qiaolin was helpless, how could Ye Chen have dinner with a beautiful woman when he had several beautiful women around him.

"Please don't cause any more trouble" Lei Qiaolin told Ye Chen not to cause any more trouble, Ye Chen honestly gave Lei Qiaolin a headache.

"Whenever I cause trouble, I never cause trouble" Ye Chen said that he never caused trouble.

"Are you bored, you often get me in trouble, don't you remember that" said Lei Qiaolin while pointing at Ye Chen "Lei Qiaolin seems very angry, she is very angry with what Ye Chen did.

Ye Chen had completely forgotten that he had problems with Lei Qiaolin, he had forgotten the problems they had.

Ye Chen was always causing trouble for Lei Qiaolin, this irritated Lei Qiaolin, for only Lei Qiaolin to hold back, otherwise he might have beaten Ye Chen a long time ago.

"You quickly leave this place" Lei Qiaolin tells Tian Mo to leave, if the two fight, it might be difficult for Lei Qiaolin to face the two, considering Ye Chen has a lot of terrible tricks, it will be a problem if Ye Chen uses the tricks he has .

Tian Mo still refuses to leave, it can be said that he doesn't want to leave this place, he still looks at Ye Chen with a dissatisfied look.

"if you don't go, I will suspend from the competition" Lei Qiaolin said again to Tian Mo, she told Tian Mo about what would happen if he didn't leave soon.

Tian Mo grits his teeth, he can't do anything when it comes to competition, to Tian Mo this competition means more than anything.

"This time you are lucky, but next time you will not be so lucky" Tian Mo said to Ye Chen, he told Ye Chen who was lucky because of Lei Qiaolin.

If it wasn't for Lei Qiaolin, maybe Ye Chen wouldn't have survived Tian Mo's rampage.

"I should have said that" Ye Chen said to Tian Mo, it should be Ye Chen who said that, Tian Mo is lucky that Lei Qiaolin came, otherwise Ye Chen would not have restrained himself.

Ye Chen and Tian Mo looked at each other, they both seemed to want to fight again.

"already gone" Lei Qiaolin told Tian Mo to leave, she used a slightly high tone for Tian Mo.

Tian Mo left, he flew towards the horizon with a dissatisfied state of heart.

Ye Chen smiled when he saw Tian Mo leave, there was satisfaction when he saw Tian Mo leave.

"Don't make trouble anymore, if you cause trouble, I won't hesitate" Lei Qiaolin gave a warning to Ye Chen, she told Ye Chen not to cause unnecessary trouble in this place.

"Okay, I understand." Ye Chen nodded, he would try not to cause trouble.

If no one causes trouble with Ye Chen, then Ye Chen won't cause trouble either, it's that simple.

"You were so reckless earlier, you scared you" Zhi Fuze said to Ye Chen, what did

"Why, I just want to straighten out what happened" Ye Chen said to Zhi Fuze.

Ye Chen couldn't possibly stay silent when he saw someone looking for trouble, plus Zhi Fuxe came forward to help him block Tian Mo, there was no way Ye Chen would leave when he saw such a thing.

"I was speechless when I saw you doing that" Zhi Fuxe was speechless when she saw what Ye Chen did.

"Hehehe" Ye Chen chuckled as he listened to Zhi Fuxe's praise, it seemed that Zhi Fuxe was speechless when she saw what Ye Chen was doing.

Today Zhi Fuxe has never been as shocked and worried as she is today, Ye Chen is the one who can surprise Zhi Fuxe like she is today.

"Let's continue eating" Ye Chen said to Zhi Fuxe and Zhi Fuze.

"Where, this place has been destroyed" Zhi Fuze said to Ye Chen, this place has been destroyed, all of their food has fallen to the ground.

"That person is really annoying, maybe I will find some time to deal with him" Ye Chen was annoyed when he found out about this, he would find time to take care of Tian Mo.

"Alright, let's go find another place." Zhi Fuxe took Ye Chen and her little sister to go find a new place, this place was really unfit for them.

Ye Chen agreed, he agreed with Zhi Fuxe's suggestion that they wanted to find a new place, they could go back to continue eating together.

Ye Chen accompanied the younger Sister and sister, he accompanied the two until it was almost afternoon.

Ye Chen got a little experience from Zhi Fuxe, he got a lot of information about the people who took part in the competition and who would come to watch, everything was very clear, Zhi Fuxe's explanation was very detailed.

"Thank you for everything, if you have free time, maybe we can continue it again" Ye Chen said to Zhi Fuxe and Zhi Fuze.

"You're so excited, you have a huge appetite," said Zhi Fuze with a smile.

Zhi Fuze was quite amused by what Ye Chen was doing, she was quite amused when she saw Ye Chen eating.

Chapter 1970 Emergence of Chang Er

"Hehehehe" Ye Chen chuckled as he listened to what Zhi Fuze said.

"Let's go back" Zhi Fuxe invited Zhi Fuze to come back, they had been outside for too long and would make others worry.

"See you later" Zhi Fuze said to Ye Chen, this woman is still very excited and cheerful all day long.

Zhi Fuxe and Zhi Fuze left Ye Chen, both left Ye Chen.

Since Zhi Fuxe and Zhi Fuze had left, Ye Chen also went, he went along and wandered around.

Ye Chen hadn't finished walking around, he continued to look around this place.

This was the residence of the disciples of the Five Lord Divine Academy, so there were countless disciples of the Five Lord Divine Academy living in this place.

They were disciples of the Five Lord Divine Academy, naturally they would be extremely arrogant when they met an outsider like Ye Chen.

The Five Lord Divine Academy is a prestigious place, of course they feel proud to be in this place, they feel that they are very powerful kings and are not comparable to the participants taking part in the competition.

It was not strange that they were quite arrogant when dealing with participants in the competition.

Ye Chen didn't care much about this matter, to be honest he didn't really care about this kind of matter, to Ye Chen these people were just spoiled young masters and young ladies.

"wow look who it is" the people around started to get noisy, they seemed to have just seen something good.

"Ohhh. . ., is there a show?" Ye Chen was quite curious about what happened, he was quite curious about what was going on there.

Ye Chen decided to come closer and see what was going on, when Ye Chen approached, he found a beautiful woman walking elegantly.

This woman has a beautiful face and has eyes of different colors, at first glance this woman is beautiful and charming.

Plus this woman used her charms to attract the opposite sex, she did this in order to be famous among the male students.

Ye Chen was already familiar with the woman in front of him, the woman in front of him was Chang Er.

"She's still the same, she's very popular, she uses her Charm to seduce others" Ye Chen looked at Chang Er, it seemed that this woman didn't change even after Ye Chen gave a punishment.

Ye Chen smiled to himself as he recalled what he had done to Chang Er.

"I don't know what if he meets me" Ye Chen wanted to see Chang Er's reaction when he met her, it would be very interesting.

"Hi everyone" Chang Er greeted everyone, this lady was acting nice to everyone.

"Why should I let you go, do you have a reason that requires me to let you go?" Ye Chen asked Chang Er.

"I'm just a weak girl, how can you bully a weak girl like me" Chang Er said to Ye Chen.

"Weak girl, so cute, since when did you become a weak girl, you seem strong, don't lie to me" Ye Chen said to Chang Er.

Chang Er was quite strong, she was one of the top-ranked disciples with quite a bit of strength.

Ye Chen suppressed Chang Er, Chang Er felt embarrassed when she was suppressed by Ye Chen.

Ye Chen held Chang Er's chin, he looked at Chang Er who was in front of him.
