

True God 1971

Chapter 1971 Yu Ting and the four rich young masters

Sometimes being popular is not as easy as people think, they have to be hated by other women who don't like seeing Chang Er who is popular.

"I know how you feel, let's see who it is" Ye Chen was curious, he wanted to know who Chang Er was referring to.

Ye Chen and Chang Er looked from behind the roof, both saw who was the center of attention.

On the street there were about five people, one woman and four handsome men in luxurious clothes like a prince, it was obvious they were all from big families, otherwise they couldn't have been wearing such a fine outfit.

"Oh that's him" Ye Chen was a little displeased when he saw who he met, he didn't expect that he would meet her in this kind of situation.

"What's with your reaction, do you know her?" Chang Er asked Ye Chen, she saw that Ye Chen seemed to know the enemy.

"Of course, I know her quite well, she and me have a history in the past" Ye Chen said to Chang Er.

"uhh. . ?" Chang Er did not expect that Ye Chen knew this woman.

"Don't tell me you're also interested in the fox" Chang Er said to Ye Chen.

If that was true, then it would be quite a serious matter for Chang Er, Chang Er would be in big trouble if that happened.

Ye Chen is quite terrible, there is nothing good when looking for trouble with Ye Chen.

"Hahahaha" Ye Chen laughed while listening to what Chang Er said, to him those were the funniest words in this world.

"Why are you even laughing?" Chang Er asked Ye Chen, he wanted to know why Ye Chen laughed instead.

"Your question is very funny, of course I laughed" Ye Chen told the reason why he laughed.

"what's funny answer quickly" Chang Er asked Ye Chen, she wanted to know what was funny about her question.

"I'll tell you that I and I are enemies, so don't say silly things like that." Ye Chen told that he and the woman were enemies.

The woman that Ye Chen saw was Yu Ting, it seems that the information he got was an object, Yu Ting was in this place and was trying to get close to the rich young master.

Ye Chen didn't know what this woman was up to, to be honest he was curious about Yu Ting's goal of approaching a rich family.

There must be a purpose when Yu Ting approached a rich family, Ye Chen was absolutely certain.

"You, can you tell me who they are?" Ye Chen asked Chang Er, he wanted to know the four men beside Yu Ting.

"They are geniuses in the academy, they have an important role in the academy, their family is also quite strong" Chang Er explained to Ye Chen about the four people beside Yu Ting.

These four people were the top students in the academy, they had the most outstanding talents and were most recognized among the students.

"I'm not interested in them, just explain their background" Ye Chen was not very interested in the four, he was more curious about their background.

"Their backgrounds are much more terrifying" Chang Er said to Ye Chen.

"Just say it quickly, don't talk too much" Ye Chen said to Chang Er, Ye Chen asked about the background of the four men there.

"Okay, okay, I'll tell you." Chang Er said that she would tell Ye Chen about this matter.

"First, it's Long Caolin, his family is one of the best weapons craftsmen in God Realm." Chang Er explained the first man on Yu Ting side, she told that this man's background was the best weapon craftsman.

"next is Hou Tangmeng, he comes from a family that is skilled in runes and Arrays, his family is highly respected for their rare strength"

"third is Gu Wungsa, he comes from a powerful Alchemist family in God Realm, their Gu family is first on the list The best alchemist in the God Realm.

"Lastly there is Peng Cong, he is from the Knowledge Star Realm, his knowledge is very high, he is from a very intelligent family in the Knowledge Star Realm." Chang Er explained everything, she told Ye Chen the background of the four men surrounding Yu. Ting.

"Their background is really very important, will she use it for her benefit" Ye Chen saw that the four of them had very large backgrounds, they were almost at the top of the God Realm in terms of basic necessities, almost all cultivators wanted to be close to them.

"She's pretty smart" Ye Chen started to know what Yu Ting was planning.

He had already begun to guess what Yu Ting was trying to do.

"Why are you smiling, is there something wrong?" Chang Er asked Ye Chen.

Ye Chen smiled evilly, from Ye Chen's smile, Chang Er could tell that he was planning something bad.

"Do you want revenge?" Ye Chen asked Chang Er.

"of course" Chang Er said to Ye Chen, Chang Er naturally wanted to take revenge on Yu Ting.

"Then let's embarrass them" Ye Chen said to Chang Er.

Ye Chen wanted to destroy what Yu Ting had built, Ye Chen would not let this woman succeed in establishing power by taking advantage of a great family like them.

"I hope Yanyan and the others don't see it, otherwise, I'm sure there will be a great battle." Ye Chen hoped that if Zhao Yanyan and Lin Rouxi weren't here, it would be a big problem when the two of them came here.

Ye Chen might be able to hold back when facing Yu Ting, but when it came to Zhao Yanyan and the others, they might not be able to hold back easily.

Ye Chen changed his appearance, he took off his disguise.

When facing Yu Ting, Ye Chen didn't need a disguise, he didn't need a disguise to face Yu Ting.

"What are you doing?" Chang Er felt embarrassed when she saw the half-naked Ye Chen, to be honest she felt excited when she saw Ye Chen.

Ye Chen had an extremely strong charm, he was an extremely handsome man and couldn't be compared to the four men beside Yu Ting.

Ye Chen changed his clothes, he was wearing a silk robe which was much better than before.

Ye Chen's current appearance was very good, he was like a young master from a rich family who was very handsome and possessed great charm.

Chang Er was amazed when she saw Ye Chen, to be honest Ye Chen was the most handsome man she had ever seen in her life, there was no longer any debate about that matter.

"Come with me" Ye Chen said to Chang Er.

"Eh, what do you want?" Chang Er asked Ye Chen, she asked what Ye Chen would do.

"Just follow what I tell you, I will make sure that they will have a shame they won't forget" Ye Chen said to Chang Er.

Chang Er can only follow Ye Chen's game, she can only follow Ye Chen's game.

Yu Ting used her charms very well, she looked like a sweet and super seductive woman who was untouchable by evil, in fact this woman was far more cunning than anything in this world.

Under the afternoon sky, Yu Ting did look tempting, everyone who saw her would naturally be blown away.

The four men on the side also felt proud, they were all able to walk close to a beautiful woman like Yu Ting.

Chapter 1972 Feud with four rich young masters

The five of them were so famous, everyone gave them a way to pass.

As everyone made way for Yu Ting and the four men beside her, Chang Er appeared in front of them.

Yu Ting immediately stopped when she saw Chang Er, there was a disdainful smile when she saw Chang Er.

"Let's see who's here?" Yu Ting said to Chang Er, he said to Chang Er who looked pitiful.

Yu Ting had captured a lot of attention since his arrival, it must have reduced Chang Er's reputation a lot.

"What do you want?" Chang Er said to Yu Ting.

Chang Er's tone sounded very cold, it seemed that the enmity that Chang Er and Yu Ting had was quite deep.

"I don't want anything from you, otherwise you definitely want something from me, I see that you are jealous of my beauty" Yu Ting said that Chang Er was jealous of her beauty.

"Why would I be jealous of that?" Chang Er said that if she wasn't jealous, there was no point in being jealous of Yu Ting.

"Are you sure?, look around me, are you jealous of what I have?" Yu Ting said to Chang Er.

Yu Ting started to show off, he started to show off to Chang Er, Yu Ting felt like he was above Chang Er.

In this academy, obtaining Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong was extremely difficult to obtain, but now that Yu Ting had gathered them all, this was a very great achievement.

"I have found someone who is much better than them" Chang Er said to Yu Ting, she told Yu Ting that she had found someone better than Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong

"Hahahaha" Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong laughed as they listened to what Chang Er had to say, they thought what just Chang Er said was braggart .

"Are you trying to brag in front of me, you have to do better than that." Yu Ting said to Chang Er, she said that Chang Er bragging was too childish.

People were intrigued by what was happening, they were all intrigued when they saw the battle that was taking place between Chang Er and Yu Ting.

Chang Er and Yu Ting were both famous, so it wasn't surprising that they both received a lot of attention from those around them.

"Who is talking about ?" The women around started gossiping, they wanted to know who talking about was , is there anyone who can match Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

In this academy Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong were in the top ranks, they were the most powerful men in the Five Lord Divine Academy and had many followers and fans everywhere.

Finding a worthy person to fight against these four was a very difficult thing to do, they all weren't sure that Chang Er could find someone better than Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

"I thought that you all wouldn't believe what I said." Chang Er had expected this, everyone wouldn't believe what she said.

"That's so true, how can we believe what you say, if he really exists, then send him down here, let me see" Yu Ting said to Chang Er.

Yu Ting told Chang Er to show her the person, honestly she wanted to know who the person Chang Er was talking about.

Not only was Yu Ting curious, Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong and everyone else in this place also wanted to see the person Yu Ting had just spoken, they all wanted to see who exactly the person talking about Chang Er

"You just see, you will definitely be surprised" Chang Er said to everyone in this place, she told that everyone would be surprised when they saw for themselves what she had seen before.

Chang Er waited for a while, she waited for Ye Chen to appear.

A few seconds passed, Ye Chen did not come out and show himself, this is very unreasonable.

"where?" Yu Ting asked again, she again asked Chang Er who was still alone.

"Will he appear?" Chang Er started to panic, what if Ye Chen didn't want to show up, it would be really embarrassing if Ye Chen didn't show up.

If Ye Chen didn't show up, then it was certain that Chang Er would be extremely embarrassed.

There are so many people here, if this news were to spread, it would be very hot gossip.

Everyone couldn't believe what Chang Er said, it seemed like Chang Er was just bragging to everyone in this place.

"Miss Chang, don't ruin your family's reputation, you should just go home, we still respect your family." Peng Cong said.

Peng Cong's vocabulary is very good, he asked Chang Er gently and politely enough, this man deserves called a person with high education.

"I shouldn't have believed him" Chang Er was annoyed, should she have not believed what did Ye Chen

Now what he had to do, solving this problem would definitely be quite a difficult thing to do.

Just when everyone thought that Chang Er was lying and bragging to them, Ye Chen appeared from the clouds, he appeared and landed beside Chang Er.

Ye Chen's arrival naturally shocked everyone in this place, there were countless women who were mesmerized by Ye Chen's good looks.

" Kyahhhhhhhh . . . , he's so handsome." Everyone thought that while Ye Chen was a very handsome person, Ye Chen's good looks made all the women hysterical.

Honestly all the women in this place had never seen a man as handsome as Ye Chen, it could be said that this was their first time seeing a man as handsome as Ye Chen.

Ye Chen was indeed too handsome, Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong couldn't be compared to Ye Chen.

Among everyone in this place, Yu Ting is probably the one who is dissatisfied, he sees Ye Chen is in this place, it is likely that Ye Chen will interfere with his plans again.

"I need to get rid of him immediately" Yu Ting had to get rid of Ye Chen immediately, he couldn't let Ye Chen act freely, otherwise it would be quite a big problem for him.

"Honey, are you looking for me" Ye Chen said to Chang Er, he was acting intimate with Chang Er.

"Yeah, they're bothering" Chang Er pointed at Yu Ting, Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

"Let's see who this is" Ye Chen said to Chang Er, Ye Chen looked at Yu Ting, Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong from top to bottom.

"Oh so it's not strange, this sly woman is actually the one bothering you" Ye Chen said to Yu Ting.

"Bastard, what are you saying?" Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong were not happy when they heard this.

"That's great, attack him quickly, let him know that looking for trouble with me is not a good thing" Yu Ting was pleased with what Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong were doing, they were doing very well.

"I'm just telling the truth, don't you guys like it when I tell the truth" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

Ye Chen tried to be honest, he tried to be honest with Yu Ting and how he was.

Chapter 1973 Challenge the rich young master's source of wealth (1)

"You don't know her well, so stop talking nonsense to our goddess." Long Caolin said to Ye Chen, he said that Ye Chen didn't know who Yu Ting was.

"What is she really like to you?" Ye Chen asked Long Caolin.

"She's a good person, you wouldn't know that" Long Caolin said to Ye Chen.

Yu Ting was a good person, in Long Caolin's eyes he was a kind and considerate person.

"Hahahaha" Ye Chen laughed out loud when he heard this, to be honest he laughed when he heard how Long Caolin described Yu Ting.

"Damn it, why are you laughing" Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong were annoyed when they saw Ye Chen laughing at Yu Ting, to them what Ye Chen did was an insult

"You guys are really funny, it seems you are new know her, so it's not strange that you don't know who she is" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong were all upset when they heard this, it was like Ye Chen had known Yu Ting for a long time.

"Don't listen to him, he's just a lowly man" Yu Ting said to Ye Chen.

Yu Ting started to feel threatened when she heard Ye Chen's words, it was clear that Ye Chen's words could threaten and destroy all well-prepared plans.

Yu Ting wouldn't let Ye Chen mess up her plans, no matter what, Ye Chen had to make sure that everything went smoothly and without a hitch.

"So he's only from a lowly family, I think he's from an upper class family." Hearing this, Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong started to underestimate Ye Chen.

"Even though he comes from a lower family, he's still handsome, ahhhh, how can there be such a handsome man" all the women were fascinated by Ye Chen, now they don't care about Ye Chen's background.

They care more about the handsome man in front of them, they want to eat the handsome man in front of them.

They wanted to directly kiss Ye Chen who was handsome and had very strong charisma.

"If I come from a lower family, then you come from a homeless family" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

" what?" Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong felt humiliated when they heard what Ye Chen said, what Ye Chen made them feel angry and wanted to destroy Ye Chen.

"Are you tired of your life ?" Hou Tangmeng said to Ye Chen, he was angry when he heard what Ye Chen said.

"Looks like you need to be burned in the furnace" Gu Wungsa said to Ye Chen.

all the men beside Yu Ting were angry with Ye Chen, it could be seen that Ye Chen had provoked the ire of the rich and influential young master.

"Are you angry, you should be angry with the person beside you" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

"you . . ." Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong got more angrier when they listened to what Ye Chen said, they all felt angry when the goddess in their hearts was abused by Ye Chen.

Yu Ting could only grit his teeth, it seemed he was annoyed when he saw what Ye Chen said, to be honest Ye Chen was too smart, this made Yu Ting feel cornered.

"Looks like you're really looking for trouble, let us tell you our true strength." Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong didn't accept it, they intended to fight Ye Chen.

"Wait a minute" seeing Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong who wanted to attack, Ye Chen stopped them.

"What is it, are you afraid?" Long Caolin said to Ye Chen.

"I'm not afraid, I just don't want to fight, it will create chaos in events like this" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

Now that the competition event was going on, they couldn't do anything that could wreak havoc on the competition.

"Just say that you are afraid." Peng Cong said that Ye Chen was afraid.

"I was never afraid of you, before you said I came from a lower family, do you believe comparing what you have" Ye Chen said to Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong looked at each other, this was the most suitable time for them to embarrass Ye Chen.

In this academy Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong could be said to be rich, they had excellent resources and inheritance, no fool would want to argue with them when it came to wealth.

"Are you ready to be humiliated?" Long Caolin said to Ye Chen, he was very confident in his wealth.

This is young master Long, of course he has enormous wealth, it is impossible for a young master to have wealth lower than the lower family factions.

"Fortunately he didn't fight, if it's like this, they have a very high probability of winning" Luckily Ye Chen didn't take the fight, otherwise their chances of winning wouldn't be too great.

Yu Ting was confident in her own strength, unfortunately she lacked confidence in the abilities of Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong, the abilities of the four were still below her, if they fought, they might run into a bit of trouble.

"Please, show me what you have." Ye Chen asked Long Caolin to show him what he had.

"Take a good look at this." Long Caolin immediately showed some of the artifacts he had, he displayed the best collection he had.

"that . . .?" Everyone was immediately shocked when they saw the artifact that Long Caolin took out, it was obvious that it was a Tier eight rank artifact, one could say that it was a very good weapon.

"It is a blood-sucking sword as well as a light Water shoe" Everyone was shocked when they saw what Long Caolin took out, the artifact that Long Caolin took out could be said to be extremely high.

"It's not too late to give up now." Long Caolin said to Ye Chen, he said that it's not too late to admit defeat.

"Is that all you can afford ,are you really the young master of a rich family?" Ye Chen asked Long Caolin about the thing he had.

"Huh? ? ? ?" Everyone was shocked when they listened to what Ye Chen said, to be honest they couldn't believe that Ye Chen dared to say such a thing.

Ye Chen was very bold in mocking the heirlooms that Long Caolin had just brought out, even though they were very good things and difficult to fight.

Disciples here used Tier six and seven weapons on average, those with Tier 8 must come from good backgrounds.

And right now Long Caolin took out about four Tier 8 Artifacts, what Long Caolin was doing was like throwing nuts.

"Are you stupid, if you are capable, let's just fight, don't you have a top grade artifact, if so, giving up now is the best option" Long Caolin said to Ye Chen.

Long Caolin said that Ye Chen was stupid, Ye Chen might not be able to fight against his wealth and act stupid.

Long Caolin immediately showed everything he had, it should be enough to keep Ye Chen from moving.

"Feel it, who's to challenge us, poor man" Long Caolin said to Ye Chen.

Chapter 1974 Then start swearing and show everyone what you said

Long Caolin already felt victorious, he felt that Ye Chen would not be able to defeat him.

Long Caolin had already taken out his best collection, Ye Chen would not be able to win against him, this victory was already his.

" looks like you're happy too soon " Ye Chen said that Long Caolin was happy too soon.

"What do you mean ?" Long Caolin asked Ye Chen, he asked the meaning of Ye Chen's words.

" let's make this more interesting " Ye Chen said to Long Caolin, Ye Chen wanted to make everything more interesting, he didn't think this was interesting at all.

"what do you want ?"ask Long Caolin to Ye Chen, Long Caolin wants to know what Ye Chen wants.

" it's so simple, let's bet, if you lose, then you have to leave him forever " Ye Chen said to Long Caolin.

"and if you lose?" ask Long Caolin to Ye Chen, Long Caolin wants to know what Ye Chen will do if he loses.

" I'll give you all the artifacts I took out" Ye Chen said to Long Caolin, Ye Chen giving away all the artifacts he took out.

"Okay, I agree" long Caolin agreed, victory was definitely in his hands, he was very confident that he could win so easily.

" Alright, everyone here will be witnesses " Ye Chen said that everyone in this place would be witnesses to what Long Caolin had just said.

" Ye Chen, what are you doing, Have you given up?" Chang Er said To Ye Chen.

Chang Er warned Ye Chen, his opponent was a rich young Master, Of course he wouldn't be able to win easily.

" who said I can't win, winning is a very easy thing to do " Ye Chen said that winning was a very easy thing to do.

" Huh " Chang Er was confused by Ye Chen, to be honest she wasn't sure that Ye Chen could win.

" Okay, its time to show what I have " Ye Chen took out an artifact to fight Long Caolin, its time Ye Chen to show what he has.

Ye Chen took out nine artifacts, these nine artifacts had a much more domineering aura than the artifacts issued by Long Caolin.

Everyone was speechless when they saw what Ye Chen had just put out, what Ye Chen had done seemed to be much more extraordinary than what Long Caolin had previously done.

The surroundings of this place became silent, they could no longer speak after seeing what Ye Chen put out, to be honest what Ye Chen put out was too great to make them speechless anymore.

If Ye Chen only took out one artifact at Tier 9, then they could accept just that, but when Ye Chen took out nine at once then it became an incredible thing for all of them.

No matter how rich Long Caolin and his three friends were, they wouldn't be able to take out what Ye Chen had.

Even if they asked their families, perhaps they only had less than what Ye Chen had put out.

"no way, did my eyes not deceive me" everyone tries to rub their eyes, they feel that they are dreaming.

Some people even slap themselves to make sure that what they see is not a dream.

Even though they had done that, they still saw that what was in front of them was not a dream.

" no way, this can't be happening" people still can't believe what happened, to be honest what happened is hard for people in this place to believe.

They still couldn't believe that everything in front of them was reality, it was like a dream when seeing what Ye Chen had.

Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong gawked when they saw what Ye Chen had, they really didn't expect Ye Chen to have such a large number of artifacts.

"how?, don't you want to take out everything you have?" Ye Chen told Long Caolin to take out what he had, if he didn't take out what he had, then the winner would be Ye Chen.

" damn " Long Caolin was upset, he didn't have anything that could be used against Ye Chen, to be honest what he had right now couldn't be used against Ye Chen.

" have you given up?, isn't that too soon?" Ye Chen said to Long Caolin.

Ye Chen didn't expect that Long Caolin would give up so quickly, to be honest Long Caolin gave up too quickly.

" I won't give up, I know that what you put out is fake " in order not to lose more face, Long Caolin tried to accuse Ye Chen, he didn't believe that Ye Chen was capable of taking out such a large number of artifacts.

"oh, so you think that I'm a fraud, okay, then you can just go ahead and take a look at it" Ye Chen said to Long Caolin, he told Long Caolin to see for himself what he put out.

The artifacts issued by Ye Chen were of course genuine, these were artifacts that he had obtained from the devil's tomb, of course they were all genuine belonging to the guards there.

" let me see it " Long Caolin tried to look at it, he ascertained whether this was real or fake.

When Long Caolin tried it, Long Caolin discovered that what Ye Chen had was genuine.

" no way, how could this be genuine?" Long Caolin can't believe that this is genuine, this person really has a wealth far greater than he has.

" Why, is there something wrong? " asked Ye Chen to Long Caolin, Ye Chen asked Long Caolin, is there something wrong with his item.

Long Caolin gritted his teeth, he had a hard time admitting his defeat, if he were to admit his defeat, then it would be a disgrace to him.

Everyone was waiting for an answer from Long Caolin, they wanted to know if Ye Chen's artifact was real or fake.

" this is all fake " Long Caolin said in a loud tone, he said that Ye Chen's artifact was fake.

"fake . . .?" everyone immediately whispered, mostly men started to sneer at Ye Chen who was trying to lie.

Ye Chen smiled at everyone, he wasn't angry when he found out that Long Caolin was lying.

" you said that this is fake, are you sure, do you dare to swear to the sky that this is fake?" Ye Chen said to Long Caolin.

" Of course, I dare to do that " Long Caolin had already gotten to this point, he couldn't back down or else he would be ashamed for life.

" then start swearing and show everyone about what you said, if it's true, you can bring all these artifacts of mine" Ye Chen said to Long Caolin.

To fight against this kind of Liar, Ye Chen used the most powerful means of swearing.

Long Caolin immediately fell silent when he heard this, to be honest he was speechless when he listened to what Ye Chen said.

What Ye Chen said really made him rethink.

" why should I do that?" Long Caolin asked Ye Chen, he said that he wouldn't do that.

"just tell me you're scared, cowardly Rich Young Master" Ye Chen said to Long Caolin.

"let's do it, why are you afraid, make him ashamed " everyone supported Long Caolin, if indeed what was said by Long Caolin came true then Long Caolin had nothing to fear.

Chapter 1975 Long Caolin was scared to death

Long Caolin was getting pushed from around, he was getting pushed around by the people around this place.

" Damn, what should I do " Long Caolin was confused, he was confused by this.

If he didn't do what Ye Chen said, it would be just like admitting that he was lying.

" what are you doing, just say it quickly " Yu Ting urged Long Caolin to say what he had just said, he told Long Caolin to say that immediately so that Ye Chen would quickly disappear and lose face in front of everyone.

It would definitely be fun to see Ye Chen lose face, it was something Yu Ting was quite looking forward to.

" what should I do?" Long Caolin is starting to feel confused, he is starting to feel confused about what he should do, if he steps back now, then it is certain that he will lose face and will not be able to meet Yu Ting.

" there is no choice, I will challenge the heavens, definitely nothing will happen " Long Caolin ventured, he would challenge Ye Chen and show that he had the ability.

Ye Chen looked impatient, he seemed to be impatiently waiting for an answer from Long Caolin.

"I Long Caolin swear that what you have is fake, if I lie, if I tell lies and falsehoods then I will be struck by lightning" Long Caolin said in a loud voice.

After saying this, everyone began to believe what Long Caolin had said.

"now that you're satisfied, you're a big liar" Long Caolin said to Ye Chen.

" that's exactly right " Hou Tangmeng, Gu Wungsa, Peng Cong helped Long Caolin, they helped taunt Ye Chen.

" Ye Chen " Chang Er tried to comfort Ye Chen, she tried to comfort Ye Chen who was probably being humiliated by Long Caolin, Hou Tangmeng, Gu Wungsa, Peng Cong.

" aren't you ashamed " several men began to mock Ye Chen, they mocked Ye Chen who took out fake goods to fight Long Caolin.

Ye Chen was quite calm, he could still smile when receiving ridicule from the people around.

"Rumble" when everyone was mocking and demeaning Ye Chen, suddenly a huge Rumble sounded.

"Ahhh" everyone immediately lowered their heads, this is the sound of Heavenly lightning, naturally all cultivators feel scared by this sound.

Everyone tiara on the ground, they protect themselves from the Raging Thunder of heaven.

Long Caolin started to tremble, he started to tremble when he saw the strange phenomenon happening.

"whoa Look What happened, it looks like the sky is angry" Ye Chen said to Long Caolin, Ye Chen said to Long Caolin, he scared Long Caolin with the incident that happened.

Long Caolin was really scared, it could be seen that he was very scared when he saw what was happening above the sky.

Long Caolin didn't expect that he would trigger heaven's wrath, he really made a mistake.

"Rumble . . ." the Rumble sound became more and more powerful and terrible, this sound gave everyone goosebumps.

Among all the people in this place, it could be said that Long Caolin was the one who was the most afraid, he was the one who triggered this, of course he would get punished.

Yu Ting, Hou Tangmeng, Gu Wungsa, Peng Cong stayed away from Long Caolin, they didn't want to get close to Long Caolin.

Long Caolin looked like a plague to them, so they went away from Long Caolin.

" why are you running, help me? " said Long Caolin to Hou Tangmeng, Gu Wungsa and Peng Cong.

" we refuse, it's your business, don't take us on your business" Hou Tangmeng, Gu Wungsa, Peng Cong said that they wouldn't help Long Caolin.

Even Yu Ting didn't want to help himself, he was left alone.

"rumble . . ." The rumble sound is getting bigger and bigger, this sound is making a terrible vibration.

" I'm sorry, I was wrong, so please forgive me " Long Caolin had no choice, the only way to defuse everything was to apologize.

Too bad, what Long Caolin did didn't work, what Long Caolin did had no effect on what happened.

Long Caolin was getting scared, he was trying to run away, too bad he wasn't able to do that because he couldn't to move.

"Boom . . ." the Lightning fell right on Long Caolin, everyone instantly retreated and stayed away from Long Caolin.

Everyone didn't expect that Long Caolin was actually hit by lightning, they didn't expect that Long Caolin was lying, it meant that Ye Chen wasn't lying with what he had.

The fog enveloped the area where Long Caolin was, everyone thought that Long Caolin must have died from being hit by the Lightning.

When everyone thought that Long Caolin had lost, they saw Long Caolin's figure, they saw Long Caolin's figure sitting on the ground helplessly, right in front of him was a very deep hole, just a little bit he was almost vaporized by lightning.

Long Caolin was terrified, he wet his pants for fear of what had just happened in front of him.

Long Caolin had really humiliated himself, he had actually made a pretty embarrassing thing.

After the lightning struck, finally the Thunder began to subside, everyone began to dare to stand up again as before.

" sometimes you have to be honest with what happened " Ye Chen said to Long Caolin, he said to Long Caolin who had dared to lie.

Long Caolin was silent and did not dare in answering Ye Chen's words, he was completely speechless again.

Long Caolin was so embarrassed as hell, he actually showed such an absurd thing like this.

Long Caolin was forced to flee, he was forced to flee from this place to cover up his embarrassment.

"that's great, he really dared to lie, he got what he deserved" Chang Er said to Ye Chen.

Chang Er looked so happy, she seemed so happy when she saw Long Caolin get his punishment.

" he is a very stupid person, doing something that threatens his life for someone who just takes advantage of it," Ye Chen said to Chang Er.

Ye Chen turned his attention towards Yu Ting, Ye Chen could see how Yu Ting's expression was when he saw what happened to Long Caolin.

If only there weren't so many people here, Yu Ting would have already cursed Ye Chen.

" This bastard, why does he always interfere with my plans, he is the most annoying person in this world " Yu Ting said in his heart, she harbored a huge anger towards Ye Chen, if this was released, then this could be a rather powerful weapon against Ye Chen.

After Long Caolin left, only Hou Tangmeng, Gu Wungsa, Peng Cong, the three of them looked at Ye Chen with strong hostile gazes.

" is there still anyone who dares to fight me, hurry forward if you don't run away like a child wetting the bed?" said Ye Chen to Hou Tangmeng, Gu Wungsa, Peng Cong.

Ye Chen's words made the expressions of Hou Tangmeng, Gu Wungsa, Peng Cong not being looked at.

They felt that what Ye Chen said was an insult.

" you are so arrogant, I will fight you " Hou Tangmeng said To Ye Chen, he would fight Ye Chen with his collection.

" I hope you're not like the person before " Ye Chen said to Hou Tangmeng, lest Hou Tangmeng end up like Long Caolin.

" I'm not like that person, I have a much more valuable thing than the pile of junk you have" Hou Tangmeng blatantly said that Ye Chen's artifact was junk.

Chapter 1976 one flick of a finger to defeat Hou Tangmen

"oh, so you're saying that the artifact I have is trash, interestingly, I'm quite curious what you have" Ye Chen looked at the arrogance of Hou Tangmeng.

Hou Tangmeng started to show how he made an Array, he showed everyone how he made an Array.

People began to be fascinated by what Hou Tangmeng was doing, they all began to recognize Hou Tangmeng's abilities.

Hou Tangmeng smiled contentedly, he was satisfied when he saw how the reactions shown by the people around him.

" how, have you seen it already? " said Hou Tangmeng to Ye Chen.

" just like that " Ye Chen said to Hou Tangmeng, according to him there was nothing good about the Array used by Hou Tangmeng.

" are you stupid, you don't see this, don't you understand this thing?" said Hou Tangmeng to Ye Chen.

Seeing Ye Chen's reaction, Hou Tangmeng said that Ye Chen didn't understand the world he had.

" you may be right, I may not understand with what you have, the stakes are still the same as before, whether you dare or not" Ye Chen said to Hou Tangmeng.

Ye Chen placed a bet like he did on Long Caolin.

" of course, I dare, it's easy for me to defeat you, the probability of you winning is 0%" Hou Tangmeng said to Ye Chen.

" hahahaha, I like what you said " Ye Chen liked to listen to what Hou Tangmeng said, this man looked much more arrogant than Long Caolin.

" he should have won, no one can beat his ability " Yu Ting slightly believed that with the ability possessed by Hou Tangmeng, he might be able to win against Ye Chen.

" Hou Tangmeng you can definitely defeat him " Yu Ting gave Hou Tangmeng her support, she fully supported what Hou Tangmeng did.

Hou Tangmeng felt happy and excited when he got the support of Yu Ting, he felt that this would be the most beautiful victory he could get.

Ye Chen smiled when he saw what Hou Tangmeng had done.

" Ye Chen, are you able to defeat him?" Chang Er asked Ye Chen, she didn't know if Ye Chen could use Array techniques.

" it's like a toy to me, " Ye Chen said to Chang Er, Ye Chen telling her it was like a toy to himself.

"O" Chang Er didn't expect this, she didn't expect that Ye Chen had such an ability.

Ye Chen started to build an Array of his own, this was much more complex than the one Hou Tangmeng had.

Ye Chen directly kicked and destroyed Hou Tangmeng's Array.

"Crack . . ." Hou Tangmeng's Array was destroyed very easily, it can be seen that Ye Chen's Array power is much stronger.

"do your best, don't let me down" Ye Chen said to the bouncing Hou Tangmeng.

Everyone in this place was shocked when they saw what Ye Chen was doing, they really didn't expect that Ye Chen was also capable of doing the same as Hou Tangmeng, the difference was that Ye Chen looked much more powerful when compared to Hou Tangmeng.

Hou Tangmeng got up, he didn't accept when he lost to Ye Chen.

"I won't lose to a tramp" Hou Tangmeng wouldn't lose to a tramp like Ye Chen, how could someone like Hou Tangmeng lose to a lower-class family like Ye Chen.

Hou Tangmeng built a much larger Array, himself making a much larger Array compared to before.

"this time you will see the strength I have" Hou Tangmeng said that he would take it all out.

"take out everything you have, don't hold back" Ye Chen told Hou Tangmeng to take out everything he had, that way it would become even more fun.

Hou Tangmeng brought out the best skills he had, Hou Tangmeng hoped to defeat Ye Chen when using all his strength.

This time Hou Tangmeng made a fairly complex Array of arrangements, he fought directly with Ye Chen.

"everyone quickly retreat" seeing the battle between Ye Chen and Hou Tangmeng, the audience decided to retreat, they didn't want to be dragged into the battle.

"Boom. . ." the battle Array started happening, explosions and tremors occurred when Hou Tangmeng attacked Ye Chen quite intensely.

Ye Chen did not counterattack quickly, he was still waiting for the right momentum to defeat Hou Tangmeng.

If Ye Chen wanted to, he could instantly destroy Hou Tangmeng's artificial Array with a single flick of a finger.

Ye Chen had already discovered the weakness of Hou Tangmeng's Array, so he could end everything quickly.

Hou Tangmeng seemed to be struggling in the face of Ye Chen's array, for some reason Ye Chen's Array was extremely strong and able to withstand all the attacks he launched.

"very strong, very hard to destroy" Hou Tangmeng felt that Ye Chen had a very strong defense and was very difficult to destroy.

"To long, quickly destroy" Yu Ting was impatient, he told Hou Tangmeng to end everything immediately.

"I'm trying" Hou Tangmeng said that he was trying, he was trying his best to finish everything quickly.

"it seems like you are under a strong inner pressure, do I need to help you?" Ye Chen asked Hou Tangmeng, Hou Tangmeng looking distressed by Yu Ting.

"I don't need your help" Hou Tangmeng said that he didn't need Ye Chen's help.

"What a pity" Ye Chen shook his head, even though he was already kind and wanted to help Hou Tangmeng.

"destroy it . . ." Hou Tangmeng shouted in a fairly loud voice, he tried to destroy Ye Chen's Array with a full attack.

"Hoam . . ." Ye Chen yawned, Hou Tangmeng's attack couldn't break through his defense.

"are you done, let's end this game play" Ye Chen was already getting bored, he decided to end everything quickly.

After holding on for a few minutes, Ye Chen was finally willing to attack.

"Boom . . ." an extremely powerful attack instantly destroyed Hou Tangmeng along with the Array he had.

"Impossible" Hou Tangmeng couldn't believe what had just happened, he was quite surprised when he saw what had just happened.

He had lost to Ye Chen, the Array that he himself possessed was incapable to fight with Ye Chen, this was beyond his estimation.

"you lost" Ye Chen said to Hou Tangmeng, Hou Tangmeng had lost the battle.

Hou Tangmeng clasped tightly his own hand, he had lost to Ye Chen.

"I can still fight, just look at you scum" Hou Tangmeng said that he was still fighting, so he would still try to fight Ye Chen.

"I'm not interested, you've already lost, you're even lower than trash" Ye Chen snapped his fingers, with a single flick of a finger, Hou Tangmeng was made to fly.

Everyone was stunned when they saw how Ye Chen defeated Hou Tangmeng so easily, Ye Chen was like throwing garbage out of his way.

"He is too strong, who is this" the women were intrigued by Ye Chen, they all wanted to know who Ye Chen really is, Ye Chen had made them very interested, they wanted to get to know Ye Chen even more deeply.

"he's too domineering" Chang Er didn't expect Ye Chen to be so domineering, he had just kicked two of the four geniuses in the academy so easily once.

Ye Chen was too strong and hard to beat, he was completely unpredictable

Gu Wungsa, Peng Cong saw Hou Tangmeng flying by Ye Chen, Hou Tangmeng was completely defeated at Ye Chen's hands.

Chapter 1977 Alchemy battle against Gu Wungsa

"okay, the two of you are over, you are just the two of you, willing to give up now or not" Ye Chen gave a warning to Gu Wungsa and Peng Cong.

Gu Wungsa and Peng Cong looked towards Ye Chen, neither of them expected that Ye Chen would be enough of a hassle.

Yu Ting bit her lip, she was really made difficult by what Ye Chen did, the two best people he had were unable to fight Ye Chen, this was very troublesome at all.

" then I will go forward, I can't believe that he also has the ability of an alchemist " Gu Wungsa decided to go forward and fight Ye Chen.

" don't lose, do your best " Yu Ting encouraged Gu Wungsa, Yu Ting hoped that Gu Wungsa could defeat Ye Chen.

" I'll do my best, I won't let that person insult my goddess" Gu Wungsa said to Yu Ting.

Before leaving, Gu Wungsa kissed Yu Ting's hand, he would do his best to defeat Ye Chen.

Gu Wungsa took advantage of this opportunity to seek sympathy from Yu Ting, he was really very good at taking chances.

Gu Wungsa came forward, this time he was the one who was going to fight Ye Chen.

" so you don't want to give up, it's a pity " Ye Chen said to Gu Wungsa.

Ye Chen was quite disappointed when he saw this, even though Gu Wungsa had the opportunity to relent.

" I'm not a coward " Gu Wungsa said that he was not a coward.

He was a wealthy young master, there was no way he would yield to Ye Chen.

His pride was so strong, he couldn't possibly accept when someone like Ye Chen underestimated what he thought was good.

Yu Ting was something for Gu Wungsa, when Ye Chen said a no-no, that's when Gu Wungsa didn't accept what happened.

" that's great, what do you want, you have the right to decide the match this time " Ye Chen invited Gu Wungsa to determine what they would play, Ye Chen couldn't wait to play with Gu Wungsa.

"you seem to have brought enough preparation, how about we just compete alchemy, it will be more fair" Gu Wungsa said to Ye Chen.

Gu Wungsa invited Ye Chen to compete and compare their abilities in concocting a pill.

" how can it be called fair, it's obvious that you're trying to make a profit" said Chang Er to Gu Wungsa.

Chang Er did not agree with what Gu Wungsa said, she felt that this would not be fair to Ye Chen.

" if you're afraid you can say " Gu Wungsa said to Chang Er, if Chang Er was afraid then she told Ye Chen to say it.

" I'm not afraid, I'll follow your game " Ye Chen would still follow the game wanted by Gu Wungsa.

"the stakes are still the same, are you willing or not?" ask Ye Chen to Gu Wungsa.

" Of course, I can afford the bet " Gu Wungsa said that she could afford the bet that Ye Chen wanted.

" Very good, I really like what you're doing " Ye Chen really liked what Gu Wungsa said.

Gu Wungsa wouldn't be able to run away from the responsibility of hers, she would have to agree to what their bet was.

"okay, if it's like this, then I'll start over" Gu Wungsa said to Ye Chen.

" you can start first " Ye Chen allowed Gu Wungsa to advance first.

Gu Wungsa started taking out his own furnace, himself started taking out his own furnace to fight Ye Chen.

"Wow, see he started making a pill" the people around began to be amazed by what Gu Wungsa was doing.

It was rare that they could see something like this, so they took advantage of this opportunity very well.

Gu Wungsa started his show, himself showing off his strength in front of everyone and Yu Ting.

" look at this carefully " Gu Wungsa told Ye Chen to take a good look at this.

Ye Chen saw what Gu Wungsa was doing, Gu Wungsa was making a pill using a technique he possessed.

" the skill is not bad " Ye Chen saw that the skill possessed by Gu Wungsa was quite great.

Gu Wungsa started concocting pills, he did purification in front of everyone who was in this place.

"that's great" everyone felt shocked when they saw what Gu Wungsa was doing, all of them seemed very stunned by what Gu Wungsa was doing.

" what a great skill " Yu Ting was very confident that Gu Wungsa would win against Ye Chen.

" you will see my ability " Gu Wungsa said To Ye Chen, he would show Ye Chen his ability.

Ye Chen didn't answer Gu Wungsa, he saw what Gu Wungsa was going to do.

Making a pill would take a long time, so they had to wait for Gu Wungsa to finish concocting the pill.

" it'll be a long time, I'll just shorten the time " Ye Chen didn't want to wait long, he started making a pill as well.

Ye Chen took out some ingredients, he intended to make a pill capable of rivaling Gu Wungsa's.

" aren't you going to take your furnace?" Gu Wungsa said to Ye Chen.

" Hahahaha, I'm not like you, I don't need a furnace to face you " Ye Chen told him that he didn't need a furnace to defeat Gu Wungsa.

" have you gone mad, how can you defeat me without a furnace, you are really stupid?" said Gu Wungsa to Ye Chen.

Gu Wungsa considered Ye Chen a fool, this victory would belong to Gu Wungsa.

" it seems that he doesn't know alchemy, he will most likely lose " seeing this, everyone assumed that Ye Chen would definitely lose, this time Ye Chen would definitely lose to Gu Wungsa.

Ye Chen threw his materials upwards, Ye Chen's materials were instantly enveloped by the profound flames.

" you are crazy, what are you doing " Gu Wungsa said To Ye Chen, what Ye Chen did was crazy and absurd.

" just shut up, you don't need to talk too much " Ye Chen told Gu Wungsa to just shut up, he didn't need to talk too much.

Gu Wungsa made a dark expression, having just been insulted again by Ye Chen.

" just watch out you, I'll make you pay for what you said " Gu Wungsa would make sure that Ye Chen would pay for what he had done.

People thought that Ye Chen was burning his ingredients, but in reality, he was refining the ingredients and making a pill.

" what is it, how did he do it " everyone was shocked when they saw what Ye Chen was doing.

People who knew about alchemy naturally knew what Ye Chen was doing.

" no way, how could he do such a thing? " Gu Wungsa was surprised when he saw Ye Chen, he was quite surprised when Ye Chen could make a pill without a furnace.

"it seems like the winner has already been determined, just give up, that way you won't lose face any further" Ye Chen said to Gu Wungsa.

Ye Chen told Gu Wungsa to surrender right now, that way Gu Wungsa wouldn't lose more face.

" the match is still not over " Gu Wungsa said that if the match is still not over, the winner is still not determined.

" If it was indeed your decision" since Gu Wungsa was unwilling to give up, then Ye Chen would continue.

Gu Wungsa was getting agitated, he was getting agitated when he saw Ye Chen who could do such an absurd thing, if it was like this, then he would have no chance of winning.

Chapter 1978 Gu Wungsa tried to cheat

" I have to do something, if it's like this, then I can lose " Gu Wungsa had to do something, if it continued like this, he could lose at the hands of Ye Chen.

" I have to tackle him here " Gu Wungsa intended to tackle Ye Chen, that way he could win against Ye Chen.

Gu Wungsa started picking up a powder, he started throwing the powder towards Ye Chen.

The powder thrown by Gu Wungsa was a useful powder to make people become weak and sleepy, it was a powerful weapon to mess with Ye Chen.

Ye Chen saw clearly what Gu Wungsa was trying to do, this man was trying to do something bad to him.

" You want to cheat, Okay I'll play along " seeing that Gu Wungsa was going to cheat the match, Ye Chen decided to join the battle.

He used his wind power to reverse the powder used by Gu Wungsa.

" no way " Gu Wungsa didn't expect that the powder he threw would be returned by Ye Chen, to be honest this would be quite a troublesome thing.

"Hehehe, taste that" Ye Chen said to Gu Wungsa.

Gu Wungsa tried to hold his breath, as long as he didn't inhale the powder, then it would be fine.

Gu Wungsa held his breath well, himself holding his breath for a long time.

" how long can you hold your breath, breathing is a pleasant thing " Ye Chen said to Gu Wungsa, himself breathing in quite a deep breath and showing it off to Gu Wungsa.

" Mmmmm " Gu Wungsa seemed to have difficulty in enduring Ye Chen's ridicule.

To be honest, this was a rather difficult thing for Gu Wungsa to do.

"Focus . ." Gu Wungsa is trying to focus, he is trying to focus on pill making.

" Not bad either " Ye Chen had to admit the tenacity that Gu Wungsa possessed, Gu Wungsa had the tenacity to survive the poison that he was using.

Tens of minutes had passed, it was noticeable that Gu Wungsa already seemed to be struggling to hold his breath and not speak.

Gu Wungsa had to stay focused, if he were to fail at the refining process, then he would lose to Ye Chen.

Ye Chen had already finished refining, he was already at the stage to fuse all the ingredients into a pill.

" looks like I need to slow down a bit " Ye Chen felt that he had to slow down a bit, he couldn't go too fast because Gu Wungsa hadn't finished yet.

Ye Chen had a surprise for Gu Wungsa, Ye Chen's surprise would definitely make Gu Wungsa helpless.

Ye Chen couldn't wait to see Gu Wungsa's reaction, it would definitely be a very funny thing indeed.

"cough . . ." Gu Wungsa is at his limit, it seems that he is no longer able to defend.

"Shit . . ." Gu Wungsa cursed, he is really in a bad situation.

Gu Wungsa sucked his powder, this made him feel weak and sleepy.

Gu Wungsa was trying to hold on, he was trying to hold on to the last drop of blood.

Ye Chen was still very relaxed at all, it seemed that Ye Chen was very relaxed at all in facing Gu Wungsa.

Gu Wungsa reached the breaking point, the time to unite all the ingredients into a pill.

This process is quite important, if he fails then he will completely lose.

Ye Chen knew what Gu Wungsa was thinking, Gu Wungsa was in an important condition, he would definitely be very focused once on what he had.

"Boom . ." as this process, lightning started to strike, it seems that Gu Wungsa was trying to make a high-tier pill.

Under normal conditions, Gu Wungsa would probably be confident, but now he lacks confidence, his own consciousness is not good, plus he is very weak.

"Boom . . ." an explosion occurred, this explosion knocked Gu Wungsa out and made him bounce.

" he failed, too bad " Ye Chen was disappointed, it seemed like Gu Wungsa couldn't finish making his pill.

"Damn it . ." Gu Wungsa is very upset, he is quite upset with what happened.

"looks like you've already lost" Ye Chen said to Gu Wungsa.

Gu Wungsa had harvested what he had sown, he was now defeated and would not be able to put up a fight.

" Useless " Yu Ting was annoyed again, again his person failed against Ye Chen.

Gu Wungsa looked towards Yu Ting, it seemed that Yu Ting was angry towards her.

Gu Wungsa didn't accept this, he didn't accept what happened.

" Damn " Gu Wungsa cursed Ye Chen, he cursed Ye Chen who had made him lose face in front of the woman he liked.

Gu Wungsa was so stupid, he was such a stupid person, he blamed Ye Chen for his own mistakes.

" it seems like this is my victory " Ye Chen said to Gu Wungsa, saying that this was his victory.

"no, who said I lost, I may have failed in making pills because of your mistake, but I still have pills that I made myself, look at this" Gu Wungsa took out a pill, he showed Ye Chen that he had managed to make a top-class pill.

" that, Great Earth Marrow Pill " everyone knew what Gu Wungsa raised, they all naturally knew that it was an Great Earth Marrow Pill that was Tier 9.

" you won't win " Gu Wungsa said to Ye Chen.

Gu Wungsa managed to reverse the situation, he managed to reverse the situation of his previously defeated.

" you are shameless, how can you do such a thing " Chang Er said to Gu Wungsa, Gu Wungsa was completely shameless and changed the match as he pleased.

"you have a problem, this is my handmade pill, so it still counts as mine" Gu Wungsa said to Chang Er.

" you are a cunning and shameless person " Chang Er again said to Gu Wungsa, this person was very cunning and shameless.

Gu Wungsa should have lost the match, but he arbitrarily changed the match and took his collection, this is very unfair.

" thank you very much " Ye Chen thanked Gu Wungsa.

"what are you saying?" Gu Wungsa doesn't understand what Ye Chen said, he doesn't understand what Ye Chen said.

" thank you so much for taking out such a delicious meal, it seems that my homemade pills like the food you are taking out " Ye Chen said to Gu Wungsa.

Everyone was curious as to what Ye Chen had said, they were all curious as to what Ye Chen had said.

Suddenly the pill in Gu Wungsa's hand began to lose its aura, it began to dim and began to turn black.

" what happened " Gu Wungsa didn't know what had happened, the pill in his hand had suddenly turned black and looked like a pill that had no efficacy.

Gu Wungsa looked towards Ye Chen, he saw Ye Chen who was doing the final process in making pills.

" thank you very much for the help, if you don't take out the pill, maybe I should take out more resources " Ye Chen thanked Gu Wungsa, thanks to Gu Wungsa he no longer needed to take out resources.

"you . . ., don't say that it's an Eater Cycle pill" Gu Wungsa finally found out what Ye Chen made, it turned out that Ye Chen made an Eater Cycle pill.

Eater Cycle pill is a special pill that is quite rare and quite difficult to make, this pill can absorb other pills to enhance the effect of these pills.

" he absorbed my pill " Gu Wungsa was very upset, all this time he had been completely toyed with by Ye Chen.

Ye Chen had already finished in making the pill, a pill with an extremely fragrant aura and aroma appeared in Ye Chen's hand.

"do you still dare to fight?" asked Ye Chen to Gu Wungsa.

Chapter 1979 Compare painting skills

Gu Wungsa clasped his own hands, this was entirely his defeat.

Gu Wungsa completely lost face, he completely lost face in front of Yu Ting.

" Useless " Yu Ting said to Gu Wungsa, Gu Wungsa was useless like the others.

Gu Wungsa's heart broke as he listened to what Yu Ting said.

He felt sad when he heard this, Gu Wungsa looked towards Ye Chen, this was All Ye Chen's fault, Ye Chen was the one who had made himself lose face in front of Yu Ting

" bastard, I will kill you " Gu Wungsa was angry at Ye Chen, he intended to kill Ye Chen and take revenge for what happened.

"you've already lost, and you intend to be violent, shameless" Ye Chen said.

" shut up, I'll kill you " Gu Wungsa roared, he charged at Ye Chen using full speed.

" out of the way " Ye Chen used his fist, Gu Wungsa was easily blown away by Ye Chen.

Ye Chen's Fist was quite strong, this made Gu Wungsa fly quite far.

" everything is finished, now there is only one person left " Ye Chen had defeated Long Caolin, Hou Tangmeng and Gu Wungsa.

Now that only Peng Cong was left, Ye Chen looked towards Peng Cong, it seemed like this was going to be a very easy battle.

"now it's just you, are you ready to lose?" Ye Chen said to Peng Cong.

"no way, I won't lose " Peng Cong told Ye Chen that he was not going to lose, he intended to fight Ye Chen.

"that's a very good answer indeed, I can't wait to see what abilities you have " Ye Chen wanted to know what abilities Peng Cong possessed.

"you won't be able to win, I'm very smart, so your chances of winning are very small " Peng Cong was quite confident, he was quite confident in his abilities.

As a person with above-average intelligence, Peng Cong could definitely defeat Ye Chen.

"what do you want to compete against? " Ye Chen asked, he wanted to know what kind of match Peng Cong wanted.

"Hehehehe, that's so easy, how about comparing the notes in painting writing, whether you have that ability or not " Peng Cong asked Ye Chen.

Peng Cong invited Ye Chen to compare notes, he wanted to compare notes with Ye Chen.

Peng Cong was very confident, he was quite confident in fighting Ye Chen.

In the academy no one can beat himself in terms of writing, another disciple will not be able to beat himself in terms of writing writing.

"oh . . , maybe I'm not that good" Ye Chen might not be very good at painting lettering.

" so you don't dare, it's a pity " Peng Cong said as he underestimated Ye Chen.

"who said that I didn't dare, this is a pretty good opportunity to try out the ability" Ye Chen said to Peng Cong.

Ye Chen did not reject the challenge from Peng Cong, this was the most exciting challenge that made Ye Chen feel excited.

"very good " Peng Cong was delighted when he heard this, he went straight away and picked up a table that would be used as a pedestal.

"I'll start first " Peng Cong said To Ye Chen, Peng Cong would show his abilities first.

"go ahead " Ye Chen said, he wanted to see how Peng Cong's hand painting skills were.

"master, are you alright? " Chu Yuechan asked Ye Chen, the match this time Chu Yuechan doubted Ye Chen could win easily.

"it seems that my skills are quite poor, I need a little help " Ye Chen said to Chu Yuechan, Ye Chen told Chu Yuechan that he needed help.

" I had expected " Chu Yuechan had expected this, Ye Chen would definitely ask her for help.

Chu Yuechan had already expected this, Ye Chen would definitely ask her for help.

" don't you want to help me?" ask Ye Chen to Chu Yuechan.

" of course I will help you " Chu Yuechan would of course help Ye Chen, she would give a help to Ye Chen.

" wait here, I'll take something " Chu Yuechan told Ye Chen to wait for a while.

" Okay, I understand " Ye Chen understood, himself would be waiting for Chu Yuechan.

After all Peng Cong wasn't going to finish quickly, so Ye Chen still had quite a lot of time.

Everyone was looking towards Peng Cong, at this time All eyes were looking towards him, they all wanted to see Peng Cong's skills.

It was said that Peng Cong's painting skills were very great, so everyone was curious about his skills.

They all wanted to see how strong Peng Cong's skills were.

Peng Cong painted a writing, he did it slowly and surely, his skill could be said to be very deep.

" that's great, I can see that the writing is very deep " everyone can see that Peng Cong painted very deeply, they can all feel it when they see Peng Cong's writing.

Ye Chen saw what Peng Cong was doing, he could see that Peng Cong was using his power into his painting, this would amaze others.

"Hero " Peng Cong wrote hero writing, people who see Peng Cong painting can see how it feels Peng Cong painting.

"that's great" everyone praised Peng Cong's painting, they all praised Peng Cong's painting which is very beautiful.

"thank you very much" Peng Cong was delighted when they saw what Peng Cong had painted, they all gave quite a standing ovation.

"I'm done, now it's your turn" Peng Cong said To Ye Chen, now it was time for Ye Chen to show his painting skills.

"Okay . ."Ye Chen nodded, he began to prepare a brush and canvas for painting.

"what should I do?" Chu Yuechan was quite a long time, this made Ye Chen a little confused as to what he should paint.

" why are you just silent, do you have no ability? " Peng Cong began to mock Ye Chen, he mocked Ye Chen who didn't do something.

" Calm down, I'm looking for inspiration " Ye Chen told Peng Cong to him, Ye Chen was trying to find an inspiration.

"Hurry up, I want to settle this matter" Peng Cong said to Ye Chen.

Peng Cong kept urging Ye Chen, he wouldn't let Ye Chen win.

"come quickly, don't just stand still " several people continued to urge Ye Chen, these people were urging Ye Chen to fight Peng Cong.

The audience was indeed always ruining the atmosphere, they made Ye Chen sick.

"master, I've returned, I seem to have found something good" Chu Yuechan said to Ye Chen.

Chu Yuechan found something good, she brought a thick book in which there was a very beautiful way of painting.

" well done " Ye Chen was pleased to hear this, he had waited long enough for this matter.

Ye Chen directly studied the book that Chu Yuechan brought with him, Ye Chen was able to study the book very easily.

"Come on . . , Come on . . ." the pressure is getting bigger, everyone is supporting Peng Cong.

Ye Chen ignored everyone, he focused on learning all the god-level painting techniques.

"okay . ." after a while when Ye Chen opened his own eyes, he had already gained all the knowledge of painting to the highest level.

"Okay this time . . ."Ye Chen began to relax his body, he began to paint words like Peng Cong did.

After a long time, Ye Chen finally started as well, everyone looked closely at the way Ye Chen painted.

When compared to Peng Cong, Ye Chen was probably less good, the way Ye Chen painted was not as amazing as Peng Cong.

" I think this is his biggest weakness " Yu Ting looked at Ye Chen, she could tell that this time Ye Chen might lose.

Ye Chen might be strong, but he wasn't as steeped in knowledge and literature as Peng Cong.

Chapter 1980: This is a very beautiful painting

so Ye Chen's chances of winning were very small at all, Peng Cong would be able to defeat Ye Chen very easily at all.

" what kind of technique is that, I've never seen it " Peng Cong had never seen the technique used by Ye Chen.

For Peng Cong what Ye Chen did was quite mysterious, Peng Cong was curious and curious about what Ye Chen painted.

Ye Chen ignored everyone around him, he ignored everyone and focused on what was being painted.

The way Ye Chen painted was much faster, he painted very quickly once, only less than 2 minutes Ye Chen finished his painting.

" Okay done " Ye Chen told Peng Cong that he had finished painting.

" Eternal Sky " Ye Chen wrote two sentences, this writing was obviously much more complicated and longer than Peng Cong's.

Peng Cong looked at the painting made by Ye Chen, when Peng Cong looked inside, he found that Ye Chen's painting was incomprehensible to him.

" what is this, this writing style is very deep, how is he able to paint like this, even though the technique used is very random" Peng Cong said to himself.

Peng Cong couldn't understand Ye Chen's painting, it was much deeper than he had.

people also felt the same way, they all felt that Ye Chen's painting was very deep.

"It looks more ordinary than Peng Cong's " people noticed that Peng Cong's painting looked very ordinary.

" that's right, obviously the winner this time is Peng Cong " since Ye Chen's painting looked very ordinary, then the winner was Peng Cong.

" it seems like this is my victory " Peng Cong said to Ye Chen.

Peng Cong told Ye Chen that this was his victory.

"are you sure, you should find a jury that knows more about this painting, ordinary people won't understand" Ye Chen told Peng Cong.

Ye Chen looked at the people around, it seemed like they wouldn't understand what Ye Chen and Peng Cong were painting.

" so you still don't accept your defeat, what a pity " Peng Cong said to Ye Chen.

" this is your lose, just accept it " Yu Ting helped Peng Cong, Peng Cong had done a good job, she was indeed the most useful among the four Rich Young Masters.

"no one can say that, this battle is not over yet" Ye Chen said to Yu Ting and Peng Cong.

"step aside" an old man told the crowd to step aside.

Everyone instantly stepped aside, they all gave way to this old man.

"looks like you guys are doing an interesting thing" the old man said to Peng Cong and Ye Chen.

" great master, what are you doing in this place " Peng Cong seemed to know the old man who had just arrived.

"this is a rare big event, of course I came out to see what happened" this old man told me that he came out because there was an event of this magnitude outside.

This old man was master He Yangzou, he was a master teacher who was steeped in ancient literature and his knowledge was very deep.

"since the Great master is here, why don't you see the result of my hand painting" Peng Cong said to he Yangzou.

" Oh, you painted the writing, Okay let me see it " He Yangzou wanted to see how Peng Cong's painting, whether it had developed into stronger or not.

" please " Peng Cong invited He Yangzou, Peng Cong invited He Yangzou to see his painting in person.

He Yangzou looked at Peng Cong's painting, he looked closely at the painting that belonged to Peng Cong.

"Hmmm, pretty good it seems like the abilities you have have progressed so astonishingly" he Yangzou said.

" thank you very much for the praise given by the Great master " Peng Cong thanked him for the praise given by He Yangzou.

"hahaha it's comparable to what you can, so I give you the judgment I have" he Yangzou said to Peng Cong.

" then get there give a comment as well for that guy " Peng Cong told He Yangzou to give his assessment to Ye Chen.

" oh, so this is the opponent you are facing so interesting " he Yangzou was interested when he saw Ye Chen he wanted to see the ability possessed by Ye Chen.

He Yangzou went and started looking at the painting that belonged to Ye Chen, when He Yangzou looked at the painting that belonged to Ye Chen, he saw something that he had never seen in his life.

"here" He Yangzou didn't expect that he would see something this great.

He Yangzou was silent for a while he was silent for a while when he saw the painting that belonged to Ye Chen.

He drowned when he saw the painting owned by Ye Chen.

" great master ?"Peng Cong asked He Yangzou, himself asking what He Yangzou was doing.

He Yangzou did not answer Peng Cong, he was still engrossed in looking at the writing that Ye Chen had.

"no way " He Yangzou couldn't believe what he was seeing at the moment.

"did you paint this?" He Yangzou asked Ye Chen, was it Ye Chen who had painted this profound thing.

"who can do this but me?" said Ye Chen to he Yangzou.

"who are you really?" He Yangzou asked Ye Chen, he wants to know about Ye Chen.

"I'm just an ordinary person," Ye Chen replied.

"how interesting " He Yangzou was interested in this, a true master would indeed not be easy in exposing his own identity.

" Grandmaster how did it Go " Peng Cong asked He Yangzou, he wanted to know the result.

"you lost badly, I said that his level was far from you" He Yangzou told that Ye Chen's level was far compared to Peng Cong's.

"what ?"Peng Cong looked shocked when he heard this, to be honest he didn't expect that he Yangzou would say something like this.

"the image quality of this young master is very deep, I'm afraid that his ability is already above me" he Yangzou replied to Peng Cong.

"what ! ! ! !" everyone looked surprised when they listened to what He Yangzou said, even someone like He Yangzou would acknowledge the ability that Ye Chen possessed.

Peng Cong and Yu Ting looked towards Ye Chen, they both didn't expect that Ye Chen would be this great.

"it seems to be my victory again" Ye Chen said to Peng Cong.

Peng Cong was speechless, he was speechless as he listened to what Ye Chen said.

"young master, if I may I want to buy your painting" He Yangzou bid for Ye Chen's painting.

" of course, I'll give it away for free " Ye Chen gave the painting away for free.

"thank you very much, Great Master" He Yangzou thanked Ye Chen, even a master to the point of being made into this by Ye Chen.

Ye Chen's abilities were indeed insane, he had abilities that were quite insane and could not be imagined by others.

"are you done?" asked Ye Chen to Peng Cong.

Ye Chen wanted to know if Peng Cong still wanted to continue the battle or not.

" this is my defeat " Peng Cong admitted his defeat, he admitted that this was his defeat.

Having already lost to Ye Chen Peng Cong decided to leave this place.

" where are you going ?"Yu Ting asked Peng Cong.

" I've lost, so I'll Go " Peng Cong tells her that he has lost, which is why he has no face to look at others.
